## SCOUT BUDGET CLIMBS ABOVE GOAL OF \$500

Best Support of Boy Program  
Ever Received Here, Says  
Area Executive

With the suggested annual budget of \$500 already passed, Boy Scout leaders were jubilant yesterday afternoon over Snyder's response to the drive that has been conducted for several days.

Ed McCurtain, executive over Snyder District and several adjoining counties, declared the new budget represents this town's heaviest support of the boy training program.

W. J. Ely, district chairman, who supervised the budget drive, asks The Times to express the appreciation of all scout officials—and of the boys who will be benefited—for the hearty support given the campaign.

Some Reports Out.  
All workers had not reported when the report was left with The Times yesterday. At that time \$475.50 had been pledged, and a report this morning indicates that the amount is now well over that figure.

Following are the sustaining members who have been giving to the work during the past fiscal year: Bryant-Link Company, Stinson Drug Company, Times Publishing Company, \$24 each; Economy Store, H. H. Eiland, W. J. Ely, Mrs. T. L. Lollar, Louder Motor Company, J. C. Penney Company, Piggly-Wiggly, R. J. Randals, Dr. Grady Shytle, Stinson Camp Ground, Snyder Insurance Agency, Texas Electric Service Company, D. P. Yoder, \$12 each.

Other Contributors.  
Browning Gin, H. S. Darby, Warren Dodson, Dr. J. G. Hicks, J. R. Hicks, Marcel Josephson, King & Brown, G. H. Leath, Chas. J. Lewis, Bernard Longbottom, Rev. James E. Spivey, Mrs. H. G. Towle, W. H. Ware, Mrs. O. S. Williamson, Ben Franklin Store, \$6.00 each; Snyder Steam Laundry, Winston-Clemens, \$5 each; Patterson Barber Shop, \$4.50; J. O. Littlepage, Jack Colwell, J. J. Dyer Jr., \$3 each; A. B. Baze, \$2; E. J. Anderson, Hollywood Shop, Dr. R. L. Howell, \$1 each. Total pledged by old members, \$331.50.

Annual pledges by new sustaining members: Odom Funeral Home, \$18; Snyder National Bank, \$12; Porter King, Jesse Jones, A. C. Prentiss, Jim Adams, E. F. Sears, The Fair Store, Gay McLaughlin, D. & D. Auto Supply, N. R. Clements, Ivan Gatlin, John E. Sentell, Boren-Grayum, N. W. Astry, Graham & Martin, H. L. Wren, R. C. ## Renovation Time at Snyder Tailor Shop

"It's renovation time, and we've caught the spirit," declared Earl Fish of Snyder Tailoring Company yesterday.

To prove his point, Fish displayed the new Clisel steam iron, and said other new equipment will be installed in a few days. The incoming equipment will include a 1,000-gallon Butler filter and a Huebsch tumbler.

With the equipment already in use, the veteran tailor says he will offer an entirely modern plant. Associated with him in the business is his son, Creston.

Quartet Makes Hit.  
The Deavers male quartet of Snyder, which broadcast over Big Spring's KBST station from 5:00 to 6:00 o'clock Sunday afternoon on the Baptist Hour program, was voted by studio officials one of the program high points. Gospel songs were featured by the quartet, which "pitched in" for Rev. R. R. Cumble, who conducted the program, in furnishing music during the Baptist hour.

## HOSPITAL DAY IS SUCCESSFUL

Success attended the efforts of Snyder General Hospital to observe National Hospital Day last Thursday, according to hospital attendants. About 600 persons inspected the institution during the day, reported Ann Brasell, superintendent. Hospital rooms, hallways and reception rooms were decorated with flowers, many of them donated by friends of the hospital.

At 2:00 o'clock, Dr. Thomas Slayden, new member of the staff, addressed Snyder High School students on the hospital lawn.

The entire official family of the hospital requests The Times to express appreciation for the public's response to first annual observance of National Hospital Day.

### Speaks Here

Bill McCraw, attorney general, spoke in Snyder Wednesday afternoon to several hundred people who cheered him repeatedly during his governor-seeking speech. Generally conceded to be one of the top candidates for governor, McCraw was met here by a number of supporters who banqueted him at noon.

## FIGHT HOPPER NOW IS PLEA OF COUNTY AGENT

Another Car of Bran Here  
For Hurdled Battle  
With Invaders

Another car of bran, 40,000 pounds has been received by the grasshopper control committee as ammunition from the federal government to carry on the fight against the "gillions" of grasshoppers that are already hatched out and in good healthy growing condition, according to County Grasshopper Leader Luke Ballard.

More than 12,000 pounds of mixed poison bait has already been distributed to more than 40 different producers, the major portion going into the Fluvanna and Plainview communities, with scattering deliveries to other parts of the county.

"The battle has just begun. We have enough grasshoppers to eat three complete crops of the whole county now," Ballard pointed out.

Sixteen thousand notices have been mailed to producers throughout the county urging concerted action against this crop-destroying pest, and outlining the procedure to win this war.

"The question is," said the agent, "can we afford to wait until the grasshoppers are grown and have taken charge of our crops, or shall we use the help that is now available from the federal government, a proven crop insurance policy? A pound of poison bait applied now is worth tons of cure a month from now."

The poison bait mixing plant is located in the Harrell Building on West 25th Street (Bridge Street). Mixing hours, until further notice, are 2:30 p. m. to 5:30 p. m., except Saturday and Sunday.

Marshal Simon Best and Sheriff Clyde Thomas have placed cards in the sheriff's office on which finders of lost or lost property are requested to contact Louder as soon as possible.

The round-up of patrons and candidates is expected to attract hundreds of people. Community leaders invite "outsiders" to take part in the afternoon festivities—and also at the noon hour, provided they "chip in" with picnic baskets.

Several complaints concerning yard and garden damage by chickens have prompted City Marshal Simon Best to request that all chicken owners keep their fowls penned if there is any likelihood of damage on neighbors' premises. Best points out that an ordinance forbids fowls running loose and bothering the property of anyone else.

Ray Pessire, son of Mrs. Mary Pessire, has been transferred as a Montgomery Ward company district manager from the Shreveport Louisiana, district, to an Oklahoma district, where his headquarters will be in Oklahoma City.

## HIGHWAY 15 IS BEING STUDIED BY COMMITTEE

Exact Status of East-West  
Trunk Line Sought by  
Chamber of Commerce

Study of the exact status of Highway 15, with an eye to formulating a long-time program to push the East-West route, is being made this week by members of the recently-appointed highway committee of the Scurry County Chamber of Commerce, and other interested local citizens.

Work of the committee took the form of definite action Tuesday afternoon, when S. J. Treadaway, district engineer from Abilene, conferred with eight committeemen in the Commissioners Court room.

Purpose of the conference, as stated by County Judge H. J. Brice, chairman of the meeting, was to ascertain the present status of the vital highway.

Forest Sears, president of the Chamber of Commerce, pointed out that improvement of Highway 15 is one of the organization's major projects, and that the citizenship of Snyder has repeatedly expressed a desire for action on the road, especially through and connecting with Scurry County.

A second conference Wednesday morning, with all members of the Commissioners Court present, witnessed the outlining of immediate plans to hasten construction of Highway 15.

Miss Geraldine Longbottom, who has been teaching in Draughon's Business College, Abilene, for the past year and one-half, was elected head of the shorthand and typing departments of the school at the resignation of Miss Ida Wray early last week.

Daughter of Mr. and Mrs. Bernard Longbottom, Geraldine is a graduate of Snyder High School and of the business college.

Dr. and Mrs. A. O. Scarborough returned home late last week from Houston, where they have been guests of their daughter, Mrs. R. A. Irving. The local physician underwent major surgery more than a month ago and has been recuperating at the home of his daughter before taking up his practice locally.

## Hermleigh Plans Old-Time Picnic Friday, May 27

An old-fashioned basket dinner will be given Friday, May 27, at the Hermleigh school building. Planned primarily for bringing patrons of the school together for friendly session, the festivities will climax one of the most successful years known to Hermleigh schools, according to community leaders.

The dinner will be served in old-fashioned basket style at 12:00 o'clock. In the afternoon, ball games will be played by the following teams: Candidates against Hermleigh business men, all dressed in costumes that will be provided; ladies of the faculty against ladies of the community.

