Rotan Homecoming '70 Set For Friday and Saturday

F-B Held Annual Convention Tues.

The Fisher County Farm Bureau met in their annual Convention, Tuesday, October 27th at 7 p. m. in the Rotan Farm Bureau Office.

The meeting was called to order by Martin Warren, County President. After the reading of the minutes and financial report, Miss Elouisa Cantu of Hobbs reported on her recent trip to the Farm Bureau sponsored

ed Citizenship Seminar in Waco. Rudy Hamric spoke to the convention explaining the amendments to be voted on in Tuesday's election.

Delegates were also selected to go to the State Farm Bureau Convention in Fort Worth, November 8-11th. They are, L. R. Weems and L. D. Singley. Refreshments were served at the conclusion of the meeting.

Homecoming Committee report all indications point to a most successful event this weekend. Response from out of town Exes came in nicely and a large number of these plan to attend the annual event.

Certainly the Indian-Yellowhammer battle Friday will be highlight of the occasion as both are strong contenders for District Title and this game should decide the Champ.

A number of special events are planned during Homecoming '70 with this program following the game:

FRIDAY
7:30 p.m. Football Game
Rotan vs Haskell

After Game - School Cafeteria - Registration, Coffee and Donuts

SATURDAY
School Cafeteria - 9:00 a.m. Visitation and Coffee
11:30 A. M. - Lunch (Sandwiches and Pie)
1:30 p.m. - High School Auditorium
Program and Business Meeting
3:00 to 5:00 p.m. Open House
Berniece Hardy, 407 E. Burnside
School Cafeteria
7:00 to 8:30 p.m. - Banquet
8:30 p.m. to ? - Visiting and games
Community Center
9:00 p.m. to ? - Dance

Roby P.T.C. Set Tamale Supper Nov. 12

The Parent-Teacher Council of Roby Schools has set November 12 as the definite date for their "Tamale Supper."

Serving hours will be from 5:30 to 7:30 and posters will be out this week to advertise the supper. There will be a meeting after the supper.

Make plans to attend now as your support is needed.

Rotan O.E.S. To Have Grand Officer Visitor

Rotan O.E.S. Chapter #52 will have regular meeting November 10 at 7:30 p. m.

Grand Officer, Mrs. Ethel Pratt, Deputy Grand Matron of Dist. 2, Section 7, Grand Chapter of Texas, will make an official visit.

All Rotan O. E. S. members are urged to attend and all O. E. S. members are invited.

A salad supper will follow the meeting. All Rotan members are asked to bring a salad to the meeting Nov. 10, 7:30 at Masonic Hall in Rotan.

Shelia Jeffrey, Fisher County 4-H member, is shown with Jana Jeffrey's Summer Yearling Heifer that was Reserve Champion Angus Female of the Jr. Show at the State Fair of Texas October 22.

Holding the Banner is Valley Strickland, Texas Angus Queen.

Homecoming At Hobbs Successful

Hobbs began their activities Saturday afternoon by crushing Ira 48-16 in a 3-B district six-man football game.

Hobbs took charge of the game early as Mike Hull passed for four touchdowns; the first, a 20 yarder to Robert Molano. Hull's other scoring passes were good for nine, 8 and 19 yards as he hit John Martinez, S. T. Dooley twice and Robert Molano respectively. Martinez also had a touchdown run of 40 yards and Rudy Martinez ran one in from 15 yards.

Hobbs now stand 2-0 in district play while Ira drops to a 1-1 record.

First Correct Guess In Contest

Cora Mae Rodgers won the Guessing Contest last week by hitting it on the nose with 20 points. She is the first person to guess exact total score thus far in the season. She is a splendid member of the efficient Callan Hospital staff, and we trust Erbie will now recognize her knowledge of football and get his guesses closer to correct total.

The number of guesses are about doubling each week, showing popularity with fans.

Next closest guesses were, Mrs. Willie Davis: 21, Gerald Harmon: 22; Tony DeLeon, 24; Monte Morrow: 26 and Dan Park: 26. Most of the estimates

were high, a few in the 80's. Join the fun and get your guess in early, Thursday mornings 8 a. m. is earliest filing time.

Apology

Our apology to Ray Brown of Rotan Motor Company. He was one of the original sponsors on the Yellowhammer Football page running during the playing season.

In some manner we omitted his name as a sponsor. He is an ardent Yellowhammer supporter as well as all worthwhile civic projects, and we regret the omission.

Rotan Turkey Shoot To Be Sunday Afternoon

Hammers Made It Eight In A Row

Yellowhammers played a classic game Friday night in defeating Stamford Bulldogs 20-0 in home game to advance with 8 straight wins of the season. Mickey Early made the 3 touchdowns with splendid cooperation of the entire Yellowhammer squad, to crush Stamford.

District title will probably be decided here with Homecoming game Friday night when the Hammers host a powerful Haskell Indian aggregation.

The Bulldogs of Stamford managed only one penetration of the Yellowhammer 20-yard line, that in the second period.

Early drew the first blood for Rotan in the initial period as he sprinted around end 59 yards to pay dirt. Quarterback Walter Hargrove booted the PAT and with only 5:20 gone in the game, Rotan had a 7-0 lead.

The Yellowhammers took possession of the ball again early in the second period on their own 45 and marched down to the four yard line of Stamford in six plays. On the next play, Early took the ball in to give Rotan a 13-0 lead.

Rotan halfback Steve Nowlin, chalked up well over half of his team's 300-plus yards rushing,

averaging near 10 yards per carry.

The third period saw Rotan muff scoring opportunities twice as Nowlin moved the ball deep inside Stamford territory on two occasions only to see one nullified by penalties, and the other stifled by a fumble on the next play.

With 7:56 left in the game, Early scored his third TD of the night, this one from 14 yards to cap a 53 yard Rotan drive. Hargrove booted the final point of the night to give Rotan a 20-0 district win.

Rotan's usually super-effective passing game fell short against Stamford as Hargrove hit his mark only three times for 23 yards, but the slack was taken up by Nowlin as he ripped through the Stamford line almost at will. His longest gainer of the night came in the third period when he broke away from the Rotan 21 down to the Stamford 40, lacking a half step of breaking away for the TD.

The win gives Rotan an 8-0 mark for season, and 3-0 for district play. Stamford fell to a 1-2 district record.

ROTAN..... 7 6 0 7-20
STAMFORD... 0 0 0 0-0

Annual Turkey Shoot of Rotan Fire Department and Junior Class is scheduled for Sunday.

A highlight of the event will be awarding of automatic shot gun to some lucky person. Many citizens are making donation to the cause and one of them will be given the shotgun.

The event will again be held at Clay Fowler Ranch, north of Rotan.

Concession stand and Bingo will be operated, in addition to the usual shooting events, trap-shooting, targets, live turkeys and matched contests.

Roby Auxiliary Regular Meeting

Roby Fireman's wives Auxiliary met Monday night Oct. 26 for their regular monthly meeting. Those attending were: Ann Seabold, Beaulene Shipp, Judy Hayes, Dixie Whitfield, Phyllis Rackley, Janelle Williamson, Valene Kiker and Velma Thomas. They expressed their appreciation for the business at the Turkey Shoot.

Next meeting will be November 23.

Laura Crow Makes ACC Band Tour

Laura Crow, of Rotan, was among 150 Abilene Christiana College band members who marched at the Houston Oilers-Pittsburg Steelers game, Oct. 18, in Houston's Astrodome.

A 1970 graduate of Rotan High School, Miss Crow is the daughter of Mr. and Mrs. Calvin Crow of Route 1, Rotan. She is a freshman math major at ACC.

Girl Scout Assn. To Meet In Roby

Girl Scout Association III will meet in Roby November 9 at 11:30 a. m. at Midwest Electric Cooperative Building.

Salad luncheon will be served at noon.

All Girl Scout Leaders from Roby, Sweetwater, Roscoe, Colorado City, Blackwell and Robert Lee are expected to attend.

Hospital News

Patients admitted to Callan Hospital October 27 thru November 2.

Local patients: Mrs. A. L. Martinez, Colter Senn, Donna Whitley, Bertrice Chiles, Mrs. J. H. Stanford, Mrs. W. D. Rushing, Mrs. Edwin McCombs, Mrs. Johnny Martinez, James Shelley, Mrs. Mike Rodriguez and Peggy Simmons.

Out of town patients: J. P. Moore, Roby and Dennis J. Johnson, McCaulley.

Conservation Planned

The Resource Conservation and Development Project assists local leaders to conserve natural resources of the area.

District Directors of five area soil and water conservation districts met at Stamford, Monday, October 26, for the purpose of organizing a Resource Conservation and Development Area.

B. Birger Haterius, Chairman of the Board of Directors of the California Creek Soil and Water Conservation District presided at the meeting. District Directors of the California Creek SWCD including Haskell and Jones Counties; Wichita-Brazos SWCD including Haskell and Knox Counties; Upper Clear Fork SWCD including Fisher and Nolan Counties; King-Stonewall SWCD covering King and Stonewall Counties and the Duck Creek SWCD including Dickens and Kent Counties were in attendance. Also attending the meeting was Cecil Mayes, Executive Director of the West Central Texas Council of Governments, Abilene, and others of his staff; H. D. Deyo, Lubbock, representing the South Plains Association of Governments; T. D. Terrell of Stamford, representing the Stamford Electric Cooperative; Gregory Truman of Stephenville and A. W. Dalrymple of Lubbock, representatives of the Texas State Soil and Water Conservation Board; and Soil Conservation Service representatives of the various counties involved.

