Greek Troops Clash With Albanians

Hull Charges Powers Attempting To Reduce Mankind

Secretary Lists Developments In Crucial Period In Radio Address Before Press Club In Washington

Germany, Italy And Japan Violated Precepts Of Peace With Objective To Seize High Seas, In Presence Of Determined Effort To Conquer

WASHINGTON, Oct. 26.—Secretary Hull described the rulers of Germany, Italy and Japan tonight as "would-be conquerors" engaged in a relentless attempt to reduce mankind to "a master-and-slave relationship among nations and individuals, maintained by brute force."

Speaking before the National Press Club over a nationwide radio hook-up, the secretary of state listed efforts by these nations "to take by force what they said they need or want" as he reviewed what he called "the whirlwind developments of one of the saddest and most crucial decades in the history of mankind—that of the nineteen-thirties."

Violates Principles

"The rulers of these nations," the Secretary continued, "have repudiated and violated in every essential respect the long-accepted principles of peaceful and orderly international relations. "Merciless armed attack; untrained terrorization through slaughter of non-combatant men, women and children; deceit, fraud and guile; forced labor, confiscation of property; imposed starvation and deprivations of every sort—all these are weapons constantly used by the conquerors for the invasion and subjugation of other nations."

Want Sea Control

"The same nations, Hull declared—presumably in reference to Germany's reported efforts to secure the French fleet and Japan's warship building program—have as an objective "the securing of control of the high seas."

"They threaten peaceful nations with the direst consequences if those nations do not remain acquiescent, while the conquerors are seizing the other continents and most of the seven seas of the earth."

Business Looks Ahead To Record National Income

Creation Of Priorities Board Throws Light On Changing Price Problem

By Frank MacMillan

NEW YORK, Oct. 26 (AP).—With industry booming at levels of fabulous 1929, business men this week looked forward to a record \$85,000,000,000 national income in 1941 and laid lines to hold war-purposed prices to reasonable levels.

Creation of a "priorities board" at Washington to assure a steady flow of critical materials to the war plants—if necessary by denying or delaying them to civilian industry—threw into sharp focus the problem of possible runaway prices later on in the defense drive.

Agree On Inflation

Economists have long agreed the basic factors of an upward spiral of prices—some call it inflation—is an increase in the supply of spending money in the hands of the public, combined with a decrease in the supply of things for which the public has to pay.

Thus they watched closely, took precautionary steps, to see that as profits and payrolls which comprise the national income climb toward a probable new high in the history of the country in coming months, prices shall not rise out of proportion.

Prominent was the warning of Tom M. Girdler, Cleveland steel maker, against "speculative buying" in that defense metal.

The business records of the week lent point to calculations of many observers that some time next year, with defense production at flood, and with the country's spending money ahead even of the boom years of the 'twenties, would be the critical point in the fight to hold prices down.

Steel mills operated at about the highest percentage of capacity in history, around 95, with actual amount of steel turned out undoubtedly the greatest on record.

Heavy construction awards — largely for factories which will later add to swelling employment and payrolls—totaling \$127,000,000, nearly 100 per cent ahead of the same period last year.

People To Stores

In retail trade, snappy weather drove people to stores for winter clothing. Sales in steel and heavy industry towns led the pickup.

German combat planes attacked the liner in the waters which Germany has proclaimed as the scene of total blockade, these sources asserted. By forenoon, it was stated, the crew had abandoned the ship and she was foundering.

The British admiralty declined comment.

The German high command made no mention of the Empress of Britain.

Both German and Italian planes raided London overnight in "rolling" attacks, German sources said, and the high command itself reported "numerous hits" on rail and industrial district east of Battersea Park, on the south bank of the Thames in London, where the great Battersea power station is located.

The German resumed the raids today.

Nazi sources said a German bomber in a surprise attack this afternoon had dropped several bombs on a chemical works near Birmingham; that there were resulting explosions and fires, and that factories in a number of British centers were set afire or heavily damaged by explosives.

Girls Put Draft Numbers In Capsules

Lieut. Col. J. V. Okellier, left, and Major Irving Hart supervise the work of inserting numbers into capsules for the national lottery. Eight girls were locked in a room at conscription headquarters and began placing draft registration numbers into capsules for the lottery to be held next Tuesday.

Call Citizens Mass Meeting Wednesday Night To Discuss All Phases Of Proposed New City Charter

A mass meeting of all residents of Midland was called Saturday by the Midland Junior Chamber of Commerce and Midland League of Women Voters for a complete discussion of the proposed new city charter. It will be held at 8 p. m. Wednesday. The place will be announced later.

Both the junior chamber and the league are non-partisan organizations and seek only to have citizens express their choice at the polls—the American way.

The Jaycees sponsor the open forum in connection with their Out-the-Vote campaign.

The lack of interest in the special city election caused both organizations to take action for the all-civic meeting.

Members of the charter commission which drew the document, mailed to all voters, have accepted invitations to attend the mass meeting and answer any questions that arise.

The purpose of the city-wide meeting is to explain in detail all provisions and sections of the proposed charter and questions concerning the city's government.

Every citizen is urged to attend the session and bring any questions. Inman To Preside.

Curt Inman, Jaycee president, will preside. Ed M. Whitaker, chairman of the charter commission, and Frank Stubbeman, a member, will speak, discussing all phases of the proposed new charter. Other commission members also will speak.

A general discussion will follow. Inman explained the session will be non-political and asserted personalities are not involved in the special election.

The Junior Chamber of Commerce and League of Women Voters are anxious that every citizen vote in the special city election and be fully informed on the proposed charter.

Hull Discloses Appeal To Vichy Against Signing

WASHINGTON, Oct. 26 (AP)—The United States' deep concern over the German-French negotiations was evidenced today by disclosure that President Roosevelt had sent a message to Marshal Henri Philippe Petain, chief of the French state.

The communication was delivered to Gaston Henry-Hayne, the French Ambassador, last Thursday by Sumner Welles, Undersecretary of State. The fact of its dispatch was a closely-held secret until today.

Secretary Hull, in disclosing that Mr. Roosevelt had communicated with the 84-year old world war hero who now heads the Vichy government, declined to reveal the nature of the message. No reply, he said, had been received.

Designed Against Signing. Although lacking official confirmation, it was reported that the President's message had been timed—and perhaps contained an appeal—designed to influence Petain against signing any "collaborating" pact with Germany which would imperil France's future as a free nation and possibly bring about a clash between French and American interests, especially in the Western Hemisphere.

The nearest Secretary Hull came to disclosing the purport of the Roosevelt communication was a statement that the United States had exchanged ideas and viewpoints with the Vichy government regarding the action taken by the 21 American republics at Havana.

The Havana conference provided for the American governments to take over administration of any European possessions in this hemisphere if necessary as an emergency defense measure.

The German high command made no mention of the Empress of Britain.

Both German and Italian planes raided London overnight in "rolling" attacks, German sources said, and the high command itself reported "numerous hits" on rail and industrial district east of Battersea Park, on the south bank of the Thames in London, where the great Battersea power station is located.

The German resumed the raids today.

Rome Radio Reports Two Killed And Others Injured In Fight While Six Soldiers Said To Be Held Captives

Communique Asserts "Greek or English" Are Sought For Bomb Attacks Near Headquarters Of Porto Edda In Menacing War Development

By The Associated Press

With France under the Axis belt, the Rome radio last night broadcast a report of a clash between Greek troops and Italian-ruled Albanians—an event some believed a prelude to wider action against pro-British Greece.

Six Greek soldiers were said to have been captured and two Albanians killed and three wounded in a fight between Koriza and Porto Edda inside Albanian territory.

Italy Previously Suspended

Italy previously suspended air service to Greece until Nov. 4 under circumstances suggesting increased pressure on that country, and the Greek fleet was ready to hold day and night maneuvers from Oct. 28 to Jan. 1 near Salonika.

Greeks Armed

An Italian government communique later told of the clash and said the Greeks were armed with rifles and grenades.

The communique asserted "Greek or English agents" were being sought for a bomb attack near the Porto Edda headquarters of the Italian lieutenant-generalship.

Three bombs exploded, slightly wounding two persons, the communique said.

France bowed to the will of Adolf Hitler in his desire to fit the conquered nation in his own way into the Nazi scheme for "a new European order."

Marshal Philippe Petain, Chief of State of France, and his Vice Premier, Pierre Laval, met the French cabinet at Vichy and reported on their conversations with Hitler and his Foreign Minister, Joachim Von Ribbentrop.

Peace Not Clear. Then came a brief announcement: The cabinet had approved the Petain-Laval decision. Hitler and Petain would collaborate in restoring peace to Europe. What kind of peace and the manner of its restoration were not made clear.

British reaction was not immediately forthcoming, but officials of the "free" French government in London repudiated any agreement between Hitler and the aged Petain, terming "any association, direct or indirect, between France and her moral enemy" a "sacrilege."

Earlier in the day informed circles in London had disclosed that King George had messaged Petain, extending courage and sympathy to the French people, and expressing the conviction of an ultimate British victory. Vichy dispatches did not mention the communication.

President Roosevelt also had sent a communication to the French government, Secretary of State Cordell Hull, revealed. That message went across sea Thursday while Petain was seeing Hitler somewhere in occupied France.

While the diplomatic moves went forward on the continent, the military phases of the war continued at increased speed. London had seven daylight air raid alarms and an eighth shortly after nightfall with an unbold number of casualties and considerable property damage to private homes and apartments.

Bomb Convoy. There was considerable activity in the channel area. Within sight of watchers on the English shore RAF squadrons bombed a German convoy on an English coastal batteries shelled a small fleet of German torpedo boats maneuvering along the French coast.

British pilots also resumed their attack on the German long-range guns near Cap Gris Nez.

WHOZIT?

Canadian Liner Reported Victim

BERLIN, Oct. 26.—The Empress of Britain, majestic Canadian flagship liner which carried King George VI and Queen Elizabeth home to Britain from their North American trip in 1939, was reported in informed German quarters to have been bombed and left in a sinking condition north of Ireland today.

"German combat planes" attacked the liner in the waters which Germany has proclaimed as the scene of total blockade, these sources asserted. By forenoon, it was stated, the crew had abandoned the ship and she was foundering.

The British admiralty declined comment.

The German high command made no mention of the Empress of Britain.

LATEST NEWS FLASHES

Silent Partners In Defense.

WASHINGTON, Oct. 26 (AP).—Senator Wheeler (D-Mont) said today that a special senate committee had uncovered evidence indicating that "German, Italian, Japanese and other foreign owned or controlled interests may be silent partners in American defense industries."

Weary Londoners Reappear.

LONDON, Sept. 27 (Sunday) (AP).—An all-clear signal brought weary Londoners out of shelters at dawn today after their 50th successive night of unrelenting air raids in which attacking bombers stabbed repeatedly at the heart of the capital of the empire.

May Loan Bases To Axis.

BERN, Switzerland, Oct. 26 (AP).—Diplomatic on-lookers said tonight they believed France would pay for Axis concessions by "loaning" to Germany and Italy her Mediterranean air and sea bases near East Africa and under much the same conditions as Britain now holds Egyptian bases.

Want New Number Of Chamber Of Commerce — It's 55 or 56

Bill Collins, Midland Chamber of Commerce manager, and his aide, Miss Ophelia Greene, now have another telephone to answer. Business of the organization increased to the extent that complaints were reported because of a "busy" telephone. Another phone was ordered. With it Saturday came a complication. The phone number had to be changed so two in sequence could be used on the new arrangement. To get the chamber of commerce phone 55 or 56. The number until Saturday was 59. Remember 55 or 56 for the chamber of commerce and the telephone operators thank you.

Spike the Rumors

Thanks to the Midland Junior Chamber of Commerce and the Midland League of Women Voters, both nonpartisan organizations, a public mass meeting will be held at 8 p. m. Wednesday for a full discussion and explanation of the proposed new city charter.

It is the duty of every citizen of Midland to attend. If he has any question of any kind regarding our city government or its proposed new charter, he should ask it and get the answer. There is no excuse for anyone to have a doubt in his mind.

It is time to spike both rumors and whispering campaigns.

Both can undermine government and a community. Personalities are not involved in this campaign. Politics are not involved. Midland's future is involved. Real citizens will get the facts and be governed accordingly.

Early Saturday about 50 absentee ballots had been cast in the general election and not a single absentee voter had taken the time to go to the city hall and vote in the charter election. This fact aroused both the Junior Chamber of Commerce and the League of Women Voters. They are out to serve their community. They are taking no part in factional politics. They want every voter to cast his ballot. That is the American way.

Wanted 10,000 Active Members

Our Permian Basin Association needs \$25,000 and 10,000 active members in 1941, and the support of every resident of Midland and the vast area of 49 West Texas counties which it serves. Its annual campaign here opens Tuesday.

Midland will do its part and more. It always does. That is the Midland spirit.

It takes money for our association to do the work we have outlined for it. It is developing and executing a program which is saving taxpayers thousands of dollars.

It is uniting all business and professional men into an organized body to represent the interests of all citizens and all types of business in the Permian Basin area. It is building an organization to assure our rights and adjust our problems.

It seeks equalization of taxes and a systematized, adaptable and equitable tax budget program. It seeks equalized proration.

Its three-way major program consists of taxation, legislation and proration.

The earth is having its face changed, but it isn't very uplifting.

As long as we can remember, a draft always has helped to keep the home fires burning.

Chicago couple had a wedding cake five feet long, weighing 400 pounds, in the shape of a ship. It was sunk during the wedding reception.

The office blond is a bit confused in her world news. She understands Adolf and Benito have been in a huddle and are going to try a Brenner pass.

Volunteers For Army Draft May Complete Quota

Possibility that six men who signed voluntary induction applications would complete Midland County's quota for the first call, and an expected appointment soon of a member to take the place of C. E. Prichard, who resigned from the county draft board, shaped the conscription picture here yesterday with the national drawing of numbers just two days away.

Meanwhile 14 members of the county advisory board were expected to be called into session the first of the week for instructions when selective service questionnaires are mailed and filled in.

Volunteers May Go First

Young men who have signed voluntary induction blanks probably will be taken first into conscription, according to W. L. Simmons and Clifford C. Keith, draft board members. Since the county's quota on the first call has not been estimated, there is probability that some others will go at first. In addition, there are five youths between 18 and 21 who have volunteered for duty. The country draft has requested a ruling from the state board on this class.

An applicant to replace Prichard on the draft board has been recommended to President Roosevelt. Prichard resigned voluntarily when he learned that members of draft age weren't qualified to serve.

Selective service questionnaires are being addressed so that mailing can start after the national drawing Tuesday. They will be sent to registrants at the rate of about 50 a day. After the forms have been filled, the draft board here will classify them, and registrants will be given a physical examination.

Judge Charles L. Klapproth, chairman, said the advisory committee would make arrangements to assist registrants in filling in questionnaires. Facilities will be announced after the committee's session the first of the week. Committee members include Judge Klapproth, Jerry Norris, John T. Butler, Roy McKee, Mrs. Hilda Blair Ray, T. D. Kimbrough, Ralph Barron, Ed M. Whitaker, Frank Stubbeman, J. H. Goodman, P. J. Mims, Carl Young, Joseph A. Seymour, and Gerald FitzGerald.

The advisory board calls attention of registrants to questionnaire instructions. These instructions follow: "The questionnaire is intended to furnish the local board with information to enable it to classify you in one of the following Selective Service classes:

"Class I include men who are available for induction into the armed forces of the United States.

"Class II includes those whose induction is deferred because of the importance to the Nation of the service they are rendering in their civilian activities.

"Class III includes those whose induction is deferred because they have persons dependent upon them for support.

"Class IV includes those whose induction is deferred by law and those unfit for military service.

"You will receive notice from your local board of your classification.

"Oaths required in the questionnaire may be administered by (1) a member or chief clerk of a local board or board of appeal, member or associate member of an advisory board for registrants, or a government appeal agent; (2) any postmaster, notary public, or any federal, state, county, or municipal officer authorized by law to administer oaths generally or for military purposes. No fee should be charged for this service.

"Advisory board for registrants are organized to assist registrants in completing their questionnaires. No charge will be made for this service. If there is no advisory board available, you must nevertheless complete your questionnaire.

"If the registrant is an inmate of an institution and is unable to complete the questionnaire, the executive head of the institution shall communicate these facts immediately to the local board."

The following registration names and numbers were reported yesterday by the draft board:

1804 Barney R. Greathouse. 1805 Buster Guthrie. 1806 Frank E. Saenz. 1807 Guss Bryan. 1808 Franklin Charles Speaker. 1809 Jose Hernandez Costilla. 1810 James Bailey Lee Dooley. 1811 Raymond Dowling Adams.

Two persons were said to have been killed and several injured last week at a meeting of the Samling (National Union) which has been made the only legal political movement in Norway.

Fish exports to Germany, this report said, have been spoiled by saboteurs on several occasions and long prison terms have been imposed on several persons convicted of espionage.

Two Bergen newspapers have been banned in recent days, it added.

1812 Joseph Brady Kennedy, Jr. 1813 Robert Leon Stephenson. 1814 Robert Wesley Taylor.

Side Glances

"I'm sure she's a wonderful secretary—almost too wonderful for the job!"

Record Crowds On Hand For Opening Of Fair At Stanton

STANTON, Oct. 26 (Special)—The largest crowd in months was in Stanton today for the opening of the Martin County Fair, annual feature of this county seat city.

J. W. Anderson of the Knott community was the big winner of the day, sweeping honors with his cotton and feed exhibits.

Home Demonstration clubs of Brown, Valley View, Lake View, Lenorah, Tarzean, Stanton, Goldsmith, Flower Grove all had exhibits at the fair.

Individual winners were: Cotton stalks—J. W. Anderson. Cotton poles—Jess Blackford, Stanton. Lint cotton—A. O. Scheulke, Courtney. Maize heads—J. C. Martin, Stanton.

Handwork—Carroll Thomas, Valley View. Canteloupes—W. L. Clements, Valley View. Pumpkins—J. W. Ellingsworth, Courtney.

Miss Elsie Gilkerson, Martin county home demonstration club agent, presented exhibits of quilts, blankets and bed spreads. Using an 18-pound cotton quilt and a 9-pound wool quilt, she showed that they weighed about the same and gave the same service.

Judges were: O. P. Griffin and Howard Big Spring, Miss Mattie Phoenix, Courtney.

Limited Emergency In Norwegian City

STOCKHOLM, Oct. 26 (AP)—The newspaper Dagens Nyheter reported from Oslo tonight that a limited state of emergency has been proclaimed at Bergen because of demonstrations and sabotage in that city of Nazi-held Norway against the national Samling, pro-Nazi Major Vidkun Quisling's party.

Bergen citizens, it said, have been forbidden on the streets after dark, and the curfew which descends now in the late afternoon.

Two persons were said to have been killed and several injured last week at a meeting of the Samling (National Union) which has been made the only legal political movement in Norway.

Fish exports to Germany, this report said, have been spoiled by saboteurs on several occasions and long prison terms have been imposed on several persons convicted of espionage.

Two Bergen newspapers have been banned in recent days, it added.

1812 Joseph Brady Kennedy, Jr. 1813 Robert Leon Stephenson. 1814 Robert Wesley Taylor.

Indians Refuse To Accept Religion Offered By Whites

AUSTIN, Oct. 26 (AP)—Primitive magic walks hand in hand with rigid Christianity to make the Alabama-Koasati Indian reservation in Polk County the state's No. 1 paradox.

W. E. S. Dickerson told the Texas Archeological and Paleontological Society today.

The University of Texas ethnologist, himself part Choctaw, claimed inhabitants of the 4,351-acre reservation reveal a "remarkable" tenacity for tribal culture despite a 400-year contact with the white race.

"In external forms—religion, dress, food, housing and language—these Indians have become largely indistinguishable from the white groups around them," he said.

"But honeycombed under the Christianity are invisible Indian traits which have survived the impact of white civilization."

Commission Grants Hike In Van Field

AUSTIN, Oct. 26 (AP)—Among a number of oil and gas orders, the Railroad Commission today granted an increase in permissible oil production of nearly 5,000 barrels daily to the Van Field in Van Zandt County.

Retrospective to Oct. 16, the order permitted a raise in the field's allowable from the current 12,030 barrels a day to 16,591 and declared the increase was granted on testimony that the crude could be produced without waste and a firm demand for it existed.

Allowable production of sour gas in the Panhandle field was reset at 686,000 cubic feet daily in November, under regulations which have obtained since May 4, 1938.

Recycling of gas from wells in La Gloria Field in Jim Wells and Brooks Counties was permitted under certain conditions and the Texas Gas Company and Stanolind Oil and Gas Company were allowed to return salt water through certain wells to porous horizons.

"So he continued to use the drug," Sidney guessed. "Yes," Marta admitted. "When

SERIAL STORY

NEW YORK JUNGLE

BY WRAY WADE SEVERN

COPYRIGHT, 1940, NEA SERVICE, INC.

YESTERDAY: Sidney follows Nella to the swimming pool, arrives in time to see Leseneoff dive in, save the drowning girl. The director insists the girl at-tempted suicide. He notices a bruise on her head. Leseneoff has an alibi for his presence in the neighborhood, expresses no regret over Adam's death. Nella revives but is unable to talk.

MARTA REVEALS A SECRET

Chapter XVII

AFTER the doctor's second visit, everyone in the house knew that Nella Langdon was a victim of psychic dumbness. She could not speak. But he had administered a narcotic and had held out hope that when she awakened from the sleep induced by the drug she might be herself again.

People afflicted with psychic dumbness or blindness became so he explained, because they had heard or seen sights so terrible that their nervous systems refused to recognize them and relate them. In Nella's case, a nervous inheritance from an insane grandmother, made her a ready victim. The question in all minds, including Captain Plowman's, was: What would Nella relate when she did return to normal?

"What can Nella have seen?" Marta asked Sidney when they were alone together in the library, later in the day. "Can she be protecting someone?"

"God knows," Sidney replied. "To guess is to accuse, and I am not prepared to do that. Neither, I believe, is Plowman."

"Aren't there drugs that may be used to free her?"

"Yes, but they are not always successful and cannot be employed without the consent of relatives. I imagine Hugh, as the nearest relative, might not wish them tried."

