Snyder Greet First Convention Arrivals

MANY BAPTIST LEADERS HERE FOR TWO DAYS

First Session of Annual Area Meeting Begins at 9:45 This Morning

With a Thursday morning promise of fair weather, the District 8 Baptist convention opened at 9:45 o'clock, in the auditorium of the First Baptist Church.

Rev. E. F. Cole, pastor of the First Baptist Church, Lamesa, president of the district, opened the general meeting, which was followed by conferences on Sunday school work.

Early arrivals assured officials of the annual convention that excellent crowds may be expected from all parts of the district, bounded by Odessa, Lamesa, Colorado, Roscoe and Snyder.

Full program of the two-day convention—Thursday and Friday—will be found elsewhere on this page.

Baptists have been joined by other Snyder citizens in providing plenty of bed-and-breakfast accommodations for Thursday night. The Chamber of Commerce, which invited the convention last year, is helping to care for expenses.

Rev. Ira Harrison, host pastor, invites all citizens of the trade area to all sessions. Leading Baptists who will appear on the program include, in addition to those pictured on this page, four men whose pictures were presented in The Times last week.

Dr. R. C. Campbell, Dallas, state executive secretary, speaks Friday morning; G. C. Hopkins, Dallas, state Sunday school secretary, speaks Thursday morning; Dr. T. C. Gardner, Dallas, state Baptist Training Union secretary, speaks Thursday evening; Dr. Thomas H. Taylor, Brownwood, president of Howard Payne College, speaks Friday morning.

Dunn Sends Club Boys to Witness Ft. Worth Show

Twelve 4-H Club boys from Dunn, with their leader, T. B. Hicks, and sponsors, were among the 12,000 4-H boys and girls who attended the Ft. Worth Fat Stock Show Monday of this week, which was 4-H Club Day.

Before going into the show these 4-H boys and girls held a songfest at the Will Rogers Memorial auditorium. This inspirational gathering, plus the quality of animals shown in the 4-H and FFA show rings, offer proof that the future of agriculture rests in excellent hands, according to farm leaders.

The group of boys and girls were guests of the stock show.

The Scurry County delegation was composed of: T. B. Hicks, Harold Denson, Arthur Ellis, Ervin Martin, Othel Ellis, Lloyd McCowan, Van Meadows, Leroyal Brinkley, N. A. Billingsley, James Casey, Billy Brown, Roy Allen, Eunice Goodlett, Orvil Martin, Joe Lewis and Pete Bills.

Routine Business In City Council's Meet

Only routine business occupied the City Council at its regular meeting Monday of last week. Mrs. Mabel Y. German was allowed \$25 in checking sewer connections of the city. Bills totaling \$1,187.79 were allowed.

February building permits reached \$2,500, with the year's total now at \$3,200. February fines were \$20.40, water and sewer collections were \$1,118.50, and tax collections were \$1,190.42.

Biggest Crowd For Community Singing

More than 300 persons, biggest crowd yet to attend a regular Tuesday night community singing, crowded into the First Presbyterian Church this week. Plenty of good entertainment, including songs by several youngsters, was on the program.

Featuring next week's program will be Eddie Williams of Hobbs with his quartet, a delegation of Fisher County singers, and the Snyder Quartet.

Missionary

Rev. J. J. Strickland of Big Spring is district missionary of District 8, Baptist convention of Texas, which convenes at the First Baptist Church here Thursday and Friday.

Leads District

In the presiding chair for most sessions of the District 8 Baptist convention, meeting here Thursday and Friday, will be Rev. E. F. Cole, Lamesa, district president.

Judge Stinson

One of the leading laymen on the District 8 Baptist convention here Thursday and Friday is Judge Jim P. Stinson of Abilene, frequent Snyder visitor. He will speak at 2:45 o'clock Thursday afternoon, during the laymen's session at the First Methodist Church, on "Some Things a Layman Can Do."

RABBITS, LOOK OUT AT PYRON

Rabbits that don't want their heads shot off should be on the lookout near Pyron.

That community, through Schley Adams, invites candidates and other hunters to join Wednesday, March 23, in a rabbit drive that is expected to practically rid the area of a heavy crop of the varmints.

Hunting will begin at the school house at 8:30 a. m. Free barbecue and the trimmings will be served at noon.

THIRTEEN GET NAMES ON CITY BALLOT SHEET

Opposition Offered Only In City Marshal and One Alderman Race

Official ballots printed Tuesday for the City of Snyder election, slated Tuesday, April 5, disclose that 13 names will face voters.

Opposition has developed in only two races. Five are in the city marshal and one tax collector race. In the east ward alderman's race, William Jones, incumbent, is opposed by E. P. Moffett.

Marshal-collector candidates, in their order on the ticket, are as follows: J. A. Woodfin, F. D. (Sid) Bruton, Earl Strawn, Simon Best and A. P. (Artie) Biggs.

Other names on the ballot are as follows: Mayor, H. G. Towle (reelection); city secretary-treasurer, J. S. Bradbury (reelection); city attorney, John E. Sentell; city recorder, H. V. Williams (reelection); alderman Ward No. 1 (north), J. V. Robinson (reelection); alderman Ward No. 2 (west), F. G. Sears (reelection).

Election judges and voting places are as follows: North ward, David Strayhorn, sheriff's office; west ward, M. W. Clark, justice of the peace office; east ward, S. J. Castevens, Commissioners Court room.

Cotton Growers Association Will Meet This Week

Saturday of this week is district convention day for the nomination of candidates for director of the West Texas Cotton Growers Association for 1938-39.

J. L. Carrell, who lives just west of Snyder, has been director here since the association was formed about five years ago. He will be in charge of the election, which is to be held at the courthouse at 2:00 o'clock Saturday afternoon.

All members of the West Texas Cotton Growers Association in this area are urged to be present and to take part in the election of candidates from this district.

The nominated candidate or candidates will be voted upon at the annual members' meeting to be held April 12 at the courthouse in Abilene.

Local Grand Lodge Group to Colorado For Zone Meeting

Henry Howard, worshipful master of the local Grand Lodge A. F. & A. M., and several other Scurry County Masons attended a zone meeting held in Colorado last Wednesday night.

Four Grand Lodge officials were in Colorado for the meeting, but John Temple Rice of El Paso, grand master, was prevented from speaking because of sudden illness. His condition was reported much improved several days ago.

Grand Lodge officials presented on the program included Lee Lockwood of Waco, deputy grand master; Leo Hart of Gilmer, grand senior warden; Sam B. Caskey Jr. of Fort Worth, grand junior warden. Masons from 20 towns of this section attended the zone meeting, arrangements for which were in charge of W. J. Chesney, Colorado. Joe Pond of Big Spring was chairman of the program.

Largest Goose Egg, Big Hen Egg Found

Two champion products of the poultry world were displayed at the Times office this week—a huge goose egg and a double-header hen egg.

Mrs. C. C. Tate, who lives two miles east of town, brought in the largest goose egg she has seen in 25 years of raising the fowls. The oblong product measured 11 3/4 inches by 8 1/2 inches.

Jack Martin, local merchant, presented a hen egg within an egg. The inside egg was almost normal size, and the outer shell was more than half normal circumference of an egg.

CLASSES HELD THIS WEEK AS TOWN RALLIES

"We Must Go On" Is The Sentiment as Students Gather Monday

Repeating the words of the local school board following destruction of a large portion of the Snyder school plant by fire last Thursday, "We must go on," students, teachers, parents and school patrons Monday morning in the school gymnasium pledged their support to plans made by school leaders to resume classes immediately.

High school Principal King Sides, acting head of the school, brought greetings and encouragement from the hospital bed of C. Wedgeworth, for 12 years superintendent of the local school, who was injured in an automobile accident less than a week before the tragic fire.

Several Make Talks.

Sides presided for the entire program, which included a main address by Rev. Ira Harrison, pastor of the First Baptist Church, and brief talks from three other church leaders—Rev. James E. Spivey, Presbyterian; Rev. H. C. Gordon, Methodist; and O. D. Dial, Church of Christ. Each complimented teachers and students on their cooperative spirit.

Spirit of the meeting pointed toward what is expected to be the greatest school year in the history of the school, one attendant after another said following the two-hour session Monday. Rapid development of character among students is expected as an outcome of the town's worst tragedy, the visiting ministers said.

New Building Ahead.

A. C. Preult, secretary of the board of education, who was spokesman for the group of board members present Monday morning, made promises for a new school building by January, 1939. He expressed appreciation for the equipment offered by county schools and those of nearby towns.

Final remarks by Sides pledged the entire student body to help retain the high rating Snyder schools have received for numbers of years past. Words of Hadley Reeve, junior high principal, echoed the sentiments of previous speakers.