The representatives of the 5 Boards of Directors voted to sponsor a RC&D program, and selected a steering committee to start the necessary work toward applying for assistance.

R. V. Earles, Rt. 1, Haskell, representing the California Creek SWCD was elected chairman of the steering committee. Others selected to serve on the committee were: L. D. Offutt, Munday, representing the Wichita-Brazos SWCD; Glen Webb, Rt. 2, Sweetwater, representing the Upper Clear Fork SWCD; B. A. Erdman, Old Glory, representing the King-Stonewall SWCD, and Victor Arrington, Spur, representing the Duck Creek SWCD.

The steering committee selected December 7 as their first meeting date to be at Aspermont.

Inquiries and questions concerning this proposed project can be directed to the Steering Committee or to the local SCS

vation and Development Project Stephenville presented the program - an outline of what RC&D is, how it functions and operates, and what its intended results might be were discussed and slides were shown to implement the discussion. The RC&D is to assist local leadership to conserve, use, and develop natural resources of the area and to meet or provide for the Social, Civic, Recreation, Health, and Industrial needs of the people of the area involved.

The representatives of the 5 Boards of Directors voted to sponsor a RC&D program, and selected a steering committee to start the necessary work toward applying for assistance.

R. V. Earles, Rt. 1, Haskell, representing the California Creek SWCD was elected chairman of the steering committee. Others selected to serve on the committee were: L. D. Erdman, Old Glory, representing the King-Stonewall SWCD, and Victor Arrington, Spur, representing the Duck Creek SWCD.

The steering committee selected December 7 as their first meeting date to be at Aspermont.

Inquiries and questions concerning this proposed project can be directed to the Steering Committee or to the local SCS

Lions Lose To Jayton Jaybirds

Roby Lions lost to Jayton Jaybirds Friday night at Jayton, 47-0. The strong Jayton team has a 2-0 district record with Lions 0-1.

Jayton hit Roby for three tallies in the first period including a 68-yard scoring pass from Kim Nichols to Harold Judy on the first play of the game. Judy scored again in the first period in a 22 yard scamper, and John Davis added six to the 18 point first period.

In the second period, Davis pulled down his second tally of the night on a four-yard run. Nichols passed to Judy for the two-point conversion and a

26-0 lead.

In the same period Nichols unwound another aerial, this one to Dusty Smith into the end zone from the 14 yard line.

The third period went scoreless but on the first play on the final period Judy took the ball in on a quarterback sneak from the one, then passed to Lindell Favor for the PAT.

Smith got his second score of the night late in the game on a 46 yard run. Nichols booted the PAT to cap the game's scoring.

The loss gives Roby a 2-4-1 record for the season.

W.W.1 Vets Plan Armistice Affair

All WWI Veterans, Wives and Widows are invited to meet at the Silver Spur Cafe, Roby, Texas, Wednesday night, November 11, 7 p. m. for a get together and light refreshments in commemorating the Armistice 52

years ago. American Legion members are invited to meet with us.

Edward Patton of Calgary, Alberta, Canada left Rotan Sunday to return to Canada.

County U.S. Bond Sales Very Good

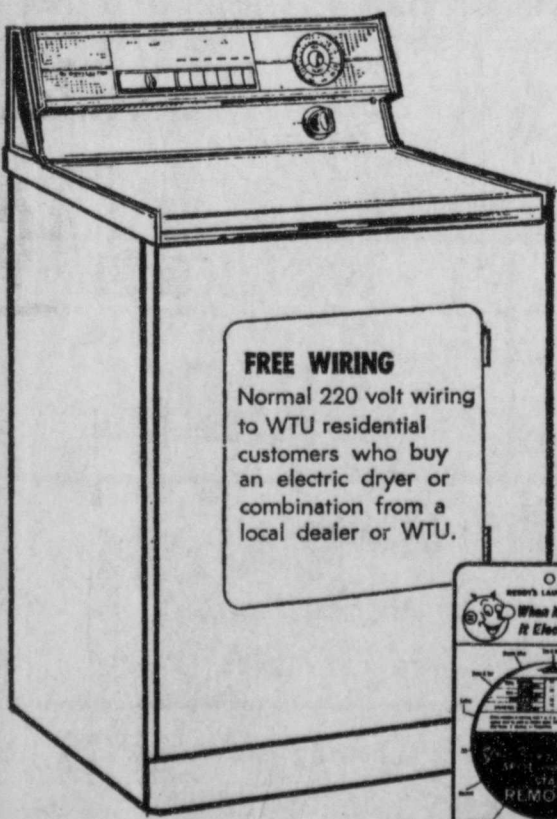

September sales of Series E and H United States Savings Bonds in Fisher County totaled \$11,438 according to a report from R. L. Springer, Chairman of the Fisher County Savings Bond Committee. A total of \$33,608 has been purchased in this county since January 1. This figure represents 67 per cent of the 1970 goal of \$50,000. Texans purchased \$15,033,393 in Savings Bonds during the month compared to \$14,480,583 for the same period a year ago an increase of 3.8 per cent. Sales for the nine-month period were \$136,303,218 for 76 per

cent of the yearly goal of \$179.9 million. Nationally, new purchases of Series E and H Bonds totaled \$351 million, 9.4 percent above 1969 sales of \$321 million. The first nine month sales were \$3,501 million--3.9 percent above a year earlier. Exchanges of Series # for new Series H Bonds amounting to \$182 million were reported for the first nine months--a 29 per cent increase over the \$141 million exchanged during 1969. Mrs. Bernice Stockton, Rotan, spent last week in Lubbock visiting Judge and Mrs. Howard Davison. She and Mrs. Davison visited relatives in Wichita Falls over the weekend.

INSURANCES**

The world wide commitments of the 516th Tactical Airlift Wing (TAW), Dyess AFB, require continuous low level flying training. The highest possible degree of proficiency must be maintained and the 516th TAW aircrews must be current in all modes of aerial delivery. As a result, C-130 Hercules and C-7A Caribou aircraft are flown at low level altitudes over the "big country" on a daily basis.

These low level flights may be scheduled between 8 a. m. and midnight, Monday thru Friday, and less frequently on weekends. Daylight missions are flown at an altitude of 500 feet above the terrain while night low level activities are conducted at least 1,000 feet above any obstacle, man made or geographic, within three miles of the prescribed track of the aircraft. Airspeeds will vary from 115 to 290 miles per hour.

All flights are made along specific routes which are approved by the Tactical Air Command, only after coordination with the Federal Aviation Administration and local airport managers. Minimum disturbance of farms, ranches and communities is the primary consid-

eration in selecting low level routes. Towns, local airports, resorts, hatcheries and stock pens are avoided when planning the routes and will not be overflown by C-130 or C-7A aircraft under any normal circumstances. 516th officials would like to emphasize that, even though training must be conducted at low altitudes and high airspeeds in order to be realistic all possible precautions are taken to prevent disruption of local agriculture and community activities.

The areas affected by these training flights are: Abilene, Merkel, Rotan, Aspermont, Hamlin, Stamford, Throckmorton, Haskell, Rule, Winters, Ballinger, Coleman, Talpa, Cisco, Eastland, Comanche, Carbon, Albany, Anson, Nolan, Christoval, Paint Rock, Tuscola, Tye, Sylvester, Roby, Girard, Buffalo Gap, Baird, Lueders, Seymour, Benjamin, Knox City and Old Glory.

Jimmy Hayes, Roby, was admitted Monday afternoon to Simmons Memorial Hospital, Sweetwater, for treatment of inner ear infection. Mrs. Jimmy Hayes was treated for a virus but was able to come home.

Willing Workers Study Meals

The Willing Workers 4-H Club met October 29 at 3:30 p. m. in the Pink Building in Roby.

We talked about the meat group. Each girl made their own hot dog. We played games and the meeting was adjourned by President, Lois Ann Cauble, Michele Cox, Reporter.

Van Hale of Hamlin spent the weekend in Roby, visiting his grandparents, Mr. and Mrs. Jim Hale.

Mr. and Mrs. H. E. Kiker of Roby visited in Ft. Worth over the weekend with their children and families. Mr. and Mrs. Donald Kiker and Mr. and Mrs. George Nail.

Rotan School Lunchroom Menu

Rotan School Lunchroom menu for week of November 9-13.
Monday: Italian Spaghetti, Suttered Corn, Steamed Cabbage, Carrot & Raisin Salad, W/Wheat Rolls, Butter, Red Velvet Cake Squares and Milk.
Tuesday: Hot Biscuits w/ Hamburger, Gravy, Mashed Potatoes, French Cut Green Beans, Tossed Salad, Bread, Fruit Jello and milk.
Wednesday: Baked Beans W/ Frankfurters, Broccoli Spears (Buttered), Potato Salad, Cornbread, Butter, Pineapple Upside Down Cake and Milk.
Thursday: Chili Burger, Oven Fried Potatoes, Creole Lima Beans, Cole Slaw, Chocolate Sheet Cake and Milk.
Friday: Fried Fish, Catsup, Creamed Peas, Beet Pickle, Baked Potato, Pear in Lime Jello, Hot Rolls, Butter, Fruit Cobbler, Milk.

