VOLUME 52
NUMBER 52

SNYDER, TEXAS, SEPTEMBER 28 NINETEEN HUNDRED
THURSDAY AFTERNOON AND THIRTY-NINE

ISSUE 17
NUMBER

TIMES SHOTS

Gordon D. Sentell, son of the C. F. Sentells, enlisted in the U. S. Army Monday, and he has been assigned to the air corps, Randolph Field, San Antonio. Leaving home Saturday, the local boy took his examinations in Dallas Monday and left by plane at noon Monday for Randolph Field. He has been vitally interested in flying for years, and his station is highly satisfactory to the ambitious Snyder-reared youth.

Utilities Magnate J. E. Blakey was the goat—and at the goat—at an informal barbecue held in the yard of the H. L. Wren home Saturday at noon. The bulbous Blakey, with his reputation at stake, lost miserably in the goat and chicken barbecue-eating race to such amateurs as Howard Towle, Will Williams, Charley Ross, Wren and a Times snooter. Mrs. H. L. Wren and "Mother" Wren were guests of honor until the bone piles climbed to embarrassing heights. Ross was responsible for the open-pit barbecue, and he and Mrs. Wren added such side dishes as mashed potatoes, black coffee, pickles and fried apple pies.

A fire of undetermined origin destroyed the Ely, Arnold and Ely Gin Company plant at Shallowater Wednesday morning at 3:30 o'clock. Few details of the fire were obtainable yesterday, said W. J. Ely, A. W. Arnold and L. G. Ely of Snyder, owners of the Shallowater gin. Mr. and Mrs. W. J. Ely and daughter, Mrs. C. L. Harless Jr. of San Angelo, A. W. Arnold and Bernard Longbotham Jr. left early Wednesday to inspect the fire-damaged gin. The Shallowater plant was recently purchased and remodeled by the Snyder ginners.

Recent improvements at Browning Food Market, located north of the square on Avenue S, include the installation of a new 12-foot Albert-Lewis meat display counter, and rearranging of the other meat counter found at the food store. The new unit is finished in white porcelain with black trim. A new vegetable rack, equipped with the latest displays units, is to be installed in a few days, says Hollis Browning.

Johnnie M. Hensley, who directed the Tiger Band and was a local faculty member last year, landed in a double-header job at Ranzer this year. He is director of the high school band there and head of the business administration department of Ranzer Junior College.

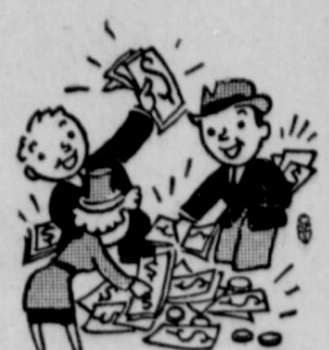

After standing vacant for some time, the upstairs space in Towle Building, west side of the square, is being remodeled this week into two apartments. The entire floor has been leased by Nathan Rosenberg, proprietor of the Ben Franklin Store, lower part of the building. Rosenberg will occupy the rear apartment and Dr. Ella E. Barrett will move her offices from North Snyder to the front apartment. All the rooms are being refinished and additional plumbing fixtures are being added.

N. W. Autry, local Magnolia agent, and Earl Hicks, operators of the modernistic Magnolia Service Station, say they are ready to give car owners better service than ever before. The reason: Norman and Earl attended a three-day Magnolia "school" in Sweetwater two weeks ago, and the local boys were apt pupils.

Mr. and Mrs. Marvin Dunlap and Mr. and Mrs. P. B. Coughran returned Sunday afternoon from a two-week vacation trip that took them to Carlsbad Caverns, Red Bluff Lake and Old Mexico. Coughran and Dunlap report plenty of fish were caught at the various places where they camped. Claude Dye of Merkel, who acted as temporary bookkeeper for Burton-Lingo Lumber Company while Dunlap was on his vacation, left today for Merkel. Dunlap returning to his duties Monday.

The city's newest addition to the parade of dealers handling Sinclair gasoline and oils is the Bushy Hedges Service Station, located just east of the 25th Street highway bridge, which several days ago changed from Barnsdall to Sinclair products. Assisting Hedges in operating the station is W. C. Hammit, who has had considerable experience in the service station business. The local wholesale Sinclair agency was taken over recently by O. D. McGlaun.

Clamping down on traffic law violators by City Marshal Simon Best has been the order of the day since the City Council asked the peace officer to see that stop signs and traffic lights are strictly observed. Best emphasizes one commonly broken traffic ordinance: "Stop at a red light before making a right turn," he reminds.

QUOTA RAISED FOR NATIONAL GUARD GROUP

Payroll Increased \$1,250 as 18 Men To Be Enrolled at Once by Captain Tim O. Cook

The annual payroll of Company G, 142nd Infantry, will be increased by approximately \$1,250, as a result of being allotted 15 additional members this week, Captain Tim O. Cook said Wednesday.

A recent presidential order allotted the United States a 40,791-National Guard increase, with increased allocations for Texas set at 1,499. This number, Cook said, is broken up through the companies of Texas, with Company G given its increased allotment Monday.

This increase will bring the enrollment of Company G to 83, with three officers. Previous strength of the National Guard unit, since its organization by Captain John E. Sentell in April, 1924, has been 65 enlisted men and three officers.

Increase of the annual Company G payroll by \$1,250 will result in approximately \$7,750 National Guard money being brought into Scurry County each year, the previous annual payroll having been almost \$6,500.

Captain Cook said Wednesday he expects to immediately increase the strength of Company G to 83 enlisted men. Officers of the local unit are glad to have this opportunity to increase enlistment, as the increase is not viewed as a national emergency, but as a step toward better national defense.

SEVERAL GRID TILTS SLATED

Football fans of this area will have plenty of excitement during the next two or three weeks. Following is a summary of the games to be played by Scurry County teams:

Snyder-Slaton at Slaton, September 29; Lorraine (site not decided), October 6; Roby at Snyder, October 13.

Fluvanna-Dunn at Fluvanna, September 29; Fluvanna at Hermleigh, October 6.

Dunn-Fluvanna at Fluvanna, September 29.

Hermleigh-Fluvanna at Hermleigh, October 6; Post at Post, October 12.

Pyron-Hobbs at Hobbs, September 29.

Articles Wanted by Women; Historical Booth Is Sponsored

Alpha Study Club, which voted last week to sponsor the historical booth at the Scurry County Products Show here October 13-14, is now requesting the assistance of all Scurry County in getting together a worthwhile exhibit. The relics are to be displayed along with the flower show, sponsored by Altrurian Daughters Club and Mrs. W. R. Bell, local florist.

Any relic of particular interest, with information as to its age and historic value, brought in by people of this trade area, will be appreciated, according to Mrs. Iron Hayes, chairman of the committee. Her co-workers are Misses J. G. Hicks and Forest Sears.

Mentioned by the committee as being of especial interest among local people were women's costumes of earlier days, old books, old pictures, pictures of early Scurry County, spinning wheels, old guns and jewelry.

CATALOG GOES INTO HANDS OF COUNTY FOLKS

Prize List Supported by 100 Local Firms; 1,000 Copies Being Mailed, Delivered

One thousand copies of the 1939 Scurry County Products Show catalog, turned out by The Times plant early this week, are being distributed to farmers, ranchers and others in all parts of the trade territory.

The catalog contains 56 pages—eight more pages than the 1938 catalog contained—and it is liberally supported by exactly 100 advertisers. A copy may be secured by anyone who calls at the Scurry County Chamber of Commerce office.

After forward, addressed to the folks of Scurry and Borden Counties, as well as to Hobbs and Polar residents, listing of committees and standard quantities for exhibits, various classes of the show are listed.

100 Advertisers Listed.

Names of all advertisers are listed in the back of the catalog. A page expresses thanks to County Agent X. B. Cox Jr. and Miss Estrella Rabel, home demonstration agent, and gives a word about free entertainment as provided through the leadership of E. O. Wedgeworth of Fluvanna.

Plenty of classes are listed for ribbon awards, and this explanation is given about the spirit of the entire show:

"Intent of this show is not merely a place to exhibit our best products, our best work and good entertainment, but rather an effort to also rekindle the old community spirit of an earlier day.

"Friendly Competition."
"The show is a place for friendly competition and mutual helpfulness. With this spirit as a keynote, we will have gained something far greater than all the blue ribbons at the show."

Emphasis is placed on the community exhibits and on the individual farm and ranch exhibits. Classes in the catalog are arranged in the following order: Live-stock, Poultry, Farm Crop Exhibits, 4-H and FFA Boys Community Exhibits, Individual Farm and Ranch Exhibits, Women's Department, Girls' Department, Flower Exhibits, Historical Exhibit.

New Clardy Station Opened in W. Snyder

Completion of the Clardy Service Station last week in the west part of Snyder, north side of Highway 15, was featured Saturday by opening of the spic and span stucco structure. A second coat of paint for the station will be applied this week.

In addition to a line of groceries, candies and tobaccos, Operator W. S. Clardy states he will handle Onyx gasoline, Victory, Sinclair and Golden Eagle oils. Clardy extends an invitation to all his friends to visit him at his new location.

OPEN HOUSE CHANGED.

Open house at their new home in the Warren Crest addition has been changed by Mr. and Mrs. J. D. Scott from Sunday, October 1, to Sunday, October 15. The change was made necessary when some of the fixtures failed to arrive in time for use next Sunday.

Parent-Teacher Committees Named For Year at First Meeting Thursday

First meeting of the year for Snyder's Parent-Teacher Association last Thursday afternoon drew an attendance of over 50 school patrons and teachers. Mrs. Dudley Ann, new president, presided and announced her committees for the year.

"Youth in the World Today," dealing with high school students, and "American Youth" for elementary grades were announced by Mrs. Wraymond Sims, program chairman, as courses of study for the year. Superintendent C. Wedgeworth talked briefly at the opening of the meeting.

A sing-song was led by Herman Trig, new band director, with piano accompaniment by Mrs. R. G. Dillard. Mrs. Ivan Dodson, former resident, who recently returned here from Odessa, spoke instructively on "The Farmer's Son."

Events of interest to the organization have been set for the rest of the month and October, and kept enthusiasm of attendants on high level all afternoon. Presbyterian Church people were hosts Monday evening at an annual reception honoring the teachers, and the teachers will be formally greeted by the Parent-Teacher Association at a party in their honor next Monday night at the school gymnasium.

Mrs. G. H. Leath announced a meeting of the Band Parents Association for early this week.

Halloween carnival, an annual PTA-sponsored event, will be held at the school building Tuesday night,

Sixteenth Producer Is Assured Sharon Ridge

FINE MAIZE IS SEEN BY FIFTY

Fifty farmers from five counties gathered at the P. Ohlenbusch farm in the Wastella community Tuesday afternoon to see the veteran farmer's fine crop of mto, now maturing.

Despite the siege of dry weather, the farm is producing a fine feed crop—uniform, well-maturing and good tonnage per acre. A barbecue dinner that "hit the spot just right" was also on the program.

After viewing the fine feed on the farm near Wastella, the group of farmers from Scurry, Borden, Mitchell, Nolan and Fisher Counties agreed that the Ohlenbusch demonstration proves conclusively that maize, a dry weather crop, will make in West Texas when properly planted and cultivated.