High school students are continuing to use the undamaged portion of the high school building. Junior high students have been placed in the gymnasium, first and second grades in the basement of the First Baptist Church, third and fourth grades in the Methodist Church and the fourth grade will meet classes at the Presbyterian Church.

MANY ATTEND ANNUAL SHOW AT COWTOWN

Several of County Breeders Enter Animals in Ft. Worth Show

It's an annual custom for dozens of Scurry and Borden County folks to trek to Ft. Worth during March for the Fat Stock Show. The year 1938 is no exception, and a number of citizens from this area have already visited the event.

While exhibits at the show are said to be no different than usual, the array of Herefords and other purebreds, taken as a whole, is just about the best on record. Several breeders from this area have entries in the livestock division.

From this area, according to Sunday's Star-Telegram, exhibitors are as follows:

Hereford division—Robert Helms, Hud; Sidney Johnson, Snyder; Alvin J. J. and Opal Koonsman, Snyder; Winston Brothers, Snyder.

Boys' baby beef—Andrew Williamson, Hobbs.

Bulls in carload lots—Sidney Johnson and Winston Brothers.

Boys' club lamb show—Barton Williamson, Hobbs; Billie C. Young, Hemphill route.

Legion Meeting on Tap This Thursday

Regular meeting of the Will Layne Post of the American Legion will be held this (Thursday) night, 8:00 o'clock, at the legion hut, according to Adjutant Hal Lattimore. More plans for beautifying and equipping the hut will be the principal business before the ex-service men.

SATURDAY SET FOR MAGNOLIA MAN AND WIFE KILLED IN CAR

Snyder's most modernistic service station will open Saturday of this week one block north of the square, with Earl Hicks as proprietor.

The \$3,500 station, built entirely in the modern manner, is in the location of the old Magnolia Service Station, and retains that name. Magnolia Petroleum Company constructed the station, and Hicks, operator of the old station, is lessee.

Magnolia products have been handled by Hicks for 11 years, his experience in the service station business here having started in 1926. In addition to full Magnolia service, including Mobilization, the station will offer Magnolia Springfield tires, National batteries and other accessories.

FIRST SERVICE OF REVIVAL AT LOCAL CHURCH

Pastor R. C. Brown Opened First Christian Meeting Wednesday Night

Pastor R. C. Brown of Spur, who regularly fills the local pulpit two Sundays each month, Wednesday night preached the first sermon of a 12-day revival at the First Christian Church.

Described as a series of services in which spiritual values and service will be stressed, old-time gospel preaching will be topmost, and rich Christian fellowship will be sought, the revival will be of benefit to the entire community, church members believe.

The pastor hopes to become better acquainted with his own people, he told The Times yesterday. Services will be held nightly, 7:30 o'clock, through Sunday, March 27.

The services next Sunday night will be of special interest to ex-service men, although all others are invited and urged to be present.

Robinson Bros. To Drill Another Well Southwest

Robinson Brothers have just contracted with Tom Largent of Merkel and C. W. Guthrie of Big Spring to drill another well southwest of Snyder according to reports reaching The Times this morning.

The Oklahoma drillers have been working several months on the Martin No. 1, 15 miles southwest of Snyder. They are now awaiting an acid that will effect the test, two previous attempts to acidize having failed, although substantial oil showings have been found.

The proposed new well, with a contract depth of 3,350 feet, should start late this month. It is to be drilled on the Charley Wellborn place, about three and one-half miles northwest of the Martin well, in the southwest quarter of section 146.

The Murphy well near Ira, on which work has been progressing slowly in recent weeks, was treated Sunday with 1,000 gallons of acid. After clearing itself of acid water for about an hour after pressure was released, the well caved in around the perforated tubing in the slot hole. Drillers are cleaning out the hole, operators believing that a good showing of oil would have resulted had the cave-in not followed the acidization. A considerable quantity of oil is now standing in the hole.

Singing Sunday afternoon at Union Baptist Church for the entire community will attract Eddie Williams of Hobbs and his singing class. All singing classes are invited to come and bring their books. The time is 2:30 o'clock.

Entire Route in Texas to Receive Federal Monies

First Construction Scheduled Later in Year in East Scurry County

Scurry County was jubilant Tuesday morning, when news came that Highway 15 has officially been made a federal highway. Federalization has long been sought as the first vital step toward construction of the East-West road.

County Judge H. J. Brice said yesterday that assurance has been received from the State Highway Commission that the lap of the highway from Roby to Snyder will be the first section to be completed. Work is expected to begin on this strip soon after the fiscal year begins in July.

Highway 15 is paved from Fort Worth to Roby. The right-of-way from Roby to the Scurry County line was laid out in 1936, and drainage and grading structures have been completed.

Following is the article released in the Abilene Reporter-News Tuesday by the president and secretary of the East-West Highway Association, who live in Lamesa:

Word From Washington.
State Highway No. 15 west from Roby to the New Mexico line has been designated by the bureau of public roads as a part of the Texas system of federal aid highways. Representative George Mahon announced in Washington today.

This announcement climaxes five years of continuous effort toward that goal by the East-West Highway Association and makes possible some early construction on 109 miles of unpaved gaps. The total distance from Roby west to the state line is 163 miles. Thirty miles through Dawson county and 24 miles from Seminole west are already hard surfaced.

Gaps yet to be paved are from Roby west through Fisher, Scurry and Borden counties to Dawson County line and from Dawson west line to Seminole.

Is 1938 Program.
The state highway commission has already set up the following as part of the 1938 program, which begins July 1, 1938:

Construction of stretch from Fisher County west line to Snyder; from Gail west to Dawson County line and from Dawson west line to Seminole and it is hoped that others will be added.

All of New Mexico state Highway 16 to complete road through New Mexico is either under construction or contract, and will be completed this year. Only 12 miles of state Highway 139 west to El Paso is yet to be contracted and this is expected in April.

Sam Richardson of Lamesa is president of the East-West Highway Association, and A. G. Bearden of Lamesa is secretary.

Boys Injured When Bicycles Cut Capers

Two accidents involving school boys have occurred in Snyder this week as a climax to the bicycling craze that has hit the city in full force this season.

Page Cleavenger, son of Mrs. Opal Cleavenger, was painfully cut about the face and his clothing was badly torn when his bicycle swerved into the barbed wire fence on the school grounds Monday at noon.

William Hamilton, son of Mr. and Mrs. W. W. Hamilton, suffered a broken collar bone when he met a truck at the First Baptist Church corner Tuesday. The street was crowded because grammar school classes are being held at the church building.

School Plans

Faced by the worst disaster in local history, the Snyder school board is proving itself equal to the occasion.

One of the most important of several meetings held since the Thursday morning fire will come Friday night of this week, when architects will be given an opportunity to apply for the job of architect on the new school plant.

President J. G. Hicks indicated yesterday that at least 12 or 15 architects have conferred with members of the board.

Efforts are being made to secure federal government aid, if possible, and to hasten insurance adjustment in order to complete a new plant, if possible, before opening of the September term of school.

Eighteen Graduate Nurses Register At District 15 Meeting Wednesday

Eighteen graduate nurses and several guests registered Wednesday afternoon when district 15 Texas Graduate Nurses Association, convened in monthly session in Snyder. Lovely white carnations, carrying out the St. Patrick's color scheme of white and green, graced entertaining rooms of the home of Mrs. J. T. Whitmore for the affair.

Millie Davison, local hospital superintendent, was official hostess for the Snyder group of nurses. Assisting in entertaining were other local members of the district group and Mrs. W. W. Hamilton and C. T. Dawson. Flowers were complimentary of Stinson Drug Company, Odum Funeral Home and Mrs. Jim Neely.

Vergie T. Rape of Abilene, president, presided for the business session, which opened at 3:00 o'clock, and Mrs. Ruth Maxson of Abilene, secretary, was recording. Mrs. Maxson was elected from the district delegate to the Texas association convention in Waco, April 11 to 14, and Stella McCullough of Abilene was made alternate.

District yearbooks, the first ever published by district 15 nurses, were handed out at the meeting. Each contains, inside an attractive cover, state and district officers, district committees, programs for the year and a list of members. Next monthly meeting of the group will be held April 20 at the home of Dr. and Mrs. J. W. Young at Roscoe, it was announced.

The program, which followed business discussions, featured reading of an interesting paper, "Nursing—An Adventure in Living," by Itasca Russell, and two numbers presented by guest artists. Melba Ann Odum, soprano, was accompanied by Patti Hicks as she sang, "When Irish Eyes Are Smilin'." Jonisue and Martha Cogdell were presented in costume for their novelty skit, "The Crystal Gazer."

