PLANS PUSHED TO HELP FEED LOCAL KIDDIES

Two Womanless Weddings Feature Entertainment at Gym Friday Night, December 4.

Plans of the Community Child Welfare Unit for staging a varied entertainment for the benefit of under-privileged kiddies are being rounded out this week by a dozen or more cooperating groups.

Two womanless weddings will be features of the benefit program, which will be staged in the school gym on the night of Friday, December 4, beginning at 7:30 o'clock. Members of the fire department will be members of a wedding group representing "The Gay Nineties," and Lions Club members will be characters in a modern wedding.

General arrangements for the entertainment are in charge of the Altruistic Daughters Club.

Assortment of Fun. The evening's two-hour assortment of fun and music will include: Tiger Band concert; girls' physical education drill, directed by Miss Wanda Newson; ex-service men's drill, directed by Captain John E. Sentell; sing-song of war tunes; and, of course, the two elaborate weddings, with the men dressed in women's clothing.

DONATIONS

These donations, received by the Community Child Welfare Unit since last week's report, bring total collections to \$37.75: Legion Auxiliary \$5.00 Altruistic Club 5.00 Cresnet Junior Club 5.00 Charles Rosenberg 2.50 These cash donations are in addition to \$7.12 collected by the Legion Auxiliary for its milk fund during the past week—by way of the bottles placed in local stores. Some milk is also being donated. Auxiliary members ask The Times to thank business men for permitting them to place the bottles in their stores. Donors are requested to continue putting pennies, nickels and dimes in the bottles.

Since ex-service men will wear American Legion caps in the program, buddies who have caps are requested to get in touch with either Captain Sentell or Legion Commander Hal A. Lattimore.

A strenuous publicity and ticket selling campaign is to be waged next week in connection with completion of plans for one of the most community-wide charity events ever staged in Snyder.

Meeting Last Friday. Meeting in regular weekly session Friday morning at 9:30 o'clock, the unit was represented by seven organizations and by Mrs. Ethel Hall, area relief case worker. Representatives of women's organizations reported that much clothing had been gathered, cleaned and repaired.

Hadley Reeve, grammar school principal, said much of the clothing

Town Expected to Be Quiet Thursday

With the bulk of its population down at Colorado to cheer the Tigers in their last game of the season, Snyder is expected to be practically dead all day Thanksgiving. Two other grid games—Hermleigh at Lorraine and Fluvanna at Dunn—are also on the football calendar for the afternoon. All business houses, with the exception of the regular "Sunday" openings, are closed to the public, including post office and bank. Schools turned out Tuesday afternoon, to open Monday.

Negro Dice Game Ends In Killing; Slayer Vamooses

No trace of Cordell Campbell, 24, charged with murder in connection with the fatal shooting of Haskell Cornelius, 25, in the negro section of Snyder early Saturday morning, has been found, officers said this morning.

Four shots were fired into the head and body of Cornelius as he and Campbell came to blows during an argument over a dice game, other negroes who witnessed the affair told officers. The fight and shooting was in a cafe said to have been leased by Campbell from Will Clay. Cornelius had been here less than a month. Campbell had resided here for several years.

A negro woman who lives in the small house adjoining the cafe told officers that Campbell came into the building shortly after the shooting, told her he had killed Cornelius, ejected black shells from the .38 calibre gun he carried, reloaded the gun, and hurriedly left without telling her where he was going.

Will Clay, Anderson Davis, Bill Williams and Martha Holland, all negroes, were arrested after the shooting on charges of operating an alleged gambling house. They were placed in the county jail until Monday, when they were released because of lack of evidence after an examining trial before P. E. Davenport, justice of the peace.

The body of Cornelius was prepared for burial by Odom Funeral Home and sent by train to Dallas Saturday night.

Pie Supper Is Slated For Canyon School

Canyon school will sponsor a pie supper to be held at the school house Thursday night, December 3. People of the community and their friends from other communities are given a cordial invitation to attend. Proceeds will go for playground equipment.

In charge of the affair will be the teachers—Mr. and Mrs. E. L. Goolsby, Mrs. Curtis Mosely and Miss Evelyn Worley. Women and girls are asked to bring pies, and men will bid on them.

Old-Timers to Snyder. Mr. and Mrs. E. L. Sewall, Fluvanna residents for 39 years, moved to West Snyder this week, along with Mrs. F. P. Patterson, Mrs. Sewall's sister.

MANY WAITING FOR NEW WORK SOUTH OF CITY

Solving of Major Unemployment Problem Seen in Improvement Of Highway 101.

A check by The Times of all available sources of information brings out the opinion that the unemployment problem in Scurry County this winter—acute in recent years after most of the cotton is out—would be largely solved by immediate starting of work on State Highway No. 101.

The task of securing right-of-way for the improved road is being taken in hand by the Commissioners Court, who hope to complete this work shortly. Members of the court believe there will be no hitch in securing right-of-way when landowners learn what the construction means not only to their property but to the relief of county unemployment.

A fully approved routing for the new road, extending from the Mitchell County line, through Dunn, to the intersection with Highway 7 and Highway 15 southeast of town, is in the hands of the Commissioners Court. Most of the route follows the present road.

Mitchell County's section of the road, on which work has been progressing for many months, was officially completed last week, with the exception of topping. The road is as smooth as pavement, and shortens the distance to Colorado by more than one mile.

County Numbers To Be Heard In Amateur Contest

Two Scurry County numbers are to be heard on the fourth and final amateur contest at Sweetwater Saturday night, it has been announced by the Sweetwater board of city development, sponsoring organization. The Misses Juanita and Jettie D. Elkins of Dermott are to appear in a vocal duet, and L. D. Harrison and Roy Lee Merket of near Snyder are to appear again in a vocal duet with guitar accompaniment.

The Elkins sisters are students in the Fluvanna school and are members of the school choral club. Harrison and Merket entered the contest on October 31 and drew much favorable comment on their duet. They entered the last contest this Saturday night by request of a number of Sweetwater people.

Winners of the third and fourth contest are to take part in a 30-minute broadcast from station KRBC at Abilene on December 3. From the six, two are to be selected for an all-expense trip to Dallas and a 15-minute broadcast from station WFAA. Two were named for the Dallas trip from the KRBC broadcast on November 5. The Sweetwater board of city development is paying expenses of the four to take part in the Dallas broadcast, which is tentatively scheduled for 5:00 p. m. Saturday, December 12.

Some 20 contesting numbers are to be heard in the final contest at Sweetwater Saturday night, which begins promptly at 7:30 o'clock, with doors opening at 6:45. More than 30 business concerns in the Nolan County city are cooperating in the amateur contests by giving admission tickets to non-residents of Sweetwater.

Baptists to Abilene For BTU Sessions

Fifteen or 20 members of the First Baptist Church will be in Abilene for all or a part of the three-day annual state Baptist Training Union convention that opens Thursday morning.

The group includes four winners from the local church in District 8 contests: Virginia Huffman, beginner; Billie Huffman and Bobby Hays, primary; Evelyn Clark, junior.

YOUNG PEOPLE TO MEET HERE

The Presbyterian young people of Snyder will be hosts next Sunday afternoon and evening to the young people from all this presbytery. There will be a session of the district organization, which is called the fifth Sunday meeting of Presbyterian young people, at 3:30 p. m. and another at 7:30.

The program in the afternoon will consist of short talks by the representatives from various towns, special musical numbers and group singing. The evening session will consist of a short worship service and a play entitled "A Dream of Youth," which will be presented by Snyder young people.

The public is cordially invited to attend these sessions and enjoy the fellowship and inspiration of this gathering of youth, say church leaders.

Recently Celebrated Anniversary

Mr. and Mrs. G. L. Autry of Snyder recently celebrated their fiftieth wedding anniversary. They have resided in Scurry County

all except two years of their married life. Four of their six children helped the elderly couple celebrate at their home here.

WINTER COURT TERM MONDAY

Winter term of district court opens Monday morning, with Judge A. S. Mauley of Sweetwater on the bench.

No cases of wide interest face the court. J. W. Bowman, arrested recently at Artesia, New Mexico, is in the county jail awaiting hearing on four charges of forgery. Ethel Scott, recently sent to the state penitentiary from Anson and Eastland, faces four forgery charges here. A. F. Tankersley of Roby, released on bond, faces a swindling charge, and two Lorraine youths are to face charges of driving while intoxicated.

Following is the grand jury panel: J. A. Staveley, Frank Watz, R. J. Randalls, Arlis Haynes, A. A. McMillan, O. J. Richardson, L. T. Stinson, J. E. Falls, W. C. Davidson, Dave Z. Hess, Joe Graham, P. A. McNamee, H. E. Greenfield, W. A. Perry, J. B. Coston and L. S. Murphy.

Burt Home Burned To Ground Monday

The G. L. Burt home in North Snyder was burned to the ground in a fire of unknown origin that was first discovered at 6:00 o'clock Monday morning. Flames enveloped the building before the fire alarm was turned in, said neighbors.

Burt was alone in the house. He was slightly burned as he rushed from the structure after flames had gained a foothold. He drove his car, parked beside the house, to safety. Insurance was carried on the house and furniture.

A gasoline stove caused a fire in the Crockett Davis place just outside the city limits, West Snyder, early Monday evening. It was put out without serious damage. An alarm was sounded Wednesday noon when an oil stove exploded in a residence near the Ely, Arnold & Ely Gin, but flames were extinguished without the aid of firemen.

SEEK TO RAISE PARTY BUDGET

Although Texas raised her quota for the Democratic party, Scurry County fell far short of her allocation of \$618, reports Tom Garrard, Tahoka, district chairman. County contributions to date are \$66.

County Chairman A. C. Preuit joins other party leaders in requesting that those who want to help wipe out the party deficit contribute liberally to the fund. The national committee is in debt approximately \$500,000, and it has asked Texas to put up \$50,000 or 10 per cent.

"The state and national organizations thought that the counties falling short would want to help meet this debt, now that the election is over," writes Garrard.

