FDR Expected to Accept Nomination

British Acts In China Are Said Forced

Churchill Admits European War Is Compelling Force

By The Associated Press

With German bombs falling only 30 miles away, Prime Minister Churchill told the house of commons in London today that Britain's own "life and death struggle" compelled yielding to Japanese demands for closing the Burma road life-line of supplies to China.

The Prime Minister simultaneously offered the empire's services as a peace-maker to end the 3-year-old Chinese-Japanese war.

Churchill also said the projected mass exodus of British children to the United States and the Dominions was "most undesirable."

Critical as Britain's days are, he said he did not believe the military situation required "a movement of such dimensions."

Nazi warplanes explosively shattered a one-day lull in bombing assaults on the British isles today, subjected the kingdom to machine-gun attacks on villages, dive-bombing blasts at steamers and widespread raids from Wales to the English Channel.

The German high command reported attacks on the big military camp at Aldershot—England's "Plattsburg," about 30 miles southwest of London—and on airports, factories and harbors in south and central England.

The extent of the toll was not immediately disclosed, except for a brief British air ministry communique saying there were "some casualties, a few of which were fatal."

Bad weather in the previous 24 hours had sharply curtailed both British and German air raiders, who have lashed at each other almost continuously since the "battle of Britain" began June 18.

Six Nazi Stuka dive-bombers stormed down on channel steamers in a morning attack, but an eyewitness said the ships apparently escaped harm. One of the raiders was believed shot down.

The fury of the German onslaught stirred speculation whether it signaled the opening phase of a mass invasion by 600,000 Nazi troops, which a French newspaper, Le Petit Dauphinois, said earlier this week might come Friday.

Three victims were killed and several wounded in a bomb raid on Britain's great Mediterranean stronghold of Gibraltar early this morning.—The first casualties there of the war.

The raid followed close on a fiery speech by Spain's Generalissimo Francisco Franco that Gibraltar must become Spanish once more and that Spain has 2,000,000 soldiers ready to face anyone and to support Spain's rights.

On the political front, Britons expressed satisfaction in the nomination of President Roosevelt as the democratic party's candidate for a third term.

The London Daily Telegram, for example, declared: "Whatever the outcome of the November election, the president of the United States will be a vigorous leader who realizes that the liberties of the world are threatened, and that we are fighting their battle, and desires to help us by every means x x x."

In the Orient, Japan's new Premier, Koyama, named a nucleus of expansionists, named a nucleus of expansionists to his inner cabinet—including two men who have recently attacked the United States for unwillingness to recognize Japan's "new order" in the Far East.

The 48-year-old prince with totalitarian ideas seated: Yosuke Matsuoka, who marched the Japanese delegation out of the league of nations over the Manchurian policy, as foreign minister. Matsuoka was educated in Oregon (See BRITISH, page 8)

Senator Burke to Bolt Ranks, Ask Votes for Willkie

WASHINGTON, July 18 (AP)—Senator Edward R. Burke (D-Neb) announced here today that he would bolt democratic party ranks and support Wendell L. Willkie, republican, for the presidency.

"The Nebraska democratic senator, defeated by renomination recently, made public a letter to the republican presidential nominee which said:

"As one who feels deeply that in the light of present world conditions it is essential for our country to maintain the two-term limitation on the tenure of office of president, I shall work for your victory at the polls in November."

The senator wrote Willkie that he was "certain that a host" of democrats would support the republican nominee.

Texas Split in Demonstration

When the Roosevelt bandwagon march started with the mention of FDR's name at the Chicago convention Texas was split, literally and figuratively. Holding back to give their votes to favorite son Garner, some Texas delegates objected to the state's standard joining in the demonstration. Bruises and a torn standard resulted before "harmony" was restored to the colorful delegation.

LONDON—Churchill says Britain's own "life and death struggle" forced yielding to Japanese demands for shutting off war supplies to China; offers empire's services as peace-maker to end 3-year-old Chinese-Japanese war; five killed in widespread German air raids; British see continued U. S. aid whether Roosevelt or Willkie wins in November.

GIBRALTAR.—Three killed, others wounded in bomb attack on Britain's rock fortress guarding Mediterranean; raid follows warning to Britain by Generalissimo Franco that Spain intends to regain Gibraltar.

BERLIN.—Nazi warplanes renew bomb blasts at Britain; attack Aldershot, Britain's "Plattsburg," 30 miles from London.

CHICAGO.—International interest centers on third-term nomination of Roosevelt by demomats and adoption of platform planks of non-intervention in foreign wars, strong preparedness, consistent material aid to victims of "ruthless aggressors."

WASHINGTON.—War department contracts for \$25,000,000 smokeless powder plant to triple nation's existing output; Stimson says defense outlook "very dark" without compulsory military service.