Store Thefts Feed Inflation Fires

Losses from burglary and larceny are called inventory "shrinkage."

As a result, consumers must pay higher prices to compensate for the goods lost to thieves plus the cost of business security measures to discourage thefts.

Stores across the country are spending millions of dollars for security programs ranging from chained-down merchandise to elaborate guard systems and electronic detection devices to halt thieves.

During the 1960's larceny (theft of merchandise worth \$50 and over) rose 199 percent and all burglary, from homes and commercial establishments, rose 117 percent, according to the latest FBI Crime Index.

For businesses, these losses range from 1.5 to 2.6 percent of sales—or an estimated \$4 billion per year, plus added billions for anti-theft equipment.

Out of a total of 1.3 million federal "white collar" workers last year, 352,549 were considered members of minority groups.

Hermleigh Takes McCaulley 50-12

The Cardinals of Hermleigh pulled it off again Friday night as they stormed over McCaulley 50-12.

The win gives Hermleigh a 3-4 record in what began as a disastrous season. The Cardinals are playing six-man style football for the first time this year after dropping their 11-man program at the end of last season.

Randy Roemisch accounted for four TD's in the contest, getting the only points scored in the first half with TD runs of 40 and 15 yards.

Early in the third period Roemisch cranked up and fired a 15 yard scoring pass to split end Johnny Pena, and the Cardinals held a commanding 18-0 lead.

Later in the same period Roemisch capped a long scoring drive with a three yard TD plunge, Bud Kimzey booted the two-point conversion.

The fourth period saw Roemisch chalk up his fourth TD of the night on a 20 yard scamper. Kimzey again booted the PAT and Hermleigh now led, 34-0.

McCaulley came back with two TD's of their own in the fourth period to avoid being blanked by the sometimes powerful Cardinals.

Teddy Current got the first McCaulley tally on a six yard burst, then three minutes later, Johnny De Los Santos capped McCaulley scoring efforts with a 10-yard TD run.

With the score 34-12, the Cardinals took off again and racked up 16 more points with TD runs of 20 yards by Dale Peterson, and 30 yards by Mike Conrod, and two PAT boots by Kimzey.

Hermleigh will have a good chance of squaring their season record next Friday when they travel to do battle with Blackwell.

Mr. and Mrs. Earl Holcomb visited Mr. and Mrs. Mack Ailen and Mike in Denver City Saturday and Sunday.

Jones-Maberry Wedding Vows October 24

Mr. and Mrs. Mike Maberry are at home in Odessa following their marriage Saturday evening, October 24th, in the Highland Heights Baptist Church in Sweetwater.

The bride is the former La Rue Jones, daughter of Mr. and Mrs. Leo Jones, Rt. 2, Sweetwater. Mrs. Norma McCollum of Sweetwater is the bridegroom's mother.

Rev. Jimmy Kinsey of Sweetwater officiated. The bride was given in marriage by her father.

Maid of honor was Vonda Jones, sister of the bride, best man was Charles Johnson of Sweetwater.

The double ring ceremony was performed beneath a "Lemon Leaf" arch, trimmed with white satin ribbon and bows, an arrangement of yellow chrysanthemums decorated the altar.

The bride wore a white metallic dress with black accessories, she carried a yellow Spider Mum bouquet on top of her Bible.

Following the wedding, a reception was held at 1316 Josephine in the home of the bridegroom's uncle, Mr. and Mrs. Ken Price.

A graduate of McCaulley High School, the bridegroom is employed by Wells Machine Shop of Odessa. The bride attended Roby High School.

Calendar Club Elects Officers

Newly elected officers for Calendar Club for the following year are: President, Mrs. C. M. Callan; Vice-President, Mrs. Bobby Gruben; Corresponding Secretary, Mrs. Glen Holt; Recording Secretary & Treasurer, Mrs. Jack Cadenhead; Reporter-Historian, Mrs. Ronald Landes.

The Calendar Club meets the last Tuesday of each month at 3:30 p. m. A holiday ride was held this past Tuesday night beginning at the home of Mr. and Mrs. Bobby Gruben, and going to the home of Mr. and Mrs. Louie Hayes for a weiner roast, and the ride back to town.

Eleven prospective members attended and a good time was had by all.

Secret Pal Club Has Co Hostess

Mrs. Alton McCain and Mrs. Joe Morris were hostesses to the Secret Pal Club, Friday afternoon, October 30 at the home of Mrs. McCain.

After the playing of several games there was the presentation of gifts.

Members present were Mmes. Tracy King, W. A. Hughey, O.D. Knox, Kidd Waddell, Lowell Thornburg, Earl Rhoton, and the hostesses, Mmes. Morris and McCain.

Guests were Mmes. Jack Smith, Homer Rucker and Franklin Smith.

Refreshments of coffee, punch, pickles, nuts, chocolate brownies, ritz crackers, cheese, and lemon chiffon cake were served buffet style.

Mrs. Kidd Waddell was recipient of the door prize.

Tax Man

It is a pretty good idea to sit down now, before the end of the year, and figure out whether your income tax withholding is going to cover you on April 15. The good tax folks say that most taxpayers prefer for the government to owe them, rather than take any chances on having to pay extra. Many families are faced with a real tragedy when they find that both Mom and Dad claimed the same dependent on their Form W-4. On the other hand, it is not too late to cut down the excess refund by reducing your withholding now. If you have had a major increase in your itemized deductions, if you have already had a hurricane or tornado loss, paid for a major medical expense, or paid an unusually large contribution to your church, you may want to reduce your withholding by seeing your payroll clerk and getting a Form W-4 Schedule A.

Roby Garden Club To Meet Nov. 12

The Roby Garden Club will meet Thursday morning, Nov. 12, 9 o'clock at the Mid-West Electric Cooperative, Inc.

Hostesses for the meeting will be Mmes. Glenn Upshaw and L. L. Stuart.

Special guest, Mrs. Alice Balingier, Fisher Co. Home Demonstration Agent will present the program on "Trees". The Do's and Don'ts on planting trees will be most helpful and very interesting to everyone.

Plans for the annual Christmas party will be discussed and planned. The Garden Club has some most attractive Christmas wrapping paper for sale. If anyone is interested in helping the Club in raising a little money for various expenses, please consider the Club and purchase your paper from any one of the members.

The public is invited to attend the meeting on "Trees", also, all members are urged to attend.

Cotton Classing Report Given

Harvesting gained momentum as clear weather prevailed throughout the Abilene Classing territory. As a result, receipts increased considerably at the USDA Cotton Classing Office.

B. B. Manly, Jr., In-Charge of the Classing Office reports that 4 classers were added to his staff this week and another is expected to report for duty Monday morning.

A total of 15,200 samples were classed for the week ending October 30, 1970 compared to 4052 for the same period last season. The seasons total is now 31,500 samples classed compared to 23,000 for a seasons total a year ago.

Twelve per cent of the cotton classed was in the white category, 76 per cent was light spotted and 2 per cent was spotted. The predominant grade was 42 at 44 per cent.

Predominant staple lengths were 29, 22 per cent and 30, 54 per cent.

Micronaire readings showed 83 per cent in the premium range.

Pressley or strength readings show 82 per cent reading 80,000 PSI and better.

The Consumer and Marketing Service, Abilene, reports average gross prices for some predominant qualities are: 3229 brought 20.70¢; 3230 brought 21.05¢; 4229 brought 20.20¢ and 4230 brought 20.50¢.

Roby WMU In Regular Meeting

Roby WMU met Tuesday, Oct. 27 at 2:30.

After the call to order, the prayer chairman read the scripture, Acts 4:32-37, and had the prayer.

The mission chairman, Mrs. Violet Upshaw, taught two chapters of the book, Taiwan, by W. Carl Hunker. The book is very interesting.

Those present were Maxine Warshaw, Ruth Hughey, Clara Smallwood, Violet Upshaw and Shella Miller.

The WMS will meet on Monday of next week for the Baptist Women's Day of Prayer.

Several of our ladies were out of town or absent for various reasons to ladies lets have a good meeting next Monday the 2nd of November.

Fred Weeks of Roby is able to be back in town after undergoing major surgery and a three weeks stay at Hamlin Memorial Hospital.

Mr. and Mrs. Clyde South of Rotan spent 10 days hunting in the mountains of Colorado. Both got their deer and also fished one day at Ground Hog Reservoir. Making the trip with the Souths were Mr. and Mrs. Burl Daughtry of Brownfield.

Mr. and Mrs. C. D. Cash, Mr. and Mrs. Albert Buck and Mrs. Viola Howell of Crosbytown, were here for Leon Dickersons funeral. Mr. Dickerson was a nephew of Mrs. Howell. They also visited other relatives, Mr. and Mrs. Homer Aaron.

Mrs. Mitchell Abdallah, Monica and Michelle left Rotan, Friday to return to their home in Irving after a 2 weeks visit. Mr. Mitchell Abdallah visited in Rotan Wednesday, Thursday and Friday and took them home.

Champion Jewelry

Card of Thanks

We wish to thank the Doctor and Nurses on East Wing of the Hospital for their excellent care, also wish to thank the good people of Rotan for the nice food that was sent to the home, for the beautiful cards and visits made while in the hospital and most of all for the prayers that were offered up in our behalf. May God bless each of you.