One of the visitors put it this way: "A visit to Ohlenbusch's mto will convince anybody that Mr. Ohlenbusch is a real farmer and that the mto crop or yield depends almost entirely on how the crop was farmed. Good seed and thin planting at the right time mean sure crops."

CURRENT FOR REA LINE EAST OF TOWN IS ON

First "Juice" Cut in on Part of Extension West from Rotan to Scurry County Border.

Turning on of current this weekend for part of the Rctan-Camp Springs REA line focused attention of people in the east part of Scurry County and the western part of Fisher County on the rural electrification project, construction of which is rapidly being brought to a close.

"We believe that energizing a portion of the Fisher-Scurry County rural electric line this week-end will mark a milestone in the history of REA service for this area," Andy Jones, superintendent of the Midwest Electric Cooperative, stated Tuesday.

Placing of high line wire was completed last week along Highway 15 to the Mrs. Annie Cochran home, just east of the Scurry County line. High line wire was slated to be placed this week from Hobbs School west to Camp Springs and south to the Midway Service Station.

According to information received this week from REA officials at Washington, further action on the "B" extension of the Rotan-Camp Springs project, which would serve Pyron, Hermleigh, Snyder and Fluvanna, is expected to be taken, once the original line is energized.

Don't forget that Times Bargain Days give you a chance to save on all your newspapers—lowest rates obtainable anywhere!

Elizabeth Miller Left Monday for New York Rodeo

Elizabeth Miller, selected recently at the Colorado City Frontier Roundup as one of the six girls to represent Texas at the Madison Square Garden Rodeo in New York City, left Dublin Monday with the official party of other Texas "gim-mour" girls and the trip chaperone, Mrs. U. D. Sawyer of Brownfield.

Miss Miller, daughter of Mr. and Mrs. R. Clyde Miller of Northeast Borden County, was accompanied to Dublin by her parents and two brothers. A cousin, William Miller, son of Mr. and Mrs. Bill Miller, is accompanying Elizabeth to New York City to care for her horses. William, president of Los Camarados Club at Texas Tech, Lubbock, will return to school at mid-term.

Other members of the group of West Texas girls are Fay Marburger, Abilene; Fern Sawyer of Brownfield; Mary Nell and Annabelle Edwards, Big Spring; Walter Fay Cowden, Midland; Peggy Minnick of Crowell and Sydney Yokey of Canadian.

Miss Miller is one of the sponsors who will ride in the cutting horse contests of the Cobert-Knight rodeo at the Garden October 1 to November 1. The group will be presented at various night clubs and other entertainment spots in New York City.

FULL PROGRAM SEEN FOR SHOW

Entertainment from every nook and corner of Scurry County, plus some topnotchers from adjoining communities, is promised for the Scurry County Products Show, October 13-14, by E. O. Wedgeworth of Fluvanna, entertainment director.

Wedgeworth, County Superintendent Roy O. Irvin and Chamber of Commerce Manager Ray Dickson made a tour of several county schools Tuesday, and returned with reports of keen interest everywhere.

Entertainment numbers will be presented continuously during both days of the show from 11:30 a. m. to 10:30 p. m., in a large tent that will be put up on the show grounds.

Pyron PTA Selects Officers, Listens to First 39-40 Program

Officers for the Pyron Parent-Teacher Association have been selected as follows: Mrs. N. E. Simmons, vice president; Mrs. Schley Adams, secretary-treasurer; Miss Beth Payne, chairman of program committee; Mrs. E. N. Cummings, chairman of membership committee; Mrs. McMillan, chairman of hospitality committee; Mrs. M. H. Greenwood, chairman of publicity committee.

The president's place has not been filled since resignation of that official recently.

The following program was rendered last Thursday night:

Song, "America"; "Purpose, Activities and Plans of PTA," Mrs. Greenwood; violin solo, La Wanda Moore; song, "I'm a Bum," third grade; story, Opal Jean Culp; song, "Here Comes the Man With the Mandolin," third grade; story, Leota Dooley; guitar and vocal selections, Miss Cliburn.

Punch and cookies were served by the faculty.

Hobbs, Pyron Take Lead in Grid League

Hobbs, defending champions, and Pyron, probably its strongest competitor in the title this year, blazed their way to victories Friday afternoon in the first conference games of the six-man league of Central West Texas.

Pyron used everything they had except the coach and water boy to maul McCaulley, 42-0. Hobbs galloped over Dowell, 32-14. A third conference melee saw Divide romp over Sylvester, 25-0.

Blackwell, another league member, won from the ACC Academy sextet, 31-6.

Mitchell County REA Line May Start Soon

A prediction that construction work on Northern Mitchell County's 175-mile REA line may start within 60 days was made Tuesday by officials of the Lone Wolf Cooperative Electric Association.

Engineers are drawing up specifications and setting the first stakes of the rural electrification project, which is expected to bring electricity to some 850 farm families in a dozen North Mitchell County communities.

The proposed Mitchell County REA line would come to within a few miles of the Dunn-China Grove rural electric line.

FIGHT ON LOSS OF LIVESTOCK IN AREA BEGINS

Temporary Officers Are Named at Meeting of Protective Group Saturday Afternoon

J. J. Koonsman was named temporary president of the newly formed Scurry County Livestock Protective Association at a meeting of county ranchers and farmers in the courthouse Saturday afternoon.

Livestock owners who attended the meeting were unanimous in saying united action must be taken by every livestock owner of the county, whether the owner has one or a hundred head of livestock, to stamp out the widespread theft of livestock in the county.

Andy Trevey, Warren Sturgeon, George Brumley, Dan Gibson, H. P. Winters and Edgar Shuter were named a temporary six-man executive committee to call on county livestock owners for the purpose of raising association assessments to carry on protective work in the county.

Ways and means were discussed at a meeting of the Scurry County Livestock Protective Association in the county court room Wednesday afternoon to raise funds for the organization. President J. J. Koonsman led a round table discussion of assessment collections, and other matters of importance to livestock owners.

Second Ginning Report Indicates 2,000 Area Bales

The second ginning report on the 1939 crop, obtained by The Times late Wednesday, indicated Snyder's five gins had turned out 725 bales, with about 2,000 bales reported for all the county's 14 gins.

First ginning report on the 1939 cotton crop in Scurry County from government sources was turned in Wednesday by Ira R. Sturdivant, official crop reporter. The report said 684 bales had been ginned in the county prior to September 16. This compares with 1,086 bales reported prior to September 16, 1938.

A report Wednesday afternoon from the Hobbs Cooperative Gin Company indicated the West Fisher County gin is running steadily now. According to H. H. Gibson, manager, 250 bales had been ginned up to Monday night.

FRIDAY MATCH APPEARS EVEN

Reports from Slaton indicate that when the local Tigers invade that Plains town Friday night, the score will be as close as final figures of Snyder's two previous games with Anson and Spur. The Tigers lost to Anson, 12-7; won from Spur, 13-6.

Slaton trimmed the home crew last year, 20-0, featuring a powerful full-hand-passing backfield. This year, in non-conference games, the Slaton boys lost to Floydada, 14-0, and to Hobbs, New Mexico, 30-6. Both these two opposing teams are among the most potent in their class.

A large following of home fans is expected to trek with the Tigers, especially after the pleasing showing against Spur last week.

A changed line-up will face Slaton. Snyder, ill last week, goes back to his center post, and Crowley, who subbed at center, will return to right tackle. Reed, also out of the line-up last week, is slated for the quarter position for the first time, while Taylor, regular quarter, is set for Spikes' halfback slot. Spikes is out with a sprained ankle.

The remainder of the line-up is unchanged from last week: Duners, left end; Wells, left tackle; Line, left guard; Wells, left guard; Terry, right end; Neal, left halfback; Shield, fullback.

NYA Shop Assured By Local Aid for Unit

According to information received Friday from W. Baxter, area NYA supervisor, the local Chamber of Commerce has voted to pay the utility bills, the City of Snyder and Scurry County rental fees for a proposed NYA workshop in Snyder.

Baxter stated Friday afternoon an average of 30 NYA enrollees would probably be employed in the workshop project, purposes of which would be to construct fixtures for schools, courthouses and other public buildings.

Present NYA workshop plans call for the community furnishing a building for the project, paying utility bills and providing materials—which would probably be exceptionally low in cost.

The WOMAN'S Page

Poet Laureate of Texas to Be Guest Speaker at Club Program Tuesday

Aldrician Club will present three artists on program at a seated tea at the home of Mrs. Joe Stinson Tuesday afternoon of next week from 3:00 to 5:00 o'clock. Study club members, pastors' wives and women school teachers are being invited to call in two groups as Aldricians extend their courtesy for the year to other club women.

Lexie Dean Robertson of Rising Star, poet laureate of Texas, will read from her three books of poems; Mrs. John E. Santell, soprano, will sing; and Mrs. Novis Rodgers, pianist, will be heard. Mrs. John R. Williams, Aldrician Club president, is being assisted by every club member in preparing for the tea.

Mrs. Robertson, who visited briefly in Snyder early in the summer, has recently returned home from a three-month lecture tour in the Western states. Rare personality and charm exhibited in her interpretation of her own verse tend to add beauty to the lines, and local women will be happy to have the opportunity to meet and hear the poet laureate here next week.

Although fourth in the line of poet laureates of the state, Mrs. Robertson is the first native Texan to be named. Born in East Texas, she has long been a resident of West Texas. Sunlight and sincerity of the West are happily blended in the personality of the writer, her friends say.

Hobbs Girls Elect Officers for F. H. T.

Juanita Davis was elected president of the 1939-40 organization of the Hobbs school chapter of the Future Homemakers of Texas formed for the new school year recently. Charlotte Ballou, Hobbs homemaker teacher, will be the group's advisor this year.

Other officers are: June Ann Day, vice president; Thelma McCutcheon, secretary; Loury Stewart, treasurer; Sarah Julia Taylor, reporter; Marjorie Stewart, parliamentarian; Maudeil Carney, historian.

Thirty-four girls compose the membership of the chapter, one less than the total enrollment in home-making classes at Hobbs. The FHT chapter will meet twice each month, carrying out an approved program of work.

The homemakers were hostesses to the PFA boys and their sponsor, Herbert Hoover, last Friday night at a picnic. The outdoor supper was followed with various games and stunts, entertainment for 75 students and guests.

Present for the Monday evening club meeting were the following: Mmes. R. E. Boyer, Brown, Darby, Joe Cain, Herman Doak, J. D. Mitchell, Sam Joyce, Clyde Murray, J. D. Scott and Ward; Polly Harpo'e, Thelma Leslie, Katherine Northeast, Vera Periman, Margaret Dell Prim, Dorothy Strayhorn and the hostess, members, and Miss Hawthree, only guest.

El Feliz Club Meets At Winston's

Mrs. Wade Winston was hostess to El Feliz Club Friday afternoon at her home in Southwest Snyder. Present besides the club members for the afternoon's forty-two games were Mrs. Winston's house guest, Phyllis Hawthree of Snyder, Australia, Mrs. Warren Dodson and Mrs. Sam Joyce.

