"YOUR HOME COUNTY PAPER"

SNYDER, TEXAS, THURSDAY AFTERNOON, OCTOBER 29, 1936

FORTY-NINTH YEAR

NUMBER 21

HOSPITAL HAS GAINED PLACE IN U. S. ASSN.

Snyder General Hospital Is Made Member of the American Medical Association.

A letter from Chicago last week notified Dr. Grady Shyles, chief surgeon, that Snyder General Hospital was unanimously voted for admission to the hospital register of the American Medical Association, at a meeting of the council on medical education and hospitals, October 10 and 11.

This recognition as a registered hospital came shortly more than a year after opening of the local institution. The hospital was admitted to membership in the state association before its formal opening in September, 1935.

Membership Benefits.

"Among the benefits which the recognition confers," writes Dr. William D. Cutler, secretary of the American Medical Association, "is the publication of the name of the hospital and certain information concerning it in the hospital number of 'The Journal, A. M. A.' and also in the American Medical Directory."

Recognition calls not only for furnishing of information to the American Medical Association regularly, but also for occasional visits from the staff of hospital examiners of the association.

"Registration is a basic distinction between all recognized hospitals and those that are refused recognition," declares a booklet, "Essentials of a Registered Hospital," issued by the American Medical Association.

Membership Essentials.

Essentials of a member hospital are outlined in the booklet, briefly, as follows:

1. Organization. The organization should consist of a board of trustees or other supreme governing body having final authority and responsibility and an executive officer or superintendent to carry out the policies adopted by the governing body. . . . Regardless of the

Bengals to Meet Favored Roscoe Crew Next Week

All football ears are down to the ground for dope on the Snyder-Roscoe gridiron melee here on the night of Friday, November 6. For this battle—provided the Bengals romp through Merkel with a win this week—will probably decide the champion of District 6-B.

The Plowboys are idle this weekend. But they were not idle Monday night. They were busy whipping Merkel, 30 to 0, with that Gray boy on the scoring end of four touchdowns.

Snyder, of course, was licking Loraine, 14 to 6, while Roscoe coasted over Merkel. Rotan last week-end gave notice that her Yellowhammers are still a district threat, when she showed Colorado farther into the cellar, 27 to 6. The Wolves led in first downs, 20 to 6, but each of Rotan's three long passes went for touchdowns, and Colorado could reach pay dirt only once with her hard drives.

The week-end district schedule reads: Snyder at Merkel, Loraine at Rotan, Colorado at Roby.

Team standings:

Team	W	L	T	Pct.
Snyder	3	0	0	1.000
Roscoe	2	0	0	1.000
Rotan	2	1	0	.667
Roby	1	1	1	.500
Loraine	1	1	1	.500
Merkel	0	3	0	.000
Colorado	0	3	0	.000

ALMANAC

LET'S TAKE TIME TO FIGURE THIS OUT!

"The old adage more by counsel than the young do by action."

OCTOBER

29—First steam frigate, the Fulton, is launched, 1814.

30—2,600 couples wed in Italian marriage festival, 1933.

NOVEMBER

1—Postal money orders authorized by Congress, 1864.

2—Daniel Boone, famed pioneer and Indian fighter, born, 1734.

3—Revolutionary Army is disbanded by Washington, 1783.

4—Abraham Lincoln is elected to the Illinois Legislature, 1834.

Snyder to Merkel Saturday at 2:00

Fourth conference game for the Snyder Tigers will be played Saturday afternoon, 2:00 o'clock, on the Merkel Badgers' field.

The Bengals are in fairly good shape for the fray, and they will probably have all regulars in the line-up against a Merkel squad that is said to have a rather hefty passing attack.

Although Merkel has failed to take a game in its three conference starts, Tiger backers, who will follow the team in large numbers, remember how the Badgers backfired two years ago and won a game that was thought to be already sewed in the Tiger bag.

Father and Son Banquet Planned For November 10

Definite announcement has just been made of the coming "Father and Son" banquet to be held November 10, sponsored by the Boy Scouts of Troop 35. It is a get-together banquet for all the fathers and sons of Scurry County, and the Boy Scouts are hoping to make it an affair that will be worth repeating every year in the future.

Of special interest is the announcement that the speaker for the evening will be Charley Paxton of Sweetwater, president of the Buffalo Trail Council of the Boy Scouts of America.

In order to make the banquet attractive to every father and son in the county, the scouts have decided to make it a non-profit affair and charge only the amount for which they will be able to get a good plate. Consequently the charge per plate will be only 35 cents.

The National Guard armory will be the place for the affair, and home economics classes of the local high school will serve.

The rule for attendance will be as follows: No man will be admitted without a son between the ages of approximately 9 to 18. A father can bring as many sons as he desires, but he must have at least one with him. It is not required that the son be his own, for many will want to come to the affair who have no sons and therefore it is allowable for a man to bring any boy of that age provided he has not an eligible son. Thus it will be necessary for each man to buy two tickets, one for himself and one for the son he is to bring.

There will be a number of special features of the evening, in addition to the main address. Three prizes will be awarded to the fathers present. One will be awarded to the man who is the father of the most sons. Another will be given to the man who is the youngest father of a son. And another will be given to the man who is the youngest father of a son. Besides this there will be a full program of stunts by the scouts of Troops 35 and 36 and other entertainers.

The sole purpose of this banquet is to promote greater friendship and understanding between fathers and sons, men and boys of this community; and the boys are doing their part in planning and putting the affair across, according to Scoutmaster Lorain Maples and Assistants James E. Spivey and Jack Martin.

CAR CHECK-UP IS POSTPONED

A Safety Lane will be conducted in Snyder about the second week in November, according to members of the State Department of Safety, Austin, who had planned the safety check-up here Saturday. The event was postponed because of the slow driving rain Saturday.

"Brakes cannot be tested during wet weather," said two patrolmen, who spent part of the day here, Captain W. W. Legge of the Lubbock district, who went to Austin early Saturday afternoon, will return here in about two weeks, they said.

Defective brakes, lights, horn, muffler, steering gear and windshield visibility are a few of the checks made by the S-Men conducting Safety Lanes all over the state. Motorists of this section will be warned before Captain Legge's return in November.

Union Will Be Host To County Singers

Union will be host on the fourth Sunday in January to the quarterly session of the Scurry County Singing Convention, it was decided at the fall meeting, held at Ennis Creek Saturday night and Sunday. Good crowds attended the Sunday afternoon singing at Ennis, attendance having been held down Saturday night and Sunday morning because of bad roads.

CLUB DISPLAY SET SATURDAY OF THIS WEEK

Rain Forces Postponement of 4-H Club Event; Show Will Be In City Tabernacle.

The Four-H Club calf and pig show slated for last Saturday was postponed to Saturday of this week because of bad weather last Saturday.

Instead of the Blackard warehouse, original site of the show, the calves and pigs will be displayed in the city tabernacle, a block south of the square.

E. B. McLeroy, assistant agent, in charge of the show, believes that about 50 animals will be displayed by Four-H Club boys, who have been conducting projects for only a few months.

Prizes totaling around \$100 have been offered in five divisions. These have been raised primarily among ranchers and business men.

Judging will be done by H. E. Smith, county agent of Coke County, an expert livestock judge.

The public is invited to view the animals all day Saturday.

Jimmy Yancy Badly Injured at Lubbock As He Rams Truck

Jimmy Yancy, Graham & Martin employee, must remain encased in a plaster cast for about three months as a result of a car crash at Lubbock Saturday night.

Returning alone in his coupe from the Tech-Centenary football game, Yancy crashed into a truck that extended out of a driveway in the Lubbock residential district. He told attendants at the Lubbock hospital to which he was rushed that he did not see the truck until he crashed into it. He was unconscious for several hours.