Pyron Planning to Enter Tournaments

Pyron's basketball team have four tournaments just ahead of them: Girls to Blackwell December 5, and to Divide December 11 and 12; boys to Colorado December 4 and 5, and to Ira December 11 and 12.

A long-drawn-out tie game was played by the girls against Dunn last week. A few days earlier, the Eagles won from Graham's Chapel, 18 to 11, and the boys from the same school, 26 to 14.

W. E. Moore Here To Aid Pensioners

W. E. Moore came to Snyder late last week to assist old people in Scurry and Kent Counties with their applications and other dealings in connection with the Texas Old Age Assistance Commission. He comes from Eastland County. He will probably be located here permanently.

Within a few days he expects to announce a definite schedule to be followed in assisting pension applicants.

CATHOLICS OF HERMLEIGH TO BUILD CHURCH

Catholics of Hermleigh and adjoining communities, in the midst of a church building program, raised \$121.16 Sunday afternoon in a "white elephant" sale at the German school building.

Mrs. H. J. Schulze, president of the Ladies' Society of the Catholic Church, asks The Times to publish this statement:

"In behalf of the society, I take this means of thanking all who gave us their support and donations at our 'white elephant' sale. Especially do we thank the public and business people of Hermleigh, Inadale and Sweetwater."

Proceeds from the sale are being used in building the modern church structure near the site of the old church on the edge of Hermleigh. Light gray brick will be used, and Spanish design will be followed.

Work is already going forward on the building, with members providing much of the labor. Erhard & Wirtz of Amarillo and Abilene, are in charge of construction. More than \$11,000 will be spent on the building alone. Construction is expected to be complete within 60 days.

On To Lubbock! Say Legion Boys Of 19th District

"On to Lubbock!" is the battle cry of American Legion buddies of the 19th District, including members of the Will Layne Post. The annual district convention will be held in the Plains city Saturday and Sunday, December 5 and 6.

Final plans for attendance of county veterans will be made at the regular monthly meeting Thursday night, December 4, says Hal A. Lattimore, commander. Lattimore expects several members of the local post to attend the district meeting. Registration will begin Saturday morning, 10:00 a. m., at Hotel Lubbock, Hotel Hilton and the American Legion Home. "The Liars' Club" will form their detail between 10:00 a. m. and 9:00 p. m., relates the convention program. Hotel Lubbock will be scene of the annual convention dance that night.

A breakfast for commanders, adjutants and service officers will be held at 8:30 a. m. Sunday, and a church service, with the national chaplain in the pulpit, will begin at 11:00 a. m. A luncheon and program will be held at the Hotel Hilton, and the business session will follow at 2:30 p. m. in the Legion hall.

Members of the American Legion Auxiliary will also be entertained during both days of the convention, with a party Saturday afternoon at 4:00 o'clock as the feature.

Bob Weaver, Ralph Ross Have Station

Bob Weaver and Ralph Ross, two old hands at the Snyder service station game, have taken charge of the Gulf Service Station, one block north of the square on the highway. The operators are offering a Saturday-only gasoline special and an eight-day wash and grease special in order to get their station before the public.

Repair work, accessories, tires and tubes, battery service, and, of course, those good Gulf products—are featured by Bob and Ralph, plus jam-up service to motorists.

TWO DAYS FOR LOCAL GINNING

With the bulk of the cotton crop out of the way, Snyder's five gins will shift next week into two ginning days—Wednesday and Saturday.

They are operating this week, the first week during which they have not been ready every day, only on Tuesday, Friday and Saturday. Estimates based on partial ginning returns place total turnout of the county this week at 14,500 bales. Most guessers think the season's final figure will be slightly more than 16,000 bales.

Dear, Dear—No Deer! If anyone learns of a Snyder hunter killing a deer this season, The Times will appreciate getting the good news. So far, only stories of punk shooting, foggy weather and other typical alibies have trickled into this office.

Holiday Lights to Shine December 5

Snyder's hundreds of Christmas lights, which have decorated the business section for two holiday seasons, will be turned on Saturday night, December 5, reports Forest Sears, president of the Chamber of Commerce.

As usual, the lights will be strung from the first tier of the courthouse to each corner of the square. Another set of lights will circle the dome. If cooperation of merchants is sufficient to finance other lights, more streamers will be added. The annual lighting system is made possible by contributions of Snyder merchants.

"We are anxious to add more lights if the merchants really want them," President Sears said yesterday.

Methodists at Ira Greet New Pastor, Rev. C. D. Damron

The Ira Methodist Church last Sunday greeted its new pastor, Rev. C. D. Damron, who filled the pulpit at 11:00 and again at 7:30 o'clock.

In spite of bad weather and sickness, the Sunday school is doing well under its new superintendent, Mrs. E. A. Crowder. The young people's group meets at 6:45 p. m., with Mrs. Ernest Wiggins as president. An average of 12 women attend the regular Monday meeting of the Woman's Missionary Society, of which Mrs. W. C. Birdwell is president.

"Everyone has a special invitation to take part in one and all of these services," writes Mrs. Mabel Webb, reporter for the church. Rev. Damron came to the new charge the previous Sunday, preaching at Dunn, where he resides. He is also pastor at Buford. He has a wife and two sons.

Echols Singers Will Appear at Fluvanna

The Echols singers of Abilene will be presented in a return engagement in the Fluvanna school auditorium Friday night at 7:30 o'clock. Forty per cent of the proceeds will go to Fluvanna schools.

The quartet will offer sacred, semi-classical and popular numbers in song, and comedy will be furnished in song and skit. The group of singers gave a program at Fluvanna last year and were well received then. They have broadcast over radio station KRBC, Abilene.

Flash: Miss Lil Jo Wilson, local beauty shop operator, and Jack Co-well, tailor shop owner, were married early Wednesday night by Rev. Lawrence Hays.

Firemen and Guests Stage Hilarious Thanksgiving Banquet Tuesday Night

Firemen's annual banquet held Tuesday evening at Leath's Cafe was an enjoyable occasion for almost 65 local people. Members of the city council and their wives were special guests for the affair.

Rev. James E. Spivey, pastor of the First Presbyterian Church, was toastmaster. His humorous stories and clever introduction added interest to the program, which was heard following a two-course turkey dinner. Rev. Lawrence Hays, Baptist pastor, gave the invocation.

First on the program was the introduction of city officials, who were honored guests of the evening. The toastmaster presented Mayor H. G. Towle, and he in turn introduced W. J. Ely, Dwight Monroe, G. H. Leath and Willard Jones, councilmen; J. S. Bradbury, city secretary; J. P. Strayhorn, water superintendent; Miss Mary Jane Beall, collector; John Lynch, city marshal; J. G. Galyean and T. J. DeShazo, night-watchmen.

Male Quartet Sings. A male quartet, composed of Lawrence Devers, Emmitt Butts, Jack Patrick and Earl Patrick, with Miss Zuzetuea Patrick accompanying, gave four numbers during the evening, the last two closed the evening's entertainment. Vocal selections were: "We Love Texas," "Down on the South Beach," "I'd Like to Be in Texas," and "Hush! Hush! Somebody's Callin' My Name." Miss Patrick also gave a piano selection.

Pastors of the town spoke briefly—Rev. Hays, Rev. Gordon and Rev. Spivey. Each expressed much pleasure in being invited for the banquet. To outline the activities of firemen for the past year and program for the year ahead, Fire Chief N. W. Autry, W. W. Smith, president of the organization, and Emmitt

WIN OR TIE AT COLORADO TO ASSURE TITLE

At a rehearsing of Roscoe football team's ineligibility case at Sweetwater Tuesday night, all of the Plowboys' district wins this season were thrown out, and their game with Roby this week-end will not count for or against either team, win or lose.

This final decision of the district committee, by a three-to-two vote, definitely gives Snyder the district leadership. If the Tigers win or tie at Colorado this afternoon, they will have the flag clinched. If they lose, they will be tied for the crown with Roby, and the matter would be threshed out by the district committee.

One Man Ineligible. Meeting at Sweetwater last Wednesday night for the first time, the committee ruled that Roscoe, district leader with four wins and no losses, had forfeited all of its conference victories, because of use of an ineligible player in early season games.

The player, G. W. Barnes, who attended Wastalla school last year and did not complete his work, took part only in contests with Sweetwater and Spur, non-conference foes. The committee early in the year took stringent action to prevent participating schools from playing ineligible men in non-conference as well as conference games. Roger A. Burgess, Merkel, is district chairman.

Roscoe Tops List. Roscoe was highly favored to go through the district season undefeated, since she lacked only the Roby hurdle. She had her lightest squeeze last week, when Rotan Yellow Hammers were barely nosed out in a scoring spree, 35 to 26.

If Snyder beats Colorado today, ending all discussion of the district champ, she will meet the winner of the Slaton-Littlefield clash for bi-district honors.

The revised standings: Team— W L T Pct. Snyder 4 0 1 .900 Roby 3 1 1 .700 Rotan 3 2 0 .600 Lorraine 2 2 1 .500 Colorado 2 3 0 .400 Merkel 1 3 1 .300 Roscoe 0 4 0 .000

Fifth Sunday Song Meet at Hermleigh

Hermleigh will be host Sunday to the county's regular fifth Sunday singing. The school building will be used for the gathering. J. L. Vinnyard and Fink Warner, who are making arrangements for the singing, expect a big crowd if the weather remains fair. All singers are invited to come and bring their books.

Scurry County Has Some of Leading WPA Projects In Abilene District

A survey in the Sunday Abilene Reporter-News revealed that Scurry County has some of the leading WPA projects in District 13, which centers in Abilene, with W. S. James as director.