The candidates will be special guests of the community, and will be called on to furnish the typical barrel of old-fashioned lemonade. All candidates will be given a chance to talk in an afternoon political rally.

"Sheep" Louder will manage the ball-playing candidates, and "Pud" Werner will handle the Hermleigh business men's club. Candidates who plan to attend the rally are requested to contact Louder as soon as possible.

The round-up of patrons and candidates is expected to attract hundreds of people. Community leaders invite "outsiders" to take part in the afternoon festivities—and also at the noon hour, provided they "chip in" with picnic baskets.

Several complaints concerning yard and garden damage by chickens have prompted City Marshal Simon Best to request that all chicken owners keep their fowls penned if there is any likelihood of damage on neighbors' premises. Best points out that an ordinance forbids fowls running loose and bothering the property of anyone else.

## Lloyd Mountain to Close Term Friday

Three county schools will complete their terms Friday of this week. They are Pyron, Lloyd Mountain and Plainview, all located east of Snyder.

Story concerning graduation and other closing activities at Pyron and Plainview will be found elsewhere in this issue. Teachers at Lloyd Mountain are Mrs. Clemmons McCasland and Mrs. Marguerite Harrow, who will close their year with little unusual ceremony.

## Hobbs High School Presents Two Plays

Hobbs High School auditorium was filled to capacity for the program held Friday night. Proceeds from the evening will go toward purchasing more athletic equipment.

The junior class play, "The Neighbors," and a faculty production, "Not Quite Such a Goose," furnished the major part of the evening's program. Harmonica band and other grammar school student numbers were heard between acts.

## Plainview to Close With Two Programs, Changes in Faculty

Two special programs will feature school closing activities at Plainview this week and next. The first will be a primary and intermediate program at 8:00 o'clock Friday evening, and the second will be a high school play next Wednesday night.

The Plainview board of trustees announced this week that W. F. Cox, Snyder High School teacher for several years, and Mrs. Cox, will be principal and teacher, respectively, in the school next year. Roy O. Irvin and Mrs. Irvin, with Miss Polly Harpole, were recently re-elected, but Mr. and Mrs. Irvin have tendered their resignations.

Irvin, a candidate for county superintendent, has been principal of the school for seven years. Miss Harpole will continue as a teacher in the three-teacher school seven miles east of Snyder.

The high school play next Wednesday night will be a three-act comedy, "Black Cats." The cast includes Florence Fisher, Frances Evans, Emma Woodard, Gradyne Fisher, Nell Bertram, Prinecca Elcke, Rex Woodard, Fred Ross, J. P. Pitner and Grady Weller.

## AIRMAIL SHIP COMING TODAY

In connection with national observance of Airmail Week, a plane from Big Spring will arrive in Snyder this (Thursday) afternoon, to pick up a pouch of airmail that will be carried to a regular trunk mail route.

Postmaster Warren Dodson says the plane will land southwest of Snyder about 2:30 o'clock. He plans to be on hand, along with several local welcomees, to load the pouch containing airmail from Snyder business men and others. Purpose of Airmail Week is to acquaint the public with the benefits of airmail, to develop this phase of aviation, and to consider in the future the feasibility of "feeder" routes to Snyder and other larger towns off the principal airmail arteries.

## RAIN AVERAGING INCH OR MORE VISITS AREA

C. of C. Hopes to  
Name Secretary at  
Friday Night Meet

After interviewing prospects and gathering data for three or four weeks, the secretary-nominating committee of the Scurry County Chamber of Commerce, through Chairman E. J. Anderson, announced yesterday that the directors will probably make their choice Friday night.

Several new members have been added since last week's report, but they have not been compiled. A full report of all members, by business or profession, will be printed as soon as the full May report is in, the directors announce.

Mrs. Beryl Rogers is compiling records of membership and handling correspondence, at the new Chamber of Commerce office, two doors north of the bank. At their meeting last Friday night, the directors gathered in the new office for the first time.

## FINAL COTTON CHECK-UP FOR CROP OF 1938

Rechecking and acceptance of the final 1938 cotton allotments, preparatory to certifying and mailing to all cotton producers of Scurry County was one of the primary items disposed of at a special meeting of the county committee of the Agricultural Conservation Association last Friday.

The meeting was held in the office of the association, J. H. Jean, chairman, in charge, with all members of the committee present.

After careful reading of all revised rulings and amendments with their latest interpretations from the Washington office, it was decided on the recommendation of the county agents that a special series of community meetings be held for the purpose of final review and explanation of the 1938 program. These meetings will further remove any confusion in the minds of the producers and provide sufficient understanding, for those desiring to meet compliance requirements, the definite procedure to follow. Chairman Jean stated:

Notices of the meeting schedules, being mailed to all producers, are as follows: Tuesday, May 24, Ira school house; Wednesday, May 25, Strayhorn school house; Thursday, May 26, Fluvanna school house; Friday, May 27, Hermleigh school house.

The final pertinent percentages used on all cotton farm allotments by the state board is 36.7726 per cent, and the safe feed allotment percentage is 37 per cent, all applied on the adjusted tillable acres of the farm. The procedure used by the state board will be explained in detail at the community meetings, including pertinent questions on the cotton marketing quotas, according to County Agricultural Agent Luke Ballard.

## Guitar Music Tops Singing Convention

Accompaniment music by a guitar trio was a feature of the Tuesday night singing at the First Presbyterian Church, almost 625 people jamming the basement for the weekly song fest. A bass solo by Eddie Williams of Hobbs and a special by the Deavers quartet, were evening highlights, with a total of 35 song leaders being used to direct class numbers.

The Tuesday night session attracted visitors from Fisher, Borden, and Nolan Counties. A "pop talk" by Convention Chief D e v e y Niedecken was heartily seconded by other convention officials.

Sickness halted the plans of a Fisher County delegation to appear on the program with band instruments, but plans are to have a number of guitars at next Tuesday night's session. Chaplain Walter Holmes reports the new starting time of 8:00 o'clock is resulting in increased crowds.

Jane Ann is Newcomer.

Because the whole bloomin' force caught some of the excitement of The Times "devil," Jay Rogers, the blessed event at the Abe Rogers home Friday, May 6, was forgotten for last week's paper. The "event" is Jane Ann, who weighed seven and three-quarters pounds at birth. Papa Abe has burned so much midnight oil recently that he has declared heartily in favor of the federal wage-and-hour bill.

## Borden Reports Good Moisture; Dry Streaks Hit

Late reports from a few miles south and southeast of Snyder indicate that young cotton and other early crops were beat to the ground by medium-sized but fast-falling hailstones.

Heaviest general rain of the year blanketed the Snyder trade territory late Wednesday evening and late Wednesday night.

Snyder's official fall was an inch and a half—a half inch just before sundown and an inch during the night. Many small hailstones accompanied the rain in Snyder, but they covered a small area and did no serious damage.

Gail reported about three-quarters of an inch, most of it during the night. This was in addition to a Sunday night rain of .62 in the Gail area. Full reports have not been obtained, but a telephone conversation with Gail this morning indicated that most of Borden County probably received fair to good rains.

Scattered reports indicate that Scurry County was blanketed with an average of about an inch of moisture, with batches of hail that did practically no damage.

Northwest to southwest, probably driest of any area, has received good planting and growing rains. Fluvanna reports more than an inch. Wright Huddleston, southwest, says that end of the county received probably its biggest rain of the year. Many farmers had stopped their planting in that area because of lack of moisture.

Telephone lines went out of commission between Dunn and Hermleigh Wednesday afternoon, but more than an inch at Hermleigh is reported. Hermleigh says that community is evidently surrounded by good rains several miles in every direction.

Showers and Wind.  
Prior to Wednesday, clouds, light showers and plenty of wind rolled over the trade area for several days. A few localities were wet down. Snyder received .16 of an inch Sunday night, and a few other sections were also visited.

As a whole, however, the frisky winds, did more harm, until Wednesday, than the scattering showers did good.

Cotton was given a good sendoff, much of it having been planted. Some benefit will accrue to wheat, and of course feed, grass and gardens will be greatly benefitted.

