Tigers Meet Wolves In Turkey Day Final

Tiger Scoring

Many fans have wondered about the scoring honors for the touchdown-making Tigers this year. So The Times has checked the record.

Bill Shield, fullback, leads the scoring parade with 10 touchdowns and nine extra points for a total of 69 points. Close behind him is Dale Reed, quarterback, with 10 touchdowns and one extra point for a total of 61 points.

Red Neal, halfback, who has made hundreds of yards during the season, has made five touchdowns, six extra points for a total of 36 points. Wendell Duncan, end, has made two touchdowns, while Sims Taylor, half, has made one extra point.

This adds up to a total of 179 points, while the opposition was making 31 points. Seven games have been won, two lost. All the wins except the 13-7 Spur game saw the opposition held scoreless.

TIMES TABLE

Probably the biggest deer haul of the season was made by a party of Scurry, Borden and Howard County hunters that invaded the country southwest of Mason last week. The following group returned with 10 flagtails: B. O. Bynum of Vincent, County Agent F. M. Medley, Sheriff Sid Reeder and Raymond Hamilton of Gail, and Nolan von Roeder, Edd Murphy and Ben Weathers of the Borden-Scurry area southwest of Snyder.

The Times last week received a certificate of merit from Homer Garrison Jr., director of the State Department of Public Safety. The certificate cites that it is awarded "for outstanding contributions to traffic safety for the year 1938, and educational attainments in making reckless driving unpopular. This organization is commended for its part in reducing Texas traffic deaths 21 per cent."

Carl Hargrove, who enlisted in the United States Army at Fort Sill, Oklahoma, three months ago, is at home for a few days. He left Snyder in August, after graduating from the local high school in the spring. Now working in the post bakery, Hargrove came in Saturday and returned to Oklahoma Wednesday. The red-haired former high school football player held the center slot on the Tiger team here the past two years.

At least one Snyder girl in Texas schools of higher learning is retaining her high school scholastic record in college. Frances Head of Snyder, daughter of Mrs. Pearl Head, who was valedictorian of the local 1939 high school class, was one of the 11 freshmen students who made the mid-semester honor roll at McMurry College, Abilene. Points are allotted: A, 12; B, 9; C, 6. Miss Head received a total of 60 points.

The four city guns that are now operating—Snyder, Joyce, Snyder Cooperative and Ely, Arnold & Ely—will be closed all day Thursday in observance of Thanksgiving. The Browning Gun has closed down entirely for the remainder of the 1939 gunning season.

A severe head injury was sustained Monday night by Mrs. Jack Clark, formerly Lennie Bell Tate of Snyder, when the car in which she and LaVerne Griffin of Ira were riding turned over near Las Vegas, New Mexico. Information received Wednesday indicated Mrs. Clark is resting well. Although shaken up, Miss Griffin was only slightly injured in the accident.

In its weekly cotton market review for November 25, the Agricultural Marketing Service of the U. S. Department of Agriculture highlights the advances made in cotton prices for the 1939 season. The 10-market average of 9.63 cents for middling 15-16 inch cotton on November 24 was 12 points higher than the previous Friday. Spot cotton markets continued unusually active, with exports up sharply. Ginnings of 10,632,000 bales prior to November 14 was equivalent, the marketing service reports, to 93 per cent of the indicated crop for 1939.

Rev. and Mrs. Ira Harrison left Wednesday at noon for Seymour to visit Rev. Harrison's mother, Mrs. L. C. Harrison. They will return Thursday afternoon. The local pastor "married into" a Harrison family—and he just can't get over the fact that one branch of the house (his own) is in the newspaper game.

Large Crowd Expected to Witness Traditional Holiday Fracas at Tiger Field at 2:30

Popular Jack Christian will bring his Colorado City Wolves to town Thanksgiving afternoon, 2:30 o'clock, for a 60-minute session with Red Hill's Tigers that will determine the second-place team in District 6-A. The teams are now tied, while Roscoe Pionobrows have already sewed up the title.

(Apologies: The Times mistakenly stated in one place in last week's football article that this game would be played last Friday.)

With Snyder business houses closed almost 100 per cent, one of the largest crowds of the season is expected. Colorado City promises to send a large delegation to push her Wolves, who have vastly improved since a shaky start.

Last Game for Both.

It will be the last game for both teams. The coaches report their boys in fair condition, with both first string line-ups probably being intact.

Following is the dope you will want to know about the teams:

Colorado Starting Lineup				
Name	No.	Pos.	Wt.	Exp.
Ballard	31	LE	150	
Caffey	13	LT	150	
Coker	11	C	141	
Cox	14	QB	170	
Glover	16	LH	135	
Hunter	28	RT	161	
Major	30	RG	143	
Smith	27	FB	155	
Wood	19	RE	155	
Bozlin	29	RG	173	
McCoy	20	RH	135	

Colorado Substitutes				
Name	No.	Pos.	Wt.	Exp.
Blaissingame	17	LG	169	
Neal	15	RH	135	
Grubbs	21	QB	126	
Cooper	24	LG	138	
Dearen	26	LH	129	
Feaster	12	LG	152	
Jones	18	RT	153	
Smith, R.	22	FB	141	
Walker	10	RE	123	
Webber, H.	23	LT	163	
Webber, W.	25	RE	138	

Colorado comes with a 45-piece band, directed by R. P. Rose, drum majored by Verna Campbell, Billie M. Gregory and Johnnie Botvidson. Maedell Foster, age four, is the tiny mascot. The entire student body—un-uniformed—is the pep squad.

Snyder Starting Lineup				
Name	No.	Pos.	Wt.	Exp.
Duncan	55	LE	145	1
Headstream	70	LT	158	1

Odom	FB	140	0	

Fields, tackle; Dunn, center; Hulsey, halfback; Weathersbee, halfback; Wilson, line.

Will Layne Post to Entertain District Legion Group Soon

Plans were mapped this week by the Will Layne Post of the American Legion to act as host at a 19th District legion meeting here the night of Tuesday, December 12. In charge of the program will be Charles Whitacre of Lubbock, district commander.

From 250 to 300 ex-service men of the 19th Congressional District are slated to attend the gathering, Henry Rosenberg, local commander, states. A well-rounded program is being arranged, he said.

Outstanding speakers will appear, promises Whitacre. A dance for ex-service men will conclude the evening of speech, food and entertainment.

Special Farm Movie To Be Shown Here

RKO Pictures Inc. announced yesterday through the office of the county agent that "Uncle Sam, the Farmer" will be shown here at the Palace Theatre Tuesday night in connection with the March of Time.

"Ex-Champ," with Victor McLaglen, Tom Brown, Nan Grey and others is slated by Manager P. W. Cloud to be shown at the Palace as the main attraction Tuesday night. Bargain night prices will be in effect.

Proof of the Pudding Is In the Pictures, So—

One-half ton of venison—1,008 pounds, to be exact—is represented by the five deer shown in the above picture. The quintet of hunters, who bagged the animals recently in the Delaware Mountains, had to pack

two of the largest bucks four miles to camp, due to an insufficient number of horses on hand. Left to right are: Jesse Jones, Alex Murphy of Borden County, P. L. Fuller, prominent Scurry County rancher, Willie

Hunter (colored), cook, "Uncle" Pete Bolin and Brad Boren. Fuller, with his jokes and dry wit, and "Uncle" Pete, with his flair for detail, are said to have contributed largely to the enjoyment of the hunt.

LOCAL CHURCH SETS MEETING IN DECEMBER

Fort Worth Minister to Preach for
Church of Christ in Revival
That Begins Sunday

First services of a meeting at the Snyder Church of Christ will be held Sunday, with Harold Thomas, minister of the North Side Church of Christ, Fort Worth, in charge according to Le Moine G. Lewis, local minister.

The singing will be directed by C. L. Banks, regular song leader of the congregation, assisted by Shirley Morgan of Hermleigh, a former minister of the Snyder church.

Thomas is a 1934 graduate of Abilene High School. Since leaving school he served as minister of the Brooklyn Heights Church in Fort Worth for a year a half, at Gilmer for almost three years. He has been with the North Side Church since June. Besides serving as minister of the North Side Church, Thomas is also doing graduate work in Texas Christian University.

A feature of this meeting will be the afternoon services, which will be held at 3:45 o'clock in order that the school children may attend.

Sunday afternoon, December 10, the local church will be host to the monthly singing of the Churches of Christ in Scurry County. Following a 45-minute song program, a 30-minute sermon will be delivered by Thomas.

At 6:30 o'clock each Sunday evening during the meeting the visitor will speak to the young people. On the second Sunday evening, December 10, he is going to speak on "Is It Sinful for Christian Young People to Dance?"

Land and Property Valuation in Snyder Flooded Area Given

Herman Darby, county tax assessor-collector, is cooperating this week with the Chamber of Commerce in tabulating a report of land and property values in Snyder that are in the confines of the area inundated by the June 19 flood disaster. This information is being prepared at the request of A. G. Ranney, U. S. Army engineer's office, Galveston.

Darby and the Chamber of Commerce are using as their chief source of information a recently-completed city map that shows the area engulfed by June 19 flood waters as well as high water marks recorded for Snyder.

When complete, the report will be forwarded to Galveston preparatory to inauguration of flood control work in Scurry County.

WEST HIGHWAY ORDER IN DEC.

Data received this week indicates that a work order will probably be issued late in December on the 7.1 miles of Highway 15 from the Snyder square westward. Low bid on the project was let last week to Cage Brothers and F. M. Reeves & Sons of Bishop, Texas, for \$91,357.68.

Construction on the 7.1 miles of the East-West Highway west from Snyder will call for grading, drainage structures and select material.

Actual work, aside from the preliminary work that is now going forward, will probably start on the East Scurry County end of Highway 15 early in December.

Leads Revival

Harold Thomas, minister of North Side Church of Christ, Fort Worth, will conduct a December revival at the Snyder Church of Christ, beginning Sunday. C. L. Banks, assisted by Shirley Morgan of Hermleigh, will conduct song services.

FIRST CHECKS COME ON 1939 AAA PROGRAM

County Receives \$87,922.82 Out of
Possible \$340,000; Much
Earlier Than 1938

The county agent's office reported Wednesday morning the receipt of 207 more 1939 soil conservation checks, amounting to \$22,758.13.

This batch of AAA checks, plus the \$64,164.13 received in 467 checks previously, gives a total of \$87,922.82 in federal funds received by county farmers to date.

That the payment of benefits on the 1939 farm program is running considerably ahead of payments received on the 1938 program is due to a speeded-up system in the local office as well as in the state office.

The first checks on the 1938 program were not received until April 30, 1939. Arrival of the first checks November 23 on the 1939 farm program means the state AAA office is running about four months ahead of the 1938 schedule.

The first applications for benefit payments were submitted by the county agent's office to the state AAA office October 30 this year, whereas first applications on the 1938 program were sent to state headquarters January 7, 1939—a difference of slightly over two months.

Edward S. Hyman, administrative assistant, says service out of this office would have been even better had the June flood not held up measuring for some time.

Scurry County will receive a probable total of \$340,000 from the 1939 farm program.

Bud Miller Building Duplex Apartment

Newest Snyder apartment house is the seven-room Bud Miller duplex, corner of Avenue U and 27th Street, on which frame work and roof were completed early this week. The duplex will have four rooms and bath in one apartment, and three rooms with bath in the other apartment. Modernistic fixtures are used throughout, and the latest in conveniences will be offered.