The Herman Wallace family

Mr. and Mrs. Larry McClain and Steven of Arlington spent the weekend in Rotan with his parents, Mr. and Mrs. J. A. McClain.

Children in Rotan to be with their mother, Mrs. Dono Whitby who underwent major surgery Thursday morning were Mr. and Mrs. Bennie Whitby of Ennis, Ocie and family of Hamlin, Mrs. Gene Spivey of Mineral Wells, and Sonnie Whitby and family of Lubbock. Also, her sister Mrs. Williams of Hamlin and her brother Cleo Woolf of Merkel. Mrs. Whitby is doing nicely.

Robert Patton, student at the University of Texas in Austin, visited his parents in Rotan last weekend.

Local persons attending funeral for Vern Underhill last week were his sister, Mrs. Joe Roberts, Mrs. Mud McKinney, Mr. and Mrs. Harold Roberts and Mr. and Mrs. Jack Underhill of Phillips.

Visiting with Mr. and Mrs. Tom Mahaffey of Roby Sunday to help Mr. Mahaffey celebrate his birthday were Mr. and Mrs. C. B. Overton and Mr. and Mrs. Gerald Chandler and family of Seymour, Mr. and Mrs. J. T. Mahaffey and Mark of Roby, Mr. and Mrs. Eugene Gruben and family of Rotan, Mr. and Mrs. Louis Johnson and boys of Stamford, Mrs. J. W. Scifres and son of Hamlin.

Cotton Harvest Getting Underway Over Area

Sylvester Girl At Oklahoma U.

Betty Keisling of Sylvester is enrolled as an Elementary Education Grad Masters this fall at Oklahoma State University.

OSU's total on-campus enrollment is a record 18,447 and represents an increase of 955 from one year ago.

Men outnumber women 11,863 to 6,584 less than two to one.

Registrar Raymond Girod said there are 4,397 freshmen, 3,706 sophomores, 3,701 juniors, 3,780 seniors, 2,736 graduate students and 127 special and unclassified students.

By colleges, arts and sciences has 5,067, business administration 2,804, the graduate college 2,736, education 2,178, engineering 1,895, agriculture 1,585, home economics 1,309, the technical institute 685 and veterinary medicine 188.

Cotton harvest is getting well underway over the area and gins have had fairly steady runs each day. In addition to considerable defoliation, a couple of frosts and light freezes killed much of the plants, which will aid farmers in gathering.

Much of the area has good crops and yield is expected to be near normal average.

At noon Tuesday, Hobbs gins had 1202 bales; Roby 1447 and Rotan gins total of 1572 processed thus far.

Several New Faces Of Corduroy

Corduroy, a pile fabric, takes on new faces this fall, reports Kay Elmore, Estension clothing specialist at Texas A&M University.

The ever-versatile corduroy fabric is now available not only in the traditional thin or wide wale, but also the newer cut and uncut, patterned or luxurious suede-like ribless designs.

For best results when sewing corduroy, follow these hints. Before buying yardage, check the pattern envelope under the heading "with nap". If "with nap" is not listed, add three-eighths to three-fourths yard to provide ample fabric for cutting pattern pieces in one direction.

Cutting in one direction is important because direction of the pile effects the color of corduroy. For example, brushing the fabric against the pile produces a rough texture and deeper color. Smoothing the fabric produces a lighter shade.

For perfect cutting, lay the pattern pieces on the wrong side of the fabric. The top of each pattern piece should point in the same direction to prevent color distortion in the finished garment.

If the pattern layout calls for a crosswise fold, cut on a single thickness with all pattern pieces pointing in the same direction. But if cutting on a lengthwise fold, cut on a double thickness.

Stitching corduroy on a sewing machine requires loose tension thread (8 to 10 stitches per inch), a fine needle size (11 to 14) and a round holding plate to prevent an imbedded stitch line which detracts from the pile surface. Also since some corduroy is heavy, a lining fabric may be used as the facing to reduce bulk.

Expect little and you will spare yourself disappointments.

THAT NONE MAY BE FORGOTTEN!

VETERANS DAY

More than 1,500 Americans are either prisoners of war or missing in action. The North Vietnamese, the National Liberation Front of South Vietnam and the Pathet Lao in Laos have refused to provide any information on these men.

President Nixon has made a "no-strings-attached" offer for an exchange of prisoners. The National League of Families of American Prisoners and Missing in Southeast Asia is attempting to persuade North Vietnam to adhere to the Geneva Convention.

Veterans Day 1970 is more than an opportunity to salute the former soldiers who have fought for our country. It is also an opportunity to pray for speedy release of the prisoners and a just peace.

Roby St. John Anniversary Held

The Roby St. John Baptist Church honored the Rev. J. L. Mitchell and his wife on their 3rd Anniversary, Sunday, November 1st. Conductor for the service was the Rev. K. K. Williams, pastor of Mt. Rose Baptist Church of Sweetwater. Rev. Williams brought a wonderful message on Monday night, Oct. 26th.

Sunday School on November 1st was conducted by Rev. Brown of Seymour; the eleven o'clock service was brought by Rev. T. L. Mitchell from Waco, father of the pastor. Soloist for the morning was Mrs. Betty Mitchell of Waco. The 8:00 service was brought by Rev. J. L. Lee and his choir from Anson, with William Dalbert at the piano.

There were several Churches and Choirs represented from this area along with others. We would like to thank all our white friends and others for making this Anniversary a great success.

Margaret Price, Reporter

Mr. and Mrs. J. R. McAnally of Kermit visited with Mr. and Mrs. O. D. Knox and Mr. and Mrs. Garland Moore in Roby Sunday.

Mrs. Alvenia Barnes of Roby is a patient in Callan Hospital and is reported to be doing very well.

Major and Mrs. Gary Graham and family of Shepard AF Base, Wichita Falls visited Mrs. Roland Ray, Sr. last week end.

Mrs. Joe Roberts, Rotan, and Mrs. A. L. Bailey of Ira visited Joe Roberts in V. A. Hospital, Big Spring Monday and Tuesday.

We've never liked the plea "vote for and support." If the candidate gets enough votes he ought to be able to support himself. — John H. Gilgour, The Tri-County (Mo.) News.

Real success in life is not measured by how many individuals you excel but by how many people you befriend. — Donald M. Weaver, Winnebago (Minn.) Enterprise.

As It Looks From Here

Omar Burleson, M. C. 17th District, Texas

When any money is lying around in Washington not being used, it is a certainty that somebody will be proposing ways to spend it.

It is a little strange that there is Federal money in Washington not being used. Contrarily, money is being used which in most instances doesn't exist at

all. The case in point, however, is the Highway Trust Fund which is well in the black unless it is considered that its funds have been borrowed by other Federal agencies. The repayment of these funds is as good as any other obligation of the Federal Government but they may not always be readily available.

At the present time a goodly portion of funds created under the Federal-Aid Highway Act is being withheld by the Administration. The Congress has before it legislation to continue

and extend the Interstate Highway Program, which is paid for by the gasoline and other taxes. The tax end of it, which is handled by the Ways and Means Committee, has been approved but the Public Works Committee of the Congress has jurisdiction over all other features of the Highway Program which calls for a 90 percent payment by the Federal Government with 10 percent by the various States.

There are all sorts of proposals for diverting money from the Highway Trust Fund for purposes not provided in the original Act.

Mainly, the advocates of diverting Trust Fund money want it for mass transit systems in the big cities. Just recently the Congress voted to authorize more than \$3 billion for this purpose but the Governor, Senators and Congressmen from these areas say this is a drop in the bucket and want to tap funds collected for building interstate highways to an urban transit system. When these members found that last year the Highway Trust Fund had a surplus of over \$2 billion in unobligated funds they immediately attempted to latch on to it. They even go beyond proposals to build streets but want to purchase equipment and retire debts incurred in the past.

As a matter of mechanics, there is really no such thing as unobligated funds for highway building. This is the trouble at the moment--funds are obligated when allocated. This simply means that funds promised a State must be assured many months in advance in order that the States may properly plan. Funds furnished a State should not be delayed, as is the case at the present time. When this is done, it throws out of kilter long term planning causing expensive delays. In Texas, funds for this fiscal year, which ends next June 30, are reduced from \$275 Million

authorized to \$210 Million, which means a 23.6 percent drop. Our State of Texas, during the last 10 years has sent about three quarters of a billion dollars to the Highway Trust Fund, more than it has received back in Federal aid. At the present time, Texas is due about \$145 Million that has been arbitrarily held back by the Administration. One of the reasons given is the cutback will help fight inflation. As already mentioned, the actual expenditure would not come about for quite a long period of time if released.

Apaloosa Show In Sweetwater

Entries are coming in from across the United States for the World's Champion Apaloosa Performance Show to be held in Sweetwater November 19-21. Large maps of the United States are on display at the Texas Bank & Trust Co., National Bank of Sweetwater, and the Sweetwater Chamber of Commerce Office. As entries are received, the states represented are shaded on the maps.

States recently added are Iowa, Ohio, Nebraska and Colorado for a total of four.

Design for Living

The abuse of alcohol is a factor in more than 50 percent of traffic fatalities, according to Howard Pyle, president, National Safety Council. "Alcohol is involved in at least 25 per cent of home accidents and countless hunting, boating, swimming, private flying and skiing accidents," he added.

