## Start Campaign To Pave Highways

### Italian, German Leaders Attempt to Draw Spain Into War

#### For Participation Share of Spoils Promised Franco

German Bombers Are Ambushed Over Dover By British Fighters

By The Associated Press

Adolf Hitler's foreign minister, Joachim Von Ribbentrop, and Premier Mussolini this afternoon had their second conference in as many days in Rome while the Fascist press indicated the discussions concerned a post-war division of Africa with a share for Spain as a price for her entrance into the war.

This report lacked confirmation in official circles, but the Fascist press bluntly wrote of Spain as a potential ally, lending credence to the report.

By this strategy, it was believed the axis powers hoped to gain control of the Mediterranean—probably by storming Gibraltar and thus tighten a blockade stranglehold on the British empire.

Meanwhile, Berlin reported that German raiders were striking hard at London again, bombing facilities of the southern railway in London and other military objectives.

A mass assault of 200 German warplanes ran into a cloud-hidden ambush of RAF fighters over the Dover "hell's corner" coast today.

Reprisals promised— "Don't worry—they'll get it back!" Churchill was quoted as saying grimly when crowds demanded reprisals as he was inspecting bomb-shattered homes in the Battersea area of London.

British Spitfires and Hurricanes—with each plane firing eight machine guns bristling from its wings—swiftly attacked the Nazi aerial armada over Dover and a fierce battle developed high in the skies.

Watchers far below lifted a cheer as a trim-flying formation of RAF defenders came back from the battle, reporting that the German raiders had been scattered and sent racing in disorder toward the French coast.

Near Dover, a German Messerschmitt fighter spun crazily out of the sky, trailing a black plume of smoke, and crashed in the hills.

Rhineland bombed— A British press association reporter said the RAF planes, hidden in the clouds, had been waiting for the big German attacking force and pounced upon it as soon as it reached the French coast headed toward London.

Coincidentally with Churchill's promise, the RAF stepped up the tempo of its assaults on Germany and German-occupied territory, bombing the Rhineland, the strategic Dortmund-Ems Canal, other road and rail communications and Nazi "invasion ports" along the channel.

Watchers at Dover saw great fires raging along the entire coastal area from Calais to Boulogne as the RAF pounded the German bases for two or three hours.

Berlin reported 10 civilians killed in the night attacks, including three at the ancient University city of Heidelberg. Since the start of the war, Nazis said, 600 German civilians have been killed and 1,400 wounded in British air raids on the Reichland.

This figure contrasts with about 3,500 British killed and more than 8,000 wounded.

Annual Outing of Men's Class Sunday— Annual barbecue of the Scharbauer Men's Class will be held at Cloverdale Park, Sunday at 12:30 o'clock.

C. C. Keith, class president, is in general charge of arrangements. McClellan Brothers have donated beef for the barbecue. C. C. Hiett will be in charge of preparation of the meat, with Bob Preston cooking the beans and coffee and Roy Medley heading the serving committee.

All members are invited to attend. Regular meeting of the class will be held Sunday morning at 9:45 o'clock in the Crystal ballroom of Hotel Scharbauer.

#### Roosevelt Upholds American System of Government in Talk

Says Nazism Originated by Allowing Small Percentage of Population to Gain Control Of Nation and Rule According to Desire

PHILADELPHIA, Sept. 20 (AP)— President Roosevelt asserted today the "complete and enduring safety of our form of government" rests in maintaining free elections—added that "no dictator in history has ever dared to run the gauntlet" of such an election.

Yet, he said, in an address climaxing observance of the University of Pennsylvania's 200th anniversary, there were some well meaning persons who had suggested the right to vote be denied people who had lost their jobs and were on relief.

"Only too often in our political history," the president declared, "the few at the top have tried to advise or dictate to the many how they should vote."

"Even today in certain quarters there are, I regret to say, demands for a return of government to the control of those few, who, because of business ability or economic omniscience, are supposed to be just a touch above the average of our citizens."

"The great danger is that once the government falls into the hands of a few elite, curtailment or even abolition of free elections might be adopted as the means of keeping them in power."

"As long as periodic free elections survive, no set of people can permanently control government."

Mr. Roosevelt spoke in Convention Hall, with three radio networks carrying his words to the nation. It was an address which the White House had declined either before or after its delivery to label political or non-political.

The chief executive spoke of current times as a "strange period of relapse in the history of the civilization of the world."

Reciting some of the things the New Deal has sponsored, he added: "These are some of the new instruments of social justice which America has forged to meet the new conditions of industry, agriculture, finance and labor—conditions which had been neglected too long and which were beginning to endanger our internal security."

"These are the means which our own generation have adopted to overcome the threats to economic democracy in our land—threats which in other lands led quickly to political despotism."

A decade ago, he said, Germans were willing to lend an ear to a new cult called "Nazism." He described that cult as a minority group professing extraordinary patriotism and offering bread and shelter and better living conditions to a handful of people boasting of special aptitude for government.

Nothing was said in Germany about abolishing free elections, he said, and many people of large business affairs allied themselves politically and economically with the cult.

"You and I know the subsequent history of Germany," Mr. Roosevelt declared. "The right of free elections and the free choice of heads of government were suddenly wiped out by a new regime, still professing the same purity of purpose."

The president had just received an honorary degree of doctor of laws from the university.

"The very foundation of this university," he said, "was concerned with freedom of religious teaching, and with free learning for the many who could not pay for higher education."

"If democracy is to survive," Mr. Roosevelt declared, "it is the task of men of thought, as well as men of action, to put aside pride and prejudice; and with courage and single-minded devotion—and above all with humility—to find the truth and teach the truth that shall keep men free."

#### Lawyer Is Object of Courtroom Shooting

DALLAS, Sept. 20 (AP)—Garland Armstrong, 39-year-old attorney, suffered a bullet grazed side in a courtroom shooting here today.

Three shots were fired, one of which struck Armstrong.

Julius Weltchek, 38-year-old drug store operator, was charged with assault to murder immediately after the shooting.

Armstrong was attorney for Weltchek's wife in a divorce suit.

#### Crisis Reached In Negotiations Over Indo-China

Time Limit Placed By Japanese for Movement of Troops

HANOI, French Indo-China, Sept. 20 (AP)—With all Japanese civilian nationals removed from this French colonial capital and Japan placing a time limit for settlement of her military demands, negotiations with Japan reached a crisis today if not an actual breakdown.

Major General Issaku Nishihara, head of a Japanese mission which has been trying to work out details of a Vichy-authorized grant of "limited facilities" for Japanese troops and naval forces, terminated his personal negotiations with the French and prepared to leave Hanoi for Haiphong.

"When I leave French territory you may say the crisis has been reached," he said in his final interview with American newspapermen.

He asserted that the Japanese attitude did not threaten the colony's territorial integrity nor French sovereignty, but he said that Japan was convinced the situation demanded a time limit be set for a detailed final settlement.

(At Hongkong official quarters said Japan had given the French until midnight Sunday-Monday to comply with her demands which now include some new, secret clauses.

Nishihara gave his interview before bidding farewell to colonial authorities. Earlier about 100 Japanese civilians left Hanoi on a special train for Haiphong after singing their national anthem on the station platform, under the leadership of Rikuro Suzuki, Japanese consul general.

Suzuki, Nishihara and other officials planned to depart later in the day.

Nishihara denied Japan had presented any new demand causing the negotiations to reach a "delicate state," as asserted by French sources. He said the Japanese attitude was based on a Tokyo-Vichy understanding which provided that French and Japanese on the spot should settle details of the military facilities to be granted to the Japanese in Indo-China for facilitation of operations against the Central Chinese government armies under Generalissimo Chiang Kai-Shek.

Nishihara said the facilities sought included bases for land and air forces.

(Chinese under Generalissimo Chiang Kai-Shek have insisted their army would move into Indo-China if Japanese forces enter. The Chinese expect a prompt "backdoor" attack by the Japanese across the Indo-Chinese border.)

#### 4,000 Soldiers Die As Ship Torpedoed By British Submarine

LONDON, Sept. 20—British admiralty reported today the torpedo sinking of a 10,000-ton German troop transport in a burst of smoke and flames, adding belated support to reports that nearly all of the 4,000 men aboard were lost.

A communiqué said the submarine Sturgeon picked the transport out of a naval and plane escort as it poked into the twilight on the arm of the North Sea off Denmark on Sept. 2 and fired its torpedoes.

The communiqué said the "heavily laden" transport suffered hits and immediately showed "brilliant flashes of flame and a dense column of black smoke."

The date given for the attack coincides with that given by Swedish press reports of the torpedoing of a transport, identified as the Marion, out of Hamburg, in the Kattegat with loss of nearly all of the 4,000 men aboard.

(The German radio subsequently said the report did not "correspond to the facts," asserting there was no German transport named Marion but that the German transport Pioneer, on regular service between Germany and Norway, "suffered some damage when in the Kattegat, but not as result of enemy attack.")

(The German broadcast did not say just what had happened to the transport but added that the crew and soldiers were removed with "a comparatively small loss of life.")

LYNN, Mass. (UP)—Mr. and Mrs. Hugh Patrick moved into a new home here then discovered that their opposite neighbors were Mr. and Mrs. Thomas Hannafoord—their neighbors in Glasgow, Scotland, 20 years ago.

#### Jesse Jones Sworn In

President Roosevelt watches as Jesse Jones, center, is sworn in as new secretary of commerce by Associate Justice of the Supreme Court Stanley Reed at the White House.

#### LATEST NEWS FLASHES

North Texas Fields Exempt From Shutdown. AUSTIN, Sept. 20 (AP)—The Railroad Commission today exempted the KMA and Hull-Silk oil fields, Wichita and Archer Counties, from production holidays and increased the Hull-Silk top well allowable to 40 barrels.

