NUMBER 50

SNYDER, TEXAS, OCTOBER 28 NINETEEN HUNDRED  
THURSDAY AFTERNOON AND THIRTY-SEVEN

ISSUE  
NUMBER 21

## ROLL CALL OF RED CROSS TO START NOV. 10

Workers for Business, Residential Districts Are Selected by Chairman Lattimore.

Scurry County's Red Cross Roll Call will begin November 10, according to Roll Call Chairman Hal A. Lattimore, who is serving his third year as head of the drive here.

Workers for business districts and residential sections of Snyder have been selected, and supplies have already been distributed among numbers of community workers.

Campaign will be waged beginning November 10, the day before Armistice Day, Thursday, since some business houses will probably be closed for the national holiday.

Drive in the business districts of Snyder will begin at 9:00 o'clock, November 10. Business men in charge of the work will be as follows:

North side of the square, Lee T. Stinson and H. L. Vann; northwest of the square, O. D. McLaughlin and R. J. Randall; west side of the square, Warren Dodson and E. E. Weatherbee; south side of the square, Melvin Blackard and Wayne Boren; east side of the square, Marcel Josephson and E. R. Butts.

The local high school drive will be made by Principal King Sides, and Principal Hadley Reeve will handle the junior high and primary part of the school.

W. E. Louder will captain Hermleigh this year. I. N. Sandefur, who lives three and one-half miles east of Dunn, will canvass the Dunn community. Mrs. John Stavelly will again make the drive at Fluvanna.

Sound pictures will be flashed from the new Texas Theatre screen during the Red Cross Roll Call in Scurry County. Lasting about 13 minutes, the pictures will show the work of Red Cross aides during the spring floods in the Ohio River valley region, state manager P. W. Cloud of the local theatre, and Mrs. T. L. Lollar, owner.

**P-T A Announces  
Amateur Contest  
For November 4**

A free-for-all amateur contest, beauty show and Shirley Temple contest will be staged in the high school auditorium Thursday night, November 4, 7:30 o'clock, under sponsorship of the Parent-Teacher Association. Supervisor of the event for the P-T. A. is Mrs. Aubrey Stokes.

Winners of the contests will go to San Antonio December 16, 17 and 18, for a state-wide amateur and beauty contest, including screen tests. State winners will then compete in a nation-wide contest, under sponsorship of the All-States Beauty Show Features.

Admission for the Thursday night event will be 10 and 25 cents. The P-T. A. will use proceeds for various school activities.

All talent in the county is invited to compete, according to Mrs. Stokes. Those who plan to enter should meet with Mrs. Stokes at the school auditorium Wednesday night, November 3, for a rehearsal of the Thursday night performance.

**"Biggest Day" Says  
Manager of Perry's**

Saturday was the biggest day in the history of the local Perry Brothers unit, reports Manager Jesse Elliott, as he checked records after the opening day of the remodeled store on the north side of the square.

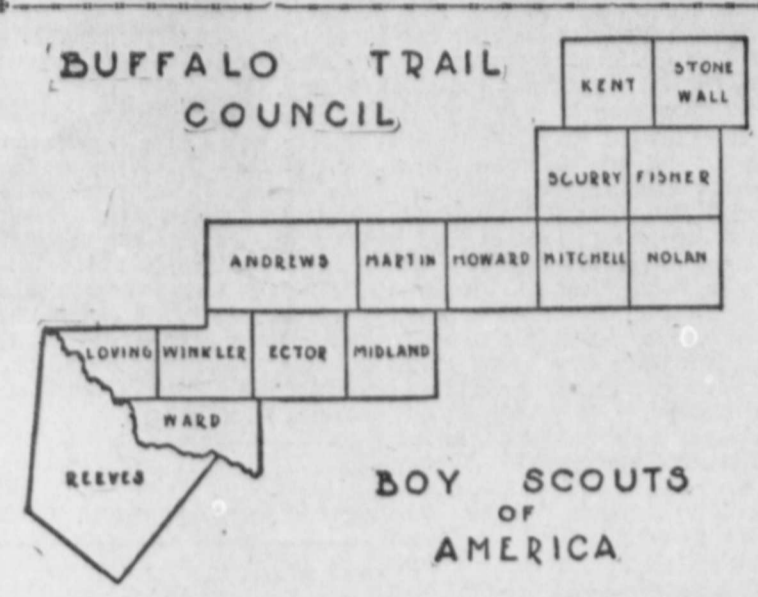

Associated with Elliott in the store is Ace Doran, recently of Stamford, who is assistant manager. Among visitors to the store in recent days was V. P. Rucker of Stamford, district manager, and Roy Spears of Lufkin, field man for the chain of stores.

**A. R. Crowder Has  
Opened New Market**

Snyder's newest meat market was opened this week by A. R. Crowder, veteran Snyder meat cutter and market man. The new business is located a half block west of the square, just west of Higginbotham-Bartlett Company.

Crowder says he will handle home-killed meats at reasonable prices. He will be assisted by his son, A. R. Crowder Jr.

## Area of Buffalo Trail Council

Charles E. Paxton, council president of the Buffalo Trail Council, announced yesterday that E. G. McCurtain of Albuquerque, New Mexico, has been employed as field scout executive, with field work in the territory of the Buffalo Trail Council. The above map shows extent of the council. McCurtain will live in Big Spring and will serve the Big Spring, Colorado and Snyder Districts, which are composed of Martin, Howard, Mitchell, Scurry and Kent Counties.

## Fluvanna Stages School Carnival For Celebration

Fluvanna and environs will celebrate Armistice Day with a day and night carnival that will feature speaking, dinner, football, carnival games, athletic show, queen election and other attractions.

At a special November 11 program in the school auditorium at 10:30 o'clock in the morning, out-of-town speakers will be present. Dinner will be served cafeteria style, in the laboratory, by the eleventh grade.

Biggest football struggle of the year will come at 2:30 p. m., with Hermleigh Cardinals as the Buffaloes' foes. At 7:30 p. m. there will be a girls' basketball game between Fluvanna and another leading team of this sector. At 8:30 a fireworks display will be given on the football field.

Feature event will be crowning of the carnival queen at 9:00 o'clock, along with a big stage show, in the auditorium. The queen will be chosen from candidates submitted by the seventh through the eleventh grades. After the stage show, there will be an athletic show, including boxing and wrestling.

A variety of booths, as well as exhibits from all grades, will be offered afternoon and night in the school building and gymnasium. Booths will include: Bingo game, sixth grade; novelties, fifth and sixth grades; peanuts, popcorn, fish and food, first and second grades; games of skill, eighth grade; bowling alley, ninth grade.

**Fluvanna Awarded  
All Prizes on Hogs**

Fluvanna FFA boys, coached by Buford Browning, won all places in the Scurry County Fall Fair's hog show last Saturday. Browning was superintendent of the hog department, Joe Williams, Dawson County agent, was judge.

Awards were: Sows one year and under two, R. B. Willis. Gilt under one year, J. D. Patterson, first; Clayton Carmichael, second; Kenneth Freeman, third.

**Crowder School to Open.**  
Crowder school will open Monday, November 1, after being out for cotton picking for several weeks, announce Mr. and Mrs. J. W. Leftwich, teachers. Students will be expected to report to resume their studies at the school Monday morning.

**HERMLEIGH CARDINALS  
PLAYING HERE TODAY**

Hermleigh Cardinals, smarting from their first defeat in Class C competition, at the hands of New Deal school on the plains last week, will come to Snyder this (Thursday) night, 7:45 o'clock, for a battle with the Sweetwater Junior High squad.

Coach A. C. Bishop of Hermleigh missed the services of three regulars on the plains last week, but at least two of these will be ready for action this week. Snyder is invited to turn out in force for the game. Admission will be 25 cents per person. A pre-game ticket sale has been made in some county schools.

**ANOTHER FAIR  
SLATED IN '38**

No definite plans have been made, but general opinion prevails among 1937 Scurry County Fall Fair officials, as well as farmers, ranchers and business men as a whole, that a second annual fair should be held in 1938.

Those who worked most faithfully at this year's fair, led by W. R. Lacey and Frank Farmer, believe next year's fair should be planned well in advance, and that a fair association should be formed to name fair officials.

Although this year's fair event did not attract a large number of exhibits or large crowds, due largely to late organization and busy times, officials feel that the ground-work has been laid, and that a much more successful and widely attended attraction will be on tap for 1938.

## CARNIVAL SET FOR SATURDAY AT LOCAL GYM

Parent-Teacher Association Offers Variety of Entertainment in Halloween Fete.

Outstanding on the entertainment calendar this week will be the Halloween carnival being sponsored by the Parent-Teacher Association Saturday night in the school gymnasium. Doors will open at 7:00 o'clock following a spook parade through the business districts of Snyder, announces Mrs. Raymond Sims, president of the local P-T. A.

A free stunt program will come at 8:30 o'clock, and coronation of the carnival queen will be at 9:30 o'clock in the school auditorium.

No admission charges will be made, and proceeds from the side shows will go into the general fund of the sponsoring organization. A gallery of famous pictures, fortune telling, fishing pond, amateur boxing matches and a number of other side show interests will be open to students and school patrons. All kinds of eats, noisemakers and confetti will also be on sale at the carnival.

Crowning of the carnival queen will be a feature of the evening. Her majesty will be selected from four candidates from the high school classes in a contest now in progress, closing Friday. Candidates are: Aileen Morrison, senior; Billie Lou Hays, junior; Carolyn Dunn, sophomore; Wanda Jean Sims, freshman. Misses Vera Periman and Annie Fannie Sewell are in charge of the campaign.

P-T. A. committee in charge of the coronation program is composed of Misses J. G. Hicks, Ikon Joyce, W. R. Lacey, Miss Margaret Williams and A. W. Yeats.

Attendees are promised a hilarious evening if they attend this Halloween carnival, according to sponsors.

**Better Equipment,  
New Teachers Will  
Greet Ira Students**

When Ira students return to classes Monday, after a six-week shutdown for cotton picking, they will be greeted by improved equipment and two new teachers.

The main building has been improved to a point better than at any time since it was erected in 1928, the work having been done while the students were in cotton fields.

A. A. Mitchell of near Vernon will take the place of Shirley Morgan as principal, Morgan having gone recently to Hermleigh. Mrs. E. W. Baldwin, wife of a teacher already in the school system, is taking Mrs. Morgan's place as second grade teacher.

Superintendent Elmer Taylor is looking forward to completion of the greatest year in Ira school history, for the high school has more affiliation than ever before, and the entire system has better equipment and higher enrollment. Good crops will help the financial condition of the school, too.

Dr. R. L. Howell will leave Saturday morning for Mineral Wells, where he will remain indefinitely for treatment of his neuritis, from which he has suffered for several months.

**TURKEY PLANT  
TO OPEN SOON**

Snyder's turkey dressing plant, operated annually by Snyder Produce Company, will open for business early next month, according to Manager Price Holt.

Pickers, dozens of them, will be needed not sooner than November 3, Holt said.

An average crop with average prices seems to be the general opinion of local produce men regarding the approaching Thanksgiving and Christmas marketing seasons.

**Old Pictures Wanted**

The Times has already taken several big steps toward a fiftieth anniversary edition that will be published within a few weeks.

But the edition will not be successful unless it carries many columns of reading material and pictures concerning old-timers, early incidents of county history, early scenes in Snyder and other parts of the trade area, and so forth.

So it is that the publishers are making an appeal this week for readers to send in old pictures and bring in old papers or old articles that may form connecting links of Scurry County history.

All pictures will be cared for and returned to the owners. Please bring them in within the next week, if possible, and not later than November 1.