TOKYO.—Premier-Designate Prince Fumimaro Konoye announces four-man inner council to guide Japan into totalitarian-like, one-party system and push stronger foreign policy.

Bitter Fight for Senate Seat Said Positive in N. M.

SANTA FE, N. M., July 18 (AP)—Followers of Rep. J. Dempsey and U. S. Senator Dennis Chavez girded today for a finish fight for the democratic nomination for U. S. senator from New Mexico.

Presaging an intense political battle this September, in the state's first direct primary, congressman Dempsey yesterday announced in Chicago his candidacy for the senatorial seat.

"We don't think it is important. And that's all," commented Senator Chavez from a Chicago hotel room where he stood with national committeeman A. T. Hannett, who previously had termed Dempsey's move "a mistake" and predicted his defeat by 8,000 votes.

Both Dempsey and Chavez are in Chicago attending the democratic national convention.

In seeking the senatorial nomination, Dempsey is passing up renomination for a fourth term which even non-supporters agreed he could have gained with scarcely a struggle.

The deviation was attributed partly to a break between Dempsey and Chavez over the Hatch anti-politics act. Dempsey sponsored the bill through the house; Chavez opposed it in the senate, delivering a speech which inferentially criticized Dempsey.

Acceptance by President Roosevelt of Nomination Would Provide the First Test of New Deal

CHICAGO, July 18 (AP)—If President Roosevelt accepts the renomination tendered him by the democratic party, it will provide the first clear-cut test of the third term issue.

Although the subject has been discussed almost continuously since George Washington declined to consider a third term, it never has been submitted directly to electorate.

Theodore Roosevelt, however, was nominated to serve more than eight years in the executive mansion, and Ulysses S. Grant actively sought a third nomination.

"T. R." running as a progressive after bolting the republican convention, was defeated by Woodrow Wilson in the three-sided 1912 campaign, in which William Howard Taft was the regular republican nominee. But Roosevelt had been elected only one term, having succeeded to his first term on William McKinley's death.

Field Cuts May Be Made By Commission

Regulation of Oil Industry Declared Needed by Smith

AUSTIN, July 18 (AP)—Chairman Lon A. Smith of the Texas Railroad Commission indicated today individual field cuts in allowances might be instituted to "keep the oil industry regulated" in the face of a price break in north and central Texas crude.

"There will be no general statewide order of any kind this week," Smith said as he prepared for conferences with commission member Ernest O. Thompson later today and member Jerry Sadler Sunday. Thompson and Sadler are campaigning for the governorship.

Smith stated that commission engineers were "working on" at least one order which would reduce permissible yield in one field from which the Sinclair-Prairie company, which posted a price cut ranging from 4 to 28 cents, takes crude.

The chairman said he had not received an answer to his and Sadler's request of Governor Leo C. Phillips of Oklahoma to call a meeting of the Interstate Oil Compact Commission of which Phillips is chairman. The request suggested the commission study possible needs for further production cuts.

Commission engineers said the field reduction order would be made public late today.

In special orders, the commission exempted two fields from the current seven-day-a-month shutouts and increased allowable production in another.

The pools from which the shut-outs were lifted were the Rotan field in Fisher county and the Eureka Heights field in Harris county. The allowable of the south Esperson Dome field in Liberty county was increased from 847 barrels a day to 1,375.

The commission scheduled a hearing July 26 to take evidence on whether special field rules should be promulgated for the area surrounding America Petroleum Company's B. Goodpasture No. 1 well in section 35, block 15 of the H. & T. C. Railway company survey in Wilbarger county. The area has been designated as the Fargo field.

West Texas Oil

By FRANK GARDNER, Andrews County.

Texas Pacific Coal & Oil Company and Seaboard Oil Corporation No. 1-A Midland Farms Company, wildcat in extreme southeastern Andrews county, produced 25.2-gravity oil at 2,720 feet and is standing after cementing 9 5/8-inch casing at 2,965 feet with 200 sacks. Pipe was set as precaution against possible high gas in the Yates zone. Drilling of cement plug is scheduled to start Saturday morning.

On official potential gauge, Atlantic Refining Company No. 1-23 University, in southwestern Andrews, pumped 171.78 barrels of water in 19 hours and 14.11 barrels of oil in 19 hours and 57 minutes, then was shut in because of having filled storage. Gas-oil ratio is 153-1. The well topped pay at 4,250 feet, is bottomed at 4,470 and was shot with 800 quarts. It is two miles south of a pool opener on University of Texas lands. Location is 660 feet out of the northeast corner of section 23, block 11, University survey. Crane County.