British Bombers Fire Italian Ships. CAIRO, Egypt, Sept. 20 (AP)—The Royal Air Force command announced tonight that its bombers had set three large ships aflame in an attack last night on Italian shipping in Begasi Harbor, Italian Libya.

Liberal Religious Policy Looks for Mexico. MEXICO CITY, Sept. 20 (AP)—Declarations by President-elect Manuel Avila Camacho against Communism and in favor of a more liberal religious policy were viewed today by political circles as indicating a more conservative course in Mexico City.

L. A. Woods Not to Quit Position. AUSTIN, Sept. 20 (AP)—A report here that L. A. Woods, state superintendent of public instruction, might resign to become superintendent of the Dallas city schools brought comment from Woods in O'Donnell that he knew "nothing" about it. Woods, recently renominated as state superintendent in the Democratic primary, added he did not know how "the rumor got about."

#### Candidates on Move as Willkie Talks on West Coast, FDR in East

By The Associated Press

The two presidential candidates were on the move today.

Wendell L. Willkie swung northward through California for a series of brief talks urging his claim to the state's 22 electoral votes.

President Roosevelt was in Philadelphia for an inspection of defense activities and a formal address at the 200th anniversary celebration of the University of Pennsylvania.

Willkie, delivering the second major address of his multi-miled western slumping tour, proposed at Los Angeles last night a four-point program "to turn this country around" from what he called a "totalitarian system." His points were:

"1. The rules under which business is conducted must be clear and must be stable.

"2. Government policies affecting business must be consistent.

"3. Government competition with business must be kept within well defined limits. It must not stop the flow of capital into new productive enterprises.

"4. Business must be given a chance to profit."

In the east, meanwhile, Willkie's candidacy drew democratic attacks. Paul V. McNutt, Federal Security Administrator, told a Baltimore rally that the Republican national ticket represented a "terrifying choice" in "this uncertain world."

He said Willkie daily was demonstrating his "inability to lead his own party."

Claims of a favorable outlook for Willkie's candidacy below the Mason Dixon line were made in Nashville, Tenn., yesterday after a meeting of leaders of Democratic groups supporting him in 10 southern states.

#### Roads North and South From Midland Can Be Completed Without Increasing County's Taxes, C of C Directors Say

Taxpayers Sign Petition to County Commissioners Asking Election Be Called Next Month To Vote \$250,000 Bond Issue for Paving of 31-Mile Road

Steps were taken by Midland Chamber of Commerce directors today to complete Midland County's paved road system within 12 months.

At a special meeting in Hotel Scharbauer the directors endorsed a proposed \$250,000 road bond issue and guaranteed citizens it would not increase their taxes.

A petition was drawn and quickly signed by Clarence Scharbauer, Dr. John B. Thomas, P. J. Mims, Dr. W. E. Ryan, Roy Parks, Bill Collins, J. W. House, Daniel H. Griffith, Fred Wemple, P. A. Nelson, Paul McHargue, J. C. Smith and others.

Addressed to county commissioners, the petition asks that a special election be called as soon as possible, probably next month, for submission of the bond issue to the voters. Only 50 signatures are required to the petition, but business and professional leaders hope to have 100 to 150 names on the document by night fall. It will be placed in the Chamber of Commerce office for taxpayers to sign.

Commissioners Meet Monday—The road boosters plan to take the petition before county commissioners Monday and they will be asked to call the election immediately, arrange for proper notices and set the date.

All agreed there would be no increase in Midland County taxes as a result of the project. County Judge Elliott Barron said the work would be done by the federal government, the State of Texas and the Texas and Pacific railway.

The proposed high-d-surfaced road will run from the out-of-the-county line on the south to the Martin County line on the north. It has already been designated a state highway by the state highway department.

"Our greatest need today is a complete water system. Wemple, a member of the chamber's highway committee, told the directors. "We now have a chance to get it completed within 12 months and let's get busy."

All directors were interested immediately and, then, Wemple suggested the plan to petition for the bond election and explained the roads could be had without increasing taxes one cent.

Will Get Underpass Also— Judge Barron discussed the proper procedure in the matter and said the proposal also would provide for an underpass under the Texas & Pacific Railway in Midland, probably along Big Spring Street.

Counties north and south of Midland will be urged by the Chamber of Commerce to take similar steps to complete the proposed highway from Rankin on the south to Lamesa on the north.

Judge Barron and Wemple explained that the federal and state government and the railway would handle all the construction work. The railway will be required to pay a share of the cost of the underpass.

Paul McHargue made the motion favoring the highway bond proposal and it was quickly seconded by Dr. Thomas. The vote was unanimous. The petition provides that the bonds draw not more than three percent interest and that 31-miles of road and the underpass be built.

#### Married Men Are Said Subject to Draft for Service

WASHINGTON, Sept. 20 (AP)— Reversing a previous opinion, selective service officials stated today that married men would not be deferred automatically as a class from compulsory training.

While it was expected that most fathers and husbands would be deferred, the deferment decisions must be made by local draft boards on the merits of each individual case, they said.

Draft selection regulations as originally planned would have instructed local boards, in view of the small number of men needed, to defer all married men.

However, it was found such regulations would conflict with the law, which requires that each case be decided on its merits, with the final decision resting with the local board unless appeal.

The question of dependency will not be assumed, and the boards have wide latitude in determining whether wives, relatives or wards actually are dependent upon the earned income of a man claiming deferment.

#### Chamber of Commerce Completes Plans for Membership Campaign

Midland Chamber of Commerce directors at a special meeting today made plans for its annual membership campaign, October 9 and 10.

Clarence Scharbauer, chairman of the membership committee, said he wanted the drive completed in one day. Each director of the chamber of commerce will select his partner for the campaign.

The chamber is anxious to increase its annual budget from \$8,000 to at least \$10,000 and the directors will urge all members to increase subscriptions.

Workers will be grouped into two camps for competition during the campaign and the losers will entertain the winners at a banquet.

#### Citizens Urged to Use Little Water

Midland residents were urged today to use sparingly of water from midnight tonight until noon tomorrow because of improvements being made upon the system by officials.

#### Young Actor in GWTW Visits Here

A movie actor at the age of nine days—that is the boast of young Stanley J. Stensrud, grandson of Mr. and Mrs. Jack Morehouse of this city, Stanley is visiting in the home city of his grandparents and enjoying West Texas in general and Midland in particular.

Stanley, son of Mr. and Mrs. J. Stensrud of Los Angeles, Cal., portrayed the part of the baby Bonnie Blue Butler in the picture "Gone With the Wind" which played in this city several months ago. Mrs. Stensrud said that her child was chosen from several other babies at the hospital where he was born. The child was taken to the studio for one day, where he was photographed for three scenes.

Mrs. Stensrud said that babies appearing in motion pictures are well taken care of—a nurse is in constant attendance and physical examinations are given before and after each scene is taken. In addition to this, the baby may stay under the brilliant light no longer than 30 seconds at one time.

#### Astronomy Student, 81

CHESTER, S. C. (UP)—A student at Winthrop College for Women this summer was Mrs. J. Glenn With the studied astronomy. Mrs. Glenn is 81 years old and the mother of a federal judge.

Be Prepared

It is significant that the United States has taken for a slogan the watchword of the Boy Scouts of America for over thirty years—"BE PREPARED."  
The founders of this great movement felt that each boy should be prepared personally as a citizen of the greatest country in the world. Through civic service, the "Good Turn" and through numerous types of training in both mental and physical skills, Boy Scouts are prepared to meet whatever emergency life may bring to them. Whether it be the relief of flood sufferers, the splinting of a broken bone, or the ability to look after himself in times of stress, the Boy Scout will not be found lacking.

The Menace of the Meek

Without pretending to any deep knowledge of Japan's internal politics, one may reasonably wonder whether that government has done itself any good in arresting Toyohiko Kagawa.  
Kagawa is a Christian leader and social worker, educated at Princeton, who has devoted his life to the poor and down-trodden of his native land. Kagawa, converted to Christianity, took Christianity seriously, and set about leading a life as nearly like that of his Master as he could. He moved into the filthiest slum of Kobe; he lived among the lowest of the low, and tried to help them. He almost lost his sight from an eye disease contracted there. He had nothing, asked nothing but the love of the people he had helped. They gave it to him, recognizing a saintly man and a brother.

Mountain Climber Said Taken by Carol

BUCHAREST, Sept. 20 (AP)—Rumanian government officials said today that three wooden crates containing more than \$1,000,000 worth of gold left the country on abdicated King Carol's special train.  
The gold was said to be in coins minted last spring to commemorate the 10th anniversary of Carol's reign but never issued. These informants said the National Bank was considering the question of who holds title to the gold.

Rocky Mountain National Park, Colo., Sept. 20 (AP)—A 75-foot fall from a rock cliff high on the Twin Sisters peak near Estes Park caused the death of Hoyt F. White, 33-year-old County Attorney at Yates Center, Kas.

The battered body of the Kansan, who had been missing since Sept. 5, was found yesterday by Major W. Whitaker, 19-year-old CCC enrollee from Guthrie, Okla.

SERIAL STORY This Could Be Your Story

BY MARGUERITE GAHAGAN

YESTERDAY: Vera's laughing comment that she is interested only in one man puzzles Sue Mary. Nick insists he is in love with Sue Mary, predicts their future in a changing world. Sue Mary is happy, remembering his words. Suddenly she senses something is wrong. Kitty tells her a valuable paper has been lost.

VERA EXPLAINS THE LOSS Chapter XI  
SUE MARY nodded, suddenly tense at the importance of the news Kitty had.

