"YOUR HOME COUNTY PAPER"

VOLUME 51
NUMBER 51

SNYDER, TEXAS, MARCH
THURSDAY AFTERNOON 9 NINETEEN HUNDRED
THIRTY-NINE

ISSUE 40
NUMBER 40

SNYDER AGAIN ELIGIBLE TO BE NEW P. O. SITE

Although This City reported at Top
Of Eligible List, New Building
May Be Delayed

Snyder is again on the post office "eligible" list. But the eligibility fact does not assure Snyder a new post office this year or even in 1940 or 1941.

However, if any city in Congressman George Mahon's 19th District receives a post office this year or next, it will be Snyder—unless the present plan of awarding post offices is drastically changed.

As understood by Chamber of Commerce officials who have investigated the possibilities of a new government building here, the next building for this district will probably be awarded in 1940 or 1941.

Under the present plan, as understood here, Brownfield and Littlefield, who were just ahead of Snyder in postal receipts, received the only office that will be given this district in the three-year period beginning with 1938.

This situation could be changed, however, if Congress turns out to be not so economy-minded this year as most students of national politics seem to think it will be.

According to a release from Washington several days ago, Snyder, Haskell and Post were placed on the eligible list for \$75,000 buildings; Slaton and Spur for \$70,000 buildings.

Cane and Sudan Grass Declared Depleting Crops

Cane and sudan grass, when harvested for seed or grain, are soil depleting.

This is the warning being issued to all farmers this week from the county agent's office, under the signature of Frank A. Wilson, chairman of the county committee. "This is the government's ruling, not ours," points out Wilson, "and we urge all farmers to heed it."

The warning continues: "Cane and sudan grass cut for hay or bundle feed from neutral acres, and later threshed for seed when sold and later threshed for seed or grain by the buyer, is sold at the producer's risk."

"Bundle feed from neutral acres, or grain, will cause the acreage to be classified as soil depleting and will cause deductions from conservation payments."

THE TIMES TABLE

MRS. B. B. STREET, O'Donnell route, whose son, Weldon, showed one of the winning calves in Borden County's recent livestock affair, told The Times when she was in the office several days ago: "I hope Borden County has issued public thanks to Scurry County people for their cooperation in our show. We of Borden really appreciate the fine turnout." Mrs. Street, a former resident of Scurry County, noticed the large number of Snyder hatbands, saying that other counties were invited but that none came like Scurry County. "The Snyder Band, in their spectacular uniforms, was a real treat," she added.

—The Times Table—
MRS. CARRIE LINE is one of those so-called "public servants" who really serves. She not only does a whole of a job as handler of county relief, but she handles Red Cross affairs in a business-like, helpful manner. Had you ever stopped to think that Scurry County has some of the most conscientious government-paid officials of all kinds that you will find anywhere? No wonder there is so little complaint about local administration, even in the face of mounting criticism of government's wholesale expenditures.

—The Times Table—
"THE SKIPPER OF THE Salt River Packet" has broken into poetic rhapsodies again! Contributor to The Times several years ago, but silent for some time, the versifier comes back with two philosophical stanzas:

Along the way, just you and I,
By the babbling brook and azure sky,
Each day the swallows homeward fly,
Then the day is done and darkness nigh.

Ah, me! Ah, me! Down to sleep we lay,
And thus we go from day to day;
A little of work, a little of play,
Until we've worn a life away.

Dunn Well To Be Dug Again

LEGION PLANS TO CELEBRATE 20th BIRTHDAY

Social at Hut Next Wednesday Is
No. 1 Project This Month
For County Post

A social celebrating the 20th anniversary of the National American Legion chapter's organization will be held at the Legion Hut next Wednesday night, March 15. Sam O. Nations, commander, announced Tuesday.

A radio will be installed in the Legion Hut, and arrangements made to entertain all buddies present. Members are requested to bring plenty of sandwiches for the birthday observance.

A womanless fashion show will be on tap at the Legion Hut Thursday night, March 27, at which men will model the latest feminine styles. Admission charges will be 15 cents per ticket.

The Thursday night program, Auxiliary members state, will be rounded out with a baby show second to none in this territory. An out-of-town speaker will give the evening's principal address. Buddies are invited to bring other members with them.

Three two-star certificates, certifying that J. E. Shipp, W. M. Nichols, and Boss Baze had been members of the local post 10 years, were received this week by Hal A. Lattimore, adjutant, from Vincent Chiochio of Houston, state department commander.

A four-star certificate, certifying that W. P. Arnett has been a member of the local post 20 years, was also received this week. Others have been received by a number of Will Layne Post members.

P. D. LAMBETH NOW MANAGER

P. D. Lambeth, who has been associated with the local Bryant-Link Company store for several years, and with the group of West Texas stores for a total of 12 years, left Tuesday for Jayton, where he has become manager of the Bryant-Link store in that Kent County community.

Lambeth's promotion came when George Stevens, former manager of the Jayton store, accepted a place with a wholesale concern in Dallas.

The new Jayton manager has been associated with the store here for five years, and was formerly with the Stamford store. His wife and children will remain here until the school term ends.

Taking Lambeth's place in the Snyder store as manager of the tractor and implement department is H. T. Wilcox, who arrived Monday, announces Store Manager E. E. Weathersbee. An experienced implement and hardware man, Wilcox was formerly with the Oliver Implement Company.

Dunn Wins Her Own Independents' Meet

Dunn's independent quintet, paced by Ansley, formerly an outstanding high school athlete, won its own tournament Saturday night by whipping Fluvanna in the finals, 56-45. Ansley rolled up 24 points for the winners, with Farquhar of Fluvanna tallying 22 points to be second high scorer.

Westbrook took the consolation title by walloping Hermelsh, 58-10. Dunn won from Triangle, 39-29, in the semi-final, and Snyder, first round winner, forfeited to Fluvanna. Ira and the Snyder National Guard team were the others in the tourney.

Willow Valley Man New Commissioner

Taking his place on the Borden County Commissioners Court last month was V. L. Skeen, well known Willow Valley farmer, named in a special election.

The new official in Precinct 3, which includes Murphy and other areas southwest of Snyder that join Scurry County, succeeds W. C. Russell, who has moved, with his family, to California.

100 DAYS IN JAIL.
A sentence of 100 days in jail was the sentence meted out in county court Monday to a local man and woman, who were tried on an alleged statutory charge, after having been picked up at a tourist camp in the business district outskirts. A second case that attracted a number of spectators was dismissed for lack of evidence.

C. AND G. GOES DEEPER AFTER GOOD PAY HIT

Martin Well, Drilled in 1938, Heads
And Flows; Robinson Bros.
Return to Snyder

The new Ira oil field again captured the attention of major company officials this week, as Coffield & Guthrie resumed drilling operations on their No. 1 A-First National Bank rotary to test formations at 3,000-3,150 feet, before acidizing or shooting upper saturated sections.

Excitement reached a new high last Wednesday night, when 1,600 feet of oil stood in the hole after saturated sections from 2,010 to 2,452 feet were tested.

Drilling at 2,741 Feet.
Wednesday night reports indicated the well was drilling ahead at 2,741 feet. It will be drilled to 3,150 feet in an effort to find pay encountered in the Henderson well one and a half miles north at that depth.

Yarborough & Wheeler No. 1 W. H. Sterling was shut down Wednesday night at 2,509 feet, the contract depth, preparatory to shooting. If successful, a nitro shot will bring about a one-mile northwest extension to the field. This well may be deepened to the 3,150-foot horizon.

Teas Well Passes 2,280.
Paul Teas No. 1 W. P. Thompson, located in the northwest quarter of Section 129, was drilling at 2,280 feet. Casing was cemented last week at 2,165 feet. First saturation was encountered at 2,245-2,250 feet.

The 1938-drilled Robinson Brothers No. 1 A. C. Martin, located in the southwest quarter of Section 147, headed and flowed 70 barrels of oil Wednesday into the flow tank. The well recently headed 50 barrels in an unofficial test. The Robinsons and their father have returned to Snyder from their homes in Oklahoma.

Leases with a drilling obligation were recorded this week at the courthouse for the probable spudding this spring of a 4,500 test on the J. Wright Moor Ranch, 10 miles northwest of Snyder.

GLAD HAND TO FEB. ARRIVALS

Snyder's glad hand was extended during February to several newcomers, although the second month of the year is usually a very dull one for changes of residence.

Mrs. Roy Stokes, official greeter of the Welcome to Snyder Association, reports the coming of Kathryn Stanley and Ona Lee Herd, nurses, to the Snyder General Hospital staff.

Men who have come with their families are as follows: R. H. Moses, 609 25th Street, oil station operator; R. D. Tudor, 901 26th Street, Singer sewing machine dealer; P. B. Coughran, 2401 Avenue N., school building contractor; A. A. Bullock, 1112 26th Street, Western Auto Associate Store; J. T. Pearce, 1502 26th Street, American National Insurance; George A. Cramer, 1212 26th Street, school building foreman.

Billie Arlene Biggs, who was assisted in her adagio number by John Hilburn Biggs, Laverne Reed and Hilton Lambert, placed second in the 26-number performance, taking a prize of \$25 cash. Frances Stavelly and Forrest Crowder were awarded a fifth prize of \$10 on their military tap dance.

A quintet of local dancers opened the program with a ballet number and later appeared in a novelty tap dance. The girls—Billie Jean Wilford, El Wanda Spears, Forrest Crowder, Patsy Snodgrass and Frances Stavelly—gave a good performance, but failed to place.

