

Snyder Tigers Open Season with Tilt at Kermit Friday Night

Junior High Cubs Meet Post Today In Initial Melee

Junior High's Tiger Cubs open their current football season this (Thursday) afternoon at 4:00 o'clock when they tangle with a potent Post aggregation at Post.

LOOKIN' 'EM OVER

By JAY ROGERS

Through the dust of a rough-and-tumble scrimmage Tuesday afternoon as the Snyder Tigers continued priming for their initial game with Kermit game occasional glances of good ball-toting, pass-throwing, pass-receiving, blocking and defensive play.

That interfere, and still others lack the consent of their parents. Last but not least by any means of the sources for this situation are the business men and backers, who in Snyder for the past several seasons might have fallen short of what might have been done by them toward offering an incentive for the football boys to do their best.

Snyder's "Flying" Freddie whom we have all read and heard about for the past several seasons as the nation's and world's No. 1 hurdler, is now breaking into the limelight again, only with different tactics.

Lack of reserve strength is a problem now confronting the local coaches. Only 22 members on the team makes it rather hard for any one of them to miss and still have two teams to scrimmage.

Mrs. James S. Kellam of Los Angeles, California, is a guest here of her sister, Mrs. J. E. Shipp.

Lack of Reserve Strength in Crew Causing Concern

With several new faces added to the list of pigskin aspirants and still more dropped, the Snyder Tigers today go through final preliminaries before opening their season tomorrow, Friday, September 20, with a strong Kermit eleven at Kermit.

For some unexplainable reason Coach Otto Barbee and Assistant Coach Frank Weaver find that they are sorely in need of reserve strength before starting the conference chase for District 6A championship and even for the opening game with Kermit.

Coach Barbee states, "From a high school as large as the one here we should have nearly twice as many boys out for practice as we now have.

But despite the lack of reserves, hopes that the Snyder club would take its first game mounted last week-end when the reportedly strong Kermit team was stopped to the tune of 26 to 6 by Brownfield in its home field.

Hard practice sessions for the past week have accounted for several minor bruises but only one boy, Leonard Ker, who has a leg injury, will be out of the game Friday.

Probable starting lineup for the Snyder team follows: Glynn Curry Snyder, center; Robert Boren, right guard; Bill Miles, left guard; Thane Melburn, right tackle; William Lettwich, left tackle; Jack Terry, right end; Sherman Merritt, left end; Red Neal, signal caller, fullback; Cogswell Spikes, right half; Dale Reed, left half; and Ross Blanchard, quarterback.

Munday Runs Over Roscoe to Take 18-0 Score in First Game

It was Munday all the way last Friday, September 13, in a season opener between the Moguls and the Roscoe Plowboys.

Winning the toss, Munday chose to receive on the kickoff. First score of the game, following a sustained series of line drives, was on the board before the ball left their hands.

In the third quarter Munday recovered a fumble on the visitors' 25-yard line. Ray Moore passed to Stephens for the second tally. In the fourth quarter, Moore passed 30 yards to Patterson for the final score.

Munday rolled up 253 yards rushing during the game, compared to Roscoe's 77.

Starting lineup for Roscoe: Fustus Elrod and R. D. Pletzsch, ends; Billy Faust and Bill Hopkins, tackles; Val Nitzsche and Audrey Hastings, guards; Oather Hanks, center; William Walker, quarterback; L. B. Smith, fullback; and Raymond Zetzman and Don Pratt, halfbacks.

Reserve men who made the Munday trip were Milton Zetzman and Robert Butler, at ends; Billy Rose and Joe Moore, tackle; A. T. Smith and Robert Summers, guards; Wade Rayburn, center; Jack Norris, John D. Norris, Walter Kennedy and Thomas Turk, backs.

Nov. 29—Colorado vs. Snyder, there *

Wolcott Looking Good on Football Gridiron at Rice

Snyder football fans who watched "Flying" Fred Wolcott race the entire length of the field on several different occasions while he was at his height in high school pigskin competition are little surprised to hear that this world's outstanding hurdler is pleasing the coaches at Rice.

According to Associated Press writers quoting Coach Jess Neely of Rice, Wolcott is doing OK with his football, and indications by the coach show that he is going to play plenty of football for the Owls this season.