The "Alcohol Story" is completely detailed in a pamphlet available from the Council at 425 North Michigan Avenue, Chicago, Illinois 60611.

Woman Chasers

When Hurricane Celia ripped a tornadic trail through Texas, rural electric systems in her path needed help in a hurry. Within hours volunteers from other rural electric cooperatives in the state were on the scene to help restore service. Many of these skilled men had followed the devastating track of such shady ladies as Audrey, Beulah, Carla and Camille. They are among the 2500 employees of 77 member-owned rural electric systems in Texas who provide a first class electric service to their own member-owners. But a neighbor called for help and they answered. It is this spirit of cooperation that has helped make the rural electric cooperatives first in service to rural Texans, Helping Texas Grow.

First Place In Jayton Contest

A Rotan musical group composed of Clay Helms, Joe Murphee, Mike Cade, Robin Roberts, and Terry McCombs won senior division at Jayton Talent Contest Saturday night at Jayton.

The Talent Contest was part of the Halloween Carnival when their Halloween Royalty was announced.

The popular musical group played "Truck Driving Man"; "Is Anybody Going to San Antonio" and "Wildwood Flower." The group will appear on Rotan's Homecoming program Saturday afternoon.

Card of Thanks

We wish to express our thanks to everyone who offered prayers, flowers, food and expressions of concern during the illness and loss of our Mother, Grandmother, and Sister. Dr. Callan and his staff, Bro. Appleby and the special music at the services made our loss easier to bear.

Mrs. L. L. Hammit and family
Mr. and Mrs. R. T. Hammit and family
Mr. and Mrs. Ben Neep and family
O. B. Cooper and Florence Hardy and families

To pick up dishes left at Mrs. Hodo's home, please come by her home or call 735-3386.

Card of Thanks

We would like to take this opportunity to say thank you to those who sent food and flowers to us during the time of the loss of our loved one. Your thoughts and prayers were kindly appreciated.

Also, we would like to say thank you to the staff at Crestview Lodge for making her stay comfortable and pleasant during the time she was there.

The family of Myrtle Bates

Mrs. Joe Roberts and son, Harold Roberts; Mr. and Mrs. Jack Underhill visited Thursday morning with Joe Roberts in V. A. Hospital, Big Spring. Joe's condition is critical.

Birthday Party For Mrs. Moulton

A surprise birthday party honoring Mrs. Mayme Moulton of Roby was held Monday evening in the home of Mrs. Bertha Stevenson.

Cake, punch, chips dips and a variety of goodies were served from a beautiful lace covered table centered with an arrangement of red roses.

The honoree received many nice gifts and was indeed surprised by the party.

Those attending were; Mmes. R. T. Martin, Ralph Headstream, P. D. Park, A. V. Allen, Parnice Douglas, May Green, Billy Kiker and daughter, Tennis Justice, Ada Healer and Bertha Stevenson.

Card of Thanks

I would like to express my deepest appreciation and say thank you to the neighbors and friends who were so kind and helpful at the death of my wife, Ola. Words fail me when I try to express myself and especially to I thank everyone for the food and those who brought and served. Also, for the flowers, and sympathy you have shown me and all of the cards.

Especially I would like to thank members of Roby Chapter Eastern Star who sat the night at Weathersbee Funeral Home. May God bless all of you.

John Hayes, Roby

Mr. and Mrs. Homer Aaron of Rotan attended the Golden Wedding Anniversary of Mr. and Mrs. Ennon Morgan at Pule Sunday. Mr. Aaron and Mr. Morgan were school mates. They reported a lovely time.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J. E. PEAVY, M.D., Commissioner of Health

Rubella, or German measles, is destined to soon join the ranks of such illnesses as smallpox and polio. For too long rubella, usually a mild childhood disease, has attacked, crippled and killed babies born of mothers infected with the disease in the first few months of pregnancy. A vaccine is now available which will protect your children against this dangerous disease. The Texas State Department of Health has already immunized over 400,000 children in the State, and has an intensive statewide immunization campaign underway that will eventually reach the two million youngsters susceptible to the disease.

The real victim of rubella is the unborn baby. To protect them, the expectant mothers who have never had the disease need to be protected. The task, then, is to protect women in the childbearing age without actually giving them the vaccine. To do this, it is presently recommended that both boys and girls be given the vaccine before puberty, thus preventing them from contracting the disease and exposing an expectant mother.

So where do we stand in Texas? On July 1, 1969, the State of Texas was awarded a two-year federal grant to carry on a state-wide immunization program. This program is administered by the State Health Department in Austin with regional representatives in seven areas of the state. Each is responsible for coordinating public health rubella immunization activities in a given number of counties. To date, 97 of the State's 254 counties have conducted mass immunization

campaigns. Twenty-five more have conducted limited drives. And another 47 counties are planning mass immunization programs this year. The State Health Department's drive has reached 419,751 youngsters age one through ten, or about 20 per cent of all those susceptible to the disease.

The drive is designed to prevent a potential epidemic between 1970 and 1973. Already, the number of cases of the disease reported this year is double the total number of cases reported last year. Five deaths were attributed to rubella last year, and an unknown number of defective babies were born.

Card of Thanks

We would like to express our sincere appreciation to Margaret Nichols for sounding the fire alarm and to the Roby Volunteer Fire Department for their prompt response when we suffered smoke damage from a burning television set Sunday night, October 25, 1970.

Service Held For Mrs. John Hayes

Funeral service for Mrs. John Hayes was held Thursday, 2 p.m. from First Baptist Church, Roby...

Burial was in Roby Cemetery under direction of Weathersbee Funeral Home.

Mrs. Hayes died at her home in Roby at 8 a.m. Wednesday. She was the former Ola Parker, born March 2, 1894 in Roby...

Survivors include her husband; 2 brothers, Irvin of Roby and Carlton of Sweetwater.

She was preceded in death by a sister and five brothers.

Father Of Mrs. Vann Died

H. C. Smith, 84, resident of Olney died at 1:30 a.m. Thursday in Hamilton Hospital in Olney after suffering a stroke some three months previously.

Funeral was at Southside Baptist Church, Olney, with Rev. Hudson, pastor, officiating.

Burial was in Montague Cemetery, Montague, Texas under direction of Eubank Funeral Home, Canton, Texas.

Mr. Smith was born April 1, 1886 in Montague County and had lived there most of his life. He was a retired oil field pumper.

Survivors are his wife, Mrs. Bessie Smity; three daughters, Mrs. Kenneth Vann, Roby, Mrs. A. L. Byrd of Texas City and Mrs. Marvin Butts of Henrietta; two sons, Jack Smith of Wichita Falls and L. R. Smith of Canton, Texas; 11 grandchildren and three great-grandchildren.

Card of Thanks

We would like to take this means to express our thanks and appreciation for all the flowers, food, cards and visits during our time of illness and grief. We are grateful for the many prayers and kindness during the loss of our husband and father.

The family of John Palmer

Card of Thanks

We would like to say thank you to our many friends who sent flowers and cards in our time of sorrow. They mean so much to us.

Mr. and Mrs. Kenneth Vann Joy and Linda

Service Held For John L. Adair

Funeral for John L. Adair, 66, former Rotan resident, were at 3 p.m. Sunday at First Baptist Church with Rev. Billy Hudnall, pastor, officiating.

Burial was in Cottonwood Cemetery northwest of Rotan under direction of Weathersbee Funeral Home.

Mr. Adair was found dead Friday in his home in Tucson, Ariz. Death was ruled due to natural causes.

He was born Nov. 13, 1903 in Kent County and grew up around the Rotan area. He moved to New Mexico and to Tucson, Arizona where he operated a riding stable. He had been a rancher. His parents were Mr. and Mrs. W. H. Adair, pioneer settlers in the Rotan area.

Survivors are one daughter, Mrs. Katherine Norton of California; five sisters, Mrs. John Head of Rotan, Mrs. May Lucas of Garberville, Calif., Mrs. Hattie Coke of Plains, Mrs. Mattie Blevins of Elida, N. M. and Mrs. Rachel Warren of Roswell, N. M.

Four brothers and one sister preceded him in death.

Nephews were pallbearers.

Relative Dies At Meridian

Funeral service for J. H. (John) Vaughan, 88, relative of several local and area persons, was at 10 A.M. Saturday, October 31, in First Baptist Church of Meridian, Texas.

Officiating were Rev. E. M. Cole and Rev. Randell Scott, pastor of First Baptist Church. Burial was in the Meridian Cemetery under direction of Brister-Lawson Funeral Home of Meridian.

Mr. Vaughan was born and reared in Cass County. He married Annie McCain December 12, 1912 in Fisher County. He had been a longtime resident of Claytonville Community, moving to Meridian 10 years ago.

He died about 2 P.M. Thursday, Oct. 29 at Meridian Geriatric Center, where he had been a patient several months.

Survivors are his wife; a son, S. M. Vaughan of Meridian; a brother, J. D. Vaughan of Dallas and a number of nieces and nephews.

Attending funeral services from the area were: Mr. and Mrs. Bennie Kidd, Mr. and Mrs. B. C. Kidd, Mr. and Mrs. Alton McCain, Mr. and Mrs. Tom Toland and Jane Driskill and children.

Rev. and Mrs. Skiles, pastor of Hobbs Baptist Church, visited Addie Scott and Mr. and Mrs. Kike Beauchamp a short time Sunday afternoon.