One of Yancy's hip bones was broken in two places, and it was necessary to encase his body from knees to above his hips in a plaster cast.

The tailor, who came to Snyder less than a month ago, was taken to the home of his mother in Alpine Monday from Lubbock in an Odom ambulance, with Jack Martin of Snyder accompanying.

Trio From County Appear on Second Amateur Program

Three Scurry County boys are to appear on the Sweetwater amateur contest Saturday night, it has been announced by the board of city development, sponsoring organization. They are L. D. Harrison and Roy Lee Merkel of near Snyder in a vocal duet, with Harrison playing a guitar accompaniment; and Arvil Martin of Dunn singing and playing the guitar.

Six counties will be represented on the Saturday night program: Scurry, Mitchell, Fisher, Jones, Taylor and Nolan. Winners of this contest, as in the first held two weeks ago, will get cash prizes of \$15 first, \$10 second and \$5 third. In addition, they will take part in a 90-minute broadcast program over station KRBC at Abilene on November 5.

Entries for the third contest, to be held November 14, are now being received by the Sweetwater board of city development. Among those who have asked for entry blanks are Lennie Bell Tate and Martha Lou Holmes of Arah Route, Snyder. They are entering as the Sunshine Girls in a vocal duet.

Elmer Eyer and Miss Edith Freeman of Ft. Hancock, who won fourth place in the first contest on October 17, are expected to be called upon to make the trip to Abilene for the broadcast on November 5. They will likely take the place of the Arkansas Hillbillies of Matador, third place winners.

Admission tickets to the contests are given free for the asking by more than 30 Sweetwater business concerns.

Annetta Jeanne Is Name of Jones Baby

Mr. and Mrs. Willard Jones are announcing the birth Monday afternoon of a 7 pound, 13 ounce girl. The little daughter and her mother are getting along nicely at a Snyder hospital.

Annetta Jeanne is the name of the little lady, and June, her big brother, thinks she can cry with the best of babies. The father is co-publisher of The Times.

Billy McGlaun Injured.

Billy McGlaun, nine-year-old son of Mr. and Mrs. Alfred McGlaun, is resting well today after being hit by an automobile driven by Arvil Hall as he was crossing the street in front of the school building Wednesday afternoon. The school boy received bruises and a gash on his hip, which required several stitches, in the accident.

Donkey or Elephant—Which

The hardest hitting presidential election in years is on the griddle for Tuesday, November 3, and voters must decide between the two sets of candidates in the above pictures. Political seers of the long standing are saying that the heavy voting general election in the history of the nation is in the offing. This nation-wide interest is not reflected in Texas, where voters as a whole seem to be satisfied that Roosevelt and Garner are good enough for them, and where the threat of Republican victory is taken rather lightly.

County Schools Send Four Men To Abilene Meet

Four Scurry County school men were attendants at the meeting of the Oil Belt Educational Association in Abilene Tuesday. Sessions were held at the Abilene high school building.

Frank Farmer, county superintendent, C. Wedgworth, superintendent of city schools, King Sides, high school principal, and W. T. Hanes, superintendent of Hermleigh schools, attended the meeting and the banquet Tuesday night.

Dr. L. A. Woods, state superintendent of public instruction, and Dr. Lewis B. Cooper, director of research for Texas State Teachers Association, were main speakers on the Tuesday program. Dr. Woods, in his address, urged local heads to build programs to hold interest of students. Dr. Cooper's discussion was on the proposed teacher retirement amendment.

L. A. Woodruff, association president and superintendent of the Highland consolidated school, Nolan County, presided. Music was given by the Abilene high school chorus, directed by Miss Ouida Clemons.

At the Tuesday evening banquet, held at the Hotel Wooten, main speakers were A. P. Edwards, professor of social sciences at Hardin Junior College, Wichita Falls, and R. G. Boger, dean of McMurry College, Abilene high school orchestra, directed by R. T. Bynum, played during dinner, and a high school sextet sang two numbers.

One Hundred Visit Local Schools Friday

Annual visitation day for the local schools was declared a success by school officials, as 100 school patrons visited classes during the day Friday.

A special assembly program was given by Miss Hattie Herm's room in the mornings, and during the hour Mrs. J. Nelson Dunn, president of the local Parent-Teacher Association, introduced the executive committee of the organization.

Visitation day was held to climax a drive being made by the school to enlarge P.-T. A. membership.

Scurry Shows Slight Interest In Balloting

FOUR WINSTON ANIMALSTAKE SHOW RIBBONS

Continuing their winning streak in fall shows, four animals from the Winston Brothers herds of Snyder placed first to third in the Centennial livestock exhibit at Dallas this week.

Norias, senior yearling heifer, and Gerlie Mae, junior yearling heifer, placed first in their divisions.

Adansley, bull calved between May 1, 1934, and December 31, 1934, was second in his division, and Flashing Westman, calved after January 1 of this year, was third in his class. The latter was next to the youngest animal in his division, having been born March 29.

Winston's show herd also won several placings at the Dallas event. Wade Winston is with the herd at the Centennial center.

The Dallas News said Wednesday: "One of the smallest handlers ever seen in a show ring in the state outside of a junior livestock show, appeared in several events on Tuesday's program. 14-year-old Jimmy Smith of Snyder, weight 84 pounds, who is following in the footsteps of his father, a herdsman for Winston Brothers."

Jimmy, a student in local schools, is the son of Mr. and Mrs. James Smith. The elder Smith, a native of Scotland, has been with some of the outstanding show herds in the country for 20 years, and has been in charge of the Winston herd that is now in its fifth fall show.

Correspondents Bring in Dozens Of Times Orders

The Times' rural correspondents have brought in dozens of subscriptions in recent days, several dozen having been recorded since October 1.

One of the reasons for the spurt in orders brought in by the writers is that extra commissions are being given by the publishers this year. For each group of 10 new or renewal subscriptions, the correspondent is paid extra commissions at the end of each month.

Writers who have turned in 10 or more subscriptions during October are urged to come in within the next few days and secure their extra commissions. Please bring your receipt books so your records can be checked with Times records.

Following are a few subscriptions that have been recorded since the report in last week's Times: City of Snyder—Ruth Seabourn, J. R. Joyce, Herman Darby, Audie McElyea, Dr. R. L. Howell.

Other Scurry County towns and routes—W. W. Early, Hermleigh; Lloyd Ainsworth, Ft. Hancock; A. W. Scriver, Dermott; D. L. Lane, Dermott; Wayne Eubank, Ira; J. R. Brown, Dermott; G. W. Flippin, Dermott.

Snyder rural routes—Mrs. Floyd Light, A. C. Rossion, J. G. Drinkard, L. L. Lewis, Mrs. M. W. Jordan, J. W. Key.

Outside Scurry County—National Editorial Association, Chicago, Illinois; Mrs. C. R. Buchanan, Austin; Gully Light, Roscoe; V. L. Clark, Aul; Neil Sales, Roscoe; Marvin Edwards, Etowanda, California.

Service Banner to Paul F. Allen's Room

Paul F. Allen's low seventh grade was awarded the service banner in the local junior high school early this week, according to the announcement made by Hadley Reeve, principal. Total points were 89.

The group will have the banner in its home room for the next six weeks. Gold letters on black background with gold silk cord and tassels made an attractive banner for the service award.

Scholarship, citizenship, attendance and contest winners are the four checks made for the service banner.

Two New Members For Fire Fighters

The Snyder volunteer fire department Thursday night, in regular monthly session, named Howell McClinton and Mack Casey to reserve membership. McClinton is a former member.

Election of the two new members followed the resignation of Willard Jones, recently elected to the City Council, and M. J. Howze, who is moving to Big Spring.

Plans for the Firemen-Lions football game, to be staged Friday night, were discussed at length.

