OFFICIAL CONTEST RULES

1. \$5.00 in cash will be given by the newspaper each week to the person that picks the most winners from the games listed in each ad on this page. HERE IS ALL YOU DO. Pick the name of the team you think will win each game (there's one in each ad) and write that team's name in the corresponding blank on the official entry blank (or a reasonable facsimile) along with the name of the sponsoring merchant. EXAMPLE: The team you pick to win game number 1 (found in the upper left hand corner of this page) should be written in blank number one in the entry form. Write the team's name, not the score.

2. In the event of a tie, the tie breaker will determine the winner. Fill in the total combined score of two teams selected as the weekly tie breaker. In the event that more than one person has the correct tie breaker score duplicate prizes will be awarded. Write your name and address on the entry blank and either mail it to arrive prior to 5:00 p.m. tuesday or deliver it to the Rotan Advance Office, Drawer A, Rotan, Texas or the Roby Star Record- Roby Flower Shop, Box 427, Roby, Texas. You have six days to enter this contest. Entries Will Not Be Accepted After The Deadline.

3. Only one entry per person may be made each week. Everyone is eligible to enter this contest except the employees of this newspaper and their immediate families. No purchase is require, a copy of this contest will be displayed each week at the newspaper that a reasonable facsimile may be copied.

-- by Pansy Hale

Life is a series of todays, which so quickly turn into yesterdays: that some of us spend our time looking regretfully backward. Still others through worry or procrastination are always waiting fortomorrow. In either case, there's the real danger of overlooking a very important day--TODAY.

The Roby High School Seniors reported a very successful day, Saturday with their bake sale and car wash, they just simply run out of baked goods, try that again soon seniors.

Our own Jimmye Leigh Laurie did a tremendous job recently, modeling clothes in Abilene. The 4-H Clubs are organizaing in the county and we have several Clubs here, with good reporters, who are keeping us well informed. Thanks, to two good County Agents, Alice Ballenger and Richard Spencer, these two spend a lot of time with these youngsters, as well we have several adults who also spend a lot of time with them as leaders. and in the Livestock.Show held recently at the West Texas Fair, our competition in this department brought home a lot of 1st places.

We have several local citizens on the sick list, and are hoping they will soon be well and home from the hospital. O. B. Smith was able to be in town Saturday, it has been reported he was a little on the sick side. O. B. is one of our local citizens who is a town legend, and is missed if he isn't "on the corner" by his shoeshine stand.

We extend our sympathy to the Hilbun family in their recent loss of Clyde Hilbun of Littlefield, a former Roby native and banker.

Received a letter from a good friend of mine out Kermit way, and they are looking forward to being home of Homecoming. Oct. 29 and 30.

Gamma Tau Meet in Rotan

Gamma Tau Chapter of the Delta Kappa Gamma Society held their initial meeting of the current year in the Library of Rotan High School. Miss Louise Bollinger, chapter president, presided.

Mrs. Nancy Tandy, vice-president and program chairman, pre- everyone else is doing about as sented program plans for the year. The business meeting was followed by a salad luncheon in the homemaking department.

Members attending were Mmes, Whit Clark, J. Frank Davis. Jas. B. Day, Robert Higgins, Norvelle Kennedy, C. E. Leon, Charles McCall, K. C. McCasland, Herman Phillips, Robert Phillips. Ralph South, Bart Strayhorn, J. R. Strayhorn, Nancy Tandy, Robert Witherspoon; also Misses Delia Baird, Josie Baird, Louise Bollinger, Niki Casner, and Ruth Wyman.

McCall, South, Witherspoon and Delila Baird.

The Delta Kappa Gamma Society is an international organization of experienced women teachers. It was organized in Texas May 11, 1929 and the headquarters is located in Austin

Buzz Bugs News

The Buzz Bugs Club met in the Community Center, Sept. 29.

Games of 42 and refreshments were enjoyed by: Claudie Powers, R. E. Curlee, Jewel Jankersley, John Powers, Louada Posey, R. J. Rogers, Lelia Nash, Emily Garrett, Minnie Porter, Mary Posey, Edna Welch, H. G. Rogers and Velma Brown.

.................. Flash-Bits from Fisher County Nursing Home

Not too much to report from down our way this week. Mrs. Tillotson is in the hospital, but doing some better, so we hope to have her home soon. Most usual.

Happy birthday to Mr. Polk who will be 94 on Oct. 9; Mr. Foy who will celebrate his 73rd on Oct. 10th; and to Mrs. Moffett who will be 81 on Oct. 12th.

Visiting with us this week, among others, were Mrs. Rose Daniel of Roby to see Eula Williamson; Mr. and Mrs. B. B. Hamilton of Shelley visited Lee Bickerstaff, also visiting Mr. Bickerstaff was his son Weldon of Houston. Mr. and Mrs. O. B. Williams of Stephenville visited her mother, Juley Harris and his uncle Hostesses were Mmes. Kennedy, Lee Williams; visiting Mrs. Shelton were Mrs. Willa McWhirter and Mrs. N. H. Green of Roby and Ruth Ellis of Abilene. Mrs. Edith Herron of Abilene and Mary Sullivan of Snyder visited their father, C. W. Horton; Mr. and Mrs.

with his mother Mrs. Roxy Ivy.

Mrs. Johnnie McClure of Ham-

lin spent a few days visiting her

father, L. T. Early. Visiting with

FOOTBALL RUMBLES

-- by Pansy Hale

The Roby Lions met the Hawley Bearcats in Roby Lion Stadium Friday night with the Bearcats chalking up a 41-14 score over the Lions. Although the score sounds badly, our team played all the way, never giving up. and that's all you can ask of any team. If a boy has the desire and takes the time to train, and work out, the effort it takes to get out on a football field before a crowd of people, the fans that are there to watch should be equally proud of them. . . and should tell them so.