Many Locals Attend San Angelo's Show

Quite a crowd of Snyder people was in San Angelo last week-end to attend the Eighth Annual San Angelo Fat Stock Show. Although the rodeo part of the show attracted most local people, the fine show stock, amateur program and other attractions were not overlooked.

Among the attendants were the following: County Agent X. B. Cox Jr., whose parents live in San Angelo; Dorothy Strayhorn, Mr. and Mrs. J. D. Scott and son, Joe Dave, Mr. and Mrs. Novis Rodgers and Phil Beucher of Post, who were guests of the W. M. Scotts and Walter Corke; Mr. and Mrs. Sidney Johnson, Mr. and Mrs. W. H. Cauble, Mr. and Mrs. W. C. Wennin, Mrs. Vera Miles, Mrs. Charles P. McCormick, Mr. and Mrs. Emmitt Butts, Louise and Jack Wilford.

Besides Mr. and Mrs. Hilton Lambert, the amateur performers and their families, probably many other Snyder people were there during the three-day show, but The Times has failed to secure other names.

County's School Census Must Be Ended in March

The county scholastic census, which must be completed April 1, officially got underway this week in every rural community of Scurry County. In instances where a school trustee is not taking the census, a community resident has been appointed.

The parents of all children who fall in the bracket of scholastic ages are requested to cooperate with the census takers, since the loss of each scholastic means a loss of \$22 to the county.

The county superintendent's office reports 3,102 pupils were enumerated in the county for the 1938-1939 census year. Current census taking will cover the 1939-1940 scholastic year.

A report this week from J. S. Bradbury, city secretary, indicates the taking of the city school census for Snyder is progressing nicely.

The per capita apportionment of \$22 this year makes it imperative that both city and county school census figures include all children of school age in the county who get the funds due it for all eligible scholastics.

Pigs, Shoats Take Spotlight at First Monday Trade Day

Weaning pigs and feeder shoats, selling from \$5 to \$7 per head, captured the spotlight again at Snyder's First Monday that attracted 600 traders and buyers from Scurry, Borden, Kent, Fisher and Mitchell Counties.

An active demand was noted for young breeding sows, at prices ranging from \$12 for both red and white Durocs. Work horses and mules, although a little thin, commanded an average price of \$45 to \$50 per head.

Mingled with the usual First Monday talk concerning the weather, moisture and sandstorms was preaching on the sidewalk and street corner medicine selling.

A conspicuous absence was evident in fresh milk cows, with prices of \$45 to \$50 quoted on two and three year olds. In fact, cattle buyers stated "good milk cows were difficult to find at this time in March."

Sideline trading in implements, harness and sundry other items was quieter than usual, with a few single row cultivators and planters offered at exceptionally moderate prices.

El Paso Minister to Visit Snyder Church

A special service at the Church of Christ Friday evening, 7:45 o'clock, will feature John F. Wolfe, El Paso, who has for several years been doing work among the Mexican people. Church leaders insist that all who can—including the Mexican people of Snyder—should hear this man "who has been doing such a noble work."

The local church is also looking forward to its spring meeting, which begins Sunday, March 26, with Choice L. Bryant, Grandfield, Oklahoma, minister in the pulpit.

Clairemont-Snyder Road Is Discussed

The Chamber of Commerce secretary went to Clairemont Tuesday for a conference with J. B. Ernest, county judge, in regard to improving the Clairemont-Snyder mail route. The Kent County commissioners court will meet Monday to decide on improvement of the Kent County end of the road.

NEW IRVIN CHAIRS.

Six new red-backed swivel chairs were added this week at the soda fountain of Irwin's Drug Store located on the square's southwest corner. John Irwin, owner, started modernizing the drug store last week by adding new flooring and square display counters.

Singers From Wide Area to Invade Hobbs for Saturday-Sunday Event

The attention of singers from Abilene to Lubbock and Haskell to Big Spring is being focused this week on Hobbs in western Fisher County, which will be host Saturday night and Sunday to around 1,200 West Texas singers at the spring session of the Four County Singing Convention.

One of the chief drawing cards will be an old-fashioned basket lunch at noon for visiting singers. People in Scurry, Fisher, Nolan and Mitchell Counties are invited to bring basket lunches, in order that all visitors can be taken care of.

The Saturday night session will be devoted to convention business, and class song directing. The Sunday session, which begins Sunday morning at 10:00 o'clock, will feature both class and quartet singing.

Allocation For No. 15 Announced By State

County's School Census Must Be Ended in March

The county scholastic census, which must be completed April 1, officially got underway this week in every rural community of Scurry County. In instances where a school trustee is not taking the census, a community resident has been appointed.

The parents of all children who fall in the bracket of scholastic ages are requested to cooperate with the census takers, since the loss of each scholastic means a loss of \$22 to the county.

The county superintendent's office reports 3,102 pupils were enumerated in the county for the 1938-1939 census year. Current census taking will cover the 1939-1940 scholastic year.

A report this week from J. S. Bradbury, city secretary, indicates the taking of the city school census for Snyder is progressing nicely.

HEAVY SLATE FOR CITY DADS MONDAY NIGHT

Members of the City Council had one of the heaviest business dockets on hand at their Monday night meeting that has been offered in recent months.

Building permits for February held up remarkably well, with permits for the month amounting to \$3,825. Building permits for the year to date total \$9,650.

February water collections touched the \$1,244.98 level, while tax collections for the month were \$542.85. Fines collected for the 28-day period amounted to \$25.40.

Depository Selected.
Snyder National Bank was designated at the Monday night meeting as official depository for City of Snyder funds.

Dunlap & Coughran were given permission to block off and reserve for their use during school building construction one-third of 26th Street for a distance of one block to the north side of the school ground, with the provision they erect necessary barriers and install warning signs.

A. P. Biggs was elected city tax assessor for 1939, with the city marshal's salary being set at \$110 per month for the year.

Special Water Rate.
City laundries will henceforth be allowed a rate of 12½ cents per thousand gallons of water, after a minimum of 3,000 gallons of water at \$1 has been reached.

Mayor H. G. Towle, with the consent of the council, issued a call for a city election April 4 to elect aldermen from the North (No. 1), West (No. 2), and East (No. 3) wards.

The presiding election officers designated Monday night for the April 4 election, together with voting places, are as follows:

David Strayhorn, No. 1, sheriff's office; M. W. Clark, No. 2, justice of the peace office; and S. J. Casstevens, No. 3, commissioners court room.

Rainfall Last Month Falls to Low Total After Wet January

February rainfall figures took a tumble from those compiled for January with 20 of an inch moisture recorded in two installments for the month just closed.

A pelting rain February 1 gave Snyder an official reading of 17 inch moisture. This rain, general over most of the county, gave promise at that time of a wet February.

Mrs. B. G. Johnson, official weather gauger, reports a quarter-inch snow February 2 amounted to .03 of an inch moisture, which concluded county rainfall figures for the month.

The February recording of one-fifth inch rainfall was the lightest since February, 1936, when .12 of an inch precipitation was rung up on the rainfall chart.

Wayne Williams to Old Strayhorn Home.
Former Roy Strayhorn house on Avenue S just south of town has been purchased by Mr. and Mrs. Wayne Williams, who have already moved in, along with carpenters, painters and other repair men. Repair work on the house will probably take a month, the new owners say.

New plaster inside and out and improvements on the yard will begin at once. The old swimming pool, cracked hopelessly several years ago, will be removed, and another will be placed north of the house, back several yards from the street.

The E. E. Weathersbee family has moved into the house formerly occupied by the Williams family on Avenue T, after the house they were renting sold to Mr. and Mrs. Ivan Hill. Instead of having spring cleanings, it seems that local people are moving out! This is only one of the several three and four-way moves planned this month.

WOLCOTT IS WINNER.
Fred Wolcott, making his first outdoor appearance of the season, copped high point honors at the Border Olympics, Laredo, last week-end with 10 points. He shattered his last year's time in the high hurdles by running 14.3, and also won first place in the 100-yard dash with a time of 9.9. The former Tiger star, now of Rice Institute, will take part in several meets before school ends early in June.

Many Attending First Services of Baptist Meeting

Splendid crowds are attending the Baptist Young People's Revival being conducted this week at the First Baptist Church by Rev. T. F. Maynard of Hearne. The revival, which began last Sunday, closes Sunday night.

Rev. Ira Harrison, pastor, reported 10 additions to the church up until this morning (Thursday), with two being added Wednesday night. Baptismal services will be held Sunday night after the closing sermon.

Miss Ruby Lavender of Ft. Worth, who has been furnishing music for the services, will give a 30 minute concert tomorrow night (Friday), after preaching, followed by a hike and sunshine breakfast Saturday morning for the young people.

Services will be held Saturday afternoon, 2:30 o'clock. The public is cordially invited to attend the remainder of the revival. The Sunday School goal Sunday morning is set at 375.

WINSTONS WIN ON LONG TOUR

Even head of cattle from the Winston Brothers herd in Southwest Snyder has just reached Ft. Worth after a western tour that carried them and caretaker Johnny Smith to shows at Ogden in Utah, San Francisco in California, Denver in Colorado and Tucson in Arizona.

High places ranging from second downward, were taken by the Winston herd in all the shows.