Abruptly Sidney switched the subject. "Barkes said he saw a shadow against your curtain at 6 o'clock last night, Marta. Have you an idea who made it?"

A QUICK flush burned Marta's face. She turned from him, and stared out the window at the dripping trees, green now from their long drenching.

"If we are to play square with Adam, Marta, you had better tell me all you know," he said gently.

Marta faced him, eyes despairing. "It was Adam's own shadow the chauffeur saw," she said simply. "After you left me, he came to my room. He wanted to explain before I met the others. I had gone down the hall for a shower and when I returned he was standing by my window. The curtain had been drawn."

A quick frown darkened Sidney's face. Langdon's conduct remained inexplicable to him.

"Don't judge him too harshly, Sidney," Marta said in a low tone. "You were in California when he came back from his hunt in India last year, after he'd had that terrible brush with a tiger. The beast would have done for him but for Hugh."

"Now — I wish Hugh had not been there. We would have been spared all this horror."

Helpless to offer comfort, Sidney waited for her to go on.

"The tiger had ripped the sheath off a nerve," she said. "The pain was dreadful and impossible to bear without the aid of morphine."

"In Capetown they operated and he recovered, but soon his nerves began to trick him. He would wake up at night covered with cold sweat and imagine the tiger was tearing at him. He had never before known the meaning of fear. He knew it then, and it became unbearable."

"So he continued to use the drug," Sidney guessed. "Yes," Marta admitted. "When

he got back we decided to fight the fear as well as the drug—together. He and Hugh and I came down here and we saw him through."

"You dear girl!" Sidney's eyes were moist.

"He thought himself safe, Sidney. We believed it, too. He decided he must prove himself by going on another hunt and though we tried to dissuade him, he felt that he had to go."

"That took courage," Sidney commented.

"Adam was fine, when he was himself," Marta went on. "He contracted fever in the jungle and lay for weeks at Patricia Bridges' cousin's farm. The doctor gave him morphine."

"So the fight had to be fought all over again," Sidney mused.

"It did," Marta admitted. "He wrote me in despair. I decided that if I showed my faith it would help, so I—she hesitated a long moment and continued—"I wrote him that when he came back he would be married, and that I take a long vacation until he was himself again."

"Greater faith hath no man," Sidney breathed.

"I should have been justified, but for one of those slips of fate. An inconsequential bit of ungrounded gossip, based on someone seeing me with Boris several times."

"You mean when a report of your engagement to Leseneoff got into the newspapers? I saw that, Marta."

"How Adam got the paper in Capetown, I don't know, but no doubt all papers are available there. Unfortunately he saw the announcement and did not receive my letter."

"Then he took that for your answer to his call for help?" Sidney said.

"He did. He simply gave up and when he believed that Pat cared for him, he married her. She attracted him, he admitted, but he did not love her."

"Adam had a bad nervous inheritance. Such people should keep away from drugs."

MARTA continued the story: "It wasn't long before he realized Pat did not really care for him. Of course he had money and the Bridges had lost all they had. Then she discovered his habit and once they had arrived here, she made plans to have him put in a hospital for treatment."

"He told me she meant to keep him there and control his estate. His nerves were completely shattered. He did not know what to do, so he sent for us without telling his wife. He thought she might prevent us from seeing him."

"It makes a clear picture, Marta," Sidney admitted. "Adam groped in a fog but he knew we were his friends."

"I couldn't tell Captain Plowman of Adam's weakness," Marta said. "It would have put him in such a bad light."

"I understand, dear. Nevertheless Plowman must be told. An autopsy will reveal that Adam used morphine. For your own sake, frankness is wise. Plowman is a natural gentleman. He will not cause you a moment of unnecessary distress."

"There is no such thing as a private life in my profession," Marta burst out. "Tell Plowman what you think he should know, but ask him to protect Adam's character as much as possible."

TITLE HOPES BURSTED

ATLANTA, Oct. 26 (AP)—A hard-smacking Auburn team slapped down Georgia Tech's Southeastern Conference title hopes today by walloping the Engineers, 16-7, before

Party Compliments Linda Ann Skelton On Fourth Birthday

Mrs. Dell Skelton, 408 S. Loraine, was hostess to a party Saturday afternoon honoring her daughter, Linda Ann, on her fourth birthday anniversary.

The children played games outdoors.

At the refreshment hour, the white birthday cake was lighted by candles in pink and yellow holders and carried the legend, "Happy Birthday."

Present were: The honoree, Lanny French, Sonny French, John Thomas French, Bobby Jay Watkins, Eloise Smith, Don Gray Smith, Mary Helen DeMars, Nadine Manning, Mary Lynn Manning, and LeOren Manning, Pauline Norwood, Leila Evelyn Norwood, Jay Norwood, Geraldine Smith, Harris Lavell Smith, Jean Skelton.

Local Topics

Mr. and Mrs. C. Snell and family and Mrs. Jack Smith and son of Rankin were visitors here yesterday. Mr. Snell is the county agricultural agent of Upton County.

Elma Jean Noble, who has been ill with a throat infection, was reported improved Saturday.

Mr. and Mrs. R. E. L. Taylor left Saturday afternoon for Dallas. From there they planned to go to South-west City, Mo., where they will visit Mr. and Mrs. K. L. Sappington, former Midland residents. Tentative plans call for them to go on into Illinois, and if weather prevents fishing there, perhaps down into Louisiana for a brief fishing trip.

Ralph Zook, partner in the Sloan & Zook Company of Bradford, Pa., is here on business in the Midland offices of the firm.

Welfare Group Renews Plea For Contributions

Members of the welfare committee of the Chamber of Commerce yesterday renewed a plea for additional money to care for the needy families of Midland through the winter.

Several individuals and clubs have answered the plea with cash donations, but more money is needed to complete the program outlined.

Chamber of Commerce officials yesterday announced that four Sunday School classes of the First Methodist Church had adopted as many families and agreed to furnish them with necessities through the winter months. Cash donations of \$15 from the City-County Federated Clubs, \$3.10 from the Ace High Club, \$25.00 from the Play Riders Club and \$6.50 from the Lucky 13 club were announced. Milk bottles placed in Midland stores yielded \$12.50 the past week.

DALLAS INCOME WILL ATTAIN LEVEL OF 1930

WASHINGTON, Oct. 26 (AP)—Secretary of Commerce Jones estimated today the dollar income of the American people would exceed \$74,000,000,000 this year, attaining approximately the 1930 level with a gain of more than \$4,000,000,000 over last year.

Announcing September income payments to individuals totaled \$8,446,000,000, Jones said the rate was 91.5 per cent of the 1929 average and stood at the highest point since June, 1930. The 1930 total was \$74,500,000,000.

Episcopal auxiliary will meet with Mrs. Hal Peck, 1200 W. Missouri, Monday afternoon at 3:30 o'clock.

TUESDAY. Regular meeting of the board of directors of AAUW will be held at the home of Mrs. John J. Redfern, Jr., 308 South N Street, Tuesday evening at 7:30 o'clock.

Texas Tech Club will have a bridge and 42 party at the home of Mrs. J. A. Haley, 423 W. Wall, Tuesday evening at 7:30 o'clock. Delphian Chapter will have a make-up meeting in the private dining room of Hotel Scharbauer, Tuesday morning at 9:15 o'clock.

Tuesday Bridge Club will meet with Mrs. J. H. Herd, 313 South N Street, Tuesday afternoon at 1:30 o'clock.

Lorado Sewing Club will meet with Mrs. J. A. Andrews, 420 S. Loraine, Tuesday afternoon at 3 o'clock.

Midland County museum in the courthouse will be open to the public Tuesday afternoon from 2:30 o'clock until 5.

WEDNESDAY. Bluebonnet Club will meet with Mrs. Frank Ingham, 811 W. Wall, Wednesday afternoon at 3 o'clock.

Play Readers Club will meet with Mrs. William Y. Penn, 810 W. Storey, Wednesday afternoon at 3:30 o'clock. Mrs. B. K. Buffington will read "Ladies in Retirement."

Group captains of the Evangelists Class of the Baptist Sunday School will meet with Mrs. Pearl Blair, 1009 W. Louisiana, Wednesday afternoon at 3 o'clock for visitation.

Alpha Club will meet with Mrs. Geo. Bennett, 2001 Brunson, Wednesday afternoon at 2:30 o'clock.

Robyn Club will meet at the Watson studio, 210 W. Ohio, Wednesday afternoon at 3:30 o'clock.

Troop No. 2 Girl Scouts will meet at the First Presbyterian Church, Wednesday afternoon at 3:15 o'clock.

Miriam Club will sponsor a Halloween party at the I. O. F. Hall, Wednesday evening.

THURSDAY. Evangelists Class of the Baptist Sunday School will have a silver tea at the home of Mrs. Pearl Blair, 1009 W. Louisiana, Thursday afternoon at 3:30 o'clock. Mrs. J. Howard Hodge will review, "How Green Was My Valley."

Mary Scharbauer Circle of the Methodist WSCS will sponsor a Halloween carnival Thursday night at the corner of Illinois and Main Streets. The public is invited.

Midland Fire Department will sponsor a fireman's Halloween ball at the airport, Thursday evening at 9 o'clock. The public is invited.

Delta Dek Club will meet with Mrs. Roy Leach, 306 W. Ohio, Thursday afternoon at 2:30 o'clock.

Bien Amigos Club will meet with Mrs. Elliott Miller, 717 W. Storey, Thursday afternoon at the usual hour.

As You Like It Club will meet with Mrs. Frank Curtis, 2111 W. College, Thursday afternoon at 3 o'clock.

Westside Club will have a Halloween party at the home of Mrs. E. L. Albrecht, 1910 W. Indiana, Thursday evening at 7:30.

FRIDAY. Belmont Bible Class will meet with Mrs. W. G. Attaway, 404 W. Ohio, Friday afternoon at 3:30 o'clock for study of the twenty-fifth chapter of Leviticus.

Women's Golf Association will meet at the Country Club Friday morning at 8:30 o'clock for golf. Luncheon will be served at one o'clock. Hostesses will be Mrs. Ray Rhodes and...

Joie de Vie Club will meet with Mrs. Hugh Corrigan, 1801 W. Missouri, Friday afternoon at 1:30 o'clock for a dessert-bridge.

SATURDAY. Shell Club will hold its first fall dance in the Crystal Ballroom at Hotel Scharbauer, Saturday night. The dance is open to the public. Reservations should be made with R. Brewer at the Shell office in the Petroleum Building. Treble Clef Juvenile Music Club will meet at the Watson studio, 210

New Terry County Wildcat

Geological map showing various oil fields and well locations in Terry County, Texas. Includes labels like 'Sloan & Zook', 'Humble', 'Devonian', 'Permian', etc.

Encircled is the location of Sloan & Zook Company No. 1 W. E. Bradley et al. new 5,400-foot wildcat soon to start drilling in Southwestern Terry County. Much interest is attached to the test because of its situation on a geophysical "high" defined by major companies in the area.

COUNTY NEWS

Dr. R. B. Wolford Guest Speaker At Valley View PTA

Valley View schoolhouse will be the scene of a pie supper and Halloween party, Friday night, Nov. 1, at 7:45 o'clock. Prizes will be given. Everyone is invited. Proceeds will go toward a first aid kit, basketball and volley ball, and stand table.

Dr. R. B. Wolford, director of the City-County Health Unit, was chief speaker at the meeting of Valley View PTA, Friday evening.

The following program was presented: Poem, "Little Bo Peep"—Wanda Pain. Song, "I Don't Want to Play in Your Yard"—Mrs. Wayne Campbell's room.

Poem, "Jack-o-Lantern Garden"—Billy T. Seals. Halloween Skit—Wayne Holder, Christa B. Heidelberg, Sonny Stewart, Myrna Johnson, John D. Wilson, Darlene Brunson, Billy T. Seals, Helen Joy Heidelberg, Herbert Synatsch, Kermit Lewis, Darwin Holder.

Song, "Oh, Mistress Sandy"—Louise Snatsch, Yvonne Fain Walter Synatsch, Martin Synatsch, Dortha Dale, Buddy Dale, Edward Synatsch, Maxine Eckert, Harmon Biely. Talk—Rev. R. B. Wolford.

Mrs. Earl Pain was in charge of the business session. Good attendance was reported for the meeting. Art classes the past week made bookends, book weights, vases, bowls, boats, miniature shoes and boots, and what-not ornaments. They will send the articles to Dallas to be baked and glazed.

Dr. Wolford visited the school Tuesday and presented a talk at the chapel program. He spoke on "The Kind of House We Live In," giving the body as an example. He reported that the water at school was free of bacteria.

The Rev. W. C. Hinds, Methodist pastor of Midland, has been invited to speak on the chapel program on Tuesday of this week. On the same program Dortha Dale will tell the meaning of Halloween.

The Rev. Claude Gooch of Chillicothe preached at Valley View Baptist Church Sunday morning and Sunday night, with good attendance reported. Sunday School is held at 10 o'clock and the public is invited.

Community News. Sonny Stewart was absent from school two days recently because of a throat infection.

Doris Smith had as her guests this weekend, Miss Lavena Brooks and Miss Doris Nell Adams of Midland. Mr. and Mrs. Louis Smith and family left Friday for Salt Gap, near Brady, Texas, to visit rs. A. C. Gray, Mrs. Smith's mother.

Joy Anne Graham, Vera Beasley, Rexy Smith and Herbert Synatsch have been absent from school on account of illness.

Miss Gwyn Campbell attended a 42 party given by the PTA at Courtney recently.

Mr. and Mrs. Gerhard Synatsch and family went to Big Spring last Sunday to attend the Lutheran Church services. A picnic lunch was spread at the Big Spring City Park and church services were held all day.

Mrs. Elms, who recently underwent an operation, is reported improving.

A. Brooks and Lewis Smith made a business trip to Big Spring, Thursday.

Mr. and Mrs. F. L. Bass visited with Mr. and Mrs. P. A. Brooks and family Friday night and the Brooks family returned with them home in the Badgett Holder vehicle the home of Thurmon Swells at Midland Sunday.

Mr. and Mrs. F. Eckert visited in W. Ohio, Saturday evening at 9:30 o'clock.

Story Hour will be held in the children's library at the courthouse, Saturday morning at 10 o'clock.

Midland County museum in the courthouse will be open Saturday afternoon from 2:30 o'clock until 5. The public is invited.

Bride Honored At Bridge-Shower Given By Two

In courtesy to Mrs. Carroll Mitchell who was Miss Ruth Lusk before her marriage recently, Mrs. Jessie Parsons and Mrs. Jim Halfrey of Goldsmith entertained with a bridge-shower at the home of latter's mother, Mrs. Paul F. Kasper, 2007 W. Brunson, Saturday afternoon.

Yellow and orchid flowers were used in the party rooms.

Presentation of gifts to the honoree followed the bridge games.

Miss Bernice Rainey, winner of high score prize in the games and Mrs. Zolley Boykin of Odessa, winner of second prize, presented their awards to Mrs. Mitchell, also.

A salad plate was served at the tea hour.

Invitation list for the courtesy included: The honoree, Miss Rainey, Miss Louise Cunningham, Miss Stella Maye Lanham, Mrs. French, Mrs. Kasper, Mrs. Geo. Byrne, Mrs. Chas. Edwards, Jr., Mrs. Davidson, Mrs. A. R. Beals, Mrs. Edmond Hitchcock, Mrs. J. Gordon Bird, Mrs. Jack Bailey, Mrs. Earl Blair and Mrs. Boykin of Odessa.

Prairie Lee School Plans Halloween Party Thursday

A Halloween party will be held at Prairie Lee school, Thursday night. There will be a "Hall of Horrors," contests, booths, songs, stunts, a "famous orchestra" with "Joe Buzz" as director, and refreshment booths. Everyone is invited to attend, wearing a masquerade costume.

Prairie Lee girls' quartet sang at W. H. Dawson County, last Sunday. The group also sang at the Fundamental Baptist Church in Midland, Thursday night.

Pupils in Prin. Gay Koonce's room attended the six-man football game at Courtney, Friday afternoon, when Garner defeated Courtney, 6-0.

Rev. W. R. Mann was guest speaker at the assembly program of which Mr. Koonce was in charge.

Helen Ruth Harris was elected Monday to serve as librarian for the next six weeks.

The mascot has been selected also. The girls are to be dragonettes and the boys dragons.

The fifth grade has organized a Citizenship Club. Evelyn Ware is president, Verna Dodson vice president, and Lavada Crudup, secretary.

Dessie Casbeer underwent an appendicitis operation Thursday evening.

NORTH TEXAS TEACHERS BEAT SAM HOUSTON. HUNTSVILLE, Oct. 26 (AP)—Three quick passes by the injured Johnny Riola and a placekick by Nace Fornagare today gave North Texas Teachers a 7-6 victory over Sam Houston State Teachers.

Riola, benched because of a leg injury, was rushed into the game in the third period.

Officers installed at a banquet tonight were: President Margaret V. Hale, East Texas State Teachers College, Commerce; Vice President, Alice Devine, Incarnate Word College, San Antonio; Recording Secretary, Elizabeth Dean, Sam Houston State Teachers College, Huntsville; Corresponding Secretary, Kathleen McWhirter, East Texas Teachers College, Commerce; Treasurer, Patricia Mackey, University of Texas, Austin; Historian, Lotie Netetave, Abilene Christian College; and Reporter, Geraldine Pagell, Our Lady of the Lake College, San Antonio.

Eighty delegates from Texas Colleges attended the meeting. Ernestine Story of Tahoka is retiring president.

Oil Production In State On Increase. AUSTIN, Oct. 26 (AP)—Net allowable oil production in Texas averaged 1,416,911 barrels daily the past week, an increase of 1,688 over last week and 111,711 above the U. S. bureau of mines estimate, railroad commissioner engineers reported today.

The engineers said, however, that estimated assigned but unproduced allowances amounted to 52,507 barrels a day, dropping the state's actual production over the federal bureau's figure to 69,204.

New oil wells during the week numbered 136 and brought the year's total to 5,826. The additional wells gave the state an overall total of 94,182.

Prairie Lee Community Sunday. Mr. and Mrs. T. N. Wilson and John D. visited friends in Cloverday Community Sunday. Mrs. Jack Timmons if the Stevens Community visited Mr. and Mrs. T. N. Nelson Thursday. Mr. and Mrs. Louis Stewart visited in Prairie Lee Community Sunday.

SPROLES, WOODARD & CO. Certified Public Accountants Audit System & Tax Service First National Bank Bldg. Phone 890 Suite 407 H. RABUN, Manager

Oil News . . .

(Continued from page 1)

It also was acidized in several phases. Location is in the northwest corner of section 5, block 44, township 2 north, T. & P. survey. Gas from No. 1 M Bar will be employed as fuel in drilling at least one of three new tests started by Phillips to the northeast and southeast.

Frank J. Downey of Midland No. 1 Henry James, Central Gaines County wildcat five miles west of the south end of the Seminole pool, topped anhydrite at 1,990 feet, datum of plus 1,433. The marker cannot definitely be pronounced high or low because of remoteness of the Downey well to other tests in the area. It is in section 368, block G, C. C. S. D. & R. G. N. G. survey.

Taubert To Drill Ahead. Northern Pecos County's Ordovician prospect, Taubert, McKee & Siemoneit No. 1 V. W. Crockett, recovered swab and showed nothing in swabbing to bottom of 7-inch casing at 5,258 feet. Oily, porous sand found in the Simpson, middle Ordovician, from 5,270 to 5,280 feet apparently was sealed off by circulating mud.

Operators are preparing to deepen the well below present total depth of 5,293 feet in search of production in the Ellenburger, lower Ordovician.

Extending the Apco Ellenburger pool of Pecos one-quarter mile northwest, Humble Oil & Refining Company No. 1 W. T. Shearer et ux swabbed out oil load and spent acid after treating with 1,000 gallons. Continued swabbing failed to lower oil below 1,500 feet from bottom. After a 12-hour overnight shut-down, operators re-ran swab and found 1,700 feet of oil, a rise of 200 feet. Swabbing through 2-inch tubing set at 4,706, 13 feet off bottom, was still in progress yesterday. Before acidizing, the well had swabbed one barrel of oil hourly from Ellenburger pay dolomite. It topped Ellenburger at 4,696 feet, 42 feet lower than a producer offsetting it to the southeast.

Dean Tops "Big Lime" Atlantic Refining Company and Ray R. Rhodes of Midland No. 1 Carrie Slaughter Dean, Southeastern Cochran County wildcat three miles west of the Duggan pool, topped solid lime at 4,310 feet, datum of minus 582, and drilled ahead below 4,655 in lime. Solid lime top in the well is said to be normal for the area.

Nine miles east of the Slaughter pool in Southwestern Hockley County, Cascade Petroleum Company No. 1 J. M. Walker is drilling past 4,620 feet in lime.

In the linking area between the Duggan and Slaughter pools, Magnolia Petroleum Company No. 1-G Mallett Land & Cattle Company is swabbing and flowing 20 barrels of oil hourly, cut two per cent with sediment, after treating with a total of 10,500 gallons at 5,008 feet in lime. The company's No. 2-G Mallett halted drilling at 5,024 feet in gray lime, swabbed dry, and now is shut down for six hours to determine rate of fill.

Wristen Drills Out Cement. Gulf Oil Corporation No. 5 Wristen Brothers, Southeastern Ward County Ordovician test, drilled out cement to 8,487 feet and is shut down for repairs. It will drill by junked drillpipe to 9,000 feet, set casing at that point, and test the Ellenburger zone topped at 9,002 feet. Bottom part of the hole was junked at total depth of 9,187 when drillpipe and packers became stuck.

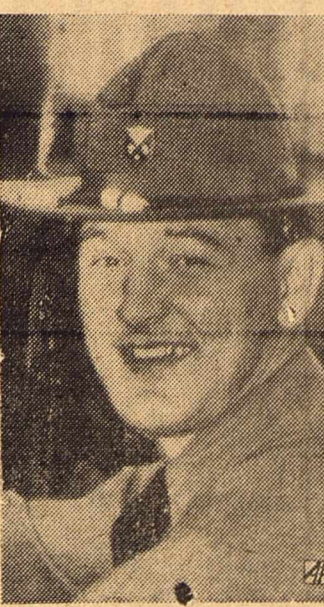

Sinclair-Prairie Oil Company No. 1 Wirt Davis, farther southeast in Ward, drilled sidetrack hole to original total depth of 3,300 feet in gray lime and is running straight-hole test. It will be deepened for a test of lower Permian zone at around 4,000 feet in which the Gulf well showed oil and gas.

