CAST NAMED FOR MINSTREL BY LIONS CLUB

First Rehearsals Conducted Monday
As Show Shapes for Benefit
Performance May 13

Rehearsals of the Dixie Land Negro Minstrel sponsored by Snyder Lions Club got underway Monday evening, with 35 persons present for initial play "try-outs."

E. O. Wedgeworth, director general for the production that will benefit the club's blind fund, declared rehearsal No. 1 "exceeded our fondest expectations."

Following beginning of rehearsals for the minstrel, Thursday evening, May 13, was announced as the tentative date to give the play in Snyder School auditorium.

First part of the Dixie Land presentation will be based on the old-fashioned minstrel type—familiar to entertainment lovers of past years—with plenty of time-flavored wisecracks and illuminescent numbers by a 35-voice chorus.

Second part of the minstrel will be based on a patriotic theme that should thrill every red-blooded American in this trade territory.

The following persons have been cast for the show: M. E. Stanfield, E. L. Parr, Lyle Deffebach, Johnnie M. Ammons, Ben W. Newhouse, Ivan Glatlin, E. J. Bradbury, H. O. Beard, Willard Jones, L. A. Chapman, Roy J. Porter, J. P. Billingsley, Gerald G. Gordon, Ed Stahl, Foy Wade, Myron Ros, Victor Baze, Sam Williams, C. F. Sentell, A. M. Martin, Roy Shaban, Marcel Josephson, Allen Beadel.

Martha Lou Holmes, Fred Jones, Oleta Beard, Evelyn Pollard, Irma Stanfield, Loyal Westbrook, Jerry Campbell, Dorothy Crosslin, Juanita Elkins, Mrs. Jim Polk, Jettie D. Elkins, Mary Brown Robinson, Mary Ann Webb, Beverly Johnson, Nanell Patterson, Albert Miller, J. R. Green, Jack Imman, Margaret Dell Prim, accompanist; and Jettie D. Elkins, assistant accompanist.

L. A. Chapman was named this week as chief end man.

Wedgeworth and other officials for the minstrel are highly optimistic over plans for producing a truly outstanding play for people of Snyder and Scurry County.

Firemen Beat School Team Second Time

Second round of a softball schedule between Snyder's Volunteer Fire Department and Snyder High School boys played Tuesday evening gave the firemen a 11-2 win over the championship high school team.

In the first round between the two teams, played last Thursday evening, results showed the fire fighters pushing the high school squad over, 9-4.

Snyder Lions Club was reported Wednesday ready to "back" the high school boys in the softball melee. The game is scheduled for today at Tiger Stadium, 7:00 p. m.

Increased State Aid Would Mean \$12,250

Scurry County schools will benefit by an estimated \$12,250 if the bill now before the Texas Legislature becomes law, relative to changing scholastic apportionment from \$22.50 to \$27.50.

Under present law, the maximum apportionment is \$22.50, but proponents of the measure, which is now in Senate hands, point out schools of the state cannot continue operations unless scholastic payments are raised by \$5.

Singers of Area Meet Sunday for County Songfest

Singers from a four-county area will assemble Sunday morning at Snyder's Tabernacle Baptist Church for semi-annual sessions of the Scurry County Singing Convention, which will get underway at 10:00 o'clock.

Neva Joyce Hall, convention secretary, announces that no Saturday evening song session will be held—a custom convention officers voted to abolish in view of gasoline shortages and transportation difficulties.

Several outstanding quartets of this area have been booked to appear on the program Sunday, and a portion of the convention will be devoted to local talent, officers state.

Plenty of new convention song books will be on hand for the all-day songfest. Dinner, at noontime, will spread "on the grounds" in the manner of past years, says Miss Hall reports.

The general public is extended a cordial invitation to attend Sunday's semi-annual conclave.

Dr. Grady Shytles Leaves for Medical Service with Army

Dr. Grady Shytles, chief surgeon at Snyder General Hospital since it opened in 1935, left late Wednesday afternoon for Carlisle Barracks, Pennsylvania, where he will undergo six weeks of intensive training, preparatory to seeing foreign duty with the U. S. Army Medical Corps.

Dr. Shytles volunteered for foreign duty with the army's medical corps recently, and left Wednesday afternoon after ringing up a brilliant record as chief surgeon for the local hospital.

Dr. Shytles came here from Hendrick Memorial Hospital, Abilene, where he gained a reputation as one of the outstanding surgeons in West Texas.

Mrs. Shytles and son, Peppy, it is reported, will remain here until school is out.

C. L. Hundley Is Snyder Minister At Church of God

Rev. C. L. Hundley, newly named pastor for Snyder's Assembly of God Church, and Mrs. Hundley arrived this week to take over pastorate of the church, located at 1811 Avenue S.

Rev. Hundley, who has a remarkable record behind him as a soldier of the cross, has traveled extensively in 39 states of the Union, and in Canada.

The new Assembly of God pastor has traveled through the Philippines, Hawaii, China, Japan, India and Siberia. Born near Dallas, Rev. Hundley has been in the ministry 15 years.

The new pastor leaves next Tuesday for a district council gathering at Plainview, and will return next Thursday. Rev. and Mrs. Hundley and their three oldest boys sing and play on several different instruments.

Peanut Growers to Get More Payments Under 1942 Parity

Peanut growers of Scurry, Fisher, Mitchell, Nolan and other counties who sold oil peanuts to designated grower agencies under the 1942 parity program will receive additional payments on their crop, the state AAA office advised Scurry County growers Wednesday.

The payments, the state Triple A office announces, will be made at \$10 per ton, less outstanding indebtedness to the government for seed, and represent an estimate of surplus above cost of operating last year's program as of March 22, 1943. An additional distribution is expected when the 1942 marketing program is completed.

Reports received through Wednesday reveal Texas producers have already delivered approximately 110,000 tons for oil purposes—peanuts for which they will be entitled to the distribution payments.

Cub Scout Camping Idea Planned in Area

Should sufficient interest be shown in Cub Scout work in Snyder, a week of Cub Day camping will probably be staged some time in August, Lyle Deffebach, Snyder Cubmaster, reported Thursday.

Should interest be sufficient in a Cub Scout camp here, the Cubs would have a week of camp activities. They would arrive each morning of the week set aside at 9:30 o'clock, and bring their own lunch. During their day they would participate in games, ceremonies, handicraft, hiking and advancements.

Parents of Snyder Cub Scouts interested in a summer Cub camp are asked by Snyder District Boy Scout officials to contact Deffebach.

Lions Favorite

Jettie D. Elkins, daughter of Mr. and Mrs. Rip Elkins, was presented a gift last Thursday evening, at semi-annual ladies' night banquet of Snyder Lions Club, in recognition of her election some time back as Lions Club sweetheart. Miss Elkins is a talented vocalist, and has appeared on numerous programs in this trade area.

Salvage Official Tells Women Tin Can Drive Vital

Staging of a District Home Demonstration Association meeting by four attendants to the district conclave in Littlefield recently marked Saturday afternoon's gathering of the Scurry County Home Demonstration Council, held in offices of Estella Rabel, county home demonstration agent.

Mmes. Stanley Merket, C. R. Robertson, W. H. Prescott and Nolan von Roeder attended the recent Littlefield meeting, and staged the association gathering on a reduced scale for county council delegates.

"We want rural women of Scurry County to have a hand in the nationwide tin can salvage campaign getting underway, and feel that they will do everything possible to make the drive a success," E. Hendrix of the Texas Salvage Committee, Dallas, told council attendants.

Hendrix urged that rural women begin immediately to collect tin cans for contribution by cutting the tops and bottoms out of good cans, press them together and place in boxes for transportation to the county collection depot, Humble Oil Company warehouse in Snyder.

Ben Starkey of Sweetwater accompanied Hendrix here for the council meeting, and suggested that tin cans are needed now to help produce the critical materials of war.

The council voted to buy a \$100 U. S. war bond as a means of helping in the county's and nation's Second War Loan Drive.

Six council members volunteered to operate the county's WAAC information booth Saturday afternoon, 2:00 to 6:00 o'clock.

Martin School Wins Athletic Tournament

Martin School emerged Saturday as county winner among rural schools in softball events, by nudging out Plainview School, 31 to 5.

Martin, it will be recalled, emerged April 9 as winner of the West Side League, and Plainview was winner of the East Side League. The playoff game here attracted considerable interest from sports fans.

Service Flag to Be Dedicated at Baptist Services

All service men and their families of this entire trade territory are extended a cordial invitation to attend Service Flag dedicatory ceremonies, which will be staged Sunday evening, beginning at 8:30 o'clock, at Snyder's First Baptist Church.

"A special program has been arranged for the flag dedication part of our Sunday evening service," Rev. R. Y. Shahan, pastor, states, "and we feel people of this entire trade zone will want to attend. The flag has 86 stars, each of which represents a man in military service. Each of the men is a member of the church, or their parents or wives are."

Singing of "America" by the congregation will precede a scripture reading and prayer, "My Son Has Gone Away," by Mrs. Willie Mae Newton.

A song by the choir, "God Bless Our Soldier Boys Tonight," will be followed by recognition of parents and kindred of men in military service.

Louise LeMond will give a reading, after which the service flag will be unveiled. Mrs. Clyde Boren will offer a "Tribute to the Flag," and the entire audience will join in giving the pledge of allegiance to the flag.

After singing of the "Star Spangled Banner," the audience will give a salute to the flag, and the pledge to the Christian flag will be offered. "Onward, Christian Soldiers" is scheduled, also, for singing by the choir and audience.

Fred Jones will give a roll call of service men, and H. L. Wren will bring the prayer of dedication for men in military service.

Rose Marie Clawson will present a reading and a brief message will be brought by the pastor on "What Have I Done? Is There Not a Cause?" Closing program hymn will be "Stand Up, Jesus, for Jesus' sake." The general public of the county is urged to worship with the Baptists Sunday evening in the dedication of the service flag. Adequate arrangements have been made, church officials say, for all visitors.

Easter Service Slated At 9:00 Sunday Morn

Upholding a tradition of 15 years yesterday, Snyder's Musical Coterie will sponsor special Easter services Sunday morning, 9:00 o'clock, at Snyder's First Methodist Church, Mrs. Armour McFarland, club president, reports.

Snyder Knights Templar of the town's Masonic Lodge and all church choirs are scheduled to participate in the Easter service to which the general public is cordially invited.

Officials of the Musical Coterie report that accompanists will be church organists of Snyder choirs. Snyder's High School Band, directed by A. M. Martin, will participate in the annual service.

Daren Benbenek Gets Basic Pilot Training

Daren L. Benbenek, 21, son of Mr. and Mrs. Pete Benbenek, is completing basic pilot training in the Army Air Forces at Chico Flying School, Chico, California, and has left for an advanced base in the West Coast Training Center, his parents were informed Tuesday.

A graduate of Snyder Schools, Daren studied law at Weatherford College and served as cadet for 22 months in the Air Forces at Barksdale Field, Louisiana, and Scott Field, Illinois. Young Benbenek was accepted as a cadet May 1, 1942, and received primary training at King City, California.

SCHOOLS BUY NINE JEEPS IN BOND EFFORT

Quota of Four Jeeps More Than
Doubled by Sudents of County
In Drive Ending Wednesday

"Buy a Jeep" campaign in Scurry County schools, which drew to a close Wednesday, was highlighted by school children of the county contributing enough money, through purchases of war bonds and war savings stamps, to buy nine U. S. Army Jeeps. Quota was four Jeeps, costing approximately \$900 each.