Three of five gymnasiums built or repaired in the district are in Scurry—Snyder, Dunn and Ira. Other major projects are many miles of precinct road improvement, many blocks of streets improved in Snyder, sewing room, and tax project. This county has also been included

in the American Guide Book project, and other smaller projects. Lamar Cunningham is the area engineer in charge of the WPA subdivision in Snyder—one of six subdivisions in the 12 counties. Other counties in the district are Taylor, Fisher, Jones, Kent, Mitchell, Coke, Nolan, Eastland, Stephens, Shackelford and Callahan.

Max Bentley, writing in the Abilene paper, says: "Many have called, are still calling the program of the Works Progress Administration boondoggling and loaf-raking. These critics of course mean to be uncomplimentary—but WPA and other presidential creations to relieve unemployment were given a thundering vote of approval this month."

"Boondoggling? Raking up leaves? You wouldn't think so if you visited the district headquarters beehive in the Alexander building and met the group who are directing the area. One the district staff with James are John M. Hendrix, district director; R. C. Hoppe, supervisor of operations; and Hugh V. Henning, his assistant; R. W. McCargo, supervisor of labor; A. L. Burdeen, division of statistics and finance; Miss Caroline C. Chambers, professional and women's work; Will M. Wood, workmen's compensation."

District 13 has received \$1,987,388 in cash from Uncle Sam since the work began 15 1-2 months ago. In addition to this cash budget, garments in large quantities have been produced in sewing rooms, and other small cash grants have brought the total actually used in the district to more than \$2,000,000. About 4,200 WPA part-timers were working over the district last week. The total has been as high as almost 6,000.

Ideal Girl Marries Paris Man In Ceremony Held Atop New Overpass

Miss Lillian Logan, "Ideal Girl" of Snyder High School last year, became the bride of Rex Miller, 1930 graduate of Paris High School, in an impressive service held at the top of the new overpass, two miles east of town, last Thursday evening at sunset.

Rev. H. C. Gordon, pastor of the local First Methodist Church, read the ring ceremony. The stillness of the evening was broken only by the minister's words and vows made by the couple. The bride wore a gray tailored suit with British tan accessories for the service.

The bride's brother, Loy Logan, and Mavis Webb were attendants to the couple. Other friends present included Misses Wanda Shepherd and Hazel Jones, L. A. Berry and Plicka Bell. Miss Webb wore a black tunic with gold trimmings; Miss Shepherd was dressed in a green tunic; and Miss Jones' dress was wine colored crepe. All three wore black accessories.

Mrs. Miller, daughter of Mr. and Mrs. A. J. Logan, has lived in the county all her life, and her education was received in county schools. Graduating from the local high school in May of this year, her popularity was clearly shown when she was elected president of her senior class and repeated when she was elected as "Ideal Girl" of the high school and made president of the home economics club. She was also a member of the high school choral club.

The bridegroom, who is known to a number of local people, is the son of Mr. and Mrs. F. M. Miller, prominent farming people of Paris. He is employed with the Lamar Creamery Company in Paris, and the couple will be at home there.

As a compliment to Mrs. Rex Miller, who was before her marriage Thursday Miss Lillian Logan, Mrs. Floyd Logan entertained Friday night at her home with a gift party.

About 60 friends of the honoree attended the affair, and a shower of lovely bridal gifts were presented. Mr. and Mrs. Miller left during the week-end for their home in Paris.

Art Guild Enjoys Thanksgiving Fete.

Members of the Art Guild enjoyed a covered dish dinner, their Thanksgiving affair, at the home of Mr. and Mrs. J. D. Mitchell last Tuesday night. Mrs. Mitchell is an officer of the club.

Carrying out the club's theme for the year, "Art of the American Indian," in the decorations and program, the occasion proved delightful to those present. A two-course dinner was served buffet style, and members were seated at four round tables, centered with small blue Indian blown glass vases filled with chrysanthemums. Larger bowls of the same kind filled with lovely chrysanthemums decorated the buffet and dining table.

Mrs. Joe Coton, original sponsor of the Art Guild and only guest at the dinner, gave the invocation. Two Indian poems were given by Mrs. E. E. Spears. The climax of the program came when Mrs. Billie Lee Jr. gave the one-act play, "Mirage," by George M. P. Baird, which is of Indian nature.

A short business meeting followed the program. Those present were: Mrs. Coton, guest; and Raylene Smith, Alta Bowers, Saxton Lee, Annie Fannie Sewell, Bonnie Ruth Nance, Angie Robinson, Dorothy Ertion, Omaha Ryan, Grace King, Effie McLeod, Ruth Boyer, Mildred Patterson, Velma Sharp, Mary Ruth Spears, Edith Grantham, Vera Periman and Ila Bee Mitchell, club members.

LET'S TALK ABOUT CLOTHES

BY A YOUNG MODERN

Nothing equals a button for a flippant bit of amusement on an otherwise plain dress. Buttons have taken all honors for originality, and even zipper conscious shoppers waver and use them in excess. They rate top position for a combine of practical purposes and decoration.

Wood buttons in every conceivable shape and color are especially good on your knitted outfits and sports clothes. There are wood buttons of letters in tiny discs of colored flat wood. Even miniature fir trees find themselves carved from dark and light colored barked wood to decorate milky's frok. Girls at Texas State College for Women (CIA), Denton, are especially fond of the amusing animal heads, including the head of a mountain goat and others just as funny and as easy to use on knits and bright colored wool dresses.

Bow knot buttons in metals, flowers in metal, and leaves fashioned in either gold or silver studded with rubies, coral or emeralds, are other bright ideas for dark winter wools, velvets, or silks. Newly all the buttons in the bet collections are easily matched with belt buckles and clips, to satisfy the ensemble addicts.

The very latest buttons, in keeping with the splendor of coronation year, show crown buttons of silver or gold metal. They will add much to your sheer wools, metalli's or satins. The filigree buttons in round, square and odd shapes, are particularly new and effective for dull silk crepes and afternoon velvets.

Irene Taylor Is Hostess-Leader.

Irene Taylor, daughter of Mr. and Mrs. Sterling Taylor, was both hostess and leader at the last meeting of Twentieth Century Daughters, junior study club, held last Wednesday.

A patriotic program was heard, and refreshments were passed to the following: Mrs. W. J. Ely, sponsor, and Louise LeMond, Wilma Terry, Joanna Strayhorn, Mary Helen Bolton, Ernestine Morton, Frances Sears, Melba Ann Odum, Louise Bowers, Ruth Lane, Johnnie Greene and Dorothy Pinkerton, members of the junior club.

Francys Northcutt Is New Member.

Francys Northcutt of Snyder, student in McMurry College, Abilene, was initiated and is now a full-fledged member of the Wah Wah-tay-ee Drum Corps, famed for excellent performances all over West Texas.

The local girl, daughter of Mrs. Alice Northcutt, is a transfer to McMurry College this year from Texas State College for Women (CIA), Denton, where she was a student last year. She, along with Roberta Ely of Snyder, is expected home this week for the Thanksgiving holidays.

Wynona Keller Is Popular Student.

Wynona Keller, a Snyder girl, was printed out as one of the most popular students at The Hockaday School in Dallas recently, when she was selected to give a toast at the opening of the school's annual song contests.

Miss Keller, a member of the third form, which is equivalent to the ninth grade in high school, is a first-year student at Hockaday. Her class won first place in a student contests, according to publicity sent out from the school this week to her parents, Mr. and Mrs. John Keller.

Miss Frances Joyce of Dallas arrived last Thursday to be the guest of Rev. and Mrs. Lawrence Hays and daughters for several weeks.

Sports Club Holds Initiation Last Week.

Seven new members were initiated into the Lucky 13 Sports Club last week. Beginning of the initiation was last Tuesday afternoon at the home of Dorothy Winston, a pledge. Later that day the pledges treated old members with a theatre party.

Various difficult tasks were given new members before they were formally admitted to membership in the high school social club. Among these were counting bricks in the school building and rocks in the new gymnasium, and other such meaningless and yet necessary feats.

Pledges are: Dollie Clements, Ernestine Morton, Doris Wilson, Johnnie Coddell, Irene Taylor, Dorothy Winston and Hertzene Ely. Old members are the following: Virginia Egerton, Doris Davis, Elizabeth McCarty, Milton Joyce and Faynell Spears. Miss Mattie Ross Cunningham, teacher in the local high school, sponsors the group.

American Negroes Studied by Societies.

"The American Negro" was an interesting study for members of the Woman's Missionary Society and Young Women's Circle of the First Methodist Church at their meeting Monday afternoon at 3:00 o'clock.

The following program, led by Mrs. Joe Stinson, was heard and enjoyed: Song, "Footsteps of Jesus"; prayer, Mrs. W. W. Hamilton; Mrs. Herman Doak, "Negro Work and Inventions"; Mrs. Homer Snyder, negro music; Mrs. W. J. Ely, "Negro Personalities"; Mrs. J. E. Next meeting of the club will be a Christmas party at the home of Mrs. Marcel Josephson, club president, December 8. Mrs. Forest Sears will be assistant hostess.

FORTY ATTEND STUDY CLUB'S BOOK REVIEW

Forty local women heard the interesting review of "Mary Austin Holley," given by Mrs. William G. Dingus of the Texas Technological College foreign languages faculty, Friday afternoon at the Palace Theatre.

The book review was the first of a series of six to be sponsored during the year by the Altrurian Club, which has as one of its objectives promoting the reading of good literature among the people in this community.

Mrs. W. W. Hamilton, member of the sponsoring club's education committee, introduced Mrs. Dingus, who is prominently recognized in school, church and club circles of the state. The Tech professor, chairman of Texas writers in the Texas Federation of Women's Clubs, has been presented in book reviews and other more formal talks in many West Texas towns during recent months.

In reviewing the life and works of "Mary Austin Holley," a popular book written by Mattie A. Hatcher, Mrs. Dingus pointed out the fascinating history of Texas and the interesting lives of Texas pioneers, more of which is being discovered and published each year. She urged local women to learn more about their home state by reading and talking Texas.