## Named Mascot

This six-year-old mascot of the high school tumbling team shown in a difficult back-bend is blonde Jean Anz, daughter of Mr. and Mrs. Dudley Anz. Jean, a pupil of Wanda Newman, physical education director in the local school, will be presented along with the tumbling team in programs throughout the year.

## CLUB HONORS PIONEERS WHO BUILT COUNTY

Lions Pay Tribute to "Men Who Taught Just Debts Should Be Paid."

Four of the men who helped build Scurry County, and another Texas old-timer who has been in these parts for only a few years, were honored Tuesday at noon in a Lions Club meeting.

Lions Club came, white with red tip, were given the men as a token of the club's appreciation of their service to the community in the early days.

H. L. Wren, in making the presentation, after W. R. Bell had introduced the guests of honor, declared: "These are the men who have taught us that a just debt should be paid." Wren also referred to the representative old-timers as "good neighbors" and "men who have built our schools, churches and other worth while institutions."

J. J. Allen, J. H. Nunn, J. S. Hart and W. A. Merrill are the pioneers of Scurry County who were given cases. With the group was J. R. Smith, blind father of Herbert Smith, who was also a club guest.

President A. C. Pruitt named a special blind committee composed of King Sides as chairman, W. R. Bell and R. H. Odum. The committee is to contact members concerning contributions to a state fund for the assistance of blind adults who have been trained to do special work.

**H. L. Wren Liberal  
With Car 'Loaning',  
He's Still Looking**

H. L. Wren "loaned" his car for a pretty long spell last Thursday, but he didn't know it for about four hours.

The hardware man left his car at Dudley Anz's garage for a slight repair about which he had previously talked to Anz. A young man who had been working for Anz several days in the shop to receive the car, telling Wren that the mechanic would return in a few minutes.

N. W. Autry, with offices in the same building, saw the man drive off with the car shortly after Wren had left it, but he thought it was merely a tryout run. Anz returned in a few minutes, but knew nothing of Wren having left his car.

The youthful mechanic had a four-hour start on officers when Wren came for his car and discovered the "tryout" run was not over. Neither the young man, who was a stranger locally, nor Wren's car, has been seen or heard from.

**DUNN TO PLAY  
LORRAINE TEAM**

Dunn Owls will go to Loraine Thursday afternoon of this week for a grid game with the B team of the Loraine Bulldogs. It will be the Owl's first venture this year out of Class C Society.

The Owls last Friday afternoon struck unexpected resistance from the Hobbs eleven on the Dunn field. The Fisher County visitors pushed their way to a 33-6 win, although Dunn outplayed them most of the first half.

**U. S. Band Coming.**

Muscle lovers throughout West Texas are showing keen interest over the prospect of hearing the famous U. S. Navy Band, in concert on November 5 at the Hardin-Simmons University auditorium, Abilene. The band will give two performances, matinee and night.

**New Studio Opens.**

One of Snyder's newest business enterprises is Curley's Studio, upstairs over Bryant-Link Company. The operator is "Curley" Oliver Johnson. The new business was opened early last week.

## HAYS RESIGNS PASTORATE OF LOCAL CHURCH

First Baptist Leader Since Spring Of 1933 Submits Resignation Last Night.

Rev. Lawrence Hays, pastor of the First Baptist Church since the spring of 1933, Wednesday night at prayer meeting formally presented his resignation as leader of the local congregation. The resignation is effective after next Sunday.

Rev. Hays said he will accept a call recently given him by the Park Heights Baptist Church, San Angelo. He will make plans next week to move there with Mrs. Hays and their three children, he said this morning.

N. M. Harpole, chairman of the First Baptist Church board of deacons, said Rev. Hays' resignation was accepted last night. No action has been taken toward securing another pastor, said the chairman.

After the pastor turned in his formal resignation Wednesday night, the church named a resolutions committee, composed of H. L. Wren and C. Wedgeworth, that is slated to report Sunday.

The pastor came to Snyder from Tahoka, where he had been leader of the First Baptist Church for several years. During his four and one-half years here he has taken an active part in denominational affairs. At present he is serving as moderator of the Mitchell-Scurry Association for the second year.

**SNYDER NOSED  
OUT AS AERIAL  
MAKES SCORE**

Tiger Team Plays Best Game Of Year, But Bulldogs Win, 13-7.

Snyder Tigers played their best game of the 1937 season Friday night on their home field, but their best wasn't quite good enough to stop the tremendous touchdown heave that pulled the fraics out of the fire for a rugged Loraine Bulldog squad.

With less than five minutes to play and with the score standing at 7-7, Simmons, Bulldog quarterback, threw a pass from his 30-yard line to Baird, half, that traveled 95 yards in the air. Baird went the remaining 35 yards for the winning touchdown. The kick was no good, but Loraine did not need it to win.

That heave and an 83-yard off-tackle play by Brians, full back, in the first quarter, plus Baird's goal from placement, completed Loraine's scoring. In fact, those two thrusts completed the Bulldogs' real threats, as they never at any other time got within the Tigers' 20-yard line.

Snyder tied Loraine's first-quarter score with a third-quarter pass, Smith to Strayhorn, that tallied, after a series of line plays from their 46-yard line. On four other occasions the locals plowed inside the Bulldog 20, partly on fumbles and partly on their own power. But the Ball always went over on downs or fumbles.

The Tigers also threatened twice in the last half, but their marches were halted once inside the 10-yard line and once inside the 20.

Snyder made 14 first downs, Loraine made seven. Tate was a Snyder bulwark. He was out most of the first quarter, with little Keller in the backfield. Smith also looked good for the local backfield.

Allright, captain, left guard of Loraine, was the best all-round lineman on the field. He was closely pressed for honors by Scarborough, Tiger guard, who smeared many Bulldog plays at the line of scrimmage.

**Skinny Holmes Has  
Taken Over Station**

The service station just north of Towle's Jewelry, operated for some time by A. P. Biggs, has been taken over by H. D. (Skinny) Holmes.

The new operator has been associated with Stimson Camp, on the north highway, for two and one-half years. He announces that he will continue to handle a full line of TP products.

**Skinner Holmes Has  
Taken Over Station**

After breeders are selected they should be identified by leg banding, clipping their tails or painting their wings so that they will not find their way to market. Let's keep the best individuals back for breeders and not let them be sacrificed on the market. Now is the time to prepare for next year's turkey crop. Where will you be one year from now in raising good turkeys? Then where will you be five years from now?

**Seek Compact Body.**

In selecting for type we first should seek a well compact body. This is important in developing the best type market bird. Examine all birds for amount of flesh they carry across the length and should be free of crooks, dents and knobs. The body should be deep and the legs of medium length.

Birds that are shallow and long legged are not desirable. The neck should be of medium length and the head should be broad and flat and reflect vitality. The back should be broad, and free of any deformities.

**Early Settlers Will  
Gather Here Later**

At a meeting of a few old-timers in the courthouse Friday afternoon, it was decided to perfect a permanent organization at a later gathering, to be held when folks are caught up with their fall and winter crops.

J. J. Koonsman, veteran rancher, was named as temporary chairman, and Bernard Longbottom, county assessor-collector, was elected as temporary secretary.

**New Stimson Man.**

Dorros Goodyear, experienced service station man, came to Stimson Camp Ground station this week to take the place that has been held for some time by Skinny Holmes. Goodyear is single.

## He Resigned

Rev. Lawrence Hays, pastor of the First Baptist Church since the spring of 1933, Wednesday night at prayer meeting formally presented his resignation as leader of the local congregation. The resignation is effective after next Sunday.

Rev. Hays said he will accept a call recently given him by the Park Heights Baptist Church, San Angelo. He will make plans next week to move there with Mrs. Hays and their three children, he said this morning.

**TURKEY FLOCK  
DISCUSSED BY  
COUNTY AGENT**

Take a Little Time Now and Think of 1938 Turkeys, Advises Lacey.

This time next month a good percentage of Texas turkeys will be marketed, reminds County Agent W. R. Lacey. Most of the turkeys that are sold on the Thanksgiving market will be the best developed individuals in the flock, the agent continues, declaring that now is the time to think of the turkey crop for 1938.

The quality of a market turkey rests first in its breeding and for this reason it is important that you should take time and do a good job of selecting your breeding stock before any individuals are sold. A good turkey pullet in the hands of a produce dealer is definitely lost as far as producing pullets for 1938 is concerned. Let's keep back the best birds for breeders and not the slow maturing birds that fall to make weight limit as is often the case. The turkey market is definitely demanding a smaller, more compact, quicker maturing bird, yet one that is plump and well fattened—the baby beef type.

**Four Turkey Pointers.**

The things we are interested in, in selecting breeding stock, are: 1—Early maturity; 2—Quickness in feathering or developing the pin feathers; 3—Type best adapted for market birds; 4—Purityness of breed.

In handling the breeders, try to pick out those individuals that have made the fastest growth. This is an indication of early maturity and shows vitality of the bird as well as its ability to utilize feed in developing bone, flesh, muscle, fat and feathers.

Examine under the wings and along the loosely feathered parts of the breast for fat and pin feather development. If a fine layer of yellow pigment or fat is visible on the bird's body, then it is a desirable bird. If the pin feathers have developed and are through the skin and "shooting" or developing fan like feathers on their tips, that individual is desirable.

**Seek Compact Body.**

**IRA WILL NAME  
LONE VARIETY**

Farmers of the Ira community will meet at the school house Monday night of next week for the purpose of hearing and discussing a report from a committee that was recently named to suggest a single variety of cotton for the deep sand in that area.

Between 40 and 50 farmers have already signed for several bushels each of the single variety. These and all others interested in the plan are urged to attend the Monday night meeting.

## TWO NEGROES FATALLY HURT IN DUAL CRASH

Car Filled With Five South Central Texas Cotton Pickers Collides With Produce Truck.

Two negroes were fatally injured Wednesday morning at 5:30 o'clock on Highway 7, when the car in which they were riding collided with a truck. The crash occurred three and one-half miles south of Hermleigh.

James Johnson, 18, and Howard White, 20, driver of the car, were killed. Their three companions, slightly injured, were given emergency treatment at Roscoe and returned to Snyder late Wednesday.

The five negroes were returning from Levelland, where they had been picking cotton, to Jonah, near Georgetown, where they lived.

Victor Davis, Corsicana, was driver of the truck. He was en route to Post with a load of sweet potatoes for his father, who operates a fruit stand there. He was uninjured.

Companions of Johnson and White who escaped serious injury were Lewis McShawn, Hosea Mackey and L. T. Jackson.

Final rites for White will be held this (Thursday) morning, by Odum Funeral Home. Burial will be in Snyder cemetery. No services have been arranged for Johnson.

**New Line-Up For  
Tigers As Plans  
Made for Merkel**

Coaches Red Hill and Glen Berry are to shove a line-up onto the field Friday night against Merkel that will have at least two major changes.

Jay Rogers, first string guard and half, injured in the first game of the season, will probably be in the backfield to take the place of Wallace Smith, who was injured in the Loraine mix-up. Gordon Rogers was working out yesterday afternoon in Leon Autry's regular slot at left end, Autry being out of adjustment around the back. Tate, big fullback, is rounding back into shape.

The game will start on Tiger Field at 7:30 o'clock—30 minutes earlier than usual.

Merkel's Badgers will come to town with a record slightly worse than Snyder's. They have not won a game this season, having been handily downed by all conference opposition. The Tigers have won only from Roby, having a win and two losses to their credit in conference play.

But the Tigers are remembering that it was the Badgers who slipped up on them last year in a game that should have been won by the locals by at least two or three touchdowns. So there is not much danger of over-confidence ruling the home cages.