Magnolia No. 1-41 Sealy, three-quarters of a mile north of the lone producer in the Magnolia-Sealy (South) pool of Northern Ward, is circulating oil while drilling plug from 7-inch pipe cemented on bottom at 2,901 feet in lime. Casing will be gun-perforated with 10 shots from 2,699 up to 2,686 feet. The well indicated large natural production when it flowed oil and gas on drillstem test from 2,882 to 2,901 feet.

Kenneth Slack No. 1 Pat Wilson, Western Ward Delaware test, is drilling past 2,100 feet in salt and anhydrite.

North Goldsmith Oiler. Magnolia No. 1 R. B. "Bum" Cowden, on the north edge of the North Goldsmith pool of Northwestern Ector County, flowed slightly over 11 barrels of oil hourly after treating with 2,000 gallons at 4,400 feet in lime and now is shut in.

In National Guard

Donald E. Witt, 25, is shown as he is entrained at Rochester, N. Y., for Fort McClellan, Ala., with a National Guard unit. Private Witt, a native American, says he was raised in Germany and marched as a storm trooper.

Politics . . .

(Continued from page One) the "complicated nature" of his tour through New York City boroughs.

Willkie had expressed pleasure Friday night at receiving Lewis' support.

The Lewis expression brought comment, too, from William Green, President of the American Federation of Labor.

The CIO, he said, was "torn with dissension, divided politically because its leaders seek to compel it to support a political party." The AFL, he added, "has evolved and followed a non-partisan political policy."

Some officials of the United Mine Workers, foundation stone of the CIO organization, disagreed with Lewis. Hugh V. Brown, President of District 7, a Hazleton, Pa., unit and one of the big UMW locals, said the district membership would "go down the alley battling" for Roosevelt. On the other hand, Ray Edmondson, Illinois District President of the UMW, made public a resolution by 16 UMW officials pledging support of Lewis and a "vigorous campaign" against a third term for President Roosevelt.

CLARK GIVES SUPPORT TO PRESIDENT ROOSEVELT. ST. LOUIS, Oct. 26 (AP)—Senator Bennett Champ Clark (D-Mo.), who voted as a delegate at the Chicago convention against re-nomination of President Roosevelt, broke his campaign silence tonight to announce his support of the president for a third term.

RELATIVE OF ALMAZAN SURRENDERS TO TROOPS. MEXICO CITY, Oct. 26 (AP)—Paul Almazan, a distant relative of General Juan Almazan, defeated candidate for President of Mexico, was reported today to have surrendered to troops in Guerrero State, with a small band, and later released on promising to keep the peace.

Twenty Pupils On Honor Rolls At Warfield School

The following pupils are on the honor rolls of Warfield School: On the A roll, Mary Lynn Manning, third grade; Betty Bleiker, eleventh grade; and Oran Sowell, ninth grade; on the B roll, Bronson Smith seventh grade, Dudley Sowell, Nadine Manning, Billie Jean Taylor, Jean Randolph, and Ruby Mattison, all of the sixth grade; Dorothy Mattison, Roberta Garner and Rozetta Garner of the fifth grade; J. L. Garner, Charlene Bleiker and M. W. Randolph of the first grade, Leo Manning and Maurice Landis of the fourth grade, Betty Sue Randolph of the second grade and Frank Retena of the third grade.

New Gas Plant. Warfield School now has a new Butane gas plant which was installed October 19.

Warfield 4-H Club girls met Thursday morning at the home of Miss Alpha Lynn in Midland. She gave a demonstration on how to can chicken, three chickens being canned.

The Rev. W. R. Mann visited Warfield School Wednesday and spoke on "Origin of Names." He also made a picture of the school children.

On Monday, the Rev. Jim Barrington, Primitive Baptist minister, visited the school. He lectured on the "Foundation of Life."

Bob Norris and family of Midland visited Carl Smith and family Sunday.

Home Demonstration Clubs Choose NTSTC. LUBBOCK, Oct. 26 (AP)—North Texas State Teachers College, Denton, was named host for the 1941 meeting of the Texas Home Economics Association of College Clubs at a business session held this afternoon at Texas Technological College.

Officers installed at a banquet tonight were: President Margaret V. Hale, East Texas State Teachers College, Commerce; Vice President, Alice Devine, Incarnate Word College, San Antonio; Recording Secretary, Elizabeth Dean, Sam Houston State Teachers College, Huntsville; Corresponding Secretary, Kathleen McWhirter, East Texas Teachers College, Commerce; Treasurer, Patricia Mackey, University of Texas, Austin; Historian, Lotie Netetave, Abilene Christian College; and Reporter, Geraldine Pagell, Our Lady of the Lake College, San Antonio.

Eighty delegates from Texas Colleges attended the meeting. Ernestine Story of Tahoka is retiring president.

You expect BIG things from FORD!

THE Ford Rouge Plant is world-famous for doing big things in a big way. Now it's producing the biggest Ford car ever built!

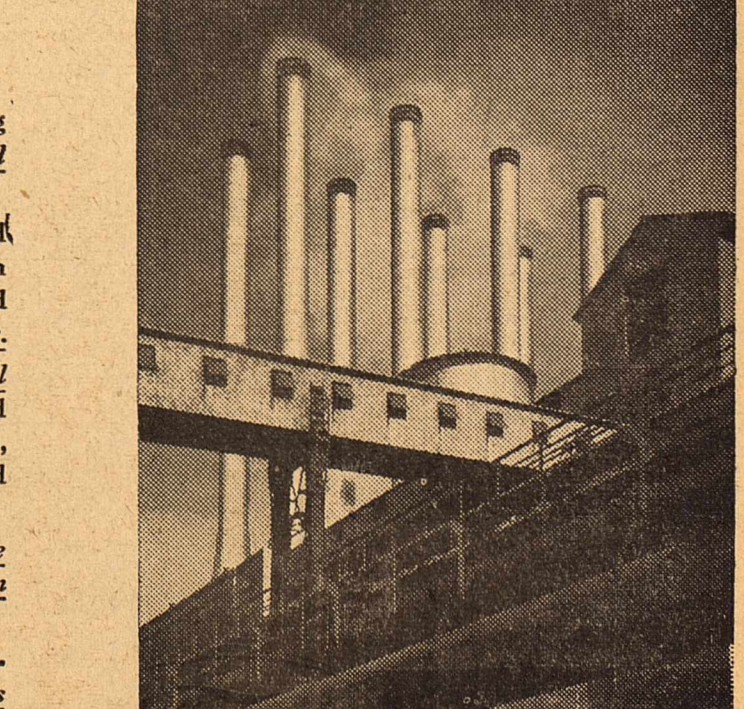

The 1941 Ford has an entirely new body—longer and wider. It has a longer wheelbase. Seating width has been increased as much as seven inches! Larger windshield and windows provide as much as 33% more glass area.

After you see the beauty and size of this big car, feel its faster acceleration and soft new ride—a ride produced by new, slower-action springs, improved shock absorbers, and a newly designed stabilizer that eases steering and helps maintain balance on curves or in cross winds.

How is it done? How can such a big, comfortable car have eight cylinders and this costly construction at low price?

The answer goes back to the Ford way of doing business—to the fact that Ford has built millions more cars than any one else and is satisfied with a smaller profit per car.

Get the full story from any Ford dealer. See how little it costs to trade in your present car. A 1941 Ford means a good deal!

The Great Ford Rouge Plant provides the finest manufacturing facilities in the world. Here the genius and experience of Henry Ford, plus the efficiency of Ford engineers, produce quality cars in huge volume to sell at a low price with small profit—so that when you buy a Ford, you get value far above the price you pay!

Get the facts and you'll get a FORD!

Last Quarter Pass Topples Bulldogs Out Of First Place

Bostick Heaves To Big Spring End, Stewart, As Steers Triumph, 6-0; Midland Tries Air Attack In Vain

Lightning struck the Midland Bulldogs—a swift stroke in the way of a short forward pass that was raced 55 yards to give the Big Spring Longhorns a 6-0 win over the Bulldogs and the leadership of District 3-AA.

For three and a half quarters the teams battled back and forth, usually in Midland's territory. Then the one scoring play of the game was made.

With the ball in play on the Big Spring 35, Halfback Bostick took a lateral from Rowe, faked back and passed to End Stewart on the 45. Not a Midland player touched the skinny Steer as he heaved the rest of the way to a touchdown. Stewart was away out in the clear when he took the pass, Midland backfield men apparently having been drawn to the other side of the field. The place kick for extra point was no good.

Father Of Infant Son Leads Cornhuskers To Win Over Tiger Team

By Harold Claassen
LINCOLN, Neb., Oct. 26 (AP)—Introducing Mr. Harry Hopp, father of a 10-day old son and work horse of the University of Nebraska football team in today's 20 to 7 Big Six victory over Missouri.

You won't find the name of this stolid, black-haired Husker halfback in the scoring summary but he did everything else. He blasted through the Missouri line, twisted around the Tiger ends, passed for a touchdown and punted.

The reason the 21 year old junior didn't score in this battle of the bandages that attracted more than 38,000 homecoming fans—Big Six contest—was that Roy Petsch forsook his old job of blocking to gambol 53 yards for the first Husker tally. It was a double reverse, 73 yards, which L. Luther to Petsch, that brought the touchdown.

Then Herman Bohrig shook off the armica and doctor's wrappings long enough to hoist two consecutive passes to Luther for a total of 48 yards and a second marker. In the final period Hopp tossed to Luther for the third touchdown.

For 53 minutes Paul Christman and his Missouri mates were stymied by the tough Huskers, who were determined that there would be no third consecutive victory for the Tigers.

Missouri got some consolation—in the first conference defeat for them since late in 1938—when Ted Liebig, sub guard, added the extra point. It was the first successful try in 11 attempts for the Tigers.

Stanford Rallies In Final Period To Win

PALO ALTO, Calif., Oct. 26 (AP)—Stanford scored two touchdowns in the last minutes of play today to defeat Southern California 21 to 7 in their annual Pacific Coast conference football classic before 55,000 spectators.

The thrilling contest saw Stanford drive 80 yards to break a 7-7 deadlock. With less than 60 seconds to go, quarterback Frank Albert intercepted a USC pass and ran 24 yards to clinch the game.

Stanford scored in the opening period and USC tied the count in the second.

Open Up Passes.
The Bulldogs unleashed a barrage of passes after the Steers scored but could not connect enough to score. The best chance came from a 20-yard aerial by Odie Kelly, but it was dropped by Maurice Bratton.

A tally possibly could have been made on the play since Bratton was in the clear at the time.

It wasn't in the books for the Bulldogs to win. They stayed in the hole most of the night. Time after time, Jim White booted long kicks down the field but Fullback Pete Presley of the Steers usually returned them 10 or 15 yards. Presley's play did most to keep the ball in Midland territory.

Williams Plays.
Quarterback Wendell Williams, despite a bad ankle injury, played most of the game before re-injuring himself in the last period when he had to quit the field. Little Ivan Hall filled in for Williams.

There was more action in the game than the close score would indicate. Although only one first down, by Big Spring, was made in the first half, ball carriers several times threatened to get loose for long gains. Line play of both clubs was excellent.

The Longhorn line, generally rated one of the best in West Texas, lived up to advance notices. They held Bulldog halfbacks to 51 yards on the ground and cleared the way for their mates to pick up 151 yards. Each side made 71 on passes.

One Of Two Wins.
The touchdown pass of the Steers was one of the two they completed out of 11 attempts. The Bulldogs attempted 23 and completed seven. Most Midland completions were good for only short gains.

The Bulldogs were never able to get into Big Spring territory, advancing as far as their own 46 one time. White shaded Presley in kicking, but the returns made by the Steer back more than made up for deficit. White disregarded logic by kicking to the elusive Presley. Several times Presley arched the ball out around the Midland 10.

Eidson Plays Well.
Husky "Boog" Eidson of the Bulldog should have caught a position as an all-district guard by his performance. He was in every play and considerable credit goes to him for holding the score down. Every Midland boy played his heart out to win, but the goddess of luck that has smiled on the team most of the season deserted it when fortune was most needed.

Coach Bud Taylor of the Bulldogs refused to alibi for the defeat, admitting that it was not altogether unexpected. Injuries to Williams and Lester undoubtedly hurt the Bulldogs but the coach didn't use that as an alibi.

Pierson Transfer Asked By Sheriff

AUSTIN, Oct. 26 (AP)—Sheriff Jim McCoy today asked the State Board of Control to transfer Howard M. Pierson, 26-year-old paroled convict, to the State Hospital for Insane at Rusk but the board took no action.

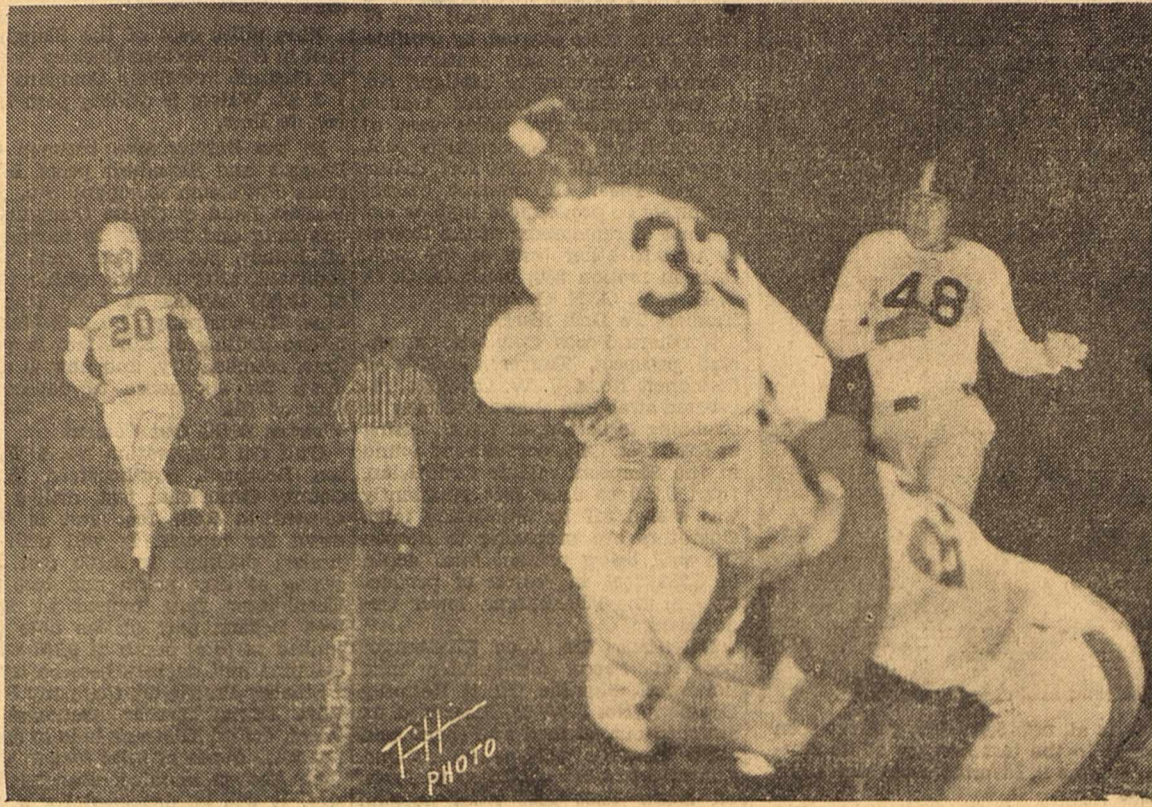

Dr. C. H. Standifer, superintendent of the Austin State Hospital from which Pierson escaped in 1938 and whom a district court has vested with sole authority to act, said he had made no request for Pierson's transfer.

The former University of Texas student, who shot his parents to death in 1935, remained in the county jail.

Members of the board, which must pass on all patient transfers, asserted no action would be taken unless a formal application is received from Dr. Standifer.

Golf enthusiasts spend approximately \$180,000,000 annually in following the sport. This includes equipment, caddy fees, etc.

As the Bulldogs Stopped Presley—Once

Pete Presley is shown being stopped—and hard—by Herbert Rehders, Midland center, in the game played here Friday night. With his death grip on the Big Spring fullback, Rehders appears not to need any help but Odie Kelly, Bulldog fullback, No. 20, is shown moving up—just in case. Big Spring won the game—6-0.

GEORGETOWN CAPTURES 21ST STRAIGHT GAME

NEW YORK, Oct. 26 (AP)—Undeclared Georgetown gave a crowd of 11,000 New Yorkers a glimpse of greatness today as it crushed New York University's Violets 26 to 0 to extend its string of 21 games without a setback. The Hoyas regulars played in only two periods, but the victors scored in every period except the second.

FINDS FATHER AFTER 30 YEARS BY DIRECTOR

TULSA, Okla., Oct. 26 (AP)—Ask Mrs. Iva Jones her lucky number and she'll probably reply, without hesitation, "eleven-fifty-nine."

Mrs. Jones, who lives at 1159 North Cheyenne Ave. here, hadn't seen her father, Clyde Wilhite, for 30 years.

Recently, she heard he had been seen in Texas about two years ago. She went to the public library and began searching all the directories of Texas cities.

She found him at telephone No. 1159, San Antonio.

Franck Scores Four Touchdowns To Pace Gophers To Victory

MINNEAPOLIS, Oct. 26 (AP)—Scoring four touchdowns, George Franck helped Minnesota's Golden Gophers to a 34 to 6 victory today over Iowa before 63,000 homecoming fans.

The sturdy Huskies from the corn state put up a great fight, but the Minnesota crusher got them and it got them along with two second period touchdowns that found the speedy Franck snatching long passes from Bruce Smith.

Iowa got into Minnesota's territory only once. A fumble was recovered by Iowa on the Minnesota 33 in the first period. Bender passed 12 yards to Gilbeard, Bill Green lost six trying to pass. With the Minnesota defense scattered for another flip, Green darted through a big hole at center cut to his left, hit the sideline and ran 27 yards for a touchdown.

Halfback Jimmy Vickers took the return punt on the 38 and raced back to the 23. On third down, Dobbs passed to Vickers on the one-yard line and as two tackles smashed him down hard he fell with the ball inches across the goal. End Bill Grimmerick's kick from placement connected beautifully for the extra point.

The Horned Frogs completed 16 passes out of 28 attempts but many of them gained only a yard or two as the alert Tulsa secondary smashed the receivers down in their tracks.

Garner Team Beats Courtney, 6 To 0

COURTNEY, Oct. 26 (Special)—Scoring in the third period, the Garner six-man football team Friday scored a 6-0 victory over Courtney and took second place in the league standings.

The Courtney team has lost three games this season while winning three, and retains a bare chance to win the pennant. Westbrook is the leading club in the district, having won five games and dropped one.

The lone Garner score came when E. L. Roman, Hillbilly end, took a 15-yard pass and raced over the goal. In the last half Garner consistently outplayed the home club, but never could push across another score.

Auto Liability Rates Will Save \$850,000 Year

AUSTIN, Oct. 26 (AP)—An annual saving of \$850,000 was foreseen today by State Casualty Insurance Commissioner Hauben Williams as a result of new automobile liability schedules and classifications effective Nov. 15.

Williams declared downward adjustments could be credited directly to improved driving by automobile operators.

Rate changes affect both private and commercial cars.

El Paso, Waco, Wichita Falls, Beaumont, Corpus Christi, Texarkana and Lubbock will have a rate of \$17 compared with \$22.

Texas Christian Upset, 7-0, By Tulsa Gridders

By Ben Funk
TULSA, Okla., Oct. 26 (AP)—An inspired University of Tulsa football team smashed the famous Texas Christian University aerial attack today and launched a vicious running and passing offensive of its own to score a startling 7-0 upset victory before 10,800 homecoming day fans at Skelly Field.

The Golden Hurricane, in the season's greatest demonstration of speed and power, stunned the Horned Frogs with a touchdown thrust in the first three minutes of the game and protected the lead by dominating all phases of play for the remainder of the afternoon.

Penalties Halt Drives
Fifteen-yard penalties for holding stopped two Tulsa drives inside the TCU ten yard line and a third march which carried to the seven yard stripe failed to produce a score when Halfback Roy Buffalo's attempt for a field goal went wide.

Texas Christian tried desperately to tie the score in the fading moments of the second period but the timekeeper's gun sounded with the ball six yards from the Hurricane goal.

Glenn Dobbs, Tulsa's great kicker, gave the crowd one of its biggest thrills with a mighty 70-yard boot that went out of bounds on the Frog one-yard line and paved the way for the game-winning touchdown.

Halfback Jimmy Vickers took the return punt on the 38 and raced back to the 23. On third down, Dobbs passed to Vickers on the one-yard line and as two tackles smashed him down hard he fell with the ball inches across the goal. End Bill Grimmerick's kick from placement connected beautifully for the extra point.

The Horned Frogs completed 16 passes out of 28 attempts but many of them gained only a yard or two as the alert Tulsa secondary smashed the receivers down in their tracks.

The Courtney team has lost three games this season while winning three, and retains a bare chance to win the pennant. Westbrook is the leading club in the district, having won five games and dropped one.

The lone Garner score came when E. L. Roman, Hillbilly end, took a 15-yard pass and raced over the goal. In the last half Garner consistently outplayed the home club, but never could push across another score.

BROWN WINS FROM HOLY CROSS 9-6

PROVIDENCE, R. I., Oct. 26 (AP)—Brown defeated Holy Cross here this afternoon, 9 to 6. A first period field goal by Ernie Savignano and a fourth period touchdown by Andy High, climaxing a 67-yard march brought Brown's scores. Holy Cross scored on the last play of the first half on a Natawich to Roberts pass that traveled 60 yards.

Rate Changes Affect Both Private and Commercial Cars

El Paso, Waco, Wichita Falls, Beaumont, Corpus Christi, Texarkana and Lubbock will have a rate of \$17 compared with \$22.

