

By ROGER W. BABSON

WASHINGTON, D. C., March 22.—Let us start with three statements with which most intelligent people agree:

1. Notwithstanding Churchill's blarney, no group NOW wants a war with Russia. Surely the vote of the United States would be 100 percent against it NOW, although we are better prepared for it NOW than we may ever be again.

2. Most of all, Russia does not want another war NOW. She knows that we saved her in World War II; and she knows she would lose all her gains with a World War III NOW.

3. Our State Department is so divided into Catholics, Protestants, New Dealers and Capitalists that it cannot agree upon any foreign policy NOW—to say nothing of agreeing to fight Russia NOW.

Hence, there is no possibility of a war with Russia for an indefinite period.

IS WAR III PROBABLE?

It is safe to add a fourth forecast, viz: If our present dilly-dally, contradictory, inconsistent and silly foreign policy continues long enough, we may have a war with Russia someday. Then, the U. S. and Britain will not be so well prepared as we are today; while Russia could then be very much stronger and in addition will have all atomic bomb secrets. Only a spiritual awakening of our State Department, or a split-up of Russia into two or more nations, can prevent such a conflict.

Conditions today are almost identical with those following World War I. Instead of a German Hitler, there can soon develop a Russian Hitler. Great Britain again has a Labor Government; France again is playing politics and talking pacifism; while U. S. mothers merely "wanna get their dear boys home." World War II would have been unnecessary had it been "nipped in the bud." World War III can be prevented by the U. S. and Great Britain NOW joining on a fair, BUT FIRM, foreign policy, BACKED UP BY FORCE.

WHAT THIS MEANS TO BUSINESS AND INVESTORS

Hence, business men and investors have nothing NOW to fear from Russia. For the past year, I have been forecasting a break in the stock market "due to a Russian scare." This recently occurred when stocks lost billions of dollars in a few days. Now this is probably over and we should go merrily along for awhile with better business and higher stock prices.

This present Russian scare should make Congress more willing to appropriate funds for national defense, cause it to help the British Empire and to encourage that Empire to do more for her Colonies. The best way to combat Communism is for Capitalism to insure a HIGHER STANDARD OF LIVING and greater security than does Communism. The new Atomic Energy may succeed in doing this.

I feel as President Truman and Mr. Churchill agreed at Fulton, Mo., on March 6: "These are perilous times. The world either is headed for destruction or for the greatest age of progress in history." If we are to have the latter, this is a time to hold good stocks; while if we are to witness destruction, then it will make no difference whether we have cash, stocks or government bonds!

NATIONALISTS VS. INTER-NATIONALISTS

Our people, unfortunately, are divided into either Isolationists or Non-Isolationists. One group thinks we should be content to put our own house in order before mixing up with the rest of the world. The other group goes to an opposite extreme and thinks that—through the United Nations Organization—we can NOW run the world and give every nation the Four Freedoms.

Both of the above groups are wrong. Either group could get us into trouble. President Truman should clean out our present State Department and substitute therefor a UNITED Department with a middle-ground, BUT FIRM, policy. This policy should be "Limited Internationalism." It should be free from politics, prejudice and philanthropy. It should have one aim; namely, to interfere only in those spots which are liable to get us into war if left to smolder.

BELIEVE IN THE U. N. O.

I believe in the United Nations Organization and hope it will succeed, but democracy is too young a child to NOW depend upon it, exclusively. But important Foreign Notes should be issued only when approved by Congress—in advance—coupled with a willingness to declare war if said Notes are ignored. Otherwise, we should mind our own business.

ISSUE 42
NUMBER 42

Snyder Lists 234 Business Establishments Within City Limits

Two hundred and thirty-four Snyder businesses have been classified by the Chamber of Commerce and are listed alphabetically according to type of business. Other information given includes the name of the proprietor, the address and telephone number.

Listed are seven auto appliances, nine automobile agencies, two abstract companies, five attorneys, two butane appliances, three beauty shops, five barber shops, one bank, one bakery, four gins, eleven county officials and four city officials.

Also listed are four drug stores and confectioners, fourteen cafes, four medical doctors, two dentists, two chiropractors, one veterinarian and a mag-masseur. There are four electric appliance shops, five factories, four feed and grain companies, five furniture stores, five federal offices, and one funeral home and one flower shop.

Included in this classification are sixteen grocery stores and markets, one wholesale grocery, nine garages, three hardware stores, two hotels, two hatcheries and six implement agencies. And there are three jewelry stores, one kindergarten and nursery, four lumber yards, two loan companies, five laundries, six machine and blacksmith shops, one optometrist, five state offices, and six oil and gas wholesale companies.

One photo studio is listed, two plumbing shops, one printing shop, four produce houses, five public utilities, one ready-to-wear shop, three real estate offices, one seed farm, and twenty-seven service stations.

Besides these businesses, two shoe repair shops, six department stores, five tailor shops, one tin shop, three theaters, five transportation companies, two variety stores, one windmill contractor, two wrecking yards, and four miscellaneous businesses are listed.

GI's Back Ratliff For City Mayor As Write-in Candidate

An advertisement appearing elsewhere in The Times and ordered by representatives of a servicemen body announces the "write-in" candidacy of Dr. D. K. Ratliff, resident dentist and ex-service man, for the office of mayor of the City of Snyder.

In commenting on the announcement members of the group pointed out that plans had been made for the announcement some time ago, but that completion of the general program had not permitted Dr. Ratliff's name to get on the city ticket before the deadline was reached March 11th.

Dr. C. A. Long, Sweetwater district superintendent, will preach at the 11 a. m. service at Union Chapel, Sunday, March 31. Quarterly conference for the Fluvanna Circuit, will be held at 2:30 p. m.

Rev. Peterson Tells Lions, "Make Democracy Safe for the World"

Guest speaker at Tuesday's Lions Club luncheon was Rev. W. E. Peterson, who is conducting the local Methodist Revival. Reverend Peterson spoke on "Making Democracy Safe for the World."

Reverend Peterson said, "We hear a lot about making the world safe for democracy. We fought the other war, we thought, to make the world safe for democracy. We hear now that we failed. Our boys had done a good job, and the world was almost completely ready for democracy, but Democracy was not ready for the world, and it proved that it was not safe for the world."

"What did the Democracies do with the victory of 1918? England played power politics in Europe. France built a Maginot line to sit behind and rot morally, as she practiced the pagan theory of 'eat, drink and make merry.' The United States used to draw within her shell of isolationism and leave Europe to stew in her own juice. Result, we are today sewing in Europe's juice."

"How is Democracy to be made safe for the world? You have a right to your own views. Not agree with me. That is Democracy. I have some convictions and here they are."

"I. We must give up our silly ideas of isolationism. You say ideas of isolationism. You say Washington warned about foreign entanglements. Far different to-

Firemen Make Six Runs Thus Far In Month of March

Three more fires were added to Snyder's steadily increasing list last week-end, making a total of six fires since March 3.

The alarm was turned in about 1:15 Saturday afternoon for a barn which caught on fire on the west side of town. It is thought that sparks from a tractor which was being used to run a feed mill, caused the fire. The barn burned down completely with a loss of about \$200.

"The second alarm came in around 4:30 Saturday afternoon for a fire in the southeast part of town. It was a small chicken house belonging to Boyd Bradley and involved little loss."

Around 7:45 that night the third fire of the day was reported, a garage in the southeast part of town, belonging to E. C. Ralston. About 50 four-week-old chickens were lost, but other damage was slight, as the Snyder Volunteer Fire Department was able to extinguish the flames soon after arriving.

Three other fires in Snyder have occurred recently. March 17, Mrs. Jonnie May James and her five-month-old grandson, Willie Ray Clay, were burned to death in a fire which demolished their home, and Frank James escaped with severe burns.

Another fire, March 6, destroyed a four-room frame house on the Snyder Country Club grounds, which was unoccupied at the time.

And March 3 the Snyder Cotton Warehouse burned with a loss of approximately \$85,000. This fire, Snyder's worst in about three years, seems to have set the ball rolling for an ever-increasing number of fires.

Most of them were started by unknown sources, but all might have been prevented. They should serve as a warning to Snyder residents to exercise extreme care in avoiding future fires.

New Road Building In Sight for County

The State Highway Department has approved Farm-to-Market highway from Snyder to approximately the southwest corner of the county, according to County Judge F. C. Hairston. However, the right-of-way has not been surveyed as yet due to the shortage of state surveyors.