The 11 head in the show herd, plus four more taken to Ft. Worth this week by Wade Winston, will compete at the Ft. Worth Exposition and Fat Stock Show, which opens Saturday.

Lions Pledged to Assist in Every Way on Highway

Full cooperation in every way with the Commissioners Court and the Scurry County Chamber of Commerce in completing Scurry County's highway system was pledged by the Lions Club in regular session Tuesday.

A unanimously passed resolution came after various angles of the highway problem were presented by County Judge Sterling Williams and by Forest Sears, chairman of the C. C. highway committee.

Rev. T. F. Maynard of Hearne, who is conducting the revival at the First Baptist Church this week, spoke on "Christianity's Contribution to the World." With Mrs. Ira Harrison accompanying, Miss Ruby Lavender of Texarkana, Arkansas, who is leading the revival singing, sang two well-applauded solos.

Other guests were Rev. Harrison, A. S. Legg of Sweetwater, Second Vice President Willard Jones presided.

Three new members were unanimously voted into the Club: Lee T. Stinson, Pat Bullock and Dr. C. E. Helms. Stinson and Bullock attended the meeting.

Winnie Garner Has Moved Sewing Shop

Winnie Garner, who has operated her sewing shop in the basement of the Pick & Pay Store building, east side of the square, for two and one-half years, moved several days ago to the rear of the Martello Beauty Shop, old post office building.

The new location, which may be entered through Mrs. Bess Fish's Beauty Shop or from the rear, is being thoroughly remodeled, and Miss Garner is adding the latest equipment to meet the sewing needs of this area.

Another Per Capita Payment to County

Another \$1 per capita payment for Scurry County's 3,102 scholastics was received Tuesday of this week by the county superintendent's office.

This payment of \$3,102 brings the total received on the current school year's appointment to \$9 per capita for county schools. A per capita payment of \$13 remains to be sent yet, but local school men are confident another payment will be made in the next few weeks.

PLAN VISIT BY COMMISSIONER DURING MONTH

Allocation of \$200,000 for building of Highway 15 through Scurry County was reported late last week by the State Highway Department, through S. J. Treadaway of Abilene, district engineer.

The Scurry County project is one of four major items on the 1940 highway program that has just been approved formally by the State Highway Department.

Half of the total of \$437,000 approved for the district will be paid by the federal government.

Scurry County citizens, who have been striving for a Highway 15 allocation for years, were overjoyed at the announcement.

HINES COMING

Harry Hines, member of the Texas Highway Commission, will be guest speaker at a county-wide banquet and rally to be staged the night of Friday, March 17, by the Scurry County Chamber of Commerce.

This information was received direct from the commissioner early this week by Forest Sears, chairman of the local organization's highway committee, and president until the present fiscal year.

The commissioner is coming on the first available date since an invitation was extended several weeks ago, said Sears.

Chamber of Commerce officials say extensive plans are already being mapped for one of the best-attended county-wide banquets and rallies ever seen in Snyder.

Construction of grading and drainage structures is the major item in the two Scurry County allocations.

Still another project is a \$75,000 underpass for State Highway 101 beneath the Texas & Pacific Railway's mainline at Colorado.

Highway 101 Moving.
Recent word received by County Judge Sterling Williams indicates that completion of the highway through Scurry County will be carried through soon. As announced last week, the new right-of-way for two and one-half miles, Dunn to the Mitchell County line, is being surveyed, and work is expected to be started in the near future.

The Commissioners Court, through County Judge Williams, announces that more than 50 per cent of the right-of-way westward from Snyder has been definitely signed up. "A definite survey has been promised in the near future for the new routing eastward, and we will act immediately to get right-of-way when blueprints of the route are submitted by the State Highway Department," said the judge. "We can do nothing in this direction until the exact route is surveyed and field notes are approved by the state department."

\$200,000 Placed in 1940 Program For Work on East-West Route In Both Directions

Allocation of \$200,000 for building of Highway 15 through Scurry County was reported late last week by the State Highway Department, through S. J. Treadaway of Abilene, district engineer.

The Scurry County project is one of four major items on the 1940 highway program that has just been approved formally by the State Highway Department.

Half of the total of \$437,000 approved for the district will be paid by the federal government.

Scurry County citizens, who have been striving for a Highway 15 allocation for years, were overjoyed at the announcement.

17—St. Patrick's Day.

18—The first Persimmon Act was passed, 1818.

The WOMAN'S Page

Sweethearts Formal Last Thursday For Lucky 13 Sports Club and Guests

Pastel tones of yellow, pink and green blended with ivory and used in decorations and appointments for the banquet held at the Manhattan Hotel formed an attractive setting for formally dressed members of the Lucky 13 Sports Club of the local high school and guests last Thursday evening.

Centerpiece for the table was formed of yellow cut flowers and pastel colored tapers. Flowering potted plants alternated with other pastel tapers were placed at intervals down the long banquet table.

A varied program was given between courses and following the three-course meal, Dorothy Winston, Lucky 13 president, was master of ceremonies.

Pointers on etiquette by Horroence Leath as the first number on the program brought out interesting and instructive points in good manners. A sing-song of Hawaii included vocal selections of Hawaiian numbers by Melba Ann Odum and Dorothy. Fun was brought into the program in a joke session conducted by Carolyn Dunn, and a bit of history was included in Dorothy's "Several Years Ago." Patti Hicks was presented in a piano solo, the club prophecy by Patti and June Clements and the toasts by Billie Lou Hays concluded the program.

Other members present were: Juneice Burt, Wanda Jean Sims, Jeanne Taylor, Lola Jo Rogers, Louise Bowers and Margaret Gray. Special guests for the occasion were Vera Periman, sponsor, Jonisue Cogdell, Southwestern University student who was formerly a member of Lucky 13, and escorts, as follows: George B. Thomas, Borden Gray, E. J. Richardson, Lance Mullins, Whit Thompson, Jack Lane, Junior Thompson, Powell Shytles, J. R. Popejoy, Max West, Thane Mebane, Orvel Hall, Weldon Kincaid, Roy Allen Baze and Freddie Sullard.

Meeting Held in Sorority Room

Gamma Delta chapter of Beta Sigma Phi Sorority held its regular meeting in the sorority room Tuesday evening.

Gamma Delta chapter of Beta Sigma Phi Sorority held its regular meeting in the sorority room Tuesday evening.

The Midland chapter has invited the Snyder Beta Sigma Phi unit to a luncheon at 1:00 o'clock Sunday, March 12, in the Hotel Scharbauer.

Final arrangements are being made by the local chapter for their St. Patrick's Day dance. Invitations will be mailed early next week to local dancers.

St. Patrick Idea Featured At Party

Mrs. J. W. Scott carried out a St. Patrick idea in green and white at the party she gave for El Feliz Club members and guests at her home Friday afternoon.

Guests were: Mmes. C. E. Fish, R. W. Cunningham, Willard Jones, E. F. Sears, Tom Boren, H. E. Rosser, John E. Sentiell, Lora Miller, Grady Shytles, Fred A. Grayum and E. J. Richardson.

Club members attending included Mmes. I. W. Boren, H. L. Vann, A. J. Cody, W. E. Doak, Sterling Williams, J. E. LeMond, G. H. Leath, Wade Winston, W. J. Ely, E. H. Lilly, Joe Strayhorn, W. G. Williams, P. C. Chenault and A. W. Waddill.

Beautician Attends Successful Congress

Mrs. Woodie Scarborough of Everywoman's Beauty Shop has returned from Fort Worth, where she attended a meeting of the Texas Association of Accredited Beauty Culturists last week.

Registrations reached nearly 2000, and B. I. Lipow of Dallas, managing director, estimated that more than 6000 visitors attended the various lectures and demonstrations during the three-day show.

Mrs. Scarborough returned here last week after attending the beauty show and visiting with her son, Jack, at Baylor University, Waco, for several days.

Recently installed private booths have been added to Mrs. Scarborough's local shop.

February Marriage Announced Locally

The February 25 marriage of Belle Thompson of Lone Oak and Otha Lee Clark of Pecos is being announced to friends in Snyder.

Attending were Mr. and Mrs. O. R. Kelly and small daughter, Katharine Ruth. Kelly and Clark are both employees of the Community Public Service Company in Pecos.

For the marriage Mrs. Clark was dressed in a lovely blue knitted sports suit worn with matching accessories. She was living with her brother, who is also a Community Public Service Company man, in Kermit when she met Clark at a division meeting several months ago.

Clark, son of Mr. and Mrs. W. L. Clark of Ira, was reared in Snyder. He graduated in 1935 from Snyder High School, where he served as mayor of the school, president of his class, business manager of the Tiger's Tale, school newspaper, and was an outstanding athlete, starring as center on the football team two years.

Mr. and Mrs. Clark are making their home in Pecos, where he will continue his connection with the utility company.

Lydia Class in Regular Meeting

Lydia Class of the First Baptist Church met in regular monthly business and social session last Wednesday afternoon at the home of Mrs. S. C. Porter.

The hostesses, Mmes. Porter and C. W. Pettit, served refreshments to the following class members: Mmes. G. B. Clark, May, G. S. Connor, J. C. Wilford, J. A. Woodfin, Worley, N. M. Harpole, Morris, H. E. Rosser, J. M. Doak, McCravy and Miss Mabel Bryan.

Former Resident Marries March 4

Loy Dell Minor of Roby and D. M. Green of Sweetwater repeated their marriage vows in Sweetwater Saturday evening with Rev. J. B. Crenshaw officiating.

