## TIMES TABLE

You kiddies will be so busy with drumsticks that you won't have time to read Santa Claus letters in *The Times*. So wait until next week for the first letters to the jolly old fellow in red. Don Spikes of Snyder has already sent his letter . . . and yours will be published in next week's paper, along with Don's, if you write by early next week.

"The spiritual horizon of our people has been greatly broadened by the revival that closed last Thursday night at the First Presbyterian Church," Rev. C. H. Ward, pastor, stated Friday. The meeting, conducted from November 6 through last Thursday night by Rev. Joe M. Russell of Terrell, was said by attendants to be one of the most successful conducted in Snyder during the fall in recent years. Rev. Russell began another meeting Sunday night at Lawrence.

Thanksgiving thought contributed by a Times friend: "Should you have a bouquet of flowers that you have been thinking about handing to a friend, he would appreciate it more during life than he would on his bier."

A popular ex-citizen of Scurry and Borden Counties—E. B. McLeroy—writes from Crockett, where he became county agent several months ago: "I was agreeably surprised this week by a visit from Maurice Brownfield, F. W. Cloud and Bud Miller. Have been trying to stay busy since coming here and my assignments were very much. Am now located in the new \$210,000 Houston County courthouse. Just about recovered from our county fair, which ended October 28. Had attendance of 45,000 for the week." We'll be coming down, Mac, to enjoy some of that low country's famous "lasses and fishin'!"

The many Scurry County friends of Mr. and Mrs. Joe Wolf will regret to hear that their home and all its furnishings were destroyed by fire November 6. The Wolfs live at Barnett.

Worship service Wednesday for the opening session of the District 2 convention of Christian Churches of the Southern Panhandle, held at Plainview, was led by Rodney D. Glascock, pastor of the First Christian Church, Lamesa. A graduate of Snyder High School, Rodney is the son of Mrs. J. O. Temple of Snyder. Delegates from 20 Panhandle counties attended the Plainview convalescence.

Mr. and Mrs. F. E. Staley, October newcomers to Snyder, are announcing the arrival of a daughter, Sue Marie, in the local hospital Sunday morning at 4:45 o'clock. The parents are former Oklahoma residents. The father is a driller with the Hemmerich & Payne Company, and is working in the Sharon Ridge oil field. Mrs. Staley and Sue Marie were moved home Wednesday morning.

Glen E. Nations, son of Mr. and Mrs. Sam O. Nations, has done a great deal of moving about since he enlisted in the United States Army at Fort Bliss September 20. First he was assigned to the base force, air corps, March Field, California, for six weeks, and just recently he received his appointment to the Air Corps Technical School at Lowry Field, Denver, Colorado. Private Nations will complete his course at Denver after five months of instruction there in airplane mechanics, communication, armament and photography, leaving him qualified as an armorer on any of the Army's airplanes.

Another name was added to the list of several Scurry County boys who have enlisted in the United States Army in recent months. John W. Kinzey, son of R. M. Kinzey, Hermling mail carrier, enlisted last Wednesday in Abilene and has been assigned to the quartermaster corps, Kelly Field, near San Antonio.

Out at the cafe on the east highway, formerly operated by "Shack" Holmes, Gene Smith has become the proprietor. The young business man has been employed at the N. M. Harpole Grocery for several years.

Fifth in the three gaited amateur and seventh in the five gaited stake with Rowe Ewing were two of the places copied Sunday by the Diamond M Ranch at the Town and Country Horse Club show at Fort Worth. This show, presented in conjunction with Rockwood Stables, attracted 112 entries and a crowd of 1,000 people. The Diamond M, owned by C. T. McLaughlin, is 12 miles southwest of Snyder.

The citizen who snapped a picture of Ray Dickson while the Chamber of Commerce manager was actually working declares he is planning to file the rare gem with his "Believe It or Not" cartoons.

## ANNUAL TIGER-WOLF GAME ON SNYDER FIELD

Final Engagement of Snyder Eleven With Ancient Rival Begins at 2:30 Thanksgiving Day

Snyder and Colorado City will battle it out on Tiger Field Friday afternoon at 2:30 o'clock for second place in the District 6-B standings. Roscoe leads the pack of seven teams, boasting a perfect record except an early-season tie with Colorado City. Snyder's only letdown was a loss to Roscoe two weeks ago. Colorado also tied Lorraine early in the season.

While the Snyder battle is being waged, Roscoe will be taking on Lorraine in the only other district tilt. Since Snyder won from Lorraine, 48-0, the last-place Bulldogs are expected to offer no trouble for the powerful Plovsboys. But results in the district have been so "haywire" throughout the season that the "impossible" could happen.

If the Plovsboys, by chance, were to even the Lorraine, the winner here this week would be in a strong position to win the conference flag.

On most counts, Snyder is rated stronger than Colorado City. But comparison of scores made by the two teams in games with Roscoe gives Colorado a two-touchdown edge. All in all, it should be one of the closest, most interesting games of the season—and the last game for both clubs.

Since it is a holiday game, and since both schools will put their best feet forward in the way of pep squads, bands, and fans, an overflow stadium is expected.

Both clubs are healthy. Both clubs are in position to be at top stride, since no serious injuries are reported. Colorado depends largely on a fast backfield, while Snyder, with admittedly the strongest all-around backs in the district, using largely power and off-tackle thrusts, with pass play in for good measure here and there.

The admission prices have remained unchanged throughout the season—40 cents for adults, 20 cents for children.

Back to other district squads: Colorado City eked out a win over Roby last week, 12-6; Lorraine was trampled by Stanton in a non-conference affair, 31-12. Stamford of Dermott, George Brumley and C. M. Welborn of Snyder, Frank Wilson of China Grove, Campbell Helms of Cotterwood Plat, A. Q. Flournoy of Pottawara and Jesse Jones of Snyder.

## Postal Group to Be Feted at Big Spring

Postmaster Warren Dodson and J. P. Nelson, Hilton Lambert and J. E. Leonard, local post office employees, will be in Big Spring Saturday to attend the annual 18th District postal employees' meeting.

Principal speaker of the session, which will be held in the Settles Hotel, will be Congressman George Mahon of the 18th District. Postmaster Nat Schick of Big Spring will be host postmaster.

## Phone Extension to Sharon Being Built

William A. Hunter, who recently constructed the Ira-Snyder telephone line, announced Tuesday the line is being extended this week six and one-half miles from Ira to the Sharon Ridge oil field.

## THEY'RE IN A HURRY!

Bargain Days on *The Times* have brought an early response this year, and a check of the October and November renewal records shows that a large number of subscriptions have come in than at any other similar time during the past nine years.

Too, an unusually large number of new subscriptions have come in. With *The Times* at less than three cents per copy—\$1.50 a year in this and adjoining counties—many who have not before taken the paper are taking advantage of the low rate. Outside this area, the rate is \$2.

