

## Four-H Club Show Slated Saturday Firemen and Lions Will Wage Bloody Battle Tuesday Night

### KIDDIES, FANS REAP BENEFITS OF GRID GAME

Wives' Pep Squads Will Add Spice;  
Ambulances, Veterinarians,  
Hospitals Ready.

When the Firemen and the Lions tangle Tuesday night at 8:00 o'clock in a football game on Ticer Field, under-privileged children and all fans will probably benefit tremendously.

Not so the players. Both funeral homes announce that they will have ambulances ready for action. All doctors and veterinarians will be on hand. Both hospitals are said to be moving in cots to care for broken down football players.

The battle will be even more brutal in view of the fact that the combatants' wives—both sets of them—are organizing red-hot pep squads. The gallant knights in gridiron uniform are expected to fight their breath out for the sake of their ladies fair.

#### Children to Benefit.

Every penny raised from the game will be used by the Firemen and Lions for under-privileged children. The Firemen will use their funds for purchase of Christmas baskets, and the Lions' portion will go into their "blind fund."

Firemen have taken the lead for several years in seeing that every child has some gifts on Christmas morning. The Lions have spent several hundred dollars since their organization less than three years ago on relief of blind and near-blind children in all parts of the county.

Tickets may be secured from any Fireman or Lion. Admission is 25 cents for adults, 10 cents for children.

#### Pleanty of Excitement.

In addition to the game itself, which will be played in shortened quarters, the night will offer plenty of "extras." The women's pep squads will be in action all the time, of course. There will be good stunts throughout the time-out periods. There will be music.

Most important of all, there will be a grueling, heart-rending conflict between such mythical gridiron heroes as:

Lions—Firemen  
Jesse Jones, L. E. Pete Bradbury, Frank Farmer, L. T. Lovell, Babe Wayne Boren, L. G. Norman, Anny Loran Maples, C. Clyde Boren, Pokey Clements, R. G. Mike Josephson, Hal Lattimore, R. T. Emmitt Butts, Jack Martin, R. E. Arlie Biggs, Tyler Baker, Q. B. Buddy Martin, William Hanes, P. B. Fred Jones, Jake Smyth, L. H. Willard Jones, Short McGlaun, R. H. Arlan Bailey.  
Lions second team—Arthur Preuitt, John Sentell, Russell Lacey, Earl Louder, Ralph Odum, Henry Brice, Dick Randalls, Warren Dodson, Foy Wade, Ralph Hicks, Herman Darby, Tony Holcomb, Earl Brown, etc., etc.  
Firemen substitutes—Sam Stokes, Ed Johnson, Mack Gideon, Melvin Newton, Lawrence Hays, Joe Brown, Dock Morton, Murray Howze, Woodson Smith.

Mrs. J. C. Moore was carried in an Odem ambulance Saturday to a Lubbock hospital, where she was reported yesterday to be slightly better. She was recently brought home from the hospital.

### MICKIE SAYS—

IT DOES PAY TO ADVERTISE FOR THE BIGGEST NATIONAL CORPORATIONS DO IT MOST ADVERTISING, AND THEY MAKE THE MOST MONEY

### Football in Gobs Offered Hot Fans

Scurry County football fans, worked up to a lather over the game this season because it has become so widespread, should not find it hard to be satisfied this week-end. The schedule: Friday afternoon, 3:00 o'clock—Hermleigh vs. Post "B" at Hermleigh; Fluvanna vs. Sylvester at Fluvanna. Friday night, 7:45 o'clock—Snyder vs. Loraine at Snyder (conference game). Over-all season records are: Hermleigh, won three, lost none; Fluvanna, lost two, won none; Snyder, won four, lost one. Dunn team is idle this week-end.

### ENNIS WILL BE SINGERS' HOST

That same headline greeted song lovers in last week's Times—and it's still true. The singing was really scheduled for this week-end—Saturday night of this week for the business session and Sunday for the big singing.

Ennis Creek is preparing for many visitors if weather permits. Every class in the county is urged to come in full force and to bring their books. Emmitt Butts is president and Mrs. Rupert Walton is secretary-treasurer of the county convention, which meets semi-annually.

### Fifty Signed Up To Ride Special Train To Dallas

More than 50 students have already signed up to take advantage of the special round trip rate to the Dallas Centennial November 4-6, Superintendent C. Wedgeworth said yesterday.

Since the Santa Fe Railway will provide a special coach for any town having 50 or more who take advantage of the special round trip rate, Snyder students and others will probably ride in a coach to themselves.

The train will be open to any person, student or otherwise, at the round trip rate of \$3. It will leave Snyder Wednesday night, and will be joined by Centennial attendants from all the counties of the Abilene district of the State Department of Education. Miss Madge Stanford of Abilene, deputy state superintendent, will be in charge. November 5 and 6 are the district's Centennial days.

Two hours over radio station WFAA are provided for the district on the two days. Snyder's program, which will include musical numbers and a talk by a high school boy on Snyder and Snyder schools, will be given in a 15-minute period beginning at 11:00 o'clock on the second day.

### Youth Honored With Program at Church

Youth was honored in a joint service of the First Christian and the First Presbyterian and the First Methodist Churches at the latter church Sunday night. Camp Fire Girls and Boy Scouts took part in the program, which had a religious emphasis in observance of national youth week. G. E. McPherson, Christian minister, preached a sermon on youth.

Camp Fire leaders in the program, which was begun under their sponsorship are: Mrs. Hal A. Lattimore, local executive; Misses W. P. King, J. D. Scott and Max Brownfield, guardians; Misses Margaret Dell Prim, Mattie Mae Tomlinson and Velma Sharp, assistants.

### Bishop Seaman Will Come Here Sunday

Bishop E. Cecil Seaman of Amarillo will preach Sunday morning, 11:00 o'clock, at the First Presbyterian Church. He is Episcopal bishop of Amarillo, and has visited here frequently. The bishop was scheduled to preach here the second Sunday in October, but the engagement was postponed until the fourth Sunday. Snyder Episcopal and the host church invite visitors to the service.

### William Kirk Clark Of Gail Succumbs; Rites Held Monday

Rites were held at the gravesite, Gail cemetery, Monday morning at 10:30 o'clock for William Kirk Clark, 88, retired Borden County rancher. He died Sunday after more than 46 years of residence in the county.

Rev. I. T. Huckabee of Fluvanna, assisted by Rev. H. C. Gordon of Snyder, officiated, and Odem Funeral Home was in charge. Pallbearers were V. R. Clark, Vivian Clark, Ray Ellis, Frank Miller, V. R. Derrick and Hay Moore. Fern and Delia Derrick, Edith and Pauline Clark, Hazel Estes and Edna Miller were in charge of flowers.

The Borden pioneer came to Texas in 1850, settling in Caldwell County. He resided in Bee and Uvalde Counties before moving to Borden.

Survivors are one son, W. A. Clark, Gail; three daughters, Mrs. Moore of Kansas City, Missouri, Mrs. Naylor of Phoenix, Arizona, and Mrs. Spears of Crowell; one brother, Buck Clark, Edwards County; 34 grandchildren and 53 great-grandchildren.

Wynona Keller has been elected vice president of the student council at the dormitory of the Hockaday School for Girls, according to word from the Dallas school. She was named by student vote. The council president is a faculty member.

### Cooperation Asked For 'Safety Lane'

In a telephone conversation with a Times reporter late Wednesday, Captain W. W. Legge of the Texas Highway Patrol requested that the patrol's "Safety Lane" here Saturday be given the fullest cooperation by county citizens. "These lanes" are being designated for the benefit of car owners and the public as a whole," he said, "and they cannot be fully successful without full cooperation from the folks we are trying to help."

Captain Legge said the "lane" will probably be placed just off the business district on Highway 7. It will be open all day, beginning at 9:00 o'clock.

### POOL CHECKS ARE RECEIVED

The county agent's office received 578 checks amounting to \$5,931.75 this week.

This payment was made on the Bankhead certificates pooled last fall and winter. It is for 17 per cent of the tags pooled, this being the amount that was sold by the national pool. The amount sold in 1935 was considerably less than that sold in 1934.

Farmers are receiving these checks by calling at the county agent's office.

### Former Deputy of County, Father of Joe Graham, Dies

Leon Graham, former deputy sheriff of Scurry County, father of Joe Graham, Snyder tailor, died Wednesday morning, 2:00 o'clock, at his home at De Leon. He had suffered several paralytic strokes in recent months, and died from a stroke that came Sunday.

Mr. and Mrs. Joe Graham and daughter, Helen Jo, rushed to De Leon Sunday when they learned of his sudden illness. H. L. Wren, Jack Martin, E. E. Weathersbee and J. A. Woodfin attended final rites.

The services were held Wednesday afternoon, 3:00 o'clock, at Springtown.

The former county resident is remembered by old-timers of this territory. He left the county a number of years ago.

### DeBolds at District Southwestern Meet

Mr. and Mrs. William A. DeBolt, local agents for Southwestern Life Insurance Company, attended a district sales conference at the Hilton Hotel, Lubbock, Tuesday.

The conference was conducted by Arthur Coburn, vice president, and Richard R. Lee, vice president and agency director from Dallas. A banquet at the Hilton preceded the conference.

The local people will visit with Mrs. DeBolt's parents, Mr. and Mrs. W. T. Cook, at Crosbyton before returning home.