The scoring was even in the first half, with Roby making a TD by Keith Matthies, and Larry Reed the conversion in the first 4 minutes of the game. Of course, Hawley came right back making the score even and the first quarter ended with an 8-8 score.

Greenwood (we heard his name called several times) ran 32 yards on a reverse to score 6 points for Hawley, but Roby stayed in the game when Matthies scored from the 3 to make it an exciting, 21-14 score at the half. The Bearcats came back making two quick touchdowns putting them far ahead in the last quarter. Mark Kiser, Larry Reed, Dale Evers, Keith Matthies and Donnie

Stephens showed up real well in the backfield on both offensive and defensive. Clark. Dennis, Thornburg, Lujan and Carrion made the Bearcats realize we had a strong offensive and defensive line out there playing some fine football. Also, Paxton Beauchamp is still improving every week.

We are looking forward to a victory Friday night when the Lions tending Ranger Jr. College on a meet Jim Ned here at 8:00 p.m. The Roby fans are supporting their team very nicely. lets keep the team in good spirits by showing up at these games, and keep backing them all the way.

CITIZEN Of The MONTH

This month we pay tribute to Miss Pauline Fleming, who has been a member of the administrative team at Callan Hospital for the past 25 years. Pauline Fleming has been selected as the Citizen of the Month for the month of October

Miss Fleming started with Callan Hospital on July 15,1946. and has seen many changes in the administrative end of its operation since that time. When she started there were only three full time administrative employees, now there are seven.

Pauline is responsible for the bookkeeping, payroll, completion of tax reports, general ledger, collections and Medicare payment explanation.

She has lived in Rotan all her life. Pauline is a member of the Etta Jenkins Sunday School Class at the First Methodist Church in Rotan.

As the most experienced member of Callan Hospital's administrative team, the First National Bank salutes Pauline Fleming as October's Citizen of the Month.

FISHER COUNTY RECIPES The Elf's Corner

Send your recipes to The Elf's Comer, Drawer A, Rotan, Texas 79546

I know that many from this part of the country will soon be sending boxes of goodies of some sort to servicemen in foreign service.

Its become a running joke with boys who are stationed in this country to write home, "Gee Mom, that was the greatest box of crumbs we ever tasted. Everybody in the barracks had a handful". Well there really isn't any need for dried-out or crumbly cook-

ies to arrive in Vietnam or any foreign base where our boys may value of petroleum produced. be. There isn't any reason for breakage of cookies. Here are two ways to prevent a box of crumbs from arriving.

First, send moist cookies that will travel well and, second, pack in unsalted popped popcorn; that breaks any fall that the boxes will get and cushions the cookies if they are wrapped in, say, about a dozen to a package.

As we all know direct air mail costs more, but in my mind it would seem best.

I have a few suggestions for good cookies and bars which will say moist and fresh for shipping and they are delicious.

"Pineapple Black Bottom Bars"

1 can crushed pineapple. 2/3 cup brown sugar, packed (1 pound, 4-1/2 oz.) 2 egg yolks 2 cups sifted flour 1/3 cup sugar 3-1/2 T. cornstarch 2 t. baking powder 1/2 cup chopped walnuts 1-1/4 t. salt 1 - 6 oz. box chocolate 1 T. lemon juice pieces melted 1/3 cup plus 2 T. butter

Combine undrained pineapple, sugar, cornstarch, and 1/4 teaspoon salt; cook stirring over medium heat 10 minutes, until very thick and clear. Add lemon juice and 2 T. butter, cool slightly. Combine 1/3 cup butter, brown sugar and egg yolks, blending until fluffy. Add four re-sifted with baking powder and 1 t. salt. Blend to crumb consistency. Remove half of crumbs and mix with chopped nuts (I use pecans, if no walnuts). Mix melted chocolate pieces with remaining crumbs and pat in even layer in a 9 inch square pan. Bake in 350 deg. oven for 5 minutes. Spread with pineapple filling and top with nuts and crumb mixture. Return to oven and continue baking 35 to 40 minutes until filling is set. Cut when cold. Makes about 2 dozen, 1 x 3 inch, bars.

To pack these, put them one layer deep in a tin box and put foil or waxed paper between layers. This is a wonderful tastetreat, but a very tender cookie. We hope these will arrive, no more than slightly squashed, but they will be moist and a combination of two flavors, pineapple and chocolate crumbs, if they do... Lets hope they don't. Pack carefully.

"Cookie Crust Pecan Bars"

Souble-Short cut recipes

Double-short cut recipe streamlines both crust and filling. Try these, they are so easy.

1 roll Pillsburry Refrigerated Butterscotch Nut, Peanut Butter or Sugar Slice'N Bake Cookies 1 package (4 oz.) instant Butterscotch pudding mix 1/2 cup pecan halves 3/4 cup dark corn syrup 2/3 cup milk

Wins 5.00 In

Football Guess

1 to 1-1/2 teaspoon vanilla

Dash of salt

Slice cookie dough into 1/4 inch slices; place in ungreased 13 x 9 inch pan. Press dough over botton and 3/4 inch up sides of pan. Combine remaining ingredients; mix well. Pour into crust Bake at 350 deg. oven for 30 to 35 minutes, until edges are deep golden brown and filling is set. Cool well and cut into squares. These pack well also.

"Peanut Butter Cookies"

1/2 cup shortening	1-1/4 cups flour
1/2 cup white sugar	1/2 t. soda
1/2 cup brown sugar	1/2 t. nutmeg
(packed)	1/2 t. salt
1 egg	1/4 t. cloves
1 cup crunchy peanut butter	1/2 t. cinnamon

Blend together, shortening, sugar, salt and egg, then add peanut butter. Stir in dry ingredients sifted together. Form dough into small balls and place on greased cookie sheet. Press flat

with fork to make a criss cross design. Bake in 375 deg.oven for 10 minutes or until slightly browned. Cool on a wire rack. These will be crunchy but they won't dry out on account of

the moist peanut butter.