"Mary Austin Holley," written by a Texas woman about a Texan and published by a Texas company, is a story of the life of the cousin of Stephen F. Austin, "Father of Texas." Mary Austin Holley, the speaker said, was a charming and accomplished person—a musician of note and a writer of poetry and history. She is described as a brilliant social leader of her time, and yet she was gentle and feminine.

Although not born in Texas, Mrs. Holley had the high courage that is the birthright of a Texan, the speaker said, and she planned to make her home here in the later years of her life. Stephen F. Austin enlisted her aid in getting more people to establish homes in the state of her choice. Her history of Texas, published in 1836, the year of Austin's death, was the first writing of a woman to be published, and she was the first outstanding woman writer to be recognized.

Hazel Pollard on Tech Debate Team.

Hazel Pollard, daughter of Mr. and Mrs. T. W. Pollard, will be a member of the girls' debate team of Texas Technological College, Lubbock, to compete in the debate tournament at Southwestern College, Winfield, Kansas, December 4 and 5.

Two boys and two girls have been selected to represent the school in the tournament, and Miss Pollard is one of those girls. The question for discussion will be "Resolved: That Congress should be empowered to fix minimum wages and minimum hours for industry."

The local girl started her debate work in Snyder High School, having represented the school several years in Interscholastic League debate. She and other Snyder students in Tech are expected home for the Thanksgiving holidays.

Baptist Women to Observe Prayer Week.

Women of the First Baptist Church will observe the Week of Prayer for the Lottie Moon Christmas offering, beginning November 30 and extending through December 4.

Meetings of the women will be held at the church Monday, Tuesday, Thursday and Friday afternoons at 3:00 o'clock. The Wednesday service will be held at 7:30 in the evening. Leaders at the meetings will be as follows: Monday, west side circle, Mrs. Raymond Sims; Tuesday, central circle, Mrs. A. P. Morris; Wednesday, young people, Mrs. Willis Rodgers; Thursday, east side circle, Mrs. Forest Huffman; Friday, combined service, Mrs. Fred A. Grayum.

All women of the church are urged to attend these meetings.

Auxiliary Holds Annual Love Feast.

Sixth annual love feast of the Ruth Anderson Auxiliary of the First Methodist Church was held last Thursday at the home of Mrs. R. L. Gray in the form of a luncheon.

Honor was paid especially to Mrs. R. H. Odum, who has been the group's president since organization six years ago. Mrs. Odum directed the program, which followed the luncheon. Mrs. Harry S. Lee told the Thanksgiving story, and Mmes. H. C. Gordon and R. L. Gray gave piano-violin numbers.

The menu included roast turkey, dressing, gravy, cranberry sauce, English peas, mashed potatoes, salad, mince pie and coffee.

The following members were present: Mmes. B. L. Kent, Keese, Lex Wilmet, Wayne Boren, J. G. Hicks, J. O. Littlepage, C. R. Burk, T. W. Pollard, T. J. Deshazo, Ed W. Thompson, R. H. Odum, H. C. Gordon and H. L. Vann and Miss Ora Norred.

The Ruth Anderson group is disbanding after this year, to be organized with other Methodist women of the town in four circles. This love feast for the group will remain an annual affair even after it disbands.

Surprise Birthday Dinner Held Monday.

Friends of Miss Bonnie Miller honored her with a surprise birthday dinner at the home of Miss Janice Erwin Monday evening. The meal, a covered dish one consisted of Spanish type food, which was delicious.

Those present were: The honoree, Miss Erwin, Johnnie Mathison, Ruby Lee, Vesta Green and Margaret Perkins. Daintily wrapped birthday gifts were presented the honoree at the affair.

Spivey Speaks at B. T. U. Banquet.

Rev. James E. Spivey, pastor of the First Presbyterian Church, was main speaker at a Thanksgiving banquet held for the Senior B. T. U. Monday evening in the parlors of the First Baptist Church. Miss Melba Clark, president of the group, was toastmistress for the evening.

In giving an analogy of a pin and young person, Rev. Spivey suggested what a young person should be and do. He brought out comparison of the two in four different ways—each has a head, each is straight, bright and has a point. Attendees say that the talk was indeed inspirational.

Others on program were: Leslie Kelly, presented in a story; girls' quartet (composed of Mavis Shuler, Ollie and Lucille Niedecken and Mary Gayle Baker); and Laura Banks, a reading.

Those present for the program and delightful dinner were the following: Mrs. Lawrence Hays, counselor, Rev. Hays, Rev. Spivey, Melba Clark, Mavis Shuler, Mabel Watkins, Adell Watkins, Nadine Sumruld, Mrs. W. R. Bell, Mary Gayle Baker, Evelyn Worley, Laura Banks, Ollie and Lucille Niedecken, Eunice Duff, Chalmer Watkins, Clyde Boren, Leslie Kelly, Gwendolyn Hays, Peggy Hays, Marva Nell Curtis and Daurice Worley.

Betty Ann Hicks Wins Amateur Prize.

Betty Ann Hicks, five-year-old daughter of Mr. and Mrs. G. W. Hicks, won second prize at an amateur contest sponsored by the Roscoe schools in the high school auditorium Tuesday night. The local girl is a dance pupil of Mrs. Hilton Lambert.

With her rhythmic tap dancing, blonde curls and captivating smile, little Betty Ann danced her way into the hearts of the judges to take the second cash prize. Roscoe High School's glee club, composed of 20 students, placed first.

Contestants in the 28 numbers presented were from Snyder, Lorraine, Colrado and Roscoe. Other local contestants were: Forrest Crowder, Ruth Reeves, Vivian Nell Wilsford and Wanda Moffett, dance pupils of Mrs. Lambert, with T. J. Teters as accompanist; LaNell White and Billy Joe Stinson, pupils of Mrs. Earl Louder, song.

Mrs. G. W. Hicks and Wanda Lee and Gloria Spradley were the other Snyder people attending the contest.

A full-grown sinner is one who hopes God will punish his enemies.

Miss Akers Hostess To Friends at Dinner.

Complimentary to friends, Miss Maude M. Akers entertained Friday night with a turkey dinner, served buffet style, at her apartment on Twenty-fourth Street. Table decorations were purple chrysanthemums and mistletoe in the center of the long narrow table, which was lighted by yellow tapers.

Guests were: Mmes. Mattie B. Trimble, Minnie L. Stewart, Mabel Y. German, O. S. Williamson, Inez Brown, N. B. Moore and T. Egerton, and Misses Effie McLeod, Bonnie Miller and Almarene Heard.

Mrs. R. E. Gray Jr. Accepts Sponsorship.

Mrs. Robert E. Gray Jr. has accepted sponsorship of the Cresset Junior Club, study club organized more than a year ago. It was announced at the Monday evening meeting of the group. She will attend its next regular meeting, December 8, at the home of the club president, Almarene Heard. Mrs. Buddy Martin was hostess at the meeting Monday.

In the business meeting, the club voted to present \$5 to the Child Welfare work being carried on in the city. The junior group followed the lead of other clubs in the town in donating cash for the work.

On the evening's program, Frances Boren gave an article written by Celia Caroline Cole, a discussion of the trials of an only child, "Woman an Interne" by Faith Baldwin, short story illustrating the chances a surgeon takes in the daily course of work, was reviewed by Allene Curry. Irene Wolcott told interesting incidents in Faith Baldwin's life to conclude the program.

The hostess passed a dainty sandwich plate to the following club members present: Mrs. Jack Martin, Mrs. Emmett Askins, Vernie Brackbury, Almarene Heard, Irene Wolcott, Frances Boren, Mrs. Willard E. Lewis and Allene Curry.

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right." Thousands of women testify Cardui benefits them. If it does not benefit YOU, consult a physician.

Meeting Is One Of Best of Year.

Last Thursday's meeting of the Altrurian Daughters was one of the best of the year, according to members present at the home of Mr. and Mrs. J. R. Joyce in West Snyder. Miss Marie Casey was hostess, and Mrs. Joyce was the only guest.

Bonnie Miller was director for the program on "The Old South" presented during the evening, following scriptures of thanks given in answer to roll call. St. Augustine, oldest city in the United States, was described by Mrs. Altus Bowden; picturesque New Orleans was discussed by Mrs. Herman Larby; and "Evangeline Land" was by Mrs. Joe Coton. Clever reading, one of the Uncle Remus stories, in negro dialect, was given by Margaret Dell Prim.

Individual pumpkin pies and hot coffee were passed to the following: Mmes. Cleve Blackard, Altus Bowden, Joe Coton, P. W. Cloud, H. S. Darby, H. E. Doak, Robert E. Gray Jr., Fla. Joyce, J. D. Scott, E. E. Spears, J. P. Strayhorn, Forest Wade and E. O. Wedgeworth, Misses Kenneth Alexander, Mattie Ross Cunningham, Gwen Gray, Vesta Green, Bonnie Miller, Margaret Dell Prim and Dorothy Strayhorn.

Couple Married in S'water Saturday.

Marriage of Miss Doris Haney, daughter of Mr. and Mrs. J. W. Haney, and Felix Jarratt took place Saturday night at 9:30 o'clock at the home of Rev. and Mrs. Sam H. Young in Sweetwater. The Youngs are long-time friends of Mr. Jarratt's family.

Rev. Young, presiding elder for Sweetwater District Methodists, officiated for the ceremony. Wedding attendants included two of Mr. Jarratt's aunts, Miss Pannie Jarratt and Mrs. Marion Mahon, Mr. Mahon and Frank Crowner, all of Lomine.

The bride has lived in the county all her life. She attended schools at Ira and Snyder, the latter school for about seven years. For the wedding she was dressed in a gray woolen suit, worn with black accessories.

Following an informal reception given by Rev. and Mrs. Young in Sweetwater, the Lomine people returned home and Mr. and Mrs. Jarratt came directly here. They are making their home at 606 25th Street.

Mr. Jarratt, son of Mrs. F. T. Jarratt of Lubbock, formerly of Snyder, has been connected with the Louder Motor Company here as parts man for more than a year, and he will continue in that capacity.