Several subscribers are taking advantage of the combination rates, which offer any daily at 30 cents less than the regular Bargain Days rate and the Semi-Weekly Farm News and Pathfinder Magazine at 25 cents less than the regular rates.

These combination rates are as follows: *Times* with *Star-Telegram*, including Sunday, \$8.45; *Times* with *Abilene Reporter-News*, \$5.95; *Times* with *Fort Worth Press*, \$4; *Times* with *Semi-Weekly or Pathfinder*, \$2.25.

## Christmas Lights On Snyder Square To Be Placed Soon

The string of Christmas lights and other Yuletide decorations owned by the Chamber of Commerce were taken Friday from their resting place in the attic of the courthouse and repaired preparatory to being strung up again in the near future at the courthouse.

Local merchants who have been contacted by the Chamber of Commerce suggest that a decoration campaign be sponsored within the next few days that will put Christmas lights on the front of each building around the square. Snyder would thus have her most imposing array of holiday lights.

Merchants who have not yet been contacted will be seen in the near future to see if an "around the square" array of Christmas lights may be put up.

## FALL TERM OF COURT OPENS MONDAY HERE

Twenty-Seven Cases Set for Hearing Before Judge Mauzey—Grand Jury Will Convene

An address to the grand jury Monday morning by District Judge A. S. Mauzey of the 32nd Judicial District is expected to be a highlight of opening proceedings for the November term of district court.

In charge of case prosecution will be Truett Barber of Colorado City, 32nd District attorney, with W. R. Swain of Sweetwater slated to be in his regular place as court reporter.

Of the 27 suits on docket, 15 are divorce cases, three are civil suits held over from the last term of court and three are injunction cases.

A list of grand jury members follows: W. P. Sims of Fluvanna, L. E. Russell of Dunn, W. R. Bell of Snyder, A. E. Miller of Ira, F. A. Werner of Hermling, Schley Adams of Pryor, W. H. Jones of Fluvanna, H. M. Murphy of Dunn, Jim Beavers of Camp Springs, H. E. Greenfield of Dermott, George Brumley and C. M. Welborn of Snyder, Frank Wilson of China Grove, Campbell Helms of Cotterwood Plat, A. Q. Flournoy of Pottawara and Jesse Jones of Snyder.

## County Has Ginned Past Total of 16,000

County ginnings slowed down considerably this week, with 16,000 bales estimated for the 14 gins through Wednesday. Snyder's five gins reported 7,800 bales.

Veteran cotton farmers and county ginnermen were of the opinion this week that the 1939 crop may touch 18,000, but some thought the 17,000 bale mark might be the limit. Light frosts have hastened opening of the November crop.

## LAUNDRY HAS FIRE

Snyder Volunteer Fire Department answered a call Friday morning, 7:00 o'clock, at the Wilson Help-Yourself Laundry, two doors south of the Palace Theatre, when refuse under the boiler caught fire. The laundry, operated by Mrs. John Wilson, suffered only slight damages as a result of prompt fire department action.

## Turkey, Accepted Thanksgiving Meat, Long Been Prime Favorite

Some more or less gifted wit has suggested that a turkey by any other name would taste just as good, but why we have turkey for Thanksgiving is almost as important to most people as observance of the holiday itself.

If one should ask why we have turkey for Thanksgiving, the answer would be because New England colonists ate turkey on the first Thanksgiving Day. Traditionally, there is a great deal of truth in this statement, but the Pilgrim Fathers were not factually the first persons on this continent to discover the most excellent taste of turkey.

Long before the white men came to America the Indians found that turkey is a fine dish for gala occasions. Cliff dwellers in the Southwest, as well as aboriginal tribes in Mexico, first began using turkey meat for ceremonial feasts.

Wild turkeys that roamed over West Texas, New Mexico, Arizona and Colorado were caught by the astute Red Men, who soon found out that one fattened turkey was worth two lean ones in the bushes.

Arrival of the Spaniards in America foreshadowed the shipment of turkeys to European markets, where they gained their present names. The merchants, mostly Hebrews, believed this new bird was a type of peacock and so called it by that name for the peacock, which was

## FEW BUSINESS HOUSES CLOSE ON THURSDAY

Cannass Shows Only Post Office, Bank and Two or Three Others To Observe November 23

A survey Wednesday of business firms indicated the post office, Snyder National Bank and probably one or two other business firms will be all that will close today (Thursday) in observance of the national holiday proclaimed by President Roosevelt as Thanksgiving Day.

Postmaster Warren Dodson says the post office windows will be shut down all day, but that box mail will be put up this (Thursday) morning as usual and morning delivery of mail will be made in the business and residential districts.

Snyder National Bank will be closed November 23 and November 30—both Thanksgiving days.

## MEMBERS AND WIVES INVITED FOR C. C. FEED

Local Problems Will Be Discussed By Home Talent—Round Table To Be Led by President

More than 200 people are expected to gather at the National Guard armory tonight (Thursday) for the free supper that will be given by the Chamber of Commerce to members of the organization and their wives, Manager Ray Dickson said yesterday.

The formal program, with an all-home-talent cast, will begin at 7:30 o'clock, with President W. R. Bell at the helm.

Brief talks will be made as follows: County Judge Sterling Williams, "What Highway Is Meant to Scurry County;" Ollie Simson, "Scurry County's Third Annual Rodeo;" E. J. Anderson, "Highlights of the 1939 Products Show;" W. R. Bell, "Housing;" Ray Dickson, "Finances and Activities." The oil outlook will also be discussed.

The president will lead a round table discussion, in which the entire Chamber of Commerce membership is invited to take part. A highlight will be an open forum.

"We realize the need of 100 per cent cooperation from every member of the organization," members of the board of directors state, "and we feel that this supper for the members and their wives will do more to get our objectives before them than anything else that could be given at this time."

## CRUCIAL 6-MAN GAME SET FOR SNYDER FRIDAY

Hobbs and Pryor Meet on Tiger Field to Settle Conference Title For West Texas Area

Two of West Texas' most potent six-man football teams will meet in Snyder Friday afternoon at 2:30 o'clock for the championship of District 14-C. They are Hobbs of Fisher County and Pryor of Scurry County, who finished in a dead heat for the title.

The playoff game is creating considerable interest here, not only because of its championship tinge but also because most local fans have not seen six-man teams in action. Admission prices will be 15 and 25 cents.

## IT'S NOT 11-MAN!

This six-man game has some rules that differ from regular 11-man rules, so here are a few pointers to help you enjoy the game better:

All players are eligible to receive forward passes. On all running plays the ball must change hands at least once behind the line of scrimmage. The defending team may run with a fumble, and any free ball is ruled a fumble except an incomplete forward pass beyond the line of scrimmage. Substitutes may be sent in at any time, and they may talk immediately.

The field is 80x40, and goal posts are nine feet high, 25 feet wide. The kickoff is from the 30 yard line, and touchbacks are returned to the 15 yard line. The first down is 15 yards instead of the regulation 10 yards. The quarters are 10 minutes long.

