## RODEO FINEST IN HISTORY OF COUNTY FETE

\$34,575 in Bonds and Stamps Sold  
At Four-Day Show—Record  
Crowd Attends Saturday

Books closed Sunday night on Scurry County's Seventh Annual Rodeo with the most unusual record rung up in county rodeo history—\$34,575 in war bonds and stamps sold during the July 15-18 round-up, counted attendance of 7,250 people at Saturday evening's performance and dishing out of \$2,000 in war bonds and war savings stamps to top flight contestants.

J. C. Derward, Scurry County Rodeo Association president, announced Sunday afternoon award of a 16-inch loving cup, presented by Williams Jewelry Company and formally made by Henry Rosenberg, chairman of the cowgirl sponsors' contest, to Carolyn Cox of Midland as best all-around cowgirl.

Award of a 16-inch loving cup, donated by C. T. McLaughlin, owner of the Diamond M Ranch, for the best all-around cowboy of the July 15-18 rodeo was made to Limey Thomas of Levelland.

High tide mark of the seventh annual rodeo was reached Saturday evening when 7,250 people jammed the rodeo grounds to witness one of the best performances ever turned out in this area. Some 800 people were turned away because no room was available anywhere around the arena.

Special guests Saturday evening included 150 WAAPFS from Avenger Field, Sweetwater, and 60 officers from Big Spring Bombardier School, headed by Colonel Robert W. Warren, commanding officer. The Big Spring officers and their ladies were special guests of C. T. McLaughlin, Diamond M Ranch owner, and Mrs. McLaughlin.

Group of five twin-engined bombers from the Big Spring school flew over the rodeo arena several times in honor of the coronal occasion.

Approximately 65 per cent of the Avenger Field WAAPFS had never witnessed a rodeo previously. A considerable number took part in Saturday evening's grand entry, and in their own language "were thrilled to pieces."

One WAAPF, seated on a horse for the first time, described a saddle as a "one-by-two cockpit for a Pieper Cub trainer—" but that didn't keep the women flyers from having a grand time.

Congressman George Mahon of the 19th District, who spoke on the courthouse lawn Saturday afternoon, led Saturday evening's street parade.

## Financial Drive For Scout District Set in September

Chairman H. L. Wren presided Tuesday afternoon when the Snyder District Council of Boy Scouts in the offices of Texas Electric Service Company.

Announcement was made that the annual financial drive for the Snyder Boy Scout district will be held in September.

Advancements for the district were reported by officials to be at high ebb.

Two Scout troops, Pryon and Hobbs, have recently been reinstated, it was announced at Tuesday's meeting.

Foy Wade was named scoutmaster of Snyder's Troop No. 35, sponsored by Snyder Schools, to replace C. W. Geelan.

J. E. Blakey, Wayne Boren, H. L. Wren and Jim Polk, it was announced, will attend a council financial committee meeting, to be held Tuesday of next week in Big Spring.

## Cotton Growers To Get Classing Service by Plan

Scurry County has been divided into a four-county wide Cotton Improvement Association, and application sent in for free cotton classification and market news service this year under the Smith-Doxey Act, Edward S. Hyman, county agricultural agent, reports.

Free cotton classification services given the county in 1942, under the Smith-Doxey Act, saved Scurry County farmers \$1,260, Hyman states.

More applications for free cotton classification services have been received this year than ever before, J. R. Kennedy, regional chief of the PDA's cotton and fiber division, announces. Last year samples were classified for 117,841 members of more than 1,276 organized cotton improvement groups.

The classing and market service available to farmers of Scurry and other counties of the nation began under the Smith-Doxey Act in 1939.

Application forms for the free classing and market news service may still be obtained from County Agent Hyman.

Bernard Franks, 150-A, was placed in Class 4-P (unfit for military service), as was John P. Boyler, 502.

Theda Mae Parr of Seymour, a contestant in the colorful cowgirl sponsor events, was injured Friday night when a cinch broke on her saddle. Thrown by her horse, Miss Parr was carried to a local hospital and given emergency treatment. She was said Sunday afternoon to be recuperating as well as could be expected. She sustained bruises and minor injuries.

"All 12 entries in the cowgirl sponsor events exhibited a fine spirit of sportsmanship in this year's rodeo," Rosenberg said, "and I know we have never staged a rodeo here previously when entries performed smoother or with greater credit."

"We take off our hats to the cowgirl sponsors," Scurry County Rodeo Association officials state, "and we hope we will have another fine group of contestants to enliven our next annual round-up."

REA Directors Talk  
Extension Problems  
At Tuesday Session

M. L. Andrews of Snyder, W. O. Moore of Hermleigh and John A. Stavely of Pflugerville, Scurry County directors of Midwest Electric Cooperative, Inc., met Tuesday evening in Roby with other Midwest officials to discuss new REA lines in the Midwest area and needed improvements for the Roby headquarters building.

Lon Adams, Midwest superintendent, presided at the called gathering. Mr. Merchant of Abilene, district engineer, explained methods by which REA customers in Midwest territory can be accommodated by new lines—even with present wartime restrictions clamped on.

In addition to the Scurry County Midwest officers present at Tuesday evening's called meeting included: Elmer Kennedy of Stone-Walk County, Ab Aaron of Rotan, Dew Kearney of Longworth and John Brown of Nienda, Jones County.

Fire Destroys Home  
In Crowder Vicinity

Fire that originated from an oil stove Tuesday morning destroyed the frame residence of Mr. and Mrs. Robert Gregory of the Crowder community.

Flames enveloped the Gregory residence so quickly only a small amount of furniture was saved, neighbors report. Several contributions in money and household goods have been made to aid the family.

## Elmo Faver Sends Rodeo Entry from South Pacific Post

Sergeant Elmo Faver of the Pflugerville community, now in the South Pacific with the U. S. Army, evidently figured the war would be over by the time Scurry County's 1944 rodeo is staged in Snyder.

The county's seventh annual rodeo was just getting underway last Thursday evening, when a cablegram arrived from Sergeant Faver, who competed here in 1941 rodeo events. It read:

"Enter me for wild cow milking contest in 1944."

Sergeant Faver in civilian life was conceded to be a top rodeo hand, and won considerable amounts of prize money here and other rodeos in this section of Texas.

"Even though a lot of us can't attend the 1943 show, we will depend on The Times to bring us results of your events. Tell our Scurry County friends hello," Faver concluded.

## Five-County 4-H Club Camp Slated At Johnson Place

Friday and Saturday, July 30 and 31, were named this week as the dates for holding the annual boys' 4-H Club Encampment of Scurry, Lynn, Borden, Dawson and Gaines Counties on the Johnson Ranch in Borden County, Edward S. Hyman, county agricultural agent, reports.