"Of course I know all that. After all, we've seen how the papers in the vault have been guarded, and we've seen these men coming and going—the ones that look like movie G-men."  
"Then listen to this. A file has been stolen or lost, or mislaid. Personally, I think Miss Grant put it in such a safe place that we can't find it. Today's her day off, and they've been hunting all over town for her."  
"Meanwhile, though, you'd think we're all Fifth Columnists. More strange men have been dashing in and out of old Ross Clark's office, and he's had everything gone over with a fine-tooth comb."  
"But what do you suppose the file was? I mean, why was it so important?"  
"Good heavens, how should I know? Half the time I can't make head nor tail out of the stuff I'm typing. But I suppose when it's all put together it does mean something. They called me in and asked me if I'd typed some pages about a new gasoline order. Does that mean anything to you?"  
Sue Mary shook her head. "No—but I think Miss Grant asked Vera to type some such thing yesterday. I know Vera was almost ready to go home when Miss Grant came out and told her to do something. I heard her mention gasoline."

Boy Scout Drive To Begin Tuesday Morning

The annual drive for Boy Scout funds will begin with a kick-off breakfast at Hotel Scharbauer at 7 o'clock Tuesday morning. Free shaves will be given all members of the team which has all its members present first.  
All workers in the drive will attend the breakfast. In addition, T. P. Johnson, council finance chairman, Charles E. Paxton, council president, and S. P. Gaskin, scout executive, all of Sweetwater, will attend.  
Johnson recently took over the finance chairmanship. He succeeded Aubrey Legg, former Midland resident, who was transferred to Costa Rica.  
Midland men who will work in the drive next night in the Scout Hall and discussed plans.  
The Midland finance chairman, George Abell, reported a fine response to his requests for assistance on the drive. Local scouters have set a goal of \$2250.00 for the year's drive.

"Vera—" Kitty's well-defined red lips tightened. "She's supposed to be so efficient, but I notice she always has time to drop her work when young Ross Clark comes in. He was here last night, after you left, and she inveigled him into conversation two minutes after he came through the door." Kitty's eyes narrowed and a smile came to her lips.  
"It would be funny if she had that file. If she was so interested in Ross last evening, that she forgot to type that order and it's the one they're all hunting for now. Wouldn't that be just too lovely?"  
"Lovely? No, it certainly wouldn't be lovely." Sue Mary said emphatically. She stared at Kitty, mindful of the girl's disfigurement.  
"Don't be petty. Anyway, you or I could have made the same mistake just as easily. If we didn't know a paper was important, and got it to type just before going home, we might do the same thing and be in the same jam. Furthermore, we don't know if Vera has it at all."

BUT her own words didn't carry conviction. She knew Vera had the paper. Sue Mary was sure of that and the realization left her worried. Vera was new in the office and it wouldn't look well for her to be the cause of all this confusion.  
Sue Mary shrugged her shoulders, though, as Kitty smiled wisely before going back to the office. Vera was the epitome of efficiency, and certainly, if she had unknowingly held on to an important paper, it wasn't a criminal act.  
Back in the office, Sue Mary found an excuse to take some work over to the filing cabinet near Vera's desk. She looked down at the dark-haired girl. During the weeks in which she had come to know Vera at the YP headquarters, had eaten midnight suppers with her, Nick and Natalie, had talked religion, philosophy, politics, war, and social problems, she had come to admire Vera's intelligence, to envy her calm and poise.  
Now she would have to try and help her out of this situation. She hated to be involved in any difficulty at the office, but she couldn't get out from under this.  
"Vera," she said in a low voice. "Mr. Clark is in a terrible state. He's mislaid or lost a paper. They're trying to find Miss Grant to see if she knows where it is. It's something about a gasoline order. Have they questioned you yet?"  
No flicker of expression passed across Vera's face. Her brow was calm, her lips soft and parted in a half-smile. Only the pupils in her dark eyes dilated. Sue Mary felt a little stab of fear, but when Vera's voice answered low and pleasant, she felt a flush of embarrassment pass over her face at her own doubts.  
"Gasoline order? I don't know, Sue Mary. It might be here in this stuff." She rifled some papers on her desk. "Miss Grant gave me a whole pile of work last evening before she left."  
She looked up and smiled. "I suppose Kitty has already told you. I mean that young Ross Clark came in and talked to me. I knew she was watching every move I made. Anyway, he suggested driving me home, but I vetoed that. I did stop to have a drink with him, though. And because I didn't want to keep him waiting around here with Kitty looking like a green-eyed cat, I did push some of this stuff aside for today."  
She stared out the window, lost in pleasant thoughts. "He's rather interesting. As a type, I mean. Of course, he's interested only in himself and his set. Never had a real idea in his life. I suppose—" Her voice trailed off and Sue Mary leaned over and took her by the shoulders.  
"This is serious, Vera. Listen to what I'm saying. This gasoline order has the whole place in an uproar. It's important. Something

OUR COUNTRY

Eleventh of 24 articles on "Our Country," written exclusively for NEA Service and The Reporter-Telegram by the nation's most famous authors.

By Robert Tristram Coffin  
Author of "Captain Abby and Captain John," "Lost Paradise," "Strange Holiness," etc.

THE trouble with us Americans lately is that we have imported too many ideas and fears from Europe.  
We have allowed our intellectuals to bring overseas the words Capital and Labor and the great servitudes behind them and apply them to a universally hard-working people. The Yankee sea captain used to be the sailor who worked hardest of all the crew. The sea captain's wife used to be able to do a big washing and ironing and mending and then put on silks and go to parties in the evening. She was a new kind of lady in civilization.

WHAT we need to do is to recover our old solitude, our old assurance, and great pride. We need to get back to our fathers' belief that any man who works hard and stands up straight and independent and bosses his own soul, no matter what race he comes from, is worth all the machines and kingdoms the theories of statecraft in the world. Faith in hard-working manhood is what we have grown by. If we keep that faith, Democracy will be safe from all the buzzards of Fascism and Nazism and Communism on the face of the earth. For those buzzards feed on carrion, where the people are dead or marked for death. Where people are really alive they are never found.  
Let's be Americans again.  
We know what we mean when we sing from childhood to old age, that song of freedom, "America," says Booth Tarkington in the next article of this series on "Our Country."

Aptitude Tests to Be Given Band Members

Music aptitude tests will be given students in the fifth and sixth grades Monday to determine their eligibility for the beginners band. Director Armstrong announced today that 78 students have already signified their intention to join the organization.  
About sixty per cent of the fourth grade students who took the test made better than average grades and will be allowed to join the band for that grade. All students who took the test will be notified of their grades for their own benefit as well as for their parents' information.  
An exhibit of band instruments will be shown at the band hall in the high school gymnasium next Tuesday night. Students will be present to demonstrate the instruments and Director Armstrong will consult with prospective members upon which instrument the individual would be most likely to succeed. Parents are especially urged to attend this demonstration.  
First rehearsal of the beginners band is slated for Saturday, Sept. 28.

Coaches Called Bulwark

TUSCALOOSA, Ala. (UP)—Dr. John R. McLure of the University of Alabama believes that coaches and teachers are playing a vital part in the national defense program. His reasons are that they mold the citizenship of our country and defend its ideals.  
"The Horse Fair," by Bonheur, is said to be the largest canvas ever executed by a painter of animals.  
Nearly 50 steels and irons, each having a different chemical composition, are included in the stainless steel family.

INTERPRETING THE WAR

By DEWITT MACKENZIE  
Associated Press Staff Writer

They say truly who claim that the desert offers its own defense against intrusion by anyone and the British are taking full advantage of this fact in dealing with Mussolini's invasion of their Egyptian stronghold across the death-sands of the Sahara.

Fascist Marshal Graziani—hard-boiled veteran of desert warfare—has thrust his columns more than 60 miles inside the Egyptian border from Libya along the Mediterranean coast without much opposition from enemy infantry. The wily British have withdrawn their defending forces and let Nature battle for them.

That is an important point to keep in mind in considering the rapidity of the Italian advance. Without detracting from Graziani's achievement it must be said it isn't the result of a victory at arms, but its chief significance is that it represents a really striking feat of endurance.

Plenty of fight the invaders got from the desert, too. They marched across the blistering sands for eight days—150 endless miles—with only about a quart of water per day for each man. The temperature hit 120 degrees (and having done my bit on Africa's deserts I'll swear they're hot). When that failed to halt the march the wind hurled a sand-storm into their blistered faces.  
True, the British have set to bombing the Fascist columns and communications, and shelling them from

the neighboring sea. That is a feature of the defensive strategy which will increase in intensity as the Italian lines of communication lengthen, and it represents a real menace.  
However, the Fascists likely won't encounter infantry opposition until they have plodded another hundred miles from their present headquarters at Sidi Barrani to Matruh. At the latter place is the start of the coastal railway to the great British naval base of Alexandria. The British have an air-base at Matruh and presumably will make a stand there against the Italians.  
One of Graziani's chief objectives naturally is the Suez Canal. Britain's main Imperial artery which lies some 350 miles away across the hot sands. If he can gain control of Egypt and the Suez, he will indeed have rendered golden service to the cause of Mussolini and Hitler, the axis twins. But can he beat the desert and reach the big ditch?  
The worst aspect of this situation for the Italians is that water must be brought by ship from Italy—and the British naval blockade has severed Graziani's sea communications with the homeland. This means, of course, that not only water but other supplies have been cut off, and he will have to wage war with what resources he has at hand unless the axis can find a way to break the blockade.

### HISTORY

Game September 13

MIDLAND 19--YSLETA 0

SATURDAY SEPTEMBER 21  
**COLLEGE GAME**  
 Abilene Christian College vs. North Texas Teachers  
 8:30--LACKEY FIELD--8:30

Coach Bud Taylor brought the Bulldogs over the first hurdle with a victory over Ysleta, 19-0, last Friday. Tonight, the second game of the year will see the clash of two teams who have been bitter rivals for ten seasons. Wink invades Midland to strengthen the narrow margin by which it claims supremacy. In the last ten games between the two teams, Wink has won five, Midland has won four, and the 1929 game, their first, ended with a 6-6 tie.