Snyder Schools headed the parade Wednesday, with reported sales of war bonds and war savings stamps of slightly over \$6,000.

Reports obtained from Mrs. Gaston Brock, county superintendent, of bond and stamps sales for the "Buy a Jeep" campaign follow:

Pyron School, \$1,538.40, against a \$448 quota, with one girl who purchased a \$400 bond; Bison, with only eight students enrolled, \$66.60;

Bethel, \$210 raised against a \$64 quota; Martin School, \$184.30; Dermott, \$114.95; Crowder, \$41.30; Plainview, \$147.35; Ennis Creek, \$128.40; and Turner School, \$169.20.

Turner and Dermott composed the two county schools which reported 100 per cent war bond and stamp buying among students.

Reports were not available late Wednesday from Fluvanna, Ira, Independence, Canyon and Lloyd Mountain Schools.

O. K. Davis Resigns Dunn School Place To Take Border Job

O. K. Davis, Dunn School superintendent the past three years, left Sunday for Laredo, where he has accepted a position as immigration inspector.

Rev. E. B. Cockrell, Dunn Baptist minister, is now teaching in Dunn School in place of Davis, and George F. Hook, principal, is acting as superintendent until a new one is named.

Mrs. Davis, it was reported this week, will remain at Dunn until the present school term is completed. They have a boy, O. K. Davis Jr., 10 years old.

In line with policy of aggressiveness, Dunn School has added typing, junior business training and world history as new subjects during the administration of Davis. The southern county school now has 17 affiliated credits.

Cement Pouring on Bridge Is Underway

Highway Department employees, engaged in construction work on the Highway 15 bridge over Deep Creek, poured approximately 31 yards of cement through Wednesday on the bridge's west abutment forms.

Supervised by J. S. Gorman, resident engineer for the State Highway Department, the workmen were said to be making good progress on form and concrete work, and will have the west abutment finished within a few days.

Indicating that employees are "hooking up" in earnest to push construction activities, channel of Deep Creek, immediately below where the \$38,000 concrete bridge will stand has been deepened by several feet and "ironed out" to a point where forms can be placed entirely across the creek.

War Bond Quota Only Half Raised in County

CONCERT WILL BOOST SALE OF BONDS APRIL 29

Rev. Dick O'Brien to Be Principal
Speaker—Auction of Articles
Donated by Merchants Set

Sponsored by the Scurry County War Savings Committee, a county-wide Victory Concert will be staged Thursday evening, April 29, beginning at 8:30 o'clock, in Snyder School auditorium, officials of the county war savings staff report.

Rev. Dick O'Brien, pastor of the First Baptist Church at Big Spring, will be principal speaker for the occasion. He is scheduled to bring the type of speech that will appeal to people of all ages.

Special program being arranged for the Victory Concert will include numbers by Snyder's Tiger Band, under direction of A. M. Martin, band chief.

Immediately following the concert, county war savings staff officials declare, a bond auction sale will be staged. Numerous valuable prizes, contributed by Snyder and Scurry County merchants, will be offered for sale.

All persons of the Snyder trade area are extended an open invitation to attend the Victory Concert. Those who have purchased all the war bonds and war savings stamps they want in the Second War Loan Drive are asked to attend the rally, since no pressure will be exerted to force more sales of war bonds and stamps.

All county communities are asked by E. O. Wedgeworth, county war savings committee chairman, to send as large size delegations as possible. Whether people of this area are buying more bonds, or not, their presence at next Thursday evening's city and county-wide gathering will do much to insure Scurry County's full part on the home front.

Bond Sale Booths to Be Set Up Saturday

Special emphasis will be placed Saturday on the sale of U. S. war bonds and war savings stamps in Snyder, and special bond booths will be placed at convenient spots around the square in order to accommodate bond and stamp buyers, members of the Scurry County War Savings committee announced Wednesday.

Mrs. Clyde Boren, county Red Cross chapter chairman, will have charge of general arrangements for the booths, war savings officials say. People of this trade area are urged to make the booths their headquarters Saturday, when making purchases of war bonds and war savings stamps.

Mrs. Manning to Give Review.

Church-goers of Snyder and nearby communities are cordially invited to attend special Easter services Sunday evening, 8:30 o'clock, at Snyder's First Presbyterian Church. Mrs. Charles Manning will give the story of "The Robe" which was written by the well known author, Lloyd C. Douglas. Rev. Hubert C. Travis, pastor, announces.

Auction Articles

Residents of Scurry County's rural areas who may wish to donate eggs, chickens, canned goods or anything, in fact, up to a white faced Hereford cow for auction next Thursday evening at Snyder's Victory Concert are urged to bring all donations to the Chamber of Commerce office, on the square's south side.

As pointed out elsewhere in this issue of The Times, a special auction will follow the Victory Concert next Thursday evening in Snyder School auditorium. Gifts of almost anything of value will be sincerely appreciated by the county war savings staff planning personnel.

Army Jeeps Kept Busy Wednesday Giving Free Rides

Two U. S. Army Jeeps really made the rounds among Scurry County schools Wednesday.

Headed by Lieutenant Keith Lee, public relations officer at Camp Barkeley, Abilene, military officials accompanied the vehicles which, marked on the anniversary of San Jacinto Day, Scurry County's contribution, in bond and war stamp purchases, of money to buy nine more army jeeps.

Mrs. Gaston Brock, county superintendent, E. O. Wedgeworth, county chairman of war stamp and bond sales, J. C. Ezell and L. A. Chapman met the army Jeeps at Inadale Wednesday morning.

Army jeep No. 1, with L. A. Chapman as guide, visited Dunn, Ira, Fluvanna and Snyder Schools. Army jeep No. 2, with Mrs. Brock as guide, visited Pyron, Hermleigh and Snyder Schools.

With few exceptions, rural schools of the county brought students to Snyder Schools to allow students rides in the army vehicles.

School students were reported Wednesday, here and over the county, to have been "thrilled to a cucumber"—or whatever good slang expression students use—over the rides in the Jeeps.

County war savings staff planning committee officials express warm thanks to Camp Barkeley officials, and to Lieutenant Lee, for furnishing the Jeeps as a concluding gesture of the Scurry County drive.

Military personnel with Lieutenant Lee included: Sergeant Walter Seitz, 287 Quartermaster Ref. Co.; Corporal Eugene F. Morris, U. S. Army Signal Corps; and Private First Class Harry Tennant, 1854 Signal Corps unit.

Snyder Schools Buy \$6,000 in War Bonds

Snyder Schools marked up a record larger school in West Texas can buy when the school reported Wednesday sales of more than \$6,000 in war bonds and war savings stamps.

The bonds and stamps, sold in the schools' "Buy a Jeep" campaign, already total enough to buy six Jeeps. The school was assessed a quota of \$1,800.

FOLKS CANNOT FAIL BOYS ON FIRING LINES

County Committee Urges People to
Double Efforts to Raise Goal
Of \$212,000 by May 1

Snyder and Scurry County purchases of U. S. war bonds and war savings stamps, in the county's Second War Loan Drive, totaled \$107,000 through Tuesday—approximately 50 per cent of the county's assessed goal—E. O. Wedgeworth, county war savings committee chairman, reports.

Scurry County people are still buying war bonds and war savings stamps at a good rate, but the county is falling behind schedule, and some "oomph" is needed in purchases immediately, personnel of the county's war savings committee report.

Several big issues of war bonds are expected to be consummated within the next few days, and all Snyder and Scurry County people are urged to get to work to buy as many bonds this week-end as possible to put the county's total "over the hill."

"There has never been a time in history when the U. S. government has appealed so personally to citizens to buy war bonds and stamps, and we hope county people will respond in a whole-hearted endeavor to get the job done. If the Second War Loan Drive fails, and we should, by a major misfortune, lose this war, all property, white-faced cattle, oil wells, cotton crops and factories would be indeed worthless," war savings staff officials declare.

The county's Second War Loan Drive officially got underway Monday, April 12, and with considerable "push" from all Snyder and Scurry County folks will still get "over the top" in good fettle, officials say.

If you have already bought your share of bonds and stamps, Mr. and Mrs. Clizian, why not see today that all your neighbors have an invitation to participate in the campaign.

Hermleigh Sets Open House for School Sunday

Hermleigh School will stage open house Sunday afternoon, 1:30 to 4:30 o'clock, to allow patrons of the school district and other interested parties to inspect the new \$43,000 plant—accepted Tuesday by board members at a called meeting.

The 12-room plant is not quite finished, but open house festivities will give the public a chance to inspect the plant, built under war-time conditions, and at considerable effort to replace the old plant destroyed by fire in 1942.

New furniture for the school plant will be moved in Friday, A. C. Bishop Jr., superintendent, reports.

During open house hours Sunday afternoon, teachers will be in their rooms to show patrons respective class rooms, and features of the modern center of learning.

School board members, in called session, accepted the new plant Tuesday from the contractors, Dunlap & Coughran of Abilene.

Many Advancement Awards to Be Given At Boy Scout Court

Many advancement for Boy Scouts in Snyder District are to be awarded at the monthly court of honor, scheduled to be held Monday evening, 8:30 o'clock, in the Snyder Junior High School library, announces Willard Jones, chairman of advancement.

Special invitations to Scoutmasters in the district to bring their boys in for the meeting is extended by members of the advancement committee. Scoutmasters in the district are M. K. Mables of Dermott, L. P. Taylor of Fluvanna, J. O. Guinn of Hobbs, Orval Hess of Pyron, A. W. Roundtree of Hermleigh and A. B. Cockrell of Dunn.

The public is invited to attend the court of honor ceremonies, and especially are parents of the Scouts urged to attend. Presentation of the attendance banner will depend in part on the size of the crowd of visitors supporting each troop.

THESE SCURRY COUNTY BOYS DIDN'T SERVE BY MERELY BUYING WAR BONDS!

Two Scurry County boys in military service have already given their lives in order that you and I might live, and there have already sacrificed their freedom in our behalf. Take, for example, B. V. Collier Jr., left, son of Mr. and Mrs. B. V. Collier Sr. of the Fluvanna community, second lieutenant in the U. S.

Army Air Corps, who died in Western Europe of pneumonia January 17. Death closed a brilliant record as bombardier on a B-24 Liberator bomber for Collier, an honor graduate of Fluvanna Schools, but his heroic sacrifice of life will live through the years. Collier, posthumously honored by the War Department,

gave his life for freedom... a life that should spur you to lend your dollars that we may win the all-out global war. Buying bonds, and more bonds is the only way to stop the war—bonds which will give our fighting men, and food to wipe out the enemy, on the battlefront, ammunition T. J. Kite, son of Mr. and Mrs.

R. D. Kite, made the supreme sacrifice in the early days of the war in the defense of Bataan. Prentiss Riley, son of Mrs. A. J. Riley, who was among the defenders of the Philippine Islands, has not been heard from in over a year. He probably is a Jap prisoner of war. Carl Hargrove, son of Mr. and Mrs. Emmett

Hargrove of Snyder, is guarded in a Jap prison camp by glary-eyed little yellow men who captured him on Bataan. Macey Uthman, son of Mrs. T. C. Chenault, is another prisoner of the Japanese. These boys didn't quibble about their giving—war folks at home can't father before a \$212,000 bond quota.