Rice Defeats Texas In Two Hard Drives

HOUSTON, Oct. 26 (AP)—Rice Institute, playing its grandest game of the young season, struck down the colors of unbeaten, untied Texas Christian University today bursting loose two terrific surges for a 13-0 victory.

The bonfire eager Rice students had built on the campus last night still smoldered as the Owls set out in their first Southwest Conference clash, underdogs against the league's leading ground-gainers.

With shocking suddenness Rice showed it was no respecter of reputations, racing across for a touchdown in the first 4 1/2 minutes.

Weems Stars
T. A. Weems, the tall Rockdale sophomore, who wrote his name indelibly on Rice's roll of honor today, touched off the explosion.

Rice took the ball on a punt on its own 31, on the first play from scrimmage, Weems zig-zagged 41 yards on reverse around right end to the Texas 28. Bob Brumley and Price shook the Texas line to the 6 and Brumley carried it over in three tries. Weems kicked the point.

The third period lasted only four plays before Rice scored again. Weems smuggled the kickoff and churned 56 yards downfield, finally being run out again on the Texas 29. Three plays later, from the 24, Brumley broke through the Longhorn forward wall and lateraled to Weems just as he was being tackled along the 10-yard line. Weems cut behind two tacklers and raced over. He failed on his conversion attempt.

Crain Stopped
Jack Crain, the wrath of Texas University, was just another ballplayer today. His net gain in five tries was four yards, compared to Weems, 94 in 13 efforts.

Crain played about 26 minutes. He was injured in the Arkansas game last Saturday and did not suit up this week until Thursday. Coach Dana Bible apparently was content to use him no more.

Rice rolled up 201 yards rushing, holding Texas to a meek 94. The Longhorn, however, plucked 102 yards on Pete Layden's and R. L. Harkins' passes. Rice completed 10 passes but tried only three in view of its whacking success along the ground.

Sweetwater Mustangs Trample Over Abilene, 24-7, As Backfield Men Score Touchdowns In Each Quarter

ABILENE, Oct. 25 (Spc)—The Mustangs of Sweetwater high school, appearing just as potent as they did one year ago in marching through their District 3-AA schedule for a championship, trampled the Abilene Eagles, 24-7, here Friday afternoon by scoring a touchdown in every period.

It was simply too much Hudgins and Flanagan for the Eagles. Each broke loose for two touchdowns and threatened innumerable times. Point was missed after each score.

The first Pony score came in the initial period when Hudgins skirted end for one yard to climax a 41-yard drive. Flanagan broke loose in the second period, racing 88 yards for another six points. The third score was made by Hudgins when he went five yards around right end for a touchdown after Center Sparky Eberle had intercepted an Abilene pass on the 18.

The Eagles scored early in the fourth period as Gene Dalton plunged over from the one-yard stripe after a sustained drive from the Pony 35. Howell passed to Collins for the extra point.

The Ponies canceled the score with one of their own. Flanagan traveling 42 yards for a tally a few minutes later.

Kermit Beats Badgers In Wild Aerial Game

KERMIT, Oct. 26 (Special)—The Kermit Yellowjackets, playing one of their best games of the year, outlasted the McCamey Badgers here Friday night to cop a 6-2 decision.

The game was one of the wildest played here this season, both clubs resorting almost solely to passes. The Kermit team picked up 139 yards from scrimmage while the visitors were gaining 97, and made 143 in the air compared to 121 for the Badgers.

Aggies Decision Baylor, 14 to 7, In Hard-Fought Battle

Bear Line Holds Until Power And Experience Win

WACO, Oct. 25 (AP).—The growing Texas A. and M. snowball flattened gallant, geared-up Baylor today, 14-7, rumbling to its sixteenth straight triumph in one of the stoutest tests of the Aggies long string.

Hobbled at critical moments by the famed Baylor line, the Aggies drew deeply on their power, experience and passing game to build up a two-touchdown lead that withstood Baylor's last minute surge.

Battered, weary, the screams of 20,000 fans beating their ears the last 20 minutes, the Aggies were glad to leave Municipal Stadium and a Baylor team that had been pointing for them since the playing date was announced months ago.

Had To Fire Up

The Aggies outgained and out-scored the Baylor, but they had to fire all-America John Kimbrough, Big Jim Thomason, Marion Pugh's aerial darts and their great line for sixty minutes to get on the winning side. The Aggies swept to 283 yards on a slightly slippery field, 156 of it from running, while Baylor rolled up 145 yards.

The first down margin went to the big red touchdown machine, 14 to 6, and many times they lost scoring opportunities on their own errors and Baylor's valiant stands, but still they had to scramble to stifle Baylor in the last period.

Only one minute remained when the Aggies finally got the situation under control again. Then, on Kimbrough's battering forays outside the tackles, they were sweeping ahead down on the Baylor 13 yard line as the game ended.

Kimrough, Then Conatser

Dwight Parks kick-back that sailed out on the Baylor 40 started proceedings. Kimbrough and Conatser jabbing the tackles and skirting the ends, took turns about upsetting the Bruins. Just as Baylor's line girded down on their four for some of Kimbrough's bull rushing, Conatser tailed around left end for the score, untouched. Pugh kicked the point.

Parks started connecting with passes to Witt that gained 22 and 11 yards in a drive that started from the Baylor 32 and ended in futility on the last play before the half when Odell Herman, Aggie center, intercepted on his own five and dashed 32 yards before smashed out of bounds.

Score In Third

The second Aggie score came deep in the third period after Baylor had them back from the five yard line on Moser's fumble. Back on the Baylor 45, where Witt's kick settled, Reserve Back Harland Jeffrey spun a 15-yard pass that Sophomore Bill Henderson, angling, six foot, six inch end, grabbed and took across on a beautiful sprint. Jake Webster kicked the point.

A 40-yard runback of a kickoff by Jim Witt, a grand ball carrier and leader started the Bruins on their touchdown rally. With the ball on the Baylor 40, he started passing to sophomore Jack Russell and Milton Crain, finally working down to the Aggie 29. Tiny Dwight Parks took over the chunking there and lofted a 15-yarder that Witt bagged at the 14 and took across for the score.

Lineup and summary:

Texas Aggies	Pos.	Baylor
Dawson	LE	Koch
Pannell	LT	Goddold
Robnett	LG	Mickler
Vaughn	C	Nelson
Henke	RG	Haley
Routt	RT	Anderson
Simmons	RE	Russell
Pugh	QB	Witt
Moser	LH	Byrd
Thomason	RH	Parks
Kimbrough	PB	Merka

Score by periods:
Texas Aggies 0 7 7 0-14
Baylor 0 0 0 7-7

Flying Start

Banks McFadden, All-America halfback from Clemson, is on way to becoming outstanding recruit of National Professional Football League. The lanky Brooklyn Dodger leads the loop in ground-gaining.

Angelo Bobcats Fall To Lamesa By 14-6 Margin

SAN ANGELO, Oct. 26 (Special).—With Gus White taking the "hero" role, the Lamesa Tornados Friday night scored a 14-6 victory over the San Angelo Bobcats for a stunning upset in district 3-AA.

The game was the second conference defeat for the Bobcats and the first Lamesa conference win after two losses.

The underdog Tornados outplayed the home club throughout and deserved to win. They picked up more yardage on the ground and through the air and were in command all the way.

The first score came in the third quarter on a 53-yard sprint by White after a Bobcat fumble had been recovered. The second score came on a five-yard burst through the middle by White, concluding a 31-yard march.

The Bobcats scored in the final period when halfback Lonon plowed through the line for three yards and six points.

The earth, which is slightly flattened at the poles, would become spherical if it stopped spinning.

Texas Aggies scoring touchdowns, Conatser, Henderson (pass from Jeffrey). Point from try after touchdown, Pugh, Webster (sub for Kimbrough) (from placement). Baylor scoring: touchdown, Witt (pass from Parks). Point from try after touchdown, Nelson (from placement).

Referee, Abb Curtis; Texas: umpire, Jimmy Higgins, SMU; head linesman, Eddie Dyer, Rice; field judge, Charles Schwartz, Rice.

Texas Tech Wins 20-13 Game From Marquette Team

MILWAUKEE, Oct. 26 (AP).—Charley Dvoracek, hard-driving Texas Tech fullback, dashed 24 yards in the closing minutes to score and give the Red Raiders a 20 to 13 victory over Marquette University in a spirited football game here today before 8,000.

Dvoracek's dash was the second of two quick thrusts by the invaders in the final period. The first, a 30 yard dash by Roger Smith, took the ball to the Marquette 24 and from that point the fullback went over, smashing through the center of the line, cutting sharply and outracing the Marquette secondary to score.

Marquette got the jump, scoring early in the game. Jimmy Richardson passed to Johnny Goodyear for 17 yards to the one yard line and Doug Renzel pushed it over. Good-year added the point with a place kick.

Score After Kick-Off

The Raiders took the kickoff back 45 yards to the Marquette 42 and then marched from there to score, Dvoracek going over from the one. The extra point kick by McKnight was wide.

Tech took the lead early in the second period on a 45 yard touchdown pass, from Storres to McKnight and this time McKnight kicked the point. Marquette fought back into a tie when Richardson climaxed a 60 yard advance by circling end for 34 yards and a touchdown. The place kick failed.

Marquette missed two scoring chances in the third period when it was stopped on the two yard line and on the seven.

Indians Have To Use Full Power In Win Over Iowa Staters

AMES, Ia., Oct. 26 (AP).—Oklahoma's Sooners, big strapping fellows from the Southwest, had to use all their power here today to pull through 20-7 victory over a hard-fighting band of Iowa State Cyclones.

The gallant Cyclones, battling to please a home-coming crowd of 14,000 fans who sat in an uncomfortable warm October sun, fought on almost even terms with Oklahoma until late in the fourth period when rip-roaring Johnny Martin broke their hearts with a 53-yard touchdown dash.

Second 'Big Six' Win

Martin's scout through the left side of the Iowa State line and down through the secondary provided the Sooners with their second straight Big Six triumph.

The Cyclones threatened on various occasions, and once had a rally choked off by the big Sooners on the one yard line.

Oklahoma, with slippery Jack Jacobs, the triple-threat Indian flash, and Martin providing the spark, drove 65 yards for a touchdown in the first quarter, Martin finishing the powerhouse attack with a one yard plunge. Jack Haberlin came off the bench to kick the extra point and Oklahoma led, 7 to 0.

The Sooners didn't hold that advantage long, the Cyclones coming right back to knot the count.

There were several scoring threats by both teams before Oklahoma finally cracked a lead late in the third period with another long drive. The Sooners, mixing passes with power, ripped 64 yards for a touchdown, Jacobs taking the ball over on a plunge from the 4-yard mark. Haberlin again did his extra point kicking stunt and Oklahoma led 14 to 7.

Wildcats Overcome Monahans Lead To Cop 18-12 Decision

WINK, Oct. 26 (Special).—The Wink Wildcats, perennial champions of district 7-A, stamped themselves as the team to beat tonight by coming from behind to capture an 18-12 decision from a favored Monahans team.

The Wildcats scored a touchdown within a minute of the opening whistle, only to see the Lobes tie up the score near the end of the period and go ahead with another touchdown in the second period.

Soon after the third quarter opened the Wildcats crashed across with the tying score and before the 15 minutes had ended pushed across another six points to take a lead that was never headed.

The Lobes unleashed a passing attack in the last period that threatened to at least tie the score but could never connect.

The victory left the Wildcats tied with the Pecos Eagles for the league lead. The district championship will probably be decided Thanksgiving Day when the Eagles and Wildcats meet.

Agape With Awe at Uncle Tom

Tom Harmon calls his little nephew "Champ," and it is easy to see that his famous uncle is a champion in the eyes of the youngster who accompanies the great back's mother, Mrs. Louis A. Harmon, on visit to Ann Arbor.

Harmon Is Brilliant In Michigan Victory

ANN ARBOR, Mich., Oct. 26 (AP).—Michigan's great Tommy Harmon raced 19 yards to one touchdown and passed 15 to a teammate for another to lead the Wolverines to a 14 to 0 victory over Pennsylvania before 60,000 impressed fans today.

Any doubts the Michigan star would retain the all-America laurels accorded him last season were erased as he turned in one of the most brilliant performances of his career against the previously unbeaten Quakers. By scoring a touchdown and kicking to extra points, Harmon ran his total for five games to 87 and left his most prominent rival, Frank Reagan of Penn., far in the rear.

Heralded Duel Failed

The heralded duel between Reagan and Harmon never did develop. The diminutive Penn ace neither could pass nor run to advantage against the stout Michigan defense, and was jerked from the game by Coach George Munger early in the final period.

The best Reagan could do was toss a couple of 11-yard passes, and his longest run from scrimmage was seven yards. Harmon, in addition to his two scoring plays, streaked through and around the Penn line for gains of 23, 17, 14, 14, and 12 yards, and completed two other long passes of 24 and 14 yards. In addition, his kicking was splendid.

He was, in a word, terrific. Michigan scored its touchdowns in the first and third periods. Penn lumbered down as far as Michigan's two-yard line at the start of the final quarter, but couldn't score through the bunched Wolverine defense.

R. J. (Bob) Goode of Gastenberg, Ala., will be master of hounds and judge of the bench show opening Monday night. The puppy show will be held Tuesday afternoon, and Tuesday night John Elliott of Jacksonville will defend his national horn-blowing title. An auction sale will be held Wednesday afternoon.

There is no limit on side hunts for sportsmen who wish to give their dogs a night run on lands outside the official site.

Among judges selected for the field trials are J. E. (Ted) Tidie of Alice, L. T. Dickson of Coushatta, La., Lewis Evans of Loveland, J. F. (Pete) Foster of Beaumont, B. X. England of Paris, Claude Miller of Henderson, Tom Adcock of Frisco and C. B. (Punch) Wagner of Monroe.

UNDERGOES OPERATION STANTON, Oct. 26 (AP).—Mrs. Ted Blankenship underwent an emergency appendicitis operation in the Stanton Clinic-Hospital Friday night.

First downs favored Stanton, 9-5, while they were gaining 264 yards from scrimmage to 96 for the Indians.

Arkansas Comes From Behind To Defeat Ole Miss

MEMPHIS, Tenn., Oct. 26 (AP).—Fighting a grim, uphill battle, Arkansas' valiant Porkers punched over a pair of touchdowns in the final period to defeat a favored Ole Miss eleven 21-20 before approximately 12,000 roaring fans here today.

Fullback Bob Forte, 185-pound back from Lake Village, Ark., set up the winning touchdown, scooping in a partially blocked Rebel punt on the Ole Miss 37 and racing to the one. Jay Lawhon bulled over the line and Simington kicked the vital extra point.

It was a bitter defeat for the unbeaten bowl-minded Mississippians, seeking their fifth victory of the season. Fighting desperately in the last few seconds and sparked by their brilliant "H" boys, Little Junie Hovious and Merle Hapes, the Rebels marched to the Arkansas 19 but one of Eubank's two field goal attempts was blocked and the other fell short.

Open Tricks Early

The "passing Porkers" opened their bag of tricks five minutes after the game started. After working to the Rebel 14, Hamberg pitched to Ramsey for the score. Simington kicked the first of his three extra points.

The Rebels rallied and plowed through for a touchdown two minutes after the start of the second quarter. Little Junie set up the score with a pair of passes to Popp which carried to the Rebel seven. In two tries Hapes crunched over. Hovious booted the extra point.

Minutes later, after Ole Miss again had battered into Arkansas territory, Hovious twisted through the line and ran 38 yards for the second score.

Tulane Scores In Final Minute To Defeat Tar Heels

CHAPEL HILL, N. C., Oct. 26 (AP).—A third string quarterback who entered the game in its closing minutes rushed through the line, blocked a North Carolina punt and helped Tulane to 14-13 victory over the Tar Heels today.

A homecoming crowd of 20,000 saw the contest in clear, hot weather.

The substitute quarterback was Tom Glass, a Tulane home town product from New Orleans. With the Green Wave trailing 13-7, with the ball in north Carolina's possession on Tulane's 43, with less than two minutes to play—he turned defeat into victory.

Knifing through North Carolina's line, Tom blocked a kick by Harry Dunkle, Albert Bodney of Gary, Ind., Tulane end, grabbed the ball on North Carolina's 45 and raced untouched into the end zone. Jimmy Thibaut, another New Orleans product, coolly booted the deciding extra point from placement.

OREGON STATE WINS

LOS ANGELES, Oct. 26 (AP).—Oregon State defeated the University of California at Los Angeles on a soggy field, 7-0, in a Pacific Coast conference football game today. Attendance was 25,000.

HUSKIES BEAT CALIFORNIA

SEATTLE, Oct. 26 (AP).—Washington came from behind in the fourth period to defeat hard-driving and stubborn California, 7 to 6, before 25,000 fans today. California scored in the third quarter on a 56-yard touchdown run by Gene Pickett, then missed the extra point.

Six Unbeaten Clubs Forced Off Pedestal

By Herb Barker

NEW YORK, Oct. 26 (AP).—Football form took a terrific drubbing today as Fordham, Texas, Mississippi, Columbia, Southern California and Penn dropped off the unbeaten list, and upsets were the rule all along the line.

Still undefeated and untied when the firing was over for the day were Cornell, Navy, Georgetown, Boston College, Penn State and Lafayette in the east; Michigan, Notre Dame, Minnesota, Northwestern and Detroit in the Mid West; the Texas Aggies in the Southwest; Tennessee and Clemson in the south; and Stanford in the Far West.

Wins Decisively

All-America Tom Harmon paced Michigan to a decisive 14-0 victory over Penn, scoring one touchdown on a 19-yard sprint and passing to End Ed Frutig for the other. A crowd of 60,000 saw Penn's ace Frank Reagan, shakled all the way.

Fordham bowed to St. Mary's of California, 9-6, on Joe Aguirre's fourth period field goal; Mississippi surrendered to Arkansas' great fourth quarter surge, 21-20; Texas, with Jack Crain unable to get going, fell before Rice, 13-0. Columbia was topped by Syracuse, 3-0, when Le-land (Buck) Morris drop-kicked a field goal in the last 40 seconds.

Cornell spotted Ohio State a touchdown and then came back to route the Buckeyes, 21-7, before a record crowd of 34,500. Lou Bufalino scored twice in the last quarter to seal the decision away and run Cornell's unbeaten string to 16 games.

Irish Swamp Illinois

A crowd of 63,186, biggest at Champagne in 11 years looked on as Notre Dame, boasting its finest team in years, rolled over Illinois 26-0 with Steve Juzwik counting twice.

Navy, Georgetown, Boston College, Lafayette and Penn State, the other unbeaten eastern outfits, won decisively. Georgetown ran its unbeaten streak to 21 games with a 26-0 route of New York University. Navy hammered Yale into submission, 21-0; Lafayette knocked hapless Army, 19-0; Penn States ran up an 18-0 count on Temple, and Boston College spilled St. Anselm's, 55-0.

Dartmouth surprised with a 7-6 decision over Harvard and Brown's 9-6 victory over Holy Cross also was cause for eyebrow-lifting. Princeton handed Rutgers its first defeat, 28-13, and Wesleyan defeated Amherst, in an upset, 14-6 in the first game of the little three series.

Golden Gophers Go

Minnesota turned loose all its power and trampled Iowa, 34-6, before 63,000 as George Franck scored four touchdowns. Northwestern, with Bill De Correvont on the sidelines because of an ankle sprain, had to come from behind to stop Indiana, 20-7. Wisconsin pulled a surprise by beating Purdue 14-13, in a lively duel that saw all four touchdowns scored in the final quarter.

Michigan State and Santa Clara played to a scoreless draw but Texas Tech outpointed Marquette, 20-13.

Form held fast in the Big Six where Nebraska was too powerful for Missouri and won, 27-0; Oklahoma subdued Iowa State, 20-7, and Kansas State tripped Kansas, 20-0. Wins 16th Game.

The Texas Aggies needed to call on every resource at their command to turn back Baylor's Bears, 14-7, and remain unbeaten through their 16th successive game. Texas Christian dropped a surprise 7-0 decision to Tulsa.

Tennessee had to shake Bill Nowling and Buist Warren loose for two long runs to defeat Florida 14-

0. Georgia Tech came a cropper against Auburn's fine team 16-7 in another Southeastern conference fray.

Al Rodney's 45-yard touchdown run after a blocked kick and the ensuing point gave Tulane a 14-13 decision over North Carolina.

Wallops Wake Forest

Duke's Southern Conference hopefuls walloped Wake Forest, 23-0 but upsets were general in that sector otherwise. Richmond topped Virginia Military, 9-7, and Virginia Tech trounced Washington and Lee, 21-0. Furman ran up a 40-0 count on Davidson. William & Mary surprised with a 13-6 victory over non-conference Virginia.

Stanford's amazing Indians pushed over two touchdowns in the final quarter and walloped Southern California, 21-7, to remain the lone unbeaten, untied team in the Far West. It was Southern California's first defeat although the Trojans had been tied twice.

Washington had to come from behind to nip fighting California, 7-6; Oregon State gave U.C.L.A. another beating, 7-0; and Oregon surprised by holding Washington State to a 6-6 draw.

Utah threw the Rocky Mountain big seven into an uproar with a 14-14 defeat of Denver. Colorado tramped over Wyoming 62-0.

CARNEGIE TECH WINS

PITTSBURGH, Oct. 26 (AP).—Crippled and twice beaten Carnegie Tech's once mighty Tartans won their second football game of the season today by shutting out Case School of Applied Science of Cleveland 14-0 before a slim crowd of 5,000 in Pitt stadium.

SPARTANS AND BRONCOS TIE

EAST LANSING, Mich., Oct. 26 (AP).—Michigan State's Spartans and Santa Clara's Broncos battled to a scoreless tie before 20,000 spectators here today. Jim Johnson, Santa Clara ace, missed a field goal attempt from the 16-yard line with 25 seconds to play in the final period.

THE CITY OF MIDLAND

Reich And Britain Running Great Plane Output Race Which May Name Winner

By Paul Manning
NEA London Correspondent

LONDON. — Aircraft production still remains the key to success in this Battle of Britain. That is curiously the candid opinion of the London Sunday Dispatch.