The couple will make their home in Sweetwater, where the bridegroom is employed with the Universal Gypsum Company.

Mrs. Fannie Anderson of Floydada spent the week-end with Mrs. H. T. Sefton.

70 Attend Baptist Young People's Party

Seventy young people and intermediates of the First Baptist Church turned out for the social held for them in the basement of the church Friday night.

Special guests for the evening included Ruby Lavender, a student in the Fort Worth seminary, and Rev. T. F. Maynard of Hearne, who are guest singer and preacher for the revival.

Also present for the evening were Rev. Ira Harrison, pastor; Mrs. Harrison, who directed the games; Mrs. W. R. Bell, head of the young people's department; Vera Periman, department worker, who was in charge of the refreshment committee; George B. Thomas, an intermediate teacher, and Kenneth Alexander, Willie Lock and Velma Beth Gullidge, all of Colorado.

Members of the Esrudoma Class of the First Baptist Church were guests of Mmes. Lyman Wade and J. T. DeShazo at the home of Mrs. Ira Harrison.

Members of the Esrudoma Class of the First Baptist Church were guests of Mmes. Lyman Wade and J. T. DeShazo at the home of Mrs. Ira Harrison.

12 Class Members Are at Meeting

Members of the Esrudoma Class of the First Baptist Church were guests of Mmes. Lyman Wade and J. T. DeShazo at the home of Mrs. Ira Harrison.

W. W. Smiths Hosts To Friendly Fellows

Mr. and Mrs. W. W. Smith were host and hostess to the Friendly Fellows Forty-two Club at their home last Thursday evening.

Guests for the evening were Mr. and Mrs. W. G. Williams. Appointments for the four-table party followed a St. Patrick's theme in green and white.

Dainty refreshments were passed to the guests and the following members: Messrs. and Mmes. W. R. Bell, H. J. Brice, H. P. Brown, W. J. Ely, R. L. Gray, Fred A. Grayum and Wade Winston.

New officers for Friendly Fellows elected are: Fred A. Grayum, president; Joe Caton, vice president; Mrs. W. W. Smith, secretary-treasurer.

Leap Year Birthday Celebrated March 1

February 29 birthday of seven-year-old Patsy Ann Ross, daughter of Mr. and Mrs. Ralph Ross, was celebrated last Wednesday, March 1, with a party given at the Ross home.

Patsy Ann is one of the few Scurry County residents whose birthdays fall on February 29. A color scheme of green and yellow for the party was pretty as used in decorations, favors and refreshments.

The birthday cake was cut and served with the party by Mrs. Ross, her mother, Mrs. J. E. Chapman, and sister, Geraldine Chapman.

Party guests were as follows: The honoree, Dorthene Graham, Arlen Stokes, Barbara Earle Hicks, Jeanette Watkins, C. W. Green, Douglas and John Billy Claybrook, Billie Arlene Biggs, Edward Burleson, Jean Anz, Theresa Maples, Myrtle Rae Lewis, Billy Joe Brown, Fay Allen Jourden, Josephine Weems, Joye Anz, Billy Ray McCarter, Clea Beth McCarter and Bernice Meyers.

Mary Frances Smith Honored at Party

A birthday party was given Tuesday night by Mrs. J. T. Freeman in honor of Mary Frances Smith's birthday.

Many nice gifts were received by Miss Smith, and after games of the evening, cakes and lemonade were served.

Present were: Mary Frances, Milton, Harold and Wayne Smith, Louis Moffett, Louise Hardin, Evelyn Kincaid, John Terrell and Katherine Lynch, Billie, Myrtle and Doris Lightfoot, Arlene, Aris, Bernice, Claxton, Wayland, Letta Mae and Clidell Freeman, Mr. and Mrs. Edgar Smith and Mr. and Mrs. J. T. Freeman.

Sunday Marriage Announced in Snyder

Mr. and Mrs. C. M. Wellborn are announcing the marriage of their daughter, Doris Helen, to A. C. Alexander Jr. son of Mr. and Mrs. A. C. Alexander. The marriage was solemnized in Sweetwater Sunday by Rev. L. N. Lipscomb, pastor of the First Methodist Church, in Sweetwater, at his home.

Both bride and bridegroom are ex-students of Snyder High School and are members of prominent local families. The couple will live at the Halley home on Twenty-fifth Street. Alexander is an employee of Stinson Drug Company No. 2.

Imogene Birdwell of Texas Technological College, Lubbock, was home for the week-end.

Mrs. Phillip C. McGahey of Breckenridge was the Monday night guest of Mrs. Wade Winston. She also visited other local friends while here late Monday and early Tuesday.

She and "Brother Phillip," former pastor of the First Baptist Church here, were attending the district Baptist convention at Sweetwater.

PENNEY'S

Independence of Texas Observed In Full Program

A capacity crowd was present last Thursday night for the Texas Independence Day observance program given at Snyder School gymnasium under directorship of Roy O. Irvin, county superintendent.

The opening program number was a concert given by the Tiger Band, under the supervision of J. H. Henley, band director.

After the invocation by Rev. I. A. Smith, Methodist pastor, S. L. Morgan of Hermleigh led a group chorus in a brief sing song.

An observance feature was the dramatization of "Flag Makers" by the Snyder School Texas history class, directed by F. H. Patterson.

Principal address of the evening was given by E. J. Anderson on "What Texas Means to Me," after which Ben W. Newhouse led the choral clubs of schools represented in two numbers.

E. O. Wedgeworth, Fluvanna superintendent, led the group chorus—accompanied by Tiger Band—in the evening's final number, the "Eyes of Texas."

Local Couple, Back From Mexico, Tells Of Old-New Sights

Mr. and Mrs. Wayne Boren returned here last Wednesday after a two-week trip to Mexico City. The local couple made the winter vacation trip, with the Wallace Borens of New York City, whom they joined in Fort Worth.

Five days sight-seeing in Mexico City, proved a revelation of continuous beauty in surroundings. Museums, cathedrals, the Royal Palace and the floating gardens were features of the city proper.

Touring south of Mexico City a visit was made to Cuernavaca, summer and week-end resort of the natives of Mexico City. Here are located the summer palaces of Cortez and Maximilian, which are still standing. In the Cortez palace the group viewed the famed mural by Rivera, in which is portrayed the history of the Indians in Mexico and the invasion of the Spaniards.

The silver mining town of Taxco, several miles south of Cuernavaca, was also quite interesting to the local couple, as were numbers and numbers of other sights into the native life of Old Mexico.

Mrs. Shuler, 71, Dies; Resided in County 40 Years

Mrs. W. H. Shuler, 71, who came to Scurry County with her husband 40 years ago, died Monday night, 11:00 o'clock, after a two-month illness. Death came at her home in East Snyder.

Many friends gathered at the First Methodist Church Tuesday afternoon, 4:00 o'clock, for final rites. Rev. I. A. Smith, pastor, assisted by Rev. Ira Harrison, local Baptist minister, and Rev. J. N. Tinkle, Fluvanna Methodist minister, officiated. Odum Funeral Home was in charge of arrangements for burial in Snyder Cemetery.

Mrs. Shuler was a pioneer member of the Union Methodist Church. She resided in the Union community for many years before moving to Snyder. Mr. Shuler died March 21, 1928.

The Shulers moved from Center, Mississippi, to Waco, Texas, 42 years ago. Two years later they moved to Scurry County, where they resided continuously until death came.

Survivors include three brothers, R. W. Myers of Lamesa, B. F. Myers of Center, Mississippi, B. D. Myers of Sun Ray; three sisters, Mrs. S. C. Cumbie of Polar, Mrs. Julia Plunkett of Plunkettville, Oklahoma. Mrs. Elizabeth Hamilton of Glenwood, Arkansas; four sons, Harvey, Holly and Edgar of Snyder, and Henry, formerly of Snyder, now of Ruby; one daughter, Mrs. H. L. Wren, Snyder. A second daughter, Orla, died April 9, 1914.

Also surviving are Mrs. Harry McHaney and Edward Shuler, who made their home with Mr. and Mrs. Shuler, and later with Mrs. Shuler alone, from early childhood. Their adoption by Mrs. Shuler followed death of the children's parents. Three grandchildren, Mrs. Jack Wright, W. H. Shuler Jr. and H. C. Shuler, also survive.

Pallbearers for Tuesday rites were Frank Arnett, Joe Graham, O'Dell Ryan, J. T. Biegs, Bryan McPherson, John Spears. In charge of flowers were Mrs. Graham, Mrs. Ryan, Mrs. David Strayhorn and Mrs. G. R. Austin.

ONE COTTON IS SOUGHT AT IRA

A meeting to interest Ira people in a one-variety cotton for the community will be held tonight (Thursday) at Ira schoolhouse, beginning at 7:30 o'clock, leading farmers of the community announced Tuesday.

Everyone who had part in a one-variety setup in 1938 is requested to be present, as well as those seeking a one-variety setup for 1939.

County Children to San Antonio Music Festival Next Week

Plans are being perfected this week by the county superintendent's office to send 10 of Scurry County's best rural school singers—five boys and five girls—to a state-wide Rural Music Festival next Tuesday, March 14, at San Antonio.

The Rural Music Festival is being held in connection with a conference of the Southwestern Music Educators, which will be held at San Antonio March 12 through March 16 inclusive.