P-T. A. Hears Panel Discussion Thursday.

A panel discussion on "Peace" was the feature of Thursday's program at regular meeting of the Parent-Teacher Association in the high school auditorium.

Preceding the business session and program, the association was complimented with a group of musical numbers presented by the Boys' Glee Club and the Girls' Choral Club of the high school, under direction of Miss Mattie Mae Tomlinson.

During the business session, it was brought out that the membership drive is still on. All parents and patrons are given a cordial invitation to join the association. At each meeting the mothers, fathers and teachers representing each room are counted, and the room having the most representatives present receive a picture. Miss Gertrude Herm's low third grade will receive the picture for this month.

The interesting panel discussion on the topic of "Friendliness" was presented by Mmes. Wraymond Sims, Ixon Joyce, Alfred McGlaun, Lawrence Hays and Miss Velma Sharp. Mrs. Sims was leader for the panel.

Due to the Christmas holidays, next meeting of P-T-A. will be the second Thursday, December 10, instead of regular third Thursday meeting.

Sepiolite Near Uvalde.

A deposit of sepiolite, a mineral from which meerschaum pipes are fashioned, has been found near Uvalde and tests now are being made to determine whether the Texas mineral is of the same quality as that found in Turkey, the only other place where sepiolite is found in commercial quantities, according to the Texas Planning Board's mineral resources committee.

Church Is Filled for Friday Night's Box Supper and Singing

The concert and box supper held at Midway Friday night to pay for a two-weeks singing school taught by Eddie Williams of Hobbs was a decided success, according to an official report.

Singers from Hobbs, Plainview, Bell and other communities were concert guests, the church house being filled to capacity. A total of \$38 was realized from the boxes and prizes auctioned off, which will leave several dollars in the class treasury.

On behalf of the Midway singing class, Freddie Minor and Leon Guinn wish to thank their community merchants; the merchants and business men of Snyder for their many lovely gifts and donations, including Snyder's leading beauty parlors.

Especially do the Midway folks want to thank Sidney Galyean, Dr. H. C. Towle, Camp Springs Gin and The Times for outstanding contributions. Auctioneers were: Oscar Aucutt and Horace Minnick of Bell. The school closed Monday night with a class sing song.

Joe Tinker Will Wed Corpus Christi Girl.

Marriage of Joe Tinker, son of Mrs. Edna B. Tinker, and Miss Geraldine Renfro, daughter of Mr. and Mrs. Grover Renfro of Corpus Christi, will take place today in Corpus Christi.

The engagement announcement, which appeared in a Corpus Christi paper recently, named Thanksgiving Day as the wedding date. The local boy and his bride will live in Corpus Christi, where he is associated with the Continental Supply Company.

This Pension Business.

This pension business has become so complicated and so many-sided that it is difficult for even an honest taxpayer to decide what he believes should be done about helping our aged citizens.

The problem has come nearer a logical and fair solution by recent action of the Legislature and governor than at any other time. Restricted pensions—pensions to those who really need pensions—is what the vast majority of people want. And it is what the majority of deserving old persons believe to be right.

The now-shadowy Townsend Plan failed because it had no basis either in sound financing, in governmental wisdom or in human justice. Plans to give pensions to all persons of any age, simply because they have reached that age, will surely never meet with public or legislative approval. The unsoundness of paying those who have substantial incomes, simply because they have reached a given age, is fully personified.

The folly of increasing taxation in order to pay a pension to men and women who already have enough income on which to live is also evident.

No taxpayer with even-toned thinking will regret an increase in his taxes if he knows our deserving old people are getting the benefit. On the other hand, taxpayers would become even more grumbly about taxes—and even more delinquent—if they were faced with the folly of paying every person over a given age any amount of tax money.

This pension business, we repeat, seems near a fair and logical solution. Let us hope that it will continue to be handled in the above-board manner in which it has been started under the direction of Orville S. Carpenter. And let us hope that no deserving old person will fail to receive the amount of pension money he is entitled to under the law.

That Trip to Hermleigh.

That Lions Club trip to Hermleigh Tuesday is one of the most helpful things that has been staged in Scurry County in recent years.

That trip is loaded with the stuff of which progressive, cooperative counties and communities are made.

As one speaker at the luncheon said, differences between communities or individuals are usually caused by misunderstanding. If we try to understand and work with and protect and uphold our neighbors, it is surprising how much good we can find in them!

Hermleigh invited the Lions to dine with her. She treated her visitors royally. She fed them sumptuously.

Now it is up to Snyder to prove to her progressive neighbor community that these expressions of friendship and good will have not been wasted on the West Texas air.

Politeness.

Politeness is an asset to any man, even though for the moment adversity may have him in her grasp. If he knows how to be polite and gentle, the world will soon find him out, then he will be able to build from the ashes of defeat a mighty structure which will stand the winds and storms of adversity and rise like a tower to show men the possibilities of being kind.—Exchange.

Finders, Keepers.

No Boondoggling Here.

Two articles in this week's Times prove that there has been little boondoggling in Scurry County government-aid projects. The first notable example of constructive enterprise was furnished by the school campus project, which, under the pushy of CWA and the relief administrator at that time, Joe Monroe, assumed beautiful and practical form. Maybe there has been some loafing and maybe there has been some politicking . . . but most important of all there has been some constructive work.

Socrates: "Give Me Beauty."

"Beloved Pan," prayed Socrates, "give me beauty in the inward soul; and may the outward and the inward man be as one. May I reckon the wise to be the wealthy, and may I have such a quantity of gold as a temperate man and he only can bear and carry?"

Fascism in Germany.

A pastor in Wurttemberg was prohibited from giving instruction in the school because he prayed thus: "God grant the Fuehrer (Chancellor Adolf Hitler) guidance to his spirit so he may submit humbly to it." This mild sample of what Fascism is doing in Germany is but another reason why America is determined to remain democratic at all costs.

Weekly Rooseveltism.

President Roosevelt: "A small group had concentrated into their own hands an almost complete control over other people's property, other people's money, other people's labor—other people's lives."

Editorial of the Week.

THE TRAGEDY OF FIRE.

The terrible tragedy which last week took two lives in Brady emphasizes anew the great need of caution in the use of all volatile liquids and inflammable materials. Just after the local tragic affair, Sauce chanced upon a list of fatalities resulting from carelessness or thoughtlessness. Here are a few of the incidents that caused painful death and suffering:

Friction caused when a young man slid down into a theatre seat, ignited some matches in his back pocket, and caused the explosion of a celluloid comb, also carried in the same pocket.

An explosion resulted when a cook tried to pour some vanilla extract direct from the bottle into some food cooking upon a stove.

A man lit a cigarette in a filling station . . . A woman gave her hair an alcohol rinse, and then undertook to curl it with a heated iron.

A man attempted to put out a fire with what he thought was water—but the bucket was filled with gasoline instead.

And so on—the list was made up of some forty or fifty instances where carelessness or thoughtlessness resulted in death—painful, agonizing, torturing death! Take warning. Be careful. Save a life—your own, and others.—Brady Standard.

Current Comment.

BY LEON GUINN.

When the deer season opened this year, our state game wardens found 70,000 Texas sportsmen wandering far afield stalking stately bucks, with quite a few hopeful of bagging "bars" as a climax to the annual trek we know as deer hunting. . . . Current stomping grounds for deer this season centers at Alpine; a radii of 100 miles in any direction from there leads one to the heart of the deer country, whether it be around Presidio, Persimmon Gap (south of Marathon), or Van Horn.

While the fall dose of buck ague leads many a hunter to Sonora and Uvalde; to Villa Acuna and the majestic mountains in Chihuahuas; thence northwest to El Paso, the mountain home of the blacktail deer and Bruin "Bar" has its foci around Alpine in the Guadalupe and Davis Mountain ranges. . . . While the Big Bend region offers nimble sportsmen the forest in all its primeval glory with both blacktail and mule deer in the offing, plus scattered herds of javelinas, that region is being ferreted out by big shots of business and industry, taking a Roman holiday, if you please, in searching for the stately stag, as he pauses at eventide, weary from the chase.

When this writer was in Alpine the 15th, with some local gentlemen, it was surprising indeed to see deer hunters from New York, St. Louis, Detroit, and Indiana points, as well as 250 Texas hunters, preparing to trek throughout the Davis Mountains to bag a 10-point buck, or better if possible. . . . For word had been circulated far and wide that here in the "Alps of Texas" one could camp out for days on the big ranches (for a fee), bag a buck, and "rough it by ear" through the rugged mountain ranges on good roads to one's heart's content.

For sheer beauty, motoring through the Alpine peaks of Davis and Brewster Counties is difficult to describe. . . . From Balmorhea to Ft. Davis one gets into the real mountain country, the decaying ruins of the Ft. Davis cavalry post offering one a glimpse into the frontier that was Southwest Texas. . . . Then, one may go 12 miles northwest on the scenic drive (built by CCC enrollees) to the MacDonald Observatory site, see for miles the unsurpassed beauty of nature in her most regal dress. . . . Then, south to Mitre Peak, and thence on the open road as far as one wishes to go toward the border. . . . Oh, yes, we started out talking about deer hunters. . . . But, after one gets the blue haze of our Texas Alps in one's eyes; realizes the omnipresence of the Creator who molded the towering peaks, bagging an 8-point buck is incidental, of course.

Between Now and Then.

Of course it's mighty early for Christmas thoughts, but here is an early one that has germs of thought: If we don't meet again Between now and then, Let this serve to convey Our best wish for The Day.

Hermleigh Nabs Class C Laurels By Licking Dunn

Hermleigh Cardinals cinched their claim to the Class C championship of the county—and of this whole end of West Texas—by trouncing Dunn at Hermleigh Saturday afternoon, 12 to 0. The Cardinals had whipped Dunn earlier in the season, 7 to 6, and downed Fluvanna twice.

These four county wins, three other wins and a tie compose the Hermleigh record for the season. The squad goes to Lorraine Thanksgiving afternoon at 2:30 o'clock for probably its toughest tilt, Lorraine's first team being its opponent.