### S-MEN COMING TO SNYDER FOR CAR CHECK-UP

Safety Lane Will Be Established by Patrol on Principal Business Street Saturday.

The S-Men are coming! The Texas Highway Patrol's specially trained safety unit will arrive in Snyder Saturday morning, October 24, to conduct a one-day Courtesy Lane campaign for the examination of all motor vehicles in this section of the state in an effort to aid owners in averting traffic accidents, it was announced early this week by the Department of Public Safety at Austin.

The work here will be under the direct supervision of Captain W. W. Legge of the Lubbock district. He will be assisted by First Sergeant George Schauer of the divisional headquarters at Austin. Sergeant Schauer is an expert lecturer on safety in traffic accidents and first aid.

The campaign in this city is the part of a state-wide movement designed to aid individuals and communities to reduce traffic accidents which are taking a large toll in injury and death in this state annually, it was explained.

The patrolmen will set up the Safety Lane adjacent to a principal street in the business district and all traffic will be routed through. Cars passing the test will receive the state's blue seal of approval. Those failing to pass because of defective brakes, lights, horn, muffler, steering gear and windshield visibility will be given a pink sticker and requested to make the necessary adjustments and return the car to the lane to secure the coveted blue sticker.

"The men work with such speed and efficiency that they are able to inspect an average of four cars a minute," Captain Legge explained, adding that it is far safer to spend 60 seconds in the Safety Lane than 60 days in a hospital because of an accident.

### Willard Jones Made East Ward Alderman

In an uncontested election in Ward 3 (east ward) Friday of last week, Willard Jones was made alderman to succeed J. E. Shipp, who has moved to another ward. A light vote was cast.

Jones will take his place when the City Council meets in regular session Monday night, November 2.

### Stools, Coffee and Eats at Stinson's

Stinson No. 1 last week added two new services for the benefit of their customers.

Steaming coffee is served from glass electric urns, and sandwiches are offered too. These new delicacies are served to customers who may sit on new upholstered fountain stools.

### Animals in 4-H Club Show Saturday

These three healthy animals are among about 22 calves that are to be shown in the Four-H Club show here Saturday. In the top picture is A. V. Ball of Fluvanna with a calf bred by D. A. Jones.

Leon Andress of the Snyder club fed the animal in the center. C. J. Harrell is the breeder. The calf in the bottom picture is being fed by E. R. Jones of Hermleigh, and was bred by A. P. Gannaway.

### HUMMELS WILL APPEAR TWICE

Brought to Snyder by the Manhattan Hotel, the Ray Hummel Orchestra from Washington, D. C., and Cleveland, Ohio, will be presented Thursday, October 29, in two local programs.

At 7:30 p. m. they will play in a program at the school auditorium under sponsorship of the Parent-Teacher Association. Students are in charge of ticket sales.

Following the school program, they will play at the Manhattan for a Halloween dance that will feature special novelties and music, including a four show at midnight.

The nine-piece orchestra includes seven members of the same family, the parents and five children.

### Ginnings Approach 10,000 Bales Today

Scurry County ginnings approached 10,000 bales this morning, according to figures compiled by The Times.

Snyder ginnings were 4183 late Wednesday afternoon, a 17 per cent increase over last week. If other county gins have shown the same proportion of increase over last week's figures, the county total at 6:00 p. m. Wednesday would have been just under 9,900 bales.

Cooler weather and a dwindling crop will cut ginnings henceforth, but most observers are expecting the crop to total near the 13,000 mark.

Mrs. Allen Warren, Mrs. A. R. McFarland, Miss Eda McFarland and Arthur McFarland were in Abilene Sunday to attend the Gipsy Smith revival, which is attracting wide attention in West Texas.

### FARMERS MAY SECURE LOANS

Farmers who have no feed for their stock can obtain funds for feed purchase by giving a first lien on their stock, according to Chas. J. Lewis of the emergency crop loan office in the basement of the courthouse.

These funds are furnished in one lump sum in order that those who have to buy can get this feed at a more reasonable price than they probably can later.

### Trousdale Finds It Easy to Rid Place of Pesky Little Gopher

C. Y. Trousdale, who lives in the Pleasant Hill community, has been bothered considerably by pocket gophers. Especially were they bad in the garden, destroying lots of vegetables and causing the water he used to irrigate with to run down the furrows and waste. Some time ago he came to the county agent's office and was supplied with some gopher traps.

Monday Trousdale was in town with a gopher that he had caught, and reported that he had caught a dozen others besides a small opossum, a polecat and a snake.

Many farmers who have been bothered with these gophers have found that by the use of the regular traps it is rather easy to rid the farm of the pests.

### MORE THAN 50 ANIMALS WILL BE ON DISPLAY

First County Livestock Event in Several Years to Be Held at Blackard Warehouse.

More than 50 calves and pigs will be exhibited during the Four-H Club Show here Saturday, believes E. B. McLeroy, club agent, in charge of the event. Located in the old Blackard warehouse, a half block north of the square on the highway, the show is expected to attract hundreds of farmers and ranchers, boys and others interested in good livestock, and probably several out-of-county visitors.

The building has been completely renovated for the show, and there is ample room for display of all the animals. Scurry County will have her first sight of a low fence electrically wired to keep the animals inside with a minimum of trouble.

Good Prizes Offered. Ranchers, merchants and others who are backing the farmers and ranchers of tomorrow have raised in the neighborhood of \$100 to be given as prizes in these divisions: Best beef calves, best pigs, best dairy calves, champion beef calves, best showman, best record of project. All winners will be awarded printed ribbons.

Keen competition has been developed among the county's Four-H Club boys, who, despite the fact that they have been organized only a few months, have developed some outstanding calves and pigs. Both McLeroy, who is assistant county agent, and W. R. Lacey, county agent, are highly pleased with the showing he boys have made in a few months, and cattlemen join them.

Expert Will Judge. Judging will be done by H. E. Smith, county agent of Coke County. Smith is an experienced man in livestock judging, and was a member of the international livestock judging team while at A. & M. College.

Most of the feeding projects started in May and June. Entrants will include only Four-H Club boys who are carrying on active projects, and who have kept a complete record of the project to the date of the show. Since this is the first livestock show of any kind to be held in the county in several years, the public is expected to manifest top interest in the exhibit. Everyone who likes good livestock—one of the major backbones of Scurry County—is urged to remember the location (Blackard warehouse) and the time (all day Saturday, October 24).

### L. A. Scott Takes Brown & Son Place

Brown & Son are announcing this week that L. A. Scott, formerly of Dunn, has become permanently associated with them as head of the Brown market and as general assistant in the grocery department.

Scott has operated a Red & White store at Dunn for several years. The store was recently consolidated with the Market store at China Grove. The new Snyder citizen and his wife are well known to folks here and in the south end of the county. Victor Baze, until recently at Brown's, is now employed at Piggly Wiggly.

## P.-T. A. Compliments Teachers With Reception in New Gym

### Track Meet and Music Features Of Joint Frolic

Complimenting teachers—new and old—in the local schools, the Parent-Teacher Association entertained with a reception and tea held in the new gymnasium Tuesday evening at 7:30 o'clock.

In observance of Parent-Teacher Week, October 19 to 25, the local chapter is featuring this week a membership drive, climaxed by annual visitation day Friday. The reception was also in keeping with the national observance.

Guests were greeted at the door of the music room by Mrs. J. Nelson Dunn, president of the organization, and she in turn presented Superintendent C. Wedgeworth and small daughter, Ann, who headed the receiving line. The entire school faculty made up the line.

Flowers Are Decorations.

Reception rooms were decorated with baskets of cosmos and bowls of lovely roses for the occasion, which is an annual affair, usually held earlier in the year.

During receiving hours, the women enjoyed music by Mrs. Earl H. Loider, who gave accordion selections, while the men played games of shuffle board on the gym floor. Registration at the affair, directed by Misses Roy Brown, C. F. Sentell and Clyde M. Boren, the room mothers' committee, reached nearly 160.

After the crowd had gathered, a dual track meet was held under the direction of High School Principal King Sides and Miss Vera Periman, home economics teacher. Manager Hugh Taylor and his "greens" were winners in the final check-up over the "reds," managed by Hal A. Lattimore. Prizes for the contests were beautifully wrapped, and contents varied from raw onions to Halloween whistles.

Refreshments of home-made cake and iced punch were passed to the crowd by the refreshments committee of the P.-T. A., which is composed of Misses Hugh Taylor, J. E. LeMond and Ixyn Joyce.

Sing-Song Is Enjoyed.

A sing-song followed the refreshment hour, with Misses Margaret Williams and Mattie Mae Tomlinson, alternately, directing and accompanying.

Misses Clyde Boren, chairman of the room mothers' committee, made the announcements concerning a special treat for the room having the most parents present. Mrs. Herman Darby's low fourth grade room was served refreshments just before school was out Wednesday as a reward for the contest. The voting was as follows: First, Mrs. Herman Darby's low fourth grade with 31 points; second, P. P. Allen's low seventh grade with 23 points; third, Mrs. W. P. King's low first grade with 20 points; fourth, Mrs. O'Dell Ryan's low second grade with 19 points; and fifth, Gertrude Herm's low third grade with 17 points.

Superintendent Wedgeworth expressed appreciation for the faculty to the parents and patrons for the reception and for the cooperation the faculty members are receiving. He urged that a large number visit the schools Friday, annual visitation day, and offer criticism.