Rural school singers from each county in Texas will compete in the music festival, at which 6,000 people are expected. Miss Catherine Strouse of Kansas State Teachers College, Emporia, is chairman of the music educators' conference.

Kansas, Wyoming, Oklahoma, Colorado, Missouri, Arkansas, New Mexico, and Texas compose the states that will be represented at the San Antonio convocation, which is expected to attract 3,000 music teachers and educators.

Snyder General Hospital

Arrival of two babies at the local hospital this week is being announced. Five pound three ounce daughter of Mr. and Mrs. L. H. Butler arrived last Thursday night and has been named Jo Lynn. Mrs. A. W. Lichte, cotton gin specialist, last Thursday morning at the courthouse to discuss cotton improvement in Texas.

Miller stressed the importance of longer staple cottons for West Texas, while Lichte presented an interesting summary of the better cotton grades resulting from proper harvesting and greater care in ginning, as shown in a report of the 1938 cotton crop.

Miller and Lichte led some timely discussions on the present cotton situation, and the remedies that could best be applied to start moving the surplus now on hand.

A number of community leaders are evidencing a desire to do something about one-variety cottons. X. B. Cox Jr., county agent, reports, "We would like for those interested in a one-variety cotton to contact the county agent's office in the near future. We will be glad to help in any way possible."

VISITORS TALK BETTER COTTON

Miller stressed the importance of longer staple cottons for West Texas, while Lichte presented an interesting summary of the better cotton grades resulting from proper harvesting and greater care in ginning, as shown in a report of the 1938 cotton crop.

Income Tax Deadline Set Next Wednesday

Complete income tax returns must be filed by March 15, reminds Deputy Internal Revenue Collector Will H. Talbot, Abilene. A representative of the federal tax gathering agency was here last Friday to assist county citizens with their returns.

March 15 comes next Wednesday, so only four more days remain for filing returns without penalty. Income tax payments may be made in installments, one-fourth now and equal amounts June 15, September 15 and December 15.

CASEY OPERATED
Mack Casey, former Snyder man, underwent appendix operation in the Young Hospital at Roscoe on Tuesday morning, and is doing well today. Casey, whose wife is the former Erleen Martin of Snyder, and family are living in Roscoe now. Mrs. Martin's parents, the A. C. Martins, Mr. and Mrs. Jack Martin, the Onnie Martin family, and Mr. and Mrs. Buddy Martin and daughter were in Roscoe Tuesday.

Del Monte "Mother Hubbard" Sale Here

Piggly Wiggly is joining in the parade of stores throughout the nation bearing the Piggly Wiggly name that will sponsor a Del Monte "Mother Hubbard Fill Your Cupboard" sale March 10 through March 17.

Maurice Brownfield, owner of the local store, reported Tuesday Piggly Wiggly will give a free number two and a half can of peaches with each dozen cans of Del Monte products purchased during the special sale week, which starts tomorrow (Friday).

Joe Church of Colorado, father of Mrs. Mollie Pinkerton, is ill at his daughter's home here. Better this week, Mr. Church will probably return home early next week.

WOW Will Sponsor Box Supper Tuesday

A box supper sponsored by the Snyder W. O. W. Lodge will be held at the National Guard Armory next Tuesday night. The formal program, beginning at 8:00 o'clock, will be featured by free entertainment numbers.

Funds derived from the box supper, to which the public is invited, will be used to send the Snyder W. O. W. drill team to the state W. O. W. convention at San Antonio on March 27, 28 and 29.

Woodmen from the Roscoe, Sweetwater, Ruby, Post and Colorado lodges will assist the local lodge in holding the box supper. People interested in Woodmen activities are requested to bring their nickels, best girls and boxes to the Tuesday night fun and food fest.

TEXAS JOURNEY

Mr. and Mrs. Hugh Boren are home after a two-week jaunt through South Texas. After spending a week in Austin, the two journeyed southward to McAllen, Harlingen and other towns in that vicinity, returning by way of San Antonio. Fruit crops in South Texas are almost unbelievable to West Texans who see few of the yellow-loaded citrus fruit trees. March is an enjoyable time to visit South Texas, Mrs. Boren says.

MEETING TUESDAY

Parents of band students and others interested are urged to attend a meeting of the Band Parents Association being held in the band room at the school gymnasium Tuesday evening at 7:15 o'clock. Main topics for discussion will be the election of a new band sweetheart and the district band contest in Abilene April 7 and 8.

First Presbyterian

Dr. Geo. W. Fender, field representative of the Board of National Missions of the Presbyterian Church, will preach at the Presbyterian Church next Sunday at 11:00 o'clock. Business of interest to each member and friend of the church will be discussed.

Sunday School will convene at 9:45 a. m. and the group meetings at 6:30 p. m.

Palace Theatre

Thursday and Friday, March 9-10—**"Jesse James"**
Photographed in Technicolor. With Tyrone Power, Henry Fonda, Nancy Kelly, Randolph Scott and Henry Hull. Slim Summerville and others. The most exciting picture you have ever seen. News and Novelty.

D&D AUTO SUPPLY
SNYDER, TEXAS

Mr. and Mrs. Vernon Young of Garden City and Mr. and Mrs. Roy W. McCurdy of Hamlin spent the week-end with Mrs. E. M. Stokes and other local relatives.

The purchase by Carl Gray of Hermleigh at the Sweetwater Herd Sale last Thursday of Diamond Anxiety for \$145, a bull calved in September, 1937, marked the only purchase at the Sweetwater sale by a Scurry County stockman.

Mrs. B. W. Dodson of Abilene was a guest last week of her son, Warren Dodson, Mrs. Dodson and their small son, Wayland Warren.

E. R. Dean and son, Joe, of Tyler arrived in Snyder early this week, and Mr. Dean is working on construction of the new Snyder School building. Former residents, the Dean family has been away from Snyder a number of years, but returning will find a number of their old friends still here.

NEW AT RAINBOW.
New meat cutter at Rainbow Market Place is Charles R. Taylor Jr., who came from Colorado early this week to take over his new duties. Mrs. Taylor is the former Mary Ellen Martin, sister of Mrs. Joe Graham.

ANNOUNCE PREACHING
Dennis Kellogg, of Farmers Branch will preach for the Church of Christ at the courthouse Saturday and Sunday. People of the community are invited to attend the services Saturday night at 7:45 o'clock, Sunday morning at 10:30 o'clock, and Sunday night at 7:45.

East Side of Square Spruces Up with New Business Fronts

MOFFETT AND ROGERS HAVE GONE MODERN

Front Modernized, New Equipment Added to Keep East Side Shop Up-to-Date

The formal opening of Moffett & Rogers, slated Friday and Saturday, will introduce Snyder to one of its most modern business establishments. Not only has the east side concern modernized from front to rear, but it has also added new stock with which to greet the spring season.

Cleaning and pressing equipment has been added, and the Dri-Sheen cleaning process is being featured. A new Hoffman press, buffer and ladies' finishing equipment were installed last week.

B. H. Moffett and H. F. (Abe) Rogers compose the Moffett & Rogers partnership. Both are long-time members of the tailoring fraternity here. Assisting them is Thurman Wilson, who divides his time between delivery work and inside work.

First inside addition that greets the visitor's eyes is the Hoover display rack, which carried 150 pairs of trousers when it was installed several days ago.

New hardwood floors, celotex soundproof ceiling, air-conditioning equipment, new glass-brick front, and changed display arrangements are among the improvements at Moffett & Rogers. The shop occupies the G. B. Clark Building jointly with Strawn's Cafe.

Rural County Teams Play Here March 17

Headquarters for the rural baseball tournament, to be played Friday, March 17, will be Snyder School grounds. W. F. Cox, rural athletic director, reported Tuesday. Rural track and field events will follow Saturday, March 18. Cox states all rural athletic entries must be received by him not later than Wednesday, March 15. Schools having entry sheets are requested to fill them out and send to Cox as soon as possible.

First game in the rural baseball tourney will begin Friday afternoon, March 17, at 1:00 o'clock, with the winner to be determined by 5:00 o'clock. Rural event champions will be eligible to compete in the county league tourney March 24-25. An announcement relative to volleyball will be made later.

Brother of Scurry Man Dies in Fisher

Funeral services for Jim Robinson, 68, a Fisher County resident for 51 years, were held Thursday afternoon, 2:00 o'clock, at the graveside in Roby Cemetery.

Mr. Robinson died at his home in Rotan Wednesday afternoon. Born November 2, 1870, he moved to Fisher County in 1898, where he lived for half a century. Survivors are his wife; two brothers, E. C. Robinson, Hermitage; John Robinson, Rotan, and one sister, Mrs. Kate Robinson, Rotan.

DECLAIMERS JUDGED.

Roy O. Irvin, county superintendent, E. H. Lilly, Chamber of Commerce secretary, and Miss Thelma Leslie acted as judges Tuesday at Turner School for the junior boys and girls declamation contest. J. M. Glass, Turner principal, states "some real declaimers were found in Tuesday's contest among our junior students."

RECEIVES LETTER.

With scholastic requirements for the fall semester safely met, recognition services for 20 varsity winners of Hardin-Simmons University, Abilene, football letters were held recently. Among junior students receiving a football letter was Travis Green, graduate of Snyder High School. "Bud" Turner of Dunn was among those finding the scholarship hurdles too high and was not given a letter.