This highway will connect with the Farm-to-Market Road leading into Big Spring.

At the present time, to get to Big Spring, it is necessary to go from Snyder to Colorado City on Highway 101, and then switch over to Highway 80 into Big Spring, a distance of approximately 60 miles. The new road will shorten the distance considerably.

Record Shop Ready for Business in New Store

Show behind the counter of the new Record Shop, located in Williams Jewelry Store on the west side of the square, are Mr. and Mrs. Frank Teagarden, the owners. The Record shop features a complete line of records, record players and

record albums. Newly refinished and redecorated especially for the Record Shop and Williams Jewelry, the owners are justly proud of their establishment and are putting forth every effort to serve customers satisfactorily.

Church of Christ Enlarged Bldg.

Construction has begun toward the remodeling and enlarging of the Church of Christ Building located at 25th Street and Avenue C. The enlarged auditorium, which will be finished on the interior with Celotex and which will be lighted with fluorescent lights, will seat approximately 575. A foyer, nursery and baptismal dressing rooms will increase its usefulness.

The remodeled building will be an "L," with the minister's study, the church library, and six classrooms in the wing. The educational facilities will be composed of 12 well-equipped classrooms and a large assembly hall.

Exterior of the building will be finished in white when the construction is completed in about 90 days at an estimated cost of between \$22,000 and \$28,000. The new church plant should be a point of beauty and pride to the town.

The present building was erected in 1922. Elders at that time were: W. H. Clement and R. C. Huggins. Deacons: Joe Drinkard and Forrest Jones. Between 1922 and 1946 the following evangelists have worked locally with the congregation: Morris Speck, O. D. Dial, Roy J. Clark, J. P. Sanders, Lemoine Lewis, Raymond C. Keley, and Clifton Rogers.

Present elders: Claude Miller, E. J. Richardson, H. F. Rogers and J. T. Stephens. Present deacons: Garth Austin, Buford Browning, D. G. Robinson, Gordon Smith, and Ray Sturdivant. Present ministers: Clifton Rogers and Shirley Morgan. Building committee: Forrest Jones, W. A. McGlam, Claude McCormick, T. R. Martin, D. G. Robinson.

The Snyder church is helping to support three missionaries, and maintains a series of gospel broadcasts over KXOX, Sweetwater, each Friday from 1:15 to 1:30.

Ezell Motors Plan Barbecue, Shows, Display New Cars

The Armory Hall here will be the scene of a big affair Wednesday evening, April 3rd, at 7 o'clock, says the advertised announcement of the Ezell Motor Co., the program to include a barbecue feast and picture shows, all free of any charge to the general public.

The Ezell Motor Co., MM tractor agents as well as Dodge and Plymouth cars and Dodge truck dealers, is sponsoring the program, along with Nolan Von Roeder, who will sponsor one movie film to be shown.

The shows, J. C. (Com) Ezell remarked, will be interesting, and especially when the visitors have had a round of barbecue to boost interest and pleasure. "Made in America" is the title of the Ezell film, and another presented by Von Roeder will depict a "Hunting Expedition."

A large crowd is expected out for the celebration, with plenty of food and amusement to give a lively evening.

Tech. Sgt. Jimmy Burt left Snyder Friday to report to San Angelo, from where he will go to Puerto Rico, where he will be stationed. His wife, Mary Frances Burt, plans to join him in Puerto Rico in the near future.

Four U. S. customs districts have their headquarters in Texas, at Fort Arthur, Galveston, Laredo and El Paso.

Can You Provide Living Quarters For A Family?

The need for rooms, apartments and houses has become very urgent in Snyder. Due to a large number of people moving to Snyder in connection with the oil activity and a power line construction company crew.

All persons that have rooms or apartments or can provide living quarters for any of the above should do so, as this will be a real opportunity for you to render a service to Snyder and the families wanting to move here.

June 15 Last Day Candidates May File for Offices

June 15 is the last day candidates may file for county and precinct offices, according to A. C. Preullit, chairman of the Scurry County Democratic Executive Committee.

The committee will determine the order of names on the ballot and assess costs on June 17, and June 22 is the last day for candidates to pay ballot fees to Mr. Preullit.

Other dates on the 1946 political calendar are: June 24, when the primary committee makes up the official ballot; June 27, which is the first day for candidates to file campaign expense reports, and July 2, the last day for first campaign expense reports to be filed with County Clerk, J. P. Billingsley.

Absentee voting begins July 8, and ends July 23.

The first primary will be held July 27, and the second primary will be August 24.

Those whose names have been filed as candidates for Scurry County offices up to this time are: F. C. Hairston for County Judge, Mrs. Mollie Pinkerton and Mrs. J. A. Farmer for county treasurer, J. P. Billingsley, Mrs. Ola B. Leath and Marion Cochran for county clerk, Edgar Taylor and Kenneth Pitner for county tax assessor-collector, Mrs. Gaston Brock and Forrest W. Beavers for county superintendent, Earl Strawn, W. D. Casebolt, John Lynch, Leamon Land and Lloyd H. Merritt for sheriff, Mrs. Eunice Weatherbee for district clerk and W. C. Davidson for justice of the peace.

\$84,000 Of Scurry County Real Estate Changes Owners

Eighty-four thousand three hundred dollars in real estate in Scurry County has changed hands during the period between January 1 and March 25, of this year, according to statistics of Postmaster Harvey Shuler.

Nine hundred twenty-eight dollars and 70 cents from this turnover goes to the government in revenue stamps, almost twice as much as that taken in during previous three-month periods.

The increase in the turn-over of real estate in Scurry County is probably caused by the security of new material for building, Shuler says.

Mrs. John Sands took her two daughters, Dorothy and Carolyn Sands, and Bettie Bayouth and Elda Jean Littlepage to Lubbock last Tuesday. Dorothy reserved a room at Texas Tech for the Fall semester.

Population Gains As Oil Men REA Crews Move Here

Adding to the already swelling population of Snyder by numerous people identified with the oil industry, another project that will bring still more people is that of wire extension for the REA in the rural section of the county.

R. W. Shackelford, of Lubbock, informed a Times reporter here the first of the week that his engineering section, of which he is in charge here for the H. N. Roberts and Associates Engineering Co., also of Lubbock, would be joined by six or seven more men, some with families, in the next few days, to start work on REA projects of electric line extension. Defining the work schedule, Shackelford stated that most of the work to be done consists of extensions to lines already in existence.

Work time on the project is expected to consume from four to six months of time, and outer lengths of the extensions in Scurry County will touch Garza, Kent, Fisher and Mitchell counties, although most of the work is in this county.

Following location of the engineering group here, Mr. Shackelford stated that within the next few days still another crew would be located in Snyder to join in the work. This new crew will be a construction group sent here by the Walco Construction Co. of Tulsa, Okla. He estimated that the oncoming construction force would number approximately forty men.

Commenting on the housing situation, Shackelford pointed out that the few men already coming in with his small force were having difficulty in finding places to live.

American Legion Wants To Increase Its Membership

In an effort to increase its membership, the American Legion organization in Scurry County has made plans to provide various types of entertainment for ex-service men, according to Bernard Longbotham.

Additional recreational facilities will include equipment for playing dominoes, checkers, chess, pool and card games. A juke box has already been installed, and the Hall will be open nightly for dancing.

New Farm Supply Company Is Open

The Farm Supply Company opened Friday, March 22, under the management of Fred Davis and H. B. Patterson, Jr. They handle hardware, stock minerals, and other supplies, and are carrying a full line of Stanton's stock and poultry feeds, which are manufactured by the Standard Milling Company of Lubbock.

The Farm Supply Company is located at 2621 Avenue S in Snyder.

Methodist Revival In Second Week With Large Attendance

The Methodist Revival which is being conducted by Rev. W. E. Peterson of Plainview is now in its second week. The services have been attracting large crowds each day, according to Rev. O. B. Herring, local pastor.

Reverend Peterson has been preaching some soul warming old-time revival sermons. The services are held twice daily, the morning services at 10 a. m. and evening at 7:30 p. m.

Church-goers of all denominations are urged to attend the services and hear Reverend Peterson, who is an outstanding evangelist and impressive speaker.

Reverend Herring states that the revival will close with the Sunday night services this week. He cordially requests that you attend the remaining services and bring the young people.

