County Future Rests on Road Completion

THOUSANDS OF TOURISTS WANT TO TRAVEL ON THIS ROUTE!

Here's that beeline route across the great state of Texas! It's the route that thousands of tourists will travel—if it's paved. This is an old map, but it gives an idea of the transcontinental route as it sweeps across Texas. Looking from left to right, this is the condition of High-

way 15: New Mexico line to Seminole, improvement in 1939-40 program; Seminole to Borden County line, entirely complete; Borden County line to Gall, full crew of men working now; Gall to Scurry County line, waiting on result of Scurry County bond issue; through

Scurry County (only unimproved county across the state), depends on what voters do Tuesday, May 2; Scurry County to Roby, all rerouted, part caulked, topping expected in near future; Roby to Louisiana line, all paved, and several hundred thousand dollars are being spent on im-

proving many sections. Looking east as far as you want to look, it's almost a perfect road! And west through New Mexico, back through a strip of Texas to El Paso, every foot is either paved or paving is underway today. Of course the El Paso-California strip is complete.

Facts, Not Ballyhoo, Is Basis of Times Appeal

In a nutshell, The Times believes that Highway 15 will do more for Scurry County as a whole than any other one thing that has come before the people in many, many years. In this special edition the publishers have sought to present facts, not ballyhoo, about this great transcontinental route.

They had planned, also, to present an editorial appeal that would attempt to bring all the facts into a few paragraphs—to show that EVERY CITIZEN, farmer, rancher, business man, will profit beyond measure when the road is built.

The Times has come to the definite conclusion that unless Highway 15 is built under the present plan that is offered by state and federal highway agencies—almost on a silver platter—Scurry County will go downhill rather than uphill.

All real estate values will de-

crease—for a county these days that is not on a major highway is in far worse shape than a county in the early days that was not on a major railroad.

But the strongest editorial that can be written is a telegram received Thursday morning, as The Times goes to press, from the big celebration that was held at Seminole Wednesday following opening of a paved Highway 15 from Lamesa to Seminole. Here it is, word for word, as written by Victor L. Minter, New Mexico secretary for the East-West Highway Association:

"Opening new road, Seminole to Gaines County boundary, attended by 250, including engineers Highway Department.

"Action by Scurry County May 2 anxiously awaited, and many expressions that your county certainly would provide right-of-way for last unim-

proved gap Texas State Highway 15. "Announced at Seminole that New Mexico boundary to Seminole construction would be let next month. New road now in service, Seminole to east Dawson boundary.

"Construction Dawson County to Gall approximately 75 per cent complete. Remainder road, Gall to Scurry, may be let fiscal year 1940, but not later than year following.

"SCURRY COUNTY NOW HOLDS KEY TO COMPLETION ENTIRE ROUTE, AND IS SUBJECT TO CONGRATULATIONS ACCOUNT OF \$200,000 ALREADY SET UP FOR CONSTRUCTION BEGINNING JULY 1.

"After 12 years of cooperation from your good people, all towns en route Highway 15 anticipate your further helpfulness on May 2."

WIRE RELATES WIDE INTEREST IN LOCAL VOTE

"Action of Scurry County Awaited Anxiously" Says Report From Seminole Celebration

The future of Scurry County depends on completion of its highway system—and completion of its highway system is in the hands of about 2,000 voters who are eligible to go to the polls Tuesday, May 2.

These voters will decide whether the county shall issue \$35,000 in bonds, proceeds from which will be used for purchase of right-of-way on Highway 15 from one edge of the county to the other.

WHO MAY VOTE?

The most-asked question about the bond election is this: Who may vote? Here's the answer: Anyone may vote who has rendered any kind of property—real or personal—for county taxation.

The man or woman whose car, livestock, plow tools, jewelry or other belongings have been assessed is as eligible as the person who renders 10,000 acres of land.

Women whose husbands render property for county taxation are eligible to vote. "Overs" and "unders" who render any kind of property are also eligible to vote.

If you are in doubt about whether you can vote, you can learn from the county tax assessor now, or from

WHAT IS THE COST?

What will the additional tax cost the average Scurry County family? Very little. Property rendered for \$100 will pay an additional tax of only about five cents. The average quarter section of Scurry County farm land will pay an additional tax of 50 to 75 cents. Few farms in the county will pay an additional tax of more than \$1 a year. In brief, property rendered at \$2,000 will pay an added tax of approximately \$1 yearly.

Read the Commissioners' Court's statement on this page for further points of interest to every qualified voter.

ENNIS CHURCH TO ENTERTAIN BMA BAPTISTS

Representatives of Several Counties of Colorado Association Gather in Fifth Sunday Session

The First Baptist Church at Ennis Creek will host Friday night, Saturday and Sunday to the North Colorado Association of BMA Baptists at the association's regular fifth Sunday session.

Rev. C. E. Leslie, Ennis Creek pastor, will be assisted by a committee composed of R. G. Horsley, J. P. Prather and Dee Robinson in taking care of messengers and association visitors. The public is cordially invited to attend all sessions.

Friday night's devotional will be led by Walter Holmes, followed with an introductory sermon by A. B. Thornton. Willie Lee of Lamesa will lead Saturday morning's devotional. Outstanding BMA speakers will highlight the Friday night, Saturday and Sunday programs.

Rev. John R. Denning will give Sunday morning's sermon at the 11:00 o'clock hour. A round table discussion will bring the association services to a close Sunday afternoon.

Junior-Senior Trip To Carlsbad Caverns Made by Ira Group

A total of 26 students made the annual Ira High School junior-senior trip to Carlsbad Caverns last week-end, returning Sunday afternoon. The students were accompanied by E. W. Baldwin, junior class sponsor; Miss Margaret Dell Prim, senior sponsor, and Herschel Dunn. The junior play, "All on Account of Polly," will be presented at the Ira gymnasium tomorrow (Friday) night. Admission charges for the play, which starts at 8:00 o'clock, will be 10 and 15 cents.

Proceeding the junior play will be an explanation of the road bond election that is slated next Tuesday. Music between acts will be furnished by the Ira String Band.

The sixteen junior class members taking part in the three act comedy are Gus Sterling, Mildred McDonald, Melvin Howard, Louise Wilson, Buford Sterling, Reginald Webb, Joe Thompson, Virginia Suter, Gracinda Hardin, Ida Pay Cook, Verilyn Trevey, Edith Eades, Ernest Shook, Annie Mae Nabors, Willie Mae Wiley and Veta Bell McCarty.

INITIAL FUNDS FOR FARMERS REACH COUNTY

Arrival of Second Batch of Checks Wednesday Brings Total For Payment to \$115,405.35

The arrival Wednesday morning of 252 more soil conservation checks, amounting to \$34,106.48, brings the total received by Scurry County in AAA benefit checks up to \$115,405.35. The first installment of AAA money sent to the county amounted to \$81,298.87.

A total of 600 soil conservation checks, amounting to \$81,298.87, were received by the county agent's office Saturday morning at Scurry County's initial payment on the 1938 Triple A program.

Distribution of this first "batch" of soil checks was made by county agent office attaches Saturday and early this week.

Scurry County is expected to receive approximately \$330,000 on the 1938 AAA program.

Free Friday Event At Hermleigh Will Include Male Style

A varied program of entertainment and information will be presented free in the Hermleigh gymnasium Friday night, 8:00 o'clock, announces Superintendent E. L. Farr.

Entertainment will feature the county American Legion's post's woman's style show. The gowns and other wearables of past and present days will be well displayed by such lively beauties as "Sheep" Louder and J. D. Pigman.

Also on the menu will be the host school's rhythm band, Mrs. Earl Louder and some of her accordion pupils, and the swing string band from Snyder.

During the program County Judge Sterling Williams will give a brief explanation of the road bond election that faces Scurry County voters next Tuesday.

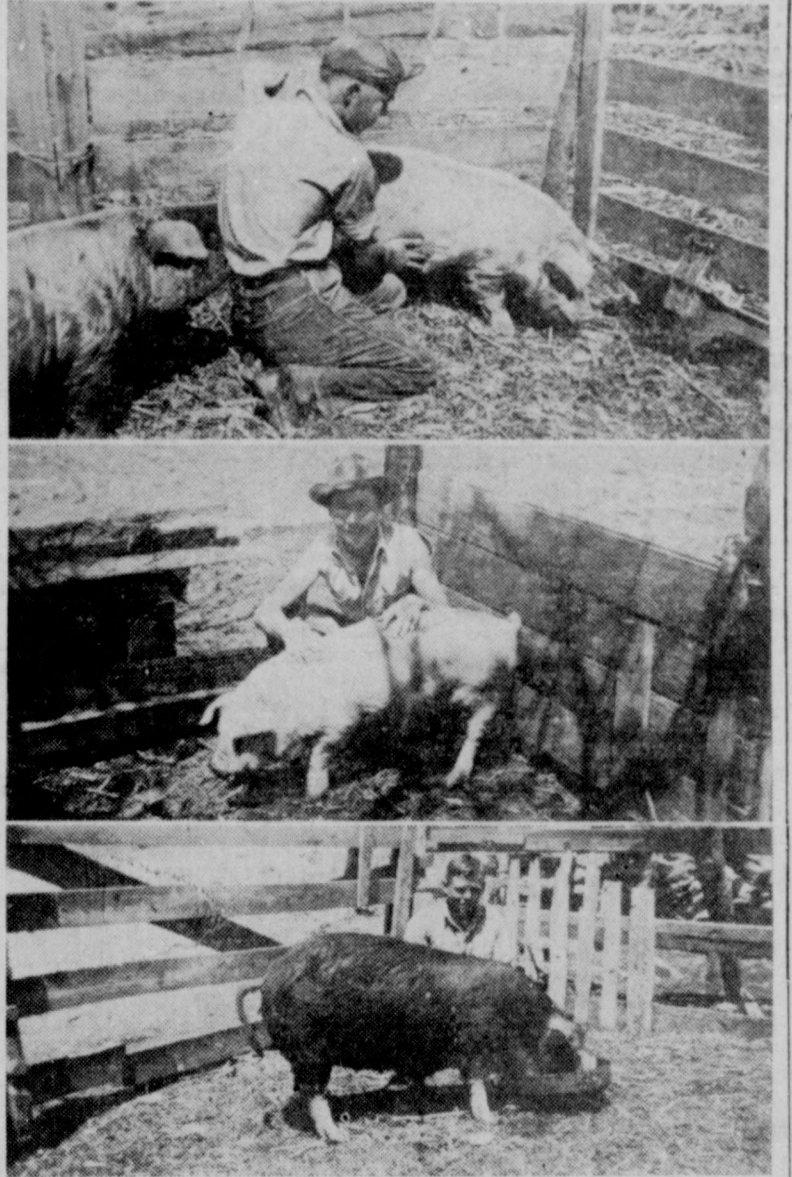

FARR RENAMED TO HERMLEIGH

E. L. Farr, serving his first year as Hermleigh superintendent, was recently re-elected for the 1939-40 school year, as his board of trustees approved a 1938-39 program of community cooperation and building. One of the most modern gymnasiums in Central West Texas was completed early this year, and other accomplishments have been marked up on the school leader's credit ledger.

Also re-elected recently were A. C. Bishop, Jr., high school principal and coach, and S. L. Morgan, grade school principal. Both men have been with the school several years. Bishop has made Hermleigh an athletic power, while Morgan headed the school musically.

The school was all-round League leader in the county this year.

See Them At Dunn 4-H Club Show

Three Dunn 4-H Club boys who will exhibit swine at Dunn's 4-H Club Project Show Friday, May 5, are shown in the above pictures. Top to bottom are Charles Merritt, who will exhibit a registered O. I. C. gilt;

Havis Black, also exhibiting a registered O. I. C. gilt; and Harold Denson, who will exhibit a registered Poland China sow. T. B. Hicks, Dunn vocational agriculture teacher, will direct the project show.

FIFTH SUNDAY SINGERS MEET AT PLAINVIEW

Snyder, Hobbs and Other Quartets To Be Featured; Afternoon Sessions Scheduled

Singers from Scurry and adjoining counties will gather at Plainview Sunday afternoon for a regular session of the Fifth Sunday Singing Convention that will be highlighted by outstanding singers and quartets, officials reported Monday.

The gospel song fest, starting Sunday afternoon at 1:30 o'clock, will have as featured the Snyder, Sunset and Williams quartets of Hobbs, as well as out-of-county quartets, on the afternoon program that is slated to close at 4:30 o'clock. A site for the next convention session in July will be selected Sunday afternoon.

Dewey Niedeecken, convention president, is joined by Roy O. Irvin, vice president, in extending a cordial invitation to all singers and convention delegates to attend the Plainview sing song.

DRIVERS' LICENSES.

The expiration date on drivers' licenses has been officially moved up by the Legislature to September 1. It was reported Tuesday by Herman Darby, tax assessor-collector. The new deadline for obtaining driver's licenses will allow plenty of time for the State Department of Public Safety to double check on licenses issued previous to February 1, 1939.

INITIAL MAJOR SCHOOL EVENT SUNDAY NIGHT

Pyron Baccalaureate Service To Be Conducted at Pyron; Educator Commencement Speaker

First major school closing program of the year will be Pyron's baccalaureate service, slated for the Wastella Baptist Church Sunday evening at 8:00 o'clock. Rev. J. C. Foote, Methodist minister at Roscoe, will bring the sermon.

Special music is being arranged by Robert Taylor and Mrs. N. E. Simons.

Dr. Frank L. Turner, president of McMurry College, Abilene, will be the commencement speaker in the gymnasium Friday evening, May 5, at 8:00 o'clock. Roy O. Irvin, the county superintendent, will be the speaker for closing exercises of the grammar school at 11:00 o'clock the same day. An all-day closing program it will be, with dinner on the grounds and ball games in the afternoon.

There will be 16 seventh grade graduates, 12 high school graduates. Following are the high school seniors: Mary Frances Glass, valedictorian; Mable Glass, salutatorian; Oleta Blair, Velda Clark, Gladys Light, Billy Moseley, Odell Miller, James Reed, J. Z. McClouthlin, Tiltman Parker, Dempsey Darden and Roy Kimzey. Miller is the highest ranking boy.

INVITE PUBLIC TO RECITAL AT LOCAL CHURCH

Well Known Organist To Be Assisted Friday Night Here By Snyder Schools' Speech Director

An organ recital featuring one of the state's leading organists will be the Musical Coterie's annual major contribution to the musical life of Snyder and nearby communities.

Friday night of this week, April 28, at 8:00 o'clock, is the time set for the cultural treat. The First Methodist Church is the site, and Phelan Dorn of McAllen is to be the accomplished visitor at the organ.

Musical Coterie, led by Mrs. W. C. Hooks of Dunn, president, points out that the program is free to the public. "We are expecting many, many visitors," Mrs. Hooks said this week. "Everyone is invited."

Assisting the visiting organist will be Miss Peggy Elliott, director of the speech department, Snyder High School. She will present "Story of the Moonlight Sonata" and will be director of Sir James Barrie's well known one-act play, "The 12-Pound Look."

Dorn, who has played in a number of South Texas churches, will be presented at Colorado in a recital at 5:00 o'clock Sunday afternoon.

Following is the Dorn program: "A Prayer," Franck; "Meditation," Frysinger; "Pastorale," Dupre; "La Estrellita," Ponce-Kohlman; "My Heart at Thy Sweet Voice," Saent-Saens; "Liebeslied," Kreisler; "Ave Maria," Schubert; "Prelude of Lament," Chopin; "Sketch," Demarest; "Festal March," Kroeger; "Spring Song," Mendelssohn; "Largo," Handel.