The duplex should be ready for occupancy by mid-December.

ENTERTAINERS FORM COUNTY ORGANIZATION

Variety of Programs Being Planned
for General Presentation by
Group in Near Future

Newest local organization formed in recent months is the Scurry County Entertainment Association, which originated at a meeting of community entertainment leaders at the home of Mrs. Earl Louder Saturday night. Idea for the association came as a result of the wide acclaim given the entertainment program at the October Scurry County Products Show.

First production of the association will be offered the public in the Snyder High School auditorium Thursday night, December 14. Further announcement as to the type of program will be given soon, President E. J. Anderson announces.

Programs planned by the association will vary from ordinary amateur little theatre organizations. Several plays will be given each season and novelty programs of all types will also be produced.

Officers named at the Saturday night meeting for the new organization are as follows: E. J. Anderson, president; E. O. Wedgeworth of Fluvanna, general program chairman; Ray Dickson, secretary-treasurer; J. R. Reeves, properties man; Rev. C. H. Ward, houseman.

Heads of various departments in the association have been announced also. They are: Mrs. Earl Louder, novelties and vocal numbers; Herman Trigg, orchestra; Mrs. Elaine Lambert, dance; Rose Marie Clawson of Fluvanna and Peggy Elliott, dramatics; Allene Curry, Robert Patterson and Hilton Lambert, publicity and reporting.

Other charter members of the entertainment association include S. L. Morgan of Hermleigh, Margaret Dell Trimm, M. H. Greenwood of Pylon and Cleo W. Tarter of Dunn.

Five to Big Spring For Postal Meeting

Postmaster Warren Dodson, J. L. Greene, J. P. Nelson, J. E. LeMond and Hilton Lambert of the Snyder post office attended the annual 19th District postal employees' meeting, held Saturday night in the Settles Hotel at Big Spring.

Chief speaker was Congressman George Mahon of the 19th District. Almost 175 postmasters and postal employees were attracted to the meeting. Tahoka was selected as district host for the 1940 meeting.

SCOUT CHIEFS MEET MONDAY

Fifty scoutmasters, district committee members and others interested in scouting convened at the Manhattan Hotel Monday night for a dinner given by Scout officials and troop committee members of the Snyder District.

Pyron, which won the attendance award, will be host at the next district meeting in December. H. L. Wren, district chairman, presided at the Monday session.

Principal speaker was Charley Paxton of Sweetwater, president of the Buffalo Trail Council. "Scouting in this district has gone forward at a rapid rate during the past three years," Paxton said, "and will continue to go forward in proportion to the degree of interest shown in our boys."

BAD WEATHER SLOWS WORK IN SHARON FIELD

Mudge No. 1 Dozier to Be Shot
Today; Pair of Producers
Seen for Stoddard

Due to the fact that roads to Southwest Scurry County's Sharon Ridge oil field were virtually impassable late Wednesday afternoon, a full report on drilling activities in the rapidly-growing field was not available as The Times went to press Wednesday night.

Mudge Oil Company's No. 1 Dozier, located in the northeast quarter of Section 142, will be shot in upper pay saturation from 2,250 to 2,466 feet today (Thursday) following cementing of oil string.

A pair of producers for J. B. Stoddard of Dallas and his brother Hugh went on record this week with completion of Stoddard's No. 3 McClure and Stoddard's No. 4 McClure, which flowed an unestimated amount of oil into storage tanks following 750-quart nitro shot in upper pay saturated sections.

Cleaning up operations were being completed in Magnolia Petroleum Company's No. 3 McClure, following nitro shot in upper pay saturation Sunday on the firm's 90-acre tract in the southeast quarter of Section 142.

Robinson's No. 2 Woodward, a northeast offset to Stoddard's No. 3 McClure, was drilling at 350 feet. The Robinson No. 1 A. C. Martin, located in the southwest quarter of Section 147, will be given a nitro shot early next week.

New AAA Loans Available Now to County Farmers

Scurry County farmers cooperating with the AAA will be eligible for cotton loans on their 1939 crops, Frank Wilson, chairman of the county committee, stated Monday.

Information received from the Commodity Credit Corporation early this week indicated that 1939 cotton loans will be immediately available. Minimum rate of the loan will be 8.3 cents per pound on seven-eighths inch middling cotton, the same as the basic rate in 1938.

The 1939 loan, however, will make allowances for location differentials as well as grades and staple, and will be made on the basis of the net weight of the cotton. Since an allowance of 40 points will be made for tare, the loan rates for middling seven-eighths inch cotton will vary from 8-70 cents per pound in parts of West Texas to 9-20 cents per pound in Gulf regions. Wilson said.

All warehouses, warehouses and storage places which may be approved for 1939 cotton loans have been instructed how to forward samples for classification. The United States Board of Cotton Examiners, to which cotton samples must be forwarded, states facilities for classifying have been completed and approved warehouses may begin sending in their samples direct.

EIGHT INDICTED IN COURT HERE

Much interest was expressed in Judge A. S. Mauzey's charge to the grand jury Monday morning, when the November term of district court officially opened here.

The grand jury returned eight indictments before Tuesday afternoon. Five divorces have been granted this week and two civil suits have been settled.

District court, recessed late Wednesday in order for court officials to spend Thanksgiving with their families, will reconvene Monday morning.

More Communities Will Learn Details Of New Farm Plan

The remaining series of educational meetings that will be held in community centers next week to discuss and explain details of the 1940 AAA farm program and 1940 marketing quotas was announced Wednesday by the county committee as follows:

Ira—Monday, 7:30 p. m., at the school building.

Ennis Creek—Tuesday, 7:30 p. m., Ennis Creek School.

Dunn—Wednesday, 7:30 p. m., Dunn School.

Union—Thursday, December 7, 7:30 p. m., district court room.

Snyder—Friday, December 8, 7:30 p. m., district court room.

Initial meetings to explain the 1940 AAA program were held Monday night at Hermleigh and Tuesday night at Fluvanna. Members of the county committee and the county agent's office report much interest in the educational meetings.

On Committees

C. Wedgeworth, above, Snyder Schools' superintendent, was in Austin Wednesday of this week to meet with other members of Governor O'Daniel's state-wide education committee. He will proceed Thursday to San Antonio, where he, along with several other Scurry County school leaders, will attend the week-end sessions of the annual Texas State Teachers Association convention. Below is Miss Effie McLeod, teacher in Snyder High School, who is a member of the house of delegates of the state convention.

Glynn C. Snyder Named Secretary Of Press Clinic

Glynn Curry Snyder was elected secretary of the 1940 convention of the West Texas Scholastic Press Clinic at sessions of the group's third annual meeting at Texas Technological College, Lubbock. Twelve local students and groups from Fluvanna and Hermleigh were Scurry County's representatives at the Friday-Saturday meeting.

Other new officers of the group are: Stuart Condon of Canyon, president; Henry Ray of Borger, vice president; Louise Wilson of Floydada, corresponding secretary. Leon Hughes of Lubbock was the 1939 president.

Main speakers on the two-day program included Olin E. Hinkle, director of journalism, West Texas State College, Canyon; Dr. Clifford B. Jones, president of Texas Tech; Margaret Turner, woman's editor of the Lubbock Avalanche-Journal; Charles A. Guy, publisher of the Lubbock paper.

A banquet Friday night at the Hilton Hotel was a courtesy of the Lubbock Chamber of Commerce. Snyder students attending the clinic included Patti Hicks, Jeanne Taylor, Nell Verna LeMond, Jerry Chapman, V. D. Sumridd, Vernon Moffett, Lance Mullins and Melvin Newton. They were accompanied by Miss Effie McLeod, Mrs. Hugh Taylor and Allene Curry.

The Hermleigh group was sponsored by Superintendent E. L. Farr and Mrs. Farr, and it included Winnie Mae Ayers, who was chairman of the nominating committee. Roy Lacy and William Miller took the Fluvanna students and Lacy was their sponsor at the meeting.

Moisture Comes To Parched County Area

A drizzling rain that began late Tuesday afternoon and continues as The Times goes to press Wednesday night gave Snyder 3.0 of an inch of precipitation up to 6:00 o'clock in the evening. Mrs. B. G. Johnson, official weather gauger, reports.

The rain, first of any consequences received here in recent weeks, was reported general throughout Scurry County. Farmers and ranchers who have been very short on stock water the past two weeks—due to lack of sufficient wind to turn windmills—said the rain would replenish low supplies of stock water.

The rain will prove beneficial to county pastures and rangeland in starting the winter crop of wild rye and weeds.

YOUTH KILLED IN CRASH THAT INJURES FOUR

Driver of Car That Struck Students
Blinded by Lights of Parked
Machine Near Overpass

An evening of innocent fun had a tragic climax for 14 Snyder and Hermleigh young people Saturday night when W. T. Murphree Jr., 19, was killed in a four-car accident three miles southeast of Snyder.

Two carloads of the youths had parked on the right side of the east approach to the Highway 15 overpass, and another automobile, occupied by two unidentified adult couples, had stopped at the same place, heading west, on the opposite side of the road.

As a fourth automobile, driven by Doyle Crowder of Dunn, approached from the west, lights of the third parked machine were turned on. Crowder, blinded, tried to drive by, by he sideswiped both the students' cars.

Murphree Dies in Hospital.

Young Murphree died soon after being brought to a local hospital. Three girls, members of the party, also were hurt seriously. They are Peggy Harless, with facial and leg bruises and cuts, who remains in the hospital; LaRue Autry, with leg cuts and one leg bone broken, who was taken to her home Tuesday; and Carolyn Henderson, with bruises and leg lacerations. Fred Rosson was slightly hurt in one leg.

The accident occurred only a half mile from the farm home of W. T.'s parents. They were notified of the crash soon after he was taken to the hospital.

Young People Not in Cars.

The students were not in their cars when the accident occurred. Most of them were standing beside the car that was driven by Weldon Bentley, which was just in front of the car driven by Rex Woodward. Several of the students advised The Times they were discussing going to the preview in Snyder when the car driven by the two unidentified couples parked opposite the Bentley car, the third-car occupants engaging the young people in conversation.

Crowder, attempting to pass between the two cars of the students and the third vehicle, first crashed into a rear fender of the Woodward machine, then swerved into the side

See ACCIDENT—Page Five

Practically Every Snyder Store Is Closed for Day

Snyder as a whole will be closed today (Thursday) in observance of the old-fashioned Thanksgiving with the only sign of activity being the annual football game this afternoon, 2:30 o'clock, at Tiger Field, between the Snyder Tigers and the Colorado City Wolves.

Snyder's four churches joined forces Wednesday evening for the annual local Thanksgiving service. The special service was given at the Methodist Church, with the First Baptist, Methodist, First Christian and First Presbyterian Churches cooperating.

The Times is being published Wednesday night in order to get the papers to subscribers in plenty of time for reading through the holiday. Advertisers and rural correspondents have cooperated wonderfully with advertising and rural correspondent copy to assist in early printing of this week's issue.

Post office windows will be open today until noon, but will be closed this (Thursday) afternoon. Box mail as usual will be put up early this a. m., and morning delivery of mail made in the business and residential districts.

- ALMANAC**
- "He that loveth pleasure shall be a poor man."

8—St. Louis was incorporated as a city, 1822.