Wolcott snagged a lateral from Whitlock Zander and sped about 50 yards for a touchdown in the feature play of Rice Institute's opening scrimmage.

Roby Dedicates New Lights on Field But Rotan Wins Opener

For Roby fans it was a dedication service of a newly lighted football field, but to Rotan footballers it was a glorious triumph over ancient rivals as Rotan's well-drilled Yellow Hamsters punched out a 25 to 0 decision over the Roby Lions last Friday night before a crowd of slightly less than 1,000 spectators.

In the starring role for the winners was Underhill, an outstanding ground gainer.

Rotan shoved over its first counter within three minutes of the opening kickoff and had tallied again before seven minutes of play elapsed.

The third touchdown came in the second period and the final marker in the fourth.

Roby rallied in the third period, but the Lions' hopes sank when Quarterback Wayland left the game with a twisted ankle.

In addition to Underhill, Bentley in the backfield and Ragsdale in the line stood out for the winners.

Merkel Downs Clyde In 19-0 Tilt Friday

Scoring a touchdown in the first quarter and two more in the fourth, the Merkel High School Badgers opened their 1940 gridiron campaign Friday night with a 19-0 victory over the Class B Clyde Bulldogs.

Bryan Bryant, a hard-running and speedy 180-pound tailback, charged 12 yards around his own left end for the first counter. Raymond breezed around his own left terminal for 21 yards to chalk up the second touchdown and Jack Melton, the Badgers' field general, went through right tackle on the "bootleg" play for the final score.

Colorado City Beats Stanton Squad 44-0

Colorado City's Wolves rolled over the Stanton eleven last Friday night by a score of 44-0 in the season opener for the Wolves.

Billy Wade, Colorado City end, led the scoring parade with three touchdowns. Other scorers were Johnny Grubbs with two, Royce Smith and Caffey with one each.

The Wolves scored three times in the first period and did not get back in the tallying column until the third chapter.

Starting lineup for Colorado: Left end, Billy Wade, 151; lt. Clifton Coker, 169; lg. James Cooper, 151; c. Sam Coker, 151; rg. Henry Feaster, 168; rt. Harry Webber, 178; re. Alfred Rhode, 148; qb. Jack McCormick, 137; lb. Johnny Grubbs, 132; fb. Horace Wood, 170; rh. Royce Smith, 159.

DISTRICT 6A SCHEDULE FOR NEXT FRIDAY NIGHT

Lorraine vs. Colorado City at Colorado City (conference) Roscoe vs. Ballinger at Ballinger Rotan vs. Hamlin at Hamlin Merkel vs. Anson at Merkel Snyder vs. Kermit at Kermit Roby vs. Stamford at Stamford

ENLISTS IN U. S. ARMY

Tommy H. Winter of Snyder was listed Tuesday by the U. S. Army Recruiting Station at Lubbock as a new army enrollee.

Gwen Gray was over from Abilene Sunday to visit with local relatives.

Colorado Favored to Beat Lorraine Friday

Lorraine's Bulldogs will play at Colorado City Friday night as the curtain raiser in the District 6-A football race, and the odds are on the Colorado Citians to win.

The conference opponents last week had warmup games and there was nothing about the results to point to an even struggle this week.