Stolen Automobile Recovered; Three Arrested In Case

A gray 1940 model Ford automobile belonging to J. P. Pitner of Snyder, was taken from in front of the Methodist Church here Monday night of this week, has been returned to the owner and three boys have been arrested. Sheriff Earl Strawn reported yesterday.

Two of the boys were apprehended in Big Spring the following day after a short chase with the Big Spring police department members. The arrest, as reported here, was made later by Highway Patrolman Stroter.

A third arrest was made Wednesday by Scurry County Sheriff Earl Strawn and Borden County Sheriff Sid Reader in Lamesa.

1945 Ginnings Half Of 1944 Total Bales

In a tabulated report from Washington received here this week by Ira R. Sturdivant, Scurry County produced just about the amount of cotton in 1945 that was made in 1944.

According to the figures, 17,054 bales of cotton, counting the round bales as half bales, were ginned in the county this past year (some little to be ginned at the time of the report), and the figures for 1944 totaled 33,280 bales.

At the time the report was received here, figures in The Times office on rain for the two years had not been tabulated, but those figures will be presented in the near future.

Ex-Service Men and Women Urged To Plan For Army Day

A meeting of importance to all service and ex-service men has been called for tomorrow afternoon at 5 o'clock, when plans will be drawn for some of the activities of Army Day, April 6. All service people are urged to attend.

In describing activities that would take place at this meeting, a group of service men and ex-service men gathered in an unofficial capacity discussed the meeting, and laid out a chart to follow. This would include each attending GI taking along his share of wieners, bread, pickles, etc., to have a wiener roast and campfire feed. Ranks will also be formed and some practice marching take place in getting ready for the Big Parade of April 6th, when all GIs of the county are urged to come out and take part, in full uniform and aiding in the effort to make the Army Day celebration a

big success. A proclamation has been issued by Mayor Towle, and an invitation to all citizens of the county to join in helping to make the newly designated Army Day a full-dress affair. A dance will also be staged Friday night at the skating rink with an invitation to the general public to attend.

THE TEXAS PRESS ASSOCIATION

WHAT WILL SNYDER DO?

When is the post war period going to start for Snyder? By post war period is meant naturally a program of improvement and development. A program that will make Snyder march forward with other towns in West Texas. Many of the West Texas towns have a program of development and improvement started. Many of the towns have voted bonds, others have circulated petitions to call elections to provide for improvements.

Snyder can and must do something if she is going to take her place in the post war development program.

The action of other West Texas towns should be a stimulus to Snyder citizens to start, for example:

Colorado City officials have called a \$325,000 street improvement, extension of water and sewer facilities, disposal plant, and bridge replacement bond election for April 2.

Sweetwater has taken over temporary operation of Avenger Field as they seek title to the property this week.

Levelland reports a petition to call an election for \$850,000 road bonds to improve Hockley County is being circulated this week.

Tahoka and Lynn County voters approved an \$850,000 bond issue to pave 130 miles of lateral roads within the county.

Littlefield voted in March on a \$190,000 city water expansion program.

McAtee's city council has requested 175 apartments to house returning veterans under terms of the Lanham act.

Slaton's American Legion Post announces intentions to erect a new home.

Ozona held a mass meeting last week to discuss the city's program of community betterment.

A huge Fort Worth concern plans to build a canning plant, food freezing plant and later install a pickling plant in Hereford.

Are all these good things going to other towns, skipping Snyder?

THE VETERAN IN THE NEWS

In almost any edition of our daily publications you will find at least one story of a mishap that befell a veteran of this war. By the same token one may find at least one story reporting the misdeeds of a veteran. The word "veteran" has become so repetitious in news stories that it appears as though the ex-serviceman stumbles at every cross road or is trying to trip his fellow citizen at each byway.

The men and women who have just returned from war are average Americans, no different than any one of the one hundred and thirty-two million citizens who live normal lives and pursue their own ambitions. Of the fifteen million men and women who served with our armed forces during the war years we will find a cross-section of America. All races, creeds and colors side by side in our army of democracy. It is only natural then that we find men and women from all walks of life... "merchant, lawyer, beggarman, thief"... successful citizens and those who are failures. For that reason the average veteran resents the publicity which tends to disprove the fact that, because he is a veteran, he is different than his fellow citizens. The mention of the veteran in derogatory stories tends to place a seed of doubt in the minds of our citizens which grows until they begin to wonder whether all veterans are questionable.

Mention in news stories is seldom made in the reporting of criminal activities or illegal offenses of the individuals by their religion, fraternal organization or reference to the schools they attended. To do so would cast a reflection upon the particular group mentioned and lean toward discrimination. The character of a few is being reflected upon the majority by the reporting of veterans who have become involved in unfortunate or illegal incidents. You cannot condemn a man's family because he did something injurious to society, and by the same token you cannot condemn an army for the mistakes of one man.

Realizing that veterans have problems confronting them in their normal pursuits to happiness without the disadvantage of unfavorable publicity, The American Legion has called upon the nation's press and radio to refrain from publicizing the word veteran in stories associated with unpleasant incidents. He's a veteran, yes, but first he's an American.

The editors of our daily press and radio commentators have done much to champion the veteran's rights and give him due credit for his magnanimous deeds during the war. Good taste, consideration and constant aid can be given the veteran now by the same press with their cooperation of The American Legion's request that they report events without associating the name veteran to discredited individuals. —The American Legion News Service.

"Iron Age magazine reports that six out of 10 people in the United States prefer steel to aluminum as material for passenger cars bodies and frames.

During the war years commercial motor vehicles hauled approximately 5,640,000,000 tons of goods and materials from mines and factories to fighting forces and civilian consumers, the Office of Defense Transportation reports.

The average age of motor trucks in this country is roughly eight years. Farmers own the oldest vehicles, 25 per cent of their trucks averaging over 15 years of age, with 48 per cent of the trucks dating from 1935 or earlier.

Twenty-five new plants are going up in 11 states under the automotive industry's billion-dollar expansion, reconversion and modernization program, the Automotive Manufacturers Association reports.

MILES AWAY—YET IT'S YOUR PROBLEM, TOO

The current wave of strikes in basic industries has taught the public one thing: that it has a very great interest in the many problems of industry. The farmers of the Southwest, of Scurry County and this territory, would soon be out of business if the products and services of plant located hundreds and hundreds of miles away were shut off for any length of time. This interdependence of local enterprise, has been too long unrecognized. The trouble points originally to the fact that the very people these things effect greatly have been unmindful of just how much, or to what extent, that effect is. Professional men, business men, farmers and ranchers, have been inexcusably disinterested in affairs beyond the limits of their communities. They have shrugged with indifference for years as Federal control reached deeper and deeper into private business.

The answer seems to be in the fact that every citizen take a hand in running and controlling those things. Taking that part coes of making use of a vote. Vote, vote, vote should be the watchword of all—and when they don't vote, there will be a final penalty to pay, they will rue that lack of interest.

Our prime interest in this area is of course cotton, and ranching, with the feed running a close place. That is the commodity we want to protect.

But there are others in a broader field—of great interest to all of us to protect. A single industry, coal, can make or break the living standards of everyone in the United States. From coal comes a long list of divergent products used in every home and industry. It is thus with cotton, too. So, it is best for us to understand that the coal problems of West Virginia, the steel problems of Pennsylvania, are also our problems. Mutual benefit lies in everyone taking part in the nation's whole interests; we must take an interest in the problems of all points; they are directly interested in our problems concerning cotton and beef raising. By their interest we all are benefited.

A WEEK TO REMEMBER

Today the world is face to face with mankind's worst enemy—hate, says the Laymen's National Committee, in outlining its program for National Sunday School Week, April 8 to 14. "Train up a child in the way he should go; and when he is old, he will not depart from it." Proverbs 22:6.

In seeking the widest possible support for Sunday School Week, the Committee has asked the President of the United States and the governors of each state to cooperate in some appropriate manner. Mayors throughout the country will be asked to pay tribute in 15-minute radio addresses. One or more feature radio programs participated in by outstanding talents, are contemplated. Chambers of Commerce will be asked to display the National Sunday School Week posters in cities throughout the land. The Boy Scouts, Girl Scouts, Camp Fire Girls assist. Editors, columnists and commentators aid in the national movement, while many corporations help create interest through their radio programs. Ministers, fraternal and service organizations and feature writers will seek to popularize this worthy cause and urge parents to encourage their children to attend Sunday School during National Sunday School Week.