Presbyterian Guild Meets with Mrs. Roe

Members of the Presbyterian Guild met Monday evening, 8:00 o'clock, at the home of Mrs. Horace Roe. Mrs. G. L. Autry, program leader, gave the devotional. Mrs. Gerald Gordon gave the "Life of Madam Chiang Kai-shek," and "The Life of Joan of Ark" was reviewed by Mrs. Robert Spencer.

Vases of iris and apraea were attractively arranged in the entertaining rooms to form a pretty setting.

The hostess passed refreshments to the following: Mmes. Gene Smith and Andrew Jones, guests, Autry, Nadine Gordon, Lillian Mowery, Irene McFarland, Kate Spencer, Irene Travis and Doris Wedgeworth, and Misses Nan Blakey and Frances Boren.

Next meeting will be held at the home of Mrs. Autry May 3.

Methodist Women Finish Peace Study

Woman's Society of Christian Service members of the Methodist Church met Monday afternoon at the church for a continued study on "The Role of the Church in the Establishment of the Peace," the sixth and last lesson on "Planning for Peace."

The members also studied "The International, National and Local Aspects of the Task of Making Peace," "The Desirability of Some Sort of International Authority," "Economic Bases of Peace" and the questions, "Will America Perpetuate Castes or Insist on Democracy in Race Relations?" This last topic was ably discussed by the members, which was the conclusion of the study.

Mrs. Lida M. Hardy, chairman, was assisted by Mmes. I. A. Smith, R. M. Stokes, Harry S. Lee, T. M. Howie, I. W. Boren, Warren Dodson and M. W. Clark.

The fellowship luncheon will be held at the church April 26, 1:00 o'clock, with Mrs. Dodson as chairman. The members will meet for a business and feature program.

Duce Bridge Club Meets in Boren Home

Rube Lee won high score prize of United States war stamps when members of the Duce Bridge Club met at the home of Frances Boren Thursday evening at 8:00 o'clock.

The Boren home was attractively decorated with lilacs and apraea. Guests for the evening's entertainment were: Mmes. Sam Joyce of San Antonio, Irene McFarland and Charles Manning. Johnnie Mathison, Lee, and Mmes. Janice Miller, Margaret Burge and Helen Murphy were members present.

The hostess passed a salad plate to attendants.

School Queen

Pictured is Billy Jean Henderson, daughter of Mr. and Mrs. Dick Henderson, who was recently chosen queen of Junior High School. Miss Henderson is a member of the Girl Scouts, and she is active in school and social activities.

Club Women to Study War Service

"War Service" will be the theme of the Seventh District Texas Federation of Women's Clubs streamlined one-day convention, slated at Amarillo May 4, stated Mrs. Grace King when she gave the federation news as members of the Art Guild met in the home of Mrs. Charles Manning Tuesday evening. Effie McLeod, president of the club, was elected delegate to attend the confab at Amarillo. The club members voted to send a subscription to the Reader's Digest to some nearby camp.

The program, on "Federation Day," was begun with each individual member answering roll call with something along that line.

Miss McLeod presented facts about the general federation and the Texas Federation, and Mrs. Manning gave a review of "Danny." A dessert plate was passed to the following: Mmes. Wayne Williams, guest, Vivian Hill, Mae Stanfield, Mabel Brock, Grace King, Lillian Mowery, Hattie Gatlin, Henrietta Lee, Raylene Isaacs, and Misses Estella Rabel, McLeod, Rose Fisher, Frances Boren and Dorothy Crosslin, members.

Eloise Gill and Earl Pollard Marry

Mr. and Mrs. Leonard Gill announce the April 2 marriage of their daughter, Eloise, to Earl C. Pollard Jr., son of Mr. and Mrs. Earl Clinton Pollard Sr., of San Antonio. The couple repeated vows at the parsonage of the First Baptist Church at Lubbock.

The Gills resided in Snyder for many years, having moved about a year ago to Lubbock. Mrs. Pollard received her early schooling at Snyder, and was attending Snyder High School when she moved with her parents to the South Plains city. Pollard attended school at Lubbock. The couple will make their home at San Antonio.

Faye Rogers Marries California Army Man

Faye Rogers of Snyder became the bride of Lieutenant G. E. Salyoy of Camp Cooke, California, in a ceremony performed April 4, friends of the bride learned this week. The marriage was performed by Rev. George Sides, pastor of the First Baptist Church at Lompac, California.

The bride is the youngest daughter of Mrs. G. L. Rogers of Snyder. She had lived in Snyder most of her life. For the ceremony she was dressed in a teal blue dress, with white accessories. She wore a white carnation.

The bridegroom is the son of Mr. and Mrs. G. T. Salyoy Sr. of Los Angeles, Texas.

They were attended by Second Lieutenant and Mrs. Floyd Cox, friends of the couple. They will be at home at 126 North H Street, Lompac, California.

Mrs. Hyman Hosts Alpha Study Club

"The Dynamic Arts in Latin America" was the study for the Tuesday afternoon meeting of the Alpha Study Club members. They met at the home of Mrs. Edward S. Hyman.

Mrs. Maurice Brownfield was program leader and she explained the contributions of Dario and Palma to literature. "The Development of National Music in Latin America and Some of Their Characteristics of the Latin American Folk Songs" was given by Hattie Herm. Mrs. Vern McMullan discussed "Some of the Rare Early Books in Latin American Libraries."

Those present for the occasion were: Mmes. Melvin Blackard, G. M. Heinzelmann, Wayne Boren, Brownfield, T. M. Howie, Ixon Joyce, McMullan, Alfred McGlaun, Forest Sears, Wayne Williams, the hostess and Miss Hattie Herm.

Mary B. Abercrombie Honored at Party

Mary B. Abercrombie left Sunday for Midland, where she will be employed with Perry Brothers Variety Store. She has been employed with the same firm here for the past five years.

Honoring Miss Abercrombie, Mr. and Mrs. D. P. Williams were host and hostess for a going-away party Friday evening at their home. Games of rummy and bridge were played prior to those attending being served frozen fruit sherbet, cookies and lead tea.

Those present for the occasion were: Ola Margaret Leath, Mary Belle Weathersbee, Valdene Keller, Beatrice Whitmore, Miller Price, Mrs. W. O. Britton, Celia Pat and Edna Marilyn Williams.

Mrs. Manning to Give Review Tonight

Progressive Study Club members are presenting Mrs. Charles Manning in a book review this (Thursday) evening at 8:00 o'clock, in the basement of the First Baptist Church. Mrs. Manning will review "The Robe" by Lloyd C. Douglas. Members of the federated clubs of Snyder are extended a cordial invitation to attend, Progressive Club officials state.

Recent Bride

Mrs. Earl C. Pollard Jr., the former Eloise Gill, pictured, is the daughter of Mr. and Mrs. Leonard C. Gill of Lubbock. Mrs. Pollard is a granddaughter of Mrs. Mabel Y. German and a niece of Mrs. John E. Irwin. The couple will make their home at San Antonio.

County Club Council To Manage Booth

Scurry County Home Demonstration Club Council will have charge Saturday afternoon, 2:00 to 6:00 o'clock, of the WAAC information booth, Mrs. Henry Rosenberg, county Woman's Army Auxiliary Corps recruiting chairman, announces.

Women of the county club to be in charge of the booth are Mmes. Doyle Pogue and Joan Woodard of Plainview; 2:00 to 3:00 o'clock; Mmes. W. H. Prescott and Stanley Market of Chica Grove; 3:00 to 4:00 o'clock; Mrs. Orar Hooper and Lillian Huffstutler of Turner; 4:00 to 5:00 o'clock; and Mmes. Byron Piner and J. W. Coffee of Tri-Community; 5:00 to 6:00 o'clock.

Cotton Plays Vital Role in Fabric Parade

American cotton is assuming its rightful place in the scheme of decorative fabrics and rugs. The best proof of this is that the modern, war-time home could be entirely and beautifully decorated with cotton materials.

For draperies, cotton offers nubby weaves and bright plaids that are modern in feeling yet appropriate for most any time of informal room.

Your last opportunity for the duration of the war to buy ladies' sheer hose at this price—79c pair. See them at Frank's Department Store.

Farewell Party Given For Laverne Moffett

Laverne Moffett, who has been employed at Perry Brothers Variety Store for the past two years, left last week for Charlotte, North Carolina for an indefinite visit with relatives.

Miss Moffett was honored at a going-away party Wednesday evening by Mr. and Mrs. D. P. Williams at their home.

After games of rummy were played, sandwiches, stuffed olives, cookies and lead tea were served to the following: Nan Blakey, Miller Price, Ola Margaret Leath, Mary Belle Weathersbee, Mary Bess Abercrombie, Valdene Keller, Beatrice Whitmore, Celia Pat and Edna Marilyn Williams.

Miss Moffett is a daughter of Mr. and Mrs. B. H. Moffett.

Cotton Headgear Proving Popular

Cottons on the beach, cottons on the street, cottons in the kitchen—and now it's cotton caps and hats in the fashion news.

Main floor hat shops in Southern stores reveals that white cotton caps and casual hats are already being regarded as a summer "must" for girls of all ages. The most popular model is the white bird's eye pique Dutch cap version. A close second in popularity is the pill box style with long swinging tassel in bright color.

The Southern miss favors these cotton "bonnets" because they are so inexpensive she can buy two or three and still invest in her regular quota of war bonds and stamps. Then, too, she can be sure that she looks neat and fashionable, for the new cotton hats give her entire outfit a hand-box appearance.

Josephine Whatley Pledged. Josephine Whatley, daughter of Mrs. E. Spencer Whatley of the Pivanna community, has been accepted at Southern Methodist University, Dallas, as a pledge of Alpha Rho Tau, national art honorary fraternity, SMU officials report. Josephine is enrolled at SMU as a junior.

Church Group Meets With Mrs. Ferguson

Ladies' Fellowship Class of the First Presbyterian Church met at the home of Mrs. C. E. Ferguson Wednesday.

Subject for the program was the Presbyterian, which was held at Albany recently. Mrs. Mary B. Shell and Mrs. P. C. Chenault gave reports of the meeting. Mrs. R. C. Grantham gave a reading, and Mrs. John Covey rendered a solo.

Refreshments were passed to the following: Mmes. Mike Ferguson, guest, C. R. Roberson, John Abercrombie, Covey, Shell, J. A. Farmer, Grantham, Chenault, T. A. Paver, A. M. McPherson, J. T. Hays, members.

Patsy Houser of Royce City was a week-end guest of Mr. and Mrs. A. E. Walton and son, Gorman. Private Gorman Walton arrived here last week to spend a few days with his parents. Walton left for Garden City, Kansas, Tuesday, where he is stationed.

Big shipment from ABC of summer piece goods of all kinds now on display. Come and get your needs from the big complete assortment. Frank's Department Store.

Mr. and Mrs. E. M. Deskins spent the week-end at Floydada with relatives.

Liberalized Tire Rules on Tractors To Help Farmers

Keeping tractors and other farm implements operating full time on the farm marks two important actions of this week regarding tires, Scurry County's U. S. Department of Agriculture War Board reports.

First action of interest to the county's 1450 farmers lifts quota restrictions on farm tractor and implement tires while the second action permits farmers to obtain tires "scraped" with reclaimed rubber without rationing certificates.

Scurry County farmers are now required to apply only to local rationing boards to obtain sufficient tires for farm use. Local boards in this area are advised by OPA that substantial district, state and regional reserves have been established to provide for immediate needs.