The Times' Weekly Page of WORLD NEWS IN PICTURES

Nazis Bomb Poet Milton's Tomb

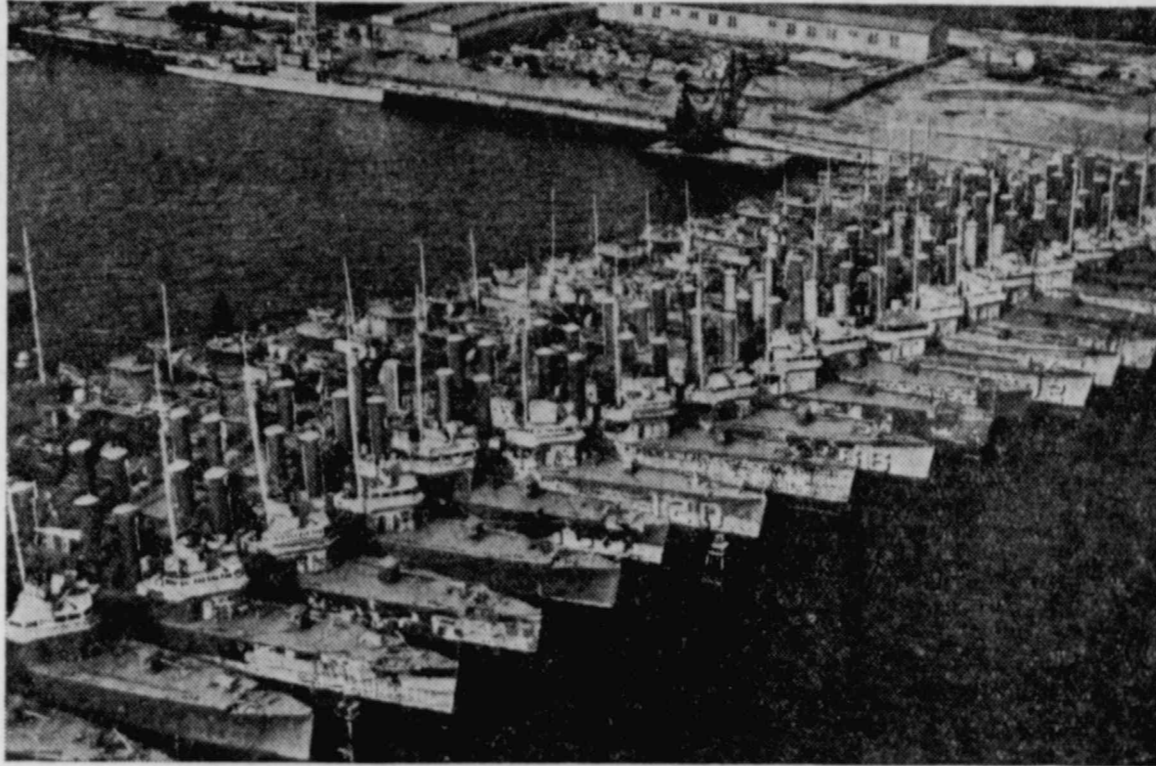

The statue of John Milton, the famous blind poet of Great Britain, is toppled from its pedestal by a Nazi bomb that fell on St. Giles, one of London's oldest churches. In the churchyard lies the tomb of the great poet. The interior of the church itself was also damaged by the blast.

Heroine

Miss Leonora Lindsley of New York, shown on her return to Gotham, after having been an ambulance driver in France. She distinguished herself in the great retreat of Dunkerque when she carried many wounded and refugees to safety.