The rivalry between the Bulldogs and the Wildcats was stimulated by two upsets Midland handed Wink. In 1936 the Wildcats were on a long winning streak. When the Midland game was over they had been defeated 12-7. In 1939 with a record of 20 games and no losses behind them, Wink went into the Midland game the big favorite. The game ended with the greatest upset of the season, the Bulldogs winning 27-12.

Wink has been a stumbling block for victorious Midland teams, too. So the annual clash is always one of fierce rivalry.

We are sure Midland is going to take the Wildcats this time, and even up the ledger on game scores. It will be a swell game, so be at Lackey Field in plenty of time to see it all. Let's show the team we know they are going to clean up that slate. The best backing we can give our team is attendance at the game.

# TWO CHAMPIONSHIP TEAMS TANGLE WHEN ACC AND NTSTC MEET HERE SATURDAY

It will be champion against champion when the Abilene Christian College Wildcats and the Eagles of North Texas State Teachers College meet tomorrow night at 8:30 on Lackey field.

The game will be the first ever played between college teams in Midland. Tickets are on sale at the chamber of commerce office. Reserve seats are \$1.10, seats inside the 20-yard markers are 50 cents each. Student admission is 25 cents. Odessa and Big Spring high school squads have been invited to the game as guests of the Midland band.

The Wildcats last year captured the pennant in the Texas Conference last year and the Eagles took first place in the tough Lone Star Conference. Both are favored to repeat this year.

The two teams met last year in Abilene and the Eagles eked out a 9-0 win in one of the hardest games of the season for either club. James McDaniel, Eagle halfback, took a seven yard pass for the Eagle touchdown and later in the game a field goal was kicked to give the Denton team a victory.

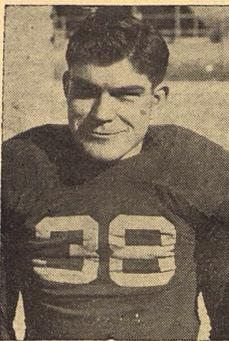

In the Wildcat line will be one of the best known players in the southwest—Red Stromquist. For the past two years he has been selected for an end position on the "Little All-America." This year coach Bugs Morris moved the red-head to center when he found the squad short of capable centers and reports indicate that Stromquist will be as much at home in his new position as he was on the ends.

Prospects for an Eagle win were bolstered during the week when Welby Williams, 155-pound triple threat letterman, and the South's fastest runner in track last season, reported. Olvis Hicks, another halfback who matches stride for stride with Williams in pacing the 100 yards in 9.6 seconds, has reported for the team and will get action during the game. The two speedy backs, aided with passing Johnnie Riola, give the Eagles an offense due to cause a lot of trouble for a lot of teams.

Both teams will start eleven lettermen from last year's championship aggregations in the lineup and experienced men at the other positions.

Probable starting lineups:  
ACC Pos NTSTC  
Byatt LE Corin  
Cochran LT Walker  
Crompust LG Clay  
Crompust C Sheffield  
Covelace RG Nall  
Coyne RT Graham  
Dobson RE Riggs  
Eason LH McDaniel  
Hill RH Howe  
Kensens FB Clayton  
Landers QB Riola

## Eagle, Wildcat Aces

Two of the ace football players of Abilene Christian College and North Texas State Teachers College, who will clash here Saturday night at 8:30, are shown above. In the top photo is shown Tyson Cox, a fourth-year regular in the tackle position for the ACC Wildcats. Weighing around 200 pounds, Cox has been one of the Wildcats' main defense plugs and on defense may be consistently found within the enemy ranks. The bottom photo shows James McDaniel, NTSTC Eagle halfback, who has scored the only Eagle touchdowns in two seasons of play against the Wildcats. By snaring a 10-yard pass in the second quarter of last year's game for a touchdown, McDaniel gave North Texas her first victory over ACC on West Texas soil in ten years. The only other win for the Eagles over the Wildcats on West Texas soil was scored in 1930 when they downed the West Texans 20-12 in Abilene.

## Heads Eagles

Molder of six championship machines in eleven years as football coach at the North Texas State Teachers College, Coach Jack Sisco will be seeking his sixty-second Denton victory when he brings the NTSTC Eagles to Midland Sept. 21 for their annual meeting with the Abilene Christian College Wildcats. In the eleven years Sisco has been head grid mentor at North Texas his charges have won two titles in the old T. I. A. A. league, and four crowns in the newer Lone Star Conference. This past year the Eagles went through their L. S. C. race without a defeat, losing but one non-conference fray—that to S. M. U. As compared to the 61 wins by Eagle elevens under Sisco's tutelage, Green and White squads have lost but 33 contests and tied 10, scoring a total of 1,345 points to 787 for their opponents. Sisco is a graduate of Baylor, where he was formerly an all-Southwest Conference guard one year and tackle the next. In his first season at North Texas, 1929, he gave the Eagles a tie with Southwest Texas Teachers for the T. I. A. A. crown. Other first-place honors won by the Eagles under Sisco were in 1931 (T. I. A. A.), 1932, 1935, 1936, and 1939 (L. S. C.).

## A Man's Life Consists of the Sum of His Thoughts

By R. A. Weaver  
23 Keep thy heart with all diligence: For out of it are the issues of life.  
24 Put away from thee a wayward mouth, And perverse lips put far from thee.  
25 Let thine eyes look right on, And let thine eyelids look straight before thee.  
26 Make level the path of thy feet, And let all the ways be established.  
27 Turn not to the right hand nor to the left: Remove thy foot from evil.

The twenty-third verse of Proverbs 4th chapter declares a truth that has come into prominence among philosophers and psychologists during twentieth century research into the problems of human personality. Today, thoughts are said to be things. The word heart used in the Bible is widely used to denote the will and intellect. In the text it is the Hebrew word *leb*, and is used throughout the Bible in expressing the feelings, the will and intellect and the center of things. Modern language makes use of the words, Ego, Sub-conscious Mind and Soul to denote the same thing. More and more it becomes evident as we study the life of man, that thoughts play a far more important part in living a life than is ordinarily recognized. Abundantly is this fact brought to light in the study of abnormal psychology, and in the discoveries of the psychiatrists. In fact, as a man thinketh in his heart, so is he.

**Issue of the Heart**  
The literal translation of the verse in question may be thus spoken: "Guard thy mind above all guarding, for out of it are the vibrations of life." Should a person be able to see the thoughts that issue from his mind, no doubt he would be very careful in permitting certain thoughts from going forth from within. It is said that angels are able to see our thoughts, and that they possess different colors, according to their elevating character, or their degenerating nature. Thoughts act in two ways. First, they act upon others, and secondly, they react upon ourselves, and, veritably, one is dragged down to the same level of his thoughts. A man is contaminated by his thoughts according to Jesus in this manner: "There is nothing from without a man, that entering into him can defile him; but the things which come out of him, those are they that defile the man. For from within, out of his heart proceed evil thoughts . . . these evil things come from within and defile the man."  
**Guard the Heart**  
How zealously should the Christian guard the thoughts of the heart if they determine the character, or form the status quo of life. For knowledge of God, and communion with Him depend upon this very thing. "Blessed are the pure in heart for they shall see God." Conversely, we may be authorized to say that condemned are the impure in heart, for they shall never see God. The illustration used by Jesus of those who lacked purity of heart was whitened sepulchers full of dead men's bones. Some ancient philosophers have said there is nothing good or bad but thinking makes it so. Others have said, "I myself am Heaven or Hell." But we know that we are what we are by virtue of all we are thinking we have done from the cradle to this very day. That is literally true. That is why it is necessary to guard (Natsar) thy heart above

## "Thrill" Club of Conference Is Seen From Early SMU Workouts

By Felix R. McKnight  
DALLAS, Sept. 20 (AP)—It looks as if Southern Methodist will be the "thrill" ball club of the Southwest this season—a club likely to lose a cascade of touchdowns. Only nine more days and the Methodist, cluttered with truly fine backs, open against University of California at Los Angeles. If the Methodists "go" that evening, they could hurry right along to a top ranking spot in the nation.

Gloomy Matty Bell, who took the Methodist to the Rose Bowl in 1935 and has been rebuilding since, throws screens of doubt around his club, especially at the tackles. But he can't sigh away the potential scoring power of his Methodists.

To begin with, he has Preston Johnson, one of the finest pieces of kicking machinery in the land. His spirals keep the enemy constantly trying to get out of their own territory. Furthermore, he is ball carrier, and a good one.

But Johnson is only one of nine lettermen backs.

There is Ray Malouf, the sidling Assyrian boy from Oklahoma's prairies who runs, passes, kicks and plays fancy defensive football. This boy, a great tackle cutback runner, was off to glory last season but a back injury in the Notre Dame game kept him in a cast five weeks. Suddenly he reappeared and played sensational ball the last two games.

Mention of the Notre Dame game brings up the point of SMU's potential offensive strength. The Methodists are creative and they are life—they will equip one for Heaven or drag one down into Hell. The thinking process is one of the divine gifts which was inherent in man from the time he was made in the image of the Creator. To prostitute this creative and holy prerogative is to sell our God-given birth right and to stoop lower than the animal kingdom. Whatsoever things are lovely, whatsoever things are of good report, if there be any virtue—think on these things, and your thinking will bring you into the image and after the likeness of the Creator.

## Lamesa to Meet Roswell in Game Friday Night

LAMESA, Sept. 20.—Head Coach Poe Corn, of Roswell, New Mexico, high school brings his footballers here tonight, to engage Coach Ted McCollum's Lamesa high school Golden Tornados at 8 o'clock on McCollum field in a non-conference event. The Tornados defeated the Slaton Tigers here last Friday evening, 19-0.