Members present were: Mmes. G. H. Leath, J. W. Scott, J. E. Leonard, A. W. Waddill, A. J. Oody, I. W. Boren, P. C. Chenuitt, Sidney Johnson, H. T. Sefton, W. E. Doak, W. G. Williams, R. H. Odom, H. L. Vann, L. T. Stinson, Joe Strayhorn and Sterling Williams.

Frances Chenuitt Hostess to Duce Club

Fall flowers formed a setting for three tables of bridge players last Thursday night when Frances Chenuitt was hostess to the Duce Bridge Club and guests. The bouquets of flowers in small pottery vases centered the linen-covered tables as Miss Chenuitt, assisted by her mother, Mrs. P. C. Chenuitt, served a plate of salad and sweets with spiced tea.

Mrs. R. E. Boyer Jr. retained the traveling prize, and Alleth Getty won the high score prize. Other players were: Wilina Shropshire, Mrs. Melvin Blackard and Mrs. John F. Blum, guests; Mrs. R. C. Miller Jr., Mrs. Loy Logan, Vesta Green, Johnnie Mathison, Ruby Lee, Margaret Deakins and Frances Boren.

Miss Mathison will be hostess at the next club meeting, Thursday.

Australian Talks Informally to Club

Phyllis Hawthree of Sydney, Australia, gave an interesting informal travel talk before members of Aldrician Daughters Club at its meeting at the home of Mrs. P. W. Cloud Monday evening. Miss Hawthree is a guest in Snyder of Mrs. Wade Winston.

Miss Hawthree spoke of her travel from Sydney by the Mediterranean Sea route to Europe, dwelling on the night life of Paris, Monte Carlo, Rome, London, Ireland, Pompeii and the Pyramids of Egypt.

Mrs. Harold Brown was director for the Aldrician Daughters program, presenting the following three members in talks: Mrs. Cloud in "Bright Pages From an Astatic Travelogue," Mrs. Herman Darby on "Superstitions of East India" and Vera Periman on "The Sumatra Frank Buck Knows."

Aldrician Daughters will again this year sponsor the flower booth at the Scurry County Products Show in October, assisted by Mrs. W. R. Bell, local florist. Mrs. Harry Ward is chairman of the club committee in charge of collecting and arranging the exhibit.

Present for the Monday evening club meeting were the following: Mmes. R. E. Boyer, Brown, Darby, Joe Cain, Herman Doak, J. D. Mitchell, Sam Joyce, Clyde Murray, J. D. Scott and Ward; Polly Harpo'e, Thelma Leslie, Katherine Northeast, Vera Periman, Margaret Dell Prim, Dorothy Strayhorn and the hostess, members, and Miss Hawthree, only guest.

Feature of a meeting of the local Band Parents Association Tuesday evening in the band room of the school gymnasium was election of new association officers. An enthusiastic group of band parents and patrons welcomed Herman Trigg, new band director. High School Principal Hickey Reese and R. G. Dillard, junior high school principal, were present.

Band Parents Elect 1939-40 Leaders

Mrs. R. J. Randalls will be president of the association this year. Mrs. H. L. Vann was elected vice president and Mrs. Dewey Everett, secretary-treasurer. Retiring officers are: Mrs. G. H. Leath, president; Dr. C. E. Helms, vice president; and Mrs. R. L. Gray, secretary-treasurer.

Both junior and senior bands are progressing well under leadership of Trigg, the principals say. The band and association will sponsor a booth at the annual Parent-Teacher Association carnival October 31. Regular meetings will be held each month for the band parents group.

Child Welfare Booth Planned by Ingleside

A child welfare booth, in keeping with the club's major project for several years, will be sponsored at the local Products Show October 13-14 by Ingleside Study Club. It was announced at a Tuesday Club meeting. Free literature from the state health department will be given grown-ups and free souvenirs will be at the booth for children.

Mrs. Clyde Boren, president, was hostess to Ingleside Club at the home of Mrs. I. W. Boren Tuesday afternoon. Mmes. Boren and C. H. Ward were guests for the program, led by Mrs. H. L. Vann.

Mrs. Joe T. Johnston gave an interesting review of Erich Maria Remarque's book, "Flotsam," which deals with the Jewish question.

Members attending included: Mmes. Tom Boren, Harold Brown, Jim Coud, W. F. Cox, Carl England, Johnston, Hal Ledtmore, Earl Loudner, W. W. McArthur, G. C. Moseley, J. H. Newton, T. W. Pollard, R. J. Randalls, H. P. Reelwite, L. C. Renalds, W. W. Smith, Vann and the hostess.

Wilina Shropshire spent the week-end with relatives at Brady.

Creating publicity in connection with the recent opening of Charles of the Ritz toiletries at Stinson Drug Company, a special powder promotion is being staged from September 30 through October 7, Mrs. Madge Sims, consultant, announces. Powder shades this year must be luscious in tone to give the proper accent for the new fall costume colors, she says. Stinson's offers individually blended Charles of the Ritz face powder next week in a special promotion.

Keep Him King in Your Home . . .

DOROTHY MAE LANKFORD IS WED TO PENCE

SUNDAY BRIDE

Mrs. Elmer Pence, above, is the former Dorothy Mae Lankford, a 1938 graduate of Snyder High School. Daughter of Mrs. O. L. Morse, Mrs. Pence became a bride in a home marriage service Sunday morning. The couple will live in Austin.

Marriage of Dorothy Mae Lankford, daughter of Mrs. O. L. Morse, to Elmer Pence of Austin, son of Mr. and Mrs. S. A. Pence of the Union community, was solemnized Sunday morning at 9:00 o'clock at the home of Mr. and Mrs. Morse, two miles west of Snyder. Rev. Ira Harrison, local Baptist minister, read the ring service before a small group of wedding guests.

The couple and their attendants—Emma Lee Pence, sister of the bridegroom, who was maid of honor, and S. D. Hays Jr. of Odessa, best man—stood before an improvised altar of ferns and autumn flowers. Before the ceremony Louise Wilson sang "I Love You Truly" playing her own violin accompaniment, and later playing the wedding marches.

The bride, a 1938 graduate of Snyder High School, was dressed in a street-length chiffon velvet frock in celestial blue with cream Irish lace collar, fashioned with a bustle, which was lined with American beauty taffeta. She carried an arm bouquet of peach sachels and wore a matching spray in her hair. Miss Pence wore a black crepe dress and carried red roses.

A reception was given by Mr. and Mrs. Morse honoring the couple immediately after their marriage. Mrs. Raymond Robinson presided at the coffee urn. Laidine Woolver of Abilene served the wedding cake after it had been cut by the bride. Bouquets of various fall flowers in deep tones and ferns were used throughout the hour.

Out-of-town people present were: Miss Woolver, Hays, Renal Rosson of Lubbock, Lee Roy Strayhorn of Llano and Mrs. Lathen Pence of Sweetwater.

Mr. and Mrs. Pence left Sunday morning for Austin to make their home. She traveled in a two-piece dress of black crepe worn with wine accessories.

Joint Meeting of Two Circles at Smith's

Meeting of both Monday afternoon circles of the Woman's Missionary Society of the Methodist Church was held at the home of Mrs. J. A. Smith early this week. Assisting hostesses were Mmes. H. G. Towie, J. G. Hicks and H. P. Brown.

Mrs. J. C. Dorward, general president, presided as members heard reports of officers. Work for the year is well in hand, the leader says. Next Monday will be guest day, with enlisting new members as its object. The meeting will be at Mrs. R. L. Gray's home.

Talk on India Is Feature of Program

Talk on India illustrated by pictures and literature sent from the country's interior by a former Snyder girl was the feature of a Tuesday evening program heard by members of the Business and Professional Women's Circle of the Methodist Missionary Society. The meeting was held at the home of Mrs. F. L. Pierce.

Mrs. Pierce gave the India discussion from literature furnished by Dr. R. L. Howell, local physician. Dr. Howell's daughter, Josephine, married an English army man, J. E. Barry. The couple are stationed 1,800 miles into the interior of India in the H. Q. Lucknow District, at Ranikhet, U. P., India. News of religion, customs and home life of the Indian people as given by Mrs. Barry in letters to her father were of particular interest to the local women.

Ethel Mae Sturdivant led the program on "Widening Horizons," and assisting her were Mmes. I. A. Smith, W. W. Smith, Pierce and G. C. Moseley. Mrs. M. W. Clark, sponsor, and Mrs. W. W. Smith, study leader, discussed the next study book, a spiritual life program, "Through Tragedy to Triumph," by Basil Mathews.

The new study will begin at the next meeting, October 10, at the home of Mrs. I. W. Boren, with Nellon Minix as hostess.

Creating publicity in connection with the recent opening of Charles of the Ritz toiletries at Stinson Drug Company, a special powder promotion is being staged from September 30 through October 7, Mrs. Madge Sims, consultant, announces. Powder shades this year must be luscious in tone to give the proper accent for the new fall costume colors, she says. Stinson's offers individually blended Charles of the Ritz face powder next week in a special promotion.

SEPTEMBER 2 MARRIAGE IS ANNOUNCED

Early September marriage of Mrs. Maude C. DeBoid and W. E. Holcomb was announced to local friends during the week-end. The two well known in Snyder business, civic and social circles, were married in a ring service read by Rev. B. W. Wilkins, Methodist minister, at his home in Seymour, Saturday, September 2.

Mrs. Holcomb, who wore a navy blue sheer crepe dress with navy blue accessories for the service, has been local agent for Southwestern Life Insurance Company since 1933. She has been designated the last few years by the company as one of its leading women agents. Her parents, Mr. and Mrs. W. T. Cook, who now live at Crosbyton, formerly were residents of Scurry County.

Holcomb has been connected with the cotton business for years in Oklahoma and Texas. He came here from Oklahoma eight years ago as cotton buyer for Fuller Gims of this section, headquartered at the local Snyder Gin.

Mr. and Mrs. Holcomb are at home to their friends at 3106 Avenue T, Snyder.

Mrs. Carl Keller Hostess To Club

Mrs. Carl Keller was hostess Friday afternoon to 18 members of the Ringside Club in regular alternate-weekly meeting. Study for the day, "Home, the Foundation of the Nation," was directed by Mrs. B. H. Moffet.

Following roll call, for which the members gave cherished memories of home, Mrs. C. L. Banks told of the life of John Howard Payne, who wrote "Home, Sweet Home," "Problems Confronting the Home" was the title for Mrs. Keller's discussion, which was followed by an Edgar A. Guest poem read by Mrs. L. B. Peterson.

Plans for the year were discussed during the business session, and interesting things are in store for members, leaders say.

"Leto's" for the Gums

An astringent with antiseptic properties that must please the user or druggists return money if first bottle of "LETO'S" fails to satisfy. For sale by Stinson Drug Company.

Headachy, Breath Bad? Make This Check-Up

The Police Siren means "Look-out!" And so do Nature's signals—headaches, biliousness, bad breath, which are often symptoms of constipation. Don't neglect your sluggish bowels, for a host of constipation's other discomforts may result: such as, sour stomach, loss of appetite or energy, mental dullness.