The WOMAN'S Page

Gift Party Compliments Bride-Elect Monday Evening at Holcomb Home

A Monday evening gift party given by Mrs. W. E. Holcomb and J. R. Sheehan at the Holcomb home was complimentary to Vesta Green, bride-elect of R. S. Davenport of San Angelo. Marriage of the couple will take place early in December.

Fall flowers, autumn leaves and berries formed attractive decorations along with harvest scenes on the mantel and to center the dining table. The dining table centerpiece was an arrangement of colorful leaves, berries and cellophane-wrapped candles with a small pumpkin in the very center. Standing atop the pumpkin were the miniature bride and bridegroom.

Clever poetry attached to various articles in a kitchen set was read aloud by the honoree to begin the opening of the gifts, and others were brought in by the hostesses. Many friends who were unable to attend the party sent gifts.

Mrs. Earl Louder and Woodie Scarborough poured coffee from silver service at each end of the dining table as the hostesses served a salad course with cookies. Tall white candles on the table and buffet were lighted during serving hours. Plate favors were white cards with musical scores lettered in autumn colors—"A New Wedding March, Vesta and Bob."

Out-of-town guests for the gift party were the honoree's sister, Mrs. W. C. Shall of Seaside, and Mrs. Melvin Stoker of Abilene.

Others attending were: Misses Green, Ruby Lee, Frances Stinson, Wilma Shropshire, Margaret Deakins, Johnnie Mathison and Deane Curry; Mrs. W. D. Beggs, J. G. Hicks, R. J. Rands, Lora Miller, T. L. Lollar, W. A. White, H. L. Vann, Lee T. Stinson, Joe Stinson, W. W. Smith, R. E. Gray, Woodie Scarborough, John Keller, Jack Colwell, R. C. Miller Jr., C. P. Sharp, Margie McClellan, Buck Williams, C. J. Sims, Fla. Joyce, Earl Louder and J. D. Scott.

Christmas cards at The Times.

"Build-Up": Way to Ease Women's Pain

Many weak, run-down women are in a vicious circle. Their undernourishment often leads to what is called functional dysmenorrhea and its symptoms—headaches, nervousness, irritability, intermittent cramp-like pains—from which many women suffer. Surest way to break the vicious circle is by building strength and energy, which so many find may be done with the help of CARDUI. It stimulates appetite, aids digestion, and thus helps in this "build-up" of physical resistance. Women also report that, if taken just before and during "the time," CARDUI helps to ease the pain and discomfort of the period.

Baptist Women to Observe Prayer Week

Women of the First Baptist Church will observe annual Week of Prayer for world-wide missions next week, December 4 to 8. General program theme for the week will be "Love of God." Meetings will be held each afternoon at 3:00 o'clock, and all women of the church are urged to attend, according to Mrs. B. M. West, president.

Places for each day's meeting, leaders and subjects for discussion as given by Mrs. Willard Jones, are the following:

Monday—Meeting at the home of Mrs. J. E. LeMond with Mrs. C. M. Boren as leader; theme, "God's Love Calls."

Tuesday—Meeting at the home of Mrs. W. D. Haral with Mrs. H. D. Seely as leader; theme, "God's Love Challenges."

Wednesday—Meeting at the home of Mrs. A. C. Alexander with Mrs. Jack Inman as leader; theme, "God's Love Commands."

Thursday—Meeting at the home of Mrs. N. M. Harpole with Mrs. Howell Harpole as leader; theme, "God's Love Continues."

Friday—Meeting at the home of Mrs. J. D. Isaacs with Mrs. Melvin Newton as leader; theme, "God's Love Climaxes."

Local Couple Married at Alpine

Faye Louise Weeks and Marvin Scott, daughter and son of Scurry County people, were married in Alpine Sunday, November 19, at 8:00 o'clock, at the home of Mrs. W. N. Pugh, 1006 Holland Avenue. Rev. W. M. Palmer of the First Baptist Church read the ceremony.

Attending the couple were Ruth Ashton of Ballinger and Raymond Hefner of Rotan as maid-of-honor and best man. Others present were: Mrs. Pugh, Mrs. Clarence Hamm, Frances Cunningham, Edith Hutcherson, Lois Blackwell, Winnie Fay Bauer and Ray Williamson.

The bride wore a frock of French plum alpaca with coral and rhinestone clips. Her accessories were black suede with alligator trim, and she wore a corsage of tulle roses. Mrs. Scott is a daughter of Mr. and Mrs. Roy Weeks of Hermleigh, and she graduated from Hermleigh High School in 1939. The bridegroom, son of Mr. and Mrs. W. J. Scott of near Snyder, graduated from Hobbs High School and attended an Abilene business college. Both are students in Sul Ross College, Alpine, and they will continue to attend school.

Immediately following the ceremony, Mrs. Pugh served coffee to the wedding guests in her dining room. The rooms were beautifully decorated with autumn leaves, white chrysanthemums and greenery for the service and the reception which followed.

Duce Club Meets Tuesday Evening

Duce Bridge Club members and five guests attended a club party at the home of Allene Curry Tuesday evening. A Thanksgiving motif was emphasized in appointments and table covers, and fall flowers were the decorations.

High score prize went to Mrs. Fla Joyce, guest, and the traveling prize to Mrs. R. C. Miller Jr. Others present were: Mrs. Melvin Stoker of Abilene, formerly a member of the club, and Mrs. Buck Williams, Gailther Bell and John F. Blum, guests; Margaret Deakins, Johnnie Mathison, Frances Boren, Frances Chenault, Jeannette Lollar, Ruby Lee, and Mmes. Loy Logan, Buster Curtis and Sam Joyce.

Mrs. Curtis will be next hostess to the club Thursday night, December 7. New officers elected Tuesday were Mrs. Miller, president, and Johnnie Mathison, secretary-treasurer.

Mrs. Harry Lee New Methodist Leader

Mrs. Harry S. Lee was named president of the Methodist Missionary Society for the coming year at a meeting of the two Monday afternoon circles in the home of Mrs. Joe Strayhorn this week at 3:00 o'clock. Mrs. Lee will succeed Mrs. J. D. Dordard, 1939 president.

Election of officers and a World Outlook program, with Mrs. H. T. Sefton as leader, featured the afternoon for the group of 27 Methodist women. Subject for the Outlook program was "Enlarging Horizons for the Protestant Church."

Other leaders named for the 1940 work of local Methodist women besides Mrs. Lee are the following: Mrs. A. C. Preuit, vice president; Mrs. R. L. Martin, recording secretary; Mrs. Herman Doak, corresponding secretary; Mrs. J. G. Hicks, treasurer; Mrs. Ivan Dodson, assistant treasurer; Mrs. Lydia Hardy, secretary children's work.

Superintendents of the various departments elected Monday are: Mrs. T. M. Howle, study; Mrs. Sefton, Christian social relations; Mrs. D. P. Strayhorn, literature and publicity; Mrs. H. P. Brown, supplies; Mrs. R. M. Stokes, World Outlook; Mrs. C. R. Burk, baby specials; Mrs. Sterling Williams, local work; council of missions and church extension representatives, Mmes. J. C. Dordard and A. W. Waddell.

Program for the afternoon opened with music by Mrs. C. V. Morris; a song, prayer by Mrs. Sefton and scripture reading by Mrs. Clyde Murray. Meditation was given by Mrs. R. L. Gray, and Mrs. Preuit and several assistants gave missionary topics. Mrs. Xula Higginsbotham led the closing prayer.

Mrs. Strayhorn served pie a la mode and coffee to those present for the Monday meeting.

Erol Howell, daughter of the Roy Howells, who formerly lived in Snyder, spent the late part of last week with local friends. The Howells have been living in Big Spring the past two years. They moved from Snyder to Pecos.

Mrs. M. M. Gideon and her mother, Mrs. J. B. Boles, left Monday morning by train for Maywood, California, where they will be at the bedside of their brother and son, Jim Boles, who lives there.

Mrs. G. B. Hamilton of Chickasha, Oklahoma, left Tuesday, returning home after an eight-day visit with her mother, Mrs. J. C. Maxwell, and the W. W. Hamiltons.

VOWS SAID BY LOCAL COUPLE ON THURSDAY

Marriage vows were said by Grace Holcomb and Martin Norred in an impressive double ring service at the altar of the local Methodist Church last Thursday. The ceremony was read at high noon by Rev. I. A. Smith, pastor.

Only wedding attendants were the bride's mother, Mrs. A. D. Johnson, the bridegroom's mother, Mrs. W. Norred, and Mrs. I. A. Smith.

For her marriage Mrs. Norred wore a teal blue crepe dress fashioned with a bustle back, brown accessories and a grape wine cloth coat with a brown fur collar. Autumn leaves and berries were combined in her attractive shoulder corsage. Mrs. Norred wore a navy printed silk dress with black accessories. Mrs. Johnson wore a navy crepe dress, and Mrs. Smith was dressed in dark green with black accessories.

Evening chief operator for the local office of Southwestern Bell Telephone Company, Mrs. Norred has been working in the office the past 10 years. She is a graduate of Snyder High School and studied at Texas State College for Women (then CIA) at Denton two years. She will continue in the employ of the telephone company.

The bridegroom's family has lived a number of years in Snyder, and he, too, graduated from the local high school. The past five years he has been employed by the Louder Motor Company, Ford dealer, as salesman.

The couple left immediately following their marriage for visits to various scenic points in West Texas. Mrs. Norred traveling in a teal blue costume suit with brown accessories. They returned here Saturday noon, and are at home in their newly purchased and refurnished house, 1201 Twenty-Eighth Street.

Frances Leath Is Saturday Honoree

Frances Leath, daughter of Mr. and Mrs. G. H. Leath, was made honoree at a party Saturday afternoon celebrating her eighth birthday. Each guest brought a birthday gift, and they were unwrapped and placed on display for the party attendants and family to view.

Ola Margaret Leath, older sister of the honoree, directed the games, and assisted in serving the birthday cake with sandwiches, cocoa and potato chips. Guest favors were small books and candy.

Enjoying the birthday party were the following: Ann Wedgeworth, Ila Ruth Newton, Mariann Randalls, Clarice McGlaun, Sandra Jean Josephson, Vernelle Stevenson, Jane Ann Woodson, Margaret Smyth, Jane Ann Mae DeShazo, Charlotte Paver and the honoree.

Mrs. W. B. Carlton and daughter, Nelle, of Abilene arrived here Friday to spend the Thanksgiving holidays with their daughter and sister, Mrs. Paul Claybrook, and family. Miss Carlton is a student at Draughton's Business College in Abilene.

Mr. and Mrs. Hugh Birdwell and small daughter, Huhanna, spent last week with Mrs. Mamie Caton and daughter, Dossie Mae, in Lubbock. Mr. Birdwell joined them there for the week-end, and the group came home Sunday.

Plaid Robe Has Youthful Lines

This red-and-green wool plaid robe combines the idealism and practicality of youth. It is eye-filling, it is warm. It can be worn when entertaining, it can be worn when alone. It has braggart shoulders, tight waist, flowing skirt.

Thanksgiving Party By Church Group

Intermediates of the First Baptist Church enjoyed a Thanksgiving party given in the basement of the church last week. After games were played, the group was led to the church grounds, where they enjoyed a wiener roast.

