

### TIGERS NOSED OUT BY ANSON IN FIRST GAME

#### Intercepted Pass and Long Spiral Give Locals' Setback, But Future Looks Rosy

Although they outgained their first opponents—the Anson Tigers—two to one, the local Bengals were whipped Friday night at Anson, 12-7, by way of an intercepted pass and a long spiral.

As several carloads of local fans and upwards of 1,000 Jones County fans looked on the season's opening game, the squads played on even terms for several minutes until Holland, Anson quarterback, intercepted Snyder's first attempted pass and ran it 45 yards for a touchdown.

Bill Shield, powerhouse fullback for the locals, plunged his heart out, with some assistance from Red Neal, to complete a sustained drive with a tudy in the second quarter. Neal kicked the point to put Snyder on top at the half.

Billy Joe Rust heaved a 20-yard

### Ira Lanham Named Head of Hermleigh School's New FFA

The vocational agriculture students of Hermleigh High School met Monday night and organized a local chapter of the national organization of Future Farmers of America. There are 50 charter members of the chapter.

The following officers were elected: Ira Lanham, president; R. L. Vaughn, vice president; Bobby Watson, secretary; Ollie Joe Stevenson, reporter; Oscar Knight, treasurer; Jan Bob Sheehan, farm watch dog; Stanley Pavlas, historian; Clifford Hale, song leader.

Harold Mason, Oscar Knight and Bobby Watson were appointed to arrange a program for the next meeting. The first Monday night in each month was adopted as the regular meeting time.

C. B. Bentley, instructor in the new vocational agriculture department of Hermleigh High School, is advisor of the group.—Reporter.

pass to Thurman, end, who gathered in on the 35 and ran the remaining distance across the final stripe. Farris missed this and the previous attempt at extra point. This happened in the third quarter. And it ended the scoring, for even a belated local passing attack as the time ebbed could not carry beyond the 10-yard line.

Despite this loss, Coaches Hill and Thomas—along with fans who saw the affair—are unanimous in saying the squad has promise of being a winner. Too, opinion has it that the crew looks considerably better than it did in the opening tilt last season. Locals are not forgetting, too, that Anson has a potentially powerful team in its district race.

Jack Terry, halfback, had a badly damaged eye after the game, but other casualties were minor. Several of the substitutes saw action.

### Fluvanna Takes Measure of Pyron Eleven, 45 to 18

By Jay Haynes

Fluvanna football eleven trounced the Pyron boys to the tune of 45 to 18 at Fluvanna last Friday.

Fluvanna due first blood when Rhodes scored after a series of line plays and end runs, but this was quickly overcome by Pyron when Reed intercepted a pass on the 30-yard line and ran for a touchdown. Pyron came back a minute or two later with another pass to Pieper which was good for a tally, making the score 12 to 6 for the first quarter.

Fluvanna then took over the game to score time after time from then on out, except once in the last quarter when Pyron again heaved a pass good for a touchdown to Chitsey, with Fluvanna coming back to score one after that.

First downs were 12-4 in favor of Fluvanna. Outstanding men for Fluvanna were Turner, Rhodes and Brown in the backfield; Stavelly, McDonald and Sims, linemen. Outstanding men for Pyron were Reed, Pieper and Chitsey.

Referee was Veale of Texas University, head linesman was Jesse Browning of Texas Tech.

### PERSONALS

Miss Mary Bryan, Farm Security Administration stenographer at Colorado City, spent the week-end in Snyder.

Mr. and Mrs. P. M. Brownfield of Idalou, former local people, were Sunday guests of the Maurice Brownfield family here.

Fred Boyd of Abilene and Theo Rigby, teacher at Throckmorton, spent last week-end with Rigby's parents, the A. H. Rigbys, here.

Mrs. M. Goodman and son, Alfred, who have been visiting with the Henry Rosenbergs the past two weeks, left Monday morning for their home at Panama.

Hazel Pollard, a teacher of speech and English in Ralls High School, spent the week-end at home. Graduate of Texas Tech, this is Miss Pollard's second year at Ralls.