Help your lazy bowels with spicy, all vegetable BLACK-DRAUGHT. Acts gently, promptly, thoroughly, by simple direction, thoroughly. BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic—stimulant." It helps impart tone to lazy bowel muscles. Next time, try this time-tested product!

Mrs. Leonard McNutt, of Tuxedo, Texas, says: "It sure is ideal for our country home; gives us ice, cold water, ice cream, frozen salads, fresh vegetables and fresh meats, EVERY DAY IN THE YEAR."

FRESH MEAT! Out on a ranch is where Servel Electrolux really makes friends. You don't need electricity—it runs on kerosene (oil), butane or natural gas. Just a tiny gas or kerosene flame—but it makes ice! Hard to believe, isn't it? But come on in and we'll show you—no wheels, belts, gears, compressors. No moving parts at all, in its whole freezing system. The ONLY automatic refrigerator with no moving parts. Nothing to wear! Nothing to make noise. Nothing to lose efficiency, and pile up big repair and operating bills.

Mrs. Deakins Hostess At Manhattan Hotel

Mrs. E. M. Deakins was hostess at Tuesday Afternoon Bridge Club's first party for the fall and winter this week in the Manhattan Hotel dining room. Bouquets of pretty fall flowers decorated the room as a group of club members and guests enjoyed bridge games and a salad plate at tea time.

Guests high score prize went to Mrs. H. G. Towie, and Mrs. A. D. Erwin, guest, retained the traveling prize. Mrs. T. L. Lollar won the high score prize for members.

Others present were: Mmes. Vern McMullen, Henry Rosenberg and Joe Stinson, guests; Mmes. W. W. Hamilton, J. C. Dorward, John H. Williams, H. P. Brown, Joe Strayhorn and Sidney Johnson, members.

Mrs. Dorward will be hostess to the bridge club at its next meeting Tuesday, October 10, at her home at 2:30 o'clock in the afternoon.

Prof. Dawes will teach piano, voice and organ in Snyder during the ensuing school term. For information see or phone Mrs. D. P. Yoder.

Mr. and Mrs. A. L. Stevens and son, Don Franklin, of Midland were Sunday afternoon guests of Mr. and Mrs. W. E. Holcomb.

Nine-Year-Old Is Given Party Tuesday

A birthday party was given Tuesday afternoon at the Gih Tatom home honoring their nine-year-old daughter, Charlene Tatom. Games were played, and the guests presented gifts to Charlene.

Sandwiches, potato chips, candy and birthday cake were served to the following: The honoree, Anna Mae DeShazo, J. B. Nations, Charlene White, Dorothy Clardy, Aline Clardy, Fay Ellen Jourdan, Delma White, Jeanette Watkins, Melba Jo Cochran, Billie Don Beane, Sonny Cochran, Harold Martin, Mary Ruth Martin, Patty Ruth Moore, John Gilbert Tatom, Myrtle Rae Lewis, Patsy Ann Ross, Josephine Weems, Leslie Thompson, Dale DeShazo, Edith Hope Thompson and Kenneth Beane.

Mrs. Lora Miller is spending the week with her daughter, Mrs. Melvin E. Stoker, in Abilene and in Mineral Wells.

Mr. and Mrs. A. L. Stevens and son, Don Franklin, of Midland were Sunday afternoon guests of Mr. and Mrs. W. E. Holcomb.

Stinson No. 1

HEY! DID WE STRIKE OIL?

W. M. Puckrus, Denton, Texas, says: "I have had my Servel Electrolux for 5 1/2 years, and have never been out one penny for service or repairs. I prefer Servel Electrolux to any other and as I have the upkeep of 6 ELECTRIC REFRIGERATORS, I feel I am qualified to make this statement."

And Mrs. Jess Prewett, Keller, Texas, says: "I've had mine 6 years, and have never had one thing done to it."

Sounds like it must cost a lot of money, doesn't it? How would you like to get one free? Well, Mrs. H. C. McMillan of Nocona, says, "I have saved enough on groceries to almost pay for my Servel Electrolux—and I don't see how I ever kept house 50 years without it."

And Mrs. Stella Williams, of Stamford, has actually kept books on her savings. She says: "Each month it puts in my pocket \$2.25 which I save in leftovers. (Which she used to throw out). I save about \$2.00 a month buying week-end specials (because they keep perfectly in my Servel Electrolux for a whole week. I save \$1.20 a month on milk alone, that used to sour; and save a \$4.30 ice bill besides."

Say, that's \$9.75 a month! Is your husband too hard-headed to see what these figures mean? If he is, better have the critter into our store next time you're in town, and leave him to us. He'll never miss the little down payment; and he'll be the biggest cheer-leader you've got, when you get him on that ice-cream diet. But come in now—don't throw away another \$9.75 this month.

- NO MOVING PARTS in its freezing system
- PERMANENT SILENCE
- CONTINUED LOW OPERATING COST
- MORE YEARS OF DEPENDABLE SERVICE
- CONTINUED SAVINGS THAT PAY FOR IT

IRVIN GOES TO AREA MEET OF SCHOOL FOLKS

Monthly Meetings Will Be Held By Superintendents to Study School Affairs, Officials Decide

County Superintendent Roy O. Irvin represented Scurry County schools Monday afternoon at a meeting of District 8 county superintendents at the Hilton Hotel. R. N. Sandlin, deputy state superintendent, presided at the educational conclave.

County superintendents present voted to hold regular monthly meetings at Abilene each first Tuesday afternoon at 2:00 o'clock. A number of items that vitally affect Scurry County schools and District 8 were discussed at the meetings.

Officials of the Oil Belt Safety Council explained their newly adopted program to attendants, and made plans to hold safety meetings in District 8 throughout the 1939-40 school year. Scurry and Mitchell Counties, however, are not included in the Oil Belt Council.

Immediately after the meeting, refreshments were served at the home of Mr. and Mrs. R. N. Sandlin, 1121 Vine Street, to the following county superintendents: Roy O. Irvin, Snyder, Scurry County; Roy O. Cates, Colorado City, Mitchell County; Ed Nelst, Streetwater, Nolan County; C. J. Dalton, Robt. Fisher County; Tom McGeehe, Abilene, Taylor County; Mrs. Eula Brockman, Breckenridge, Stephens County; B. T. Beavers, Anson, Jones County; B. C. Chrisman, Callahan County, and Connor Robinson, Taylor County.

DECEMBER 31 DEADLINE. Farmers have until December 31 to complete requirements for earning full soil building allowances under the 1939 AAA program.

RUPTURE

H. L. Hoffman, expert, Minneapolis, Minnesota, will demonstrate without charge his Perfect Retention Shields in Sweetwater Thursday, October 12, at the Blue Bonnet Hotel, from 10:06 a. m. to 4:00 p. m. Please come early. Evenings by appointment.

Your physician will tell you about this serious condition. Any rupture allowed to protrude is dangerous.

My Retention Shields will hold your rupture under any condition of exercise and work. They are sanitary, waterproof and practically indestructible. Naval ruptures and those following abdominal operations especially solicited.

Do not wear trusses that will enlarge the opening and don't neglect the children. Many satisfied clients in this community. No mail order. Home Office: 305 Lincoln Building, Minneapolis, Minn.—adv. 17-2p

Design Wins

J. H. Hughes, Abilene architect, above, has won a \$1,000 prize for designing one of the most completely gas equipped homes in the country. He entered the American Gas Association's all-gas home competition conducted among architects and builders of the United States and Canada and took one of the five first prizes.

Reunion and Dinner Attended by Locals

Family reunion and birthday dinner, honoring J. G. Thames, was given Sunday at Knott by a daughter, Mrs. Della Hooton. Among the attendants was the honoree's son, S. E. Thames, and family of Snyder.

A happy day was spent, and Mrs. Hooton served a delicious dinner. Mr. Thames is 76 years old.

Present were the following: Mr. Thames, J. H. Thames and family of Merritt, Martin County; A. J. Pickle and family of Merritt, Mrs. Hooton's family, S. E. Thames and family of Snyder, Wallace Thames and family of Merritt, W. J. Thames and family of Big Spring, A. P. Anderson and family of Lenore, David Odum of Knott and Carlton Leach of Louisiana.

TO TRINITY U.

Vivian Chenault, daughter of Mrs. P. C. Chenault, returned to Trinity University, Wauhaehle, for her junior college work recently. She is doing special work in speech at the Wauhaehle school. Rosanel Staveloy of Fluvanna is also back at Trinity this year.

Says Verna S.: "Since using Adlerika the pimples are gone. My skin is smooth and glows with health." Adlerika helps wash BOTH bowels, and relieves temporary constipation that often aggravates bad complexion. Stinson Drug Company.

WINSTONS WIN SHOW HONORS ON HEREFORDS

Five Placings at Amarillo Tri-State Fair Chalked Up by Local Breeders Last Week

Another laurel was added last Wednesday to the state famous Domino Return Herefords of Winston Brothers, when animals exhibited by the local Hereford breeders were awarded five placings at Amarillo's Tri-State Fair. W. M. Gouldy, superintendent of the Hereford department, announced the results of the \$5,000 livestock show.

Grand champion of the fair, which attracted entries from four states, was John Henry Dean's two-year-old H's Prince Domino 2nd No. 294821. Animals shown by the Dean Ranch, located near Lamesa, have carried away ribbons at almost every Hereford show entered the past few years.

Domino Return 366th, a prized Winston show animal, placed second in the senior bull calf division. Banner Domino 42nd topped thirteenth in senior yearling bulls, while Banner placed fifth in the junior yearling bull class. In the summer yearling bull division, Advance Pasadn placed seventh, and Domino Return 61 tenth.

Winston Brothers' Domino Return Herefords, consistent winners at West Texas Hereford shows, won more placings at the Tri-State Fair than bulls exhibited by any other breeders in Central West Texas.

Charm Is Subject Of Club Discussions

"Charm" made an interesting subject for study at a Tuesday meeting of Woman's Culture Club this week. Mrs. R. W. Cunningham was both hostess and leader of the program, giving the opening talk on "Different Expressions of Charm."

"The Fine Art of Flattery" by Mrs. E. F. Sears and "Are You Afraid to Be Different?" by Mrs. A. C. Alexander brought out interesting facts and opinions regarding "Charm."

The hostess-leader passed a salad plate to four guests, Misses Lee Roy O'Neal, E. F. McCarty, Dan Gibson and R. C. Grantham, and the following club members: Mrs. Alexander, J. P. Avary, J. R. Huckabee, E. J. Richardson, Sears, H. T. Sifton, D. P. Strayhorn, E. E. Weatherbee, J. A. Woodfin, H. L. Wren and W. G. Williams.

Mrs. W. A. Morton will be hostess to the club at the home of Mrs. Richardson Tuesday afternoon, October 10.

New 1940 Buick Is Seen at Stimson's; Advance in Styling

Advance styling in every department is seen in the new 1940 Buick that is on display at Stimson Camp. A series 40 four-door sedan with radio, white sidewall tires and dozens of details reflecting advance styling, the new automobile is finished in a semi-lustrous blue.

The General Motors creation has safety sealed beam headlights, aerob carburetion, crankcase ventilation, torque tube drive and bucoil tongue free springing. It may be seen on display at Stimson's showrooms, four blocks north of the square.