Scoring: Touchdowns count 6 points; score after touchdown, 2 points if kicked, 1 point otherwise; field goal, 4 points; safety, 2 points.

## YODER NAMED AS DELEGATE; SMITH IS BACK

Methodists Make Change at Dunn Charge, But Others in County Back Another Year

Election of D. P. Yoder as one of four conference lay delegates to the first general conference of United Methodist at Atlantic City in April, 1940, was one action of the thirteenth annual session of the Northwest Texas Methodist Conference, held Wednesday through Sunday of last week at Lubbock.

Rev. E. B. Bowen was transferred from the Stamford District to replace Rev. R. H. Hooten as Sweetwater District superintendent. Rev. Hooten was transferred to the North Texas Conference and was assigned to the Tyler Street Methodist Church in Dallas.

Only one change in pastors was made in this county. Rev. A. B. Cockrell succeeds Rev. C. D. Dameron in the Dunn circuit. Rev. I. A. Smith returns to Snyder. Rev. J. N. Tinkle to Fluvanna. Rev. S. A. Sifford to Hermling.

Wright, Young Unchanged. Rev. Cal C. Wright a former Snyder pastor, is retained as superintendent of the Vernon District. Another former local pastor, Rev. S. H. Young, remains pastor of Sweetwater Methodist Church.

The county delegation to the conference included, in addition to the pastors already named, Yoder, Rev. M. W. Clark of Snyder, Mrs. R. H. Odom, secretary for women's work in the Sweetwater District; and Meses. H. T. Sefton, Sifford, Dameron, Tinkle, Smith and others. Mrs. D. Doward represented Gall.

Lay delegates to the Atlantic City conference in addition to Yoder, are: R. H. Nichols, Vernon editor; James M. Wilson, Floydada; and R. B. Bryant, Stamford. These delegates will also attend the Southwestern Jurisdictional Conference at Oklahoma City in May.

Pampa was the successful bidder for the 1940 conference.

Mr. and Mrs. E. J. Bradbury and children, five-month-old Carolyn and three-year-old Wayne, of Abilene were guests from Saturday night until Monday afternoon of Bradbury's parents, Mr. and Mrs. J. S. Bradbury.

Snyder is getting squarely behind the game, her Chamber of Commerce and Lions Club assisting in advertising to insure a crowd. The Chamber of Commerce loud speaker will be used. A number of visiting fans are also expected from the areas in which the other six-man teams of the district play.

Hobbs and Pryor Tied. Early in the season Hobbs and Pryor played to a scoreless tie—a score that is quite a rarity in the six-man sport. Toward the end of the season, each lost a game to a different opponent, throwing them in a deadlock again.

In the district with the two leaders are Trent, McCauley, Blackwell, Sylvester, Dorell and Divide. Trent won from Hobbs two weeks ago, 20-18, and Divide won from Pryor last week, 36-24—the only district losses for the playoff squads.

In other district games, Pryor won from McCauley, 44-0; from Blackwell, 24-0; from Dorell, 44-14; from Trent, 20-14; and from Sylvester, 33-0. The Eagles lost to Fluvanna, 25-12, in an 11-man game, and won from Dunn, 13-6.

Hobbs Won Last Year. The Hobbs Panthers, who had the first six-man team in this area, won the district title last year. Their conference record this year follows: Dowell, 40-26; Pryor, 0-0; Sylvester, 26-8; Divide, 27-12; Blackwell, 32-0; Trent, 18-20; McCauley, 50-16.

Hobbs carries the most weight in its starting line-up—168 pounds to Pryor's 159. The Panthers depend largely on end sweeps and line plays, the Eagles on passes. Ellis Neal is coach at Hobbs, P. A. Ammons at Pryor. Dan Westfall is the Hobbs captain, Harlin Reed the Pryor captain.

Officials for the game will be: Assistant Coach Moser of Roscoe, referee; J. C. Conrad, Dowell superintendent, umpire; Coach W. W. Hill, Snyder, head linesman.

Here Are the Line-Ups. The teams line up like this, with name, position, number and weight given in order:

## Mrs. Woodfin Hostess To Woman's Culture

Mrs. J. A. Woodfin was hostess to Woman's Culture Club at her home Tuesday afternoon, and Mrs. D. P. Strayhorn was leader for a program on "Our Flag," which was both instructive and interesting.

Rules in parliamentary law were given in answer to roll call by the club members, and the "Salute to the Flag" was given by the club. Mrs. Strayhorn discussed "Making the United States Flag;" Mrs. E. E. Weatherbee discussed proper draping of the flag; and Mrs. E. J. Richardson told proper uses of the flag. The program closed with the group singing "America."

The hostess served delicious cherry pie with whipped cream and coffee to the following: Mrs. C. M. Wicks, guest; Mmes. J. P. Avary, Richard-son, J. B. Hawksbee, Strayhorn, H. T. Sefton, Weatherbee, H. L. Wren, A. A. Bullock and W. G. Williams, members.

## Frances Stinson In College Who's Who

Frances Stinson, daughter of Mr. and Mrs. J. C. Stinson, has been selected as a member of the Howard Payne College "Who's Who in American Colleges and Universities," school authorities announced this week. The local girl was queen of the school's homecoming at Brownwood last year.

Selection of representatives from the various colleges and universities is made by faculty committees on a basis of character, leadership, scholarship and potentialities for future usefulness to business and society. Only members of the junior and senior classes are eligible for selection.

Miss Stinson transferred to Howard Payne after a term at Hardin-Simmons University, Abilene. She is a senior at Howard Payne.

## "Country Lawyer" Is Reviewed Tuesday

Mrs. Jim Cloud was presented at an Ingleside Study Club meeting Tuesday afternoon in a review of Bellamy Partridge's novel, "Country Lawyer," which has gained such wide recognition in recent months. The author's setting is in New York, and the plot of the book covers the life of his father through the presidencies from Andrew Jackson to Calvin Coolidge.

Mrs. W. E. Cox was hostess at the meeting, held in the home of Mrs. L. C. Rennals. Mrs. T. W. Pollard was leader for the program.

Discussion of the club's project, Child Welfare, in the business session revealed the fact that the club is serving noon meals at the school building to undernourished children. Food is prepared by home economists girls, and club members are assisting with the serving each week. Beginning Monday of this week, the serving has been carried on by the club, but it is hoped that state aid will be received soon. Ingleside members are donating food toward the meals each day.

The 17 members present for the Tuesday afternoon meeting were: Mmes. Clyde Boren, Tom Boren, Harold Brown, Jim Cloud, Earl H. Louder, Carl England, J. T. Johnson, W. W. McCarthy, C. C. Moseley, J. M. Newton, T. W. Pollard, R. J. Randall, H. P. Redwine, Rennals, W. W. Smith, L. A. Chapman and Cox.

