"YOUR HOME COUNTY PAPER"

FORTY-NINTH YEAR

SNYDER, TEXAS, THURSDAY AFTERNOON, FEBRUARY 18, 1937

NUMBER 37

BASKET MEET WILL DRAW CROWDS FROM TEN COUNTIES

HERMLEIGH GIRLS, FLUVANNA BOYS WIN CLASS B TROPHIES

Both Final Games of Tournament Decided by Single Point With Whirlwind Finishes.

Whirlwind finishes that produced story-book thrills featured both final games of the Class B tournament in the Snyder gymnasium Saturday night. Hermleigh girls and Fluvanna boys were the winners.

Favored to win the tournament with comparative ease, Ira boys drifted into the final tilt by top-heavy scores. Comparative scores of early games should have made them the winner by at least eight points. Instead, they went down in the final second of play to a harder fighting Fluvanna quintet, as Sullenger, Buffalo center, sank a field goal just as the whistle blew to put his squad one point ahead. The score was 20 to 19.

With no pre-tournament favorite, the girls' games went into the final with no particular fireworks. But when Fluvanna and Hermleigh met in this wind-up affair, the thrill wagon was overturned. Hermleigh was ahead, 21 to 20, when the final whistle blew.

Sullenger Outstanding. For the boys' winning team, Sullenger was high point man with 8 tallies, overshadowing Ira's forwards, Sorrells and Lloyd, who tabulated 7 points each.

Patterson, flashing across the court and retrieving the ball time after time, turned the tide for Hermleigh in the girls' final, piling up seven field goals for 14 of her team's points. Evans, leading Fluvanna scorer, rang up 10 points, but six of these were on fouls. Maples, also of Fluvanna, scored seven points, three on fouls.

Dalton Hill, Roscoe coach, officiated for all games. A. C. Bishop Jr. of Hermleigh, league athletic director, was in general charge.

The teams were separated by not more than three points at any time during the final games. In the last half of the boys' game, only one point was between Ira and Fluvanna at any time. Ira led at the first quarter, 5 to 6; Fluvanna at the half, 9 to 8; Ira at the end of the third quarter, 14 to 13.

First Tourney Tilt. In the first boys' game of the tournament, played Friday evening, Pryon won from Crowder, regional champions, 28 to 11. Ira rang up a decisive 32 to 7 win over Dunn in the second tilt. Fluvanna bested

See WINNERS—Back Page

North End of Road Now Being Worked; Swerves Eastward

Work has been going forward this week on the north end of the new Highway 101 routing—the only section of the project that departs to any extent from the old right-of-way.

The new route leaves the old one a quarter mile south of the R. S. & P. tracks, swerving to the right across fields and pastures until it hits Highway 7 several hundred yards southeast of the present intersection.

Dust has held up the work a portion of the time, but State Highway Department and WPA officials express satisfaction with the job's progress for the usually blustery month of February.

"Big Shots" Given The Works by Boy Scouts of Snyder

Position, money, influence and evil tempers had little effect on enforcement of traffic regulations in Snyder last Thursday.

Members of the two local Boy Scout troops, who ruled the city for the day as a climax to a nation-wide birthday celebration of the boy movement, clamped the lid on all comers. Their fines of 25 and 50 cents, assessed and collected in official manner (offices were in the basement of the courthouse), netted more than \$30.00.

Among the traffic violators taken into custody by the "officials" were: R. J. Brice, county judge; Clyde Thomas, sheriff; J. A. Woodfin, former city marshal, and the majority of the town's business men. "Some of the 'big shots' couldn't take it," the boys will tell you with regret, as they recall some of the huffy results of their arrests.

By mid-afternoon, every stop sign and slow sign in town was being observed almost religiously. By Friday morning, however, with the boys back in school, traffic regulations again became little more than fleeting memories of yesterday.

New Appeal Out To County Folks For Flood Money

"With flood waters in the Ohio Valley slowly receding the Red Cross is entering the most vital phase of the relief operations."

This read a new appeal to Mrs. Carrie Line, county Red Cross chairman, for additional assistance from Scurry County. "We must return more than 200,000 flood refugees to their own homes, restore lost furniture, and replace household necessities," continues the appeal. "This huge task involves the expenditure of very large sums."

"Our present records indicate that your chapter has not yet reached the minimum quota. Please exert every effort to reach that figure as early as possible. The needs are very acute and we are depending upon every chapter to reach its quota in order that the Red Cross may meet its obligations to these homeless people."

Mrs. Line reports that the county has subscribed only \$281.30 out of its requested quota of \$325.

Largest donation since the last report was \$7.50 from a benefit ball game at Fluvanna, contributed by the community. Olin Johnson, \$1, and Mrs. George McDonald, \$2, are other contributions since last week's report. A five-dollar check from Eva B. Pettit of Borden County is the latest contribution.

Snyder Methodists Hear SMU Speaker; Plan Abilene Jaunt

Led by their pastor, Rev. H. C. Gordon, a number of local Methodists went to Colorado Wednesday night to be in a joint service at which Robert Goodloe, professor in Southern Methodist University, Dallas, was principal speaker.

The Colorado Methodist Church was host. Several other churches in this vicinity sent delegates to hear the educational leader.

Rev. Gordon and possibly other local Methodist leaders will go to Abilene Tuesday of next week for an all-day conference as guests of Dr. Thomas W. Brabham, president of McMurry College. More than 50 towns in the Abilene, Stamford and Sweetwater districts, will be represented. This is the regular date for meeting of the Abilene Methodist District, presided over by Rev. C. A. Long.

Ringleader of Trio Out of Jail on Bail

Carlton Jones, 17, said by officers to have been ringleader of the trio of boys who stole three bicycles here Tuesday of last week, was released from the county jail Saturday on bond of \$500, arranged by a relatives from Post, where Carlton resides.

The other members of the trio, Doyle James, 14, and Raymond Schockley, 11, both of Lubbock, remained in the county jail late yesterday. Officers said a sister of one of the boys was here Tuesday to make preliminary plans for arranging bond.

Local Amateurs Are Presented at Ralls

A group of local amateurs, pupils of Elaine Rosser Lambert, appeared at the Ralls Theatre, Ralls, for two performances, matinee and evening, Saturday.

First prize at the evening show, which was in contest form, went to Mary Ellen Brown, acrobatic dancer, and Snyder's representative at the Texas Centennial Exposition last year. Danny Jean Stark and Bettian Hicks, both of whom have placed in amateur contests before, tied for second place.

Others appearing on the program were: Forrest Crowder, Elwanda Spears, Vivian Nell Wilsford, Ruth Reeves, Wanda Moffett, Billie Jean Wilsford, Mary Beth Wilhelm, Adna LaVerne Saylor, Katrina Pearl Smith, James Perry Echols, Leslie Thompson, Bobbie and Tunny Johnson, Louise Wilsford and Flora Jane Louder. T. J. Teter was the accompanist.

Jim Galyean Named As Deputy Sheriff

Jim Galyean, nightwatchman here for several months, was named last week by the county commissioners Court, at the request of Sheriff Clyde Thomas, as a deputy sheriff, without ex-officio compensation.

At the same meeting of the court, Snyder National Bank was made county depository. Election officers for all county precincts, to serve during the next two years, were appointed by the court.

County Goes on KRBC 5 to 5:30

Scurry County will be on the air this (Thursday) afternoon, 5:00 to 5:30 o'clock.

During this half-hour period, more than 20 of her most talented musicians will broadcast a program for the entertainment of West Texas. Station KRBC, Abilene, invited the county group to provide this program.

W. T. Hanes, Hermleigh superintendent, who is to master ceremonies, will use four or five minutes of the program time to tell West Texas about Scurry County.

Gene Heard, program director of the Abilene station, was here last night for an addition of broadcast prospects in the school auditorium. Out of 17 numbers from all portions of the county, nine were chosen to represent the county.

Today's program will be one of a series on "Know Your West Texas"—programs provided through the courtesy of the new station.

A Snyder Lions Club committee has been working out plans for the broadcast for almost a month.

Singers Take Lead

Singers in ones, twos, threes and fours will make up all the program

except an accordion solo by Mrs. Earl Louder.

Hermleigh will provide the following: "Empty Saddles," mixed quartet; Willow Deane McMillan, Wiley C. McMillan, Kathleen Wilson and Chlorine Vernon; "When I Grew Too Old to Dream," duet, Teddy Jo McMillan and Elree McMillan.

From Fluvanna: "Dream Boat," duet, Doris Glen Willis and Dot Rea; "Gazing at the Blazing Fire," trio, Jettie D. Elkins, Juanita Elkins and Elmo Paver.

From Ira: "Rendezvous With a Dream," girls' quartet, Doris Wellborn, Charlene Wellborn, Bernice Birdwell and Geraldine Harder.

Three From Snyder. "Snyder's numbers are to be: "Twinkle in Your Eye," solo, Mary Ellen Brown; "Trust in Me," solo, Nell Carleton; "Midnight Blue," piano solo, T. J. Teter.

Accompanists will be: Fluvanna, Margaret Miller; Ira, Margaret Dell Prim; Hermleigh, Mrs. Blanche Patterson; Snyder, T. J. Teter and Mrs. W. C. Hollis.

Radio owners throughout this trade territory are invited to tune in this afternoon, 5:00 to 5:30 o'clock, to find out how their county talent sounds on the other ways.

Snyder Cuts Her WTCC Pledge to \$100 From \$175

At a meeting of directors of the Snyder Chamber of Commerce last Wednesday night, the city's pledge to the West Texas Chamber of Commerce was cut from \$175, where it has stood for several years, to \$100.

W. J. Ely, retiring director, announced that the new quota has been practically raised. Snyder last year raised \$200 for the regional work.

Financial condition of the community, plus dissatisfaction with the manner in which this section's special day was handled by the WTCC at the Fort Worth Centennial, were principal reasons given for reducing the quota. Sweetwater, Colorado and Big Spring, who joined with Snyder in observing a special day at Fort Worth, are reported to have made reduced pledges to the WTCC.

J. C. Smyth was named as WTCC director to succeed Ely, who has served three years.

Deputy Income Man In Snyder March 9

H. C. Broadbent, deputy collector of internal revenue, will be in Snyder Tuesday, March 9, from 8:30 a. m. to 4:00 p. m., in the courthouse.

This announcement from W. A. Thomas, Dallas, collector of internal revenue for the second district of Texas, indicates that Broadbent will be glad to confer with any Scurry County citizens concerning filing of their income tax returns.

Visit of a deputy collector in Snyder for this purpose is an annual occasion.

Ten New Paths of Hope for Tenant And Ten Drawbacks Listed by Paper

In a recent issue of The Progressive Farmer, 10 new paths of hope, by which ambitious tenants may expect to become home owners, are listed, along with 10 conditions under which farmers could not hope to become owners.