Gather Here Later**

At a meeting of a few old-timers in the courthouse Friday afternoon, it was decided to perfect a permanent organization at a later gathering, to be held when folks are caught up with their fall and winter crops.

## Dallas Lecturer Here Exhibits Native Pan American Art at Altrurian Tea

Native art of the Pan American countries, costumes and customs of their people exhibited and discussed by a Dallas lecturer, educational director of A. Harris & Company, was one feature of the Pan American tea given by Altrurian Club last week.

Altrurian Club, Snyder's pioneer study club, entertained club friends at a Pan American tea Friday afternoon at the home of Mrs. R. L. Gray.

Guests were greeted in Spanish at the door by Mrs. Don Hilton, who wore the quaint costume of a Mexican girl and gave typical Mexican greetings.

The program, announced by Mrs. Hilton in Spanish, consisted of a medley of Spanish airs, played by Mrs. Novis Rodgers; vocal solo, "Carmen," Mrs. W. R. Martin of Lorraine, accompanied by Mrs. Rodgers; tambourine dance, Marie Merritt of Colorado, accompanied by Mrs. Martin; costume vocal number, Gloria Martin of Lorraine, accompanied by her mother, Mrs. Martin.

Main feature of the program was the Pan American exhibit and lecture by Mrs. W. R. Hughes, educational director of A. Harris & Company in Dallas. She told of life in the Central American countries as seen by her during her seven trips into the interior, where she made a special study of the life of the people.

Exhibits consisted of figurines, lacquer work, pottery, basketry and costumes of Pan American countries. The native costumes were modeled by Mmes. Hilton, Aubrey Stokes, Robert E. Gray Jr., Arnor McFarland, J. D. Scott and Harold Brown.

Guests were invited into the dining room at the close of each hour's program, where the Mexican theme was repeated in refreshments served in brightly colored pottery dishes from a tea table covered with handmade lace.

Mmes. Fred A. Grayton, Woodie Scarborough, Lee T. Stinson, H. G. Towle and Joe Stinson, D. M. Cogdell and H. P. Brown, assisted by the costumed girls, served in the dining room.

Mrs. W. R. Bell presided at the register, which also carried out the chosen Pan American theme with a cover of bright-colored silks. Good-bys were said to guests, which numbered more than 100, by Mmes. R. H. Curmille and Hugh Boren.

Out-of-town guests, besides those appearing on program, were Mrs. O. F. Thrane of Abilene, former president of Altrurian Club, Mrs. F. C. Chekal of Vivian, Louisiana, and Mrs. Red Moore of Sinton.

## San Souci Holds Initiation Tuesday.

Initiation of three new members of San Souci Club at the meeting Tuesday evening in the home of Mrs. Herman Darby was the occasion of much merriment, club members say. Fledges are Mrs. W. C. Hollis, Wanda Newman and Alta Bowers.

Dressed in Halloween costumes, the three new members greeted old members, and their initiation followed. In bridge games, which followed the serving of a dainty salad plate, Alta Bowers, pledge, was high score prize winner.

Old members attending besides the hostess were: Vera Periman, Hattie and Gertrude Herm, Margaret Williams, Mrs. E. J. Anderson, Mrs. Wayne Boren, Mrs. Billy Boren, Edith Grantham and Neoma Strayhorn.

## Mrs. Chenault Is Hostess to Club.

Mrs. P. C. Chenault was hostess and Mrs. D. P. Strayhorn leader for Tuesday afternoon's meeting of the Woman's Culture Club. "Fine Arts" was the subject for study following a parliamentary drill conducted by the leader.

A vocal duet, "Sweet and Low," was given by Mmes. A. C. Alexander and H. L. Wren, with Mrs. W. B. Rodgers accompanying; Mrs. J. R. Hucksabee gave a talk on "Late American Artists;" a reading, "Art" by Edgar A. Guest was by Mrs. E. E. Weathersbee; and Mrs. Rodgers closed the program with an original piano selection, "Dancing Butterflies."

A sandwich plate was passed by the hostess to the following: Mmes. Alexander, J. P. Avary, R. W. Cunningham, Mabel Y. German, Hucksabee, E. J. Richardson, Rodgers, E. F. Sears, Strayhorn, Weathersbee, W. G. Williams, J. A. Woodfin and Wren.

## Mrs. Dorward Attends Southwestern Affair.

Mrs. J. C. Dorward of Snyder was among guests at Southwestern University Georgetown, Friday evening for the traditional Dinner of the Golden Bowl, highlight of the university's social calendar each year. Women of the faculty were hostesses.

Out-of-town guests included mothers of the senior girls. Among senior girls dressed in pastel shades to represent rainbow colors and symbols, presenting the service and fostering the spirit of Southwestern, was the local woman's daughter, Estine.

After doing three years' work at Southwestern, following her graduation from the local high school, taking work at Texas Technological College, Lubbock, one summer, and correspondence courses, Miss Dorward is a senior in the Georgetown school this year. She will take her degree in August.

Returning home Sunday, Mrs. Dorward was accompanied as far as Brownwood by her daughter, and the two were met there by Mr. Dorward and another daughter, Mrs. Melvin Blackard.

## MRS. MARY E. BANKS RETURNS TO MAKE HOME IN SNYDER

Mrs. Mary E. Banks announces to local friends and customers that she has returned from Plainview to make her home in Snyder. The Spencer foundation garments dealer invites old friends and new to see her when in need of expertly styled and personally fitted garments.

Frances Chenault of Hamlin was a week-end guest of her mother, Mrs. P. C. Chenault.

## Meeting, Party for Ingleside Tuesday.

Annual husbands' evening for Ingleside Study Club was in the form of a delightful dinner party at the home of Mr. and Mrs. R. H. Odum Tuesday evening. A Halloween theme was followed all evening in the menu, decorations and entertainment.

Games of forty-two furnished diversion after the three-course dinner was served. Variations of the usual games was playing in canvas gloves and the winners wearing Halloween caps. Fruit cocktail, a main course consisting of turkey and all the trimmings, and plum pudding were the three courses.

The following were present: Mmes. O. H. Leath and J. E. LeMond, Messrs. and Mmes. Clyde Boren, James E. Spivey, Harold Brown, W. P. Cox, J. T. Johnson, Hal A. Lattimore, J. M. Newton, R. L. Reschard, R. J. Randals, King Sides, W. W. Smith, W. R. Lee and Odum.

At regular alternate Tuesday meeting of Ingleside Study Club, held this week in the home of Mrs. W. P. Cox, Mrs. R. L. Reschard was director for a program on the legislative department of "American Government."

"Comparison of Congress to Parliament" was Mrs. Harold Brown's topic for discussion; "How the Constitution May Be Amended," told by Mrs. Clyde Boren; "Constitutional Provisions for Public Education" was a talk by Mrs. James E. Spivey; Mrs. R. J. Randals told "How to Become an American Citizen." Mrs. O. H. Leath was winner in a contest of writing correctly the words of "America," to close the program.

## Rio Grande Valley Teacher to Snyder.

Miss Helen Ruth Reeves, teacher of typewriting, bookkeeping, and secretarial training, took up her duties in Snyder High School last Thursday. Miss Reeves comes from Los Fresnos, in the Rio Grande Valley, where she has been professor of commerce for five years.

Miss Reeves' home at present is in Pampa, Texas. She graduated from high school in Plainview. She is a graduate of Texas Technological College and is working on her master's degree at the Greely State Teachers College. Miss Reeves studied at Greely State Teachers College the past summer. She succeeds Miss Henderson, who resigned to go to Abilene.

Miss Margaret Henderson, who is head of the commercial department in the Snyder public schools and who has been teaching typing, secretarial training, and bookkeeping for the past year, left Snyder Saturday, October 23, to begin the teaching of secretarial training and typing in the Abilene High School. Miss Henderson is filling the position formerly held by Miss Harrison of Abilene—Tiger's Tale.

## Appears Friday

Patti Hicks, daughter of Dr. and Mrs. J. G. Hicks, a 1937 state winner in Texas Federation of Music Clubs' junior piano contest, will appear Friday on the junior program at the 11th annual convention of Sixth District, being held in Abilene this week.

Miss Hicks, piano pupil of Helen Boren Rodgers, will be presented on the junior program following a junior luncheon Friday, along with two other state winners, Gloria Martin of Lorraine and Joelle Coffman of Eastland. She will be accompanied to Abilene by her mother and her teacher, a member of the local Musical Coterie, and probably other members of the local music study club.

The local musician will be presented in two numbers, "To a Toy Soldier" by Warner and "May Night" by Palmgren.

## Record Attendance Feature of Meeting.

Attendance at regular meeting of the local Parent-Teacher Association last Thursday reached the highest peak of the year, when registration was 85, Mrs. Wraymond Sims, president, announced this week.

Enthusiasm in plans for the P.-T. A. carnival being held in the school gymnasium Saturday night ran high as plans for the affair were carefully completed. Reports from all committees were heard.

The second grade rhythm band, directed by Alta Bowers with Mrs. King Sides accompanying, was presented in a group of numbers to precede a talk by the local unit president, Mrs. Sims. A sing-song led by King Sides was enjoyed, with Mrs. W. C. Hollis at the piano. Mmes. Wayne Boren and W. W. McCarty gave talks on the program.

## Large Group at W. M. S. Meeting.

"Islam Contacts Christendom" was the subject for interesting discussions, and an examination on "The Moslem World" made an enjoyable contest for the 30 members at a meeting of Woman's Missionary Society of the First Methodist Church Monday afternoon. Mmes. Warren Dodson and W. W. Hamilton directed the study.

Mrs. Hamilton gave the introduction; "Conquests" were discussed by Mrs. D. P. Strayhorn; Mrs. M. W. Clark told of "Contacts;" Mrs. Hamilton discussed "Crusades;" "Moslem Power" was the subject for Mrs. J. P. Avary's talk; and Mrs. Dodson told of "The Modern Period" and conducted the examination. Mrs. Joe Stinson gave the devotional, with the central theme on "Jesus, Light of the World." Mrs. Lee T. Stinson gave a poem, "Light."

Those present were: Mmes. A. D. Johnson, R. L. Reschard, W. J. Ely, Clark, Lee Stinson, H. C. Gordon, B. L. Kent, J. T. Browning, Brooks Browning, Rennals, A. C. Preuit, Joe Stinson, Hamilton, Dodson, E. O. Williams, R. W. West, T. W. Pollard, J. C. Dorward, H. V. Williams, A. M. Curry, H. P. Brown, Strayhorn, R. M. Stokes, R. H. Odum, Pate, Joe Strayhorn, Avary and Miss Ida Mae Callis.

## Family Reunion Held in Snyder.

Children and grandchildren of Mr. and Mrs. A. J. Riley gathered at their home in East Snyder Sunday for an enjoyable reunion. Following the delightful dinner served by Mrs. Riley, a number of kodak pictures were taken.

Visiting relatives were: Mr. and Mrs. W. M. Riley and children, Snyder; Mr. and Mrs. Frank Aucutt and children, Clovis, New Mexico; Mr. and Mrs. B. F. Gee, Sweetwater; Mr. and Mrs. Ross Riley and children, Sweetwater; Mr. and Mrs. Torrence Riley and son of Clovis, New Mexico. All children and grandchildren were present except P. R. Riley and family of Amarillo. Two friends also were present for the day—Mmes. Roy Smith and Albert Hrbacek, both of Sweetwater.

## Marriage of Local Couple Is Saturday.

Ernestine Morton, younger daughter of Mr. and Mrs. W. A. Morton, became the bride of Leonard Ervin in a simple service held Saturday evening at 8:00 o'clock at the home of Rev. and Mrs. Lawrence Hays. Rev. Hays, pastor of the First Baptist Church, read the ceremony. The bride's mother was the only wedding attendant.