O'Le Stimson, dealer, was in Dallas early this week to view the new Pontiacs, which he also handles, and he expects to have one of these cars on hand within a few days.

Emmett Starr, service man for Stimson, was in Abilene Tuesday to attend a Buick service school, conducted for service managers and mechanics of 20 agencies in Central West Texas. The school aimed to qualify service men to service the new Buicks.

South Plains Event Attracts Local Folks

Several delegations from Scurry and Borden Counties have gone to Lubbock this week to attend part of the 26th annual Panhandle South Plains Fair, which opened Monday and continues through Saturday.

A feature of the week-long exposition is big-time rodeo performances, with Johnnie Mullens, formerly of Madison Square Garden, as arena director. Afternoon rodeo performances will follow to night shows Friday and Saturday.

The mighty Sheesley Midway, with 800 people, has been attracting thousands of people this week. School children's days at the fair were observed Wednesday, and will be featured again today (Thursday).

TWO IN WEATHERFORD.

In Weatherford Junior College this year are two boys from Snyder. Daren Benbenek, son of Mr. and Mrs. Pete Benbenek, is back there this fall and his fellow debater, Jack Stewart, has joined him. Stewart, son of Mrs. Jew Rogers, graduated last spring. He and Benbenek were outstanding debaters in this district for two years.

E. P. Simpson of Camp Springs Is Taken by Illness

Death claimed E. P. Simpson, 51-year-old county stockman-farmer, Tuesday afternoon at his home one and one-half miles south of Camp Springs. Simpson had been in ill health for four months.

Rev. S. A. Sifford of Hermleigh, assisted by Rev. Buster Edwards, conducted funeral services Wednesday afternoon, 2:00 o'clock, at the Camp Springs Methodist Church. Odum Funeral Home was in charge of arrangements for burial in Camp Springs Cemetery.

Survivors include the widow, Mrs. Mary Simpson; one brother, Wirt Simpson of Camp Springs; and one sister, Mrs. Imogene Hollis of Portales, New Mexico.

Born July 7, 1888, E. P. Simpson had lived at the same place south of Camp Springs for 42 years that his parents, Mr. and Mrs. James Simpson, homesteaded in an early day. During his only lengthy absence from Scurry County, he served for some time as a deputy sheriff at Los Angeles, California.

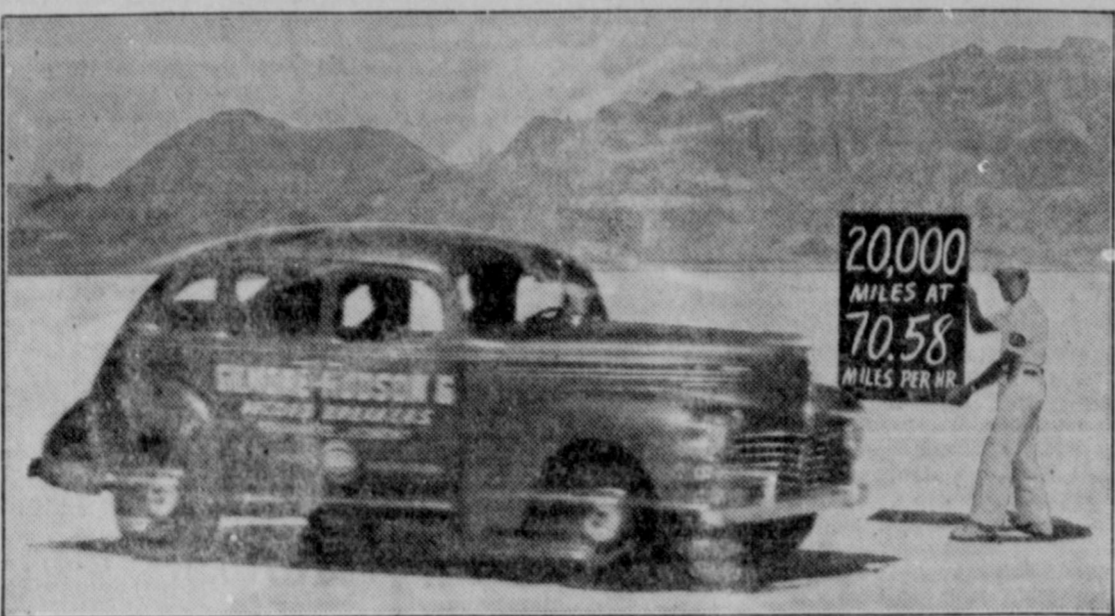

Burial services were held at the home of Mrs. B. Knight, James Davidson, Walter Walls, Earl Horton, Clyde Brown and M. C. James.

Mrs. Clyde Brown, Perry Allford, Walter Walls and Earl Hicks were in charge of floral offerings.

The Helping Hand.

If, when climbing up life's ladder, You can reach a hand below Just to help the other fellow Up another rung, you know; If you're that in the future, When you're growing weary, too, You'll be glad to find there's someone Who will lend a hand to you!

1940 Hudson Is New AAA Endurance Record Holder

This 1940 Hudson Six stock sedan, in the lowest price field, is the new American Automobile Association endurance record-holder for closed cars with an average of 70.58 miles per hour

for 20,000 miles on the famous Bonneville Flats course. New economy marks were also set by this new Hudson Six which scored an average of 23.66 miles per gallon in a special 1,000-mile

test using the optional overdrive and rear axle gear ratios. J. R. Hicks Motor Company, local dealer, is showing the new 1940 models of Hudson cars, at show-room on 25th Street.

NEW SHEDS AT SHOW GROUND BEING ERECTED

Advance Entries in Annual Products Exhibit Force Expansion of Facilities, Officials Say

Construction this week on 240 linear feet of new shed room at the Products Show grounds for cattle and horses, plus the doubling of space for hogs and sheep, indicates Scurry County's second annual Products Show here October 13 and 14 will far surpass last year's show in size and entries, officials stated Tuesday.

In addition to new shed room under construction, a convenient unloading chute is being built for the easy handling of show entries.

X. B. Cox Jr., county agent, and Miss Estella Rabel, home demonstration agent, reported Tuesday booth space for clubs and communities is practically 100 per cent reserved.

Those still desiring booth space of any nature at the 1939 Products Show are urged to contact their representatives with Chamber of Commerce Secretary Ray Dickson as soon as possible. Some commercial booth space is still available, members of the advertising committee stated Wednesday.

Each 15-minute entertainment feature of the two-day free entertainment program will be sponsored by a Scurry County merchant, Entertainment Superintendent E. O. Wedgeworth stated.

Wedgeworth reports he is receiving the fullest cooperation possible from show committeemen, and that advance program schedules indicate a far better entertainment program than was given at the 1933 Products Show.

In order to insure the best exhibits possible here October 13-14, a number of communities in Scurry County have already held local shows to select the best of their products, and will have top flight selections in community booths, E. J. Anderson, chairman of the general committee, reports.

Citizens of the Hermleigh community, at a meeting Wednesday night, voted to have a community Products Show October 6-7, preceding the county Products Show.

E. L. Farr, superintendent of Hermleigh Schools, and one of the community Products Show backers, states commercial booths, farm crop exhibits, ladies handcraft and canned foods will be shown at the Hermleigh Community Products Show.

Initial plans to hold a community Products Show at Hermleigh October 6-7 were mapped out at a community meeting Monday night. X. B. Cox Jr., county agent, and Miss Estella Rabel, home demonstration agent, assisted people of the Hermleigh community in drafting a program for the two-day show.

Lee Ory Strayhorn, son of the Roy Strayhorns, who formerly lived in Snyder, is visiting with local relatives and friends for a few days before returning to Llano, where the family now lives. Lee Roy is handling the parts department of his father's Ford agency.

Faith can place a candle in the darkest night.—Margarita E. Sanzester.

Good Crowd Hears Specialist on Feeding

A good-sized crowd of county livestock owners gathered at the courthouse Wednesday morning to hear George W. Barnes, beef cattle specialist with the Texas Extension Service at A. & M. College explain new feeding rations for beef cattle and lambs.

Barnes, well known in Texas livestock circles as an expert in feeding problems, discussed the latest approved feeding rations for beef cattle and lambs as approved by specialists of the Extension Service. The vocational agriculture classes of Fyron and Ira Schools attended the meeting.

Church of Christ

Next Wednesday night at 7:30 at the mid-week prayer meeting and Bible study of the Church of Christ Le Moine G. Lewis, minister of the church, is beginning a series of lessons on the books of the Bible. One night will be devoted to each book, until every book has been studied.

Next Sunday the minister is going to speak on a very unique set of sermons. Subject of the morning sermon will be "God's Love for Us." Evening sermon at 7:30 will be "How Can I Tell Whether I Love God?"

Methodist Workers In Session Here Today

Conferences of the Methodist Sunday School workers' meeting, which open this (Thursday) morning, 10:00 o'clock, at the Methodist Church, will be directed by Rev. C. R. Hooton, Sweetwater district superintendent, and W. E. Hamilton of Lubbock, educational director.

Rev. T. A. Smith, local pastor, says the sessions will be held from 10:00 a. m. to noon. All officers and Sunday school teachers in this area are expected to attend the meeting.

Mattress Making In Texas Launched by Extension Service

Extension Service of Texas A. & M. College is launching a mattress campaign this fall. Since one purpose of this movement would be to use surplus cotton, one may be interested to know that it takes 50 pounds of cotton to make a good mattress. If the people of Texas would make and purchase together 1,000,000 mattresses—less than one for each family—they would use up 100,000 bales of cotton.

Every home demonstration agent in the state of Texas has had training in mattress making. Misses Jewel Hipp and Mamie Carol Smith, home demonstration agents of Fisher County, received training in mattress making in San Angelo at a district meeting September 19. Let us suggest that every farm family in Fisher County save at least 50 pounds of cotton from a square bale if possible so that cotton may be taken off in uniform layers or 50 pounds round bale remnant, or 50 pounds ginned cotton, long staple if possible.

It has been decided by a committee to hold training schools in mattress making in the following communities: Hinton, Pleasant Valley or Dowell, Palava, Eskota, El Paso, Gannon, North Roby and North Border Line. A woman in each community who desires to have a mattress made who will furnish cotton, tick and thread will be able to have it made by the community. Please get in touch with the home demonstration agent at once, as first come is first served. These demonstrations are to be training schools for all the women of the county, and each club is expected to give a mattress making demonstration in November at the meeting without the agent, so please see that your club is well represented. These meetings are all day demonstrations so please bring a covered dish for lunch. Dates for the mattress making in the communities named will be announced later.

Phyllis Hawtree of Sidney, Australia, who has been a guest of Mrs. Wade Winston here since last Tuesday, will probably leave for her home late this week. She has been away from Sydney since February on a world tour, which she had planned to last several weeks long, but since the war scare Miss Hawtree has decided to start for home. She spent several weeks with the Charlies Winstons at St. Joseph, Missouri, before coming to Snyder. She and Mrs. Charlie Winston were in school together in Australia.

Agriculture has a big stake in the export market, and the welfare of agriculture should be kept in the forefront when foreign trade policies are considered.—Secretary of Agriculture Henry Wallace.