Sixty-five members of the P.-T. A. were present for the regular meet-

### Dorothy Winston Has Junior Club.

Dorothy Winston, daughter of Mr. and Mrs. Wade Winston, was hostess last Wednesday afternoon to members of the Twentieth Century Daughters Club at her home.

Joanna Strayhorn, leader for the afternoon's program, gave an interesting review of the novel, "Silver Trumpet," by Innes, and Frances Sears' talk on "Why We Should Read Good Books" proved interesting.

Guests for the afternoon were Mrs. Winston and Mrs. R. W. Cunningham, member of the extension committee of the Twentieth Century Club, which sponsors the junior group. Members present were: Johnnie Greene, Irene Taylor, Joanna Strayhorn, Melba Ann Odum, Louise Bowers, Louise LeMond, Ernestine Morton, Mary Helen Eolin, Wilma Terry, Frances Sears, Ruth Lane, Dorothy Pinkerton and the hostess.

Delicious refreshments were served after the program.

### Royal Ambassadors Elect New Officers.

Page Cleavenger was elected ambassador-in-chief of the Royal Ambassadors of the First Baptist Church in an election Monday afternoon. Mrs. Marion Newton is counselor for the group.

Other new officers are: Lewis Gore, first assistant; Jack Newton, second assistant; William L. C. C. chapter recorder; Carl Reeves, chapter custodian; and Charles Rex Todd, chapter herald.

ing at the home of Mrs. J. Nelson Dunn, president, last Thursday. Plans for assisting club women of the town in their child welfare program were approved.

The plan will be carried on by the organization through the room mothers, who were announced at the Thursday meeting. Feeding undernourished children will be another project of the association this year. They will work with the local Lions Club in this work.

Rev. J. E. Spivey, Presbyterian pastor, gave the main address of Thursday afternoon on "Can Character Change Intelligence?" and a talk on "Honesty as a Character to Intelligence" was given by Mrs. Homer Snyder. Mrs. J. E. Sentell gave a vocal selection, with Mrs. A. C. Prentiss accompanying.

Room Mothers Named.

A list of room mothers, as announced by Misses Clyde Boren, committee chairman, follows:

Mrs. W. P. King, low first—Misses Frank Arnett and R. L. Gray.

Mrs. Glen Berry, low first—Misses Roy Stokes and Joe Graham.

Alta Bowers, high first—Misses H. C. Gordon and J. G. Simpson.

Mrs. O'Dell Ryan, low second—Misses Dudley Anz and Marion Newton.

Mrs. King Sides, low second and high second—Misses Jim Nipp and W. B. Gordon.

Gertrude Herm, low third—Misses Ixyn Joyce and J. E. LeMond.

Dorothy Egerton, high third—Misses E. W. Thompson and W. A. Vaughan.

Mrs. Herman Darby, low fourth—Misses J. E. Sentell and G. H. Leath.

Hattie Herm, low fourth—Misses H. Eiland and E. E. Weathersbee.

Mrs. Madge Popnoe, high fourth—Misses P. D. Lambeth and C. Spradley.

Velma Sharp, low fifth—Misses H. L. Vann and E. J. Richardson.

Mrs. Hal A. Lattimore, high fifth—Mrs. J. A. Bynum.

Annie Fannie Sewell, low sixth—Misses H. L. Davis and B. M. West.

Margaret Williams, low sixth—Misses A. C. Prentiss and J. E. Shipp.

R. L. Reschar and Mattie Mae Tomlinson, high sixth—Misses I. H. Spikes Jr. and Ray Hardin.

P. P. Allen, low seventh—Misses Hugh Taylor and A. C. Alexander.

Dorothy Strayhorn, high seventh—Mrs. Emil Slovacek.

### STUDY GROUP WILL SPONSOR BOOK REVIEWS

A series of book reviews by worthwhile out-of-town people will begin soon under the sponsorship of the Altrurian Club, it was announced this week. The reviews will be open to the public.

In addition to its course of study, "Practical English," the Altrurian Club is making a special study of new books, and the series of book reviews to be brought to the reading public of this territory by the study group will be one of its outstanding projects of the year. Further announcements regarding the time and place for the first review will be given at an early date, the club says.

Plans for the series of book reviews were discussed at the meeting Friday afternoon at the home of Mrs. Hugh Boren. Mrs. J. W. Leftwich was director for the program. Mr. Leftwich, who has been a teacher in the county for several years, presented the lesson in the form of a 30-minute lecture on the "Origin of the English Language," in which he traced the derivation of many words in the English language from those of older languages. "Gone With the Wind," novel by Margaret Mitchell, was reviewed by Mrs. W. R. Bell later in the program.

A delicious salad plate was passed by the hostess to Mr. Leftwich and Mrs. Margaret Gray of Cooper, guests; and to the following club members: Misses E. J. Anderson, W. R. Bell, H. P. Brown, J. C. Dorward, R. D. English, R. L. Gray, F. A. Grayum, W. W. Hamilton, W. P. King, J. W. Lettwich, T. L. Lollar, A. C. Prentiss, J. C. Stinson, L. T. Stinson and H. G. Towle.

Plans for the series of book reviews are being directed by the club's education committee, which is composed of Mrs. R. D. English, chairman, and Misses W. W. Hamilton and W. P. King.

### Mrs. F. W. Wolcott Is Hostess to Club.

Mrs. F. W. Wolcott was hostess to the Fellowship Class of the First Presbyterian Church last Wednesday afternoon. An interesting program was led by Mrs. J. A. Farmer, who gave an interesting and helpful paper on the "Motives of John's Gospel and Epistles."

Favorite verses of scripture were given for roll call. Mrs. P. C. Chennault, class president, conducted the business session, which followed the program. The class voted to send a box of cookies to the Reynolds Orphanage Thanksgiving.

The hostess served delicious refreshments to two guests and nine class members.

Here on Vacation.

Charlyne Kincaid, who has been connected with the Western Union Telegraph Company in Mt. Pleasant for several months, spent her vacation with her parents, Mr. and Mrs. A. C. Kincaid. She left late last week for Plainview, where she will do relief work for Charles Ella Hamlett, former Snyder girl, whose vacation began this week.

Miss Katie Potet was a week-end visitor in Eastland.

### Miss Juanita Burt Marries V. Slocomb.

Miss Juanita Burt, elder daughter of Mr. and Mrs. G. L. Burt of Abilene, formerly of Snyder, became the bride of Vernon Slocomb in a simple service held last Thursday evening at 7:00 o'clock at the home of Rev. and Mrs. W. M. Mix in Albany.

Rev. Mix, minister at the First Christian Church in Albany, read an impressive ring ceremony. The couple was unattended.

For the wedding the bride was attractively dressed in a brown silk crepe sports dress trimmed with autumn shades of green and red. Her accessories were brown, and she wore a shoulder corsage of bronze chrysanthemums.

Mrs. Slocomb is a 1936 graduate of Snyder High School, and began her business training at Draughon's Commercial College, Abilene, early this fall. After attending high school here, she holds membership in the local chapter of National Honor Society and is an ex-member of the Lucky 13 Sports Club, high school social club for girls. She has also done junior study club work here, before moving to Abilene.

The bridegroom is the son of Mrs. Guy Slocomb of Cameron. He received his high school education in Cameron, later taking work at Texas Christian University, Fort Worth, and the University of Texas, Austin. For the past ten months he has been rural supervisor of the government resettlement administration in Mitchell, Garza and Scurry Counties, with offices in Snyder.

### 89-Year-Old Woman Reads the Scriptures.

Mrs. G. C. Buchanan, 89, reads scripture lessons each Monday afternoon at 3:00 o'clock to members of the Women's Auxiliary of the Presbyterian Church. The group meets at the Buchanan home each week with Mrs. Buchanan and her daughter, Mrs. Mary B. Shell.

According to members of the auxiliary, the reading of the scriptures by the aged woman are indeed inspirational, as she reads from her own Bible without the use of reading glasses. Members urge other women to join them for the reading and the study of "Stewardship in the Life of Women."

Already the group has studied several chapters in the study book—Stewardship of Hospitality, Serving, Costly Offerings and Time—and the next chapters for study are Stewardship of the Family and Stewardship of the Gospel.

### LET'S TALK ABOUT CLOTHES

BY A YOUNG MODERN

Some of the most effectively decorative dinner and dance dresses are fashioned of net. By all votes of the masculine dancing parties, it is the big time favorite, and inspired designers are using it with telling results. Young fashionables wear net and gloat over the fact that these filmy airy frocks are distractions for any appreciative staid line.

We scouted the shops and found some new arrivals that are just in time for all the parties on the winter schedule. A royal blue net as bands of grosgrain ribbon going around and around the skirt and the short sleeved bodice top. The high neckline is devastatingly demure, and the bodice fastens with tiny pearl buttons. The whole thing billows over a clinging slip of blue.

A gun metal gray net is a knockout with baby ribbon width bands of gun metal gray velvet racing around the skirt and around the ruffle edging the drop shoulders. This dress has a gray velvet sash, and the slip is taffeta of the same gun metal gray.