Win or lose at Lorraine, the team that has been coached to such an outstanding record by A. C. Bishop Jr. and E. E. Mullins will leave immediately after the game, by school bus, for the Dallas Centennial. This treat, made possible by home-town supporters, will be climaxed Saturday at Fort Worth, where the 25 boys will watch T. C. U. and S. M. U. meet in the Southwest Conference classic.

Captain McMillan scored both Cardinal counters against the Owls. The first came in the second quarter on a 3-yard plunge, after the ball had been worked down from the 37-yard line. The fleet back pranced around end for 12 yards and the second marker, in the fourth quarter, after Hermleigh blocked its third Dunn punt at the afternoon. Neither attempt at point conversion was good.

Max Duncan kicked his mates out of danger in the third period when Cotton of Dunn returned an intercepted pass to the 10-yard line. The Cardinals held at that point, and Duncan's boot put the ball back to midfield.

Pioneers in West Texas Bus Industry Visit in Snyder, Their Former Home

Ed C. and Eyan G. Abbott, twin sons of the late Mr. and Mrs. J. L. Abbott of Snyder, pioneered West Texas state and bus lines. Beginning as partners in business while they were quite young, the two are still in business together as owners of the Yellow Cab Transportation Company in Lubbock.

Business interests in the county called the two to Snyder last week for their first visit in several years, and the day was made more enjoyable for them by the cordial greetings given them by old friends. They were pleasant visitors in The Times office during their brief stay here.

The Abbott twins, who with their families now reside in Lubbock, moved to Snyder from Taylor County with their parents in 1900 and established homesteads in what is now the Union community. At that time only one brick building was here—that was the building now occupied by H. G. Towle Jewelry Company. Few other business houses were in town that early, they say.

Both men married Scurry County girls in a double wedding held here November 10, 1907. Their grandfather, the late D. H. Burt, Baptist pastor here at that time and for a number of years afterwards—18 years in all—officiated. They are cousins to Grady and Grady Burt, twin sons of Mrs. J. R. G. Burt. Evan G. was married to Miss

Flora Bynum, daughter of Mr. and Mrs. Tom Bynum, who still reside west of town. Ed C.'s wife was formerly Miss Betty Hull, daughter of the J. D. Hulls, who also lived west of town.

First motor buses serving West Texas were seven-passenger cars, operated by the Abbott brothers beginning in 1916 for two years. In 1918 they left Snyder and operated bus lines in the oil fields at Eastland, Ranger and Breckenridge.

Resemblance between the two men is remarkable, and when asked, they recall with twinkling eyes many times when they posed for each other. The former Scurry Countians are about 45 years of age now.

Nadine Sumruld and Evelyn Worley spent Sunday visiting friends in Lubbock.

For Bad Feeling

Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. . . . Mrs. Ray Mullins, of Lafa, Ark., writes: "My husband and I both take Black-Draught's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

CLUB ROYALLY FETED TUESDAY BY HERMLEIGH

Snyder Lions Are Stopped at Pistol Point, But Neighbors Really Don't Mean It.

When Snyder Lions, 35 strong, were stopped at pistol point on the outskirts of Hermleigh Tuesday at noon, they knew they would feel at home for that. Thanksgiving feed and program in the school gymnasium.

For the hold-up, staged by four high school boys dressed as bandits, riding horseback, was just Hermleigh's way of saying "Howdy, Neighbor!"

And Hermleigh, led by its school and its community booster club, said "Howdy, Neighbor!" with such grace and enthusiasm that the Lions trekked homeward at 1:30 o'clock with the unanimous declaration: "It was great of Hermleigh to invite us, and it was a swell feed and program."

Pep Squad Performs.
After the 12 carloads of Lions were led by the "bandits" within a block of the school building, cars were abandoned, and a bevy of pretty pep squad girls, dressed in flashing white blouses and red skirts, took charge of the visitors and led them safely into the dining hall.

The Lions were joined at the turkey dinner by 15 Hermleigh business men, including W. T. Hanes, superintendent, chief host, and K. B. Rector, president of the Hermleigh Booster Club. Frank Farmer, president, presided for the Lions; Hanes for Hermleigh.

Weldon Longbotham brought greetings from Hermleigh school and community, and was master of ceremonies for most of the entertainment program. The entire group sang "America" just before they plunged into turkey, dressing and plenty of trimmings.

Plenty of Music.
Music galore, and plenty of other entertainment, followed in such rapid order that Tail Twister Warren Dodson found difficulty in collecting his usual share of fines. The pep squad girls sang a pepper-upper song, then greeted the Lions with a snappy yell. Mrs. Blanche Patterson accompanied for all musical numbers.

These musical numbers came in order: Roland and Conette White, guitar and vocal duet; Spanish song, Kathleen Wilson; piano solo, J. L. Fargason; guitar solo, Max Duncan; piano solo, Frances Patterson; Bohemian song, Frank Senkirk; Roland White on the guitar.

Four grammar school pupils gave brief explanations of exhibits that were arranged around the auditorium walls.

Team Introduced.
Coach A. C. Bishop Jr. introduced members of the Cardinal football team, giving their season's record, weight and position of each man.

Billy Travis Hanes gave a reading, and Richard Sheehan spoke on "Development of Literature in Texas" in connection with observance of Book Week in the school. "Hymn of the Alamo" was sung by Helen Groves, and Wiley McMillan sang "Old Black Joe." Weldon Long-

SHE WON.

Recently a lady, accompanied by a friend, came into our office to make some inquiry about a course in shorthand and typing. After securing from our enrolling secretary the information desired, she was reluctant about taking the course for the reason that she feared she would not be able to find employment after finishing. She, being a widow with two small children and none too much of this world's goods, would naturally hesitate to put out the necessary money. Through the persuasion and encouragement of her friend, and the assurance of the secretary that she would have no difficulty in finding a position, and that our employment department would assist her, she made the start. She graduated in just two months and made good in every department of the work. At the time of her graduation a gentleman from one of the large construction firms came into our office in search of a stenographer and secretary. He stated it was his custom to employ help from the open market; just like he bought material. We introduced him to this lady and one other to interview. He had many applicants of all degrees of experience, but only tried out 25. Out of which number, he selected three for final decision, two of which were the two we recommended, and in the final test, our student referred to above was given the place. She has made good, and is now on the road to independence for herself and her babies. She praises the Byrne Commercial College and its employment department, and justly so, but she was a good student, and we are proud of her. We could relate many similar instances. Why should you hesitate to get a diploma from Byrne College, which is a passport to a good position? Start now to secure a business education at Byrne College. Learn to keep books, operate an electrical posting machine, calculating machine, dictophone, to write shorthand, typing, and to do general office work. Unless you are trained in business, business has no place for you. Yet business offers continuous promotion to one properly trained.

Official Records

Marriages.

Since last report, October 15, only three marriage licenses have been recorded in the office of the Scurry county clerk. One wedding was on October 22, the other two were October 31.

Births.

According to records in the county clerk's office, births of five girls and five boys were recorded between October 15 and November 2.

Parents of the new citizens are the following:
Mr. and Mrs. Robert Wells, twin boys, October 17.
Mr. and Mrs. Foy Chilton Weather, Sweetwater, a girl, Wanda Gail, October 22.
Mr. and Mrs. O. N. Lesters Jr., China Grove, a girl, Helen Jo, October 23.
Mr. and Mrs. Paul Willard Jones, Annetta Jeanne, October 26, tober 26.

New Cars.
Licenses for three new cars were recorded during the latter part of October and the first of November in the office of the tax assessor-collector.

Owners are:
J. E. Molder, 1936 Ford tudor, October 30.
Tom Brooks, 1936 Ford tudor, November 2.
S. W. Barfoot, Hermleigh, 1937 Terraplane, November 7.

A reward of \$25.00 will be paid for information leading to the conviction of anyone interfering with stakes driven by engineers or their assistants on any Snyder street paving project.—H. G. TOWLE, Mayor; JOHN LYNCH, City Marshal. 11c

Thanksgiving Service.

A sizeable crowd attended community-wide Thanksgiving services at the First Methodist Church Wednesday night. Rev. Lawrence Hays, pastor of the First Baptist Church, brought the principal message. Several musical numbers were featured.

botham gave a musical reading, "Defense of the Alamo."

Elree and Teddy Joe McMillan were presented in a vocal duet, Howard Etheredge, Junior Jones, W. P. Simpson and Bernice Harless presented a novelty number, each playing a French harp solo.

And Back to Snyder.

Hanes gave a brief but warm talk of welcome as he introduced the Hermleigh group, and John Senell replied for the Lions. Hal A. Latimore, Roll Call chairman, presented an appeal for Scurry County to rally to support of the Red Cross this year.

Members of the pep squad led in serving the tables, and teachers of the school assisted with the heartily applauded program.

The Lions returned with copies of "The Cardinal," school paper, in their pockets; with a tremendous Thanksgiving feed under their belts, and with permanent memories of Hermleigh hospitality and ability in their minds. And The Times is not waxing poetic!

in gas economy!

STUDEBAKER DEFLATES GAS MILEAGE CLAIMS!

STUDEBAKER cars have made magnificent records in gasoline economy. But you don't care about records achieved under special circumstances. You want to know what good, bad and indifferent drivers get under average conditions!

O. K. We will tell you! Studebaker hired Facts, Inc., a business research organization, to question 500 owners of each of the ten most popular makes of automobiles (1936 models). Each driver was asked: "What gasoline mileage do you get?"

The best showing was made by Studebaker. Owners of the Dictator, with overdrive, testified to an average of 18.166 miles per gallon. Even the most popular lightest weight, lowest priced cars used more gas per mile.

Without overdrive, the Studebaker Dictator showed 17.199 miles per gallon—which is better than one of the two most popular, lowest priced cars.

