## Don't Be A "GROPER"

Why grope around in a dark room when a few lamp bulbs to fill empty sockets will give you plenty of light?

Lamp bulbs are cheap. Lay in a supply the next time you visit a store.

Electricity is cheap, too. It costs 10 times as much to light matches in a dark room or closet as to burn a 100-watt light for the same length of time.

The College of Mines team, playing with four regulars out with injuries, lost a 19-0 decision the past weekend to a strong Louisiana Tech machine for the only blot on the Miners' record. The ore diggers hold wins over the burly Flagstaff Arizona Lumberjacks and the North Dakota Bisons.

Hardin-Simmons opened with a win over Daniel Baker, continued Baker by whipping the Centenary Gentlemen, and the past weekend completely stopped the Tempe Arizona team of Dixie Howell in a game played as feature attraction of the Rose Festival at Tyler. The College of Mines and Hardin-Simmons team have met nine times previously with the H-SU Ranch Hands holding the edge with five wins to four for the Muckers. The game here in Odessa on Sat-urday afternoon, Oct. 12, will give Mack Saxon's aggregation a chance to even the score and get back last year's 12-0 loss to Kimbrough's riders administered on the site of the Miners' own claim.

The \$150,000,000 defense housing program likewise moved ahead. The Senate approved a conference com-mittee's report on minor Senate-House differences over the enabling legislation, and the House was expected to follow suit today.

The House approved and dispatched to the Senate a bill vest-ing the courts with broad powers to stay eviction for unpaid rent of dependents of men serving with the armed forces.