Enjoying the party were the following: Paydean Norred, Evelyn and Everett Clark, Bryan Jordan, Jimmie Merritt, Fred Curtis, Billy Jay Eiland, Miller Price, J. R. Meadows, Gracie Reeves, Leleida Lee and Estelle Wilson, Tipsey Burns, Ola Margaret Leath, Mary Belle Weathersbee, Colleen Morris, Helen Joy Taylor and Martha L. Holmes. Leaders and sponsors present were: Effie McLeod, Jewel Foster, Mrs. Edgar Taylor and Rev. and Mrs. Ira Harrison.

Evelyn Erwin, who has been visiting in Dallas the past few days, has gone to Waco to spend Thanksgiving holidays. Miss Erwin graduated from Baylor University there last June.

Mr. and Mrs. Fred Ebling of Sagerton spent Sunday with Mr. and Mrs. C. E. Ross of East Snyder.

Patterns for Bison Club

The Bison 4-H Club met at the school house Friday. There were seven members present. Miss Rabel met with us. She gave the club patterns for several things that can be made for Christmas presents.—Reporter.

Hermleigh 4-H Club

The Hermleigh 4-H Club met last Thursday. Miss Rabel, who met with us, showed us some patterns. Mrs. Bentley also met with us. We decided to have a Christmas party at Mrs. Rabel's home. Each girl is to bring their mothers with them.—Reporter.

Violet McKnight Will Be Invited Artist

Musical Coterie of Snyder voted at a meeting last Thursday to invite a local artist, Mrs. Violet McKnight, vocalist, as guest artist for its Guest Day program in the spring. Mrs. McKnight, a native of Snyder, is taking special courses at Hardin-Simmons University, Abilene, this fall and winter.

The Thursday meeting of the local music club was held at the home of Mrs. Willard Jones, with Mrs. W. C. Hooks, club president, assisting hostess. Two new members were elected to membership—Mmes. R. G. Dillard and Ross Blanchard.

Program for the afternoon included an article, "The Joy of Singing," given by Mrs. J. R. Sheehan; a vocal solo, "On a Moonbeam," by Mrs. John E. Sentell; and piano solos, "At Dawning" by Mrs. W. C. Hooks, "Popillious" (Schumann) by Mrs. L. A. Chapman; and a piano duet, "Romance" (Rubenstein) by Mmes. Arthur McFarland and Novis Rodgers.

A salad plate was passed to the following members: Mmes. Sentell, Sheehan, R. L. Gray, Melvin Buckard, Lyda M. Hardy, McFarland, Chapman, F. L. Pierce, Harry Ward, A. C. Preuit, W. W. Smith, Hugh Boren and Rodgers and the hostess.

Clyde Boren Jr. student in Texas Technological College, Lubbock, was a week-end visitor in his home.

Local People Attend A. C. C. Homecoming

Mr. and Mrs. Harry Ward and LeMoine G. Lewis of Snyder and S. L. Morgan of Hermleigh were Scurry County's representatives at the annual homecoming of Abilene Christian College Friday and Saturday of last week. The Wards and Morgan were there both days, and Lewis went down Saturday.

Mrs. Ward attended a breakfast for ex-members of the Ko Jo Kai, women's social group, Saturday morning, and her husband was among the ex-members of the Trojans, men's social club, attending that club's breakfast. Mr. and Mrs. Ward also attended the "C" banquet Saturday night.

HYMAN MOVES TO SAN ANGELO

Edward S. Hyman, administrative assistant in the county agent's office since January 17, 1938, was scheduled to leave late Wednesday for San Angelo, where he will become administrative assistant for Tom Green County. The change becomes effective December 1.

He has been succeeded in the local office by Claude D. Cotten of San Angelo, a brother of Mrs. Frank Farmer.

For the past eight months Cotten has been engaged in farming and ranching near San Angelo. He was previously connected with the AAA as administrative assistant for Coke County, and comes here recommended as one well versed in the problems facing West Texas farmers and ranchers.

Mr. and Mrs. Hyman came to Snyder from College Station, where Hyman had completed work for his degree from A. & M. College and then had been employed in the state AAA office.

Associated with Cotten in the local office, which administers all matters in connection with the AAA program, are C. E. Tarter, Ruth Davis, Ruby Lee, Mrs. Flossie Anderson and Desha Parsons.

Woodman Camp No. 544 issued an invitation to all county lodge members this week to attend a special meeting of the local W. O. W. lodge at Woodman Hall over Winston Feed Store the night of December 12, when officers for the coming year will be elected.

Frances Stinson was among the first college students home for the Thanksgiving holidays. She was recently selected to represent Howard Payne College, Brownwood, in Who's Who in Texas Colleges and Universities.

SANTA LETTERS BEING MAILED EARLY! TIMES PRINTING THEM

Several little boys and girls have already written their letters to old Santa Claus. The Times is printing all these letters, as it has done for a number of years.

Have you mailed your letter yet? If not, why not sit right down today and tell Santa exactly what you would like to have? You may be sure that your letter will be sent right on to the jolly old fellow. And, besides, Santa Claus reads The Times every week.

The first letter came from Don Spikes, and the next letters came from Scotty Joe Fuller and Betty Jean Fuller. Below are these first letters, plus several others.

Dear Santa Claus:

Please bring me a tractor; bring us a table and chairs. Please bring us something. If you can't bring the tractor, just anything you have will do. Sara Sue says she'd like some books.

Robert Don Spikes.

Dear Santa:

I am a little boy four years old. For Christmas I want a teddy bear, a big truck, a gun, a tool set, a ball, and an Indian suit. Not counting that scrap I had with my cousin, Tom Thumb Crawley, I have been pretty good. Please bring me some good things to eat. Your little friend,

Scotty Joe Fuller,

Snyder, November 24.

Dear Santa:

I am a little girl six years old. For Christmas I would like a doll with a doll buggy, a ball, some dishes, a sewing machine, a blackboard, a little hen that lays wooden eggs and an Indian suit. Don't forget to bring some goodies to eat. Your friend, Betty Jean Fuller,

Snyder, November 24.

Dear Santa Claus:

I want a wagon and a gun this year. I am a good little boy, and I hope to see you in Snyder this year. Yours truly,

Jimmie Richard Wood,

China Grove, November 25.

Dear Santa:

I want a doll and cooking things. Don't forget all the other little boys and girls. I try to be a good little girl. Yours truly,

Wanda Jean Lewallen,

China Grove, November 25.

Dear Santa Claus:

We are two little boys, trying to be good. Please bring Billie Joe a tricycle and tractor, Waymon a train, cat and tractor; bring us lots of candy, nuts and fruits. Remember all other little children. Love from your little friends,

Billie and Waymon Corley,

Snyder, November 27.

Dear Santa:

We have been good little girls, so please bring us a doll, a little red wagon a story book and some nuts, fruit and candy.

Your little friends,

Joeylyn and Nellie Mark Hudson

Snyder, November 26.

Dear Santa:

Will you bring me an army tank, Greyhound bus, four-car transport truck, fire truck and an early American Port set. I want some fruit, nuts and candy. Thank you for bringing me a building set, too.

Douglas Claybrook,

Snyder, November 26.

Dear Santa:

Please bring me a little bowling alley No. 1625X. Also, I would like to have a Red Wing archery set No. 347X123.

Yours truly,

Douglas Claybrook,

Snyder, November 26.

Dear Santa:

First, I wish to thank you for all the nice things you gave me last Christmas. I have tried to be a good boy and helped mother and daddy so you would remember me again this year. If it is not asking too much, I want a scooter with a brake, a tractor, a car, candy, nuts and fruit.

My little sister, Martha Jane, wants a doll bed, a buggy, negro doll and dishes. She is a good girl.

Be sure to remember all my friends, but please don't bring daddy that belt he said he was going to write for, because he really doesn't need it.

Your friends,

Billy John and Martha Jane Voss.

Dear Santa Claus:

I am a school girl now and I have studied hard, so I would like a roll top desk with a matching chair. I would like a house-cleaning set and a little sink that really holds water. And, please, may I have a set of china dishes with forks and knives too? I want some new clothes for my doll.

Remember all the little boys and girls.

Love,

Joanne Martin

Snyder, November 27.

Dr. Scarborough Commended When Lectures Printed

The series of lectures released recently in booklet form by Dr. A. O. Scarborough of Snyder, oldest practicing physician in point of service between Fort Worth and El Paso, is causing no end of favorable comment.

The words of approval are coming not alone from local friends who have "fit, bled and died" with the learned M. D., but also from such figures as Pat M. Neff, president of Baylor University and former governor of Texas; Dr. J. T. Krueger of the Lubbock Sanitarium; L. R. Scarborough, a cousin of the local doctor, veteran president of the Southwestern Baptist Theological Seminary, Fort Worth.

Discourses in the booklet, which were delivered as platform lectures in Dr. Scarborough's younger days, are as follows: "Isobedience, Psychology and the Power of Suggestion," "Liberty and Independence," "Conscience," "Waves," "The Power of Discrimination," "High Ideals" and "The March of Christianity and Medicine."

Dr. Scarborough, who celebrated his 79th birthday Monday, says he believes "man should not alter his optimistic outlook on life, just because he has reached his 79th birthday. We pass this way but once, so let's make our journey one that will benefit our fellow man."

Fluvanna Takes Final Game from Dunn Friday, 27-6

Final football game of the season for Fluvanna was played at Dunn Friday afternoon, with the Buffaloes stampeding in the second and third quarters to defeat the Dunn Owls, 27-6.

Fluvanna completed 21 first downs and Dunn seven. Outstanding Fluvanna players were John Stavelly, guard; Brown, halfback; White, halfback; and Jack Turner, quarterback. White made three touchdowns and Brown one. Turner made three line plunge conversions in the melee.

Outstanding Dunn player was Roy Allen, who made a beautiful 62-yard run to score the only touchdown recorded by Dunn.

Coch Gilbert Mize of the Fluvanna squad states Friday afternoon's final game was one of the "cleanest and snappiest games of the season for us. The Dunn boys played an excellent game, even though they didn't win."

Fluvanna has won six games during the 1939 season, lost two, and marked up two tied games—one with Hermleigh and one with Lorraine.

Mr. and Mrs. A. C. Bishop Jr. of Hermleigh, Mr. and Mrs. Roy O. Irvin and Pat Bullock of Snyder left Wednesday morning for San Antonio, where they will be among the county's representatives at the state teachers' convention being held during the Thanksgiving holidays.

Mrs. A. Murray visited in Camp Springs all last week.

Housing Program and Other Vital Matters Stressed at C. of C. Banquet

An immediate building program for Snyder to care for the new families moving here as a result of increased Sharon Ridge oil field activities and construction work in the near future on Highway 15 featured the membership supper given for Chamber of Commerce members last Thursday night at the National Guard Armory.

Over 175 people from Snyder and outlying communities attended the program of food, fellowship and speaking, presided over by W. R. Bell, Chamber of Commerce president.

Program speakers included County Judge Sterling Williams, "What Highway 15 Means to Scurry County;" J. O. Stinson, Chamber of Commerce vice president, "Scurry County's Third Annual Rodeo;" E. J. Anderson, "The 1939 Products Show;" Ray Dickson, Chamber of Commerce secretary, "Finances and Activities;" and J. C. Smyth, "Highlights of Sharon Ridge Oil Field Developments."