Principal reason behind the move which frees recapping with reclaimed rubber from rationing restrictions was the desire to have farmers recap their tires in time to prevent total loss of worn tire casings. As a move to conserve rubber replacements will not be issued for tires that can be scrapped.

Previously recapping of rear wheel tractor tires was not required and replacements were granted even though the tires to be replaced were suitable for recapping.

Tractor and implement tires will now be recapped with Grade F camel back, which contains no crude rubber.

Raise Your Own Strawberries

Whether you live in Scurry County, or anywhere else in the nation, strawberries should have a favored spot in your garden. Here is a garden enthusiast—a druggist—setting out new strawberry plants after work. Last year he raised enough vegetables in a 25 by 35 foot plot to feed a family of four. With proper care, strawberries can be grown successfully in Scurry and nearby counties, gardeners say. The county agents have recently given information about planting berries in barrels.

When Gunner Practice Starts at Berkeley Camp, Looks Like Real War

Sergeant George W. Clark Jr., former Snyder truck operator, sends The Times a letter from Wildcat Canyon, Berkeley, California, that will interest Times readers. The Clark letter follows:

"Well, it's been quite a while since you received a communique from the 736th M. P. Battalion concerning its activities. We have come a long way since the last communique. We are in Wildcat Canyon, the beautiful hills just north of Berkeley, California. If you get out of this place you must go over the hill any way you start, because we are surrounded by hills. This is really a pretty place, if it weren't for the 'California dew.' It rains quite a bit here, day and night, and the slick, black, oozy mud gets ankle deep. A fellow has to wear spiked shoes to stand up, and it is useless to try to pull one of the hills on foot or any other way when they are wet. Everything is in bloom—that is, wild shrubs and trees, and the green grass covers the hills.

"We have been firing on the rifle range and pistol range every day of the past two weeks that it wasn't raining so we could not see the targets. It's a peaceful place here until the firing starts, and one would think a war had started here in Wildcat Canyon then. Our first sergeant breaks the silence sometimes, especially early every morning, before daylight, when he calls us out for reveille. He's a small, dried-up guy, but he can certainly raise a row that echoes from all these hills and breaks the stillness and peace and quiet of the valley.

"We have been training for 30 days now, and expect to go back home soon. It takes a good man to hike up and down and over and around these mountains all day long. The 1-B men were talking you about in the last letter have 'come out of the fog' and are soldiering right along. Every one of the boys in the whole battalion is enjoying the outing, and they say this is the life of a soldier. About 75 per cent of them are cultivating a mustache or goatee while they are out here in the wilds.

"We still get The Times out here, and enjoy it immensely. Best regards to the homefolks.

"Sergeant George W. Clark Jr."

Clarence Walton in Georgia, son of Mr. and Mrs. I. H. Walton, inducted into the U. S. Army several weeks ago, is now stationed at Fort Benning, Georgia, with the 10th Armored Division, Snyder friends learn. Prior to induction in military service, Chaplain Walton was pastor of the Bloomington Methodist Church.

Snyder District Scouts to Attend Big Spring Camp

Snyder's Boy Scout District, it was reported Tuesday, will be well represented May 7 and 8 in Big Spring, when the annual Buffalo Trail Council camporee is held in the Big Spring State Park, according to district officers.

Boy Scouts of the 15-county trail council, and territory from Aspermont and Sweetwater west to Montahans and Wink report good sized delegations of Scouts and Scouters will attend the Roundup.

Program for the two-day gathering includes contests based on Scouting skills, and a big barbecue dinner, with trimmings, will be staged Saturday noon, May 8.

Announcement was made Wednesday that the district committee of Scurry County will find means of transportation for all Boy Scout troops of the county.

In making the announcement concerning transportation, the truck will leave Snyder Friday morning, May 7, and stop at Dunn for troops of Hermleigh, Dunn and Pylon. There will be no cost to each Boy Scout, but each Scout must take his personal bedding and supplies for meals.

The Opportunist

Andy called at the big business house to apply for a job that he had seen advertised.

"But, my dear man," said the manager, "you are much too late. Why I've had over a thousand applications already!"

Andy looked thoughtful.

"Well," he said after a while, "how about employing me to classify the applications?"

Soil District News Notes

In regular monthly meeting Friday the Board of Supervisors of the Upper Colorado Soil Conservation District approved 10 working agreements covering 6,846 acres. A. (Pat) Johnston, chairman, reports.

In addition, four priority work areas were set up and approved for individual farm and ranch planning this summer. These priority work areas were Nos. 13, 14, 15 and 16, 12 having been previously set up and approved.

Priority areas No. 13 and 14 include the following farmers of Union Chapel: W. J. Coonrod, 155 acres; S. S. Austin, 161 acres; W. L. Eubanks, 160 acres; Nolan von Roder, 118 acres; J. W. Jacobs, 160 acres; J. L. Carrell, 196 acres; James A. Clark Sr., 160 acres; O. C. Rosson, 170 acres; E. E. Woolever, 82 acres; L. A. Hill, 155 acres; A. Johnston, 162.5 acres; Hugh Boren, 160 acres; Mrs. Mae Lemons, 700 acres; P. A. Mebane, 250 acres; A. B. Eicke, 500 acres; R. J. Hansy, 160 acres; W. L. Etheredge, 163 acres; J. T. Biggs, 160 acres; Mrs. J. T. Ramsey, 120 acres; Lida M. Hardy, 120 acres; Fred Davis, 450 acres; J. T. Biggs, 200 acres; and J. B. Adams, 160 acres.

No. 15 includes the following farmers from the Plainview and Woodard communities: J. W. Rosson, 160 acres; Joe Eicke, 240 acres; Floyd Jones, 140 acres; B. F. Brooks, 263 acres; John R. Covey, 118 acres; Buford Light, 320 acres; Emil Schattel, 320 acres; John Schattel, 693 acres; Copus Boyd, 161 acres; Aubrey Light, 240 acres; Lowell Thornburg, 200 acres; J. H. Walton, 380 acres; W. B. Robertson, 53 acres; and Giles W. Bowers, 80 acres.

Priority area No. 16 includes live-

Farm Workers Still Will Get Deferments

Despite recent trends of policy of the Selective Service System, essential farm workers in Scurry County will be deferred, information received by the Scurry County USDA War Board reveals.

Officials of the county war board have notified that essential farm workers are to be classified in Class 2-C or Class 3-S, according to dependency.

Farm hands who are in danger of early induction into the armed forces are urged to contact Johnnie M. Ammons, county AAA administrative officer, at once. Each case will be promptly considered and appropriate steps taken by the Scurry County USDA War Board to insure keeping vital farm hands on the farm.

Privileged Character

Stock farms and ranches in the Ennis Creek community as follows: Mrs. Goldie West, 2,050 acres; Frank A. Wilson, 900 acres; T. C. Davis, 665 acres; Cliff Birdwell, 1,100 acres; George E. Parks, 1,292 acres; W. A. Wade, 310 acres; A. C. Martin, 1,721 acres; and Carl Voss, 488 acres.

Soil Conservation Service personnel, assisting the Upper Colorado Soil Conservation District, have recently run terrace lines on the Welch-Springer, J. H. Patterson, Guy Turner, R. L. Lightfoot, Jesse Bley, Floyd Light and John Schattel farms.

Commentator

Edward R. Murrow, CBS London commentator, shown here, believes the weather is out for the duration as a source of conversation. "People are too interested in food now to talk about anything else," Ed observed in a recent Sunday broadcast.

Rogers Boys Serving In Wide-Apart Areas

Mr. and Mrs. E. R. Rogers, who have two sons in military service, this week received messages from both boys that will interest friends.

Corporal George Rogers, stationed with the U. S. Army at Fort Bliss, El Paso, as a guard, will be transferred to military police duty, his parents learn.

Private John Rogers, stationed with the 142nd Infantry in West Virginia, was packed and "ready to move" at last account.

A Revised Memory

A North tourist is revising the little cabin of an ancient darky known as Uncle Mose, who lived in a small Virginia town, and who often entertained visitors with stories of "War between the States."

"I understand you remember seeing Lincoln," the visitors remarked.

Uncle Mose looked sheepish. "No, sah," he replied. "Ah used to remember see'n' Massa Linkum, but since Ah j'ined de church Ah doan' 'member see'n' him no mo'."

Scurry County Has Barely Reached the Half-way Mark!

We CAN'T Fail NOW!

THE 2ND WAR LOAN DRIVE IS ON!

Winner Take All!

There is one stark and simple fact about war which you had better get straight... and quickly, too

THERE IS NO SECOND PLACE IN A WAR—IT'S EITHER WIN OR LOSE!

This war is being fought for tremendous stakes . . .

- ... for your life and your liberty.
- ... for your church and your children.
- ... for your freedom and your future.

And it's WINNER TAKE ALL. Don't forget that for a minute.

The winner will dictate whether tomorrow you shall be a free citizen of a free world, or a helpless serf to a "master race."

The winner will dictate whether you shall live and prosper under the Four Freedoms, or toil hopelessly in the darkness of a "New Order."

The winner will dictate . . . because the winner takes all.

The winner takes all. All you own, all you hold dear.

The winner is being decided right now . . . today . . . this very minute . . . on battlefields all over the world. Will you stand idly by . . . or throw all your weight on our side?

The weight of mighty tanks and planes. The weight of thousands of guns and millions of shells. The weight of billions of dollars . . . 13 billions which your country asks you to lend during this Drive.

Your country wants to borrow every idle dollar you have—every dollar except what you need for the barest necessities of life.

You'll have to give up some luxury or comfort which was dear to your heart. You'll have to postpone some pleasure which you had been eagerly anticipating.

But what of it?

Your sons and brothers and husbands are dying out there . . . fighting your fight. Surely it is no sacrifice to lend your dollars while they are giving their lives.

They need your help. They need the weapons your money can buy. If one of the War Loan volunteers calls on you . . . greet him with open pocket-book. Remember, Uncle Sam's goal is 13 billion dollars in April.

Don't wait to be asked. Go to your nearest bank, investment dealer, broker, Post Office or issuing agency and lay your money on the line. Remember, it's an investment you're making—an investment that pays a good return and insures a happier future for you and your loved ones.

So lend up to the limit.

You'll sleep better for it.

Many Families to Be Serviced with Current by REA

An estimated 150 farms along power lines operated by Midwest Electric Cooperative in Scurry, Fisher, Borden, Nolan and Stonehall Counties will likely be connected for service as a result of War Production Board directives making wiring materials now available, Lon R. Adams, Midwest superintendent, told a Times reporter Tuesday.

Farmers of Scurry, Fisher and other counties served by Midwest should be able to obtain wiring materials without difficulty, Adams declared—provided they can meet the animal unit requirements of a WPB order which permit service connections.

Although 75 farm members of the system have already applied for connections, and eight services have been installed in recent weeks, Adams reported many farmers hesitated to take advantage of the previous order because they did not know how they were going to obtain materials to wire their farm buildings.

"To establish the right to obtain wiring materials, a farmer need only show that he is going to make effective use of electricity to help overcome the acute shortage of vital foods," he said. "A farmer must have a present or assured production capacity of at least five animal units—for example, five milk cows, or a combination of different types of livestock and poultry to make the required total. Up to 100 feet of line per animal unit is allowed, but no extension may exceed 5,000 feet in length without special WPB permission. Our organization stands ready to help any farmer prepare his application for a service connection or for wiring materials."