The linen-covered dining table was centered with carnations, and tall green tapers on the buffet furnished soft light in the rooms at the tea hour, when the white and green theme was repeated in the refreshment plate and favors. Allene Curry, guest, poured coffee from the silver service.

The following association members were present: Ruth Maxson, Vergie T. Rape, Stella McCullough, Ruth Beard, Marcelle Pee, Mrs. H. LeSueur, Edith Robinson, Polly Oliver Williams and Maxine Benson, all of Abilene; Ella Patton, Sweetwater; Mrs. Mary H. Fitzgerald, Stamford; Myrtle Lee Gorn, Hamlin; Elaine Crawley, Leota Gorn and Miss Davison, Snyder.

Guests were: Mrs. M. M. Davis of Sweetwater, Les Duby, Mrs. Ben Brooks, Miss Russell, Jonisue and Martha Cogdell, Patti Hicks, Melba Ann Odum and Allene Curry. Included in district 15 are the following counties: Gaines, Andrews, Dawson, Martin, Borden, Howard, Scurry, Mitchell, Fisher, Nolan, Jones, Shackelford, Callahan, Stephens, Eastland and Taylor.

Altrurian Club Has Texas Day Program

Altrurian Club heard its Texas Day program Friday afternoon at the home of Mrs. W. W. Hamilton with Mrs. J. W. Leftwich directing the program. Guest artist for the day was Seaborn Eicke of the Crowder School, who was presented in two readings.

The program consisted of the two readings, "Grandmother's Old Red Rooster" and "Little George Seeing the Circus" by the guest reader; a poem, "Have You Ever Been to Texas in the Spring?" by Mrs. Hugh Boren; paper, "Sources of Wealth in Texas," Mrs. D. M. Cogdell. Picture study of Texas bluebonnets and exhibition of fresh bluebonnets from East Texas were given in connection with legends of the state flower by Mrs. J. C. Dorward. A vocal solo by Mrs. F. W. Wolcott, completed the program.

In answer to roll call each member of Altrurian Club presented hand-fashioned maps of Texas with names of "Who's Who in Texas." Seaborn Eicke was the only guest and every member of Altrurian Club was present, as follows: Mmes. E. J. Anderson, W. R. Bell, Boren, H. P. Brown, Cogdell, Dorward, R. D. English, E. L. Gray, Fred A. Grayum, W. P. King, Leftwich, A. C. Preult, Woodie Scarborough, Lee T. Stinson, J. C. Stinson, H. G. Towle, J. T. Whitmore, Wolcott, John R. Williams, A. W. Waddill and Hamilton.

Lilacs Beautiful Here. Blooming lilacs seem to be lovelier and more fragrant this year than ever in recent years, and hedges of them as well as single bushes in numbers enhance the beauty of Snyder homes this spring. The Times is grateful to Mrs. A. W. Waddill for the arrival of lilacs she brought in Tuesday afternoon. "My lilacs are so nice this spring that I want you people to enjoy them with us," she said graciously as she left the flowers in the office.

New Operator at Shop. Belle Phillips, a graduate of Parsons Beauty School, Abilene, is the new operator at Everywoman's Beauty Shop, beginning there Monday. Miss Phillips, whose home is at Tuscola, has worked in an Abilene shop for several months. Mrs. Woodie Scarborough, local shop owner, invites the women in to meet her new operator.

WMU Leader

WMU leader for District 8 Baptists, who meet here Thursday and Friday in annual convention, is Mrs. J. J. Strickland of Big Spring. She will preside for the WMU session Thursday afternoon.

Ireland Is Subject Of Tuesday Program

"Ireland" was an appropriate subject for study at the Tuesday afternoon meeting of Woman's Culture Club, since St. Patrick's Day comes this week. Mrs. D. P. Strayhorn was hostess to the club, and Mrs. J. A. Woodfin directed the program.

Mrs. E. F. Sears, club president, gave a paper, "No More Irish Will Apply," concerning the emigration of Irish people; Mrs. Mabel Y. German gave a discussion of poetry and folklore of Ireland. A favorite Irish ballad, "My Wild Irish Rose," was sung by Mmes. A. C. Alexander and Strayhorn, accompanied by Mrs. H. L. Wren. Irish jokes were told by each member in answer to roll call.

The hostess passed delicious refreshments to the following club members: Mmes. Alexander, J. P. Avary, R. W. Cunningham, German, J. R. Huckabee, E. J. Richardson, H. T. Setton, Sears, E. E. Weathersbee, Woodfin and Wren.

Tuesday Club Women Guests Mrs. Dorward

Tuesday Afternoon Bridge Club members and several others were guests of Mrs. J. C. Dorward at a delightful party at her home this week. At the tea hour the hostess served ice cream and cake on tables centered with bouquets of Texas bluebonnets.

High score prizes went to Mrs. J. P. Nelson, guest, and Mrs. John R. Williams, club members. Mrs. A. C. Preult, member, retained the traveling prize. Other guests were Mmes. Melvin Blackard, Hugh Boren, J. G. Hicks and Ruth Hyden of Amarillo. Members present besides Mmes. Williams and Preult were: Mmes. T. L. Lollar, E. M. Deakins, W. H. Cauble, Joe Strayhorn, H. P. Brown and H. J. Brice.

Mrs. Cauble was hostess to the club at its last meeting, entertaining at her home, 1211 28th Street. Fourth Grandson for Yoders. Arrival of Glen Allen, seven-pound son of Mr. and Mrs. Fred A. Yoder of Middletown, Ohio, on March 6 has been announced by the child's grandparents, Mr. and Mrs. D. P. Yoder of Snyder. Small Glen Allen is the fourth grandson of the local couple, and they have no granddaughters. Mr. and Mrs. Fred Yoder moved to Ohio from Snyder in June, 1936.

Mrs. McMullen is Sine Cura Hostess

Mrs. Vern McMullen was hostess to Sine Cura Club and guests at the home of her parents, Dr. and Mrs. W. R. Johnson, last Wednesday afternoon. She centered tables at the refreshment hour, when a salad plate was passed, with bowls of lovely fresh violets.

High score prize went to Mrs. A. D. Erwin and second high to Mrs. Henry Rosenberg. Other members present were: Mmes. A. J. Towle, H. G. Towle, W. D. Beags, Wayne Boren, Ernest Taylor, Hugh Boren, T. L. Lollar, John R. Williams and Joe Stinson. Mrs. E. M. Deakins was a guest for bridge, and Mmes. H. P. Brown, J. O. Dodson, Johnson and A. S. Johnson of Tyler were tea guests.

The club will meet next Wednesday with Mrs. H. G. Towle for a 1:00 o'clock luncheon.

Corsages Presented To San Souci Group

Lovely St. Patrick's Day corsages were presented each one attending the party given by Mrs. W. C. Hollis last Tuesday evening for San Souci Club and guests. The St. Patrick's idea was repeated in tallies, score pads and in refreshments passed late in the evening.

Alta Bowers retained the traveling prize, and high score prizes went to Mrs. Forest Sears, member, and Dorothy Strayhorn, guest. Others present were: Mmes. J. D. Scott, J. G. Hicks, G. B. Clark Jr., Glen W. Berry and W. W. Hill. Bonnie Miller and Frances Stinson, guests; Mmes. James Ralph Hicks, Wayne Boren and E. J. Anderson, Hattie and Gertrude Hern, Neoma Strayhorn, Vera Periman, Annie Fannie Sewell, Margaret Williams and Wanda Newman, members. Neoma Strayhorn will be next club hostess.

Bouquets of Lilacs Decorate for Party

Bouquets of lilac blooms decorated the home of Mrs. James E. Spivey Tuesday afternoon for the meeting of Ingleside Study Club. Mrs. F. W. Wolcott was a guest for the meeting.

A program on "Health" was directed by Mrs. W. F. Cox, who led the round table discussion of "Guiding the Adolescent." Brief discussions of "Our Progress in Child Welfare Work" by Mrs. W. W. McCarty and "Community Education in Social Hygiene" by Mrs. L. C. Rennals completed the program. The hostess served salad, individual cakes, coffee and tea to the guest and these club members: Mmes. Clyde Boren, Harold Brown, Cox, J. T. Johnston, Hal Lattimore, G. H. Leath, McCarty, J. M. Newton, King Sides, W. W. Smith and Rennals.

Study Discussion At Teachers Council

Discussion of cooperative Indian study in April was the subject for the round table at last Thursday afternoon's meeting of the teachers council, children's division, First Methodist Church. Mrs. J. E. Hardy, superintendent, called the meeting to order.