Late October Rain Reaches 1.75 Here

Rain that began early last Thursday morning totaled 1.75 inches in Snyder before it ended Saturday. A similar total prevailed in most parts of the county.

Although the rain slowed the late cotton crop considerably, gins having turned out practically nothing within the last few days because of continued bad weather this week, practically everyone agrees that this late October precipitation is of immense benefit to the county as a whole. Most of it came slowly, and there was little runoff.

County roads that have not been improved were probably in the worst shape they have known in recent years.

Temperature dropped to 33 degrees Friday night—just one degree above freezing.

HISTORIC GRID BATTLE TO BE WAGED FRIDAY

Firemen and Lions to Make Contact In Postponed Game at Tiger Field, 8:00 O'clock.

Firemen and Lions, bitterly disappointed because Old Man Rain knocked them out of their historic gridiron battle Tuesday night, will make contact Friday night of this week at 8:00 o'clock.

Members of both organizations are continuing their ticket sales—25 cents for adults and 10 cents for children—in an effort to pack the stadium for the lighted game. Every penny of the proceeds will help under-privileged children of the county.

Firemen's 50 per cent of the gate receipts go into Christmas baskets that are distributed annually, and the Lions' share will continue the club's work of helping blind and near-blind children from all parts of the county.

Captains Buddy Martin of the Firemen and Pokey Clements of the Lions say the line-ups as announced last week will probably start the frolic, although both leaders admit that there may be plenty of changes due to lost wind and busted shins.

Any Fireman or any Lion will be glad to sell you a ticket. Remember: Every quarter or dime that is spent for a ticket helps some needy child. Besides, it ought to be worth anybody's money to see such heroes as Norman Autry, Arthur Prentiss, Marcel Josephson, Wayne Boren, Emmitt Butts and Hal Lattimore in action!

WAR BUDDIES PLAN SERVICE

A special Armistice service will be held at the First Methodist Church Sunday evening at 7:30 o'clock, with the pastor, Rev. H. C. Gordon, doing the preaching. It was announced yesterday by H. A. Lattimore, commander of the local American Legion post.

The service has been moved up one week prior to the Armistice observance because Rev. Gordon will be attending annual conference on Sunday, November 8.

A section in the church will be reserved for World War veterans, Gold Star mothers, and wives of veterans. The public is also invited to attend the annual service.

Meeting Set Thursday

The Will Layne Post will go back Thursday night, November 5, to its old meeting place, over Winston & Clements. A good fire will be ready for members who attend the session next month.

Extension Courses To Be Offered Here

Mrs. G. Morrison and Miss Roberts of McMurry College, Abilene, will be in charge of the extension courses in English, unit building, manuscript writing and advanced education beginning Friday afternoon at 4:30 o'clock.

Classes will be held in room 102 in the local high school building from 4:30 until 9:30 o'clock. Meet the needs of teachers. The instructors invite those interested to attend and discuss these courses with them.

AMENDMENTS MAY INCREASE TUESDAY VOTE

This Democratic stronghold is not taking much stock in the general election next Tuesday, November 3, for most voters preclude that Texas will vote for the Roosevelt-Garner ticket by a majority variously estimated to range from three-to-one to ten-to-one.

But as the election day nears, indications point to growing interest in the six proposed amendments to the state Constitution, on which voters will be asked to give their decision.

Voters will not cast their ballots directly for presidential and vice presidential candidates. Instead, they will leave intact the group of 23 electors that have been chosen by their party, scratching the other electors.

Eight Ballot Columns.

Voters will face a huge ballot with eight columns, one column for each independent candidate, one column blank, and one column for each of these parties: Democratic, Republican, Socialist, Communist, Union, Prohibition.

In the Democratic column are names of electors, state, district and county candidates as nominated in the August primary. The Republicans submit only the names of electors and state candidates. The other three parties submit electors, the Socialist party adds state candidates, the Communists add a few state candidates, and the Union party adds the name of a U. S. senatorial candidate.

The ballot is 19 inches wide by 22 inches long.

Text of Amendments.

Summaries of the amendments, as printed on the bottom of each ballot, follow in order:

1. For (against) the amendment to the State Constitution providing for the establishment of a state dis-

Training School For Scouters to Start Next Week

First sessions of a training school for Boy Scout leaders and other men interested in scouting will be held Thursday and Friday evenings of next week, November 5 and 6, according to Frank Farmer, local chairman.

Next sessions of the school will be held on the following Thursday and Friday, and concluding sessions will be held Thursday and Friday of the next week. In connection with the final session, an outdoor meeting, with cooking by the scouters, will probably be held.

Alfred J. Siles, executive of the Buffalo Trail Council, and Darrell Wilson, assistant, will be here for the meetings.

Men desiring to enroll for the school may report direct to the meeting place, over Winston & Clements, but Farmer or local leaders will appreciate notification, if possible, before meeting time.

Rites at Dunn for Lillie Lorene Goss

Rites were held at the Dunn Baptist Church Wednesday morning at 10:30 o'clock for Lillie Lorene Goss, seven-month-old daughter of Mr. and Mrs. Truman Goss, O'Donnell. The child died at O'Donnell Tuesday.

Rev. Lawrence Hays of Snyder officiated. Odom Funeral Home had charge of burial in Dunn cemetery. Herman Webb and Melton Martin were pallbearers.

Paternal grandparents of the child are Mr. and Mrs. D. M. Goss of Snyder. Other survivors include the maternal grandparents, Mr. and Mrs. J. M. Webb of O'Donnell, and a great-grandmother, Mrs. Lela Webb of O'Donnell.

Post "B" Licked by Hermleigh Cardinals

Hermleigh Cardinals won their fourth consecutive game of their first football season Friday afternoon at Hermleigh. Post "B" team being the victim of a 6 to 0 backset. It was the third game the Red-birds have won by the same score.

McMillan, flea back, jaunted for the only counter. The host squad threatened repeatedly, but could count only once. The young Antelopes did not approach pay territory. Hermleigh goes to Wingate for her fifth game Saturday afternoon.

The WOMAN'S Page

Gift Party Tuesday Honors Recent Bride.

Mrs. J. C. Morgan was complimented at a delightful gift party Tuesday at the home of Mrs. D. P. Yoder. Mrs. Yoder and Miss Louise Wilsford were hostesses at the affair.

The honoree, daughter of Mr. and Mrs. Sterling A. Taylor, was before her recent marriage Miss Sterlene Taylor.

A clever and appropriate program preceded the presentation of a shower of lovely bridal gifts, and various contests and games furnished diversion for the group during the afternoon.

Virginia Egerton gave the bridal toast, and Miss Wilsford toasted the girls left behind. Miss Wilsford also entertained with a reading, "Jane's Big Sister." Contest prizes were awarded Virginia Egerton and Neil Carlton.

The guest list included: The honoree and her mother, Mrs. Taylor, Virginia Egerton, Doris Davis, Nell Carlton, Geneva Allen, Irene Taylor, Dorothy Reed, Thelma Payne, Gladys Crowder, Johnnie Greene, Elizabeth Blakey, Virginia Taylor and Ruth Line.

Miss Keller Honored At Lodge in Dallas.

Miss Wynona Keller, a student in the Hockaday School, Dallas, will be honored Friday night at a dinner dance to be given at Whippoorwill Lodge, Dallas. The affair will celebrate Miss Keller's birthday.

John and Martha Burnett, son and daughter of Mr. and Mrs. Foster C. Burnett, will be host and hostess. Both were house guests of Miss Keller here during the summer.

Miss Keller's mother, Mrs. John Keller, her grandmother, Mrs. J. R. G. Burt, and sister, Raymona, are leaving today to spend the weekend with her and with friends in Dallas, and they will attend the Friday evening affair.

