RES RELEASE

Think of This. In 1953 eggs sold at an average of 67¢ per dozen. In these 20 years wages have gone up 2.3%. If eggs had gone up this way they would cost \$1.54. If eggs should go to 96¢ per doz., that would be only 65¢ per lb for a high protein nutritional food. That would be only 16¢ for two eggs. Two boiled eggs for a growing youngster cost less than one soft drink consisting of excessive sugar. Two eggs contain 14 grams of high grade protein that is needed for people on the go.

For fresh locally produced eggs of the highest quality try McBeth eggs. McBeth eggs have been produced in Scurry Co. for more than 15 years in the most modern cage plant in West Texas. The McBeth operation is the largest independent egg producer in West Texas. They are producing eggs for West Texans from West Texas feed and labor.

McBeth eggs can be found in Rotan at:

### **Roby Happenings** BY BUELENE SHIPP

Hi, well I'm sure everyone enjoyed the rains that we received this week. Now the gardens should perk up and the crops should be looking much better.

The family of BOB FOURNIER has been very busy with guests this summer. Family and friends have been dropping in very frequently from their home state of Massachusetts. This past week Bob's grandmother, Beatrice Fournier, and his aunt and uncle, Bea and Donald Fournier all came to visit. While here they were treated to the live jamboree of country music at Sweetwater, which they all enjoyed very much. It was the first musical that they had ever attended of this sort. Then last Saturday they decided to take a short trip to Mexico since they were already this close. They reported a very nice trip.

Our sympathy goes out to the family of Cegail Kiker who passed away last Wednesday morning at Odessa.

If you are traveling through town in any direction you will notice that several people have new roofs on their houses. Helen Hodges is one of these people. Her son-in-law replaced her roof while she was in the hospital in Stamford for a checkup and some tests. Her son- in- law, by the way, is Winfred Shipp. Also working on the roofing was her grandchildren Randy and Celisa. JIMMY and LINDA LAURIE are in San Antonio this week.

FANOY PARKER is in the hospital at Sweetwater.

MRS. RICHARD SPENCER was in Hendrick Memorial Hospital in Abilene.

RALPH and MARIE AMMONS and ELSIE HARVEY were in Lubbock last weekend visiting with Ralph and Elsie's brother and his family, Mr. and Mrs. P. A. Ammons and with Ralph and Marie's son, Mike.

MR. AND MRS. DUB HARVEY joined Mr. and Mrs. T. A. Halls of Sweetwater and Mr. and Mrs. Loy Neeper of Snyder for a vacation trip to Colorado this week.

MR. AND MRS. LARRY VOGHT and son Chance were visiting friends and family this past week. Mrs. Vought is the former Betty Joy McGinnis.

FRANK AND MARGIE MITCHELL are in Ruidoso, New Mexico. MR. AND MRS. JOHN KIKER, SHARRON NEIGHBORS and Buelene Shipp and her children were in Odessa Friday visiting with family.

MR. AND MRS. JACK COX and children, Michele and Denny, are on vacation this week.

ELSIE CARTER is doing real well now. She is still in Hendrick Memorial Hospital in Abilene. She is enjoying all the cards and visits from all of you good people. There is hope that she will be coming home in a couple of weeks. For you who don't know who to send your get well wishes, her address is Room 603-A, Hendricks.

MRS. CARL MARTIN is in the hospital at Rotan.

MR. AND MRS. WAYNE PURSLEY went to Raymondville on vacation. They visited their daughter, Bonnie Jean, Joe and Joe Wayne. Joe is teaching in the Raymondville public schools in vocationals phase. Bonnie works in the school office. They took a side trip to Reynosa and Matamoras, Mexico, on to Brownsville Zoo and then to Padre Island. They also visited with Ira and Cathlene Morton and daughter Cathey in McAllen. Mrs. House, Cathelene's mother, is in a rest home there and doing fine. They report having a wonderful time on the entire trip, but were awfully glad to get back to Roby.

