## State Representative Carl Isett visits Muleshoe

By MARSHALL STINNETT  
Journal writer

State Representative Carl Isett told the *Journal* he supports President Bush's war with Iraq because Iraq would do us harm. He said, "The war would help take away the ability of terrorists to take away our freedom." Isett also told the *Journal* he favors the President's tax cut package.

Isett was in Muleshoe last Friday for a reception in his honor sponsored by Mayor Victor and Debbie Leal and Jay and Sally Messenger.

The State Representative is running in the special May 3 election to fill the 19th Congressional seat being vacated by Larry Combest. Isett is a reserve Navel commander and a CPA who represents Lubbock in the Texas House of Representatives.

Isett stated, "North Korea had not quite reached the point that we need to take military action."

"Cutting taxes would increase federal revenues," Isett added. He also mentioned that he had studied tax cuts while working on his masters degree in finance at Texas Tech. He said every time income taxes were cut, it stimulated the economy and federal revenues increased.

When asked if the French should be allowed to help in the reconstruction of Iraq he answered, "Yes." He added by saying, "Nations that have common goals should work together."

Isett also stated that Medicaid reimbursement should be given to the states in block grants so the state could make the best use of the money to fit the state's needs.

To help solve the problem in Medicare, Isett said the rules should be changed so doctors could "charge less than Medicare rates and would favor gradually raising the age for eligibility for medicare."

House Appropriation Committee said after both the Texas House and Senate pass their appropriation bills and the bills go to a joint committee he didn't think the budget cuts for South Plains College and Texas Tech would be as severe as forecasted. Current predictions have

Isett said the joint committee would reprioritize the revenues and expenditures in the joint committee.

## Purcell guilty, to appeal pheasant case

By MARSHALL STINNETT  
Journal writer

A citation for cutting off both legs of a pheasant during hunting season resulted in a four hour jury trial last Wednesday. After hearing the evidence, it took the jury of four women and two men less than ten minutes to find Tom Purcell of Roanoke, Texas, guilty and less than two minutes to fine Purcell the maximum fine of \$500 dollars.

According to the witnesses, Texas Department of Parks and Wildlife Officers Mel Reed and Randy Bullock came up to a hunting party on the land known as the Young-Chitwood place, north of Progress. They began checking hunting licenses and the killed birds when they found a bucket of water containing a fully cleaned pheasant with both legs cut off.

State laws requires fully cleaned pheasants to have at least one leg left attached to the bird so a wildlife officer can determine the sex of the bird. Only male pheasants may be killed.

The officers asked who's bird was in the bucket and were told it belonged to Tom Purcell who was hunting on another farm with Kurt Miller. One of the other hunters used a cell phone to call Purcell to return to camp.

When Purcell arrived at the camp, he was, according to witnesses, highly agitated. He showed the wildlife officer a leg he said he had saved to prove the bird was a male. Purcell wanted the officers to match up the leg with the thigh of the bird.

Bullock told Purcell that he and Officer Reed were not trained in "forensic science" and there were several pheasant legs laying around. They did not have any idea which bird they might belong to.

Purcell called the officers "smart asses" and told them to "write the God damn ticket." At one point, Miller stepped between Purcell and the officers and told Purcell to "shut up if you ever want to hunt here again." Miller later told the *Journal*, Purcell would never be on his land again.

Miller said the officers were very professional.

Purcell called Bailey County Justice of the Peace Herman Morrison telling him he was guilty and wanted to know what the fine would be and Morrison told him \$350 plus \$28.50 restoration fee.

Purcell again became highly agitated. He asked for Morrison to allow him to have a jury trial in Morrison's court. Purcell later asked Morrison to recuse himself from hearing the case. Purcell referred to the court as "Muleshoe Kangaroo Court Precinct 1." Morrison arranged for Lamb County Justice of the Peace Carolyn Harmon to preside at the trial.

County Attorney Carissa Cleavinger was the prosecutor for the State of Texas. Purcell defended himself.

Purcell planned to build his defense on the law that says that a landowner may give a written statement as to the sex of the bird.

## HEARING

from page 1

He produced a letter from Steven D. Young, Jr., who is one of the landowners. The letter was dated March 17, 2003.