Pack these with care and lots of love, to those boys and girls who are doing their share to protect our great nation and help all the peoples of this world.

One-Plus Dialing is a "superhighway" when it comes to Long Distance calling. One-Plus is the fastest, easiest way to call. It's non-stop service at its best. Just dial 1, plus the Area Code (if different from your own), plus the number. One-Plus. You can't beat it.

October 7, 1971 Page 6 COUNTY AGENT NEWS **By Richard Spence**

Although its a little early to be thinking about winter and spring winds, now is the time to submit applications for seedlings that will be used for windbreaks.

Applications for windbreak seedlings are available from county Extension Offices, or from the Indian Mound Nursery Box 337, Alto, Texas. It's important to apply early since orders are processed on a first come, first serve basis. However seedling shipments won't begin until mid-December.

The seedlins come from the The seedlings come from the Texas Forest Service's Indian Mound Nursery and are priced at \$2.50 per 100.

Some 16 species of seedlings are presently available. These include baldcypress, black walnut, black locust, catalpa, cottonwood, Chinese elm, eucalyptus, green ash, loblolly pine (drought-hardy), mulberry, bois d'arc (osage orange), ponderosa pine, shortleaf pine, sweetgum, slash pine, and sycamore.

Discussing some of the species, the Arizona cypress does well in all areas of the state except the Panhandle. The catalpa and Chinese elm are both drought resistant but are suscep tible to cotton root rot.

drought resistant but are susceptible to cotton root rot. The euonymous, honeylocust, and bois d'arc are all hardy and do well in the drier portions of the state. Cottonwoods perform best on bottomland sites while ecualyptus are suitable only for the Rio Grande Valley. The ponderosa pine is recommended only for areas above the Caprock while the loblolly pine desires areas with an annual rainfall of at least 20 inches.

Seedlings should be planted immediately upon receipt of shipment. Since roots of conifers (evergreens) are easily killed if exposed to air for more than an few minutes, planting should follow a quick pace. Plant seedlings an inch or so deeper than they grew in the nursery bed. Be sure the roots

County Coaches COACHK mon Comment

by Charlie Davis Rotan

We were not pleased with last week's game against Olney. We made mistakes on offense and defense. I don't believe that we were ready to play Olney.

Monday was the best workout we have had all year. Maybe Friday will prove it.

David Markham, Harold Gruben and Neal Hargrove did a fine job against Olney.

Wylie has a fine ball club. They will always play Rotan a hard fought game. Game time will be here at 8:00 p.m. Friday. Rotan's Junior High will play Albany here Tuesday night at 6:00 p.m.

Rotan's Freshman will paly Anson here at 6:00 p.m. Thursday, Oct. 7.

Roby by Ted Posey

I realized at the beginning of this year that we were going to be light and inexperienced, but I also knew that every boy wanted to play this year and did not mind hitting. I felt that the majority of the boys were the type that did not mind hard work and I have not had one days complaint. I guess I expected too much but I thought to date we might have lost one game to Gorman.I still feel after viewing our game film, that this would have been possible, had we not made major mistakes on defense. By this, I

mean a single mistake that amounts to a 30 or more yard touchdown. Every time we have gone to the gym at the half, our opponents have had a twenty point lead. This is due mainly to these major mistakes. Our boys have maintained the desire to come back and continue to seek a win. I feel from the desire they boys have shown and are now showing that we are going to do better.

I feel we had some bright spots last Friday. Robert Morgan did a fine job kicking off. Mark Kiser had good punting. Kiser and Keith Matthies had good yardage running, both showing some good second effort desire. David Clark turned in a fine defensive game. Jerry Vinson showed up with one jolting tackle.

Last week I mentioned some improvements in pass defense and our punting, well, we performed in these catagories, but on defense???

I would like to compliment the conduct of the boys, both Rotan and Roby, during our games last Thursday. There was plenty of hard hitting along with good sportsmanship. Another pleasant surprise has been the attendance at our games this year. Last Friday night being one of the largest, this is great. We intend to improve and win some games for our loyal fans. Last week we

had 125 yards at the half. In our final statistics, we wound up with 104. During the third quarter we had the ball a total of 3 plays. In the fourth quarter we had to throw the ball to catch up and this is the reason for our loss of yardage during the second half. Jim Ned lost ten boys off their team last year due to gradua-

tion. They should possess about the same experience as we do, but will have a slight weight advantage.

Tonight our "B" team will go to Anson to play their "B" team at 7:00. These boys are doing a fine job as a team.

by Larry Rose Hobbs

The Hobbs Panthers held the highly favored Highland Hornets to just a 6-0 lead the first quarter Friday night before finally bowing to the talented Hornets by a 40-6 score.

For the first time this year, the Panthers looked like a football team as they took the fight to the Hornets and the first quarter was almost all Hobbs as they led in almost all statistics but the score. Then in the second quarter, Highland's fine running back, Loran Krejci scored three "give away" TDs to put Highland out of reach.

This Friday night we travel to McCaulley still seeking our first win, but carrying with us more confidence than we have had all year.

McCaulley by Norman Pond

The Trent Gorillas defeated McCaulley's Eagles here Friday by a score of 60-34. Mark out the first quarter and we played a good ballgame. Our defense still showed good promise even though they did score 60 points against us. Eighteen points of that were given up by our offense as the Luckless Eagles dropped on fumble in the end zone, one on the five-yard line and gave up a safety. We spotted them 24 points in the first quarter as our newly found backfield fumbled four times. James Spalding, filling in for injured Eddie Gibson, failed to find a handle on our first three possessions and Trent took advantage of excellent field position to establish a comfortable lead.