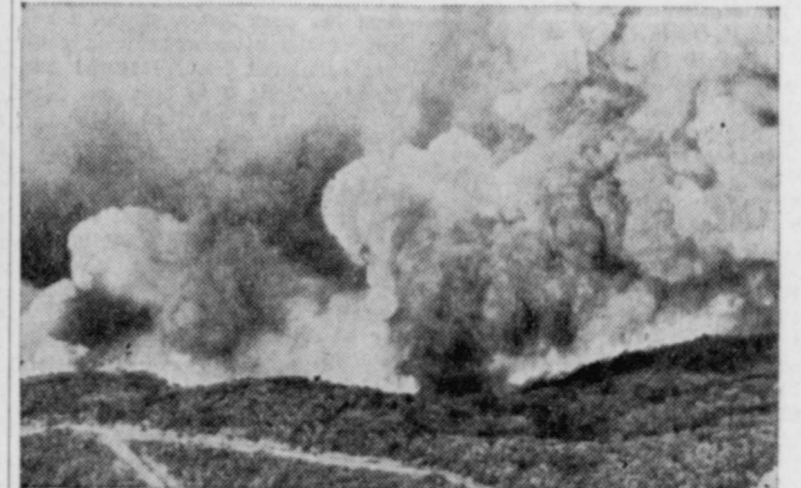

Over-Age U. S. Destroyers Go to Britain

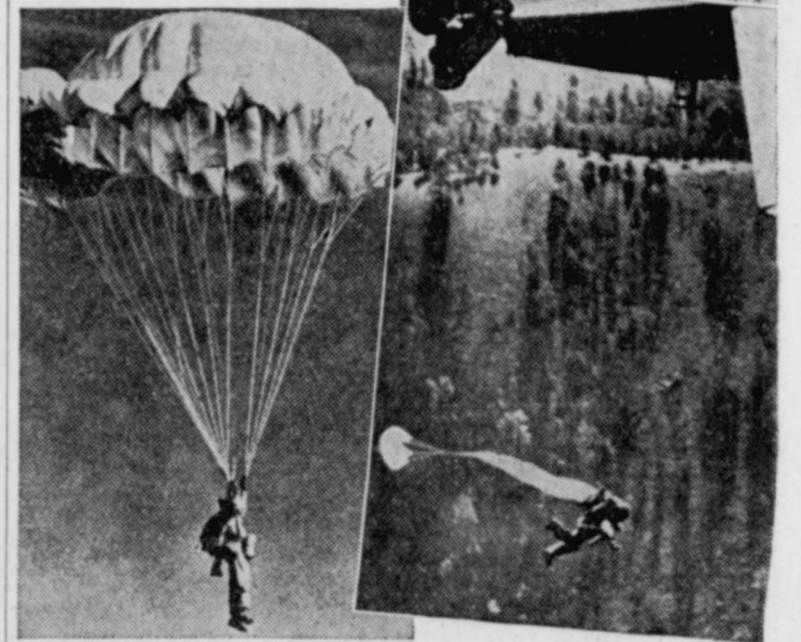

A view in the San Diego naval base recently, showing some of the World War destroyers of the United States navy which have been traded to Great Britain by President Roosevelt for air and naval bases. Under the terms of the agreement the United States receives 99-year leases for air and naval bases in Newfoundland, in the islands of Bermuda, the Bahamas, Jamaica, St. Lucia, Trinidad, Antigua, and in British Guiana. Mr. Roosevelt called the deal "the most important action in the reinforcement of our national defense that has been taken since the Louisiana Purchase in Thomas Jefferson's administration."

U. S. Smoke-Jumpers Wage Blitzkrieg on Forest Fires

Prehistoric man could produce fire but he could not always put it out. Modern man finds himself in much the same predicament when it comes to putting out large-scale fires, such as forest fires are likely to become, but he is making great strides towards gaining fire control. By using parachutes to combat forest fires started either by man's carelessness or by nature's blitzkriegs, the U. S. Forest Service demonstrates that parachute troops may be used to fight destruction as well as to cause it. The smoke jumpers have performed excellent work in combating dry lightning blazes in our national forests this summer.

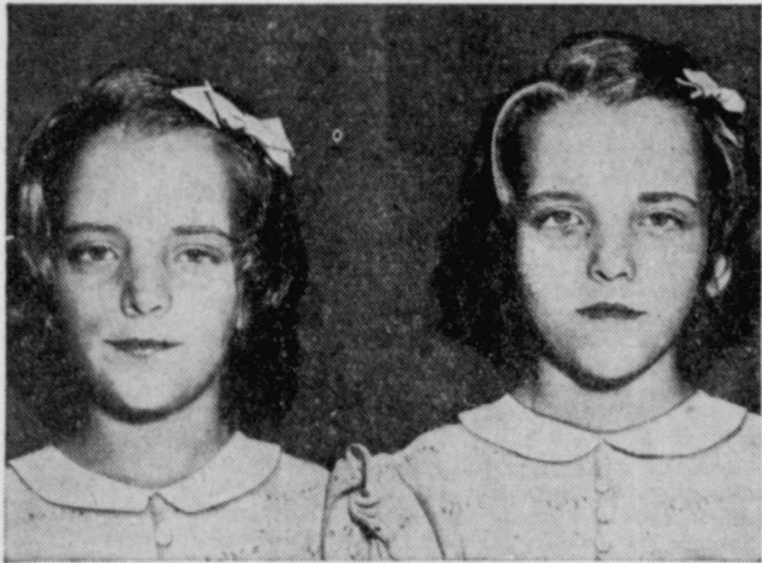

Aerial view of a forest fire roaring across the heavily wooded slopes of a forest area.

Descending to the scene of the forest blaze. The parachute is specially designed, with a rate of descent of about twelve feet per second.

"Clear the Ship, Then Pull" . . . A parachute-jumping firefighter is shown taking his long drop here. He has just pulled the ripcord of his parachute.