New Assistant Introduced. Miss Christine Jones, newly-appointed full-time office assistant at the Chamber of Commerce, was introduced. President Bell led round table discussions on Snyder's housing situation, which resulted in appointment of this committee to draft an immediate housing program for the city.

C. V. Morris, chairman; A. C. Alexander, Howell Harpole, Hugh Benen, Ray Dickson, Sterling Williams and J. C. Smyth.

The devotional was led by Le Moine G. Lewis, introduced as "Snyder's newest minister and the newest member of the Chamber of Commerce. Musical numbers were furnished throughout the evening by the Fluvanna String Band.

Excerpts of talks made by the principal speakers follow:

New Money from Highway. County Judge Williams: "Although Highway 15 is still a paper road yet, so far as new construction is concerned, we are already beginning to see the vast amount of new money that will be brought to Snyder by filling in of the Highway 15 gap across Scurry County. Work on Highway 101 in the southern part has virtually solved our local relief problem."

J. O. Stinson: "That we had the best locally-sponsored rodeo in West Texas this year was evidenced by the praise received from other West Texas cities. Nothing speaks better of a town than a large group of boosters, whether it be for a rodeo or for some other civic enterprise."

FARMERS WHO GREW CROP IN 1939 MAY VOTE

Referendum on 1940 Cotton Quota Program December 9 Being Explained in Meetings

Scurry County farmers who produced cotton in 1939 will be eligible to vote in the 1940 cotton marketing quota referendum Saturday, December 9, X. B. Cox Jr., county agent, stated Monday.

The fact is being stressed in the series of educational meetings being conducted by the county agent's office and the county committee the election or referendum to be held in connection with the cotton marketing quotas does not have any bearing upon the agricultural conservation program.

The Triple A's agricultural conservation program is an act of Congress, it is pointed out, and will be offered to the farmers regardless of the results of the cotton marketing quota referendum. Marketing quotas will be in effect only if approved by at least two-thirds of the cotton producers voting in the December 9 referendum.

If cotton marketing quotas are in effect in 1940 producers who plant within, or unknowingly overplant, their cotton acreage allotments will be eligible for any cotton loans offered. Producers who knowingly overplant their cotton acreage allotments will not be eligible for cotton loans except on 1940 cotton in excess of their marketing quotas.

But whether 1940 marketing quotas are in effect or not, producers who plant within their cotton acreage allotments will receive full conservation payments and will receive price adjustment payments. Producers who unknowingly overplant their cotton acreage allotments will receive conservation payments with deductions and will not receive price adjustment payments. Producers who knowingly overplant their acreage will not receive either conservation or price adjustment payments.

WREN SPEAKS THRICE

A busy day of speaking for Thanksgiving services today (Thursday) is scheduled by H. L. Wren, District 8 Brotherhood leader, who speaks this morning, 11:00 o'clock, at the Lamesa Baptist Church on "Men and the Church," at 1:30 p. m. at Wilson on "Soul Winning," and at 3:00 p. m. at the Five-Mile Baptist Church, south of Lamesa, on "The Brotherhood Program of Baptists."

Ginnings Really Fool 'Em All As Climbs Continues

County ginnings continued to fool almost every guesser during November, and between 19,000 and 20,000 bales for the season is now a wild assumption for the current cotton crop.

The government figures as reported by Ira R. Sturdivant were 15,192 bales prior to November 14. This compares with 23,664 bales at the same time in 1938. These figures reveal that a higher percentage of bales was ginned during the first half of November this year than last year. The total ginning last year was just over 27,000.

No accurate figures have been gathered by The Times this week, but the estimate is about 17,000 bales prior to Thanksgiving.

All Snyder gins will be closed all day Thursday, November 30, in observance of Thanksgiving, but some one will be on hand at each gin to unload. The gins closed for the day are Joyce Gin, Snyder Cooperative Gin, Ely, Arnold & Ely Gin, Snyder Gin, Browning Gin was closed for the season early this month.

County Contestants Are Taking Part in B. T. U. Convention

Four contestants from Fluvanna and one from Snyder are in Austin for the 49th annual session of the Baptist Training Union of Texas. Six-year-old Tracy Bill Early, the local story-telling contestant, is accompanied by his mother, Mrs. Worley Early, Dawson Moreland, Marva Neil Curtis and Daurice Worley.

The five Scurry County contestants advanced to the state elimination by winning in the District 8 contests at Big Spring recently. Dr. George W. Truett of Dallas is to deliver the Thanksgiving sermon. President Homer P. Rainey of the University of Texas will make an address Saturday on "Building Citizenship."

Note: The Times last week mistakenly stated that the only district winner from Scurry County is from Snyder. Apologies to the four Fluvanna youngsters!

ONLY ONE VOTE TO FARM

In families where more than one person helps produce cotton under a single lease or cropping agreement, only the person who enters into the lease or agreement is entitled to vote in the December 9 cotton marketing referendum.

Names of New Red Cross Members Released by County Drive Chairman

First list of members obtained by the Scurry County chapter of the Red Cross in its 1939 Roll Call drive was released Monday by Roll Call Chairman J. V. Robinson. Names of other members, who have not yet been turned in, will be published as soon as available.

The initial list follows:

Alma W. Buchanan, New York City.
Snyder—F. C. Street, Mrs. Omaha Ryan, Mrs. Madge Popnoe, Gertrude Herm. C. Wedgeworth, Hadley Reeve, Miss Effie McLeod, Mrs. J. C. Smyth, P. H. Patterson, Miss Jewel Foster, Miss Ruth Gold, Herman Trigg, Snyder Gin, W. E. Holcomb, E. D. Curry, A. C. Alexander, Wayne Williams, Billie Mitchell, Mrs. Mary Simpson, Bruce Murphy, A. J. Cady, Tim O. Cook, W. D. Sanders, Joe Glass, J. D. Mitchell, Mrs. J. D. Mitchell, Mrs. J. K. Mitchell, W. W. Hull, John Baker, Mrs. J. H. Hannabass, Rev. C. H. Ward, Tolle Paver, J. A. Joyce, Dan Hamill, J. Monroe, Roy Jennings, Hollis Fields, Weldon Johnson, John Spears, Spears & Louder, C. J. Sims, Jim Hartley, Mrs. Clara Drum, Ethel Mae Sturdivant, F. D. Spain, J. C. Penney, Curly Wiggly, John Pierce, Bunker Hill, Will Clay, H. L. Wren, Jack Inman, Simon Best, Hubert Robinson, R. C. Miller Jr., H. G. Towle Jewellery Company, Earl Hicks, Jesse Clements.
Knapp—W. A. White, Ross Huddleston, C. V. Thompson, Wright Huddleston, Nolan von Roeder, Gilmer Davis, Ed Murphy, Alex O. Murphy, Tuffy Sanders, R. H. Owens, R. O. Bishop, F. O. Sorrells.
Snyder—C. M. Boren, McClintock & Noble, Dean Cochran, The Fair Store, Perry Brothers, G. H. Leath, Henry Whisenand, Arlin Preston, Jim Norred, Economy Dry Goods Company, Simson Drug No. 1, Shipps & Butts, H. P. Redwine, Mrs. Emma Wolcott, Snyder Farmall & Truck Company, Dwight Monroe, Irwin Drug Store, Nathan Rosenberg, Mrs. Ethel Eiland, Miss Nellie Minix, Forest Sears, Mary Bryan, H. D. Seely, Curley Johnson, Jake Smyth, Willard Jones, Carl England, Allene Curry, Leon Quinn, E. & H. Cafe, Eugene Smith, N. M. Harpole, W. P. King, E. L. Darby, Hugh Boren, Fred A. Grayum, J. V. Robinson, Mrs. J. V. Robinson, Hugh Boren Jr., T. A. Boren, T. E. Major, Bushy Hedges, J. R. Hicks, Bryant Link Company, Simson Drug No. 2, C. F. Sentell, C. E. Tarter, Flossie Anderson, Dossie Parsons, Estelle Rabel, Ruth Davis, J. B. Cox Jr., Claude D. Cotten, E. S. Hyman, Jim Cloud, Muriel Woodward, Charles J. Lewis, Mrs. Charles J. Lewis, Herman Darby, Edgar Taylor.

Christmas Turkeys Probably to Begin Last Jaunt Monday

Purchasing of turkeys for the Christmas market is expected to begin Monday, report the four local produce houses that bought birds on the Thanksgiving market. Opening price quotations are not yet available.

Since so many Texas turkey raisers have held a high percentage of their 1939 crop back for the Yuletide market, due to the fact that many birds were lightweights, a guess as to opening market prices is purely problematical. Most buyers are of the opinion, however, that the Yuletide market will open at 10 or 11 cents per pound for No. 1 birds. Despite the fact that the United States turkey crop is 22 per cent heavier than in 1938, officials of the U. S. Department of Agriculture say early purchases of dressed turkeys by northern and eastern buyers will probably result in price advances the second week of December—if the prices advance at all.

West County B. T. U. Meeting at Dermott

Devotional for the West Scurry B. T. U. zone meeting, to be held Sunday afternoon at the Dermott Baptist Church, will be led by Mrs. L. N. Periman. Slated to start at 2:30 o'clock, the meeting is expected to attract a number of Baptists from various churches that are included in the west zone. Rev. W. A. Strickland will speak on "Putting Christ First Through Our B. T. U. Convention," and Rev. John E. Walker will bring the afternoon evangelistic sermon, according to Mrs. J. A. Martin, zone leader. Special music will be furnished by the Union and Fluvanna B. T. U.s.

Ben E. Franks, Route 1, Hermleigh, enlisted in the United States Army November 20 at Fort Bliss, where there are several other Scurry County boys.

Week-end guests of Royce C. Eiland came from Abilene and Burk Burnett. The three Hardin-Simmons University school friends of the local graduate were R. B. Glen and "Bullet" Baird, both of Abilene and both seniors at Hardin-Simmons, and Tex W. Allen of Burk Burnett. The three are to return this week-end to make a hunting trip with Eiland and York Murphy, who will be home from A. & M. college for the Thanksgiving holidays.

Daughter Gives 25th Anniversary Surprise Dinner

Mr. and Mrs. H. J. Schulze, who have lived 16 years on the same place six miles south of Hermleigh, were surprised Sunday with a silver wedding anniversary dinner given them by their only daughter, Altrieda. A number of guests from the Hermleigh and surrounding communities attended the wedding observance.

H. J. Schulze and Miss Rose Schneiderjans were married November 26, 1914, at Latham, Nebraska. The couple made their first home at Emporia, Kansas, which is widely known as the home of Journalist William Allen White. Mr. and Mrs. Schulze moved to Mexico in 1922, then to their present home south of Hermleigh in 1923.

A number of beautiful and useful gifts were received by the couple. Guests, many of whom brought refreshments, were: Mr. and Mrs. John Bartels and family, Mr. and Mrs. Charles Hilecher and daughter, Mr. and Mrs. Bud Hilecher, Mr. and Mrs. Rude Kubena, Mr. and Mrs. Frank Wenetschlaeger, Mrs. Frank Cochran, Mr. and Mrs. Paul Wenetschlaeger, Mr. and Mrs. Paul Wennis and sons.

Mr. and Mrs. Jim Kubena and family, Mr. and Mrs. Victor Frytag and daughter, Mr. and Mrs. Bill Weimer, Mr. and Mrs. Arlie McMillan, Mr. and Mrs. Robert Schulze and daughter, Mr. and Mrs. William Schulze, Mr. and Mrs. Amil Schulze, Alvin and Clarence Goebel, Mr. and Mrs. H. A. Wimmer and children, Frank Schulze, Addie Mae Moore of Abilene and others.