## Class Enjoys Steak Fry Monday Night

Crusaders Class of the First Methodist Church enjoyed a steak fry in the church basement Monday evening. The group inspected the newly remodeled nursery, changing of which the class had in charge. Plans for the annual Christmas party were discussed during the business session.

A handkerchief shower and a gift from the class were farewell compliments to Mrs. Edward Hyman, who will move away soon. The class reported 68 visits, 10 trays and nine bouquets taken to sick people of the town and newcomers during the past month.

Enjoying the regular monthly class meeting were the following: Mrs. R. H. Odum, teacher; Hattie Belk, Jewel McClinton, Alene Shoopman, Olefia Robinson, Neoma Strayhorn, Lorena Schmidt, Loree Dodson, Gertrude Herm, Mrs. R. G. Dillard, Mrs. I. A. Smith, Lottie Sefton, Mrs. Gordon Graham, Vivian Hill, Mrs. C. V. Morris, Evelyn Hyman, Hattie Herm, Lonnie Major, Snowbell Harvey, Lola Biggs, Gladys Williams and Billye Biggs, guest.

## Headachy, Breath Bad? Make This Check-Up

The Police Siren means "Look-out!" And so do Nature's signals—headaches, biliousness, bad breath, which are often symptoms of constipation. Don't neglect your sluggish bowels, for a host of constipation's other discomforts may result: such as, sour stomach, loss of appetite or energy, mental dullness.

Help your lazy bowels with spicy, vegetable BLACK-DRAUGHT. Acts gently, promptly, thoroughly, by simple directions. BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic-laxative." It helps impart tone to lazy bowel muscles. Next time, try this time-tested product!

## NINTH ANNUAL LOVE FEAST IS HELD TUESDAY

Ninth annual love feast of the Ruth Anderson group of Methodist younger women was held at the home of Mrs. T. E. Major Tuesday at 1:00 o'clock. Organized in the fall of 1930, the group held its first such affair that year.

Special tribute was paid Tuesday to the late Mrs. Homer Snyder, who was main speaker on the program last year at the love feast. Mrs. T. M. Howle read and dedicated to her memory a poem, "I Cannot Forget."

Rooms of the Major home were decorated with roses and chrysanthemums for the luncheon. Combination place cards and favors for the 28 members attending were plain white cards attached to corsages of chrysanthemums.

Mrs. I. A. Smith, wife of the local pastor who was present, gave the invocation, and Mrs. Clyde Murray introduced the "Thanksgiving program parts. Mrs. Murray read the scriptures, and Mrs. Ivan Dodson gave the opening talk. Mrs. Herman Doak's Thanksgiving story preceded the tribute of Mrs. Howle to Mrs. Snyder.

Opening song was "Faith of Our Fathers," and to close the program the group sang "Blest Be The Tie That Binds." Mrs. E. S. Hyman, who will move to San Angelo soon, was presented a farewell gift by the auxiliary. Mrs. R. H. Odum, Sweetwater district secretary, made the presentation.

Special recognition was given Mrs. Odum, first president of the Ruth Anderson Auxiliary, who has been present each of the nine years at the love feasts. Mmes. R. J. Randall and J. G. Hicks, charter members, have only missed one luncheon. The charter members remembered at the Tuesday gathering that Mrs. Cal C. Wright, now of Vernon, was the organizer of the younger church women's group.

The following attended the love feast: Mmes. Wayne Boren, C. R. Burk, L. H. Butler, Herman Doak, T. J. DeShazo, R. L. Gray, J. G. Hicks, T. M. Howle, E. S. Hyman, Harry S. Lee, J. O. Littlepage, R. H. Odum, Clyde Murray, Ross Pate, T. W. Pollard, H. T. Sefton, Sterling Williams, W. A. Wells, W. W. Headstream, C. I. Hill, J. S. Gorman, Ivan Dodson, C. V. Morris, Gordon Graham, P. L. Pierce, I. A. Smith, R. J. Randall and T. E. Major.

## Leisure Study for Ringside Club Group

Interesting discussions of "Leisure" were heard by Ringside Study Club members—18 of them attended—at a meeting at the home of Mrs. A. E. Duff last Friday afternoon. Mrs. A. J. Riley was program leader for the day.

Following roll call, to which members responded with suggestions for the use of leisure time, two talks were given. Mrs. Duff gave good suggestions for "The Use of Leisure to an Advantage," and Mrs. B. H. Moffett's subject was "Have a Hobby and Ride It." Mrs. A. C. Martin closed the program with a reading. The hostess served a delicious salad plate with coffee and fruit to the members present.

## Mrs. Griffin Makes Chicago Trip

Mrs. I. A. Griffin came home Monday from a three-week trip to Chicago, Illinois. The local woman and her mother, Mrs. M. E. Whitmire of Belton, were guests for the trip of their brother and son, Dr. A. L. Whitmire, New Orleans eye specialist.

The three made the trip by automobile, leaving Belton October 22, and the trip was wonderful, Mrs. Griffin says. Scenery at this time of the year is especially wonderful, with bright tones of turning leaves together with the new green of the fir trees, the trippers report.

Mmes. Whitmire and Griffin made the return trip by bus, since Dr. Whitmire had yet to attend an eye clinic there, and Mrs. Griffin spent two days in Dallas before returning home Monday.

## Two Couples Are Hosts at Dinner

Mr. and Mrs. Ivan Gatlin and Mr. and Mrs. Gaston Brock were hosts Friday night at a dinner and forty-two party. The guests were served a delicious three-course turkey dinner at Wilsford's Coffee Shop, and were then invited to the Brock home, 2000 Avenue S, for forty-two.

A color note of gold and blue was featured in appointments and table decorations. The dinner tables were centered with gold chrysanthemums in blue bowls and burning gold candles in blue candelabra.

Mrs. Hilton Lambert was high score winner at forty-two, and Clinton McCain of Sweetwater held low score.

Guests for the delightful party were the following: Messrs and Mmes. O'Dell Ryan, Roy O. Irvin, Allen Stephens, P. J. Collins and Hilton Lambert and Ira Riley, all of Snyder; Mrs. Laura Pittman, Mr. and Mrs. J. D. Lambert Jr. and Clinton McCain, all of Sweetwater.

## Former Dunn Girl Weds Odessa Man

Marriage vows for Charles Ingle of Coahoma and Mrs. Mildred Bowers of Big Spring were said in Midland Sunday afternoon by Rev. Porter M. Bales, pastor of the First Baptist Church of Tyler, who was visiting in Big Spring.

Ingle, a son of C. E. Ingle of Coahoma, is employed as a bookkeeper for Fox Rig Lumber Company. Mrs. Ingle is the former Mildred Johnson, daughter of Mr. and Mrs. Albert Johnson, former Dunn residents who live at Big Spring. Mr. and Mrs. Ingle will make their home at Odessa, where Ingle was recently transferred.