"If Britain's aircraft production falls below its maximum possible output, there can be little hope for victory. Planes are the complete key to this war, and upon their production depends the future."

Outlook Not Bright

The outlook for achievement of this maximum output and eventual parity in plane production with Germany does not look too bright at the moment. Output in one airplane factory of 1500 workers has dropped to a new low because air raids have driven night-shift workers to the shelters. Recently, during one week, 90,000 working hours were lost by a night shift reluctant to continue work during a raid in their 95 per cent plate-glass factory. The result was a series of nine-hour periods spent in air raid shelters. According to several workers and managers, this situation is occurring in more than one factory.

Nazis Were Ahead

EVEN if this slow-down is only temporary, it is doubtful whether numerical equality with Germany will be achieved for a long time to come. On the basis of cold figures the enormous head start gained by Germany prior to August, 1940, still remains great.

No actual figures, only percentages, have been released by Britain's Ministry of Aircraft Production during the past year stating her airplane output.

It is known that Germany's aim was to have an air strength of 8200 front-line machines when she clashed with Britain, and behind these a reserve of 100 per cent. If this goal was reached she would then have had 16,400 planes with a chain of factories ready to replace losses and turn out reserves.

This 16,400 figure may not have been reached by September, 1939, but it was certainly achieved during the six months of quiet along the Western Front.

Loss 6500 Planes
If 16,400 were manufactured by September, 1939, and a minimum of 900 machines added each month through December, the German air arm would have begun 1940 with at least 20,000 apart from losses and normal training crackups.

From January to May, when she started her shattering march across the low countries, another 5000—at the rate of 1800 a month—would have been produced. Add a further 5400 for June, July and August of 1940 to make a total of 30,400 since the Luftwaffe was first formed in 1933.

This figure optimistically assumes the Nazis fulfilled all pre-war timetables of deliveries, overcame the normal bottlenecks of engine production and suffered not the loss of a single man-hour from R. A. F. raids up through August.

On production rate of their aircraft factories, the belligerents stake their chances of victory.

As for losses, 6500 is one near-official total of German airplanes shot down in campaigns to date. These figure as follows:

In the Polish campaign, 500; in Norway, Holland and Belgium, 600; by the French Air Force, 100; by the R. A. F. in France and over England, 4000; miscellaneous losses, 400.

These 23,900 airplanes which can conceivably be mustered, indicates that Germany at the start of her aerial blitz of several weeks ago was at least as strong numerically as in September, 1939.

U. S. Planes Aid Britain
DURING the past four weeks Germany's aircraft production, like

Britain's, has suffered from intensive night raids. Yet because she possesses such a bulge in planes already produced, the night bombing not taking place is not quite the serious problem it is to England.

American airplanes which England is beginning to receive in greater quantities will help Britain immeasurably.

In spite of Lord Beaverbrook's statement that the flow of airplanes from the U. S. gives renewed confidence, this flow will not be more than a trickle until spring. By that time Germany may well have the French aircraft industry reorganized and able to produce 200 a month to partly offset the advantage of American planes.

Pilots of the Royal Air Force are the ray of light in this gloomy picture. They have generally proven far superior to the German airman.

But if they fail to smash the German aircraft industry before deep winter sets in, England by April must face the fact that—though her own output will have increased—12,000 new planes will be added to the Luftwaffe.

If the earth stopped spinning on its axis, it would become a more perfect sphere.

Stanton Club And Courtney Group To Have Meeting Monday

COURTNEY, Oct. 26 (Sp)—Invitations have been sent to about 30 people of the Courtney Community by the Stanton Service Club to attend a dinner-meeting at Courtney school Monday night. The PTA and 4-H Club girls of Courtney will be in charge of the menu and decorations, with a Halloween motif being used in appointments.

Receives Instruments
Forty instruments have been received for the tonette band organized in the fifth and sixth grades of Courtney School the past week. Mrs. Blanche Alcorn is director of the band. A "top orchestra" has been organized in the third and fourth grades.

Courtney PTA will sponsor its annual Halloween carnival at the gymnasium on Friday night, Nov. 1. Barbara Penn, freshman candidate in the athletic queen's contest took the lead Friday by 550 votes.

News Items
Mr. and Mrs. John W. Blocker and daughter, Bobby Ruth, and Mr. and Mrs. Henry Rayford will spend today in Lubbock with Miss Addie Beth Blocker, John Blocker Jr., and Miss Louise Rayford, all students in Texas Technological College.
Mr. and Mrs. F. T. Drummond visited relatives in Colorado City during the weekend.
Mr. and Mrs. C. J. Smith spent Saturday in Westbrook at the bedside of his mother.
Annie Lee Hill, who was injured by a truck, Saturday night, November 19, in Big Spring, was able to be back in school Friday.

More Than One Hundred Babies Pass Before Judges In Baby Beauty Show At High School Saturday Afternoon

More than 100 babies, short ones, tall ones, dark ones, blonde ones, happy ones, and shy ones, passed before the judges in the baby beauty show held at the high school auditorium, Saturday afternoon at 3 o'clock.

Entrants were classified in five groups: Infants under a year of age; from one to two years; from two to three years; from three to four years, and from four to five years.

Each baby was judged on face and form and was given a grade by each of the three judges. The average of these grades will decide the winning boy and girl in each age group and they will be awarded blue ribbons. From these ten blue ribbon winners to be announced early this week, the audience will choose the Little Miss and Little Master of Midland at a pageant to be presented at the high school on Monday, November 4. The two winners will receive loving cups.

Babies yesterday wore sunsuits or bathing suits.

Alberta Smith, Margaret Mims, and Elaine Hedrick of the Watson School of Music presented piano numbers as the children paraded across the stage.

Judges were Mrs. Addison Young, Mrs. Bert Rosenbaum, and Mrs. A. F. Gillard. Each was presented with a gladiolus corsage by Miss Lucyle Standefer, manager of the beauty show, which is sponsored by the Rebekahs.

In addition to the beauty show, but as a separate contest, babies entering will be judged on a basis of beauty points, health points, and friendship points (popularity), as candidates for the title of King and Queen in each of the three age groups: Infant, under one year of age; junior from one to two years; and senior from two to five years.

Winners in this contest will receive loving cups.

One hundred and fifteen babies were registered in the contest, with about one hundred and six actually taking part in the beauty show yesterday.

Babies entered in the contest were:

Lois Ruth Truex, Billy Merle Long, Edward Joe Dunn, Dorothy Thresa, Charles Danley, Robert Foster Rankin, Jimmy Adams, Gay Lynn Dorsey, Andrea Bea Cole, Gerry Early, Donald Richters, Patsy McKinney, Jerry Smith, Richard Snider, Frederick Mears, Lige Midkiff, Jr., Myrlene Manschreck, Helen Ear, Flannagan, Wm. Robt. Flannagan, Robert Lee Perlati, Ditta Nell White, Diane and Jack Graves, Robert Richard Harkins, James Monroe, Patricia Ann Dzier, Donald Kidwell, Maribel White, John Parker, Jr.

Thirty-Four Are Present Saturday For Story Hour

Mrs. O. J. Hubbard was in charge of the Story Hour in the children's library, Saturday morning. She told the following stories: "The White Elephant"; "The Timid Rabbit"; "The Gummi Bears"; "The Jackals"; "Mouseland"; "The Jackal and the Alligator"; "The Bear's Bad Bargain."

Thirty-four children were present including: Robert West, Ruth Hall, Evelyn West, Emil Roper, Jackie Compton, Darnell Ferris, Mozelle Ray, Gloria Ray, Melba Jean Clark, Francis Page, Joe Barnett, Sterlin Ferris, Billie Marie Schoolcraft, Charles Schoolcraft, LaVerne Wingo, Richard Clark, Katherine Whigham, Gienna Mayo, Wanda Jo Hankins, Charles Shoberd, Earlene Burson, John D. Jensen, Betty Louise Hubbard, Velda Dee Pigg, Helen Golladay, Patsy Riley, Billie LaJean Pigg, Charles Jones, Billy Jensen, Rosalynn Leggett, Wado Leggett, Evangeline Theis, Peggy Riley, Sonny Midkiff.

Locomotives now have nearly half again as much pulling power as they had in 1918.

In a Golden Yoke

— O —
CHARLES ARMOUR, American designer, makes a simple black crepe frock dressy and important by putting on it an elegant gold Venice lace yoke, beaded in gold and blue. Irrespective stone centers in the flowers in the lace design further enliven this beautiful yoke. Sleeves of the dress are below-elbow length. The tiny, flower-trimmed fur hat, atop the pompadour coiffure, is perfect for late afternoon and informal evening occasions.

Miss Connell And New Mexico Man Wed In Dallas

Miss Eleanor Connell of Abilene and Midland, daughter of the late Mr. and Mrs. W. N. Connell, pioneer ranchers of this area, and Barney G. Hopkins of Carlsbad, N. M., were married Sunday, October 20, at the First Baptist Church in Dallas. Dr. George W. Truett officiated.

Attending the couple were Judge and Mrs. Randolph Caldwell, Mrs. Kate Eads, sister of Mr. Hopkins, Mr. and Mrs. A. A. Eads, and Mr. and Mrs. L. E. Eads.

Following a short wedding trip to South Texas, Mr. and Mrs. Hopkins will reside in Carlsbad.

Two-Hostess Shower Is Compliment To Mrs. Alsbrook

Honoring Mrs. Barney Alsbrook, Mrs. W. F. Heil and Mrs. Alwin Bodine were hostesses for a pink-and-blue shower at the home of Mrs. Heil, 704 W. Louisiana, Friday afternoon at 3:30 o'clock.

Miss Geraldine Dabney presented a piano selection to open the afternoon's program which was planned by Mrs. Bodine.

"Little Skipper" was sung as a duet by Mrs. Doyle Whitefield and Mrs. Laverne Murchison.

Following piano numbers by Miss Dabney, Miss Norene Kirby read "The First-Born." As the reading was concluded, Mrs. Bodine entered and set before the honoree a small table with gift packages heaped about the figure of a stork. Other gifts were then brought in.

A party plate was served with square cakes bearing the word "Baby" written in pink across the top emphasizing the theme of the party.

Present were: The honoree, her mother, Mrs. J. W. Watson of Colorado City and her sister-in-law, Mrs. H. C. Watson of Colorado City, Mrs. Gunn of Loraine, Miss Christine Golladay, Mmes. L. L. Hanks, Barnett, Craig, Clark, Patton, Ernest Mickey, D. E. Gabbert, A. G. Bohannon, Edwards, Rodman, C. C. Morgan, D. Davis, Raymond Hines, Lunsford, J. L. Sumrall, Doyle Whitefield, Doss, Raleigh Elliott, Hitt, Billings, O. H. Jones, Bill Smith, S. A. Debnam, Addison Young, Miss Kirby, Miss Dabney, Mrs. Murchison, and the hostesses, Mmes. H. L. Dunlap, Tom Roper, Kuykendall, Lindsey, Reed Alsbrook.

Sending gifts were: Mmes. Fred Hallman, H. H. Bulce, Ruth Hyatt, G. D. West, J. C. Reynolds, Don Logan, Geo. Sapp, Eddie McCracken, Pearl Parrott, Kiddies Toggery.

HOSIERY

America travels! You're on the go—visiting, playing, romancing—looking your best in Shaleen hosiery. Unique features give you a comfortable heel and toe; beautifully sculptured, trim-looking ankles. Ingenious fashioning gives you extra-sheer, long-wearing hosiery; of pure silk, petal-soft to the touch; in flattering colors to complement your smartest frocks. In 2 and 3 thread, at your favorite price.

WILSON'S

Mexican Luncheon And Bridge Honors Ace High Club

Mrs. J. M. Haygood was hostess to the Ace High Club with a Mexican luncheon at one o'clock Thursday at her home, 708 W. Kansas.

Places were laid at one large table with orange covers and napkins and a centerpiece of pumpkins, fruits, and nuts carrying out the seasonal theme.

Bridge was played after the service hour, with high score award going to Mrs. Joe Pyron of Odessa and second high to Mrs. E. H. Davidson.

Guests were Mrs. Joe Thorpe of Penwell, Mrs. Davidson, and Mrs. Pyron.

Members present were: Mmes. P. A. Nelson, W. G. Henderson, Pat Ruckman, S. P. Hazlip, and the hostess.

Shell Club To Hold First Fall Dance Saturday Night

Midland Shell Club will sponsor its initial dance of the fall season in the Crystal Ballroom of Hotel Scharbauer, next Saturday evening.

Herman Waldman's orchestra will play for dancing.

The dance is open to the public. Those planning to attend may make reservations with R. Brewer at the Shell office in the Petroleum building.

Banner Sewing Club Has Weekly Meeting And Bunco Party

Crochet, embroidery, and other types of sewing occupied the afternoon when the Banner Sewing Club met Thursday at 3 o'clock with Mrs. Leroy Huckabay, 315 W. Texas.

Refreshments were served to Mmes. W. L. Gaines, Marvin Pritchett, Paul Cole, M. A. Jared, Claude Brown, Wymer Smith, Harris, John Godwin, and the hostess.

Next Thursday the club will meet with Mrs. Paul Cole.

Members of the club and their husbands were entertained earlier in the week with a bunco party at the home of Mr. and Mrs. John Godwin.

Halloween decorations were used in the party rooms.

High score in the games went to Mrs. Paul Cole for women and to John Godwin for men; low score went to Mrs. Marvin Pritchett and M. A. Jared.

Refreshments were served to: Mmes. Claude Brown, Marvin Pritchett, Leroy Huckabay, Jared, Wymer Smith, and the host and hostess.

Two Couples Hosts To Supper-Bridge For Joie de Vie

Entertaining with a supper-bridge, Mr. and Mrs. Russell C. Conkling and Mr. and Mrs. John Dublin were hosts to the Joie de Vie Evening Club at the Dublin home, 1300 W. Missouri, Thursday evening at 7 o'clock.

The dining table was laid with a lace cloth over green, with an arrangement of nasturtiums on a mirror plaque as the centerpiece. Lemon and orange marigolds were used on the buffet.

Roses and rose-colored chrysanthemums were employed as decor in other party rooms.

Five tables of bridge were played with bronze-and-white wrapped prize packages awarded to: Mrs. Hugh Corrigan for high score among women and Fred Turner for high score among men of the club; Mrs. Guy Cowden for high score guest; and Mrs. Fred Turner for bingo cut.

Club guests were Mrs. Guy Cowden, Mr. and Mrs. I. E. Daniel, and Mrs. O. B. Holt.

Members present were: Mmes. and Messrs. Hugh Corrigan, R. B. Cowden, George Glass, Wallace Irwin, Chas. L. Klapproth, J. R. Martin, Fred Turner, the host couples and P. F. Bridgewater.

Violin And Piano Selections Played At Club Meeting

The following program of violin and piano numbers was presented at the meeting of the Treble Clef Juvenile Music Club at the Watson studio, 210 W. Ohio, Saturday morning.

Violin and piano, "Frasquita" (Kreisler)—Dorothy Fay and Doris Ray Lynch.

Piano, "Hark, Hark, the Lark!" (Schubert)—Wilma Dee Vaughn.

Violin, "The Mocking Bird" (arr. by Carner)—Edith Raye Collings.

Piano, "Sonatina," Opus 36 (Clementi)—Norma Jean Hubbard.

Piano, "Minute" from "Don Juan" (Mozart)—Peggy Riley.

Betty Jean Underwood of Big Spring, a guest, played a piano solo.

Peggy Riley was elected club secretary.

Norma Jean Hubbard presided and Billie LaJean Pigg and Shirley Winter were in charge of the attendance card.

Four visitors from the Robyn Junior Music Club were present. They were Dorothy Fay and Doris Ray Lynch, Edith Raye Collings, and Wilma Dee Vaughn.

Other visitors were introduced by their hosts as follows:

Waldo Leggett by his sister, Rosalynn; L. D. Sipes, Jr., by his sister, Mildred; Patsy Riley by her sister, Peggy; Betty Jean Underwood by Edith Raye Collings.

About 20 children were present, including visitors.

West Texan Choice Of Delegates To Head Federation

Delegates from Midland clubs to the State Federated Convention in Austin, Nov. 12-15, have been instructed to vote for Mrs. J. W. Walker of Plainview, as West Texas candidate for the state presidency.

Delegates from Midland include: Mrs. Hal C. Peck, member of the board of directors of the eighth district; Mrs. J. A. Halsey of the City-County Federation; Mrs. James H. Goodman of the Women's Wednesday Club; Mrs. J. Howard Hodge of the Fine Arts Club; Mrs. Eula Mahoney of the Home Art Club.

In the capacity of district officers those expected to attend, other than Mrs. Peck, are: Miss Lydia G. Watson, district Fine Arts chairman; Mrs. F. H. Lanham, district art chairman; Mrs. John Perkins, district chairman of antiques.

Mrs. Walker, the former Lucille Hill, is a graduate of O. I. A. She has spent twenty years in Federated club work, devoting a major portion of her time to the advancement of the women of Texas.

Mrs. Walker's friends have made it possible for club women of West Texas easily to attend the convention by arranging for special buses.

Midland women may board a South Plains bus at Big Spring and make the roundtrip to Austin for five dollars, Mrs. Peck has been informed. Reservations should be made with Pete Smith, Chamber of Commerce, Plainview, by November 6. Not only delegates but other women as well may take advantage of the rate.

The Austin-bound bus will leave Big Spring Tuesday morning, November 12, at 9:30 o'clock and will return on Friday, November 15.

Mrs. Peck urges as large an attendance as possible from this section.

Mrs. Liberty And Mrs. Hogan Winners In Contests Friday

Mrs. P. H. Liberty and Mrs. Fred Hogan won golf balls as awards in matches of the Women's Golf Association Friday morning at the Country Club.

Lucky prize in the afternoon's bridge games went to Mrs. J. L. Eash.

Present for the luncheon at one o'clock at the clubhouse were: Mesdames John Ward, J. P. Ruckman, Walter Smith, W. P. Thurmon, Paul Crandel, A. E. Horst, Ray Rhodes, Liberty, Rush, H. J. Kemler, Jas. H. Chapple, H. S. Forgeron, S. P. Hazlip, R. W. Hamilton, W. G. Henderson, W. M. Holmes, and two guests, Mrs. Eugene Russell and Mrs. F. B. Jones.

Hostesses for next Friday will be Mrs. Ray Rhodes and another to be named later.

Heirloom Silver Is Treasure Of Midland Woman

A painting of a centuries-old house hangs in the living room of Mrs. Harry L. Haight's home on North C street—one of the many interesting reminders of the past which surround the Midland woman. The house, which still stands on Staten Island, was once the home of her great-great-grandfather, Timothy Cooper Ward, in Revolutionary War times. Beneath it were tunnels which led out into New York Bay to provide an avenue of escape from enemies who might besiege the place.

This house, which is now a museum, forms the beginning of the stories and anecdotes of three-hundred-years of family history interwoven with the extensive collection of antiques cherished by Mrs. Haight.

One of the most interesting groups in Mrs. Haight's large collection of antique silver is a set of four table spoons which came from the Staten Island house. These are sturdy and plainly made, the marks of the hammer and the crucifix joining of bowl and handle attesting to their being handmade. On the back of the handle are engraved the initials of Timothy Cooper Ward.

Another beautiful heirloom is a tall syrup pitcher (whose capacious size indicates the high social standing of syrup in bygone days). It is gracefully designed of etched glass with a silver top and is surprisingly heavy.

Dozens of other articles in the collection will delight any lover of old and beautiful things. There is a fascinating silver container for the waste on the tea table; a 110-piece set of silver of which only two dessert spoons are missing, which was the wedding silver of Mrs. Haight's aunt at her marriage in 1888; a cheese scoop; and spoons bearing the monogram on the back of the handle instead of on the top as is popular today.

But the souvenirs of her ancestors which have come down through the years to Mrs. Haight do not stop with the silver which graced their tables. There are jewels and watches and various ornaments in ancient designs. A narrow guarding ring, once the possession of Mrs. Haight's grandmother, is thickly set with dark old rubies. There are quaint brooches containing a setting of human hair—reflecting the sentiment which once made Americans clip a lock of hair from the head of a deceased loved one and wear it. Most curious of the several old watches is one which has a key for winding and loveliest of them is a watch, not nearly so old, which has a jewel-colored face and back, ornamented with tiny fleur-de-lis.

Fortune telling, journeying through the house of horrors, and other Halloween amusements will hold sway at the Halloween carnival which will be sponsored by the Mary-Scharbauer Circle of the Methodist WSCS at the corner of Illinois and Main streets, Thursday night.

Carnival attractions will include Halloween recreations and bingo games.

Hot and cold refreshments will be sold such as home-made candy, doughnuts, coffee and lemonade.

The public is invited.

Achievement Day Program Planned By County Home Demonstration Council; Trio Of Officers Re-Elected By Group

Plans for the Achievement Day Program on November 7, election of officers, and plans for a 42 tournament and Christmas party were a three-fold feature in the meeting of the County Home Demonstration Council in the courthouse Saturday afternoon.

Officers, all of whom were re-elected, are: President, Mrs. G. C. Brunson; vice president, Mrs. W. F. Tillman; secretary-treasurer, Mrs. Tyson Midkiff.

Following is the itinerary of the Achievement Day journey: Clubwomen and visitors gather at the home of Mrs. Neal Station near Cloverdale at 9 o'clock on the morning of November 7, for inspection of her rose garden.

First stop—at home of Mrs. Sherwood O'Neal in Valley View community for inspection of her project as dairy demonstrator;

Second stop—at home of Mrs. J. D. Bartlett in the Valley View community for inspection of her new house;

Third stop—at home of Mrs. C. C. Carpenter in Valley View community for inspection of her grease trap and yard irrigation;

Fourth stop—at home of Hazel Midkiff, 4-H Club girl, for inspection of her bedroom, poultry, and baby beef turkey demonstration and for inspection of the cutting bed of her mother, Mrs. Dick Midkiff;

Dinner will be served at the home of Mrs. Frank Midkiff.