While such an occasion is not a cure-all for current disregard of Christian principles, by many adults as well as children, it is a step in the direction of tolerance and good will toward all mankind. Never in the history of the world was it so important that every individual accept his responsibility for making the future in which we must live, better instead of worse. Sunday School Week is a place to start.

EASTER GREETINGS FOR BOYS IN FOREIGN LANDS

One thing more important than getting that Easter Bonnet is sending off an Easter greeting to your serviceman overseas or away from home in the United States.

The fact that the "fighting is over doesn't decrease the loneliness of the men who are still away from home and friends. But it does lessen the news value and public in the work they are doing. There are no heroes in the army of occupation—just men who are maintaining peace and order while the war-torn countries of Europe and Asia become adjusted to a new way of life.

But these men are helping to make possible the real meaning of Easter—a rebirth of peace and love throughout the world. No other group of people is more entitled to your remembrances on Easter Sunday.

It is nice to dress up and go to church on Easter with your family and friends—nicer than attending a chaplain's service with a group of weary, uniformed men. But it must also be nice to feel that one is accomplishing something worthwhile, and to know that those at home realize and appreciate it.

We can give them proof of our appreciation and personal good wishes by sending off Easter greetings immediately, in order for them to arrive before Easter Sunday, April 21.

Overseas greetings should be addressed with the serviceman's full name, his rank, serial number, his organization, unit and APO number, and should be sent in care of the Postmaster at the port of embarkation through which the mail is routed, as first-class mail in sealed envelopes.

Insuring contamination-free milk, an ultraviolet Sterilamp can reduce the bacteria count in washed milk cans 96 per cent in one minute, Westinghouse Lamp Division tests show. Spraying invisible bactericidal rays, the new lamp is bent U-shape to obtain maximum radiation of all exposed areas in the can and consume less electricity than a 25-watt electric light bulb.

Mr. and Mrs. J. R. Patterson, Jr., and Mrs. J. R. Patterson, Sr., of Sweetwater, called in the Laura Patterson home Sunday afternoon. J. R., Jr., a former lieutenant in the Air Corps, who received his discharge just recently, was married to Miss Nell Carleton of Sweetwater early this morning. He formerly lived here with his parents.

Marine Pfc Calvin D. Wright, son of Mr. and Mrs. Jim Wright, was married to Miss Elmarie Blake of Sweetwater, in the home of Rev. R. H. Montgomery of Sweetwater.

It was a double ring ceremony with only the brother of the bridegroom, John F. Wright and his wife attending.

The bride before her marriage was employed at Western Windmill, Sweetwater.

The groom has spent several months in the Pacific, having just returned recently from Guam.

Mrs. Laura Patterson, Miss Ella Hintz and the writer motored to Abilene Saturday.

Mrs. Patterson spent the day with a sister, Mrs. M. E. Campbell, and family. Miss Hintz attended the E. Division of the Oil Belt er was a luncheon guest in the home Teachers Association, and the wife of Mrs. Maude Leverett, a former resident.

Miss Hintz and I visited the Reporter News while there and were guided through the plant and given an explanation of how the news is handled from its arrival in the office until its ready to go into the mails and the tour was very interesting.

Before returning home we went to the Hendricks Memorial Hospital where Miss Clarice Harkins, a former teacher, was operated Wednesday of last week for the removal of a goitre and we are very proud to report she is doing nicely.

Vess Barnes, SM 3-c, U. S. N. R., who is home on a 30-day leave, and his parents, Mr. and Mrs. Vess Barnes and daughter, Susie of Roscoe, visited relatives and friends here Sunday afternoon and attended services Sunday evening at the Central Baptist church, of which they are former members.

After graduation here in 1943 young Barnes worked at Consolidated, Fort Worth, a year before tember, 1944. On completion of volunteering for the Navy in September training in California he went to Bainbridge, Md., to a signal school.

In June, 1945, he left the States for Manila on an Army transport returning to Pearl Harbor later and helped transport the 98 Infantry Division to Yokohama, Japan, for occupational duties. He also saw service at New Caledonia.

Seaman Barnes will report to New Orleans at the termination of his leave for temporary duty.

The P. T. A. will meet at the school building Thursday evening, April 4, at 7:30 where the theme will be "Managing Our Woods." J. T. Bryant will give the definition moods and the controlling of our moods.

Harry McHoney will talk of the community followed by a discussion on the church life. How home life can best help build a better community will be told by Mrs. J. T. Bryant.

Mrs. James Davidson gave a birthday supper in her home Sunday evening honoring her aunt, Mrs. A. L. Kerby and Odie Potts.

Those who enjoyed the celebration were: Mrs. A. P. Gannaway, L. W. Whitehead and family; Homer Gannaway and family; Leo Nachlinger and family; James Davidson and children, Mr. and Mrs. Bud Hilcher and son, Mrs. Odie Potts and daughter, A. L. Kerby, Mr. and Mrs. E. R. Jones, Sr., Carrel and Dick Peterson, the hostess and the two honorees. Out-of-town guests were: Mr. and Mrs. Dean Cockran of Snyder, Mr. and Mrs. E. R. Jones, Jr., of Lubbock.

Mr. and Mrs. Richter and son have moved from the J. E. Westover home, where they had rooms, to Mrs. J. H. Lyndes rooms formerly occupied by Mrs. A. P. Gannaway and her late husband.

Everyone interested in soft ball.

Easter Cards To Foreign Soldiers Should Be Mailed

Recognizing that Easter Sunday, April 21, 1946, will undoubtedly have more significance to members of the Armed Forces still overseas than at any time in recent years, and anticipating the mailing of large numbers of Easter Greetings to soldiers in the occupation areas, the War Department today urged that Easter Cards be mailed immediately if delivery is to be effected before Easter Sunday.

Now, more than ever before "mail call" is a vitally important event in the daily lives of G. I.'s in distant places and the Army Postal Service of the Adjutant General's Office points out that friends and relatives here at home should make special effort to comply with this year's mailing date for delivery of Easter messages.

Overseas Army Mail should be addressed with the soldier's full name, his rank, Army Serial Number, organization and unit, Army Post Office (APO) number and should be sent in care of the postmaster at the port of embarkation through which the mail is routed. Failure to address overseas mail properly may cause its delay or even loss.

In the case of Easter greetings, these must be sent as first-class mail in sealed envelopes.

Charles Lyons Goes Back to Navy Post

Charles R. Lyons, fireman 2c, spent his furlough of five days in Snyder with his parents and the family, returning to his San Diego base on the 21st of March.

Charles has just completed his boot training at the San Diego base, and expresses the opinion that the Navy is OK, but Snyder is an "OK" place to be also.

Khiva Temple Will Stage Parade Drill At Amarillo Soon

J. B. Turner, of Snyder, aide to the Potentate of Khiva Temple, A. O. N. M. S., said one of the best parades ever put on by Khiva Temple will be held on Saturday, May 18, at 3:30 p. m., starting from Fifth and Fillmore, Amarillo, Texas. Oriental pageantry by the officers, uniformed units of Khiva Temple in all their color, beauty, retinue, glory, pomp and splendor, combined with drill formations, floats, good music, novice antics will make this a parade worth seeing.

A full form ceremonial will be held, good entertainment for everybody. Nobles are requested to bring in their reports on cases of crippled children within their counties who need the services offered by the Shriners Hospitals for Crippled Children. Camel herders will hold a reunion on Friday, May 17, to which all Nobles and candidates are invited.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Driver Must Have License to Drive Any Automobile

All persons who drive automobiles should have drivers' licenses, says Robert H. Clark, examiner-patrolman, who warns that it is a violation of a state law to drive an automobile without a license. Patrolman Clark will be in the commissioners' courtroom every Tuesday from 9 a. m. until 5 p. m. for the benefit of those wishing to take examinations for drivers' licenses. The examination includes an eye test, written questions on state highway laws, and an actual driving test.

A grade of 70 or above is required in order for the person to receive a license, Clark says, and he suggests that applicants first study the drivers' handbook which is issued by the State Department of Public Safety. About 75 per cent of the applicants fail to pass the examination mainly because they do not know the fundamental driving laws of the State of Texas.

Enforcement of the law requiring drivers' licenses is tightening up now that the Department of Public

Army Day Parade To Be Held Here

Scurry County service and ex-service men and women are urged to contact Bob McKinney, who will have charge of the Army Day celebration to be held in Snyder, April 6.