Proving a mile and a half north extension to the Sandhills or Tubb deep Permian pool in western Crane, Gulf Oil Corporation No. 12 W. N. Waddell et al encountered slight increase in oil from 4,410-12 feet and flowed 231 barrels of oil (See OIL NEWS, page 8)

Expect to Accept Nomination Tonight

WASHINGTON, July 18 (AP)—President Roosevelt probably will accept the democratic convention's nomination to a third term in a radio address tonight, but the White House said today he still was reserving a decision until he received official notification of the convention's action.

Stephen Early, presidential secretary, told reporters the notification committee might delay informing the chief executive until such a time as the vice presidential selection also has been made.

Mr. Roosevelt passed up all engagements today to handle office routine while waiting for the notification to come through.

That left him ample time to prepare an address, and radio facilities were ready to carry it tonight.

Texans Figure Prominently in Democratic Convention Actions

By L. T. EASLEY

CHICAGO, July 18 (AP)—Texans figure in the picture here at the democratic national convention as probably no other state group.

Most color of the entire convention proceedings is supplied by the Harding-Simmons University Cowboy band of Abilene. Led by banner bearers—carrying the Texas flag right side up after a mistake detected by observing newspaper readers, the band parades frequently about Chicago streets and in jammed hotel lobbies.

On one occasion the flag bearers, mounted on six beautiful white horses, rode the streets right into the carpet-covered lobby of the hotel where the delegation maintained its own headquarters. Wherever the band went photographers and movie camera men trailed along.

The Hatch act doesn't greatly worry Hillsboro's postmaster Burris Jackson, long active in Texas democratic circles. Outlawed from taking an official part in the convention, Jackson voices opinions through his pretty wife who is a delegate.

Very much in the middle of things on the night Senator Barkley read the statement concerning a third-term nomination was Jackson. Wearing a white suit, he misgled on the speaker's platform with Barkley, Speaker Bankhead and National Committee Chairman Jas. A. Farley. On his lapel was a badge labeling him as an assistant to Farley.

He even grinned and waved from the platform to Senator Hatch (D-NM) author of the law forbidding political activity by federal employees.

A young Texas delegate has participated in nearly all huddles here of Roosevelt strategists, who include Secretary Hopkins and Attorney General Robert Jackson. He is Representative Lyndon B. Johnson of Johnson City, vice chairman of the Texas delegation.

Other Texans much in the midst of influential activities here include: Jesse Jones, federal loan administrator; A. J. Wirtz, undersecretary of interior; Grover Hill, assistant secretary of agriculture; house majority leader Rayburn of Bonham; E. B. Germany, Garner campaign manager; Roy Miller, former mayor of Corpus Christi, a close friend of Garner.

Two Texas newspaper women are included in the state's delegation. They are Mrs. Lee J. Routree, publisher and managing editor of the Bryan Eagle, and Elizabeth Hurley, Lufkin Daily News reporter.

A side show in himself is "Old Whiz," otherwise known as John Stroud, manager of Frying Pan Ranch, Amarillo. Dressed in an old cowboy's garb, walking bowlegged with his glasses on the end of his nose and glapping up at the skyscrapers, he trails along after the Harding-Simmons band.

NAVY SHIPS LAND HERE

Landings at Midland Municipal Airport since Wednesday afternoon's report included: Three navy ships, TDB's, led by M. M. Cloukey from Biggs Field El Paso to Hensley Field, Dallas; an O-47-A, flown by Lieut. Pechulas from Biggs Field to Brooks Field, San Antonio.

TALK SCHEDULED TONIGHT ON AIR

CHICAGO STADIUM, July 18 (AP)—President Roosevelt's acceptance of an unprecedented third-term nomination was all but formally announced today through indirect White House designation of Henry A. Wallace, 51-year-old Iowan, for the vice presidential place on the 1940 democratic ticket.

Delegates trooping to this huge stadium which last night saw history made by democratic delegates who acclaimed Mr. Roosevelt their choice for 12 successive years of White House

service, were eager for the president's formal word. It was not to be long in forthcoming.

Senator Byrnes of South Carolina, chairman of the committee which notified Mr. Roosevelt of his nomination today by telephone, told reporters the president would make known his intention in a telegram.

This telegram, he said, would be read to the assembled delegates after Senator Alben Barkley of Kentucky, the convention chairman, could obtain order in the big hall.

Tonight, it was reported, Mr. Roosevelt himself will address the delegates by radio at 8 p. m. CST. Preceding the president's address, these same authoritative sources said, Mrs. Franklin D. Roosevelt probably would address the convention for five minutes.

Wallace, a former republican, has served in Mr. Roosevelt's cabinet since the beginning of the New Deal in 1932. The decision to choose Wallace to run with the president in a campaign which shatters the 144-year-old two-term tradition became known after both Secretary of State Cordell Hull and Byrnes had refused to be considered.