Johnny Horton, graduate of the local high school, who has been in Adrian for several years, is visiting with his mother, Mrs. Lily Horton, and other relatives and friends here.

Homer Snyder and son, Kenneth, were in Sweetwater and Roscoe for the week-end. Snyder accompanied Mr. and Mrs. Ed Walters of Sweetwater to Lubbock Monday night for the Baer-Ritche fight.

Vernelle Stinson of Cisco, former Snyder teacher, was operated in a Dallas hospital Tuesday of last week. She was visited there by her brother, Ollie Stinson of Snyder, who reports she is steadily improving.

### RATTLERS KILLED.

Natural enemies of rattlesnakes continue to take their toll. The latest incident to come to the attention of the game department was reported by P. W. Krauter of Medina County, who recently observed a coachwhip snake crawling very slowly in a circle. Approaching closer, Mr. Krauter saw the snake make a quick movement. It grabbed a three-foot rattler about midway of its back and shook it, apparently breaking the rattler's back. After the venomous snake was dead, the coachwhip snake ate it.

### BEAUTIES AT STATE FAIR.

Climax of the opening day of the State Fair of Texas, October 7, will be the coronation of a Queen of Queens chosen in an elaborate pageant from among 50 regional Texas beauties. It will be a free attraction in the Cotton Bowl.

### Show Grounds Will Provide Chance to See Frame Garden

Have you seen a frame garden? Drive by the city tabernacle, then, and view the frame garden built and planted by a committee from the Bison Home Demonstration club—Mrs. Nolan von Roeder, Mrs. Jim Sorrells, Mrs. Avis Minton, Mrs. L. L. Eubanks. Assisting in the work, which was under the supervision of County Home Demonstration Agent Estella Rabel, is X. B. Cox Jr., county agent.

This garden was built 5x20 for an educational exhibit at the Scurry County Products Show. The location was selected near the water pipe. The ground was dug up and two rows of tile were laid. The tile was put down at the present Products Show grounds during the depression. Good soil was added, a frame was built, and the garden was planted. The garden is covered with wire and a thin cloth.

### OUT FOR FOOTBALL.

Weldon Longboam of Hermleigh, sophomore at John Tarleton Agricultural College, Stephenville, is one of the 80 men out this year for the college football team. Schedule for the year features five home games and five games on foreign soil.

### VEGETABLES FOR HOMES.

Commercial vegetable acreage adjustments are to be set up in about 125 Texas counties for 1940. No county will be asked to reduce below acreage planted to this crop in the county in 1939. The program which will be voluntary, merely is intended to keep commercial vegetable acreage from expanding.

### Snyder General Hospital

Still in the hospital late Wednesday were the following of last week's patients: Mrs. Julia House of Gail, medical; Mrs. Frank Wilson, Mrs. Clyde Ferguson of Post, Conn Ezell and Mrs. L. B. Worley of Grand Canyon, Arizona. Mrs. Worley was scheduled to be moved to the home of her parents, Mr. and Mrs. H. H. Jelfress of the Union community, Wednesday afternoon.

Mrs. Cone Johnson Merritt of Dunn and her four-day-old son, Dwain Johnson, were still in the hospital yesterday. The baby was born Sunday afternoon at 3:30 o'clock. He is the son of a Scurry County Baptist minister.

Flora Jane Louder, daughter of the Jess Louders, who broke her foot recently as she started down an improvised "trolley," was operated early this week. Dr. I. A. Griffin is a surgery patient in the hospital this week. Mrs. A. C. Alexander Jr. is in the hospital for observation.

PWA Assistance Is Turned Down In Seven States

The Public Work Administration regional office in Fort Worth today announced that it had completed the job of returning 586 applications for PWA financed assistance in building projects with an estimated cost of \$211,985,922 to applicants in seven states.

The applications were returned on orders of Federal Works Administrator John M. Carmody because no funds for additional PWA allotments were provided by Congress during its last session. Applicants were told they were now free to make other arrangements if they desire to proceed with their projects.