Hermleigh's Loss to Wingate by Single Point First of 1939

The Hermleigh Cardinals broke a season's non-losing streak Friday afternoon when they lost a 13-12 game on last-half passes. In nine games this year, the Scurry County team has won six, tied two and lost one. In the process, it has won the Scurry County Class B title.

The wins during the season were as follows: Dunn 27-6, 7-6; Fluvanna, 6-0; Colorado B, 6-0, 7-0; Post B, 12-0. The ties were 0-0 with Fluvanna and Wingate.

The charges of Coach A. C. Bishop Jr. led at the half, 12-0, against Wingate, but the host team came back with passes that made two touchdowns and a line plunge that accounted for one point—the winning point.

Hermleigh, too, scored on passes. In the first quarter, Casey passed to Vaughn for a total gain of 20 yards and touchdown, and in the second period the scoring play was a 16-yard pass from Morgan to Hale. First downs favored the losers, 16 to 7, and the Cards gained more than twice as much yardage as their opponents.

Bishop's men thought they made the winning touchdown just before the game ended, after they marched from their own one-yard line—a total of eight first yards and about 90 yards. But the referee ruled the ball carrier did not go over.

At Your Home Town Rapture Specialist, A. J. Whalen, Coming to Snyder

Practical expert in the fitting of trusses and abdominal appliances in men's and women's; with Dr. Rea Bros. & Co., Minneapolis, Minn., founded 1898; at Manhattan Hotel, Wednesday, December 6.

There are three kinds of rupture in women, and four kinds in men. Mr. Whalen will demonstrate, without charge, the new fit, non-slip shield truss for each and every kind of rupture. Rupture is a dangerous disease and frequently leads to serious complications.

Therefore it is wise to consult one who knows, and one who has had practical experience and do not buy a truss and take a chance on it being the right kind and the right fit; it may be so constructed as to injure the patient.

Measurements will be taken on order, and sent factory-adjusted. Mr. Whalen is connected with the clinical laboratory of Drs. Rea Bros. & Co., Minneapolis, Minnesota.

Lions Eat Turkey Dinner Tuesday at Fluvanna School

Twenty-one Lions Club members attended the organization's regular Tuesday luncheon, held at Fluvanna High School. Members of the Fluvanna home economics class, directed by Miss Glyn Floyd, served turkey dinner, with all the trimmings, to attendants. A group of 12 local business men of Fluvanna were also guests.

Welcome to the Lions and guests was given by Billy Sims. A vocal duet by Dot Rea and Doris Glenn Willis was followed by a musical recitation from Les Miserables, given by Rose Marie Clawson. The Fluvanna High School girls' chorus sang "Day Is Done" and "Down Mexico Way."

Miss Marjory Marr, Fluvanna music teacher, played piano accompaniments for those who appeared on the entertainment program and gave a violin solo, accompanied by Miss Clawson.

Appreciation of the Lions Club to Fluvanna for its royal entertainment of the organization Tuesday was expressed by Frank Farmer.

Mrs. C. E. Harris of Stratford arrived in Snyder Wednesday to be a Thanksgiving holiday guest of her mother, Mrs. M. E. Bibbee, and sister, Mrs. G. H. Leath.

WINTER'S ACCURSED 90 HOURS

—mild to your OIL-PLATED engine

5 to 8 minutes "isn't much" unless your cold engine is straining to start up without prompt lubrication. And less than a dozen cold starts a day can threaten an hour's lubrication delay. In the course of the Winter that could exceed 90 hours!

Let's not just hope that 90 hours or even half that won't hurt. Avoid the worst chance of this harm... change today to OIL-PLATING. Your engine

becomes OIL-PLATED as you drive from Your Mileage Merchant's Conoco station with a fill of his Conoco Germ Processed oil—patented. The rare man-made substance in this Germ Processed oil effects a close bond between oil and engine parts. OIL-PLATING can't all drain down every time the car stands, and therefore OIL-PLATING isn't waiting to be restored "from scratch" every time you start up. In advance of any oil-flow, OIL-PLATING is there! ... Lets the starter turn easy, the engine turn fast, and you're safely away. The only wait is a good long one before you add another quart of Germ Processed oil. OIL-PLATE today. Continental Oil Co.

CONOCO GERM PROCESSED OIL

Salary Grants of \$20,000 Approved For 15 Schools

R. N. Sandlin of Abilene, deputy state superintendent, who, with Roy O. Irvin, county superintendent, completed a three-day inspection tour of county schools last Wednesday, approved salary aid grants totaling \$20,000 for the 15 schools inspected.

Transportation reports for the first months of the 1939-40 school year have been submitted by the county superintendent's office to the State Department of Education, with payments expected to arrive soon.

In comparison with state aid payments to county schools of slightly over 79 per cent for the 1938-39 school year, payments for the 1939-40 season are expected to be made 100 per cent.

Martin School was approved for \$410 state aid payments during the 1939-40 school year. This marks the first time Martin has qualified for state aid.

Equipment recommended by the inspector will be placed immediately in county schools in order that students may get the benefit of additional educational facilities the remainder of the current school year, the county superintendent's office reports.

The deadliest foe of democracy is not autocracy but liberty frenzied. Liberty is not fool-proof. For its beneficent working it demands self-restraint, a sane and clear recognition of the practical and attainable, and of the fact that there are laws of nature which are beyond our power to change.—Otto Kahn.

Bookkeeper—"I'll have to have a raise, sir; there are three other companies after me."

Employer—"Is that so? What companies?"

Bookkeeper—"Light, phone and gas."

PALACE Theatre

Thursday, Nov. 30—

with Jane Wynnan, Allen Jenkins, Tom Kennedy. One side, everybody—here comes Torchy Blane to get her scoop . . . and her oop. "Tracy G-Men" Serial, and Comedy. All the immediate family admitted for 20 cents.

Pyron, Handling Football As If It Were Basketball, Whips Hobbs Six

Two tall ends who handled the oblong pigskin as if it were a basketball literally snatched the District 14 six-man title from Hobbs Friday afternoon on Tiger Field.

Chitsey and Pieper, six-footers, caught so many "impossible" passes from the sharpshooting right hand of Fullback Reed that Hobbs was run and jumped almost ranged until the last half, when the Panthers made two touchdowns on an interception and a long pass. The final score was 26-14.

Pieper would have made another marker had he not been caught from behind after he caught a long pass, and Chitsey stepped across the sideline as he received another pass that would have scored.

Pyron was to have played Westbrook, District 12 winner, at Colorado City Wednesday afternoon of this week for the unofficial six-man bi-district championship.

First downs favored Pyron, nine to six. Most of Pyron's gains were on passes, although Reed's and Schattel's scramblers made some sizeable yardage. Hobbs' Quarterback Beavers was her best ground gainer, but it was Carney, fullback, who made both touchdowns. He ran a pass interception 45 yards for the first marker, in the third quarter, and received a pass from Beavers in the last quarter that totaled 55 yards and a touchdown.

Hobbs made two quick first downs after she had received Pyron's first punt, with Beavers' 37-yard run featuring. But Schattel intercepted a pass on his own 20-yard line and ran it back to the 36. Hobbs failed to seriously threaten again except on its touchdown plays.

After the Hobbs threat and an exchange of punts, the Eagles took command. Reed's 23-yard pass to Chitsey topped a series of gains that ended with Chitsey making the final two yards for touchdown. The Reed-Chitsey combination accounted for the extra point, making the score 7-0.

Midway in the second quarter, Schattel recovered a Hobbs fumble on the Panther 35, and the Reed-Chitsey pass chain quickly ate up 25 yards of that distance. Reed made the touchdown from the one-yard line. Reed passed to Pieper for 27 yards to make the third touchdown. Attempted punts after both touchdowns failed.

The final touchdown was set up with a 28-yard pass, Reed to Pieper in the third quarter, and Reed then passed to Chitsey for the point, making the count 26-0. Just before the quarter ended, Carney made his 45-yard pass interception gallop. Beavers' attempted dropkick for the point hit a goal post.

Two pass interceptions by Beavers in the fourth quarter helped pave the way for the touchdown pass that he flipped to Carney for a total gain of 55 yards. Beavers' dropkick then went squarely between the board, making the count 26-14 a few plays before the final whistle found the boys battling in midfield.

Pyron's smallest man, Center Miller, was the Eagles' best defensive player. Starring in this role for Hobbs was Center Hamilton. Practically no gains were made through the center of the line by either team.

Officials were: Moser, assistant coach at Roscoe; referee; Conradt, superintendent at Dowell; umpire; Hill, Snyder coach, head linesman.

Both pep squads kept up constant chatter. A number of fans came from both teams' communities and Snyder turned out fairly strong for the championship game.

The Pyron starting line-up follows: Chitsey, left end; Pieper, center; Pieper, right end; Schattel, halfback; Reed, fullback; Glass, quarterback. Pyron substitutes were Miller, Brannon, Coffee, Hale, Light and Seals.

Starters for Hobbs were: Strickland, left end; Hamilton, center; Westfall, right end; Cave, halfback; Carney, fullback; Beavers, quarterback. Only Panther substitute was Davis.

"My wife's a wonder," said Percy, the window dresser. "Last winter she knitted me socks out of an old bathing costume, and this summer she knitted a bathing costume for herself out of one of my old socks."

Reveller—"Excuse me, is this house number 9?"

Passerby—"No, that is number 99."

Reveller—"Hurrah; then I'm sober after all."

Earth's crammed with heaven, and every common bush afire with God.—Elizabeth Browning.

QUALITY MERCHANDISE

Snyder General Hospital

Result of an automobile accident Saturday night, three high school girls were given treatment in the local hospital. Peggy Harless was still in the hospital Wednesday, LaRue Autry was moved home Tuesday and Carolyn Henderson was taken home Sunday.

Mrs. C. J. Porter, daughter of E. B. Chancellor, minister of the First Christian Church, and her five-pound four-ounce son were moved to the Chancellor home Monday. The baby was born at the local hospital Saturday morning at 2:05 o'clock. Mrs. Etta Royalty of Rotan, surgery patient, was also taken home late yesterday.

In the hospital Wednesday besides Peggy Harless were the following:

Mrs. J. J. Belew of Fluvanna, medical; Mrs. O. W. Cline of Colorado City, surgery; Mrs. J. B. Taylor, mother of Mrs. H. H. Eland, medical; LaRue Cotton of China Grove, surgery. Still in the hospital from previous reports are Mrs. I. W. Boren, Joyce Moses, Mrs. J. G. Hale of O'Donnell and E. D. Dally of Fluvanna.

Mrs. Melvin Stoker of Abilene, the former Bonnie Miller of Snyder, is spending the week with her mother, Mrs. Lora Miller, and other relatives and friends here.

Mr. and Mrs. Bill Bibbee and three daughters of Monahans were guests Saturday and Sunday of their cousins, the G. H. Leath family.

Mr. and Mrs. H. L. Davis and daughters, Doris and Elaine, former residents of Snyder, were over from Rotan Sunday.

NEW BUILDING RECOMMENDED

Recommendations that the building of new homes in Snyder be started at once by people who can qualify for FHA or other loans featured a meeting Friday afternoon of the newly-appointed Chamber of Commerce housing committee, reports Chairman C. V. Morris.