"Let's see how it turns out first," was all Wallace would say to reporters who greeted the smiling secretary with congratulations on his selection.

Word that "it's Wallace" quickly spread from delegate to delegate, and there were indications that other contenders would withdraw. Senator Harrison (D-Miss) told the Mississippi delegation it was Wallace "on the first ballot" and predicted no one else would even be nominated.

Ignoring Mr. Roosevelt's message that he had no "desire or purpose" to be a candidate for renomination, the boisterous convention session early today had given him 946 13/20 votes to a collective 149 1/15 for four other candidates.

Huff Admits Why He Quit Governor To Join Sadler

WICHITA FALLS, July 18 (AP)—Lee Huff, big blond hillbilly crooner, today revealed why he quit Gov. W. Lee O'Daniel's Hillbillies.

Huff's statement was printed in the Wichita Falls Record-News following Sadler's political political rally here last night.

"I quit because my conscience would not permit me to work for a man who broke his pledge and had no consideration for anyone but himself," statement said.

The newspaper said it was the first time Huff had made a public statement explaining why he left O'Daniel.

Huff's accusations included his employment relations with the governor.

"I worked for Mr. O'Daniel for eight years and he promised me a raise," declared Huff. "He never gave it to me and I began to feel that I might be the next one on the list to get the axe. I have a wife and five children and it is necessary for me to provide for them as well as for myself."

"I am glad to live in a country where a man can work for whom he wants to," continued Huff's statement. "I hope you good people of Texas will understand my position."

Willkie Is Pleased By Nomination of FDR by Democrats

By WILLIAM B. ARDERY, COLORADO SPRINGS, Colo., July 18 (AP)—Wendell L. Willkie received word of President Roosevelt's renomination while watching the light opera "The Bartered Bride" last night and then asserted that the nomination would give the voters their first opportunity "to pass upon the question of a third term."

"I am greatly gratified," Willkie said of Mr. Roosevelt's renomination. "It ought to be a great campaign." He described the president as "the author and ablest advocate" and the "directing force" of the new deal.

"This election" Willkie continued, "the voters themselves will have the opportunity to pass upon the doctrine of indispensability of one man and the sanctity of our two-term tradition."

In recent months Mr. Roosevelt has devoted much of his attention to the international situation. Before war swept over Europe, he made peace appeals to Adolf Hitler five times in one year, twice within 24 hours.

San Angelo's Bond Election Shows Spirit of Progressive Citizens

Going to the polls Tuesday to vote bonds of \$300,000 for improving the municipal airport in order to secure an army aviation school, San Angelo citizens polled 3500-odd ballots, with only 18 against the measure. The overwhelming odds of the vote reflected the progressive spirit of San Angelo citizens which long has made the Concho city an important metropolis in the heart of the Edwards Plateau country.

Midland has many former San Angeloans, as well as pioneers of this section, who have high respect for the progressive neighbors and who extend congratulations for landing this important air base, as well as for voting overwhelmingly the necessary improvements offered the federal government in its defense program.

U. S. Delegation to The Pan-American Conference Leaves

By J. C. STARK.
WASHINGTON, July 18 (AP).—Secretary of State Hull led a United

States delegation southward today for the second inter-American conference since the European war set in motion efforts to insulate this hemisphere against military and economic threats from abroad.

Packed away in diplomatic bags on the train leaving Washington at 2 p. m. CST were preliminary plans for discussions at Havana which officials hoped would carry

The Town Quack

E. G. Bedford, Midland oil man, has four children, sons and daughters, all of them of age and living at distant points. When he writes to them he uses a chain letter system, mailing one letter to all four. He sends the original to the one who wrote to him last and the faintest carbon copy to the one he heard from farthest back. He says its works pretty well, and the faintly typed copy usually gets a quick response.

A close observer of the habits of his acquaintances, Bedford noted that Clarence Scharbauer, with plenty of gasoline in his own hotel garage, hates to have to fill up. The other day Scharbauer ran out of gas and had to walk to one of his ranch house. The oil man pointed out that Clarence, not being tight enough already, went off and had three or four stitches taken in himself recently.

Allen Heard has an odd sort of menagerie. A mother goat took a sucking pig to raise, and it is a common sight around the Heard pens to see the pig nursing at the goats teats. As if this were not oddity enough, one of his milk cows produced twin calves night before

last. Heard's pen is at the first house south of Hughes Tool Company.

Friend Jasper, in the Texas Parade magazine, tells about a trip over in East Texas.