STUDEBAKER'S CHALLENGE!
No other standard make of car can beat the gas mileage of the Dictator equipped with automatic overdrive in the hands of the average driver under ordinary conditions.

Two Poems Written By Woman Formerly Residing in County

Two soft-stepping poems have been written by Erlene Townsend Day of El Paso, daughter of Mr. and Mrs. F. I. Townsend, long-time residents west of town. The former Scurry County girl writes:

A Panorama.

With frosty fingers, winter paints, with ease,
A landscape fraught with figures ghostly white.
Long, icy spears and snow adorn the trees—
Yet, spring might come within a single night—
So soon it is that winter's favor wanes.

Soft summer, with its fragrant beauty, awaits;
While spring brings forth her costume rich and gay—
Bright flowers, morning glory on the gates.
So languorous and lovely, she would stay;
But leaves with dragging feet as if in chains.

Brisk autumn changes hues and makes complaint
With rustling leaves and moaning winds. She frets
To play her brush and vivid scenes to paint,
While rival summer's strongest epithets;
Then, sheds her robes and into past entrains.

Love.

Elysian, its infinity,
Intangible as thought and time,
Affianced with Divinity,
Allied with faith, is love sublime.
Creation, love's exalted feat,
Vast and unbounded, its domain.
Though consequence be aught but sweet;
Anon, we brave love and its pain.

More Turkey Buying.

Turkey buying is expected to start here again about the middle of next week, after a shutdown of about a week between Thanksgiving and Christmas buying seasons. Produce men estimate that about one-third of the birds were purchased on the opening market. No word has been received concerning the price, but it is generally believed that there will be little or no variance from the 11 and 12-cent price of the November market.

THANKSGIVING

Dear Lord, this day of days
Our Pilgrim fathers set aside;
A benediction for life's good ways,
For peace and grace that now abide.

With turkey browned and flavorful,
Pumpkin pie, hot sauce and salad;
When kindred ties are bound again
In love and laughter closely rallied.

This day is fleeting, lest we see
The sweet in bitter tears along
Life's royal road to rest with Thee;
When hearts, now glad, can sing a song.

Though skies be bleak and coldly grey,
Though years have silvered older hair;
On this, dear Lord, Thanksgiving Day
We give Thee praise for watchful care.

Vaccination and Registration for Dogs Mandatory

Vaccination and registration of all dogs in Snyder is being required since the mad-dog scare of recent days. The penalty is certain death for the dogs. At least 80 dogs have been killed—along with a number of cats—since officers began their drive against rabies several days ago.

After vaccination by a veterinarian, a certificate showing that this action has been taken must be carried by the dog owner to City Secretary J. S. Bradbury, who will issue the dog license. The license fee is \$5 for females, \$2.50 for males.

Following vaccination and registration, the dog must be confined entirely out of reach of other animals for at least 20 days.

The head of a dog that bit sev-

eral school children a few days ago was reported from Austin to have rabies infection, and all the children have been given vaccine, which is furnished by the state. Dr. H. E. Rosser, county health officer, says none of the children under his care are showing ill effects, since the vaccine was given within a few hours after the bites.

Good Health One Of Best Reasons To Offer Thanks

"A high standard of community health is the best asset that a state can possess," said Dr. John W. Brown, state health officer, in speaking of the progress made in public health education since the first Thanksgiving Day was observed by our forefathers.

"The state of Texas has much to be thankful for in this Centennial year," he said, "in the steadily increasing interest and cooperation of the people of the state in matters pertaining to sanitation and control of communicable diseases."

"The control of the water and milk supplies, sewage disposal, vaccination against smallpox, immunization against diphtheria, food inspection, housing regulations, and many other measures have been spectacularly successful in reducing the killing power of a number of maladies that formerly took a terrific annual toll."

"Responsibility for success and advancement of a public health program lies not with the health department primarily, but with the people who support and encourage the community effort put forth and who apply in their own individual lives the knowledge which they have acquired."

"It follows that the individual citizen, to reap the benefits of public health administration, must be more concerned about his well-being than he is today. His program should involve a conscientious effort to abide by the living rules prescribed by nature, as well as a clearer conception of the value of a physician's services from a disease prevention standpoint."

"In short, when the private citizen fully appreciates the benefit of public health administration and shows that appreciation by a reasonable personal concern for his own

First Tenants Helped to Ownship

T. H. Scharff family, first of 200 in Texas to be accepted by the Resettlement Administration for its "farm tenant security project." The Scharffs are being helped to buy a farm in Grayson County with annual instalments no greater than they were paying as rent on the same farm. In addition, the farm is to be terraced and fenced, a new house to be built

with modern conveniences, surrounded by trees and shrubs. This is made possible by three per cent interest and 40 years in which to pay. Extension of this plan to a large per cent of tenant farmers would be provided under the Barkhead Jones Farm Tenancy Bill, scheduled for action at the coming session of Congress of the United States.

This New Mc CORMICK-DEERING Hydraulic Power-Lift Gives You "One-Finger Control" and Quick, Positive Action

WHEN operating various direct-connected farm implements you will find it a great advantage in many cases and a necessity in some—to have your tractor equipped with this new hydraulic power-lift. In addition to lifting beams and other equipment from the ground this lift can be used to apply pressure on certain implements operated in connection with the lift.

The McCormick-Deering hydraulic power-lift is a simple, positive lift, and one that will not readily get out of order. It is thrown into operation by a small lever which can be manipulated with one finger.

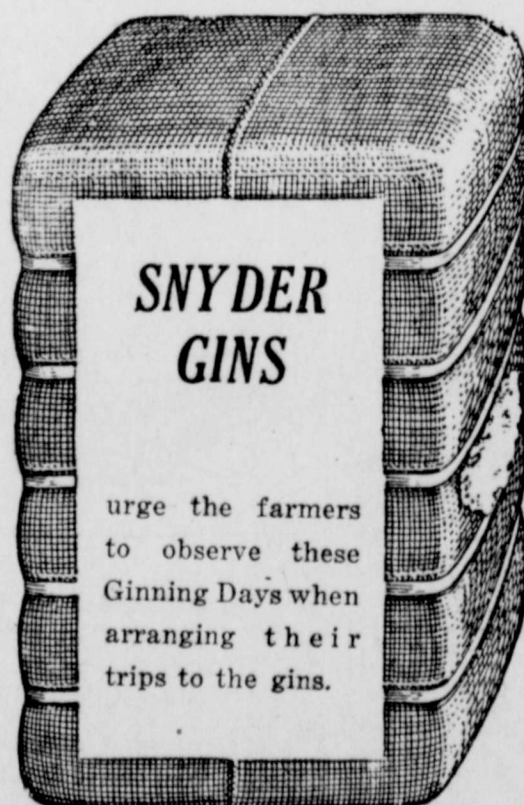

Next time you are in town drop in and see this new hydraulic power-lift. We will gladly demonstrate it to you.

COUNTY GIVES GOOD SUPPORT TO RED CROSS

Quota of 500 More Than One-Half Reached With Reports Only From Snyder Captains.

With reports only from Snyder captains, the county's quota of 500 Red Cross memberships was more than half reached yesterday, says Roll Call Chairman Hal A. Lattimore.

"If the remainder of the county rallies to the Roll Call as heartily as these first reports indicate," believe Lattimore, "we will reach our goal."

Some of the local captains have not completed their reports, and no record of communities outside Snyder has yet been made.

Drive Starts Friday.
Started last Friday, the drive has not yet been extended into all communities, but the chairman expects to reach every section within a few days. The drive will be continued into December, he said.

J. C. Beakley, who has carried Dunn to a high peak for several years, is captain there again, with Mrs. T. A. Echols and Fred Bowers assisting.

P. C. Hairston has charge of the Roll Call at China Grove. Elmer Louder is captain at Hermleigh, and A. C. Bishop Jr. has charge of the Hermleigh school. Jim Sharp is also assisting.