Those present were: Mmes. H. B. Winston, C. R. Burk, J. H. Henderson, J. E. Hardy, W. F. Cox, T. W. Pollard, R. W. West, J. V. Robinson, Allen Warren, A. M. Curry, Hardy and H. C. Gordon.

Less Monthly Discomfort

Many women, who formerly suffered from a weak, run-down condition as a result of poor assimilation of food, say they benefited by taking CARDUI, a special medicine for women. They found it helped to increase the appetite and improve digestion, thereby bringing them more strength from their food.

Naturally there is less discomfort at monthly periods when the system has been strengthened and the various functions restored and regulated. CARDUI, prepared by thousands of women, is well worth trying. Of course, if not benefited, consult a physician.

St. Patrick's Motif Emphasized at Party

A clever St. Patrick's motif was featured in green and white for appointments and other party details last Thursday evening, when Mrs. Loy Logan was hostess to Duce Bridge Club at the home of Allene Curry. Alta Bowers received both high score and traveling prizes at the close of contract bridge games.

Rooms were decorated with pear blossoms, carrying out the chosen green and white scheme, and St. Patrick's favors were placed on the salad plates passed by the hostess, assisted by her sister, Mrs. Jack DeWald, and Miss Curry.

Members present were: Mmes. R. E. Boyer, R. C. Miller, Willard E. Lewis and Buster Curtis, Vesta Green, Margaret Deakins, Gwen Gray, Johnnie Mathison, Ruby Lee, Alta Bowers, Bonnie Miller and Frances Stinson. The club will meet next Thursday night at the home of Mr. and Mrs. W. W. McCarty with their niece, Mrs. Boyer, as hostess.

Art Guild In Regular Meeting

Art Guild, local art study group, met with Annie Fannie Sewell Tuesday evening. Following the business session, members answered roll call with individual assignments. Vera Periman gave an interesting paper on "Home Furnishing and Decoration," and Jewell Foster discussed "Cities and Home Planning."

Delicious refreshments were passed to the following members: Quata Barrow, Jewell Foster, Effie McLeod, Edith Grantham, Saxton Lee, Vera Periman, Alta Bowers, Ruth Boyer and Omah Ryan.

Parent-Teacher Association Holds Vital Meeting This Afternoon, 3:15

All school patrons are urged to attend a meeting of the local Parent-Teacher Association this Thursday afternoon, 3:15 o'clock, in the district court room of the courthouse. Leaders of the group expect a record attendance at the meeting as plans are made to assist with replacing necessities for students in Snyder Schools.

P-T. A. is joining hands with the school board and other civic organizations of the town in planning to raise money to replenish the treasury for needs of the school destroyed in the fire last week.

"If Snyder Schools ever needed the whole-hearted cooperation of parents, teachers and patrons, it is now," Mrs. Wraymond Sims, president of the local association said yesterday. "Our association needs the support of every school patron in making plans for work for the coming months. We urge you to come."

The treasury of the organization must be ready to assist the board

of education in every possible way. Mrs. Sims, who is also president of the local child welfare association, said.

In addition to discussing plans for immediate work of the organization the regular formal program will be directed by Mrs. G. H. Leath. Mrs. P. C. Chenuat will discuss "What Schools Should Mean to Children," and Mrs. John E. Sentell's subject will be "Anger in Young Children." Special numbers will be in charge of Margaret Williams.

"Help us to help your children and our" is the appeal being issued to Snyder citizens and those of surrounding communities by leaders of the Parent-Teacher Association as they invite others to join them in the meeting this afternoon.

Mrs. Wesley Evans is a guest of Mrs. B. G. Johnson here this week. Mrs. Evans, former resident of Snyder, is en route from Dallas to Fort Sumner, New Mexico, where she and her husband plan to live.

Hundreds of Snyder Area Folks—

continue to do their weekly wash with us. We are grateful for this loyalty of our old friends, and invite new patrons to try our services, too.

1043 FARMERS CAST BALLOTS ON QUOTA IDEA

Producers of Scurry County Join South in Hearty Approval of Plan

With 1,043 farmers casting their ballots, Scurry County Saturday voted overwhelmingly in favor of the plan of making marketing quotas apply to all producers.

Many at Meetings. Farmer meetings, held in several communities last week prior to the referendum, were largely attended.

Official results of the South-wide referendum will not be announced by the U. S. Department of Agriculture until 15 days after the balloting, but returns from all states show overwhelmingly approval of blanket quotas for cotton growers.

Returns from 148 Texas counties Tuesday revealed that 14,557 farmers voted in favor of the quota program and 19,425 voted against the measure.

Meetings Scheduled. Schedule for community meetings in which the agricultural conservation program for 1938 will be further explained, are being worked out by the county committee, and will be announced when completed administrative rules arrive from the state conservation board, College Station.

J. H. Jean, chairman of the county committee, said details in the compiling of tillable acreage, cotton acreage, wheat acreage and general crops necessary for submitting to the state board for county allotments, were carefully reviewed, and further canvass is being made to obtain work sheets on farms in the county that are not yet covered.

Looking Back to Figures on Rains During February

Old-timers have told The Times that only one February in Scurry County history, back in the nineties, was wetter than the February of 1938.

Certain it is that only one other February within the past 20 years has even compared in wetness with this February, according to the government records now kept by Mrs. B. G. Johnson. That was in 1922, when the local gauge measured 3.91 inches. This February the total fall was 3.54 inches in Snyder.

Up in the Fluvanna country, in most other communities north, northwest and west of Snyder, and in scattered spots elsewhere in the trade territory, the February moisture was much higher than 3.54. As much as six to eight inches are reported in spots, rain and snow taken as a whole.

Moisture in January was good, too. The total that month was 7.5; November, only .68; and December, only 1.05. The 1937 total was only 15.40, sixth from the lowest total during the last 21 years.

The excellent February moisture hoisted the 21-year average for that month from .68 to .77, and helped raise the 21-year yearly average from 20.80 to 20.10.

February moisture included three snows, totaling almost a half inch of moisture. By days, moisture that month follows: February 14, 2.18; 15, 1.12; 16, .50; 17, .10; 20, .25; 24, .30; 27, .06; 28, .03. Traces of rain fell three or four days in the month, too light for recording.

The revised rainfall table for the Snyder station will be found in this issue of The Times.

So far, the winter of 1937-38 has been one of the mildest in the recent history of the county. Fruit growers report that the few freezing hours during the recent weather did not harm their crops to any extent. Twenty-three degrees was the lowest temperature of that spell.

Lowest temperature of the season was the night of January 29, with 15 degrees. Next lowest was November 19 reading, 18 degrees. Twenty degrees, December 5, was the December minimum.

Trade Territory Given Thanks By Mr.-Mrs. Brown

Help Yourself Laundry on Monday, March 21, will move its entire plant to Lamesa. We are happy to state that we have enjoyed our business connections in Snyder trade territory, and appreciate the splendid patronage you people have given us. It is with a great deal of regret that we leave our many good friends, but we feel that Lamesa offers us a greater future.

In leaving we want to express our appreciation to the present management and owners of Snyder Steam Laundry and Modern Wash House for their fair and ethical business policies. We have found them clean in all our dealings, and heartily recommend them to our friends and customers. We are making these statements of our own free will, and in no way trying to tell our friends what to do. We hope you will take it in the spirit that we honestly mean it.

In closing we thank you from the depths of our heart, and we will always cherish in memory's hall our pleasant dealings and friends in Scurry County.

Sincerely your friends,
MR. AND MRS. H. D. BROWN and Family.

LOSS REGRETTED. We feel that the citizenship of Snyder and Scurry County are losing an awfully good family in the loss of Mr. and Mrs. H. D. Brown. We recommend them most highly to the citizens of Lamesa; our loss is their gain. It goes without saying that our business dealings with Mr. and Mrs. Brown have always been pleasant. They have ever been honest, upright, clean competition, and their integrity is unquestionable.

We wish them every success in their new field.

Dave D. Daniels Of Plainview Is Taken by Death

Lingering illness of almost a year of bronchial asthma and pneumonia took the life of Dave D. Daniels, former Scurry County stock farmer, at his home in Plainview Sunday. The 67-year-old man, father of Mrs. Marion Newton Snyder, moved with his wife from Scurry County nine years ago.

Born at Jackson, Mississippi, March 5, 1869, Daniels was a West Texas stock farmer for about 30 years. He was a member of the First Baptist Church.

Surviving are his wife, Mrs. Cora Daniels, and six children. They are: Mrs. Newton of Snyder, Mrs. L. R. Sims of Post, C. C. Daniels of Santa Rosa, Harvey Daniels of Enid, Oklahoma, Leslie Daniels of Los Angeles, California, and John Daniels of McAllen.