Girls at Texas State College for Women (CIA) are partial to a ginger brown net trimmed with matching brown velvet ribbon on the full gathered skirt. All kinds of utterly lovely filmy black nets are dramatized with back velvet and are just as easy to buy and wear as the colored creations. Don't overlook net among the coming attractions for appealingly feminine and picturesque party clothes. Although the gleaming metallics, slinky dark toned velvets and stiff taffetas fashion the season's most spectacular creations, your best buy for an all-round party dress is net.

### Progressive Club in Thursday Meeting.

Meeting of the Progressive Study Club was held last Thursday afternoon at the home of Mrs. C. E. Ross, past president of the group. Subject for study during the afternoon was "Great Men and Their Gifts for the Betterment and Benefits of All People." Members answered roll call with naming of outstanding men of today and what each has done for the betterment of his people.

A discussion of "Dr. Manton Wilson, the Friend of the Lepers," was given by Mrs. A. P. Morris, club president; Mrs. Lora Miller told of the work of Louis Pasteur, famous French scientist, whose discoveries

### Morgan and Taylor Wedding October 10.

Mr. and Mrs. Sterling A. Taylor are announcing this week the marriage of their daughter, Sterlene, to J. C. Morgan. Both are 1936 graduates of the local high school—Miss Taylor with the spring class and Morgan with the mid-term class.

Simplicity marked the service, in which the two recited their marriage vows at the home of Rev. W. M. Elliott, Presbyterian minister, in Colorado Saturday evening, October 10.

Mrs. Morgan wore a blue woolen frock trimmed with blue and red plaid tie and cuffs. Her accessories were black. A May graduate of the local high school, Miss Taylor made outstanding scholastic records and was active in student activities. The National Honor Society, Lucky 13 Sports Club, girls' social club, and Etude et Plaisir, junior study group, are organizations in which she held memberships. She was on the student council her last year in high school and took part in the senior class play.

She has been a bookkeeper at the Snyder Cooperative Gin, of which her father is manager, during the fall plowing season, and will continue her work there.

Morgan was an outstanding athlete of the Snyder High School, with letters in football and track. He, also, took part in student government as a member of the council. He entered John Tarleton Agricultural College, Stephenville, at his graduation from high school last year and is still attending the school. His father is A. F. Morgan, an extensive land owner in Scurry County.

The two were guests of Mr. and Mrs. Taylor here the past week-end, and are spending this week at the Centennials in Fort Worth and Dallas.

### Eight-Year-Old It Party Honoree.

Opal Christine Ikard, daughter of Mr. and Mrs. Jim Ikard, was made honoree at a party given at the Ikard home Tuesday afternoon to celebrate her eighth birthday. Mrs. Ikard was assisted in entertaining by her older daughter, Oleta.

After games were played, refreshments of birthday cake and punch were passed to the following: The honoree, Betty Jane Lambeth, Lorraine Roper, Oma Nell Burditt, John Billy Claybrook, Dorothy Sue Cox, Janelda Martin, Joy McLaughlin, Anna Jo McEwen, Joye Anz, Harold Lewis Wade, Billy Wayne Thompson, Billie Kathryn Roach, Lynn L. Logan, Laverne Middleton, Elda Jean Littlepage, Mildred Caldwell, Mary Beth Wilhelm, Nancy Jo Richardson and Jack McLaughlin.

The honoree received an array of lovely birthday gifts at the party.

### Howard Crenshaw Is Birthday Honoree.

Howard Crenshaw, 11-year-old son of Mr. and Mrs. L. A. Crenshaw, was made honoree at a delightful birthday party given by his mother at the home of Mrs. Ben Wilson from 4:00 until 6:00 o'clock Monday afternoon.

After a number of interesting games were enjoyed by the group of friends, each of whom brought Howard a lovely birthday gift, Mrs. Crenshaw served the birthday cake with iced fruit punch.

The guest list follows: Jimmy Randsal, Bobby Hicks, S. A. Taylor Jr., Burges Wilson, Dorothy Jean Wilson, Mary Ellen Williams, Eloise Gill, Virginia Taylor and the honoree.

Watch for Rexall One-Cent Sale at Stinson's two stores.

### Vesta Green Is New President.

Vesta Green was elected new president of the Duice Bridge Club at the meeting held at her home last Thursday evening. Alta Bowers is the new secretary-treasurer. The two girls take office immediately to replace Mavis Webb, retiring president, and Frances Boren, retiring secretary.

At the meeting last Thursday evening both prizes were awarded to Ruby Lee—high score and traveling prizes. The hostess passed a dainty plate of sandwiches, pickles, salad, ice box pudding and hot coffee to Miss Eloise Wilson, a guest, and to members present.

Members were: Ruby Lee, Margaret Deakins, Gwen Gray, Johnnie Mathison, Bonnie Miller, Frances Boren, Janice Erwin, Mary Jane Beall, Mrs. Billie Lee Jr. and Mrs. Junior Boyer.

The club has been invited to a Halloween party at the home of Mrs. Lee at the next meeting, at which time the girls and their escorts will enjoy bridge play.

**Lady Took Cardui When Weak, Nervous**

"I can't say enough for Cardui if I talked all day," enthusiastically writes Mrs. L. H. Caldwell, of Statesville, N. C. "I have used Cardui at intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

### HERMLEIGH PLAYS HOST TO 47 IN RURAL CARRIERS' MEETING

#### Brougham Shown In Snyder by Hicks, Terraplane Dealer

Among the first of the 1937 models to be displayed is the Terraplane, sold by J. Ralph Hicks. One of the new models, a broadman (two-door) in midnight blue, may be seen in the local show room, a block east of the square on the highway.

Hicks and his wife were in Dallas last week for a sales meeting and pre-showing of the new models. J. B. Early, mechanic at the station, was in Dallas Sunday for a service school conducted by a factory representative.

Forty official stock car records for endurance and sustained speed over long distances have just been broken by the 1937 Hudsons and Terraplans on the Bonnevillie Salt Flats, under supervision of the contest board of the American Automobile Association, according to word just received by Hicks.

The makers of the Hudson and Terraplane say this is the first time in the automobile industry's history that a company has established raw models as official performance and endurance record holders before announcing the new cars to the public.

The rigid requirements of the American Automobile Association contest board demand that cars participating in record attempts be chosen by association officials from factory production lines.

After being turned over to these officials, the cars were torn down for complete inspection and checking against company blue prints.

#### Snyder General Hospital

Ten patients were in the hospital Wednesday morning. They were: Ernest Hudson, Mrs. C. E. Tarter of Dunn, Mrs. Eula Arrington of Abilene, Mrs. Woodie Scarborough, R. C. Miller, Marjorie Pettigrew of Justiceburg, Mrs. J. T. Biggs, and H. L. Parks Jr. of Arab, surgery; William Dale Doan of Merkel, medical, and Mrs. J. C. Dawson, who underwent an operation last week.

Mrs. W. C. Hollis, another medical patient, has been dismissed.

One new arrival is reported—Morris Thrane Worley, born Friday to Mr. and Mrs. L. B. Worley of Grand Canyon, Arizona. The seven-pound, eight-ounce boy's parents are former local residents, and the youngster has received plenty of attention from his grandparents, Mr. and Mrs. T. S. Worley and Mr. and Mrs. H. H. Jeffress.

#### Notice to My Friends:

Heavy expenses have grown out of my recent automobile accident, and I have naturally been unable to earn customary revenue for several weeks. Because of this added expense and lack of income, I wish to request that all those who owe me bills in any amount make every reasonable effort to pay up as quickly as possible.—I. A. GRIPPIN, M. D.

Fred Wilhelm returned Monday from Fort Griffin where he visited his brother, J. V. Wilhelm, and two sisters, Mrs. O. L. Kunkel and Mrs. O. H. Kunkel, for a week.

#### State and National Officials Are Included in Guest List of Area Gathering Saturday.

W. H. Kimzey and M. U. Vernon, rural carriers out of Hermleigh, were hosts in their home town Saturday night to 47 rural carriers and their wives from four counties—Scurry, Mitchell, Nolan and Howard. Carriers from several counties outside this Mitchell County Local Rural Carriers Association were also guests.

This regular quarterly meeting of the association attracted these state, national and area officials: W. L. Fletcher of Hamlin, national treasurer; Earl Slater of Clyde, editor of "The Texas Carrier;" E. E. Smith of Colorado, state vice president, and secretary of the four-county organization.

John Greene of Snyder, area president, John Williams of Colorado, area vice president, were also present.

Towns of the district that were represented: Colorado, Big Spring, Lorraine, Roscoe, Snyder and Hermleigh. R. C. McClure and John Greene were the Snyder carriers attending. Carriers who attended from outside the district came from Trent, Petersburg, Post, Clyde, Merkel, Hamlin and Stamford. Better roads and carrier retirement were the principal topics of discussion.

Several wives of the carriers met in an adjoining room and organized a ladies' auxiliary. Mrs. E. E. Smith of Colorado was made president, Mrs. Homer Derryberry of Lorraine is vice president, and Mrs. M. U. Vernon of Hermleigh is secretary-treasurer.

A chicken dinner was served by the home economics girls of Hermleigh High School. A musical program followed, just prior to the business session.

Roscoe will be host to the next meeting, Saturday night, January 16. Wolcotts to Albuquerque. Mrs. F. W. Wolcott and daughter, Irene, left Wednesday to spend a few days with Mr. Wolcott in Albuquerque, New Mexico, where he is taking X-ray treatments in a hospital. The local Santa Fe agent has been ill for several months, and has been treated in Topeka, Kansas, and more recently in Clovis, New Mexico.