"A fellow told me how they fish over there. He said they cut up chewing tobacco in small squares and threw them in the water. They would sink to the bottom and the catfish would eat them. This necessitated that the fish come up to the top to spit. The fisherman stood by the bank with a club and as they came up, knocked them in the head. He also said that the Trinity river was so muddy that the catfish all swam backward to keep the mud out of their eyes. He asked me if we didn't have some rattlesnakes out in West Texas, and I told him about how, the week before, I had been driving the salt wagon in the pasture when I ran over a rattlesnake. I told him how I noticed that the horses were getting farther apart and saw that the snake had struck the wagon tongue and it had swollen up to about a foot in diameter. I told him, too, about how we raised police rattlesnakes in West Texas—snakes that would sleep at the foot of the bed like a watchdog, and if a thief came into the room, would wrap themselves around the bedpost, then around his leg and put the rattle out and rattle for an officer. As I left him, he looked at me kind of sadly and said, 'Brother, I think you and I are about even. You are probably the biggest liar in West Texas and I guess I do pretty well for East Texas.'"

forward the work of the last conference at Panama and bring more positive action.

The party, including trade, agriculture and monetary experts in addition to state department officials, is due in Miami, Fla., tomorrow afternoon. They will embark there on the overnight boat for Havana, where the conference of foreign ministers opens Sunday.

High on the agenda was the question of new world possessions owned by countries overrun or threatened with invasion by Germany.

Involved in initial exchanges among the 21 American republics were proposals for Pan-American mandates or protectorates over regions whose sovereignty, in the words of the agenda, "is relinquished, lapses, or is materially impaired."

Some plan for preventing direct or indirect use of these regions by the axis powers as military or economic bases was reported to be looked upon favorably by some, if not

all, of the American republics.

Nazi political activities already troubling some of the Latin American governments promised to bring concerted action at Havana, possibly similar to the stricter immigration and alien-control police measures already adopted in the United States.

The ten billion dollar rearmament program of the United States was the big talking point of this country's delegation in efforts to enlist cooperation of other American nations in the common cause of an impregnable hemisphere defense.

American dollars also were behind United States efforts to win full support of the other republics for measures to protect new world economy against the spreading autarchic methods in Europe.

Economic discussions were expected to center on United States financial leadership in some form of control of American exports to which European markets are now closed by the war.

O'Daniel Declares He Will Win Out In First Primary

By The Associated Press
Texas gubernatorial candidates carried their messages to widely-separated sections today with Gov. W. Lee O'Daniel going to Houston to speak just ahead of former Gov. James E. Ferguson.

O'Daniel, terming his opponents "pee wees," forecast that he would win in the first primary.

He told a large crowd at Beaumont last night he would renew his efforts to reduce the state debt and rid Texas of "professional politicians."

O'Daniel speaks tonight at Houston and tomorrow night Ferguson, "shelling the woods" for votes for his wife, Mrs. Miriam A. Ferguson, will follow him there.

Meanwhile Harry Hines is in north Texas, Ernest O. Thompson in south Texas and Jerry Sadler in northwest Texas.

O'Daniel continued his attack on the game, fish and oyster commission, the state public safety commission and the liquor control board.

One heckler asked the governor if he paid his poll tax last year and O'Daniel answered with "I've had folks a lot dumber than you ask the same question."

Sadler, speaking at Wichita Falls last night, termed the governor "the rich man's candidate" and declared the O'Daniel transaction tax proposals would tax "everything except the cackle of hens and the holes in doughnuts."

Hines said at Denton that he would bring the same economy to the governor's office "that I have followed as state highway commissioner."

Thompson, speaking at Victoria, said O'Daniel turned his back on the working people when he tried to force a sales and transaction tax.

EIGHT RUNS IN SECOND INNING GIVE HUBBERS WIN OVER COWBOYS

Second Game of Series Tonight in Lubbock Park

LUBBOCK, July 18 (Special)—The Lubbock Hubbers landed on the combined offerings of pitchers Kanagay and Patrick of the Midland Cowboys for eight runs in the second inning here last night and went on to an 8-4 victory.

Kanagay was blasted out of the box in the second after he had walked three men, given up one hit, a home by Niedziela with one man on, and watched his mates make two errors. Patrick came in and finally extinguished the rally and limited the Hubbers to four hits for the rest of the way but the damage had been done.

The clubs will meet again tonight and tomorrow night before taking off for the all-star game in Amarillo Saturday night.

ARMSTRONG GETS TECHNICAL KO OVER LOU

Texan Collapses After Beating by "Windmill" Negro

NEW YORK, July 18 (AP)—The purses of both Henry Armstrong and Lew Jenkins, fistic rivals in the Polo Grounds last night, were ordered held up by the New York state athletic commission today.

The commission, without explanation summoned Armstrong, Jenkins, Eddie Mead, Armstrong's manager, and Mike Jacobs, promoter, to appear tomorrow.