First—The old conditions, under which ambitious tenant farmers could not expect to become home owners:

1. No stability in prices of farm products.
2. Heavy down payments usually required on land with all remaining payments required in about five years.
3. Interest and renewal costs around 8 per cent per annum.
4. No protection against years of crop failure or price collapse.
5. "Time Prices" cost.
6. "Time prices" cost of production credit equalling around 40 to 50 per cent per annum.
7. Low and uneven returns from "money crops" because of overproduction of these crops.
8. Most unnecessary purchase of supplies for home living because of overplanting of money crops.
9. Alarming exhaustion of soil fertility by one-year tenants under absentee landlords.
10. Entire responsibility for attempting to work out home-owner-

ship plans left to individual tenants, usually poorly educated and equipped for taking such steps.

Second—The new conditions, under which ambitious tenants may expect to become home owners:

1. Administration committed to "parity price" program for farm products.
2. Smaller down payments to be required, and 20 to 40 years allowed in which to finish all other payments.
3. Interest only 4 per cent per annum—with renewal costs eliminated.
4. Extensions in cases of calamity; federal crop insurance also available.
5. Production credit and supplies obtained through production credit associations at 5 per cent per annum.
6. Stabilized and improved prices for "money crops" as a result of better adjusted production by home owning farmers.
7. Farming first of all to make a good living, estimating much unemployment compensation a part must be paid before February 25.

Boy Scouts, Others In Worship Service

The religious background of Boy Scout work was emphasized in a joint church service at the First Methodist Church Sunday evening. The building was well filled with boys from various sections of the county, their parents and friends, as the host church joined hands with the First Presbyterian, the First Christian and the First Baptist.

Rev. James E. Spivey, Presbyterian pastor, delivered the sermon of the evening. Alfred J. Stiles of Sweetwater, executive of the Buffalo Trail Council, presented a charter to the Fluvanna troop, recently organized.

Tax on Payrolls. Chairman-Director R. B. Anderson this week issued a final warning to Texas employers that their taxes on 1936 payrolls under the Texas unemployment compensation act must be paid before February 25.

S. S. Williams, 88, Veteran of Civil War, Dies Here

S. S. Williams, 88, veteran of the Confederate forces of the Civil War, died Sunday evening at 7:30 o'clock in his home in West Snyder. Death was attributed to a heart attack, climax of an illness of about two years.

The pioneer stockman retired from active ranch life 10 years ago and moved to Snyder. He ranched in Burden County 20 years. Prior to moving to West Texas, he resided at Hillsboro. It was in Ridge Park cemetery, Hillsboro, that the man who had lived in Texas 51 years was interred Tuesday afternoon, as several hundred friends and relatives from West Texas, Hill County and other parts of Texas paid final tribute.

He was born in Alabama on September 20, 1848. Before coming to Texas he saw service in the Civil War. He was a long-time member of the Presbyterian Church, of the Knights of Pythias, and of the Odd Fellows lodge.

Rites were held at the home of a daughter, Mrs. Frank Berry, Monday afternoon, 5:00 o'clock, in West Snyder. Rev. James E. Spivey, assisted by Rev. H. C. Gordon, officiated. Odum Funeral Home was in charge here, and carried the body overland to Hillsboro, where Marshall Undertaking Company assisted.

Rev. Alfred M. Dorsett of Dallas, former pastor of the local Presbyterian church, officiated at burial rites. Assisting him was Rev. Spivey, Rev. J. Stuart Pierce and Rev. Alvin Swindell of Hillsboro.

Surviving are his wife; five daughters, Mrs. Della Kent of Dallas, Mrs. Ben P. Smith of Hillsboro, Mrs. J. L. Robinson of Dallas, Mrs. Francis Berry of Snyder and Miss Maggie Williams, Borden County clerk; two sons, John R. Williams of Snyder and Bryan Williams of Post; several grandsons and granddaughters.

Palbearers were Bryan Williams, Sterling Williams, Willie Williams, Joseph Robinson and Burney Kent, grandsons, and J. D. Mitchell and Borden Gray.

Honorary palbearers were: D. R. Covey, D. Dorward, R. N. Miller, A. M. Clayton, A. J. Cantrell, Gail; O. P. Thrane, Abilene; A. E. Wiese, Stamford; Jim Dorward, R. L. Gray, N. M. Harpole, Jess Garner, Will Williams, Melvin Lewis, Joe Monroe, G. H. Leath, Hugh Boren, Fred Grayson, H. G. Towle, Alex Murphy, Snyder; J. R. Jenkins, Lubbock; J. A. Stallings, Judge H. G. Smith, Ben Williams, Post.

Two Snyder Youths Admit Stealing Car Here Monday Night

Two Snyder youths pled guilty Tuesday, in the court of Justice of the Peace P. E. Davenport, to a charge of car stealing. They were caught near Colorado by the Mitchell County sheriff Monday night, less than two hours after they had stolen R. C. Miller's 1936 Ford V-8 from its parking place near the Palace Theatre.

Miss Bonnie Miller and her mother, Mrs. Lora Miller, left the keys in the car while they attended the show; they reported to officers when they missed the car. The car had already been recovered and the boys taken in hand by Colorado officers when the theft was reported here.

A filling station attendant at Colorado became suspicious of the boys' actions when they purchased gas. He called the sheriff, who made the arrest on the Sterling City road, just south of Colorado, shortly after the boys had run the car in a ditch after misjudging a curve in the highway.

The youths were released Tuesday from county jail, where they were brought from Colorado Monday night. Their bonds were set at \$300 each.

Welfare Association Will Gather Friday

Mrs. Raymond Sims, chairman, announces that the Child Welfare Association will hold a meeting in the district court room Friday morning of this week at 9:30 a. m.

Each of the dozen or more organizations that are represented in the association is urged to have at least one representative at the meeting.

Progressive Study Club this week made a \$2.50 contribution to the work that is being carried on by the association.

HUNDREDS OF PLAYERS, FANS AND COACHES HERE TWO DAYS

LOCAL PAVING JOB READY TO START MOVING

Topping Will Be Placed on 26th Street, Which Runs Near the School, Hospital.

Snyder's long-delayed paving project is now just around the corner of pleasant weather.

With arrival of a big roller this week, the project awaits only good working days for the starting touch.

In general charge of the work will be W. L. Johnson, who has been the engineer in charge of the street work here for several months.

First topping will be placed on 26th Street from the R. S. & P. crossing, two blocks east of the square, to the intersection of the street with the highway in East Snyder.

This street was the first to be leveled and given curbs and gutters, and is probably the most used street outside the business zone. It carries not only a large amount of town, or town-to-highway traffic, but most of the school and hospital traffic as well.

Many blocks of Snyder's system of streets have been reworked during the past two years. Funds have been provided primarily by PWA and WPA, with some local assistance.

Heavy caliche base, curbs and gutters have now been practically completed under the present project, most of which traverses the more heavily populated southwest residential section.

ANOTHER TEST FOR THIS AREA

Scurry County's second 1937 oil test was spudded in last Saturday. It is Bristow & Cantrell's S. G. Tomlinson No. 1, located in the northeast corner of the south half of section 112, block 97. The well is down about 300 feet.

The E. L. Goss J. E. Murphy No. 1 is being drilled in the same section of the county, between three and four miles southwest of Ira. The new well is three-quarters of a mile northwest of the Goss-Murphy, which has reached a depth of 2,600 feet.

Proposed depth for both wells is 3,150 feet. Obie Bristow and Jim Cantrell, are operators pushing the latest Scurry County test.

Tigers Dropped by Fast Forsan Quintet In Local Gymnasium

Trailing most of the way, but staying in the game until near the close, Snyder Tigers lost to the Forsan quintet, 1936 district winners, in the local gym Saturday night, at the conclusion of the Class B tournament.

The final score was 31 to 23. The Tigers led just after the third quarter ended, 23 to 21, but with Wayne Gladson out on fouls, they stopped their sharpshooting as Forsan rolled up four field shots and two fouls.

McKinnon, visiting forward, was high point man with 9 points, five of them from the foul line. Aukley led the locals with eight tallies. Center Chambers and Guard Loper of Forsan and Guard Wayne Gladson of Snyder tallied 7 apiece. Parker of Forsan made 3. For the locals, Wayland Gladson rang up 4, Boren 1, and Andrew 2, Hall 1 and Tate 0.

Spectators were unanimous in saying that Forsan, favorite with Abilene to cop district honors this year, was the prettiest team seen on the local floor this season. One-handed "impossible" shots were their favorites.

Favorites Are Hard to Pick as at Least Half Dozen Teams Have Shown Real Class.

One thousand basketball players, coaches and fans are expected in Snyder Friday and Saturday for what promises to be District 5's hottest court contests in years.

Glistening like a still sea in the moonlight, the hardwood floor of Snyder's new gymnasium is ready for what may be the most brilliantly played games it will ever witness.

Snyder, too, is ready. Special efforts are being put forth by town and school to be the most hospitable host possible to representatives of the 10 counties that compose District 5.

First Games Friday. Teams will draw for places at the school building Friday at noon. The first game will be staged at 1:00 o'clock. One game will be played approximately each hour through Friday afternoon and the early part of the night.

Semi-finals will be played Saturday morning, 9:30 and 10:30 o'clock. Losers in the semi-finals will play Saturday evening, 7:30 o'clock. The final game will come at 8:30 o'clock.

Trophies will be awarded the district winner, the runner-up and the third place team. Gold basketballs will go to the all-district team members. The latter honors will be decided by a vote of all coaches who have teams in the meet.

C. Wedgworth, host superintendent, thinks the area is stronger this year than at any time in a number of seasons. Abilene, which has won 15 out of 17 mix-ups with high school teams, and Forsan, defending champion, have a slight edge in pre-tournament dope. But the edge is so narrow that they can hardly be mentioned as favorites without ringing in at least four other teams.

Hamlin, representing Jones County, nosed out Forsan, and went on to win the recent Colorado invitation tournament. Tuscola, Taylor County champ (Abilene comes directly to the district meet), is one of the topnotchers. Big Spring is thought by some to be a contender. Snyder's own Tigers, on a tremendous February spurt after dropping all early games, has split a pair with Hamlin, and lost to Forsan by only eight points. Colorado is also up and at 'em.

Who's Who From Where. Abilene, Big Spring and Sweetwater quintets, which are not required to engage in county elimination tournaments because of the size of their schools, will come directly to the district meet.

The county championship teams will compete with these three city teams, as follows: Jones County—Hamlin. Taylor County—Tuscola. Howard County—Forsan. Mitchell County—Colorado. Scurry County—Snyder. Fisher County—Hobbs. Kent County—Jayton. Stonewall, Borden and Nolan Counties will also enter their champions.

ALMANAC

Friends and miles fail us in hard places.

FEBRUARY

- 19—Aaron Burr, vice president under Jefferson, created for treason, 1807.
- 20—Revolt of Cubans against Spanish rule started, 1895.
- 21—Washington monument dedicated in elaborate ceremony, 1888.
- 22—First ground is broken for the Central Pacific railroad, 1863.
- 23—American steamer "Corby" sunk by mine off Cape Cod, 1915.
- 24—Bill to impose President Andrew Johnson is introduced, 1865.
- 25—Income tax amendment to the Constitution is proclaimed, 1913.