Mr. and Mrs. D. P. Strayhorn and Mr. and Mrs. S. T. Elza attended the Gypsy Smith revival meeting, in progress at Abilene, Sunday afternoon.

### County Amateurs Winners in Initial S'water Contest

Nine amateurs from Scurry County took part in Sweetwater's first amateur night program at the municipal auditorium Saturday night, and two of them were in the top placings. More than 800 persons saw the contest, which will be followed by similar programs October 31, November 14 and November 28.

Elmo Paver and Edith Freeman of Pluvanna placed fourth with animal imitations. Awards of \$1 each were given these other county contestants: Dorothy Rea and Doris Glen Willis, Pluvanna, vocal duet and whistling; Tinsley Rainwater, Snyder, guitar and harmonica; Son Newby and Mary Arnett, Snyder, fiddle and guitar duet; Beverly Johnson and Margie Arnett, Snyder, "The Texaco Twins," vocal duet.

First prize of \$15 went to A. E. (Mocking Bird) Miles of Lorraine, who played and sang his own compositions, including imitations of farm animals. Ernestine Quast, 10-year-old daughter of Dr. and Mrs. P. T. Quast of Sweetwater, was second, with a piano accordion solo, "Old Faithful." She is a pupil of Mrs. Earl Louder of Snyder, and has taken only 15 lessons.

Winners in the four amateur programs are to be heard later over the new Abilene radio station, KRBBC.

### Mystery Woman to Be Feature at Ira Carnival Next Week

Sheila! Sheila! The mystery woman! She sees all, knows all.

If you would like to know what would happen to you tomorrow, next week, next year, Ira folks invite you out to their Halloween carnival Friday, October 30—and to interview the famous Sheila, headliner on the program.

Then there's the cowgirl chorus in a group of "Whoopee-ii-yi-yo," songs at the gymnasium. Top this off with a colored minstrel and a one-act play that presents spirits and "haunts," and you have a full Halloween entertainment.

Watch next week's paper for more details of the Halloween festival.

### BLEEDING GUMS HEALED

The sight of sore gums is sickening. Reliable dentists often report the successful use of Leto's Pyorrhea Remedy on their very worst cases. If you will get a bottle and use as directed druggists will return money if it fails.

### Scurry Countian Loses Mares But Gets Them Back

L. D. Taft, who resides west of Snyder, lost two good mares Saturday night, but he had them back on his place within 48 hours.

Local officers had been notified to be on the lookout for S. C. Couch of Wichita Falls, alleged to have stolen two mules from near Plainview. Nolan County officers, in the meantime, had been notified by Jess Craig of Coke County, that Couch had left the mules in his pasture against his (Craig's) will.

Bert Kenard, Nolan deputy, laid in wait for Couch Sunday night, and arrested him with a truck containing the two Taft mares and some colts. Couch was jailed at Sweetwater, and was brought to Snyder Sunday by Deputy Sheriff Sid Bruston.

Plainview officers, pressing a theft charge against Couch, asked Scurry County officers to release him until he is tried at the Hale County court, which meets next week. Couch was taken to Plainview Monday, and is scheduled to be returned here to be tried in the district court term that begins November 30.

### Good Enrollment as First Period Closes

As the first six-week period ended last week and the second period began this week, Snyder schools showed an enrollment similar to that last year at the same time. Report cards were issued yesterday.

One decided change in the high school situation this year is the gain made by boys in enrollment figures. A total of 363 students is enrolled, of which 155 are boys and 148 are girls. Last year the full-year total was 155 boys and 170 girls. The full 1936-37 total is expected to be practically the same as it was last year in Snyder schools.

### A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

## The Weekly Dozen

### The Decay of a Tree.

There is mild relief and a warning in the realization that the man who deceives a friend will eventually deceive himself. The decay of a tree is usually visible first in a high branch.—Matador Tribune.

### Weekly Rooseveltism.

President Roosevelt: "We propose to give to the farmer and to the consumer a sound plan of crop insurance a kind against extreme fluctuations of supply and of price. No one wins from such fluctuations but the speculator. The farmer and the consumer lose together."

### Double Hunger Strike.

Two fish in the Dallas aquarium are refusing to eat, and they are getting considerable newspaper publicity. We see no need for the unusual publicity, inasmuch as we never went fishing in our life but that the fish refused to eat what we offered them.—Honey Grove Signal-Citizen.

### Snyder Against the Field.

Now that West Texas stamp collectors have a full-fledged organization, officers and all, don't be surprised to hear any day that the terbakker spitters have named a mouth twister, an amber manager and a sidewalk constable. If they ever have a contest, we'll put all our money on Snyder spitters against the entire West Texas field.

### One Candidate of Two Others.

Norman Thomas, perennial Socialist candidate for president: "It will be an easy victory for the Democrats. Landon will do well if his popular vote is any larger than that of Hoover in 1932. The Republican campaign borders on the ludicrous. . . . The fellow wins who most successfully fools the people without saying anything."

### The P.-T. A. Has a Reception.

Talkative Tillie remarked after returning from the P.-T. A. reception Tuesday night that maybe it's just as well that the big to-do came several weeks after the host of new teachers arrived. If you've had time to give a teacher the once-over from a distance, opines Tillie, you'll be more likely to be human to him or her at short range.

### "Wait a Minute."

Whenever she is told to do something our little girl says, "Wait a minute," and whenever she asks you to do anything for her she insists that you "do it right now." In the latter case you might just as well do it right now because she will keep on bothering you until you do it. She is being reared very strictly.—News-Herald (Hillsboro, Ohio).

### "West Texas Needs Water."

West Texas needs water and lots of it. The idea of having just enough water to "make out on" served the old timer's purpose in an uncertain way, yet in a manner he got by, but in these days of increasing land values and improved range animals, it behooves every one of them to begin considering the conservation of more water—water that will last through the driest seasons.—Sterling City News-Record.

### Don't Mention Politics.

Pessimism Pete says business houses, large and small, can chew some lessons out of figures just released by Sears Roebuck & Company. The company reported sales exceeding \$50,000,000 for the four-week period ending October 8—the first time in the company's history that four-week sales reached \$50,000,000. Not incidentally, the company is said to have spent more for advertising in this period than in any other similar period.

### The Red Bluff Dam.

Quite a number of Pecosites drove up to Red Bluff Sunday to inspect the Red Bluff dam. Now a completed project, the dam impresses one by its magnitude. Filled with water that can be released at will, the reservoir behind the dam will be the most valuable tract of land in this section of Texas, having life-giving power to renew parched crops, making possible a garden spot in a semi-desert country.—Pecos Enterprise.

### Small Towns Not Dead Towns.

Small towns are not dead towns unless the people in them are satisfied to allow them to die. A good way to submerge the town into a graveyard is for the business interests to be armed with knives up their sleeves for the next door neighbor; balk at every move for advancement made by a competitor; refuse to take part in matters beneficial to the community's progress; and an hundred and one other things we might mention. Balled down in a nutshell—the failure of cooperation.—Stanton Reporter.

### Your Poll and My Poll.

It's so fashionable to conduct presidential straw votes that we shall not be surprised if personal polls become the order of the day. For instance, the average Scurry Countian would probably poll himself something like this: Roosevelt's farm program, 90 per cent for, 10 per cent against; Roosevelt's public works program, 75 per cent for, 25 per cent against; the New Deal as a whole, 95 per cent for, 5 per cent against. Landon's speeches, 105 per cent against; Landon's face, 100 per cent for; Landon's Old Guard, 150 per cent against; Landon as a whole, 5 per cent for, 95 per cent against.

## Gone Are the Days.

### Yep, gone are the days:

When a fellow's long handles could show above his shoe tops without creating a social crevasse;

When stiff collars were as popular as sorghum molasses;

When you weren't pestered by bill collectors the first of every month;

When Pa and Ma knew the whereabouts of their kids at least eight hours out of the 24;

When the livery stable was the leading joint in town;

When gingham was a material, not a memory.

But don't you wish some power would force the return of modesty, Sunday afternoon strolls, caps with ear flaps, and neighbors who believe in visiting occasionally?

## 'Life' Passes.

(Editors' Note: This editorial is reproduced because it is utterly different, because it is well written and because it is fundamental. It is a welcome relief from the customary editorialized politics, pensions and propaganda.)

One of the more melancholy news items of the fall was the announcement the other day that the magazine Life had been sold and would no longer be published as a humorous magazine.

To the new generation which was graduated into the magazine-reading class within the last decade, this news can have little meaning; to older readers, especially to those whose memories run back into the generation before the war, it marks a sharp change in American life.

It was for the most part a leisurely and good-natured humor which Life offered to readers. The magazine had its "causes," now and then, to be sure, but it took them in its stride without getting shrill about them.

It luxuriated in an atmosphere of Gibson girls, Bonnie and Misses Johnnie Mahlon, Janice Erwin, Ruby Lee and Margaret Deakins returned home Tuesday after spending several days in Fort Worth and Dallas at the Centennials.

Mrs. Emma Beall and daughter, Dorothy Anne, of Ladonia are guests of Mr. and Mrs. Sidney Johnson and Mary Jane Beall. They returned home with the Johnsons from a trip to Ladonia and the Centennials late last week.