BY GAYLE TALBOT
NEW YORK, July 18 (AP)—Henry Armstrong isn't the fighting machine he was a year or two ago, but he still is plenty good.

The beating the busy little negro gave lightweight champion Lew Jenkins in a non-title bout under the Polo Grounds lights last night was a masterpiece in brutality. Every move of his brown body was calculated to lead to the climax between the sixth and seventh rounds, when Jenkins slumped senseless.

from his stool. Few of the 23,000 spectators realized what a terrible going-over the slender Texan had received. Some were surprised when he collapsed, when referee Arthur Donovan called Armstrong to ring center to lift his glove.

But in his dressing room, Jenkins still was so dazed it took him some time to realize how his downfall had come. The battered 135 pound king continued to ask whether he had been counted out. It required all the persuasion of his manager, Hymie Caplin, to get him calmed down.

For the first three rounds, Armstrong scarcely laid a glove on his sense, savagely-punching opponent. But for the next three rounds he was poison, and Jenkins' doom clearly was sealed from the first terrific left hook that caught him on his sharp chin and dumped him to the floor.

In all, Jenkins was down six times: Once in the fourth, twice in the fifth and three times in the sixth, when he was so weary he could lash out only spasmodically by instinct. The third time he went down in the sixth he wasn't hit, but simply fell from a right he aimed at Armstrong and missed.

Colts, Wadley's Drub Smith Team

The J. C. Smith junior baseball team, after getting off to a lead in the local league, recently has been on the receiving ends of severe drubbings.

Tuesday the Smiths were hum-

bled by a 21-5 score imposed on them by the Jaycee Colts and yesterday their luck was even worse when they dropped a 28-6 decision to the Addison Wadleys. In yesterday game Bob Vooheris of the winners paced the batting attack on two Smith pitchers with five hits in six trips to the bat.

Fight for Fourth Place in the Texas League Gets Hotter

By The Associated Press
It's the battle for fourth place—that's the big noise in the Texas last night in a Shaughnessy system league today.

Four teams are waging a merry battle for the spot with the Dallas Rebels in command for the nonce.

But between Dallas and seventh-place Tulsa there were only three games and 32 points.

The Rebels blasted Fort Worth in a double-header, 5-4 and 9-3, last night to edge into the first division. Idle Shreveport fell back to fifth place.

The Oklahoma City Redskins beat Tulsa 6-3 to move up into sixth.

San Antonio gained on first place Houston with a 4-3 victory that cut the Buffs' lead to seven and a half games.

Sarazen Wants to Try Again After Team Is Defeated

DETROIT, July 18 (AP)—Gene Sarazen, the little fellow with the big swing, called for a rematch today between his challengers and America's Ryder Cup golf team.

"I'm not ready to admit defeat," was Sarazen's comment after his handpicked squad lost to the cuppers, 7 to 5, in a two-day benefit match which ended yesterday over the tough Oakland Hills course.

"After all," he declared, "the issue was decided by only one match and a bit of luck here and there along the way would have changed the outcome. I'll get together a team next year that will win."

The event netted the Red Cross relief fund an estimated \$16,000.

Sarazen's challengers almost kept the issue in doubt by dividing the eight singles matches after dropping three of the four Scotch foursomes the day before.

Sarazen himself fell an easy mark to Henry Picard, The PGA champion, 8 and 7.

Others of the Ryder team to hang up victories were Ralph Guldahl, Horton Smith and Dick Metz.

Metz tounded Jimmy Demaret, the games leading money winner this year, 5 and 4.

For the challengers the heroes were Billy Burke, Ben Hogan, Ed Oliver and Harry Cooper.

Burke defeated Byron Nelson, 1939 open titleholder, 4 and 2, while Hogan downed Slammin' Sammy Snead, 2 and 1, with a pair of 70's.

Bridge-Breakfast Is Courtesy for Delta Dek Club

Service of fiesta ware and gay marigolds and calendulas for floral appointments made a colorful atmosphere for the bridge-breakfast with which Mrs. Jack Mitchell feted the Delta Dek club at her home, 607 W. Cuthbert, Wednesday morning at 9 o'clock.

Club guests were Miss Christine Holt of Palo Pinto and Mrs. H. B. Spence.

In the morning's bridge games, high score was held by Mrs. Sol Bunnell, second high by Mrs. Mitchell, and bingo prize by Mrs. Zay Kimberlin.

The hostess, who is leaving August 1 for Dallas where she and Mr. Mitchell will make their home, was presented with a farewell gift from the club. She collects pitchers and the gift was, appropriately, a pitcher of Italian pottery.

Members present were: Mmes. Jerald Bartley, Bunnell, Francis Carroll, Kimberlin, John B. Richards, and the hostess.