Fumbles are to be expected, I guess, with both regular halfbacks out of the game. Daniel Benavides did a good job filling in for Johnnie Perales who is out with a bursted blook vessel in his leg. Phillip Cleveland did a good job filling in at center.

Penalties also hurt us as touchdowns were repeatedly called back against the Eagles. James Spalding proved valuable as a breakaway runner as he ran for three TD's and caught a pass for another. (All but one were called back by miscues). Randy Williams took a Gibson pass and ran 50 yards for a score, which was also called back.

Eddie Gibson saw quite a bit of action as his hard running and strong arm kept us in the game. Eddie ran for one TD and passed for 5 more (2 were called back). Larry Marshall, Jr. was the high scorer for the Eagles as he hauled in three passes fortouchdowns. Johnny Santos kicked two of five conversions.

McCaulley's Jr. High Eagles totally demolished Trent's Jr. High team on Thursday night by a score of 52-6. Alex Perales carried the ball 5 times and scored four touchdowns. Danny Lujan scored 2 touchdowns and kicked two conversions. James and Max Kemp (cousins) alternated at quarterback and did a good job. James

theon & presso for & completions and one touchdo no to for Spald ing. Max was 1 for 2 with a touchdown pass to Alton Hawthome. Our Jr. High team is now 4-0 on the year and have compiled a score of 171 points to their opponents 12.

The High School Eagles meet Hobbs here Friday night at 7:30 while the Jr. High team hosts a day game with Hermleigh at 1:15 p. m. Thursday.

Next week we meet at the lege Station, Texas. Mrs. Stuart home of Bennie Kidd. See you. had been at her bedside for the past two weeks. Bertha Warren

Left to Right: Gene Terry, Vice President of Fisher County Farmers Union: Donald Coker, Vice President of Fisher County Young Farmers; and Jerry Hoodenpyle.

Roby Trio Participates In Washington Fly-In

and Donald Coker of Fisher County Farmers Union went to Washington, D. C. last week as members of a Farmers Union Fly-In to try to convince Congress of the need for effective farm bargaining legislation.

More than 125 farmers from 10 states participated. They called on Congressmen and attended hearings of farm bargaining being conducted by the House Subcommittee on Domesticate Marketing and Consumer Relations. The national president of the Farmers Union, Tony Dechant, presented testimony at the hearing.

Terry said, "We were well received in the offices of the Congressmen. I was a member of a three- member team that called on 12 Congressmen. We told them we opposed the Sisk Bargaining Bill because it is too weak. We asked them to support the Mondale-Bergland bargaining and marketing bills (HR8886 and 8887) because they provide

0000

Jerry Hoodenply, Gene Terry the legislative authority farmers really need. "

> Terry listed the following points that the "Fly-In" members emphasized: (1) That producers of all commodities should have the right to decide when and where to bargain.(2) Marketing authority should be available to producers of all commodities. (3) Producers should have the opportunity to vote on supply management measures. (4) Producers should decide through a referendum who will represent them in bargaining. (5) There must be procedures to set fair prices in buyers or handlers fail or refuse to bargain in good faith. (6) There

As It Looks From Here

By Congressman

Omar Burleson

Parts and bits of the following comments have appeared in the news from time to time but the purpose here is an attempt to consolidate an over- all view of where we are "at."

Tremendous changes are in the making, both in this Country and worldwide.

On the foreign front the Russians are suddently willing to talk about things which they would not mention before. Seemingly the Communist Chinese are coming out of their shell. Here in Washington last week the eleven more highly industralized nations groped for a new money system.

The British appear to be about ready to join the European Common Market, which trade-wise will effect the United States. The Japanese are pushing towards greater power, militarily and eco-. nomically. The entire world seems to be headed for new arrangements in a number of respects. Since World War II, the United States and Russia, with the balance of power, have dominated things but other forces are rapidly coming into being.

Our whole economic system is coming under a revamping process, Changes are taking place which will probably have an effect in the months and years ahead.

For the short run, the Administration propoeses tax cuts and a hold on Federal spending. A \$28 billion deficit for the fiscal year ending next June 30 shows the dire need of action.

Reduction in Federal spending is the big "if" in the face of demands for jobs and benefits of one kind or another---welfare, health, retirement, anti-pollution, urban problems. All this means less of these things or an increase in taxes on somebody, Nothing comes free-- it only has that appearance.

A goal is set for 100 million jobs for the Country within ten years. This is almost 21 million more than the last count. The big question is where are they coming from. From all indications, the biggest gains in jobs must come for the service industries. This includes automobile repairs. medical services, home repairs, hope applicance repair, hotels, restaurants, etc. Government jobs at State and local levels may account for another 5 million. Relating to these developments, fewer jobw are expected in manufacturing, retailing, farming, mining and other similar industries.

A consciousness of these changes is reflected in the Congress. In most every debate the issue of "priority" is raised. Big spending for domestic programs of one sort or another is popular. If reduced spending is to be accomplished, there are not many places where sizeable cuts can be made when domestic programs are considered irreducible. This leaves the military, the space and aeronautic programs and foreign aid.

The winding down of Vietnam has its built- in problems, too--jobs for returning veterans, health and rehabilitation and educational opportunities. There will be savings, of course, but not as great as might be expected if restoration is made in our defense arsenal. The increases in caring for war veterans will be a continuing effort.

All taken together, bot on the foreign and domestic front, new thinking and new approaches to old problems will dominate. This in turn will likely have the effect of greater differences of opinion and more debate, analysis and comment that we have seeh in the past. At least it has the prospects of being different. Change is never accepted without these things nor should it be--Our very system demands it.

- AT COMMISSIONERS COURT

- AT CITY COUNCIL MEETINGS

- AT SCHOOL BOARD MEETINGS

Newspaper editors and reporters today act as proxies for you, attending and reporting on scores of meetings, asking questions you'd ask yourself if you had the time and the opportunity.