Sykes Curry and Miss Dink Wildman, both of Euflite, New Mexico, were week-end guests of Mrs. A. M. Curry and daughter, Ruby, and of Mr. and Mrs. Homer Snyder and sons. Other guests in the Curry home Saturday and Sunday were Mrs. Curry's sister, Mrs. Minnie Jonte, and her son, Lawson Jonte, who were en route to San Diego, California, from Dallas.

Life could gently kid society for the antics of Ward McAllister, the uncouth clumsiness of the social climber, and the millionaire's yen to marry his daughter to a European title holder.

The New Yorker, with biting paragraph and stinging cartoon, could imply that society as a whole was a needless and unattractive blot on the American landscape.

Each magazine reflected the viewpoint of the wise man of its own era. As the '20s gave way to the '30s, the New Yorker became a tremendous success, as it deserved to do; and Life declined and went on the block, as it was bound to do.

And back of it all lies the rather dismaying fact that this simply isn't the same country it was two decades ago. Where we were confident that progress was automatic, and that things would work out very well as soon as a few minor nuisances were cured, we are now dismayed and confused, trusting in none of our old standbys, resolved to give no quarter at all to the enemies of progress which, we now realize, has utterly ceased to be automatic.

To the not-so-old old-timers who remember Life's heyday, the news of Life's passing from its old form must come as a melancholy reminder of a disquieting change.—Ablene Morning News.

Now that Bernleigh, Dum and Fivanna have football teams, the old, old cry of "It's too rough and tough!" will be heard throughout the county. Men and women who have not seen football naturally do not understand the game, and no one can blame them for being opposed to the popular sport. Coach "Red" Hill of the Snyder Tigers made a wise comment the other day in this connection: "Not a boy has been hurt as badly in a football game during my six years here as Walt Scott was hurt the other night while he was trying to adjust lights of the bandstand for a pep squad rally." That's something to mull over.

There's something wrong with the home when the children can be kept there only long enough to eat and sleep.

The most baffling thing about most mystery stories is how the authors manage to get them published.

On Friday, October 30, the Ira Parent-Teacher Association will sponsor its annual Halloween carnival. Plans have been made for a bigger and better carnival than ever before. There will be entertainment for children and grown-ups alike, including a laughable one-act play and a big-time negro minstrel, to be given in the new gymnasium.

There will be plenty of eats to please the taste of all, and Halloween gifts and prizes will make the grounds smack of the gala occasion. Don't miss the fun! Come and bring your friends to enjoy a merry evening.

# Mother, I can't Study—My head hurts!

AS A USUAL THING, he is "such a regular guy." He comes home from school full of pep and energy. Of course you want him that way always. But are you protecting his health and safety during the few short months of winter when he must spend his evenings indoors?

That uncomfortable "stuffy" feeling . . . dullness . . . lowered vitality . . . headache—these are some of nature's ways of complaining against improper heating and insufficient ventilation. These are the warning signals that America's Public Health Enemy Number One, the common cold germ, has found another fertile field in which to attack. For your health's sake and that of your loved ones do not wait for these definite signs of warning that the air indoors has become stale. Keep the air you breathe constantly purified with fresh oxygen through adequate ventilation in every room in the house.

Without oxygen man cannot live. Without oxygen, fuel cannot burn. Therefore, if your family "huddles" in

one or two rooms around an open flame heater during cold weather with the doors and windows tightly closed, you are violating all the rules of nature, good health and good heating. Sooner or later the occupants of the room and the burning fuel reduce the oxygen content to the point where the room air becomes stale. Without adequate ventilation and circulation the air indoors may become as foul and unhealthy as that of the tenement slums of large cities, even though your home may be the most beautiful in the neighborhood.

A simple and easy method of providing a constant circulation of fresh air is found by opening a window in each room slightly. Connecting doors left open between adjoining rooms when the entire house is adequately heated provide a natural circulation of pure warm air from one room to another.

Guard the health of your loved ones with adequate heat and proper ventilation of pure, warmed air in every room in the house.

—LONE STAR GAS SYSTEM

The common cold germ is responsible for more than two hundred million illnesses each year.

# MOODY CALLS LOCAL PASTOR

Rev. J. Ollie Hux, local pastor of the Nazarene church, has accepted a call as pastor of the Nazarene church at Moody. He will go to his new field next month.

The preacher will deliver sermons at the Im Methodist Church Sunday morning and evening. These services will close his work in Scurry County and in the local church. His morning subject will be "The Triumphant Gospel," night, "Behold a Greater Than Solomon Is Here."

Rev. Hux will preach at Big Spring Sunday week, and will then go to San Antonio for the assembly to which the Moody church belongs. A new pastor will be called to the local field after the Abilene assembly at Plainview November 18-22.

# Burial Tuesday at Local Cemetery for Sweetwater Man, 87

T. T. Smith, 87, was buried in Snyder cemetery Tuesday afternoon, 4:30 o'clock, following services at the home of his daughter, Mrs. Leroy Johnson, in Sweetwater. J. P. Crenshaw, Sweetwater Church of Christ minister, officiated at both services. Burial was under direction of Odum Funeral Home, with Doran-Yates in charge at Sweetwater.

The pioneer was buried beside the grave of his wife, Mrs. Gertrude Smith, who died January 29, 1921.

Mr. Smith came to Jones County early in 1882, settling near Merkel to build the first house, with the exception of a small section house. From Merkel he moved to Borden County in 1894 to engage in ranching, and in 1909 he came to Scurry County, where he resided until the death of his wife. He owned considerable property in this county.

Mrs. Johnson is the only child of the West Texas pioneer. Other survivors are: A stepdaughter, Mrs. M. D. Sayles of Abilene, and a stepson, J. W. Poore of Escalon, California; two brothers, Wesley Smith, Vandana, California, and Ed Smith of Los Angeles.

# Roscoe, Rotan Keep District's Spotlight

Roscoe, 1935 champions, and Rotan, early-season favorite, turned on the power Friday to whip Colorado and Merkel, respectively. Both scores were impressive: Roscoe 23, Colorado 0; Rotan 33, Merkel 6.

Since Snyder has conquered Colorado and Rotan (only the Rotan game was a conference affair), and since only Loraine has shown considerable power with a win and a tie, the race at this stage appears to place Roscoe as favorite again, Snyder as second best, Loraine third, and Rotan having a slight edge over Colorado and Roby. Merkel is probably out of the race.

# First Christian Church

Bible school, 9:45 a. m.; morning worship, 10:45; Christian Endeavor, 6:30 p. m.; evening worship, 7:30. Subject of morning sermon, "The True Evidence of Conversion," subject of evening sermon, "Moses a Type of Christ."

Under the leadership of our superintendent, A. J. Cody, we are beginning a great campaign to "Reach the Unreached." We hope that all members of our Bible school and church will be present every Sunday to help us be as effective as possible for Christ. You are welcome to all of our services.—G. E. McPherson, pastor.

# Sick Stomachs and Fighting Lions Not Enough to Stop Snyder Tigers

## PYRON EDITOR

Gypsy water that upset their stomachs, unaccustomed dust that left some of them dizzy, and a fighting pack of Lions that pushed them on their heels two or three times were not enough to take victory from Snyder Tigers Friday afternoon at Roby.

With the band, pep squad and many fans on the sidelines, the Bengals opened up their bag of tricks in the first quarter, scored a touchdown and extra point, then held the host team to a safety to make the final score 7 to 2.

Starring a Charley Morrow who just couldn't be stopped, the local squad held Roby for downs after the initial kickoff, then plowed for a touchdown. Smith tossed a 13-yard pass to Boren and Morrow and Head carried the ball to the 10-yard stripe. Beauchamp, tackle, and Jarnigan, center, topnotchers in the Lions' line, helped hold the visitors for downs, but Snyder gained considerably on an exchange of punts, and was again deep in Roby territory.

Again it was Morrow, Morrow. He plunged twice for hefty gains. Then he circled left end and scored standing up. Boren added the extra point from placement.

Stuart, plugging Roby fullback, quick-kicked from midfield to Snyder's eight, in the second period. Roby's two points came when Snyder's substitute—Autry was hurt in the first quarter—tossed the ball over Smith's head, the ball rolling untouched across the end zone.

Roby threatened just before the half, but bogged down on the Snyder 13-yard line.

After an exchange of punts in the first half, Roby was stopped in midfield, and Rhodes punted out on Snyder's 3-yard line. Smith stuck his toe under one if his best ones of the day then, and Rhodes returned it to Snyder's 35. Stuart went around end to put the ball on the 18 as the third quarter ended. Stuart and Hale missed shoestring passes near the goal line and there Roby's golden opportunity faded.

# Champion Performs For Snyder Schools

All students and faculty members and a few visitors were thrilled yesterday morning at 9:00 o'clock as they saw Miss Remo Poulsen, the world's champion woman typist, in action.

Coming to the school auditorium under auspices of the Underwood Typewriter Company, the expert typist not only wrote with lightning rapidity, but carried on a conversation with Principal King. Side by side she typed 138 words per minute. At one time she typed 123 simple words in a half minute.

Luther Watson of Watson-Focht, Sweetwater, district Underwood dealer, expressed his appreciation of the reception given Miss Poulsen.

## Is Graduate Member.

Claire Patterson, daughter of Mr. and Mrs. J. R. Patterson, was named a graduate member of the James Winford Hunt chapter, Alpha Chi scholarship society, of McMurry College, Abilene, this year. Miss Patterson, who was first honor graduate of McMurry in the June class, is teaching at Scranton.