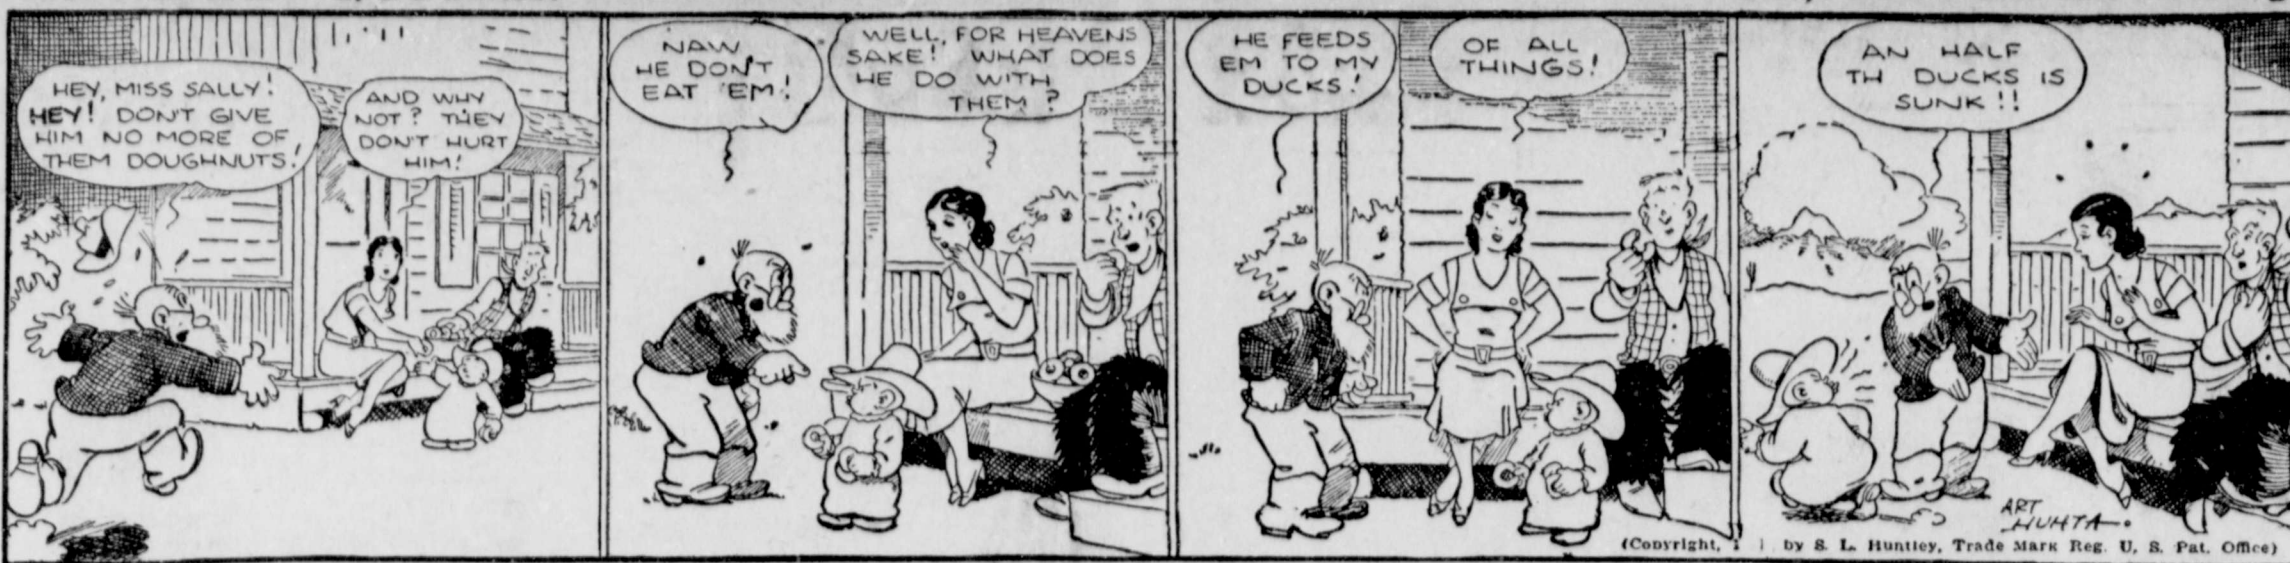

Workers in Snyder.
Snyder workers include King Sides in the high school and Hadley Reeve in grammar school; Mrs. Nelson Dunn and Mrs. Hugh Taylor; Bonnie Miller, courthouse.

In the business section, these captains have turned in the amounts indicated: North side, Joe Stinson and H. L. Vann, \$52; northwest of square, Dick Randals and O. D. McGlaun, \$42; west side, Warren Dodson and E. E. Weathersbee, \$39; south side, Wayne Boren and Marvin Blackard, \$37; east side, Marcel Josephson and J. E. Shipp, \$34.

Post B Team Wins From Buffaloes at Fluvanna Saturday

Playing at Fluvanna Saturday afternoon, Post's B football team whipped the Buffaloes, 12 to 0.

An improved Fluvanna squad held the visitors in check most of the way, but Post counted in the second and fourth quarters. The first counter came on a 10-yard run after line plays had put the ball in scoring territory. An off-tackle play from the 6-yard line netted the next score.

Minus the services of three regulars, including big and powerful Bryant, the Buffaloes were unable to take advantage of their lone threat in the second quarter, when the ball was taken just inside the 20-yard line.

Brown and Browning looked best in the Fluvanna backfield; Ball, Faver and Goss in the line.

The Buffaloes go to Dunn this (Thanksgiving) afternoon, and then to Sylvestor for the last game of the season December 4.

Dr. and Mrs. H. G. Towle have as holiday guests their daughter, Mary Margaret, and Lanette Liese of Georgetown, both of whom are students in Southwestern University.

First Presbyterian Church

There will be regular preaching service at the 11:00 a. m. hour, but Christian Endeavor and the evening preaching service will be given over to the young people, who are entertaining the youth of Abilene presbytery. All of the members and friends of the church will want to be present and enjoy these sessions of the fifth Sunday meeting of the Presbyterian young people. The hours of meeting will be 3:30 and 7:30 p. m.

This is the season in which we count our blessings and give thanks to God for the many gifts which have been ours to enjoy. There is no more appropriate way of giving thanks than coming to the Lord's house for worship. Let us see you there next Sunday—James E. Spivey, pastor.

More Streets Have Base, Curb, Gutter

Four blocks of Snyder streets have been given curbs and gutters on one side in recent days. Two full blocks in East Snyder were given curbs and gutters under WPA several weeks ago. The recently completed work, along with more curbs and gutters, is in West Snyder.

A survey of WPA work in the county, completed and underway, will be made in The Times soon. Work was started last week on an additional project in Precinct 3, road building from the Crowder school house through Knapp community.

Buys Texas' First 1937 Ford V-8

When Faye Cotton, known as Texas Sweetheart No. 1 and star of the Fort Worth Casa Mañana Revue, saw the new 1937 Ford V-8's, she became Texas Owner No. 1. In these photographs she is shown, above, in a close-up

pointing proudly to her new Ford, and in the lower photograph she is shown about to take off on her first trip in the new model, a de luxe Ford touring sedan, delivered to her in Dallas. Louder Motor Company is local dealer.

Trio at Hermleigh Bags Two Big Bucks

Hermleigh hunters have a much higher batting average than Snyderites, it was learned when Bob Adams and M. U. Vernon and his son, John, returned Wednesday night of last week from Mason County.

Bob killed an eight-pointer and the elder Vernon bagged a seven-point buck. The hunters declare that not a shot went wild—that a heart and a neck shot brought down their prey. They saw only the two "legal" deer that were brought down.

Marvin Snowden purchased the Times subscription that was auctioned at the conclusion of the Midway singing school Friday evening. A number of Snyder merchants contributed cash or merchandise for auctioning and prizes at the social event.

Many Teachers Off For Annual Confab

More than 50 per cent of Scurry County teachers, including about 75 per cent of teachers from major county schools, are in Fort Worth during the Thanksgiving season for the annual convention of the Texas State Teachers Association.

Several county schools, including Snyder, have 100 per cent membership in the organization. The Fort Worth convention is expected by association officers to attract a record-breaking attendance.

Most county schools dismissed classes Wednesday afternoon for the week, but Snyder schools dismissed a day earlier.

Stinson's Seats O. K.

The upholstered stools recently installed by Stinson No. 1 at its fountain have proven popular with all comers, say Lee and Joe Stinson. This installation, plus Stinson's new coffee and sandwich service, has considerably increased the speed with which "Wimpy" Pierce moves his mind and body, declare the other Stinson employees.

Social Security Forms Going to Local Taxpayers

A federal promise of economic independence in old age was offered yesterday to Snyder's commercial and industrial workers through the new social security program.

Postmen delivered pension applications to every office and store in the city. It is estimated that 50 per cent of the total employee list in the country will be eligible to join the government's insurance pool guaranteeing a livelihood without labor to one-fifth of the nation's total population as participants reach 65 years.

Applicants must answer such simple questions as age, name, address, birthplace and type of employment. The applications must be returned to the local post office by Saturday, December 5.

Practically all forms submitted to employers for initial information as to employees were turned back to the local post office before Saturday, the deadline, says Postmaster Warren Dodson, who thanks employers for their cooperation.

Mr. and Mrs. C. L. Banks and daughter, Laura, were Sunday guests of the Roy J. Clark family in Lubbock. Clark was formerly minister at the local Church of Christ.

Court Tigers Lose Twice to Visitors

Jayton's first and second basketball teams introduced Snyder's shining new gymnasium to the public Friday night. The two quintets of green Tigers met them on the slick court didn't know what to do so much of the time that there was never any doubt concerning the outcome.

The first team lost to an experienced Jayton squad, 37 to 12. The locals outscored the visitors, 8 to 7, in the last half, but they were roundly outplayed by a crisp-shooting tribe in the opening stanza. The second team, composed mostly of seniors, made only one field goal, losing 11 to 3.

HERE IS MORE CONCERNING AID KIDDIES—

CONCLUDED FROM PAGE 1

ing has been distributed, and estimated that about \$240 will be required to feed hungry kiddies at the school on a 15-cent hot meal through the cold months.

An average of 20 children daily has been fed in recent days.

Mrs. Hail said she had submitted the matter of supplying relief commodities to her district and state chiefs, and that every effort would be made to assist in the local program, which she commended highly.

Children Being Aided.

Several children are being aided by the organization aside from supplying clothing and food. Plans are being made to assist several needy children in their homes, to help others get into school, and to aid others to get into state institutions. Shampoo and haircuts were donated to two boys by Shipp & Butts barber shop.

Frank Farmer, county superintendent, offered his assistance in carrying forward the program.

Mrs. Wraymond Sims, chairman, appointed the following finance committee for the unit: Marcel Josephson, chairman; Frank Farmer, Mrs. H. G. Towle, Mrs. Joe Stinson, Mrs. H. L. Vann.

First Baptist Church

The pastor will preach Sunday morning on "Why Practice God's Plan." The women's trio will sing "Only Hope." The worship hour is at 10:30 o'clock.

Sunday school at 9:45 a. m., with Mrs. Ethel Eiland as superintendent. Baptist Training Union at 6:00 p. m. Many who will attend the state B. T. U. convention at Abilene will have new information and inspiration for the several departments.

The pastor will preach at 7:15 p. m. on "Moses, the Father of Civil Liberties." The male chorus will sing two numbers, "Just Outside the Door" and "Looking This Way." A special invitation is extended to all our people who are visiting in the community during the holiday season.—Lawrence Hays, pastor.

Redwines Have Guests.

Dr. and Mrs. H. P. Redwine had as their guests the past week-end Mrs. Redwine's father, E. E. Ruse of Kerrville, her sister, Mrs. W. P. Grisham, and daughter, Margaret Ann, of Bandera. The group left Tuesday, returning home. Mrs. Grisham, an accomplished violinist, was presented in a violin solo Sunday morning at the First Presbyterian Church here.