Reports received here show the Roswell eleven to have the edge on Lamesa piskinners by about three pounds per man. Coach Corn's boys are older, too, and have had more experience, with few exceptions. He is bringing a total of 33 men. Advance information shows Malone, left end, 152 pounds; Powers, left tackle, 174; Melendez, left guard, 155; Coleman center, 147; Shaw, right guard, 170; Joyce, right tackle, 196; Wichard, right end, 152; Dennis, right half, 133, the only comparative "little" man on the first string lineup, wearing number 78, the same as worn by Red Grange; English, left half, 144; Breneman, fullback, 160, captain of the New Mexico boys' and Cobean, quarter, 152.

According to McCollum, the Tornados are due to show up much better than in their first game of the season last week. They are in fair condition he reports.

**He Asks to Be Jailed, Declares He's Wanted**  
EL PASO, Tex. (UP)—Police officials experience many erratic incidents in line of duty, but Capt. Gaylord, deputy sheriff in charge of the El Paso county jail, believes he witnessed the most unusual he ever will, recently.

A small, dark man walked up to him in the jail and said, "I give you."

"What for?" the officer asked.

"This," said the man, holding out a newspaper clipping telling of a wife who was stabbed in the neck and whose husband crossed the border into Mexico shortly afterward.

"That's me," the little man said. "Oh . . . well, come right in," Gaylord gasped. "We can fix you up, I guess."

The man was held in jail pending investigation.

## Chamber of Commerce Endorses Town Hall

Chamber of commerce directors at a meeting at Hotel Scharbauer today at noon endorsed Town Hall as a civic project.

The endorsement followed a talk by Paul McHargue explaining the merits of the organization which brings a series of widely-known lecturers here each year, and urging its support by the chamber.

The club's membership drive is now underway and the lecture series for the year will open next Thursday evening at 8 o'clock at the high school auditorium with Hawthorne Daniel, World War veteran and author of more than twenty books, discussing "British Moves to Canada."

In the United States the average height for men is 5 feet 8 inches, or four inches taller than that of the average American woman.

## Sports Roundup

**Eddie Britz**  
NEW YORK, Sept. 20 (AP)—Buck Drensen is managing the crooks while Leo Durocher cools off the doghouse. . . Knute Rockne had to quit the Notre Dame squad one leg still weak from the accident last year. . . Mrs. Helen Hills Moody Roark has been very ill for three weeks with the same back injury that caused her to default to Glen Jacobs a few years back. . . Herman Rohrig, Nebraska back, is a red hot All-American candidate.

**Ken-Stephen**  
The Boston College Eagles who play Tulane in New Orleans next week, are worrying about the heat down there. . . Well, it shouldn't be any tougher on them than on the lane fellers, 20 of whom are from Ky., Ind., and points west.

**Editorium**  
SPRINGFIELD, Mo., home of two pros—Horton Smith and Leon Dodson—has only one public pool course. . . Puerto Rico knows soccer for sports. The basket ball series between Long Island U. and Puerto Rico ended yesterday and tomorrow, Enid, Okla., and Ayama start the semi-pro baseball series. . . Western states of lamazoo Mich., wound up its baseball season by winning a double header, both games no-hitters. . . All this was going on, Bertie appeared was walking 13 guys in one and two-thirds innings for the Wisconsin Rapids team in theconsin State League.

**Little Towns**  
LHO, Nov. (Pop. 5,000) piled in 10 to see the National League legal film, "Play Ball America." . . Marysburg, Minn. (Pop. 10) drew from 200 to 300 to their soft-games. . . and Minter City, Ss. (Pop. 72) sent a team to the final semi-pro baseball tournament.

**Inquiring Reporter of the Stone-Salem (N. C.) Sentinel** went around asking: "What's the most important phase of modern ball?" . . . One guy said: "I'd like the gate receipts."

**Way's Guest Star**  
Nelson Denton, Cincinnati Times-Star, "If umpire Magerkurth went in without being hit the other you can look for him to appear Madison Square Garden this winter."

**Essa Band Will Be Here for Grid Game**  
The Midland and Odessa high school bands will parade through the streets of Midland tomorrow afternoon at 5:30, unofficially boosting the NTSTC football game that starts on Lackey field at 8:30.

The 75-piece Odessa band will lead the game and will present special numbers along with the high school band. There is possibility the ACC band will also lead the game.

### Methodist Beginners Have Picnic at Crier Park

The beginners' classes of the Methodist Sunday School met, at Crier Park, Thursday afternoon from 3 o'clock until 5, for a picnic.

Games, including a greeting game and a balloon game, were played. The children who will be promoted to the primary department on Oct. 1 told of interesting happenings at school, while the younger people discussed fun at home.

After singing the "Glad Song," the children made a tour of the Park. Refreshments were served to: Jerelen Jewell, Billy Jewell, Allen McCree, Billie Jean Ward, Mary Sue Ward, Ricky Robinson, Jennie Linebarger, Jimmy Linebarger, Shirley Pulliam, Marilyn Gilbreth, Mary Frank Smith, Ralph Murphy, Barbara Ruth Whitson, Tommie Vanaman, Deneve Merrell, and three teachers, Mrs. Marvin McCree, Mrs. J. M. Prothro, and Mrs. Ray Gwyn. Teachers stress that visitors and new members are always welcome in the department which meets at the old annex of the Baptist Church, 210 N. Main, during construction of the new Methodist plant.

### FROM FORT WORTH

C. E. Yager of Fort Worth, vice president of Texas Pacific Coal and Oil Company, is here on business.

# Society

### Buffet Supper and 42 Party Entertains Banner Club Group

Banner Sewing Club members and their husbands met at 407 S. Baird street, Thursday evening, for a buffet supper and 42 party.

Large vases of purple butterfly flowers and marigolds were employed in the rooms and the same flowers were used on the supper table.

Punch was poured by Mrs. Leroy Huckabay, assisted by Mrs. J. L. Dale and Mrs. C. H. Brown.

After the meal, games of 42 were played with high score for women going to Mrs. F. W. Holcomb and high score for men to W. L. Gains. Guests for the evening were Mr. and Mrs. M. A. Jarrett and Miss Boerne Kidwell.

Group members present were: Mes. and Messrs. W. L. Gains, J. Wymor Smith, J. L. Dale, H. C. Reynolds, Paul Cole, C. H. Brown, F. W. Holcomb, Leroy Huckabay, Johnny Godwin.

### Tom Kirkham Honored At Farewell Party Given at Theatre

As a surprise farewell courtesy to Tom Kirkham, assistant manager of the Yucca, Ritz, and Rex Theatres, who is being transferred from Midland soon, members of the staffs of the theatres entertained with a party at the Yucca, Thursday night after the shows.

The group gathered backstage where dancing and games were diversion.

Mr. Kirkham was presented with a farewell gift.

Refreshments were served. Present were: The honoree, Mrs. Kirkham, and their son, Jimmie, J. Howard Hodge, manager of the theatres, and Mrs. Hodge, Mr. and Mrs. Milton Kidwell, J. Barnard, Mrs. Archie Estes, Mr. and Mrs. Bill Carson, Bob Preston, Mr. and Mrs. Minter King, Charles Dodson, Eugene James, Miss Mary Frances Cook, Mr. McCrulland, Mr. and Mrs. Gene Washam, Curtis Hancock, Miss Marjory Harwell, Coleman Collier, Lynn Boone, Miss Marguerite Lee, Mr. and Mrs. Huck Moseley.

Ruth Neil Kuykendall, daughter of Mr. and Mrs. L. A. Kuykendall, underwent a tonsillectomy in a Midland hospital today.

### C. P. Tool Company Staff, Guests Have Steak Fry at Park

Staff of the Chicago Pneumatic Tool Company and a few friends were entertained with a steak fry at Cloverdale Park, Thursday evening at 7 o'clock.

A supper of steaks and all the accompaniments was served. Games and conversation featured the remainder of the evening's entertainment.

Present were: Fred Wycoff, district and New Mexico manager of the company, and Mrs. Wycoff, Mr. and Mrs. J. B. Bain, Mr. and Mrs. W. M. Lemon and son, Warren, of Midland, Mr. and Mrs. Jimmie Richardson and daughter, Paula Jean of Hobbs, N. M., Mr. and Mrs. S. R. McKinney, Jr., Mr. and Mrs. Russell Wyssong, Mr. and Mrs. Horace Smith of Odessa, and Mr. and Mrs. Glenn Wycoff of Odessa.

### Midland Woman To Have Part on Program at McCamey

Mrs. Ross Carr of the Midland Council of Church Women will appear on the program at the district meeting of Federated Church Women to be held at McCamey next Wednesday.

She will bring the morning meditation at the all-day meeting which will open at 10 o'clock at the McCamey Methodist Church.

Mrs. E. Cecil Seaman of Amarillo, president of the Council, is expected to be present for the meeting.

Mrs. J. M. Prothro, president of the Midland Council, urges a large attendance of Midland women for the McCamey gathering.

### Coming Events

**FRIDAY**  
Belmont Bible Class will meet with Mrs. Mary E. Mitchell, 1210 S. Big Spring, Friday afternoon at 3:30 o'clock. The lesson will be on the eighteenth chapter of Leviticus.

Women's Golf Association will meet at the Country Club for play Friday morning at 8:30 o'clock. Luncheon will be served at one o'clock. Mrs. John House and Mrs. F. H. Liberty will be hostesses.

Loyal Berean Class of the First Christian Church will sponsor a food sale at Piggly Wiggly, Friday morning at 8:15 o'clock.

**SATURDAY**  
Midland University Club will have its monthly dance in the Crystal ballroom of Hotel Scharbauer, Saturday night from 10 o'clock until 2 Jack York and his orchestra will play.

Story Hour will be held in the children's library at the courthouse Saturday morning at 10 o'clock.

Midland County Museum in the courthouse will be open to the public Saturday afternoon from 2:30 o'clock until 5.

### Mrs. James Day Opens Season for Cactus Club

Mrs. James R. Day, 1605 W. College, was hostess to the Cactus Club in its opening party of the season Wednesday afternoon at 2 o'clock.

Roses were party flowers. Two tables of bridge were played with high score going to Mrs. J. L. Rush and bingo prize to the hostess.