The bride wore a tailored black crepe frock trimmed with bright green and black accessories. A member of the senior A class of the local high school, she has been a member of both the National Junior Honor Society and the National Honor Society, Snyder High School chapters, as well as the Lucky 13 Sports Club, a girls' social group. She is a charter member of Twentieth Century Daughters, Snyder's youngest study club, and was first president of the group. Ervin, son of Mr. and Mrs. Claude Ervin of Marysville, Oklahoma, who were formerly residents of Scurry County, is a graduate of the Scurry High School. He is employed as a mechanic at Wade's service station here.

Leaving immediately following their marriage, the two spent several days in Roswell, New Mexico, returning here Tuesday morning. They make their home in Snyder.

Members of the girls' tumbling team, accompanied by their mascot, Hope Anz, entertained students of Snyder High School Friday in assembly. Outstanding stunts performed were fish flop, backward roll, and building pyramids.

## Don't put up with useless PAIN

Get rid of it. When functional pains of menstruation are severe, take CARDUL. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance. Get a bottle of Cardul and see whether it will help you, as thousands of women have said it helped them. Besides easing certain pains, Cardul aids in building up the whole system by helping women to get more strength from the food they eat.

## Eugenia Farmer Is Birthday Honoree.

Eugenia Farmer, seven-year-old daughter of County Superintendent Frank Farmer and Mrs. Farmer, was named honoree last Thursday afternoon at a Halloween party given by her mother, who was assisted with hostess duties by Mrs. A. E. Harvey. The occasion was Eugenia's birthday.

Guests brought daintily wrapped birthday gifts to the honoree, and following out-of-doors games, they were served refreshments. Halloween candies were favors for the following party guests: Joe Dave Scott, Mary Ann Randals, Myrtle Rae Lewis, Robert Preuit, Alice Meryl Wilmet, Helen Kay Shields, Bobbie Johnson, John Billy Harvey, Ellen Jo Avary, Billie Beggs, Maxine McClinton, Margaret Smyth and Barbara Earle Hicks.

## Witch Greets Girls At Monday Party.

Small Ann Wedgeworth, dressed as a Halloween witch, greeted guests at a Halloween party held for members of the young women's class of the First Methodist Church at the home of Mrs. Herman Darby Monday evening.

The witch greeted arrivals at the porch, inviting them inside the living room, which was decorated with Halloween symbols and cut flowers in gold tones. Mrs. Herman Doak, an associate class member, was named honoree at the affair.

New name for the class selected during a business meeting held Monday evening is "Susan Wesley," so named for the mother of John Wesley, founder of Methodism. Mrs. P. W. Cloud, president, was in the chair for the business meeting. A rummage sale will be held at the Help Yourself Laundry building Saturday by class members, it was decided.

Margaret Williams, in charge of entertainment, directed interesting games and contests. Mrs. Earl Louder, class teacher, received a prize in the contests.

Delightful refreshments, with Halloween colors emphasized, were passed by the hostess to the following: Esther Bearden, guest; Mrs. Louder, Mrs. R. L. Reschar, assistant teacher; Margaret Williams, Wanda Newman, Dorothy Strayhorn, Ida Mae Callis, Blanche Bearden and Allene Curry. Mmes. W. C. Hollis, J. P. Strayhorn, J. D. Scott, Herman Doak and P. W. Cloud, members.

### Testing Coffee.

A way to test the quality of coffee is to put a spoonful in a glass of cold water and add a few drops of lemon juice. If the coffee is pure it will remain on top of the water; if not, the water will become brown in color.

### The Patch Bag.

A most practical patch bag can be made from a yard or two of mosquito netting. This enables one to see the contents from the outside, and there is no necessity for emptying the entire contents to find the exact piece of goods wanted.

### Pouring From Cans.

The secret of pouring liquid from a can is to make two holes in the can instead of one, about an inch apart. The one hole is for the liquid to pour from, the other hole to let air into the can.

### Writing When Traveling.

When necessary to write while traveling in an automobile, train, or bus, press the elbows into the body just above the hips, and you will find the task easy.

## LET'S TALK ABOUT CLOTHES

By a Young Modern

Brisk, business-like women who appear at the office in strictly man-tailored suits are the very ones who turn to laces and furbelows for bourgeois wear. And the shops are better equipped this year than ever before to satisfy feminine yearnings for bedroom finery.

Straight from Paris comes the news that several famous designers are featuring nightgowns in glamorous colors such as cyclamen, red-put, emerald-green and the like. Many of them are in chiffon, with empire waists, entirely pleated skirts and shirt-maker touches.

The housecoat vogue that went riot this year continues in a new vein. All of them, now available in flannel, satin, grosgrain and velvet, have that same suave hip-line, tiny waist and full skirt. Zippers are ever-present.

In an even frillier line there are such foolish but flattering numbers as the little waist length maribou jacket, held together at the neckline with a jeweled clip, and positively guaranteed to make convalescents draw out their illness. These come in peach, apricot, shell and other pastel tints.

Washable velvet is used for bed jackets of all sorts, ranging from inexpensive bits to artistic creations. One can wash this material, shake it out and don it!

Hostess gowns are reminiscent of early Southern belles, with lacy trims and little black velvet ribbons tied fetchingly at the neck and trailing full length. Other coats are of printed taffeta, quilted satin and crepe de chine.

### THE RUSTLER

The West Wind is a rustler. He dashes across the parched plain twirling a dust lasso— Shouting a gruff basso— As he rounds up the clouds and drives off the rain.

## Hallowe'en Party Monday Evening.

The gay spirit of Hallowe'en reigned Monday evening at the home of Mr. and Mrs. Fred Jones, when Mrs. Jones was hostess to the Amona Class of the First Baptist Church, of which she is teacher, and a number of guests. Assistant hostesses were Lois Burrow and June Burt. Hallowe'en decorations, games, refreshments and favors were used for the party. Wanda Shepherd, Mary Bryan and Chalmers Watkins were awarded prizes in the evening's contests. Jonisue Cogdell entertained with a clever reading, "Leap Year Leap."

"Witches' Brew" and "Hades Special" cookies were the refreshments served to the following: Jonisue Cogdell, Melba Ann Odum, Joanna Strayhorn, Alleen Morrison, Mary Bryan, Louise LeMond, Ruth Line, Dorothy Winston, Adell Watkins, Wanda Shepherd, Lola Jo Rogers, Mary Curmutte, E. J. Richardson, Vernon Moffett, Jay Rogers, Freddie Bullard, Leighton Griffin, Gordon Rogers, Lyman Yoder, Chalmers Watkins, Clyde Boren Jr., Lee Roy Strayhorn, Leslie Kelly and D. R. Covey.

### Convenient High Chair.

If four rubber-tipped door stops are screwed into the legs of an ordinary chair, it will make an ideal high chair for kitchen work, or for a small child.

When you know a thing, to hold that you know it; and when you do not know a thing, to allow that you do not know it; this is knowledge.—Confucius.

## Fall Flowers Are Party Decorations.

Lovely orchid chrysanthemums decorated the living room of the H. G. Towle home recently, when Mrs. Towle was hostess to the Sine Cura Club and guests. The lace-covered dining table was centered with a bowl of beautiful red roses.

Bridge parties went to Mrs. Wayne Boren, high score, Mrs. T. L. Lollar, second high, and Mrs. W. D. Beggs, traveling. The hostess passed a dainty salad plate at the tea hour.

Guests were Mmes. Joe Strayhorn, W. W. Hamilton and J. C. Dorward and Neoma Strayhorn, and the following club members were present: Mmes. Beggs, Boren, Lollar, R. H. Curmutte, Ernest Taylor, A. J. Towle and Joe Stinson. Mrs. A. J. Towle will have the club next.

### Mending a Range.

A crack on the inside of a range can be mended by using a filler made of equal parts of common table salt and wood ashes, moistened with water to the proper consistency. The filler will dry hard and be lasting.

### Mucilage Substitute.

Quite often when one is in a hurry to mail a letter, there will be but one stamp and it has no mucilage on its back. In this predicament all necessary is to moisten the mucilage flap on another envelope, run the stamp over the dampened part quickly, then place on the letter to be mailed.

### Repose.

When a man finds not repose in himself, it is in vain for him to seek it elsewhere.—From the French.

## Miss Vera Periman Hostess at Lubbock.

Vera Periman was hostess, along with Mrs. C. C. Jobson, Dorothy Levey, Hazel Duncan and Opal Sloan, at a twilight tea given Saturday evening at the home of Mrs. Jobson in Lubbock to announce the approaching marriage of Gladys Sanders of Lubbock to Dr. J. D. Williams Jr. of Colorado.

Both Miss Sanders and Dr. Williams are known to Snyder people. Their wedding will take place November 7. Miss Sanders is assistant home demonstration agent of Lubbock County, a member of the Lubbock Business and Professional Women's Club and Kappa Gamma Sorority.

Miss Periman, graduate of Texas Technological College, Lubbock, and the bride-elect were school friends in the Lubbock college, and Miss Sanders has visited with Miss Periman here several times.

### The Hanging Basket.

A novel way to water the hanging basket, without spilling water on the floor, is to insert a small funnel in the dirt, as near the center of the basket as possible, and hidden by the foliage. Fill this funnel with water every day, and it will soak into the soil gradually.

## Members Give Ideas Concerning Greeks.

During the study of "Greek Literature" last week, members of Alpha Study Club advanced interesting ideas concerning both the people and their literature. Discussions were directed by Mrs. Melvin Blackard.

Mrs. Joe Graham, hostess for the day, invited members into her house, which was graced with flowers throughout, and passed dainty refreshments to the following: Mmes. Blackard, Wayne Boren, J. G. Hicks, Ixon Joyce, J. P. Nelson, Forest Sears, C. F. Sentell, John E. Sentell, J. R. Sheehan, Waymond Sims, J. C. Smyth, Wayne Williams, Wade Winston and G. M. # John Brown has "a cold" . . . .

John Brown is a man you know. He guards against all things that might endanger his health and well being. He never steps on the soap in the bath tub. He is careful to observe all traffic laws. If he cuts his finger he immediately protects it against infection. John Brown is usually a careful man. — But today John Brown has a cold that threatens his future health.

Like many others who catch cold during the winter season, John Brown overlooked the dangers of a sudden change of temperature. Last night he went from his warm and cozy living room to answer the telephone in the UNHEATED, adjoining room. Today John Brown, careful in all other things, has a cold.

### Santa Fe Farm Agent, Veteran of Area, Judges Agricultural Exhibits

Hobbs Community Takes the Majority of Awards in Scurry County Fair.

H. M. Bainer, Amarillo, agricultural agent for the Santa Fe, was judge of the agricultural exhibits at the Scurry County Fall Fair last Friday. He found that the Hobbs community in Fisher County, paced by her FFA boys, won more awards than any other section. J. A. Merritt was superintendent of this division.

Scurry County farmers of 25 or 30 years ago remember Bainer when he was in this division as head farm man for the Santa Fe. In those days there was only one county agent north of the T-P. Railway in Texas, and that was in Denton County. The railroads, then, were largely responsible for bringing new families into the territory and for improving farm practices.

#### First Grain Sorghum.

It was Bainer, The Times is told, who was largely responsible for introducing grain sorghums into this section. He and his co-workers then came into Santa Fe counties and conducted demonstrations of several kinds, such as the Extension Service and its co-workers do now.

Joe Merritt, County Agent W. R. Lace and others declare the Santa Fe man, recently returned to this division after a number of years out of Texas, is one of the best judges of feed to be found anywhere.