## Good Attendance At PTA Meeting

Good attendance was a feature of last Thursday's meeting of the local chapter of Parent-Teacher Association. An interesting program was given under direction of Mrs. Paul Cates on "American Education and Book Week."

Mrs. John DeShazo's discussion topic was interesting, "Mary, Mary, Quite Contrary," and Jewel Foster talked on "Today's Youth in the School." Second grade students were presented in a group of vocal selections.

During the business session, presided over by Mrs. Dudley Anz, treasurer of the local organization, reported \$230 taken in at the Halloween Carnival. The Parent-Teacher Association cleared about \$30, she said.

Christmas program for the PTA will be presented at the December meeting, the second Thursday instead of the regular third Thursday. The meeting will be held in the school auditorium December 14 at 4:00 o'clock.

## Art Guild Holds Covered Dish Affair

Art Guild's annual Thanksgiving dinner was held Tuesday evening at the home of Mrs. W. E. Holcomb, whose house held festive Thanksgiving suggestions as decorations. Menu for the dinner was planned by the club's social committee, and each member brought a covered dish. Service was buffet style.

An autumn harvest scene on the mantel included pumpkins, autumn leaves, pecans, Japanese perstems and a vase of white chrysanthemums. A bouquet of lovely roses was used as the centerpiece for the dining table, and the foursome tables were centered with small vases of chrysanthemums.

Mrs. Joe Caton, guest, gave the invocation, and Effie McLeod was leader for the Thanksgiving program. Mrs. W. B. Stanfield read the scripture, and Rayolene Smith gave James Whitcomb Riley's poem, "The Frost Is on the Punkin."

"Thanksgiving Isn't Christmas" was the title of a story told by Miss McLeod.

Present for the evening were: Mmes. Caton and J. R. Sheehan, guests; Jewel Foster, Effie McLeod, Vera Periman, Estella Rabel, Rayolene Smith, Frances Boren, Willa Shropshire, Ethel Lynn Hays and Mmes. O'Dell Ryan, Ivan Gatlin, C. I. Hill, Madge Popcoe, Stanfield, G. C. Dillard, W. P. King and Holcomb.

The lesson completed the missionary study, "Through Tragedy to Triumph," with Mmes. I. A. Smith, Pierce and Joe Caton and Ethel Mae Sturdivant taking part. Mrs. M. W. Clark asked questions on the entire book.

Next circle meeting will be at Mrs. Caton's home Tuesday evening, December 5.

Mr. and Mrs. Tommy Banks came from Lubbock, Buck King from Mount Pleasant and Mr. and Mrs. Ernest Pope, Valeria Spence and C. R. Scott, all of Sweetwater.

## Baptist Women Hold All-Day Meeting

An all-day meeting of the Baptist Women's Missionary Society began at 1:00 o'clock Tuesday morning with a business session. Twenty-two women attended.

Study of the book, "Christ's Ambassadors" by Mrs. Eugene Sallee, was made by the group of Baptist women during the day. A covered dish luncheon was served at noon.

Leaders of the Baptist group announce the annual Week of Prayer for world-wide missions December 4-8. Women of the town are invited to meetings each of the five days at 3:00 o'clock in the afternoon. Theme for the week will be "Love of God."

"Why should a great strong man like you be found begging?" "It is the only profession I know in which a gentleman can address a beautiful woman without an introduction."

**Government Stallion Offered for Farmer**

A valuable government stallion, now stationed on a farm near Ira, is available to any farmer of the county, reports X. B. Cox Jr., county agent.

Robert Nabors of the State Department of Agriculture, said when he was here Tuesday that if no Scurry county farmer agrees to care for the stallion, another county will be eligible to receive him.

Any interested farmer should get in touch with the county agent not later than December 1.

Principal speakers included two former Hermleigh teachers, Pat Bullock of Snyder and Mrs. Earl Stevenson of Austin. Ex-students, from the first class of 1913 down through the years, were introduced by Farr, who also introduced members of the 1940 class.

Minutes of the 1938 homecoming were read after the meeting was turned over to Mrs. Mannon Murdock, vice president of the 1939 event, by Mrs. D. R. Layman, president. Secretary of the 1939 homecoming was Mrs. Jay Vaughn. Officers elected for the 1940 homecoming were: H. C. Vaughn, president; Mrs. Edith McMillan, vice president; and Elmer Louder, secretary.

Mrs. Mannon Murdock, Harry Campbell and Bill Rea were selected as a committee to name the date for the 1940 gatherings.

**Independence 4-H Girls**

The Independence 4-H Club girls met at the school house Tuesday, November 21, with the home agent, Miss Rabel.

After a short recreational program the girls elected Barbara Jean Stewart clothing demonstrator, and Viola Trossdale and Irene McLee foods demonstrators. The 1940 goals were presented, which are:

**Food Goals**

1.—Each club member to have own garden space for growing vegetables.

2.—Each club girl to have the experience of growing and caring for some flowers or one pot plant.

3.—Each club girl to arrange flowers or berries or table centers at least six times during the year.

4.—Each club girl to clean own room and share in cleaning whole house.

5.—Entertain your mother and father on Mother's and Father's Day.

6.—Give a family dinner. Do all the planning, preparation and serving.

7.—Give a party for some of your friends—plan and prepare the games and refreshments.

8.—To plan for clothes closet.

**Clothing Goals**

1.—Study habit and behavior problems affected by clothing.

2.—Plan with the family group individual storage space for each family member.

3.—Take inventory of all clothing on hand.

4.—Start an expense account.

5.—To patch or darn at least five articles.

6.—To arrange shelves and drawers for folded garments.

7.—To plan for clothes closet.

8.—To learn motto, prayer and pledge.

9.—To make undergarment and dress.

10.—To make at least five other articles or garments.

11.—Each girl to always look her best.

**Plainview H. D. Club**

The Plainview Home Demonstration Club met at the home of their bedroom demonstrator, Mrs. Jim Boothe, Tuesday for their achievement program.

Mrs. Boothe told a very interesting story of how she spent only \$2.10 and completely made a new bedroom. She added another door in her closet which made two convenient, roomy closets—one for her and one for husband—out of one long, dark closet. She added shelves, rods, hats racks and shoe racks to complete her closet. She also added a new wall paper, curtains, a rug, a dressing table made out of an RCA radio, a bedside table out of scrap lumber and a bookcase made of apple boxes.

**Feather Comfort Demonstration**

Mrs. H. M. Blackard and Mrs. Walter Brown finished two feather comforts in the county home demonstration office Saturday, November 18. The ladies used old feathers which they had sunned. They purchased feather-proof ticking, planned a design and stitched their comforts. Saturday they bought a vacuum cleaner and filled their comforts with feathers. It took them about 40 minutes to fill each comfort. Mrs. Brown spent \$2.50 for her comfort, and Mrs. Blackard \$2.90 for hers.