A party plate was served at the conclusion of the games to one guest, Mrs. Jack Bedford, and the following members: Mes. Rush, J. W. Campbell, R. T. Cox, Wallace Ford, Merle Fulton, S. H. Hudkins, and the hostess.

### Don't Let Your "Good Taste" Mean Dullness in Clothes

By Alicia Hart

IN your perfectly praiseworthy desire not to violate good taste in any way, don't become just plain dull looking.

It is a mistake that altogether too many women still make, despite the new love for color and the distinctive pieces of costume jewelry that are capable of giving an air of originality and sophistication to an otherwise ordinary looking outfit.

### Dramatize With Accessories

AVOID this threat of dullness by dramatizing an outfit with contrasting accessories.

Makes your plain, well-fitted black dress unusual by the necklace or clip that you wear with it. Get a heavy piece of jewelry (a bracelet, perhaps) with a "tailored look" and see how much it does for a simple little suit.

Or get your sophistication with your coiffure and a hat that sets it off. If all the rest of your costume is lady-like, you can get by with, in fact, you will need, a hat that is anything but conservative.

### Look Like A Lady With Ideas

DON'T overlook, either, the bright note that is added by a nail polish that is a flashing contrast to the monotone of your fall suit or coat.

Keep this in mind when you are putting an outfit together: You want to look like a lady, yes. But not a dull, unimaginative lady.

You want to look like a lady with ideas—and original ones, at that.

### CLUB TO MEET

Miriam Club will meet this evening at 8 o'clock at the home of Mrs. C. C. Carden, 811 S. Colorado.

### Doctors Compliment Wives at Barbecue Thursday Evening

The Six-County Medical Association entertained wives of members with a barbecue at Cloverdale Park, Thursday evening at 7 o'clock.

After the meal, the evening was spent in playing games and in conversation.

Present were Dr. and Mrs. J. H. Bargainer and Dr. and Mrs. LeMay of Odessa, Dr. and Mrs. G. E. Hall, Dr. and Mrs. G. H. Wood, Dr. and Mrs. Jack Woodall, Dr. and Mrs. P. W. Malone, Dr. and Mrs. Bob Beadles all of Big Spring, Dr. and Mrs. Hogan, Dr. and Mrs. Sanders, and the following from Midland: Dr. and Mrs. W. E. Ryan, Dr. and Mrs. Jas. H. Chapple, Dr. and Mrs. Tom C. Bobo, Dr. and Mrs. L. A. Absher, Dr. and Mrs. Homer B. Johnson, Dr. and Mrs. W. G. Whitehouse, Dr. and Mrs. W. B. Wolford, and Dr. and Mrs. L. W. Leggett.

### Intermediate Pioneer Group Elects Officers

The Intermediate Pioneers of the First Presbyterian Church have elected the following group of officers, it has been announced by Miss Frances Fonville, sponsor: President, Max Allen; vice-president, Leon Byerley; secretary-treasurer, Elsie Nora Scholtes; chairman of the program committee, Clarissa Mann; chairman of the social committee, Betty Green.

The group will have a picnic at Cloverdale Park this evening. Boys and girls are asked to meet at the Presbyterian Church at 4 o'clock.

### BOMB KILLS GENERAL

LONDON, Sept. 20 (AP).—Brig. Gen. William H. U. Smith, 71, and his wife were among six persons killed when a high explosive bomb struck a west end private hotel Monday night.

### Congratulations to:

Mrs. and Mrs. R. S. Elliott on the birth of a daughter in a Midland hospital this morning. The baby weighed 5 pounds one ounce, and has been named Sandra Elizabeth.

### Local Topics

Mrs. Charles Christian of Odessa was a visitor in Midland Thursday.

Mrs. R. T. German was a visitor here yesterday. Mrs. German is from Brownfield.

Mr. and Mrs. Ray Hyatt left Wednesday for Aglington taking their son George Hyatt, J. R. Dublin, and E. J. Ragsdale to enter North Texas Agricultural College there. Mr. and Mrs. Hyatt will remain there for a few days.

Mrs. Tom Elkham and Mrs. W. L. Sutton have as their guests, their parents, Mr. and Mrs. R. D. Hudson, and their brother and sister-in-law, Mr. and Mrs. Wayne L. Hudson, of Austin.

Barney Graña Jr. and Ben Neil of Los Angeles, Calif., who had been his guest on a brief visit, left this morning for Dallas to enter Baylor Medical School where they will be sophomores. The boys are fraternity brothers in Phi Rho Sigma.

### PENALTIES FOR JEWS

BELGRADE, Sept. 20 (AP).—Jewish merchants and firms financed by Jewish capital henceforth will be forbidden to trade in foodstuffs, according to the first of a series of regulations restricting Jewish participation in the economic life of Yugoslavia.

Picture framing; reasonable prices. Rio Grande Paint Store, 122 North Main. (10-18-40)

### Food Rationing Is Imposed on French

VICHY, France, Sept. 20 (AP).—All main food items will be rationed in both the occupied and unoccupied zones of France beginning Sept. 23 under severe new restrictions announced here today.

Henceforth each Frenchman will be allowed the following rations: Meat—300 grams (about 12.7 ounces) a week.  
Cheese—50 grams (about 1.8 ounces) a week.  
Bread—350 grams (about 12.4 ounces) a day.  
Sugar—500 grams (about 17.6 ounces) a month.  
Rice—100 grams (about 3.5 ounces) a month.  
Soap—125 grams (about 4.4 ounces) a month.

A corps of 10,000 agents will be created to make certain the rationing regulations are enforced.

An official statement accompanying the announcement said "the consequences of the war and our defeat appear now in all their tragic reality."

The causes listed for the severe shortage included destruction and deterioration of harvests and livestock in the war zone. Milk production dropped off to an enormous extent "and in certain places aphic fever spread among farm animals. There also was a poor harvest of cereals in the unoccupied zone of France, it was said, and the British blockade prevents imports to take up the slack.

## First Showing Tomorrow

# NEW 1941 CHEVROLET

Eye It..Try It..And You'll Say It's

## "FIRST BECAUSE IT'S FINEST!"

**\* THRILLING NEW BIGNESS**  
IN ALL MAJOR DIMENSIONS—The new Chevrolet is SIZED UP beyond all expectations, both inside and out—made so impressively BIG and beautiful in all ways that it marks a two-year advance in one.

**\* NEW LONGER WHEELBASE**  
A full 3 inches have been added to the wheelbase—making Chevrolet for '41 "the longest car the leader has ever built."

**\* DASHING NEW "ARISTO-STYLE" DESIGN**  
WITH CONCEALED SAFETY-STEPS AT EACH DOOR—Featuring a massive new "Yankee Clipper" grille—swifter, smoother, smarter lines—two-tone colors on all Special De Luxe models.

**\* DE LUXE KNEE-ACTION ON ALL MODELS**  
WITH BALANCED SPRINGING FRONT AND REAR AND IMPROVED SHOCKPROOF STEERING—Bringing you and your family big car comfort, big car roadability, big car safety!

**\* ORIGINAL VACUUM-POWER SHIFTER—AT NO EXTRA COST**  
BUILT AS ONLY CHEVROLET BUILDS IT—80% automatic, requiring only 20% driver effort. Refined and developed to the point where it's recognized as "the world's easiest gearshift."

It's a **SIZE** sensation . . . a **STYLE** sensation . . . a **DRIVE** and **RIDE** sensation ☆ Bigger in all major dimensions both inside and out . . . with 3" longer wheelbase and 3-couple roominess in all sedan models

☆ With dashing new "Aristostyle" design and longer, larger, more luxurious Fisher Bodies that set the new style for the new year ☆ With a mighty 90-h.p. Valve-in-Head "Victory" Engine that lifts performance and lowers costs ☆ It's the new low-price leader by the builder of leaders...CHEVROLET...holder of first place in motor car sales for 9 out of the last 10 years!

Again **CHEVROLET'S** the **LEADER**

**\* LONGER, LARGER, WIDER FISHER BODIES**  
WITH NO DRAFT VENTILATION—With more foot room, more shoulder room, more seating room—with "3-couple roominess" in sedan models—with wider windshields and increased driver vision.

**\* 90-H.P. VALVE-IN-HEAD "VICTORY" ENGINE**  
Bringing you even more power, even more durability—and even greater over-all economy—than the famous Chevrolet engine which last year outperformed all others in its field.

**\* SAFE-T-SPECIAL HYDRAULIC BRAKES**  
Designed to stop quicker with less driver effort—to be completely under driver control—to last longer—and, above all, to be truly equalized, and truly safe at all times.

Plus many more outstanding comfort, safety and convenience features.

Eye It..Try It..Buy It!

**ELDER CHEVROLET CO.**

123 East Wall—Midland, Texas

# MIDLAND, WINK MEET TONIGHT AT EIGHT

## Wildcats Carry Slight Advantage In Weight But Fans Refuse Chance To Make Either a Favorite To Win

Football fans who stay from Lackey Field tonight will stand the chance of missing one of the best games of the year here or anywhere else in West Texas.

The feature attraction at the field will be the Midland Bulldogs against the Wink Wildcats—the outstanding grid show staged in West Texas each year.

There is no favorite for the game. The boys tee off against each other at 8 o'clock with the knowledge that one is rated as high as the other. According to the weights of the starting teams, as announced by the coaches, the Wildcats will carry a negligible three-pound per player advantage.

Coach Bud Taylor will have two of his regulars on the bench when the game starts—Bill Hall and Gordon Bigham—but both will probably see action before the game is over. The two boys are out with sprained ankles. To take care of the handicap, Taylor has moved "Boog" Eidson from a guard position into the backfield. Two lightweight boys, E. Foster and "Smuffy" Ward will man the guard positions.