## Homecoming at Ira Church Fifth Sunday

Ira Church of Christ is making extensive plans for a homecoming program the fifth Sunday, May 29. From J. F. Jordan and other church leaders comes this invitation: "Everybody has a hearty invitation. Bring a well-filled basket lunch and song books, and be with us through the day."

## Slight Improvement In Joyce Condition

Condition of J. R. Joyce, local ginman, in the Sealy Hospital, Santa Anna, was slightly improved yesterday, according to Ixon Joyce, a son who returned home Wednesday. The local man is closing his second week at the hospital following surgery.

Mrs. Joyce, their daughter, Mrs. Becton Templeton, and four sons, Ixon, Amos, Fla and Sam, have been at Santa Anna most of the time. Sam left Snyder yesterday, returning there to be with his sister and mother at the bedside.

## Hawaii Is Setting for Annual Honor Society Banquet Held Tuesday Night

Members of Snyder High School chapters of National Honor Society and National Junior Honor Society held their annual banquet Tuesday evening at the Wilford Coffee Shop in a setting of colorful flowers and crepe paper streamers, significant of the Hawaiian Islands. The idea was carried through the decorations, appointments, favors and program.

Vari-colored leis were given attendants at the door, and Hawaiian boys and girls on place cards marked places. Souvenir programs were in the shape of Hawaiian guitars. Honor society colors, purple and white, were featured in the paper streamers.

Rev. Ira Harrison, pastor of the local First Baptist Church, was principal speaker for the program on the subject, "Character." He was introduced by Louise Bowers, junior society president, Gordon Rogers, president of the senior group, was toastmaster for the program.

The beautiful "Angel's Serenade," violin solo by Daren Benbenek accompanied by A. W. Yeats, opened the program, followed by a vocal solo, "Blue Hawaii," popular number, by Daurice Worley accompanied by Dorothy Pinkerton. Final musical number was a piano solo, "Sweet Lullaby," by Louise LeMond.

Invocation was by High School Principal King Sides, and W. C. Hollis, sponsor of the two honor groups, spoke on "Plans for Next

## Eades-Moreland Marriage Announced

H. S. Moreland of Snyder is announcing the marriage of his daughter, Lloy, to Virde Lee Eades at 4:30 o'clock Tuesday afternoon, May 3, at the home of Rev. W. M. Elliott, pastor of the First Presbyterian Church, Colorado.

Eades is the son of J. W. Eades, prominent farmer of the Crowder community. The couple will be at home in East Snyder.

Both Mr. and Mrs. Eades have resided in Scurry County a number of years. The bride, a member of the Snyder High School chapter of National Honor Society, is a 1935 graduate of the local high school. The bridegroom also attended Snyder High School.

Towel Window for Seniors. The H. G. Towle Jewelry Company is featuring an attractive display honoring seniors of the local high school in a show window this week. With the background and base covered with green and gold, senior class colors, suggestions for graduation gifts are made with attractive arrangements of watches, diamonds, costume jewelry, leather goods and other less expensive items.

Earl Brown Jr. of Abilene was a visitor with his father and local friends here this week.

## Annual Breakfast Held at Scott's

Mrs. J. D. Scott and Dorothy Strayhorn were hostesses to Altrurian Daughters Club and two guests at the club's annual May breakfast in the Scott home Sunday morning.

A delectable breakfast was served at 7:30 o'clock on a long table, covered with a crisp grass linen banquet cloth. Centerpiece was an attractive arrangement of miniature oak trees and lighted tapers in Rose Marie holders. Place cards were decorated with pretty pink floral designs.

Margaret Henderson of Abilene, former member of the club, and Mrs. W. C. Hollis were guests at the affair, and the following members were present: Kenneth Alexander, Marie Casey, Wanda Newman, Annie Fannie Sewell, Meses. Max Brownfield, Joe Caton, P. W. Cloud, Herman Doak and the hostesses.

## Altrurians Hear Convention Report

Entire program at last meeting of Altrurian Club was given over to reports from delegates to the seventy-eighth district convention held at Childress recently. Mrs. A. C. Preult, president of Altrurian Club and delegate to the convention, was assisted by Mrs. J. C. Smyth, Alpha Study Club president and delegate, in giving a beautifully arranged report of happenings at the annual two-day meeting.

Mrs. P. W. Wolcott was hostess to the club, assisted by her daughter, Mrs. Armor McFarland. Mrs. E. J. Anderson directed the federation day program.

Refreshments were passed to Meses. Anderson, W. R. Bell, Hugh Boren, H. P. Brown, J. C. Dardard, W. W. Hamilton, W. P. King, Preult, J. C. Stinson, H. G. Towle, J. T. Whitmore, John R. Williams, A. W. Waddill and Smyth.

Mrs. H. T. Sefton, president, was presiding for the business session Monday when plans for the special social were completed.

## COUNTY WOMEN TO BE GUESTS AT WMS SOCIAL

Members of Methodist Woman's Missionary society of the Dunn, Ira Buford, Union, Pivanna and Hermitage churches will be special guests at a meeting of the local society being held at the church Monday afternoon in their honor. A large number of visiting women are expected for the special fourth Monday social.

Theme of the afternoon's program, as announced at regular meeting this week, will be "Sixty Years in China." Members of the Ruth Anderson circle will present the program, and the Susanna Wesley circle will be hostess.

The special Monday social will show in a measure appreciation to women of the community churches who assisted with the recent Northwest Texas conference held in Snyder. Luncheon on the two days were prepared and served by the women who will be complimented here Monday.

Bible study for the local society will begin Monday, May 30. A several-week study will center around the text, "Songs in the Night," taken from Isaiah 40:55.

Worship theme for this week's meeting of Methodist women was "The Witness of the Spirit." Meses. I. W. Boren and T. W. Pollard gave the scripture contributions, and Mrs. R. H. Odum gave a splendid talk. All present took part in song and prayer. Mrs. H. C. Gordon was at the organ.

Delicious cherry pie a la mode was served with cocoa and coffee to the following: Miss Stokes, Mrs. Brooks Browning and small daughter and Mrs. Hollis Browning, guests; Meses. W. E. Doak, I. W. ## Browns Hosts to Club and 17 Guests

Friendly Fellows Club members and 17 other forty-two players were guests of Mr. and Mrs. H. P. Brown at their home last Thursday evening, regular meeting time for the club. Larkspur, roses and other spring flowers were attractively arranged in the house for the party.

Following the forty-two games, delicious ice cream and cake were passed to members and the following guests: Meses. L. D. Green, I. W. Boren, Joe Strayhorn, Meses. and Meses. R. J. Randals, Joe Monroe, Hugh Boren, D. P. Yoder, A. W. Waddill, John R. Williams and W. G. Williams.

Dr. R. D. English, Meses. and Meses. W. W. Smith, Joe Caton, H. J. Brice, W. J. Ely, Joe Stinson and the Browns were the members present. Mr. and Mrs. Joe Caton will be next hosts to the club.

## Three Hostesses to Victory Bible Class

Mmes. J. T. Browning, D. P. Yoder and A. D. Johnson were hostesses to the Victory Bible Class of the First Methodist Church last Wednesday afternoon at the Browning home, northeast of Snyder.

Members gathered at 3:00 o'clock to complete their quilt. Durell Stokes, young daughter of Mr. and Mrs. Roy Stokes, entertained with a group of piano-accordion numbers. Mrs. Joe Strayhorn, vice president, presided during the business session, in which good reports were brought for April visits, trays and bouquets to sick and needy people the town.

Delicious cherry pie a la mode was served with cocoa and coffee to the following: Miss Stokes, Mrs. Brooks Browning and small daughter and Mrs. Hollis Browning, guests; Meses. W. E. Doak, I. W. Boren, Pearl Martin, Allen Warren, J. H. Henderson, A. M. Curry, Joe Strayhorn, W. A. Rodgers, R. W. West, Mattie B. Trimble, H. C. Gordon, R. M. Stokes and the hostesses, class members.

## Mrs. Frank Erwin Honoree at Party

A delightful five-table bridge party given Monday afternoon by Mrs. A. D. Erwin and her daughter, Mrs. R. C. Miller, was complimentary to Mrs. Frank Erwin of New York City, who is their guest in Snyder. The party was given at the home of Mrs. Miller.