MR. AND MRS. EUGENE GRUBEN are the new owners of the Silver Spur Motel and laundry. They bought the place from Mr. and Mrs. L. G. Markham who are moving to Arlington. We are proud to welcome the Grubens to Roby and hope they are happy bere.

We in Roby would like to welcome our new highway patrolman and his family. Randy and Adele Wilkinson and their new daughter Katy have recently moved here from Colorado City. Adele was a third grade teacher there and Randy, was, of course, a patrolman. Their daughter, Kathy, is less than one month old and I hear that she is a living doll. Randy is replacing Joe White who has moved to Sweetwater.

Pete and Artillia Alvarado were here last week, visiting with MR. AND MRS. MANUEL LUIAN and MR. AND MRS. FLORINTINO ALVARADO. Irene and Irma Alvarado returned to Arlington with them for a week of vacation.

On August the 10th, the young couples of the First Methodist Church will have a party at the home of Mr. and Mrs. Roland Ray north of Roby.

Alonzo and Irene Lujan of Arlington have been here visiting their parents, Mr. and Mrs. Manuel Lujan of Roby, and Mr. and Mrs. Joe Martinez of Rotan.

MR. AND MRS. CHANO (Highpockets) LUJAN and family were here visiting with Mr. and Mrs. Manuel Lujan this weekend and so were Pilar and Esmeralda Lujan, they are all from Snyder.

ROBERT MORGAN went to Pecos this past weekend in search of bailing wire. I hear he had very little success in finding any. He also went for a visit with his sister, Linda Clark. He took hep a load of corn.

JIMMY, JUNE, Judy, Jan, Jill and Jennifer Wright went to Six Flags this week.

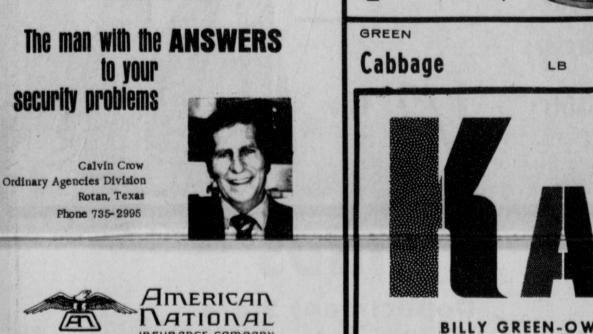

Visiting with MR, AND MRS, RAYMOND DRIVER last weekend were Mr. and Mrs. Jimmy Driver and son, Mr. and Mrs. Bubba Driver and children and Mr. and Mrs. J. G. Warshaw.

FOOT AND GRACE Kemp have been visiting in Muleshoe with his family.

MR. AND MRS. GUY KEMP have a new Holiday camper trailer to go with that new pickup. They plan to put the camper to good use very soon.

HELEN ELKINS is having some trouble with her garage sale. It seems that everytime she gets the merchandise out in the yard it begins to sprinkle. Then by the time she gets it all toted back in the house it dries up. Don't give up Helen, this Texas weather will dry up soon, (too soon).

### **Center HDC Has Museum Tour**

Members of Center Home Demonstration Club met Tuesday afternoon, in the home of Mrs. Lynn Randolph in Roby, for refreshments before going to Sweetwater as a group to visit Pioneer Museum. Annually the Club visits a place of interest in this locality, and Pioneer Museum was selected and proved a wise choice.

Museum hostesses, Mrs. E. H. Harkins and Althea Dunn, showed and explained each item

with pleasure and pride; these two ladies helped make the visit one of the highlights of the year. Each article, object, item and entry are a part of our American Heritage and immediate vicinity, and the Mus seum is an asset to Sweetwater and the area.

Club members making the tour were Mmes. Lowell Thornburg, Fred Stevenson, M.T. Wilson, Joe Ballenger, Rufe Ballen+ ger, Aurora Martinez, Forest Tefteller, Fay Anderson, Nina Cave. Lynn Randolph, and Fred Wadde111.