Final rites were held at the First Baptist Church Monday afternoon, 3:00 o'clock, with the pastor, Rev. Ira Harrison, officiating. Assisting ministers were Rev. H. C. Gordon, pastor of First Methodist Church, and Rev. James E. Spivey, Presbyterian pastor. Odom Funeral Home was in charge of burial in Snyder cemetery.

Funeral bearers were: Earl Shepherd, John Watts, Joe Monroe, Giles Bowers, Harvey Shuler and John E. Sentell.

Out-of-town funeral attendants were as follows: Post—Mrs. N. N. Rogers, Mrs. O. D. Cardwell, Mrs. Cameron Justice, Mrs. Kelly Sims, Mrs. Dave Sims, Mrs. A. D. Hall, Mrs. H. N. Crisp, Mrs. Brown, Mrs. Lee Duckworth, Rev. J. B. Harding, Big Spring—Mrs. J. B. Harding, Martha Harding, Mrs. A. D. Abee, Ernestine Daniels, Sam Daniels Jr.

Approve Pylon Bonds. Official order for the \$20,000 Pylon school bond issue, for construction of a new building, came out of the Commissioners Court meeting Monday. The bonds are to be dated April 10, 1938, and they will run through 1968 at four per cent interest. February reports of the county treasurer and justice of the peace were approved.

FARMER SEEKS GOVERNORSHIP

Clarence E. Farmer, Ft. Worth, now a state representative, spoke in the district court room Saturday night in quest of the Texas governorship. The first state candidate to speak here, he was heard by a fair-sized group of county citizens.

Chief planks in Farmer's platform, as outlined in his paper, "Farmer's Texas Forum," are as follows: 1. Old age assistance of not less than \$30 per month for our aged citizens; 2. Adequate provision for dependent children and the needy blind; 3. Opportunity for every city, town and country tenant to own a home; 4. More privileges for labor; 5. Fair treatment for industry and business; 6. Economy in government; 7. Employment for all able-bodied idle people; 8. Justice for trucking interests; 9. Proper regulation of the oil industry; 10. Develop Texas natural resources for greater industrial progress.

Class A and B declamations will be heard at the Baptist Church, rural declamation at the Presbyterian Church, and story telling in the basement of the Baptist Church.

Rural volley ball will come Monday morning, March 23, in the Snyder gymnasium, and other county volley ball will begin at 3:00 o'clock Monday afternoon.

Girls' tennis will be held on Hermleigh courts Wednesday, March 30, and boys' tennis the following day, also at Hermleigh.

One-act play contest will be held in the Fluvanna auditorium April 1, according to E. O. Wedgeworth, director of that event. Three plays will be presented Friday morning and three Friday afternoon. The best three plays of the group will compete in the finals Friday night.

Lions Prove Sharp Witted as Queries Hit Them Tuesday

Members of the Lions Club proved sharp witted Tuesday at their regular luncheon, as Program Chairman Abe Rogers popped questions to them.

The queries included local, national and international topics of the day. Hall Lattimore scored the most perfect bull's eye when he answered the question, "What is the leading crop in Austria?" with the answer, "Austrians."

The service club applauded loudly when the fact of Highway 15's federalization was recognized and discussed briefly.

Principals King Sides and Hadley Reeve of the local schools, both Lions, discussed their problems since the school fire, and said the spirit of town-wide cooperation has been nothing short of miraculous. John E. Sentell, member of the school board, briefly discussed reconstruction plans that are being made by the board.

Fred Buford of Abilene was a guest.

Much Good and Many Improvements From Aid Projects Declares Judge

"In considering the value of recent improvements made under or by virtue of cooperative plans made possible under the provisions of federal appropriations for community aid, Scurry County has realized much good and many valuable improvements," declared County Judge H. J. Brice in a letter last week to H. P. Drought, state relief director.

Excerpts from the judge's letter, some of which are parallel with statements in a letter from Mayor H. G. Towle of Snyder to Drought, published in The Times recently, follow:

School Gymnasiums.

"One of the most beneficial projects, in Snyder, is the public school gymnasium, sponsored by the school board, and built at a cost to them of approximately \$5,500. The gymnasium is built of rock and is modern in all respects. A school bus terminal of native rock was later built in connection with the gymnasium at a cost to the school board of approximately \$300. A rock wall and curb was built around the school grounds with WPA labor. The grounds were re-worked and shrubs and trees were planted. A small school park was built adjoining the grounds, and an old creak bed was changed. These improvements cost the school board about \$500.

"Three of our consolidated schools, Ira, Dunn and Pyron, have built gymnasiums with WPA labor at a total cost to the sponsors of approximately \$14,000.

Road-Street Work.

"From the beginning of FERA, road and street work has been one of the major types of work locally sponsored. Work of this type in the county included lateral roads and bridges in all precincts, built at a total expense to sponsors of about \$18,000.

Mrs. Don Hilton, teacher in Ira High School, is gradually recovering after a tonsil operation two weeks ago. She expects to be back in her school room next week. Mrs. R. W. Webb, her mother, has been teaching her classes.

Mrs. L. L. Lincecum, her daughter, Mrs. George Vaughn, and Mrs. Vaughn's daughter, Marjorie, visited with the C. T. Glen family and Mrs. G. A. Glen here from Monday until Wednesday of this week.

Mr. and Mrs. Tommy Banks of Lubbock, Mr. and Mrs. Will Howard and Mr. and Mrs. Homer Hastings of Roscoe were Sunday guests of Mr. and Mrs. C. L. Banks and daughter, Laura, in Snyder.

Mrs. E. M. Deakins and daughter, Margaret, returned Monday from a week-end trip to Mineral Wells, Fort Worth, where they went to the fat stock show, and Dallas, where they were guests of Mrs. Deakins' brother, Bert King, and family.

Dr. E. S. Maxwell of Lexington, Kentucky, and Mr. and Mrs. G. B. Hamilton of Chickasha, Oklahoma, left last week for their homes after spending several days in the home of their mother, Mrs. J. C. Maxwell.

Week-end guests of Mmes. Byron McPherson and Gladys Meadows included their parents, Mr. and Mrs. G. R. Kite of Lamesa, and their sister, Mrs. J. H. White, and children of Big Spring. Mr. and Mrs. Kite, who moved from Snyder to Lamesa in 1925, were visiting here for the first time since establishing their home at Lamesa.

Mr. and Mrs. Sidney Johnson, prominent Scurry County hereford and sheep breeders, were "shot" in informal pose last week by Frank Reeves, Star-Telegram livestock editor. The Johnsons were among a number of Scurry Countians who attended the Ft. Worth Fat Stock Show. They have five animals in the exhibit there.

Troop 35 on Hike.

Led by Scoutmaster Loran Maples and Jack Reynolds, Boy Scout Troop 35 late Monday afternoon and early Monday night enjoyed a hike on the Joe York place, their "game preserve." Twenty scouts and one visitor, Bobby Hicks, went along. Many tests were passed, and a "snipe hunt" was enjoyed by some.

The city and county would these projects without the aid and assistance of the federal agencies."

MAKES PLANS FOR WILDLIFE WEEK IN AREA

President Proclaims National Importance of Plan to Preserve Game

Announcement has been made by Mayor H. G. Towle of final plans for Wildlife Week, beginning Sunday, March 20, by proclamation of President Roosevelt. This week will be a rally of all friends of outdoor America. Women's clubs, civic clubs, sportsmen, farm organizations, boys and girls, are being enlisted in the program to bring about better cooperation among state and federal agencies on behalf of wildlife. Snyder Lions Club will present a Wildlife Week program at its regular meeting next Tuesday.

Essentials of Life.

All life gets its support from the same sources—soil, sun, water. Green plants are absolutely essential to life on this earth. Where wildlife cannot exist, man cannot exist.

Wildlife not only inspires the spending of millions in outdoor recreation, fish and game not only supply the means for wholesome, uplifting sport, but wildlife is an index to conditions on which the very future of mankind depends.

The National Wildlife Federation is sponsoring this first Wildlife Week. In connection with Wildlife Week there are being distributed the wildlife poster stamps, contributed by "Ding" Darling, famous cartoonist and former chief of the Bureau of Biological Survey, who is president of the National Wildlife Federation.

Eight Birds, Mammals. These stamps show eight birds and eight mammals in vivid natural colors, and come in sheets of one hundred, selling at a penny a stamp. Stamp experts say the series is the most striking ever issued.

Funds from stamp sales will be divided between the national federation and local organizations making the sale. In addition, dinners, skeet shoots and other fund raising activities are being arranged.

National Director of Wildlife Week is Frederick F. Jordan, with headquarters at 400 Madison Avenue, New York.