New homes thus provided would either house new families or make way for newcomers to occupy other places, it was pointed out.

The Chamber of Commerce was requested to canvass the city and solicit all available apartments open for occupancy at this time and to contact all persons who may be interested in fixing up apartments in

the near future. A special committee that is now investigating the housing situation in Snyder will, as soon as possible, ascertain why insurance companies have been so reluctant to make residential and property loans in Snyder and report to the Chamber of Commerce board of directors.

QUALITY MERCHANDISE

HERE IS MORE CONCERNING

ACCIDENT

CONTINUED FROM PAGE ONE

of the Bentley car beside which the students were standing. He halted at the foot of the overpass, where his motor stalled. Running back to the three parked cars, he assisted in getting the victims to the hospital.

To Hospital in Two Cars.

The injured students were taken to the hospital in the third car, which was not hit, and in the Woodard car, which was only slightly damaged.

Hernleigh High School students in the party were Evelyn Huginbotham, Nell Caffey and Opal Eubridge. Snyder students, in addition to young Murphree, the injured and the drivers, were Buena Bentley, Don Adams, Truman Davis and J. C. Williamson.

W. T. had withdrawn from Snyder High School this semester, but he planned to return after Christmas and complete his final half-year's work in order to graduate with the May class.

Services Held Sunday.

Funeral services at the First Baptist Church Sunday afternoon, at 2:30 o'clock for W. T. Murphree Jr. were attended by one of the largest crowds ever to witness final rites in Snyder. Many people were unable to enter the church.

Rev. Ira Harrison, pastor, assisted by Rev. Lawrence Hays of San Angelo, former pastor, officiated. They pointed to W. T.'s Christian life and to his popularity among classmates and other friends.

In charge of arrangements for the services was Odum Funeral Home. Burial was in Snyder Cemetery.

Surviving, in addition to the parents, are two sisters, Dorothy, a sophomore, and Elsie, a senior in Snyder High School.

Out-of-Town Attendants.

Out-of-town funeral attendants included: Joe B. Fondy of Lubbock, Miss Maud D. Skeen of Lubbock, Dan Fondy of Amarillo, Mrs. Gusie Gill, Mrs. Roy Myers, Dan Corley, Carol Gill, Mrs. C. B. Murphree, all of Lamesa; Mr. and Mrs. H. L. Davis and daughters, Doris and Elaine, Rotan.

Palbearers were Preston Wilson, Delmus Perry, J. T. Patrick, Nuell Melhane, Tommy Winter, Dawson Moreland, T. J. Kite and L. A. Crenshaw.

Frances Letcher, Nell Verna Lemon, Helen Andrews and Sybil Irvin were in charge of floral offerings.

"Do I really need my coat brushed?" asked the passenger in the pullman.

"Does you?" exclaimed the porter with great emphasis. "Boss, I've broke."

Leon Autry, sophomore student in Hardin-Simmons University, Abilene, spent the week-end with his parents, the N. W. Autrys.

Thanksgiving Brings to Our Minds Just That

We are thankful for the way our friends have treated us in a business way with a liberal patronage.

Our sincere appreciation is probably best shown by a pledge to continue to give value received.

For some time, is not improving. Mr. and Mrs. W. R. Payne and

PLENTY COTTON ON HAND.
If cotton farmers in the United States didn't plant a single cotton seed in 1940, the present supply of 26,000,000 bales would be ample for normal consumption needs, since demand is expected to be around 12,000,000 bales annually.

In 1938 and 1939 more than 84 per cent of the farmers voting all over the South favored cotton marketing quotas. In Texas 78 per cent favored quotas last year.

Mr. and Mrs. Jim Mears and daughter, Wanda, went to Lubbock Monday, returning Tuesday.

Bill Clawson went to Fort Worth last week.

VOTE DECIDES QUOTAS
Cotton marketing quotas will be in effect in 1940 only if two-thirds of the farmers voting in the referendum December 9 favor them.

Sharon News

Verlyn Trevey, Correspondent

We are having excellent weather for hog killing and several have taken advantage of it to butcher both hogs and bees.

Bryan Jordan made a business trip to Big Spring last Thursday.

J. W. Crowder spent the week-end at Ira. He and his brother, Ray Crowder, enjoyed a joint birthday dinner in the home of their parents last Sunday. They have the same birthday, Ray being four years older than J. W. With one exception, they have spent all their birthdays together.

More work is being done on our oil field roads. Just now work is being done on the west bank of Bull Creek. In time, we hope to have even better roads.

Mr. and Mrs. Gerald Renfro and Elvin Cooley spent last Saturday in Colorado City.

Robinson Brothers of Oklahoma City, representing two oil companies, are spending much time here.

N. M. Harpole and family, Mrs. Melvin Newton and daughter, Mr. and Mrs. Woodfin, Mrs. J. C. Maxwell and daughter, Mrs. G. B. Hamilton of Oklahoma, Mr. and Mrs. R. O. McClure and Thelma Lee Burditt, Mrs. Bill Crowder and daughter, Mittle Idellah, Wesley Evans, Dick Henderson, M. Z. Dible and many others from Snyder visited the Sharon Ridge oil field last week.

Mr. and Mrs. Hoyle Cary spent most of last week in the Bison neighborhood.

Mrs. Walker Huddleston and family, Tom Cary, Fred Miller, Andy Trevey, W. S. Trevey, Ross Bishop and Hoyle Cary and family, all of Bison, were here to see the Stoddard well shot. Also Mr. and Mrs. W. M. Howard and Evdine Crowder of Ira and Fred Martin and S. W. Trevey of Canyon were present. It was a magnificent sight. All machinery had been moved away and everyone had a good view.

The Beckman Company of Odessa has charge of the cleaning out of the Stoddard well. They had two truckloads of machinery on the ground.

Hermleigh News

Minnie Lee Williams, Correspondent

Several from this community attended the funeral of W. T. Murphy Jr. at Snyder Sunday afternoon. Young Murphy met a tragic death in a car collision on the Highway 15 overpass near Snyder Saturday night in which several others were seriously injured. Peggy Harless, who sustained serious injuries, was an H. H. S. student last year.

We wish the Times force and all the many readers a Joyous Thanksgiving.

The freeing weather last week will cause cotton to open much faster now. Most farmers are about to get through gathering their crops.

Ruanna, the young daughter of Mr. and Mrs. E. T. Vernon, who was operated Thursday night at Young Hospital, Roscoe, was brought home Sunday afternoon and is doing nicely. She had an appendectomy.

Mr. and Mrs. J. G. Reed, Mr. and Mrs. G. B. Williams, Mr. and Mrs. Aubrey Williams, Mrs. M. E. Williams and daughter, Minnie Lee, were Sunday dinner guests of Mr. and Mrs. Roscoe Williams in the Bell community.

Superintendent E. L. Farr and family spent the week-end at Lubbock with their sons and brothers.

Houston Smith of Odessa, his brother, Clarence, and his mother from Monday visited in the C. B. and H. T. Gleasline homes last week.

Leon Holoman, who has been making his home with Mr. and Mrs. J. G. Reed, left Wednesday for Balmorhea, where he will make his home.

Inadale News

Mrs. Mamie Wells, Correspondent

Mr. and Mrs. W. E. Williams announce the arrival of a granddaughter, born to Mr. and Mrs. D. S. Riggs of Odessa in the Young Hospital at Roscoe.

Mr. and Mrs. R. P. Ware and daughter of Westbrook, Mr. and Mrs. Charlie Chastine and daughter, Lottie, spent the week-end in Lubbock with relatives.

M. A. Richburg returned home last week from El Paso, where he was called to the bedside of his son, Kenneth, and wife. They were improving. Mrs. Richburg remained in El Paso.

Mr. and Mrs. Charles Adams of Hermleigh spent Sunday in the Bob and Ella Adams home.

Marie Wells spent the week-end with Cleola Ward of Westalla.

Congratulations to Mr. and Mrs. Herman (Jack) Richburg, who were recently married.

R. F. Cameron of Dallas visited in the M. A. Richburg home last week-end.

Leona McFall of Roscoe is spending a few days in the M. A. Richburg home.

Mr. and Mrs. Melton Pate of Sweetwater visited his parents, Mr. and Mrs. J. M. Pate, here Sunday afternoon. Mrs. Pate is still suffering from rheumatism.

Flavor Then—Favor Now

The spirit of progress and enthusiasm that was generated at the Chamber of Commerce banquet last Thursday night was one of the most wholesome things Snyder has seen in years.

What to do about the housing problem for the present and for the future was the most important question that was asked at the informal gathering. A solution is being worked out. It is believed by a special committee appointed Thursday night; but the solution will be workable only if practically everybody in Snyder settles down to the big task.

The recent accomplishments of the Chamber of Commerce, presented without fanfare, reflect the solid program that was outlined—and which has been largely carried out—when the civic organization was completely revamped less than two years ago.

Probably the most important achievement, since early in 1938 is the welding of interests between farmers, ranchers and townspeople. As E. J. Anderson, general chairman of the Products Show, pointed out, the rural man and the small town man must work together—or they might drown separately.

The greatest small town fair or products show in West Texas . . . one of the best rodeos and preliminary booster trips . . . definite work on a flood prevention program . . . money and time spent on solving problems relating to the new oil field . . . highway pushing in many ways . . . these are some of the accomplishments that were pointed out. Of course, these were not the works of the Chamber of Commerce alone. But they were carried out more successfully, in every case, because the Chamber of Commerce had a definite hand, always in the background, on the helm of Scurry County progress.

The Chamber of Commerce has become an organization that is discussed with favor. Previously, if we may be blunt, it was often cursed with flavor.

Hyman, U. S. Worker

Scurry County will miss Edward S. Hyman. The administrator of the AAA program in the county for almost two years has handled the difficult crop plan with intelligence and conscientious hard work. He was truly the Scurry County farmer's friend. His attitude in administering all AAA matters was that the program was created for the farmer's benefit, and his every action was directed toward helping the individual farmer. If every employee of the federal government were as earnest about his work as Edward S. Hyman, we would have much less cussing of the government; and we would have much fewer government employees, for the same amount of work could be accomplished with a reduction in personnel.

Editorial of the Week

THE SOONER THE BETTER FOR US

Out here on the Plains we're shutting our eyes to it, and turning our heads the other way, when it is mentioned, but while we're shutting and turning something that affects each one of us, virtually, and is very likely to affect us even more as it continues and the years roll on, is going on.

That thing is a farm program that is driving poor farmers and tenant farmers and renters from the farm and from the farms.

In Texas more than 25,000 have had to leave the farms for the cities and towns, and often for the relief rolls, the past year, and when this harvest season is over during the winter months and spring the number will increase.

What is the reason? Well, figure it out for yourself.

City folks and town folks are buying farms—multiple farms—not to operate but to get paid for not operating and "conserving." If you don't believe it, consult Uncle Sam's farm payroll records, better known as AAA, and see if it isn't so.

Farms are actually being bought and paid for almost wholly with government subsidy money—and almost every time one is bought, somebody and some family goes job hunting or relief hunting.

Small farmers, small farm owners and not multiple farm owners built West Texas. And just as they did build it so can running them off those farms unbuild West Texas.