Cleavinger managed to keep the letter out of evidence because Young was not in the courtroom for cross examination. However, the law clearly states the landowner statement must accompany the carcass of the bird.

Under questioning, Bullock told the court he and Reed had lunch with the same group of hunters two years ago and had a good relationship with them. He said he had probably worked 200 to 300 pheasant hunters in the fifteen years he had worked for the Parks and Wildlife Department. He said this was the first citation he could remember he had given over cutting off both legs of a pheasant.

When Purcell questioned Bullock, he asked him if he thought the \$350 fine was reasonable. Bullock told Purcell he and Reed had nothing to do with making laws or accessing fines.

During the trial, Purcell accused Bullock and Reed of concealing their names. Bullock replied he had printed his name at the top of the

citation. Reed told Purcell both he and Bullock were wearing their regular uniforms that included name plates. "If you had asked for my name, I would have given it to you," Reed said.

In his closing remarks to the jury, Purcell told the jury there are always exceptions to the law and he deserved one. He also referred to the trial as a "witch hunt." The jury thought otherwise.

Purcell has posted a \$1,000 bond to appeal the case to County Judge Marilyn Cox's County Court.

After the trial, Purcell sent an e-mail to Carolyn Harris at Bamert Seed saying, "Your town's corruption will be advertised more and more today...I will do all that's legally within my power to make sure your town has far fewer hunters next season. NO OUTSIDERS, hunter or otherwise, should spend time in Muleshoe and thus put themselves at risk of getting caught up in Muleshoe's "legal" (i.e. ILLEGAL) system. There are plenty of other panhandle towns in which to hunt, and plenty of other panhandle towns in which to spend our time and money."

Harris is head of Pheasants Forever in Bailey County.

## BANQUET

New Mexico Music Industry's "Best Vocal Performance" award for singing and yodeling on recorded works.

Board member Carolyn Johnson told the *Journal*, "I've heard Syd Masters & The Swing Riders. People are in for a real treat. They are absolutely hilarious!"

Three onere cowpokes make up the band. Syd Masters' rich lead vocals, endless wit and unique brand of rhythm guitar are perfectly complemented by the accomplished finger picking of multi-instrumentalist Uncle Bob, along with the bunkhouse bass stylings of America's Cowboy Heart Throb, Slim J.

These boys are seasoned entertainers and would feel at home playing at western swing dances or on the trail singing trail songs reminiscent of sagebrush prairies and cowpunchers of old.

Last year's Chamber banquet was a big success according to Thompson.

"We sold over 300 tickets for the 2002 banquet, which was almost every ticket we printed. We hope to have the same kind of turnout this year," she said. "The banquet is our (Chamber) major fundraiser every year," she added.

Thompson continued, "People who purchase banquet tickets are supporting yearlong Chamber projects as well as July 4th and Moonlight Madness activities here in Muleshoe."

If unable to attend, registration will continue throughout the month of April. For more information, contact LICA director Tina Symm at 825-2410 or 825-3074.

## Muleshoe Mules top Slaton Tigers; share in district lead

By DELTON WILHITE  
Journal sportswriter

The Mules downed the Slaton Tigers 7-6 last Saturday to claim an early share of the district lead. Lubbock Cooper dumped Dimmitt 17-0 and Brownfield dropped Littlefield 12-0 in their opening games of district play. "The Lubbock (*Avalanche Journal*) paper picked us last in the district and that will provide us with a lot of motivation," said Muleshoe baseball coach Gilbert Ramirez. "Our kids never gave up even after making some mistakes that put us behind. "The kids battled back, kept their cool and played the way we're teaching them to play. We want a shot at a playoff spot," he said.