Saturday has been named as the deadline for boys to register for the two-day gathering, and the county agent hopes all who desire to attend the camp will register with him by Friday afternoon.

Approximately 150 4-H Club members from the five-county zone have already indicated intentions of attending the Borden County conclave, camp officials state, and others who plan to attend should register at once.

In addition to Hyman, other agricultural agent-officers of the encampment include: Frank Medley, Borden County agent; Judge Smith, Lynn County agent; Lee Beck, Dawson County agent; and Cline Morris, Gaines County agent.

Sunday Was Hottest  
Day So Far with 99

Hottest day of 1943, to date, according to Mrs. Foy Wade, was marked up Sunday afternoon when Old Man Mercury went up to the 99 degree mark.

Maximum temperatures Monday, Tuesday and Wednesday were only one point under the "hottest" mark, for maximum on the three days was recorded at 98 degrees.

Believe it, or not, but July rainfall for the month to date has totaled 21 of an inch. Rainfall days for July follow:

July 5 . . . . .05  
July 9 . . . . .04

## MAHON SAYS U. S. READY TO WAGE GAS WAR

Congressman, Back to Bolster Home  
Front, Tells Snyder Crowd To  
Back Boys on World Fronts

"You will probably be surprised to learn that Congress really adjourned recently to let all the members contact the folks back home and see what steps can be taken to bolster the home front of America," George Mahon, 19th District congressman, told an excellent crowd on Snyder's courthouse lawn Saturday afternoon.

"We are, naturally, spending a lot of money prosecuting the war effort, and wasting a lot of money, but war always leads to wasted funds and efforts," Mahon reminded people of this trade area.

"We have, for example, spent \$2,000,000,000 on chemical warfare, and I hope we never have to use gas and chemicals in fighting the enemy. We cannot, however, afford to be unprepared if the enemy starts to using poison gas. I hope this money has been wasted, because warfare of this type leaves permanent scars this generation cannot possibly erase.

"Let's not forget," Mahon said, "that civilians have a perfect right to criticize the government and conduct of the war, when such criticism is given with an intent of helpfulness. Constructive, sincere criticism will help greatly to win the war."

"We have 9,000,000 boys in uniform we are trying to help, and I know no person, intentionally, would do or say anything that would cause a single boy to lose his life.

"Our sacrifices on the home front, however great, are of small import when we consider sacrifices being made by our boys in uniform, and I want to stress greater, more solid unity on our home front as a means of best helping those boys," Mahon declared.

The 19th District congressman praised the work of the Air Ferry Command, which has rushed supplies, in periods of emergency, to our boys in Australia and North Africa within a space of 48 hours. Such work, he stated, cannot be overestimated in saving lives—especially where units of U. S. forces need serums, vaccines or supplies of blood plasma.

Mahon's speech here Saturday afternoon was said by constituents to have been one of the "most human" talks given by the congressman since Pearl Harbor.

In plauding with people of Scurry and other counties to give their best to the home front, Mahon declared that freedom, carrying with it the right of constructive criticism, was worth every penny being expended to preserve the fundamental tenet of democracy.

Girl Scouts to Gather  
Silk Hosiery in City

Snyder Girl Scouts, directed by Oleta Ikard, sponsor, will make a city-wide door-to-door canvass in Snyder next Wednesday, Thursday and Friday for used silk hosiery, officers of the Snyder troop announced this week.

"We want Snyder ladies to remember our July 28-30 campaign for used silk stockings, and will appreciate all donations," Miss Ikard said. "The government urgently needs used stockings to make powder bags, parachutes and other weapons of war. One powder bag made from our discarded hosiery might save the lives of 10 or more American men."

Canning Center  
At Ira to Put Up  
Food for School

Ruth Wiman, home economics teacher, is in charge of the canning center operating at Ira High School on Tuesdays and Thursdays of each week, members of the Ira School Board reported this week.

By operating the Ira center two days each week, school officials hope to preserve enough food to insure operation of the school's hot lunch room through the winter months.

"We are indeed optimistic over opening of the canning center," Silas Deavenport, Ira superintendent, told a Times reporter, "and we feel we will accomplish something really worthwhile if we secure food stock to keep our hot lunch room project going during the 1943-1944 school year."

"People of the entire community are cordially invited to help us with food conservation, and every pint or quart of home canned food listed will help in the feeding of students during the new school term.

## Frances Bullock Veale Weds Pate In Austin Rites

Mrs. Frances Bullock Veale, daughter of Senator and Mrs. Pat Bullock, became the bride of First Sergeant Robert B. Pate July 8. The single ring ceremony was read at the home of Mr. and Mrs. Loyal Davis, Ardlege Place, Austin, Dr. Edmund Heinsohn, pastor of the University Methodist Church, officiated.

Mrs. Pate wore the traditional "old and borrowed" a tuxedo belonging to Mrs. Lee Smyth. The bride given in marriage by her father, chose to wear an afternoon frock of aqua blue crepe, and she used black accessories. She wore a shoulder arrangement of split white carnation and sweetheart roses. Margaret Berry, of Austin, maid of honor, was dressed in white linen and she wore a corsage made up of pink carnations. Mrs. Bullock, mother of the bride, was dressed in a navy blue crepe and she wore an arrangement of Lady Hillington roses. Donald Darby also of Austin, was best man.

Wedding music for the impressive service was rendered by Frances Slawley of Austin, formerly of Pluanna. She played "I Love You Truly" and "Because." The Davis home was decorated with sweetheart roses and the only attendants were the family and close friends. Immediately following the ceremony a garden reception was held. The bride and bridegroom cut the tiered cake and punch was served by Betty Davis and Mrs. Garland Darcus.

Mrs. Pate was wearing a black and white check suit with black accessories. The couple left immediately after the reception for Nashville, Memphis and Murfreesboro, Tennessee. Sergeant and Mrs. Pate arrived in Snyder early this week to spend a few days. Mrs. Pate is employed by Lone Star Gas Company in Snyder and she will continue her work here for the present. Sergeant Pate returned to Camp Swift near Austin, Wednesday, where he is stationed. He is the son of Reece Pate of Nashville.

## HOME DEMONSTRATION CLUBS

By Estella Rabel, Scurry County Home Demonstration Agent

**Miss Rabel at Hermleigh.**  
Estella Rabel, county home demonstration agent, met with Mrs. Mildred Rea and 12 other ladies at the Hermleigh School canteen center last Thursday and tested six cookers and canned peas and tomatoes. The peas were canned in a pressure cooker, and the tomatoes were canned in a water bath canner.