Commissioners Court Explains Proposed Highway Bond Issue:

To the People of Scurry County:

As an actual example of the cost, the man who renders his farm or business or other property for \$2,000 would pay an additional tax for these bonds of approximately \$1 per year, or, for the 20-year period, approximately \$20. If he renders four head of horses for \$400, he would pay for these highway bonds about five cents per year.

This highway, if and when completed, will be a trans-continental highway running from the east coast to the west coast. In fact, it will be the main street of the nation—the biggest thing that Scurry County has ever had an opportunity to get.

During construction work alone the State and Federal governments will spend, conservatively, over one-half million dollars on this highway, and the principal part of this will be spent for labor in Scurry County.

(Signed) Commissioners Court:
STERLING WILLIAMS, County Judge
HUBERT ROBISON, Commissioner, Precinct 1
J. E. HUFFMAN, Commissioner, Precinct 2
H. M. BLACKARD, Commissioner, Precinct 3
J. E. HAIRSTON, Commissioner, Precinct 4

Acting upon a petition signed by the required number of property tax-paying voters of Scurry County, we have called an election for Tuesday, May 2, 1939, to vote on the proposition of whether or not Scurry County shall issue bonds in the amount of \$35,000 for the purpose of securing right-of-way for Highway 15 across the county.

If the bonds are voted, they will be issued serially, and they will be due \$1,000 per year for the first 10 years, \$2,000 per year for the next five years, and \$3,000 per year for the next five years, making the last bonds due and payable on the twentieth year.

The election order calls for a rate of interest on the bonds, if issued, not to exceed four per cent per year. We have had offers from bond buyers subject to the bonds being voted at rates of interest ranging down to 3½ per cent. We, therefore, know that if issued the bonds will draw interest at a rate not in excess of 3½ per cent per year.

In order to service, maintain and retire these bonds it will, of course, be necessary to levy a tax on all of the property in Scurry County, both town and rural. Based upon the county valuation, we estimate that it will be necessary to levy a tax of approximately five or five and one-half cents on the \$100 valuation for this purpose.

Lay a yardstick on a highway map States, Surprising as it may be, the East-West route, beginning at Savannah, Georgia, and extending westward, via Snyder, to Hobbs, New Mexico, is one of, if not the longest straight highways in the nation. It scarcely varies from a tier of counties between Hobbs and Savannah, Georgia. Its feeder roads are numerous.

Beyond Our Dreams.

With the final improvement of Texas State Highway 15, travel via its straight direct route between coasts will develop in volume now far beyond the choicest dream of those associated with the movement since the early days of 1926-27.

The coming of motorists creates civic pride. Cities all down multiply their clean-up and paint-out campaigns; a new tourist court, modern as is the present day demand of motorists, appears; and a new hotel here and there not only meets the demand of the stranger within our gates but provides that facility which every city cherishes—a hosier's of which he feels proud. The economic value of the road, while great, cannot be foreseen, but the benefits would be in evidence the day the highway is opened to use.

New Mexico Ready.

New Mexico, with a population slightly in excess of 400,000, was expected to be the last of the two states to complete the East-West route. But it has finished its job from Texas on the west to Texas on the east, save for blacktopping 26 miles of new road just west of Hobbs—and that work is programmed for the current spring and summer months.

In tribute to those early-day pioneers along Texas State Highway

Highway Department Proves Faith in Future of Highway 15

Texas Highway Department did not provide for five miles or 15 miles of construction during the year beginning July 1, 1938. It appropriated a sum sufficient to build Texas State Highway 15 from border to border in Scurry County during one fiscal year.

This action alone is suggestive of the State Highway Department's recognition of the value of the transcontinental route, via Scurry County, to and from America's outstanding scenic attraction—Carlsbad Caverns National Park, and thence the property of each citizen of the nation.

The appropriation cannot be too highly commended. It is significant and of major importance, and demands the highest sense of appreciation of property owners and every resident of Scurry County.

The present East-West Highway Association was organized at Lamesa in 1926-27, and member cities between Dallas and Carlsbad have labored diligently and effectively toward the accomplishment of the completion of a paved line East-West route between Dallas to the east and Carlsbad and Carlsbad Caverns National Park, and thence to the Pacific coast, to the west.

This County Decides.

The effort of these years of work toward the goal sought now awaits the action of voters of Scurry County at the election May 2 for bonds to provide funds for the right-of-way for the super-important East-West highway route. Certainly, the bonds will carry and thereby improve the early construction of THE ONLY UNIMPROVED SECTION OF HIGHWAY BETWEEN FT. WORTH AND DALLAS AND CARLSBAD for which right-of-way has not been definitely provided.

of the road system of the United

States, Surprising as it may be, the East-West route, beginning at Savannah, Georgia, and extending westward, via Snyder, to Hobbs, New Mexico, is one of, if not the longest straight highways in the nation. It scarcely varies from a tier of counties between Hobbs and Savannah, Georgia. Its feeder roads are numerous.

Beyond Our Dreams.

With the final improvement of Texas State Highway 15, travel via its straight direct route between coasts will develop in volume now far beyond the choicest dream of

those associated with the movement since the early days of 1926-27.

The coming of motorists creates civic pride. Cities all down multiply their clean-up and paint-out campaigns; a new tourist court, modern as is the present day demand of motorists, appears; and a new hotel here and there not only meets the demand of the stranger within our gates but provides that facility which every city cherishes—a hosier's of which he feels proud. The economic value of the road, while great, cannot be foreseen, but the benefits would be in evidence the day the highway is opened to use.

New Mexico Ready.

New Mexico, with a population slightly in excess of 400,000, was expected to be the last of the two states to complete the East-West route. But it has finished its job from Texas on the west to Texas on the east, save for blacktopping 26 miles of new road just west of Hobbs—and that work is programmed for the current spring and summer months.

In tribute to those early-day pioneers along Texas State Highway

15, and for the convenience and economic advantages to all the residents of Scurry County today, and for their children of tomorrow, the appeal goes out to each citizen to lend a hand toward voting, with a large majority, in favor of the issue of May 2.

Return Manyfold.

The small sum involved will be returned manyfold through the tax on gasoline. The improved and shortened road will provide a saving of automobile expense to the car users of Scurry County. And the new dollars left in Scurry and

all other counties en route will be a new economic resource from the new road.

The goal at stake—whether the road will be completed through Scurry County—surely demands the favorable action of every voter, man and woman and boy and girl's of voting age and qualifications.

Appreciation will thus be shown to our State Highway Department for spending \$200,000 in our county (and many more thousands to come before the road is completed) all within one year, and to complete our road from county line to county line at one and the same time.

The WOMAN'S Page

Number of Snyder Clubwomen Will Attend District Federation Meeting

Plans for Tea, Exhibit Completed

Several local clubwomen are making plans to attend the 1939 annual convention of the Texas Federation of Women's Clubs, in Pampa next week. Convention dates are May 1-3, Monday, Tuesday and Wednesday.

Registration will begin at 9:00 o'clock Monday morning at the First Methodist Church in Pampa, where convention sessions will be conducted. General theme is "Federation, The That Binds," and Mrs. J. M. Rathford of Chillicothe, district president, will be in charge of general sessions.

Mrs. Wayne Boren, chairman of community music in the state federation, has made tentative plans to attend the district convention, along with other delegates and visitors from Snyder. Mrs. Boren was chairman of the district's fine arts department the past two years and has held other board places in the fine arts division in recent years.

Elected delegates to the convention from local clubs are as follows: Mrs. Herman Doak, Altrurian Daughters; Mrs. John R. Williams, Altrurian Club; Mrs. J. P. Nelson, Alpha Study Club; Mrs. W. H. Cauble, Twentieth Century Club; Mrs. Earl Louder, Ingleside Study Club; Jewel Foster, Art Guild. No delegate has been named in Woman's Culture Club, Mmes. Herman Darby and P. W. Cloud, Altrurian Daughters, also plan to attend.

Monday night at the convention will be President's evening. Tuesday's program will highlight a luncheon honoring junior club women, a Golden Jubilee dinner at 6:00 o'clock and Fine Arts evening. The convention will come to a close on Wednesday at noon.

District board meeting Monday morning at 10:30 o'clock will be followed by a luncheon for the board, delegates and honor guests, a courtesy of the Pampa Board of City Development. Formal opening of the convention will be a tea, honoring state and district officers, board members, delegates and guests.

Names of guests attending Alpha Study Club's formal dinner last Friday evening were incorrectly given. Besides the 22 members present the following were guests: Mmes. John Blum, Joe Stinson, Lee T. Stinson, John Keller, Grady Styles, Sam Joyce and J. C. Ward.

Delegates Named At Tuesday Meeting

Mrs. J. P. Nelson was elected delegate from Alpha Study Club to attend the annual convention of seventh district, Texas Federation of Women's Clubs, being held in Pampa Monday, Tuesday and Wednesday of next week. Alternate is Mrs. C. F. Sentell.

Alpha's Tuesday meeting was held at the home of Mrs. I. H. Spikes Jr., with Mrs. David Strayhorn directing the program. It centered on "Stay-at-Home Christians" by Bernard Eddings Bell from Atlantic Monthly, with panel speakers bringing many outside points to add interest. On program were Neoma Strayhorn, Mmes. Raymond Sims, Joe Graham, G. M. Heinzelmann and Alfred McGlaun.

During the business session the club revised its constitution with special changes made in dues and method of voting for new members. Contribution was allowed and sent to the Woman's Field Army to aid to the Pennsylvania Cancer Memorial Fund, created in memory of Mrs. Percy V. Pennbacker for years an outstanding state federation leader.

The hostess served delicious chicken pie in party shells, ice cream and wafers with iced tea to the following members: Mmes. Melvin Blackard, Wayne Boren, Graham, Heinzelmann, Ixon Joyce, McGlaun, Nelson, Forest Sears, C. F. Sentell, John E. Sentell, Sims, Wayne Williams, Strayhorn, T. M. Howie, J. G. Hicks and T. E. Major, Misses Hattie and Gertrude Herm and Neoma Strayhorn.

REVIEWER TO BE PRESENTED IN CITY SOON

Mrs. Dale Morrison of McMurry College, Abilene, will be presented soon to local people in a review of "Royal Regiment" by Gilbert Frankau, England's foremost novelist, by the Woman's Missionary Society of the First Methodist Church. Exact date for the review has not been set, but it probably will be within the next two weeks.

Funds received from the 25 and 15 cents admission will go into the work of the sponsoring organization. Mothers of members of the 1938 graduating class of the local high school will be special guests for the review, which will be given in one of the theatre buildings.

Both circles of the Methodist Missionary Society were guests in the home of Mrs. E. H. Odum, Monday afternoon. Hostesses were Mmes. Odum, E. E. Wahlkamp, W. J. Ely, Tate Lockhart and R. W. West. "New Realization of Democracy in the Local Community" was the subject of the lesson, led by Mrs. Joe Strayhorn, who also gave the devotion.

Mrs. Lee T. Stinson gave the World Outlook topic, special piano selection by Mrs. Wahlkamp, leaflet, Mrs. T. M. Howie. The hostess passed ice cream, cookies and mints to 32 members.

Mrs. A. C. Preuit, vice president, conducted the business session. Mrs. J. G. Hicks, local treasurer, reported that a new Frigidaire had been installed in the paragon.

The Snyder missionary women wish to express appreciation for the wholehearted cooperation of Snyder people and their assistance during the Sweetwater District Conference held here last week.

A missionary zone meeting at Pampa Wednesday of this week was attended by a group of local women, led by Mrs. Odum, district secretary. Others attending were: Mmes. T. M. Howie, T. J. DeShazo, C. R. Burk, I. A. Smith, Clyde Murray, H. T. Sefton and Daisy Cavin. Friday Mmes. Odum and Sefton will be in charge of a similar meeting at Andrews.

Inspect Frame Gardens.

Members of the Ira girls 4-H Club met at the schoolhouse yesterday (Wednesday) with Miss Estella Rabel, home demonstration agent.

The 17 girls present, together with their sponsor, Mrs. E. Kruse, and Miss Rabel visited the gardens at the Kruse and Wright homes.

Following the trip by bus to inspect the Kruse-Wright frame gardens, the home demonstration agent discussed with club members the 4-H Club rally in July and the District 4-H Club Show at Lamesa August 4 and 5.

Southern Women Eager to Tell!

"One is bound to be gratified by the enthusiasm of Southern women for CARDUI!" says one of the Touring Reporters now conducting a Query in Southern cities.

"Of the 1297 CARDUI users we have seen so far," she said, "1206—or 93 out of every 100—said it definitely benefited them!"

CARDUI's remarkable success in helping weak, rundown women who suffer from headache, depression, nervousness, and other symptoms of functional dysmenorrhea due to malnutrition, is explained by the way it promotes appetite and digestion, and so builds physical resistance. Try CARDUI!

Business Women Enjoy Circle Meet

Business and Professional Women's Circle of the Methodist Missionary Society enjoyed a meeting Tuesday evening, 7:30 o'clock, at the home of Grace Holcomb. Eight members were present to hear an interesting lesson on "Way of the Witness" by Shillito, study book, directed by Mrs. W. W. Smith, who is study leader.

Assisting with the discussion were Mmes. F. L. Pierce, Joe Oton, King Sides and Miss Nellon Minix. Interesting facts concerning the great uniting conference, being held by Methodists in Kansas City this week, were told by Mrs. M. W. Clark, sponsor.

Next meeting will come in two weeks at the home of Mrs. Pierce, circle president.

Beauticians Attend Lubbock Trade Show

Four local beauticians attended sessions of the West Texas-New Mexico Beauty School and Trade Show sponsored by the Russell Morrison Company, dealers in equipment and supplies, this week. They were: Mrs. Gertrude Smith, Mrs. Woodie Scarborough, Mrs. Bea Curry and Maxine Meyers. Last of the four will be home today.

Comments on the show were complimentary coming from the local women. "It was the best show I've ever attended," said Mrs. Smith yesterday.

Registration the three days—Monday, Tuesday and Wednesday—reached the expected 1,000. Ricardo Martin, noted hair stylist of Hollywood, New York and Chicago, demonstrated his method of finger waving. Russell Morrison was in charge of the program, which included demonstrations and discussions. Exhibits were arranged at the Hilton Hotel, and part of the programs were at the Lubbock Hotel.

ANNUAL DUNN CLASS AFFAIR FRIDAY NIGHT

Spring colors were employed in decorations and appointments at Dunn's annual junior-senior banquet held at the Manhattan Hotel in Snyder Friday evening. Table decorations included cut flowers and blooming potted plants, and place cards featured the spring idea.

A. A. (Pat) Bullock, former Scurry County superintendent, was main speaker for the evening, centering his address on "Preparedness." Superintendent Cleo W. Tarter is sponsor of the honored senior class, and Coach C. B. Connally sponsors the juniors, who were hosts for the evening.

Conolly presided for the program as toastmaster, and the welcome was issued by Don Hanson, junior. Response was by Evelyn Hanson, a member of the graduating class. Music was furnished by a four-piece orchestra composed of Ben W. Newhouse, avette Brown, Irene Turner and Kenneth Brown.

Senior class members attending included the following: Evelyn Hanson, Frazier Dameron, Wanda Nail, Eleanor Thomas, E. A. Moore, Jimmie Merritt, Arvill Martin, Lee Royal Brinkley, H. J. Gill, Gilly and Laverne Cotton.

Other special guests besides the principal speaker were: Mr. and Mrs. Tarter, Mr. and Mrs. Connally, Mr. and Mrs. Dan Hamill, Bernice Chandler, Loraine Sneath, Sybil Cope, D. E. Carroll, T. B. Hicks, Ben W. Newhouse, Lavelle and Kenneth Brown and Irene Turner. Juniors were: Don Hanson, Irene Brown, Jhy Nell Ryan, Mary Allen Echols, James Casey, N. A. Billingsley, Darlene Beavers and Billy Dameron.