A parade is planned for that day, and local people are expecting a big turnout. Those who have been in service are asked to be in uniform for the celebration as all affairs will be conducted in a military fashion.

Safety is back on a pre-war basis, Clark warns.

Ex-service men may have their licenses renewed without taking the examination if their license was still valid at the time they entered the service. However, they should have their licenses renewed before they have been out of the service for six months, as after that time they will be required to take the regular examination.

Doris Davis, Former County Girl Marries Fort Worth Man

Miss Doris Davis, daughter of Mr. and Mrs. M. A. Davis, now living in Lubbock and formerly of Ft. Worth, was married Sunday evening at 9:30 p. m., to James R. Burns, son of Mrs. Eva Burns of Fort Worth.

Miss Davis wore a teal blue dress with brown accessories. Matron of honor was the brides sister, Mrs. Hudson F. Boss, who wore a light blue suit with black accessories. James Davis of Lamesa, brother of the bride, served as best man.

The couple was married in the Methodist parsonage with Rev. O. B. Hering officiating at the single ring ceremony.

The bride was a 1943 graduate of Ft. Worth High School. She attended Daugherty's Business College in Dallas, after completing the course she went to work for North American Aviation Company, where she worked through January.

After graduation from high school in Fort Worth, the groom enlisted in the Army Air Corps and served overseas in the Pacific theater. He received his honorable discharge in January.

Attendants at the wedding were: Mr. and Mrs. M. A. Davis of Lub.

Alturian Club Meets With Mrs. Towle

Mrs. H. G. Towle was hostess to the Alturian club March 22 at a meeting observing Federation Day. Mrs. R. L. Gray, president, gave an interesting report on the district meeting in Amarillo. Following this, Mrs. W. R. Bell gave some helpful information on parliamentary drill. And Mrs. Fritz R. Smith played several accordion numbers. Then the club members sang "God Bless America."

After the business meeting, Mrs. Towle, assisted by Mrs. Pearl Shannon, served salad plates to one guest. Mrs. J. C. Stinson, and the following members: Mmes. W. R. Bell, Hugh Boren, H. P. Brown, D. M. Cogdell, R. D. English, R. L. Gray, J. W. Leftwich, Alice Northcutt, A. C. Preult, Fritz R. Smith, Hugh Taylor and John R. Williams.

The next club meeting will be held April 5, at the home of Mrs. Williams.

book, Mrs. and Mrs. James H. Davis of Lamesa, and Mr. and Mrs. Hudson Boss of Snyder.

Immediately after the ceremony the couple left for Fort Worth where they will live.

George I. King of England, could speak no English.

BRIDE OF LOCAL BOY

Mrs. Fred Boren, the former Shirley Ann Elliott, of Bryan, Texas, is shown here as the bride of Fred Boren, son of Mr. and Mrs. C. M. Boren of Snyder. Mr. and Mrs. Boren will make their home at Ft. Collins, Colorado.

Fred Boren Marries Shirley Ann Elliott in Ceremony at Bryan, Texas

The First Methodist Church, Bryan, Texas, was the scene of the marriage ceremony of Miss Shirley Ann Elliott, daughter of Mr. and Mrs. Thomas Stanley Elliott of Bryan and Mr. Fred Boren, son of Mr. and Mrs. C. M. Boren of Snyder. The marriage took place on March 24th at 2:30 in the afternoon. The Rev. Walter R. Willis, D.D., read the double ring ceremony before an altar banked with baskets of white gladioli and white stock. Palms, ferns and candelabra holding white tapers formed the background.

Traditional wedding music for the service was given by Mrs. Doris Elliott who played the pipe organ. The bride, given in marriage by her father, wore a suit of powder blue wool with black and white accessories. Her shoulder corsage

was a white orchid. She wore a single strand of pearls, a gift from the groom. She carried a white ritual and a heirloom handkerchief. Elizabeth Todd, Bryan, Texas, attending the bride as maid of honor wore a rose brown wool suit with brown patent accessories and her shoulder corsage was pink carnations.

Clyde W. Boren, Snyder, Texas, best man.

Wallace Beck and Robert Boren, cousin of the groom, both students of A. and M. College, served as ushers and also lighted the candles preceding the ceremony.

Mrs. Elliott, mother of the bride, wore a dress of black and aqua with black accessories and a shoulder corsage of pink carnations.

Mrs. Boren, the groom's mother, wore an aqua crepe dress with black accessories and a corsage of white carnation boutonnieres.

After the wedding a reception was given in the home of Mrs. William Turek, 704 North Washington Ave.

The refreshment table was laid with Madera cloth centered with a crystal bowl of white carnations and sweetpeas on a reflector. The three-tiered white wedding cake was topped with a miniature bride and groom.

Misses Ada Lou Pearce and Barbara Ruchti assisted with the serving of the wedding cake and pink and white brick ice cream. After the reception, the couple left for a brief honeymoon, after which they will make their home at Ft. Collins, Colo.

The groom is a graduate of Texas A. and M. College and served in the U. S. Army Air Corps. The bride is a graduate of Stephen F. Austin School and has worked for two years with the Texas Agricultural Experiment Station, College Station, Texas. Out-of-town guests for the wedding included Mr. and C. M. Boren, Snyder, Texas, the groom's parents; a brother, Donald Boren; Mr. and Mrs. Clyde W. Boren of Snyder and Capt. W. R. Lacey and Mrs. W. R. Lacey of Camp Hood, Texas, aunt and uncle of the groom.

OUR THIRTIETH YEAR

Boby Lou Harless Becomes Bride Of Melvin Newton Jr.

Miss Bobby Lou Harless, daughter of Mr. and Mrs. Ben R. Harless of Dunn, became the bride of Melvin Newton, Jr., son of Mr. and Mrs. J. M. Newton of Snyder, on March 13, 1:30 p. m. at the First Baptist Church parsonage, in Snyder. Rev. Wm. Mason performing the single ring ceremony.

The bride wore a white gabardine suit with black accessories and a corsage of deep pink carnations. She carried the same white Bible her sister carried at her wedding. For something old the bride wore a string of pearls; for something new, her suit; for something borrowed, a pair of gold earrings belonging to her sister and for something blue, an imported lace handkerchief, and she wore a good-luck penny in her shoe. Carol Taylor was best man and Mrs. Roy A. Baze was matron of honor. Mrs. Baze wore a melon-colored gabardine suit with black accessories and a corsage of white carnations.

Other wedding attendants were the bride's mother, Mrs. Harless, and the groom's mother, Mrs. Newton. Mrs. Carol Taylor, Mrs. Juanita Hoard and Mrs. J. Wm. Mason. Mrs. Harless was dressed in black and her corsage was of pink carnations. Mrs. Newton wore Navy blue and a corsage of bronze roses.

The bride is a 1940 graduate of Hermleigh High School where she was active in social and scholastic activities. For the past four years she has been living in Lubbock and Amarillo. In Lubbock she was employed by Western Union Telegraph Company and later she was engaged in war work in Amarillo. She also worked as a telephone operator in the Santa Fe office in Belen, N. M.

The groom is a 1940 graduate of Snyder High School and attended John Tarleton College at Stephenville, Texas, for a short time. He spent three years and four months in the U. S. Army, with three years foreign service attached to the Adjutant General Department in North Africa and Italy. He was recently discharged and is now associated with his father in the grocery business in Snyder.

The couple left immediately after the ceremony for a wedding trip to Fort Worth and Dallas. They will be at home at 3005 Ave. T.

RECENT BRIDE

Pictured here is the former Bobby Lou Harless, who was married to Melvin Newton, Jr. two weeks ago. The couple will make their home in Snyder.

Children Enjoy Train Trip Party Saturday

Misses Betty and Connie Connell entertained several friends with a rather unusual party Saturday afternoon. The group took a train trip to Roscoe on the R. S. & P. and returned that afternoon in cars.

They left Snyder around noon and were given box lunches to eat on the train. Mesdames Wilson Connell, Amos Joyce, and Mrs. Turner rode down with them and they were met in Roscoe by Mesdames William Fuller, Billy Brown, and G. B. Clark, Jr., who drove the group back to Snyder.