The Mules owned a 3-2 lead over the Slaton Tigers with only three innings left to play Saturday. Bryan King took the mound in relief of Jarad Flores to close out the game. But the Mules climbed on board the proverbial "error train" after one out to allow the Tigers to score four runs on just two hits. The Mules seemed to regroup when King threw a come-backer to the seventh batter of the inning. King fielded the ball and tossed it to Flores covering second. Flores stepped on the bag and relayed to Tyrel Gear on first to double up the Tigers and halt the train. Arium Perez led off for the Mules in their half of the fifth inning by taking one for the team. After being hit by a pitch, Perez stole second on the first pitch to Ryan Marricle. Marricle hit a

grounder to third and it was the Tigers' turn to ride the "error train." Marricle beat out a bad throw to first and Perez moved to third. Marricle advanced to second on the first pitch before Flores ripped the next pitch down the third-base line. Flores' double scored Perez and Marricle. The Tigers tried a new pitcher but could not derail the Mule rally. King walked on five pitches before Juan Nuñez blasted a line drive to right field to score Flores and tie the game at six runs each. Robby Bomer loaded the bases for the Mules with no outs after being hit by a pitch. King came home on a ground ball to third by Miguel Castorena but Nuñez was forced out at second on the fielder's choice. The Mules failed to pick up an insurance run but sat Slaton down in order in the sixth inning. The Tigers led off the seventh inning with a single and reached scoring position with a stolen base. Barry Morris pulled in a high fly ball in left field for the Tigers first out and held the runner at second. The Tiger's third batter grounded sharply to third and a bobbled catch allowed him to reach first as the base runner moved to third. With a fluid move to first, King picked off the runner at first for the second out and put pressure on the Tigers. King spotted fast balls over the plate and the Tiger's final hope struck out on three straight pitches. "We came out and played pretty well," said Bryan King. "Jarad Flores) did a good job

# Proposed budget cuts cause concern

SPECIAL TO THE JOURNAL  
By JOY WILLIAMS

The House Appropriations Committee has made an initial budget proposal based on the Texas Department of Criminal Justice (TDCJ) Budget. This preliminary budget amounts to a 52-percent reduction in funding for Community Supervision and Correction Departments (CSCDs) — better known as Adult Probation Departments throughout the state. The proposed budget includes an elimination of funding for misdemeanors and a 43-percent in Community Correction Programs.

Our local CSCD is operated with state funding appropriated for Basic Supervision and Community Corrections Programs based on the population and the number of offenders being directly supervised. Individuals granted community supervision pay a monthly supervision fee which helps defray the cost of their supervision. This budget cut will devastate and essentially destroy the current system of community supervision. Not only the local probation of-

ficers but probation officers across the state are concerned they won't be able to do their jobs.

Departments with residential treatment centers share in this budget cut and are being forced to reduce the length of their programs. This will undoubtedly affect the success of the programs. Some facilities will be forced to close, causing offenders who need treatment to be left on the streets or taking up prison space that should be available for more violent offenders. This proposed budget raises concerns about public safety and the likelihood that it will cost much more than it will save.

A resolution adopted by the Judicial Advisory Council strongly urges Governor Rick Perry to restore funding to the Community Justice Assistance Division of the Texas Department of Criminal Justice for Fiscal Years 2003, 2004 and 2005 so that the 121 Community Supervision and Corrections Departments can continue to provide essential punishment, supervision and treatment for offenders and insure public safety. The resolution further states that it costs Texas \$1 per day to punish and supervise offenders locally on probation while prison cost are currently \$44 per day.

We need prison beds for the violent and habitual offenders. Most people on probation are not violent. They can be supervised and punished, yet still live within the community and be a contributing member of society without posing threats to the

public. The Community Supervision and Corrections Department of the 287th Judicial District includes Bailey and Parmer Counties. We currently supervise 211 offenders on direct supervision. A total of 289 offenders are on indirect supervision. Individuals on direct supervision are those who live and/or work within this jurisdiction. Those who make up the indirect population are individuals who are transferred to other jurisdictions or states, those who are in treatment facilities and those who have absconded.

Community Supervision is the most efficient and cost-effective part of the criminal

justice system. Without adequate funding for supervision one can be sure, we will see a significant increase in the prison population.

## ¡Varias exenciones de residencia pueden rebajar sus impuestos de propiedad!

Una exención de residencia reduce sus impuestos de propiedad. Por ejemplo, si su residencia tiene un valor de \$50,000 y Ud. recibe una exención de \$15,000, sus impuestos se calcularán como si el valor de su residencia fuera \$35,000.

### ¿Quién califica para una exención?

Cualquier dueño de una residencia principal el día 1 de enero tiene derecho a una exención de residencia de \$15,000 este año para rebajar sus impuestos escolares...y no importa si la residencia es casa, condominio o casa móvil. (Los condados, municipios y distritos especiales de impuestos también pueden ofrecer exenciones de residencia.)