Out-of-Town Guests Attend Sorority Dance

First sorority dance given by the six-months-old Snyder chapter of Beta Sigma Phi Sorority was enjoyable Monday evening for a crowd of nearly 40 dancers. Girls were in formal dresses for the affair, which was held in the sorority room at Wilsford's Coffee Shop.

Hostesses for the evening were Louise Wilsford, Helen Cauble, Alene Curry and Mayme Lee Gibson, members of the Gamma Delta chapter, and Mrs. T. M. Howie, educational director.

Three sorority members from Big Spring and their escorts were special guests for the evening. They were: Margaret Alderson, secretary of the Big Spring chapter, Maxine Riegel and LaFern DeHillinger; W. D. Scott, Johnnie Nail and Roger Wolfe. Personal invitations were extended local members to attend the area council in Big Spring Sunday, June 25, the final day of the Big Spring Annual Rodeo. A rodeo theme will be featured at the area meeting.

P.-T. A. FAVORS STATE SAFETY SUGGESTIONS

Snyder's Parent-Teacher Association voted at last week's meeting to back state safety measures, and to do anything in its power to prevent doing away with the safety patrol already in operation. Importance of the completion of Highway 15 through Scurry County was brought before the association, and comments on it were favorable.

Students in the music department of Snyder Schools were presented in selections by Mary Evelyn Pickle, instructor. Ola Margaret Leath gave a group piano selection, and "Beautiful Ohio" was presented as a harmony number by Beverly Johnson and Margie Arnett. Miss Pickle introduced the three.

General reports of the district conference held recently at Crosbyton were given by Mmes. Sims and P. C. Chenault, district board members, and Mrs. Dudley Anz, local delegate. Hattie Herm gave an interesting discussion of exhibits of art, posters and yearbooks.

Resume of the track season and introduction of track stars by Coach W. W. Hill concluded the afternoon's program.

Tuesday Club and Guests Enjoy Party

Tuesday Bridge Club members and guests enjoyed a party given by Mrs. Joe Strayhorn this week. High score prizes at the close of contract bridge games went to Mrs. J. D. Scott, guest, and Mrs. W. J. Ely.

At tea time the hostess served delicious fresh strawberry ice cream and angel's food cake to Mmes. H. G. Towle, Ernest Taylor, Scott, Joe Stinson, Billie Lee Jr. and Ruth Hyden of Ft. Worth, guests, and the following Tuesday Club members: Mmes. Ely, J. C. Dorward, T. L. Lollar, H. P. Brown, A. C. Preuit, W. W. Hamilton, W. H. Cauble, John R. Williams, H. J. Brice and E. M. Deakins.

Mrs. Brice will be next hostess to the club at her home May 9.

CALL MEETING.

Call meeting of the Woman's Culture Club Tuesday afternoon was at the home of the president, Mrs. E. E. Weathersbee, and 10 members attended. Next meeting will be the final one of the year. Mmes. E. P. Sears and Bernard Longboham will be hostesses May 9 for the Federation Day program.

44 Dunn Girls Attend.

A total of 30 Dunn 4-H Club girls and 14 senior 4-H Club girls held two meetings at the Dunn schoolhouse Tuesday. Miss Rabel gave a demonstration on the placing of patterns and cutting out material for a school dress.

Miss Rabel showed the group several ready-made dresses, and had the girls examine the dress, materials, seams, trimmings and hems.

Present besides Nancy and Joan were: Maryann Miller, Ethel Lynn, Nelida Belle and Donald York, Billie Arlene Biggs, Billie Graham, Ann Wedgeworth, Shirley Gillum, Dewey Fay Everett, Eleanor Erwin, Camille Cloud, Maxine McClinton, Erlon Joyner, Marianne Randals, Louise and Jimmy Evans, Bobby Jean Kerley, Willis Lemons, Martha Stoker, Hattie Ruth Parker, Jeanine Lapour, Maryann Morrison, Billy and Benny Sims and Patty Ruth Moore.

Canyon Club Meets.

"The type of seam you use in making slips and dresses depends on the material to be used," Estella Rabel, home demonstration agent, said yesterday (Wednesday) at a meeting of the Canyon 4-H Club.

"The purpose for which a dress is to be used should determine the material from which it is made," Miss Rabel told club members. Sport type clothes should be used for school or work, and should be made of gingham, prints, broadcloth or plique materials. All club members except two were present at the Canyon meet.

MADE-TO-ORDER

For Southwestern Housewives

new gas range has unique time-freeing quality

NOTHING PROVOKES the Southwestern Housewife like waste, be it of time, effort or of money! Since the new gas ranges now available meet her standard of efficient economy so magnificently it is little wonder interest soars in kitchen modernization. For a housewife wanting to save work, save time, save money these new ranges are made-to-order. Glistening, easy-to-clean porcelain surfaces save work. Simmer burners, automatic time and temperature controls save time. Oven insulation and unparalleled control of heat save gas. When you see these ranges, you, too, will want to modernize for easier, better cooking.

Community Natural Gas Co.

Mrs. Rodgers Gives Dates of Recitals

Helen Boren Rodgers, local music teacher, is announcing dates for three spring recitals, to which the public is given a cordial invitation to attend. First of these will come next Thursday evening when Nell Verna LeMond, daughter of Mr. and Mrs. J. E. LeMond, will give her junior recital. Miss LeMond was recently named "Who's Who in Music" in Snyder High School.

Mrs. Rodgers' class recital has been announced for May 12. Patti Hicks, daughter of Dr. and Mrs. J. G. Hicks, will be presented in her junior recital Sunday afternoon, May 21. The three programs will be announced soon.

Demonstration Club Notes

Estella Rabel, Agent

"Watch Your Voice."

"Watch your voice. It should be like a lovely doorway, which leads into a beautiful home. To be a good talker each of us must cultivate a vital interest in life, should react to situations and personalities and be tactful," quoted Mrs. M. A. Davis at a Wednesday afternoon meeting of the Demonstration Home Demonstration Club last week.

Mrs. Davis spoke from a paper, "How to Improve Our Conversation," at the meeting, held in Mrs. Gibson's home. Mrs. Allen Stephens gave the council report and Mrs. Albert Hobbs gave a reading, "Budgeting Time." Meses. Tom Davis and Forest Boss from the club will be among official hostesses at the district meeting here.

Ice cream and cake were passed at the close of the meeting to the following: Meses. Stephens, W. E. Boss, Elmer Bradshaw, Forest Boss, Tom Davis, L. N. Periman, Willie Gibson, Thurman Kelly, Albert Smith, Hobbs, Bessie Perkins, G. B. Gibson, members: Meses. Rosson, Harrison Armstrong, E. W. Gladson and J. W. Gladson, guests.

Bison 4-H Girls

Last week's meeting of the Bison 4-H Club girls proved interesting and helpful. A club party will be held Friday night of this week. Plans for a new feature for the recreation period will be called the "Question and Answer Box."

Present for the meeting were: Myrtle Woody, Estel Wellborn, Lucille Sorrells, Doris Farmer, Roberta Bishop, Frances Short, Ellen Sorrells and Marion Barner. The two absent members are Juanita Nicks and Alva Wilson.

Budget Your Time.

"First Aid for Your Time Budget" was the subject for interesting discussions by members of the Union Home Demonstration Club, which met last Thursday with Mrs. Gordon Smith. Schedule of work for one day was given by each member in answer to roll call.

Mrs. Walter Coonrod told how much time could be saved by budgeting one's time, and the remainder of the afternoon was spent quilting for the hostess.

A refreshment plate of jello, cookies and punch was served by Mrs. Smith and Mrs. Floyd Logan to 14 members and two guests. The club boasts 30 members, and each of them is urged to attend the next meeting with Mrs. Virgil Jones next Thursday afternoon.

Clubs Meet Friday.

Fluanna Demonstration Club met last Friday with Mrs. Arch Lavender. Mrs. Tommy Parquhar led the discussion on "Improving Our Conversation," and Mrs. Jess Bley led the discussion "Budgeting Our Time." The next meeting will be an all-day meeting May 5 at the home of Mrs. J. J. Belev.

Mrs. Hess Hostess.

Completed, dresser smart should be suitable as to material and design for your furniture, and they should launder easily, said Estella

Advertises National Cotton Week

Alice Hall, 19-year-old "Maid of Cotton" from Memphis, is a flying ambassador for cotton. In major cities from coast to coast she is spreading the story of National Cotton Week and the Cotton Carnival in her hometown May 9. In ultra-smart wardrobe of all-cotton materials, she models her cotton garments at cotton fashion shows, talks cotton on the stage and over the air, makes personal calls and appearances in 22 cities, plus the New York and San Francisco world fairs. Next to cotton, Alice is devoted to flying and amateur theatricals.

Fred Day Marries At Huntington

Mr. and Mrs. J. R. Lacy of Huntington are announcing the marriage of their daughter, Nellie B. to Fred Day, son of Mr. and Mrs. J. C. (Lam) Day of Snyder.

Marriage of the couple took place in Huntington Sunday, April 9, with Rev. Dudley, pastor of the First Baptist Church there, officiating. The couple will live at Huntington.

Pyron Girls Meet.

"A dress must hang correctly for the best appearance," Miss Rabel, home demonstration agent, told members of the Pyron 4-H Club at a meeting held in Pyron Schoolhouse Thursday.

"One should straighten the material before cutting out a garment," Miss Rabel stated. "Place all of the pattern on the material before cutting to see where material may be saved."

"One should be sure there is plenty of dress material. Directions given on the pattern help. Notches should be made with a pencil or thread. The garment to be made should be basted and fitted, after which one can choose seam and stitch."

Guests of Mrs. J. C. Dorward this week were her mother, Mrs. Hattie Crossets of Big Spring, and her sister, Mrs. Ruth Hyden of Fort Worth.

Hermleigh Woman Honoree at Party

Mrs. T. C. Chitsey of Hermleigh, long-time resident of Scurry County, was honored on her 75th birthday last Sunday with an all-day party given at the home of her grandson, Eldon Chitsey, and family in the Lone Star community. The affair celebrated two anniversaries—birthday and the 54th wedding anniversary of Mrs. Chitsey and her husband.

A birthday cake made by Mrs. Eldon Chitsey, hostess for the day, was led in white and decorated with 75 pink candles and "Happy Birthday to Grandmother" in pink letters. The 38 relatives and friends, who assembled to honor Mrs. Chitsey, spent the day visiting. Happy returns were said by the guests in the form of useful gift remembrances.

Attending the celebration were the following: The honoree, Mr. and Mrs. Earl Chitsey and family, Mr. and Mrs. Walter Prescott, Mrs. Frances Hammett, Mr. and Mrs. Marvin Robertson and children, Colorado City; Woodrow Chitsey, Pampa; Mr. and Mrs. R. L. Hook, Snyder; Billy Joe Bennett, Bill and Charles Broadus, Mr. and Mrs. V. C. Prescott, Amarillo; W. M. Prescott, China Grove; Mr. and Mrs. Earl Prescott, Mrs. Ben Barrett, Hermleigh; Mrs. T. H. Prescott and children, Lorraine; and the Eldon Chitsey family and Mr. Chitsey.

Federation Is Discussion for Guild

Willna Shropshire was hostess to the local Art Guild at the home of Mrs. R. W. Cunningham last Tuesday evening. Mrs. O'Dell Ryan was leader for the program centering on "Texas Federation of Women's Clubs."

The leader's discussion took in the accomplishments of the Federation, featuring child welfare, libraries and loans. Rayolene Smith in telling "What the Federation is Doing Now" outlined the program and enumerated the worthwhile works being done in the state.

Delicious sandwiches, olives, salad, iced punch and mints were passed to three guests, Meses. Cunningham, Horace B. Seely and Marvin Grubbs, and the following members: Frances Boren, Quata Barrow, Ethel Lynn Hays, Estella Rabel, Vera Periman, Edith Grantham, Effie McLeod, Jewel Foster, Rayolene Smith, Meses. Ryan, Bunker Hill, Glen W. Berry and Billie Lee Jr.

High School Girls Give Debate for Club

Marjorie Davenport and Evelyn Terry, high school girls debating team, were presented before Alturian Club members at their meeting Friday afternoon in a spirited debate on the question, "Resolved: That We Should Have Socialized Medicine." The two were invited and presented by Mrs. H. G. Towle on the club's annual "Health and Safety" program.

The safety topic was brought before the group by Mrs. J. W. Leftwich, who exhibited a group of interesting and attractive safety posters made by her pupils in the Crowder School, Scurry County. Mrs. Towle was hostess to the club, and Mrs. W. P. King directed the program.

Members present were: Meses. W. R. Bell, Hugh Boren, J. C. Dorward, W. W. Hamilton, King, Leftwich, A. C. Preuit, Woodie Scarborough, Lee T. Shinson, J. C. Stinson, J. T. Whitmore, John R. Williams and Roland Irving. Mrs. Irving is a new member of Alturian Club.

Guests for the day were the guest speakers, Meses. Davenport and Terry, Mrs. A. M. McBurnett of Brownfield and Mrs. Towle's daughter, Mrs. John Blum.

DELEGATES TO SEMINOLE SEE ROSY FUTURE

Harry Hines Chief Speaker at 1938 Meeting; Widespread Work On Route Reported

Renewed emphasis on State Highway 15 as a transcontinental route was a feature of the 1938 meeting of the East-West Highway Association, held last July 15 at Seminole.

Among the important accomplishments listed at the Seminole meeting since 1937, as pointed out by Sam Richardson, association president, was the addition to the seven per cent federal aid system of Highway 15 between Roby and the Texas-New Mexico boundary.

Richardson highly commended the cooperation being shown by chambers of commerce, county judges, the state high departments of Texas and New Mexico and the Bureau of Public Roads for their efforts in behalf of Highway 15.

For U. S. Designation. Harry Hines, member of the State Highway Commission of Texas, emphasized at the Seminole meeting the importance of securing federal designation of State Highway 15, with the resultant federal participation of 50 per cent in cost of road construction.

Hines stated at the association convocation a total of \$1,962,910 was approved for construction projects on Highway 15 during 1938 between Louisiana and the New Mexico line.

Commissioner Hines indicated at the Seminole meeting that Highway 15 through Scurry County and the east half of Borden County would be constructed during the 1940 fiscal year.

Scurry County registered the largest delegation present at the Seminole East-West Highway Association meet. The following resolutions were adopted by the association:

Appreciation to Hines.

"We especially express our appreciation to Harry Hines of the Texas Highway Commission for his presence and his most interesting and inspirational address. We convey our thanks to him for the information of the proposed construction of Highway 15 in the sum of \$1,962,910. Commissioner Hines is one of our most loyal supporters of Highway 15, and we thank him for it."

"We thank the Texas Highway Commission for its interest in Route 15. We also thank Robert Lee Bobbitt and Julian Montgomery for their good communications, and reg. their inability to be with us."

"We appreciate the fine work of the New Mexico Highway Commission for the near completion of the connecting road in New Mexico."

"We sanction and commend the idea advanced by Victor L. Minter to plant trees en route along Highway 15 for beautification, and as an aid to soil conservation. We favor the proposed name of Harry Hines Tree-Lined Transcontinental Highway."

"We thank the Bureau of Public Roads for designating Texas State Road 15 a part of the federal aid highway system. We likewise appreciate the assistance of J. A. Elliott, district engineer, Bureau of Public Roads."