Mayor H. G. Towle is Snyder chairman of Wildlife Week.

Mrs. A. S. Johnson of Tyler is a guest of her sister, Mrs. W. R. Johnson, and Dr. Johnson.

Hermleigh Grocery Booty Set at \$250

Loss of about \$250 in equipment and merchandise was reported by Harkins Grocery of Hermleigh early this week. Prowlers Friday night or Saturday night gained entrance at the store by crawling under the building and sawing a hole in the floor.

The loss was not discovered until early this week because scales and sausage mill, included in the booty, were not in use. Other stolen items included nine sacks of flour, coffee, candy and tobacco.

National Forest Lag.

Ranking first in many things, Texas slips a long way down the ladder to twenty-fourth place in national forests. There are only 614,000 acres of National Forest land in this state, as compared to more than 19,000,000 acres in California, Idaho and Alaska.

Union Baptist Revival.

Union Baptists will be joined by others of that community in revival services that will begin Sunday morning and continue for one week, morning and evening. Rev. G. W. Parks of Roscoe will preach. Rev. J. P. Fields, pastor, invites people of all faiths to join in the services.

Snyder General Hospital

Last week's patients, who were still in the hospital yesterday, included: Skeeter Smith of Justiceburg, medical; F. S. Brown of Colorado, Mrs. N. M. Agnew of Big Spring, surgical; M. A. Fuller and C. Wedgworth, Snyder, accident. New patients entering since last report have been the following: Boss Baze of Snyder, Fred Gary of Dunn, Mrs. Marvin Gary of Dunn, Bobby Jack Hodges of Hobbs, New Mexico, surgeries; Ernest Hester and Mrs. Ted Moser, medical; O. C. McCormack and Totis McCormack of Dunn, accident.

Mrs. J. W. Westbrook of Dunn and her small daughter were still in the hospital this week. Little Miss Claybrook was born at 3:15 o'clock last Wednesday morning.

Organ at Baptist Church.

Local members and friends of the First Baptist Church will next Sunday, March 20, be privileged, after the regular sermon, to hear the new B console concert Hammond organ, in a recital of well known organ favorites and hymns. Marvin C. Lucke, Amarillo, will be the guest organist.

Jim Welch Disposes Of Store in County

Jim Welch, Dunn merchant for 12 years, recently sold his business there, and moved this week with his family to Ft. Worth. He plans to enter the grocery business in that city, where he formerly resided.

Bill Turner of Sweetwater, formerly in the grocery business, has purchased the store and business, and is actively in charge.

Welch is retaining part of his Dunn property, and expects to return to the county frequently to visit and to look after his interests.

Year-Old Child Is Buried Wednesday

Funeral services for Mary Frances, year-old daughter of Mr. and Mrs. J. E. Walton of the Pyron community, were held Wednesday afternoon at 2:00 o'clock at the grave-site in Pyron cemetery. Rev. Jim Fields officiated, and Odum Funeral Home was in charge of burial.

Surviving besides the parents are nine half-brothers and four half-sisters, all residents of the Pyron community. Clyde Gilmore and Ike Kinney served as pallbearers at the service.

YOU MADE US DO IT!
—and we're glad you did! You made us establish these brands. By your repeat orders, you told us the things you want most. We've established these articles as permanent stock. We've given them exclusive names—BRANDS! Now, no matter when you replace these tested and approved articles, you may be certain of the same high quality, every time you buy them! Penney's brands protect your purchases and reflect typical Penney's value! This is just one of the many reasons why IT ALWAYS PAYS TO SHOP AT PENNEY'S!

A LOT OF CAR for a VERY LOW PRICE

The Ford effort to make your dollars buy a constantly better car is well illustrated in the Standard Ford V-8.

It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equipment that make it a still bigger bargain.

With the thrifty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon — or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

He's head and shoulders above mere "oil-changers"... because

ONLY YOUR MILEAGE MERCHANT OIL-PLATES YOUR ENGINE

Does Spring begin on March 20th?... or on the 21st? "Begin it today!" pleads your engine. "Bleed out my Winter-poisoned oil. But this Spring help me with more than an oil-change. Change to Your Mileage Merchant! And that's changing to Conoco Germ Processed oil—the only way to change me into an OIL-PLATED engine."

You want this modern exclusive OIL-PLATING because especially in Summer your steady driving demands more than the plain old type of oil-film that slithers OFF the working parts like drops of

quicksilver. Exactly the opposite is achieved by the Germ Process—patented. It makes droplets of oil act like a billion tiny suction cups, powerfully attracted and OIL-PLATED to every working surface... Never draining down, never inviting friction, no matter how many thousands of starts and thousands of miles you make all Spring and Summer. And you'll notice Germ Processed oil sticking so close to "Full"—even in older cars—that you'll want to be sticking to Your Mileage Merchant. Continental Oil Company

County Treasurer's Position Sought by Mrs. Marion Newton

After much persuasion and encouragement from so many of my friends, I have decided to announce for the office of county treasurer. I am sure that I am qualified to perform the duties of this office. I need no introduction to the voters of Scurry County, since I have grown up here and received my education in the Snyder school. I have been an active member of the Baptist church for a number of years. Also, I have been employed by leading business firms as clerk, and I feel that I have made many friends, through serving them. I earnestly solicit the votes of the people of this county, and if I am elected to this honored office I promise to always render an efficient and pleasant service to all. MRS. MARION NEWTON.

Several Students of This Vicinity, Make Honor Roll at Tech

Included in the list of Texas Tech students, who made the school's fall term honor roll, were several from this trade territory, two with average grades of A. Higher ranking students were John W. Sheehan, son of Mr. and Mrs. J. R. Sheehan of Hermleigh, and Robert Lindsay of Fluvanna. Others placed on the honor list with grades of B included two local girls, Hazel P. Ward and Virginia Will; Viola Nachlinger, daughter of Mr. and Mrs. Joe Nachlinger of Hermleigh, and Louester Higgins, daughter of Mr. and Mrs. O. T. Higgins of Fluvanna.

Mollie Pinkerton, Born in County, Is Out for Treasurer

Mollie (Church) Pinkerton, daughter of Scurry County pioneers, Mr. and Mrs. Joe Church, this week makes her formal announcement as a candidate for treasurer of Scurry County.

MOLLIE (Church) PINKERTON

Born and reared in the county, the office seeker feels that she knows what the people want and expect of a public official. But she realizes that wide acquaintance and long residence alone are not sufficient qualifications. A course in Draughton's Business College and considerable bookkeeping experience in Snyder are qualifications cited by Mrs. Pinkerton. For five years she has been associated with Leath's Cafe. I need and believe I am capable of filling a better position, and I solicit the citizens of Scurry County to consider my candidacy," Mrs. Pinkerton declares. "Because of my work it may be impossible to see everyone, but I shall do my best to make a personal canvass before the July primary."

Harmon Higgins in Boss' Place at Cafe

When Boss Baze, veteran cafe operator, went to the hospital a few days ago for an operation, he was forced to close the doors of his cafe for a few days. But definite announcement was made yesterday that the cafe will be opened Friday with Harmon Higgins, young Scurry County citizen, in charge. The same complete service that was offered by Baze will be given under the new management. Baze's condition this morning was reported as satisfactory.

O. D. Dial, minister of the Snyder Church of Christ, will preach Sunday afternoon, 3:30 o'clock, at the Bison school house. Members of that church in the community invite their friends to attend the special service.

Calendar of Political Dates Given For Benefit of Voters in This Area

The year 1938 is studded with many important political dates. The subjoined calendar, compiled by Vann M. Kennedy, secretary of the State Democratic Executive Committee, lists the most important dates and events.

The time for holding the next state Democratic convention is uncertain because of conflicting election laws, Kennedy explained.

The calendar:

June 6—Last day upon which state office candidates and district office candidates (in districts containing more than one county) may file applications to have their names listed on the Democratic primary ballot.

June 13—State Democratic Executive Committee meets to make up ballot for primary election. Committee also designates place where state Democratic convention will meet in September.

June 18—Last day upon which county and precinct office candidates, and district office candidates (in districts composed of only one county) may file applications to have their names listed on the primary election ballot.

June 20—County Democratic executive committee meets to determine by lot, the order of names listed on the ballot; to estimate expenses of the primary election; to assess costs against candidates.

July 23—First primary election day.

In counties of 150,000 and more population, polls open from 7:00 a. m. to 7:00 p. m. In counties of less population, polls open from 8:00 a. m. to 7:00 p. m.

Precinct conventions meet and elect delegates to county conventions.

July 30—Democratic county executive committees meet to canvass results of first primary election.