Following are the awards as announced by the veteran judge:

#### Awards Announced.

White Maize—C. Anderson, Hobbs, first (one entry).

Red Maize—Joe Wylie, Hobbs, first; J. A. Merritt, Snyder, second; L. E. Wood, Hobbs, third; Edgar Jones, Hobbs, fourth; John Akers, Hobbs, fifth.

White Kaffir—J. A. Merritt, Snyder, first; Billie Lightfoot, Fluvanna, second.

Red Kaffir—Don Hanson, Dunn, first (one entry).

Feterita—Bunk Casey, Hobbs, first; T. C. Morrow, Snyder, second; Hobbs F. F. A., third.

Hogari—B. L. Dulin, O'Donnell, first; Clay Garrison, Hobbs, second; Clyde Garrison, Hobbs, third; Hugh Jeffress, Snyder, fourth.

#### Bundle Sorghum.

Bundle Sorghum—C. Anderson, Hobbs, first; Clay Garrison, Hobbs, second; Clyde Garrison, Hobbs, third; H. H. Jeffress, Snyder, fourth; Fluvanna F. F. A., fifth.

White Kaffir Bundle—J. A. Merritt, Snyder, first; J. E. Taylor, Hobbs F. F. A., second; Wick Hardy, Ira, third.

Peterita—Hobbs F. F. A., Hobbs, first (one entry).

Hogari Bundle—Clyde Garrison, Hobbs, first; H. H. Jeffress, Snyder, second; Clay Garrison, Hobbs, third; Wayland Mathis, Fluvanna, fourth. Wheat Bundle—J. A. Merritt, Snyder, first (one entry).

### KNOW TEXAS

By F. L. McDonald, Texas State College for Women, Denton

#### Plenty of Ammunition.

Unsuccessful road shows would steer clear of Cherokee and Smith Counties if they knew how many ripe tomatoes were produced there. These two counties grow more tomatoes than any other section of Texas, and Jacksonville, of Tomato Festival fame, is the leading tomato shipping city of the South. The colorful vegetable is also grown in the Valley and on the coast, but East Texas ships out more than half of the total produced, which is 3,075,000 bushels.

#### Old World Romance.

Legends of gallant Prince Carl and lovely Lady Sophia surround the old German town of New Braunfels. History relates that after a few German settlements were made over here in 1840, and "Association for the Protection of German Immigrants in Texas" was formed of 20-odd princes, counts, barons, and noblemen of Germany.

The association bought a grant near Comal Springs and in 1844 Prince Carl of Solms-Braunfels led them to America, where they founded their first colony west of Guadalupe. Erecting a log castle for Prince Carl, the colonists christened it Sophienberg in honor of his sweetheart, Lady Sophia.

Fostering a government like that of the old country, Prince Carl stayed in Texas 10 months. His counselors made a strangely mixed society, with a count as the groceryman, a baron on a farm, another baron dispensing beer, and others in odd jobs. After Texas' annexation the prince returned to his ancestral castle in Braunfels.

Oats Bundle—Bob Etheredge, Hobbs, first; Roy Moffett, Hobbs, second.

#### Threshed Grains.

Threshed Wheat (12 entries)—D. P. Yoder, Snyder, first; Fluvanna F. F. A., second; Mark Cave, Hobbs, third; J. A. Merritt, Snyder, fourth; Lee Willie Jones, Hobbs, fifth.

Threshed Oats—Roy Moffett, Hobbs, first; Mark Cave, Hobbs, second; Hale Cave, Hobbs, third; Malcolm White, Dunn, fourth; Fluvanna F. F. A., fifth.

Field Peas—J. A. Merritt, Snyder, first; Joe Landrum, Fluvanna, second; Preston Horton, Hobbs, third; Herman Lapham, Hobbs, fourth; Harold Horton, Hobbs, fifth.

Cotton—J. A. Merritt, Snyder, first; H. H. Jeffress, Snyder, second; Von Roeder Seed Farms, Knapp, third; Don Hanson, Dunn, fourth; J. A. McKinney, Snyder, fifth.

Von Roeder Seed Farms, Knapp, and James T. Dunn, Dawson County, had a joint cotton and grain sorghum seed exhibit at the west front of the big fair tent.

## The Dionne Quins Thrive on Oatmeal

For many weeks every man, woman and child watched with tense interest to see what would happen to the Quins. The fate of these famous babies was a source of speculation and wonder. The Dominion of Canada, making their welfare a national obligation, put them in the care of a top-notch staff of child experts. The amazing result of this special care is that the Dionne Quintuplets are miraculous examples of the glowing health that science can give. Their diet is composed of things which do them good and which they like—such as oatmeal.

Oatmeal was given to the charming babies by the dieticians because oatmeal with milk contains such an abundance of body-building minerals, muscle-building protein, energy-making carbohydrates, and Vitamin B for keeping fit.

Vitamin B is the best safeguard against those dangerous enemies of childhood—nervousness, constipation, and poor appetite due to lack of vitamin in the diet. Therefore the Quins thrive on Quaker Oats.

### New System of Grading Is Used

Teachers' Use of Only Four Divisions Will Do Away With "Pluses."

A new system will be used for grading this year. In the past the teachers have used seven divisions in grading, but will only use four this year.

There will no longer be any "A-plus, B-plus, C-plus or D's". All grades ranging from 100 to 90 will be marked "A," from 90 to 80 will be marked "B," from 80 to 70 will be marked "C," and all grades below 70 will be marked "F," which means failing.

A new ruling will be arranged for the National Honor Society and new standards will be set for exemptions.—Tiger's Tale.

### Paralysis Fatal To Local Pioneer Thursday Night

Sarah Elizabeth Hargrove, wife of the late Ben F. Hargrove, Scurry County farmer and Snyder merchant, died Friday noon at her home in North Snyder, victim of a Thursday night stroke of paralysis. She was 71 years of age.

Funeral services for the pioneer resident were held Saturday afternoon, 3:00 o'clock, at the residence, with Rev. James E. Spivey officiating. Burial was in Snyder cemetery. Maples Funeral Home was in charge of arrangements.

Born as Sarah Elizabeth Hale on June 8, 1866, at Holly Springs, Mississippi, she moved with her parents to Texas at the age of three years. She had been a member of the Baptist church since 1887. She was married to Ben F. Hargrove at Stone Point, Van Zandt County. Mr. Hargrove died 19 years ago.

Surviving are four sons, Emmet Hargrove, Snyder, Frank and Evan, California, Vachel, Amarillo; two daughters, Mrs. J. B. Taggart, Snyder, Mrs. G. W. Boswell, Wills Point; one sister, Mrs. McKnight, Dickens; 15 grandchildren.

Palbearers were J. C. Dawson, Harvey Shuler, H. L. Wren, W. J. Strickland. Flower girls were Marjorie Taggart, Adelle Hargrove, Anna Mae DeShazo, Charlotte Hargrove, Mary Lou Merritt, Maxine Hargrove, Lora Strickland.

Out-of-town attendants included Mrs. O. A. Harvey of McAdoo, Tom McKnight of Dickens, Mrs. Z. T. McKnight of Dickens, Bruce Taggart of Sweetwater.

**RAIN**  
The rush of rain upon the roof  
Is sent by God to soothe our cares;  
Its steady drip weaves in the woe  
Of muffled footfalls, murmured prayers;  
And its monotonous croon brings proof  
That Sleep takes Suffering un-  
aware.  
—Bess Bartlett, Marlin

**ONLY TODAY**  
Only today  
She passed this way—  
I wanted to call her  
But I could not!  
She had forgot.  
I saw her face  
Within the space  
And square of my door's  
Immediate frame.  
The sound of her name  
Rose in my throat,  
Departed, remote  
Like any silence,  
And she had gone.  
—Bergman Vinc, Sweetwater

**SHOCK**  
Just now, there was the silent shriek  
That just precedes a death;  
And now, the shrieking silence  
That takes the place of death.  
—Hope Bussey, Panhandle

**POET'S PRIVILEGE**  
I can write away the grief  
That other hearts would curse.  
If moonlight brings me memories  
I write them in a verse.  
—Princo's Martin, Loraline

**School Confusion With Capital "C"**  
At the beginning of school, there was a great deal of confusion among the freshmen about finding the rooms or classes that they were supposed to attend. This was true to an unheard of extent concerning one freshman whose name we withhold for obvious reasons.

This certain freshman interrupted about every class at every period of the day looking for his algebra I-B class. Finally, in one class, this freshman took a seat in the class that he did not belong in and exclaimed, "Well, I'll just take this subject anyway. I guess algebra has been discontinued."—Tiger's Tale.

**60 Snyder Students Join Scout Troops**  
About 60 boys enrolled in Snyder public schools are members of the two scout troops in Snyder. Troop 35 is sponsored by the Lions Club and Troop 36 is sponsored by the American Legion.

Leaders of Troop 35 are: Loran Maples, scoutmaster; Rev. James E. Spivey and Lovell Baze, assistant scoutmasters; and Ardath Head, junior assistant scoutmaster. Troop 35 at present has no senior patrol leader.

Leaders of Troop 36 are: Walter Cox, scoutmaster; and Billy King, senior patrol leader. Troop 36 has no assistant scoutmaster.—Tiger's Tale.

"Funny, ain't it, Pa," said Johnny, "that everyone in our house is an animal?"

The music club, which is sponsored by Mr. Yeats, was organized Wednesday, October 13. The name of the club is "The Swingsters." Its chief purpose is entertainment. Some of the history of music and songs for appreciation will be studied. It is their plan to have Mrs. Hollis and other entertainers perform for them.

The officers who were elected are: President, Joanna Strayhorn; vice president, Doris Wellborn; secretary-treasurer, Maceel Nokes; and reporter, Adell Watkins.—Tiger's Tale.

**Will Serve Officials.**  
The home making department of Snyder High School will serve a Halloween dinner to Mr. Wedgeworth and the school board members and their wives on Thursday evening. The girls will give a miscellaneous program.—Tiger's Tale.

**Ingratitude.**  
We can be thankful to a friend for a few acres, or a little money; and yet for the freedom and command of the whole earth, and for the great benefits of our being, our life, health, and reason, we look upon ourselves as under no obligation.—Seneca.

### Wallace Hedges, 62, Dies Friday Night At Home in Snyder

Wallace Hedges, for 30 years a resident of Scurry County, died Friday night, 11:00 o'clock, at his home in West Snyder following a lengthy illness. Mr. Hedges, who had just passed his sixty-second birthday, was a member of the Church of Christ.

Final rites were held at the Maples Funeral Home chapel Sunday afternoon at 3:00 o'clock, with M. V. Showalter of Abilene officiating. Burial followed in Snyder cemetery.

Surviving are the widow and one daughter, Merle, both of Snyder; four brothers, Hiram of Snyder, Otaway of Sweetwater, Noble and Charlie of Bangs; one sister, Mrs. L. D. Graves of Patricia. All the immediate relatives were present for the funeral services except one brother, Charlie, who was unable to attend.

Palbearers were the following: Roy Stokes, Jesse Clements, Clarence Moser, J. E. LeMond, Raymond Evans and Gilbert Richter. Marva Nell Curtis, Vera and Frances Evans and Pauline Smith were in charge of flowers.

### Music Groups Plan Last Term Programs

Mr. Yeats, who is head of the music department of Snyder High School, is working on a plan which he hopes will enable him, in the second semester, to permit the music classes to give a public performance every two weeks. He plans to have the classes not only to appear in the high school and local churches, but also in other schools.—Tiger's Tale.