The New York woman and her husband lived in Snyder a short time several years ago, and many of the party guests were old friends of the honoree. Mrs. Erwin will leave late this week, returning to her home in New York City.

Lovely garden flowers—roses and larkspur—were attractively arranged in entertaining rooms, and bouquets of roses formed centerpieces for the foursome tables at tea time, when a salad plate was passed.

The guest list was as follows: Meses. Erwin, Ernest Taylor, H. G. Towle, Hugh Boren, A. C. Preult, E. J. Anderson, W. R. Johnson, T. L. Lollar, Joe Stinson, W. B. Lee, Henry Rosenberg, H. J. Brice, W. J. Ely, W. D. Beggs, Wayne Boren, John R. Williams, E. M. Deakins, W. W. Hamilton, A. J. Towle and O. P. Thurne of Abilene, Mrs. Lora Miller was a tea guest.

Prizes were presented the honoree, Mrs. Lee and Mrs. Beggs at the close of contract games.

## Couple Marries Saturday Evening

Marriage of Opal Boothe and Raymond Evans, son of Zack Evans, was solemnized at the home of Rev. and Mrs. H. C. Gordon Saturday evening, April 16, at the home of Rev. and Mrs. H. C. Gordon, pastor of the local First Methodist Church, officiated for the ceremony. The couple was unattended.

Both Mr. and Mrs. Evans have been living in Snyder, and they will continue to live here. Evans has been working at the cotton ward.

## Program at Final PTA Meeting Is One of Outstanding During Year

Final meeting of the year for the local Parent-Teacher Association, held last Thursday, featured one of the outstanding programs of the year, according to attendants. Fifty-three members were present for the last meeting, which was had a week early so that there was no interference with school closing activities.

Included on the program was Annie Fannie Sewell's reading, "Music Through the Ages," with vocal and instrumental illustrations by students and teachers in the local school. Two talks were given, Rev. H. C. Gordon, Methodist pastor, speaking on "Education for Spiritual Values," and Mrs. D. P. Yoder discussing "The Family and Its Habits of Work."

Fourth grade room of Mrs. Ruth Saunders received the cash award for having the most representatives registered. This is the third month this year the room has won the prize. Mrs. Herman Darby's third grade has won twice.

Committee heads gave reports, giving the progress made under each division for the year. Chaucer was highly commended for their work during the year by the president, Mrs. Wayne Sims, who presided for the business meeting. Plans for work next year were discussed at length.

Other officers for next year, all re-elected except the vice president, are: Mrs. P. C. Chenault, vice presi-

dent; Hattie Hema, secretary; Mrs. Clyde Boren, treasurer.

In her closing message Mrs. Sims reminded mothers and teachers that "Appreciation, like respect, is something with which a child is not born." "Teach the child appreciation, and he will hold the secret of charm," she continued, echoing ideas of other P.-T. A. workers.

Mrs. Sims and other leaders of the association express their deep appreciation to local people for their splendid cooperation with PTA work the past year. "They trust that patrons will show the same wholehearted assistance with the work next year."

Miss Ota Mae Sybert of Marlin is the guest this week of the F. W. Wilhelm.

## Poorly Nourished Women — They Just Can't Hold Up

Are you getting proper nourishment from your food, and restful sleep? A poorly nourished body just can't hold up. And as for that run-down feeling, that nervous fatigue,—don't neglect it! Careful for lack of appetite, poor digestion and nervous fatigue, has been recommended by mothers to daughters—women to women—for over fifty years.

Try it! Thousands of women testify that it helped them. Of course, if it does not benefit YOU, consult a physician.

# BILL M'CRAW CAMPAIGNS FOR GOVERNORSHIP

## Feted at Hotel, Speaks to Crowd in Courthouse Wednesday

Snyder received the major portion of Attorney General William McCraw's attention Wednesday on what he chose to call his "meeting and greeting tour" of this section.

The red-headed candidate for governor, driving his own car, swept up to the Manhattan Hotel at 12:30 p. m. and found every evidence that his visit wasn't unexpected.

Giant letters on the sidewalk read: "Welcome Bill," and on top of the letters stood the 18-member reception committee.

When hands had been shaken all around and that's the attorney general's favorite indoor and outdoor sport the group sat down to an informal luncheon.

Dines at Manhattan.

Those at the table included Forest Sears, Chamber of Commerce president; Dr. H. G. Towie, mayor; County Superintendent Frank Farmer, County Democratic Chairman A. C. Pruitt, Commissioner J. E. Huffman, Dr. W. R. Johnson, H. A. Lattimore, W. A. Jean, Jim Lockhart, J. W. Scott, Nathan Rosenberg, Hugh Boren, C. P. Sentell, Earl Fish, O. D. McGlaun, County Attorney Sterling Williams and J. C. Snyth, all of Snyder; Judge Tom Garrard of Tahoka, member of the State Board of Education; E. P. Craig, of Denton, Robert McKisick, Sweetwater, former assistant attorney general, who resigned recently to devote his time to McCraw's gubernatorial campaign, and Sheriff Jess Slaughter of Howard County.

# Visitors Feature Tuesday Meeting Of Snyder Lions

Reception of eight visitors, unanimous decision to accept Hermleigh School's invitation to serve next Tuesday's luncheon at Hermleigh, and reports from two recent special Lions meetings were features of the Lions Club luncheon Tuesday.

Twenty-seven Lions were present. The visitors were: Roy F. Cooper, member of the Central Chicago Lions Club; Bill Cooper, Monahan; B. L. Tompkins and Trust Barber, Colorado; Zolie C. Steakley, Ed McCurtain and B. L. Darnell, Sweetwater; S. J. Morgan, Hermleigh.

Hermleigh's invitation was extended by Morgan, who declared it was extended because of the close friendship between Hermleigh and Snyder, and because of Snyder's goodwill during the past nine-month school session. Bud Miller, Billie Lee and B. G. Johnson were named by President A. C. Pruitt as members of a committee to arrange for transportation and attendance.

Frank Farmer gave a report of the District 2-T convention at Lubbock last week, and Willard Jones told of the trip to Hamlin Lions Club the previous week.

Postmaster Warren Dodson called attention to National Airmail Week. Leon W. T. Hanes, superintendent of Hermleigh Schools, invited candidates, especially, to attend the basket picnic at Hermleigh May 27, in connection with school closing exercises.

McCurtain urged Snyder Lions and other business men to cooperate in the Snyder District financial drive that is underway.

John E. Sentell, O. D. McGlaun, Warren Dodson and Willard Jones were made members of a committee to nominate officers for the fiscal year that begins in July.

# Breaks Two More Records

Snyder's and Rice Institute's Fred Wolcott, whose amazing feats in hurdles and dashes have just about clinched him a place on the 1940 American Olympics team that will go to Japan, Saturday broke two more records and took four first places in the Southwest Conference track meet. Read the full story of his 1938 winnings in another column of this issue.

# Experience Wins As Tigers of '38 Lick Youngsters

Experience—and the fact that four men were absent from their opponents' proposed line-up—won an 18-0 decision for the Tigers of 1937 on Tiger Field Friday night. Their opponents were the Tigers who will take the field this fall season.

Both line and backfield were shot to pieces for the greenhorns, some of whom had never played even in a practice game, when Nuel and Thane Mobane, Red Neal and Travis Hicks failed to get into the line-up.

The backfield, especially, was at a disadvantage. Dale Red, in the backfield, was hurt early in the game.

The first half was scoreless, as fans were treated to their first night football game here in the spring. Two passes and a fumble were converted into as many touchdowns for the 1937 boys in the final two quarters.

The first pass, for about 20 yards, Wallace Smith to Johnny Boren, made six points, and an "impossible" catch by Boren from Smith resulted in a 35-yard gain and touchdown late in the game. Between the two scoring passes, the younger boys fumbled a kickoff, the 1937 boys recovered and plowed the line for the score.

Coach Red Hill, who was in charge of the younger boys, and Glen Berry, coach of the older group, expressed the opinion after the game that several streaks of talent were uncovered in the mix-up, and they expect to weld a good team around a nucleus of four lettermen.

hurdles. In the highs he knocked down a hurdle, stumbled, dragged one knee, finished a smashing second.

Kansas Relays—First in 142, new record, heavy track.

Drake Relays—First in 142, new record.