Snyder school leaders and patrons are rejoicing because the project for rebuilding the local school plant was one of the last that was approved in Texas.

John McAlexander, PWA engineer who supervised the federal angle of the project here, points out that Snyder is also fortunate in having the contingency fund of almost \$1,000 from the PWA appropriation, which was used last week on an equipment contract.

The number of applications and the amount involved in each of the Fifth Region states is as follows: Arkansas, 22, \$1,417,517; Colorado, 32, \$14,200,032; Kansas, 55, \$4,941,790; Louisiana, 117, \$32,433,694; New Mexico, 23, \$10,845,965; Oklahoma, 75, \$36,269,227; Texas, 262, \$110,975,208.

For the nation as a whole, 5,043 applications for PWA funds are being returned. Total cost of the projects is estimated at \$1,717,832,977.

Most of the returned applications were filed in the summer of 1938 when the large construction program now being completed was begun. Although the returned applications did not receive allotments, many of them had been passed on favorably by the PWA examining divisions.

BREEDERS AT FAIR.

Breeder-feeders of the nation will be honor guests at a banquet under the auspices of the State Fair of Texas October 10. It will be in recognition of the rapid progress of the industry in Texas and in honor of the bringing to the State Fair of the American Hereford Show, its first time south of Kansas City. The fair is assured the greatest assemblage of livestock in its history.

Wednesday-Thursday, Sept. 27-28—"Mickey the Kid" starring Bruce Cabot, Ralph Byrd, Zasu Pitts, Tommy Ryan. "Dick Tracy's G-Men" Serial, and Comedy. Family Nights—All the immediate family admitted for 20 cents.

WORK BEGINS ON PENS AND BOOTHS FOR SHOW

Ample Shelter for Annual Products Show Will Be Provided, Local Fair Officials Declare.

Construction work began this (Thursday) morning on permanent stalls for Scurry County's second annual Products Show here October 13 and 14. Extra panels for sheep and hog exhibits will also be built within the next few days, officials of the 1939 show reported Tuesday.

Booth space is being taken up so rapidly for the forthcoming show here all people desiring booth space at the 1939 Products Show are requested to file their applications with Chamber of Commerce Secretary Ray Dickson as soon as possible. Nine spaces for commercial booths have already been reserved.

Arrangements were made this week to use Harley Sadler's 70-by-150 foot tent during the two-day show to stage the free entertainment program in. A 30-by-30 foot tent has also been engaged to house poultry exhibits.

Members of the 1939 Products Show central committee stated Tuesday that shelter for 100 additional head of livestock will be built.

E. O. Wedgeworth, who will be in charge of the free entertainment programs October 13 and 14, was advised by show officials that the Philco sound equipment used in Scurry County's third annual rodeo here recently will be used to carry the entertainment program to every corner of the large Harley Sadler tent.

Dwight Monroe, chairman of the building and grounds committee, stated Tuesday the show grounds will be leveled and put in perfect shape as soon as a new grader blade arrives.

Construction of exhibit pens will be under the supervision of X. B. Cox Jr., county agent. Frank Farmer will be in charge of booth construction in the city tabernacle, which begins Monday, October 9.

Turkey coops have been arranged for by show officials, and immediate action is being taken to insure poultry exhibits second to none in this area.

Members of the advertising committee, who have been soliciting advertising space for the 1939 Products Show catalog, report a 25 per

cent increase in advertising over the amount obtained for the 1938 catalog. Copies of the 1939 Products Show catalog will be mailed with in the next few days, central committee members said Tuesday afternoon.

Plainview News

Emma Woodard, Correspondent

Little Jeanne Popejoy of near Roscoe is visiting with her grandparents, Mr. and Mrs. Charlie Jones.

LeeRoy Lunsford of Hamilton is visiting his brothers and sister in this community.

Mr. and Mrs. Cecil Galyean and son of Wood County were visiting in our community Sunday night.

Raney and Theo Cox have returned home after a three-week visit with their grandparents in East Texas.

Mr. and Mrs. Raymond Pylant and children visited his parents at Hamilton last week.