Both Their Hearts on Wrong Side

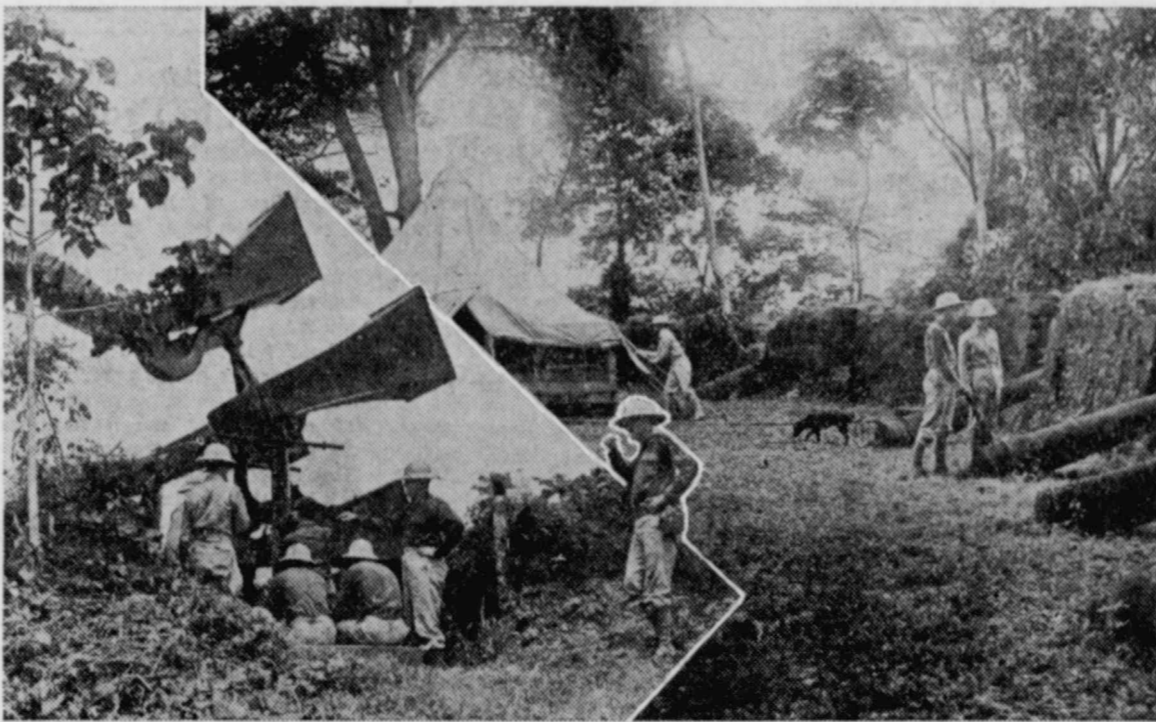

The Smith twins, Bell and Nell, of Decatur, Ga., are in reverse. Their hearts are on the right sides of their bodies, instead of the usual left side. Their spleens, too, are on the wrong side—right instead of left, and their livers, to make the turnabout complete, are on the left instead of the right side. Their eyes, strangely enough, have exactly the same measurements, and exactly the same ailments, a rarity, even in identical twins. The girls are eight years old.

Hero

Father Francis X. Quinn of New York receives Congressional medal from President Roosevelt for inducing a gunman to surrender after police had been unable to dislodge him from a home. Congress appropriated \$250 for the gold medal.