Rice, A. & M.—First in low hurdles.

Rice, Texas, A. & M.—First in high hurdles, 14 feet; first in low hurdles, 23 1/2.

These meets have also been sprinkled with Wolcott firsts in dashes and short relays.

Practically every sports writer in the Southwest has told the world within the past month that Fred Wolcott, hurdles-dash star from Snyder and Rice Institute, is a cinch for the 1940 Olympics meet, which will be held in Tokyo, Japan.

This statement became a sports-page roar after the Snyder boy galloped to four first places and two all-time records in the annual Southwest Conference track meet Saturday.

It was Wolcott's high stepping in both hurdles and the 100-yard dash events that gave Rice a nose-out first place that dethroned Texas for the first time in six years.

The Wolcott records were in the hurdles events. In the high timbers he stepped 14.1, and in the low hurdles he made the route in 23 flat. While his dash performance was less startling, Fred made the 100 in safe time, and was anchor man for Rice's winning short-relay combination. He was also entered in the broad jump, but was too worn out after his dashes to make any points in that field event.

In 10 meets this season, the Snyder flash—who has been described with more "fast" adjectives than an antelope—has finished with at least one first.

Early in the season, at the Texas Relays, he made the high hurdles in 13.9, a new world record, but the mark was not recognized because of a tall wind.

Other topnotch performances of the 1938 season include: Border Olympics, Laredo—First in high hurdles, 12.4, on slow track.

Rice, LSU and Texas—Wolcott second in high hurdles, first in low

## THIS BANK'S MESSAGE TO THE GRADUATES—

The most impressionable age is that attained by the High School Graduate. Now comes the opportunity to mold useful lives.

To you whose good fortune it will be to enter a college or university, our admonition is that you begin your studies in higher learning with a seriousness of purpose—a resolve to glean every bit of additional knowledge it is your privilege to secure. To you who may be deprived of further education, work hard at it. Be alert, be anxious to serve, be ambitious . . . and success will attend your efforts, regardless of coveted college degrees.

To every graduate we especially recommend the cultivation of a desire early in life to save systematically. Your happiness in years to come will depend upon your ability to save.

We salute the graduates of Scurry County Schools.

## Snyder High School

Commencement program for Snyder High School will come Monday night, May 30, Principal King Sides reports. High school classes and examinations will continue through Friday, May 27, all possible time being necessary to complete the year's work because of delay occasioned by the recent fire.

Baccalaureate services will be held Sunday night, May 29, with D. Dial, minister of the Church of Christ, in the pulpit. This service will be held at the First Methodist Church. The baccalaureate service will be held at the First Baptist Church.

The senior play has been cancelled because of the inconvenience of staging it since the school auditorium burned. The seniors late last month went to Carlsbad Caverns on their senior day trip.

At the graduation exercises talks will be made by four students, Roy Allen Baze, a junior, Mary Helen Bolin, Jay Rogers and Leon Aulen, seniors.

Members of the graduating class are: Edwanda Allen, Ruth Barnett, Elizabeth Blakey, Mary Helen Bolin, Elaine Chandler, Jonnie Cogdell, Mollie Eicke, Aethia Good-nough, Louise Hardin, Margaret Irion, Dorothy Jones, Milton Joyce, Dorothy Mae Lankford, Louise Le-Mond, Ruth Line, Ruby Madding, Aileen Morrison, Elizabeth McCarty, Dorothy Pinkerton, Jettie Mae Werner, Dorothy Geisler, Doris Wilson, Ruth Tarter, Loraine Todd, Gummer school; Leon Aulen, Or-don Benesek, Troy Bentley, Cecil Boren, Richard Brice, Myron Fen-ton, Ardath Head, Weldon Kincaid, Bill King, Doyle Mebane, Raymond Moore, Gordon Rogers, Jay Rogers, Jack Scarborough, Gordon Sentell, J. M. Sterling, H. C. Shuler, Wal-lace Smith, Jesse Sorrells, Weldon Strayhorn, Buck Woolver, Curtis Jeffress, Glenn Nations.

Senior sponsors are Miss Effie McLeod and Glen W. Berry.

## Snyder Junior High

Seventh grade closing exercises will be held Friday evening, May 27, 8:00 o'clock, at the First Metho-dist Church, according to Hadley Reeve, principal.

The program will be provided en-tirely by the members of the class that will move on to high school next year. They will be under di-

rection of Mrs. H. A. Lattimore and Miss Margaret Williams. The full program and list of graduates will be published in next week's Times. All grammar school and junior high school work will be completed Wednesday of next week, and the students will not report Thursday. Their final event of the year will be the May 27 program at the First Methodist Church.

## Dunn High School

Baccalaureate services of Dunn High School will be held Sunday, May 22, at 8:00 p. m. Rev. A. L. Haley, pastor of the First Christian Church, Colorado, will preach the sermon. Ben W. Newhouse, music director in the school, will be in charge of music for the service.

Graduation exercises will be held Thursday evening, May 24, with Truett Barber, Colorado attorney, as the speaker. The program will be in the auditorium. Supt. Cleo W. Tarter will present the diplomas. Principal C. B. Connally will make the awards of honor.

Honor graduates have not been chosen but school officials said Otha McFarland and Laura Murphy are in the lead at present, with the former ahead by a narrow margin.

Program for baccalaureate ser-vices, beginning at 8:00 o'clock Sun-day evening, will be as follows: Pro-cessional, Nannie Marie Pear-son; "All Hail the Power of Jesus' Name," choir; invocation, Rev. Cone Merritt; "Awakening Chorus," choir; sermon, Rev. Haley; announcements, Superintendent Tarter; "Jesus, Savior, Pilot Me," choir; benediction.

Graduates this year are: Malcolm Hanson, class president; Leo Ellis, Roy Lee Merket, Otha McFarland, Lucille Ryan, Laura Murphy, Dor-thea Merket, Thelma Welch, Velma Welch, Clara Haynes.

## Hermleigh High School

Baccalaureate services for the graduating class of Hermleigh High School will be held Monday evening, May 23, in high school auditorium, at 7:45 o'clock. The program fol-lows: Processional doxology; in-vocation, Rev. Ira T. Huckabee; song; special arrangement; address, Rev. James E. Spivey; song, "Onward, Christian Soldiers"; benediction, Rev. G. W. Parks; recessional. Pian-ist, Mrs. Blanche Patterson; choir leader, S. L. Morgan.

The graduating exercises will be held Wednesday, May 25, at 8:00 p. m. The program will be of a new type, titled, "Hermleigh Builds," stressing citizenship. The entire program will be dedicated to the school's superintendent, W. T. Hanes, who has been in that position three years, and will go to the Tahoka superintendent next year.

The program follows: Processional; welcome, Frances Patterson; dedication of program, Billy Pigman; song the class; "Our School," re-viewed by Louise Coston, Ruby Rus-

sell, Bertha Crumly, Vera Early, Flossie Mae Wall, Jack Harless, Marcus Voss, Wiley C. McMillan, William Sunruid, Arno Stevenson, Lewis Seay, Alfrida Schulze; in-troduction of speaker, Alta Spzyk; ad-dress, Ross S. Covey, superintendent of schools, Sweetwater; son, the class; farewell, Charlotte Mobley; presentation of candidates for di-plomas to president of school board, A. C. Bishop Jr.; authorization of diplomas, L. B. Rea, school board president; presentation of diplomas, W. T. Hanes, superintendent; recessional.

## Pyron High School

Pyron High School, first of Scurry County's six high schools to hold school closing exercises, will con-clude its work this week, according to Superintendent M. H. Greenwood. The activities began with the senior class play, "The Blue Bag," present-ed Tuesday night in the school audi-torium.

Rev. Murray Puquay, pastor of the Fluvanna Baptist Church, preached the baccalaureate sermon Wednes-day evening of this week. The full program was as follows: Processional; hymn, "Holy, Holy, Holy," in-vocation, Rev. Ira T. Huckabee, pastor, Hermleigh Methodist Church; vocal duet, Mrs. N. E. Sim-mons and Robert Taylor; sermon, Rev. Puquay; benediction, J. Stevenson; recessional.