### Jim Payne Is New President City Bowlers

Jim Payne was elected president of the Midland Bowling Association at its banquet last night. Berte R. Haigh was elected secretary-treasurer. Heads of the three bowling leagues will be vice-presidents of the association.

Eighty-five persons interested in bowling attended the banquet at Hotel Scharbauer where plans were made for the coming season. The organization adopted a proposal for the appointment soon of a tournament and league committee to arrange details of the program.

Bill Collins was toastmaster and the invocation was by the Rev. W. C. Coleman. Bowlers from Big Spring, Odessa, San Antonio and Dallas also attended the meeting. "Women built bowling up to a level surpassing any other sport in America," Miss Billy Simons, San Antonio bowler and owner of bowling alleys, told the banquet.

**Many Women Bowl**  
She discussed "Women in Bowling" and declared it not only one of the best but one of the most popular sports. There are 15,000,000 bowlers in the United States and more than 4,000,000 are women, she asserted.

"An investment in a bowling parlor is a permanent investment. Any recreation which will build up mind and body will build forever," she added.

Haigh explained that the American Bowling Congress means to bowling, one of the oldest of games. He said bowling dates back to about 400 AD and that its growth and popularity has been rapid.

"Everybody can participate in the game," he added. "The ABC is the governing body of bowling in America and keeps ethics high. The ABC is the largest sports organization in the world. It inspects all bowling alleys, their equipment and see to it that they are maintained. It keeps the sport on a plane where everybody can participate. Bowling is a civic institution in Midland."

**Rules Explained**  
Fred Cassidy discussed rules of the bowling association and the ABC. A humorous talk, "Bowling in 10 Easy Lessons in 10 Minutes," by Frank Stubbeman who once saw a news reel of a champion brought many laughs from the bowlers. Stubbeman insisted he was NOT a bowler but that he had seen the movie of a match.

Bill Blevins is retiring president of the city association. Following the banquet exhibition bowling matches were staged at the Planor.

In a mixed-doubles 3-game match, Miss Simons and Harry Hoekendorf of Big Spring defeated Mr. and Mrs. Charles Edwards of Midland 1129 to 1003.

In another mixed-doubles match Mrs. Gordon Byrd of Midland and Payne defeated Mr. and Mrs. Ward Hall of Big Spring 1047 to 999. Midland's five man team defeated a quintet from Big Spring 2640 to 2606.

**PLEDGES FRATERNITY**  
Bill Kimbrough, son of Mr. and Mrs. Duke Kimbrough of Midland, has pledged Phi Kappa Sigma fraternity at the University of Texas, Austin.

### Five Backfield Aces of Midland Bulldogs

Pictured above are the five "regulars" of the Midland High School football team backfield. While only four can play at a time each boy learns assignments for all positions in the backfield and divide time equally. Pictured left to right they are, Ivan Hall, Odie Kelly, Gordon Bigham and Wendell Williams. All will see action tonight against the Wink Wildcats. However, Bigham will not likely play more than a short while because of an ankle injury he received in practice this week.

### Broadcast of SW Games To Be Made By Humble Company

HOUSTON, Sept. 20 (Special)—It was announced today that the Humble Oil & Refining Company will again broadcast football games of Southwest Conference teams during the 1940 season. This year makes the sixth consecutive year in which the Humble Company has brought the games by radio to football fans throughout the state.

Humble has retained a competent staff of announcers to handle play-by-play details of the games. This staff is headed by Kern Tips of Houston, acknowledged to be one of the two or three best football announcers in the United States; and includes Cy Leland, who made the all-America team in his playing days at T. C. U.; Hal Thompson of Dallas; Eddie Dunn formerly of Dallas, now of Chicago; Ves Box of Dallas, and others. Work of the play-by-play men will be supplemented on the broadcasts by special announcers to handle the vivid color which is a feature of every football game. These men, particularly trained in the work, include some of the best known radio personalities of the state.

In order that the broadcasts may be carried to every corner of Texas, the Humble Company will utilize widespread networks of radio stations. The broadcast schedule will include all conference games and many other games to be played by conference teams against outstanding non-conference opponents.

If the disaster outlined here should strike both the leaders, the Yankees still would have to win 8 out of 10 games to tie. Such an outcome is so remote that it might as well be dismissed today and let the dead past bury its dead, including the four-times world champion Yankees.

The Tigers are getting ferocious and have to be considered favorites for the three-game series on their own field this week-end. They massacred the Philadelphia Athletics yesterday 13-2 and 10-1 with a couple of secondary pitchers and had Buck Newson ready to oppose Mel Harder today.

Cleveland was out-hit 8-6 and needed the help of a couple of Washington errors to beat the Senators 3-1 and keep a share of the lead.

Red Ruffing showed some of his old form in spacing seven hits as the Yanks overpowered the White Sox 10-1 with a 14-hit bombardment.

The St. Louis Browns beat the Boston Red Sox 2-1 on Roy Cullenbine's triple with two on.

Paul Derringer finally got his coveted 20th victory as the Cincinnati Reds punctured the Phillies 4-1.

The New York Giants' losing streak was extended to 11 games in a pathetic 8-2 performance against the Chicago Cubs. Claude Passeau coasted to his 19th triumph on eight-hit hurling.

The St. Louis Cardinals swept two from the Pittsburgh Pirates 2-1 and 8-2 to get a virtual strangle hold on third place in the National League.

### New Assistant Coaches of Midland High Teams

Two new assistant coaches to Head Coach Bud Taylor have been engaged for the Midland High School football team this year and started work with the boys on Sept. 1. Pictured above they are, left to right, Julius Johnson, a graduate of North Texas State Teachers' College, and, right, Earl Clark, a graduate of TCU.

### Death Sentence for Two of Murder Gang

NEW YORK, Sept. 20 (AP)—Two former big shots in Brooklyn's kill-for-cash syndicate must pay with their lives for strangling a small-time bookmaker, soaking his body with gasoline and putting a torch to it.

They are Harry (Pittsburgh Phil) Strauss, 33, and Martin (Bugsy) Goldstein, 34, convicted by a jury last night of the "contract" slaying of Irvin Feinstein on Sept. 4, 1939. No date for formal sentencing was set.

### CHEAP CAMPAIGN

DENVER Sept. 20 (AP)—George J. Knapp, defeated for the Democratic nomination for governor, filed this campaign expense account: "Hans bought for church social—none. "Donations, ticket purchases and other rackets—none. "Shoes for volunteer assistants — \$6.50."

Read The Classifieds.

### Thursday's Games

NACOGDOCHES, Sept. 20 (AP)—Stephen F. Austin College rolled over Lon Morris Junior College at Jacksonville 41-9 here last night, gaining 257 yards on the ground and 110 in the air.

CANYON, Sept. 20 (AP)—West Texas State defeated a gallant McMurry College team here last night 20-0 after the Abilene eleven had battled the Buffaloes to a standstill for three quarters.

KILGORE, Sept. 20 (AP)—Kilgore's Junior College Rangers undefeated and unfied last season, are off on another spurt.

The Rangers last night defeated Daniel Baker of Brownwood, 12-0. Mumford and Cosper scoring the touchdowns.

### LAND PLANES HERE

Four scouting land planes arrived at Midland Municipal Airport this morning, en route from Tucson, Ariz., to Hensley Field, Dallas. They were led by Capt. Smoak. A B-10 landed, flown by Lieut. Campbell from Marfa to Fort Sill, Okla.

### Champion Houston Buffs Wait for a Dixie Series Foe

HOUSTON, Sept. 20 (AP)—The Houston Buffs looked toward the Dixie Series today, with the Texas League championship both for the regular season and the Shaughnessy play-off already to their credit.

The Buffs broke a "jinx" yesterday when they defeated Beaumont 3-2 to win the play-off. Three times previously they had tried but failed to get into the finals.

Houston had little trouble this year. First they topped the field for the season by a 16-game margin. Then they swept through the Shaughnessy play-off, dropping but two games out of nine as they beat Oklahoma City, three games to one, and Beaumont, four to one.

Houston will meet the winner of the Southern Association play-off between Nashville and Atlanta in the Dixie series.

### Detroit-Cleveland Series for Pennant Gets Underway Today

By Judson Bailey  
Associated Press Sports Writer

The frantic American League pennant struggle reached a new crisis today as the Cleveland Indians and Detroit Tigers came up to their series with each other in an absolute deadlock—85 games won and 61 lost.

Also for the first time it was possible to say positively that the contest has become a two-club contest with nothing counting but their own mortal combat.

The Chicago White Sox have been mathematically eliminated, not by the standings but by the schedule, and the New York Yankees have been pushed to the very brink for the same reason.

These are the standings today: Club, won, lost, pct., games behind, to play—  
Cleveland ..... 85 61 .582 8  
Detroit ..... 85 61 .582 8  
New York ..... 80 64 .555 4 10  
Chicago ..... 79 67 .541 6 8

Ordinarily club four or six games behind could at least hope for the clubs above to lose all their games. In this case, however, the schedule makes that impossible and he only benefit the Yanks or Sox could get would come from Detroit and Cleveland breaking even against each other.

That would mean three more games lost for each leader. Cleveland still has two games with the St. Louis Browns and Detroit two with Chicago. If the leaders lost both of these, that would leave them in a tie at the finish with 88 games won and 66 lost. The White Sox already have lost 67 and therefore are eliminated.

The St. Louis Browns beat the Boston Red Sox 2-1 on Roy Cullenbine's triple with two on.

Paul Derringer finally got his coveted 20th victory as the Cincinnati Reds punctured the Phillies 4-1.

The New York Giants' losing streak was extended to 11 games in a pathetic 8-2 performance against the Chicago Cubs. Claude Passeau coasted to his 19th triumph on eight-hit hurling.

The St. Louis Cardinals swept two from the Pittsburgh Pirates 2-1 and 8-2 to get a virtual strangle hold on third place in the National League.

##### Cotton

NEW YORK, Sept. 20. (AP) — Cotton futures closed 3 to 7 points higher today.