### ¿Hay otras exenciones?

Si Ud. es incapacitado—o si tiene 65 años o más—tiene derecho a una exención adicional de \$10,000 en sus impuestos escolares de propiedad. Y si Ud. califica para la exención para los que ya cumplieron 65 años, también tiene derecho a un "cielo máximo" permanente en sus impuestos escolares de residencia. (El cielo máximo no tiene que ver con impuestos de propiedad de los condados o municipios, y esas entidades pueden ofrecer otras exenciones.) La exención para los que ya cumplieron 65 años y el cielo máximo se pueden transferir al esposo/esposa sobreviviente si el o ella tiene 55 ó más años de edad y es dueño/dueña de la casa en donde vive. También el dueño de una casa nueva que tiene más de 65 años puede trasladar un porcentaje de cielo máximo del los impuestos escolares que le tocaron en su domicilio vieja.

### ¿Debo solicitarla cada año?

No. Si Ud. recibió una exención de residencia en 2002, no hay necesidad de solicitarla de nuevo en 2003—al menos que se lo pida su jefe de valoraciones. Sin embargo, si no has recibido una exención en su residencia actual—o si ha cambiado de domicilio tendrá que solicitar una exención para 2003. Si Ud. cumplirá los 65 años durante este año, tiene hasta un año de esa fecha para solicitar una nueva exención. Y si cumplió los 65 años o resultó incapacitado en 2002, tendrá que solicitar las exenciones adicionales.

### ¿Donde y cuando debo solicitar mis exenciones?

Su solicitud debe llegar en su oficina local del distrito de valoraciones antes del día 30 de abril. Si necesita más tiempo, favor de ponerse en contacto con nosotros antes:

## A variety of homestead exemptions could lower your property taxes!

A homestead exemption lowers the property taxes on your home by lowering its taxable value. If your home is valued at \$50,000 and you receive a \$15,000 homestead exemption, your home will be taxed as if it were worth \$35,000.

### Who qualifies for an exemption?

Anyone who owned a home on January 1 (and used it as a primary residence on that date) is entitled to a \$15,000 homestead exemption to lower school taxes this year...and it doesn't matter if your home is a house, condominium or mobile home. (Counties, cities and special taxing districts may also offer homestead exemptions.)

### Are there other exemptions available?

If you're *disabled*—or if you're 65 years old or older—you are entitled to an *additional \$10,000 school tax exemption* on your home. And if you qualify for the over-65 exemption, you're also entitled to a permanent, locked-in "ceiling" on the school property taxes on your home. (The ceiling does not apply to county or city property taxes, and those entities may offer other exemptions.) The over-65 homeowner's exemptions and school tax ceiling transfers to the surviving spouse, if the spouse is 55 years of age or older at the time of death and lives in and owns the home. Over-65 homeowners also may transfer the percentage of school tax paid, based on their former home's over-65 school tax ceiling, to a new home.

### Do I have to apply each year?

No. If you had a homestead exemption on your home in 2002, you won't need to reapply for 2003 unless your chief appraiser requires it. However, if you haven't received an exemption on your present home—or if you've moved to a new home—you'll need to file for an exemption for 2003. If you are 65 this year, you may file for the over-65 exemption up to one year after the date you turned 65. And if you became *disabled* during 2002, you need to file for the disabled person's exemption.

### When and where should I file?

File applications by *April 30* at your appraisal district office. If you need more time, contact us at:

# JV baseball team rallies to beat Slaton

By DELTON WILHITE  
Journal sportswriter

The junior varsity Mules trailed Slaton 11-4 Saturday afternoon on their home field and only had three outs remaining to catch the Tigers. The Mules sent 11 batters to the plate in the bottom of the seventh and scored eight runs to defeat the Tigers 12-11.

Cody Clark led off the Mules' final at bat with a walk and moved to second on a base hit by Pedro Bustillos. Rudy Gonzales

had relieved J.C. Orozco to start the seventh inning and slapped a single to left to load the bases with Mules.