Big farm owners drew subsidies up until this year up to \$40,000 annually. That has now been reduced to a maximum of \$10,000—about \$10,000 for doing nothing is a whole lot of money, and it is a return of five per cent on \$200,000 of farm investment.

We hear a good deal here about AAA payments in this county running half a million dollars this year—nearly a million last year—but you'd be surprised if you knew how unequally that money is divided among the nearly 4,000 who get the checks.

The referendum on continuing the set-up next month will carry with a top-heavy majority because it's still better to beg than starve. But that doesn't change the fact that the great big Henry Wallace AAA plan is not a success. Huge cotton surpluses, getting more huge, and a cotton market at all only because of withdrawing those increasing surpluses from the market doesn't pretend good for the future.

Every business man, every leader, every public official—yes, every farmer out here on the Plains—should do everything he can to check and even stop multiple farm ownership. The surest way to do it could be to stop multiple farm AAA payments.

In Texas we recognize and give tax subsidy to the man and woman who own and live on a homestead. Sooner or later the AAA is going to have to do the same thing, and the sooner the better.—County Wide News (Littlefield).

Current Comment

BY LEON GUINN.

A new type of electric lamp is being introduced this month that is supposed to eliminate groping for a light in the dark and reassure children who for some reason or other dread complete darkness.

The lamp, which has a translucent base that glows continuously, contains a one-fourth watt neon tube that burns steadily at a cost of less than one cent a month.

All the old-time fun of coming home hunting for a light, tired business men open, will soon be a thing of the past if electrical inventors announce a few more lighting improvements.

That America, and especially the Southwest, will be less dependent in the future on foreign supplies of potash for fertilizer was evidenced last week when the International Agricultural Corporation announced it would spend \$2,500,000 on construction of a potash plant near Carlsbad, New Mexico, with initial production to start next summer. . . . The plant, which will have the latest type mining and processing equipment, will have a capacity of 2,000 tons of ore a day. . . . Besides potash mining, the Carlsbad plant will also produce substantial quantities of potassium sulphate, widely used by tobacco growers and previously imported.

Residents of Montgomery, Alabama, were considerably surprised last week when the State Employment Service listed a new job in its November bulletin—that of experienced coon shaker-downer. . . . It seems a certain group of Alabama men could not find a suitable coon-shaker, and finally resorted to the State Employment Service for help, since the "WPA has long since put Alabama's best coon-shakers on county road jobs."

"Research workers have agreed," McCarthy says, "that six of the known vitamins are essential to profitable chicken raising, and of the six vitamin A—which comes primarily from green feeds—is the most likely to be deficient in Texas poultry rations. . . . Absence of vitamin A, even for a short time, lowers the resistance of birds to diseases, and over a long period of time brings about a serious condition known as nutritional roup."

The United States Department of Agriculture predicted last week that the demand for farm products will be considerably stronger next year, due to prospective increases in industrial activity and consumer income, by that advances will be held fairly well in check by the large supplies of almost all commodities. . . . Europe's increasingly tense conflict will doubtless affect both sides of the ledger by increasing exports of pork, canned and dried fruit and cotton, but reducing those of fresh fruits, feeds, tobacco and wheat. . . . Farm income during 1940 is expected to rise \$500,000,000 over the estimate for 1939, but will be some \$425,000,000 under farm income received during 1937.

Prize pension story of the month comes from Pittsfield, Massachusetts, where Richard Connors, 23, applied for a job in a factory. . . . After being turned down because the management didn't usually hire anyone over 21, Connors applied for an old age pension.

In order to at least make a start toward handling the increasingly acute problem of juvenile delinquency in the United States, an American Law Institute committee is polishing up a program to revise the entire system of handling juvenile delinquents. . . . This program, although conceded to be fault-filled at the best, would provide for state agencies that will have absolute control of convicted youths until they are rehabilitated. . . . The institute is taking no part in pushing model laws in state legislatures, but since its membership includes more than 700 of the nation's leading lawyers, judges and law school deans, its recommendations will carry a great deal of weight with state and local reform agencies.

For some reason the American press has said very little about the fact the United States has adopted an expensive but ingenious method of building up reserve capacity in U. S. industrial plants. . . . In its placing of armament orders, the government has insisted that one shift of workers per day be employed to get out the order. . . . The industrialist who is thus denied the opportunity of using two or three shifts on the same machine must not only purchase additional machines, but must expand his plant to fulfill his contract. . . . The government is paying extra for this one-service service, but plant reserve capacity is being rapidly built up in case war happens along.

"Gentleman of the Road"

Courtesy is the badge of the good driver. He is constantly aware of the sacredness of human life. He possesses full knowledge of the limitations of his vehicle. He is familiar with the traffic laws and the rules of the road. He drives properly and gives way to less careful drivers. He parks correctly and backs out cautiously. He drives with his head instead of his horns. He is the modern "Gentleman of the road."

ROSCOE TAKES DISTRICT FLAG FROM LORAINE

Lowly Bulldogs Outplay Plowboys Much of Game, But Lose by Two Touchdowns

Roscoe Plowboys became champions of District 6-A Friday afternoon at Lorraine by noosing out Lorraine Bulldogs, 12-0. The Plowboys were outplayed much of the game by a fighting host team that might have whipped the invaders if they had possessed scoring punch.

The win closes the books on the conference race, although a few games, including Colorado City vs. Snyder, will be played Thanksgiving. Roscoe's only black mark is a tie with Colorado City, while Snyder has lost one to Roscoe, 13-0, and the Wolves have two ties against them.

While Roscoe was whipping Lorraine, Rotan was skirting out a 6-0 win from Roby by a last-minute touchdown, and Merkel arose to great heights in a non-conference affair to slay Putnam, 31-6.

Harry Holt writes of the Roscoe-Lorraine game in the Abilene Reporter-News as follows:

Although he started in defeat, it was a mistake by Royal James that led to the first Roscoe touchdown. Back to punt from his own 38-yard line, James missed the ball and booted a teammate (the blocking back) in the pants, instead. Harris Coleman, Roscoe center, fell on the ball.

R. E. Broadwell and Bobby Shelansky worked the ball to the 22, where the pair executed a pass with Shelansky on the receiving end, that carried to the eight. A stout Lorraine line that roundly outplayed the visitors all afternoon, held for three downs, but Broadwell went over center on fourth down.

Only once did Roscoe play the type of game displayed against Snyder and that was in the final quarter when the second score was recorded. Broadwell really cut loose with powerful drives through the line after Lorraine had kicked out to midfield. He galloped to the 15-yard line on four plays, then Shelansky circled left end for nine and a first down on the four-yard line. Broadwell jumped over middle of the line for the score.

Midway B. T. U. to Stage Play at Hobbs

"The Gateway to Happiness," a three-act drama sponsored by the Midway Baptist Training Union, is to be presented at the Hobbs School auditorium Friday night, beginning at 7:30 o'clock. Mrs. Marvin Snowden, who heads the B. T. U., announced this week.

Rev. Robert Powers of Rotan, pastor of the Midway church, states proceeds from the play will go into a building fund for a new Midway Baptist Church. Plenty of entertainment between acts is promised play attendees. Admission charges are 10 and 20 cents.

QUOTAS ARE REGULATORY.

Cotton marketing quotas are intended to keep supplies in line with demand and to protect cooperators against the effect of over-planting by non-cooperators.

Chairmen Asked to Turn in Red Cross Roll Call Members

Community chairmen who have had charge of Scurry County during the 1939 Roll Call are requested this week by Roll Call Chairman J. V. Robinson to turn in their membership lists as soon as possible after the Roll Call closes today (Thursday).

A final drive for members by volunteer workers this week is expected to result in a number of new county memberships, but reports late Wednesday afternoon showed the county is still almost 100 members short of its quota of 500.

"We feel sure people should have been more responsive this year than ever before in joining the American Red Cross," Robinson said, "due to the fact that Scurry County has reaped such abundant benefits from the helping hand given us in June by the 'mother of mercy,' but we are truly thankful for each membership received, whether the county quota is reached or not."

PYRON HONOR ROLL

After the second six weeks, the following boys were announced for the Pyron V. A. honor roll: Thomas Miller, 97; Harlin Reed, 95; Ernest Schattell, 91; Herman Seale, 91; Carl Pieper, 91; Floyd Hale, 91; Carter Young, Dale Hess, Dual Blair, Harry Lammert and Winford Light received honorable mention.

FIRST OF YULE SIGNS APPEAR

The courthouse was draped Wednesday with the mantle of Christmas lights owned by the Chamber of Commerce, and other preparations are being made to have the square decorated within the next few days for the Yuletide holiday.

Merchants who went ahead this (Thursday) morning with plans for observing old-fashioned Thanksgiving were also making plans to spruce up their store fronts with Christmas wreaths and holly in the near future to add a festive air to the city.

FIRST BAPTIST CHURCH.

Sunday school will be held at the regular time, 9:45 o'clock. "What a Tragedy" will be the subject of the morning sermon at 11:00 o'clock.

B. T. U. will be held Sunday evening at 6:15 o'clock, with "Christ Above All" to be the subject for the Sunday evening sermon. A cordial welcome awaits you at all times.—Ira Harrison, pastor.

GUARD AGAINST PYORRHEA

Do your gums cause you annoyance? Druggists return money if first bottle of "LETO'S" fails to satisfy.—Irwin's Drug Store.

BIDS FOR REA EXTENSION BE OPENED DEC. 5

Several Communities in Fisher and Scurry Counties Will Be Served By "B" Electric Project

According to information obtained Tuesday by the local Chamber of Commerce from Olin Yandell, superintendent of the Midwest Electric Cooperative office at Rotan, bids on the "B" extension of the Fisher-Scurry County REA line—major portion of which lies in Scurry County—will be opened at Rotan December 5 at 10:00 a. m.

Staking of right-of-way on the "B" extension is slated to begin in the Hermleigh community Friday or Saturday. This part of the Fisher-Scurry REA line will bring rural electrification to the Pyron, Hermleigh, Snyder and Fluvanna communities when completed, project engineers state.

Committeemen and others who have been working on REA rights-of-way in Scurry County said Tuesday easements contracts for the "B" and "C" extensions of the rural electric line in the county are virtually all obtained.

Dr. William Davidson Rea from Minnesota

Will Make His Next Regular Professional Visit to Snyder at Manhattan Hotel, Wednesday, December 6.

ONE DAY ONLY

Dr. Rea is well known in Texas, specializes in kidney, stomach, bowels, liver, bladder, rupture and diseases of women without surgical operation and with low cost to the patients.

Dr. Rea has been visiting professionally the principal cities and towns in Southern states for many years. He is a result of many satisfied patients, applies his efforts in treatment of those diseases which he is best qualified to treat, such as stomach ulcer, colitis, chronic appendicitis, gall stones, kidney stones, rheumatism, neuritis, neuralgia, constipation and old, long-standing chronic diseases. Has years of experience in nose, throat and lung diseases, wasting diseases, blood and skin diseases, eczema, pellagra, leg ulcer, dropsy, high and low blood pressure. A treatment that is different and a diet as to what, when and how to eat.

Dr. Rea uses the hypodermic injection method for piles, fistula, rupture, tubercular glands, small tumors, vaginal growth in women and non-healing suspicious growths. Has special diploma in diseases of children.

No charge for consultation and examination. Hours 9:30 a. m. to 4:00 p. m.

REA BROS. Medical Laboratory, Minneapolis, Minnesota. Since 1929.