**Difficultly.**  
What is "difficultly?" Only a word indicating the degree of strength requisite for accomplishing particular objects; a mere notice of the necessity for exertion; a bugbear to children and fools; only a mere stimulus to men.—Samuel Warren.

### Football Classic Played, Written About Hermleigh

Several classic games of football have been played in the past 13 months by the Hermleigh Cardinals under Coach A. C. Bishop Jr. But it remained for Superintendent W. T. Hanes to write the classic—after the Cards were thoroughly whammed up on the Plains. Here 'tis, onions, mustard and all:

"Call out the fire department, call the doctor, call anybody. Hermleigh, Amarillo and A. & M. lose on widely scattered fronts in the week's biggest upsets.

"Yes, Hermleigh was finally beaten by a team in its own class. New Deal of Lubbock County beat us 14-0 under the lights at Slaton Friday night. However, the Cardinals wouldn't have lost if they had made three touchdowns.

"That is the only reason they lost. The other team just made two touchdowns and wouldn't let us make any. Every time we'd get close to their goal line they would take the ball away from us, or after four downs the referee would take it and give it to them.

"Coach Bishop used everything he had in trying to win but to no avail. He even threw the water bucket on the field at one time, but the referee said it didn't count a touchdown unless the football was in the play in some way.

"No gentlemen, these rabbit runners and hog raisers from the shadow of Texas Tech just acted plum hogglah, and although there were only two touchdowns in the game, they took both of them.

"Well, you can't expect Hermleigh and Amarillo to win forever, can you?"

"Yours for a good Hermleigh hamburger."

"It Has No Equal." That's what most every well-informed person has to say about the special bargain combination The Times has arranged for the benefit of its readers—Pathfinder 52 issues and The Times 52 issues, both for only \$2.25.

### Young Texas Girl on Broadway

Recognition came to a young Texas actress recently when Miss Gladene Parr of Waelder was chosen from among 300 applicants for a role in the latest

production of the Theater Guild of New York. The play, "Madame Bovary," opened in Washington, D. C., and then in New York City.

### Snyder Has Chance For Radio Numbers

A program will be broadcast each week from station KRBC, Abilene, by various schools in this district. Snyder students will have a chance to broadcast numbers throughout the year. Mr. Wedgeworth has appointed Mr. Yeats, Miss Sewell and Miss Newman as a radio program committee.

The students of Snyder High School listened to a program of this type presented by Abilene students Wednesday, October 13.—Tiger's Tale.

Mr. and Mrs. William A. DeBald and Mrs. A. C. Leslie returned home Monday from a visit with relatives in Oklahoma. The DeBalds were guests of her sister, Mrs. Henry George, and Mr. George in Sulphur, and Mrs. Leslie visited with her sister, Mrs. H. L. Ledbetter, in Ardmore.

Mrs. R. W. Cunningham returned Monday from a several weeks visit with her brothers, A. A. and Dr. C. F. Ross, in Lockhart.

### Ready-for-Use Commercial Education

By meeting the needs of the young people and of the business firms of this community through offering commercial education on a "ready-to-use" basis, the Snyder High School has made an enviable place for itself in this community. The superintendent and the board of education looked at the facts squarely last year and decided to offer commercial work in this school system. They acknowledged that they did not want a theory course, but they did want business education that had as its main objective training for vocations. This group of educators has succeeded for the Snyder High School now has one of the strongest commercial departments in West Texas.

There are 160 students enrolled in this department this year, and the job of this department is two-fold: First, to teach future citizens how to manage their personal affairs; second, to prepare the students to enter the business world.

Typing is being taught in such a manner in our school that it will be a valuable tool either in the personal or in the vocational life of the individual.

Main objective of the commercial law class is to teach the students when to consult a lawyer. How much better off would some of our present day business men be if they knew when to consult a lawyer.

Bookkeeping is certainly being taught as a "ready-for-use" course. It can be used by the future citizen to manage his own personal affairs, or it can be used by students who want to become bookkeepers. The bookkeeping course in the Snyder High School even has a unit on farm accounting. What could be more practical than to teach our future farmers and ranchers how to accurately figure how much profit they have made during the year? By looking over their books for the year and seeing what particular crops they had lost or made money on could they not better their situation for the coming year? The commercial department of this school is teaching its farmer boys to get away from the "back porch calendar" method of keeping books.

The secretarial training course is preparing our boys and girls to become accurate office help for the business men in our community. Until the last few years business men had to go out of town or wait until their young men and women had gone out of town for their training to get office workers. Now there is an adequate number of well qualified stenographers to fill all of the vacancies in Scurry County.—Tiger's Tale.

### Ex-Students Attend Canyon Homecoming

Misses Jewel Foster, Katherine Northcutt, and Polly Harpole, and Hadley Reeve attended the annual homecoming of ex-students of West Texas State Teachers College, Canyon, Friday and Saturday, October 22 and 23.

Miss Northcutt represented Scurry County as a candidate for queen of the homecoming. The candidates were judged by secret judges Friday evening at Cousin's Hall.—Tiger's Tale.

### Carefulness.

For want of a nail the shoe was lost; for want of a shoe the horse was lost; and for want of a horse the rider was lost; being overtaken and slain by the enemy, all for want of care about a horseshoe nail.—Benjamin Franklin.

### The Door Key.

That important door key will not be evasive any more when the housewife returns from the grocery, if she will sew a large-sized dress hook inside her handbag, near the top, on which to hang the key.

### Forbearance.

It is a noble and great thing to cover the blemishes, and to excuse the failings of a friend; to draw a curtain before his stains; and to display his perfections; to bury his weaknesses in silence, but to proclaim his virtues from the house-top.—South.

### Social Security Question Box

Editors' Note: The Times is publishing a series of questions and answers concerning the federal old-age benefits provision of the Social Security Act. Employers who wish to have further questions answered should write to the Social Security Board office, 1530 Allen Building, Dallas.

Question—How are records of an individual employee's wages set up and kept under the old-age benefits provisions of the Social Security Act?

Answer—An account is opened for each employee by the Social Security board at its wage records division in Baltimore, Maryland, shortly after the employee receives his account card from the postmaster. This account is credited with the amount of wages paid the employee in covered occupations after the year 1936 and before he dies or attains age 65.

The amount of such wages is determined from reports submitted to the treasury department by employers in July, 1937, and quarterly thereafter. These reports, known as informational reports, are forwarded to the wage records division of the Social Security board where the amounts of wages are credited to each employee's account.

An employee may, if he wishes, inquire of the Social Security board at any time regarding the amount of wages reported by employers and credited to his wage account.

### Typewriter for Sale.

The Times has another second-hand typewriter for sale—a good, sound Woodstock that will give student or business man a world of service. Also, two brand new Remington portables are in stock, ready to go out on the famous Remington rental purchase plan.

### Intemperance.

Those men who destroy a healthful constitution of body by intemperance and an irregular life, do as manifestly kill themselves, as those who hang, or poison, or drown themselves.—Sherlock.

### Ignorance.

It is with narrow-souled people as with narrow-necked bottles—the less they have in them the more noise they make in pouring it out.—Pope.

### First Presbyterian Church

The topic of the sermon at 11:00 a. m. next Sunday will be "The World Challenge," in keeping with the missionary theme which has been stressed during the month of October throughout the entire Presbyterian church. In the evening at 7:30 o'clock, the topic will be "Deeds Are Seeds." There will be special music in the morning. A cordial invitation is extended to all who would attend these services, the Sunday school at 9:45 a. m., or the Christian Endeavor at 6:30 p. m.

The missions' centennial supper and celebration will be held at 7:00 p. m. on Friday.—James E. Spivey, pastor.

### U. S. Railway Mileage.

The total point-to-point length of steam railways in the continental United States was 241,822 miles on December 31, 1935. Russia is first among foreign countries, with 59,725 miles; India is second, 43,021 miles; Canada, third, 42,270 miles; France, fourth, 40,348 miles.

### Money and Time.

Money and time are the heaviest burdens of life, and the unhappiest of all mortals are those who have more of either than they know how to use.—Johnson.

### Oil Speaker

Matthew S. Sloan, chairman of the board and president of the Missouri, Kansas and Texas Railroad, will be the principal speaker at the annual convention of the Texas Mid-Continent Oil and Gas Association, to be held in Dallas Friday and Saturday of this week. Recent local oil news focuses the eyes of Scurryites on the Dallas gathering.

# All set? listen: HERE'S THE ENGINEERING MUST STORY OF THE YEAR!

Featuring the DYNAFASH ENGINE and TORQUE-FREE SPRINGING — in the Most Modern Chassis in the World

You won't drive a hundred yards in a new Buick without realizing that something marvelously new and different is happening here. It's something that happens in no other car, in no other engine. Speeding through the intake manifold, the fuel charge hurricanes into the cylinder at something like 250 miles an hour. Leaping to meet it is the piston, with a unique device called a Turbulator built into its face. Then occurs something more than high compression—literally cyclompression—as swirling gasoline vapor is compacted about the spark plug. The spark sets off a fist-size hurricane—and gasoline gives up more performance than it ever gave up in a commercial engine before! This livelier, smarter power might seem enough for engineers to lavish on a car in a single year. But matching DYNAFASH power in importance is Buick TORQUE-FREE SPRINGING and its arrolite ride. Take a Buick over a railroad crossing—around a curve—over bumps. There's no thud and chatter, no tail-swing or roll; you cover rough going with the silk-smoothness of a panther on the prowl.

All because old-type leaf springs are gone! In their place, each wheel has a soft, shock-mothering cushion of stout coiled steel. Skid risks are blessedly reduced. Rear tires last longer. The whole car handles more easily! That's TORQUE-FREE SPRINGING at work! If it's power you're after, you'll want Buick's DYNAFASH engine. If it's comfort, you'll choose the TORQUE-FREE SPRINGING ride. With either you get the other—plus half a score of features your Buick dealer is waiting to describe. See him now—for the engineering "must" story of the year!

NEWS FROM SNYDER HIGH SCHOOL'S PAPER

## "Dollar Down" Payment Ready

"Snyder High School will have an annual," declared Superintendent Wedgeworth Friday morning in assembly after two weeks of diligent campaigning led by a committee composed of Jay Rogers, Mary Helen Bolin, Jonisue Cogdell, Louise Leonard and Jack Scarborough.

Monday morning, October 9, Mr. Prickle was introduced to the Press Club by Mr. Wedgeworth. Mr. Prickle, representative of the Steek Company, showed the members of Press Club, Mr. Sides, Mr. Wedgeworth, and Miss McLeod a plan by which the school could publish an annual for \$400 for 200 books.

To this idea the Press Club subscribed 100 per cent. In assembly Mr. Prickle again told his story. The students in assembly liked the idea, and Monday, October 18, was set for the dollar down payment.

Mary Helen Bolin and Jay Rogers were announced as editor-in-chief and business manager respectively in between halves at the Snyder football stadium Friday evening, when Snyder played Loraine. Democratic balloting had been conducted throughout the day.

Mary Helen is a member of the journalism department, news editor of the Tiger's Tale, vice president of the Press Club and a member of the senior class. She has been active in Press Club work for the past two years. She is a member of the National Honor Society.

Jay Rogers is qualified to fill the place of business manager, in that he has been on the business staff of the Tiger's Tale for the past two years and has worked in the local newspaper plant for several years. He is president of the Press Club and of the senior class.

## Fifteen Members Join Drum Corps

The Snyder High School drum corps is now meeting regularly. About 15 girls meet every Monday, Wednesday and Friday at 12:30 o'clock and practice every afternoon during their "off" periods.

Nine of the girls have received their drums and others expect to have theirs soon. Mr. Reschar reports that the girls are progressing nicely, and he expects to have an A-1 drum corps within a few months.