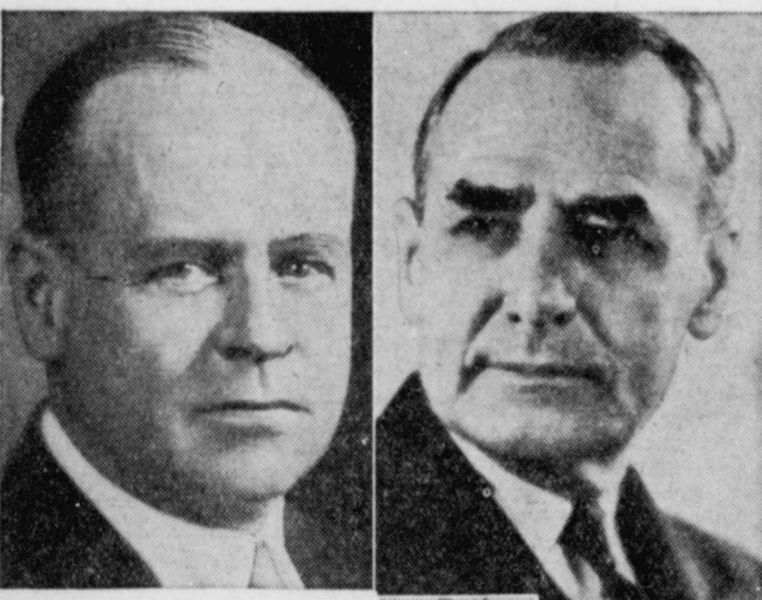

Listening Post in Our Canal Defenses

Left: Amid the dense jungle of the Chagres river section of the Panama Canal Zone, a listening post of our growing air defenses is shown in action under eyes of Brig. Gen. Sanford Jarman, commanding Panama coast artillery brigade. Right: Ruins of ancient Fort San Lorenzo, sixteenth century "strong point," are used for camp site by men of the Canal Zone's artillery brigade. The fort is at the Atlantic entrance of the canal.

Pre-views

U. S. Postmasters to Convene

While the guardian of the U. S. mails at "the world's smallest complete post office" of De Luz, Calif., (pictured at right) may not take time off from his strenuous duties to attend the convention of the National Association of Postmasters at Columbus, Ohio, September 26-28, approximately 5,000 of his brother workers will, Michael J. O'Rourke, Beverly Hills, Calif., (upper right) is scheduled to be chosen the group's next president, and Frank C. Walker, (directly above) President Roosevelt's new postmaster general appointee, is expected to attend some of the sessions.

Mother and Child

Lina Medina, the world's youngest mother, who will observe her sixth birthday on September 23. The juvenile mother who is shown with her 15-month-old son was expected to journey from her home in Lima, Peru, to Chicago to undergo an investigation of her strange case by scientists.

Mary's Lamb

Mary Hewlett of Ramona, Calif., with two-months' old Karakul lamb. The war having stopped importation of pelts from Asia Minor, Ramona ranchers who have been raising Karakul sheep are experiencing a boom.

LaGuardia Volunteers in Fingerprint Drive

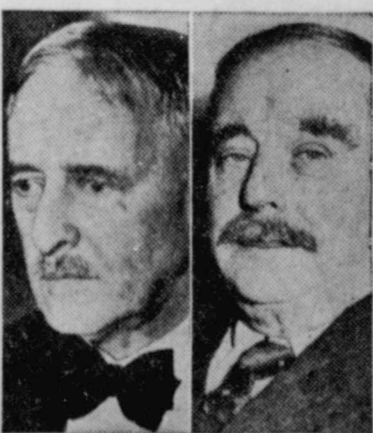

Mayor Fiorello LaGuardia (left) of New York, who recently took the initiative in declaring that every American should be fingerprinted voluntarily, for means of identification, keeps his promise. He is shown being fingerprinted at the Summer city hall in New York. Detective James Kenney and members of the staff from the New York City police department, bureau of civilian identification stand by as the mayor's prints are recorded.

Sophie Tunes Up for Legion Convention

Sophie Tucker shows a war veteran how she will sing for the American Legion's twenty-second annual convention, at Boston, September 25, when Schenley Post, No. 1159, presents its mammoth "Cavalcade of Stars." Other headliners: Bill Robinson, Ben Bernie and Tommy Dorsey. Right: 1949 Legion convention badge.

Happy Birthday!