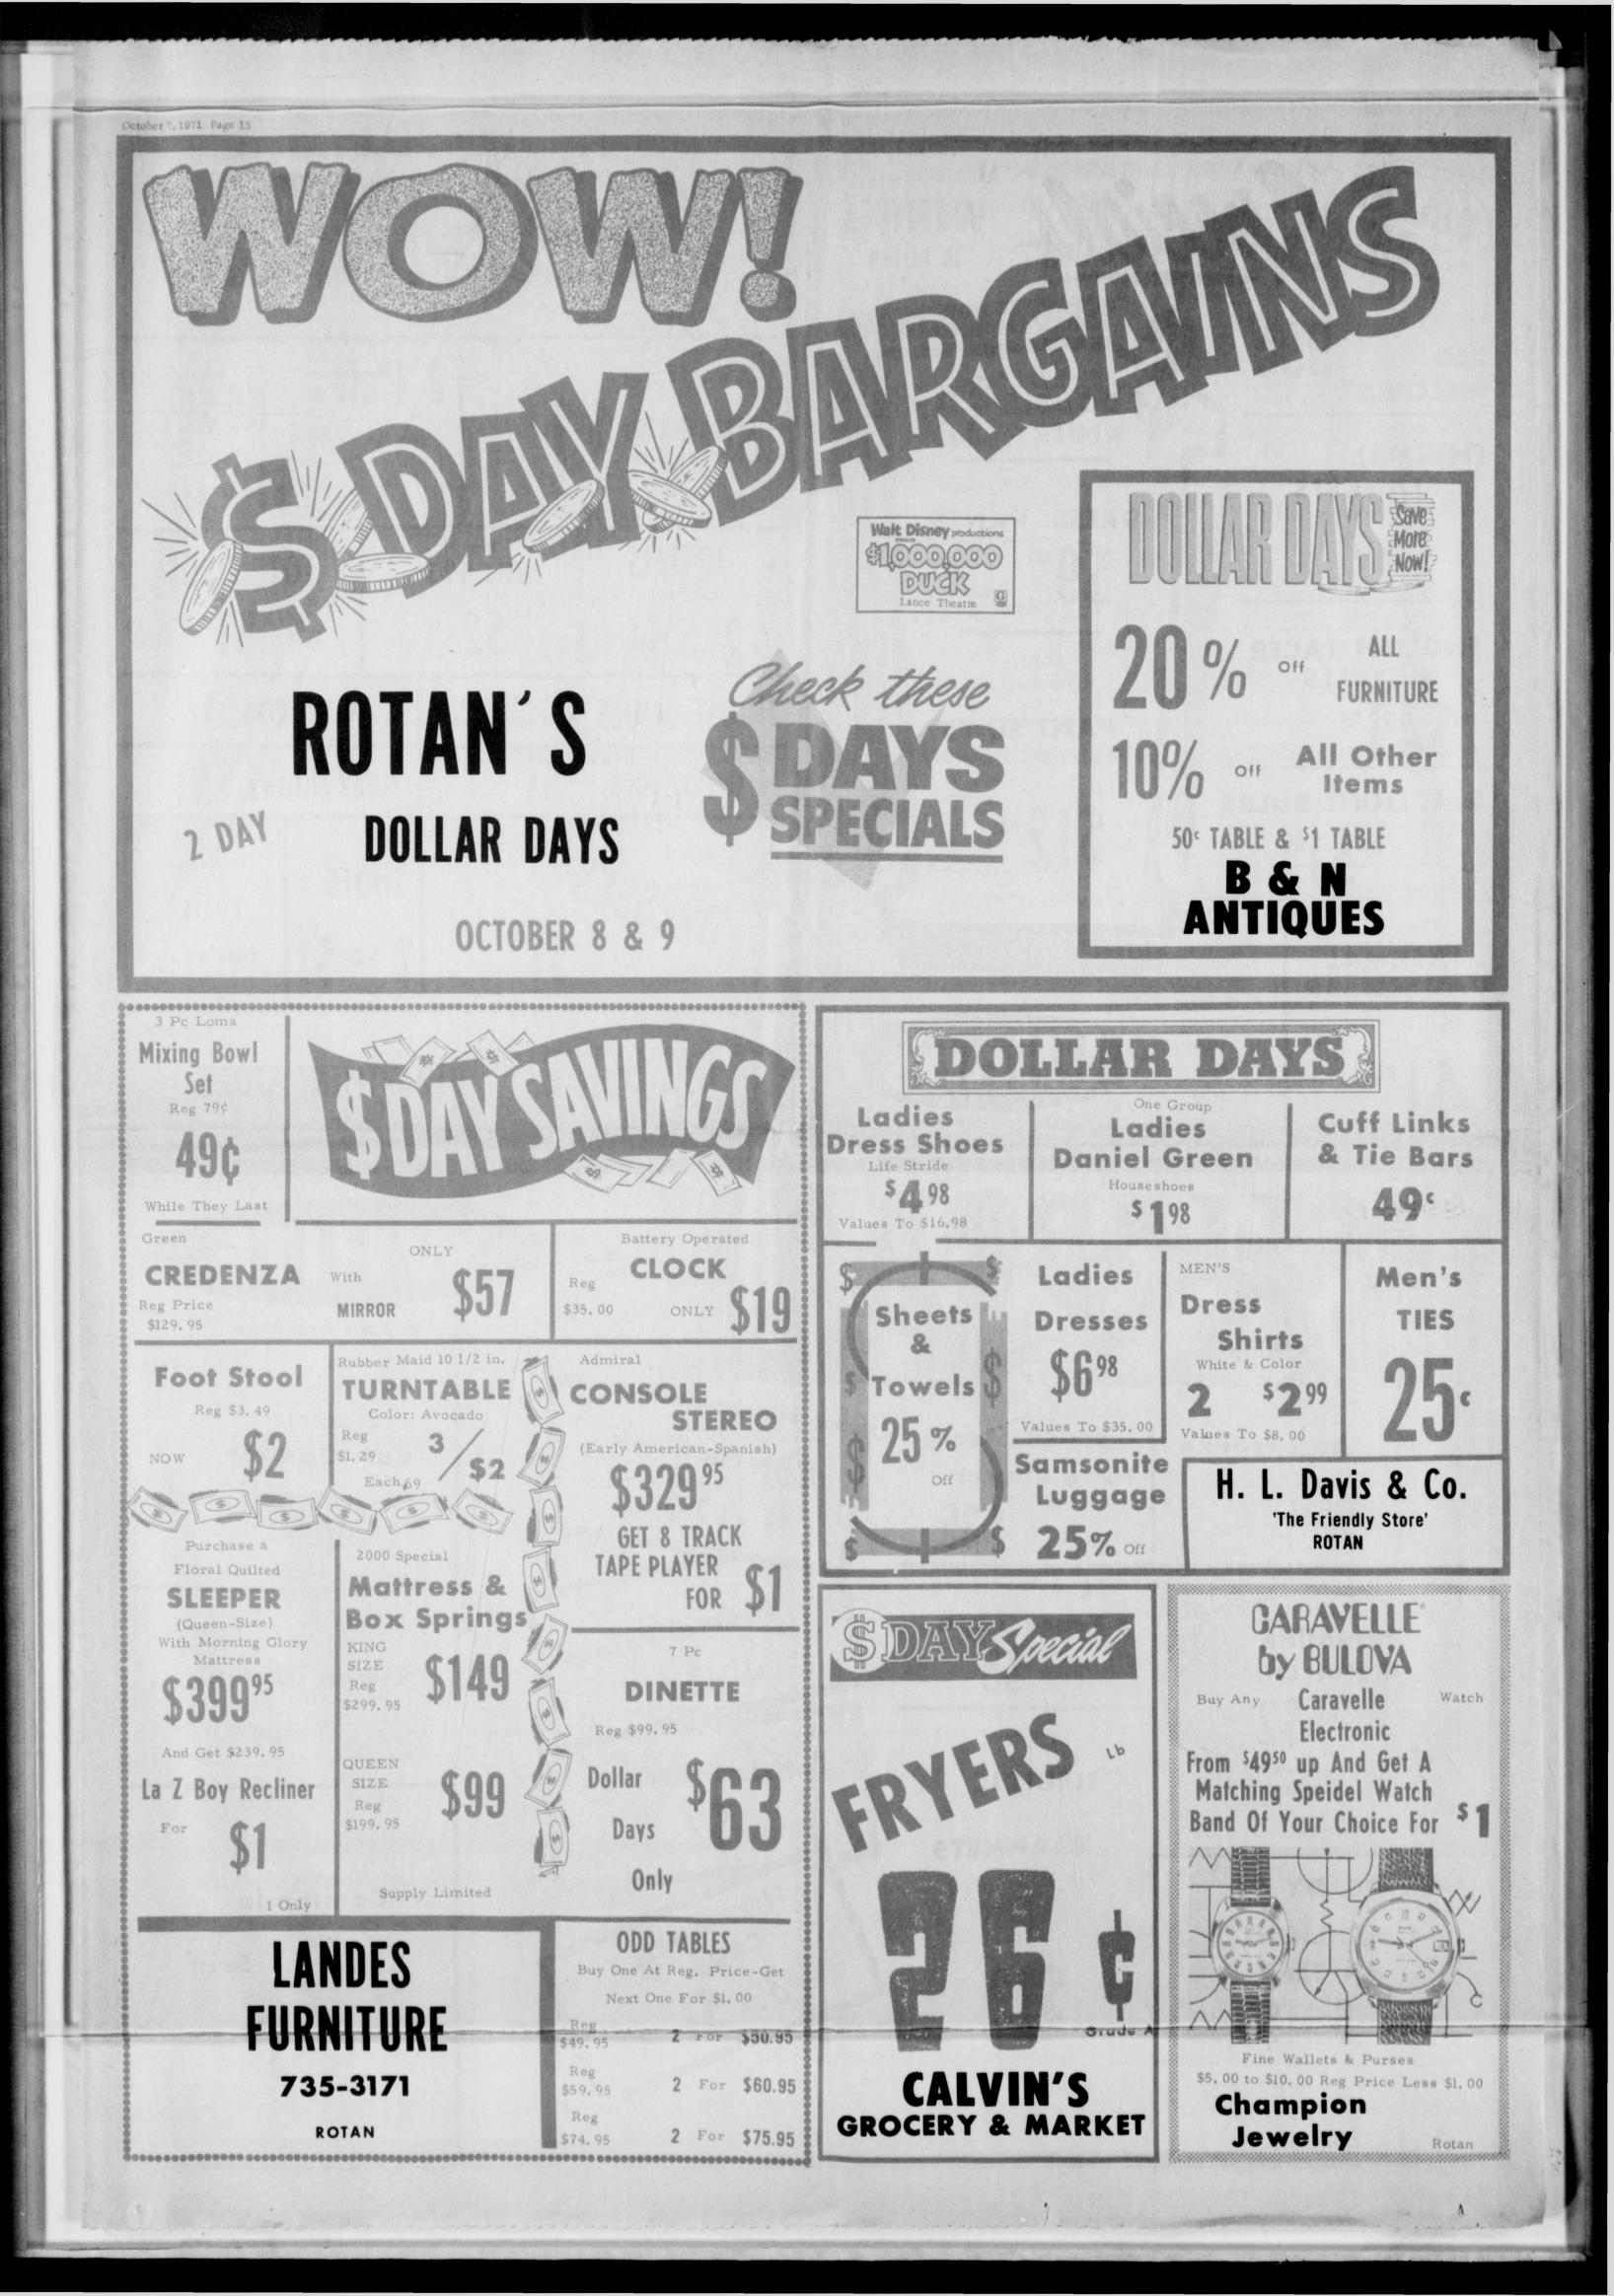

Life is so complex today that no citizen can keep himself fully informed without lots of help. You can get it from your local newspaper.