Each of the dozen or more organizations that are represented in the association is urged to have at least one representative at the meeting.

Progressive Study Club this week made a \$2.50 contribution to the work that is being carried on by the association.

The WOMAN'S Page

Carrell-Patterson Marriage Is Held St. Valentine's Day at Bride's Home

Two prominent families of the Union community were united by the marriage of Mildred Patterson, daughter of Mr. and Mrs. H. B. Patterson, and Rev. Harvey Carrell of Poyte, son of Mr. and Mrs. J. L. Carrell, the afternoon of St. Valentine's Day at the home of the bride's parents, 11 miles west of Snyder.

Rev. H. C. Gordon, pastor of the local First Methodist Church, read a beautiful ring ceremony in the presence of the two families and a few close friends of the couple. The service was at 2:00 o'clock Sunday afternoon.

The couple, both of whom were reared in Scurry County and graduated from the local high school, stood before an improvised altar of ferns, greenery and out flowers.

The bride was dressed for the wedding in a silk suit of coronation blue, worn with a lovely blue lace blouse. Her accessories were of white and blue, and she wore a shoulder corsage—pink rosebuds and sweetpeas.

Well-known in business circles of Snyder, Mrs. Carrell has been associated with local Bryant-Link Company store for more than four years. She worked before that time in other dry goods concerns here. She is a junior club worker in the city, holding membership in the Art Guild, an art study group, which also does civic work.

Rev. Carrell is a graduate of Snyder High School and of McMurry College, Abilene, where he was a ministerial student. Soon after completing his work at the Abilene school, he became pastor of the First Methodist Church at Poyte, and is in his second year there.

The couple left immediately after the ceremony, returning to Poyte, where Rev. Carrell is in charge of the service at his church Sunday night. They planned to leave their home there early this week for a wedding trip to El Paso and points in Mexico.

Mildred Patterson, who was married to Rev. Harvey Carrell of Poyte Sunday, was complimented at a number of gift parties before leaving Snyder for her new home at Poyte.

The last of them was a shower given at the home of Mrs. P. A. Melone in the Union community, to which neighbors and friends of the two families were invited. Held Thursday, the party was a delightful affair, and the honoree received numerous nice gifts.

Victory Bible Class Meets Wednesday

Victory Bible Class of the First Methodist Church met in regular business and social session last Wednesday afternoon at 8:30 o'clock in the home of Mrs. I. W. Boren. Mmes. Boren, E. B. Bough and Chas. J. Lewis were hostesses.

"Brotherly Kindness" was the subject for the devotional, with scripture taken from the New Testament, and a good magazine article on "Being a Good Neighbor" was also given by Mrs. A. M. Curry. A vocal solo by Mrs. D. P. Strayhorn, "Make Somebody Happy Today," was followed by a story told by Mrs. Allen Warren, with the title, "Learning to Swim Back to Happiness." Reports of visits, trays and garments for the past month were unusually good. Two quilts were given, to needy families. The hostesses passed a plate of cherry pie topped with whipped cream and hot coffee to the members present.

They were: Mmes. R. W. West, D. P. Strayhorn, A. M. Curry, A. D. Johnson, J. P. Avery, Tom Pish, R. W. Stokes, Joe Strayhorn, W. R. Shultz, W. A. Rogers, T. J. Patrick, H. C. Gordon and Allen Warren.

Local Girls Is On Debate Team

Estine Dorward, daughter of Mr. and Mrs. J. C. Dorward, is a member of the girls' debating team of Southwestern University, Georgetown, where she is a second year student. Her teammate is Jan Porter.

The local girl and Miss Porter, who are coached in debate by Professor T. H. Marsh, vied against girls from Mary Hardin-Baylor College, Belton, Friday in Temple. The debate was broadcast over the Temple radio station, and listeners will judge the event. No decisions had been announced early this week.

Tech Students Are Dinner Attendants

Virginia Will and Hazel Pollard, local girls who are students in Texas Technological College, Lubbock, were attendants at the annual club dinner given by Las Leales Fellowship Society, of which the two are members, Saturday evening at the Elton Hotel.

The affair was to honor three new members of the group, and alumnae, sponsors and special guests were also present. Miss Will appeared on the program, giving a reading. A Valentine motif was followed, with table centerpiece of red carnations and place cards of red paper hearts.

LET'S TALK ABOUT CLOTHES BY A YOUNG MODERN

The stores are showing interesting new hunches for early spring shopping, and they're excellent finds for the budgeteers with a slim clothes allowance. Bolero suits with all kinds of chic, the brief little jackets just clearing the waistline, the sleeves either long or short, some trimmed with braid to achieve even more Spanish flavor.

We find suits and still more suits—some tailored affairs, minus all that difficult precision seaming and styling of last season. Dress and coat outfits or suit and coat of soft woens are special favorites with girls at Texas State Teachers College for Women (CIA), Denton. Coat dresses to wear with furs are made with fitted streamlines of the smartest untrimmed coats of the new collections.

With suits getting out and around under fur coats or thick fleecy sweaters, the top problem is an interesting blouse. We've found a good supply of trim tailored affairs with much swank, ideal for suit wear and designed by an expert. Short sleeves fit smoothly into trim shoulder lines, a good collar—always the test of a good blouse—and two chest pockets.

Such simple, but clever blouses have always eluded shoppers at a time when they were needed the most, but here they are—right in the line. All the colors are available, and the material is a good thick crepe that launders beautifully.

For a few dollars you can buy a new bright colored handbag of soft doekin. The greens and scarlets are spectacularly good with bright blue and gray tones coming in for second place. Most of the bags are one style, the strap handle effect, but they're well made, smart, and ideal to perk up the old winter coat or ensemble.

Woman's Culture Has Two Affairs

In addition to their regular alternate Tuesday meeting this week, Woman's Culture Club members entertained last Thursday evening with their first guest party of the year. They plan another such affair in the spring.

The home of Mrs. W. G. Williams was the scene for the party last Thursday, as the 12 club members were hostesses to their guests. At the close of the evening's entertainment a plate of salads and sweets was served with coffee to those present.

Guests were: Mmes. I. A. Griffin, Lawrence Hays, Allen Warren, H. E. Rosser, Fred A. Grayum, I. W. Boren, A. C. Elkins, David Strayhorn, Joe Hale and D. M. Cogdell.

"Civic Improvement" proved an interesting subject for study at the regular Tuesday afternoon meeting of Woman's Culture Club, held at the home of Mrs. J. P. Avery this week. Mrs. J. R. Huckabee was in charge of the program.

At roll call, answered by members with "Advantages or Disadvantages of Our Home Town," listeners heard only advantages of Snyder from the group of loyal citizens. No disadvantages could be thought of by the group of women, but they all entered into the round table discussion of "Snyder's Greatest Need," led by Mrs. Huckabee. The patriotic "America" was sung by the group to conclude the program.

Mrs. D. P. Strayhorn, parliamentarian, directed a drill just before the refreshment hour, when the hostesses passed a plate of sweet pickles, cake and hot coffee.

The following members attended the Tuesday meeting: Mmes. P. C. Chenault, R. W. Cunningham, H. L. Davis, T. Egerton, J. R. Huckabee, E. F. Sears, D. P. Strayhorn, E. E. Westerbe, W. G. Williams and H. L. Wren.

Annual Husband's Party Is Thursday

Husband's evening, an annual observance of Twentieth Century Club, was held in the form of a forty-two party last Thursday, with the club entertaining at the home of Mr. and Mrs. D. P. Yoder. The affair took the form of a Valentine party.

Lovely potted plants and blooming geraniums decorated entertaining rooms, as a say group gathered for the club's annual sweetheart's party. At the close of the games of forty-two, a lovely plate of creamed chicken in heart-shaped petty shells, decorated sandwiches, cakes, pickles and coffee was passed.

Guests for the evening were: Messrs. and Mmes. C. E. Pish, Joe Caton, R. D. English, W. W. Smith, W. R. Bell, Mmes. W. J. Ely, H. J. Erce, J. P. Avery and Wade Winston; Charles J. Lewis, W. H. Ware, J. Nelson Dunn, H. M. Blackard, and D. P. Yoder.

Club members, who were hostesses for the evening, were: Mmes. P. C. Chenault, R. W. Cunningham, D. P. Yoder, Charles J. Lewis, W. H. Ware, J. E. LeMord, B. M. West, J. Nelson Dunn and H. M. Blackard.

WORLD DAY OF PRAYER HELD BY 59 NATIONS

World Day of Prayer was observed by local churches Friday in connection with a similar observance in more than 50 countries throughout the world. A program to formally open the day was held at the First Baptist Church at 10:00 o'clock Friday morning.

More than 35 were present for the program, and people came throughout the day for prayer and meditation. The Baptist women were hostesses during the entire day at open house to their own church members and visiting Christian people. Blooming pink geraniums decorated the church.

Mrs. H. L. Wren directed the Friday morning program. These taking part were: Mrs. P. W. Wolcott, vocal solo, accompanied by her daughter, Irene; Mrs. H. P. Redwine, talk, "Beginning of World Day of Prayer"; vocal duet, Beverly Johnson and Margie Arnett, accompanied by Mrs. Inez Brown; "Beautiful Garden of Prayer," piano numbers, Mrs. Willis Rodgers; male quartet, J. A. Woodfin, Lawrence Dever, Emmitt Butts and Earl Patrick; variations of "Sweet Hour of Prayer," piano, Mrs. H. C. Gordon.

The musical numbers were punctuated by seasons of prayer. Readings of scripture centered about the Lord's Prayer, found in John 14. World Day of Prayer was first observed in Snyder in 1913, and it has been an annual observance since that time.

The program was arranged by an inter-denominational meeting of women from four churches of the town—Mmes. S. T. Elza, R. H. Odum, A. J. Cody and H. L. Wren—who held their meeting Saturday, February 6.

Pretty Party Held in Cunningham Home

One of the prettiest parties of the Valentine season was that given by Mmes. Lamar Cunningham and W. L. Johnson at the home of Mrs. Cunningham last Wednesday afternoon, when the two entertained friends with bridge.

The Valentine motif in the tables was repeated with larger hearts on the score pads, to carry out the red and white color scheme which is popular for early February parties. Heart-shaped candies in red bon dishes were served during the games, and a lovely refreshment plate was passed at the tea hour.

High score prize at the close of the contract games went to Mrs. T. L. Lollar. Mrs. Raymond Sims took the traveling prize.

The guest list included: Mmes. W. R. Johnson, T. L. Lollar, Wayne Boren, G. B. Clark Jr., E. B. Yeatts, J. C. Smyth, Maurice Brownfield, E. M. Deakins, Raymond Sims, J. G. Hicks, J. D. Scott, H. G. Towle, A. J. Towle, Harold Brown, H. P. Brown, Jack Germain and Wayne Williams. Misses Lary Beth Wasson, Faye Harrell and Clara Belle Clark.