This Faculty Directs School Work for Pyron

This picture of the Pyron School faculty was recently presented on the Scurry County school page, Abilene Reporter-News. Left to right, they are: P. A. Ammons, B. A. from Texas Tech, second year as grade principal and English teacher; Mrs. N. E. Simmons, permanent elementary certificate, third grade, sixth year; JoEd Cupell, B. S. from West Texas State

Teachers College, mathematics and shop, basketball and track coach; Pauline Coe, B. A. from Texas Tech, high school English and girls' athletics; M. H. Greenwood, M. A. from Texas Tech, superintendent, Spanish and history, coach of six-man football, assistant in other athletics; Eva Cliburn, B. S. from Stephen F. Austin Teachers College, teacher of home econom-

ics; Robert Taylor, three years of college, grammar school coach, director of music; Mattie Beth Payne, B. S. from Texas Wesleyan College, third year as primary teacher; W. B. Tatum, B. S. from East Texas State College, is high school principal for the fourth year in the Pyron schools, teaches commercial work, and is coach of debate and tennis.

U. S. ROUTE TO CAVERNS WILL DRAW TRAVEL

Importance of Federal Number Is Stressed, Since Motorists Go On National Road

Starting almost with the inception of the East-West Highway Association and its earlier organization, officials have labored for a United States numbered route between some point to the east of Snyder, preferably Metcalfe Gap, via Carlsbad Caverns, and El Paso.

On December 18, last, the State Highway Commission of Texas made formal request to the American Association of State Highway Officials that Texas State road 15, between Fort Worth and the Texas-New Mexico State line west of Seminole, via Snyder, and from the New Mexico-Texas boundary west to Carlsbad, to El Paso, be approved as a United States Highway designation.

The State Highway Department of New Mexico, on December 28, 1938, also petitioned the American Association of State Highway Officials to continue the United States Highway designation between the Texas-New Mexico boundary to the East, via Carlsbad, to the State boundary to the west, and thence to El Paso, as a part of the numbered system of highways of the United States.

The importance and significance of these requests cannot be over-emphasized.

The days of the named highway routes of the country passed into non-use by motorists with the adoption of the United States numbered highway system. Automobiles now travel via numbered routes exclusively. Many such routes are via the larger cities of the Nation, but only a few are designated by such outstanding world attractions as Carlsbad Caverns National Park.

The numbered highway between Fort Worth and El Paso, via Snyder and Carlsbad Caverns National Park, is generally accepted as developing into a super-important artery of transcontinental travel and the earliest possible completion of the road should be the major goal of each city between Fort Worth and El Paso.

Sincerity is the surest road to confidence.—D. Lloyd George.

Local Grasshopper Threat Not Serious

R. T. Riberd, grasshopper control work specialist, was a Snyder visitor Tuesday afternoon. After checking local conditions, Riberd reported "Scurry County is indeed fortunate in regard to 'nopper infestation at this time."

Present indications point to a lighter grasshopper crop than usual, the county agent's office reports, but plenty of poison is available should the pests hatch out in larger quantities than expected. Farmers are requested to report grasshoppers found to the county agent as soon as possible.

BAND PARENTS.

There will be a called meeting of the Band Parents Association at the home of the president, Mrs. G. H. Leath, 2612 Avenue R, this (Thursday) afternoon at 5:00 o'clock. Plans for the annual band picnic will be made at the meeting. All members are requested to be present.

Pasteurization for Milk at Robinson's

Robinson's Sanitary Dairy installed a Stewart-Warner refrigerator this week that employs a new principle in the pasteurization of milk known as the electric light ray method.

Utilization of the new method calls for removing the caps from bottled milk and placing it in the refrigerator. The electric ray, radiating from a light tube, kills all bacteria within a one minute period. No additional charges will be made by Robinson's Dairy for pasteurized milk by the light ray method, which is said by dairy experts to be superior to any previous type of milk pasteurization known.

We can better help another by fanning a glimmer of goodness than by censuring his faults.—Elizabeth Gibson.

"Magic Caves of Ice" to be Seen At World's Fair

Cleopatra's wine bearers, the Roman Emperor Caligula's barge, a "well-house" of the Pilgrims in Massachusetts, the Aurora Borealis, luminous against frozen Arctic regions, are just a few vivid pages out of the exciting story of refrigeration which will be told from start to finish in "The Magic Caves of Ice," the exhibit being staged at the New York World's Fair by Serrel Inc., manufacturers of gas and kerosene refrigerators.

"Those who see the 'Magic Caves of Ice' will gain a new perspective on the relationship of adequate food protection and the development of the means of obtaining it from primitive life to modern day living."

"The exhibit is to be staged in the gas industry's 'Court of Flame' building at the World's Fair."

PARTY AT WADE'S
A refrigeration party, featuring a picture show sponsored by Stinson Drug Company, local Serrel Electrical dealers, was held last Wednesday night in the Clarence Wade home, Ennis Creek community. Refreshments were served to Messrs. and Mrs. S. L. Terry, Charley Prather, Nathan Wade, W. A. Wade and Woodrow Smith, and to Mrs. H. S. Hart.

TO AAA MEETING.
Edward S. Hyman, administrative assistant at the county agent's office, attended a Triple A meeting at Big Spring Tuesday presided over by J. W. Doak, Triple A field representative. Administrative assistants and county agents from eight West Texas counties attended the meeting. Doak explained clerical details pertaining to the 1939 AAA program, and outlined a plan of procedure for administrative assistants to follow in handling 1939 farm and ranch program details.

Nothing that lacks justice can be morally right.—Cicero

Public Roads, for his interest in the designation of the route."

Officers elected at the Seminole meeting for the 1938-39 year included W. J. Ely, Snyder, president; Floyd Jones, Breckenridge, first vice president; T. C. Horne, Carlsbad, second vice president; A. G. Bearden, Lamesa, secretary for Texas; and Victor L. Minter, Carlsbad, secretary for New Mexico.

In addition to the executive committee, consisting of association officers and the county judge of each county, the following members were elected: W. W. Sibbard, Dallas; Chas. G. Cotten, Ft. Worth; Bryan H. Keathley, Mineral Wells; W. P. (Bill) Clark, Hobbs, New Mexico; E. Birch Harrison, Carlsbad; and Sam Richardson, Lamesa, junior past president of the association.

Official Records

Births.

Interesting to note in birth records, filed in the county clerk's office since early March, is that nine of the new babies—three boys and six girls—from the total 23 recorded are first-borns of their parents. The records, taken from files early this week, list new Scurry County citizens as follows:

Mr. and Mrs. Clyde Clay, a boy, Lunsford Eugene, February 29.
Mr. and Mrs. Edgar McDowell, a girl, Betty June, February 25.
Mr. and Mrs. Leonard Haskell Butler, a girl, Jo Lynn, March 2.
Mr. and Mrs. A. W. Scrivner, Dermott, a boy, Royce Welch, March 2.
Mr. and Mrs. Clyde Alexander Danford, Runnels County, a boy, Bobby Gene, March 3.
Mr. and Mrs. William Olin Keen, a boy, William Robert, March 3.
Mr. and Mrs. Othel Lee Lewis, a boy, Jo Lavin, March 4.
Mr. and Mrs. R. W. Jones, Fluvanna, a girl, Mrs. R. C. Eastman, Route 1, a boy, Bobby Wayne, March 9.

Mr. and Mrs. W. L. Tankersley, a girl, Barbary Ann, March 18.
Mr. and Mrs. Marvin Smith, Route 1, Barbary Ann, March 18.
Mr. and Mrs. Armer Loftis McFarland, a boy, Fred Armer, March 21.
Mr. and Mrs. Horace Blake Walker, Dermott, a girl, Donna Gene, March 23.
Mr. and Mrs. Bud Milton Rains, Route 2, a boy, March 23.

Mr. and Mrs. T. J. Clark, a girl, Dorus Ann, March 24.
Mr. and Mrs. J. W. Edmonson, a girl, Betty Ann, March 23.
Mr. and Mrs. Autry E. Eubanks, Ira, a girl, Ba Leria Ann, March 26.
Mr. and Mrs. Otis Jenkins, a girl, Myra Jo, March 27.
Mr. and Mrs. Oran Jones, a girl, Christine, March 27.
Mr. and Mrs. James Stephens

Brown, Route 2, a boy, Donald Welton, March 27.
Mr. and Mrs. Garland Baze Parks, Dermott, a girl, Barbara Ann, March 30.
Mr. and Mrs. Thomas J. Hillis, a boy, March 30.
Mr. and Mrs. Joseph Archie Martin, a boy, J. A. Jr., March 26.

Marriages.

Since early March reports, several marriage licenses have been recorded in the county clerk's office. Couples and dates of marriage are as follows:

A. C. Alexander Jr. and Doris Helen Wellborn, March 5.
Melton Edwin Davis and Martha Mae Horton, March 19.
O. S. Piper and Ola Casborn, March 29.
Willie Bates and Mary Harts, April 2.
Oran Leon Guinn and Nora Mae Kerby, April 2.
J. D. Reynolds and Vera Crumley, April 7.
Luther E. McCollum and Lillian Barnes, April 8.
Scott Starnes and Billie Head, April 9.

Car Licenses.

Twenty-six new automobiles have been registered with the assessor-collector since March 1. Owners and dates of registration are as follows:

J. H. Byrd, Pontiac sedan, March 1.
Mrs. Sidney Johnson, Studebaker President sedan, March 2.
Henry Rosenberg, Buick fortor touring sedan, March 2.
Mrs. Beesie Perkins, Dermott, Chevrolet sedan, March 3.
Ben F. Thorpe, Dodge sedan, March 3.
Guy Guffee, Chevrolet Master fortor sedan, March 4.
E. F. Sears, Oldsmobile fortor sedan, March 4.
J. E. Halston, Chevrolet tudor, March 6.
J. E. Lewis, Hermetigh, Chevrolet Master town sedan, March 7.

E. F. SEARS Snyder, Texas

New Mexico Has Jumped Ahead of Texas on Route

What New Mexico has done toward paving U. S. Highway No. 62 and State Road 16, vital connecting links with Highway 15 across Texas, is described in a "tushell" by the following article:

The highway between the Cavern City of Carlsbad and the New Mexico boundary to the southwest, is 100 per cent paved.

The last project of 16 miles was completed in December, 1938.

Distance has been reduced from 43 miles to 36 miles.

The seven-mile drive through Walnut Cavern to Carlsbad Caverns is via the recently completed, paved, super-scenic road which creates visitors' admiration even in advance of entering the caverns.

U. S. Highway No. 62 is paved a distance of 31 miles east of Carlsbad.

The next 26 miles of new construction was completed late last fall. Blacktopping is to be completed about July 15.

Next connecting with the new 26-mile section is 18 miles of paved road, from the junction of U. S. 62-State Road 16, to the eastern boundary of New Mexico-Texas, via Hobbs.

Mileage between New Mexico-Texas to the southwest has shortened the route by twelve miles or a saving of approximately one gallon of gasoline per car.

ELECTION SUPPLIES. Meeting in special session Monday, members of the Commissioners Court mapped out final plans for sending election supplies to the presiding judges in the county's voting precincts preparatory to holding the \$35,000 Highway 15 bond election Tuesday.

Thursday, April 27—
"Trigger Pals"

starring Art Jarrett with Lee Powell and Al St. John. Another musical western suitable for all the family. Flaming Frontiers serial and comedy. Family Nights. All the immediate family admitted for one 20 cent ticket on Wednesday or Thursday.

Friday and Saturday, April 28-29—
"Red River Range"

starring The Three Mesquiteers, with Polly Moran. Lone Ranger serial and comedy.

Sunday and Monday, April 30-May 1—
"Prison Without Bars"

with Corinne Luchaire, Edna Best, Barry Barnes. Be among the first to cheer a sensational new... young, eager, vibrant Corine Luchaire. "Sophomore Swing," a new musical comedy. Admission 10 and 15 cents

Wednesday and Thursday, May 2-3—
"Almost a Gentleman"

with James Ellison, Helen Wood and Ace, the wonder dog and others. A dog that never stole a thing but the heart of a girl for his master. Flaming Frontier serial and cartoon comedy. Family Nights. All the immediate family admitted for one 20 cent ticket.

EAST-WEST ASSOCIATION TAKES LEAD IN COMPLETING HIGHWAY 15

Federal Aid, Many Other Objectives Carried to Successful Finish Since Body Formed

The East-West Highway Association, which was organized in 1927, and which is composed of member towns along the route from Dallas west through Fort Worth, Weatherford, Mineral Wells, Breckenridge, Albany, Anson, Roby, Snyder, Gail, Lamesa, Seminole, Hobbs, New Mexico, Carlsbad, New Mexico, and on to El Paso, has been carrying on an active campaign for the completion of the road.

Each year the association holds its annual convention in one of the member cities, and during the year several call meetings of the various committees are held.

It is believed that much constructive work has been done by the association, and much credit for the present construction program on the road belongs to the East-West Highway Association.

Snyder Man Leads. W. J. Ely of Snyder is the present president of the association, and is one of the outstanding champions of good roads in this section.

Sam Richardson of Lamesa is the immediate past president and has been active in the association for several years.

Other leaders in the association who have worked energetically for the completion of the road are Charles G. Cotten of Fort Worth, Colonel R. A. Thompson of Dallas, Victor L. Minter of Carlsbad, New Mexico, A. C. Bearden, J. E. Barron and Carl Rountree of Lamesa, and many others.

Federal Aid Secured. Through the efforts of the East-West Highway Association, the entire road from Roby west to the New Mexico state line has been placed on the federal aid system.

This is one of the biggest accomplishments of the association and makes possible the completion of the road at the very earliest date.

The fact that the road has been placed on the federal aid system means that the U. S. Bureau of Public Roads and the Texas Highway Department go fifty-fifty on the cost of construction. The State Highway Department and U. S. Bureau of Public Roads have announced a tremendous program of construction.

Present Road Status. The present status of the road is as follows: The road is paved through all counties of Texas from the eastern boundary west to the New Mexico line except Fisher, Scurry, Borden and Gaines.

In Fisher County, the road is to be completed from Roby to the Scurry County line; the grading and drainage structures are already completed and five miles west of Roby has been given a caliche base.

No construction, other than an overpass, has been made in Scurry County.

In Borden County, the survey has been made from the east line to Gail, but it has not been officially approved by both the U. S. Bureau of Public Roads and the State Highway Department. This approval is expected soon.

From Gail west to the Dawson County line the road is now under construction and will be completed.

Local Delegation to Drama at Fluvanna

A large delegation of Snyder people added to the capacity crowd that attended Fluvanna junior play, "Mama's Baby Boy," Friday night.

County Judge Sterling Williams gave a brief address on the importance of paving the unfinished gap in cross country highways.

Other Snyder attendees included W. R. Bell, president of the Scurry County Chamber of Commerce; the Chamber of Commerce secretary; the O. D. McGlauns and others.

Visit Western Auto for lowest price auto accessories. 46-2c

Mr. and Mrs. W. M. Scott of San Angelo are in Snyder this week.

In the early summer, and a contract for base and topping is expected soon afterward.

The road across Dawson County is all paved, and the new road from the Dawson County line west to Seminole was opened April 11. This is one of the finest stretches of road in the state.

The road from Seminole west to the New Mexico state line is marked on the state highway map as paved. This road, however, is in poor condition, as it was only an experimental job by the State Highway Department, and today there are numerous holes through the thin topping. As you will note by this 1940 program, a contract on this stretch of road will be expected in 1940.

Action Seen Soon. It is generally understood that this contract will come up shortly after July 1, 1939, which is the beginning of the 1940 highway year.

The road from Hobbs through New Mexico to Carlsbad and on from Carlsbad south to the state line has all been built; however, about 28 miles of road west of Hobbs remains yet to be topped. This will be done in the early summer. Only 12 miles south of the state line to El Paso on U. S. Highway 62 is unpaved and this is under contract.