"It is best to can fruit and tomatoes in a pressure cooker because they keep easily when processed at 212 degrees (boiling temperature) in the water bath. In the pressure cooker at five pounds pressure it would be 228 degrees. This higher temperature is not necessary and it only causes fruit to be overcooked and mushy. One may use the pressure cooker kettle as a water bath by leaving the petcock open all the time so that the temperature will not go higher than 212 degrees," Miss Rabel said.

As a result of this Share-and-Save School the Hermleigh ladies are requesting the organization of a Home Demonstration Club so that they might meet regularly with the agent.

**To Make Tomato Products.**  
With tomatoes getting ripe, you might be interested in the following tomato recipes. Estella Rabel, county home demonstration agent, advises county housewives:  
To make tomato catsup: Select good tomatoes, cutting out all green and hard pieces; remove skin and seeds and pass through fine sieve (as for tomato juice), using these quantities: Five pounds of tomato puree, six tablespoons salt, one and one-quarter cups sugar, one cup vinegar (strong five per cent acid acid). To these spices in ample size bag: One tablespoon celery seed, one-third teaspoon cinnamon bark, one-sixth teaspoon cayenne pepper, one-third teaspoon mustard seed, one-half teaspoon paprika, and one slice onion.

Strain puree of tomato through cloth, separating yellow liquid from red tomato solids. Boil liquid rapidly to one-half its volume. Add tomato solids and hang spice bag into boiling catsup. Boil rapidly 30 to 40 minutes. Stir to prevent sticking or scorching.  
Add vinegar, salt and sugar five minutes before the end of the cooking period. Boil rapidly and stir carefully. Remove spice bag. Seal at once into hot sterilized bottles or jars.

Note—Spices can be added or omitted to meet individual taste. Allspice, cloves and black pepper impart a dark color.  
**Chili Sauce.**  
Chili sauces might be considered catsup that has not been strained. More onion is chopped and added to the tomato. Tomatoes are first cooked down to one-half weight; then chopped onion added, spice hung into boiling sauce and prepared as for catsup, boiling 30 to 40 minutes, adding vinegar, sugar and salt five minutes before end of processing period. Remove spice bag. Seal at once into hot sterilized jars or bottles.

**Green Tomato Mince-meat.**  
Ingredients: Four quarts sliced green tomatoes, two quarts pared and sliced tart apples, one-half pound currants, four tablespoons cinnamon, four tablespoons citron minced, one-half teaspoon allspice, one-half pound seed-d raisins, five cups brown sugar, two cups vinegar, two cups water or more later and less vinegar if the latter is very acid.  
Chop the tomatoes and the apples fine. Add the other ingredients and boil the mixture slowly until the tomatoes are tender and the mince-meat is thick but not watery. Stir occasionally to prevent burning. If desired, this may be sealed in sealed jars for later use. The quantities given in this recipe should make about three quarts of mince-meat.

## Willie Pearl Glen Weds Abilene Man

Mr. and Mrs. C. T. Glen are announcing the marriage of their youngest daughter, Willie Pearl, to Richard H. Leeson, son of J. T. Leeson of Abilene. The marriage ceremony was read July 17 by Rev. J. N. Palmer, pastor of the First Baptist church, at his home in Baton Rouge, Louisiana, in a ring ceremony.

Only attendants were the bride's sister, Mrs. A. D. Murphy, and Mr. Murphy, with whom the bride has been living for the six months she has been working in Baton Rouge. Five months previously Mrs. Leeson was in San Diego, California. For her marriage Mrs. Leeson was wearing a navy blue and white costume, a two-piece dress with blue and white accessories. Mrs. Murphy wore a beige and brown dress with matching accessories.

The bride, a life-long resident of Snyder, was graduated from the local high school. Leeson travels with the Stamford Mill & Elevator Company of Stamford.

## Hobo Hike Enjoyed By YWA Group

A hobo hike was enjoyed Monday evening, when members of the Y. W. A. of the First Baptist Church, started on a tour for their ends for the social evening entertainment.

After members hiked to the different homes for the food they all went to the home of Helen Joy Taylor. There guests enjoyed a delightful evening.

Those present for the affair were: Mary Belle Weatherbee, Roy Jeanne Shahan, Edith Tatum, Evelyn Clark, Maxine Jones, Louella Eades, Juanita Patrick, Payden Norred, and Mrs. D. V. Merritt and Mrs. J. W. W. Patterson, sponsors of the group.

Mr. and Mrs. Nolan Adams of Austin were guests of Adams' parents, Mr. and Mrs. Joe Adams, last week and part of this week. Adams has recently received a degree from the University of Texas. They will go from here some time this week to New York City, where Adams will do defense work.

Mr. and Mrs. Darrel Turner and daughter, Helen Jo, of Rotan were Sunday guests of Mrs. Turner's sister, Mrs. David Strayhorn, and Mr. Strayhorn.

Mayme Lou Stokes of Lubbock spent the week-end in Snyder with her parents, Mr. and Mrs. S. O. Stokes. Miss Stokes is attending Draughon's Business College at Lubbock.

### Minor Casualties At Rodeo Include Two Broken Legs

Casualties of Scurry County's Seventh Annual Rodeo, July 15-18, were reported Wednesday afternoon to be rapidly mending.

Carl Satterfield of Clovis, New Mexico, who entered a local hospital Friday night with a broken right leg, was reported Tuesday night to be doing well. A purse of \$244.95 was made up Saturday night at the rodeo arena for Satterfield.

Thea Mae Farr of Seymour entered a local hospital Friday night for treatment, following a rodeo arena accident in which her saddle cinch broke and Miss Farr was thrown to the ground—with considerable force. She sustained bruises and minor injuries.

Buck McDougal of Big Spring entered a local hospital Saturday night, when an outlaw horse threw him, causing a right arm to be broken.

Both Satterfield and McDougal are top rodeo performers, and have appeared at Madison Square Garden, New York City.

Another minor injury or two were reported during the course of the rodeo, and several contestants sustained skinned hands and fingers in dealing with the stock used from Wood Stock Farm, Clovis, New Mexico.

### Maymedell Simmons Assigned to Capital

Maymedell Simmons, Seaman First Class, daughter of Mr. and Mrs. Ira Simmons of the Camp Springs community, who joined the U. S. Navy's WAVES in April, has been assigned to the communications department of the navy in Washington, her parents learn.

Maymedell, a graduate of Hobbs High School, attended Texas Tech College at Lubbock, and was employed by Wilson & Company of Lubbock before she entered military service. She will receive her radio third class rating this month. She is working under jurisdiction of the Potomac River Naval Command.