GRAY'S VARIETY
"House of a Million Articles"

Pick & Pay Goes to Eastern Slope in '36

Marcel Josephson first started as a Snyder groceryman six years ago in the present H. L. Wren Hardware location, but decided three years ago to join the parade of east siders. His Pick & Pay Store has been located at the northeast corner of the square since 1936.

Pick & Pay employees include Garth Austin, James Gideon, T. J. Kite, and James Stewart. Howard Appleton operates the sanitary meat market found in the back of the store.

Josephson was in the San Antonio wholesale dry goods business before coming to Snyder. Specialties handled at Pick & Pay include a full stock of groceries, vegetables, fruits and fresh country butter.

F. T. Wilhelm Has Been Here 24 Years

One of Snyder's oldest established merchants, in point of continuous service, is F. T. Wilhelm. Hande-Dande owner, who has been in the grocery business on the east side for 24 years.

"We're certainly in Snyder to stay," Mr. Wilhelm stated Tuesday. "During the 24 years I've been in business on the east side, have gone broke twice, and so far as I know am the only merchant to make a third comeback here."

K. O. Pitner is the smiling young assistant at Hande-Dande. A full stock of staple and fancy groceries, together with vegetables and fruits, is handled the year round.

In Snyder 16 Years For Gray's Variety

Gray's Variety Store, formerly located in the Rollins Building, has been an east side institution for 16 years. The firm has specialized in furniture, hardware, harness and household articles since Mr. and Mrs. R. E. Gray moved here in 1923 from Carthage in Panola County.

Mr. Gray, who was a Carthage stock farmer before moving to West Texas, first located near the old Woodrow Hotel, but moved to the east side in the late spring of 1923.

"We feel like we belong to Snyder," Mrs. Gray stated Tuesday, "and have learned through the years to love West Texas people."

First Christian Church

"The Church of Christ" will be the sermon subject in the service Sunday morning, and at night "Adding to the Church," will be the subject. Appropriate song service at both morning and evening hour.

The Sunday School will meet at 9:45 Sunday morning, and Christian Endeavor is held at 8:30 in the evening. "Our Master Teacher" is the subject for study by the young people.

Prayer meeting Wednesday evening at 7:30.—E. B. Chancellor, pastor.

ICE CREAM AHEAD!

A new 12 well ice cream compartment has been added recently at Browning Food Market, completing the facilities offered by a Mills ice cream maker. Hollis Browning, proprietor, states their cafe counter has been moved to the front on the south side of the store.

GLAD YOU'VE COME BACK, PAT—

Welcome to the East Side where there's always a friendly "howdy" for everybody.

COME OVER AND SEE US, FOLKS, ANY TIME!

—Our facilities and services are at your disposal. We invite you to use them.

Snyder National Bank
Member Federal Deposit Insurance Corporation

THREE MODERN EAST SIDE STORES

Snyder's trend for the past two years toward modernized business houses is emphasized in these two east side buildings, which house three progressive concerns—one old and one new.

On the left (north) is Pat Bullock's new Western Auto Associate Store, which holds its formal opening Saturday of this week. Next is Strawn's Cafe, which staged its reopening last

Saturday. On the extreme right, in the G. B. Clark Building with the cafe, is Moffett & Rogers Tailor Shop, which is staging its formal opening this week-end, along with Bullock's store.

Morris Guiding One Of Oldest Businesses

Few can equal the record of A. P. Morris, who opened Snyder's first second hand furniture store in 1897. Morris, who has operated the east side Morris Furniture Store since 1933, has been in business here 42 years.

Mr. and Mrs. Morris are assisted in operating their furniture store by T. L. and Glen Nichols. Nichols and his son, Glen, are furniture refinishers and upholsters.

C. M. Duckett is now working with Morris as radio technician and repairer. Perry Morris, as most Snyderers know him, specializes in household furniture, stoves, music instruments, and other second hand necessities.

L. B. Peterson Is Long-Time Cobbler

Peterson's Shoe Shop was established as an east side firm in May, 1932. Peterson has had long experience as a shoe "cobbler," coming to Snyder from Polar in 1925. He worked some time for Ed Curry in the courthouse basement.

Clifton Walker, Peterson's assistant, has been in the shoe repair business steadily the past five years. Any type of boot and shoe repairing is made possible by the Landis shop equipment. Their motto is "in business for your sole comfort."

SELLS 700 LAMBS.

W. B. Willingham of Hobbs, who has been attracting attention in sheep circles lately with his lamb feeding demonstrations, sold 700 head of lambs on the Ft. Worth market last week for eight cents a pound. Willingham, who has 600 more lambs yet to market, is feeding the flock on ensilage, ground grain sorghums, and cottonseed meal, supplemented with a small mineral portion.

Gatlin Most Recent East Side Addition

The moving of Gatlin Grocery from 25th Street to the former Farmers Exchange location January 1 has added another new firm to the east side business front.

Ivan Gatlin, operator of the store, is assisted by Walter Morton. Both men have had long experience in the grocery and vegetable business in Snyder and other towns.

Gatlin Grocery handles a full line of staple and fancy groceries, in addition to fruits and vegetables.

Shorty's Cafe Has Fixtures Rearranged

Although Shorty's Cafe, located just south of Parks Meat Market, has only been in operation six months, it is rapidly becoming one of the east side's popular eating places.

Mr. and Mrs. Shorty Hataway, operators, are completing this week a rearrangement of fixtures that included moving the main eating counter to the south side of the building, and a renovation job in the kitchen.

Shorty's Cafe specializes in plate lunches, short orders and soft drinks. Hataway has been in the cafe business since 1932.

STOCK SHOW VISITORS.

Mr. and Mrs. Emmitt Butts, Jack Patrick and Miss Willie Locke of Colorado attended the San Angelo Fat Stock Show Sunday, returning Sunday night. While there, the group visited Mr. and Mrs. Roy Butts, Mr. and Mrs. Glen Willis.

Third Year on East Side for Parks-Bell

This year marks the third W. R. Bell has been located on the east side operating Parks Meat Market. Bell, a former newspaper publisher, came to Snyder in 1919. He operated the City Meat Market east of the old post office before moving to his present location.

Assisting Bell is Armin Moffett, who has been in the meat market business since 1932. Moffett formerly worked for George Parks when Parks Meat Market was located north of Snyder National Bank, and later on the south side of the square. Parks and Bell are owners of the business.

Parks Meat Market makes a specialty of meats, bread and choice sausages.

Recreation Club and Gem Cafe Together

The East Side Recreation Club, operated for the last three years by Bill Crowder, is one of the most popular relaxation spots in this part of town, if one judges by the number who frequent it.

Crowder, a Snyder resident for 39 years, is assisted by Frank Jordan as houseman in operating the recreation place.

The Gem Cafe is operated in the front of the building by Miss Alma Etheredge, assisted by Miss Revis Chandler. Thurman Shultz assists in the Gem Cafe evenings after school and Saturdays. The Gem celebrates its first birthday March 15.

STRAWN'S CAFE HAS REOPENED

Anything from a cup of coffee to plate lunches and special orders on brief notice is the policy adopted by the newly opened Strawn's Cafe, which is conceded by the public to be one of Snyder's most modern eating places.

Strawn's, which occupies half of the G. B. Clark Building, has a combination of air-conditioning and soundproof ceiling which makes the place comfortable in any type of weather. Mr. and Mrs. Earl Strawn, operators, were in the cafe business at Dallas before coming to Snyder.

Miss Callie DeShazo and Mrs. Garth Austin are the waitresses employed at the popular east side cafe.

Shipp & Butts Offer 54 Years Barbering

A total of 54 years of barbering experience is being offered the public by the trio of east side barbers, Emmitt Butts, J. E. Shipp and Shorty Sims.

The Shipp & Butts Barber Shop, which has been an east side institution for several years, recently added Sims as the third member of their lather and mug artist team.

Roy and Ab Jennings, who formerly operated the Blue Jacket Shine Parlor on the south side of the square, are found in the back of the Shipp & Butts shop as shine parlor operators.

PAT, YOU'LL FIND US EAST SIDERS A FAIRLY FRIENDLY BUNCH—

Pat Bullock Opens Auto Store

OLD-TIMER IS BACK AT HOME

One of the outstanding events in Snyder's recent business history is the opening of the new Western Auto Associate Store, owned and operated by Pat Bullock in that rebuilt building on the east side of the square.

Most car owners in this vicinity are familiar with the Western Auto Supply Company of Kansas City, Missouri, because this is the firm that used to send out so many of the little catalogs known as the "Auto Owners' Supply Book" offering attractive prices on practically everything needed for an automobile.

It is the oldest and largest organization of its kind in the world, founded in 1909, and now operating more than 180 stores all over the United States.

Cooperate Locally.

This company is now cooperating with more than 1,000 individual merchants throughout the country to enable them to offer the public merchandise with an established reputation for quality at money-saving prices that would be impossible without this combined buying power.

The Western Auto Associate Store here in Snyder will carry the same general line of supplies, accessories and tools, including such well-known brands as Davis DeLuxe tires, Wizard batteries, Truetone radios, Rubber-cost top dressings, and so forth, hitherto offered only at the big city stores.

Western's Guarantee.

"Every item is of selected quality and backed by Western Auto's guarantee of 'Satisfaction or Money Back.'" Bullock declared early this week as he labored with his assistants to get the thousands of pieces of merchandise in place.

