A PROCLAMATION BY THE Mayor of the City of Roby

The number of the captive Americans recently released by the Communists is only 30 per cent of those who are listed by our government as prisoners of war or missing in action (POW/ MIA). The other 70 per cent, have not been accounted for by the Communists, whereupon, those who may still be alive continue to endure secret captivity. Such unaccounting is in violation of the Geneva Convention to which North Vietnam

The mustering of public opinion and support of our officials in Washington on this issue is foreseen as a means toward achieving the disclosure of the whereabouts and circumstances pertaining to our unaccounted Americans; and representatives of local POW/MIA organizations have asked the Mayor to proclaim the day of June 3, 1973 as

NOW THEREFORE, I, Cecil J. King, Mayor of the City of Roby, do hereby proclaim the day of June 3, 1973, as "NATIONAL MIA DAY". I call upon all citizens to rally to the purpose of the day, use materials and information provided by POW/MIA organizations, and express their support to our national leaders in their efforts to clear up this matter. The Churches are asked to remember these missing men and their families in their services and, also, to elicit concern nationwide and world-wide up through their highest councils. FINALLY PASSED: The Fisher County Hospital District bill finally passed both the Senate and House and is now on Governor Briscoe's desk for his signature. From informed sources we understand that the bill is just what we wanted. It takes in all of Fisher County. Voters in Fisher County must ratify (vote) the bill in the near future. From the lopsided bond election victory received recently this should be another vote of confidence for a new

SPECIAL MEETING: The Rotan School Board met in a special session last Monday night and accepted the resignation of Charlie Davis with regret. He will be moving to the new position of Head Coach and Athletic Director at Olney High School.

HOLIDAY WEEKEND: Cecil King from Roby commented last Tuesday that he was just ahead of the tornado weather that hit Oklahoma and Arkansas over the weekend. Cecil and his family took a long weekend at Bella Vista, Arkansas and drove through Oklahoma through some high wind and driving rain.

OMISSION: We mistakenly overlooked a very important person in our story concerning the new owner of the Rotan Restaurant last week. Mrs. Vernon Surratt, Sr., according to her son, has been helping some and is doing all the baking of those delicious pies and cakes that are being turned out, Effective this Sunday the restaurant will begin opening at 6:30, on Sunday only.

OUR APOLOGY: Because of the lack of space the last few weeks we have had to hold several news articles and weddings. Please be patient as these will be run in the very near future.

VACATION BIBLE SCHOOL: The First Baptist Church at Roby is scheduling the annual VBS for July 8-15.

GYP MILLERS: We are glad that the gyp millers had a long weekend but it sure looked good to see them "fired up! and back at work on Tuesday morning.

POEM: Rev. Albert Cooper wrote the following poem (one of his first) at age 15. The poem appeared in the Lone Star, published by the Silver Valley High School in Silver Valley Texas in 1922.

The Silver Valley High School, Has a very good team, But they could play better, If they had more steam. The Silver Valley High School, Has a very good guard, But he would last longer, If he didn't play so hard. The Silver Valley High School, Has a very good team.