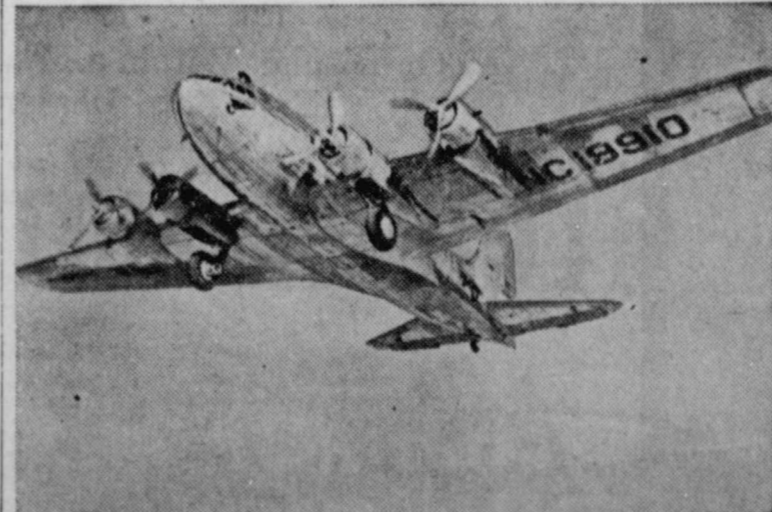

A famous English author and an American statesman who advocates every assistance to Britain short of war will celebrate their Birthdays September 21. The English author is H. G. Wells, (right) who will be 74. The American statesman is Col. Henry L. Stimson, (left) new secretary of war, who will be 73.

Reports to F. D. R.

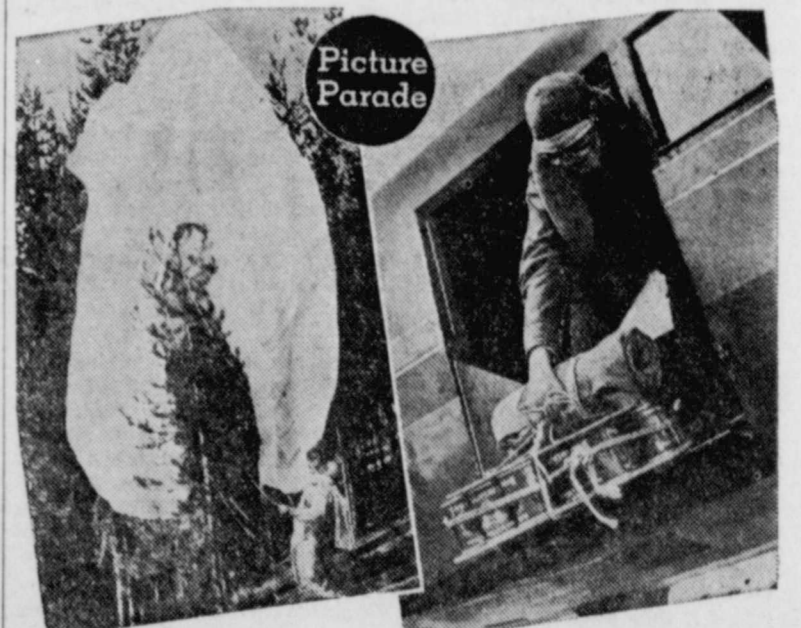

Mrs. F. J. Harriman, U. S. minister to Norway, as she arrives at the White House. Mrs. Harriman made a report to the President on foreign affairs. She recently returned to this country on the transport, American Legion.

Another Link Binding the Americas

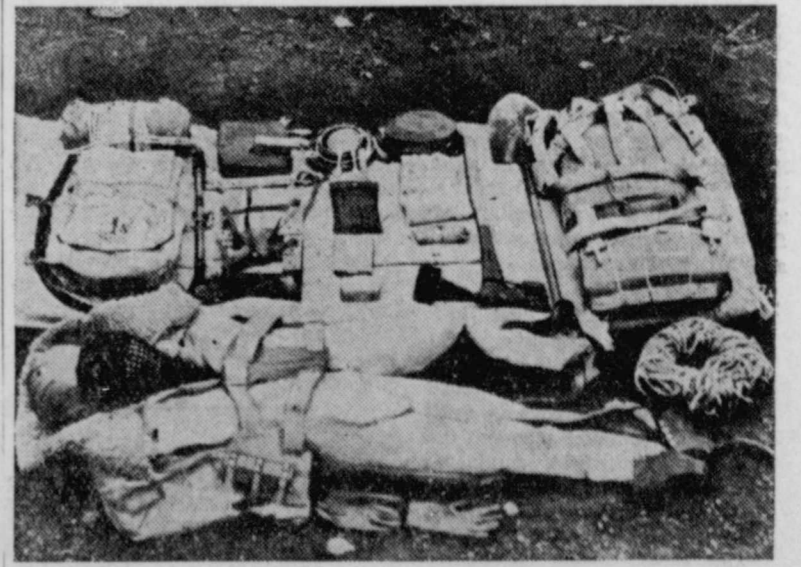

A striking photo of the Pan-American Airways clipper, "Comet," as the great airliner took off from Miami airport on inaugural flight of the new sub-stratosphere service to Rio De Janeiro. The three-day service will speed passengers, mail and express to the West Indies and the east coast of South America. It will tie Latin America still closer with the United States.