Afternoon Schedule

First stop—at home of Mrs. Bill Countiss in Cotton Flat community to see baby beef turkeys of Virginia Countiss, 4-H club girl;

Second stop—at home of Mrs. Floyd Countiss Sr. in Cotton Flat community to see windbreak plantings of elm trees;

Third stop—at home of Mrs. John Graham in Cotton Flat community to see whole farm demonstration;

Fourth stop—at home of Miss Pearl Wilson in Warfield community to see bedroom demonstration;

Fifth stop—at home of Mrs. Moore in Warfield community, to see orchard and yard demonstration.

Tournament Nov. 22

A 42 tournament will be held in the assembly room at the courthouse, November 22. The following committees were appointed to make arrangements for the affair: Invitation, Mrs. S. L. Alexander, Mrs. C. C. Carden, Mrs. W. R. Tillman; refreshments, Mrs. W. E. Pigg, Mrs. M. D. Rutherford, Mrs. John King; table arrangements, Mrs. H. L. Albrecht, Mrs. B. L. Mason, and Mrs. Jeff King.

Old members of the council will entertain new members with a Christmas party at the next council meeting on Dec. 14. The party will be at the courthouse and Mrs. Carden, Mrs. Mason and Mrs. Tyson Midkiff were named as a committee to make plans for it.

Committee reports were given as follows: Exhibit, Mrs. Mason; year-book, Mrs. Albrecht; sponsors, Miss Alpha Lynn; educational Mrs. Alexander; reporter, Mrs. Carden; expansion, Mrs. John King.

Officers of the council and presidents of the club must present their yearly report at the council meeting, Saturday, December 14, it was announced.

Present yesterday were: Miss Lynn, Miss Alexander, G. C. Brunson, Dick Midkiff, Rutherford, Mason, Emma Fain, John King, Jeff King, Carden, W. R. Tillman, Albrecht, Marvin Bramlett, Tyson Midkiff, W. E. Pigg, and one visitor, Mrs. J. L. Lehbeter.

TO ROYAL NEIGHBORS MEETING

Two Royal Neighbors from Midland, Mrs. L. T. Fowler and Mrs. Ella Ragsdale, attended the district meeting of Royal Neighbors held in Odessa Friday. Camps from Monahan, Wink, Crane, Big Spring, and Royalty presented numbers. A banquet at the Methodist Church was one of the features of the day. Visitors included Mrs. Myrtle Estes Carter, state supervisor.

FEMININE FANCIES

By Kathleen Eiland

The new colors, at least their names, are a delight unto the lover of words. "Tiger eye," for example, is described as a "hypnotic new color, an untamed topaz." If that isn't good writing—and the kind destined to bring in the customers—we're badly mistaken.

We'd like a bag of this new "tawny tone" for our own—except that the accompanying price mark is too steep for our desire to hurdle.

"Tiger eye" is recommended for wear with black, winter navy, and brown.

The ever-useful tie-around turban is being constantly improved. As witness those which have a stiffened and built-up front to give a more formal appearance.

Hollywood's latest idea in accessory chic is to have two, say hat and gloves, or collar and bag, alike. Sounds nice.

And fascinating is the word to apply to the felt hat studded with colored glass jewels, these being also used on the tops of the gloves worn with it.

It's a mad world—this one of fashion. But a delightful one for all its giddy changes.

Sometimes we pity the poor men who don't get to revel in colors and fabrics, jewels and laces, as women do.

Midland Boys Enter Intramural Sports At Texas University

By Billy Noble

AUSTIN, Oct. 26 (Special)—Midland boys have entered into the whirl of university sports. Alfred Vogel, representative engineering student, entered tennis doubles for Prather Hall in intramural games.

Paul Anderson, Harold Barnes, and Frank Miles are also entering intramural contests.

Anderson, having played on Phi Kappa Sigma's baseball team early in the fall, entered the swimming contest and helped his fraternity place in the preliminaries last week.

His time for the 300-yard freestyle was 60 flat. Anderson was initiated into Phi Kappa Sigma October 19, in a special initiation ceremony for seven pledges.

With the touch-football season approaching in intramural sports, the Prather Hall boys have started afternoon sessions. Seen tossing the oval around last week was Frank Miles, ex of '37, a Prather Hall resident.

Although it is some time yet before basketball games will be called, Harold Barnes has already declared his intention to participate. Barnes is a T-man with two years of track experience. He was a track, basketball, and football letterman in Midland.

At least three Midland students went to the Texas-Rice game in Houston, Saturday. Frank Nixon, University Fine Arts student, Jack Walton, assistant drum major, and Frank Miles were among those going.

Jeanne Davis, member of the Bit and Spur club, was assigned to the gaited horse group Wednesday in the regular meeting of the club. The riders were divided into the polo, jumping, and gaited groups.

GREEKS ATTACK ITALIANS.

ROME, Oct. 26 (AP)—An official Italian communique asserted tonight that an "armed band of Greeks this morning attacked Italian outposts in the vicinity of Koriza with rifle shots and hand grenades."

THE CURTAIN CALL

News of the Civic Theatre

Reactions of the audience to the Civic Theatre's opening production of the year, "Our Town," which was staged at the Yucca theatre Wednesday evening, are represented in the following group of statements from citizens of the town:

I enjoyed the play very much. I didn't know anything about "Our Town," so I found it an unusual play, with humor, pathos, and a deep moral thought. An understanding of the true meaning of life ran through the entire play, giving it depth, but not making it heavy. The cast was excellent.

Mayor M. C. Ulmer

"Our Town" was a captivating play. The cast gave an outstanding performance that held the complete interest of the audience.

Mrs. J. Howard Hodge

The histrionics were excellent. Hugh Corrigan

"Our Town" was presented in Tyler to a very appreciative audience and I was glad to see the play again in Midland. I thought the Midland performance compared favorably and I enjoyed it very much.

E. L. Schempf, Tyler, Texas.

An excellent cast presented the unusual play with such clarity, force, and understanding that "Our Town" made a deep impression on

Ceremony In Odessa Unites Miss Boone And James Dunn

In a double ring ceremony at the First Baptist Church in Odessa, Miss LaVonya Boone of Midland, daughter of Mr. and Mrs. J. A. Boone of Wellington, became the bride of James Elliott Dunn, Jr., of Midland, son of Mr. and Mrs. James Elliott Dunn Sr. of Houston, Friday morning at 10:30 o'clock.

The Rev. Henshaw read the wedding service.

The bride wore a black crepe wedding dress, designed with full skirt. Gold jewelry lent a note of brilliant contrast to the costume which was worn with black accessories. Her flowers were a corsage of white carnations.

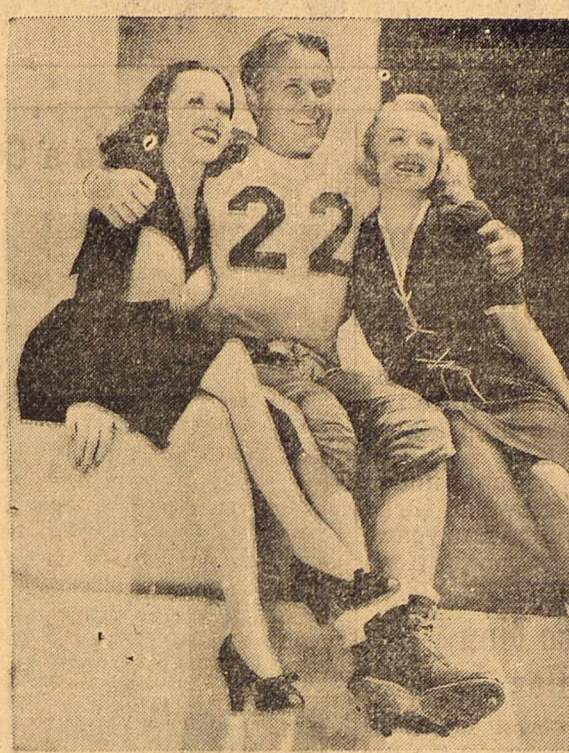

Present for the wedding were: Gayther Nowell of Midland, Mrs. Glen Turner of Santa Barbara, California, Mrs. Christine Fagen of Odessa, and L. G. Hurley of Midland.

Mrs. Dunn is a graduate of Erick, Oklahoma high school and attended the Futuristic Beauty School in Fort Worth. She has lived in Midland for several years and is employed as manicurist.

Mr. Dunn attended Rice Institute. He has lived in Midland about two years, where he has been associated most of the time with the Humble Oil Company.

The couple is at home at the Pool apartments.

Football Thriller At Ritz

Lillian Cornell, Wayne Morris and Virginia Dale, headline new football picture, "The Quarterback," now showing at the Ritz.

Methodist Class Has Weiner Roast At Barber Home

The 50-50 Sunday School class of the Methodist Church held a weiner roast Thursday evening at the home of Mr. and Mrs. J. L. Barber, Jr.

Weiners were roasted at the barbecue pit in the Barber's yard and served with all the accompaniments in picnic style.

Afterward the evening was devoted to an informal social.

Present were: Billy Noyes, Miss Lois Ficke, Miss Ferrel Ficke, Mmes. and Messrs. Howard McTeeny, John W. Rhoden Jr., Marvin Douglas, Ross Carr, Miss Ruth Tidmore, Charles Patterson, Russell Holster, V. T. Pylant, Jay Edwards, Bob Roderick, Mrs. Lige Midkiff, Claude Flournoy, Clint Harless, Mr. and Mrs. Ernest Nance, and Mr. and Mrs. Barber.

New members are invited to the class, which is composed of young adults. A. L. Gilbreth is teacher.

The mathematic science of determining the exact position of points and areas on the earth's surface is known as geodesy.

Rev. Henry To Open Services Today As Dallas Leads Songs

The Rev. Patrick Henry, state secretary of Christian Churches of Texas, at 11:00 a. m. today will open a revival at the First Christian Church here that will continue a week.

Mr. Henry, one of the outstanding preachers of the Brotherhood union, will conduct all services.

R. Z. Dallas of Midland will be in charge of song services. He has had experience as a song leader, having followed this pursuit several years after completing his studies in college.

Mrs. Lee Cornelius will have charge of music during the meeting. Mrs. S. D. Hall and Mrs. B. W. Stevens are in charge of entertainment and S. E. Mickey of ushers.

Services will be held each night at 7:30. There also will be a 30-minute devotional service at 3:00 p. m. each day.

Class I railroads installed 52,685 new freight cars in service in the first nine months of 1940.

America's Card Authority.

Most of the players at the Southern Appalachian Tournament at Asheville, N. C., arrived at a six-spade contract on today's hand, but George H. Swanson of Coral Gables, Fla., winner with Stanley J. Maxwell of the open pair championship, was the only one who made the contract.

He made it because he refused to ruff the opening lead. He discarded the deuce of hearts from dummy and West of course won with the ace of clubs.

West returned his singleton diamond. The queen in dummy won, the ace of hearts was cashed, and a small heart ruffed by declarer. He led a spade to the ace in dummy, ruffed another heart and played the queen of clubs. East covered with the king and dummy ruffed with the seven of spades.

Now declarer cashed the king and queen of spades, discarding a small club from his own hand. The jack of diamonds was played, followed by the six, and all of North's tricks were good.

IS FLYING CADET

Darrell G. Welch of Midland, former student in the University of Texas, has been appointed an Army Air Corps flying cadet and assigned to the primary training field at Glendale, Calif.

Salmon, tuna and oysters are the three most valuable fisheries in the United States, in respective order.

BETTER NOT LOOK...IF YOU LOVE YOUR OLD CAR!

Words Can't Describe It
YOU'VE GOT TO SEE AND DRIVE THIS

1941 **Dodge** LUXURY LINER

EVER enjoy an experience so exciting that you wanted to tell the world about it—but you just couldn't find words? That's how we feel when we try to picture this new Dodge Luxury Liner.

For how can mere words give you any idea of the handsome, low-slung beauty of this new Luxury Liner? Like Dodge Engineering, it has the touch of tomorrow in its streamlined levelness, magnificent interiors, modern appointments!

And how can words do justice to that traditional leadership in safety and dependability, again so evident in this 1941 Dodge?

Witness the rear trunk lid, so perfectly "spring-balanced" that a child can raise or lower it! Also observe the new rear window—now 47.6% larger for greater visibility "sternward"...The new Safety Wheel Rims to hold the tire to the rim even should a "flat" occur!...The new Oil Bath Air

Cleaner that greatly prolongs engine life! And now, the car that pioneered the all-steel body, equal-pressure hydraulic brakes and other vital improvements offers you Fluid Drive*...for the first time in a low-priced car! Drop in on your Dodge dealer for a demonstration!

ENJOY THE TRIPLE THRILL OF DODGE FLUID DRIVE*

Gearshifting Takes a Holiday! You can start in high, drive in high, stop in high...and start again in high without shifting gears!

A Thousand Different Speeds! Drive from one mile an hour to top speed without ever shifting!

The Smoothness of Oil! Power is transmitted to rear wheels through a cushion of oil, giving unbelievable smoothness and longer car life.

*Fluid Drive optional at slight extra cost

Eagles Vs. Bulldogs In First Day Game

The Bulldogs will journey to Abilene Nov. 1 to meet the powerful Eagles in the first day game of the season, called at 2:30 p.m. The Eagles so far this year have played five games, winning two and losing three. The two won were from Odessa, '6-0, and San Antonio Tech, 19-0. Teams having victories over Abilene are Breckenridge, 35-19, Fort Worth Tech, 19-6, and Brackenridge (San Antonio), 19-0. The Eagles have a well balanced team with plenty of weight. In Sellers they have the hardest driving back in the district. They also boast of a shifty back in Howell, a 130 lb. boy. Dalton for the Eagles is a good passer and in their big, fast line Jones stands out. Abilene for years has been football minded. In 1928 and in 1931 the Eagles won the state championship. The Bulldog spirit seems determined to carry on the victory trend started last year with a 48-6 win over the Eagles. The 1940 Abilene team has proved superior to the 1939 club. Odie Kelley will be captain when the team journeys to Abilene, his former residence.

Personal Events About Students

Jo Dozier spent last week-end in Goldsmith where she visited a sister. Marjorie McHargue was absent from school Tuesday because of illness. Joe Haygood, who has been absent from school two weeks with a knee injury, returned Monday. Glenna Jones, suffering from a throat infection, is not able to return to school. Maxine Hughes spent last week-end in East Texas. Gordon Bigham visited his parents at Holland over the weekend. Jack Hurt was absent from school Monday. Melba and Elsie Schlosser and Jane Hill spent last weekend in Fort Worth. Catherine Blair was absent from school Monday and Tuesday. Students have learned the preamble to the Constitution of the United States and have recited in assembly. Berniece Topper from Monument, N. M., was a guest in Doris Alkire's home from Wednesday to Saturday. Doris Jay visited Betty Jo Tate formerly of Midland, at her home in Seminole Sunday.

New Library Books Are Ready For Use

"Pride and Prejudice" by Jane Austen, and "The Virginian" by Owen Wister are new books which will be used for class study by Miss Jo Hestand in her tenth grade English classes. Mrs. Neibaur said six more books paid for with last year's library fines are here. Five of the 21 magazines ordered have arrived. They are "Musical Courier" to be used for music classes, "Forecast" and "Vogue" for home economics classes, and "Boy's Life" and "National Geographic."

Does Swing Music Overshadow Classical?

In years of study and toil by statisticians many conclusions have been brought about. A new question now arises—does the average high school student care only for swing music? The majority of the students like to dance to snappy music but there's always a dreamy waltz to entrance dancers. One of our great melodies, "Star Dust," always thrills an audience of students. Culture and refinement can be brought out by good music. Most everyone likes swing, but let's be cultured and not have a one track mind.

Former Students' Names In News

Goodrich Heil, student in ACC in Abilene, was in Midland last week-end visiting his parents. Marjorie Ann Monaghan, former student of MHS, now a student at Breckenridge, spent last week-end here. Jim McHargue, '40 graduate of MHS, who is attending Shriner Institute, was here over the week-end. J. R. Dublin, student in NTAC, was the only student of his house who passed the qualifying examination and is permitted to take trigonometry. Tommy Wilson and Bobby Martin, student at Shreiner, were here last week-end. Marilyn Moore '40 graduate of MHS has been appointed drum major at Texas Wesleyan College.

Public Speaking Class Has Panel Discussions

Students of the public speaking classes have selected subjects for panel discussion for last of the week such as the presidential election, and the alien problem in the United States. Each class is divided into two groups. Each group has a different subject. Miss Pauline McMurray said that in electing chairmen they learned a few outstanding things about parliamentary procedure. The students elected chairmen are Jacqueline Theis, Foster Hedrick, Cletas Hines, Windell Williams, Bill Hall, Liza Lawrence, Joe Midkiff, Eula Ann Tolbert, and Beth Prothro. Secretaries elected by the classes are Marjorie Hill, Montez Downey, and Gloria Corryell. Miss McMurray has hopes her students will be able to better digest current events when they have finished.

Home Makers Plan Halloween Party Soon

A Halloween party was planned for Saturday, Nov. 2, by the Home Makers Club at their meeting Tuesday. The club has asked the cooperation of high school students in buying pencils with the football schedule on them. The profit will help pay for their yearbook. This year's scrapbook has a patriotic motif, articles on "National Defense," and quotations from patriotic programs. The yearbook will be sent to the state department soon to be judged for rally honors.

Students Advised To Study More

Students of Midland High School should improve their scholarship. They need to study harder to push the F's and D's off report cards and put A's, B's, and C's in their places. Students also should improve their reading lists and broaden their knowledge in every worthwhile field.

Weekly Q. V. V. Club Meeting Held Tuesday

The Q.V.V. club held its weekly meeting at the home of Gloria Corryell Tuesday. Club business consisted of discussing ways to help in charity work. Members present were Betty Kimbrough, Emily Lamar, Francis Ellen Link, Charlotte Kinsey, Jo Ann Proctor, Doris Lynn Pemberton, Hilda Vogel, Margaret Ann West, Elma Jean Noble, Mary Lee Snyder, Joyce Strong, Eula Ann Tolbert, Marilyn Sidwell, Bonnie Guthrie, Maxine Stewart, Kathryn Francis, and the hostesses, Gloria Corryell and Vera Byrd.

Choral Club Sings At P. T. A. Meeting

The High School Choral Club sang for the P.T.A. in its meeting Tuesday afternoon in the auditorium. "Ah Sweet Mystery of Life" and "The Sleigh" were the selections.

Former President Honors Bulldogs

The football team and members of the school board were guests at a steak supper given by J. L. Greene, former president of the school board, and served by the third-year foods class Tuesday evening in the study hall. The table was in the form of a "U" with members of the school board and their wives sitting at the head. Yellow dahlias and purple bachelor buttons carried out school colors of purple and gold. The guest list included the following members of the team: Bob Eidson, J. T. Robinson, Payton Anderson, Tony Watson, Bill Hall, Selman Cocks, J. M. White, J. W. Leitwath, Ivan Hall, Gordon Bigham, Roger Sidwell, E. G. Foster, John Ward, Joe Conkling, Maurice Bratton, Windell Williams, J. A. Davidson, Mike Buffington, Odie Kelly, Herbert Rehders, Wilford Lester, Lomer Green, Homer Norman, Cletas Hines, Emory Corbett, and Manager Fred Cocks. Other guests were Glenn Parrott, Supt. W. W. Lackey, D. D. Shiflet, Messrs. and Mmes. L. W. Taylor, Earle Clarke, L. M. Freels and C. A. Gilbreth, and Russell C. Conkling, Julius Johnson, W. N. Hargraves, Percy Bridgewater and N. B. Larsh. Team members and coaches were guests at the Yucca Theatre after the supper.

One-Line Editorials But They'll Apply

Yehoodie says there have been a lot of one-line editorials since the grade cards came out. "Silence is not always tact, and it is tact that is golden—not silence."—Samuel Butler. "After man came woman—and she has been after him ever since."—From Good Fellowship. "Most M. H. S. girls seem to be 'desistite.'"—Adapted from Reader's Digest. "Do you know everybody's name in M. H. S.? Well, it's the cardinal rule."

Plea For Courtesy Between Classes

"Excuse me," "I'm sorry, and 'Pardon me' are phrases that should be used every day when one accidentally bumps into a person. Between classes there is much confusion. Everyone should find some way to get to classes with less confusion and noise.

Catoico Staff Meets To Discuss Progress

A meeting of the Catoico staff was held at 8:00 a. m. Wednesday in the auditorium to discuss progress of work. The dummy was shown and explained by Miss Ruby Catching, sponsor. Miss Catching urged class editors and snapshot editors to get as many pictures as possible and to aim for variety.

SUNDAY SCHOOL LESSON

CHRISTIAN MOTIVES FOR ABSTINENCE. — Lu. 1:13-16; 2:40; 4:4; 6:21; 25, 43-45; Col. 3:20; Heb. 4:14, 15; Lesson Outline by W. W. Lackey, Teacher.

I. FAMILY IDEALS AND CONDUCT:

1. Importance of the home; absolute loyalty; an example for others.
2. Intelligent living, avoiding evil, using opportunities, knowing God's will.
3. Filled with the Spirit, talking religion, praises, pledges, and thankings.
4. Obeying parents in the Lord, and "provoke not your children to wrath."

II. SCRIPTURE TEXTS:

1. "Drunkard and glutton to poverty... drowsiness shall clothe... with rags."
2. "Woe unto them that follow strong drink... regard not the work of the Lord."
3. "Who hath woe, sorrow, contentions, babbling, wounds? Tarry long at the wine."
4. Weighed and found wanting; building a town with blood; drinking to success.

III. ECONOMIC, SCIENTIFIC, SOCIAL:

1. Typist: Small shot, speed 2 per cent, errors 39 per cent; 50 per cent inc. sp. 4 per cent, errors 72 per cent.
2. For every dollar taxes paid from liquor, over \$5 for crime on account of liquor.
3. Traffic: 120 tested Cleveland accidents, only six showed "no alcohol," 60 per cent a-d.
4. Increased liquor traffic—decreased food, clothing, education market.—Gannett.

IV. LIQUOR AND LABOR:

1. Fifteen major industries outrank liquor as employers of labor.
2. Liquor, \$1,000,000. 95 wage earners; forest, 380; textiles, 297; leather, 275.
3. Furniture, 339; boots-shoes, 336; men's-boys' clothing 309; women-child cloth, 226.
4. "Greatest factor of crime, pauperism, orphanhood, disease, insanity."—Newman.