Miss Henderson Is High Score Winner.

Margaret Henderson was awarded the high score prize at the Tuesday evening meeting of San Suci at the home of Mrs. Wayne Boren. Decorations for the party were lovely roses and corns.

Refreshments were passed after the bride play by Mrs. J. C. Snyler, guest, and the following members: Misses Hattie Horn, Neoma Strayhorn, Mattie Ross Cunningham, Margaret Henderson, Lillian Abney, Gertrude Horn, Margaret Williams, Vera Periman, Annie F. Sewell and Edith Grantham, and Mmes. James Ralph Hicks, Marcel Josephson, E. J. Anderson, Billy Boren and Forest Sears.

Mattie Ross Cunningham will be next club hostess.

Hallow'en Motif Employed Tuesday.

A Hallow'en motif was featured in decorations, program and refreshments at the Tuesday afternoon meeting of the Woman's Culture Club for which Mrs. W. A. Morton was hostess.

Mrs. E. P. Sears, club president, presided during the business session, and Mrs. E. E. Weatherbee was leader for the Hallow'en program. Roll call for the day was "Pranks."

"The Red Room," a ghost story, was reviewed by Mrs. E. J. Richardson, and a talk on "Hallow'en Superstitions" was by Mrs. Mabel Y. German. Mrs. Sears was dressed in Indian costume as she sang, playing her own accompaniment, the ever-popular numbers, "Indian Love Call" and "Chieftain's Daughter."

Mrs. Morton was assisted by her younger daughter, Ernestine, in passing a dainty sandwich plate, in which the Hallow'en motif was repeated, to the following club members: Mmes. A. C. Alexander, J. P. Avary, P. C. Chenault, R. W. Cunningham, Mabel Y. German, J. R. Huckabee, E. J. Richardson, Willis Rodgers, E. F. Sears, D. P. Strayhorn, E. E. Weatherbee, W. G. Williams, J. A. Woodfin and H. L. Wren.

Cresset Club Has Dinner Tuesday.

Members of the Cresset Junior Club met at the home of Allene Curry Tuesday evening for a covered dish dinner, followed by a delightful theatre party.

Pastel colors were emphasized in table appointments—centerpieces were orchid and white chrysanthemums on green table covers. "Big Broadcast of 1937" was the picture, seen by the group at the Palace Theatre after dinner.

Miss Cleo Sentell was a guest, and the hostess' mother, Mrs. A. M. Curry, and her sister, Ruby, were present. Members present were: Almarene Heard, Mrs. Buddy Martin, Mavis Shuler, Mrs. Willard E. Lewis, Frances Boren and Vernelle Bradbury.

J. E. Rogers, 82, Celebrates Birthday.

J. E. Rogers celebrated his 82nd birthday last week at the home of his son, H. P. Rogers, who, with his wife, was host at a birthday dinner complimenting the 82-year-old Scurry County citizen.

Mr. Rogers has lived in Scurry County since 1921, coming here from Bagwell, Red River County, 15 years ago.

Outdoor and indoor games were enjoyed during the day, as relatives and friends met to honor the man. A bountiful dinner was served to the following: The honoree, Mr. and Mrs. D. B. Rogers and children, Mrs. W. B. Henley and children and Miss Frances Rogers, a granddaughter.

New Operator at Polly Ann.

Miss Mary Gale Baker is a new operator with Polly Ann Beauty Shop, according to Edvyle Little, proprietor of the Pick & Pay Store basement shop. Miss Baker comes from Slaton, where she has been connected with a beauty salon.

Mrs. Johnson Is Hostess at Lollar's.

Mrs. Weldon Johnson was hostess to the Wednesday Afternoon Bridge Club at the home of Mrs. T. L. Lollar last week. The entire house was decorated with bowls of lovely fall roses.

At the close of the bridge play, high score prizes went to Mrs. Nathan Rosenberg, guest, and Mrs. J. D. Scott, member.

A plate of salads was passed to the following: Mmes. Nathan Rosenberg, Fla Joyce, Herbert Bannister and Allan Moses, both of Lubbock, guests; and Mmes. Maurice Brownfield, Ixon Joyce, P. W. Cloud, J. D. Scott, Max Brownfield, Aubrey Stokes, Gaither Bell and Robert E. Gray Jr., club members. Dorothy Strayhorn, member, was a tea guest.

Study of "Old South" Featured at Meeting.

A study of "Some Famous States of the Old South" was featured at a meeting last Thursday of the Altruistic Daughters. Mrs. E. O. Wedgeworth was hostess to the club and guests at the home of her parents, Mr. and Mrs. S. T. Elza.

Guests at the meeting included an ex-member of the group, Miss Maurine Cunningham of Lubbock, Mrs. Elza and Allene Curry. Mrs. Robert E. Gray Jr. directed the program for the evening, following roll call, to which members responded with famous Southern cities.

"Hot Springs, Arkansas" was the subject of an interesting discussion by Mrs. J. D. Scott, in which she gave word pictures of the famed health resort. Kenneth Alexander told of Mammoth Cave, Kentucky, the world's largest underground cavern, discussing the different routes through the intricate passageways of the cave, which consists of 150 miles of explored passages, and perhaps 300 miles more, which have not yet been opened to visitors.

Mrs. H. W. Taylor Is Honored on Birthday.

The home of Mr. and Mrs. H. W. Taylor was the scene of much merriment last Sunday, when their children came in as a surprise to celebrate their mother's birthday, and those of five other members of the family.

Six birthday cakes centered the dinner table and candles on them burned brightly. Dinner was served to the honoree and other relatives and friends. Birthday gifts were presented the honoree.

Those present were: Mr. and Mrs. Taylor, Mr. and Mrs. Sterling Taylor and children, Mr. and Mrs. Ross Riley and children, Mr. and Mrs. Ramon Hedges and children, Hiram Hedges, all of Snyder; Mr. and Mrs. Essie Taylor and children and Mr. and Mrs. Elmer Taylor and children of Ira; Raymon Taylor of Arlington; J. C. Morgan of Stephenville.

Hallow'en Horns Are Party Favors.

Gay Hallow'en horns made attractive favors for guests, who attended the birthday party for Nancy Jo Richardson last Wednesday afternoon. Mrs. E. J. Richardson, mother of the eight-year-old honoree, was hostess for the afternoon, and was assisted by Mrs. J. G. Drinkard and Miss Nellie Cotton.

Guests brought Nancy Jo lovely birthday gifts, and a number of games were enjoyed by those present. Refreshments of birthday cake, sandwiches and ice cream cones were passed.

The party guest list was as follows: The honoree, Ivan Hargrove, Neida Belle York, Billie Fern Huffman, Jimmie Nipp, Charles Nipp, Joyce McGlaun, Jack McGlaun, Billy James Reeves, Billy Joe York, Rainey S. Cox, Ramon Bynum, Mary Beth Wilhelm, Dorothy Sue Cox, Douglas Gilmore, Weldon Shultz, Adna Lavener Saylor, Mary Ella Smith, Billie Kathryn Roach, John Kenneth Newton, George and Ben Franklin Richardson, Opal Ikard, Harold Lewis Wade, James and Arlen Bailey.

Mr. and Mrs. Ecton Templeton of Houston were week-end guests of Mrs. Templeton's parents, Mr. and Mrs. J. R. Joyce, and other relatives and old friends here.

Edith Grantham Is Hostess to Art Guild.

Members of the Art Guild enjoyed a meeting at the home of Edith Grantham last Thursday evening. Following a short business session, Grace King directed a program on the club's study for the year, "Art of the American Indian."

Alta Bowers' discussion on "Indian Artists of the Southwest" was interesting; and Mrs. King closed the program with a review of "Effect of Indian Art on Modern Life," story by Rose Henderson, who is a leading critic of modern art.