Bill Evans and family spent Sunday in the W. Scott home at Snyder.

Mr. and Mrs. I. F. Smith spent Sunday with Mr. and Mrs. T. A. Weems in the Pleasant Hill community.

Luella Pitner and George Trousdale of Pleasant Hill were married Saturday afternoon. We wish them many years of happiness.

Mr. and Mrs. Ab Boyd of Snyder spent Sunday in the Fred Russell home.

Ursell and F. E. Ballard of Big Spring have returned home after a visit with their sister, Mrs. Ockey Smith.

A movie comedy showed a bevy of shapely girls drooping for a plunge in the "ole swimming hole." They had just taken off their shoes, hats, coats and were beginning to—and a passing freight train dashed across the scene. When it had passed, the girls were frolicking in the water.

An old railroad sat through the show again and again. At length an usher tapped him on the shoulder.

"Aren't you ever going home?"

"Oh, I'll wait awhile longer. One of these times that train's going to be late."

NYA Workshop Project May Be Started In City

An average of 30 Scurry County NYA boys would probably be worked in an NYA workshop project for Scurry County that was proposed here last week by W. Baxter, area supervisor.

NYA provides a trained supervisor, hundreds of dollars worth of working tools and other tools, and salaries for the boys, said Baxter. The tools would include power wood working machines.

It would be up to the community to provide a building for the project, to pay the utilities bills, and to furnish the materials.

Baxter said the material item is a small matter, since most of the work done is for schools, courthouse and other public buildings, and the materials in most cases are, therefore, provided by governmental units—school districts, county, city, and so forth.

Repair work on school desks, courthouse seats and other such publicly-used equipment is one of the chief occupations for such a project, Baxter pointed out.

"If the community—through its governmental units or through clubs or other organizations—helps us," Baxter declared, "NYA will do the rest."

Ruth Thompson, District 6 home demonstration agent, was in Snyder Wednesday and Thursday of last week.

RURAL AID FOR COUNTY BUSESSES

At a meeting last Friday night of the Joint Legislative Advisory Committee on Rural Aid, rules and regulations concerning all types of aid from the equalization fund were adopted as final for the 1939-40 school year, Roy O. Irvin, county superintendent, stated Tuesday.

The only ruling that applies to Scurry County school students concerns the transportation of pupils above the scholastic age of 17.

The committee ruled that pupils over the scholastic age may ride a school bus free of charge, but no payments will be made out of the equalization fund on such students. They are not to be included on the transportation report of a school district, Irvin said.

Several students in the age group of 18 to 21 have paid their first month's transportation fee, which will be refunded if they call at the county superintendent's office.

A further ruling states teachers, janitors, library workers, cafeteria employees and others connected with a public school system will be permitted to ride school buses free of charge.

Mother of Fluvanna Citizen Dies Friday

Mrs. S. E. Clawson, mother of J. W. Clawson of Fluvanna, died in Fort Worth Friday. She made her home in Scurry County for 25 years before moving in 1916 to Fort Worth to live with her daughter, Annie Dawson. The Fluvanna man, his wife and daughter, Rose Marie, attended final rites Saturday.

Rev. Louis Entzinger of San Antonio conducted funeral services. Burial was in the Greenwood Cemetery. Mrs. Clawson had been a member of the Baptist Church for many years.

The Clawsons settled at Fluvanna when they moved from Coryell County in 1891.

Survivors of the former Scurry County woman include: One son; four daughters, eight grandchildren and three great-grandchildren.

Another new shipment of costume jewelry has arrived; latest designs. Towle Jewelry. 1c

Athletic Program Is Planned by Ira FFA

An athletic program, featuring two basketball games and other activities will be staged in the Ira gymnasium Friday night, September 29, it was announced by officials of the Ira FFA yesterday. The program is being given to raise funds for carrying on club activities for the ensuing year. Candy and ice cream also will be sold.

More complete program ideas will be given in next week's Times. Plan to join us, and we will assure you of plenty of fun and entertainment.—Reporter.