**County Council Meets**

The County Home Demonstration Council met Saturday in the home demonstration office and elected the following officers for 1940:

Mrs. Guy Stoker of Tri-Community, chairman; Mrs. Jim Boothe of Plainview, vice chairman; Mrs. Sam Williams of Round Top, secretary; Mrs. O. C. Hess of Pyron, treasurer; Mrs. C. R. Roberson of Plainview, reporter; Mrs. C. H. Stahl of Pyron, recreational leader.

The council voted to have a Christmas party on the next regular meeting date for the old and new members and the incoming officers. There were 10 Home Demonstration Clubs represented by 29 women present at the Saturday meeting.

**Mattress School**

Add a new mattress—make it have it made or buy it—but add a new one to use up the surplus cotton!

**Independence 4-H Girls**

A mattress making school was conducted in the county home demonstration office Wednesday, November 15, under the supervision of Estella Rabel, home agent, and Willa Shropshire, FSA supervisor.

Mrs. Jim Boothe, bedroom demonstrator of the Plainview Home Demonstration Club furnished the cotton and ticking for the demonstration. Since she had her own cotton, her only other expense was \$1.00 for the ticking and thread.

Also on display at the meeting were a mattress cover, a mattress pad, a spring cover and pillow protectors.

Members of the Turner, Dermott-Martin, Tri-Community, Plainview, Bisch, Union and Camp Springs clubs were represented with a total of 15 present.

Many requests have come for another mattress making demonstration in the office, so watch for the date of the next one if you are interested.

**Living With Others**

Had you ever thought that it makes little difference what one person thinks but it makes a difference what everyone thinks? Whether or not you are a good neighbor or patriot is judged by how you act in your own community. It's almost impossible to love everyone because they might do things different than you do. Your international relation starts right in your own community. If you want to have a friend, be one. Say again to yourself, "Not what there is in for me, but what there is in me for it."

**China Grove Club**

China Grove Home Demonstration Club met Thursday at the home of Mrs. Joe Hairston.

Officers for the coming year were elected, as follows: Mrs. O. N. Lester Jr., president; Mrs. Templeton, vice president; Mrs. N. O. Brown, secretary-treasurer; Mrs. Joe Hairston, council delegate; Mrs. Bill Hairston, bedroom demonstrator.

Annual reports of what the club women had done the past year were made at the meeting.

**Pyron Club Meets Thursday**

"When you make a flower arrangement, decide upon its purpose where they will contribute most to the loveliness of the home, and where they are needed," said Miss Estella Rabel, county home demonstration agent to the Pyron Home Demonstration Club, which met at the home of Mrs. C. H. Stahl last Thursday.

Low flower arrangement for the dining table and taller flowers for the hall, on the piano or on the living room table help to fill space. To avoid monotony in your flower arrangement, have your tallest stem from one and one-half to three times the height of a tall vase or the width of a low bowl and cut all other stems different lengths. Seven bouquets of flowers were arranged in bowls and vases.

Mrs. Stahl, bedroom demonstrator, showed the group her bedroom and told an interesting story. She papered her room, painted her ceiling and woodwork, treated her floors with hot linseed oil and wax; added to her bed a spring cover, mattress cover made of sacks, a mattress pad and a feather comfort; added new curtains; rearranged her furniture and hung her pictures correctly; made a rug and covered her chairs. Result—a bedroom of beauty and comfort.

Mrs. Stahl served delicious refreshments consisting of sandwiches, pie and coffee before the group proceeded to the home of Mrs. Calvin Clifton, home food supply demonstrator, to see her pantry.

"Before I moved to this community I never had even seen anyone can. I don't know why I said I'd be a pantry demonstrator, but I have enjoyed it a lot," said Mrs. Clifton. "I have 30 varieties and 333 containers of food in my pantry, and we raised most of it in the garden except for buying some of the fruit." Mrs. Clifton estimated her total expense at \$8 and her pantry value at \$95.92. You would enjoy seeing such a grand display.

Twenty-one women and a group of children enjoyed seeing and hearing the results of these two demonstrations.

**LONG RANCH SOLD**

Sale of the Marlon Long Ranch in Borden County to James L. Daniel of Eden, Texas, by A. M. Clayton was reported Tuesday. The Long Ranch has been well known in West Texas ranching circles for a number of years because of the purebred Herefords raised there.

**Miller Reunion Attended by All Children Sunday**

The 11 children of Mr. and Mrs. P. A. Miller, pioneer Scurry County residents, had not been with their parents—all at one time—for years. So they decided, without any special reason except a reunion urge, to get together last Sunday.

The reunion of these 13 members of one family was held at the home of the parents at Ira. It was in this same home two years ago that the couple celebrated their golden wedding anniversary.

Along with the children, of course, were, as Mr. and Mrs. Miller put it, "so many in-laws and grandchildren and other relatives that we couldn't get around to counting them all."

Mr. Miller has been in business at Ira for five years, moving there from a nearby farm. The couple moved to Scurry County 38 years ago from Eastland County, where they were married. Natives of Alabama, they came to Texas as children, their parents settling in Bosque County.

Still leader of the Baptist Sunday school at Ira, Mr. Miller has been a Baptist Sunday school superintendent almost continuously for 40 years. He was on the Ira school board for years, and has always taken an active part in community affairs.

There was no particular celebration on the reunion day. The large group just ate a typical West Texas dinner and spent the remainder of the day mostly in "visiting."

The Miller children who were on hand with their wives, husbands, children, and so forth, are as follows: P. M. Miller, who is employed on the 9-R Ranch west of Snyder; C. D. Miller, Big Spring; Owen Miller, Ira; Mrs. P. L. Price, Snyder; Albert Miller, Ira; C. A. Miller, Corpus Christi; Mrs. J. B. Green, Snyder; Mrs. Edgar Taylor, Snyder; Mrs. O. Moore, Royalty; Oscar Miller, Ira; and Mrs. Rea Falls, Ira.

**Pyron V. O. Enrolls Three New Members**

At the beginning of school the Pyron vocational agriculture class enrolled 32 members. Since that time three new members have joined. They are Allen Mannings, Horace Nations and Henry Lammert.

Including the projects of these three boys there are: 30 head of feeder hogs, 14 head of gilts and sows, one registered Duroc boar, owned by the chapter, four feeder steers, two dairy heifers, 10 head of sheep and two flocks of poultry owned by the 35 V. A. students for their project work.—Reporter.

**Death Comes To Mrs. McGlaun At Snyder Sunday**

# Lions Will Meet At Fluvanna Next Tuesday at Noon

Snyder Lions Club members voted unanimously to go to Fluvanna for the next Tuesday weekly meeting of the organization.

R. N. Sandlin of Abilene, deputy state superintendent, stated at Tuesday's Lions Club luncheon at the Manhattan Hotel that "Scurry County citizens should know their schools better in order to appreciate the educational facilities offered county school students today."

"And if citizens know their schools better they will do something to improve the relationship that exists between school patrons and students," Sandlin continued. "I find that people do appreciate the efforts expended by trustees, teachers and students to make Scurry County's school system one of the best in West Texas."