It will be noted that two stretches of road—one from Gail east to the Scurry County line and from the Scurry County line east to Roby, are not included in the approved program of construction for 1939 and 1940. This should be one of the major projects for the East-West Highway Association. It is believed that by proper effort and cooperation, these two sections can yet be included in the 1940 program, which will almost insure the completion of the road by July 1, 1940.

County Methodists Off to Kansas City

Sweetwater District Layleader D. P. Yoder, Mrs. Yoder and Rev. I. A. Smith, local pastor, left Sunday for Kansas City to attend the unification conference of the Methodist Church, which is bringing together the largest crowd of Christian people ever gathered.

Rev. and Mrs. J. N. Tinkle of Fluvanna, pastor and wife, left Scurry County Friday for Kansas City, where they will attend the conference and also visit with their daughter.

The Yoders and Rev. Smith spent Sunday night in Vernon, guests of Mr. and Mrs. Henry O. von der Hoff. Mrs. von der Hoff is the former Ruth Yoder. Too, the three will spend some time in Newton, Kansas, former home of Mrs. Yoder, located near Wichita, before going on to the uniting conference.

Mr. and Mrs. Cloyce Drinkard of Anton spent the week-end with the J. S. Lewis family and Mr. and Mrs. J. G. Drinkard.

EAST SIDE AWNING.

Strawn's Cafe, located on the square's east side just south of Western Auto Supply, has added considerably to front end appearance this week by the addition of maroon awning underlaid by green. Other recent east side improvements include Western Auto Supply, which has added red and white awnings in front of the auto access-

sory store. The new red and white awnings match the red and white paint motif characteristic of Western Auto Supply's stores.

Mrs. Wayne Boren is spending this week with her grandmother, Mrs. Elizabeth Gallup, in Ft. Worth.

From

ROBINSON'S SANITARY DAIRY

Your progressive, always-improving Dairy that produces Snyder's only accepted Grade "A" Milk.

Of course, you get this new Pasteurized Milk at no additional cost.

We have recently installed, at an expenditure of several hundred dollars, a Stewart-Warner Refrigerator with special scientific Violet-Ray Pasteurizing Equipment, to bring you the safest milk Snyder has ever had.

The process completely pasteurizes the fresh Sweet Milk under newly-discovered rays within about one minute's time—without changing the flavor in any way. Bacteria is destroyed as effectively as under the old method of heating the milk.

VISITORS ALWAYS WELCOME!

We invite our friends and patrons to come out to our Dairy and inspect the new equipment. We shall be glad to explain why you get Snyder's Safest Milk when you . . .

WHY SCURRY COUNTY SHOULD

Explanation by Commissioners Court --- They Say "YES"

To the People of Scurry County:

Acting upon a petition signed by the required number of property tax-paying voters of Scurry County, we have called an election for Tuesday, May 2, 1939, to vote on the proposition of whether or not Scurry County shall issue bonds in the amount of \$35,000 for the purpose of securing right-of-way for Highway 15 across the county.

If the bonds are voted, they will be issued serially, and they will be due \$1,000 per year for the first 10 years; \$2,000 per year for the next five years; and \$3,000 per year for the next five years, making the last bonds due and payable on the twentieth year.

The election order calls for a rate of interest on the bonds, if issued, not to exceed four per cent per year. We have had offers from bond buyers subject to the bonds being voted at rates of interest ranging down to $3\frac{1}{2}$ per cent. We, therefore, know that if issued the bonds will draw interest at a rate not in excess of $3\frac{1}{2}$ per cent per year.

In order to service, maintain and retire these bonds it will, of course, be necessary to levy a tax on all of the property in Scurry County, both town and rural. Based upon the county valuation, we estimate that it will be necessary to levy a tax of approximately five or five and one-half cents on the \$100 valuation for this purpose.

As an actual example of the cost, the man who renders his farm or business or other property for \$2,000 would pay an additional tax for these bonds of approximately \$1 per year, or, for the 20-year period, approximately \$20. If he renders four head of horses for \$100, he would pay for these highway bonds about five cents per year.

This highway, if and when completed, will be a trans-continental highway running from the east coast to the west coast. In fact, it will be the main street of the nation—the biggest thing which Scurry County has ever had an opportunity to get.

During construction work alone the State and Federal governments will spend, conservatively, over one-half million dollars on this highway, and the principal part of this will be spent for labor in Scurry County.

(Signed) Commissioners Court:
STERLING WILLIAMS,
County Judge
HUBERT ROBISON,
Commissioner, Precinct 1
J. E. HUFFMAN,
Commissioner, Precinct 2
H. M. BLACKARD,
Commissioner, Precinct 3
J. E. HAIRSTON,
Commissioner, Precinct 4

"Of course, I'm voting for the highway program. It looks like good business to me, Jim."

HORSE-AND-BUGGY DAYS?

It Pays to

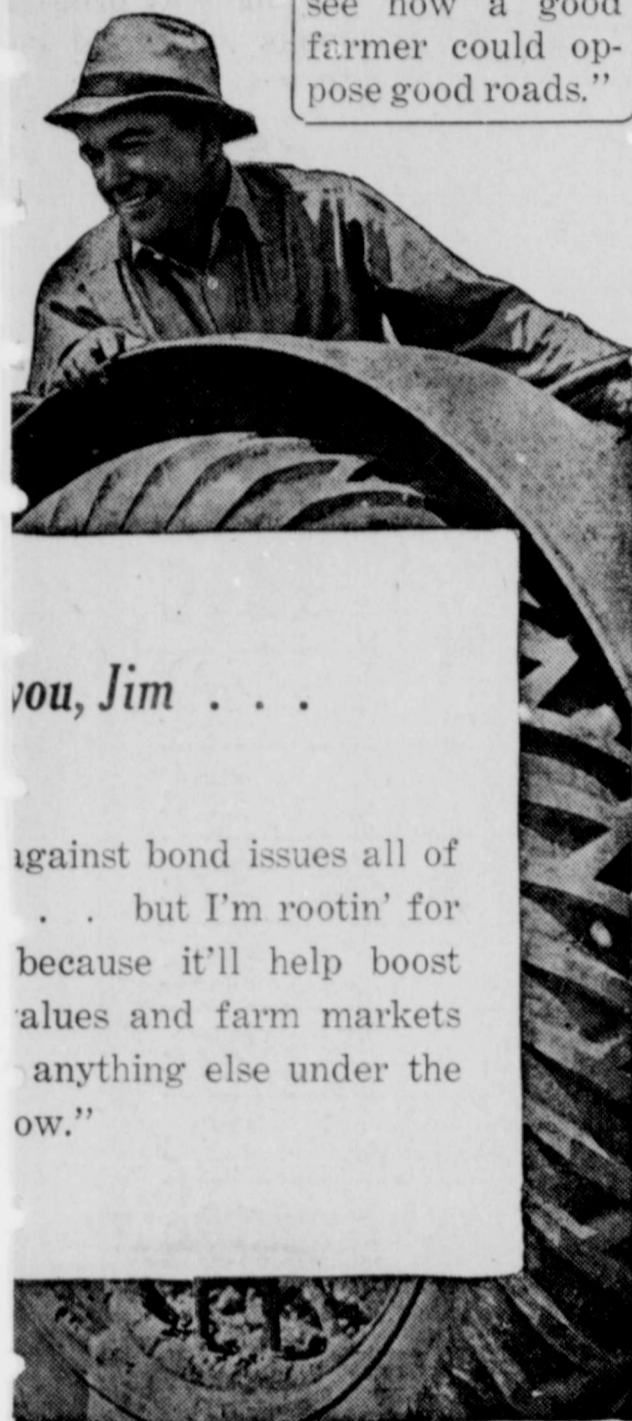

● spend \$35,000 when you can get more than \$500,000 in return --- not to mention the future benefits to all of Scurry County.

This advertisement is paid for by Scurry County. The county depends on you.

VOTE FOR BETTER HIGHWAYS

Check-up ON THESE Hard-headed REASONS

Why it's good business to vote "FOR" Tuesday, May 2

"Yeah . . . I can't see how a good farmer could oppose good roads."

you, Jim . . .

against bond issues all of . . . but I'm rootin' for because it'll help boost values and farm markets anything else under the ow."

1.—Road work will almost IMMEDIATELY provide employment for every man who wants to work . . . well over \$500,000 will be spent by State and Federal agencies if Scurry County spends \$35,000, and more than half of this half million dollars will be spent for labor.

2.—Any county that does not have highways in these modern times is isolated from better markets and better property values.

3.—County pride demands completion of Highway 15 . . . Scurry is the only county from Savannah, Georgia, to the Carlsbad Caverns that has not substantially improved this trans-continental route!

4.—Savings in gasoline and automobile expense, to Scurry County citizens alone, will in one year more than offset the proposed \$35,000 expense.

5.—The vast majority of BIG property owners —farmers, ranchers and merchants in all parts of the county—are "FOR" the highway program. They know property values will grow.

6.—Taxes will increase only about 5c on each \$100 valuation—less than 50c a year for most families.

receive more mention the city.

County taxpayers . . . They believe ALL GOOD ROADS for prosperity

Leveling Project In Breckenridge Highway Coming

From Breckenridge comes word that a resurfacing and leveling job on Highway 15 from Breckenridge west to the Shackelford County line has been promised for the near future by the State Highway Department.

"This highway is paved at present, but needs quite a bit of work in the way of leveling, as it is rough," advises C. E. Sawyer, manager of the Breckenridge Chamber of Commerce. Sawyer and two other Breckenridge citizens were recent visitors in Scurry County in the interest of the highway.

"RIGHT-OF-WAY DEEDS ARE BEING SUBMITTED TO THE COMMISSIONERS' COURT THIS WEEK BY THE DEPARTMENT FOR RELOCATION OF THE ABOVE HIGHWAY THROUGH CADDO (east of Breckenridge), and we are also advised that when these deeds have been secured that a like contract for resurfacing and leveling from Breckenridge east to the Palo Pinto County line will be let," Sawyer continues.

"When these two contracts will have been completed, Highway 15 through Stephens County will be a first-class road. We are very anxious to see the road completed through the counties west of Roby, for it will mean a great deal to everyone concerned."

Evelyn Erwin, senior student in Baylor University, Waco, spent the week-end with her parents, Mr. and Mrs. A. D. Erwin.

Rose Mary Camp of Dublin, who formerly lived in Snyder, has been visiting here with her brothers, Junior and Henry Camp, and families.

Road Advocate

R. N. Kayal, another strong booster of Highway 15 as a nation-splitting route, owns the Fair Stores in Snyder, Lamesa, Odessa, Monahans, Wink. A Lamesa citizen, Kayal has been a good roads advocate for years.

Tentative Date for County-Wide Exams

A tentative time and place for holding county-wide seventh grade examinations, set this week by Roy O. Irvin, county superintendent, indicates the tests will be held at Snyder High School Monday afternoon, May 15.

All county school students desiring to take seventh grade examinations for promotion to high school are requested to keep the tentative date for county-wide examinations in mind. Any change in time or place will be announced at an early date.

Mineral Wells Is Expecting One of Best State Roads

"We believe that by the end of 1940, Highway 15 from Dallas to Anson will be one of the best highways in the state. Appropriation has already been let for retopping part of this road in Stephens County."

This is the good word received late last week from Paul Ord, manager of the Mineral Wells Chamber of Commerce.

Discussing the status of Highway 15 in his area, Ord says:

"Highway 15 through Palo Pinto County is also Highway 89-A. Highway 89-A and 15 are the same to Anson, and the road is paved all the way across the state to Roby. "Through Palo Pinto County, from Mineral Wells west, we now have a project to straighten this road. THE RIGHT-OF-WAY HAS BEEN SECURED, the survey made and approved, and we are now waiting on an appropriation to straighten the road."

"From Mineral Wells east to Weatherford is a new brick highway completed last summer. PARKER COUNTY HAS RECENTLY VOTED BONDS TO BUY RIGHT-OF-WAY FOR A NEW TWO-LANE HIGHWAY FROM WEATHERFORD TO FORT WORTH. Work will begin on this road in the next few months. "We are all in hope that Scurry County will vote the right-of-way bonds because the completion of this highway will bring an enormous amount of traffic over this route to Carlsbad Caverns, El Paso and the West Coast."

County Board Will Meet Here Monday

School classifications for the coming year will be made by the county board of education at its regular meeting in the county superintendent's office Monday afternoon. The meeting, starting at 2:00 o'clock, will be presided over by Joe Caton, chairman. Trustees or others interested in a classification change for the coming school year are urged to meet with the county board and present their requests for consideration.

Roberta Ely of McMurry College, Abilene, spent Friday afternoon with her parents, the W. J. Eys here.

Mrs. Willard Jones and daughter, Annetta Jeanne, returned home Friday after a week's visit with their mother and grandmother, Mrs. M. H. Fox, in Decatur.

Eta Mae Nix of Dallas was out at the guest of Mrs. Vera Miles for the week-end.

Davis tires; easy terms. At Western Auto. 46-2c

Highway Leader

One of the Scurry Countians who has worked hardest and longest for early completion of Highway 15 through Scurry County is W. J. Ely, above, who was named last year as president of the East-West Highway Association. "I am particularly interested in the road," he has said repeatedly, "because I believe it will be of untold benefit to the farmers and ranchers of the county, through better markets and better means of getting to these markets."

Seagraves Wins In Ninth Inning From Local Nine

Although Snyder's independent baseball nine, fitted out in brand new gray suits, outdid the Seagraves Coyotes in their first matched game of the season at Seagraves Sunday afternoon, they were defeated 9 to 8 in the last half of the ninth inning by player errors.

C. W. Berry, field manager, stated Monday the local boys "made a fine showing in their first matched game of the season. Snyder outpitched Seagraves 17 to 7 until the final inning."

Any player who wants to work out for a position on the local nine is requested to contact Manager Berry in the near future, in order that a tryout schedule may be arranged.

May playing schedule for the Snyder independent baseball nine follows: Sunday, May 7, Leuders vs. Snyder at Snyder; Monday, May 14, Snyder vs. Leuders, at Leuders; Sunday, May 21, Sweetwater vs. Snyder at Sweetwater; and Sunday, May 28, Snyder vs. Sweetwater at Snyder.

Local baseball fans are urged to give the Snyder baseball team their fullest support and cooperation.

SCURRY HOLDS KEY TO FUTURE OF HIGHWAY 15

New Mexico Leader Says Voters of County To Determine Success Or Failure of Route

"Scurry County, judged by the result of the bond election on May 2, determines the success or failure of efforts beginning in 1926-27 for an improved East-West, long, straight highway beginning at Savannah, Georgia, and providing an ultimate improved transcontinental route from coast to coast, via Carlsbad Caverns National Park and your county."

Thus does Victor L. Minter, New Mexico secretary of the East-West Highway Association, summarize the issue that faces Scurry County voters next Tuesday. "It is more than hopeful," the long-time highway leader says, "that the bond issue will prevail, for, otherwise, the \$200,000 set up by your State Highway Department very likely would be used elsewhere should the bond issue fail; and years of work would be required to obtain a new appropriation from another highway commission probably less considerate of your county than has been the attitude of the present commission."

"Extraordinary Thing." "Too much emphasis cannot be placed upon the fact that your commission has done the extraordinary thing of appropriating sufficient money to build the highway from county line to county line, within one fiscal year."

"ANOTHER POINT OF EMPHASIS IS THE FACT THAT EACH COUNTY BETWEEN THE NEW MEXICO-TEXAS BORDER AND FORT WORTH, EXCEPT SCURRY COUNTY, HAS ENJOYED SOME HIGHWAY IMPROVEMENT."