Mrs. Knott Dies At Dallas Oct. 26

Mrs. P. B. Knott, 82, of 1023 Wayne, a Dallas resident for 30 years died Monday, Oct. 26.

Mrs. Knott was born in Clay Center, Kan. She was a member of the East Grand Baptist Church and the Order of the Eastern Star. She was past matron of Mt. Auburn Chapter No. 755.

The Knott family resided in Rotan for many years, when he was employed by Day Brothers Hardware, prior to moving to Dallas.

Survivors are: three sons, J. P. Knott of New Orleans, La., Don Knott of Huntsville, Ala., and Robert Knott of Dallas; a daughter, Mrs. Mary Oster of Dallas; a sister, Mrs. Guy Roxburgh of Houston; two brothers, J. K. Holderness of Fort Worth and Guy Holderness of Clifton, Bosque County; nine grandchildren; seven great-grandchildren.

Funeral services were held at 10 a.m. Wednesday, Oct. 28 in the East Grand Baptist Church, Dallas. Burial was in Grove Hill Memorial Park.

Grandmother Of Mrs. Yates Dies

Funeral for Mrs. Andrew (Myrtle) Bates, 87, was held at 3 p.m. Thursday at the Church of the Nazarene, Hamlin with Rev. Marshall Stewart, pastor, officiating.

Mrs. Bates was grandmother of Mrs. Bobby Yates of Rotan and was resident of Crestview Lodge for approximately 18 months prior to being moved to Hamlin Hospital.

Burial was in Hamlin East Cemetery, with Foster Funeral Home handling arrangements.

Mrs. Bates died Tuesday at Hamlin Memorial Hospital after a long illness.

Born Sept. 15, 1883 in Jack County, she has resided in the Hamlin area for several years.

Survivors include a daughter, Mrs. Frank Allen of McCaulley three grandchildren and seven great-grandchildren; 2 brothers, W. L. Pitts of Sunnymeade, Calif. and H. Pitts of Torrence, Calif.; two sisters, Mrs. Ida Ncwby and Mrs. John Floyd, both of Snyder; and two great-great-grandchildren.

Card of Thanks

We wish to express our deepest thanks to all our friends who have been so kind during the loss of our mother. Thank you for the visits at the hospital during her illness, for the floral arrangements, the excellent food, and all your prayers. God Bless all of you. Mr. and Mrs. Frank Gonzalez and the family of Mrs. M.T. Flores

Flash-Bits from Fisher County Nursing Home

Hi there - well the spooks didn't get us Saturday night, so here we are with our news again. Our little ladies enjoyed sacking little witch sacks with goodies for our little trick-or-treaters. Had lots of the little ones come by to get their goodies. Our little Miss McCollum enjoyed being our hostess and checking to make sure all got a treat.

Mr. Taggart and Mr. Kersh are still in the local hospital, but think Mr. Kersh will be home this week.

Happy Birthday to two little ladies this week. Mrs. Annie Tillotson will celebrate her 90th on Nov. 5th and Grandma Watson will be 86 on Nov. 10th. Also to Mr. Holder who has one Monday, Nov. 9th, he will be 89 years old.

Hear that our Mable Kimzey was seen on the floor at the square dance Saturday night, doing Put-Your-Little-Foot, Mable, Mable.

Uncle Lee Williams was out Saturday to enjoy the Homecoming activities at Hobbs.

From Sylvester visiting Mr. Cross and Mrs. Kiser this week were Alice Cross, Maggie Wilder, Mae Hurst, Mrs. Polly Maberry, Mrs. Lyndon Perkins, Mrs. Richard Kelly and Mrs. Robert Reed, Rev. and Mrs. Homer Salley of Roby also visited them.

Mr. and Mrs. Jimmy Mac Rivers and baby of Hamlin visited Lola O'Brian, also visiting with her were Oleta Parker and Mrs. Mack Rivers.

Mr. and Mrs. Clifford Berry of Coleman visited her Dad, J. T. Holder.

Visiting with Lee Williams were Mr. and Mrs. Charles Masters of Weatherford, Mr. and Mrs. J. D. Kincaid of Hobbs, Ricky Williams of Leveland, Mr. and Mrs. Randy Williams of Commerce and Mr. and Mrs. Andrew Williams of Hobbs.

Visiting Mr. and Mrs. Ivy were J. O. and Loyd Ivy of Bangs, Mrs. Dorothy Prince and Mrs. S. M. Bozee and children of Aspermont.

Mrs. Rosa Hyde visited in Sweetwater Sunday with her son J. N. Walker and family.

Mrs. Kimzey's visitors were Mr. and Mrs. Charles Masters of Weatherford, Mr. and Mrs. Roy Kimzey of Roby and Carol Ann Kimzey of Lubbock.

See you next time around.

Heroin Treatment

Your doctor now has available a way to conquer completely heroin addiction. This announcement was made by Doctor Paul Williamson of Practice Research, Inc.

"First we put the patient on methadone which might be described as a milder narcotic," Doctor Williamson said. "When an addict takes methadone, he can hold a job or go to school. This is impossible on heroin. In six months to a year, after he establishes a normal life, we then use electrosleep to take him off methadone."

"Electrosleep has been used for as much as 10 years in Germany to fight addictions," the doctor said. "It is now being manufactured in Texas, in New York and will shortly be manufactured in Nebraska. The Russians have had a similar technique for twenty years and the Japanese for about eight."

"We have the means, but we haven't the people," Doctor Williamson said. "It is the function of Practice Research to tell the people and the doctors what now can be done. We cooperate in any way possible with all existing anti-heroin programs. Our work is funded by foundations."

"For example, in Fort Worth, there is an entirely private program run by Doctor P. J. Carter. He has had great success with many addicts. Our job is to inform the people and to do anything within our power to assist Doctor Carter."

Magic Formula Promotes Nutrition

Right side up or upside down, the 4-4-3-2 formula is magic in assuring well-nourished young people everywhere. And magic formula is used by 664,000 boys and girls enrolled in the national 4-H food-nutrition program.

They find the 4-4-3-2 formula an easy way to learn and practice good eating habits. Using the nutritionists' daily food guide, the formula suggests: four servings from the fruit and vegetable group; four from the bread and cereal group; three from the milk group and two servings from the meat group.

The 4-4-3-2 approach to well-nourished young people is featured in a series of manuals developed by the Cooperative Extension Service with the assistance of General Foods Corporation and the National 4-H Service Committee.

Starting with the magic approach in the unit, Tricks for Treats, the young people move into All American Foods, Meals for Today the Easy Way and Foods with an International Flavor. A guide for volunteer leaders supports each unit. Planning, preparing and serving meals and snacks are covered in the attractive books. 4-H members enrolled in food-nutrition also learn about buyman-ship, nutrition, foods and customs of America and other countries.

Adding another dimension to the national 4-H food-nutrition program for the 10th year is General Foods Corporation's support through incentive and recognition awards. The company provides \$600 scholarships to six national winners and an expense-paid trip to National 4-H Congress to a winner from each state. General Foods also will host the group at the national 4-H event in Chicago, Nov. 29-Dec. 3. Four medals of honor are offered in each county.

Boys and girls between the ages of 9 and 19 are eligible to participate in 4-H including the food-nutrition program.

For more information about 4-H participation, contact the local county extension office. Information about the 4-H food-nutrition manuals and guides may be obtained from the National 4-H Service Committee, 59 E. Van Buren St., Chicago, Ill. 60605.

The money you spend right here in your home area, stays HERE to work for you and the entire community. And that's the secret of economic "good times." A dollar that circulates from customer to merchant to wage-earner, actually earns "INTEREST" each time it changes hands! So remember - the BEST PLACE to shop is here - in your HOME TOWN!

**"Ye Shall Know
The Truth"**

The Perfect Church

While men stand today discrediting the "church" and declaring it has failed, it is apparent they do not see the New Testament church. That churches of human origin have failed and are imperfect is something which is not questioned, but this cannot be said of the New Testament church, the church of our Lord.

The New Testament church is complete in Christ (Col. 2:10). It is furnished completely unto every good work (2 Tim. 3:16-17); it is a perfect soul-saving institution (Acts 2:47); and the only perfect benevolent institution (Acts 11:27-30). It can offer perfect worship acceptable to God (Jn. 4:22-24). It is the perfect support of the truth (1 Tim. 3:15); perfectly adapted to all of man's spiritual needs.

The new Testament church has a perfect head, Jesus Christ (Eph. 1:22-23); a perfect law, the New Testament (2 Tim. 3:16-17; Jas. 1:25); and a perfect foundation, Christ (1 Cor. 3:11). It wears a perfect name, the name of Christ (Acts 4:11-12; Rom. 16:16) and extends a perfect fellowship, all one in Christ (Acts 2:42; Gal. 3:28). It has been given a perfect system of worship (Jn. 4:22-24) and is provided with a perfect system of government--the local congregation under its elders (Acts 20:28) who are in turn under direction of the Chief Shepherd and great Monarch, Jesus Christ. It has a perfect financial system (1 Cor. 16:1-2; 2 Cor. 9:7) thus eliminating the human intrusions of pie suppers, mid-week collections, etc.