Busy Bee Club in Friday Meeting

Members of the Busy Bee Club, newly organized quilting club, met Friday at the home of Mrs. Otilie Abercrombie and enjoyed quilting for the hostess. Twenty members were present for the meeting, and three guests, Mmes. Bob Mather, B. S. Pitner and A. L. Jones, attended.

Officers of the new club are the following: Mrs. Annie Autry, president; Mrs. Alma Moffett, secretary; Mrs. Bernice Headstream, treasurer; Mrs. Edna Banks, reporter. Meetings of the club are held on second and fourth Friday afternoons.

The group adjourned at 5:00 o'clock Friday to meet with Mrs. O. L. Autry for the next meeting, Friday, February 26.

Local Girl in Honor Student

LaFrances Hamilton, daughter of Mr. and Mrs. W. W. Hamilton, was named on the first term honor roll at the College of Mines, El Paso, where she is doing second year work. She is retaining her rating as an honor student gained in the local high school, from which she graduated in May, 1935. The local girl was recently cast in a production to be given by the Channel Guild, city-wide dramatic organization, and will appear in the play soon.

Markets to Celebrate. Mr. and Mrs. A. M. Merket, pioneer residents of the China Grove country, will celebrate their fiftieth wedding anniversary Sunday with open house for their relatives and many friends. Callers are invited during the day.

Local Dentist Speaks to Club

Dr. J. G. Hicks, local dentist, gave an interesting illustrated lecture before members of the local Art Guild at the club's regular meeting held Tuesday night at the home of Mrs. R. E. Boyer.

Mrs. W. P. King, director for the evening's program, issued the invitation to Dr. Hicks to talk on "Dental Health." His words and illustrations by charts published by the National Medical Association proved both interesting and instructive. He talked at length on the dental health of local school children, stating that he and other doctors of the town hoped that with the assistance of federated clubs of Snyder to correct a number of the cases found in a recent school survey.

Following the lecture by Dr. Hicks, Dorothy Egerton talked on "The Extent of Medical Services," and Omah Ryan reported on "The History of Cancer." To follow the club's study of the American Indian, Mrs. King gave high points on "Indian Diseases."

During the brief business meeting, members of the Art Guild voted to give \$2.50 to the Child Welfare Association, which has been actively engaged in local welfare work for several months.

The hostess served individual cherry pies topped with whipped cream with coffee to the following club members: Nelynn Berry, Alta Bowers, Omah Ryan, Grace King, Mary Ruth Spears, Mary Bob Hale, Raylene Smith, Ila Bee Mitchell, Bonnie Ruth Nance, Effie McLeod, Annie F. Sewell, Vera Periman and Dorothy Egerton.

Next meeting will be March 2, with Grace King as hostess.

It is so much easier to head off extravagant desires than to pay off burdensome debts.

Those who state their private opinions haven't any.

Beware The Cough
From a common cold
That Hangs On
No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies, such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect, and most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results. Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and

Alberta Sturgeon Is Student Leader

Alberta Sturgeon, a senior student in the University of Texas, Austin, is taking active leadership among the young people of the Baptist Church at the university, according to publicity from the school.

She is president of the Baptist Student Union and secretary of the Lattimore Sunday school class, composed of 400 university students. She is also a member of the University Young Women's Christian Association and of the Classical Club. In connection with her work in the church the local girl, who is the daughter of Mr. and Mrs. Warren Sturgeon, has taken leading roles in several plays presented by students in the church.

Before entering the university at the beginning of last year, Miss Sturgeon attended Mary Hardin-Baylor College, Belton, and Hardin-Simmons University, Abilene. She was valedictorian in her high school class, the class of 1933, Snyder High School. Miss Sturgeon is majoring in English.

The straight-forward man, as the description implies, is going straight forward.

A man is done for if things have to be done for him.

Less Monthly Discomfort
Many women who so rarely suffer from a week, run-down condition as a result of poor assimilation of food, say they benefited by taking CARDUL, a special medicine for women. They found it helped to increase the appetite and improve digestion, thereby bringing them more strength from their food.

Naturally there is less discomfort at monthly periods when the system has been strengthened and the various functions restored and regulated.

Cardul, made by the thousands of women, is well worth trying. Of course, if not benefited, consult a physician.

ANNUAL FETE IS ENJOYED BY CLUB, GUESTS

Annual sweetheart's party for Altrurian Daughters last Thursday evening followed the tradition of such affairs by proving enjoyable for more than 30 of the younger club women and their sweethearts.

Misses Bonnie Miller and Gwen Gray were hostesses to the group at the home of Miss Miller for the Valentine party. Games of hearts took the place of the customary bridge-playing at the party. Prizes were awarded to Dorothy Strayhorn and Hadley Reeve at the close of the evening's entertainment.

Appropriate Valentine decorations were used in the rooms—red hearts strung across windows and also decorating the tables. Score pads, tables, table covers, refreshments and party favors carried out the chosen color note of red and white and the Valentine motif.

Refreshments of individual cherry pies with whipped cream, salted nuts and hot coffee were passed by the hostesses to those present.

Club members attending were: Mattie Ross Cunningham, Dorothy Strayhorn, Margaret Dell Prim, Marie Casey, Vesta Green, Kenneth Alexander, Mmes. E. E. Spears, J. D. Scott, Herman Darby, Herman Doak, J. P. Strayhorn and Forest Wade, and the hostesses.

Guests were: Misses Ruby Lee, Johnnie Mathison and Annie F. Sewell; Hadley Reeve, E. E. Spears, Brad Boren, Wesley Norred, Victor Drinkard, J. D. Scott, Herman Darby, Herman Doak, J. P. Strayhorn, James Allen, Carl Englund, Grover Scott, Forest Wade and Bill Horton.

Three Guests Are Honorees at Party

Three out-of-town girls were named honorees at a party Saturday night given by Vera Periman at the home of her sister, Mrs. J. D. Mitchell. Honorees, who were week-end guests of Miss Periman here, were Misses Hazel Duncan and Gladys Sanders of Lubbock and Jewell Satterwhite of Post.

A Valentine motif was given emphasis in decorations and appointments for the party, and the hostesses served cherry pie with hot coffee to those present. Lillian Abney took the prize at the close of hearts games, which furnished entertainment for the guests.

Those present were: The honorees, Mrs. Mitchell, Margaret Dell Prim, Wanda Newman, Lillian Abney, Annie Fannie Sewell, Margaret Williams, Mattie Ross Cunningham, Lee Alvins Hays, Ethel Lynn Hays and Maurine Cunningham of Lubbock.

Study Club Gives \$2.50.
The Progressive Study Club this week donated \$2.50 to the treasury of the Child Welfare Association, community-wide group whose major project just now is feeding 20 to 30 under-nourished children daily in the local school system.

Local Patrons Are Invited to P.-T. A.

All school patrons are cordially invited to attend the meeting of Parent-Teacher Association this (Thursday) afternoon at 4:00 o'clock in the school auditorium.

Mrs. J. Nelson Dunn, president, will be in charge of the business session, and Mrs. B. M. West, a past president, will direct the program.

Founders Day will be observed at the meeting this week, and tribute will be paid to the founders of the national organization and also to state and local leaders.

Features of the program will be a one-act play, "A Founders Day Ceremony," and a tree-planting ceremony, at which a peach tree will be planted and dedicated to the memory of Mrs. C. Wedgeworth. Mrs. W. W. Smith will sing "Trees," and her number will be followed by a talk by Mrs. W. R. Bell, who is in charge of the tree-planting.

Workers Entertain With Valentine Party

Workers in the children's division of the First Methodist Church entertained their pupils with an enjoyable Valentine party in the basement of the church Friday afternoon at 4:00 o'clock.

Fifteen workers and 80 children were present for the afternoon games. Refreshments of sandwiches, cookies and hot chocolate were served late in the afternoon.

Woodman Circle to Meet

Local chapter of Woodman Circle will meet Friday night, February 19, at 7:00 o'clock in the home of Mrs. Ethel Eland. All members are requested to be present.

MRS. PREUITT IS PRESIDENT OF ALTRURIAN

Mrs. A. C. Preuitt was elected Friday afternoon as president of Altrurian Club for the ensuing club year. Mrs. R. L. Gray was named as vice president, Mrs. J. C. Forward as recording secretary, Mrs. E. J. Anderson as corresponding secretary and Mrs. J. C. Stinson as treasurer.

Mrs. Melvin Blackard was guest speaker for the meeting, which was held in the home of Mrs. Preuitt. Mrs. J. C. Forward directed a lesson on practical English following the short business session.

Special feature of the program was the book review by Mrs. Blackard. She chose "Of Lena Geyer" by Marcia Devenport for her review. The story was a composite picture of famous metropolitan opera stars in the biography of a great musician. Well given by Mrs. Blackard, the story was enjoyed by members of the club attending the meeting.

The hostess passed dainty refreshments at the conclusion of the program to Mrs. Blackard, only guest, and the following club members: Mmes. W. R. Bell, Hugh Boren, H. P. Brown, J. C. Forward, R. D. English, W. W. Hamilton, W. P. King, J. W. Leftwich, T. L. Lollar, J. C. Stinson and H. G. Towle.

Uniform Health Urged as Way to Prevent Disease

Importance of maintaining uniform good health for all parts of the body is stressed in a message sent out by Dr. George W. Cox, state health officer. "More and more," he said, "we are coming to realize that the normal functioning of special parts of the body are dependent to a large extent upon the general condition of the body as a whole.

"All parts of the body are nourished from the blood stream," he said, "and so if all the essential elements of the body are met by an adequate food supply daily, each part will receive what it needs to function normally. Experimental work in nutrition in all parts of the world has shed new light on the relationship between a properly balanced food intake and the eyes.

"Essential to adequate nutrition is the inclusion in the diet of foods containing vitamin A. When general bodily health is impaired by a lack of vitamin A, it often happens that the tear glands of the eye cease to function. Such results have repeatedly been shown in animal experimentation, and also among humans in times of food shortage. During the World War extreme cases of this eye disease known as xerophthalmia were found in Denmark among malnourished children who were living on skimmed milk and a very restricted diet. To cure this disease, the government ordered that butter be added to the diet and a certain percentage of butter fat be retained in the milk.

"Since vitamin A is such an important factor in growth, development and health, it is essential that every one, especially children, eat foods containing it. Vitamin A is found principally in green and yellow vegetables, in fresh eggs and cream, and in various animal fats. It may be manufactured from carotene, the yellow coloring matter of these foods.

"Although a deficiency in vitamin A might not result disastrously immediately, its effects over a period of years probably would culminate in a lack of normal growth, physical debility, and injury to various parts of the body."

Sports Notes from Snyder Hi School

The Tigers played the Colorado Wolves at Colorado Friday night, January 22. The Colorado line-up was composed of large, experienced boys. The score was close nearly all the game. The Tiger defense clicked smoothly until near the last when J. P. Tate, Leon Andrews and Charley Morrow were taken out on too many fouls. After this Colorado forged ahead to take the game, 29 to 20.

