history of the United States of America, none is more universally celebrated, none more filled with meaning to true patriots, than July 4, 1776, the birthday of our Country. Yesterday was the 197th anniversary of the Signing of the Delcaration of Independence.

Those men who drafted and signed the Declaration had to be men of courage. A price was set upon the head of most as the price of treason against King George. Some were radicals, one was a man of the cloth, two were doctors, there were lawyers, but all were dedicated to the cause of liberty and justice. Of the fifty-six Signers, forty-eight had been born in America, three in Ireland, two each in England and Scotland, and one in Wales.

Thomas Jefferson was entrusted with the important work of writing what was to become the birth certificate of a new nation. Although only thirty-three years old, he had been, for some time a leader in the colonial cause. The location of the house in which he wrote has been preserved. It is a matter of record that the afternoon of July 2,1776 was a hot one, and the horse flies from the livery stable across the street bit the distinguished gentlemen through their silk stockings. It has even been suggested that this was the reason the Declaration was signed so quickly, and with such little debate. However, this wasn't the case. It had been debated vehemently during the three days preceding, so Thomas Jefferson had edited his work, word by word, adding on one hundred thirty words, subtracting four hundred forty-three, and alter-

Never in the history of political writing has the fundamental basis of government been so clearly stated as in Jefferson's Declaration. THANKS: Our sincere appreciation to Luella Waddell of Roby who consented several weeks ago to write "Here and There" in Roby until we found a permanent replacement. We secured Buelene Shipp to replace Becca Frierson in writing "Round Roby".

IMPROVEMENT: In a continuing effort to improve our newspaper we are seeking a fulltime person to concentrate on news in the Roby and Rotan area. People that have been taking news to Pansy Hale in the past are now asked to call Buelene Shipp until such time as we can find a full time person. People that have been calling Carol Greenway in Rotan are asked to call 735-2562 to report locals. We feel confident that the changes we are making will make a better paper for our readers and ask your cooperation and patience until such time as we secure the permanent personnel. A big thank you to Pansy Hale for the fine job she has done in Roby, she will now be devoting her full time to her Flower Shop in Roby.

DISPLAY: Paintings done by Mrs. Preston Morrow are on display at the First National Bank in Rotan this week. Stop by if you get a chance.

FUN WEEKEND: Some of our readers will be winners in the "Fun Weekend", registration is going on now at several Fisher County businesses. Free tickets to Six Flags, Texas Ranger Baseball games and Lion Country Safari are up for grabs. Twelve tickets will be given away in all. See the front page of the special "Fun Weekend" insert for those Fisher County merchants that will have registration forms. Winners will be notified by mail and listed in next week's paper.

PRESS EARLY: We are going to press early this week on account of the July 4th holiday. This is being written at nonn on Tuesday and we expect to be on the press in about 4 hours. Normally we do not get on the press until 9:00 Wednesday morning. We have had to hold back several news items but will make a special effort to get these in our next paper of July 12th. Thanks for your understanding.

MISTAKE: Our apology to Mrs. Doshia Cave. We mistakenly said in the story concerning her last week that Mrs. Phillips painted a picture of Parker Kennedy and, it should have read Mrs. Cave painted the picture.

THE UNEXPECTED

What if you looked out your window and saw an elephant standing in your back yard? Would you think you'd been transported to Africa-or that the zoo had lost a boarder?

Situations just as bizarre and unexpected can happen anywhere, anytime, to anyone. When they happen to you, are you able to cope with them?

Merely attending church isn't going to solve all your problems. But it will help build a base that teaches you how to take the unexpected in stride. And life, when you get down to it, is in itself unexpected.

Start going to church next Sunday.

Here And There Roby, Texas

Since several of our holidays have been changed in recent years I am glad they have left the Fourth of July alone, the same glorious Fourth of July, so called in the United States in commemoration of the Declaration of Independence, adopted July 4, 1776. A good history date to remember, even though I could never remember hisotry dates. It is one of the most highly celebrated holidays, in years past picnics and political rallies. with band stand performances and parades. In more recent years, rodeos are a favorite attraction with Stamford's "Cowboy Reunion" heading the list. It is also a popular time for family reunions. Many

homes display the American Flag, which looks wonderful. MR. AND MRS. G. T. BEDDO had pre-4th of July visitors. Their daughters. Mrs. Don Zimmerman and sons Dan and Devin from Corpus Christi, and Miss Katie Mae Beddo of Dallas, Mrs. Beddo is nursing a broken wrist from a recent fall.

Thanks for all the cards, flowers, gifts and visits while I was in the hospital at Stamford. I can't seem to find the words to express my true feelings of gratitude. Well is it hot enough for everyone? It was sure hot at Stamford all day yesterday, and I don't think we were ever more dirty and hot in our lives. The little shower we got out here has sure pepped the cotton up but wish we could get a few more. They really got a good rain at Aspermont, in fact, they had to call the Rodeo off for Friday nite and we had to go back Sunday afternoon, and it was hot I can tell you.

Visiting with MR, AND MRS. DALE CAVE for a few days last week were Mrs. Jerry Stephenson and girls from Abilene. Mr. and Mrs. D. H. Hornsberger from Sweetwater visited with

MR, AND MRS. J. D. KINCAID on Sunday.

Jackie Cave from Farmington, New Mexico, stopped by to visit with his parents MR. AND MRS. J. C. CAVE Wednesday nite. He was returning home after being at Kilgore and Houston, Bro. and Mrs. J. H. Skiles ate dinner Sunday with Alice and J. C.

Mr. and Mrs. Herbert Hartley from Plainvew were here over the weekend visiting with MR. AND MRS. ANDREW WILLIAMS. We are sorry to hear that Mrs. Andrew Williams is in the hospital at Rotan and we hope that she will begin to feel better in the

MRS. ANDREW PEARCE has been in Fort Worth visiting with a member of the Methodist her daughter Melva for a few days, and they returned home last Thursday. Melva then visited with Mr. and Mrs. Pearce until Saturday. Mrs. Andrew Pearce went to Floydada Monday and met all her brothers and sisters there at the home of Mr. and Mrs. Ray Ogden. They really must have had a good time visiting.

MR, AND MRS, JACKIE WAYNE ETHEREDGE and boys went to Stamford Monday and Randy entered in the Open Youth Horse Show. He placed 2nd in the pole bending, but got a barrel in the barrel race and knocked over the bucket in the Flag race, so received a not time for both of those events.

MR, AND MRS, JIMMY WALER and Melody attended the Aspermong Rodeo Thursday nite and again on Sunday afternoon, Melody was entered in the Junior Barrel race and placed 3rd Thursday nite, and 2nd Sunday afternoon. They also went to San Angelo Saturday nite for the West Texas Junior Rodeo and Melody sure had a bad barrel run, but did palce 6th. While at San Angelo they visited with Jimmy's sister and husband, Mr. and Mrs. Sig Lloyd, and spent the nite there, returning to Aspermont Sunday afternoon. So we have really been on the road, and are now right in the middle of the Stamford Rodeo.

Well sorry there isn't too much news this week, if I have missed any, please don't fail to call me. See you all next week.

Mr. and Mrs. O. C. Ashton attended the wedding and graduation of their grandson Dearl Gene Messick in Phoenix, Ariz. The wedding was June 2nd and the graduation June 7th. They also had a grandson, Dale Ashton, to graduate June 7th at Sahuarita, Ariz. . they went by and visited with him the day after graduation.