The Church of Christ was built by a perfect being--the Son of God (Matt. 16:18) and was purchased by a perfect sacrifice--the blood of Christ (Acts 20:28; 1 Pet. 1:18-19). It has a perfect example to follow--the life of Jesus (1 Pet. 2:21-25) and enjoys perfect blessings--every spiritual blessing (Eph. 1:3). A perfect home--heaven--is reserved for the church of our Lord (Jn. 14:1-3).

Human change or addition in any way would only mar the perfection and beauty of the New Testament church. Furthermore, a denomination (church of human origin) cannot claim even one of the foregoing statements as being true of itself. Beloved, let us "ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your soul" (Jer. 6:16).

DAR Chapter Met In Bostick Home

Nancy Harper Chapter of Daughters of the American Revolution met recently in the home of Mrs. Cora Bostick in Rotan with local members as hostesses.

Miss Della Baird, Chapter Regent presided. The meeting opened with a prayer and the Pledge to the Flag.

Mrs. J. L. McCright, chapter chairman of the Bicentennial Committee, reported on the chapter's participation in the Country Store project which was held in Snyder recently for benefit of the Ranch Headquarters Association. Nancy Harper Chapter members donated home canned items, aprons and other miscellaneous for the sale which was pronounced as a financial success. Several members of the chapter are Charter Members of the Association.

The message from the President General of the National Society was read by Mrs. Hubert P. Barton. It was stated that NSDAR marked its eightieth birthday on October 11, 1970.

The three objectives outlined by the Founders are the same today. These are educational, historical and patriotic. The organization now has a membership of 189,963 women.

Miss Josie Baird gave a brief review of the American Heritage Committee. The purpose of this committee is to foster appreciation of American Culture as portrayed in art, music, literature, crafts and historical preservation. The Ranch Headquarters Association is also a project which typifies work of this committee.

It was reported that more than 100 books have been donated to the Service to Veteran Patients Committee for the hospital at Big Spring. This is a continuing project. Mrs. James B. Day is chapter chairman.

Mrs. Wade E. Forester and Mrs. W. E. Towson reported on the Division Workshop which was held recently in San Angelo.

Those from Nancy Harper Chapter who attended were Miss Della Baird, Mrs. James B. Day, Mrs. L. T. Nelson, Mmes. Forester and Towson.

The National Defense information was presented by Mrs. J. R. Strayhorn, chapter chairman.

Mrs. Nelson presented the program using as her topic, "The Story of an Ancestor". The speaker's presentation gave an example of the vast amount of interesting information available to those who do genealogical research. It was the story of Captain Nathaniel Turner, Soldier and Merchant of London, England, who was also Founder and Proprietor of Massachusetts Bay and New Haven Colonies. Captain Turner was an ancestor of the speaker.

The Turner family is of an ancient house of Norman and French origin. They appear in England at the time of the Conquest in the year 1066.

It was in Winthrop's fleet that Captain Nathaniel Turner came to Massachusetts. He was born in England and married there. He had been a soldier in England, was a constable at Lynn, Mass. 1634. Representative at the first session of the Assembly 1635, member of the Ancient and Honorable Artillery Company of Boston being the twelfth signer of the original Muster Roll. After losing his house and its contents by fire in 1637 he was persuaded to move from Lynn to assist in establishment of a new colony at Quinnipiac. He was one of the proprietors of this colony where the most opulent Company which came into New England. Mrs. Nelson gave many facts concerning his activities in the colony, his acquisition of much property, and his explorations in the new land. He was one of seven members who organized the first Congregational Church in New Haven.

From "History of the Colony of New Haven" by Atwater, Mrs. Nelson gave a description of the months of anxious waiting for word of a cargo ship which

Fisher County Quarterly Treasurer Report

On October 12th, 1970, The Commissioners Court of Fisher County, met in regular session, examined and compared The Quarterly Report of Ina Goodwin, County Treasurer, for the quarter ending September 30th 1970, and found the same correct and the respective amounts to have been received and paid out during the quarter.

Notary Public, Fisher County, Texas

Subscribed and sworn to this the 12th day of October 1970

had been built and launched with valuable merchandise by the merchants of New Haven. Captain Nathaniel Turner was among the seventy on board. In November of 1647 they were put upon the record as deceased and their estates settled.

Another source, in describing the event, was quoted as saying: "The year 1646 is marked by the loss of a New Haven ship of 100 tons with 70 persons, many of very precious account and a valuable cargo. Disturbances in the natural world ushered in this extraordinary event. Circles and lights about the noonday sun, three suns at evening, two in the morning, the coldest winter ever known, a calf born with three mouths at Ipswich - all the portents manifested clearly to the mind of the 17th century providential displeasure and coming disaster. The tradition was that the ship was seen the next June at about sunset after a thunder storm. The wondering and bereaved people saw the

phantom shape with canvas set and colors flying, sailing from the same harbor.

Of historical importance is the fact that this ship was built in Rhode Island and represented the beginning of the growing commerce of that colony.

Mrs. Nelson gave some interesting side lights in closing her presentation. She stated that the site of four generations of Turners and that they have never disappeared from the neighborhood. Captain Turner's sword is in possession of the Connecticut Historical Society at Hartford.

Years after the loss of the ship bearing Captain Nathaniel Turner, Longfellow wrote about the event in a poem entitled "The Phantom Ship". Mrs. Nelson closed the program with the reading of this poem.

Attending the meeting were Mmes. Barton, James H. Beall, Jr., Bostick, A. A. Callaway, Arlie Cassle, Whit Clark, Day, Forester, A. C. Forgy, Darthulia

Hale, J. D. Ivey, C. R. Kendrick, Kirby Kinsey, J. L. McCright, Nelson, J. R. Strayhorn, Towson, Earl Thomason, H. G. Thompson, L. Weatherman, Buck Wetzel, Jr.; Misses Josie Baird and Della Baird.

There is no substitute for brains regardless what you may be using.

Although Luke recently turned 65 and signed up for Medicare, he is far from retired - he still acts in commercials, TV programs, and movies.

The exact amount of your social security retirement benefit cannot be figured until you apply for benefits. All of your earnings up to the time you apply are used in figuring your benefit.

33% of persons past 65 now live in the central city of metropolitan area, and another 30% in its suburbs.

The end of the growing season is an ideal time for taking and getting soil tested. Don't wait until the spring rush of

field work to do this important job.

Soil sample boxes, information sheets and tips on how to take soil samples are all available from the offices of all county agents.

A soil auger or probe is the best tool for taking soil samples; however, a spade works fine.

A good soil sample is a must if it is to reflect the actual plant food situation in any given field. Several samples should be taken at different spots over the field and then mixed into a composite sample for the entire field.

Each composite sample should be numbered and the information sheet covering the field completely filled out. The information on the sheet is valuable to the soil scientists when they make their fertilizer recommendations.

By taking soil samples as soon as crops are harvested, time can be saved and in many areas of the state, the needed fertilizer or lime can be applied when the soil is prepared for next spring's crops.

Fall application or early winter application of fertilizer insures that it will be out and ready when spring planting time arrives.

Rice and turkeys head the USDA's plentiful foods list for November. In addition potatoes, onions, fresh apples, canned applesauce, apple juice, fresh cranberries, cranberry sauce, fruit cocktail, walnuts, dry split peas, pork, and broiler-fryers are included. Holiday season food shoppers should have no trouble finding the turkey and trimmings needed for Thanksgiving.

In the past fiscal year, commercial exports of U. S. Farm products reached a new record, contributing \$5.7 billion to the plus side of international trade balance. In total, exports of farm products amounted to \$6.6 billion and accounted for the production from almost 60 million acres of cropland.

The researchers emphasized that the advantages will be realized only when the apomictic tendency is developed to a high level and in a line devoid of undesirable characteristics. It can then be transferred to other lines in a breeding program.

The total impact of this discovery will be known only with time, but in grain sorghum, where hybrids are already used, apomixis should be of extreme importance.

COUNTY AGENT NEWS

by Richard Spencer

Grain Sorghum, a crop marketed by news-making scientific advances in the past 20 years, has another major discovery in the offing.

The new find is known as apomixis, or seed production without fertilization by pollen.

Apomixis in itself is not a recent revelation. Scientists have observed the process in some forage grasses, such as buffel, for many years. New interest is created though when it turns up as a possibility for commercially grown grain crop like sorghum.

The phenomenon is reported in a current issue of "Science" magazine by geneticists of Texas A&M University, a center of apomictic research. The work is a cooperative program of the Soil and Crop Sciences Department, Texas Agricultural Experiment Station, and the U. S. Department of Agriculture, Crops Research Division.

The scientists point out the potentials of this discovery. They say it could revolutionize the grain sorghum industry.

Why is seed production without fertilization so important?

The geneticists say apomictic grain sorghum could make available to the farmer maximum yielding, true-breeding hybrids of high purity.

When properly manipulated, it will permit the use of hybrid vigor without repeatedly producing new hybrids. Superior hybrids can be maintained generation after generation because the offspring are exactly like the plant from which the seed was harvested.

Apomictic sorghum would simplify hybrid seed production. For the commercial seed producer it would simplify stock maintenance. No crossing fields would be needed, thereby reducing problems of pollen contamination.

To the farmer it should mean a larger selection of superior hybrids of high purity. These advantages would be accentuated in developing countries.

But like many new scientific developments, apomictic grain sorghum isn't something that will be available to the industry within the next few years. Much research remains to be done.