Accordions and vocal numbers were given by Mary Ellen Williams and Betty Jean Joyce. Charles Wade Boren gave an interesting account of the hobby clubs recently organized in Snyder Junior High School, which boast a total membership of 40 boys and girls.

Highlights of the local school's rock collection club were given by Ola Margaret Leath, who stated that rocks from all parts of the world were included in the collection. Miss Leath exhibited specimens of numerous rocks, many of which were high in iron content.

Representatives from Pyron and Hobbs Schools presented feature talks of the forthcoming six-man football game between the two schools that will be played Friday afternoon, 2:30 o'clock, at Tiger Field. Friday afternoon's game will decide the six-man conference championship of this area.

Guests included Superintendent M. H. Greenwood, Coach P. A. Ammons and Captain Harlan Reed of the Pyron football team; Coach Ellis Neal and Captain Dan Westfall of Hobbs; R. N. Sandlin of Abilene and those who appeared on the entertainment program.

Attendance of 27 was reported for the club.

# CLASS B CROWN TO HERMLEIGH

Hermleigh Cardinals copped the Class B football championship of Scurry County Friday afternoon in a hotly contested melee with Dunn Oars that resulted in Hermleigh downing the southern county eleven 7-6.

For the Cardinals, Olie Joe Stevenson recovered a fumble in the third quarter and crossed goal line for the only touchdown made by Hermleigh. Morgan kicked the extra point.

Allen made a pass to Turner in the fourth quarter, with Turner gathering it on the 40-yard line and crossing the goal line for Dunn's touchdown. An attempted run for extra point failed. First downs were about even.

Hermleigh Cardinals, who have won six games, tied two and lost none, meet Wingate Friday afternoon.

"How did the audience receive your campaign speech when you told them you had never bought a vote?" "A few cheered, but the majority seemed to lose interest."

# FINAL DRIVE BY RED CROSS SET

Final plans were mapped by Red Cross volunteers workers this week to raise Scurry County's quota of 500 members by November 30 if possible. Roll Call Chairman J. V. Robinson said Wednesday.

Although every effort is being made to raise the membership quota allotted the county, workers this week said an estimated membership of no more than 400 will be obtained unless memberships come in more rapidly.

"If you have not joined the Red Cross yet, we earnestly hope you will do so at once," Robinson urged all county citizens this week. "Surely we will not disappoint the American Red Cross in its membership drive this year, since we have reaped so many benefits from Red Cross aid in the county."

The Roll Call, which opened November 15, is set to close November 30.

Gratitude is the memory of the heart.—Jean Baptiste Massieu.

Ole A. Buffaloe and his cousin, Bessie McClary, both of Dallas, were local week-end guests of the Frank Arnetts. A highlight of the visit for Buffaloe was a visit Saturday afternoon to his old home near the Gibson-Cunningham ranch north of Snyder. # FSA MAY HELP FARMER AVOID FORECLOSURE

Meeting of County Farm Debt Group Will Be Held December 12 to Discuss Adjustments

Opportunity to get their land and chattel indebtedness in condition to begin their 1940 work free from danger of foreclosure will be offered county farmers at the meeting of the county farm debt adjustment committee to be held at 2:00 p. m. Tuesday, December 12, at FSA offices, over Bryant-Link Company.

"The committee has been quite successful in working out voluntary agreements between farmers and their creditors permitting the farmers to continue to farm and eventually pay their debts," said Horace D. Seely, Farm Security Administration supervisor.

"This is done by the committee determining an orderly repayment schedule which the farmer can meet; and which takes advantage of time extensions, re-amortizations, scale-downs of principal and interest and reductions in interest rate granted by creditors.

"The committee considers every case on its own merits and its services are free and confidential," he said. "Farmers needing its help should go to the county FSA office, or to one of the committeesmen, if they might appear at the meeting," they might appear at the meeting.

### Third Game for Tigers by 26 to 0 Count at Haskell

Snyder Tigers roared back Friday night, just a week after they had been shoved out of the district race by Roscoe, to smother a partially-crippled team of Haskell Indians, 26-0. It was a non-conference tilt. It was the third game the locals have won by a 25-0 score, Slater and Rotan having been the previous losers.

Dale Reed reached the peak of his ball carrying season, doing practically everything right to tally three of the touchdowns. Shield, who stood out for his booting and line plunging, as usual, made the first local tally in the second quarter. He converted after this tally and Neal converted from placement after the fourth touchdown in the final quarter.

Fumbles marred the Tigers' performance in the first period, but they came back strong thereafter. Reed's passing attack was the best of the season, with Taylor and Dunc can being his top receivers. One of the prettiest plays of the season was Shield's lateral to Reed, as the big fullback was being tackled after a 12-yard off-tackle gain, and Reed's broken field running to make the score. Red Neal turned in perhaps the most perfect tackler-dodging stunt for 35 yards and touchdown, but it was ruled that he stepped out on the 20-yard line.

An entire new team went in for the fading minutes, and the lighter boys held Haskell without a first down. The starting Tiger line-up was: Duncan, left end; Head stream, left tackle; Line, left guard; Snyder, center; Wells, right guard; Crowley, right tackle; Terry, right half; Neal, left half; Taylor, right half; Shield, fullback; Reed, quarterback.

The Haskell starters were: Left end, Thompson; Paterson, left tackle; Ghoison, left guard; Buford, center; Reeves, right guard; Odell, right tackle; Gay, right end; Hunter, left half; Hancock, right half; Jordan, fullback; Cousins, quarterback. This line-up failed to seriously threaten the Tigers, their most potent threat carrying them to the 50-yard line.

First downs favored the visitors from Snyder, 15 to 9.

### STODDARDS CELEBRATE WITH PAIR OF SHARON PRODUCERS

In line with the 1939 policy of two Thanksgiving Days, J. B. Stoddard of Dallas and his brother Hugh will be assured of two more producers in the Sharon Ridge oil field to go with two turkey dinners.

Stoddard's No. 8 McClure, located on an 80-acre tract of the McClure land in Section 142, was flowing between 35 and 50 barrels of oil per hour by heads late Wednesday night, following 720 quart nitro shot Wednesday afternoon. 4:00 o'clock in upper pay saturation.

Stoddard's No. 4 McClure, in which six-inch casing has been set at 2181 feet, will be given a nitro shot Friday afternoon.

**Thirteen New Locations.**  
 Thirteen additional locations have been made by the Stoddard brothers on their two adjoining 80-acre leases, the R. O. McClure and G. Holcomb tracts. Rig used to drill Stoddard's No. 8 McClure is being set up at Stoddard's No. 3 McClure location.

**"Big Sandy" Robinson of Miami, Oklahoma, was moving equipment to his No. 2 Woodward location, which will be a northeast offset to Stoddard's No. 8 McClure.**

Magnolia Petroleum Company's No. 3 McClure, located 600 feet west of the firm's No. 2 McClure on their 80-acre lease in the southeast quarter of Section 142, was drilling in, with all indications pointing to a good producer.