Dainty refreshments were passed to the following members of the group: Bonnie Ruth Nance, Velma Sharp, Omah Ryan, Ruth Boyer, Grace King, Saxton Lee, Alta Bowers, Vera Periman, Dorothy Egerton, Effie McLeod, Annie F. Sewell, Mildred Patterson, Ila Bee Mitchell and Angie Robinson.

Next meeting will be Tuesday, November 3, with Omah Ryan as hostess.

Payne Reunion at Sterling A. Taylor's.

The J. R. Payne family held a reunion at the home of Mr. and Mrs. Sterling A. Taylor Tuesday. Mrs. Taylor is a daughter of Mr. and Mrs. Payne.

Turkey dinner with all the trimmings was enjoyed by the following: Mr. and Mrs. Elmer Payne of Midland, California; Mrs. W. O. Webb and children of Ira; Mr. and Mrs. John Taylor, Mr. and Mrs. H. W. Taylor, Dorothy Cantwell of Brownwood; Mr. and Mrs. Lewis Berry of Sweetwater; Mr. and Mrs. Sterling T. Taylor and children and Louise Wilsford, a guest.

Miss Frances Lewis was a week-end visitor in Lubbock. She attended the Tech-Centenary football game at Tech Stadium Saturday night and returned home late Sunday.

Try CARDUI For Functional Monthly Pains

Women from the 'teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. Crit Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

"Impressionism" Defined at Club.

"Trying to suggest in tone abstract mental images induced by a color, a thought, a scene" was the definition given impressionism at a meeting of the Musical Coterie last Thursday. The program, directed by Mrs. Lyda M. Hardy, centered around the subject, "Impressionistic Methods."

Mmes. N. W. Hamilton and Homer Snyder were hostesses to the music group at the home of Mrs. Hamilton. Rooms were decorated with beautiful roses.

The program director gave the lesson discussion from "Twentieth Century Music" by Marion Bauer, and introduced the following numbers: "Fenilles Mortes (Dead Leaves)" by Debussy, Mrs. E. E. Spears, piano; "Sunlight Thru' the Leaves" by Burleigh, Mrs. W. W. Hamilton, piano; "Petite Suite" by Debussy, Mrs. Melvin Blackard and Mrs. Novis Rodgers, piano; "Lullaby" by Scott, Mrs. W. W. Smith, soprano. A recording by Leopold Stokowski and his Philadelphia Orchestra of "Rhapsodie Espagnole" by Ravel closed the program.

Mrs. T. L. Lollar Is Hostess at Bridge.

Mrs. T. L. Lollar was hostess to the Tuesday Afternoon Bridge Club at its regular meeting this week. Her house was decorated with lovely dahlias for the party, and she passed a lovely plate to those present at the tea hour.

BULLDOGS NOT TOUGH ENOUGH TO HALT TIGER

Locals Stop Loraine Passing Attack And Drift to 14-6 Win Under Lights Monday Night.

Playing smart football except for a lapse in the second period, Snyder Tigers Monday night maintained their perfect percentage in District 6-B by whipping Loraine Bulldogs on the local lighted field, 14-6. Following their seasonal custom of scoring early and then letting up, the Tigers took the lead in the opening quarter after an exchange of punts. Morrow making the tally on a sweeping end run of 19 yards. Boren converted from placement, as he did after the second touchdown. Loraine came back in the second stanza with a 40-yard pass, James to Walker, and a 12-yard pass for a score, James to Simmons. An attempted plunge for point failed by two feet.

Running Game Improves.
The Tiger running game showed its best form of the year against one of the best lines the squad has met. Morrow and Head were standouts. Head looking best when he went off-tackle eight yards for the second touchdown in the third quarter. Smith punted better than usual, and romped 40 yards with one punt return, evading all except one Loraine tackler.

In the line, the boys again showed up well, Loraine failing to make a first down by this route. Fast charging of James, expert passer, cramped the visitors' passing considerably, and the Bulldogs were thrown for repeated losses on attempted running plays. The backfield was lax in its pass defense, letting the two Loraine heaves go for a touchdown in the second quarter because of poor judgment. After that, however, the air attack flunked out, three passes being intercepted and no other passes carrying the ball inside the Loraine 30-yard line.

First Downs 9 to 6.
First downs were 9 to 6, but they do not tell the story of Tiger superiority. The locals made three excursions inside the Loraine 10-yard line in addition to their touchdown jaunts. The first preceded their initial touchdown, when a Bulldog punt was blocked. The second, just before the second marker, was made on straight line plays, and the third was near the close of the tilt. Loraine held for four downs each time.

The last threat came when Snyder completed a 20-yard pass to the 10-yard line, her only completed pass of the melee. Two of her passes were intercepted and two were incomplete.

Near the game's close, after the local touchdown threat, Loraine made two first downs on 15-yard penalties for Snyder—the only penalties of the game. As the whistle blew, Loraine completed a pass for 12 yards to mid-field.

James Stands Out.
James was everything for Loraine, including quarterback, kicker, passer and principal punter. He completed several passes after he was apparently smothered by the Tiger line, and he punted several times from amid a swarm of would-be tacklers. In the line, Compton at guard was a standout.

Loraine passed 13 times for 104 yards on 7 completions, having three intercepted and three incomplete. Snyder passed 5 times for 20 yards on one completion; two were intercepted and two incomplete.

WELFARE UNIT FOR CHILDREN TO BE FORMED

P. T. A., Ingleside and Alpha Clubs Ask Other Organizations to Friday Meeting.

The Ingleside and Alpha study clubs for women and the Parent-Teacher Association are taking the lead in organization of a local welfare unit, whose chief purpose will be to feed and clothe unfortunate children of the community.

These three organizations have invited several other clubs and civic groups to join them at 9:30 o'clock Friday morning, in the district court room, to perfect a unit that will care for under-privileged kiddies at all times.

At that time and place, officers will be elected, and plans for a community-wide set-up will be discussed.

It is proposed that the organization be strictly local, with no outside affiliations of any kind. The women who are sponsoring the unit think the task will be large enough if it is confined to Snyder.

Each of the following organizations has been invited to send a representative to the Friday morning meeting: City of Snyder, Snyder volunteer fire department, Lions Club, churches, and seven women's study clubs aside from the sponsoring groups.

NOTICE!

The Snyder Independent School District has made every effort to keep tax valuations at the lowest value possible and operate our schools on a high standard. Only through the cooperation of the tax payers of this district, in the prompt payment of their taxes, will we be able to maintain these low values.

We are very desirous of running the Snyder Schools on a cash basis—and we will need good tax collections during the months of October, November and December to be able to stay on a cash basis.

If it is convenient for you to do so, I assure you that paying your 1936 taxes early will be sincerely appreciated.

Why Roosevelt Will Win.

If you are honest with yourself and if you have followed the presidential campaign from week to week, you have surely come to the conclusion that Roosevelt will win with comparative ease.

The Times believes in Roosevelt and will continue to support him for three major reasons—reasons that completely overshadow Rooseveltian doings of which we disapprove. They are:

1.—He has helped the farmer—and his is the only administration in the history of the country that has gone out of its way to help the tiller of the soil... except as a matter of political expediency. Regardless of what may be said concerning the long-run wisdom of some of the New Deal farm legislation, no one can gainsay that the average farmer has been helped definitely and thoroughly.

2.—He has helped the down-and-outter. Who ever heard of an administration before that considered the working man more highly than the white-collar man? And when the working man is helped, the entire country is helped.

3.—The Republicans have nothing very sound or very definite to offer. The lines are pretty definitely drawn in political principles this year. As we see it, the Democrats offer progress; the Republicans, stand-patism.