"Snyder is located approximately halfway between Ft. Worth and Carlsbad, and doubtless would develop a noonday business from motorists not now enjoyed by your city. The other economic benefits are of such magnitude to your whole county that they can scarcely be enumerated."

Saving to Autoists.

"I do not have the mileage of Texas No. 15 in Scurry County, between Borden County and Fisher County, but according to the scale on Texas highway map, corrected April 1, 1938, the distance appears to be about 31 miles. The two projects proposed in your highway department's 1940 program, of 12.7 and 14.6, total 27.3 miles, or a reduction in mileage of 3.7 miles from county line to county line."

"If the voters will consider the ultimate saving in gasoline alone, in connection with their use of the highway from county line to county line, they will appreciate the saving in dollars and cents of gas tax, to say naught of wear and tear on passenger cars and trucks."

"I have not said very much to the voters of Scurry County, as I realize that any outside interest in the road, no matter how sincere, might by some persons be considered an intrusion upon their prerogatives. My interest in Texas 15 is the sole reason for writing."

Coming over from Odessa the latter part of last week to visit local friends and relatives were: Mrs. A. M. McBurnett of Brownfield, who was the guest of her sister, Mrs. W. R. Bell; Mrs. Hub Taylor, former Snyder resident, who was a guest of Mrs. James Ralph Hicks; and Mrs. "Slim" Williams, also a former local woman, who visited with her mother, Mrs. Bob Webb. Mrs. Webb accompanied the three back to Odessa Saturday afternoon for a several day visit.

Mrs. T. W. Pollard and daughter, Evelyn, spent Tuesday and Wednesday visiting with Hazel Pollard, teacher at Ralls.

Mr. and Mrs. Damon Worley were down from Lubbock for the week-end with their parents, Mrs. T. S. Worley and Mr. and Mrs. James A. Clark.

4-H PROGRAM OF BORDEN TO BE BEST EVER

Total of 35 Boys Have Enrolled for 1939; Varied Projects Are Planned

The largest number of boys ever taking part in 4-H club work in Borden County has been signed up for 1939, according to E. B. McLeRoy, county agent. Thirty-five boys are working on a variety of farm and ranch projects.

This is almost twice the number signed up last year, when the Borden boys managed to take their share of prizes at various, West Texas shows.

In reviewing the 1939 enrollments, it is noted that livestock feeding projects continue to hold the major interest of Borden County 4-H club boys, with a total of 19 beef calves and 16 pigs to be fattened, and 24 lambs to be fed for show and sale.

Other projects include a total of 34 acres of improved maize, 24 acres of cotton and two poultry projects. A few additional enrollments before May 1 will increase the number of projects, and assure a well-rounded 4-H club program in Borden County this year.

Plans under way in livestock feeding projects will include selection of beef calves from a number of different Borden County ranchers in an effort to widen and improve the scope of the 4-H feeding program. This plan of having representative beef animals from a number of different Borden herds is expected to create considerable interest for the next Borden County 4-H Club Show, at which time local competition for prizes will be much stronger.

The largest and most versatile 4-H demonstrator enrolled for 1939 is G. G. Caldwell of Vealmoor community, who will feed two beef calves, 10 lambs, and will plant 16 acres of cotton and approximately 25 acres of improved maize.

In addition to these regular 4-H projects, young Caldwell will cooperate with the county agent in conducting a test block of various kinds of cotton to assist the Vealmoor one-variety community in making observations of the adapted varieties for the community. This latter project will be developed cooperatively with Fred Keating of the Agricultural Experiment Station at Big Spring.

AAA Field Man in City to Talk Wheat

W. T. Swink, Triple A field supervisor for wheat crop insurance, met Thursday afternoon with Charley Wellborn, local wheat crop insurance supervisor, and Edward S. Hyman, administrative assistant, at the county agent's office, to discuss 1939 wheat parity adjustments and insurance for the 1940 wheat crop. Swink led in discussions pertaining to wheat crop loans, insurance and the 1939-40 Triple A wheat program. A considerable part of discussions centered around the AAA's 1939 wheat crop program, with 1939 wheat parity payments due to be mailed out in the near future.

DISMISSED SUNDAY. Mrs. E. O. Wedgeworth of Ft. Worth, who was operated for appendicitis in the local hospital two weeks ago, was dismissed from the hospital Sunday. She is doing well, according to her husband, who is superintendent of the Ft. Worth Schools.

AMONG THOSE PRESENT AT SEMINOLE ROAD CELEBRATION

Among those who helped open Highway 15 into Seminole (formal opening of the road was held Wednesday of this week) are these seven men. This picture appeared in a recent issue of the Star-Telegram. It was taken while the men were in Ft. Worth on highway matters. "We hope to get a contract on this highway west at the earliest possible date," County Judge A. J. Roach advises The Times. In the picture, left to right, are: County Judge Roach; Joe Webb, Seagraves business man; P. W. Dalmont, commissioner, Precinct 3; O. P. Mercer, commissioner, Precinct 1; R. C. Blanchard, Precinct 2; James Stanley, Precinct 4; Coleman L. Hassie, engineer, Lubbock. The Gaines County men expressed hope Scurry will do her part.

More Than 250 To 1939 Banquet At Hobbs School

A number of Snyder people attended the annual father-son and mother-daughter banquet at Hobbs School Friday night that was sponsored by Hobbs PFA members, together with members of the Hobbs Future Homemakers class.

Slightly over 250 fathers, mothers, students and guests gathered for the banquet presided over by Carol Hodges, PFA president, as toastmaster. Hobbs home economics girls served a plate supper preceding the formal program.

Principal speakers of the evening included Roy Chappelle, head of the agricultural education department at Texas Tech, Miss Esther Sorenson, state Future Homemakers supervisor, and Miss Doris Buchanan, former Snyder girl who is assistant state Future Homemaker supervisor.

The formal program follows: Welcome to mothers, Etzell Hodges; response, Mrs. C. A. Jones; welcome to Dads, Sanford Thompson; response, Jim Beavers; PFA objectives, Tishy Campbell; PFA accomplishments, Marjory Stewart.

Girls' quartet, Future Farmer goals, Roy Chappelle, introduced by Cleveland Littlepage; Training Future Homemakers, Miss Esther Sorenson, introduced by Miss Taulhee Rice; Training Future Homemakers, Miss Doris Buchanan, introduced by Miss Rice; PFA Singing Band; PFA history, Jerry Beavers; and PFA contest by Dan Westfall.

Guests introduced by Cleveland Littlepage, Hobbs V. A. teacher, included J. C. Smyth, co-publisher of The Scurry County Times, and Harry Ho't, livestock editor of the Abilene Reporter-News; both of whom gave brief talks; Mrs. J. C. Smyth and Mrs. Harry Holt; T. H. Roemisch, county agent of Fisher County;

A. H. Jeffries, assistant Fisher County agent; X. B. Cox Jr., Scurry County agent; Miss Estella Rabel, Scurry County home demonstration agent; Bill Taylor of the Rotan Luncheon Club; Leon Guinn of the Times staff; Mr. and Mrs. Frank Farmer and daughter, Eugenia, Snyder.

N. J. Gullet, Hobbs School superintendent, gave a brief talk, as did Mrs. N. J. Gullet and Miss Taulhee Rice, Hobbs home economics teacher.

Sponsor of the Hobbs PFA boys is Cleveland Littlepage, vocational agriculture teacher; with Miss Taulhee Rice, home economics teacher, sponsoring the girls' Future Homemaker chapter.

Cleveland Littlepage, who has been vocational agriculture teacher at Hobbs since 1937, has been granted a 10-month leave of absence by the Hobbs School board and will leave in September to complete his work for a degree at Texas Tech.

THE TIMES MARCHES ON!

News From Snyder Papers of Other Years

FORTY-FOUR YEARS AGO.

From The Scurry County News, March 14, 1895.

King's Bill to empower boards of aldermen of incorporated towns of less than 1,000 population to compel male inhabitants to work upon public streets and alleys has passed the house.

A good season is in the ground, and cattle are reported to be doing well in Nolan County.

I. P. Skinner, formerly of Gail, moved to Snyder last week.

We're publishing this week the full of the Bachelor Bill. Its main provisions are that bachelors between 30 and 35 years of age be taxed \$10 annually.

That bachelors between 35 and 40 years of age be taxed \$15 annually. A bachelor is a man who has never been married, and who is 30 years old and unwed.

Revenue from the proposed bill now before the Legislature would be donated to the home for fallen women at Ft. Worth.

THIRTY-EIGHT YEARS AGO.

From The Coming West, March 14, 1901.

G. M. Elkins will be in Snyder court week with some full blood Hereford calves for sale. Miss Annie Baker of Dallas came here last week, and will take charge of the military department at J. R. Manry & Company.

It is reported Snyder's post office will be moved in the near future from the north side of the square into the Nelson & Nation Buildings on the square's south side.

Dr. A. G. Person reports the Canyon community overrun with measles.

Jack Jones and wife came in from their ranch out in New Mexico a few days ago, and are visiting their parents, Mr. and Mrs. W. A. Jones.

March winds have begun to blow, and hats are on the go. It requires a well fortified religion to withstand a March wind.

A New Yorker who lost his tongue owing to cancer has been successfully fitted with a rubber substitute.

The march of modern invention is indeed wonderful. Rubber tongues and rubber necks—what next?

A Quarter Century Ago. From The West Texas News, March 20, 1914.

Postmaster E. B. Barnes received a letter from Congressman Smith, of this district, stating that the application for Route 5 had been approved, and would go into effect June 1.

A report issued by the German Counsel General at St. Petersburg shows that "darkest Russia" could give us a few pointers on railway construction.

More than 7,000 miles of the Trans-Siberian Railroad will connect the Black Sea by a direct route. The promotion of the cotton industry in Siberia and the Caspian country is thought to be the principal reason for increased railroad facilities in the land of the Czars.

A DECADE AGO.

From The Hernaligh Herald, March 14, 1929.

Oscar Barfoot's hens are among the best layers in all the country. In a recent hatching test the eggs proved 100 per cent fertile, he said here yesterday.

J. E. Blakey is the representative of the Texas Electric Service Company in Hernaligh now.

Mrs. L. M. Lewis returned yesterday from a week's visit in Stevenson.

Crowley Gardner broke into the Star-Telegram office while in Ft. Worth at the stock show and got himself broadcasted among the big cattle men of the state.

FIVE YEARS AGO.

From The Scurry County Times, March 15, 1934.

Independence senior boys won the rural track meet, and Crowder boys won the playground baseball final for rurals here Saturday afternoon.

Snyder Lions will be host Friday of next week, 7:30 o'clock, to a zone meeting of Lions from Hamlin, Anson, Colorado, Big Spring and Midland.

Dr. James Winford Hunt, founder and president of McMurry College, Abilene, died at home Monday shortly after 8:00 o'clock. He was pastor of the First Methodist Church, Snyder, from 1910 to 1913.

IN THIS TERRITORY.

Lawrence Glenn of the United Appliance Company, Ft. Worth, was in Snyder and several surrounding communities for two days last week. The territorial manager worked with C. A. Seal, who is in charge of sales for Stinson Drug Company, local dealers for Servel Electrolux refrigerators.

Debt Adjustment In Area Reaches High Percentage

Gulon Gregg of Dallas, state farm debt adjustment supervisor, revealed today that 363 Texas families who have been farming under excessive debts were served during March by county debt adjustment committees sponsored by the Farm Security Administration.

These committees, composed of local men, worked out agreements between farmers and their creditors for extensions of time and debt reductions which brought the farmers' obligations within their ability to pay.

"The adjustments were granted," Mr. Gregg said, "with the realization by creditors that they will be ahead in the long run. When these concessions are made, the families can then be rehabilitated and the FSA will guide and finance them to make their income as high as possible. Many of the farmers had been delaying operations because they were uncertain of their possession of land and farming equipment."

A 16-county area around Abilene, including Scurry County, was second high among the dozen FSA administrative districts in the state in number of families whose debts were adjusted. Robert Fisher, Eastland, is supervisor for the district.

First Christian Church

"Three C's of the Christian Life" will be the sermon subject next Sunday morning. Mr. Yates will sing in special number.

At 7:45 Sunday evening, "The Wanderer's Return" will be the subject for sermon; and "God Is Calling the Prodigal" will be heard in special song.

Sunday School will meet as usual at 9:45 Sunday morning; and Christian Endeavor meets at 6:45 Sunday evening. Mary Ellen Brown is leader at the Endeavor hour, and the subject for discussion is "Pursuing."

Moses Digs, an old Negro, had been arrested for having more than one wife.

"How many wives have you had?" demanded the judge.

"Six," was the reply.

"Why couldn't you get on with them?"

"Well, sah, de fust two spilled de white folks' clo's when dey washed 'em! de thud' warn't no cook; de foth' was jest nacherally lazy; an' fifth—I'll tell you, jedge, de fifth, she—"

"Incompatibility"

"No," said the negro, slowly, "it warn't nothin' like dat. Yo' just couldn't get on with her unless yo' was somethars else."

BORDEN COUNTY FARM NEWS

By E. B. McLeRoy, County Agent

A substantial enrollment gain over previous years was shown this week in a report on the 46 Borden County 4-H Club boys, who have enrolled under the supervision of County Agent E. B. McLeRoy for 1939 projects.

This year's substantial enrollment gain has been largely brought about, McLeRoy states, as a result of the interest shown in 4-H Club work at the first annual boys' livestock held at Gail in February.

A summary of 1939 projects indicates the 46 Borden County 4-H Club boys have 23 calf feeding projects, one on game management, and will plant 48 acres of improved cotton, with seed to be furnished through the cooperation of Von Roeder Seed Farms.

Other 1939 projects include 31 acres of improved grain sorghums, six brood sows, 14 pigs, 45 chickens, and 31 lambs. One cotton "test block" will be planted in cooperation with the Vealmoor one-variety cotton community.

Club boys enrolled for 1939 projects are F. T. Grayson, Billy Willis, R. B. Willis Jr., Billy Massingill, Dan Richards, Barney Olson, Gerald Buchanan, George Ledbetter, Kenneth Freeman, Clinton Johnson, Clifford McKnight.

Lawrence McCutcheon, Clyde Wyeche, James McCutcheon, Charles Ray Brown, Eugene Stanfield, Homer Skeen, Billy Sealy, Gene Strey, H. R. Lacy Jr., Bobby Warren, Sammie Davison, Boyd Freeman, Horace Stanfield Jr., George Lynn Wyeche, Bonnie Wilcox, Norman Sneed, Dick Miller, Lionel Johnson, J. V. Burdett Jr., Edward Brown, Troy Burdett, Elmo Isaacs, E. I. Smith Jr., Joe Landrum, H. M. Nisbett, Joe Truss, J. D. Patterson, Weldon Street, William Murray Jackson, G. G. Caldwell, Carlton Daugherty, Olin A. Schalk, Robert J. Schalk and Ted Richards.

True nobility is exempt from fear—Shakespeare.

We may be bold when justice fights for us—Sophocles.

German News

Olle Pagan, Correspondent

Clady Bruns and Albert Kuss were married in the Catholic Church of Hermleigh at 9:00 o'clock Tuesday, April 25. The bride wore a lovely dress of blue with hat to match and black shoes and gloves. She carried a large bouquet of fresh flowers. They were attended by Miss Ella Kuss and Emil Wimmer. Mr. and Mrs. Kuss will live on his father's farm, where they will welcome their many friends.