**Mudge, Helmerich-Payne.**  
 Mudge Oil Company's No. 1 Dozier, northeast one-fourth of Section 142, cemented oil string Monday and will start drilling in operations today (Thursday).

Heimerich & Payne has cemented six-inch casing at 2160 feet in their No. 2 Martin, and were ready this morning to start drilling in operations. They are now moving to the center of their 180-acre tract to drill an air well to furnish power for the wells to be drilled on their lease.

Attention was focused Wednesday on the Sharon pool's southwest outpost test, Ordovician Oil Company's No. 1 T. J. Sterling, which will spud over the week-end. Location is 1,550 feet from the south line and 350 feet from the east line of Section 127, about one mile southwest from Ordovician's producing wells on the Thompson land in Section 129.

**Oklahoma City Outfit.**  
 W. C. Kite et al, Oklahoma City operators, are moving in equipment for a test to be located in the south

one-half, northwest one-fourth of Section 129, W. P. Thompson land. J. M. Partin's et al No. 1 S. G. Tomlinson, located in the northeast corner of the southeast one-fourth, Section 122, is completing cleaning out operations with a portable Wilson drilling rig in the deep pay horizon at 2,875 to 3,100 feet.

Coffield & Guthrie's No. 1 Reiter, located 600 feet from the south and west lines of Section 115, was balling free oil after upper pay saturation was encountered at 2,405-10 feet. First pay horizon in the test was found last week at 1,730-1,750 feet. Test is scheduled to be drilled to 3,500 feet. It is nearly a mile southeast of production.

F. W. Merrick Inc. of Ardmore, Oklahoma, at their No. 1 McClure, located 330 feet from the south and east lines of the north one-half, southwest quarter of Section 142, were drilling at 1,920 feet.

Petroleum Producers were drilling at 995 feet on a farmout from Magnolia Petroleum Company in the northwest one-fourth of Section 123, T. J. Sterling land.

**Scouts Leaders Will Meet in Snyder for 7:30 O'clock Dinner**

A report from scoutmasters in the Snyder District and from district committeemen will feature a dinner to be given here Monday evening, 7:30 o'clock, for Boy Scout officials and troop committeemen. H. L. Wren, district chairman, announced Wednesday.

An attendance award will be presented to the town having the largest number of people present, excluding Snyder. Scout stunts and other forms of entertainment will be provided. Cost of the dinner will be 50 cents per plate.

Parents of Boy Scouts of this area are given a cordial invitation to attend the affair. It is slated to be one of the most important meetings held here recently in the interest of Buffalo Trail Council Boy Scout work, said Wren.

Henry Clements, who is working in a Sweetwater tailor shop, was at home for the week-end.

Mr. and Mrs. N. Scaramella and young son, Don, of Emico, New Mexico, spent several days here this week with her mother, Mrs. Ollie Morrow, and friends. They will visit in Dallas and other points east before returning to New Mexico.

**SCHOOLS ARE IN SPLENDID SHAPE**  
 "Scurry County schools as a whole are in excellent shape for this time of the year," R. N. Sandlin of Abilene, deputy state superintendent, stated Wednesday afternoon after completing a three-day inspection tour of county schools that began Monday morning at Pylon.

Accompanying Sandlin was County Superintendent Roy O. Irvin, who states "our county educational system—despite short crop years and other adverse conditions—is one we should all be proud of. We found a greater degree of cooperation evidenced between school patrons and teachers than at any time in recent years."

Schools inspected during the Monday-Wednesday tour included Pylon, Hermleigh, Independence, Dunn, Ira, Crowder, Canyon, Bison, Turner, Bethel, Dermott, Martin, Emms Creek, Lloyd Mountain and Painsview.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

Entered at the post office at Snyder, Texas, as second class mail matter, according to an Act of Congress, March 3, 1879.

We SHOULD Be Thankful at Least Twice!

Americans are often accused of having little real patriotism. Many of the older European countries...

The charge is partially true, perhaps, but when President Roosevelt made the apparently simple and harmless proclamation that Thanksgiving should be moved backward, we discovered anew that Americans have plenty of real sentiment in their systems.

Actually, it is probable that the earlier Thanksgiving date will be much more practical when football-schedule makers, reunion groups and business houses have an opportunity to arrange their goings and coming a year in advance.

But what a relief that Thanksgiving argument has been from the usual attempts of early-morning coffee drinkers to interpret news from the European war front!

No matter when we observe Thanksgiving, we should bow our heads in humility... we should thank our Maker that we live "in the land of room enough"...

In West Texas Now!

Big outdoor signs that will sell West Texas to itself as well as to the outside world are being planned by the West Texas Chamber of Commerce.

School Safety Week

That the traffic safety movement in Texas is making excellent gains is proven by figures supplied by the Texas Safety Association Inc.

Is Your Gun Loaded?

The Texas Game, Fish and Oyster Commission has issued an appeal to every sportsman to treat every gun as if it were loaded.

How About 4th of July?

Editorial poetry is usually not so tasty, but here is a sample that fits into the Thanksgiving theme:
Thirty days hath September,
April, June and November;
All the rest have thirty-one
Unless we hear from Washington.

Three R's Up-to-Date

The State Department of Health declares, during this National Education Week, that children brought up according to the three "R's" of mouth health have a very good chance to escape the discomforts and accompanying ill health that comes from dental disorders.

They are clamping down with Sunday desecration laws over in Lynn County, three merchants being indicted by the last grand jury.

When it is peace, then we may view again With new-own eyes each other's truer form And wonder. Brown more loving-kind and warm We'll grasp firm hands and laugh at the old pain.

The rapidity with which improvements are being made in American airplanes today is hardly hinted at in the success Frances has been experiencing with Curtiss-built craft.

Although it sounds like a rather unpractical idea at the moment, a Texas group is experimenting with a new type of fire-proof cotton to insulate houses and in turn greatly reduce our surplus of the fleecy staple.

In last week's issue of the Journal of the American Dental Association, Drs. S. L. Rosenthal, W. M. McNabb and R. C. Snyder of the University of Pennsylvania stated the plague of trench mouth may at last be partially conquered.

This mouth disease, which annually affects thousands, received its name in the World War, when it swept through entire regiments unchecked.

That the time-honored glass milk bottle may not always reign supreme as the most suitable container of milk was indicated last week when Borden Milk Company and Sheffield announced they were introducing in the larger cities cardboard milk containers.

George P. McCarthy, poultry husbandman with the A. & M. College Extension Service, stated Monday "the poultry flock without green feeds or green feed substitutes at this time of the year is indeed a poultry flock without profit."

British officials were chucking this week over an unwitting bit of espionage performed by a British tourist during a bicycle trip through Western Germany just before the present war got underway.