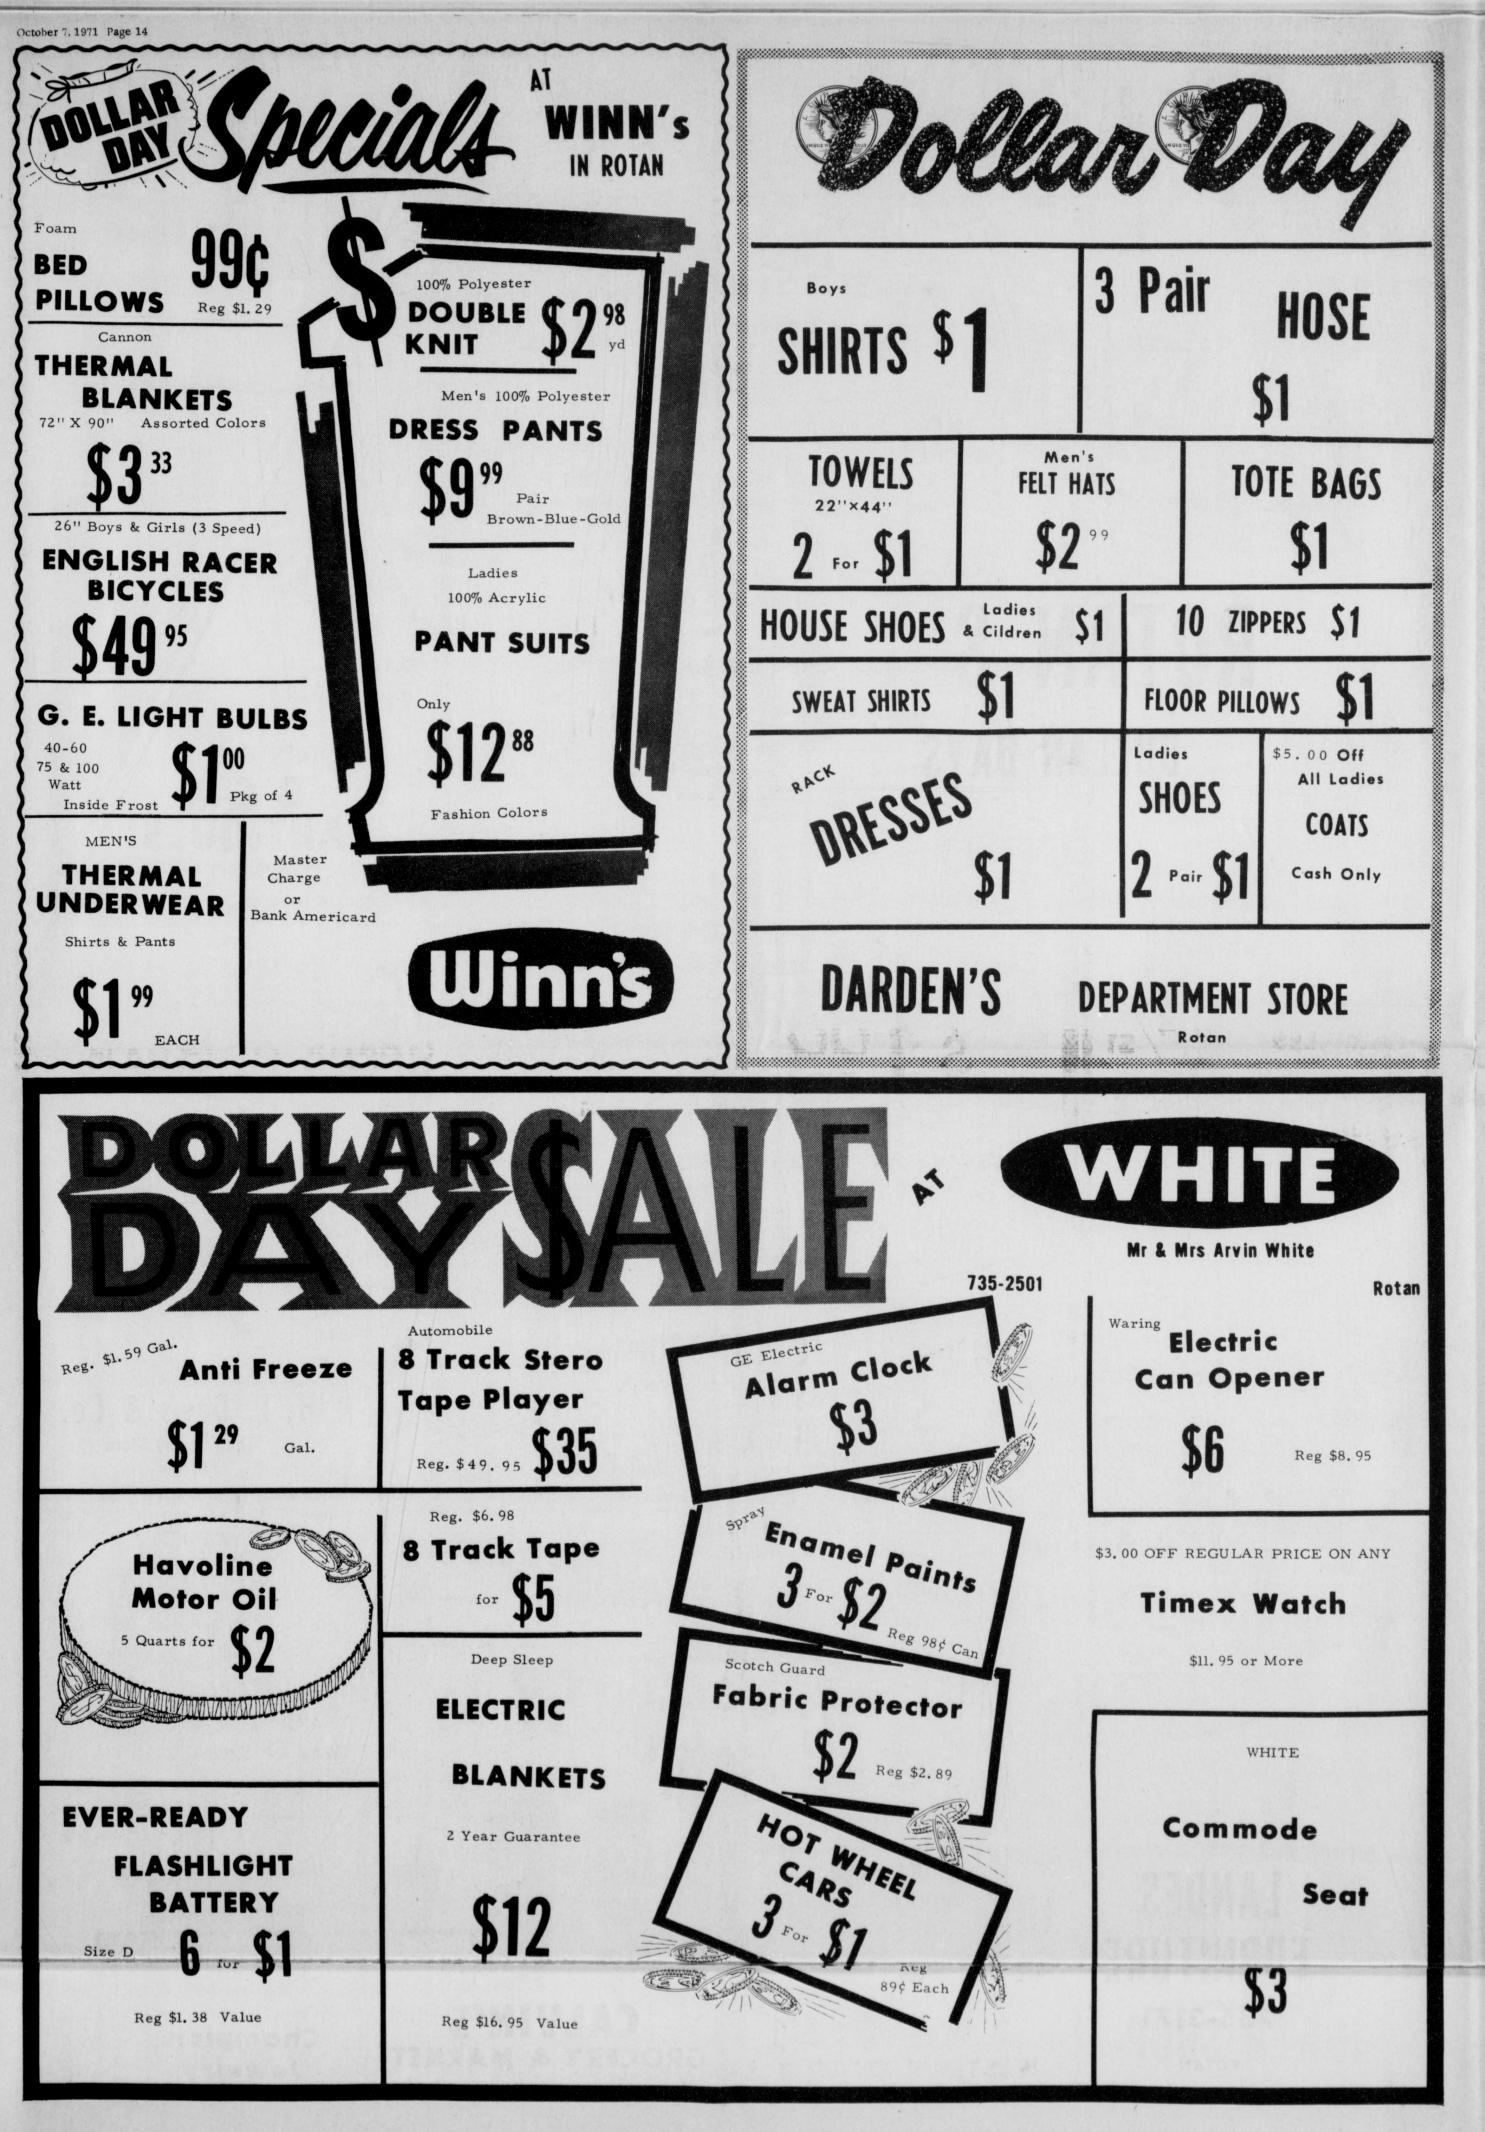

Through the thorough and conscientious reporting of news the ROBY STAR RECORD - ROTAN ADVANCE preserves "YOUR RIGHT TO KNOW" by presenting you with the facts. We strive to present our readers with an impartial, fair and accurate account of the important meetings in FISHER COUNTY. We think that as citizens, taxpayers and intelligent readers you want to know how your elected officials are serving you.

By and large secrecy has produced more harm than revelation. Suppression has always been more dangerous that unbridled expression. Therefore, since it is impossible to preserve an exact balance between what should be censored and what can be told let he that picks up this newspaper know that we will always err on the side of free expression. We will always fight for your right as citizens of a free democracy to know

A good newspaper serves as your "alter ego", representing you faithfully, keeping doors open to you. You and the Roby Star Record - Rotan Advance are partners in freedom! We ask for your continued support.....

A