Pleasant Ridge

Anna Ruth Wells, Correspondent

Mr. and Mrs. Calvin Meadows have returned home from Enid, Oklahoma. Mrs. H. Wells and daughter, Anna Ruth, were shopping in Lorraine Thursday. Mrs. Ida Chitsey and children of Pleasant Valley visited her mother, Mrs. F. H. Prescott. Those attending the birthday dinner at Mrs. Naomi Forbus' in honor of Calvin Forbus were: Mr. and Mrs. Sam Hagerton and sons, Everett and Billy, Mrs. T. H. Prescott and daughters, Nellie and Ruby, Grandmother Scowins, Mr. and Mrs. Alex Hale and sons, Denford, Lloyd, Gillette, and Mrs. H. Wells and children.

Fluvanna News

Mrs. C. F. Landrum, Correspondent

Mrs. J. F. Dowdy is in Olney visiting her daughter, Mrs. Horace Benson. Mr. and Mrs. W. B. Dane of Ft. Worth were here last week visiting the Dowdy family. J. B. Lilly has been appointed deputy sheriff for this community. The following people attended the singing convention at Ira last Sunday afternoon: Mr. and Mrs. Lane Roddy, Mr. and Mrs. Henry Flournoy, Mr. and Mrs. Dan Gibbs, Mr. and Mrs. Pat Jones, Mr. and Mrs. Mert Jones, Mrs. W. H. Jones and Mr. and Mrs. John Stavely. Mrs. Burrow of Rotan is here visiting her daughter, Mrs. Boss Robertson. Roy Lacy took the school librarians to Lubbock Saturday to see the new Tech library. Mrs. E. O. Wedgeworth, who has been in the General Hospital at Snyder, returned to her home here last Sunday. W. H. Jones and Guy Turner left Sunday for Austin and San Antonio. Mr. Turner will visit his mother at Austin while Mr. Jones will continue on to San Antonio, where he will attend a Masonic lodge meeting. Mrs. Tommie Parquhar and Mrs. Arch Lavender were Lubbock visitors Saturday. J. C. Dowdy and Charlie Bley went to Lubbock Tuesday. The Church of Christ has ordered new seats for their church. Last Sunday at 9:30 a. m. at the Presbyterian Church funeral services were conducted for Mr. Dave Freeman of Brownfield. Rev. O. C. Floyd of Snyder conducted the service. Mr. Freeman had lived here a number of years ago. He is a brother of A. A. Freeman. He was 82 years old. Mr. and Mrs. Champ Freeman and family, Mr. and Mrs. Claude Freeman and family, Mr. and Mrs. Martin Freeman and family, and Mrs. Bill Jeffcoat, all of Brownfield, besides other relatives were here to attend the funeral of Dave Freeman. Other people attending from a distance were: John Reed, Sam Beavers and H. Woodard of Justiceburg. Last Saturday night the So and Sew Club enjoyed a forty-two party at the home of Mr. and Mrs. Mert Jones. The Methodist Missionary Society met last Monday with Mrs. C. F. Landrum. The afternoon was devoted to a study of "The Church Takes Root in India." Mrs. Vivian Hue, who has been ill in Snyder for several days, is at home again. Rev. and Mrs. Tinkle left last Friday for Kansas City, where they will attend the unification services of the Methodist Church. They will also visit a daughter and family, who live in Kansas City.

Lone Wolf News

Gladys Ruth Mahoney, Correes.

Mr. and Mrs. Walter Prescott of Colorado were visiting relatives in the community Sunday. Mr. and Mrs. Elvis Norrell of Houston have been visiting their grandmother, Mrs. J. G. Narrell, and other relatives. Mrs. Roy Linder and children of Lorraine were visiting her parents, Mr. and Mrs. T. M. Ingram, Sunday. Mr. and Mrs. Owen Leggett of Lorraine were week-end guests of the E. M. Mahoney family. Mmes. Mattie Griffin, Eunice Lee and Lois Caswell of Lorraine were visiting at the Mahoney home Sunday afternoon. Mr. and Mrs. Homer Haygood of Lorraine spent Sunday afternoon with the A. G. Haygoods. Frank Baker of Sweetwater was a visitor in the community. Several from this community attended the play "Beads on a String," at Pylon Friday evening. Mrs. A. J. Haygood is recovering from a tonsilectomy which she underwent last week in the Young Hospital at Roscoe. Mr. and Mrs. Bill Claxton entertained a host of relatives and friends in their home Sunday afternoon. Mr. and Mrs. Connie Darden and children and Cecil Darden of Valley View were dinner guests in the W. C. Darden home Sunday. Mr. and Mrs. Turner Underwood visited the Everett Taylor's near Lorraine Sunday. Mr. and Mrs. J. C. Stahl and son visited her parents, Mr. and Mrs. McDermott, of Lorraine. Mrs. Annie Pierce and daughter, Mrs. Mary Eble, of Dallas were attending to business interests in the community last week. Mr. and Mrs. Cecil Campbell of Inadale were visiting his parents, Mr. and Mrs. L. L. Campbell, and family Sunday. Lewis Rankin of South Champton, Nolan County, was visiting his sister, Mrs. A. G. Haygood, and family Sunday. Lewis left Monday for California. The mental arrow shot from another's bow is practically harmless, unless our own thought bars it. —Mary Baker Eddy. Giving does not impoverish us in the service of our Maker, neither does withholding enrich us.—Mary Baker Eddy.

Midway News

Faye Weeks, Correspondent

Mrs. O. D. Hughes and Miss L. D. Bridges of Rotan spent Thursday with Rev. and Mrs. Leslie Parks. Mr. and Mrs. Walter Wall and children of Strayhorn spent Sunday with Mrs. J. S. Knight and son, T. B. Knight, and children. Those visiting in the home of Rev. and Mrs. Buster Edwards Sunday were: Mr. and Mrs. I. M. Prather and son, Bob, Mr. and Mrs. Raymond Prather and son, Kelton, all of Snyder. Mr. and Mrs. Pearson Prather of Post, Peggy Harless of Lloyd Mountain, Mrs. C. B. Davis and daughter, and Mrs. Roy E. Davis of Midway. Grandmother Mills and Mrs. Jess Faulkenberry spent Thursday with Rev. and Mrs. Bister Edwards. Rev. Cone Merritt will preach here Saturday night. Everyone is invited. Don Snowden and Arthur Weeks spent the week-end with Mrs. M. M. Mauls and daughter, Verna Lou, of Snyder. Folks, don't forget that we will meet early Sunday morning for Sunday school. We will start at 9:00 a. m. so that all who wish to attend the program at Hobbs may do so.

1939 never a better year to see the WEST via Santa Fe. AND it's so economical to include all these grand travel experiences in a California trip, via Santa Fe, all time during this great Exposition Year! You can pause for a day or so at Arizona's glorious Grand Canyon—Santa Fe Pullmans to the rim. Then to San Diego, Los Angeles, Hollywood... Yosemite Park in the high Sierras... and San Francisco's scenic Golden Gate Exposition. For swift comfortable travel, the Santa Fe offers this territory two famous trains—THE SCOUT, tourist sleeper and chair car economy train—THE GRAND CANYON LIMITED, providing accommodations in standard and tourist Pullmans and chair cars. Both trains carry lounge cars and cheery Harvey diners serving all meals. There is gay new streamlined service, too, between San Diego, Los Angeles and San Francisco. For times, schedules, and other information call: M. C. Butler, Your Local Grand Canyon Agent, Amarillo, Texas. SOUTHERN CALIFORNIA

REELECTION IS BOARD THANKS FOR TEACHERS

Local Trustees Express Appreciation To Faculty That Worked Under Adverse Conditions

Headed by Superintendent C. Wedgeworth, reelected for a two year term last year, Snyder City Schools will get away at a good pace next year with trustees returning with the new building.

Credit is due the faculty in working under such handicaps this year, and full appreciation has been shown by the board of education in their reelection.

Elected last week are 29 old teachers and one new one. Others will be filled later. Mrs. J. C. Smyth was added to the junior high faculty. The reelected teachers follow:

Teachers Reelected.
High school—King Sides, principal; Effie McLeod, W. W. Hill, A. W. Yens, Jewel Foster, George B. Thomas, M. E. Stanfield, Peggy Elliott, Gwendolyn Wright, Glen W. Berry, Vera Periman, Johnny Hensley and F. H. Patterson.

Junior high—Hadley Reeve, principal; L. H. Butler, Mary Evelyn Pickle, Dorothy Strayhorn, Mrs. Ruth Saunders, Katherine Northcutt.

Primary grades—Mrs. W. P. King, Mrs. O'Dell Ryan, Hattie Herm, Mrs. Madge Pappoe, Quata Burrow, Mrs. King Sides, Gertrude Herm, Mrs. C. C. Mosley, Mrs. Paul Cates and Mrs. M. E. Stanfield.

W. W. Smith is newly elected president of the board of education, succeeding Dr. J. G. Hicks, who was not a candidate for reelection early this month. A. C. Prentiss is being retained as secretary. Other members are: John E. Sennell, C. M. Bowen, Ixan Joyce, Maurice Brownfield and N. W. Aubry.

Ira News

Mrs. Mabel Webb, Correspondent

Mr. Boatman of Houston visited his sister, Mrs. B. B. Black, last week.

Mr. and Mrs. Ralph Lewis and children of Ralls spent the weekend in the R. E. Lewis home.

Mr. and Mrs. Hubert Carnes of Houston, Mr. and Mrs. Vernon Carnes and son, Gene, and Willard Carnes of Snyder spent Saturday with his sister, Mrs. Eugene Kruse.

Mr. and Mrs. P. M. Holley Jr. and children of Monahans spent the weekend with their parents, Mr. and Mrs. F. M. Holley.

Elmer Taylor made a business trip to Ft. Worth and Denison Friday and Saturday.

We are glad to report Oscar Miller able to be at home again. He's doing nicely.

We wish to express our thanks and appreciation to each and every one who helped us with the dinner for the convention Sunday. Especially do we thank those from other communities. There were around 1,500 people here. Sinners from Sweetwater, also Fisher and Mitchell Counties. We also thank Mr. Willis of Fairview for bringing his alto horn. The next convention goes to Hermleigh. J. P. Tate is the new president; Rufus Mize, vice president; Leon Guinn, secretary; Walter Holmes, chaplain.

Miss Pearl Clark returned Monday from a visit with her brother, B. L. Carlie, of De Leon.

The Baptist W. M. S. met Monday with Mrs. Marie Kruse and quilted. They finished two quilts and part of the third one. Those attending were: Mrs. Byrle Rigby of Snyder, guest, Mmes. Pat Murphy, Ann Kruse, Grady Sultor, Herbert Webb, Essie Cook, L. H. Sultor, R. E. Tamplin, E. B. Kelley, Forest Lee Kelley, W. M. Howard, J. W. Crowder, J. Z. Carruthers, Owen and Albert Miller and Oscar Webb. A bountiful lunch was spread at the noon hour.

Ira School News

The Junior and Senior High School boys went to Pylon to play ball Thursday. They both won. The junior boys will go to Sweetwater Saturday, April 29, to play in the District League meet. We wish them much success.

The P-T-A. met in regular meeting Tuesday afternoon.

The Boy Scouts and their Scoutmaster Pat Palls, enjoyed a picnic on Bull Creek Friday night. They reported a good time.

The shop boys entertained the H. E. girls with a wiener roast on Bull Creek Thursday night. They all had a good time with lots of eat.

The juniors received their bracelets and belt buckles today. They are real proud of them, and they are something to be proud of.

TIMES SHOTS

Snyder Tigers, who copped the district meet two weeks ago, had to be content with one second place at the regional track and field meet in Abilene Saturday. Lynn Fenton, miler, made those three points for Red Hill's 19-man team. Brady was regional winner by a wide margin.

Lloyd Devenport, former Union and Snyder resident, came from Wichita Falls early this week to become presser for Moffett & Rogers. He has seen extensive experience in this line of work since he left Snyder several years ago. He is the son of Mrs. C. L. Devenport, who lives near Wichita Falls, and the late C. L. Devenport. Lloyd has acquired a wife since he lived here.

The Times is pleased to announce the addition of a correspondent at Gail, a vicinity in which it has a number of subscribers and friends. This new correspondent is Mrs. Bill Wolfarth, who is the former Ruth Bennett. She formerly taught at Gail, and has also been associated with several offices there. "I know I'll love to write," she said, "and I invite the people of Gail and surrounding territory to help me get interesting, readable news every week." Several Borden County items appear in this issue, but Mrs. Wolfarth's first news will appear next week.

Hermleigh and Pylon gave promise Friday afternoon, in a spring football set-to at Hermleigh, of having stronger squads than they had in 1938. Playing 11-man football, the Pylon six-man team was trounced by the Cardinals, 20-0. The Cards scored in the first half on a recovered fumble, in the third quarter, first play, on an intercepted pass, and in the fourth quarter after a blocked punt.

E. E. Wahlkamp, local teacher who is a native of Europe, was given rap attention Tuesday noon, at the Lions Club, as he discussed past and present European conditions. He told of grisly spectacles he witnessed after the World War, and said "No one profits from war except the munitions makers and a few other profiteers." Miss Gwendolyn Wright, saxophonist, accompanied by A. W. Yeats, were other local teachers presented by program chairman, Ralph Odum. E. H. Lilly was named as a delegate to the District 2-T Lions convention. Willard Jones, selected recently, announced he could not attend. M. H. Greenwood, Pylon superintendent, E. L. Farr, Hermleigh superintendent and Rev. Ward.

First Methodist Church

A display of old and interesting Bibles will be featured at the special "Church School Day," which will be started at 11:00 o'clock Sunday morning, in the absence of the pastor. Members of the church and visitors are invited to this unique and inspiring service.

Davis tires; easy terms. At Western Auto. 46-2c

EAST TO WEST HIGHWAY TO BE BEST IN STATE

"Most Traveled Thoroughfare" is Picture of Future Painted by Association Leader

By A. G. BEARDEN, Texas Secretary, East-West Highway Association.

In the belief of many of the State Highway Department officials, Texas State Highway 15, when completed, will become the state's most traveled thoroughfare.

Due to the fact that it will become a portion of a transcontinental route over which tourists from the thickly populated East and North will travel to the noted scenic spots of the West, and since it will be the shortest east-west route across our great state, it stands to reason that the road will be a popular route.

The State Highway Department, realizing the importance of the road to the State Highway system, has made definite plans for its early completion.

Property Values Grow

All properties are substantially enhanced in value by a good system of roads. In fact, in this day, when the rate of communication and transportation is being increased every day, no community can hope to grow and prosper without good highway connections.

Since State Highway 15 will become an artery of travel over which a continuous stream of traffic will move, bringing to every county new people, new money, and new business, it behooves every town and county through which this road passes to bend every effort for its earliest completion.

Pylon News

Thelma Kinney, Correspondent

Mr. and Mrs. Add Jones and son of Justiceburg spent last week-end in the Boyd Moore home.

Miss Faye Willford of Abilene spent last week-end with the M. H. Greenwoods. Faye is a sister to Mrs. Greenwood.

THE OFFICIAL NEWSPAPER FOR SCURRY COUNTY AND THE CITY OF SNYDER, TEXAS

The Scurry County Times

Founded in 1887

The Snyder News Consolidated January 1, 1931

Issued Every Thursday at the Times Building, Northwest Corner of the Square, Snyder, Texas, by TIMES PUBLISHING COMPANY, Inc.

GAMBLING HIT BY METHODIST SESSION HERE

More Church Delegates Here Than Expected; Midland Named as 1940 Meeting Site

More than 300 Methodists from 42 churches in the Sweetwater district conference gathered with local churchmen in Snyder last Thursday and Friday for a two-day meeting. Attendance went far above expectations for the annual conference of laymen and preachers.