## OPEN HOUSE

Friday, November 12, 1937, is Open House Day at the Snyder public schools. Parents are invited to attend for a part or all the day.

## Hallowe'en Carnival Queens Are Elected

Wednesday morning when the four classes met, they elected the following candidates for queen of the Hallowe'en carnival which is to be given in the gymnasium Saturday, October 30:

Senior—Aileen Morrison.  
Junior—Billie Lou Hayes.  
Sophomore—Carolyn Dunn.  
Freshman—Wanda Jean Sims.

## Visual Education Program

R. H. Rea will be in Snyder High School October 28 to show the student body moving pictures and to lecture on "Safety." Students will be given a full hour to see the pictures and hear his lecture.

## If You Want to Know—

what's going on here at home, and all over the world, too, The Times and Pathfinder will do the job perfectly, and for only \$2.25 for a whole year. Leave your order at the Times office without delay.

## Band-Parent Group Plans Year's Work

The Band-Parent Association met recently in the band room for the purpose of electing officers and making plans for this year's work. Officers elected were: Mrs. D. P. Yoder, president; Dr. C. E. Helms, vice president; and Mrs. Doc Richardson, secretary.

The Band-Parent Association is an organization formed by parents of members of the band. The organization, with the help of the director, Ralph L. Reschar, discusses and solves problems for band members. Their chief plan now is to raise money for 11 new band uniforms.

## "Ideal Boy Friend" Discussed by Girls

The H. E. III girls, under the sponsorship of Miss Vera Periman, discussed "The Ideal Boy Friend" in class Monday, October 18.

Different girls expressed their ideas that to be an "Ideal Boyfriend" any boy must have a pleasing personality, have good manners, be kind, considerate, thoughtful, friendly, neat in appearance, healthy, educated, be a Christian and belong to a church.

"Drinking" was considered the worst trait any boy could possess.

## Former Judge

Horace Holley, above, county judge of Scurry County for more than 10 years prior to 1931, died Monday night of last week at Austin, 10 days after a major operation. Several Scurry County friends and relatives attended final rites in Austin last Wednesday afternoon.

## Winners Given for Horse-Mule Exhibit At Fair Last Week

J. T. Biggs, superintendent, and J. T. McElroy, vocational agriculture teacher at Post, judge, named these winners in the horse and mule department of the fair last week:

Heavy Stallions—J. T. Biggs, Snyder, first; Perry Echols, Ira, second; Ben Brooks, Snyder, third; Ed Taylor, Snyder, fourth; J. A. Burney, Knapp, fifth.

Single entries were made in several events, as follows: Light stallions, Bill Taylor, Snyder; light horse colts under one year, Diamond M Ranch, Snyder; light horse colts over one year and under two, Melvin Newton Jr., Snyder; heavy horse colts under one year, T. M. Pherigo, Snyder; mule colts under one year and under two, J. W. Layne, Snyder.

## First Methodist Church

Many good things are coming to us this season. A spirit of gratitude ought to possess us, even though the day proclaimed for national thanksgiving has not arrived.

With deep appreciation in our hearts, let us find our places in the services of the church next Sunday.—H. C. Gordon, pastor.

## New Showcard Colors.

The Times early this week received a new shipment of showcard colors—bright, attractive holiday reds and greens, along with 10 other much-used shades. Phone 47 for hurry-up service on this item or any of the other dozens of store and office needs.

## To Clean Playing Cards.

Soiled playing cards can be cleaned by dipping a small sponge in spirits of camphor and rubbing the card gently. This will restore the newness.

## United States Leads.

In 1936 there were 788,551 miles of railway line in the world. Thus with less than six per cent of the world's land area and with less than six per cent of the world's population, the continental United States has more than 30 per cent of the world's railway mileage.

If you act promptly you can renew your subscription to The Times another year and get Pathfinder, the news magazine every week from Washington, D. C., for a whole year for only \$2.25. But don't delay—order today.

## Uncle Eli Says—

"Now we'll see how many folks round these here parts know a real bargain when they see it. In all my born days I ain't never seen one that equals the Times' offer of a whole year's subscription to Pathfinder and The Times for only \$2.25. Why, that's givin' you the two best papers in the country for only \$2.25."

## Texas Leads Nation.

Texas occupies first rank in the nation in railway mileage, with 16,554 miles of railway line, followed by Illinois with 12,728 miles, and Pennsylvania with 10,943 miles. Kansas has 8,781 miles, Minnesota has 8,599 miles, Ohio has 8,574 miles, New York has 8,187, and California has 8,118.

# Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Cressote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling the germ-laden phlegm.

The Medical Profession has for many years recognized the beneficial effect of Beechwood Cressote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist for blending Cressote with other ingredients and now in Creomulsion you

get a real dose of genuine Beechwood Cressote which is palatable and can even be taken frequently and continuously by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel the germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed and if you are not satisfied with the relief obtained, the druggist is authorized to refund every cent of your money. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief that you want. (Adv.)

### CITATION BY PUBLICATION

The State of Texas, County of Borden.

To the sheriff or any constable of Borden County, Texas, greeting:

You are hereby commanded to summon J. W. Wharton, W. K. Clark, J. N. Hopkins, J. I. Wilborn, M. Stanley, A. J. Cochran, C. W. Simpson, trustees of the First Baptist Church of Gail, Texas, and the unknown owners of the hereinafter described land and premises, and the unknown heirs of each of the above named defendants, and each of them, to be and appear at the office of the county judge of Borden County, Texas, at the courthouse at Gail, on the 15th day of November, A. D. 1937, at 10:00 o'clock a. m., then and there to answer the petition filed in the county court of Borden County, Texas, on the 29th day of September, A. D. 1937, being No. 43 on the docket of said court, in which suit, the state of Texas, acting by and through the Commissioners' Court of Borden County, Texas, is plaintiff and the above named defendants and each of them are defendants and the cause of action being alleged as follows:

That said defendants are the owners or part owners of the following tracts of land to-wit:

A part of lot Nos. 7 and 8 in block No. 92; a part of lot 9 in block No. 90; a part of lot No. 9 in block No. 90; a part of lots 2-4-10-12 in block No. 90; a part of lots 1-3-7-8 in block No. 90; a part of lots 7-8-10-11-12 in block No. 91; a part of lot in block No. 90; a part of lot No. 9 in block No. 90; a part of block No. 78; a part of block No. 77; a part of lots 11 and 12 in block No. 92, all of the original town of Gail in Borden County, Texas. That the state of Texas, acting by and through the Commissioners' Court of Borden County, Texas, desires a 100 foot right-of-way over said land for the purpose of constructing State Highway No. 15; that said Commissioners' Court said defendants cannot agree upon the amount of damage; that condemnation suit by said Commissioners' Court has been filed and the undersigned have been appointed commissioners to appraise and assess the damage resulting therefrom.

### NOTICE TO BIDDER

Pursuant to an order of the Commissioners Court of Scurry County, Texas, duly made and entered October 25, 1937, in the minutes of said court, bids will be opened in the Commissioners Court room in the county courthouse in Snyder, Scurry County, Texas, on the 8th day of November, 1937, at 10:00 o'clock a. m., on the proposals to furnish to Scurry County the following road machinery:

Two 4-wheel drive maintainers rear and front drive hydraulic control complete, each with four 900 by 24 rear tires plain tubes, each with four 900 by 24 front tires plain tubes, each with close cab, each with 13-ft. mould board, each with two 2-ft. extension, each with one 13-tooth scraper.

It is the intention of the Commissioners Court of Scurry County to issue interest bearing time script warrants in payment for the hereinafter described machinery and the contract, therefor, in the maximum amount of \$11,000 bearing interest at the maximum rate of 6 per cent per annum and maturing serially over the period of three years with the maximum maturity date 1940.

All bids submitted will be subject to acceptance or rejection by the court.

Witness my hand this 26th day of October, A. D. 1937.—H. J. BRICE, county judge, Scurry County, Texas.

You are hereby commanded to so summon said defendants, and to serve this citation by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof in some newspaper published in this county, but if there be no newspaper published in said county, then in any newspaper published in the next county where a newspaper is published.

Herein fail not, but have you this writ with your return thereon showing how you have executed the same on the day to which this is returnable.

Given under our hands at Gail, Texas, this 26th day of September, A. D. 1937.—A. M. CLAYTON, D. DORWARD, J. R. ROPER. 19-4c

### NOTICE OF SHERIFF'S SALE OF REAL ESTATE

By virtue of an order of sale issued out of the honorable 101st judicial district court of Texas in and for Dallas County, on the 18th day of October, 1937, in the case of The Dallas Joint Stock Land Bank of Dallas versus D. G. Snider, et al. No. 25068-E, and to me, as sheriff, directed and delivered, I have levied upon this 26th day of October, A. D. 1937, and will between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., on the first Tuesday in December, A. D. 1937, it being the 7th day of said month, at the court house door of said Scurry County, in the city of Snyder, Texas, proceed to sell at public auction to the highest bidder, for cash in hand, all the right, title and interest which D. G. Snider, Fannie P. Snider, Mrs. Winnie Berry, a widow, R. A. Ward, C. W. Logsdon, G. W. Asher, Floyd Asher, Mary Ellen Asher, E. E. Wallace, Gulf Refining Company, and Charlie Woods, had on the 15th day of February, A. D. 1927, or at any time thereafter, of, in and to the following described property, to-wit:

Situated in Scurry County, Texas, and being the north 1/2 of survey No. 119, block 3, of the H. & G. N. Ry. Co. survey; and being the same land conveyed by John Speiss et ux to D. G. Snider by deed dated January 6, 1914, of record in book 35, page 450, deed records of Scurry County, Texas; and being the same land described in deed of trust dated February 15, 1927, executed by D. G. Snider et ux to H. W. Ferguson, trustee, now of record in Vol. 27, page 156, deed of trust records of Scurry County, Texas;

Said property being levied on as the property of said above named persons and will be sold to satisfy a judgment amounting to \$6,085.62 against D. G. Snider, Fannie P. Snider, and G. W. Asher, together with 8 per cent interest thereon from July 31, 1937, in favor of The Dallas Joint Stock Land Bank of Dallas, and costs of court and further costs of executing this writ.

Given under my hand this 26th day of October, A. D. 1937.—CLYDE THOMAS, sheriff, Scurry County, Texas.

## Better Cotton Seed.

Ira's cotton seed committee will be ready to report Monday night.

No matter what variety of cotton the committee suggests, farmers—40 to 50 of them—will be taking a giant step toward bringing Scurry County to the front as a producer of good cotton. And if other communities don't follow suit pretty soon, the Scurry County cotton farmer, and all of us who depend largely on him for a livelihood, will be in a heck of a mess, to put it mildly.

Cotton markets, like many other worth while things in life, are getting to the point where they seek no man. The man and the community and the county and the state must seek the markets, and inferior cotton just won't get the job done.

## Better Horseflesh.

The tractor, the truck, the trailer and the pick-up, symbols of an era of rapid farm and ranch transportation and work, are with us, probably to stay in varying quantities as long as most of us live.

But horseflesh has not been displaced. Statistics reveal that the horse and the mule have actually increased in some localities, and that their gradual disappearance from the American scene, prophesied several years ago, may never come to pass.

Some time in the future there may not be a place in Scurry County for the horse and mule. But in this generation, despite the inroads of gasoline bargies and their cousins—under-the-hood, there is much need for the sturdy animals that have helped build civilizations out of wildernesses.

Only the best animals will survive. It is time, therefore, for this territory to begin breeding, as never before, a yearly batch of young horseflesh that will fill modern needs. Good young horses and mules are hard to get, especially since the exodus during the drouthy years. Only the raising of good work stock will solve the problem as it should be solved.