New color was shown by the Tiger basketball team with the addition of Wayne and Wayland Gladson to the squad here Monday night, January 25, as they gave the Wolves from Colorado a hard battle. There was not complete team work owing to the short time the twins had been working out with the team. Anyway, those Tigers fought to a defeat.

Did you know that Snyder will have the most letterman back next year for football he has had in many a year. Eleven, counting Vernon Moffett, who did not receive a sweater. What a start!

Although the Tigers made three more field goals than did the Roby Lions here January 27, the Lions took their larger share, 29-26. At the half, the score was 19-5, in favor of the Lions. With three minutes to play, the Tigers failed to tie the score, but Roby made unifying points and Snyder lost a thrilling, hard-fought game. Those necessary spectators were aroused to a high pitch of enthusiasm, which seemed to give heart and courage to those wearers of the Black and Gold out on the court.

The largest crowd of the year almost yelled their lungs out in Tiger gym Friday night, January 29, as the Tigers downed Sweetwater's Mustangs, 25-9. The crowd showed that old Tiger spirit as an effort to make up for lost support.

The first few minutes were slow, as usual, but the yells of the crowd seemed to put fire into the boys, and they began to steam roll. The Mustangs had a good defense, which made going hard and their offense was not bad. The Gladson twins were the spark plugs of the Snyder defense. There were no offensive stars. Boy, oh boy, did those Gladson twins boost our team!

Let me tell you a bit of news to gossip around the fireside, barn school room (even when the teacher is looking), and at the famous "Tavern." Snyder is going to be the host to the district basketball tournament, to be held in the Tiger gymnasium, February 19-20. We have won from Sweetwater, Loraine and Hamlin, and the boost given the team by Wayne and Wayland puts the Black and Gold in a dandy position to cop the district. Too good to be true, you say? Well, look at a slant or two. While our team had

How Recent Automobile Strike Affected the Nation

The automobile industry is one of America's largest buyers of raw material and manufactured products. The map above shows a few of the principal products bought by motor manufacturers in each of the 48 states, at a total cost for 1936 estimated at more than \$1,000,000,000. Significant as this is in indicating the nationwide effects of a strike, it is far from complete. Another map might show, state by state, the thousands of dealers and salesmen directly affected.

KNOW TEXAS... Fluvanna Loses County Title to Berry's Quintet

Approximately 18,668 unfortunate Texans will require care from state-supported charitable institutions this year. The blind, the deaf, the dumb, the insane, the aged and homeless men, women and children, and the tuberculosis patients of the state are now cared for in 17 separate institutions widely scattered over the state.

To care for this large number of unfortunates, the board of control recently recommended a budget of \$14,288,299. It has also recommended a new insane hospital in West Texas, centrally located to serve that section; facilities for 150 additional patients at the Abilene state hospital for epileptics; a new building at the tuberculosis Sanatorium; a cottage-type building at the Gainesville girls' training school; and the expansion of child welfare division activities to relieve the strain on orphanages.

State institutions include the Texas School for the Blind, Austin, with 230 students; Texas School for the Deaf, Dumb and Blind for Colored Youth, Austin, 283; State Home and School, Corsicana, 859; Austin State School, Austin, 1,298; Confederate Home, Austin, 190; and Confederate Woman's Home, Austin, 91.

The State Tuberculosis Sanatorium, San Angelo, 600; Home for Neglected and Dependent Children, Wichita, 379; State Juvenile Training School, Gatesville, 972; Girls' Training School, Gainesville, 240; and state hospitals at Abilene, 1,106; Austin, 2,331; Rusk, 2,250; San Antonio, 2,550; Terrell, 2,368; and Wichita Falls, 2,200.

Coach Glen Berry's Tigers won the Scurry County title with ease this week, defeating Fluvanna Buffaloes Tuesday night, 31 to 8, and Wednesday night, 35 to 11. The first game was played at Snyder, the second at Fluvanna.

Wayne Gladson led in honors Wednesday night, with 13 points. Fluvanna made one field goal in the first game, three in the second game.

The first game was a rough and tumble affair that saw Fluvanna held to one field goal. The visitors made six points from the foul line, bringing their total to 8. Wayne Gladson led the way for Snyder with five field goals. Snyder's total was 30 points.

Autry, usual scoring ace for the Tigers, went out on personal fouls, as did Tate, guard, after Autry had scored 7 points and Tate 5 points. Andrews, center, made 5, Wayland Gladson made 3, while Hall and Morrow, who saw some service, failed to tally.

Fluvanna's lone field goal was made by Turner, forward, early in the fray. He later made one foul toss. Clayton, guard, made a trio of single shots, while Rhodes made one, Sullenger 1. Roddy, Browning and Belew failed to score.

Snyder led at the first quarter, 6 to 3; at the half, 16 to 3; at the third quarter, 23 to 7.

Mrs. Harry Ward of Breckenridge, the former Miss Maurine Stinson, was a week-end guest of her parents, Mr. and Mrs. Ollie Stinson. Mrs. Ward's husband, a graduate of Abilene Christian College, is freshman coach and a teacher in the Breckenridge High School.

H. L. Skinner of Abilene, district manager for Southwestern Life Insurance Company, was a guest of Mr. and Mrs. William A. DeBoid, local agents, here last week.

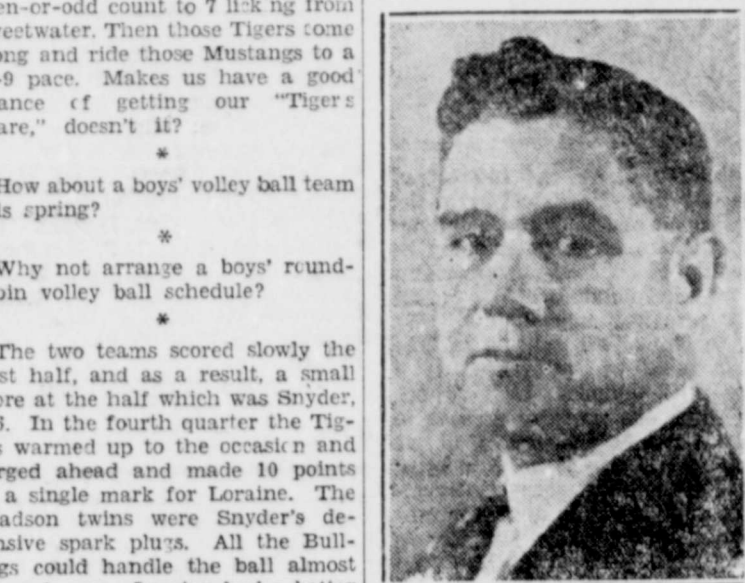

Mavis Webb was a guest last week of her sister, Mrs. Jack DeWald, in Lubbock. She was joined there Saturday by Allene Curry, who was a week-end guest of the DeWalds.

Mr. and Mrs. H. V. Williams had as their guests Saturday night and Sunday their two youngest sons and families—Mr. and Mrs. H. V. Williams Jr. and daughter, Margaret Ruth, of Lamesa, and Mr. and Mrs. Ted Williams of Graham.

HERMLEIGH TO PLAY HOST TO LEAGUE MEET

Community Agrees to Finance the Annual School Event and Pay Old Debts of League.

Most Interscholastic League events for Scurry County this year will be held at Hermleigh, it was decided by the executive committee Tuesday night.

The committee accepted the proposal of Hermleigh, as made by Superintendent W. T. Hanes, to finance this year's events and to pay an indebtedness of about \$35 carried over from last year. No charge will be made for contestants to enter, and no charge will be made for witnessing any of the events held at Hermleigh.

Snyder has been host to the league events each year for a number of seasons, and was host Friday and Saturday to the basketball meet.

Hermleigh's Proposal.
Following is the full proposal submitted to the executive committee by Superintendent Hanes:

1. All remaining events of this year's meet except choral singing, one-act play and volleyball are to be held at Hermleigh.

2. The league agrees to designate A. C. Bishop Jr. as its purchasing agent and give him all proceeds of the county basketball tournament except enough to pay a debt of about \$35, carried over from last year. In addition to the above proceeds the league agrees to give Hermleigh all the proceeds of the choral singing, one-act play and volleyball.

To Buy All Trophies.
3. In consideration of the above, Hermleigh is to buy all trophies and cups designated by the executive committee.

4. Hermleigh also is to give pennants or banners for all second place group events of the regular Interscholastic League county meet.

5. Hermleigh is to give first and second medals for all single events of the regular Interscholastic League meet.

6. Hermleigh is to pay for judges for the same events for which paid judges were used last year.

7. Hermleigh is to furnish a com-

Midway News

Callie DeShazo, Correspondent

Miss Lucille Hinkle and Ira Williamson were married last Thursday. They will make their home in Marble Falls.

There will be a B. T. U. program at Midway next Sunday after Sunday school. Everybody is invited.

Mr. and Mrs. Clyde Brown and daughter, Mr. and Mrs. W. M. Walls and children, Mr. and Mrs. Alton Sumruld of Strayhorn, Mr. and Mrs. Grover Walls and son of Hermleigh and Mr. and Mrs. Morris Williams and children of Snyder gathered in the Walter Walls home Sunday to celebrate little Sammie Walls' birthday.

Mr. and Mrs. Dorn DeShazo and son moved last Tuesday to Portales, New Mexico.

Mr. and Mrs. Marshall Butler were Saturday night guests of Mr. and Mrs. Curt Horton of Sweetwater.

Mr. and Mrs. Roy Webb and son of Lamesa were week-end guests of Mr. and Mrs. Buddie Howell and son.

Mrs. Elmer Boatwright and children moved to Snyder last week.

Miss Sally Duke returned home Saturday from Snyder, where she has been at work.

Pentecostal Church

Announcing a change in our services, as follows: Cottage prayer meeting every Wednesday night; choir practice Friday night; cottage prayer meeting Saturday night; Sunday school, 10:00 o'clock; preaching, 11:00 o'clock every Sunday morning; evangelistic service every Sunday night.

Go to church somewhere!—A. M. Fox, pastor.

Misses W. W. Hill, Fla Joyce, W. C. Hollis and Glen W. Berry were in Lubbock Saturday. They were accompanied home by Martha Jo Jenkins and Margaret Deakins, both students in Texas Technological College, who spent Saturday night and Sunday here.

The time to quit work is when the job is finished.

petent field judge and two assistants from outside the county for the regular track meet.

Directors in Charge.
It is further agreed that Hermleigh does not propose to take away the duties or responsibilities of any member of the executive committee or the duties of any director of any event except those mentioned above. We do propose, however, to help, aid and assist in any manner possible to make the county meet a success.

We further agree to have our buildings and grounds in readiness at all times for use of the league events as they are scheduled by the executive committee.