He explains that because of his favorable arrangements with the Western Auto Supply Company he will be able to offer the same merchandise at approximately the same prices as those in the big company's main stores, thus bringing car owners of Snyder the benefits of that company's big buying power and volume distribution.

New Mexico Visitor Praises New Store

Marion Addison, former Knapp farmer and also a former playmate of Operator Pat Bullock of the Western Auto Associate Store, was on the spot Tuesday.

"The New Mexico resident, here on a business trip, was asked: 'Did you come all the way from New Mexico to Snyder to look over Pat's store?'"

"Nope," said Marion, who just wouldn't stay on the spot, "but now that I've looked the joint over, I'm liable to be making plenty of trips back here just to buy something from Pat."

FIRST CUSTOMER.

Before the new east side store could open last week, a customer was on hand. It was Ed Deakins, operator of the Manhattan Hotel, who made a purchase before the merchandise ever hit the shelves.

Before the new east side store could open last week, a customer was on hand. It was Ed Deakins, operator of the Manhattan Hotel, who made a purchase before the merchandise ever hit the shelves.

MORE THAN 50 VISIT AT ONCE

Although the new Western Auto Associate store is not yet formally open, hundreds of visitors have already been in the east side place of business to look over the stock and to renew acquaintance with Pat Bullock, owner-operator who is remembered as a long-time Scurry County school teacher, later county superintendent for eight years, and a civic and church leader.

By actual count, 52 visitors were in the store at one time Saturday—a week ahead of the actual formal opening time. Crowds continued every day this week.

Final arrangements are being made for the formal opening, with Western Auto parts, advertising and display men here to help give the associate store a sendoff akin to that given its big-city cousins.

"No matter how fast they come," Pat said yesterday, "we will have plenty of clerks to take care of them."

Church of Christ

The Sunday morning sermon subject will be "Catholicism and What Grew Out of It." Do they have a 262nd successor to the apostle Paul? Are their claims of being apostolic true? What is the outgrowth of Catholicism? These and other questions of vital importance will be discussed fearlessly.

Come in time for the Bible study which meets at 10:00 a. m. The evening service begins at 7:30. You will be welcomed at each service.—O. D. Dial, minister.

Welcome to the East Side, Pat—

And while we're welcoming Mr. Bullock, we want to welcome all those who have shoe repairing to our East Side Shop, where you get only

QUALITY WORK

PETERSON SHOE SHOP

PERSONAL

Mr. and Mrs. Dean Cochran were in Lubbock Friday on business. He is at home this week with a light case of the flu.

Gordon Rogers, business college student attending a Weatherford school, visited homefolks here Monday and Tuesday.

Mr. and Mrs. John Spears had as their guests this week-end their daughters, Paynell Spears, student in Hardin-Simmons University, and Mrs. Lee Smyth, Mr. Smyth and Mr. and Mrs. Joe Brown, all of Abilene.

I. A. Smith Jr. left Sunday for Floydada to accept a position with the White Drug Company. Smith has been in Snyder several weeks since checking out of Southern Methodist University, where he was a junior student.

Mr. and Mrs. J. E. LeMond and daughter, Johnnie Jean, visited in Abilene Saturday with their daughter and sister, Louise, a 1938 graduate of Snyder High School. Miss LeMond is a freshman in Hardin-Simmons University.

Mrs. John King and small son, Bert, left Tuesday for their home in Detroit, Michigan, after spending a month with Texas relatives. They have been guests here of Mrs. King's parents, Rev. and Mrs. I. A. Smith, and Mr. and Mrs. E. M. Deakins.

Mr. and Mrs. Fred Jones and young son, Roger Wayne, of Abilene, were week-end visitors in Snyder with her parents, Mr. and Mrs. Abe Rogers, and his brother, Willard Jones, and family. Mrs. Jones and son arrived several days earlier than Fred and are remaining here this week.

Mrs. Emma Beal and daughter, Dorothy Anne, of Ladonia are here for an extended visit with their daughters and sisters, Mmes. Sidney Johnson and Joel H. Hamlet Jr. The visitors returned home with Mr. and Mrs. Johnson early last week, after the Johnsons spent several days in Fort Worth and Ladonia.

RADIO WORK IN BOB'S CHARGE

In charge of the radio repair department at the new supply store on the east side is Bob Lemons, former Fluvanna resident. A full-fledged radio fixing shop will be maintained in the rear of the building. Lemons, who is well known to folks in this area, comes to Snyder from San Angelo, where he has been in the radio repair department of one of West Texas' largest retail stores. He has seen wide experience in this line of work.

"If I can't do it right," declares Bob, "it won't cost you a penny. My work is absolutely guaranteed."

For office supplies see The Times.

Glad to Have You Back, Pat—

We East Siders feel honored at your selection for a location for your store.

And Folks Generally—

will find some mighty good values when they select our store to trade.

Six months, in advance \$1.25
Elsewhere—
One year, in advance \$2.50
Six months, in advance \$1.50

Congratulations!

The east side stores that have been improving their fronts and interiors so proudly in recent weeks deserve the congratulations of every Snyder business and professional man and woman.

And the return of Pat Bullock to open a merchandising store is another subject for congratulations from all quarters.

Snyder is not standing still. She is growing. North side . . . south side . . . west side . . . east side . . . all around the town.

It MUST Be Done

Now that Highway 15 through Scurry County has been definitely placed on the State Highway Department "money" list, it is up to us to strain heaven and earth to get the right-of-way.

Every section of the county will be benefitted by Highway 15. Therefore, every section either wants No. 15 now, or it will want it when it realizes what the future holds for this remarkable Texas-splitting route.

The Commissioners' Court, to a man, wants to build the highway. The vast majority of the county citizenship wants to build the highway. The State Highway Department wants to build the highway.

And you may be sure that the counties to the west and to the east of us—the counties that have been justifiably saying, "Why don't you get that right-of-way?"—want us to build the highway.

We MUST get that right-of-way! Let us join hands this very day, while the time is ripe in every way, to get this most important of all jobs done for Scurry County's present and future.

All Hail, Economy

Have you noticed that respect for the current Texas Legislature is increasing in the public mind? Some of the solons rebelled when Governor O'Daniel cast some unwise aspersions on their place in the state governmental scheme, but it would appear now that O'Daniel and the Legislature have come to understand one another pretty well. Plenty of scraps are ahead, but probably most of the public steam has escaped in executive and legislative branches.

If the rising respect for the Legislature were summed up in one word, it would unquestionably be ECONOMY.

Most Legislatures talk economy; the present Legislature ACTS economy. A requested large supplemental appropriation for the Livestock Sanitary Commission and several suggested emergency allotments for colleges were turned down. The nearly \$3,000,000 requested to supplement rural school aid funds was cut to \$336,000 . . . On and on swings the economy axe, and with every swing the taxpayer breathes a sigh of relief.

Incidentally, Representative C. L. Harris of this 118th District is one of 21 members of the appropriations committee, and it is reported that he is an economy-minded as any of the committee.

"Lest We Regret"

These paragraphs from "Lest We Regret," a booklet just issued by The Travelers Insurance Company, speak an editorial language of their own:

"Three years ago, 32.6 per cent of all persons killed because of some driver's lawlessness met death because of excessive speed. Two years ago, the figure rose to 36.8 per cent. Last year it jumped again to 39.6 per cent. Deaths dropped sharply in 1938, but the percentage caused by speed went up . . . Is it any wonder that we stress SPEED as one cause which must be cured before this problem will ever be solved?"

"Next time your club meets, or you have a family reunion, list the names of 20 of those present. Look well upon these happy faces, for at the present rate one out of that 20 will be killed or injured in an automobile accident within the next five years. You can beat the law of average by being ABOVE THE AVERAGE in your walking and driving habits.

"The time will come when driving after drinking will be placed in the same category with carrying concealed weapons, incendiaries and other misdemeanors about which there is absolutely no question in the public or official mind. It will come through legislation, improved court procedure and the development of adequate test methods. Enlightened persons . . . will work to see that drinking and driving are forever separated.

"In the catechism of safety there is one, and only one, answer, namely: Drive and walk with caution, courtesy and common sense."

"A Century of Service"

This title—"A Century of Service"—was the pageant of 100 years of express service to America, presented Saturday at the San Francisco Golden Gate Exposition. Typical of the excellent service rendered by Railway Express Agency, an outgrowth of the old Pony Express, is the daily goings and comings of W. D. Smith, Snyder's gift to the express world.

Current Comment

By LEON GUINN

A truly entertaining bit of horseplay was evidenced at Abilene last Friday afternoon, when riders of the Nocona-Oakland, California, Pony Express began to arrive in the city. Business men and ranchers alike, who incidentally wanted to "whoop up" a little interest in Abilene's rodeo this month, appeared suddenly in the vicinity of the federal building and South Pine to greet the Pony Express riders in cowboy regalia that would have been indeed foreign to the Old West we once knew.

While the welcome given the Pony Express riders, who left Roscoe Saturday on the 1,900 mile jaunt to the Golden Gate Exposition, was all very nice, we sometimes wonder if the older cowhands who have crossed the Great Divide would appreciate the dudey rigs street corner cowboys are found in today. When we see a cowhand who has the marks of sun and air on his face, and the scent of the range on his clothes, we're glad to call him a "100 per center," but when we see "cowboys" who have the scent of foreign perfumes on silk blouses, and the odor of shoe polish on their boots, we're about ready to holler "cafe rope." But of such is made, oftentimes, the stuff that gets rodeos across.