### Congressman

"We've got many hills to climb, and still have to hammer home the fact to some civilians that we're engaged in all-out war against the Axis, but America will emerge as the strongest nation on earth when this conflict is over," George Mañon, 19th District congressman, told Snyder friends here Saturday afternoon. Mañon, who spoke on the courthouse lawn, pleaded for greater unity among civilians as a prerequisite to winning the peace.

### A Gas Coupons Are Valid in U. S. Today

Today (Thursday), marks an important date for all Snyder and Scurry County motorists who hold the new "A" gasoline ration books.

Today, the renewal "A" coupons, starting the second go-around of gasoline rationing for OPA, become valid and will give county motorists a chance to utilize the first set of "A" coupons. New books recently issued, containing "A" rations, are due to last for the remainder of 1943.

### Typhus Fever Is Reported Making Rounds in Texas

Reports coming into the State Health Department at Austin indicate the presence of typhus fever in almost all sections of the state without any particular apparent regard to city or rural population, according to Dr. George W. Cox, state health officer.

In urging full cooperation from all communities in a campaign to exterminate rats and thus control the possible increasing incidence of typhus, Dr. Cox said, "It must be kept in mind that the rat acts as reservoir of the typhus germ, and the rat flea is the means by which typhus is transmitted to man. Rats are known to travel many miles from one community to another, and it is therefore obvious," Dr. Cox said, "that it will be necessary to conduct a vigorous rat extermination program over the entire state."

Dr. Cox recommends a four-point extermination program in addition to the already widely used poisoning campaign which he asserts will assure more than temporary typhus control. This program includes making all food stuff inaccessible to rats through proper garbage storage, collection and disposal; rat proofing homes, business and public places; keeping at least two traps set and baited in every home which is not rat-proof and proper educational measures.

In discussing the educational measures, Dr. Cox pointed out that since the typhus fever rat is known to inhabit practically every section of the state it will necessarily take state-wide cooperation to exterminate the pest. In order to do this the public must become adequately acquainted with the habits of the rat and the various effective control measures that may be applied. Dr. Cox stated that the State Department of Health has available motion picture films on this subject and that the department has also issued a bulletin outlining rodent control measures. "This bulletin will be mailed free upon request," Dr. Cox said, "and the films may be had for public showing upon application through local health units."

### THE POCKETBOOK OF KNOWLEDGE

### Evangelist Wallace Invites Folks to Hear Sermons at Revival

"Why Men Are Not Baptized" will be the sermon subject. Bro. Glenn L. Wallace of Los Angeles, California, will use this (Thursday) evening at the annual open air revival meeting, Snyder Church of Christ.

Bro. Wallace, who started the open air revival here last Wednesday evening, is being assisted by Cecil Wheeler, who is directing song services for the 12-day meeting, and Bro. Raymond Keely, Snyder Church of Christ minister.

Three baptisms were reported through services Wednesday morning by Bro. Keely.

Daily services of the revival are being held at 10:30 a. m. and 8:45 p. m. "People of Snyder and nearby communities need to be found in the House of the Lord during these turbulent days," Bro. Wallace states, "and in inviting the public to worship with us, we feel we can encourage Sabbath church attendance." The Snyder Church of Christ open air revival is slated to be concluded Sunday evening.

### Dunn Methodists to Begin Revival Friday

Annual Dunn community Methodist revival meeting will begin Friday evening, 9:30 o'clock, at Dunn Tabernacle, with Rev. H. C. Smith, pastor of the First Methodist Church at Big Spring conducting services. Dunn community leaders announced Tuesday.

Evening services for the 10-day revival, scheduled to continue through Sunday, August 1, will be held at 9:30 o'clock, and day services, beginning Monday of next week, will be held at 10:30 o'clock.

People of Dunn and nearby communities are extended a cordial invitation to hear Rev. Smith, an evangelist who has conducted a number of highly successful revivals in West Texas.

### Rollins Says Battle News Looking Better

"I'm sure you and Scurry County folks have been keeping up with the latest war front developments the past few days, and the good turn of battle means we'll be home much sooner," Private Garland Rollins, Company E, 86th Battalion, First Ref. Depot, writes his parents, Mr. and Mrs. J. R. Rollins, this week.

"It's impossible for our boys to tell any of you now about the interesting things happening in North Africa—but they can unfold the whole story one of these days," Rollins says. "I want you all to remember our Scurry County boys in your prayers," he concludes.

It matters not what you are thought to be but what you are.—Publius Syrus.

### Riley Brothers Get Air Corps Leaves to Take Part in Rodeo

"It certainly seemed like old times, to have him in the arena as a contestant for rodeo prizes," a visiting state official said Saturday evening at Scurry County's Seventh Annual Rodeo, of Corporal Lanham Riley, U. S. Air Corps, who is stationed at San Angelo Flying Field.

Lanham, son of Mr. and Mrs. Ira Riley, has been a top flint rodeo contestant in this area for several years, and carried off his share of honors during the seventh annual round-up.

In addition to winning \$225 worth of U. S. war bonds and stamps, Corporal Riley plunked down \$50 of his own money for a war bond.

Lanham, rodeo results show, won the best two-day average on calf roping and bell; placed first in calf roping and second in calf roping, respectively, to mark up his war bond winnings.

In a matched roping contest late Sunday afternoon against S. G. Russell of Merkel and Sid Pearson of Loveland, Lanham and Lee Tugman of Abilene emerged as first place winners.

Private Doyle Riley, a brother of Lanham, who is in the U. S. Air Corps at Big Spring Bombardier School, also participated in the seventh annual rodeo and emerged as third place winner, calf roping, day money, Saturday and Sunday with a time of 18 1-5 seconds.

### Arizona Evangelist Leads in Ira Revival

Considerable interest is being evidenced this week in southern county communities over the revival meeting Evangelist Choice L. Bryant of Yuma, Arizona, begins Friday evening, 9:30 o'clock, at the Ira Church of Christ.

Bro. Bryant announced Wednesday that services for the Ira meeting would begin each evening at 9:30 o'clock. He will preach on "Duty and Mission of the Church," "Heartfelt Religion," "In Business With the Lord," "New Birth," "World's Greatest Navy" and other timely subjects. The public is invited to hear the visiting minister. The meeting will continue through Sunday, August 1.

Rev. and Mrs. Fields were happily surprised this week when they received a telegram from Gen.—first word they had received from him since Mother's Day. All three boys say they're "willing to help Uncle Sam get the war over with in 1944, and hope Scurry County men in service get back home o. k."