Every Home Demonstration Agent

In the state of Texas has had training in mattress making. Misses Jewel Hipp and Mamie Carol Smith, home demonstration agents of Fisher County, received training in mattress making in San Angelo at a district meeting September 19. Let us suggest that every farm family in Fisher County save at least 50 pounds of cotton from a square bale if possible so that cotton may be taken off in uniform layers or 50 pounds round bale remnant, or 50 pounds ginned cotton, long staple if possible.

For the purpose of directing, reconstructing, and widening State designated Highway

No. 15, all of which more fully appears in a certain written statement filed by the said State of Texas, acting by and through the Commissioners' Court of said Scurry County with said judge, on the 27th day of September, 1939, to which reference is here made for all purposes; having heretofore duly selected such time and place for hearing as required by law, will proceed to hear said parties and said written statement and to act thereon in the manner directed by law.

Witness our hands this 27th day of September, A. D. 1939.

W. B. LEMONS,
J. O. LEECH,
M. A. GLASS,
Special Commissioners. 17-4c

In the matter of the proceedings for the State of Texas for the condemnation of certain property of Clifford Sanford Perkins, et al.

To the Honorable Sterling Williams, County Judge; Hubert Robinson, Commissioner of Precinct No. 1; Jake E. Huffman, Commissioner of Precinct No. 2; H. M. Blackard, Commissioner of Precinct No. 3; Joe E. Hairston, Commissioner of Precinct No. 4; the petitioners, and to W. O. Aucutt and wife, Callie Aucutt; Federal Land Bank of Houston, Houston, Texas; Farmers Royalty Holding Company, a corporation; G. T. Blankenship, and Alma W. Buchanan, individually and as community administratrix of the community estate of herself and her deceased husband, C. R. Buchanan; the unknown heirs, if any there be, of the estate of C. R. Buchanan, deceased; Doris Buchanan, a female, and Ruth McJinsey, and husband, Geo. D. McJinsey.

You are hereby notified that on the 31st day of October, 1939, at 10:00 o'clock a. m., and in the courthouse at Snyder, Texas, in said Scurry County, the undersigned special commissioners appointed by the judge of the County Court to assess damages occasioned by the condemnation of the following described property, to-wit:

A strip of land, varying in width across the north side of the NW one-fourth of Section 51 in Block No. 3, H. & T. C. Ry. Co. Survey, in Scurry County, Texas, containing 3.92 acres of land more or less of which 1.92 acres more or less is the present Highway right-of-way.

For the purpose of directing, reconstructing, and widening State designated Highway No. 15, all of which more fully appears in a certain written statement filed by the said State of Texas, acting by and through the Commissioners' Court of said Scurry County with said judge, on the 27th day of September, 1939, to which reference is here made for all purposes; having heretofore duly selected such time and place for hearing as required by law, will proceed to hear said parties and said written statement and to act thereon in the manner directed by law.

Witness our hands this 27th day of September, A. D. 1939.

CHAMBER OF COMMERCE SHOWS GOOD WORK RECORD SINCE JULY

Activities Outlined for Civic Group Since Coming of Ray Dickson To Manage Organization

At the request of the Scurry County Chamber of Commerce membership, a general activities outline of work done by the organization since Ray Dickson became manager July 1, through September 15, follows:

PALACE Theatre

Thursday, Sept. 28— "The Women" with Norma Shearer, Joan Crawford, Rosalind Russell, Mary Boland.

"Saint in London"

with George Sanders, Sally Gray and others. A chance acquaintance on a country road is the beginning of a heavy load of thrills, suspense and humor.

TEXAS Theatre

Thursday, September 28— "Mickey the Kid" starring Bruce Cabot, Ralph Byrd, Zasu Pitts, Tommy Ryan.

Snyder General Hospital

Dr. I. A. Griffin, local physician who has been a surgery patient in the hospital the past week, was improved Wednesday. Mrs. Julia House, medical patient from Gall, in the hospital several weeks, was still there yesterday.

Locals Attend Zone BTU Meet at Buford

A number of local Baptist Training Union workers, led by Rev. Ira Harrison, attended the quarterly Mitchell-Scurry Baptist Association BTU program held at Buford Sunday afternoon.

Another Meeting for Townsend Group Set

A good crowd gathered on the courthouse lawn Saturday afternoon to hear Grover C. Miller of Plainview and Dr. Tate of Lubbock speak in the interest of the Townsend national recovery plan Miller is advocating.

How poor are they that have no patience.—Shakespeare.

He that has patience may compass anything.—Rabelais.

God is, and all is well.—Whittier.

GONE!—THE HIGH COST OF MANY STOMACH TROUBLES

Don't pay \$3.00 to \$5.00 for relief from stomach pains, indigestion, due to excess acidity. Try Adia Tablets—3 weeks' supply only \$1.25.

Santa Fe advertisement featuring the slogan 'IT ISN'T TOO LATE to visit SAN FRANCISCO'S GOLDEN GATE EXPOSITION' and listing travel services and fares.

Farm And Ranch Exhibits Feature Of Abilene Show

Agriculture and livestock shows will share interest with recognition for pioneer days among the top attractions at the annual West Texas Fair at Abilene, Jack Simmons, fair president, said today.

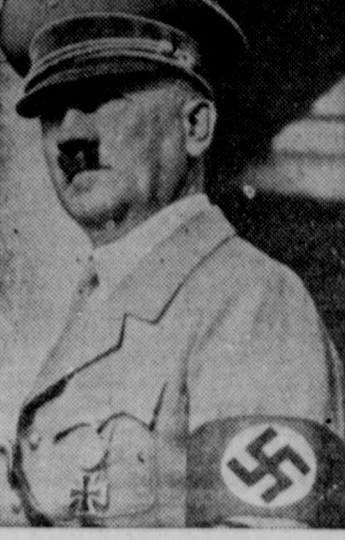

His Hands Full

Allen, fullback, passed to Bills for the lone Dunn tally, and Allen accounted for the other point by running it around end. A blocked Hermleigh punt provided the set-up for this touchdown. Allen completed four passes during the afternoon.

Stomach Comfort

Why suffer with Indigestion, Gas, Gall Bladder Pains or High Blood Pressure? Restore your Potassium balance with Alkalosine-A and these troubles will disappear.

Hermleigh Takes Dunn In Opening Class B Tune-Up

Opening game of the three-team Class C league of Scurry County went to Hermleigh Friday afternoon on the Dunn Oval's sandy field. The 26-to-7 score probably overstates the Cardinals' superiority in the first game, but they had the game their way most of the afternoon.

District Teams Get Variety of Results

Teams of Snyder's Class A district had a variety of football luck over the past week-end. Roscoe Plowboys suffered the most disastrous setback, Sweetwater's rolicking Mustangs whipping them, 59 to 6.

First Christian Church

Next Sunday morning at 11:00 o'clock the sermon subject is "Victory Through Giving." Gracious giving, generous giving and glorious giving are the topics that will be handled.

Graham and Martin Add Silk Finish Man

Graham & Martin, tailor shop to the north of the bank, have just added a man whom Joe Graham and Buddy Martin term "one of the best silk finishers in West Texas."

Hermeigh Takes Dunn In Opening Class B Tune-Up

Opening game of the three-team Class C league of Scurry County went to Hermeigh Friday afternoon on the Dunn Oval's sandy field. The 26-to-7 score probably overstates the Cardinals' superiority in the first game, but they had the game their way most of the afternoon.

Get Your Milk, Cream and Buttermilk From Robinson's Sanitary Dairy

Why suffer with Indigestion, Gas, Gall Bladder Pains or High Blood Pressure? Restore your Potassium balance with Alkalosine-A and these troubles will disappear.

House Cleaning

Nature has a form of house cleaning all her own, evidenced in the human body. Her most difficult habit is to keep the body in good order.

Dr. R. D. English

CHIROPRACTOR Snyder, Texas 2304 30th Street

SNYDER PLAYS BEST GAME TO PUMMEL SPUR

Brilliant Defensive Work By Tigers Sends Local Hopes to Highest Peak in Several Years

Brilliant defensive tactics and the kind of continuous pepper that makes the fans yell themselves hoarse featured Snyder Tigers Friday night defeat of the Spur Bulldogs, 13-6.

Most Bengal backers agree that the Spur victory found the local boys at their best for the past several seasons, and championship hopes have sprung out of the ashes of a mediocre 1938 season.

Spur presented the best all-round offense, their end sweeps and threatening passes plus occasional gains on tackle thrusts, accounting for nine first downs while Snyder was making only five. But in other departments the local boys excelled.

How Tigers Excelled.

They covered most of the fumbles on both sides of the line. They blocked more consistently and they tackled just a little more surely. They made more "breaks" and pounced most viciously on the Bulldogs when the visitors were in scoring position.

Snyder scored on the fourth play of the second quarter when Shield, Tiger offensive ace, covered a Spur fumble behind the goal line. Neal, halfback, kicked the extra point. Snyder had set up the touchdown in the first quarter when he punted on the Spur 10. The visitors were penalized five yards on the first play, gained the loss back on the second play, and then let Duncan, one of the best men on the field, sift through to throw them for a four-yard loss. Then it was that Shield recovered the attempted Spur punt.

One of two Snyder punts that were blocked accounted for the next tally. Morgan, alert Spur end, scooped up the blocked kick and out-distanced Tigers for 28 yards and touchdown. Powers failed to convert from placement. The score stood 7-6 at the half.

Duncan Snatches One.

Duncan, end, clinaxed a great evening of play when he intercepted one of Quarterback Culbert's passes in the last quarter and high-kicked it 55 yards for pay dirt. Neal's try for point was blocked this time, and the scoring was ended.

Snyder's interception of the pass after Spur made 25 yards on four plays is typical of the manner in which the Tigers snatched Bulldog rallies in every quarter. In the third quarter the visitors bogged down on Snyder's 22-yard line; in the second quarter they stopped on the 10-yard line after recovering their second blocked punt; and in the first quarter they were thrown for losses after reaching the Snyder 11.

Spur was penalized four times for 40 yards; Snyder, none. Spur completed five out of 15 passes for a total of 87 yards, and had one intercepted for a touchdown; Snyder completed two out of six for a total of 12 yards.

Two Locals Are Out.

Two Tiger first stringers were on the bench, center Snyder and End Reed having ailments that kept them out of uniform. Terry did a creditable job at Reed's post, and Crawley was good in his first job at center.

More than 500 fans, paced by a snappy Tiger Band and pep squad, saw this first home game. Junior High Principal R. C. Dillard added snap to the evening with his play-by-play broadcast over a loud speaker outfit provided through courtesy of Stinson Drug No. 1, Servali Electrolux dealers.

In addition to the following line-up, Rosson saw some Snyder service; Ball and Morgan came in for Spur.

Spur line-up—McClain and Hisey, ends; Powell and Thomas, tackles; Bingham and Hale, guards; Smart, center; Culbert, quarter; Morrison, full; Garner and Powers, halfbacks.

Snyder line-up—Duncan and Terry, ends; Wills and Walton, tackles; Elne and Wells, guards; Crawley, center; Taylor, quarter; Shield, full; Neal and Spikes, halves.