The first step in obtaining electric service, Mr. Adams pointed out, is to seek the approval of the county USDA War Board for a service connection. Such approval is necessary before a priority on farmstead wiring materials may be had.

Fluvanna Scouts to Go to Council Meet

Fluvanna's Boy Scout Troop No. 39 will register by today (Thursday), Rev. L. B. Taylor, Scoutmaster, reports and members will be ready to attend the annual Buffalo Trail Council Roundup in Big Spring May 7 and 8.

Rev. Taylor, reporting on the growth of Scout work in the Fluvanna community during recent months, states from 32 to 36 boys in the community will register.

Draft Board Does Not Meet.
Due to being "up to the do" on reclassification work, Scurry County's Selective Service Draft Board did not meet Monday evening, a spokesman reports.

No Armistice

Farmers will never declare an armistice in the war on insect pests and flies that peck at cows and keep them from giving full milk flow. You can't afford to let production drop now.

Use Watkins Fly Spray to protect your cows from flies—to make sure that milk flow will not be held up. Watkins Fly Spray is rated A-1—the highest rating given to any fly spray. It really kills the flies and offers full protection. It goes further, too, because it has a light oil base and less is needed. Doesn't gum up the hair or hide of the cows, either. You can use it in the house as well as the barn or milk house because it's clean and stainless—will not taint milk. Let me demonstrate and prove you get more for your money. Protect yourself by ordering now.

Swing Girl

Here's how the new kind of "swing girl"—who must sleep in daytime because she works the swing shift in a war plant—helps the victory drive by pulling down window shades. This provides better sleeping conditions and conserves fuel. Keeping shades drawn at night and in unused rooms constantly, American families can save 9,000,000 tons of coal a year, Armour Research surveys reveal.

Civil Service Jobs Offered.
The U. S. Civil Service Commission announces, through J. P. Nelson, Snyder secretary of the board of examiners, special inducements in the Navy Department and the Department of the Interior for stenographers and typists for employment with the agencies in Washington, D. C. Full details may be secured at the Snyder post office.

A. J. Codys Visit Here.
A. J. Cody, cashier of the First State Bank at Monahans, and Mrs. Cody spent Tuesday and Wednesday with Snyder relatives. Formerly associated here with the banking profession for many years, Cody expressed the belief that Scurry County and West Texas would make the entire nation proud of contributions in the country's all-out, Second War Loan Drive.

A Little Late.
The grizzled Carolina mountaineer and his son were on their annual pilgrimage to the county seat. Their business was to require two days, and when night fell they made their way to the courthouse square, where they settled upon a bench alongside a group of fellow travelers.

When they had been there for some time, the courthouse clock began striking. It bonged off the hours up to twelve, and then, out of fix, it struck the thirteenth time. The mountaineer jumped to his feet.

"Get up from there, boy!" he exclaimed. "We got to be a-goin'. This is the latest I've ever known it to be!"

Picking His Spots.
"I'm my own bounce and I'm hard," declared the tough bartender. "You gotta be to stay in this business. Look, this guy comes in last night and I don't like his looks, an' I didn't like the way he ordered his beer; so I lets him have it with the old bungstarter. Down he goes, so I takes him by the collar and the seat of the pants an' throws him out into the street, the big bum—an' then I throws his crutches out after him."

100,000,000 Pounds.
One hundred million pounds is a lot of cotton, but that's the amount experts estimate is used each year in manufacturing coverings for wires and cables. Cotton, given special treatment, recently has been developed as a special insulating material for certain types of electrical wiring.

Cotton Insulating Blanket.
A three-inch cotton fiber blanket has been developed for use in home insulating. Backed up with moisture resistant paper, the blankets perform satisfactorily in temperature ranges from cold storage up to 300 degrees. They are easily installed in any home.

Between 1930 and 1940 the generating capacity of Texas power plants increased approximately 32 per cent.

Frankie Wren Is Buried Monday in Snyder Services

Miss Mary Frances "Frankie" Wren, 70-year-old Scurry County resident, passed away Sunday following a brief period of illness.

Born January 1, 1883, Miss Wren moved to Scurry County in 1904. She had been a Baptist Church member many years.

Funeral services were held Monday afternoon, 3:00 o'clock, at the First Baptist Church. Rev. Roy Shaaban, Snyder's First Baptist Church pastor, officiated.

Pallbearers were Charley Eastman, Joe Adams, Giles Bowers, Harvey Souler, Wray Huckabee and Elmer Bentley.

Geraldine Shuler, Bernelle Moore, Miss. Mary Beth Stewart and Mavis McHoney were in charge of floral offerings.

Survivors included; the mother, Mrs. S. E. Wren of Bisbee, Arizona; a sister, Mrs. W. O. Moore, also of Bisbee, Arizona; and four brothers, H. L. Wren and Leon Wren of Snyder, Byron Wren of Colorado City and Bob Wren of Big Spring.

Funeral arrangements were directed by Odum Funeral Home, with burial in Snyder Cemetery.

Pleasure.
A man going down the street met a friend he had not seen for some time. During the course of the conversation this friend seemed to be in pain. When asked what the trouble was he replied that his feet hurt because his shoes were too short. When asked why he did not get larger shoes, he replied that his wife had run away with the chauffeur, his son was in jail, his daughter married a ne'er-do-well, he had lost all he had in the stock market and now the one pleasure he got from life was to take these tight shoes off when he got home in the evening.

Good Croquet.
The expert golfer was handicapped by the actions of a very slow player in front. The latter possessed a perfect pair of bow legs.

All through the afternoon the first player found himself hindered at every hole. He managed to control his temper, however, though with difficulty.

Finally, his patience exhausted, he drove clear through the player in front, and his ball passed through the widely spread legs.

"Do you call that golf?" stormed the slow player.

"No," answered the other, "but pretty hot croquet, what?"

Blue Cotton for Reds.
San Francisco shopkeepers are entertained and amused by the way Russian sailors do their shopping. Favorite item of apparel with these men engaged in transporting lend-lease goods to the Soviet Union is a light blue cotton shirt. "They're buying them almost to the point of using them for uniforms."

Cotton in the Skies.
Many all-metal fighting planes use more cotton fabric than completely cotton-covered small planes. The cloth is used on surfaces where stress is slight, such as rear spars, control wires, ailerons, rudders and elevators. Cotton also is used extensively in the wiring on planes.

The army's B-19 bomber has 410 square feet of cotton cloth on its ailerons alone—the equivalent of seven and one-half sized sheets.

Health Officer Gives Safety Pointers for Vacation Outings

Some timely advice to vacationists and picnickers was released from the State Health Department this week by Dr. George W. Cox, state health officer.

It was pointed out that, in view of war-time restrictions, vacation pleasures are apt to be limited to excursions and picnics at nearby lakes, rivers and ponds of unfamiliar depths and currents, and without the usual lifeguard supervision associated with bathing beaches and commercial swimming pools.

"Swimming and water sports are beneficial to good health provided one's physical condition justifies this type of exercise," Dr. Cox asserted. "Nevertheless, they possess dangerous possibilities if the rules of safety are disregarded."

The following simple rules for bathing and swimming in safety were suggested: At least one hour should elapse after a meal before entering the water; never dive into unfamiliar waters; upon the first indication of fatigue, come ashore and do not reenter the water; leave the water immediately if chilled; do not enter the water when overheated; learn to float; never attempt to rock a boat in a spirit of fun; never swim in water that may be polluted; swimming close to or even a few miles below sewage outlets is inviting the possibility of acquiring diseases.

"Excursions, picnics and swimming parties contribute much to a healthy, happy, normal life, which is especially desirable at this particular time when the whole nation is under the strain of war," Dr. Cox said. "It is by no means advisable to eliminate these excursions from our summer program, but it is important that they prove beneficial and not disastrous."

Hailstorm Comes to Part of Area Friday
The weatherman gave portions of Scurry County some varied types of weather Friday night, including hail storms which visited the Inadale, Hermleigh and Plainview communities.

Snyder recorded no trace of rain at all, although showers spotted several communities of Eastern and Southern Scurry County. The German community reported both rain and hail.

Patricks Sing on KXOX.
Plugging for Scurry County's semi-annual singing convention, which will be staged here Sunday, the Patrick Quartet presented a 15-minute gospel song program Sunday afternoon, 3:15 to 3:30 o'clock, over Station KXOX, Sweetwater. Jack Patrick, quartet manager, arranged numbers for members of the group, and E. O. Wedgeworth, Scurry County Chamber of Commerce manager, acted as master of ceremonies.

Leroy Pesmire of Sweetwater visited in the home of his mother, Mrs. Mary Pesmire, this week. Pesmire is an associate at Sears, Roebuck & Company there.

Soldier in Africa Sends \$900 to Buy U. S. War Bonds

Private First Class L. T. Toombs, uncle of Cullen Toombs of the Fluvanna community and of Mrs. Doyle Pogue of the Plainview community, who is fighting with Uncle Sam's forces somewhere in North Africa, is setting a good example for the folks here at home in the Second War Loan Drive.

Private Toombs enclosed \$900, in a recent letter, to his brother, Leon Toombs of Merkel, instructing him to buy U. S. war bonds with the money.

"If all you people at home," Private Toombs writes, "will buy generously of war bond and war savings stamps it will not take long to end the war. All we need is more planes, guns and ammunition. There are plenty of us here to get the job done."

Lonnie Thompson on Air Force Ball Team
Private First Class Lonnie Thompson, son of William A. Thompson, former Snyder resident now at Miami, is now playing left field on the 629th Technical Service Squadron, Army Air Force, softball team at Gulfport Field, Mississippi, it was announced Wednesday.

Private Thompson, who attended Snyder Schools, played baseball and basketball during his high school years.

Mrs. Willie Smyrl and son of Lubbock were week-end guests of their parents and grandparents, Mr. and Mrs. B. T. Durham, at Dunn.

Orval Hess Made Scoutmaster of Troop at Pyron

Orval Hess was selected as Scoutmaster of the Pyron Boy Scout Troop No. 28, when members of the troop committee met Monday evening in the Pyron School building. Frank Andrews, superintendent of Pyron Schools, called the meeting. Schil Adams and Orval Hess were other Pyron attendees. From Snyder went Rev. Hubert Travis, chairman of organization and extension, and Alfred Travis, and Jim Polk, Scout executive.

Wayne Rogers was selected as assistant Scoutmaster.

Another meeting of the committee will be held this (Thursday) evening at 8:30 o'clock, to which boys who are Scouts and those who want to be Scouts are invited. Fathers of the boys also are invited to the gathering.

Troop committeemen say too much emphasis cannot be laid on the dad's attendance. If the father has a boy who wants to be a Scout, and the father wants him to be a Scout, then he should by all means come with his boy. Committeemen point out that if the troop is to ever be set up on a permanent basis the cooperation of the fathers and the Boy Scouts is necessary.

Mrs. A. P. Morris returned home Tuesday after spending last week with her daughter, Mrs. J. W. Snelling, and family at Big Spring. Mr. and Mrs. Snelling and daughter, Joyce, brought Mrs. Morris home and spent the day with her Tuesday.

Your Exchange To Sponsor Radio Time Saturday

Your Exchange, cooperating in Scurry County's Second War Loan Drive, announces that Saturday's regular 30-minute broadcast over Radio Station KXOX, Sweetwater, will originate at the courthouse bandstand.

W. K. Roberts, state manager for Your Exchange, reports that a major portion of Saturday's regular KXOX broadcast for the organization will be devoted to boosting U. S. war bonds and war stamp sales.