### George Moore Gets Air Force Promotion

Promotion of George B. Moore of Snyder to rating of technical sergeant in the Army Air Forces was officially announced Tuesday at San Juan headquarters of the Antilles Air Command.

Sergeant Moore, son of Mrs. Daisy E. Moore, attended Snyder High School and is now an aircraft mechanic and welder at one of the West Indies air bases guarding the vital approaches to the Caribbean area. Planes of the Antilles Command, of which Moore is a member, fly daily patrols over an area that extends from the western tip of Cuba to the sweltering equatorial belt of South America—an area seven times as large as Texas.

### Richard Bratton Promoted

Richard A. Bratton, 25, son of Mr. and Mrs. Richard Bratton of Route 1, has been promoted from private to rank of corporal with the 357th Fighter Group Headquarters, U. S. Air Corps, air corps officers announced Tuesday. Military security requires the location of Bratton and other members of his group not be given.

### Chicken Frys Help Community Folks Vacation at Home

People of the Ennis Creek and Plainview communities may be kept from going all the places they'd like to because of gasoline rationing, but they are staging community get-togethers that are attracting considerable attention.

Both Plainview and Ennis Creek communities will stage community-wide chicken frys at their respective school houses, and people in both sectors of the county declare the gatherings are without peer in renewing ties of good will and neighbor hospitality.

Ennis Creek community has already staged several community chicken frys this year, and residents declare each gathering attracts more interest from men and women alike.

People planning to attend the community get-together in either community Friday evening are asked to bring chickens and rats early in order that supper can be served by sundown.

### Gas Ration Book to Keep Car Tire Data

Scurry County's War Price and Ration Board this week reminds Snyder and Scurry County motorists who receive renewal "A" gasoline ration coupons to make sure they keep the "B" part of their renewal application—which becomes their new tire inspection record. A number of motorists who have received renewal "A" coupons have unfortunately overlooked the "B" section of renewal applications, and are asked to make sure such part of the application is kept with other car papers at all times.

### Baptists of Area To Meet Next with Plainview Church

Monthly Workers' Conference of the Mitchell-Scurry Baptist Association met Tuesday with the Pleasant Valley Baptist Church in Mitchell County, of which Rev. M. P. Richardson is pastor.

General theme of the messages brought by the speakers was "Evangelism." The following speakers took part on the program: Tommy Todd and Rev. Roy Shahan of Snyder, Rev. R. C. Harrison, missionary of District 8, Rev. C. J. Smith, Rev. B. W. Tatum of Union, Rev. G. W. Parks of Roscoe brought the closing message on the subject "Conserving the Results of a Revival Meeting."

Ladies of the Pleasant Valley Church served a bountiful meal at the noon hour, which was more than just a lunch, attendees declare.

Those attending the meeting from Snyder were Mr. and Mrs. L. N. Pettman, Mrs. G. B. Clark Sr., Mrs. Jack Innman, Mrs. John Taggart, Tommy Todd, Roy Shahan and son, Bobby Joe.

Next monthly meeting will be held with the Plainview Baptist Church, six miles east of Snyder, Tuesday, August 10. Rev. Ross Ward is pastor of the Plainview Church.

### Private Colclazer in England

Pfc. R. V. Colclazer, U. S. Army, has landed in England, his parents Mr. and Mrs. R. A. Colclazer, have been informed.

R. V. says he likes England, but there's no place like home, and says he will be glad when he can come home to stay.

**THE FARMS... First in Production**

With the need for food greater than ever before, it is a satisfaction to know that our farms are ready to produce what is needed. The farms are the real source of America's strength and there is the place to look for real progress.

As to food, we are in much better position than when we entered the first World War in 1917. Farm methods have been improved. Production per acre has been increased. New machinery and equipment have been put in use. Livestock is better and is more scientifically handled. And last, but not least, there is better farm management.

### Lions Hear Good Report of Sales of Bonds at Rodeo

Announcement that \$34,000 worth of U. S. war bonds and war savings stamps were sold July 15-18 at Scurry County's Seventh Annual Rodeo was made Tuesday by L. A. Chapman, chairman of the bond sales committee from the Lions Club for the round-up, at the regular weekly Lions Club luncheon in the Manhattan Hotel.

A certificate from Lions International, for recent membership gains of the Snyder Club, was acknowledged through Wayne Boren, club president.

Jim Polk, Buffalo Trail Council executive stationed here, reported Tuesday that 140 of the 348 Boy Scouts and Scouters who attend Camp Philmont, New Mexico, July 9 through 18, were from Scurry and the other four counties he has jurisdiction over.

D. V. Merritt and A. C. Bishop Jr. gave highlights of the Camp Philmont Boy Scout camp, and offered some timely sidelights on value of the war-time gathering for the boys' morale.

Myron H. Roe Tuesday received the club's Billy Goat, Victory. Five unexcused absentees were reported by club officers.

"Smile" and "Springtime in the Rockies" were the numbers given in a club sing-song, directed by Lion Turner E. O. Wedgeworth.

In a cleverly arranged quiz questionnaire, five Lions made a score of 100 per cent.

Dean Cochran was reinstated as a club member.

Club guests included D. V. Merritt, Demp Kearney of Sweetwater and James Patterson of Andrews.

Forrest Snyder, son of Mrs. Rena Snyder of Sweetwater, and Durwood Snyder, son of Mr. and Mrs. Lewis Snyder of Roscoe, were rodeo guests Sunday of Kenneth Snyder.

Emma Jean Stringer of Amarillo is a guest of Mary Francis Herod this week.

### Keep Your Automobile Rolling

Your family automobile is one of the vital means of transportation on the home front. Mr. Scurry Countian, you may not be the best mechanic in the world, but you can oftentimes

make necessary minor repairs that will keep your car in useful service. It's patriotic now to share a ride with your friends and neighbors—double up for trips to save the cars.

### Four County Youths At Presbyterian Meet

Dorothy Barron, Sig Line and Arcl Paver of Snyder's First Presbyterian Church and Patsy Jones of Fluvanna are attending the Junior Young People's Conference, which opened at Buffalo Gap Friday evening and continues through Friday of this week, officials of the conference reported Tuesday.

Several Snyder intermediates attended the first portion of the Buffalo Gap conclave, which opened a week ago Monday and closed Friday.

### Aged Snyder Woman Breaks Hip in Fall

Mrs. R. J. Crow, 86-year-old Snyder resident and mother-in-law of Simon Best, city marshal, suffered a fall Monday afternoon in which her left hip was broken.