V. SAFETY SLOGAN:

1. If you drink, don't drive. If you drive don't drink. Drink, drive, and die.
2. When drink is at the wheel, death on the road. Alcohol, gas won't mix.
3. Drinking and driving don't mix. Think before you drink. Don't drink before drive.
4. "Waste of time will make you dwindle in intellectual and moral stature."—Gladstone.

VI. EMINENT OPINIONS:

1. "My experience through life has convinced me that while moderation and temperance in all things are commendable and beneficial, abstinence from spirituous liquors is the best safeguard for morals and health."—Robert E. Lee.
2. "Give us a sober citizenship not spending their earning for drink, and I will find the necessary revenues for the Kingdom."—William E. Gladstone.
3. "There is no greater cause of evil, moral and physical, in this country than the use of alcoholic beverages. Such is my observation during more than

Building In City Increases From Two House Jobs

Building in the city picked up last week when a total of \$20,000 in two permits brought the year's aggregate to \$724,316, Frank Prothro, city building inspector, said yesterday.

One of the permits issued was for a residence, and the other for remodeling a residence.

George W. Glass obtained a permit for \$16,500 improvement to remodel the Glass home at 911 W. Wall, a Midland landmark. Extensive work on house and grounds will be made.

The other permit went to Houston Hill, who will construct a \$3,500 frame dwelling at 1407 W. College.

The permits issued raised the total here \$57,171 ahead of 1939 permits. A \$1,000,000 a year goal was set by city officials.

Prothro declared several large permits are slated to be issued within a short time.

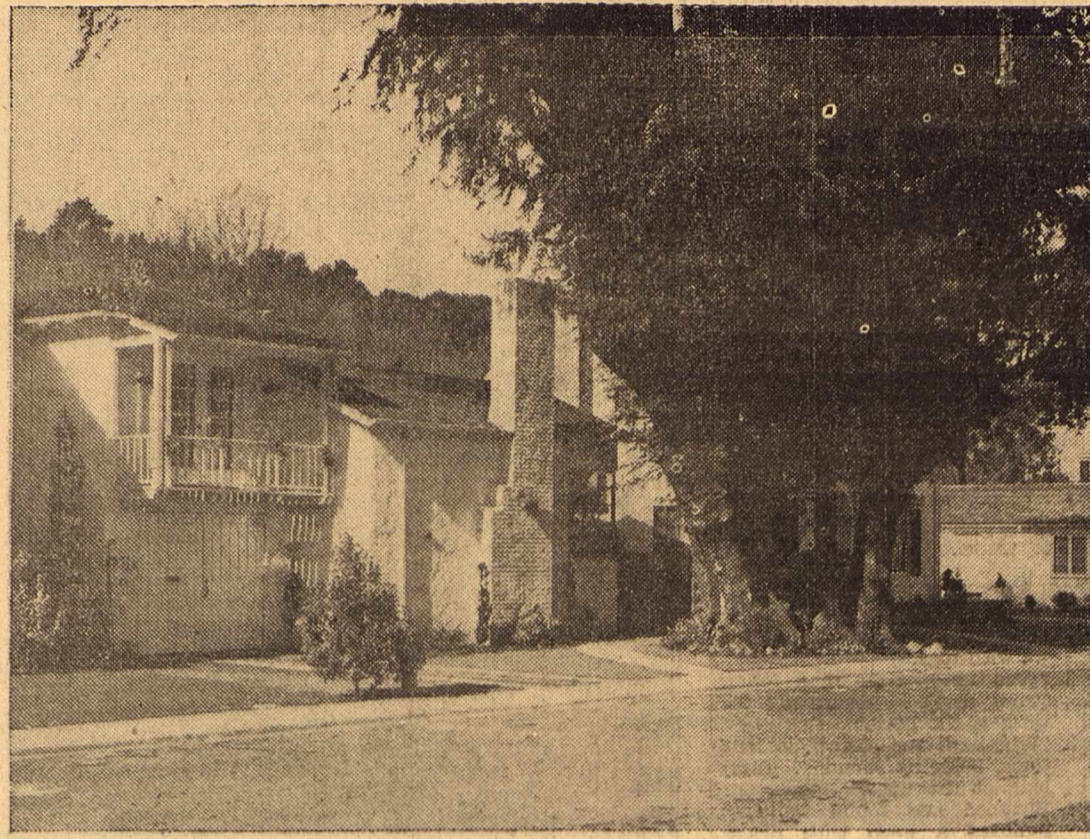

Houston Permits Pass Nineteen Millions As \$20,000 Issued Here

Houston's building permit total for 1940 passed \$19,500,000 this week as the bayou city led the state with \$280,950 in permits the past seven days.

Totals for the week and year:

City	Week	Year
Houston	\$280,950	\$19,561,605
Dallas	137,235	9,036,012
Corpus Christi	96,915	7,536,450
Fort Worth	88,840	4,143,817
Austin	76,735	5,845,818
San Antonio	44,314	5,114,738
Amarillo	40,075	2,235,749
Lubbock	39,630	3,855,341
Wichita Falls	30,882	1,197,636
Port Arthur	22,899	958,835
Midland	20,000	724,316
Galveston	13,892	1,779,397
Beaumont	11,834	1,284,332
Tyler	9,057	906,041
Corsicana	4,200	148,641

Natural Beauty Is Conserved

The majestic tree which stands beside this house illustrates the Federal Housing Administration's principle that trees may often be used to enhance the architectural character of a home. In this case, the treatment of the site has been such as to blend the tree and the house into a setting of charm. The yard has been kept free from excessive planting, and architectural control has been employed to provide the proper house for this lot. Note the simple walk treatment.

Roosevelt Says Navy Deterrent To Dictatorship

WASHINGTON, Oct. 26 (AP)—President Roosevelt told the American fleet tonight on the eve of the 19th annual Navy Day that it was "a deterrent to those nations who would plan the heel of dictatorship across this hemisphere."

"I pray," he said in a letter to Secretary Knox, "that it will continue to emphasize, by its strength, determination to remain a free people, marching steadily along the open road that holds peace of the spirit as well as a full and worthy material life."

Publishes With Greetings

The Chief Executive's letter was published along with an exchange of greetings between the army and navy on the eve of Navy Day observance which is to be restricted "in the interests of national security."

Progress toward realization of the ultimate goal of a two-ocean navy was disclosed, meanwhile, by an official compilation showing six new fighting ships were added to the fleet last month, four others were launched and keels of four more laid.

With the start of work on the 45-000-ton battleship New Jersey, six new dreadnaughts are on the ways, and two others have been launched and are nearing completion.

Naval Heads To Speak

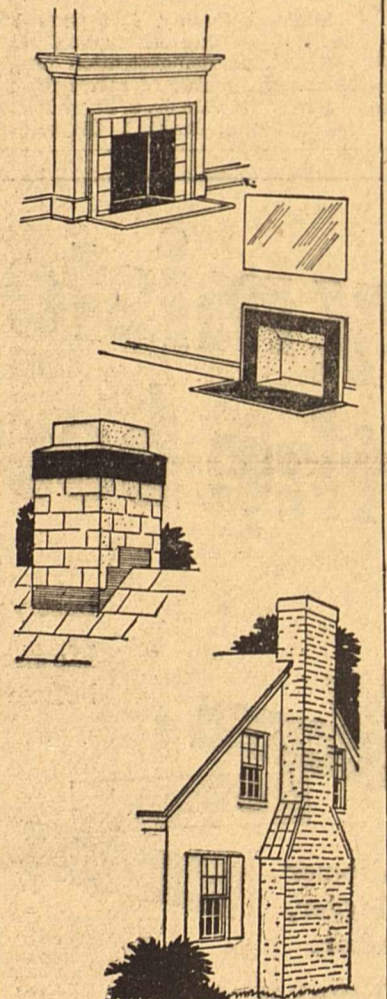

Mr. Knox, Assistant Secretary Lewis Compton, and Admiral Harold R. Stark are to speak tomorrow on a world-wide radio broadcast, but there will be no general visiting of ships of the fleet or shore stations, except assigned to training reservists will receive visitors and drills and demonstrations are scheduled at many cities.

A 3-day observance of the occasion which coincides with the birthday anniversary of Theodore Roosevelt was opened today with a ceremony at the monument here of John Paul Jones, "father of the American navy," where wreaths were placed by patriotic organizations.

Better Homes Better Living

Chimneys and fireplaces are likely to be pretty eccentric if not constructed according to rigid and scientific principles. For example, where homes are close to sea level greater draft is needed because of the relatively sluggish atmosphere caused by density of the air. In high elevations, the air is rare and the chimney can be smaller.

The chimney should extend beyond the highest point of the roof and should be fairly free from obstruction by overhanging trees. The throats of fireplaces should be equipped with a smokeshaft above and back of the throat, to turn downward the flow of fresh air which is common to most chimneys.

The use of dampers is recommended for fireplaces, as they help overcome physical conditions which often cause the fireplace to smoke, by providing a throat of uniform size the full width of the fireplace. Other advantages of dampers are: They provide fire control by cutting down the flow of draft, keep room heat in where the fireplace is not in use, and vent the home during the summer.

Simple lines should be used in fireplace and mantel for the small home. The ornate is distinctly out of fashion. Pictured here are two examples of fireplaces and mantels which would be suitable for the average small home. One is simple, the other modern. The modern fireplace, often without mantel, is actually just a hole in the wall.

Outside chimneys are often incorporated in the design of a home as a distinct decorative feature. Again simplicity, such as pictured, is desirable so the chimney will blend with the house as one architectural unit. The chimney top illustrated, which serves an inside chimney, usually has flue lining extending well above the cement cap. Below is a cement cap, usually painted black so soot will not be noticed, while at the point where the chimney passes through the roof is the metal flashing needed to make the joint watertight.

Characteristics For Low-Cost Residences

Design ranks high among the major factors of a substantially built, livable home, according to reliable building spokesmen.

Design includes outward appearance and conveniently arranged room. The basic characteristics desirable in modern low-cost small homes are pointed out.

One of the characteristics, is a plan which will provide a functional relationship between rooms, arranged to suit present day modes of living, facilitate housekeeping, and permit economical use of materials. Another characteristic allows the exterior treatment to be dictated primarily by the plan rather than strict adherence to tradition. A third is the choice of materials, usually eliminating decorative features and relying upon texture and color of materials, together with skillful arrangements of masses and openings, to produce a desired effect.

Use Determines Layout

Modern planning approaches the layout of a house from the point of view of the use to which the rooms are to be put and to the relationship between rooms. Care is taken to provide sufficient circulation within and between rooms and to make possible placing of furniture and equipment for effective and comfortable use.

These characteristics result in a compact efficient type of plan permitting simple and economical construction.

CAMPAIGN FOR REPAIRING UNDER WAY OVER COUNTRY

A nation-wide campaign to demonstrate the feasibility of modernization and repair work, launched by industry, is occupying considerable attention in building circles throughout the entire country.

The long range objective of the program is to aid a large percentage of the nation's home owners to fix up their houses and thus improve their living conditions.

Today's Markets

Wool

NEW YORK, Oct. 26 (AP)—Wool futures trading consisted mainly of switching operations today with buying orders predominating in the December position. Outside interest was small. Final prices were five points higher to 1 lower. Dec. 109 pb; March 100.6 b; May 96.4b.

LIVESTOCK

FORT WORTH, Tex., Oct. 26 (AP)—U. S. Dept. Agr.—Cattle, salable 100, total 200; calves, salable and compared close last week: Mature steers steady; good and choice yearlings steady and top mature beef steers 10.50; grassers 8.50, best heifers 10.10, few show yearlings to 11.50; top cows 6.25; cutters 3.75 down; best bulls 6.00; practical top slaughter calves and vealers 8.50; top stock steer calves 10.50; heifers 9.00; yearling stock steers 8.25, older feeders 8.50, stock cows 6.00.

Hogs, salable 200, total 400; market mostly steady with Friday's average; shippers and city butchers not buying; top 6.35; good and choice 185-200 lbs. 6.25-35; good 150-200 lbs. 5.75 down to 4.50; packing sows steady, 3.25-75.

Sheep, salable 25, total 3,550; today's trade nominal. Compared with last week's close: Aged fat wethers and ewes steady to 25 higher, other classes steady, most fat lambs 7.50-8.00, few to 8.25; woolled yearlings 7.25 down; shorn yearlings 6.00-25; woolled two-year-old wethers 6.25 down; woolled aged wethers 4.00-50; shorn aged wethers 3.75 down; woolled ewes 3.00-75; shorn ewes 2.50 down; feeder lambs 6.25-7.00.

Cotton

NEW YORK, Oct. 26 (AP)—Cotton futures closed today 1 to 2 points lower.

Stocks Close Week On Advancing Side

NEW YORK, Oct. 26 (AP)—Stocks ended the week on the advancing side in today's market, with steel and industrial specialties out in front for gains running to a point or so.

Brokers attributed the day's rallying tendencies partly to a slight revival of political optimism in Wall Street following last night's election campaign oratorical barrage.

The Associated Press average of 60 stocks was up 4 of a point at 45, making net improvements for the week 3. It was the second week's rise for this composite. A month ago it stood at 44.3 and a year ago at 53.1.

DALLAS FIRM EXPANDS

DALLAS, Oct. 26 (AP)—Neiman-Marcus Company, Dallas department store, embarked upon a substantial expansion program today with completion of negotiations for sale of a \$700,000 preferred stock issue to the investment banking firms of Dallas, Rupe & Son, and Moss, Moore & Cecil, Inc.

Neiman-Marcus already has under way a five-story addition to its building.

War Department Concerned With Far-Away Points

By W. B. Ragsdale
WASHINGTON, Oct. 26 (AP)—Poke around the war department and ask questions and you will find that it has a complete plan of defense worked out to flatten any type of attack upon the United States that skilled officers can imagine.

Nor are the plans allowed to gather any dust.

Officers fresh from the field, familiar with areas covered by the individual plans, are continually going over them at the army war college, suggesting changes which the strategists in the war plans division ponder—and frequently adopt.

Defense Plan Adaptable

Thus they keep the defense plan a live and ready instrument, fully cognizant of changing weapons and modes of warfare. And though the strategic location of the United States narrows and sharpens the underlying philosophy of the war plans, it also widens the possible theaters of operations.

Basically, the war plans rest upon two points:

Keep the Panama Canal clear at all times for the quick movement of fleet from one ocean to the other.

Make certain that no aggressor from abroad has a base in this hemisphere from which to operate.

Unlike European nations such as, say, France, which envisaged a theater of operations along the German border and built the Maginot line, or another possible one along the Italian border and established the Alps, the United States has to imagine broader possibilities. France got crossed up when Germany used its own plan instead of the one the French strategists had worked out for Germany to use.

Borders Not Problem

But it is not any battle along the Mexican border or the Canadian border that the United States army is thinking about. Of course, a few marauding chickens have been shot in the wrong garden a few times in the past along the Rio Grande, but those things worked out. The United States expects no trouble along either its northern or its southern borders.

It hopes to do whatever fighting it may have to do farther away from home than that. Plans that exist for meeting any hostile army on its own continental borders are last ditch plans. For the United States, these borders would be something less than the one yard line. They would be the last pair of inches before touchdown.

Watch Distant Areas

The far flung areas of the Pacific, the Atlantic, South America, the Panama Canal and Central America are what hold the watchful eyes of the war and navy departments.

Wake, Midway, Guam, the Hawaiian and Philippine Islands, all of them signboards of the route to the Orient, have been increasingly im-

Construction In '40 To Pass Last Year's

Present residential building trends indicate that last year's record—the best since 1929—will be easily passed.

The number of new homes being started has been exceeding the corresponding periods every week since February, with new records established several times.

No Summer Decline

One of the reasons cited by FHA officials to sustain their prediction of a greater volume of home construction this year than last is that there was practically no usual summer decline in residential building this year.

Last year produced the largest volume of residential building since 1929, approximating 460,000 non-farm dwelling units. In 1940 it is estimated that the number built will exceed 500,000 units, or 10 times the volume in 1933.

WRITES FOR RANCHMAN.

FORT WORTH, Oct. 26 (AP)—Funeral services will be held here at 11 a. m. and at Celina at 3 p. m. Sunday for Dee S. Finley, 45, livestock commission man and Fort Worth resident 23 years, who died unexpectedly Saturday at his home.

Burial will be at Celina.

Mr. Finley, who operated a ranch at Sonora and farms near Celina, is survived by his widow, a son, three sisters, a brother, and father, A. T. Finley at Celina.

Originally, sideboards were boards placed on trestles and used to hold dishes during the serving of meals.

The word "meander" comes from the Meander river, in ancient Phrygia, a stream noted for its winding, crooked course.

COLLEGE ASKS ROTC.

DENTON, Oct. 26 (AP)—President W. J. McConnell of the North Texas State Teachers College said tonight Col. Theodore K. Spencer had forwarded the school's application for a senior ROTC unit to Washington with the notation "approval recommended."

Col. Spencer is acting assistant adjutant general of the Eighth Corps Area, for San Houston. The school's facilities were inspected Monday by Col. E. A. Keyes of the Eighth Corps Area.

Fortifying North Posts

And north of Hawaii lie the immensely rich territory of Alaska and the Aleutian Islands. Both the army and the navy are establishing new bases in Alaska, putting reconnaissance and surveillance outposts in the Aleutians. The army figures that if they be held in reasonable strength, no enemy will try any invasion of the Northern United States and thus lay itself open to a flank attack.

In the Atlantic and Caribbean, the army and navy are prepared to operate as a team to watch over the new bases obtained from Great Britain. They help to fence off attack upon both the Atlantic coast and the Panama Canal.

LET US CHECK your pipes and connections.

It will save a lot of expense and inconvenience later on.

Building Facts Usually Learned From Experience

"If I were building my home all over again I would do things much differently."

Many a home builder, after the home is built expresses that sentiment and wishes he could build another in order to take advantage of the things he learned on the first.

Experience is a good teacher, but there are other less costly ways of accomplishing the same result. Money, time, and worry may be saved by learning as much as possible before a start is made on a new house.

These Facts Help

Facts which prospective home builders should know and remember are:

1. A square is the most economical form in which a given amount of space may be enclosed.
2. The rectangular shape simplifies the structural framing system of both floor and roof and thus effects economies. Additional corners increase the unit cost of the house.
3. Dormer windows are sometimes desirable, but a roof without dormer windows costs less than one with dormers.
4. An inside chimney costs less to build than one on the exterior.
5. Bay windows add to the livable qualities of a home but also increase construction cost.
6. When a full basement adds to the cost of the house, it may be possible to build an extra room above ground for the same amount.

Stock Items Economical

7. Stock millwork instead of special designs for doors and windows, finish trim for wall openings, bases, cornices, and other items is a real economy.

8. Room sizes which permit the use of standard lengths of lumber without cutting produce a house which may be built with less waste and less labor.

9. Economy in plumbing installation is possible by locating plumbing fixtures so as to avoid an excessive amount of piping.

10. A short driveway costs less than a long one. Careless garage location may double driveway costs.

Drive For Permian Basin Association Members Tuesday

Workers in the Permian Basin Associations Midland membership will assemble at a breakfast at 7 a. m. Tuesday in the Scharbauer Hotel ballroom to receive final instructions, D. H. Griffith, chairman of the drive said Saturday.

Majors in the campaign army met with their captains Saturday to make plans for assembling the entire working group of 72 men. Major Allen Watts is assisted by Captains T. R. Wilson, J. L. Greene, Addison Wadley, Russell Conkling and Pat Ruckman. Major Curt Inman will compete for honors with the help of Captains Claude Crane, Bob Hill, Fred Fromhold, John Perkins, R. D. Scruggs, and R. W. Hamilton. Each captain will select six additional workers before Tuesday's breakfast.

COLLEGE ASKS ROTC.

DENTON, Oct. 26 (AP)—President W. J. McConnell of the North Texas State Teachers College said tonight Col. Theodore K. Spencer had forwarded the school's application for a senior ROTC unit to Washington with the notation "approval recommended."

Col. Spencer is acting assistant adjutant general of the Eighth Corps Area, for San Houston. The school's facilities were inspected Monday by Col. E. A. Keyes of the Eighth Corps Area.

Fortifying North Posts

And north of Hawaii lie the immensely rich territory of Alaska and the Aleutian Islands. Both the army and the navy are establishing new bases in Alaska, putting reconnaissance and surveillance outposts in the Aleutians. The army figures that if they be held in reasonable strength, no enemy will try any invasion of the Northern United States and thus lay itself open to a flank attack.

In the Atlantic and Caribbean, the army and navy are prepared to operate as a team to watch over the new bases obtained from Great Britain. They help to fence off attack upon both the Atlantic coast and the Panama Canal.

Prospective Buyers Should See Realtor Before Making Deal

Logic and common-sense should not give way to sentiment in the selection of a neighborhood or location for a new house.

The chief question to be decided is whether the house would be bought or built in a centrally located residential district of the city or in a suburban section.

Central Location Advantages

When the family is composed of adults who are employed and who have little leisure time, a central location near employment and amusement centers may compensate for a less spacious lot and for somewhat crowded living conditions.

On the other hand, if there are small children, or if the adults have considerable leisure time, the spaciousness of the suburban areas may compensate for the longer distances which must be traveled to reach employment and amusement centers and for other slight inconveniences which the suburbanite often meets.

Consult Dealer

It is suggested that after a decision has been made as to location, a qualified real estate dealer who is thoroughly familiar with the various sections of the city be consulted. He will know what sections of the city are, by their nature, unsuited to the family's needs. He will be able to save time and trouble by suggesting which neighborhoods have high property values or are on the way to deterioration.

Orderly Basements Create Extra Room

The basements of hundreds of American homes are waste space which could be quickly and inexpensively reclaimed and put to everyday use.

Dark Room Possibility

Basements have been converted into photographic dark rooms, recreation rooms for games and entertaining, rooms for collectors to use for assembling and storing their discoveries, and many other uses to suit individual hobbies or needs.

Finishing the basement is usually the biggest problem in a job of this kind.

