DeLeon Attends  
Company Party

Tony DeLeon, local representative for American National Insurance Company, was one of several agents and their wives that gathered at Jordan's Restaurant in Sweetwater, Thursday evening for their annual Christmas festivities. The event was hosted by Mr. and Mrs. C. L. Williams.

Dear Santa,  
I am good please bring me a truck car.

Henry Williams,  
Rotan

Bartlett Strayhorn, who represents the Rotan Municipal Water Authority, was elected president of the Executive Committee of the West Central Texas Council of Governments in Abilene Wednesday.

His election came during the annual general membership meeting of the council, which also reviewed its progress in the past year and took a look forward at 1971.

Strayhorn succeeds Jones County Judge Leon Thurman of Anson in the post. Haskell County Judge B. O. Robertson second vice president and Stanley Nowlin of Rotan, representing the Upper Clear Fork Soil and Water Conservation District was named secretary-treasurer.

Completing the executive committee membership for the coming year was Roscoe councilman Walter Deal, elected representative of cities with populations below 2,500.

In the progress report, Judge Thurman said the major achievement in the field of law enforcement was the completion

of five police training academies, which gave 124 area officers the certification required by state law.

Studies completed during the year included water control and pollution; a regional rural area sewer and water plan, a preliminary housing study and health planning.

The executive committee authorized the COG staff to do the research necessary for Clyde's application for a HUD grant for water system improvements to be brought before the committee for review.

Clyde has applied for a \$310,000 grant to complete financing for a pipeline and treatment plant so the city can obtain water from Clyde Lake. The application must be approved by the COG before HUD will consider it.

Eula has a stake in the outcome of the application. An FHA grant of \$248,000 has been approved for the Eula Rural Water System, provided it can contract with the City of Clyde to supply the water.

THE MEANING OF CHRISTMAS

'Twas the night before Christmas,  
And all through the town,  
Not a creature was stirring,  
They were all bedded down.  
The cows and the donkeys,  
Their hay had consumed  
When Lo! From the east  
A bright star had loomed.  
And then in the star-light,  
The silence was broken.  
A wee Baby's cry became  
God's Holy Token.  
Of love and goodwill, peace  
And joy to all lands;  
The Saviour was born with  
The World in His hands.  
And out over the hill-tops  
The melody rang.  
The song of the Angels  
"Hallelujah", they sang.  
And out on the hill-side  
The Shepherds stood still  
As the Heavenly Chorus pealed  
Love and good-will.

## Roby Garden Club Christmas Party

Roby Garden Club enjoyed  
their annual Christmas Party  
Thursday morning, December  
10, in the home of Mr. and Mrs.  
Edd Carter.

Members who were co-hostes-  
ses with Mrs. Carter were Mmes.  
Farrest Tefteller and Jess Go-  
forth. Refreshments served each  
member on arrival consisted of  
tea, coffee, two kinds of cake,  
coconut balls and mixed nuts.  
Mrs. Bob Williams of Rotan  
was special guest who told of  
legends of different countries  
in observing Christmas. This  
was most interesting, education-  
al and enjoyed very much by  
all members.

The Carter home is one of the  
most outstanding of the many  
gaily decorated homes in Roby  
on exterior and interior is just  
as beautiful, each room having  
attractive Christmas arrange-  
ments. In the den where mem-  
bers were seated, a huge green  
Christmas tree stood in the cor-  
ner, with red lights and orna-  
ments; beneath was a array of  
beautiful packages for each  
member. Numbers were drawn  
and each member received a  
gift.

The Club presented a special  
gift to Mrs. Williams, "Leaves of  
Gold", "an anthology of Prayers,  
memorable Phrases, Inspirational  
verse and prose from the best  
authors of the world both an-  
cient and modern" edited by  
Clyde Frances Lytle.

The only business that was  
discussed during the meeting  
was the reading of the minutes  
by Mrs. W. A. Hughey. The Presi-  
dent, Mrs. Max Carriker, also  
reminded the Club, at the next  
meeting in January a commit-  
tee will select new officers.

Most of the members of the  
Garden Club were present and  
one guest, Mrs. McCain, who  
lives out on Hiway 70 near the  
Glenn Upshaws. She came with  
Mrs. Upshaw and we hope she  
will join our club. Mrs. Hooper  
Shelton who for a number of  
years has been an associate  
member joined as a full fledged  
member.

Everyone present enjoyed the  
party and wished that those who  
were unable to attend could  
have been there as this is one  
of the highlights of Roby during  
the pre-Christmas festivals.

Those present were Mmes.

"We thank thee for this place in which we dwell . . . for the love that unites us . . . for the happiness afforded to us this day . . . for the hope with which we expect the tomorrow . . . for health. Spare to us our friends . . . soften to us our enemies. Bless us in all our endeavors. ## The Christmas Story

We know very little about the wise men who journeyed toward a new star and a new King . . . but of one thing we are sure . . . they came with Faith. They did not question or hesitate but followed the star until, at last, they laid their precious gifts before Him in worship.

Like those wise men of the first Christmas, may we too, come with Faith. May we too, bring our most precious gifts of Love and Reverence and Faith to Him.

To all our good friends, old and new, we offer this sincere wish: May you enjoy a Christmas of Reverence and Joy. May every moment be lit by the star-bright miracle of Faith.