Mrs. Crow was taken to a local hospital in a Maples Funeral Home ambulance for medical treatment and X-ray diagnosis. Taken to the Best home late Monday afternoon, Mrs. Crow was reported Wednesday to be resting well.

Mrs. Crow and her late husband, old-timers of the county will recall, moved to Scurry County in 1896. The couple lived in the Ira community, where they took up some of the famous Block 97 land, and later in the Pleasant Hill community.

### AAA Officials Visit County Unit on Tour

Visiting AAA officials who spent Tuesday at Scurry County Triple A office included: Demp Kearney of Nolan County, H. B. Patterson Jr. of Fisher County, James Patterson of Andrews County and C. E. Tarter of Dawson County.

Here on routine business, the visiting AAA officials expressed keen pleasure at the smooth functioning of AAA work in Scurry County, and the interest with which county farmers are backing Triple A office personnel.

Pfc. Bill (Arnim) Moffett of Camp Berkeley, was here for the rodeo during the week-end. Private Moffett, son of Mr. and Mrs. W. J. Moffett is with the 34th ambulance battalion at Berkeley, near Abilene. He was transferred there from Camp Robinson, Arkansas.

### 40 County Scouts Return from New Mexico Outing

Muscle-toughened and sun-tanned to a remarkable degree, 40 Scurry County Boy Scouts, accompanied by six adult leaders, returned Sunday from summer Boy Scout camp at Philmont, New Mexico.

During the nine-day conclave at Camp Philmont, Charles Boren and Jamie Randalls, Snyder Scouts, and Jim Polk were elected to membership in the Order of the Arrow, national secret camping society which recognizes outstanding leaders and boys at camp.

Among activities engaged in by the Scurry County Scouts and other Scouts of the Buffalo Trail Council were Scout advancement, fishing, burro-back trips, horse-back trips, overnight hikes, Scout craft and pioneering work.

Scurry County troops represented at the July 9-19 gathering at Camp Philmont included Snyder's Troops No. 36 and 38, Hermleigh Troop No. 32, Fluvanna Troop No. 27 and Byron Troop No. 28.

Adult leaders who accompanied the Snyder and Scurry County Scouts were: D. V. Merritt, Fred Boren, Orvil Hess, A. C. Bishop Jr., D. L. Pettit and Jim Polk, Buffalo Trail Council field executive.

### Eight Days Remain to Get School Transfers

Scurry County school patrons today (Tuesday) have only eight more days after today (Thursday) in which to effect transfer of scholastics.

So warns the county superintendent's office, which points out that all transfers within the county must be made by July 31.

All high school students, whose grades are not taught in their home district, are urgently requested to transfer at once to the high school of their choice.

Annual transfer of scholastics in Scurry and other counties means considerable to the public school system, and the county superintendent's office wants every scholastic to be properly transferred so they may attend school for the 1943-1944 term.

### English Attends State Naturopathic Session

Dr. R. D. English, Snyder chiropractor, who was in Abilene Sunday to attend a gathering of the State Naturopathic Association of Texas, reports the state organization voted to join the American Naturopathic Association of Texas.

Mrs. English accompanied her husband to the conclave, which was staged in the Hotel Wooten. Dr. and Mrs. English, who returned Sunday night, reported excellent attendance from a wide section of Texas at the SNAT conclave.

### Dunn Meeting Draws Good Crowds Daily

Good attendance at daily services marks the Dunn Church of Christ meeting, started Friday evening at the Dunn church by Bro. Charles Heron of Colorado City. The meeting will be brought to a close Sunday evening.

Bro. Heron is holding evening services at 8:45 o'clock, and Bro. Ben. W. Newhouse of Snyder is directing song services. The Dunn congregation invites the public to worship with them during remaining services of the revival.

### McLaughlin Reports Promising Oil Strike

C. T. McLaughlin, popular drilling contractor and owner of Diamond M Ranch, declared Saturday night he could go to "showing saddle horses again—a thing a good lover of horse flesh really enjoys."

Reason: Mc will be able again to show fine gaited horses lies in the fact he and Couden Oil Corporation made a big strike in New Mexico wild a wildcat well. The test, not yet completed, is very promising and is located in the center of a 600-acre block of acreage.

Maybe we ought to let a committee of senators run the entire war.

### Soil District News Notes

"Proper and well balanced use of our sudan pastures will allow production of more turf of better quality on the native grass pastures for use this winter," Haskell O. Beard, work unit leader for the Soil Conservation Service, advised Scurry and Borden County farmers and ranchers Monday.

"Additional turf not only means more grazing for livestock during the winter ahead, but serves to hold the water on the grass land longer—allowing it to soak into the soil to produce another crop of forage for use at another season.

Many local farmers and stockmen have realized the benefit of summer deferment periods on their native grass pastures. These periods of rest are more economical when the sudan pastures are properly used.

Some local sudan pastures are nearly grazed out; others have gotten away, grown up and become tough and unpalatable. Many farmers and stockmen are getting efficient use of their sudan by cross-fencing and dividing the sudan into two or more pastures, then rotating their grazing in such a way as to have a fresh pasture always coming. Some are using mowers and stalk cutters to keep down the growth and cultivating occasionally to eliminate weeds. Those who do this say longer use of a better quality grass can be had.

This rotation of temporary pastures allows rest periods for our permanent pastures. Rest periods during the summer produces more grass. A good grass cover holds the soil and the land for future use in producing more grass.

### Burgesses Leading in Revival at Dermott

"Gospel messages to fit the present day, plus old-fashioned song services with direct spiritual messages" feature the summer revival meetings of Dermott Baptist Church, started Friday evening at the north-west county community by Rev. Marvin Burgess, senior at Hardin-Simmons University, Abilene, church leaders report.

Rev. Burgess is being assisted in conducting the services by his wife, who is a teacher of Bible in Abilene Public Schools. Mrs. Burgess is presenting daily Bible studies at the 11:00 o'clock hour.

The public is cordially invited to attend the meeting, final service of which will be held Sunday evening.

### Bill Jordan Writes Marines Doing Best

"I've read several copies of The Times since I've been in the marine corps, and we find it's a mighty good paper with the boys over here," Private First Class J. W. (Bill) Jordan, Headquarters Company, First Service Battalion, U. S. Marines, writes this week.

"You've carried articles especially about the Dogfaces and the Swabbies from your county—many of whom are my friends. Some I just know, but could you and would you say something, good or bad, about the marines from Scurry County? We, all of us, are doing our best and having a good time. If you have the space, please include a 'hello' to my friends around Hermleigh," Jordan concludes.