Garrett Behrends poked a base hit to left to score Clark and Lorenzo Nuñez tapped a base hit to left to get Bustillos across the plate. Landon Wilson received a free pass on balls and forced Gonzales home for the Mules' third run.

Derek Purdy smashed a hit to the center field fence that scored Behrends and Nuñez. Purdy had to

scramble back to first to prevent an out because he failed to touch first base. Fredrico Arzola reached first on an error to reload the bases for the Mules.

Logan Caddell lofted a dying quail to center to score Wilson and Clark's second walk of the inning forced in Purdy to tie the game at 11. Bustillos took a full swing but only got enough of the ball to send a slow roller to the pitcher.

Purdy left third on the crack of the bat and crossed

the plate before the Tiger pitcher could field the ball. The Mules had rallied from being down 11-4 in a single inning with out making an out.

The young Mules traveled to Dimmitt on Monday for their second district contest and host the Cubs of Brownfield at 11 a.m. on Saturday March 29.

Our hearts are saddened by the loss of a wonderful husband and a beloved father and grandfather. He is greatly missed. Our hearts are also full of gratitude and appreciation for the outpouring of love and support shown our family by the entire community. We wish to thank all of you for responding with beautiful flowers, wonderful food, phone calls, cards and those who came to visit our family. Your response of kindness and love has helped our family, in so many ways, deal with such a great loss. With hearts full of love and gratitude, we thank all of you.

# Reynolds speaks to peers

A local florist, Rebecca Reynolds of Decorators Floral & Gifts, was one of three designers presenting "Thinking Outside The Box—A New Approach To Design" on March 16 at the Clarion Hotel in Amarillo.

Reynolds presented her program to an audience of approximately 65 florists from Texas, New Mexico, Oklahoma and Kansas.

Reynolds qualified for this honor by receiving a full scholarship from the Teleflora New Mexico West Texas Unit Board and last September attending the Hitomi Gilliam American Institute of Floral Design (AIFD) "Creative Edge - Design Influences from the East" class at the Teleflora Education Center in Oklahoma City. The object of the classes was to learn to show a more artistic approach to floral designs. Reynolds caught on quickly.

## Freedom and Hope Are Gifts Straight from God's Hand

A friend just confessed that, particularly since the beginning of the war with Iraq (actually, it's the war with Saddam Hussein; we have no quarrel with the Iraqi people, just with their pig of a malignant misleader), he's become something of a Fox News junkie. Well, I confess, me too! Since the war began a few days ago, if I've been home and in control of the remote, chances are pretty good the television has been tuned to Fox News. My wife is as interested in the outcome of the war as I am, but she is pretty willing pretty quickly to watch something else. Too much war news is, to

tively support them in this new resolve. As you can tell, I'm firmly convinced that Bush & Blair & company are exactly right and the time for diplomatic talk with Saddam Hussein has long since past.

Basically, you see, Saddam is just a bully, a particularly loathsome and dangerous bully, but a bully nonetheless. Bullies are all alike, whatever their age or scope, whether you find them strong-arming the weak for lunch money on the grade school playground or terrorizing the weak and innocent on the world scene. Talking with bullies is just whistling in the wind and wasting time. It simply gives them time to catch their breath and build up strength for their next assault on the weak. And it proves conclusively to them that you are among the weak.

Action. Action that is taken decisively from a position of real strength is the only thing bullies understand. The world had listened to itself talk long enough. (For my part, I've heard all I want from France's gutless and guileful president. And who'd have thought that Confederate Hens singing through their noses would still be able to open their mouths wide enough to get into that much trouble? Go figure.)

But I'm so glad to hear the news from Basra. When people begin to wake up from what they thought was an eternally hopeless nightmare, when they're willing to risk striking a blow for freedom and even in small ways begin to defy tyrants and tormentors, they do it for one reason: they are beginning again to feel some hope.

Thank God for hope! Thank God for freedom! Both are gifts straight from God's hand.

Just before I went to lunch today, I ran by the house for a moment, flipped on the TV, and heard the same news that others of my lunch friends later mentioned. News reports were arriving that in Basra, Iraq's second largest city, Shiite people were beginning to take up arms in insurrection against Saddam Hussein's Baath party and its leaders.  TERRIFIED BY THE THOUGHT THAT ABRAM'S GOD HAS STRUCK HIM WITH A PLAGUE BECAUSE HE TOOK SARAI AWAY FROM ABRAM AND BROUGHT HER TO HIS COURT, PHARAOH HAS SENT FOR ABRAM, NOW....