## Long Distance Pupils.

The title of champion "long distance" students of the country is claimed by two sisters, Iona and Mary Nielson, 17 and 15 respectively, who travel a total of 90 miles going to school and back every day. They get on a school bus at 6:55 a. m. at their home on a ranch at Sandy Creek, Salmon, Idaho, and travel 45 miles to Leadore, Idaho, walking four miles of the distance.

Texas school children have had a break. They are to be escorted in groups for a visit to the Texas Centennial Exposition—and will receive full credit on their studies. "The Centennial is educational," explains Governor Allred.

# Eighty Talented Artists Featured In Tent Theatre

Beautiful girls, the famous Palais Royale Orchestra direct from Miami, dozens of noted vaudeville artists, a dramatic cast of prominent players from stage and screen, and Daphne, "The Queen of Fan Dancers," are said to comprise the entertainers who will visit Snyder Thursday night, October 29, on the show of northeast of the square.

This is the twelfth annual tour of Billroy's Comedians, a show that is claimed to be neither a circus nor a carnival, but a combination of drama, vaudeville, cabaret and revue.

The advance agent described Billroy's as "the greatest show on earth for the money." Popular prices are 50¢, with ladies admitted free when accompanied by one paid admission.

The doors will open at 7:15 o'clock, the orchestra will begin a concert at 7:30, and the curtain will rise at 8:15.

# Little Apples Grown Twice During Year

Last week's story in The Times concerning the fall blooming of many fruit trees in the county didn't go far enough.

Now comes Mrs. J. R. G. Burt with a second crop of apples that has grown on a tree in her yard in South Snyder. The tree bore a crop of big yellow apples earlier in the year. The present crop is small and the fruit is small, but the apples are tasty and well formed.

Roses and other flowers are also exhibiting a late fall growth that has seldom been equalled here, old-timers are saying.

CITATION BY PUBLICATION
The state of Texas, to the sheriff or any constable of Borden County, greeting:
You are hereby commanded to summon John L. Smith, Tull Bennett Smith, Eddie Smith Schalk, R. T. Smith, Tom Keen, Woodson Keen and Fannie Bell Jones Berry are the heirs and only heirs of T. C. Smith deceased, and his wife, Ruth C. Smith, deceased. Plaintiff represents to the court that the other defendants above mentioned are each claiming mineral or royalty interest in the hereinabove described land in Borden County and under a royalty contract dated January 7, 1928, recorded in Volume 24, page 25, of the deed records of Borden County, Texas, whereby T. C. Smith individually and as administrator of the estate of Ruth C. Smith, deceased, granted to C. E. Hubbard a one-half interest in and to all of the oil, gas and other mineral substances that might be produced from the land hereinafter described. Plaintiff represents to the court that the mineral or royalty interest of these defendants is subject to and inferior to his lien on said land hereinafter described.
And for cause of action plaintiff represents to the court that heretofore, to-wit, on or about the 11th day of February, A. D. 1925, T. C. Smith, who is now deceased, made, executed and delivered to J. J. Sullivan, his nine promissory notes for the sum of three hundred fifty and no-100 dollars each, bearing the date of the day and year aforesaid, due on the 11th day of February, A. D. 1927, 11th day of February, A. D. 1928, 11th day of February, A. D. 1929, 11th day of February, A. D. 1930, 11th day of February, A. D. 1931, 11th day of February, A. D. 1932, 11th day of February, A. D. 1933, 11th day of February, A. D. 1934, 11th day of February, A. D. 1935, each inclusive, payable to the order of J. J. Sullivan, or order, bearing interest at the rate of 8 per cent per annum from date until paid, and stipulating for 10 per cent on the amount of principal and interest due as aforesaid, the terms of which are set out in the purchase money of the land, more or less.
That said notes were given for part of the purchase money of the following described real estate and premises, situated in the county of Borden, in the state of Texas, to-wit: Being all of section forty-five (45) in block No. thirty-two (32) Twp. 6 north of the E. & R. R. Co. survey, and containing 640 acres of land, more or less.
That said property was heretofore to-wit, on the 11th day of February, A. D. 1925, conveyed by J. J. Sullivan to T. C. Smith, by his deed of writing of that date in consideration among other things, of the nine notes herein described, and that in said deed of conveyance a vendor's lien was reserved thereon to secure the payment of said notes, that each of said notes are due and unpaid, and defendants though requested, have failed and refused to pay said notes, each or any of them or any part thereof, but the same remains still due and unpaid. Plaintiff represents to the court that T. C. Smith is dead, that he departed this life without having paid said sum of money due plaintiff or any part thereof.
Plaintiff represents to the court that J. J. Sullivan is dead. That by assignment executed by J. Clement Sullivan and Charles Larkin Flanagan, administrators with will annexed of the estate of J. J. Sullivan, deceased, the nine notes above described were assigned to Anna M. Sullivan, widow of the said J. J. Sullivan, deceased, and were then for a valuable consideration assigned by the said Anna M. Sullivan to Sterling Williams, plaintiff in this case.
Wherefore plaintiff prays the court that defendants be cited to appear and answer this petition, that he have judgment for his debt, interest, attorney's fees and costs of suit, and for foreclosure of his vendor's lien on the above described land and premises and all minerals and royalty, and the same be decreed to be sold according to law; that the sheriff or other officer, executing said order of sale, shall place the purchaser of said property sold under said order of sale, in possession thereof within thirty days after the day of sale, and for other and further relief, special and general, in law and in equity that he may be justly entitled to, etc.—STERLING WILLIAMS, plaintiff.
Herein fail not, and have you before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and the seal of said court, at office in Gall, Texas, this 29th day of September, A. D. 1936.
JAMES W. WILLIAMS, clerk, district court, Borden County. 17-46c

# SPIVEY LOOKS AT SNYDER AND FINDS IT GOOD

### Lions Club Hears First Presbyterian Pastor, Traveling President, Football Ballyhoo.

Rev. James E. Spivey, pastor of the First Presbyterian Church, looked at Snyder Tuesday noon through a newsmonger's eyes—and found the town friendly, honest and filled with civic pride.

He was principal speaker on the regular noon program.

He lauded Snyder because practically all its citizens believe that the churches serve the community well, but gently chided many of them because they leave it up to the other fellow to carry on the work of the churches.

### Lions vs. Firemen.

The proposed football game between the Lions and firemen, scheduled for next Tuesday night, was ballyhooed and planned in detail. Willard Jones presented the firemen's angle, and N. R. Clements gave the Lions line-up, plan of action and plan of practice.

Ralph Odum was made chairman of a ticket selling committee, and each Lion was given 10 tickets to be sold between now and next Tuesday at noon. C. Wedgeworth was placed in charge of the committee for selling tickets at the school.

Clements said two teams have been planned for the Lions, with the second team taking the firemen's place after the first quarter.

### Tells of Dallas Trip.

President Frank Farmer gave a brief report of his recent trip to Dallas as a delegate of the club to the Lions International executive meeting. He said the executive "family" was represented by delegates from almost every state and from Old Mexico and Canada. Melvin Jones, present secretary general and organizer of Lions International at Dallas exactly 20 years ago, was described as witty, a forceful executive and an outstanding personality.

A special showing of "Caralade" was presented for the visiting Lions after the regular performances, and a program in the Texas Hall of

## PICKING SLOWS AS RAIN COMES

Rain that began this (Thursday) morning about 5:00 o'clock has halted cotton picking—more properly, cotton pulling.

Riding on a stiff southeasterly breeze, the rain was rather heavy for a short time, and continues steadily but not heavily early this morning. About half an inch has fallen at 8:30 o'clock.

This is the first precipitation since a two-week spell of rain stopped late in September.

### McLeroy to Lamesa.

E. B. McLeroy, assistant county agent, was in Lamesa last weekend. He judged agricultural exhibits in the Dawson County Fair, and reported them to be among the best he has ever seen. Dawson is in excellent shape as far as crops are concerned, he said, and the fair attracted huge crowds.

## Tigers Training Hard For Crucial Loraine Conflict

Coaches "Red" Hill and Glen Berry are showing their Tigers through grueling workouts this week in the effort to have them in perfect shape for the game with Loraine Bulldogs here Friday night at 7:45 o'clock.

It will be a crucial game, for the Bulldogs have unveiled a powerful eleven this year. The coaches believe they will win if their boys get on their toes, but they shiver when they think what might happen if the locals have lapses such as the ones that very nearly cost them the Roby game.

Loraine threw herself definitely into the conference picture when she downed Colorado with a strong passing game. Two weeks ago she proved it was no fluke victory when Roby was lucky to get out with a tie.

With their squad in third place, Bulldog fans are pulling their eye-teeth out for a championship, and they will come Friday night in full force, along with a snappy band and a 35-girl pep squad. Both teams are composed of young, hustling boys who play wide open ball that the fans fairly eat up, and the lighted stadium is expected to be jammed when the opening whistle sounds.

The local line-up will probably be changed little from what it was in the Roby game, but Hill has found three or four boys who are good substitutes or starters either, and there is liable to be plenty of substituting.

A welcome addition to the lighted field will be a scoreboard atop the east fence that is being made by E. B. McLeroy.

### Church of Christ

The following themes will be discussed next Lord's Day: 11:00 a. m., "Can a Christian Commit Sin?"—I John 3-9; 7:30 p. m., "The Difference Between an Excuse and a Reason."