None too happy a landing, but this frequently happens when the smoke-jumpers drop to the scene of a national forest blaze. The mask worn by the jumper protects his face from branches.

"Manna" for U. S. Forest Fire-Fighters. Member of a plane crew is about to drop a bundle of supplies by parachute to firefighters who had dropped to the scene by parachute.

The kit of a forest service "smoke jumper." It consists of the tools for nipping fires in the bud, rations, first aid kit, six-pound radiophone, a mask for tree-top landings, and a light, strong rope.

A parachute and supplies have landed, and are being carried away.

Fair Queen

Shown here is Araceli Sanchez, beautiful young lady of Latin-American descent, who competed last year at the State Fair of Texas in the Queen of Queens' contest, and who is entering the Starr County contest again this year. Miss Sanchez is only one of the dozens of "ladies fair" who will be seen at the State Fair in Dallas October 5-20.

Plainview News

Emma Woodard, Correspondent

About Their Eyes? School Reports Improve with Better Vision!

Of course, you'll look after everything—clothes, shoes, teeth, etc.—but how about their eyes?

Don't neglect this most important faculty. Poor vision leads to poor health, lack of ambition, timidity, low grades. Have the children's eyes examined and be sure they are equipped with proper vision to meet the needs of modern classroom work. Bring them in soon.

GOOD VISION MAKES GOOD STUDENTS!

SWING
is to the Two-Cylinder
tractors built by
JOHN DEERE

Farmers have found that the John Deere two-cylinder tractor is an economical tractor—economical in fuel consumption, in maintenance costs, in comparative freedom from upkeep and repairs.

They know that two-cylinder design insures the utmost in simplicity. Everything is readily accessible—easier to understand.

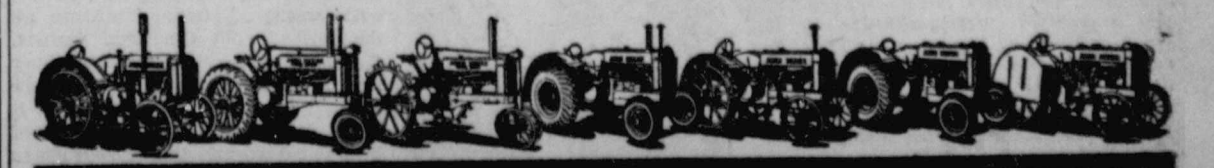

Greater compactness . . . better distribution of weight . . . transmission of power in a straight line are other superiorities of John Deere's fundamental two-cylinder engine design.

In addition, there is the very profitable advantage of burning low-cost fuels successfully—fuels that not only cost less than gasoline and kerosene but that are also more powerful.

Come in—inspect this money-saving, money-making line of tractors. There is a size and style for every farm and every type of crop raised—heavy duty, general purpose, standard tread, and orchard.

A "FOUR-ALARM" FOR THE BLUE-GRAY TRUCKS

A KANSAS CITY bridge burst into flames one morning last spring. It twisted and writhed under the terrific heat. . . then stout steel spans splashed into the Kansas River. "Voice bridges" went out of service, too. For attached to the bridge were two large telephone cables, containing wires to 1,700 telephones. It was a four-alarm for the telephone repair crews—the men in the blue-gray trucks. While flames still soared nearby, the reconstruction work began. In a fire department rowboat they got a line across the river. Emergency telephones were rigged up at strategic locations.

Then came a driving rain to make the task even harder. All night they worked against great odds. By midnight 60 telephones were working. By breakfast time three-fourths of the silenced telephones could speak. That afternoon telephone service was back to normal. Meeting—and whipping—emergencies is a part of the telephone man's job. Your telephone service is backed by skilled, loyal people whose experience in past emergencies better equips them for the emergencies of the future.