Now that the much discussed 82 inch lens for the McDonald Observatory near Ft. Davis on Mount Locke has been safely placed in the 75 ton telescope, there's an interesting little sidelight story that can be told. Very few know it, but at one time the late H. Y. Benedict, who was president of the University of Texas when a site was being selected for the McDonald Observatory, came very near deciding on sending a site selection crew to Double Mountains in southwestern Stonewall County to "ascertain which point of eminence on Double Mountains would offer the best observatory location." So much pressure was exerted, however, by Big Bend interests the probable placing of McDonald Observatory in Stonewall County fell by the wayside. Only time will tell of the late Dr. Benedict's plans for an observatory in Central West Texas, which are safely tucked away in musty files of his personal correspondence.

A chapter was closed last week with the death of another Carter in London, Egyptologist and discoverer of the treasures in Tut-Ankh-Amen's tomb, that gave to the world while the chapter was being written some of our most penetrating light so far on the mysteries of ancient Egypt and the Pharaohs that ruled when Moses, according to most writers, led the Israelites through the Red Sea. Discovery of King Tut's tomb in 1922, after a nine year search, also revived the supposedly ancient curse of the Pharaohs concerning those who would lift the veil of the past on their century-old secrets. In other words, certain death was said to descend upon "desecrators" of the King's tomb, but the curse was found to be based more on myth and fancy than on concrete facts.

The Glidden Company of Cleveland, Ohio, announced last week that the ever-useful soybean is now made into a yarn, and distributed among textile manufacturers for test spinning and weaving. Industrial uses for the versatile soybean include plastic materials, bases for varnishes and paints, and soybean meal for livestock fattening. Most textile manufacturers were jittery to some extent over the threat recently offered by spun glass fabrics, with soybean yarn now offering another headache. But after all, one textile official states, those new trends in research are so far fancies instead of accepted changes, which is very encouraging to the cotton buyer and raiser.

A great deal of interest is being shown in the recently perfected process by Dr. W. F. Hochstetter to make, successfully, newspaper from reclaimed paper. Hochstetter stated this week he had been tinkering with a process to convert straw into paper, which will first be tried out on newspaper presses at Pittsburgh. The makers of pulpwood newspaper are showing a marked nervousness over Hochstetter's processes, since his research ventures promise to cut the price of newspaper from \$60 to \$35 a ton. On the other hand, the use of reclaimed paper and conversion of straw into newspaper would be an answer to future pulpwood shortages.

Headache No. 1 for the Farm Security Administration at the moment is the tattered, ragged army of more than 500,000 migratory farm workers going up and down the Pacific Coast in an unending cavalcade that can pick up only brief periods of "day work" at the best. Eighty per cent of these families are Dust Bowl refugees who alternate between relief work and short term employment in lumber camps and in orange and citrus groves.

The federal government began last month the largest logging job ever undertaken in the lumbering industry, when work was started to salvage 4,000,000-000 (billion) board feet of white pine, spruce, fir, and hardwood that was blown down in the New England sector last September when a hurricane of unprecedented fury roared down from Canada to Long Island Sound. The government will try to crowd eight years ordinary work into five months, and to do so is employing the U. S. Forestry Service, CCC, WPA, and New England farmers. If this mass of lumber is salvaged between now and July 1, the government will have on hand enough material to build 260,000,000 five room houses.

Wedge worth and Sides Delegates To State Meeting

C. Wedgeworth, superintendent of Snyder Schools, and King Sides, high school principal, were elected Tuesday night at a meeting of the local State Teachers Association chapter as Scurry County's two delegates to the District 7 convention at Wichita Friday and Saturday.

The meeting of the county teachers chapter, held at the local high school, was marked by a good attendance of teacher members from various Scurry County schools.

In addition to delegates Wedgeworth and Sides, Miss Effie McLeod, A. W. Yeats, and a number of other county teachers plan to attend the Friday-Saturday Wichita Falls convention.

The Scurry County chapter of the State Teachers Association was organized on a county-wide basis December 1 of last year. Two-thirds of the 114 county school teachers, or 70, are enrolled in the organization at present.

Officers of the local teachers' unit are: Cleo W. Tarter, Dunn, president; E. O. Wedgeworth, Fluvanna, vice president; W. F. Cox, Plainview, secretary; and Miss Marie Casey and A. W. Yeats, Ira and Snyder, treasurers.

HOLIDAY AT PYRON.

Pyron School declared a full holiday Friday of this week in order that its teachers, led by Superintendent M. H. Greenwood, might attend the District 2 teachers' convention at Lubbock. They chose this convention in preference to the Wichita Falls sessions. The play that was to have been given by the juniors Friday night has been postponed until Tuesday night of next week. Proceeds will be used for expenses of the juniors and seniors, who will make a trip that will include the Grand Canyon and Carlsbad Caverns.

LETTERS FROM THE PEOPLE

"AS IT SHOULD BE"

The appointment of Andy Jones, of Camp Springs, to the management of the R. E. A. project in that vicinity is at it should be. Too often any worth-while position is filled by someone imported from another section. Many times, far from the field of activity.

It is heartening to those of us who have an ambition and want to live a life of activity and usefulness to see even a few isolated instances of fair play and opportunity. Such appointments as that of Felix Frankfurter, a foreign-born Jew, to the Supreme Court, tends to nullify everything we are taught to love and live for. Why try to attain, why be patriotic, why be democratic, why spend millions raising and educating fine boys, if some foreigner is to reap the choice benefits of citizenship?

Who of us could even obtain citizenship or protection in a foreign country, much less be appointed to one of its highest offices? Thank you, C. T. Burnett, Snyder, February 28.

AT SNYDER TAILORING

Snyder Tailoring Company, located just south of Palace Theatre, has spruced up the entire tailor shop front by the addition of red and blue neon trimming that forms a frame around the plate glass display windows. Mr. and Mrs. Earl Fish, operators, state business is holding up nicely. Earl started in the tailoring business in 1925.

EXPRESS WAS MOTORIZED BY PRESENT BOSS

Anniversary of Express Service and Smith Motorization Observed In Same Month

When W. W. Smith, present boss of the local Railway Express company office, came to Snyder November 14, 1921, to take charge of the big black horse that pulled the express delivery wagon.

But Railway Express Agency, modern outgrowth of the old Wells-Fargo and American companies, and W. W. Smith, who takes an active part in the dolms around Snyder, can point to much more important dates than November 14, 1921.

Last Saturday was Express Day at the San Francisco Golden Gate Exposition, marking the 100th Anniversary of express service in the United States. There was quite a celebration over all the country in observance of the event.

But of even more interest locally was another date in March—March 1, to be exact—when Smith imported a chug-chug wagon to take the place of the old black horse. That was in 1922, just about four months after Smith came to Snyder.

Smith has served with express agencies for 23 years—at Electra, Weatherford and Strawn before coming to Snyder.

But back to the San Francisco celebration. A pageant, "A Century of Service," was staged in one of the big amphitheatres of the fair grounds on Treasure Island. The centennial, according to Smith, marks the date in March, 1839, when the "original expressman," William F. Herndon, started the first package express between Boston and New York carrying only a carpet-bag.

Schools Benefit From Salary Aid Mailed Tuesday

Scurry County schools benefitted approximately \$10,723.50 this week in teachers salary aid from the \$1,690,677 mailed out Saturday by the State Department of Education to 2,250 Texas schools, Roy O. Irvin, county superintendent, stated Tuesday.

Dr. L. A. Woods, state superintendent of public instruction, announced Monday this payment of over a million and a half dollars represents 50 per cent of the salary aid due Texas school teachers for the current school year.

FAST WORK ON SCHOOL PLANT

Work is proceeding rapidly on Snyder's new school building this week, according to a report this morning (Thursday), from C. Wedgeworth, superintendent, of Snyder Schools.

Dunlap & Coughran, contractors, have employed 30 local men to date on the construction project, with more to be added later on as needed. More material has been placed on the ground, with form work being put in place as hurriedly as possible.

SINGING AT SNYDER

The second Sunday singing of Churches of Christ in Scurry County will be held at the Church of Christ in Snyder Sunday afternoon at 2:30 o'clock. The public is invited by church leaders to come, enjoy and take part in this inspirational song service, for which a number of towns and communities are expected to send singers.

INSPECTION OF LOCAL MASONS

An address by Daniel N. Cushing of San Antonio, V. E. D. grand commander, was one of the highlights Monday night at a meeting of the Snyder Commandery, Knights Templar.

One of the first things on program was the serving of dinner at 7:00 o'clock. The dinner, prepared by Joe Monroe, was declared by attendants to be "sumptuous." After motion pictures were presented of the Ft. Worth Commandery in drill practice, the Snyder Commandery went into business at hand.

Dr. and Mrs. J. P. Avary spent Saturday in Lamesa.

Leon Autry, son of Mr and Mrs. N. W. Autry, was home from Hardin-Simmons University, Abilene, for the week-end.

Mr. and Mrs. Leslie Stephens and son, Don Franklin, of Midland spent Thursday in Snyder and Post. They were guests of Mrs. Maude C. De-Bold, Mrs. Stephens' sister, here.

Mr. and Mrs. Curtis Jarratt of Lingo, New Mexico, were week-end visitors here with her parents, the C. M. Wellborns. Mrs. Jarratt, the former Charline Wellborn, and her husband, also, are graduates of the Snyder High School.
