Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills,

To the winners of the Western States team-of-four championship went the Cleveland Whist Club trophy. Maurice Maschke, the late po litical leader of Cleveland, O., pre-sented this cup for the national auction team - of - four championship When auction was discontinued, the American Bridge League placed this attractive sterling cup in competition at the Western States tourna-ment, which attracts many of the outstanding players of the country

Oswald Jacoby played on a St Louis team, and I had the pleasure of playing on another St. Louis team. Mr. and Mrs. David Car-ter of Sedalia, Mo., paired with Senator Arthur Kincaid of Liberty, Mo. and F. Ayres Bombach of Kansas City, Mo., took the championship nosing out a St. Louis team consisting of Pat Ochs, A. S. Novack Robert M. Woodworth and J. M

Arriving at and making a grand slam won this hand for the champions. South's bid of four no trump was the Blackwood Convention, asking North to show aces. The fiveheart response indicated two aces. Five no trump asked North to show kings and again North showed two when he bid six hearts. Of course, the contract of seven no trump was a laydown. At the other table the opponents reached only six hearts.