A Prayer for Peace

The following very timely prayer for peace is submitted of Mrs. Luther Ferguson of Hemi-leigh: Jesus, Prince of Peace, I pray, Look upon us in mercy and in truth;

Search our hearts unto their depth, And help us save our youth From war's tyrannical grasp. From greed and lust our hearts free,

That youth may live—thy purpose grasp in trinity. Search deeply monarch's hearts, I pray;

May it be theirs to know the Christian plan of life; May they grasp and direct the power given mankind through Thee,

To cease this war and strife—Till peace on earth, Good-will shall roll From pole to pole. Amen.

The National Hereford Show, which will be a feature of the 1939 livestock show at the State Fair of Texas, October 7 to 22, will be the largest showing of this breed of livestock held in America this year. The State Fair livestock show will be one of the largest ever held in the South. More than \$10,000 in cash premiums are offered in this classification.

Michigan Boy Makes Good

Thomas E. Dewey, Owosso, Michigan, boy, who has routed the toughest criminals in the country, is mentioned so often for the Republican presidential nomination that a columnist has asked: "Where Dewey go from here?" He is said to possess remarkable energy that is almost without equal in the political life of the nation. Dewey is in his early forties.

COTTON QUOTA UP TO FARMERS

Scurry County farmers will have an opportunity to go to the polls December 9 to cast their votes in a South-wide referendum to decide whether cotton marketing quotas will be in effect for 1940. X. B. Cox Jr., county agent, reported Tuesday.

According to the United States Department of Agriculture, the supply of cotton on hand August 1 amounted to 25,500,000 bales, or 140 per cent of the normal 18,200,000-bale supply.

In setting a national marketing quota of approximately 12,000,000 bales during the marketing year beginning August 1, 1940, Henry A. Wallace, secretary of agriculture, pointed out the quota was mandatory under the Triple A act, when total supplies reach 107 per cent of the normal supply.

The American Boy Magazine Regarded As Real Companion

Hundreds of thousands of boys and young men read The American Boy magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "The American Boy seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in The American Boy."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in The American Boy magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact, every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and readers of boys' clubs also recommend The American Boy enthusiastically. They have found that as a general rule regular readers of The American Boy advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in The American Boy the sort of reading matter boys like best.

The American Boy sells on most newsstands at 15 cents a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50 cents a year extra. To subscribe simply send your name, address and remittance direct to The American Boy, 7430 Second Boulevard, Detroit, Michigan.

You can save on your subscriptions to dailies by combining them with The Times. Ask for rates.

Final plans were made this week by BTU workers to have every organization unit in Scurry County represented at a zone meeting at Bison Sunday afternoon. The zone meeting begins promptly at 3:00 o'clock. Principal speakers will include Rev. J. A. Strickland, pastor at Ira; Theo Wilkins of Waskella, who will speak on "The Value of the BAU to the Church"; and Rev. Elmer Dunham of Big Spring, District 8 missionary, who will bring an evangelistic message. Special music will be provided by the host church.

Since one of the principal items of business will be a discussion of prospects for dividing the present county BTU zone, each person interested in BTU work in Scurry County is urgently requested by organization leaders to attend the Bison meeting.

The Texas Breeder-Feeder Association, of which Frank P. Holand is the president, has undertaken the task of filling the livestock arena at the 1939 State Fair of Texas, October 7 to 22, at each of the judging sessions. The occasion is the huge livestock show which will be held. Judging will be in progress on eight of the 16 days of the fair.

Ultimately the respect given to any person or group depends on what they themselves demand of the social value they put upon themselves. Alas, for so long now, and due to historic causes, women have tended to place a somewhat low value on their work both inside and outside the home.—Ellen Wilkinson.

Independence Organizes. Miss Rabel, home demonstration agent, met with the girls of the Independence School to help them organize a 4-H Girls Club Monday. A drill in parliamentary procedure was given the girls before the election.

The Dunn 4-H Club girls reorganized their clubs with 29 senior and 26 junior girls present at a joint club meeting Tuesday.

The senior girls elected Jaqueta Sheridan as president, Darcene Beavers as vice-president, Louise Hicks as secretary-treasurer, Mary Lou Beavers as parliamentary, and Robbie Jo Brown and Nadine Beaman as recreational leaders. Misses Ruth Scott and Roberson are sponsors.

The junior girls elected: Ilene Turner, president; Mary Lou Cotton, vice president; Rubnell McCormick, secretary-treasurer; Marie Jones, parliamentary; Joy Brown and Julia Eva Ellis, recreational leaders; Mary Margaret Dwyer and Mrs. D. B. Smith, sponsors.

Miss Rabel, home demonstration agent, helped the girls in parliamentary procedure, and each mistake was corrected when made.

The Products Show booths were discussed, and the presidents of the two clubs appointed a committee to take charge of the Dunn girls' exhibit. The committee is composed of Janella Ryan, Mary Ellen, Ethel Echols, Ruth Cotton, Katrine Smith, Mary Frances Echols and Mary Frances Ashley.

The Pyron Women's Home Demonstration Club met at the home of Mrs. C. A. Clifton, last Thursday. The call was answered with "My Vacation." Mrs. C. C. Hess gave an interesting account of her trip to the state convention at Lubbock. The Products Show exhibit was discussed, and plans will be completed at the next meeting.

Mrs. Hess, president, announced that the County Home Demonstration Council will have a meeting at the tavern on the third Saturday in October and that every club woman in the county is urged to attend.

Miss Rabel discussed fall clothes, removed and new clothes with the women showing them posters, hats, samples, purses, jewelry and ready-to-wear dresses. The hostess had on display pictures that were painted by members of her art class.

Refreshments were served to the following: Mmes. C. H. Stahl, E. N. Cummings, J. D. Rowland, J. P. Lammert, Olan Culp, J. V. Seale, Albert Monroe, W. H. Jean, Link Glass, Roy Hallman, F. A. Ammons, Wayne Rogers, M. L. Farmer, Boyd Moore, J. B. Moore, F. C. Oberlin, busch, M. H. Greenwood, O. C. Hess and C. A. Clifton; and Misses Eva and Era Richburg and Estella Rabel.

BTU Zone Meeting To Be Held Sunday Afternoon at Bison

Scurry Invited For Midwest Exposition At Sweetwater Soon

Scurry County is to have an active part in the Midwest Exposition at Sweetwater again this year, it has been revealed by Austin Jordan of Blackwell, president of the fair association. Dates for the 1939 exposition are October 24-28, inclusive.

An invitation is to be extended county and home demonstration agents of Scurry County to enter attractive exhibits, as they did last year. Residents of Scurry County are urged to participate in other phases of the fair, Jordan said.

Attractive cash prizes are to be awarded the winners of first, second and third places in an old fiddlers' contest on opening night of the exposition. Cash prizes in like amounts are to be awarded winners of first, second and third places in a jitterbug contest. Both are open to residents only of Scurry, Coke, Burnet, Taylor, Jones, Fisher, Mitchell and Nolan Counties.

Birds Credited With Curbing of Insects

Birds are being given considerable credit for the lack of grasshoppers in West Texas this year. Hordes of hoppers destroyed crops last year, but large flocks of Swainson's hawks and horned larks, as well as thousands of burrowing owls moved in on them and destroyed many of the pests, according to word received by the executive secretary of the Texas Game, Fish and Oyster Commission.

Not only did birds destroy vast numbers of grasshoppers, but one game manager observed a flock of Swainson's hawks numbering more than 1,000 feeding on mature hoppers last week and also scratching and digging around in the ground. After the flock flew away he checked the large field closely and was unable to find any egg pods. This is shown another good reason why the wildlife of Texas should be protected and why it is worth millions of dollars to landowners as well as sportsmen, the executive secretary pointed out.

Official Figures Reveal Heat and Drouth Recently

The recent heat wave that has engulfed part of the nation was felt most strongly in Snyder Saturday, September 16, when soaring temperatures sent the mercury up to the 96-degree mark.

Temperatures ranging from a maximum of 94 degrees September 17 to 91 degrees September 20 were followed by maximum recordings of 90 degrees last Thursday and Friday, according to Mrs. B. G. Johnson, government weather gauger.

Temperature high point Saturday and Sunday was 94 degrees. Monday's highest was 93 degrees, followed by a more comfortable 92-degree reading Tuesday. Overcast skies Wednesday morning brought the mercury down to 84 degrees at 11:00 a. m. September will probably go on record as the first month this year in which no precipitation enough to measure was recorded for Scurry County—unless changed weather conditions come this week-end.

August rainfall of 2.28 compares favorably with that of other years. Only .12 of an inch was recorded for August, 1938, while August, 1937, rainfall was 2.38 inches.

This year's August rainfall, by days, follows: August 3, .45; August 4, .44; August 7, .93; August 14, .12; and August 16 (last recorded rainfall), .34.

"So you're my grandmother, are you?" "Yes, on your father's side." "Well, you're on the wrong side; I'll tell you that right now."—Exchange.

DALLAS OCT. 7-22

Roscoe Fall Fair Dates Set Monday For October 20-21

Definite dates of Friday and Saturday, October 20 and 21, were set Monday afternoon at a meeting of all fair committees of the Roscoe Fall Fair, which is to be the most unique of any like event in the annals of this area, officials said Tuesday.

With committees at work on every angle of presenting a fair from entertainment to finance, it is believed that the first fair in two decades for this prosperous farming center will be successful.

Originality is to keynote the exposition from start to finish. Entertainment concessions are to be arranged and operated by the clubs and organizations of Roscoe, Byron, Highland and other communities in this vicinity. No outside carnival or show is to be brought in. Further originality will be evidenced by the fact that exhibits of cooking, sewing, farming, gardening, etc., are to be placed in store windows all over Roscoe. Livestock, with special emphasis on dairy cattle, are to be shown at the R. E. Gracey farm and implement agency at the west edge of town. Numerous pens, stalls, water and feed troughs will be available for the care and showing of all types of animals.

An exhibit that is expected to draw considerable attention will feature antiques and curios. All individuals in this area who own relics they believe will be of interest are asked to contact Mrs. A. E. Wood, Mrs. W. E. Perry or Mrs. R. O. Dobbin, the committee for that department.

Roscoe Volunteer Fire Department has chosen for its entertainment contribution the staging of a rodeo Friday afternoon and night, October 20, in which will be entered outstanding ropers and riders of this part of West Texas, many of whom have already been personally contacted. A small charge is to be made for the rodeos to enable the boys to lease top-notch stock and put on a good show.

All entertainment concessions will pay 40 per cent of their net profit to the fair organization to create a fund to defray what small expenses there may be and particularly for the payment of a cash first prize in each event, and for ribbons for first, second, third and fourth places in all events.

Tom—The same tornado that blew away by father's wagon dumped an automobile in the front yard.

John—"Huh, that's no tornado; that was a trade wind."

THE TIMES MARCHES ON!

News From Snyder Papers of Other Years

Forty-Two Years Ago

From The Coming West, September 16, 1897

It is understood H. P. We'll born will build the telephone line to Colorado City. Reports as to progress will be forthcoming as soon as he has completed his estimates.

J. V. Riley and family returned Saturday from a visit to Taylor and Callahan Counties. While absent, Mr. Riley purchased 130 head of stock cattle, paying \$26 for cows and calves, and \$18 a head for dry cows.