### Joe Roemisch Named Inadale Gin Manager

Joe Roemisch, Hermleigh community resident, was this week named manager of the Inadale Cooperative Gin by coop officials, The Times learns.

Roemisch, who has lived in the Hermleigh community several years, is an experienced gin man and has worked at several gins in this trade area.

Mrs. Shelton Holmes and children, Sheila and Denny, of Tahoka visited in the home of their parents and grandparents, Mr. and Mrs. Walter Holmes, during the rodeo. Dinner guests in the Walter Holmes home Sunday were Mr. and Mrs. Ralph Neal and children, Mr. and Mrs. Bill Crimmet and children and Mr. and Mrs. Luther Holmes and children of Sweetwater and Martha Lou Holmes.

### Federal Funds for Pensioners Finally Received by State

Federal funds for payments to old age assistance recipients, needy blind and dependent children were received Tuesday in Austin by the state treasury. The 302 Scurry County pensioners will share in the benefits to be derived from the federal appropriation, which is matched by state funds.

Officials of the Department of Public Welfare stated that as many checks will be placed in the mails each day as can be handled by the post office and the treasury department. Ordinarily it takes at least six days to handle the 183,220 old age checks, the 4,485 checks for the blind and the 11,968 checks for dependent children.

The checks for old age assistance, needy blind and dependent children were held up because of the delay in the receipt of federal funds. The federal money was not received because of the recent hold-up in many federal appropriations and the fact that the new federal fiscal year began on July 1.

### Interest Is Good at Camp Springs Meet

Consistently increasing attendance has been marked up at Camp Springs Methodist Church this week, where Rev. R. L. Butler of Abilene began a week revival meeting Monday evening.

Rev. Butler is bringing people of eastern Scurry and western Fisher County old fashioned gospel sermons, and is conducting daily services at 11:30 a. m. and 9:15 p. m.

Rev. S. A. Sifford, Hermleigh minister and pastor of the Camp Springs church, joins Rev. Butler in asking the public to attend remaining services. The meeting will be concluded Sunday evening.

### Albert Iron Listed As Missing by Navy

Private First Class Albert R. Iron, U. S. Marine Corps Reserve and son of Mr. and Mrs. L. M. Iron, was listed this week by the U. S. Navy Department as missing.

Iron, added to a new casualty list just released by the Navy Department, was placed as "missing in line of duty" without further clarification.

Young Iron was listed as missing through Harold V. Banks, lieutenant in the U. S. Naval Reserve, Eighth Naval District at Dallas.

### Krop Says He Likes Army

Private First Class Aubrey Lee Krop, U. S. Army, at Indian Tavern Gap, Pennsylvania, spent last week with his mother, Mrs. A. Krop, former Scurry County resident, at Lorraine and with Scurry County friends in the south part of the county.

Private Krop, who left for Pennsylvania Sunday, says any boy who applies himself will like army life—and will find many army opportunities for advancement.

### Snyder General Hospital

Several medical patients were in Snyder General Hospital this week due to rodeo accidents and other ailments. Those entering were Mrs. H. B. Patterson of Turner, Carol Greenfield of Dermott, Mrs. A. ### CLUB WOMEN NAME ENVOYS TO STATE MEET

#### Ten County Home Demonstration Clubs Represented at Saturday Meeting—New Club Slated

Mrs. Frank Andrews, president of the Pylon Home Demonstration Club, Mrs. Stanley Merket, county council chairman, and Mrs. Andy Jones, president of the Camp Springs Home Demonstration Club, were elected Saturday afternoon to attend the State Home Demonstration Association meeting in Dallas August 17, 18 and 19.

Mmes. Andrews, Merket and Jones were named to represent Scurry County at a special election called by the Scurry County Home Demonstration Council after the organization's regular monthly gatherings.

Mrs. Guy Stoker, president of the Tri-Community Home Demonstration Club, was elected first alternate to the Dallas gathering. It is customary for each county in the state to send three voting delegates to the state convocation.

Total of 10 county Home Demonstration Clubs were represented at Saturday afternoon's council meeting, which 35 women attended. All officers, except the secretary, were present, and Mrs. Andy Jones was named temporary secretary.

Mrs. C. R. Roberson, education chairman, gave a short report telling of the four people who died in New Mexico after eating canned pumpkin. "Many have said that they have already canned large quantities of non-acid food by the water bath method and do not want to throw it away. In the light of this information, two things are recommended: First, label the products in large letters, "Canned in water bath"; heat contents 10 minutes in boiling temperature in an open kettle before eating. The second precaution is to actually do what the label says."

A committee will be appointed to work out the details of the August encampment, and each club is to furnish an entertainment and educational number.

Another auction sale of home products was held Saturday, and Mrs. H. C. Flournoy and Mrs. Robert Warren acted as auctioneers.

A group of ladies from the Hermligh community have requested a club, which will be organized in the near future.

The recreation committee served tea and cookies to the members and friends who attended the meeting Saturday—one of the most interesting and enthusiastic meetings held this year.

### Citizens of Snyder Warned of Danger Of Dead Animals

Snyder residents were warned this week that the practice of "dumping" dead cats, dogs, calves and chickens on vacant lots—and along little used streets must stop at once.

So warns Simon Best, city marshal, who declares that such practice in recent weeks has resulted in numerous complaints being filed with city officers.

"Snyder people, if they stop and think, know 'dumping' of dead carcasses on vacant lots and elsewhere attracts flies and all other types of insects, and starts contagious diseases on a round that can cost several lives," Best says.

"It is strictly against city ordinances for people to leave dead animals of any kind in the city limits, and residents in all sectors of town are given notice, now, to either bury such carcasses deep under ground or cremate them. Violations will be punished swiftly and with drastic consequences," Best concludes.

### Co. G Gets Times

The Times is getting through to Scurry County's Company G boys in North Africa.

So reveals a message from a Company G officer, who stated on July 11 that issue of the paper, June 3, had been received by Company G boys.

Since Company G, 142nd Infantry of the 36th Division, has got an APO set up, mail destined for the Scurry County men is slated to be speeded up considerably—both ways. Letters written in North Africa have been delivered in Snyder as soon as 10 days after mailing.

### Reunion Old-Timer Recalls Early Snyder

Sam H. Kelsey of Sweetwater, master of ceremonies last week for the annual gathering of the Nolan County Old Settlers, recalled several incidents of note in connection with his stay in Snyder from 1908 to 1912 that proved of value to reunion attendants.

In 1908, with the building of the R. S. & P. Railway from Roscoe to Snyder, the distribution center for this section of the state was moved from Colorado City to Snyder, Kelsey recalled.