Those who attended the party were: George Fay Harrel, Mary Joe Harrell, Carol Sue Clark, Mary Anne Doak, Anna Darby, Mary Sue

Babcocks Entertained With Sunday Chicken Dinner

Mr. and Mrs. Weldon Bills and daughters entertained Mr. and Mrs. J. L. Babcock, Jr., and son Butch, with a fried chicken dinner Sunday. Babcock is on leave from the Navy and has been stationed in Virginia the last few months.

Those present at the dinner were: Mr. and Mrs. E. E. Woolner, Mr. and Mrs. O. C. Woolner and children, Winnie Jean Wilson and Patsy Woolner.

Boren, Clintia Barbara Blackard, Pat Blank, Adelaide Fuller, Marcia Fuller, Jane Joyce, Silda Lale Turner, Carolyn Sears and Charles Harrell.

Former Snyder Girl Marries Friday In Sweetwater

Betty Fay Stevenson and Jack W. Fargay were married Saturday night in a single ring ceremony in the home of the Rev. Shewbert, pastor of the Highland Heights Methodist Church, Sweetwater.

The bride wore a white faille dress fashioned with a peek-a-boo neck and peplum with black accessories. Her corsage was of iris and yellow rosebuds. Something old was a diamond ring belonging to her maternal grandmother, Mrs. A. M. Merket, Hermleigh, Texas. Something new were Nylons; something borrowed and blue was a hand-made imported handkerchief belonging to Mrs. I. E. Nelson. The good luck piece was a penny in her shoe.

Attendants were Betty Nelson, maid of honor, and Vernell Stevenson, her sister, bridesmaid. George Kiker, Jr., served as best man.

Betty Fay, daughter of Mr. and Mrs. Frank Stevenson, attended Snyder Public School until January, 1944, entering Sweetwater High at that time and graduating in 1945. While in school she was a member of the mixed chorus, officer in the Sybil Thomas Club, a member of the National Honor Society and the sub-deb. She has been employed as secretary to Mr. C. W. Tarter, principal of Reagan Junior High School, Sweetwater.

Fargay, son of Mr. and Mrs. A. C. Fargay, Sweetwater, graduated from Sweetwater High in 1942. He was prominent in all school activities and was an outstanding grid star. Entering the Army Air Corps soon after graduation he was stationed at various camps over the United States. He received his discharge February 16, 1946, at El Paso.

The couple is living in Colorado City where Jack is employed as a representative of the American National Insurance Company.

Mr. and Mrs. Stevenson and daughters are very well known in Snyder, having lived there for a number of years at 1603 27th St. Mr. Stevenson was connected with the Ford Company and is now with Sears Roebuck & Co. in Sweetwater.

Second Armored Division Looking For New Recruits

The famed Second Armored division, the outfit which blazed a brilliant record on the battlefields of Africa and Europe as looking for men, according to information received by Sgt. F. R. Muelot, who is in charge of the Snyder Recruiting Office.

Now located at Camp Hopd, Tex., with its ranks depleted by demobilization, the "Hell on Wheels" division, formerly commanded by the late Gen. George S. Patton, Jr., has been given a top priority by the U. S. Army Recruiting Service.

Between now and midnight, April 7, recruiting stations throughout this area may enlist former armored soldiers directly into the unit. The order also covers the enlistment of men experienced in the various service type organizations such as signal, ordnance, engineers and medical units attached to an armored division.

Veterans discharged during the past three months will be enlisted with the rank held at the time of discharge. Others released from active duty on or after May 12, 1945, may be offered ratings in accordance with their previous training and experience, it was explained.

The Second Armored was one of the first American units to see action in Africa. Under General Patton in November, 1942, "Hell on Wheels" joined the drive on Casablanca and participated in the battle for Tunisia.

Its members took part in the invasion of Sicily in September, 1943, and later roared over the beaches of Normandy in the early stages of the landing on the continent. They fought across France through Belgium into Holland and finally into Germany. In January, 1945, the Second Armored division spearheaded the First Army's assault in Belgium against the north flank of the German bulge, hurling back Von Rundstedt's troops.

During the war a total of 3,200 decorations were awarded to Second Armored division men.

New Plymouth Makes Bow

FIFTY NEW improvements, 34 mechanical and 16 appearance, distinguish the new line of Plymouth cars.

Ten different body types comprise the line: a four-door sedan, two-door sedan, five-passenger club coupe and a business coupe are available in either DeLuxe or Special DeLuxe types. A flashing convertible coupe and a station wagon complete the Special DeLuxe line.

Complete redesigning of front end, fenders, moldings and bumpers, coupled with smooth-flowing body lines, have given the new Plymouths massiveness, length and low appearance found formerly only in higher-priced cars. Interior trim is entirely new, achieving a rich, restful beauty of particular appeal to women.

Engineering advancements have stressed both performance and safety. A host of engineering improvements have given the new 95 horsepower Floating Power engine brilliant performance characteristics.

In a car engineered throughout for greatest safety, several features exclusive to Chrysler-built cars mark the new Plymouth for particular attention. Foremost is the new exclusive safety hydraulic brake increasing braking effectiveness from 33 to 40 per cent.

Emphasis on safety engineering is evident again in the exclusive safety-rim wheel which so grips the tire that it is practically impossible, should a blowout occur, for it to come off the rim or slip crossways to the wheel, greatest hazard with ordinary rims.

Home Demonstration Met in Agent's Office

The County Home Demonstration Council met in the agent's office Saturday. After the business session and committee reports, Pyron demonstrated a refinished chair and a chest of hand-made costume jewelry.

An election meeting was called and Mesdames Paris McPherson Union; Raymond May, Pyron; and Jim Beavers, Camp Springs, were elected delegates to the district T. H. D. A. meeting in Brownfield April 9. Mrs. Theo Soules, council chairman, will accompany the group and be leader of one of the panel discussions. The council sent a check of \$10 for educational fee to the district vice president.

Andres del Sino was known as the faultless painter.

Jones County Annual Singing Convention To Be Held April 7

On Sunday morning, April 7, at 10 o'clock, the annual Jones County singing convention will get under way with the expectation, according to the Anson Chamber of Commerce, of having the greatest attendance on record. Permanent home of the convention has been given to Anson, and the date is set each year by the first Sunday in April.

The convention has a bit of interesting history in that it has been running for 53 years. It originally was moved about over Jones County, being held in various towns, but is now given the Anson permanent home.

The convention is being sponsored by the Anson Chamber of Commerce, and all out of county delegates will be guests of the Anson CC at luncheon. The convention has annually attracted many visitors and delegations of singers, and it is likely that Snyder and Scurry County will be well represented.

Joe Merritt Honored By Children With 73rd Birthday Party

Joe Merritt was honored with a surprise birthday party given by his family Sunday in celebration of his 73rd birthday.

They installed an electric radio and replaced his old light shade with a frosted one while he was out of the house. When he came in they all began singing "Happy Birthday to You." Various members of the family had brought different kinds of food for the birthday dinner.

Those present were: Mr. and Mrs. D. V. Merritt of Snyder, Mr. and Mrs. Edwin Merritt of El Paso, B. W. Merritt of Merkel, Mr. and Mrs. J. A. Merritt, Jr., and children, Mr. and Mrs. Woody Merritt of Pecos, Mr. and Mrs. W. G. Deel and children of Hamlin, Mr. and Mrs. Alford Rosson and daughter, Rose-nell.

Also present were Mr. Merritt's two brothers, W. H. Merritt and wife and Homer Merritt; and Mr. and Mrs. George Spear and Rev. Cone Merritt.

Although the United States has used standard time since 1883, no legislative action for the country as a whole was recorded until March 19, 1918.

Large Crowds Attend Robinson Barbecue

Around 500 people attended the free barbecue and picture show put on March 22 by the Don Robinson Tractor Co. The Reserve Champion calf of the Scurry County Junior Livestock Show was barbecued for the affair.

The pictures shown were entitled, "Planning to Prosper," "Alaskan Highway," and a comedy, "Purdy, the Pup." Picture films furnished by the Von Roeder Seed Farm, one of the largest in West Texas, were entitled "Cotton Seed Breeding," "Wild Life in West Texas," and "Elk Hunting Trip in Wyoming."

Coffee, beans, milk and pickles were served along with the barbecue. Robinson plans to make this barbecue an annual affair. He states that he is very happy over the large turn-out and hopes to have twice as many there next year.

Spare Stamp No. 9 Becomes Valid For Sugar for Canning

Spare Stamp No. 9, in Ration Book 4, has been designated by the OPA as a home canning sugar stamp. This stamp, which is good for five pounds of canning sugar, will remain in effect until October 31.