Because the majority of voters follow this same line of reasoning, or something akin to it, Roosevelt will win next Tuesday. The Republicans will just have to sit on the outside looking in for another four years.

Editorial of the Week.

WHAT A LIBRARY DOES FOR A TOWN—

1.—Completes its educational equipment, carrying on and giving permanent value to the work of the schools.

2.—Gives the children of all classes a chance to know and love the best in literature. Without a public library such a chance is limited to the very few.

3.—Minimizes the sale and reading of vicious literature in the community, thus promoting mental and moral health.

4.—Effects a saving in money to every reader in the community. Through the library every reader in the town can secure at a given cost from 100 to 1,000 times the material for reading or study that he could secure by acting individually.

5.—Adds to the material value of property. Real estate agents in the suburbs of large cities never fail to advertise the presence of a library, if there be one, as giving added value to the lots or houses they have for sale.

6.—Appealing to all classes, sects and degrees of intelligence, it is a strong unifying factor in the life of a town.—New York Libraries.

SNOBBISSNESS

SnobbiSSness is one of the clearest symptoms of the inferiority complex. A snob is a slave at heart who looks down on those he considers his inferiors because he is so impressed by and desires to impress his superiors. Snobbish people are apt to be overbearing and supercilious, looking at you over their lorgnettes or monocle, and giving you the uncanny feeling that you are a mere worm in their eyes.

The trait of conceit is frequently coupled with snobbishness. Offhand, one might say that surely a person who has too high an opinion of himself cannot be regarded as subject to the inferiority complex, but rather as possessed of a superiority complex; but the alleged superiority complex is only the inferiority complex turned inside out. Conceited people lack insight in that they cannot appreciate the worth of others and so they over-estimate their own qualities beyond all proportion.

A real lady is never a snob, neither is the man who is truly a gentleman. As a rule, the finer the background people have, the more simple and genuine are their manners. The reason some men and women act snobbishly is usually because they have a fear that they will lose caste by friendliness with those whom they falsely consider below them socially. This fear is the sign of their own inferiority feeling.

The ingredients that the snob should take would be a little independence of judgment, a grain of understanding, a pinch of sympathy—not in the sense of pity, however—and a feeling in general that snobbishness is a form of arrogance which can immediately be seen through and punctured by those who come in contact with it.—Clipped by a Times Reader.

One "Issue" Is Fading.

While The Times holds no love for Jim Farley, some of whose antics in behalf of the Democrats have not been praiseworthy, we doubt that a more insidious campaign spook has been concocted than the claim that Roosevelt is a "Red." The mere fact that such national figures from Texas as Sheppard, Connally, Patman, Rayburn, Buchanan, Jesse Jones, Garner and our own George Mahon should give their unqualified support of Roosevelt casts folly on the propaganda. In latter campaign days, the "Red" issue has been less-pressed by the Republicans, for they seem to have sensed that their cries have not taken with John Q. Public.

Study the Amendments.

Almost any one of the six state amendments on which we will ballot Tuesday will affect the state more than the election or defeat of any public official. Yet we generally look upon the amendments as secondary—and, sad to say, we usually vote accordingly. That is, we either do not vote at all or we vote blindly on snap judgment. Wise study of these six proposed amendments will help make for wise government.

Disrupted Spain.

If those Spanish grandees don't settle their differences pretty soon Americans might take their romantic tunes of Madrid and Castilian points with many grains of salt. In the fierceness of the battle, both sides have evidently forgotten that Spanish romance must be protected, for several pictures of buxom misses holding rifles in smiling poise have come from Spanish shores to American newspapers.—Scurry County Times.

The Spanish lady called La Passionara has beguiled some of her young lady compatriots into deeds of derring-do. La Passionara is an anarchist, Communist or whatever you have. She makes fiery speeches and goes to the battle front, or not far from it. It appears that she likes stirring times, and has done her part toward stirring up civil war in Spain. She is not the Spanish senorita of song and story. If any gay caballero presumed to strum a guitar and sing a love song under her window the chance is that she would pour boiling water on him. The wild men and women of Spanish politics are responsible for the Fascist government soon to be set up at Madrid. They deposed their bewildered king, erected a so-called republic, changed the republic into a mob and then ran amuck. Now they have come to grief, and a dictator is coming to rule them. The happy days are gone from Spain, and may be a long time in returning.—State Press in The Dallas News.

Current Comment.

BY LEON GUINN.

When that grand old scholar of the Bible, the late Prof. Richard G. Moulton, uttered the truism "there is yet one thing left to do with the Bible; simply to read it," he reviewed reverently the monumental work of our modern Greek students who had spent years modernizing the Scriptures into the American Standard Version, which deletes the occasional obsolete spelling of the King James version, brings up to date textual paragraphs.

The Bible for 400 years has been the world's best seller in literature, and in this good year 1936 one finds this divine book of God still holding its unquestioned lead as the one masterpiece of the printed word. . . . The latest edition of the Bible, which is on sale this week (Simon & Schuster, \$3.75) is perhaps one of the greatest surprises to Scripture scholars, in that it clothes "the sweetest story ever told" in a distinguished new dress; is dedicated to "literary appreciation, rather than theological doctrine."

Edited by Ernest Sutherland Bates, who is a beloved Bible scholar, the Simon & Schuster edition is bound in maroon covers with easy to read 14-point Deedene type, retains the King James version with the exceptions of Ecclesiastes, Job, Proverbs and the Song of Songs, which follow the "revised version." . . . In this odd blend of the old and new, theologians will no doubt find room for argument, since many believe the King James version should not be altered at all.

Since the first English Bible was printed in 1535, learned men of Biblical history have felt the need of modernizing the inspired guidebook of the world. . . . The King James version was the first and most noted attempt "to insure purity of text, once and for all give a concise translation of the original Greek version." . . . Although all agree "the deathless words of the Scriptures should be altered," it seems certain the revised version of the Bible will be destined to take the place of the King James version as time goes on in its changing cycles. . . . So long as men are devoting their lives to interpreting the Scriptures more plainly for the needs of today, there will continue to be vastly more sunlight than shadows in our changing world.

After the church and the school, the free public library is the most effective influence for good in America. The moral, mental and material benefits to be derived from a carefully selected collection of good books, free for the use of all the people, cannot be over-estimated. No community can afford to be without a library.—Theodore Roosevelt.

New Uses for Cotton.

A. B. Conner, director of the Texas agricultural experiment station, believes cotton will continue to lose ground until more uses are found for the staple. In pigs they use everything but the squeal. Henry Ford uses soybeans for many parts of his cars. Corn is used for dozens of articles in everyday use. But cotton—who can name a widely used manufactured product that uses cotton, aside from cloth and automobile tires? A Texas miller who spent thousands of dollars in perfecting cotton flour could not get his product to first base, yet the flour was tasty and nourishing. Mr. Conner said a mouthful.

Mitchell-Scurry Association Will Meet November 2

Regular monthly workers' conference of the Mitchell-Scurry Association will be the first Tuesday in November, according to programs printed this week. The meeting has been moved up because of the state convention at the regular time, second Tuesday.

"His Kingdom Work" is to be the theme, says Rev. Walter Dever, The Baptist Church at Champion will be host.

H. B. Naylor of the host church will lead the devotional at 10:00 a. m. Rev. Lawrence Hays, local pastor, will speak at 10:15 on "Hundred Thousand Club." H. L. Wren of Snyder, district laymen's leader, will talk at 10:45 on "The Layman's Place." Final subject on the morning program will be "God's Plan of Financing," given by Rev. P. D. O'Brien of Colorado.

After lunch, W. M. U. and board meetings will be held. "The Woman's Place" will be the subject of Mrs. Clyde Childress, wife of the new pastor at Westbrook. "The Baptist Program" will be discussed by Rev. J. J. Strickland of Big Spring, new district missionary.