I MIGHT HAVE MADE HER MY WIFE AND BEEN DESTROYED BY YOUR GOD!

..PHARAOH SPEAKS WITH GREAT BITTERNESS...

BEHOLD THY WIFE! TAKE HER AND LEAVE MY LAND!

WITH GREAT RELIEF, ABRAM AND SARAI LEAVE PHARAOH'S PALACE....

...AND STRAIGHTWAY LEAVE EGYPT! AND ALL THE PRECIOUS GIFTS THAT PHARAOH GAVE TO ABRAM GO WITH HIM—FOR THE RULER OF EGYPT REFUSES TO TAKE THEM BACK! College scouts from several universities are invited to attend

## FINE ARTS BOOSTERS

The MHS Fine Arts Boosters in partnership with United Supermarket will host the Round-Up! For The Fine Arts. The Round-Up will coincide with the MHS Fine Arts Night To Shine festivities during the final week of March. The Round-Up! is a promotion by the Fine Arts Boosters to raise money for 2003-04.

The Round-Up! For The Fine Arts is taking place from March 24-April 12 at United Supermarket in Muleshoe. When a customer purchases groceries and receives their final bill, the customer is being asked to tell the cashier they would like to "round up" for the fine arts.

For example, a customer who purchases groceries for \$6.25 can round up their total bill to \$7. The extra 75 cents will be donated to fine arts students courtesy of United. The customer may also choose to contribute additional cash. The cashier will accept any amount of donation from the customer.

This year the Night To Shine is taking place on March 31. Doors will open at 5:30 p.m. and events will begin at 6 p.m. Expected performances and events include the MHS and WJH bands and choirs, the One Act Play, the Ballet Folklorico and the silent auction. Some events will take place in the Kerry Moore Auditorium while others will be in the high school cafeteria.

The Fine Arts Boosters are asking local businesses and individuals to donate items for the silent auction portion of the Night To Shine. Items may include services, products or gift certificates for those items. Those interested in donating items are asked to contact Gil Baca at 272-7732.

The Boosters are an all-volunteer organization of parents, teachers and active citizens in the Muleshoe. All proceeds collected from this and other Booster events are donated to the fine arts at MHS and WJH.

Activities supported by the Boosters are the MHS and WJH bands, choir, speech, art and drama clubs. Approximately 375 Muleshoe ISD students are directly impacted each year by efforts of the Booster club.

### To All the Good People of Muleshoe

I would like to express my gratitude for all of the support put forth toward myself and my family during the hardest time in our lives, over the loss of my wife and my children's mother, Delores "Lola" C. Ontiveroz.

The only things that have helped us through this are God and all of you wonderful people that were willing to sacrifice your time, money, food or just your fellowship. It really feels good to know that we're among such sharing, caring and loving human beings.

I cannot find the words to thank all of you enough. May God bless each and every one of you in a very special way. Many, many thanks from myself, Alvaro Sr., Felisha, Alvaro Jr. and Juanito. Thanks for being there for all of us.

\*\*\*\*\*

Con estas palabras quiero expresar mi gratitud por supportarnos a mi y a mi familia en un tiempo mas duro doloroso en nuestras vidas. Sobre la muerte de mi esposa y la madre de mis hijos, Delores "Lola" C. Ontiveroz.

Las unicas cosas que nos ha ayudado grandemente para pasar por todo esto es Dios y todos ustedes. Tuvieron corazon para sacrificar su tiempo, dinero, comida, o nomas el companerismo. Nos sentimos muy bien y muy orgullosos que estamos sobre buenos humanos que saben compartir y saben querer sus amigos y a sus vecinos.

No puedo encontrar suficientes palabras para darles bastante gracias. Que Dios los bendiga a cada uno de ustedes en un modo muy especial. Muchisimas Gracias de parte de mi, Alvaro Sr., Felisha, Alvaro Jr. y Juanito. Gracias por estar ahi por todos nosotros, de parte de todos nosotros.