Six Members Attend Meeting of Club At Attaway Home

Tell-U club met at the home of Mrs. W. G. Attaway, 404 W. Ohio, Wednesday afternoon at 3 o'clock for a stitch-and-chatter session.

Sewing of various kinds and conversation occupied the club hours and at the close of the afternoon, the hostess served refreshments.

Six members were present including: Mmes. R. H. McClain, R. C. Pickle, Jack Roach, G. T. Stafford, R. K. Stewart, and the hostess.

Next week the club will meet with Mrs. G. D. Fuller at her home on Maiden Lane.

Mrs. J. H. Elder Compliments Sister At Luncheon Party

Honoring her sister, Mrs. J. V. Bieler of California, who is her houseguest, Mrs. J. H. Elder was hostess for luncheon at her home, 906 W. Michigan, Wednesday.

Guests were seated at one large table centered with gladiolas and cornflowers for serving of the two-course meal.

After luncheon, the time was spent in conversation and informal "visiting."

The guest list included: The honoree, Mmes. Foy Proctor, Jas. H. Chapple, Chas. Brown, F. C. Cummings, E. H. Barron, and Tom C. Bobo.

Three Are Guests Of Trump-it Club At Morning Party

Three guests were present, in addition to members, when Mrs. Richard D. Myers was hostess to the Trump-it club with a morning bridge at her home, 513 W. Storey, Wednesday at 9 o'clock. The trio included Mrs. W. P. Knight, Mrs. Fred Girdley, and Mrs. D. H. Griffith.

High score in the two tables of bridge played went to Mrs. Knight, while Mrs. Fred Brasted, a club member, held second high.

Cold drinks were served to guests and the following members: Mmes. D. R. Carter, Brasted, C. C. Keith, W. C. King, and the hostess.

Mrs. F. H. Lanham Attends Announcement Tea at Marathon

Mrs. F. H. Lanham attended the tea given at Marathon recently to announce the engagement of her niece, Miss Leona Starr of that city, to Ted Baker of Sanderson.

Miss Starr, daughter of Mrs. Mae Starr, and Mr. Baker will be married in a home wedding on August 10. She completed her second year at the College of Mines in El Paso in May of this year. She is affiliated with Delta Epsilon Beta sorority and is an expert tennis player. She has been the guest of her aunt here.

Mr. Baker is a teacher in the Sanderson schools, is a graduate of Sul Ross college and is working on his master's degree.

Mrs. Lanham was in the receiving line at the tea at which about one hundred people called. Announcement of the betrothal was made on white cards to which silver wedding bells were tied.

O. H. Lamar Honored At Lawn Party at Paul Cole Home

O. H. Lamar, who will attend the convocation of Lions International in Havana this month, was honor guest at a lawn party given by Mr. and Mrs. Paul Cole at their home, 106 W. Louisiana, early this week.

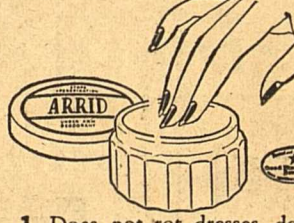

Games of 42 were played for diversion.

The honoree was presented with a shower of handkerchiefs as going-away gifts.

Refreshments were served to: Mmes. and Messrs. J. Wymer Smith, C. H. Brown, H. C. Reynolds, John Goodwin, J. L. Dale, O. H. Lamar, Miss Louise Whitson, Mrs. Tom Carr of Odessa, Wilburn Parker, Leland Aldredge, Joe Shelton, and the host and hostess.

To Make a Long Tale Short

one of our out-of-town friends gave his wife \$1,000 to get a divorce. After she spent all of it for new clothes, she looked so stunning that he offered her another \$1,000 to stick to him. When you see how stunning several of the cars listed below look, you'll wonder why you bought a new one.

SEVERAL STUNNERS:

1937 Chevrolet Master DeLuxe Coupe. Color in Glamour Blue, genuine Duco. Excellent in every respect. Radio, hot water heater; a real buy at our special price.

Down payment \$125

1934 Chevrolet Master DeLuxe Coupe. Will start and stop. Will sell as is for \$75.

1937 Ford Fordor Sedan. A car with only 19,000 miles. This car is immaculate in every detail. Traded in on new Oldsmobile by original owner. You must see and drive this car to truly appreciate it.

Down payment \$135

1937 Buick 2-Door Sedan. Color light green; as near perfect as a used car can be. Driven very little by original owner. Fully equipped. Low mileage, immaculate interior, guaranteed mechanically. Specialty priced.

Down payment \$150

1937 Chevrolet Master DeLuxe Sp. Sedan. Just nicely broken in. This car is not processed. This one came in to us in such nice condition we found very little to do. Original gray finish and mohair upholstery will stand comparison with any new car. Radio, heater. A quality car in splendid shape, combined with low price.