Democratic county conventions meet to select delegates to district and state conventions.

August 6—State Democratic executive committee meets at Austin to canvass results of first primary election in all state and district office races.

Committee lists names to go on official ballot for second primary election.

Certification of Democratic candidates nominated in first primary made for general election ballot.

August 27—Second primary election day.

September 6—Meeting of state Democratic convention to adopt a platform of principles, to declare nominations for state offices, to elect state chairman and new state Democratic executive committee of 31 men and 31 women.

Sunday school will meet at 9:45 a. m. and the Christian Endeavor at 8:30 p. m. next Sunday. There will be no preaching services due to the fact that the pastor will be in Fluvanna. All workers of the church and Sunday school are asked to meet on Monday night at 7:30 for an important conference. — James E. Spivey, pastor.

Several From This County to Sessions

A good-sized group of teachers from Scurry County was among the 1,500 teachers from 11 counties to attend the Oil Belt Teachers Association meeting in Sweetwater Friday and Saturday of last week.

Election of new officers and addition of Wichita Falls and part of the Green Belt districts to the present area of the association featured the two-day session.

W. T. Wallon, Ranger superintendent, was elected president to succeed Nat Williams of Baird. Wallon was vice president and program chairman this year. S. E. Pass of Abilene was reelected secretary. Place of meeting for the 1939 annual convention will be set by the directors of the enlarged district.

IT'S HOME TOWN SERVICE

THE best thing about your telephone service is that it's home town service—tailor-made for you at the switchboard by people who live and work here.

Experts can develop better methods of giving you service. Scientists and engineers can contribute new inventions and developments. Western Electric can buy and manufacture economically for the operating companies of the Bell System.

And all of these things can—and do—help tremendously at the job of giving you good telephone service at a fair cost. Yet not one of them could replace the qualities of friendliness and neighborliness which grow out of the fact that the men and women who operate the telephones here belong to and are part of this community.

"JUST A-RIDIN'"

The Texas cowboy ends every "ridin'" day with a pot of coffee brought to steaming fragrance by the embers of his camp fire. The chances are more than even that today, he fills his pot with Admiration, because this Texas coffee has become the largest selling brand in the state. Such sales can mean only one thing—people LIKE it. And whether you buy it at a commissary or at your corner grocery, Admiration is fresh, delivered to the point of sale direct from one of the roasting plants, by fast truck. You, too, should try Admiration . . . it's the thing in Texas.

Oh, for me a horse and saddle Every day without a change With the desert sun oblique! On a hundred miles of range.

Just a-ridin', just a-ridin', Desert rippin' in the sun, Mountains blue along the skyline.— I don't envy anyone.

When my feet are in the stirrups And my horse is on the bust When his hoofs are flashin' lightning From a golden cloud of dust And the howlin' of the cattle Is a-comin' down the wind,— Oh, a finer life than ridin' Would be might hard to find.

Just a-ridin', just a-ridin', Splittin' long cracks in the ash, Stirrin' up a baby cyclone, Bootin' up the prickly pear.

Phil and His Little Girl

From the Longmont (Colorado) Times-Call.

Ever so often there is written an editorial contribution, in newspaper parlance, "goes the rounds." Nearly every editorial column for miles and miles around reprints it, and later it may be submitted to a contest committee at the school of journalism and win prizes. There is a fairly well standardized form for such writings—they must be long, they must center around a repetitious array of words, and they must have a kernel of soft stuff.

Below we print one of them, written by Phil Braniff, first appearing in a periodical called "The Insurance Field." We do not know Phil, or whether he really has a little girl, but he has written a good and wholesome piece along the standards above mentioned, and here it is:

"Dear Driver: Today my daughter, who is seven years old, started to school. She had on black shoes and wore blue gloves. Her cocker-spaniel whose name is Scout sat on the front porch and whined his canine belief in the folly of education as she waved 'good by' and started off to the halls of learning.

"Tonight we talked about school. She told me about the girl who sits in front of her—the girl with the yellow curls—and the boy across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head—and about the trees in the school yard—and about the girl who doesn't believe in Santa Claus.

"We talked about a lot of things—tremendously vital unimportant things—and then we studied spelling, reading and arithmetic—and then to bed. She's back there now—back in the nursery—sound asleep—with 'Princess Elizabeth' (that's a doll) cuddled in her right arm. You guys wouldn't hurt her, would you? You see, I'm her daddy. When the doll is broken or her finger is cut—or her head gets bumped, I can fix that—but when she starts to school—when she walks across the street—then she's in your hands.

"She's a nice kid—she can run like a deer and dart about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoons. But I can't be with her all the time—I have to work to pay for her clothes and her education. So please help me to look out for her. Please drive carefully—please drive slowly past the schools and intersections—and please remember that children run from behind parked cars.

"Please don't run over my little girl.

PHIL"

(Now, for our part, we do not propose to wait, breathless, to find what Phil may write, say, 10 years from now, if his soulful appeal to drivers is heeded and his little girl keeps out of their way. If little girls do not change much in that decade, we imagine it will be something like this:)

Dear Pedestrian:

"Today, my daughter, who is 17 years old, is out with my car. What she is wearing I do not know, but it is not much, and is designed to catch the attention of one or more boys slightly older than she and who may be in the car with her.

"Before she took the car out, we talked about several things, but not about where she was going, with whom, or what they would be doing. She is resentant about such matters, and also she seemed to pay scant attention to several suggestions of mine about the care of the car, or to her mother's admonition to be careful.

"My daughter is a nice kid, and not addicted to worry. If I have taken precautions to have the car in good mechanical condition, properly lubricated, the tires safe, and the gas tank filled, she will have no trouble, barring accidents. She knows enough about the car to start it, steer it and stop it, and has heard that there are men who make a business of fixing automobiles when things go wrong. She probably thinks that such persons inhabit filling stations, but she will be set right when she inquires.

"But she knows that when she steps on a certain knob with her right foot, the car will whizz along at 60 to 80 miles per hour, and she believes that the knob is placed there to make it do so. That is the only way she knows how to drive it, and that is as fast as it will go.

"So, please Mr. Pedestrian, do not let my little girl run over you. You will know her by her happy look, her blond hair and her red hat. She may be smoking a cigarette and the boy beside her may be hugging her, so that she may not give you her attention if you are in her line of driving. You had better wait until she gets by, or dodge.

"If you get in her way and she runs over you, you may cause her to lose control of the car, she may go through the windshield and scar her pretty face, or she may get tangled up in the steering wheel and need to go to the hospital. Even though she escapes and you don't, she will come home and cry.

"So please, Mr. Pedestrian, do not get run over by my little girl."

Hades and Work.

James D. Mooney, General Motors' export boss: "My idea is to make everybody work like hell and then pay them more than they can get anywhere else."

Telephones are bought and sold in Japan by brokers, the telephone numbers often determining the price. Shorter number are more costly as unlucky combinations are less likely. Most important though are not the numbers but the pronunciations. Example: four in Japanese sounds like their word for death. Though the system is government owned, subscribers often wait a year or more before service is available.

The Scurry County Times is the only newspaper in world that is published of, by and for Snyder and her trade territory.

Our Hearts Are Burned

Snyder hearts were burned last Thursday morning, as the school plant crackled and became an outlined ghost in the night.

But if one is a pronounced Pollyanna... one who sees good in everything... one can readily conceive that the disastrous fire will make Snyder a better community in which to live and rear children.

Tragedy makes the world akin. It brings neighbors together. It levels old bitterness. It sends jealousies and backbitings to the grave. It unites strength and ability, bodies and minds.

The city is carrying on in a manner little short of miraculous. Only two days of school were missed. Many thousands of dollars went up in smoke, but money can be created by willing hands.

Snyder, where man's humanity to man often sleeps but never perishes, has converted burning hearts into plowshares of reconstruction.

Current Comment

By LEON GUINN.

Shades of New London hovered over Snyder last Thursday morning, when the sweet scent of early hours dried up by the fire demon's tongue licking at the wood, brick, and glass that once was the grammar school building. . . . Despite the superhuman efforts of Snyder volunteer fire department, only a gaunt skeleton greeted school boys and girls who previously had thought of—grammar school—being as enduring as the years.

But no mangled and scorched bodies were in the ash covered mass of twisted iron and molten, blue gray glass when Sweetwater newshounds arrived on the scene of stark tragedy. . . . Firemen, who stood by, said the last rites for wood, brick and glass with this one word sermon: "Gone." . . . The shadows of another New London disaster were gone with the wind, for wood, brick and glass can be replaced. . . . Seared hands and bodies cannot be replaced in this life. . . . Snyder's most shocking loss will be property and a set of man made figures known as a fire record; both repairable. . . . And here's your editorial of the month, as expressed by one school board member: "Snyder schools will carry on."