Those who will speak over Saturday's radio broadcast will include: Willard Jones, president of the Scurry County Chamber of Commerce; A. C. Alexander, county chairman of the victory fund committee; J. B. Adams, well known farmer of the Union community; E. L. Parr, superintendent of Snyder Schools; C. F. Landrum of Fuvanna; Mrs. P. C. Chenault, well known Snyder club and civic leader; Mrs. A. J. Riley, Snyder woman; W. A. Johnston of Dunn; Major Kinzey of the Hermleigh community; Mrs. Clyde M. Boren, Snyder residential district canvass chairman; Lee T. Stinson, Snyder business district canvass chairman, Charley Lockhart, former State Treasurer, who is now making his home in Snyder, and others.

Motorists Warned of Acids in Motor from War-Time Driving

Danger of acid in the engines of motor cars in Scurry, Fisher, Garza and other nearby counties, due to slow driving necessitated by war-time rationing, was pointed out Tuesday by Dr. B. H. Lincoln, chief chemist of Continental Oil Company.

"There won't be any new cars until long after the war is over," said Dr. Lincoln, "because manufacturers will have to divert from war-time to peace-time production before they can turn out new automobiles. Consequently it behooves all motorists to take the best possible care of the cars they now have."

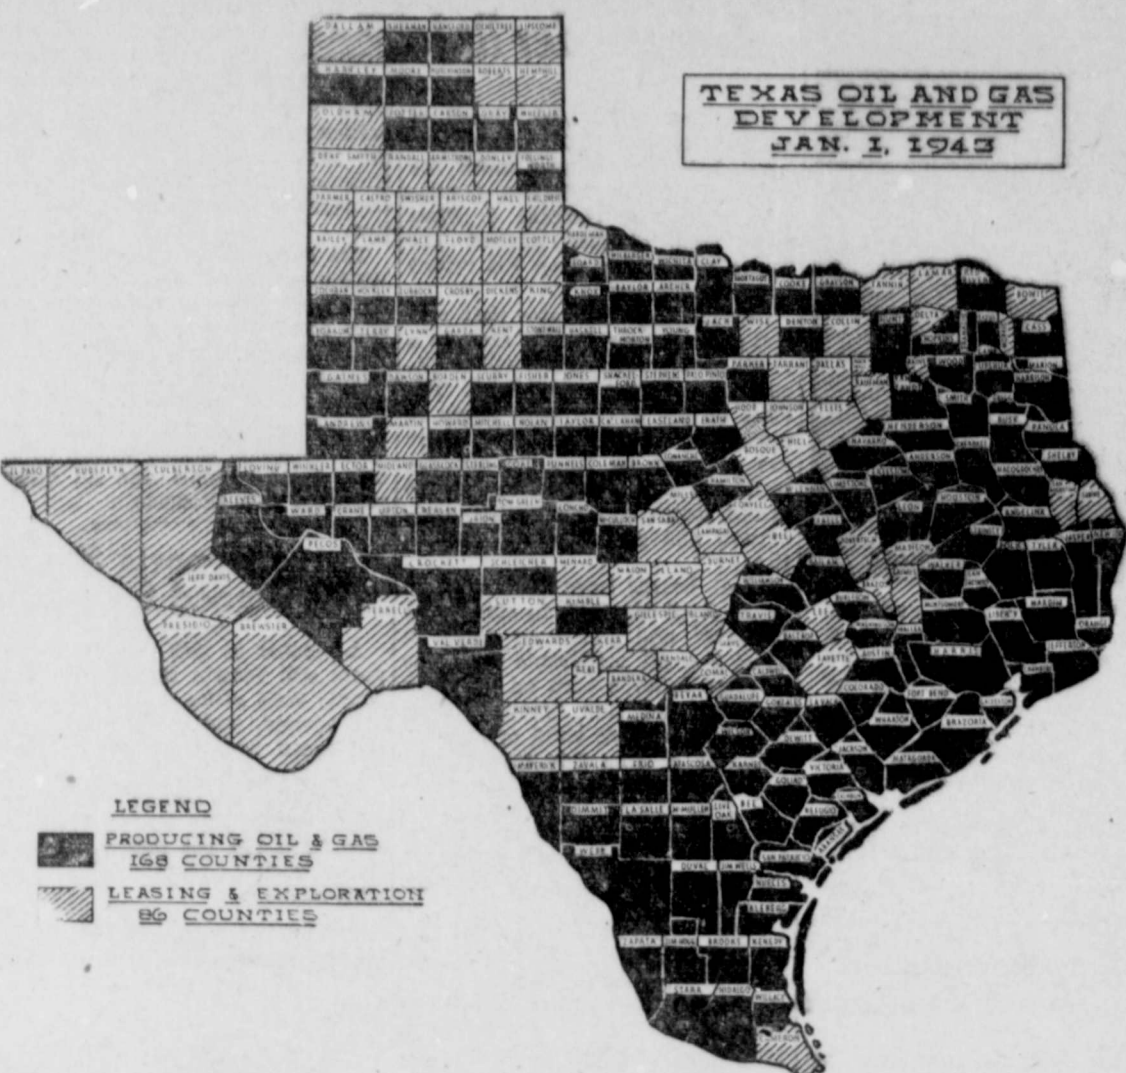

"Due to war conditions of slower driving and less frequent driving, an old danger threatens to become more pressing and do immeasurable damage. It has always been known that cold engines, not run long enough nor hard enough to get really warmed up to their jobs, wear out first. Engineers have estimated that the first few minutes of operation, the warm-up period, are responsible for 80 per cent of all engine wear."

"Actually this has not been due to 'wear' from friction, as the word is usually understood. Corrosion of metal parts by the action of acids is to blame. All vehicle owners should be doubly cautious of operating cars, and have them checked frequently," Lincoln concludes.

Fire Damages Feed Stack

Fire of unknown beginning Sunday afternoon destroyed a large stack of feed in the Big Sulphur community that belonged to Dean Smith. A number of fire fighters from Snyder assisted in extinguishing the blaze and salvaging a portion of the feed.

Oil Industry One of State's Major Tax-Paying Units

With Scurry and every county in Texas now under development for oil and gas, state and local taxes paid by the oil industry in 1942 reached a new peak of more than \$94,000,000—out of \$236,-

000,000 levied in all business and property taxes. This reports the Texas Mid-Continent Oil & Gas Association in "Important Facts About Texas Oil," a booklet just released. In all, 168

counties of the state are now producing oil and gas, and exploratory work is being carried on in the remaining 86 counties of the state by various oil producing companies.

T. I. Bynum Dies Sunday After 46 Years in County

Death called Sunday in Lubbock at the home of Mrs. E. G. Abbott and claimed the life of T. I. "Uncle Tom" Bynum, 82, Snyder resident since 1897.

Born January 18, 1861, in Alabama, "Uncle Tom" moved to Snyder December 24, 1897. He had resided here until the past few months, when he went to Lubbock to stay with his daughter, Mrs. Abbott.

Funeral services for Mr. Bynum, who had been a member many years of the Methodist Church, were held Tuesday afternoon, 2:00 o'clock, at Snyder's Methodist Church. Rev. M. W. Clark, veteran Snyder Methodist minister, assisted by Rev. I. A. Smith, conducted final rites.

Pallbearers were: Oscar Rossen, E. U. Bullard, J. L. Carrell, J. T. Biggs, H. C. Hucabee and A. B. Eicke.

Mmes. E. U. Bullard, Oscar Rossen, Marvin Gary and George Clark were in charge of floral offerings.

Survivors include the widow, Mrs. T. I. Bynum; two sons, Orville Bynum of Levelland, Osco Bynum of Odessa; five daughters, Mrs. W. R. Cox of Michigan, Mrs. E. G. Abbott of Lubbock, Mrs. Bob Brigham of Maypearl, Mrs. Elmer Miller of Amarillo, Mrs. Arthur Turner of Portales, New Mexico; three sisters, Mrs. Rebecca Jurdan of Snyder, Mrs. J. A. Caddell of Los Angeles, California, and Mrs. Nan Algood of Amarillo; 19 grandchildren and other relatives.

Odom Funeral Home directed arrangements, with interment in the Snyder Cemetery.

Church of Nazarene Plans Easter Services

People of Snyder and nearby communities are invited to attend Easter services Sunday morning and evening at Snyder's Church of the Nazarene, located in North Snyder.

Sunday School will begin at 9:45 o'clock, and preaching at the 11:00 o'clock hour, with "The Empty Tomb" as a subject. Rev. Doyle Wilson, pastor, reports.

Young people's services will begin Sunday evening at 7:30 o'clock, and "The Final Night" will be subject for the evangelistic message Sunday evening.

"In dark times like these, only Christ shines forth like a bright light in the gloom," Rev. Wilson says, "and we urge those not regularly attending church to worship with us."

Mr. and Mrs. Renfro farm on the Raymond Light place in the Plainview community, and have lived in Scurry County a number of years.

Survivors include the parents; a sister, Jenella; five brothers, Clyde Renfro Jr., Billie Don, Leldon, Douglas and Kenneth; and the grandparents.

Maples directed arrangements, with burial in Hill Crest Cemetery.

Times Subs to Boys Should Be Renewed

Soldier subscriptions for The Times are mighty important to the boys in service, and "Your Home County Paper" wants to see that each week's issue keeps going to the boys—wherever stationed.

In order to assure continuance of The Times to soldiers, parents and relatives of soldiers should check the expiration date on soldier subscriptions, and arrange renewal at least to expire, as the subscriptions must be paid in advance to meet postal regulations. Most of the subscriptions expire in July.

On overseas soldier subscriptions, it will be necessary for the boys in service to send a written statement, asking for renewal of their paper several weeks prior to expiration.

Stanley Pavlas Finishes Course

Private First Class Stanley L. Pavlas, son of Mr. and Mrs. Edward Pavlas of the Hermleigh community, has graduated at Sheppard Field, Wichita Falls, from an intensive course in aviation mechanics, his parents are advised. Private Pavlas is now eligible to become a crew chief on a bomber and to win rating as a higher officer. He attended Hermleigh Schools, and is known in Hermleigh and nearby communities.

Mrs. R. W. Thompson, formerly of Washington, D. C., and Mrs. Willis Gledose of Cisco were guests of Mrs. Ethel Eiland last Thursday and Friday. Mmes. Thompson and Gledose were en route to Los Angeles, California, to make their home

Tin Can Salvage Would Mean Vital Metals Reclaimed

"Let's get to work, Snyder Housewives, and do our part in the tin can salvage campaign now underway," Mrs. Hugh Boren, Snyder drive chairman, urged Wednesday. "Uncle Sam needs every good can possible to produce copper."

Mrs. Boren submits the following pertinent facts concerning the salvage of tin cans:

Two pounds of cans will produce three pounds of copper. One ton of cans will produce all the copper needed for the making of a Plying Fortress. Every piece of ammunition and every bomb requires copper. Copper is one of the most critical war materials, of which there is an acute shortage. It is reasonable to assume that if we do not take immediate steps to increase our copper output, it will necessitate the allocation or rationing of ammunition and bombs to our fighting men. Tin cans are not junk, but are critical war materials.

What is needed: Tin cans of one gallon size and smaller, which have been flattened. The ends should be cut out and excluded. Materials to be excluded: Burned and rusty cans cannot be used. Housewives, won't you help? Take all tins to the Humble warehouse, two blocks south of the R. S. & P. Railway depot.