The researchers emphasized that the advantages will be realized only when the apomictic tendency is developed to a high level and in a line devoid of undesirable characteristics. It can then be transferred to other lines in a breeding program.

The total impact of this discovery will be known only with time, but in grain sorghum, where hybrids are already used, apomixis should be of extreme importance.

The end of the growing season is an ideal time for taking and getting soil tested. Don't wait until the spring rush of

field work to do this important job.

Local Delegates Attend Annual State Meeting

Last year 15,000 Texans died of cancer, there were many unnecessary deaths. Cancer is the second largest killer in this country, but delegates at the American Cancer Society's Twenty-fifth Division Annual Meeting held in Fort Worth, Oct. 21-22 were told the '70's would bring many advances-possibly a breakthrough.

Mrs. Edd Hawkins, delegate; and Mrs. Joe Miers, alternate, represented Fisher County at the meeting.

The delegates reported that the Society made progress in all program areas:

Served 10,333 cancer patients with cancer dressings, hospital equipment, gift items, and other services

Presented educational programs to over 1,526,381 people in clubs, schools, colleges,

and where they work

Awarded cancer research grants totaling over \$1,289,000. We are proud of these accomplishments," they stated. "But we are concerned, because for every reason the American Cancer Society has to stay in business, we are a tremendous failure... so long as there is one hospital bed in use by a cancer patient, as long as one person smokes cigarettes." They concluded, "We are in business to go out of business, to eradicate cancer."

"We realize research can hasten the victory over cancer, but we have a larger responsibility here in Rotan, Fisher County to increase the informational and educational program-to better serve cancer patients with all the Society and community has to offer." "We need people

who care, people who will work now, we need to set our sights toward the extinction of our organization."

Later in the meeting four prominent Texas physicians presented cancer cases and discussed the treatment now being used, especially in rehabilitation of certain types of cancer. The 2 delegates heard Dr. A. Hamblin Letton of Atlanta, Ga., Chairman of the National Medical and Scientific Committee, stress the need for continuing volunteer leadership and control of the Society's programs. Dr. Letton was the keynote speaker at the Annual Dinner.

58% of women past 65 had less than 9 years of schooling; 30% had 1 to 4 years of high school; 12% had some college.

Each month, over 6 million people get almost 571 million dollars in social security benefits as the survivors of deceased workers.

USE CLASSIFIED - IT PAYS

MENTAL HEALTH MATTERS

Bertram S. Brown, M.D., Director
National Institute of Mental Health

Treating Alcoholism

Alcoholism is a treatable disease. This is a remarkable fact. It's remarkable because it ought to be known by everybody and yet is recognized by too few. It's also remarkable because its real meaning is hope for desperate problem drinkers and their despairing friends and relatives.

Two words in the statement need underscoring in explaining further. These are "treatable" and "disease."

It hasn't been too long since alcoholism was not considered a disease, an illness, but merely disgusting and willful misbehavior. But modern medical science has pretty well proved and accepted the fact that alcoholism is an illness and should be approached as such.

It is high time, because alcoholism is one of our major health problems-and the millions of its victims have too long been neglected. This is among the reasons why we have recently established the Institute's new Division of Alcohol Abuse and Alcoholism.

This will allow us to provide the attention it deserves, focused through vigorous programs of research, training, and services-working in all of these areas with the States and their communities as well as with research centers and universities.

There already is a considerable effort underway against alcoholism, of course, and some fine research that is already producing useful results. Else, we wouldn't know that alcoholism is indeed treatable.

"But alcoholics don't want to be treated and helped," you may have heard someone say. This widely believed statement has now been effectively challenged by findings from a series of research studies made by researchers at Massachusetts General Hospital.

The findings show that alcoholics are as motivated to seek help as are patients in other diagnostic classifications of mental illness-and that alcoholics will indeed stay in treatment programs tailored to their needs. The fault, it was discovered, lay not in absence or motivation on the part of patients. Rather, it lay in misunderstanding and antipathy for the alcoholics on the part of "caretakers," those in various jobs and organizations engaged in alcoholism programs.

This important study series is just one of a number which we are supporting to get at the underlying facts about the causes and treatment of alcoholism as a disease. Such knowledge will surely put us on the road to progress for the conquest of this widely prevalent and heart-breaking health problem.

AND NOW A WORD FROM OUR CREATOR:

Love Your Neighbor

Advertising contributed for the public good

Fond parents who seek to live their children's lives usually manage to mess up everything for everyone.

The strong, vigorous but loving hand of protection will see this sapling through. Every sapling needs such care if it becomes a mighty tree. *It must grow straight if it grows tall.* It must be shielded from the blight of insects... it must have food and light. Father, Mother, are you your sapling's guiding hand? Remember, as the sapling is bent, the tree will grow. *You have a responsibility... you are accountable to God.* Do not provoke your children to anger, but train them in the discipline and instruction of the Lord. Are you doing that? Juvenile Court records show few church and Sunday school children go wrong. Be your sapling's guiding hand.

Rockhill Homecoming

Local people attending Rock Hill Homecoming near Grapeland recently included: Mrs. Luna Kolb, Mr. and Mrs. H. C. Campbell, Sr., and Mr. and Mrs. Elmo Kolb all of Sweetwater; Mr. and Mrs. Alva Kolb Sr., Mrs. L. B. Cauble, Mr. and Mrs. Tommie Helm of Roby; Mr. Ernest Kolb of Aspermont; Mrs. Era Boen and Mrs. Ruby Green of Rotan.

This is in East Texas where L. J. Streetman Sr. also grew up. This group was met there by a host of relatives from all over the state. Really was like a family reunion, everyone had a wonderful time.

The following account is from "Grapeland Messenger".

"The Rock Hill Homecoming only one if its kind in 50 years, went over with a bang throughout the weekend.

The Rock festivals here and there can never match what the Rock Hill folks enjoyed.

The time was filled with singing, reaching, feasting, re-living childhood days back at the little 'Red School House' on the rocky hill. Yes, it was on a rocky hill, with the big gully and the grapevine swings plus a few stumps and logs for the kids to court on. There were no air conditioners, cushioned seats or even central heat. Students did not have to be high on dope to have an experience, but pop, mon, and the teacher supplied all the experience we needed. The hickory stick took the place of that.

The folks begin to arrive on Saturday around noon in cars, trucks, 'doodle bugs' and campers. Some would have come horseback, buggy or wagon rather than miss the party. A few ladies had come earlier to begin the cooking. By Sunday afternoon, more than 200 had registered the best we could figure, kiddies and all. There were possibly some who failed to register. They came from the north, east, south and west with packed boxes of food and bed rolls. Buddy Helm from New Mexico probably traveled the farthest.

Saturday evening, coffee, cake and cookies were served to a large crowd at the Streich home, the L. Nichols and I. J. Nichols homes. Many watched the football games on TV.

Sunday morning, the folks really began to arrive despite the rain and slush. Some had left before daybreak and ate breakfast on the way. The weather did not bother, the Streichs had sealed the big shed with plastic, 'just in case', as Willie said. Tables, chairs, benches, etc. were arranged to accommodate all who wished to sit. Plenty of hot coffee, tea and water were available at all times.

Around 10:30, the old organ was rolled out and song books passed for any one who wished to join in. With Pat (Streich) Henry at the organ and Doyle Gammage leading, several lovely songs rang out over the tabernacle. Special music was

also provided.

Edwin Streetman was Master of Ceremonies for the occasion. Bro. Richard Streetman, a retired minister brought a wonderful message at the 11:00 a. m. hour. His subject chosen was from one of Paul's letters on discipline from the cradle to the grave. A very timely message with the unrest in the world today. Bro. Lester Brooks, Charles Streetman and Willie Streich followed with a few remarks. Mrs. Polly Kolb Helm read a letter from one of the ex-students who could not come. He was none other than Franklin Kent of San Antonio. A message was also read from the Green family who could not attend because of a death in the family.

At the noon hour, the food was spread and everyone gathered around the tables for lunch. Bro. Richard Streetman offered the thanks. As someone said, wour souls have been fed, now we will feed our bodies. Everything from turnip greens, sweet potatoes, buttermilk, cornbread to spare ribs were served with potato pie and peachtarts thrown in. What a feast!

After lunch the picture albums were brought out. The laughing really took place. Those snapshots can tell the story of long hair, granny gowns and cowboy hats, bell-bottom pants included.

The homecoming could easily sound like another Streetman reunion with 15 children raised from one father. There were, of course, more of them than any three families combined. They filled the school room and the church here. The Helms, Nichols, Crawfords, Matthews, Willises, Chapmans, Thomases, Taylors, Hudnells and Streetmans were the settlers of this place plus a few other comers and goers.

The Babers and Brooks played a big part in Rock Hill also, as well as the Kolbs.

Several preachers, doctors, lawyers, and teachers have gone from Rock Hill as well as businessmen, etc. It is a community proud of its history.

About 2:30, the crowd began to break and go back to their homes. It was the feeling of all that there would never be a day like it again because too many will never be able to return. Many of the grassroots are gone to their reward and all will follow sooner or later. Several who were unable to come because of illness or age were missed.

Thanks to Mrs. Polly Kolb Helm, the Willie Streichs and all others who had a part in making this Rock Hill festival the best of all festivals."

The Old Timer

"Anyone who thinks dirt is cheap never looked for a lot to build a house on."