A hurried tabulation by the Associated Press showed Southern farmers heartily in favor of continuing, by Saturday's votes, the AAA cotton acreage reduction program for 1938. . . . "No more," farmers said in effect, "shall King Cotton spread his fleecy robes unchecked over Southern and Southwestern cotton fields." . . . Henceforth, King Cotton, paralleling feminine what nots, must be modest in a more condensed degree.

In the transferring by the Farm Credit Administration of last year's unpaid balances on crop loans to this year's accounts, where clients are this year borrowing funds from Uncle Sam, note a shrewd move by the big boys of the FCA setup to keep crop loan repayments on a high plane; the setting in motion of machinery to put pressure on farmers next year. . . . Since the farmers are the best repaying clients where emergency loans are concerned, Washington observers see these trends:

In hasty attempts to quit spending \$3 for each \$1 it takes in, the federal government in the future intends to put the screws on its many borrowers; refill the public till. . . . However, no accurate books are kept on all those relief funds, which will be repaid in increased tax rates. . . . One Fort Worth banker, for instance, came back from Washington last week with the jitters, on hearing that depositors, accounts over a certain limit may shortly be converted into government bonds that the public coffer might be needfully repacked. . . . It wasn't the probability that got him; merely the possibility.

Hitler, a self centered little dictator who makes big speeches, has thrown his sword in the ring of steel with other European rulers to have his share in remaking the map of Europe. . . . With Austria in the fold under Germany's armed wing, Hitler cherishes dreams of bringing Czechoslovakia into the Pan-Germanic cluster as a "colony." . . . Now that German troops patrol the Austrian side of famed Brenner Pass, Italy's Benito Mussolini is working on a new scheme for Berlin absorption and digestion; that Germany may not misunderstand Italian motives.

The road ahead in Europe is leading to war, French and British authorities grant, but it is not a pleasant road to contemplate. . . . Wholesale slaughter reigns in the officially weak Soviet Union, where Stalin fears he will share the fate of recently executed Bolshevik comrades—facing a firing squad some gray morning when day breaks over the Kremlin. . . . The mad dogs of war decree war gutted Spain must yet endure population annihilation, that a pitifully small clay god may reign over a ravished and stench-soaked country of ruins.

Chicago department stores are drawing trade to bargain counters with jazz bands, blues singers and cabaret dancers. The performers add to the clamor between the counters, doubling the noise and also the crowd. Saturdays magicians, jugglers and novelty acts are added for the kiddies.

Singers Sing at Colorado Meet But Eats Short

Approximately 1,100 singers from the four corners of West Texas gathered at Colorado Sunday for the spring session of the Four County Singing Convention. Lawrence Deavers of Snyder presided over the opening session Sunday morning, until T. H. Westbrook, convention president, arrived at 11:00 o'clock to take charge of the program.

The Stamps-Baxter Quartet of Dallas, Robert S. Arnold and quartet of Fort Worth, Wilbur Wilson and quartet of O'Donnell, and other quartets were on the program Sunday. Singers from every nook of Scurry County were present for the all-day song fest. A number of Borden County singers also attended.

Convention officials backtracked at the last moment plans to send visiting singers. The full session will be held at Sweetwater municipal auditorium the second Sunday in September, with Scurry, Mitchell, Nolan and Fisher County delegates planning new convention changes.

Program committees were Lawrence Deavers and Eddie Williams of Hobbs. Visiting singers included Wade Willis, Elias Clark and group, Abilene; David Spradley, Caddo; Mr. and Mrs. Knox and Mrs. Robert S. Arnold, Fort Worth; Joe Roper, Denver Crumpler and E. M. Bartlett Jr., Dallas; and two music company representatives, Hershel Poebel and Robert S. Arnold.

Mrs. Marvin Gary, Dunn Area Mother, Dies Here Monday

Final rites were held Tuesday afternoon, 2:30 o'clock, at the Dunn Baptist Church for Mrs. Marvin Gary, 29, who died in a local hospital Monday following an operation a day earlier. Mrs. Gary, a native of Haskell, was born January 29, 1910, and has been living in Scurry County the past 12 years.

Surviving are her husband and four children, Virginia Fern, age 9 years; Dorothy Inez, 7; Johnny Marvin, 4; and Tommy Gene, one week. Her mother, Mrs. Ivy Myers of Abilene, and a sister, Mrs. Lee Cristwell, Odessa, also survive.

Paliborators at the Tuesday service were Houston Cotton, Elton Crowder, Sam Williams, Grady Brown, Fred Bowers and Oscar Worthington. Earlene Bowers, Evelyn Hanson, Louise Bowers and Mary Ellen Echols were in charge of flowers.

Help Yourself Will Leave Snyder Soon

Help Yourself Laundry, first self-serve laundry to be established in Snyder, will move Monday of next week to Lamesa, report the operators, Mr. and Mrs. H. D. Brown.

All equipment will be moved to Lamesa, former home of the Brown family. When the Browns came to Snyder in 1935, they established one of the first self-serve laundries in this section of West Texas. Several of the laundries are now operating in Scurry County.

Notice.

To all my customers for the past ginning season:

You will find the total number of pounds of lint you ginned with me during the season, at the county agent's office. I take this method to thank each of you for your patronage, and hope to see each of you back with me this coming season with your friends.

Yours for a good season and a fine crop and better prices.

Star Carrier Civil Service Sought By Low-Wage Mail Man

Scurry County star route carriers, along with those throughout the United States, are seeking to raise compensation standards for members of their association, known as the National Star Route Mail Carriers Association.

One of the most interested carriers in this area is Floyd Blakely, Arah Route carrier. He has just received a letter from George Mahon, congressman, indicating that a bill now before Congress, designed to increase the pay of star carriers, is being pushed by a group of congressmen, including Mahon.

The star carriers, who must bid in their routes, are seeking to obtain pay on a per-mile basis and to qualify for their jobs by taking Civil Service examinations.

From 1925 to 1936, annual mileage on star routes increased from 90 million odd miles to the 162 million odd miles, while the cost shrank from 13.37 cents to 6.52 cents. This average amount per mile represents the total amount received by carriers for labor, service, equipment and maintenance, points out Blakely.

Borden Checks Arrive.
From County Agent E. B. McLeroy comes news that Borden County several days ago received \$24,071.82 in soil and range program checks. This amount is only part of Borden's quota.

Xylophonist, Once Snyderite, Feature Of Band Program

Point of highest interest in Monday afternoon and evening concerts given by the Indian Band of McMurry College, Abilene, to most local people came when a former resident, James Couch, was presented in a group of xylophone numbers. Couch, now of Abilene, is a senior at McMurry.

The 24-piece band, directed by Leonard King of Cisco, a student, presented an attractive varied program on each occasion—in the school gymnasium Monday afternoon and at the First Methodist Church in the evening.

Other special musical numbers on the one-hour program were violin solos by Tommy Greer of Rochester, accompanied by William Cantrill of Dalhart, and a brass quartet. Hugh Fellows, head of McMurry's speech department, who is faculty advisor on the tour of West Texas cities this week by the group of musicians, was presented in a clever characterization reading.

Mr. and Mrs. Harold Brown spent the week-end in Fort Worth attending the Southwestern Exposition and Fat Stock Show.

PUT OUT CANS AT YOUR HOME

Although Spring Clean-Up Week has not been officially set until April 3-10, cans will be hauled from the residential district this week and next week, according to W. I. Wilson, the city sanitary man.

Citizens are requested to box or sack their cans and other trash and have them ready for pick-up within the next few days.

Mayor H. G. Towle has announced that Snyder will lend full cooperation in the state-wide Spring Clean-Up Week in early April.

Beaten on Water.
The well-known size supremacy of Texas does not extend to the matter of water area. Although even here she ranks third, the states of Minnesota and North Carolina both surpass Texas in the number of acres covered by water. Minnesota has 3,824 square miles of water and holds only eleventh place in total area. Since the total water surface of the United States is 53,013 square miles, the average per states is about 1,104.

Formation of Scout Troop Completed at Hobbs During Week

Fifteen boys and a number of interested citizens were present at the Hobbs school Tuesday night for organization of a Boy Scout troop. R. W. Bounds, football coach, is scoutmaster.

The Hobbs troop is divided into three patrols—the Claytonville, Camp Springs and Hobbs patrols. Lee Williams, J. O. Guinn and W. B. Willingham are council members. Scoutmaster Bounds reports the new scouts will take an overnight hike in the near future.

Sponsored jointly by community leaders and Hobbs High School, the troop is the first to be organized at Hobbs.
