Football players come in assorted weights, heights, jersey colors and numbers, but all football players have the same creed: to play every second of every minute of every period of every game to the best of their ability.

Football players are found everywhere - underneath, on top of, running around, jumping over, passing by, twisting from or driving through the enemy. Teammates rib them, officials penalize them, students cheer them, kid brothers idolize them, girls adore them, alumni tolerate them and mothers worry about them. A football player is Courage in cleats, Hope in a helmet, Pride in pads, and the best of Young Manhood in moleskins.

When your team is behind, a football player is incompetent, lazy, careless, indecisive, uncoordinated and stupid. Just when your team threatens to turn the tides of battle, he misses a block, fumbles the ball, drops a pass, jumps offisde, falls down, runs the wrong way or completely forgets his assignment.

A football player is a composite - he eats like Notre Dame, sleeps like Notre Dame, but more often than not, plays like Grand Canyon High. To an opponent publicity man, he has the speed of a gazelle, the strength of an ox, the size of an elephant, the cunningness of a fox, the agility of an adagio dancer, the quickness of a cat and the ability of Red Grange, Glen Davis, Bronso Nagurski and Jim Thorpe -- combined.

To his own coach he has, for press purposes, the stability of mush, the fleetness of a snail, the mentality of a mule, is held together by adhesive tape, baling wire, sponge rubber, and has about as much chance of playing as would his own grandfather.

To an alumnus a football player is one who will never kick as well, run as far, block as viciously, give fight as fiercely, score as many points or generate nearly the same amount of spirit as did those particular players of his own yesteryear.

A football player likes games films, trips away from home, practice sessions without pads, hot showers, long runs, whirlpool baths, recovered fumbles, points after touchdown, and the quiet satisfaction which comes from being part of a perfectly executed play. He is not much for wind sprints, sitting on the bench, rainy days, after-game compliments, ankle wraps, scouting reports or calisthenics.

No one else looks forward as much to September or so little to December. Nobody gets so much pleasure out of knocking down, hauling out, or just plain bringing down the enemy. Nobody else can cram into one mind assignments for an end run, an off-tackle slant, a jump pass, a quarterback sneak, a drive play purit protection, kickoff return, a back lateral, goal line stands or a spinner cycle designed to result in a touchdown every time it is tried.

A football player is a wonderful creature - you can criticize him, but you can't discourage him. You can defeat his team, but you can't make him quit. You can get him out of the game, but you can't get him out of football. Might as well admit it - be you alumnus, coach or fan - he is your personal representative on the field, your symbol of fair and hard play. He may not be an All-American, but he is an example of the American way. He is judged, not for his race, not for his religion, not for his social standing, or not for his finances, but by the democratic yardstick of how well he blocks, tackles and sacrifices individual glory for the over-all success of his team.

He is a hard-working, untiring, determined kid doing the very best he can for his school or college. And when you come out of a stadium after your team has lost, he can make you mighty ashamed with just two sincerelyspoken words --- "We tried." It all depends on whether or not you are a lobster-lover. To those who enjoy this succulent fruit of the sea, a lobster is a thing of beauty. To others, it seems incredibly ugly.

Beauty is "in the eye of the beholder," but, contrary to another old saying, it is not skin deep. True beauty often can't be seen at all. It is something you feel, something of which you are aware—not necessarily seen.

Beauty, for instance, surrounds you when you walk into a church. There is something in the atmosphere that you can't quite define. No matter what's been happening to you, in God's Home, you feel a sense of peace, of sanctuary.

Had that experience lately?

point kicking attempt. In the final two minutes and 55 seconds Roby tried desperately to add another point to ice the win. Evers only completed 2 of 8 in the final desperation

drive. They turned the ball over to Wylie on downs with 29 seconds remaining on the clock. Roby will be a strong contender in district play after facing Class A schools in pre- district contests. Roby plays their first game away from home this Fri-

Well we got by without much rain last week, but we are supposed to have a chance of some more showers this week. The wind is sure blowing today, blowing us up a rain I guess, but we could do without rain on the cotton. It is really beginting to open up now and we saw several fields on the way to San Angelo that had already been defoliated.