Carlton to Fort Bliss.

Albert B. Carlton, son of Mr. and Mrs. W. B. Carlton, left Wednesday, returning to the Fort Bliss army camp, where he has been stationed the past year and a half, after a month's furlough. Carlton has been greeting old friends here as well as visiting with his parents.

TAKING THE PUNCH OUT OF IT

Sheila, the Mystery Woman, Is Featured

Sheila, the mystery woman, who sees all, knows all, is being heralded as the main attraction at the Ira Hallow'en carnival Friday night, at the school gymnasium.

Other attractions promised patrons include a cowgirl chorus, colored minstrel and a mysterious one-act play, besides all those weird sideshows. It will be the night of all nights, when spooks and ha'nis, black cats and witches reign.

The Ira P.-T. A., which sponsors the event, invites friends to attend the carnival. They request Scurry County folks of successful carnivals held before, and promise them even greater variety of entertainment this year. The fun begins at dusk!

Locals at Tech Game.

Among local people attending the Tech-Centenary football game played at Tech Stadium, Lubbock, Saturday night were the following: Bud Boren, Nathan Rosenberg, Mr. and Mrs. Andy Jones, Mr. and Mrs. Glen W. Berry, Margaret Deakins, Ruby Lee, Mr. and Mrs. E. O. Wedgeworth, Allene Curry, Mr. and Mrs. W. C. Hollis, Margaret Williams, Dorothy Strayhorn, Margaret Henderson.

McCarters Visit Friends.

E. H. McCarter Jr., former principal of schools at Phuvanna and later superintendent at Hermleigh, and Mrs. McCarter of Henderson are visiting with relatives and friends in the county. Mrs. McCarter, the former Miss Vera Slavey, also taught in this section. The former Scurry County school man is now in civil service work at Henderson.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. . . . We have used Theodor's Black-Draught for 31 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

Reductions Will Feature Dodges Of 1937 Vintage

Prices of the new 1937 Dodge cars, involving a number of reductions and the furnishing of safety glass at no extra cost, were today announced by the Dodge division of Chrysler Corporation. Scurry County Motor Company has the new Dodges—and Plymouths—on display. As in former seasons, the base price of the line is that of the business coupe, which lists at \$640, followed by the rumble seat coupe at \$695. There are two 2-door sedan models, one equipped with tire and luggage compartment in the rear section of the body and quoted at \$705, the other with built-in touring trunk, listing at \$715. The 4-door sedan type also appears in two versions, one with rear tire and luggage compartment, at \$743, the other with built-in trunk at \$755.

In a communication addressed to the Dodge field organization, general sales manager A. vanDerZee cites remarkable attendance records made during the first week in

which the new Dodge models were shown by dealers throughout the country. In Detroit alone, Dodge dealers' showrooms were visited by 50,139 persons during the first six days when prices—announced at that time—were no part of the attraction.

Reports from other sections, quoted by Mr. vanDerZee, indicate such rise in general new-car consciousness as promises to give the forthcoming automobile shows the greatest attendance they have had in many years.

Millions Will Want to Switch to Amazing New Car

Brilliant New 1937 Dodge Captures Spotlight at Sensational New York Preview!

DOROTHY WRIGHT and RENE BELLINGER
"Such smart, racy, beautiful lines," says Dorothy Wright of New York's younger social set... "Such luxurious interiors... you just can't blame anybody for wanting to switch to Dodge!"... And her escort, Rene Bellinger, agrees with her... "I'll venture to say that hundreds of thousands will want to switch to this remarkable 1937 Dodge... it's a honey!"

MR. AND MRS. ROBERT CATON PALMER
"I'll bet literally thousands upon thousands... will turn to Dodge as soon as they see this amazing new edition," exclaims the charming Mrs. Palmer... And her husband adds, "This new Dodge is certainly an eye-fu... I, too, predict that thousands and thousands will want to switch to it."

Scoring with one sensational new feature after another... combining brilliant new "windstream" beauty with record-breaking economy... the new 1937 Dodge is everywhere hailed as the hit car of the year... the car that "millions will want to switch to" in the opinion of those who have seen this greatest money-saving Dodge of them all!

Sermon subject for the morning worship service at 11:00 o'clock will be "Family Worship." At that time a gift of a little book of daily devotions will be made to each family represented. Subject for the evening sermon at 7:30 will be "Faith of a Fugitive."

Attention at present is centered upon the teacher training institute which is to commence on November 3. Practically all of the teachers and leaders in the church have already signed up for some one of the five courses offered, and indications are that the institute will be the means of improving the grade of work carried on in the various church agencies.

Having climaxed their project of a rock collection with an instructive trip to Texas Technological College, the Pioneer Boys have commenced a new sort of work in the handicraft period of their weekly meeting at 4:15 o'clock each Monday afternoon. They are studying the why and how of photography and picture developing and printing. There is still time for new members to get into the club in time to make this new study. First Methodist Church

We extend a cordial invitation to the American Legion and the Legion Auxiliary to be our guests in a patriotic service next Sunday evening. Because of the annual conference session, we will not have preaching services in our church November 8. For that reason we are observing Armistice one week in advance.

The Legion and Auxiliary have cooperated with us in a very generous way during the year. We want to show our appreciation by honoring them in this special service.

As we close the conference year, we are profoundly grateful to the Methodist Church for the consecration and zeal of her members, to the other churches of Snyder for the spirit of brotherhood and fellowship, to the public generally for friendship and encouragement, and to the Scurry County Times for liberal donations of space.

We had more rain and cold weather the latter part of last week. The roads have been almost impassable. Sleet was reported Sunday night.

Charley and Linnie Fae Tate spent last Tuesday night with Ira friends.

Geraldine Hardee visited in the Tate home Wednesday night.

Two farmers were practicing with a rifle. The first farmer pointed to a cow some 50 feet away.

"See that fly on the cow's back," he said. "Wal, I'll bet I kin knock that fly clean off."

"Get to show me, Ezra," cried the other farmer. "I'm from Missouri."

Ezra lifted the gun, took careful aim, and fired. The other farmer started to tear his hair. "You dang-ed fool," he shouted, "you didn't kill the fly—you kill my cow!"

Ezra put down his rifle.

"Wal," he drawled, "that was only my fust shot!"

Mother—"When that naughty boy threw stones at you, why did you not come and tell me, instead of throwing them back at him?"

Junior—"What good would it do to tell you? You couldn't hit the side of a barn."

YOUNG FOLKS

Listen, boys and girls, here's something you will be interested in: Today my secretary came to my private office and informed me that a good-looking young lady wished to see me. Without stuttering, I said, "Show her in."

She did, and to my pleasant surprise she was one of my former students all dressed up and as happy and prosperous looking as could be. I said to her, "How are you getting along with your position?" She replied, "Just fine, I am doing both the bookkeeping and shorthand work. I am now answering much of the correspondence myself and my boss thinks I'm a wonder at it."

I then inquired if they had advanced her salary and she said, "Yes, several times. I am now drawing a better salary than I ever anticipated I would. I just think your school is wonderful and your training is so thorough and practical—I'm surely a Byrnie booster."

In about three hours a young man that I had recommended to a responsible position walked in to thank me for the way I assisted him in landing a good position. He said, "They told him they would try him for two weeks and if he made good they would keep him, otherwise they would pay him off, but in a few days more payday rolled around and instead of getting fired he received a ten dollar raise."

Thorough business training paid this young man and woman and it will pay any Byrnie student who will study, work and try to make good. We could tell you the happy experience of many a boy or girl who has recently graduated in Byrnie College.

Young friend, if you are ambitious to make good and be somebody worth while, fill in your name and address and mail for free literature.