Five girls and six boys compose the graduation class—the only class out of six Scurry County schools in which the boys outnumber the girls. President of the class is Joe Glass, and Arlie Burklow is secretary. Other members are: Lucile Kinney, Geraldine Slaughter, Ethel Young, Mildred West, Delmon Pieper, Joe Winbourne, Jerald Smith, Pate Moseley and Quincy Richburg. Mrs. M. H. Greenwood is class sponsor.

"The Progress of Education in Texas" will be the central theme of the commencement program Friday evening given by the students. After the processional and a hymn, W. P. Tatum will give the invocation, the students will appear on the speaking program, Principal W. M. Edmonds will present the diplomas and awards to be made by the super-intendent.

Following is the student program: "First Provisions for Education," Joe Glass and Lucile Kinney; "De-velopment of Education," Delmon Pieper and Jerry Slaughter; "Our Changing System," Quincy Rich-burg and Arlie Burklow; "Finance and Institutions," Joe Winbourne and Mildred West; "An Adequate State Program," Jerald Smith and Ethel Young.

Because of her unique location, Pyron School draws students from Scurry, Nolan, Fisher and Mitchell counties.

Nephew Is Youngest Grad. Billy Tawater, nephew of Ollie and C. W. Stinson and Mmes. W. A. Rodgers and H. P. Brown of Snyder, will graduate late this month from the Rockwall High School, the youngest member of his class. Son of Mr. and Mrs. J. W. Tawater, Billy has held a high scholastic average all through school. He will enter the University of Texas in September. Mrs. Tawater is the former Myrtle Stinson, who lived in Snyder with her parents a number of years.

## Ira High School

School closing activities at Ira school, Scurry County, begin Sunday night, May 29, and continue through Friday, June 3.

Rev. Ira Harrison, pastor of the First Baptist Church, Snyder, will conduct the Sunday night baccalaureate service. Zollie C. Steakley, Sweetwater attorney, will deliver the commencement address June 3. The grammar school chorus will have charge of music both nights.

First major senior activity was the annual class night program May 10 in the school gymnasium. The class history, will, poem and prophecy were read, the senior song sung, and the grammar school chorus was presented in four songs honoring the high school graduates.

Three boys and nine girls compose the senior class, according to Superintendent Elmer Taylor. They are: Bernice Marie Birdwell, president; Oleta Miller, vice president; Jane Falls, secretary-treasurer; Marie Clark, reporter; Irene Sterling, Clair Elizabeth Webb, Mary Louise

Father of Snyder Woman Succumbed at Home Last Week A. B. Cayce, 59, father of two Snyder women, died at his home in Rotan last Tuesday of heart failure. Mr. Cayce was a prominent farmer of the Bethel and Ira com-munities, Scurry County, for eight years before moving to Rotan about six years ago.

## Emergency Hospital

Report of three babies since last word at the Emergency Hospital has been made. Mr. and Mrs. Earl A. Glass of Hermleigh are the parents of a baby girl born Wednesday morning, May 4, weighing almost seven pounds. The son of Mr. and Mrs. O. C. Taylor of Union weighed in at one ounce less than six pounds. Mrs. K. G. Ball of Fluvanna and her nine pound six ounce son, born Wednesday morning, were still in the hospital late yesterday.

Leslie Thompson, son of Mr. and Mrs. E. E. Thompson, is recovered nicely from a broken arm received in a bicycle accident more than a week ago.

Tonsils of Edwin Dow Spain were removed at the hospital Saturday. Mrs. Connie Heath of Dallas was a medical patient Sunday.

## "Thank You" Letter Received in Snyder

The following letter of thanks was received for publication in The Times this week. "With gratitude we sincerely thank the many friends and relatives for their many deeds of kindness shown our son and brother, Ira Low, during his convalescence in the hospital there due to an accident."

The letter was signed as follows, "with devoted appreciation," H. S. Low and family, Waxahachie; Mr. and Mrs. Claude Rowan, Frost; Mr. and Mrs. Claudale Holley, Italy.

## Odams Attend State Embalmers' Meeting

Mr. and Mrs. R. H. Odum returned late last week from San Antonio, where they attended annual sessions of the Texas Funeral Directors and Embalmers Association. They were accompanied to San Antonio by Mrs. A. P. Morris, who visited in the home of a daughter, Mrs. Earl Johnson.

Two out-of-state visitors featured Wednesday and Thursday programs: Frank G. Stallard of Shreveport, Louisiana, and Samuel J. Waters of New York City, president of the National Funeral Directors Associa-tion. George Kearns of San An-tonio is the new state president, and Houston is the 1939 convention city.

**11 YEARS CONTINUOUS USE**  
Not 1c for Repairs!

**"WE bought our Servel Electrolux—the first in this region—in the spring of 1927. It has been in continuous service ever since. It has averaged about \$1 per month to operate, the entire time. We have never spent one cent for service or repairs! It still makes ice, preserves food, just as well as the day we installed it. We believe Servel Electrolux is a paying investment!"**

This is the statement of Mr. James E. Brewer, prominent jeweler in Ballinger, Texas. It speaks for itself.

**ON THE FARM—**  
"I operate a small dairy—9 to 12 cows. My 74½ Kerosene Servel Electrolux furnishes all the refrigeration I need, plus plenty of ice for home use. It cost \$34.00 for kerosene over 10½ months; until I bought it, our ice bill was \$75 to \$100 per year, not to mention expense of going after it, time lost and wear and tear on the car. Servel Electrolux takes all the country off the farm and puts you right in the city!"—Mrs. G. W. Holmes, Meagard, Texas.

**PERSONALS**

Mrs. Frank Erwin of New York City is a guest this week of Mr. and Mrs. A. D. Erwin.

Mr. and Mrs. A. L. Stephens and small son, Don Franklin, of Midland were Sunday visitors with Mr. and Mrs. W. T. Cook and Mrs. Maude C. DeBald.

Creston Fish of Amarillo, representative of the H. B. Fain Chemical Company, was a week-end visitor with his parents, Mr. and Mrs. C. E. Fish, here.

Rev. and Mrs. W. F. Ferguson and children of Slaton were Sunday guests of the Wade Winston family here. Rev. Ferguson was former Baptist pastor here.

Mrs. Fred Jones and small son, Roger Wayne, left Monday returning to her home in Gladewater after a several-week visit with her parents, Mr. and Mrs. Abe Rogers here.

LeRoy Fesmire left Friday after a week's visit in Snyder returning to Harlingen, where he is connected with the Montgomery-Ward store as head of the sporting goods department.

Mrs. O. P. Thrane of Abilene was in Snyder early this week for the party given for Mrs. Frank Erwin of New York City, to visit friends and to attend business concerning her property here.

Mrs. Ross Howard and small son, Ross Jr., of Atlanta, Georgia, left Snyder this week after a month's visit with Mrs. Howard's parents, Mr. and Mrs. D. P. Strayhorn, other relatives and friends.

Grady Shytle, son of Dr. and Mrs. Grady Shytle, has been elected rush captain of Centaur, social club for men students at Texas Tech, Lubbock. Shytle is a junior arts and sciences student.

Rev. and Mrs. James E. Spivey left Monday morning for a trip to Waxahachie, Jacksboro, and other points in that section of the state. The local minister has been engaged to preach twice before they return here Thursday.

Mr. and Mrs. Worley Early and small son, with Mrs. Early's brother, Foch Walton, visited last week at San Antonio and several points on the Gulf of Mexico. Early helped pull in a sawfish and a number of fish of the edible varieties.

**Borden County Farm News**  
E. B. McLeroy, County Agent

The presence of grasshoppers in alarming numbers has resulted in opening of the poison bait mixing station at Gall for an immediate campaign against early season threat of crop damage from hoppers.

The mixing station will be open in the afternoon each Monday, Tuesday, Wednesday and Thursday. Through a federal cooperative project poison bait materials are available to Borden County farmers at less than one-half of the usual cost for bait.

Control of hoppers is effected by sowing a strip of land, 150 feet in width, around the fields. Approximately 10 pounds of poison bait per acre is used in the protective area.

Approximately 125 farms are under process of measurement by plane table crews in Borden County. O. D. Jackson is county supervisor of this work, which consists of chaining and mapping individual tracts of cropland covered in work sheets in connection with the 1938 farm program.