Steel Wheels May Be Replaced Under New OPA Rulings

Scurry County farmers who have purchased from tractors and other implements with steel wheels since May 1, 1942, now may convert to rubber tires, S. L. Terry, chairman of the county's USDA War Board, announces.

Purpose of the action now being taken by the U. S. Department of Agriculture, Office of Price Administration and the Office of the Rubber Director, is to help farmers increase efficiency of operations at a time when maximum results must be obtained from farm equipment.

Scurry County's War Price and Ration Board will authorize the conversion, it is announced, on the basis of certification for individual farmer's applications by the county U. S. Department of Agriculture War Board.

On behalf of the county war board, Terry states these two standards will be utilized in certifying applications for tires:

That it is necessary for the equipment to be moved from farm to farm for most efficient operation; and that soil type or topography on which the tractor or implement is to be used is such that steel wheels are a handicap.

Mrs. Clyde Bingham and daughter, Helen Dean, returned to their home in Spur after spending the week here with their mother and grandmother, Mrs. W. H. Cauble.

Mr. and Mrs. R. L. May and son, Finis, of Lorraine were guests of their daughter and sister, Mrs. Ed Stahl, and family Sunday.

Aid to Enemy

"Any American who willfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy. . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' — Secretary Morgenthau.

Infant Daughter of Clyde Renfros Dies

Patsie Juanita Renfro, three-month-old daughter of Mr. and Mrs. Clyde Renfro, who reside four and one-half miles east of Snyder, passed away suddenly Tuesday afternoon, 2:00 o'clock, at a local hospital.

Final rites for the infant were held Wednesday afternoon, 5:00 o'clock, at Maples Funeral Home Chapel. Rev. Roy Shahan, pastor of Snyder's First Baptist Church, officiated.

Mr. and Mrs. Renfro farm on the Raymond Light place in the Plainview community, and have lived in Scurry County a number of years.

Survivors include the parents; a sister, Jenella; five brothers, Clyde Renfro Jr., Billie Don, Leldon, Douglas and Kenneth; and the grandparents.

Fluvanna Group Entertains Lions At Tuesday Meet

Four girls from Fluvanna High School were featured in musical numbers as principal program number at Tuesday noon's luncheon of Snyder Lions Club luncheon at the Manhattan Hotel. A trio composed of Doris Glen Wills, Dot Rea and Doris Mae Bley sang "Why Don't You Fall in Love With Me", "When I Grow Too Old to Dream" and "America, the Beautiful." Arlie Wills accompanied the girls at the piano. A specialty number, featuring Miss Rea in roof-of-the-mouth whistling, "Shepherd's Serenade," climaxed the program.

The club voted to purchase a war bond with fins collected at the semi-annual ladies' night banquet staged last Thursday evening. Wayne Williams reported that sales of bonds and stamps in Scurry County up to Tuesday noon totaled \$107,000, leaving a little over \$100,000 to be raised on the county's \$212,000 quota. Superintendent E. L. Parr of Snyder Schools reported that equivalent of six jeeps in the buy-a-jeep campaign among the nation's schools had been purchased by Snyder School students.

E. O. Wedgeworth announced that Rev. Dick O'Brien of Big Spring had accepted invitation to speak at the victory concert to be staged at Snyder High School auditorium next Thursday evening at 8:30. The concert will be climax of the county's war bond drive.

Mrs. John R. Howell of Cisco spent last week with Snyder relatives and friends, including her sister, Mrs. W. W. Nelson. Mrs. Howell left Saturday for Richmond, Virginia, where she will join her husband, Seaman Second Class John R. Howell, U. S. Navy, who is stationed at Norfolk, Virginia.

Home Nursing Gets More Attention

Red Cross home nursing, as a result of war-time conditions, is coming in now for increased attention here and in other parts

of the country. Girls shown are students in the Orgentz Girls' School at Rydal, Pennsylvania, where nursing is a regular course.

Sifford Sets Services At Hermligh Church

Rev. S. A. Sifford, Hermligh Methodist pastor, announces that Sunday will be preaching day at Hermligh Methodist Church. Sunday School will begin Sunday morning at 10:30 o'clock, and preaching services at 11:30 o'clock.

"Easter will be the subject for Sunday morning, and we extend the general public an invitation to worship with us," Rev. Sifford states. Young people of the church will have charge of services Sunday evening.

Deceased formerly resided here. Mr. and Mrs. Roy Smith accompanied the New Mexico couple and will also attend final rites, which will be held Wednesday. We extend sympathy to Roy in the loss of his father.

Mrs. Lee Smyth returned home Saturday after spending the past 10 days at San Francisco, California, with her husband, who is a petty officer in the United States Navy.

C. C. Bearden, 76, Dies Friday After Sudden Stroke

Cicero C. Bearden, 76, Scurry County resident the past 23 years, succumbed Friday at his home in Southeast Snyder following a severe stroke. Mr. Bearden had apparently been in good health the past few months.

Born April 26, 1866, Mr. Bearden had farmed for many years, and had retired from active farming operations only a few years ago. He was a long-time member of the Methodist Church.

Rev. H. C. Garden, Methodist minister of Slaton, assisted by Rev. I. A. Smith, Snyder Methodist pastor, conducted final rites.

Palbearers were E. Y. Thompson, L. O. Bynum, Walter Holmes, T. B. Knight, Bud Rodgers and Elmeredge Thompson.

Flower bearers were Mmes. E. Y. Thompson, L. O. Bynum, T. B. Knight and Sam Spikes.

Surviving are the widow, Mrs. C. C. Bearden; a son, W. L. Bearden of Proctor; an olive daughter, Mrs. L. O. White of Snyder, Mmes. J. I. Almon and E. L. Jetton of Lone Oak, Mrs. C. N. Rowell of Odessa, and Miss Esther Bearden, a WAAC now stationed at Denton; and one brother, M. F. Bearden of Bonham.

Odum Funeral Home directed funeral arrangements, with interment in Snyder Cemetery.

Air Mechanic

A. V. Ball, son of Mr. and Mrs. R. G. Ball, has just completed a four and one-half month air-craft mechanic course with the U. S. Air Corps at Oakland, California, his parents are informed. Ball was formerly associated with Consolidated Aircraft Corporation at San Diego, and is now undergoing aviation cadet training at Santa Anna, California.

Fathers Granted Deferments from Army Under Rule

Approximately 425,000 "dads" of military age over Texas will be granted draft deferment under the amended Selective Service regulations, Brigadier General J. Watt Page, state director, advised The Times Wednesday upon his return from Washington.

General Page estimates that several dozen Scurry County men, as a result of the amendment, will be eligible for deferments as fathers. The chief of the state system hopes to protect men in homes where there are children as long as possible, while meeting requirements of the armed forces, war production, agriculture and other essential activities.

Local boards have been directed as of April 12, 1943, to classify as "fathers" and retain or place in Class 3-A all registrants with one or more children born on or before September 14, 1943, "provided such registrant and his child or children maintain a bona fide family relationship in their home" and excepting such registrants who are engaged in farming, and thus entitled to a 3-A classification, and those engaged in certain non-deferrable activities.

"The revision of regulations has not only abolished dependency deferment for childless married men," General Page said, "but adds thousands of men to the fathers' class who were heretofore excluded under general instructions to local boards to disregard as reason for deferment a child conceived at a time when there were reasonable grounds for the father to believe his selection for induction was imminent."

Bond Sales Boosted In School Program

Special assembly program given Wednesday morning in the Snyder Schools, in keeping with San Jacinto Day, attracted unusual interest from the student body, faculty members report.

"Why We Are Buying Bonds" was theme for the program, at which some 25 students, from the first through the 12th grade, spoke briefly. Representatives of the town's Mexican and Negro students appeared on the San Jacinto Day program.

Patsy Snodgrass of Lubbock spent the week-end at Fluvanna and here with relatives and friends.

MORE FOOD—A Basic Need for '43

Food is basic. Without a plentiful supply, the day of victory will be postponed. The farms, ranches, ranges and plantations of our great country are one production line which must not fail. In this community, here are many who have the place and equipment to produce food and other things so vitally needed. But more than this they also have 100 per cent patriotism and the spirit of cooperation, which enabled them to make a new record last year. A record which, for this year, they will endeavor to excel. We welcome the opportunity to make sound loans which will help in financing greater production.

We Can't Fail Now...!

Last week we started this thing by covering up that well known face (?) of Hirohito. Now you can go ahead with the job and start on Italy's muscle man, Mussolini. What a relief to get that thing covered up.

Seriously though, you can really help put these faces where they won't bother us again by buying War Savings Stamps. We are only a little over half-way on our quota of \$212,000 for Scurry County, so come on and let's cover up Hirohito, Mussolini and Hitler, then you can trade them in for a \$25 War Bond. It'll come in handy too, in about ten years.

Rheumatic Fever Is One of Childhood's Worst Afflictions

Dr. George W. Cox, state health officer, commenting on the seriousness of rheumatic fever, this week declared that this disease is recognized as one of the greatest killers among young people. Between the ages of 10 and 15, rheumatic fever causes more deaths than any other disease, the state health officer said, and in persons between the ages of 15 and 24 it is outranked only by tuberculosis.

Dr. Cox stressed the fact that deaths in childhood from rheumatic fever have not decreased in a satisfactory manner during the past decade, and warned the parents of children to pay particular attention to the care and treatment of such predisposing diseases as tonsillitis and other upper respiratory infections.

"The diagnosis in this disease is not always easy," Dr. Cox stated. "Any child with suspicious symptoms should be under the prolonged supervision of a physician since along with a general involvement of the body, the heart is usually always involved. The symptoms may consist only of palor, loss of weight, easy fatigue, unusual sweating, loss of appetite, and sometimes fleeting muscular pain, and little joint stiffness and a rapid beating of the heart. The more severe cases may show repeated nose bleeds, extreme nervousness, stiffness and pain in the joints, swelling of the joints, fever and pain over the heart."

Seed Wheat Offered In Snyder for \$1.10

A carload of feed wheat, which arrived here Wednesday, is being offered to Snyder and Scurry County livestock owners for \$1.10 per bushel, and must be sold by Friday night, Scurry County's U. S. Department of Agriculture War Board announces.

The feed wheat is being handled by McClinton & Noble Feed Store, north of the square on Avenue S. Interested persons are urged to contact McClinton & Noble at once.

Bethel Soldier Is Pictured in Paper Printed in Britain

Sergeant Sidney Colezeler, with the U. S. Air Forces in England, is a Bethel community youth who won recently the distinction of having his picture in "Stars and Stripes," U. S. Army newspaper published in England.

Colezeler is picture in the newspaper's picture of the story of a bomb "Misery," a misery which loves company, and then gives its life story from the day of its creation to the instant of its destruction. Sergeant Colezeler is pictured as one of the crew loading the bomb into a Flying Fortress.

Sergeant Colezeler attended his first school at Bethel, and resided in Scurry County 11 years. Enlisted in the U. S. Army October 28, 1940, he was transferred to the air corps in October of 1941. He sailed for England in September of last year. Since being in England, the Bethel youth says he has attended a course in aircraft hydraulics.

C. L. Rea, Retired County Rancher, Dies Wednesday

C. L. Rea, 83-year-old retired rancher of the Fluvanna community, who was widely known in Scurry, Borden and Garza County cattle circles, died last Wednesday at his home seven miles south of Fluvanna following an 11-year period of ill health.