In May or June another stamp is expected to be validated for canning purposes if the United States sugar supply permits.

This method is different from last year's in that users are not required to make application for canning sugar to the local ration boards. The stamp system provides for every ration bookholder to get the same amount of canning sugar.

Fifth Sunday Singing At Hermleigh, 2:30

A fifth Sunday singing will be held at the Hermleigh Methodist Church this Sunday. The singing will begin promptly at 2:30 p. m., and the public is cordially invited to attend. CLAUD E. PATRICK, President.

Servicemen May Get Licenses For Driving

Since renewing drivers' licenses is Tuesdays, attention of Snyder area people is called to the fact Mrs. Thaba Groves will be in the sheriff's office each Saturday afternoon, 1:30 to 5:00 o'clock, to assist in renewing licenses.

Returning servicemen need not contact a state highway patrolman, since all they will need to renew operating licenses is to bring copies of their discharge papers with them.

That this may not vanish
into thin air

We have learned again the dreadful cost of freedom and seen the terrible consequences wrought upon the earth by power-crazed aggressors. Now we taste the sweetness of Peace, made precious by the sacrifices of those who took up the challenge to our ideals.

If their stilled voices could speak, they'd say to us, "Never let this happen again. Make sure that what we have done has been worth while."

This nation is firm in the belief that the world as we know it would never survive a war of atomic weapons. A nation unguarded would never again be able to mobilize to protect itself.

For that reason, on this Army Day of 1946, we see a new, highly trained Regular Army being formed. Already more men have volunteered than during any period in America's history. But, far more important than size—it is a NEW kind of peacetime Army manned by young men of high purpose and intelligence, capable of mastering

the technical details of the scientific weapons essential to national safety today.

More than that, it will be an Army which has more opportunities for its members than any army on earth has ever offered. Education and travel. Good pay and comfortable living conditions for soldiers and their families. A retirement plan second-to-none. In short, one of the finest full-time careers a man could choose.

Let us all salute this new Army on Army Day. Let us recognize the responsible position it occupies in safeguarding the future of our country... that our Land and the Freedom we cherish above all else may not vanish into thin air.

Relatives Visit Mrs. Wasson Last Week

Mrs. Max Read and children and mother-in-law were Snyder visitors in the home of Mrs. Max Reed's grandmother, Mrs. Nettie Wasson. Miss Vita Wasson of Grand Falls was also visiting Mrs. Wasson. She returned to her school Sunday and the two Mrs. Reads went on to their home in Ohio. They stopped here on their way back from California where they had been visiting their husband and son, Max Read, who will be stationed in Japan.

Ideas Concerning Improvements Of Town Given By Mrs. Cockrell

At the weekly Lions Club meeting March 12 the speech made by Mrs. C. R. Cockrell caused so much comment from all quarters we are reproducing the speech in its entirety so that those who did not have opportunity to hear it may know what was said and that citizens of the community may have a chance to profit by the suggestions that are given here.

The talk given by request by Mrs. Cockrell as a representative member of the women's clubs of Snyder follows:

"Mr. Chairman, Lion Club Members: 'As Lions, as club women, as just plain Snyder citizens, we are all interested in our home town; in what might be done to improve our home town. As parents—most of us are parents—we are anxious that our town and community offer the very best for our children. We all want to hear our children say, 'Snyder—that's my home town. I was born and raised there.'—And say it proudly."

"Your Lions, City Council members, and Chamber of Commerce men are the backbone of the community—it's life-giving element. Will your sons follow in your footsteps as hard-working, ambitious citizens, or will they lack the necessary spark of enthusiasm? That is up to you—to all of us."

"Mr. Underwood has requested that our club, the Altrurian Daughters, express our views, and some of our ideas concerning needed improvements we believe necessary."

"In considering and working for the future of our community, the younger generation, we believe, must come first in our consideration. Therefore, it is imperative that we give more time, thought and support to our educational system."

"The first step on our civic improvement program concerns our school. We club women would like to see an active Parent Teachers Association in our school to bring about fuller co-operation and understanding between parents, faculty, and students. Also, an active P. T. A. can render numerous services beneficial to the school in general."

"An active athletic department for the entire school, including a program of physical education for boys and girls alike. The boys enjoy football, basketball, and tennis, while the girls have no athletic activities."

"A fine arts department; designing and practical art."

"Manual training for boys."

"A good music department that would include training in music appreciation, choral club work and a school orchestra or band."

"We would recommend supervised play on the school ground, and supervised games and activities for the elementary grades."

"Second—We regret to say that we regard our courthouse as somewhat of an eye-sore, rather than a thing of beauty. Since it stands in the exact center of the town, it is regretted that it presents so shabby and unkempt an appearance to every traveler and visitor—particularly since those visitors must regard that building as representative of our entire community. Our

courthouse is badly in need of a good cleaning—halls and rest rooms included, and a thorough grooming of the grounds surrounding it."

"Third—we appeal to the telephone system for better service."

"Fourth—Our streets need re-marking. They were once all clearly designated, but many markers have been destroyed or the lettering obliterated."

"Fifth—We recommend the cleaning of city lots. These lots were covered with weeds, trash and brush present a grave traffic and fire hazard, as well as unsightly appearance. There are also streets leading from the city, where thoughtless people are dumping trash."

"Sixth—A city-wide garbage pick-up twice a week, and city trash pick-up monthly is a 'must' for Snyder if we are to maintain a healthful cleanliness. Towns larger than Snyder and others smaller are putting over drives for a general clean-up campaign. Why can't we? It is a well-known fact that disease, and dread polio, or infantile paralysis, for instance, thrives in filth. We scarcely need be reminded of the flies and other vermin, carriers of various diseases, that breed by millions in every pile of refuse. Not to mention the fact that any town looks 100 per cent better if it's home and business district appear clean and cared for. While on the subject of community health, we would mention the need for seeing that our public health laws are enforced, especially in regard to public eating places, soda fountains and the like."

"Seventh—We would like to see Snyder have a Community Center. A place for women of the city and county to meet and work. Our County Home Demonstration Agent reports that when women from the county come to Snyder there is no suitable place for them to meet. These women from our rural communities play an important role in our county's welfare. Surely, we should treat them accordingly and make them welcome. It has also been pointed out that if there were an available location with the necessary equipment, a great amount of the county's surplus food products might be canned and preserved. In connection with this same community center, a good

public library would, we believe, be of great value. At present, Snyder has no library of any sort that is available to the people of the city or county. We believe that a community center would do much toward the furtherance of good will and co-operation between the people of Snyder and the people of our rural communities."

"Last—We would like to have a city park for Snyder. You will have to admit that in all the miles and miles of wide open spaces surrounding us there is not an available place for an afternoon's activities or even a spot to have a picnic."

"So, there you have it, Lions. We have presented these as our ideas, but we know they are not originally ours. We realize these are your wishes as well as the wishes of the club. We only want to add that if there is anything we can do, if we can be of any assistance to you, we club women want to help. Perhaps we are overly ambitious, but we want our 'Home Town' to be the envy of the nation."

1923 Vehicle License Plates Sold To Date

Edgar Taylor, tax assessor-collector for Scurry County, reports that 1923 vehicle licenses have been sold to date in the county. This is about the same number as had been sold last year at a similar date.

Of these licenses, 1681 were for passenger cars, 140 were for trucks, and 102 were for farm vehicles.

The deadline for buying new license plates is March 31, and those who do not have the 1946 plate on their vehicles by April 2 will be subject to arrest.

Under Texas laws, a certificate of title in proper order and the current year's registration receipt must be presented at the tax collector's office before new license plates can be issued.

LET'S STOP FEEDING INFLATION

You know what happens . . .

When you continue to spend more than you make and . . .

Keep on borrowing to make up the difference!

You know too, that a big chunk of every dollar you earn and every dollar you spend goes to pay the cost of government.

That's why it's important for you to take a good look at the way the government spends your dollars.

Government should begin now to live within its means

During the war government necessarily spent huge sums of money. Yet, with the war over, the government plans to spend four times as much in the coming year as it spent in the highest pre-war year.

Most thoughtful people believe that government expenditures are now far greater than they need be.

They believe that government, like a family, should live within its means . . . that it should not spend more than it takes in . . . that it should not keep on going deeper into debt.