Maps are made to cover cropland which has not been previously mapped by the plane-table method. Individual crop allotments under provisions of the 1938 program are temporarily suspended for all such farms until correction of claimed actual acreages.

Two crews are working in Borden County at present, and correct acreages for individual tracts will be available within the next two weeks.

A series of educational meetings in connection with the 1938 agricultural conservation programs will be conducted within the next few days. Meetings, all at 8:00 p. m., are scheduled as follows:

- May 18, Fluvanna, school house.
- May 19, Berry Flat, school house.
- May 20, Vealmoor, school house.
- May 23, Gall, court house.
- May 24, Murphy, school house.

**COUNTY GRADE TEST PLANNED**

Annual county-wide graduation exercises for seventh graders will be held this year at Ira, Thursday night, June 2, according to County Superintendent Frank Farmer.

Reason for changing the traditional ceremonies honoring seventh graders is that no place in Snyder is sufficiently large to house the crowd of county people that usually attends the annual school-end services. The exercises have been held in the Snyder School auditorium since the custom originated several years ago—until the building was destroyed by fire early in the spring of this year.

County-wide seventh grade tests will be given at the local high school building Saturday. Students taking the examinations are urged to be on hand at the school promptly at 9:30 o'clock Saturday morning, Farmer said today.

Mrs. F. W. Wolcott, Mr. and Mrs. Arthur McFarland, Mrs. W. W. Smith and son, Wallace, were among local people attending the Southwest Conference Meet held in Dallas late last week. Mrs. Wolcott's son, Fred, of Rice Institute broke two time records and won two other first places in the track meet.

Preston Morgan of Monahan spent the latter part of last week with his mother, Mrs. J. P. Morgan, here.

"Pa, may I have a quarter to go to the circus?"  
 "What? A quarter to see the circus, and here only last week I let you go out at night to see the eclipse of the moon! Young man, do you want your life to be one perpetual round of gale?"

**HOME DEMONSTRATION CLUBS**  
Estella Rabel, County Home Demonstration Agent

**Scarf Protects Hair.**  
 A colorful scarf to wear on your head to protect your hair against West Texas wind and sand may be made from dress scraps, Estella Rabel, county home demonstration agent, told the Bethel Four-H Club girls at their meeting at the school house last Monday.

This scarf may also be worn under the collar of a sports dress to add color to the costume. Placing snaps five inches apart and snapping them occasionally gives a different style to the scarf, the agent said.

Arnell Woolever will sponsor the Bethel Club. Ten enthusiastic members attended the meeting.

**Sewing Box Necessary.**  
 Every girl needs a well-equipped sewing box to be able to do the best construction work, Estella Rabel, home demonstration agent, told 39 girls of the Dunn Four-H Club at their meeting last Tuesday.

A good strong box, scissors, thumb, tape measure, needles, an emery bag, thread, measuring gauge, pins, pin cushion, ruler, pencil and a memorandum pad are essentials of a well-equipped sewing box.

New names added to club list are: Yvonne Harrison, Evalene Campbell, Ophelia Wilcher, Thelma Welch, Ona Beth Bigson, Margie Grubbs, Bonnie Ruth Wood, Evelyn Berry and Jhynell Ryan.

**Forty Members Present.**  
 Forty club members were present at an enjoyable meeting of the Herneigh Four-H Club Friday afternoon. The Herneigh Club promises to be one of the largest in the county, according to Estella Rabel, home demonstration agent.

"A well groomed girl is admired by everyone," Miss Rabel told the group of girls. "To be well groomed, she added, a girl should bathe daily, brush her teeth at least twice a day, brush and shampoo her hair regularly, clean fingernails, wear clean clothing, shine her shoes, wear pleasant thoughts and be cheerful and considerate of others."

**Wardrobe Demonstrator.**  
 Bobbye Joyce Wilson was named wardrobe demonstrator at the meeting of the Crowder girls 4-H Club at the home of Mrs. Jack Ramsey last Wednesday. Eight members were present.

The girls are to equip their sewing boxes and check their sheets on "Good Looks for Girls" before the next meeting.

The Times has a complete line of office supplies.

**Local Women Attend Reichardt Services**

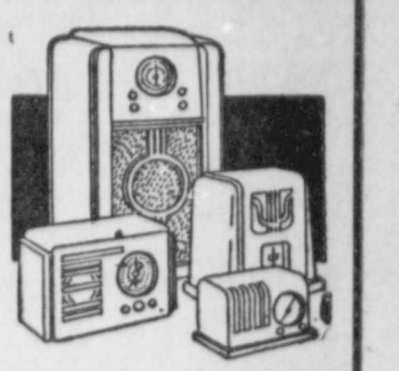

Mrs. Charlie Reichardt, former Snyder resident, died suddenly Sunday afternoon at the family residence, 1200 East Avenue B, Sweetwater, following a heart attack. The Reichardts moved to Sweetwater from Snyder eight years ago.

Funeral services were held at the Yates Funeral Chapel in Sweetwater Tuesday afternoon, 2:00 o'clock, with Rev. George T. Palmer, pastor of the First Methodist Church, officiating. Burial was in the Sweetwater city cemetery.

Surviving are her husband, former Snyder ginman; two daughters,

Allice Reichardt and Mrs. Mabel Freeman, and a grandson; her mother, Mrs. Anton Nelson of Columbus, three brothers and three sisters.

Local women attending the services were: Meses. C. T. Glen, H. J. Brice, A. C. Martin, J. S. Bradbury, J. W. Greene, Melvin Neal, A. M. Curry, John Booth and Leota Glen.

**W. T. Rankin, Once County Citizen, Is Buried at Dermott**

Final rites were held at the Dermott church Sunday afternoon, 2:00 o'clock, for William Thomas Rankin, former resident of that community and of Snyder. Burial was in Dermott cemetery, with O. D. Dial of Snyder officiating and Odum Funeral Home in charge.

The former Scurry County man died Friday at the home of a daughter, Mrs. Bessie Nix, at Berger. Other survivors are: One other daughter, Mrs. Eliza Myers, Glenwood, Arkansas; four sons, C. A. Rankin of Electra, G. C. of Burkburnett, Herman of Archer City, J. M. of Seminole; one brother, George Rankin of Chico; 10 grandchildren and six great-grandchildren.

Pallbearers were Dick Brown, J. E. Sanders, Elvey Greenfield, Bunion McDow, Claud Wilson and A. N. Edmondson. In charge of flowers were La Verne Edmondson, Margie Sullenger, Juanita Fae Rankin and Jimmie Marie Nix.

**"Hospital" Presided Over by Mrs. Darby**

Mrs. Herman Darby has been presiding over a near-hospital on East 25th Street within the past few days—since her husband, deputy tax assessor-collector, returned from Snyder General Hospital late last week after an operation.

Several days earlier her brother, Superintendent of Schools C. Wedgeworth, returned from the hospital, where he had been confined for several weeks on the heels of an automobile accident.

Darby is recuperating rapidly, and has been out-of-doors a few hours. Wedgeworth's shattered knee cap, his worst injury, continues to be painful, but it is healing slowly.

## 1938 Model Graduates.

Perhaps the 100-odd graduates from Scurry County's six high schools are little different from the graduates of other years. But in one respect they have been led in an invigorating direction: They have erased part of the dreary formality of graduation exercises.

Some of the schools are using students as the only speakers. One school is using a radio commencement program. And even the schools that are clinging to the old-fashioned type of program have shown ripe judgment in selection of speakers who will not drive the graduates to distraction with their dryness.

Baccalaureate services are and should be formal, for they are held in a church-like atmosphere. But to bombard high school graduates with droll facts from the mouth of a droll speaker, at their commencement program, is entirely apart from the modern trend of schooling.

Mr. or Miss 1938 graduate is facing a vivacious, forward-looking world. It is a world of recreation and war, yes, but it is also a world of opportunity and happiness. What a shame to usher them into such a world with an address that should have been placed in moth balls along with hoop skirts, stiff collars and petticoats!

## Editorial of the Week

### COTTON IS MONEY

Cotton is money in a tremendous area of the United States—in the Deep South, in the Southwest, and elsewhere. Eighteen of the states depend upon cotton for a large part of their income—the money that goes to buy automobiles, food, clothing, machinery, gadgets, books, newspapers, and a thousand and one other products made by the nation's factories.

