CATTLE.

Limited Run Included But Few Good Steers, Prices Steady.

Receipts of cattle have continued moderate all week and today did not bring out enough to create any change in market conditions. Total for the week to date at this point falls about 1,200 under last week and at five points the run of 115,000 is slightly ss than for the same time last week,

but 28,000 short of a year ago. Of the steers offered this morning Fresh receipts were moderate. The the best here were a couple of good, useful styles of feeders sold bunches of quite good strong weight with fair freedom at steady prices, steers that sold at \$5.50, one of the bulk making \$4.30@4.60. There was loads including a few heifers. Aside also a fairly reliable outlet for good from these the offerings were mostly qualitied 600 to 700 lb. stockers at on common to fair order, but found prices showing little change from yesoutlet at generally steady prices com- terday, sales ranging from \$3.75@ pared with yesterday and showing a 4.15. Trashy light stuff, however, steady to strong level for the week.

Sales on ordinary to fair light and was toward weakness for this class of medium weights ranged from \$4.60@ material. Country demand shows 5.25, while common light killers went signs of recovery from recent stagnation. There was a fair outgoing trade

The searcity and relatively high yesterday and quite a few lookers prices for fat cows and heifers is still from the country were on hand the a factor in creating a lively demand morning. However, supplies in dealfor light killing steers. In a general ers hands are still fairly liberal, inway the whole steer trade appears to cluding a good assortment of all the be in fair condition and there are signs that recent advances may be generally attractive. d throughout the spring generally attractive. if, indeed, they do not work higher freely taken at steady prices.

DRESSED BEEF AND SHIPPING STEERS.

COWS, BULLS AND MIXED. Trade in cows and heifers did no have the edge of previous days this week, but bulk of the supply sold on a steady basis. The market opened rather slow and buyers were inclined to shade prices on first rounds. Howthe useful classes at yesterday's prices. Demand was quiet ofer the lower Offerings as a whole were not as attractive in quality as vesterday. There were fewer sales of cows upward of \$4.25 and not many believes sold above \$4.60, although one lot of useful handy weights brought \$5.10. Bulls were in fair demand at steady prices. Odds and ends made up the supply, no full loads being noted. Sales were largely on a \$3.50@4.25 basis for fair to good butcher and ex-

HORSES AND MULES

THE LINCOLN IMPORTING HORSE COMPANY. LINCOLN, NEBRASKA.

Percheron, Belgian, Shire and German Coach Stallions We have been importing stallions for 21 years and this importation excells all others in quality, sire and typical representation of the different breeds. Our horses will be found to possess plenty of size, substance and all around choice individual excellence. The breeding is made up of the very best blood lines to be found in the best herds of Europe. We bought only the tops of the different herds visited. If you want a big boned, clean limbed horse, first class in every respect, don't fail to see or write us. The horses in our last importation stood the trip particularly well, in fact, we have not heard a grunt out of any of them. They have not been pampered but have been carefully fed and attended to so as to put them in the best bre diagonalition possible for next spring's use. You are welcome to our barns at all times and we invite the closest attention. This is the grandest lot of stallions that ever crossed the coatn. Come and examine the 1st and sweepstakes winners of the last two State Fairs. Take State Farm or Interurban street car, inquire for Sullivan's barns.

It should be said, however, rayed in the native costume of their ministration did call the attention of rank. The presentation took place in the fifty-ninth congress to the fact the blue parlor which is the state room that no empowering act had been were made by the president and by ed I do not know, for I was not here. In my judgment it is highly necessary that congress take account of this peculiar situation and remedy it at once. It is possible that the presi prease in not only the passenger earn dent's many and sometimes radical of the zone government need some official ratification by congress; and certainly he should not be longer mainout definite right to rule."

Up Out of the Mud.

Creston, Wyo., Mar. 12.-The American car, New York-to-Paris race, passed here at 3:35, mountain time, stop. Creston is 2,245 miles from New York and is on the top of the Rocky mountains, at an altitude of more than seven thousand feet. For the next 75 miles the American car will be passing through the famous Red desert. All day Wednesday the car was above the 6,000-foot level sometimes being

Thaw Divorce Papers Served.

New York, Mar. 12.-Harry K. Thaw was served late Wednesday with a copy of the summons and complaint in the proceedings brought by his wife, The cold storage egg had emerged Evelyn Nesbit Thaw to annul their marriage. A messenger delivered the "I'm as good as you are," it re papers to Thaw at the Matteawan insane asylum and about the same "You're certainly fresh enough," re- time Mrs. William Copley Thaw, who sponded the latter, with a smile that is made a co-defendant, was served at

didacy of the war secretary. The organization of the convention was completed Wednesday night when the state executive committee named the officials who will be recommended to the convention Thursday. They are as follows:

Temporary chairman, Daniel Nettleon, speaker of the last legislature, Fairchild; permanent chairman, C. B. Anderson, state university regent, Crete; secretary, F. P. Corrick, Lincoln; assistant secretaries, D. W. Craig and E. H. Phelps.

Some of the tangles which were expected to partially mar the proceed ings were straightened out and only harmony was apparent when the delegates ended their conferences. There were indications of a large attendance, and half of the delegates had arrived before midnight.

Some work has been done on the platform, which is given up chiefly to national issues and will contain encomoniums of President Roosevelt and Secretary Taft, with an indorsement of the latter for president.

Schmitz Out on Bond.

San Francisco, Mar. 12.-Eugene Schmitz, former mayor of this city was Schmitz, former mayor of this city was released from jail Tuesday, where he had been confined for the past ten months, a free man until he again comes to the bar of justice to face the 39 indictments which are still pending against him, and upon which he had to furnish \$345,000 bail before being released from custody.

For a Hospital at K. U. Lawrence, Kan., Mar. 12.-A student hospital for the treatment of contagious diseases will probably be established at the University of Kansas within a year. Out of 800 subscription blanks distributed among the students, 700 pledging \$1,400 for the purpose have been returned to the registrar of the university.

Failed to Find Jeffs. Washington, Mar. 12.-The cruiser Yankton reported her arrival at Acapulco Wednesday. She also reported that her expedition to Indefatigable island to find Fred Jeffs, an American seaman who was abandoned there, had been futile. Jeffs was not found,