In the final session Friday afternoon Midland was named as the 1940 meeting place for the group. D. P. Yeater of Snyder, lay leader in the district the past 10 years, was re-elected. His associate leaders are to be A. B. Crowder of Sweetwater and W. I. Pratt of Midland.

Of particular interest were two resolutions passed during the two-day discussion of church affairs—favoring peace and opposing weakening the anti-gambling law. Telegraph messengers to Texas senators and representatives from this area were sent condemning any effort to weaken the anti-gambling law.

"We recommend to rulers of the nation," the peace motion read, "that every possible effort be made to keep our nation out of war though we accept our responsibility as one of the powers necessary to promoting integrity and decency in world relations."

Rev. Plin Crutchfield, pastor of the First Methodist Church, Vernon, who is recognized as one of the most able preachers in the state, was official conference preacher. His three sermons called back old-fashioned religious principles to the representatives of 8,300 Methodists.

Mrs. R. H. Odum, Snyder, district secretary of women's work, read her annual report, which gained conference-wide attention at the recent Northwest Texas Woman's Missionary Society meeting in Pampa.

Besides the excellent attendance, Rev. Smith said that reports of the fiscal year's progress indicated the best financial condition in years, and growth in membership continues steadily.

Dr. Frank Turner, president of McMurry College, Abilene, spoke Thursday in the interest of the school. He was accompanied here by O. P. Thrane, bursar of the school, who is a former Snyder banker. Also among the visitors was W. E. Hamilton of Lubbock, conference director of religious education.

ANOTHER STEP TAKEN BY REA

Forty-five people attended the mass REA meeting at Pyron last night (Wednesday) for the purpose of discussing rural electrification in East and Southeast Scurry County. M. H. Greenwood, Pyron superintendent, introduced the speakers.

E. J. Anderson, who was appointed county coordinator of REA work in Scurry County last week, stated approximately 100 subscribers' deposits from various communities had been turned in to him up to Tuesday night.

Principal speakers at Pyron were Andy Jones, manager of REA's Midwest Electric Cooperative office at Rotan, Cleveland Littlepage, Hobbs, REA liaison officer, and Anderson.

Petitions were put in the hands of local representatives to canvass the Pyron and Inadale communities, and work back to Camp Springs.

Jones and Littlepage stated at last night's meeting that all indications point to enough subscribers to warrant an extension of the Midwest Electric Cooperative line from Camp Springs to Hermleigh, Pyron and Inadale.

Mrs. Tom C. Davis headed the list this week with 16 applications with deposits turned in for the county club-Dermott area. Committees in the Bethel-Union-Arah and Camp Springs-Hermleigh areas are expected to have a report ready the last of the week on progress made in obtaining REA applications and meter deposits for a proposed REA line in the east and west parts of the county.

The complete line of Kumer's vegetables, grown in Colorado from selected seed, is now handled by the Browning Food Store. A demonstration and sale this week-end will be conducted at Browning's by L. D. Boyd, factory representative of the Kumer Company. Boyd says Kumer vegetables are grown under irrigation, watched carefully during the growth, and packed in enameled lined cans not later than two hours after actually growing in the fields.

Mr. and Mrs. Carl England spent the week-end in San Antonio. They were there for the last day of the annual San Jacinto Day celebration, which this year followed a musical trend. Costuming was unusual and beautiful, and the programs were enjoyable, they said. Texas bluebonnets along the road are in full bloom at this season, with patches of blue in ripples like clear streams of water or ocean waves.

SHIPP & BUTTS ON NORTH SIDE

Purchase of the Lockhart Barber Shop Thursday by J. E. Shipp and Emmitt Butts, east side barbers the past six years, has added a new line-up of barbers this week to the north side business front.

Shipp and Butts, who have been in the barbering business 14 years, will be assisted in operating their north side barber shop by Dan Hamill and Shorty Sims, both of whom are experienced barbers.

Jim Lockhart, from whom the shop was purchased, will remain with Shipp and Butts for awhile. Lockhart has been in the barbering business a fifth of a century.

Shipp, Butts, Hamill and Sims invite both old and new friends to visit them in their new location.

Hermleigh To Be October Singing Convention Host

Slightly over 1,200 singers and song lovers gathered at Ira Sunday for the spring session of the Scurry County Singing Convention. The all-day song fest, held in the Ira School gymnasium, was presided over by L. M. Irion, retiring convention president.

Program specialties included numbers by the Carson, Snyder and Sunset quartets, with a duet given by Mrs. Henry Roddy and Mrs. H. C. Flournoy of Fluvanna. Joe Merritt gave a solo-group chorus number.

Dinner at noontime, with all the trimmings, was spread under the Ira tabernacle. Community leaders wish to convey their appreciation, through The Times, for the cooperation of home and county folks in providing ample basket lunches for visiting singers.

Eimer Taylor, superintendent of Ira School, gave the address of welcome Sunday afternoon, with the response given by T. H. Westbrook of Sweetwater, former Four County convention president.

Hermleigh outdid Pleasant Hill during the business session to act as host for the fall session of the Scurry County Singing Convention the fourth Sunday in October.

At the election of new convention officials J. P. Tate was put in as Scurry County Singing Convention president. Rufus Mize was elected convention vice president, and Leon Guinn secretary.

The program arrangements committee at Sunday's song fest was composed of Lawrence Deavers, Earl Sheppard, and Mr. and Mrs. Leon Guinn.

LOCALS TO BE ACTIVE IN WTCC

That Snyder will be one of the most active towns in the West Texas Chamber of Commerce program at Abilene May 15, 16 and 17 is shown in announcements made this week after a local Chamber of Commerce board of directors meeting.

Ruth Line, Snyder High School graduate last year, has been named as the Snyder sponsor, and Ernest Taylor Jr. is the town's choice for "My Home Town" speaker.

Snyder Band will make the trip. Three prominent spots on the convention program have been given Mrs. Earl Louder, accordionist.

With an entry in the WTCC soil conservation contest, and with all other WTCC activities supported, Snyder and Scurry County are slated to play a leading role at Abilene.

MONROE, LA. "It is important to our city as a trade artery."

"The economic value of the route through its entire length across Texas from the Louisiana border to the New Mexico border cannot be estimated."

"We consider this one of the most important arteries of travel in the United States. The road is paved almost the entire distance from Savannah, Georgia, to San Diego, California."

"We are intensely interested in seeing Scurry County complete their portion of this highway. Of course we have other interests, also, in that it is the development of West Texas as well as the completion of one of the most important highways in the state."

CARLSBAD, N. M. "The numbered highway between Ft. Worth and El Paso, via Snyder and Carlsbad Caverns National Park, is generally accepted as developing into a super-important artery of transcontinental travel, and the earliest possible completion of the road should be the major goal of each county between Ft. Worth and El Paso."

Survivors include a brother, C. D. Ashinhurst, and his only sister, Mrs. O. S. Williamson. Doc Ashinhurst came to Snyder from Sipe Springs in 1924.

Funeral arrangements were in charge of Maples Funeral Home, with interment in Sipe Springs Cemetery.

WORK ON CITY CLEAN-UP HAS FINE SHOWING

Citizens and School Children Show Fine Spirit of Cooperation in Special Week of Effort

That Snyder will be a cleaner city is already evidenced by the work accomplished in the Clean Up, Paint Up, Fix Up Campaign that began Monday of this week.

Trash placed in front of premises will be picked up Friday and Saturday by city haulers. Citizens are requested to place their cans or trash in easily accessible places for the trash run-up.

A total of \$17 in cash will be given as prizes for efforts made in behalf of the Clean Up Campaign. The Chamber of Commerce gives \$5, the Lions Club \$5, and The Scurry County Times \$7.

Of this total amount, \$8.50 will be given to the three students who do the best clean-up job, and an equal amount will go to the three "most improved premises" in Snyder. To be eligible for a prize, yards must have been registered at the Times of Chamber of Commerce office.

School leaders report students gave the campaign a cordial reception—especially on Tuesday afternoon, when all classes were dismissed for a general clean-up of school and home premises.

In fact, school students have so far given the Clean Up, Paint Up, Fix Up Campaign a more cordial reception than have the adults.

Mayor H. G. Towie and other community leaders urge continued efforts throughout the week to make of Snyder the cleanest city of its size in Texas.

Full Program at Rally of Sunday School At Union

Union Baptist Church will host this week-end at a Sunday school rally, starting at 10:00 o'clock Sunday morning, that will reunite the ties of mankind between former class teachers and present church leaders, Rev. J. L. Fields, pastor, announced Tuesday.

Beginning at 10:00 o'clock H. L. Wren, local business man, will teach his Sunday school class of 20 years ago at Union. Remainder of the program follows:

10:45 a. m.—Special music.
11:00 a. m.—"Value of the Sunday School to Church," by H. L. Wren.
11:30 a. m.—Sermon by Rev. J. J. Strickland, Big Spring, district missionary.

12:00 noon—Basket lunch. Each family requested to bring a basket lunch.
1:30 p. m.—"Enlistment and Attendance," Adell Watkins.
2:15 p. m.—"Making the Budget Budge," Rev. Ira Harrison.
2:45 p. m.—"The Teachers' Responsibility," Edgar Shuler, Ira.

Everyone is extended a cordial invitation by Rev. J. L. Fields, pastor, and community leaders, to attend the Union Sunday School rally. "Come, and bring someone with you," Rev. Field said.

2,000 VOTERS ARE QUALIFIED

Scurry County will have a voting strength of approximately 2,000 in Tuesday's Highway 15 bond issue election, a Wednesday checkup with Herman Darby, tax assessor-collector, revealed.

Although only 1,793 poll taxes were paid in this "off" election year, the inclusion of overs and unders bring the county's voting strength to around 2,300 people. Of the total voting strength, however, 2,000 people are expected to be listed as qualified tax paying property owners in the county.

Funeral Rites for Doc Ashinhurst Are Attended by Locals

Funeral services for E. (Doc) Ashinhurst, 63, well known veterinarian who died last Wednesday night at the West Snyder home of his only sister, Mrs. O. S. Williamson, were conducted at the Sipe Springs Cemetery Friday afternoon at 2:00 o'clock.

Rev. Ward, Baptist minister of Sidney, Texas, conducted final graveside rites. In ill health three weeks before his death, Doc Ashinhurst had been a practicing veterinarian 40 years.

LOCATIONS AT NEW IRA POOL ARE REPORTED

Coming This Week of New Texas And Oklahoma Operators Adds Interest and Activity

Two new locations this week, together with increased activities on wells previously drilled, has attracted both Texas and Oklahoma oil operators to the new Ira pool 16 miles southwest of Snyder.

Cellar and pits have been dug in the northeast corner of Section 129, preparatory to moving in machinery for spudding a test by Paul Teas et al. Teas has acquired considerable acreage southwest of his No. 1 producer.

Machinery is being rigged up this week preparatory to spudding in the W. E. Callahan No. 2 First National Bank of Snyder test, an east offset to the Paul Teas No. 1 W. P. Thompson well. Location is in the southwest corner, north 80 acres of the northeast one-fourth, Section 129.

Late Wednesday reports from the H. C. Wheeler No. 1 M. J. Sims test, located one-half mile northeast of production, 330 feet from the south and west corner of the northeast one-fourth of Section 141, indicated the test was drilling at 290 feet.

Coffield & Guthrie is running tubing on their No. 1-A First National Bank well, located in the northeast corner of Section 129, preparatory to putting the well on pump after completion of cleaning out operations.

Tubing will be run Saturday in the Robinson Brothers No. 1 A. C. Martin well, located in the southwest one-fourth of Section 147. A patented flow valve, operated by gas found in the well, will be used with the expectation of making the well a flowing producer.

Robinson Oil Corporation holds an interest in the southeast one-fourth of Section 143, and extensive holdings north and west of the producers in sections 129 and 130.

D. G. Robinson, who was here last week-end, stated his corporation will ship in two drilling outfits from Oklahoma in the near future to spud in two new tests.

The D. & R. Oil Corporation of Miami, Oklahoma, a newcomer to the Ira field, will stake location for their first well shortly in the southeast corner of the southwest one-fourth of Section 142 on the R. O. McClure land.

Glen O. Robinson, who has charge of the corporation's activities, has established headquarters at Manhattan Hotel.

From Carrizo Springs.

"Doc" Crowder and Beard of Carrizo Springs have made a drilling contract on their 160 acres in the southeast one-fourth of Section 124. Location of the test will be in the northeast corner of the west 80 acres of the northeast quarter, Section 124.

Reliable reports indicate a drilling contract has been arranged on the R. O. McClure land. Location of the test, to be drilled by Wichita Falls operators, will be in the northeast corner of the southeast one-fourth, Section 142.

The Coffield & Guthrie No. 1 First National Bank test, located in the southwest corner of the northwest one-fourth of Section 130, was drilling at 2,130 feet. Upper pay

Boosts Highways

Although he is one of the youngest county judges in Texas, Sterling Williams is already establishing himself as an official who gets the job done.

Elizabeth Grantland of Colorado was a week-end guest of Mr. and Mrs. Buster Curtis. The Curtises and Allene Curry visited briefly in Colorado, taking Miss Grantland home Sunday.

Mr. and Mrs. Robert H. Curmutte and son, Miller Bob, of Seminole were visiting with local relatives and friends this week.

Mr. and Mrs. A. P. Gannaway spent the week-end with their son, Garland, and family on the ranch near Hermleigh.

Sections in this test are expected to be encountered Saturday or Sunday. Casing will be run on the H. C. Wheeler No. 1 W. H. Sterling well, located in the southwest quarter of Section 140, tomorrow (Friday), preparatory to shooting by next week.

SIX GIVE BIDS ON EQUIPMENT

Six bidders submitted figures last Thursday afternoon for furnishing equipment to be used in Snyder's new school building. Bids previously submitted were not acceptable to PWA, which is contributing largely to financing the structure, because of a technical flaw in one of the bids.

American Desk Manufacturing Company, Temple, submitted low bids in two groups, and Texas Science Company, San Antonio, was low bidder in the third group. The bids were as follows: Group A, \$6,871; Group B, \$3,435.20; Group C, \$1,783. Total of the three low bids is \$12,089.20.

Other bidders were: Bickley School and Church Furniture Company, Houston; W. C. Hixson, Dallas; Oklahoma Scenic Company, Oklahoma City; Southern Stage Equipment Company, San Antonio.

The bids are subject to acceptance of PWA, whose regional offices are in Ft. Worth. John McAleander of Sweetwater, PWA supervisor in this area, was present for opening of the bids in the office of Superintendent C. Wedgeworth.

Standardization Is Sought for Schools

Tests for standardization of subjects taught in county schools were completed yesterday (Wednesday) by Roy O. Irvin, county superintendent, who started the tests last week.

Although results of the standardization tests have not yet been compiled, Irvin reports the tests have revealed some of the deficiencies in teaching procedure that school officials hope to overcome by more careful planning for the coming school year.

E. H. Lilly, secretary of the local Chamber of Commerce, accompanied by H. B. Spence, secretary of the Colorado City Chamber of Commerce, left this (Thursday) morning for Marfa to attend the annual meeting of the West Texas Chamber of Commerce managers there tomorrow (Friday) and Saturday. Lilly and Spence will return Sunday.

LOCAL CHURCH NAMES PASTOR

Rev. C. H. Ward of Ballinger has been called as the new pastor of the First Presbyterian Church. The new minister, who was a guest at a meeting of the local Lions Club Tuesday noon, succeeds Rev. James E. Spivey, who moved to Denison about two months ago.

Special business session of the church people Sunday morning resulted in selection of Rev. Ward, who preached here two weeks ago. Rev. and Mrs. Ward will move to the local Presbyterian manse next week, making their home here permanently after May 1.

R. H. Stovall of Anson is a Snyder visitor this week.