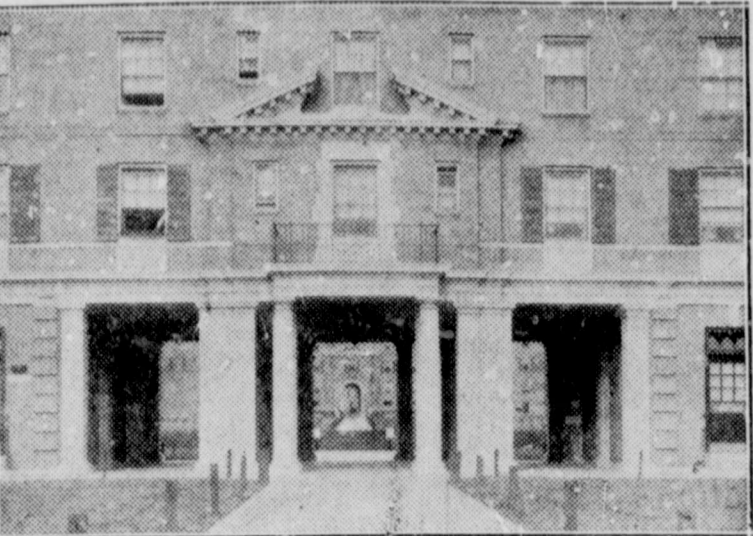

We further agree and guarantee that no contestant will be charged a fee for participation and that no charge will be made to see the track meet or any other event scheduled at Hermleigh.

(Signed) W. T. HANES.

Housing Contrasts Since PWA Took Drastic Steps in Greater New York

Wash day in a characteristic neighborhood of the older slum districts of the city. Such sections

are rapidly being razed. On the right, an imposing entrance and courtyard of modern residence block sponsored by the Public Works Administration at Woodside, Long Island. The scene is

a typical one that might be duplicated in many communities over the country.

Dunn Baptists Are Thankful for Work of Former Pastor

Members of the Dunn Baptist Church submit to The Times the following token of appreciation for the services of Rev. R. R. Cumble, who last Sunday resigned his work there to move to Knott:

"The church regrets the loss of our beloved pastor and wife very much. Rev. Cumble is fulfilling God's mission here on earth. Not only at Dunn but everywhere he goes we find him sowing seeds of kindness for everyone. He has never missed an appointment but what he had someone to fill his place. We have never known him to let God down.

"We have always found by his side, helping bear the cross, his loving wife. Mrs. Cumble is never too busy to stop and lend a helping hand to the needy. We are sure there will not be a crown big enough to hold the stars she deserves.

"When their friends gather about their open graves and appraise what their lives have been worth, the paramount question will be, not how much money they accumulated, what education they had, what honors were theirs, but whether or not they added to the sum total of human happiness and made the world a little better place in which to live.

"The Saviour set the correct standard for greatness when he said, 'Let them who would be the chiefest among you be the servant of all!'"

Snyder General Hospital

Austin Erwin Jr. of the Snyder Insurance Agency underwent major surgery at the hospital Tuesday morning. His condition was satisfactory yesterday.

Other surgical patients during the past week have been the following: E. W. Clark, Snyder; Frances Ferguson, Hermleigh; W. C. Scrivner, Snyder; Mrs. Syble Barber, Colorado; W. H. Lindley Jr., Snyder. All of them were still in the hospital late yesterday.

Medical patients the past week were the following: Mrs. M. B. Arick, Midland; Frances Stinson, Snyder; Mrs. Buford Browning, Fluvanna; Mrs. Browning was still in the hospital Wednesday.

Mr. and Mrs. Lucian Oshner and son of Texon were week-end guests of Mrs. Oshner's parents, Mr. and Mrs. J. L. Byrd.

Mrs. Stone Carden returned Saturday from Odessa, where she has been nursing her daughter, Mrs. F. E. Eppler, who has been seriously ill with pneumonia and flu. Mrs. Eppler is much improved.

Sykes Curry of Eunice, New Mexico, left Wednesday morning, returning there, after a few days' visit with his mother, Mrs. A. M. Curry.

1-MINUTE SAFETY TALKS

By Don Herold

Letters from the People

Our Readers Speak

Editors, The Times:

We hear quite a bit of talk nowadays about the small rural school. Landowners in the small districts are fearful lest an adjoining high school district swallow their schools. They have good reason to feel that way. The educational leadership of our state is pulling for just such a result.

Educators get periodical "fads" in their heads. Not many years ago they went "nuts" over tests and measurements. Then for a while it was consolidation of the small schools. Next came centralization of high school students, and along with it the curriculum revision program. Each was thought to be the exact solution to certain phases of our educational problems. There are good points to all these methods of improving our schools.

I wish to take a few blows at the centralization of our upper grade pupils as it is carried on in this county. Practically all of the schools of Scurry County are suffering as a result of unintelligent following of this well intended program. Buses are bringing in students from outlying districts and taking pupils whose enumeration is badly needed in the smaller schools, and packing them into the already over-crowded centralized schools.

Many of the small schools have had to reduce their teaching force, thus creating a heavier burden of upkeep in proportion to the teaching force. This also results in cutting down the amount of state aid for salaries and shifting it to the account of transportation aid. Even the huge sums paid into the large districts do not pay for the high cost and operation of the buses.

A system of transportation in districts for the pupils whose grades are not taught is a fine thing. But reducing the grades in order to put on a bus through a district is not. It amounts to virtually destroying the small schools of the state. There are educational leaders in this state petitioning the Legislature for the destruction of the small schools. If they have the influence with the lawmakers that they wish to have, a law will be passed to give the state board of education and the state department of education the power to consolidate, or combine, adjoining districts when they deem it practical. Such a plan would mean dissatisfied patrons, increased taxes, and community destruction.

As a teacher, I have the interest

of children above the interest of anything else. I believe I know the rural people and their needs and desires. There is no such thing as "equality of educational opportunity" for rural children. That phrase is a practical impossibility. We can centralize the schools so that pupils could be transported to a large, well-equipped high school. But when our six-year-old has to board a bus at 7:00 o'clock in the morning and ride 25 miles in order to get to the place where the equality of opportunity is to be administered, an extra burden has already been placed upon that child that will more than offset his opportunities. Under a properly managed system the country child has quite an advantage over the city child in securing his education. In the first place, he usually learns more outside of school hours, because of his greater opportunities. By the time he starts to school he can ride a horse, milk a cow, drive a team, chop wood, and knows practically all the birds of his community by name and song. He can swim and fish, and knows the trees, flowers and wild animals by name.

All these things mentioned are to become part of the school program under the new curriculum which is to be put into effect next year. This leads us back to a statement made by President Garfield in speaking of one of his college professors. He said: "A lot with a student at one end and Mark Hopkins on the other is my ideal college." With all of our intricate and expensive frilleries of modern education, that statement is still true. A student—one willing to learn—and a teacher—one qualified to guide and instruct—are the most important essentials of a school.

Our schools should be progressive. But nothing is progressive that destroys that which is good. A progressive program of education can be carried on in the small schools as well as in the large ones with the proper financial and administrative support. As the season approaches for the planning of the school program for next year, I appeal to trustees and school people, as one interested in the welfare of boys and girls, to consider well the future of their communities before allowing

Mr. and Mrs. Melvin Blackard left Monday for Marlin, where the local groceryman will try to regain his health.

Misses Hazel Duncan and Gladys Sanders of Lubbock and Jewell Satterwhite of Post were week-end guests of Vera Periman here.

Guests of Mrs. Ethel Eiland Sunday included Mrs. Charley Hodges of Sweetwater, the former Miss Ann Duncan, who was connected for several years with the local office of Texas Electric Service Company, and Mrs. Baxter. Both women were from Sweetwater, and Mrs. Hodges is still working for Texas Electric there.

Bonnie Miller, Johnnie Mathison, Janice Erwin and Ruby Lee visited in Abilene Sunday.

Mrs. Allan Moses and Mrs. Herbert Bannister and sons, Billy Herb and Jay, all of Lubbock, are visiting with Mrs. R. C. Grantham and other relatives here.

them to be absorbed by the larger districts that are already overcrowded.

Services Held for Sweetwater School Principal Tuesday

Brief funeral services for Arthur V. Williams, principal of Newman Senior High School, Sweetwater, who died suddenly at 2:30 o'clock Tuesday morning at his home, 1115 Silas Street, were held at the First Baptist Church at 2:00 p. m. Tuesday, with Rev. E. D. Dunlap, pastor, officiating. R. S. Covey, superintendent of schools, paid tribute to him by telling of his excellent work and accomplishments during his acquaintance with him.

The cause of the death of Mr. Williams, a former Abilene High School teacher, was thought to have been a blood clot on the brain.

Following the services held at Sweetwater, the body was carried to Abilene, where another service was held at the First Baptist Church there, with Dr. M. A. Jenkins, pastor, officiating, with the assistance of Dr. J. D. Sandefer, president of Hardin-Simmons University, from which Mr. Williams graduated in 1934.

Principal King Sides of the local high school attended the services.

Gold, silver, copper and lead mined in Texas last year had a gross value of \$1,141,573, compared with \$781,614 in 1935.

County Women to Funeral in Austin

Misses J. S. Brachury, W. B. Werner and Warren Sturgeon and Miss Vernelle Frachury left Snyder for Austin Tuesday to attend the funeral of W. W. Thomason, nephew of the local women, which was held Wednesday.

Thomason, an internal revenue agent, was killed Sunday during a raid on an illicit still on the Colorado River, five miles west of Austin. No federal charges had been filed Tuesday, according to the local women.

Some people depend more on their clothes than on themselves.

Folks, There's—

IT'S WAFFLE TIME

Make Them Right at Your Table.....

Surprise the family tomorrow morning by serving crisp, golden brown waffles with bacon and preserves or syrup. You can cook them as fast as needed right at the table and serve them piping hot.

Try this recipe which makes 6 waffles: 2 cups of pantry flour; 4 teaspoons of baking powder; 1/4 teaspoon of salt; 2 tablespoons of sugar; 2 eggs; 1 1/2 cups of milk; 6 tablespoons of melted butter. Sift the dry ingredients together. Beat the egg yolks and add milk to the dry ingredients. Beat until the batter is smooth. Add melted butter and fold in stiffly beaten egg whites.

Modern waffle irons are easy to use and easy to keep clean. See the new waffle irons with the heat indicator at our store or at other stores which sell electric appliances.

SERVICE CLUB HAS MEETING AT FLUVANNA

John Stavelly, Master of Ceremonies, Says Communities Depend on One Another.

Taking another step in carrying out its "good neighbor" policy, Snyder Lions Club went to Fluvanna Tuesday at noon, almost 30 strong.

John Stavelly, master of ceremonies for the host town, told the visitors and at least 20 of his neighbors that Fluvanna and Snyder depend on one another.

High school girls, under the direction of Buford Browning, served plating plates of turkey and trimmings, in three courses, to the home folks and visitors.

Plenty of Music. True to its reputation, Fluvanna offered a variety of music to entertain her Tuesday guests.

Neighbors Praised. Superintendent Wedgeworth reminded visitors that Fluvanna depends to a great extent on adjoining communities for its business and school success.

Lions Thank Hosts. Frank Farmer, club president, thanked Fluvanna for her gracious food and program and hospitality.

A similar visit was made by the Lions Club to Hermleigh in December. Trips to other communities of the county have been discussed, and will probably be made later, said the president.