When King Cotton faces a critical surplus problem it isn't a local issue. It is a national issue. It affects everyone with a job, an investment, a stake in America and American wealth and industry. Reduce the purchasing power of but one state and the adverse results of that are felt in the other 47. Reduce the purchasing power of eighteen states and you make a major contribution to national depression.

Cotton faces such a problem today. Unless something extraordinary is done in its behalf, when the 1938 crop is baled a surplus equivalent to two years' normal production will be weighing down the market. Such a surplus means narrowing markets, drastic price drops, and ruinous losses to the people of the vast cotton empire.

Thus, "when a great distribution industry comes to the aid of cotton it is news—and good news, for the people of all parts of the United States. The industry in question is the chain store industry, which has started a campaign to stimulate the sale of cotton goods and allied cotton products. The campaign is to reach its peak with a National Cotton Promotional Week, beginning May 30. Advertising, handbills, eye-attracting window and inner-store displays—these are but a few of the devices that are being employed to move cotton in greater quantities than it was ever moved before.

So when you see these ads and displays you'll know what's back of them—a desire to save the grower of a crop which is the means of livelihood for millions of people directly, and tens of millions indirectly, from economic disaster.—Industrial News Review.

### "From Prairie Wastes"

From a story of a cross-country automobile tour: "You will see that the automobile already has made curiously out-of-date the small and picturesque 'town squares' more commonly found in states east of the Mississippi. Both east and west you will see scores of hamlets busily flowering into centers of commercial and social importance—brought forth from barren prairie wastes and existing only because the automobile forced the opening up of new highways with which come new opportunities and, finally, new names on the map."

### To Keep You Posted

In case you're interested, this is the month of weeks and the month of days—and that's not a batch of typographical errors. During May you can observe Mother's Day, Straw Hat Day, National Hospital Day, May Day; or you can, with equal pleasure and possible profit, observe National Egg Week, National Baby Week, Foot Health Week, National Airmail Week, Foreign Trade Week, Poppy Week, National Cotton Week. We suggest that those who want to really enter into the spirit of the thing should close shop and contract a good case of observationalists.

### The Smart Driver

"It's smart to drive safely" is the fact impressed on drivers by the Connecticut Highway Safety Commission, whose activities have given that state a steady decline in traffic fatalities for several years. In this connection, President Hoffman of the Studebaker Corporation said recently: "The problem can only be solved successfully by creating the right mental attitude toward safe driving. There must be a social taboo on drinking and driving. There must be a social taboo on young girls going out driving with young men who have had even one drink."

## Current Comment

By LEON GUINN.

Germany's rape of Jewry will be complete by June 30, when the blood stained hands of Hitler's economists will have in their clutches a total of \$2,800,000,000 (two billion) in Jewish investments. As a last lash to German Jews, Hitler's Viennese Volkswischer Beobachter last week told the long persecuted Jews the time was at hand "to abandon all hope." From now on a Jew in Germany will indeed be plucky, if his life is spared.

Decreeing that the land must be rid of Semitic influence by 1942, Goring and Interior Minister Frick last week stated that all Jews with assets of over 5,000 marks must register their property before June 30, with emigrating refugees having to purchase so-called "emigrant marks" before leaving a Fatherland gutted by civil strife and racial warfare. Furthermore, the big bug of Germany's current Four Year Plan is now empowered "to take necessary measures to guarantee the use of reported property in line with the needs of German economy."

For 1900 years the Jew has wandered over the face of the earth, but no racial purge can compare to that of the present regime in Germany; so drastically inhuman that a total of 475 prominent German Jews have not only "abandoned all hope," but have taken their own lives in preference to treading the torture road ahead. The dispersed sons of Israel that flee Germany will find troubled horizons awaiting them in whatever direction they turn, but for 1,500 years the Jew has been an important economic being in other nations.

In 70 A. D. the Palestine Jews rebelled against Rome, but after scattering abroad found many nooks of security. In Babylon, for instance, Jewish rabbis became among the more learned scholars of the then known world, but after Babylon's debacle we hear very little about the wandering Jew until after 1,000 A. D., when Jewish culture in Spain reached its golden age under kindly Mohammedan rule.

Although the Crusaders slaughtered thousands of Jews as they marched across the Rhineland in 1096 A. D., the next tragic chapter in Jewish history was recorded in 1348, when the Black Death swept across Europe and thousands of Jews were massacred for it. Yet until political emancipation was granted the Jews in Europe along in the 19th Century, the Jew was indeed a man without even an adopted home. Centuries ago one sect of Jews fled to China, where they are now factually more Chinese than Jew. In China they were respected and treated as brothers under the skin, but have almost forgotten the law, religion and heritage of Israel.

As the non-assimilated Jew flees Europe today, the burning question uppermost in the minds of Jewish leaders is whether, or whether not, to become assimilated subjects of other lands and creeds, whether to swap their racial heritages for the potage of other races, and if so whether to turn midst the impending clouds of persecution. The majority favor Brazil at the moment. There, under a tropical sky, Jews find friendly harbor lights awaiting them at the journey's end.

The most celebrated exodus of the Jews, of course, was from Egyptian bondage after Egypt had been afflicted with 10 plagues and an obdurate Pharaoh yielded to the plea of Moses "to let his people go." The promise had been given Abraham that his seed should possess Canaan, but famine drove his great-grandchildren to Egypt. About 2,000 B. C. the pastoral Hebrews, led by Abraham, left Chaldea and finally settled near Dan and Beersheba, but the exodus 1200 B. C. (from Egypt to Canaan) found many Jews settled at Goshen, which was east of the Nile Delta.

Thus, down the corridor of centuries, has the Jew, whose race at one time was the Lord's chosen one, roamed the world in search of peace and a home. He has always been accepted in America as one of our shrewdest and most frugal shopkeepers, and today is as much American as you and I; his tax tributes to government have been unflinching and graciously paid. (Note: Trust the foregoing will answer some readers' inquiries, who requested "a review of the wandering Jew, without bias or partiality." This column, fortunately, doesn't specialize in biased or partial viewpoints.

We want to extend congratulations to friend Charley Green of The Nolan County News for having recently been offered an editorial position on Kansas City's American Hereford Journal. We'll miss you a lot, Charley, out here on the sandhills, but at long last one of our leading livestock magazines will have on its staff a man who knows West Texas cattlemen and cattle. . . and may you never get the loveliness of things grown old in West Texas entirely out of your ink-soaked system.

### A Pair of Duties

It is the duty of citizens to support their government and not the duty of the government to support its citizens.—The New York Times.

Dunn Four-H boys, with their successful pig show last Friday, have set a pattern that may well be followed next school year by all the Four-H Clubs and vocational agriculture departments of the county. Hobbs High School was the first in this area to stage a successful show. And may the time be very near when, every high school and every major community will have an organization that fosters better livestock and better livestock raisers.

## Dock Bynum's Place Has Been Remodeled

Dock Bynum is now buying eggs, cream and other produce at a remodeled and repainted building—his long-time location, a block north of the square on Avenue R.

A real office has been set apart by a partition. It has been ceiled, equipped with windows on the east, north and south, and everything exposed to the public eye has been repainted. Egg candling and cream testing departments have been well screened and made even more modern than in the past, says Dock.

First public health course ever to be offered in a Texas college or university will be available at Texas Tech this summer, June 9 to August 25, according to Dr. George W. Cox, state health officer. Cooperating with Tech in giving the course is the State Department of Health and the League of Texas Municipalities.

No matter how modest the cost, every service receives the same careful attention.

## Beauty and Comfort

Everyone wants Venetian Blinds, and the Popular Brand Blind, packed in individual cartons, with complete hardware and instructions, enables you to select the widths desired, then take home and put up the blinds yourself.

Popular Brand stock blinds are made of 2 3/8-inch slats, kiln dried and thoroughly seasoned. The blinds are finished in an attractive ivory color, with natural duck tape so as to harmonize with interior trim or drapes. The length of the head rail is the width of the blind, while the slats are cut one inch shorter so that they will move up and down freely when the blind is hung between the stops or jambs.

Each blind contains 30 slats and finishes approximately 65 inches in length. A smooth fascia board, lacquered in ivory, is furnished with each blind to conceal the hardware and working parts.