Down payment \$135

Leap Day Year To Have Extra In Dim Future

EVANSTON, Ill. (U.P.) — There's no immediate cause for alarm — but in another 3,163 years there's going to be an extra leap-year day. Dr. Oliver J. Lee Northwestern University astronomer says it's got to be that way because the calendar-makers, from the ancient XIII, were mixed up in their calculations.

Julius Caesar's calendar, in 46 B. C., was the first based on the time the sun takes to make from one equinox around to the same equinox, Lee says. The period was five hours and 48 minutes, longer than 365 days so a leap-year day was added every fourth year.

By the 16th century, the fact that Caesar's calendar was .0078 days too long each year had made a difference in religious observances and seasonal equinoxes, so Pope Gregory ordered a change.

Clavius, the Pope's astronomer, reduced the annual error to .000284 days by eliminating the leap-year day from century years which are not divisible by 400, as in 1900. The Georgian calendar was put in use in 1582.

Computing the error, Dr. Lee estimates a loss of 14 minutes since 1582, and by the same percentage of error the calendar will lose a full day in another 3,163 years.

and California. Lieut.-Gen. Tojo, military aviation expert who once declared "Japan must be prepared to fight China and Russia simultaneously," as minister of war.

And Zengho Yoshida, as minister of navy; to continue the post he held in the fallen government of Premier Admiral Mitushasa Yonai. Other cabinet appointments will be made later.

British underwent further air raids during the night and announced that Italian bombers damaged an unidentified British cruiser last week in the Mediterranean.

The admiral said there were casualties on the cruiser, but her fighting ability was not impaired. Loss of the 1,359-ton cargo ship City of Limerick in an air attack Monday also was announced.

The government announced the night raids caused "some casualties, a few of which were fatal." King George VI visited the bomber section yesterday, but it was not disclosed whether he was there at the time of the raids.

Chile, with whom Spain broke diplomatic relations Tuesday in a sequel to a dispute stemming from shelter given Spanish republicans against Franco's nationalists in the civil war, lashed back by calling Franco's government "usurpers."

Midland Rodeo Personalities

Here's a member of the Midland Fair rodeo committee who, in his middle forties, can do just about any stunt a rodeo contestant is called upon to do. Leonard Proctor, a member of the committee for each of the six shows, made quite a name as a bronc rider while growing up on a ranch. He is a good rider and knows the rodeo game from A to Z although he has preferred to engage in the sport on his own sheep and cattle pastures rather than in the arena. It's a common saying that there are very few good cow ponies now because the owners do most of their riding in automobiles and their cow work in pick-ups. But Leonard Proctor still trains his horses to perform as cowponies should act. In the arena, he keeps the stock cleared and everything out of the way for a fast show. On the committee, his judgment concerning contests, stock and "how to get things done" is worth much to the annual Midland event.

Income Tax Changes Are Told at Rotary

Changes in the federal income tax regulations for 1940, made recently to provide for national defense expenditures, were outlined at the Rotary club today by Daniel H. Griffith, accountant. He traced the history of the internal revenue acts and amendments since the first enactment in 1791. The 1940 act required that returns be made by single persons, or married persons not living with husbands or wives, earning \$800 or more, instead of \$1,000 as before. Married persons with income of \$2,000 or more must file returns, the former having been \$2,500. Rates for the various income scales for individuals, estates and corporations were outlined. Griffith's speech will be published in this paper Sunday. Visitors today included Lawrence Milligan and Malcolm Brenneman. New members introduced were Carl Smith, ice cream manufacturer, former Graham Rotarian, and Raleigh Elliott, soil conservation.

COUPLES HONORED.

Mr. and Mrs. A. L. Henderson and Mr. and Mrs. J. P. Bizzell of Iraan who are moving to Midland with the Ohio Oil company, were entertained in the company recreation hall at Iraan Tuesday night. Games and dancing occupied the evening and gifts were presented to the honorees.

107 BALLOTS CAST

A report from the county clerk's office today indicated that 107 persons have voted absentee ballots to date in the state and county elections that will be held July 27.

IS DISMISSED

David McDonald has been dismissed from a Midland hospital following a tonsil and adenoid operation.

Mexico Determined On Friendship Pact

MEXICO CITY, July 18 (AP)—Mexico's friendship for the United States and determination to resist penetration of undemocratic ideals in this hemisphere were restated authoritatively today. The capital press published a considerable length a speech on three points which under-secretary of foreign affairs Ramon Meteta made yesterday at a luncheon tendered him by senators and deputies in recognition of his efforts to promote friendship between Mexico and the United States.