MIGHTY MITE

Tiny Danny Jean Stark of Fluvanna has been winning the hearts of many hearers with her tap dancing and singing.

KNOW TEXAS

By F. L. McDonald, Texas State College for Women, Denton

The appearance of 1937 license plates in Texas this month focuses attention on the state prison at Huntsville, where these plates are manufactured.

The prison system includes a central plant and headquarters at Huntsville, and twelve farms which are in active operation.

The food manufacturing industry is located on Central Farm near Sugarland, and the other manufacturing industries, mechanical and construction departments, printing shop, shoe shop, mattress factory, and license plate factory, are centered in Huntsville.

Mrs. Josephson Back. Mrs. Marcel Josephson, who underwent a major operation in San Antonio during the New Year holiday season, was returned to Snyder late last week by her husband, who left here early in the week.

First Baptist Church. The pastor will preach at 10:50 and 7:30 Sunday morning and evening. The male quartet will sing "Wonderful Story" at the morning hour.

NEW PENALTY DUE IN MARCH

A two per cent penalty will become effective March 1 on 1936 taxes, points out County Assessor-Collector Bernard Longbotham.

Penalty and interest on 1935 taxes will increase next month from 12 to 12 1/2 per cent. Penalty and interest on taxes for prior years will jump from 18 to 18 1/2 per cent.

Continued good payment of both current and delinquent taxes is reported for February by Longbotham and also by J. S. Bradbury, city-school collector.

Resolutions of Respect. To the Worthy Matron of Snyder Chapter 450 of the Order of the Eastern Star.

Whereas, the Supreme Master of the universe, in the exercise of his inscrutable wisdom and discretion, has taken from our midst our beloved Sister Annie Black, therefore be it

Resolved, that while our hearts are sad because of the going of our sister and friend, and we fully realize in her death this chapter has lost one of its most useful and beloved members, one who loved and cherished the principles of the order, we yield in dutiful resignation to the will of the Most High with thankful hearts, that it has been our privilege to know and labor with her.

Resolved, further, that these resolutions be spread upon the minutes of this chapter, that a copy be furnished the family, and a copy be published by The Scurry County Times.—Mrs. Mamie Dunn, Mrs. Vera Temple, Mrs. Dewey Odom. 11c

Erol Howell Leads Band. Pecos High School Band, directed in marching by Erol Howell, former Snyder High School drum major, placed second in the recent Sun Carnival at El Paso in a contest with a number of other bands of West Texas and New Mexico.

At Your Best! Free From Constipation. Nothing beats a clean system for health! At the first sign of constipation, take purely vegetable Black-Draught for prompt relief.

LEGAL NOTICES. CITATION BY PUBLICATION. The state of Texas, to the sheriff or any constable of Scurry County greeting: You are hereby commanded to summon John Edward Brazell by making publications of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the district court of Scurry County, to be held at the courthouse thereof, in Snyder, on the fourth Monday in March, A. D. 1937, the same being the 22nd day of March, A. D. 1937, then and there to answer a petition filed in said court on the 17th day of February, A. D. 1937, in a suit numbered on the docket of said court as No. 3026, wherein Anna Thelma Brazell is plaintiff, and John Edward Brazell is defendant, and said petition alleges that plaintiff is an actual bona fide inhabitant of the state of Texas for one year and of the county of Scurry for six months.

DRIVE BY SPEEDOMETER

School Men Plan to Attend Green Rites

Several Scurry County school men are planning to be in Abilene this (Thursday) afternoon, 2:00 o'clock, to attend final rites of R. D. Green, superintendent of Abilene schools, who died at his home Monday night. Mr. Green had been re-elected only two days before his death.

Abilene schools are dismissed all day in tribute to their leader for 20 years. Rites are being held at the First Methodist Church, in which Mr. Green was a member of the board of stewards. The school man was one of the best known West Texas leaders in pedagogical circles.

From 1885 to 1937, Texas has produced, in recovered metals, 6160 ounces of gold, 26,012,507 ounces of silver, 1,418,960 pounds of copper, 6,592,126 pounds of lead and 1,488,474 pounds of zinc.

DUST HOVERS OVER COUNTY

Monday's dust, filtering into the county to a moderate wind, remained Tuesday despite the slowing wind. The fine haze hung over Snyder like a pall, crept into homes and stores with the ease of sunlight.

Last week-end brought the second sandstorm of the year, the first having come the previous Sunday. Both those visits were local products, however. This week's duster was imported—part of typical "dust bowl" storms that have been sweeping the Southwestern states.

Wednesday's duststorm gradually became worse, decreasing visibility late in the day to less than three blocks.

Civil Service Exams. The U. S. Civil Service Commission has announced open competitive examinations as follows: Radio inspector, junior billing-bookkeeper machine operator. Full information may be obtained at the local post office.

Snyder Mexican Is Interred This Week

Mrs. Aconon Perales, 19, died Sunday night at her home in East Snyder, after a brief illness. Survivors include her husband, John Perales.

Mrs. Perales was born in Old Mexico February 1, 1918. Rev. E. P. Gonzalez, pastor of the local Mexican Baptist Church, officiated for final rites Monday afternoon, 1:00 o'clock, at the home. Burial was in Snyder cemetery, with Odum Funeral Home in charge.

No Postal and Bank Work Here Monday

Post office and bank will be closed here Monday, February 22, in observance of Washington's birthday. It will be the bank's second holiday of the month, no business having been transacted Friday, February 12, Lincoln's birthday.

One should be honest with people, but it is vastly more important to be honest with one's self. Biding one's time often is a substitute for doing nothing.

Car Registration STARTS

Registering of cars and trucks for 1937 has begun. Automobile owners are requested and required by law to furnish their last registration receipt or transfer record. It will assist this office greatly if owners where possible will register this month helping to relieve the congestion next month. Tags for 1937 may be placed on cars in March.

The cooperation of automobile owners is asked in making a survey for the Federal Bureau of Public Roads. Cards will be furnished at the office with blanks requesting the number of miles traveled last year and gas consumption per mile. The State Highway Department and the County Collectors are giving assistance to the bureau in making this survey.

Mahon vs. Mahon.

Last week The Times clipped two items from the Lubbock Avalanche-Journal that claimed to reveal the fact that there are really not two G. H. Mahons in Congress. As a recent picture, published in The Times and numerous other papers, pointed out.

As a friend of Congressman Mahon from this district, The Times published the items as they were, without pro or con comment. We felt that truth, like this week's dust from the Plains, would out.

The truth has "outed," all right. F. I. Townsend, former Scurry County Democratic chairman, has delved into the Congressional Record, and finds that the South Carolina congressman, with whom our friend George was pictured, is listed as G. H. Mahon Jr.

Charley Guy, publisher of the Lubbock paper, is wrong or the Congressional Record is wrong. At this Tuesday writing, because Chortling Charley has never been overly enthusiastic about the Colorado congressman, and because the Congressional Record and Mr. Townsend are usually right, The Times chooses Mahon and Mahon, G. H. and G. H.

Mr. Townsend's notation to The Times reads: "In the last issue of your paper there appeared a statement quoted from the Lubbock Avalanche-Journal that there are not two G. H. Mahons in Congress, and the South Carolina congressman's name is J. H. Mahon, and that the pictures of two Mahons that appeared in a number of newspapers was a 'publicity stunt'."

"The Congressional Record lists the name of the South Carolina congressman as G. H. Mahon Jr. So instead of it being a 'publicity stunt' staged by our G. H. Mahon, it appears to be a cheap stunt by the Avalanche, pulled for the purpose of discrediting our G. H. Mahon. I thought the Avalanche was above indulging in such cheap sniping."

Current Comment.

By LEON GUINN.

Ever since Chief Justice John Marshall defined the duties of the Supreme Court, successive presidents have tried vainly to mold the nation's supreme tribunal to fit their programs; instead of always molding their programs to fit the mandates of our Supreme Court, the guardian of the Constitution. . . . And perhaps no contemplated step has drawn more fire today from all sources, than President Roosevelt's plan to liberalize the Supreme Court with an addition of six justices.

The president has in mind a tribunal with 15 justices, the six new members being pro New Deal devotees. . . . His congressional message also indicates those members of the court who have passed the 70 age line, "be retired with full pay." . . . Excerpts of the message: "I have recently called the attention of the Congress to the clear need for a program to reorganize the administrative machinery. . . . I now make a similar recommendation in regard to the judicial branch."

Reporters sensed important news when Roosevelt got around to "the question of aged or infirm judges—a subject of delicacy, and yet one which requires frank discussion. . . . In exceptional cases, of course, judges retain to an advanced age full mental and physical vigor. . . . Those not so fortunate are often unable to perceive their own infirmities. . . . Most pointed remark of the president's 3,400 word message: "They seem to be tenacious of the appearance of adequacy."

This remark, which piqued Washington, was soon tracked down. . . . Chief Justice Charles Evans Hughes, seventy-five, had uttered the gem nine years ago. . . . The nine justices skimmed over the report. . . . Brandeis, Hughes, McReynolds, Willis Van Devanter, Pierce Butler, Owen Roberts, Sutherland, Harlan Stone and Cardozo had expected the move for two weeks; had kept discreetly quiet about the liberalization plan, which staid Democrats even oppose.

Amid the congressional debate over Roosevelt's liberalization scheme, Senator Robinson alone remained aloof, content to act as godfather for the president's brainchild. . . . Although Roosevelt has several precedents in regard to changing the Supreme Court, fate has often dealt unkindly with court tampering presidents (in matters of elections). . . . Future historians will doubtless agree Franklin Roosevelt was the outstanding liberal of this day and age; although his brain child may not survive the congressional grind. . . . Perhaps, after all, our Supreme Court with nine justices, will stand out as an untouchable shrine, the guardian of a Constitution that will ever be the lighthouse of democracy, since its basic precepts are founded not on man-made plans, but on the Bible.

Traffic Tragedies.

Governor Allred: "No single accomplishment could be greater than intelligent, effective legislation to curb and diminish the astounding, appalling and for the most part, avoidable, daily tragedies resulting from our indifference."

The Times Creed

For the cause that needs assistance; For the wrongs that need resistance; For the future in the distance, And the good that we can do.

Texas Peonage.

If His Figures Are Right, Rep. C. L. Harris puts Up to Texas Lawmakers a Sharp Issue of Economic Peonage Gripping Lone Star State

A recent issue of the Austin American-Statesman carried the following lengthy editorial concerning C. L. Harris, 118th District representative.

The editorial is important in itself, although The Times doubts that the out-of-state ownership idea is so terribly serious, after all. Aside from its inherent importance, however, the editorial stresses two facts that should be interesting to citizens of the 118th District.

First, Representative Harris is making himself useful at Austin. He is not spending his time, evidently, in twiddling his thumbs. Second, he is making himself heard. The Times sincerely hopes that he is not indulging in long-winded, flowery speeches to impress the folks back home. But it is evident that his opinions are considered, else they would never have rated almost a full column of space in the Austin newspaper.