Yet that is exactly what's happening today. Our government is spending billions more than it takes in. And it continues to borrow to make up the difference.

This is the kind of money-handling that causes inflation.

Economy in government means money in your pocket

If the American people—through Congress—will reduce government spending and take steps to encourage production, inflation will be stopped . . . and this is the only way it can be stopped.

Write your representatives in Congress today.

Urge them to cut the cost of government, eliminating all waste . . . all unnecessary services . . . and postponing all expenditures that can be put off until our war bills have been paid.

Urge them to make the government start living within its means . . . at a level that you and your neighbors can afford to pay.

You'll see the results soon in the cost of everything that you buy . . . food, clothing and everything else. And you'll be doing your country a real service.

YOUR DOLLARS . . . a postcard to the National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y., will bring your copy of this informative booklet on government spending—a subject which is all-important to you.

Deadline For Crop Insurance Is April 10

Farmers are informed that the deadline for taking out crop insurance under the 1946 cotton program is April 10, 1946. Agents selling the insurance are: Snyder National Bank, Sweetwater Production Credit Association, Mrs. C. J. Lewis and W. L. Hayley at the AAA office. Nineteen forty-six farm work

sheets are ready to be signed. Producers not yet signing one of these sheets are urged to do so by April 10th. Prior approvals for contour farming, the practice most applicable to all farms, must be issued before planting is started. This approval will be granted at the time work sheets are signed.

Subsidy on cream and milk for January, February and March will be payable after April 1st. The price will be 17c per pound butterfat and 70c per cwt. on whole milk. Subsidy payments on sheep, lambs and cattle will be payable until June 30, 1946, and only one application per month may be filed for payment. Farmers selling sheep, lambs or cattle in more than one lot will be expected to keep all sales receipts until the end of the month and turn them in together.

Mrs. Winston Sherwood, supervisor of Area 34 of the State Department of Public Welfare, was in Snyder at the local welfare office, Tuesday, March 19.

Bert Hayley, U. S. Navy Visits Here
Bert Hayley, yeoman 3-c, of the United States Navy, is here to visit his grandparents, Mr. and Mrs. W. L. Hayley and the Frankstrom family of Blson. His home is in Lufkin. He has spent 13 months on the U. S. S. Buckingham, an A. P. A. transport, in the Pacific; on his last trip to Japan his ship docked at Nagasaki and he saw the terrible destruction of the atomic bomb there. He is to receive his discharge soon and will enter Texas University.

Other guests in the Hayley home the past week were: Holiday Hayley and John R. Daugherty of Tyler; Mr. and Mrs. D. R. Parker and son Billie Ray, and Mrs. Annie Parker, of Lubbock; Mrs. C. J. Nelson, Jr., of Bronte; Mr. and Mrs. Bud Parsh; Bill and old lady Strom from near Snyder.

Mrs. S. D. Hays Jr. returned from the Lubbock Hospital Sunday with a new baby boy. The baby, Randy Davis, was born March 3, and weighed nine pounds. Both mother and son are doing nicely.

Five New Deacons Of Presbyterian Church Are Vets

Five Snyder veterans are now serving as deacons in the Snyder Presbyterian Church. The men, with an average age of only 25, have been elected to fill these important offices in the church in recognition of their services in church and during the war.

"It is possible that in time these veterans will be scattered out in pursuit of individual tastes as their plans mature, but we are gratified in their functioning now and hope their influence will realize in full measure as plans develop," Rev. C. C. Dooley, pastor of the Snyder Presbyterian Church, says.

Four of the five new deacons are married, and four have served overseas. They are:
Arthur G. McDowell, 23, airplane mechanic with the Army Air Corps for two and one-half years, now employed with his father in the building industry.

John R. Covey, Jr., 28, who served with the 36th Division in Italy, France and Germany, and won five bronze stars, now employed by Burton-Lingo Lumber Co.

Jack Mathison, 22, served two years in the Aleutians, now a student at Texas University.
Cecil E. Moore, 24, who served with the 36th Division in Africa and Italy; he spent four years in the service and hopes to study architecture.

B. F. Moffett Jr., 29, who has bronze stars representing duty with the Medical Corps in Africa, Italy, France and Germany. He is now employed at Clark Lumber Co.

Stanford L. Land arrived in Snyder Saturday morning on a 15-day furlough from the Navy. He is visiting his wife and parents, Mr. and Mrs. Leamon Land. He has been stationed at the Naval Base at Astoria, Oregon.

Harold Holladay In Tokyo Earthquakes

Cpl. Harold L. Holladay writes his wife, Mrs. Harold Holladay, from Tokyo that several earthquakes have occurred during his stay there. It is thought that these earthquakes occurring in Tokyo are connected with the new island that is being born off the coast of Japan. This new island, which has emerged as a mass of huge, smoking rocks from the bottom of the ocean, is located approximately 32 degrees north latitude and 140 degrees east longitude, which is about 200 miles south of the U. S. Naval base at Yokosuka.

The islands, now about 50 feet high in some places, and about 150 yards by 200 yards in size, was first discovered a few weeks ago. No other islands are in the immediate vicinity and charts show no records of an island being there previously.

Basketball Games Raise \$215 for Red Cross at Hermleigh

Tuesday evening, March 19, at 7:30 the Hermleigh High School Gym was filled with anxious spectators to watch the basketball games being played between the High School boys and girls and the outsiders. The High School girls secured the winning score, 23-4.

The boys game was very close all the way through with the exes making their winning score just before the whistle blew, which gave them 22 and the boys 188.

The proceeds of \$215.00 derived from this game was given to the Red Cross, the quota of which is \$250.00 for the Hermleigh community.

Mr. F. E. Bayouth has been in Dallas buying goods for Frank's Department Store.

Mrs. E. J. Richardson went to Lubbock Thursday with Mr. and Mrs. C. B. Drinkard to see her sister, Mrs. C. H. Beaty, who has a broken arm.

Tree-Climbing Fox Killed In County

Shade McGinty reports killing a full-grown male gray fox Sunday afternoon in the Boss' pasture, south of town. The fox was in a large nest in a tree, and Shade says that at first he thought it was a squirrel, as he had never known foxes to climb trees.

He and his two children were at the boss's pasture for an outing when he discovered the fox. Since then several people have reported seeing foxes around the countryside—but Shade seems to have a monopoly on the tree-climbing variety.

He was unable to have it stuffed; so he skinned it for actual proof to back up his story.

For downright comfort, I wouldn't swap my cottage for the finest mansion unless I could take my closet furnace with me. This, you know, is the vented gas appliance that provides luxurious automatic central heat. It was installed when house was built and is financed as part of total house cost. Therefore, central heat, considering its advantages, costs me little, if any, more than ordinary heat. No wonder Lone Star Gas Company recommends closet furnace for heating cottages. Of course, it is vented to a flue.

Introduction Tea In Honor Of Mrs. Clyde W. Boren

An introduction tea honoring Mrs. Clyde W. Boren, a recent bride, was given in the home of Mrs. W. D. Harrall, 2900 Ave U on Wednesday afternoon, from 3:30 to 5:30 p. m.

The hostesses for the tea were Mesdames W. D. Harrall, J. E. LeMond, George Northcutt, H. H. Ell- and Frank Sentell. The guests were met at the door by the hostesses and Mrs. Clyde W. Boren, who introduced her daughter-in-law, Mrs. Clyde W. Boren. Music for the occasion was given by Mrs. Novis Rod, Mrs. Mrs. John Sentell sang "I Love You," by Greig, and "Love Sends a Little Gift of Roses," by Openshaw. She was accompanied at the piano by Mrs. Melvin Blackard. Mrs. A. V. McGlaun read "Wisdom," by David W. Hickey and "Pat-a-Cake," by Dorothy Parker. Mesdames Max West, Richard Brice, Sam Joyce and Scott Casey assisted in the dining room. The table was laid with a lace cloth centered with white Iris in crystal bowls. Pin candles in crystal holders graced the sides of the center reflector to carry out the color scheme of pink and white. Pink and white party cakes in flower form, ribbon sandwiches, spiced nuts and mints were served on crystal plates, and punch was served from a crystal bowl. Tea flavors were small, hand-drawn and painted house scenes. Mrs. Fred Boyd of Hobbs, N. M., and Miss Frances Boren, assisted the guests at the register, which was a book made in the shape of a small house. After registering, each guest left their card on which was written their favorite recipe or a wish for the couple.