Born November 10, 1860, in Columbia, Tennessee, Rea moved to the Fluvanna community in 1900 from Roscoe. He had been a member of the Church of Christ 27 years.

Mr. Rea was united in marriage to Lula Parker in 1890. He was manager of the old Wheat post office at Hermleigh, the first post office at Hermleigh.

Funeral services for the pioneer county resident were held last Thursday afternoon, 3:00 o'clock, at the Fluvanna Church of Christ. Bro. Raymond C. Keley Snyder, Church of Christ minister, officiated.

Clyde Rea, Leland Rea, Bill Rea, Hubert Rea and Osmon Jackson of Hermleigh, nephews, and J. C. Parker of Fluvanna served as active pallbearers. Friends of Rea were named as honorary pallbearers.

Flower bearers were Doris Glen Willis, Floris Mae Bley, Sue Sproat, Arlie Willis, Ina Lou Carmichael and Jean Hughes.

The widow, Mrs. C. L. Rea, survives as do two sons, T. J. Rea of Fluvanna and C. E. Rea of Hereford; a daughter, Mrs. K. W. McKnight of Dallas; 10 grandchildren, three great-grandchildren and a brother, B. Y. Rea, of the Hermleigh community.

McDonald & Son Funeral Home of Lubbock directed funeral arrangements, with interment in Fluvanna Cemetery.

Bunk Casey Receives Sergeant Promotion

Clyde "Bunk" Casey, 22, son of Mr. and Mrs. Guy E. Casey of the Midway community, U. S. Air Corps at Rosecrans Field, Missouri, has received promotion to rank of sergeant, his parents are informed.

Sergeant Casey is a graduate of Hobbs School, and attended Texas Tech College, Lubbock. He was well known in the Midway community as a stock farmer. Clyde is attached to the air service personnel.

First Presbyterian Church

Our Sunday School is growing. Come to Sunday School next Sunday and grow with us.

The morning worship service will center around the resurrection of Jesus Christ. Make Easter Sunday a joyful day by coming to church.

The young people will meet Sunday evening in their regular meeting. You are welcome to attend this meeting.

Sunday night at 8:30 o'clock Mrs. Charles Manning will give the story of "The Robe." Let us fill the church for the occasion.

Come out and sing and pray with us Wednesday night at 8:30.

Friends, let us realize that there is a war on, and may we do everything that we can to help. Since we are not on the front lines, we who are here at home must buy bonds and go to church.—Hubert C. Travis, Pastor.

First Aid Contest For Scouts Starts Friday at Snyder

Leighton Griffin, chairman of health and safety for the Boy Scouts of Scurry County, states the first aid contest for Scouts of the county will be held Friday evening in the Snyder High School gymnasium. The event was announced to Scout troops months ago. The public is invited, and especially the parents of Scouts participating, Griffin announces.

The chairman explains that each troop may enter as many teams as it has patrols and that each team must have five members and one patient. The patient will pretend to be affected with teach of the symptoms on the printed problem the floor manager will hand to the captain of the first aid team.

Judges of the contest will base their decision on promptness in sending for a doctor with complete information on the nature of the injury, diagnosis and first aid measures taken.

Certificates of merit will be awarded each team entering the contest, and those teams averaging above 85 on all of the problems will be counted as having passed second and first class first aid requirements.

Harpole to Lumber Confab

Howell Harpole, manager of Snyder's Burton-Lingo Lumber Company, returned over the weekend from San Antonio, where he attended the Texas Lumbermen's War Conference. Max Lingo, assistant to the War Production Board's lumber division, was principal speaker.

Snyder General Hospital

Mrs. Max Brownfield, Mrs. Hugh Davis, Mrs. Folly, Mrs. Knowlberg were the patients carried home from Snyder General Hospital since last week's report.

Mrs. E. T. Rainwater and Mrs. Pete Bradshaw entered the hospital this week for surgery.

Ed Underwood and Mrs. James Carter were in this week to receive medical treatment.

Gas Coupons on Car Sold to Be Returned To Rationing Board

Certificates of War Necessity and "T" ration gasoline coupons are not to be transferred along with titles to trucks, the Office of Defense Transportation points out to Scurry County truck owners this week.

ODT officials declare that violation of this regulation may result in suspension or revocation of certificates. When transfers are completed, the new operators should file applications for certificates of war necessity. Failure to file application also may result in suspension of certificates, ODT warns.

Single unit operators, for example, who must make transfers must return certificates to the district ODT office and surrender unused "T" coupons to the local War Price and Ration Board. Fleet operators are required to advise the nearest ODT district office of their action and return the appropriate sub-certificates.

ROSS COVEY OF SWEETWATER TELLS LIONS MONEY IS LEAST PART OF OUR ROLE IN WAR

"Money is the least part of our role in the war," Ross S. Covey, superintendent of Sweetwater Public Schools, told Lions and guests at the semi-annual ladies' night program Thursday night at the Manhattan Hotel banquet room. "We thought we were ruined when tires were rationed. We need to accept wartime restrictions as our patriotic duty to those at the far-flung battlefronts of the world who are undergoing the real hardships of the war today. We need to buy the bonds that will assure victory to our side as our minimum goal in the war," the school man told his hearers.

"We as people back home would rather put up our cars for the duration than to have one tank, one jeep or one plane to go without tires. Our leaders say rationing is necessary, and we must believe in our leaders. Many tons of food goes to the ocean bottoms every day—so we need rationing."

Turning aside from the subject of war, Covey declared that Lionism is a good yardstick to measure a man by. "Man is not measured by his mineral content, not by size, age, pride, wealth or personality—but by the length of his vision, the breadth of his mind and the depth of his soul. All of these latter qualities, Covey said, are gauged by one's unselfish service to his fellow man."

Proceeding Covey's address, which was the climax to an evening's program, was a series of offerings arranged by E. O. Wedgeworth. Jetie D. Elkins, regular pianist and sweetheart of the Snyder Lions

Club, was presented a gift from the service group by Master of Ceremonies Lee T. Slinson.

"Journey Through Music Land" was title of a unique musical and reading number presented by Mrs. Gerald Gordon, reader, Mrs. Jim Polk, soloist, and Mrs. L. A. Chapman, pianist.

In an impromptu spelling bee between three women and three Lions, Mrs. Gordon was awarded the prize as winner. Others participating were Mrs. A. C. Preuit, Mrs. Wayne Bern, Elmer Taylor, C. F. Sentell and Jim Polk.

Foy Wade was declared winner in a dog calling contest, when his pooch appeared on the scene in answer to his beckoning. Other dog seekers were J. E. Blakey, Lyle Deffebach and Hubert C. Travis.

Guests for the ladies' night affair were Mr. and Mrs. A. C. Preuit, Mrs. Pearl Shannon, Mr. and Mrs. Joe Graham and Mr. and Mrs. M. H. Roe.

Proceeding Covey's address, a namesake, four-year-old Ross Thompson, son of Mr. and Mrs. George Thompson of Sweetwater, lead the group in repeating the allegiance to the flag. He also sang the Army Air Corps Song and the Song of the Marine Corps.

Move to Fix Ceiling On Cotton Imminent

Office of Price Administration officials at Washington hinted Tuesday that action is imminent on the fixing of maximum cotton prices.

Prentiss Brown, national OPA administrator, points out that cotton is one of the cost of living items whose cost must be "planned down" to conform with President Roosevelt's order to "hold the line" against inflation.

Gifts were unwrapped and admired. Refreshments were served to Misses Fred Cotton, Hilman Holmes, Lloyd Cotton, Buddy Crowder, J. E. Lewis, Houston Cotton, W. M. Davidson, A. B. Cockrell, D. B. Durham, R. H. Amos, R. C. Goodlett, Earl Lewis, Graham Smith, E. B. Bolding, Orlan Smith, Sam Williams, L. A. Scott and D. D. Smith. Several gifts were sent by those not able to attend.

Mr. and Mrs. W. A. Johnston have received word of promotion of their son, Marcus, to seaman second class; their nephew, Bobby, to first lieutenant in the air corps; and nephew, Louie Johnston, to chief petty officer in the navy.

O. K. Davis, superintendent of Dunn Schools the past two years, has resigned to accept a government job at Laredo as border inspector. Mr. Davis left Sunday for that place, and Mrs. Davis and son, O. K. Jr., will remain here for a while. Mrs. Davis is teaching. Friends of Mr. Davis gathered at the gymnasium Saturday night for a farewell get-together. George Hook is acting superintendent for the rest of this school year, and Rev. A. B. Cockrell is teaching the subjects Mr. Davis taught.

Their Radio Children Make Five

It's now a three-cornered job that Blondie (Penny Singleton) is teaching Dagwood. On the air, both Blondie and Dagwood—known to thousands of radio fans are parents of two. At home, Arthur "Dagwood" Lake recently became the father for the first time, and Blondie is the mother of two in the house where she's known as Mrs. Robert Sparks.

Easter in the Shadows
Seldom, in all our history as a civilized nation, has America turned its face toward the Easterlike season with so much hope, so much sober reflection and so much anticipation of better days to come at this Easter—even though the day of days will fall as a mark of softened light in a world of shadows.

Food enrichment loomed this week as a probable development during the war-time crisis. Foods of which we have abundant supplies will be enriched with vitamins and minerals, and bread, as a starter, will be given an extra "shot" of dried milk to make the staff of life carry more "zip."

Buy a Liberty Ship!
Despite the fact Scurry County's Second War Loan Drive got off to a flying start Monday, April 12, only \$107,000—approximately 50 per cent of the assessed \$212,000 quota—had been raised through Tuesday.

On the affirmative side of the ledger the argument on Allied shipping goes to the effect the public should be told of the heavy losses before the public is jarred with some amazing admissions later in the summer.

Editorial of the Week
RIDE 'EM, COWBOY!
Governor Coke Stevenson indicated Monday that he may ask the Legislature to do something about judicial and legislative redistricting, a little matter that has been hanging fire since 1920, whereas the constitution makes it mandatory for the Legislature to re-district after each decennial census.

Bad as we hate to say so, there is no assurance that the delegations from the Pacific war theatres succeeded in getting any great quantity of additional men and materials. China, which has been on her knees asking us for a few planes and guns to kill more yellow-bellied Japs, is convinced now that the United States—even though termed the "arsenal of democracy"—will not release as many as 100 ships for China any time this year.

ACID - not speed - may "burn up" your engine now!
SPEED LIMIT 35
You don't go "tearing off" the miles, and you hate tearing off ration coupons, too. You'd think your low speed and mileage would almost do away with engine wear. But the products of combustion—always hanging back in the cylinders after stopping—contain acids that nibble at metals!
Engine acids are nothing new, only they couldn't do their worst when interrupted by frequent use of your car and fast driving, instead of staying in your inactive engine for days. Short, slow, infrequent runs don't help much to clean acids out. So now when you're not even sure of getting any needed replacement parts, make sure you muzzie acids as well as you can, by keeping your engine's insides OIL-PLATED.
You know of plating being used to resist such corrosion as rust, for instance. And to resist acid corrosion, have your engine OIL-PLATED—quickly—simply—economically—by changing this Spring to Conoco Nth motor oil—patented. It includes a great advancement in synthetics, invented to maintain OIL-PLATING up and down your engine's insides, during many hours or days when such resistance against acid can help. Your Spring oil change is a "must," but the worst acid effects are not—not when you get Conoco Nth motor oil. Continental Oil Co.