There are three chief advantages in putting a ceiling in a cellar. The appearance will be improved, dust will be prevented from passing up through the floor, and when the ceiling is of incombustible material, there is a better chance of a fire being confined to the cellar and discovered before it has spread to the upper story.

"SPLASHBLOCKS"

If downspouts end above ground and the rainwater spills above grade, "splash blocks" should be used to keep the earth from being washed away. It is better, too, to lead the water away from the foundation lest it sink into the ground and penetrate the foundation walls.

HOW TO LOCATE ROOF LEAK

To locate a leak in the roof in dry weather, a garden hose can be played on the approximate location. An examination of the inside should follow.

Freight trains now operate nearly two-thirds faster than in 1920.

\$10,000 Budget For Chamber Of Commerce In 1941

The Midland Chamber of Commerce budget for 1941 went over the \$10,000 mark today, exceeding by \$2,002.50 the 1940 budget.

John W. House, chamber of commerce president, said the total will be increased by subscriptions of firms whose headquarters are in other cities and who have not yet answered letters sent them during the recent campaign.

Ninety-eight new members have been added since the drive started, Bill Collyns, manager, announced.

MIDLAND GIRL WINS SECOND AT ODESSA SHOW

Margaret Ann West, daughter of Mr. and Mrs. John P. West of Midland, won second place in the junior division of the amateur show, presented in connection with the automobile show at Odessa Thursday.

Four other Midland entries were among the contestants. They were: Ann Vannaman, Mary Frances Carter, Joan McDonald, and Margaret Savage.

The Midland Chamber of Commerce sponsored the entries.

At Your Library

Midland County Library will observe BOOK WEEK, November 10-16 with an amateur photograph contest. All entries must be snapshots of children bearing out the theme "GOOD BOOKS—GOOD FRIENDS." These snapshots will be on display in the children's room of the library throughout the week of November 10-16. Any child up to and including the seventh grade may enter the contest by submitting a snapshot

made by himself (or herself), or a snapshot of himself (or herself) by some member of the family. The photographers MUST be of amateur standing. Professionals are barred.

First, second, and third prizes will be given. Pictures will be judged on: (1) Originality of treatment of the theme Good Books—Good Friends; and (2) Excellence of photography. The prize winners will be chosen by a committee appointed by the librarian. Prizes will be awarded the winners on Saturday, November 16, and will be announced in Sunday's paper.

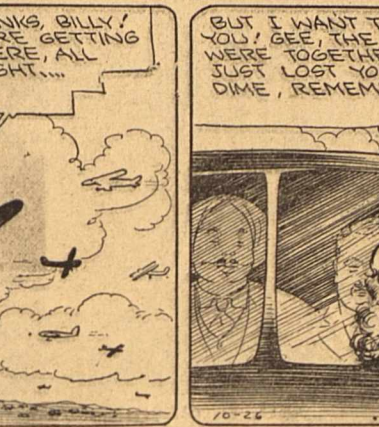

SAFETY COUNCIL TO MEET.

The Midland Safety Council will hold its initial meeting of the fall season at the chamber of commerce office in Hotel Scharbauer Tuesday, evening at 7:30 o'clock, it was announced yesterday by R. F. Peters, president. Election of officers for the coming year and formulation of the program of activities will feature the meeting, Peters said. Full attendance of representatives of membership organizations is urged. Joseph Mims will discuss the proposed city charter.

Dayton Area Of Eddy County Claims Top Interest Of Week In Southeast New Mexico As Extensioner Gauged

HOBBS, N. M., Oct. 26.—Flowing 147 barrels of oil in 24 hours, a southwest extension well this week kept the Southeast New Mexico spotlight on the Dayton area near Lake McMillan in Eddy County.

The new producer is Martin Yates, Jr., Bassett & Birney and associates No. 1 Fedell, a mile and a half south of southwest of the discovery well of the area. The 147-barrel flow was gauged through open 2-inch tubing set at 1,035 feet. The following 24 hours the well flowed 100 barrels, also through open tubing. It topped pay sand at 1,045 feet and is bottomed in lime at 1,180 feet. Before testing it was shot with 420 quarts of nitro from 1,040 to 1,150 feet. Location is 330 feet from the north, 2,310 from the east line of section 35-18-26e.

Wildcats Run Pipe
Another test in the Dayton area, Bassett & Birney et al No. 1 Kimball, 330 feet out of the southeast corner of section 26-18-26e, is drilling below 530 feet in lime and anhydrite. Jones, Yates & Nix No. 1 Crozier, 990 feet from the north, 2,310 from the west line of the same section, had drilled to 825 feet in gypsum.

Dooley & Haynes No. 1 Martin, Eddy wildcat in section 9-19s-25e, last was reported running casing at total depth of 963 feet in lime. Casing also is being run in E. L. Fulton et al No. 1 Edith Johnson, test, 2,310 feet from the south and east lines of section 22-19s-27e. Present total depth is 850 feet in lime.

Red Lakes Pool
J. B. Mulcock No. 1 Etz, wildcat 660 feet out of the southwest corner of section 25-16s-30e, logged increase in gas in lime and sand from 3,006 to 3,018 feet and is shut down for repairs at 3,082 feet in lime. Gas volume was estimated at 3,500,000 feet per day. The test previously had encountered 1,000,000 feet of sweet gas in sand from 2,958 to 2,962 feet.

In the shallow Red Lakes pool of Eddy, Sam Sanders completed No. 5 Berry for production of one barrel of oil per day on pump. It was shot with 25 quarts in pay from 510 to 535 feet, the total depth. Location is 367 feet from the north, 752 from the east line of section 24-17s-27e.

Delaware Basin Test
Sanders already has spudded and is drilling below 370 feet in lime in his No. 6 Berry, 1,534 feet from the north, 1,550 from the east line of section 24-17s-27e.

A test in the Delaware Basin region of Eddy, Fred Turner and D. C. DeVito, both of Midland, Texas, No. 1 DeVito, late in the week was drilling at 425 feet in anhydrite. It topped the Castile formation at 30 feet and set 10-inch casing at 40 feet. The wildcat is located 390 feet from the south, 1,650 from the east line of section 12-23s-25e.

Trojan Oil Company No. 1 Grant Permit, 2,440 feet from the north and east lines of section 33-20s-25e, topped black lime at 1,702 feet and is drilling past 1,812 feet in that formation. Hole full of sulphur water was encountered in brown lime from 1,587 to 1,595 feet.

Shuts Down For Orders
R. H. Ernest No. 1 Located Land Company, Otero County wildcat in the southeast corner of section 20-28s-27e, halted drilling at 3,808 feet

in lime and plugged back to 3,710 feet with 30 sacks of cement to straighten hole.

Stanley Weiner No. 1 Saunders in southeastern Lea County shut down for orders at contract depth of 4,500 feet in lime. The well logged odor of oil and gas from 4,353 to 4,360 feet. Rainbow shows of oil also were encountered from 4,345 to 4,355 feet, 4,375 to 4,380 feet and from 4,385 to 4,410 feet. Best showing occurred from 4,476 to 4,486 feet, where the well recovered one-quarter of a barrel of free oil after a 12-hour shut down while splicing line. It is located 660 feet from the north and east lines of section 20-21s-38e.

Large Maljamar Oiler
Great Western Producers, Inc. No. 1-D State, northwestern Lea wildcat less than one mile east of the Chaves County line, hit a barrel of sulphur water hourly in lime from 4,379 to 4,381 feet and halted drilling at 4,385 feet. Operators has cemented hole back to 3,048 feet and will gun-perforate 7-inch casing opposite red sand zone from 3,025 to 3,035 feet which carried both oil and water. The well is located 660 feet from the south, 810 from the east line of section 30-12s-32e.

Col. E. G. Woods completed his No. 2-B L. R. Simon in the Maljamar pool of western Lea for initial flow of 458 barrels of oil in 22 hours through open 2-inch tubing set at 3,515 feet. It had been shot with 175 quarts from 3,673 to 3,757 feet, the total depth. Main pay was entered at 3,690 feet. No. 2-B Simon is 1,980 feet from the north, 660 from the east line of section 30-17s-32e.

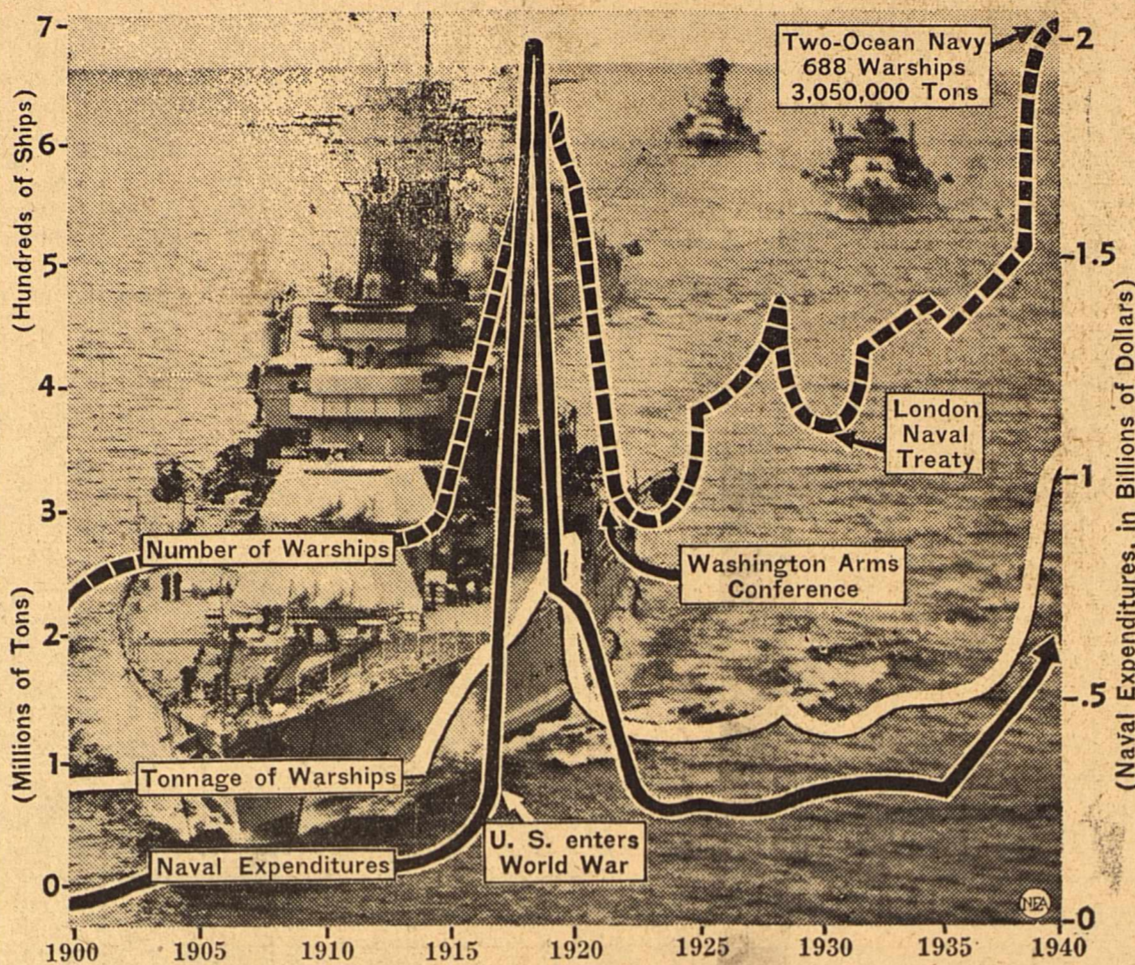

Yale Professor Discusses New Geological Book

Twenhofel's new book "Principles of Sedimentation" was recently purchased by the West Texas Geological Society for the Midland County Library. The following interesting review of Professor Carl O. Dunbar of Yale University is reprinted from the American Journal of Science.

"This new volume is a sequel to the 'Treatise of Sedimentation' of which Professor Twenhofel was the instigator and editor. While covering the same broad field, it presents the material in somewhat different arrangement and brings it up to date.

Analyzes Factors
"Special emphasis is placed upon the conception that the character of any sedimentary deposit is determined less by its source than by the environment under which it was produced, transported, and deposited. Accordingly the early chapters, including 129 pages, are devoted to an analysis of the environmental factors and a classification and review of the varied environments under which sediments are generated, transported, and deposited. The effect of organisms on sediments constitutes the subject of chapter 5, where it is emphasized that organisms represented in the sediments may have been trans-

U. S. Navy Builds to Greatest Strength in History

Forty years of growth has brought the United States Navy from a 200-ship youngster following the Spanish-American War to the two-ocean navy that will be the world's greatest when present authorized construction is completed. Chart traces increases and decreases in number of ships built or building, with their tonnages, and shows naval expenditures. Many ships decommissioned by disarmament, but not scrapped, have been refitted to provide auxiliary strength in today's navy. The Washington Arms Conference of 1922 scrapped 28 U. S. warships, totaling 750,000 tons.

HOLD ALLEGED EMBEZZLER.

DALLAS, Oct. 26 (AP).—Charged with embezzlement of \$1,150 from a Dallas bank where he worked as teller, Wilford Lee Earnhart, 27, formerly of Temple, was held in default of \$5,000 bond today following a hearing before U. S. Commissioner John Davis.

Marvin Pritchett's Honor Niece With Halloween Party

Mr. and Mrs. Marvin Pritchett entertained with a Halloween party at their home, 910 S. Pecos, Thursday evening, in honor of their niece, Inez Abbott.

Games such as black magic, miller boy, and post office occupied the guests until 10 o'clock when they were led up a dark stairway and through a dark attic to have their fortunes told.

At the refreshment hour, Halloween colors were followed in the party plate of orange sherbert and chocolate brownies served to: The honoree, Peggy Anderson, Bradford Clendendon, Henry Beth Abbott, Connie Mac Cook, Vernon Anderson, Peggy Jean Gard, Dean Anderson, Matilda Abbott, Evelyn Pittman, Marshall Whitmore, Louise Terry, Stanley Ellis, Betty Lou Wood, Mary Nell Wolfe, Leslie Wood, Myrtle Lee Tillman, Marvis Richie, Gladene Newsome, and Mr. and Mrs. Price.

BOUDOUIN MAY QUIT.

NEW YORK, Oct. 26 (AP).—The resignation of Paul Boudouin, foreign minister of the Vichy government, was reported tonight in a broadcast of the British Broadcasting Corporation heard here by NBC. Pierre Laval, vice premier of the Vichy government, has taken Boudouin's portfolio, the report said.

Junior High School News

Written By Students of John M. Cowden Junior High School

THE BIG STICKER SALE

Junior High students have all had a chance to show their ability in salesmanship as well as to display their patriotic sentiment this week, in selling patriotic stickers. Each boy and girl was permitted to sell as many stickers as he or she could at ten cents each. Half of the proceeds is ours to spend for athletic rewards, the purchase of a combination radio-phonograph recorder, and books for the library. Many real salesmen have been discovered. The boy who won the one-dollar prize is Jimmy Rhodes, who sold eighty-eight stickers. The girl prize-winners are Geraldine Wood and Pauline Potter. It was a real opportunity to help a good cause. We are proud of the \$75 which was our share.

SOME 7A SPIRIT

7A really went on a rampage to get to see the Bulldogs defeat Breckenridge Friday night. In all the rooms that made 100 per cent ticket purchases, the students were admitted to the game for a dime. We have forty in our room, and things looked a little gloomy for awhile. But after a big pep rally we adopted as our slogan, "4.00 or bust." At times we were on the verge of swelling a little, but as Dame Luck would have it, we went over the top to 4.20.

WHOD'A THOUGHT IT

In our room we have a freckle-faced, tousled-headed, snaggle-toothed guy who is in everything from the Junior Patrol to detention study hall. Football in the toughest degree is his delight! And would you believe it? He even goes in for poetry too. Read below what Bobby Cole's artistic sense tells him about—

Old Man Winter
Winter will soon be here;
Flowers and bushes will shrink in fear.
Little birds will fly away
And down in the south they will stay.
Soon Spring will come so very gay,
And chase Old Man Winter away.

FOOTBALL NEWS

The game last Saturday with the San Angelo Bobcats was one big tussle as well as a disappointment about the same size. The Bulldogs put up a hard fight, and really looked favorable for a score in the first

half. But in the last half it looked as if the odds were against us when the Cats loped down the field for a touchdown. In this reporter's opinion it was one continuous aerial attack. Guess some of the fellows on both teams had seen "Knut Rockne" and wanted to keep up the traditional Notre Dame tactics. We had a tilt with Sweetwater Thursday. Tell you about it next week.

NEWS IN GENERAL

Miss Laughlin visited in Pecos last weekend.

Coach M. L. Freels officiated in a game at San Angelo Friday. Mrs. Gilbreth taught in his place.

About the most amusing thing we've had in school recently has been hearing the phonograph records made on the machine which we want to buy so much. So far we've heard the voices of Mr. W. W. Lackey, Mr. A. L. Gilbreth, and Miss Jesse Scott Price. Several music classes have made records of group singing. Last week in the assembly the combination radio, phonograph, and recorder was on display.

Mr. Taylor, the traveling photographer, stopped in our midst last week for one brief hour, and took 570 pictures. We're expecting the returns any time now. Often it's hard to tell who's who, but by methods of comparison and elimination we find the rightful owners of the faces.

Our pep squad is really getting into the swing of this school spirit. We're practicing marching now. Soon we'll be in step with the high school girls.

Our old friend, the crow, tried his best to help us win the game last Saturday. Miss Latham said she saw him annoying the quarterback, and interfering with the pass receiver

several times. By the way, he attacked Bob Blair the other day and pecked out a mouthful of hair. For the first time in the history of Junior High football there was an admission charge for the game with San Angelo. We were very much pleased with the results. There was quite a nice crowd, and the proceeds amounted to about seventy-five dollars. The fund goes toward purchasing sweaters for those eligible for them at the close of the season.

The guest register shows our last week's callers were Mrs. E. R. Osburn Mrs. Rea Sindorf, Mrs. R. B. Cowden, Supt. Lackey, Mrs. E. A. Bonham, and Mrs. J. L. Greene. Four new pupils have enrolled since last week. Sonny Bonham from Houston; Thurman Allred from Hobbs, N. M.; J. D. Lester from Monahans and Charles Hurdleston Jr., from Big Spring.

Our art classes are working on fire posters this week. There is a one dollar prize for the best one. We have all sorts of new ideas on how to start and stop fires. Irene Harwell has been absent due to illness, but returned Tuesday fully recovered.

PROBATIONARY MEMBERS

AUSTIN, Oct. 26.—Seventy-six probationary members of the University of Texas Curtain Club will have a first opportunity to prove their worth when that organization processes its fall play "Key Largo" by Maxwell Anderson opening October 30 for a four-day run. Probationers are elected to active membership only after a year of distinguished service.

Among the recently elected probationers are Jean Lewis and Fredda Turner of Midland.

Why did the vision of your child become blurred at a distance last year? For the answer consult Dr. W. L. Sutton, Optometrist, Hotel Scharbauer Bldg. (Adv.)

Local Topics

Miss Jewella Jones, student in Southwestern Junior College at Keene, Texas, is spending the week end with her parents, Mr. and Mrs. T. D. Jones.

Mr. and Mrs. Jack Brannan left Saturday for Wichita Falls to make their home.

Since 1923, nine billion dollars have been spent by the railroads for improvements, of which 45 per cent was for equipment and 55 per cent for roadway and structures.

THE BEAUTIFUL 1941

CHRYSLER

NOW

Fluid Drive

WITH VACAMATIC TRANSMISSION

NEW AIRFLOW BODIES

IMAGINE the magic of Fluid Drive with Chrysler's new Vacamatic Transmission, which gives automatic safety control! About all the driver has to do is to operate throttle, wheel and brakes!

Gears adjust themselves automatically to all normal driving conditions. Jerks and labors of gear shifting become a mere memory! The car flows along as smoothly as a quiet stream... always under complete control.

Fluid Drive has been proved by thousands of enthusiastic Chrysler owners, in many millions of miles of driving, since its

introduction in 1938. With Vacamatic Transmission, it is now available on all 1941 Chryslers.

The more powerful Spitfire engines have 112 and 137 horsepower. They have multiple-jet carburetors, with separate jets for different driving speeds and a Spitfire jet for a great rush of power when you need it. The result is amazing getaway, superb performance, and the economy for which Chrysler has become famous.

The easiest-handling Chrysler ever built... packed with exclusive engineering features. Come in and drive it!

Tailored to Taste!

BEAUTIFUL new Airflow bodies, space-flared for greater roominess! New radiator design... new, longer hood... new graceful rear!

Lower, stronger, double-channel frame brings the body closer to the ground, improving appearance, balance and easy handling.

Great roominess everywhere! Bodies belled out at the window line to make room for five-foot cushions! Extra head room, leg room, shoulder room!

The button-tufted upholstery is real, not just ornamental. And the whole interior is tailored to your taste!

A wide selection of rich broadcloths, pile fabrics, Bedford cords, novel new materials, leathers. Many different color schemes, including the handsome Chrysler two-tone combinations. Plas-

tics in many colors to match the color scheme you select.

Airfoam cushions... bigger windows and windshield... beautiful new instrument panel... clear vision steering wheel. Luxury, comfort, completeness... beyond the power of words to describe! So see for yourself... examine... compare! You be the judge.

* Tune in on Major Bowes, CBS, Thurs. 9 to 10 P. M., E. S. T.

Here are the Keys—Take a Ride!

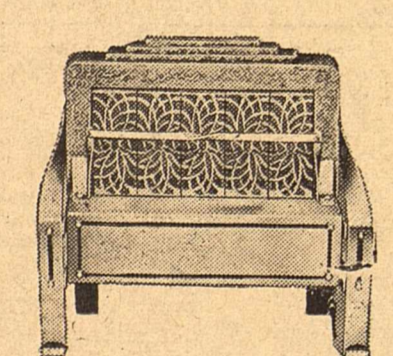

Chrysler dealers are the most enthusiastic dealers in America today. They know that one ride in the 1941 Chrysler will tell you more than a million words. Accept your Chrysler dealer's invitation to see for yourself... try for yourself... decide for yourself. The keys to a demonstrator are waiting for you. Make a date today!