##### Dealings Sluggish On Today's Markets

By Victor Eubank  
 NEW YORK, Sept. 20. (AP) — Profit taking currents continued to impede the stock market today. While scattered coppers, rails and specialties managed to tack on modest gains, many leaders backed into slightly lower territory.

Dealings were relatively sluggish, transfers being the neighborhood of 400,000.

Several preferred issues, selling in 10-share lots, moved up 2 points or so on small turnovers. Steels, coppers, aircrafts, utilities and rubbers held to a slim route.

War news served to bolster sentiment but failed to promote much bidding.

Expanding business and industry remained as the main bullish influence but even this was offset partially by thoughts of big future corporate earnings being trimmed by taxes.

### CATTLE AUCTION HELD

The Texas Cattle Sales auction held yesterday brought the following prices:  
 Hogs, 16, around \$7.00. Calves, 36, \$6.00 to \$8.00. Steers 14, around \$5.00. Total head sold 98.

M. G. McConal of Wink was the auctioneer.

Attending the auction were: W. M. Bramlett, J. R. Sales, W. M. Blocker, of Stanton, S. G. Mersfelder of Lubbock, A. Lallese of Wink, Fred Oaks of Lamesa, W. W. Fambro of Sweetwater, and A. L. Cooper of Big Springs.

### Committee Studies Excess Profits Tax Law After Deadlock

WASHINGTON, Sept. 20. (AP) — Poles apart on the excess profits tax legislation, House and Senate today turned over to a joint committee the task of compromising their differences.

Leaders conceded the task would be difficult, for by the time the Senate gave the legislation its 46

to 22 approval late yesterday, it had drastically changed the measure from the form in which it passed the House.

Moreover, the Senate tacked on a rider for the purpose of boosting individual income and corporation taxes sharply upward in time of war.

The conferees sought speed because of those sections of the bill requested to defense officials to speed up production of armaments.

Another consideration was that the final action by both houses also would help clear the way for adjournment of Congress by the end

of next week.

One of the major changes made by the Senate was the provision adding a flat 3.1 per cent to normal corporation tax rates, thus increasing the present 20.9 per cent to a 24 per cent levy for corporations earning more than \$25,000 a year.

An equal percentage was added to the rates paid by smaller corporations.

The Senate also revised the method adopted by the House for computing excess profits and for applying the excess profits tax rate. The tax would range from 25 to 50 per cent.

Less at variance were House and Senate provisions for speeding up defense industry.

Both approved suspension of existing profit limitations on government contracts for warships and airplanes.

Both likewise voted to permit corporations to charge off against earnings over a five-year period the cost of manufacturing facilities completed since Jan. 1, to meet the demands of defense contracts.

Two chancels, one above the other, are contained in a church at Compton, Surrey, England.

### German Troops in Norway Practice on Invasion Maneuvers

By The Associated Press

LONDON, Sept. 20 (AP)—English military sources estimated today that "perhaps 200,000" German troops are rehearsing landing exercises along the Norwegian coast.

These sources, however, said they saw no greater threat in these Hitler legions than those gathered ominously near the French and Belgian ports across the English Channel.

But they said they believed the Royal Air Force's "stout resistance to the Luftwaffe's desperate attempts to gain mastery of the air" plus the "proven vulnerability" of the German light tank to the English two-pounder anti-tank gun had upset any plans Hitler might

have had of trying to invade Britain.

"Hitler knows his light tanks are vulnerable to our two pounder" one of these authorities said, "and he has no means of bringing over his heavy tanks."

Although raids on London may continue perhaps for months, these sources said the next "and perhaps the deciding" phase of war may be fought in the Mediterranean.

Germany may try to attack Gibraltar through Spain at the same time that Italy strikes at Egypt in force they said, and the side the French possessions of Tunis and Morocco take may have an important bearing on the outcome.

The German troops in Norway are there for two reasons, these sources believe: 1—to keep the British worried; 2—to occupy the German army.

Unlike other animals, the African ratel is white on top and dark underneath.

### First Photos of London Casualties

The first pictures of London civilian casualties to be passed by British censors and cabled from London to New York. Here police rescue workers remove bodies from wreckage of a bus overturned by a nearby bomb hit. A stretcher awaits the victim.

### Britishers Attack Invasion Practices

By John A. Moroso 3rd.

NEW YORK, Sept. 20 (AP)—Stories of heavy German troop losses resulting from exercises and maneuvers in the English Channel preparatory to an invasion attempt were told today by passengers arriving on the American export liner Exeter.

Almost identical stories were brought by Robert Solberg, vice-president of Armo International Corporation, who left France Aug. 25, after 20 years in Paris, and Carl Ter Weele, a Dutch radio executive, who left the Netherlands Aug. 27.

They agreed that the Dutch and the French were supplying the British with advance information of German exercises on self-propelled barges in the channel and that British bombers had taken a heavy toll.

Solberg said he had definite information the Germans have attempted no actual invasion of England. The channel exercises, he related, consisted of sending troops about two miles out in the channel on self-propelled barges and then turning about to make practice landings on the French coast.

He said the British, tipped off by the Dutch and French, waited for

### Dempsey Carries Election Fight To County Courts

ALBUQUERQUE, N. M., Sept. 20 (AP)—Rep. J. J. Dempsey carried his fight for the Democratic Senatorial nomination into the courts today with suits in four counties charging ballot frauds and irregularities in the state's first primary election.

Dempsey took the legal action simultaneously in Bernalillo (Albuquerque), state's largest county, and in Sandoval, Socorro and Valencia counties, strongholds of his opponent, Senator Dennis Chavez, who is leading in unofficial returns by some 2,500 to 95,000 Democratic votes.

The suits asked temporary writs against county canvassing boards and county clerks to restrain the canvassing of returns, scheduled today, and the certifying of results.

District Judge Eugene Lujan set Saturday in Valencia County and Monday in Socorro to hear arguments.

While the suits were being filed, Senator Chavez entrained for Washington with the declaration that he would demand a Senate investigation of expenditures in the campaign.

### Harvard To Stress Defense

CAMBRIDGE, Mass. (UP)—The Harvard Business School has announced it will offer two new courses this fall in connection with the national defense program. They will be "Industrial Mobilization" and "Economic Problems of National Defense."

The barges with planes and submarines and that "thousands of Germans have been lost in this fashion."

### Japanese Moves in Pacific Watched By U. S. Officials

WASHINGTON, Sept. 20 (AP)—Talk of new American diplomatic moves in the Pacific was in the air today after conferences of high state department officials in connection with Japan's increasing demands upon French Indo-China.

These followed conversations earlier in the week by Secretary Hull, the British ambassador and the Austrian minister.

Speculation rose that the talks might lead to some arrangement for basing part of the United States fleet at Britain's far eastern stronghold at Singapore.

This lacked confirmation, and Secretary Hull asserted that no new suggestions or decisions entered the conversations.

Informed British sources in London today also discussed the Washington conference without, however, publishing details.

It was learned, however, that Secretary Hull and his far eastern advisers were canvassing further possible measures to deter Japan's southward expansion movement and a course of action to adopt if Japanese military forces are allowed to enter French Indo-China.

Tokyo already has been informed officially that any disturbance of the status quo in the Pacific in connection with Indo-China or the Netherlands East Indies would have an unfavorable effect upon American public opinion.

### British Fleet Is Back in Alexandria

ALEXANDRIA, Egypt, Sept. 20 (AP)—Britain's Mediterranean war fleet splashed back into Alexandria harbor today, intact and apparently undamaged after leaving what its officers reported was a broad trail of destruction amid Italian troop concentrations and supply bases along the Egyptian coast.

The warships returned from a broad sweep of 2,500 miles which in three weeks had covered the Aegean, Ionian and eastern Mediterranean seas, the officers reported, without encountering the Italian fleet, or any attempt at bombing by Italian airplanes.

One officer said this demonstrated "our mastery of the sea."

Making a surprise attack on the Italian invaders less than 48 hours after they had advanced to Sidi Barrani and Alamein, the returning British reported they blasted those two places at close range and tore wide gaps in the war machine Marshal Rodolfo Graziani is preparing for a further thrust.

It costs the United States government about \$45,000,000 to take the census.

Piano keys may be kept from turning yellow by exposing them to light daily.

### Injured Man Object Of Search After Store Explosion

DALLAS, Sept. 20 (AP)—Somewhere in Dallas is a badly injured man, victim of an explosion that damaged a drug store in Lakeland terrace, scene of a fight over incorporation.

Sheriff Smoot Schmid searched for the man, who was seen running from the wrecked building with half his clothing blown away.

The explosion occurred late last night and the man, who cried "my God, get me to a hospital," leaped onto the back of an automobile that roared away.

The drug store where the explosion was set off was in a block of brick business buildings owned by T. K. Irwin, one of the leaders in the effort to obtain incorporation.

Irwin recently reported some one fired a shot at him while he was in his office.

"What puzzles us," Schmid said "is why anyone wants to wreck property in this area in view of the fact that the incorporation plan has consistently been voted down."

Schmid said the entire interior of the drug store had apparently been saturated with gasoline. A five gallon can, empty, was inside the front wall of the store. As the fumes from the gasoline drifted to the ceiling it apparently was touched off, Schmid theorized.

Plaster on the ceiling of a beauty shop was shattered and merchandise damaged in the other buildings.

Residents of the section said the man, as he fled, pulled off pieces of his burning clothing and ran up on one front porch, shouted that was shot and dashed away.

Shots rang out but officers said they were fired by one of the res-

idents in an attempt to wake up the neighborhood.

Officers found a torn chunk of human flesh in front of the store.

Sheriff Schmid said doors to the other business houses were found open.

The fleeing man was described as of short stature, barefooted and pantsless.

Parts of some suits of ancient armor often were corrugated like modern steel roofing in order to give them greater strength.