Kelsey, transferred to Snyder headquarters of the R. S. & P., covered identical territory he covered in 1902-1904 for the McCord-Collins Wholesale Grocery Company. Kelsey lived at Chico, Wise County, in the 1870's, and taught school for several years in Wise County and later taught at Floydada.

### Ginners of Westex Lambast OPA for Regulation of Price

Discussing the cotton industry pro and con, ginners of West Texas, including W. J. Ely of Snyder, president of the Texas Cotton Ginners Association, Tuesday in Abilene wound up the annual meeting of the West Texas Ginners Association by losing their wrath on the Office of Price Administration.

Led by their dynamic, outspoken secretary, John C. Thompson, the ginners lambasted the general inefficient handling of "ginners' affairs by Connecticut lawyers on the OPA staff—a matter which has resulted in ginning prices being maintained at depression levels."

Victor Schoffelemyer, agricultural editor of The Dallas Morning News, predicted a bright future for West Texas in a new cotton era—the mechanical era just ahead with mechanical cotton pickers expected to take the place of much hand labor.

Roy A. Sanders of Haskell was named president of the West Texas Cotton Ginners Association, W. M. Scott of San Angelo vice president and Bill Ansley of Abilene was elected secretary.

## Warning . . .

Snyder residents are warned this week that the practice of "dumping" dead dogs, cats, calves and chickens on vacant lots and on little used streets and alleys must stop at once.

Numerous complaints have been filed with city officers concerning such practices, and we give due notice said "dumping" is a violation of city ordinances.

Dead carcasses on streets and vacant lots results in spreading of disease—a thing Snyder people cannot afford at any time. Either bury your dead cats, dogs or chickens deep underground, or cremate them. Violations will be immediately prosecuted.

### Permits for Only 17 Tires Approved By Ration Board

Only 17 passenger car tires were allowed in certificates issued this week by the Scurry County Price and Ration Board, tire panel. Diminishing reserves of available rubber are reflected in the allowances. However, with the increasing manufacture of synthetic rubber tires, the supply of tires for necessary vehicles is expected to increase soon.

Certificates for purchase of new tires were issued Tuesday to the following:

Grade I Tires and Tubes—Texas Highway Department, one 600x16 tire and tube; Oscar R. Maples, one 550x16 tire; W. W. Sumruid, one 550x17 tire; Clifford Isbell, one 550x17 tire; J. W. Hess, one 650x16 tire; H. G. Niedecken, one 550x17 tire; W. E. Herring, one 550x17 tire and tube; F. N. Bolding, one 600x16 tire and tube.

Grade III Tires and Tubes—C. S. Niedecken, one 600x16 tire; C. L. Jones, two 600x16 tires; Earl Lewis, one 600x16 tire; Robert J. Lewis, one 600x16 tire; W. C. Chandler, one 600x16 tire; O. D. McGlaun, one 600x16 tire; John L. Moore, two 600x16 tires; George F. Hook, two 600x16 tires; Melvin U. Vernon, one 600x16 tire.

Truck and Bus Tires and Tubes—F. O. Sorrells, two 600x16 tires and tubes; Ohlenbusch & Lee Store, one 700x15 tire; Earl Davis, one 600x16 tire; Texas Public Utilities Corporation, one 600x16 tire; Joe Ben York, two 650x16 tires and tubes; Mrs. I. W. Boren, one 600x16 tire.

Farm Implement Tires and Tubes—W. R. Sterling, two 500x15 tires and one tube; J. M. Newton, one 500x15 tube.

### Six-Month-Old Calf Nets Winstons \$2000

Winston Brothers, well known Snyder Domino Return Hereford breeders, sold a six-month-old registered bull calf from the Winston herd to L. R. Allison of El Paso for \$2,000. ### Bryan Jordan's Eye Improves.

Home from Hendrick Memorial Hospital, Abilene, where he has undergone treatment for his right eye, Bryan Jordan, field superintendent for Pearson-Sibert Oil Company, was reported Tuesday to be steadily improving. Jordan had the misfortune three weeks ago of having a sliver of steel cable thrown into his eye and specialists have not yet ascertained whether or not sight of the eye can be saved.

### Snyder Navy Man Commended for Heroic Sea Fight

Raymond Albert Moore, Snyder youth who is a gunner's mate third class in the U. S. Navy, Tuesday was presented a letter of commendation by the U. S. Navy for gallantry in action against the enemy.

Raymond, son of Mr. and Mrs. G. C. Moore, who was employed by O. L. Wilkerson Lumber Company in civilian life, was on the U. S. S. Moultrie in the North Atlantic, where the armed crew fought a heroic battle against Axis submarines and torpedo planes for seven days and nights and shot down eight enemy bombers it was announced. At least 12 other planes were badly damaged.

The navy said the ship's crew scored an outstanding feat in exploding a torpedo headed for them with gunfire and saving their ship from a blast.

The letter was presented at a naval station in Abilene, with personnel of the guard in review. A member of the armed guard received the Purple Heart and six crewmen the letters of commendation.

### Shahan to Preach at Union Baptist Meet

Beginning Friday, July 23, the revival meeting at the Union Baptist Church will begin, church leaders say, and will continue through Sunday, August 1.

Rev. Roy Shahan, pastor of the Snyder First Baptist Church will do the preaching. Rev. V. W. Tatum, pastor of the Union church, will have direction of the singing.

Services will be held twice daily, in the morning at 10:30 and the evening prayer services will begin at sundown, with the preaching service to follow.

Pastor Tatum and Union church extend an invitation to all who will to attend this meeting.

## Our Merchant Marine

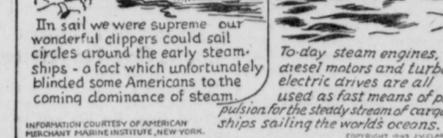

To America goes the credit of the first successful steamship voyage—that of Robert Fulton's little Clermont, between New York and Albany, on August 7, 1807.

The Clermont was followed in 1816, by the larger and faster Livingston. Thereafter our coastal and river steam shipping grew rapidly.

American daring and genius startled the world in 1819 when our Savannah was the first steamship to make the transatlantic crossing. This feat is celebrated annually on National Maritime Day, May 22d, by Presidential Proclamation.

Early steamships, even up to 1860, were also equipped with sails, averaged only about 10 miles per hour, and were considered unreliable by the captains of our mighty clippers and packets.

In sail we were supreme our wonderful clippers could sail circles around the early steamships—a fact which unfortunately blinded some Americans to the coming dominance of steam.

Today steam engines, diesel motors and turbo-electric drives are all used as fast means of propulsion for the steady stream of cargo ships sailing the world's oceans.