The American-Statesman editorial: Rep. C. L. Harris of Spur last week gave the house figures which, if correct, call for more drastic action than quibbling about old-age pensions.

Fifty-three per cent of Texas property rendered for taxation, he said, belongs to people living outside the state.

His figures were challenged by several members. He stood by them, and invited anybody who doubts them to go to the tax reports in Compt. George Shepard's office and find out. For his own county, he is certain of his figures. They were an issue of his race for office, he told the house.

What he said was that majority ownership of Texas is gone from the hands of Texans.

He referred to tax renditions. It is well known that there is much wealth not rendered for taxation, whose ratio of foreign ownership is greater than that of tangible property on the assessment rolls.

Is it possible—Texas owned by non-residents; majority control of its property in the hands of absentees?

Or, if his 53 per cent figures are not correct, how much of Texas has been gobbled up by "foreigners?" Impact of Rep. Harris' statement was plainly startling to the legislators. Its meaning, if even approximately correct, is enough to terrorize all the 6,000,000 people whose lives are given to the upbuilding of Texas.

Dickens County doesn't have vast oil or gas resources; but we know a great part of these billions of wealth belong to non-residents. We do know that huge corporate properties in the cities, big branch factories and plants, many of the great hotels and office buildings, belong to those who live far from Texas.

Mostly, Rep. Harris talked of farms and ranches. Are they too, gone into the control of outside capita? Harris was talking about renditions, not the investments of outside corporations, such as insurance companies, very wisely required to be made in Texas property. Thus, his picture wasn't the whole picture, which is even worse.

But if he is correct, or anywhere near accurate in his figures, we in Texas have degenerated to an economic serfdom that we may as well declare intolerable and begin hunting the remedy.

Our farm population has drifted from landowners to landless tenant majorities. Our city population has shown growing percentages of homeless, propertyless wage dependents. That was reflected in the relief rolls of the big cities.

HERE IS MORE CONCERNING WINNERS— CONCLUDED FROM PAGE 1

Pyron, 15 to 9, in the first semi-final melee, and Ira downed Hermleigh, 26 to 10, in the other semi-final.

Pyron defeated Ira, 16 to 12, to start the girls' part of the tourney. Hermleigh staged a comeback to win over Dunn, 14 to 11, after trailing at the half, 9 to 5. In the semi-final, Fluvanna easily whipped Pyron, 22 to 10.

Sorrells, Ira forward, topped the boys in scoring, with 34 points during the tournament. His teammate, Lloyd, was next, with 23 tallies. Sullenger, high pointer in the last game, made 17 points in two games, and B. Mosely of Pyron was fourth, with 13 markers.

For the girls, Evans of Fluvanna, who rang up 18 of her team's 22 points in the win from Pyron, and then tallied 10 in the final, was high pointer. Patterson of Hermleigh followed with 20 points.

Game by Game Scoring. Line-ups and scoring for the boys' games were as follows:

First game—Pyron 28, Crowder 11. Pyron: Darden 3, Pieper 6, Glass 0, Richburg 4, Reed 2, B. Mosely 13, P. Mosely 0. Crowder: Penton 2, McKinney 0, Moore 1, V. Shelton 8, B. Shelton 0, Connell 0, Hardy 0.

Second game—Ira 32, Dunn 7. Ira: Lloyd 10, Sorrells 13, Sterling 5, Clark 4, Bryant 0. Dunn: Danarac 0, Haynes 0, Cotton 0, Ellis 7, Johnson 0, Martin 0, Brown 0, Hanson 0.

Third game—Fluvanna 15, Pyron 9. Fluvanna: Rhodes 0, Turner 0, Roddy 0, Sullenger 9, Browning 4, Clayton 2, Belew 0, Murphy 0. Pyron: B. Mosely 0, P. Mosely 0, Pieper 6, Darden 1, Reed 0, Smith 2.

Fourth game—Ira 26, Hermleigh 10. Ira: Lloyd 6, Sorrells 14, Clark 2, Sterling 4, Bryant 0. Hermleigh: Piggman 3, McMillan 1, Layman 0, Kubena 0, Voss 6, Etheredge 0.

Final—Fluvanna 20, Ira 19. Fluvanna: Rhodes 6, Turner 6, Sullenger 8, Browning 0, Clayton 0. Ira: Sorrells 7, Lloyd 7, Clark 0, Bryant 0, Sterling 5.

Scores in Girls' Games. First game—Pyron 16, Ira 12. Pyron: G. Light 0, E. Light 6, P. Seale 9, M. Seale 0, E. Young 0, Charles 0, Kinney 0, Smith 1, I. Young 0. Ira: Miller 2, McDonald 8, Price 2, Erwin 0, Tate 0, Cox 0, Millhollon 0.

Second game—Hermleigh 14, Dunn 11. Dunn: McFarland 3, Bowers 7, Nail 1, Brown 0, Murphy 0, Market 0, Brinkley 0. Hermleigh: Vernon 0, McMillan 0, Early 0, Harkins 6, Mobby 2, Vernon 0, Patterson 6.

Third game—Fluvanna 22, Pyron 10. Fluvanna: Evans 18, Sullenger, 2, Carmichael 0, Freeman 0, Maples 2, V. Edmondson 0, L. Edmondson 0, Reeves 0. Pyron: G. Light 0, E. Light 4, P. Seale 6, M. Seale 0, Kinney 0, E. Young 0, Charles 0, Smith 0, I. Young 0.

Fourth game—Hermleigh 21, Fluvanna 20. Hermleigh: Vernon 2, McMillan 0, Early 0, Wilson 0, Harkins 5, Patterson 14. Fluvanna: Evans 10, Sullenger 0, Maples 7, Freeman 1, Carmichael 2, V. Edmondson 0, L. Edmondson 0, Reeves 0.

First Presbyterian Church. Sunday school will meet at 9:45 a. m., and Christian Endeavor at 6:15 p. m., as usual, but there will be no preaching services due to the fact that it is the pastor's regular Sunday at Fluvanna.

Let us remember that only five more Sundays remain before Easter and that we should be preparing ourselves for that most significant of all days on our religious calendar—James E. Spivey, pastor.

A Sandgrain's Song.

Last night the sand was drifting Up against the fence in dunes; This song in the dark rose, lifting The nocturne South Wind tunes.

"I'm a lonely little sandgrain, Been a wanderin' far from home; If ever I'm found by gentle rain, I'll settle down and never roam.

"We're bedouin little brigands, Robbing fields of wealth and soil; Our number is like the sea sands, Making mountains, but never toil.

"We're gone with the wind to plunder Field and pasture uncovered and free; But our tent's been' ripped asunder, It'll be the last roaming for me.

"My folks are clouds in the sunset Flung into the mists of the night; In my Westex range I'll try to forget That conservers are leading the fight!" —Leon Guinn.

They in the legislature have debated the wisdom of letting a \$100,000,000 foreign corporation come to Texas and earn \$4,500,000 net profits a year, paying the state \$1,800 in franchise taxes for the privilege and the protection of its laws.

The franchise power can do Texas more good than merely raise this \$1,800 to \$225,000 a year. Texas has the unquestioned right to allow only corporations' offices, the executive management and the plants of corporations to be in Texas. It has further powers to de-centralize corporate ownerships into units of stay-at-home size. It has power to break up interlocked business by which 30,000 Texans are employees of one set of foreign corporations, into 50 or 500 Texas corporations.

A layman, and probably most lawyers, won't know all the answer. But we have 181 picked men, chosen by the 6,000,000 citizens, to serve these citizens in determining the public welfare and achieving it. Out of the composite mind and statesmanship of these 181 men, the remedy, or a substantial part of it, may be expected as a matter of right. Or, if the picture has been drawn materially wrong, there is enough ability in the present legislature to find that out in a verified trial balance for Texas.

And Paste, Too. A columnist defines a columnist: "One who gives the best shears of his life to his newspaper."

Modern Gulliver Helps the Little People - -By Knott

Former County Man Passes in Eastland

T. M. (Marion) Dabbs, who formerly lived nine miles west of Dermott, died at his home near Eastland last Tuesday. Funeral services were held at Morton Valley, near Eastland, last Wednesday. Interment was in the Eastland cemetery.

Dabbs and his wife moved from Eastland to Scurry County in 1920, and they lived here several years. When his health failed, he returned to Eastland and lived there until his death, at the age of 73 years.

Survivors besides the widow include four brothers, one of whom lives in Scurry County, and two sisters. They are: Charlie Dabbs and Sim Dabbs, Eastland; John Dabbs of Oklahoma; Bob Dabbs, Scurry County; Mrs. Ora Houston, Eastland; Mrs. Mary Collintubby, Davis, Oklahoma.

First Methodist Church

Sunday school, 9:45 a. m.; preaching, 11:00 a. m.; Leagues, 6:30 p. m.; preaching, 7:30 p. m.

Let your prayers and your presence help to make these services more profitable.

A warm welcome awaits all who attend.—H. C. Gordon, pastor.

New Dunn Writer. The Times is happy to announce that Miss Lois Shoffner has been chosen as Dunn correspondent. Folks of the community are urged to cooperate with her in securing news of interest from week to week. An effort will be made to cover the news of all the community—school, church, social events, business, and so forth.

Charles B. Shells of Colorado Have Girl

Little Mary Ruth Shell, small daughter of Mr. and Mrs. Charles B. Shell of Colorado, who was born on St. Valentine's Day, is the 16th great-grandchild of Mrs. G. C. Buchanan of Snyder.

The tiny baby girl arrived at the Reed Hospital, Colorado, Sunday morning at 2:20 o'clock, and weighed six pounds at birth. Grandparents are Mrs. Mary B. Shell of Snyder and Mr. and Mrs. J. R. Truss of Fluvanna.

Mrs. Shell, the former Ruth Truss, has taught in Snyder schools, and Shell has been connected with the Shell Pipe Line Company at Colorado since leaving the local bank over a year ago.

Tuesday, Wednesday, Feb. 23-24— "ISLE OF FURY" with Margaret Lindsay and Henry Bogart. Musical comedy. Admission 5 and 10 cents.

HERE IS MORE CONCERNING POWER— CONCLUDED FROM PAGE 1

communities also have faith that they will offer sufficient patronage to justify electric lines. Dunn has planned no special celebration of the event, reported Cleo W. Tarter, school superintendent, one of the leaders in the movement, when he was in Snyder yesterday. "But we will be plenty proud of the new lines," he said, "and we consider that we have taken one of the biggest forward steps in the history of the town."

Similar sentiments were expressed by J. C. Beakley, long-time leader in the community; and by J. P. Billingsley, a former Dunn citizen who was recently elected district clerk.

Every business house in Dunn, all churches, the school building and gymnasium, and practically all residences will make use of the new electricity at their finger tips. Most of the buildings will be ready by Saturday night to have their first tasters of electric current.

Scurry County communities that are served by the new lines are being serviced out of Snyder; Mitchell County communities out of Colorado. Lon J. Geer, district manager, Sweetwater, has been a prime mover in his company's hurried building of the lines.