# **Eaton Reunion** August 11,12

The Eaton family reunion will be held at the American Legion Building in Rotan the week end of August 11th and 12th. Friends are invited to bring a picnic basket.

### Reunion

The annual Riverdale-Countyline-Cottonwood reunion is scheduled to begin on Sunday, August 5, 1973, according to a spokesman for the attendance committee. The reunion will be held in the Rotan Community Center

and all that attend are asked to bring basket lunches. Everyone is welcome.

# Card of Thanks

The family of W.S. Etheredge wishes to express our heart felt gratitude to all for your expressions of love, our prayers, your kind words and deeds, the flowers and the food. Especially we want to thank the doctors and nurses at the hospital, the employees and management at Crestview, the personnel of the Weathersbee Funeral Home, and all the thoughtful sitters who have sat with our daddy. God Bless each and everyone is our prayer.

that fresh vegetables and fruits are an important source of vitamins, minerals, iron and magnesium. However, many shoppers do not take into consideration the fact that the nutrient content varies with the variety as well as the conditions under which fruits and vegetables are grown. For example, the amount of ascorbic acid in tomatoes vine ripened out-of-doors in summer sunlight is double that of those grown in greenhouses in winter. According

to the U.S. Department of Agriculture, fresh fruits and vegetables also lose some nutritive value between the farm and the table. Nutritive loss is affected by the way food is handled in marketing and at home. The length of time it is stored and temperature and humidity during storage also are factors.

t's a woman

Typical is the need to chill or refrigerate as soon as possible after harvesting such vegetables as kale, spinach, turnip greens, chard, broccoli, and salad greens. They keep their nutrients best when held near freezing and at high humidity.

Although processing has contributed to the quality and safety of fruits and vegetables, some nutritive value is lost in processing and storage. Most susceptible to losses are vitamins which are watersoluble and can be destroyed by heat, such as ascorbic acid and thiamin.

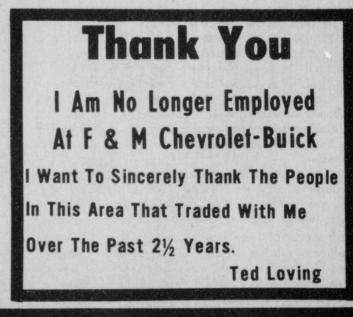

Many vegetables and fruits have been developed to meet the demand for higher yields, disease resistance, and ability to withstand damage in harvesting and shipping rather than for the vitamin content. For example, carrots are a major source of vitamin A, but studies have shown a great range in the nutritive content among varieties according to plant breeders at the University of California.

Well it finally rained, and everyone out here is sure proud.except some got hailSaturday afternoon and that wasn't what they needed at all. Here at the house we didn't get any hail and only about 1/2 inch of rain Saturday, but up west of Hobbs we got some hail, and the cotton looks pretty bad, but maybe it will come on out. We really had an electrical storm Sunday afternoon and it rained over an inch here and we got some more up west of Hobbs. Now we will have to wait for it to dry up and then plow over as the little weeds are really beginning to show. We were sure proud to get the sides of the roads graded off and its so much easier to see around those corners now. It was really getting dangerous.

The community was saddened by the death of one of our old timers, Mr. Will Etheredge, who was buried out here at Hobbs Saturday. Our deepest sympathy goes out to Mr. and Mrs. Sam Etheredge and the entire Etheredge family.

Visiting with MR. AND MRS. ANDREW PEARCE this week -end were Leon Pearce and children and Bill Pearce and Cori, all of Odessa.

Visiting with MR. AND MRS. JOSH PHILLIPS were Neva and Larry Phillips from Aspermont.

Bro. and Mrs. J. H. Skiles ate Sunday dinner with MRS. VIDA BOYER and then visited in the community.

Mrs. Dale Scott and family from Mineral Wells were here for the week-end visiting with Mr. and Mrs. R. O. Campbell and Mr and Mrs. Donald Hull, Mr. and Mrs. David Faulkenberry from Big Spring were also here visiting them for the week-end.