What Is Success?

Success is speaking words of praise. In cheering other people's ways. In doing just the best you can. With every task and every plan. It's silence when your speech would hurt. Politeness when your neighbor's curt. It's deafness when the scandal flows. And sympathy with other's woes. It's loyalty when duty calls. It's courage when disaster falls. It's patience when the hours are long.

It's found in laughter and in song. It's in the silent time of prayer. In happiness and in despair. In all of life and nothing less. We find the thing we call success. —Author Unknown.

"Now," said the teacher, "give me a definition of space."

"Space," began a student, flustered and red, "is where there is nothing. I can't explain it exactly, but I have it in my head."

OIL-PLATING DONE HERE CONOCO GERM PROCESSED OIL (BUT BE SURE YOU READ ALL THE OTHER WINTER OIL ADS, TOO) You will find most of the emphasis these days, on oil that flows freely. Well and good. You SHOULD use your correct Winter grade, but... You can see that the more freely any oil flows, the more freely it FLOWS DOWN OFF the pistons, cylinders, and other parts when you stop. Then in starting up cold, where is mere free-flowing oil? It is waiting to be pumped up on the job. And even in much warmer weather than this—according to engineering opinion—those oil-starved waits can cost you more engine wear than all the rest of your driving! But this Winter with free-flowing Germ Processed oil, you can have your engine Oil-Plated! ... much more than a change to OUR Conoco Germ Processed oil... really a change to unbroken Winter lubrication for YOUR engine. It may stand cold for hours—days—weeks. Yet the slippery Oil-Plating formed only by patented Germ Processed oil, will always be UP IN ADVANCE. Pistons slip easy. Starter spins. Oil-Plated engine obliges—and lives the good life, on a stingy diet of Conoco Germ Processed oil. Continental Oil Company

Nine farmers terraced 1,097 acres of land in Precinct 2, Crosby County, during August. County Agricultural Agent R. W. Howe estimates that the work was done at a cost of 32 cents per acre with the use of the county grader secured by the cooperation of the county commissioner. Howe supervised the terracing of 500 other acres without the use of the county equipment, and reports the cost a little less per acre, but the terraces not quite so good as where the heavy county equipment was used.

125 STUDENTS, SPONSORS MAY GO TO DALLAS

School Children, Teachers, Parents And Others to Board Special Wednesday Night.

At least 125 students, teachers, parents and other Scurry County folks will board a special train—Centennial bound—on Wednesday night, November 4, report city and county school authorities.

Reports indicate that between 50 and 60 of this number will come from Snyder and the remainder from other school districts of the county.

While the special trip is designed primarily for school children, their teachers and parents, the special round trip of \$3 to Dallas may be applied to any person who wishes a ticket, Santa Fe officials point out.

Half Price at Dallas. Student groups directly under the care of a sponsor at the Dallas Centennial get one-half the regular gate rate and also one-half price for Centennial shows and concessions.

Adequate and comfortable quarters will be provided for the trippers at 55 cents each per night, according to the director of the school division of the Centennial. The rate of 40 cents for space in tents no longer applies because cold weather has forced abandonment of the tents.

The special rate of \$3 for the round trip applies to persons of all ages. It represents one-half cent per mile for the entire trip. Baggage will be checked at the Centennial grounds and delivered to and from lodging places.

Return Early Saturday. Scurry County trippers will return to Snyder about 6:30 o'clock Saturday morning, November 7. Santa Fe officials say the group will leave here at midnight Wednesday unless the group from this county is considerably increased. In case of a heavy increase, the county group will leave on a special train about 9:00 or 10:00 p. m. Wednesday.

Scurry trippers will be especially honored at the Centennial on November 5 and 6—Thursday and Friday—along with other counties of the Abilene district of the State Department of Education, of which Miss Madge Stanford is deputy superintendent. Miss Stanford will be in general charge of the train.

Few Absentees Will Vote Next Tuesday

Only 11 absentee votes had been filed with Mrs. Mattie B. Trimble, county clerk, Tuesday afternoon, and only three or four ballots were in the mails.

These figures indicate that the total absentee vote in next Tuesday's election will probably run not more than 25 to 30. Lack of election interest plus the fact that eligible voters are out of the county at this season are major reasons for the light absentee vote, thinks Mrs. Trimble.

Locals Learn of Finest Chevrolet In Long History

The finest Chevrolets in the company's quarter-century of automobile manufacture will make their bow here and throughout the country on Saturday, November 7, D. P. Yoder of the Yoder Chevrolet Company announced this week.

Two Yoder employees, Waymond Sims and Frank Stevenson, have just returned from a Dallas, confab, where 1,000 dealers and salesmen from this section obtained official news of the new product from H. C. Howard, manager of the Dallas zone, and members of his staff.

Howard has just returned from Detroit, where 1,000 members of Chevrolet's wholesale organization from coast to coast spent four days inspecting and driving the new car and reviewing with factory executives the program to be followed in presenting it.

The new models adhere closely to time-tried Chevrolet engineering principles, he reported, but combine greater power, economy, safety and durability with striking new beauty and grace.

M. E. Coyle, president and general manager of Chevrolet, announced during the convention that the company had shattered all previous records during 1936, selling more cars and more trucks than in any previous year in its history, and leading the world in sales for the seventh time in the last 10 years. The total for the year will exceed 1,125,000 units, he said, and the objective for 1937 is 1,200,000.

form of organization, the hospital should function primarily in the interests of the sick and injured of the community.

2. Staff. This constitutes the most important essential. The staff should be organized and composed of regular physicians who are properly qualified as to training, licensure and ethical standing.

3. Nurses. A competent nursing staff should be provided by employing an adequate number of registered nurses who are graduates of schools of nursing recognized by the state board of nurse examiners, or by maintaining such a school.

4. Records. An adequate record system should be maintained. Monthly and annual analyses of hospital service should be made in order that the staff may be in a position to improve its service.

5. Pharmacy. The handling of drugs should be adequately supervised and should comply with state laws.

6. Pathology. All tissues removed in the operating room should be examined, described and diagnosed by a competent pathologist excepting tissues, such as tonsils and teeth, in which the pathological changes are quite obvious.

7. Radiology. The hospital should provide or have ready access to radiologic equipment and service.

8. Ethics. In order that a hospital may be eligible for registration it will, of course, be expected that the staff and management conform to the principles of medical ethics of the American Medical Association with regard to advertising, commissions, division of fees, secret remedies, extravagant claims, over-commercialization and in all other respects.

Fluvanna Teachers To Present Comedy

Fluvanna teachers will be presented in "Page Asa Bunker," a comedy in three acts, in the Fluvanna auditorium Friday evening at 7:45 o'clock.

A roaring comedy, the performance promises to be one of the best of the year. "Plenty of good vaudeville numbers will be offered between acts," says Superintendent E. O. Wedgworth, "in addition to one of the best comedies you have seen."

The curtain will open promptly at 7:45 p. m. Proceeds will go to the school activities program for the year. Popular admission prices will prevail.

Mr. and Mrs. G. B. Clark Sr. and daughter, Clara Belle, left Wednesday for a visit in Dallas. They were accompanied to Fort Worth by Mrs. A. P. Morris, who is a guest of relatives there.

Keep Old Eyes Young WITH BETTER LIGHT!

Children's eyes are usually near perfect, but eyes age rapidly when subjected to unusual strain, such as is caused by improper lighting. Better Light protects both young eyes and old from unnecessary strain, and makes seeing easier.

Visit our store or your electrical dealer and see the new I. E. S. Better Light Lamps which are scientifically designed to provide the right kind of soft, glareless light.

Be sure to look for the authorized certification tag on the lamps you buy. It isn't an I. E. S. Better Light Lamp if it doesn't have this tag.