Come out and let's study these subjects together.—J. Porter Sanders, minister.

Mother: "My daughter is by no means poor."  
Sister: "Oh! That's all right. I'm poor enough for two."

State, with James V. Allred as principal speaker, was a highlight in addition to the huge banquet with 500 attendants at the Dallas Country Club.

Blanks for ordering Texas Centennial half dollars, with which a Texas Memorial Museum is being built in Austin, were at each place, and C. Wedgeworth briefly explained the coin campaign.

### ELMO PLACES

Elmo Faver, Fluvanna animal imitator, won fourth place at Sweetwater Saturday night with his performance in that city's first amateur program. He was placed first in an amateur contest held here several months ago.

## Hermleigh Squad Takes Measure of Buffaloes Friday

Hermleigh Cardinals triumphed Friday afternoon, 32 to 0, over a Fluvanna Buffalo team that was outplayed but not outfought. It was the first football game ever played between the elevens from the ancient rivals.

Leading the attack for the victors was Harless, shifty and hard tackling halfback, and McMillan, full-back, who was the fastest man in the Interscholastic League meet last spring. For the losers, Faver at half and Thomas at end were the most impressive.

Good crowds from both towns saw the hard-fought battle, and a number of visitors were also present from Snyder and other nearby communities. Fluvanna's host pep squad kept up continuous yelling and singing in the face of their team's losing score.

It was Hermleigh's extra experience that tipped the scales in her balance. Better blocking, more certain tackling and fewer fumbles helped her cause along equally as much as a faster backfield. Fluvanna's hard fighting bunch improved as the game moved along, allowing only one touchdown in the last half.

McMillan started the fireworks when he recovered a Fluvanna fumble on the first play from scrimmage after Fluvanna had received the kick. He scooted over left tackle for a 40-yard run and touchdown. Harless almost repeated the performance when he went through center for more than 50 yards on the first play after Hermleigh received the kick-off. Both points after touchdown were good.

Fluvanna went inside the 20-yard line three times, once in the first quarter, once in the third and once in the fourth. A fumble, an interception pass and a tight Hermleigh line held the Buffaloes off the final marker.

McMillan made the third counter out of tackle to a halfback post for an end sweep. Layman, pulled part of the game, made the fourth touchdown. A pass to Etheredge, end, netted the final Hermleigh touchdown, making the count 32 to 0.

Hermleigh made several substitutions, especially in the last half, but Fluvanna sent only 13 men into

### First Presbyterian Church

The sermon at the morning service will be delivered by Protestant Episcopal Bishop E. Cecil Seaman, whose semi-annual visit was postponed from the second Sunday of this month to the fourth Sunday. A special invitation is extended to members of the Protestant Episcopal Church residing in this community to come and hear this great preacher of their communion. The service will be at 11:00 o'clock.

The pastor will occupy the pulpit at the evening service at 7:30 o'clock, taking as his topic "What Is Strength?" This is a continuation of the study in Psalms and the text will be taken from the Thirty-third Psalm.

Members of the Christian Endeavor are planning a special Halloween entertainment in honor of the young people of the Presbyterian churches in Post and Fluvanna. This social event will be in the local Presbyterian church basement on Thursday night, October 29.

### Mahon to Capital; Gives Full Time to National Campaign

According to word received by his Colorado office, Congressman George Mahon went to New York this week to spend a short time at Democratic national committee headquarters before going out on another speaking assignment in the interest of President Roosevelt's campaign for re-election. He spoke in several cities of New Mexico last week on a similar assignment.

He spent Monday of this week in Washington, stopping over en route to New York.

Mahon proceeded to New York at the request of Congressman Sam Rayburn, member of Congress from Texas and candidate for majority leader in the next Congress, who is serving as chairman of the speakers' bureau of the national committee.

## Presenting the phenomenal facts about GULFPRIDE THE WORLD'S FINEST MOTOR OIL

THE facts on this page sound hard to believe. But here is the reason why GULFPRIDE—and only GULFPRIDE—can accomplish such results...

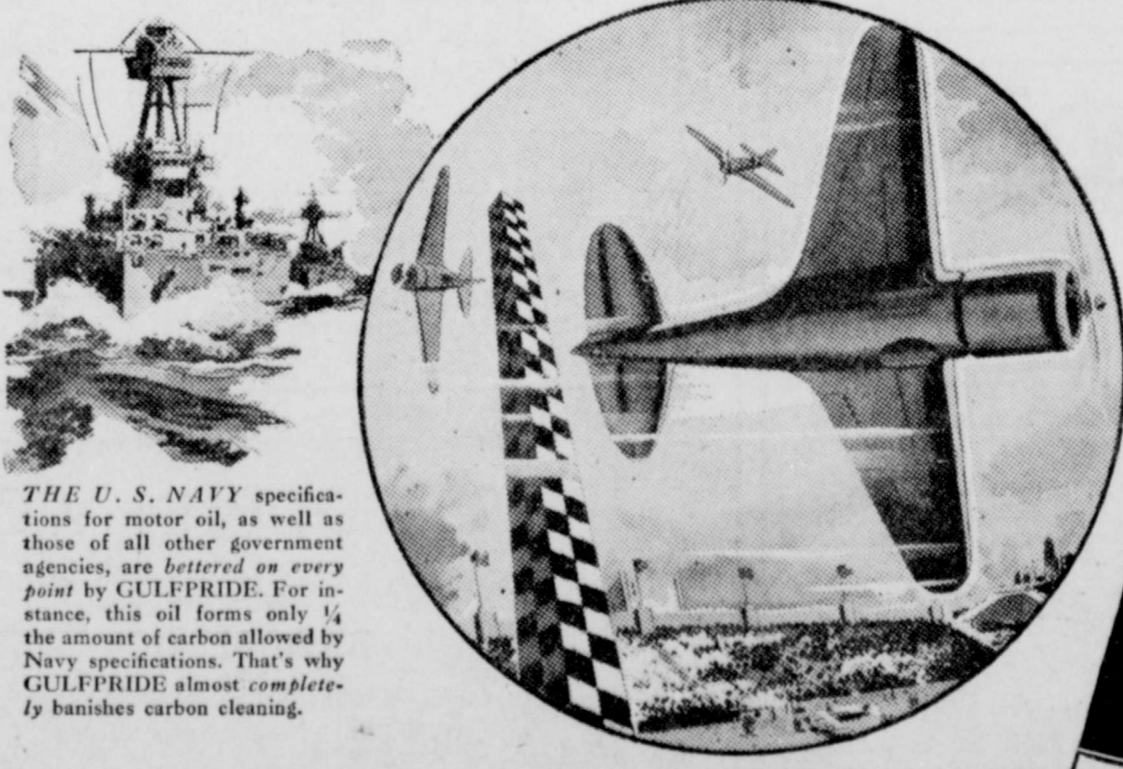

Gulf begins with selected Pennsylvania crude, refines it to a motor oil that equals the best—then further refines it by the exclusive Alchlor process.

Only GULFPRIDE is made by this process—result of 15 years' research—the same scientific research that has made every Gulf product a leader.

Read the facts below. Then drain your dirty summer-worn oil and refill with GULFPRIDE now. At all Gulf dealers.

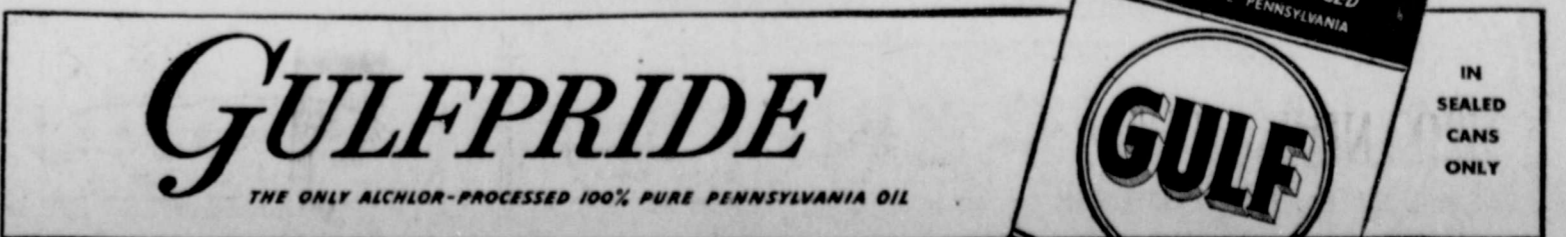

AN AMAZING TEST. Bottle No. 1 shows a mixture of 6 famous Pennsylvania motor oils. Bottle No. 2 shows them after being put through Gulf's Alchlor process. Bottle No. 3 shows the 20% waste removed from these already highly-refined oils by Gulf's Alchlor process. This process starts where others stop! That's why GULFPRIDE is the world's finest motor oil.

THE U. S. NAVY specifications for motor oil, as well as those of all other government agencies, are bettered on every point by GULFPRIDE. For instance, this oil forms only 1/4 the amount of carbon allowed by Navy specifications. That's why GULFPRIDE almost completely banishes carbon cleaning.

TOPS IN THE AIR—8 out of the 11 winners in last year's National Air Races used GULFPRIDE OIL, the identical oil you can buy for your car at any Gulf dealer. This "aviator's oil" will take you farther before you need to add a quart than any oil you ever used!