Mrs. Maggie Cole accompanied Mrs. Joe Strayhorn on her return from a visit to Hamilton County, and is visiting her mother, Mrs. R. J. Strayhorn.

Some specimens of brick burnt at Abilene by Messrs. Berry and Murray are on display at The Collins West office. They are very good samples, though taken some distance from the flues. Scurry County dirt, it is said, will make almost anything.

The Snyder High School will open October 4. Those who wish to attend school and are over scholarship age will be charged the usual tuition rate of \$1.50 per month.

A Nebraska man who had a car or two of horses to sell wrote to a friend in Washington, D. C., asking if it would be advisable to try to sell them there. His friend replied:

"The people of Washington ride bicycles, the street cars are run by electricity and the government is run by jackasses. No need for horse flesh here."

The big Block 97 land suit which has been filed here for trial was moved to Austin on a change of venue.

A Quarter Century Ago

From The Snyder Signal, September 18, 1914

The band boys gave Snyder people an enjoyable entertainment on the courthouse lawn Friday night in the way of a band concert.

Snyder people are getting in the "Buy-a-Bale" line. Backard Brothers were the first to come across a few days ago, and J. W. Templeton was a close second. The First State Bank & Trust Company placed theirs in view with the sign, "We Bought a Bale at 10 Cents. Have You?"

Since hearing early this week that the road from Snyder to Dunn was in bad condition, The Signal learns that grading machines have been put to work on the road.

C. M. Davidson, who used to carry the Camp Springs mail, but now carrying between Gall and Big Spring, was here last week and said business at Gall is picking up. The blacksmith at Gall has bought a new hammer.

E. J. Anderson is in receipt of correspondence from W. T. Anderson, secretary of the Georgia Cotton Congress at Macon, Georgia, showing the efforts being made by that organization to bring about a reduction of cotton acreage next year.

The letter says: "To guarantee the reduction of next year's crop to one-third of normal will mean the immediate enhancement of the value of the 1914 crop."

Nineteen Years Ago

From The Snyder Signal, September 17, 1920

Sheriff Byrd received a pointer a few days ago from the sheriff at Mansfield, Louisiana, to look out for a man with an alleged stolen car. Sheriff Byrd and Deputy Thrash went over into the Lloyd Mountain community Saturday night and rounded up the man and the car.

The Mansfield sheriff came in Monday and took the accused back to Louisiana.

Snyder's first bale of 1920 cotton came in Monday, September 13. It was raised and marketed by J. S. Lovelady of Polar. The cotton, ginned by the Farmers Union Gin Company, weighed 460 pounds, and was bought by Blackard Hardware Company for 35 cents a pound, amounting to \$161.

The Snyder School opened Monday with a total enrollment of 673. All departments, particularly the high school, have a larger attendance than anticipated.

Seats are needed in all buildings, and steps must be taken in the near future, school officials state, to remedy the seating situation.

The official census report for 1939 gives Snyder a population of 2,179 and Scurry County 9,003. By justice precincts in the county, the report shows 4,043 in Precinct 1, 981 in Precinct 2, 1,728 in Precinct 3, and 2,251 in Precinct 4.

Nine Years Ago

From The Snyder News, September 19, 1930

Five Scurry County men attended the West Texas drought relief meeting at Haskell Monday, when plans for setting up helpful machinery in this section moved forward another step.

Fishing trouble-traited workmen at the Hamon-Seifert Murphy No. 1 well a few days ago. Tools were lost while the large cavity was being cleaned out, and several days' time has been lost as a result.

Drillers are confident they will soon proceed below the second cavity, where 180 quarts of nitroglycerin were shot two weeks ago. Lower pay sand was struck at 3,100 feet, and upper pay at 2,313 feet.

Infantile Paralysis Is Usually Reported In Summer Months

Infantile paralysis, like typhoid fever and intestinal disturbances of infants, is largely a summer disease. Although cases may occur during any month of the year, over half of the total number occur during July, August, September and October. To date, 109 cases of poliomyelitis (infantile paralysis) have been reported to the Texas State Department of Health in 1939.

Direct contact between persons is regarded as being the chief factor in the spread of infantile paralysis. Because of the seasonal prevalence of the disease, flies and other insects have been suspected of conveying the virus or germ. Insect transmission has not, however, been scientifically proven. Although animals are subject to paralysis, they are seemingly not susceptible to the human type of this paralytic disease. Carriers are difficult to determine; this fact makes advisable the reduction to a minimum of human contacts during an outbreak.

Early symptoms of infantile paralysis comprise headache, fever, vomiting, intestinal disorder, drowsiness and irritability, followed by neck or back stiffness. Prompt medical care, early recognition and reporting of cases to health authorities make possible the use of valuable preventive and control measures.

After the acute state of the disease has passed and walking is permitted the patient, under no circumstances must the affected part be fatigued. It is thus observed that the secret of successful rehabilitation lies in continuance of professional guidance and large doses of patience.

BARNES JUDGES SHOW. George W. "Stud" Barnes of the Texas Extension Service will be chief judge in the Hereford show of the West Texas Fair in Abilene, October 2-7.

Want To Hunt? Leading Seasons Listed by State

The Texas Game, Fish and Oyster Commission recently announced the following schedule of principal hunting seasons in the state, based on revisions made by the most recent session of the Legislature:

Doves—Northern zone, September 1 to October 31. Southern zone, September 15 to November 15, except south of Texas-Mexican Railroad, where hunting is allowed only on Tuesdays, Thursdays, Saturdays and Sundays, but regulations do not apply to Webb and Zapata Counties. Bag limit 15 per day, not more than 15 in possession.

Ducks and Geese—November 15 to December 29. Bag limit on ducks 10 per day with not more than 20 of all kinds in possession. Canvasback, red head, bufflehead and ruddy ducks, limit three of any one kind or three in aggregate with possession limit six of any one kind or eight in possession.

Quail—December 1 to January 16. Bag limit 12, with not more than 36 in any one week.

White-tail Deer—November 16 to December 31. Bag limit two bucks per season.

Mule Deer—November 16 to December 31 except west of the Pecos River, where November 16 to November 30 are the dates. Bag limit one mule deer west of the Pecos.

Turkey—November 16 to December 31. Bag limit three per person per season except in 21 counties which have universal license law, where only two may be taken.

Javelina or Peccary—November 16 to December 31. Bag limit two per season.

Interested in a typewriter. See the Remington at Times office.

Fights Oil Theft

Vigilance of local and county peace officers during the past year has been responsible for a marked decrease in the number of oil field thefts in Texas, indicating that thieves who for years have preyed on the oil companies of the state are now on the run, according to Paul W. Pitzer of Breckenridge, above, chairman of the theft prevention committee of the Texas Mid-Continent Oil and Gas Association.

PARKING AT ABILENE FAIR. Rearrangement of fences at the West Texas Fair park will assure plenty of parking space to visitors to the West Texas Fair in Abilene, October 2-7.

Jackie was told to stop running fast around the house or he would fall and hurt himself.

"But, mother, if I don't run I'll get hurt anyway," he replied. "Daddy is chasing me."

Scurry Breeders Will Enter Stock In Fisher Show

A number of Scurry County livestock breeders are making plans this week to enter both jacks and stallions in the sixth annual Fisher County Jack and Stallion Show at Rotan Friday, September 29, X. B. Cox Jr., county agent, reported Wednesday.

The Rotan show, sponsored by T. H. Roensch, Fisher County agent, vocational agriculture teachers, Fisher County business men and livestock owners in Fisher County, is expected to exceed all other previous shows in the number of entries. Last year's show drew 222 exhibitors.

Except certain classes of livestock that will be restricted to Fisher County exhibitors, entries are being received from Jack and Stallion owners in Scurry, Nolan, Mitchell, Stonewall, Kent, Jones and Taylor Counties.

Officers of the sixth annual Jack and Stallion Show Association include: T. H. Roensch, county agent of Fisher County, superintendent; Huck Huckaby, chairman; Hubert Chance, vice chairman; Guyon Davis, secretary-manager; and the following vocational agriculture teachers as department superintendents: Cleveland Littlepage, Hobbs; Lester Burk, Rotan; F. W. Martin, Dowell; R. H. Campbell, Sylvester; and W. W. Reed, Rotan.

AAA DEADLINE OCTOBER 1. The deadline for accepting applications for 1937 cotton price adjustment payments is October 1, 1939. Applications for 1938 conservation payments must be made before January 1, 1940.

Buy your Remington portable for as little as 10 cents per day at The Times. Three models stocked.

Many Farmers View Showing of Farmalls

Despite the fact that many farmers were busy gathering feed, a large group of county men from a dozen communities attended the all-day Farmall demonstration given recently at the Middleton place in the west edge of town by Snyder Hardware & Implement Company.

Both the Farmall H and the big Farmall M were thoroughly demonstrated along with various types of tractor implements and plowing attachments. A demonstration was given recently by the local Farmall dealer with the "Little Brother" Farmall A, recently added to the International Harvester Company line.

"The recent demonstration was by any standard the best demonstration we have held here in some time," said Earl Brown of the local concern.

Faculty Greeted by Trustees and Wives

Members of the school board, with their wives, were hosts and hostesses Monday evening of last week to Snyder faculty members and their wives and husbands.

Under Superintendent C. Wedgeworth's guidance, faculty members formed a line on the lawn of the school park, and the remainder of the group of 50 "ran the gauntlet" of introductions.

After this informal bit of reception, the entire group formed a more impressive line that filed past ice cream by the galton and many varieties of cake by the plategal.

BIG TURKEY CROP IN 1938. In 1938 there were 3,285,000 turkeys grown in Texas which brought a total of \$6,866,000 or approximately \$2.09 each.

In Science and In Banking—

The scientist, like ourselves, is a public servant—his only employer the great American public, whom he hopes to benefit and to make happy.

We, too, are interdependent with the great mass of Americans. We take every care of their money—after they bring it to us. They must have trust in us for us to do them any service. They must believe that with their bank public interest always comes first.

The people of Scurry County who have long been depositors of this bank are a certain sign that we have succeeded in our aim.

CONOCO BRONZ-1-1

There was a time

—when old-fashioned heating methods blistered your face while your back shivered.

But now . . .

with natural gas service, winter can be just another pleasant, healthful season in the modern home.

A timely reminder

The tag end of summer warns that treacherous days of winter are on the way.

Do you remember the old days? Old-fashioned methods of heating . . . children wore heavy underwear and long stockings in order to keep warm . . . members of the family "huddled" in one or two rooms during cold weather . . . mother went shivering about the house with a shawl around her shoulders . . . someone was always "catching cold"—Remember? There is a direct relationship between your family's health during winter months and the way you heat your

home. Sudden changes of temperature during the treacherous months of cold weather are dangerous. If you follow the old-fashioned practice of "huddling" in one or two rooms while the rest of the house remains unheated—YOU ARE TAKING

CHANCES WITH YOUR FAMILY'S HEALTH. Plan now to have adequate heat and healthful temperatures in every room in the home this winter. It's the modern way to fight the "common cold."

The cold germ is responsible for more than two hundred million illnesses each year. Don't give a "common cold" an even break!