Mr. and Mrs. L. M. Reep from Shallowater spent the weekend with MRS. EULA MAE HULL and children.

Visiting with the MARTINEZ families for the weekend were Gloria and Belle Martinez from Fort Worth.

MR. AND MRS. ANDREW WILLIAMS and LEE WILLIAMS have been on a trip, visiting with Mr. and Mrs. Randy Williams who live at Tyler. On the way there they stopped by Alba and visited with Mr. and Mrs. C. J. McIntosh, who used to live out here at Hobbs. Mr. and Mrs. Andrew Williams, Lee and Mr. and Mrs.Randy Williams then went on to the Astrodome in Houston and saw a ballgame between Atlanta and the Astros. They returned home Sunday and were pleasantly surprised when they saw all this good moisture.

MISS SHERRY NETTLETON and Bruce Hess were married at Hobbs Church Saturday nite. Congratulations to the happy couple. Sherry is the daughter of Mr. and Mrs. James Nettleton.

Thursday nite Mr. and Mrs. Jimmy Walker and Melody journeyed to Big Spring and Melodyrode in the AJRA Rodeo. They had just had a good rain, but the arena was in good shape except for a little mud around the second barrel. and Melody made a pretty good ride. We have since found out she placed 7th out of the 27 barrel racers in her age group, and they paid 6 places, so we were really proud of her run, as she was up against some of the best girls in the states of Texas and New Mexico. The sixth place time was 19.26 and Melody had a 19.27 so you can see how close it was.

Visiting with us Friday and Friday nite were Mr. and Mrs. E. C. Suther from Houston, Also, Mr. and Mrs. Dee Walker from Camp Springs and Mr. and Mrs. Donnie Gruben, Donnie Carl and Carye, Mr. and Mrs. Suther came in one of their big trucks, and it was sure hard to get it up here and they had to back it down the road when they left. We are very glad to hear that MIKE McGREW is coming along just fine after his accident, and has got to come home from the hospital.

MR. AND MRS. LESTER HARDIN are again in Temple to be with their son W. B. Hardin, who is to undergo more surgery this morning (Monday). We understand that W. B. did real well after his last surgery, and we hope that he will make a speedy recovery from this surgery and hope that this will be the last he has to have.

MR. AND MRS. RICKY WILLIAMS have returned from their trip to Reno and sure had a good time, but were glad to get back to Texas.

I know everyone was sure pleased at the way the voting turned out for the new Fisher County Hospital.

Well this is about all my news for this week, if I have missed anyone please don't hesitate to call me, and we'll put it in next weeks news.

I couldn't get some folks this morning, guess they were all out riding around and looking at the good rains. See you next Thursday.

Just for a minute, think about the local places you have loved . . . the old swimming hole, the town park, the walk by the river, the view from the hillyour church! Life would be so much less without them; yet we tend to take them for granted.

What a beautiful world God has created for us! How much He must love us to have given us shaded valleys and sparkling waters! He planned for us the constant variety of the changing seasons. For our enjoyment, He made trees and grasses, flowers and fruits. Before such miraculous inventiveness, science stands baffled and incredulous.

It is obvious that behind all creation there is a power greater than we, a power constantly concerned with man's development. In the church of your choice you will find the opportunity to give thanks for the gifts of creation. Here, too, you will learn to understand better the complexities of our world. You will find a faith that will sustain you throughout life.

When he is finished, the viewer is unaware of the Hight source. There are no garish spotlights, instead, the area seems to be bathed in moonlight -- thus the title Mr. Moonlight.

Although landscape illuminating sounds very specialized, Daniel pointed out that people often spend thousands of dollars on landscaping which is visible only during the day when most families are away from home. For a fraction of their initial investment, they can make the landscape enjoyable 24 hours a day.

Lighting which serves the practical purpose of providing security or safety can also be aesthetically pleasing, according to Daniel.

Night lighting is really an art form as Daniel describes it. Most people who have installed night lighting have put hundreds of dollars underground and used \$20 fixtures. "They get a \$20 affect.