## Editorial of the Week.

### A LITTLE HORSE TRADING.

Those ranchmen of the Panhandle who will have to do a lot of feeding this winter have demonstrated partially what the Southwestern Cattle Raisers Association and the Texas Sheep and Goat Raisers Association can do in the way of horse trading with the railroads and other transportation devices.

Thirty-four drouth affected counties were assured the rail lines would ask the railroad commission to put relief rates into effect until December 1 and provide a 25 per cent saving on feed shipments to the counties.

That will mean a lot to the Panhandle ranchmen, and there is a possibility other counties will get in on the benefits.

Railroads need the good will of the public, and particularly the shipping public. Remote ranch business, while light as compared with urban business, is the most important part of branch line rail activity. And with improved highways, through remote areas, trucks rapidly are giving the railroads a run for their money.

Ranchmen needn't try to get hard with the railroads. The rails played a large and important part in developing the country, and they deserve respect, good will and business.

But the old fight still rages between centralized monopoly, as represented by railroads, and decentralized production and consumption, as represented by farmers and ranchmen.

The only way the agriculture populace is going to hold its head up against monopoly is for agriculture, as a bargaining influence, to become centralized through a protective organization, and to exert the force of that organization through such bargaining channels as existed in Austin when the sheep and goat and cattle units went to bat and won their game.

With trucks and rails at each other's throats, there is nothing to prevent agriculturists from playing one against the other except the natural inclination of men of the soil to play a lone hand.—San Angelo Standard-Times.

## Sweaters and Socks.

Talkative Tillie says the men-folks are so busy these days that there'll be enough knitting done in Scurry County this fall and winter to furnish another war.

## Names in Germany.

Two of Germany's high speed, streamlined trains are known as "Flying Hamburger" and "Flying Frankfurt." Someone has suggested to Hitler that he pass a law making it mandatory to serve onions and mustard to every passenger.

## For What It's Worth.

We quote, for what it's worth, from a recent statement by Big Democrat Barkley: "Farm cash income up 85 per cent . . . farm prices up 75 per cent . . . forced farm sales cut in half . . . farm wage rates up 75 per cent . . . farm real estate values up 16 per cent. Such is the record of agricultural progress in the United States during Roosevelt's first administration, 1933-36."

Goshen News-Democrat—A new-type carburetor is said to allow autos to get 200 miles on a gallon of gasoline, making it unnecessary to fill the tank while seeking a parking spot.

## Current Comment.

By LEON GUINN.

(Publishers' Note: "Current Comment" is not necessarily the editorial opinion of The Times.)

While Congress has yet to definitely decide on what the AAA's crop control plan for next year will be, certain facts appear on the AAA horizon, like straws in the wind, that foreshadow a crop reduction program with some real teeth in it. . . . Yet some misguided information is on the loose concerning the "cotton loan plan" sponsored by RFC funds, which we feel needs attention.

For instance: Current opinion among many a cotton grower is that borrowing the "nine cents a pound on cotton, and holding it in a government approved warehouse" does not obligate the grower to reduce his cotton acreage next year. . . . Further, it is contended the acceptance of the "3 cents a pound subsidy payments" on pooled cotton is the only thing that obligates the grower to reduce his cotton crop.

In other words, the contention is that borrowing the "nine cents a pound" on pooled cotton does not carry any reduction strings in its money loaning provisions and clauses. . . . One usually reliable source has it the government has a "moral clause for good farm" in the nine-cent loan agreement; which "really means the grower is not tied up to reduce his cotton acreage next year, unless he takes the 3-cent subsidy payment."

This idea of a "moral clause" is indeed refreshing, for the government cares very little about the "moral" aspects for government for "good form." . . . And the opinion that borrowing "nine cents a pound" on cotton does not obligate the grower to reduce his acreage is entirely erroneous. . . . One of Roosevelt's "must-isms" was that compulsory reduction must accompany any "cotton loans made to producers;" which was translated into the "moral" clause (if there be such an animal) of the loan agreement.

Consensus of congressional opinion is that the 1938 crop control program will be strictly compulsory, with penalizing provisions for "non-cooperating" cotton growers. . . . What of the many cotton farmers who have "reduced" until further acreage reduction will be out of the question? In other words, the people who have strung along with government in reduction programs for the last three or four years ought to be exempted from further curbs. . . . The idea is to corral next year that group of cotton growers who have refused to cooperate with the government in reducing acreage.

Yet, compulsory legislation is fleeting in its effect, and reduction programs are yet but superficial from the large point of view. . . . Until we scale down our tariff barriers to permit a balance of trade with our foreign cotton customers, cotton growing will be beset by many inherent ills. . . . The Japanese are one of our best cotton customers, but no one knows how long they can continue to buy more than they sell on the foreign market.

Speaking in terms of foreign exchange, a "favorable balance of trade" occurs when a nation exports more goods than it imports. . . . One of international trade's first laws is that trade balances must swing like a pendulum back and forth. . . . Since different currencies have different "foreign exchange values" the stabilizing factor is gold bullion; gold movements determine the foreign exchange value of currencies.

Since we sell more cotton than any other one thing to Japan, and since our sales to that nation amount to nearly 1.75 times the amount we purchase from Japan, we have a favorable trade balance with them. . . . If they can continue to buy indefinitely on that basis, trade with Japan will of course remain on a favorable balance—to us.

## Two Suggestions.

Harley Sadler drew the crowds Friday and Saturday nights, all right. But we still have two suggestions to make if the showman wishes to keep his show at maximum attractiveness: Raise the stage and regulate the ventilation. It's still a marvel to us how such a traveling show can make money, considering the increasingly popular appeal of moving pictures and radio.

To cultivate kindness is a great part of the business of life.—Johnson.

Beauty is man's sublime retort to the chaos and savagery of life.—Lawrence Gilman.

Creeds grow so thick along the way their boughs hide God.—Lizette Woodworth Reese.

People should vote from where they work instead of, as now, from where they sleep.—John W. Aiken.

What we want is a government good enough, so that it can look in the mirror without blushing.—Robert Erskine Ely.

Change is one of the most perilous things in the world. There is only one thing I can think of more dangerous—not to change.—Harry Emerson Fosdick.

President Roosevelt has the finest, loveliest, smoothest voice you could hear over a radio. You never miss a word. His intonation is perfect, and he always has the kindness and friendliness to say "you and I" and "we." He speaks, as he is, a cultured, polished, college gentleman.—Janet Richards.

## Beef Department Highlights Fair; Expert Is Judge

With C. Littlepage, Hobbs vocational agriculture teacher, as VA and FFA superintendent, and E. B. McLeroy, farm agent of Borden County, as general livestock superintendent, the beef department of the Scurry County Fall Fair was the highlight of the event.

Honors were fairly well divided between five groups of entries, with Fluvanna FFA having a slight edge.

R. B. Tate, Nolan County agent, former trainer in Mason County of boys whose animals have won national honors, judged the 25 or 20 calves entered by FFA and VA boys. Livestock men at the fair said Tate is one of the best in judging calves anywhere, and his explanations of the reasons for calf placings were interesting to a large group of spectators at the calf show.

Awards were made by Tate as follows, with first prizes running \$5 and \$6, and other prizes ranging downward to \$1 for fifth:  
Dry lot class, FFA—Malcolm White, Hobbs, first; Billy Sims, Fluvanna, second; English Dooley, Hobbs, third; Carrol Hodges, Hobbs, fourth; Joe Sam Truss, Fluvanna, fifth; Ross Belev, Fluvanna, sixth; Jack Turner, Fluvanna, seventh; A. B. Sealy, Fluvanna, eighth; John A. Stavelly, Fluvanna, ninth.

Milk fed calves over 600 pounds—F. J. Murphree, Scurry County Four-H, first; Weldon Street, Borden County Four-H, second; Andrew Williamson, Fisher County Four-H, third; T. F. Forrest, Scurry County Four-H, fourth; Roy Helms, Scurry County Four-H, fifth.

Milk fed calves under 600 pounds—E. I. Smith, Fluvanna FFA, first; Robert Helms, Scurry Four-H, second; Clarence Simpson, Borden Four-H, third; Boyd Freeman, Borden Four-H, fourth; Malcolm White, Hobbs FFA, fifth; H. P. Wellborn, Scurry Four-H, sixth.

Special added class over 1,000 pounds—J. J. Koonsman, Scurry rancher, first; F. J. Murphree, Scurry Four-H, second; Roy Helms, Scurry Four-H, third.

## Church of the Nazarene

The Hamlin zone of the Nazarene Young People's Society will meet in Sweetwater Sunday, October 31, for a rally. This is our regular fifth Sunday, rally day of the Hamlin zone. We are expecting a large representation from every church in the zone for the 11:00 o'clock service, then a great program in the afternoon.

If you haven't had a square meal lately, come join the feast with us. The public is invited. If you are in Sweetwater at this time, drop in and hear those Nazarenes sing, for they are known all over the country for their good singing.

There will be no service at the church here that day. I will be in Wichita Falls for the district convention of the N. Y. P. S. and the district assembly of the church next week.—Ernest Gates, pastor.

## Ginnings Past 26,000.

The Times has secured no accurate ginning report this week, but incomplete returns lead to an estimate of almost 27,000 bales ginned through Wednesday night. Snyder gins, and several others in the county, have been operating day and night, and have not caught up. Between 400 and 500 bales were on the yards here Wednesday night.

## Baptists to Lubbock.

H. L. Wren, laymen's president of District 8, led a group of four local men Sunday afternoon to the Calvary Baptist Church, Lubbock, for a District 9 laymen's meeting. Wren was principal speaker at the gathering. Harrie Winston, E. E. Weathersee and Giles Bowers accompanied him to Lubbock.

Mr. and Mrs. Cloyce Drinkard of Anton arrived in Snyder Tuesday to spend several weeks, while the school students are out to gather crops. They will divide their time here between their parents, the J. S. Lewises and J. G. Drinkards, and local friends.

## Helping The Mountain Climber

## Snyder General Hospital

G. W. Webb of Colorado, medical patient of the last two weeks, and Mrs. DAVIS Ware of Knapp, the old patient's medical patient, were the old patients still in the hospital yesterday.

New medical patients this week have been L. E. Russell of Dunn, D. E. Malone, John Wilson, Mrs. M. McGuire of Cuthbert, Mrs. R. W. Eubanks of Ira, Sam D. Hays and Mr. King, J. W. Stanford, an accident patient, was still in the hospital yesterday. Harvey Childress of Midland is the only surgical patient this week.

Mr. and Mrs. Garrett Harrell are announcing the arrival of a baby girl, George Faye, last Wednesday. The child weighed 6 pounds 12 ounces at birth, and she and her mother were doing nicely Wednesday of this week.

## CARD OF THANKS

We wish to thank the friends and neighbors who were so sympathetic and helpful during the illness and at the death of our loved one. We also wish to thank Odom Funeral Home for its understanding services, and our friends for the beautiful floral offerings.—Mrs. H. E. Green and family.  
Daddy has gone to heaven to that home on high.  
But God's warning to His children is that man must die.  
Though our memories are many and oh, how sweet;  
But some day we too must cross over the same street.  
T. J. Henley, 1tp

## Pyron to Be Scene Of Spring Singing

Pyron community will be host next spring to the semi-annual meeting of the Scurry County Singing Convention, it was decided at the fall session, held Saturday night and Sunday in the Hermleigh school auditorium.

Pyron's new gymnasium will be the scene of the singing in the spring.

President L. M. Irion reports that the Hermleigh singing was an outstanding success, with an overflow crowd on hand Sunday afternoon.