MRS. DALE CAVE has been to Waco to the T. H. D. A. Convention. She left Tuesday and came back Friday. While there she reports having heard a program by the retarded children from the Children's Home in Mexia and she said those children could really sing and the program was very inspirational. The T. H. D. A. inet in Chism Hall which was named after some of Mrs. Cave's ancestors, so it was all very interesting for her.

Lorin Pearce came by after MR. AND MRS. ANDREW PEARCE and they all went to Odessa for the week-end. and Mr. and Mrs. Pearce visited with all of their 4 children and families who live there.

We have one who has been on the sick list this week, MRS, RICKY WILLIAMS went into the hospital at Rotan last Tuesday with pneumonia, but we are pleased to report that she is now doing just and got to come home from the hospital. Mr. and Mrs. Ricky Williams and Lee Williams at Sunday dinner with Mr. and Mrs. Andrew Williams.

MR. AND MRS. J. C. CAVE are back from their trip to Tampa, Florida. They came back Tuesday evening, and report having a wonderful time. They went to see their daughter, Barbara, Mrs. Howard Looney, who has been sick, but is doing better at last report. They saw some real beautiful country, lots of orange groves, and they said there were fresh water lakes everywhere with lots of good fishing. They didn't venture out on the ocean though and I can't say that I blame them, as there is nothing worse than getting sea sick.

Visiting with MR, AND MRS. J. D. KINCAID for dinner and supper were Mr. and Mrs. D. H. Hornsberger, Mr. and Mrs. Glen Hornsberger and daughter, all from Sweetwater; Mr. and Mis. Gene Hornsberger from Snyder and Mr. and Mrs. James Johnson from Moss, Mississippi. Mr. and Mrs. Windle Kincaid visited with Mr. and Mrs. J. D. Kincaid Monday. They have just returned from Bedford, Indiana.

Bro. and Mrs. J. H. Skiles from Stamford ate Sunday dinner with MR. AND MRS. WALT CAVE and family.

MRS. J. W. ETHEREDGE and Randy went to Big Spring Saturday to the Howard County Fair and Horse Show. Randy placed 3rd in the Western Pleasure class, 4th in his Halter class, 2nd in the barrel racing and 1st in the pole bending. For the 1st place in the poles he received a hand carved leather breast harness.

Saturday nite Mr. and Mrs. J. W. Etheredge and boys went to Sweetwater to the Play Nite and Todd won a 1st place in the potato race, 1st in the barrels and 3rd in Western Pleasure. Randy placed 1st in the pole bending and 1st in the Flag race. Wayne Jones, son of Mr. and Mrs. Bobby Wright, spent the weekend with Mr. and Mrs. J. W. Etheredge and boys.

We have a brand new addition to our community. MR. AND MRS. KENNETH WINK are the proud parents of a baby boy, born at Snyder. He was named Wesley Russ. Congratulations to the proud parents, and to his sister Rachelle. Know she is excited about having a new brother.

MR. AND MRS. JIMMY WALKER and Melody went to San Angelo for the weekend and Melody rode in the West Texas Junior Rodeo. This was the finals for the year and Melody was lucky enough to be 3rd in the overall standings for her age group in the barrel racing. We left Friday night but the Rodeo was rained out that nite, and it really came a good rain with lots of wind and so much lightning. So they called off the Rodeo until 8 the next morning, and it was really a pleasant day, a little chilly, but just right for the spectators and riders alike. Melody placed 4th in the barrel racing in the rodeo, and then Saturday nite she got to run again in the top 4 and this time she placed 2nd, and had a really good run. They gave saddles to the All Around girl and boy in each age group, and they were sure nice. Melody just missed being Reserve Champion Barrel racer for her age group by one point, but then we didn't go to all the rodeos, missed about 8, as some of them were so far off. While at San Angelo we visited with Jim's sister and her husband. Mr. and Mrs. Sig Lloyd. We returned home Sunday and was glad to see that we had only got a little shower while we were gone.
