CHEVROLET IS FIRST

First IN CAR PRODUCTION . . . First IN TRUCK PRODUCTION
First IN COMBINED CAR AND TRUCK PRODUCTION!

AGAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is first in passenger car production—first in truck production—first in combined passenger car and truck production . . . despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes

to be able to build more and more of these fine products which America is buying so eagerly—the only motor car giving BIG-CAR QUALITY AT LOWEST COST—the only truck giving BIG-TRUCK QUALITY AT LOWEST COST—the complete Chevrolet line which stands out as the lowest-priced line in its field! Meanwhile, it stands to reason you'll get bigger value and quicker delivery by purchasing the product of America's largest builder of cars and trucks—Chevrolet!

Remember . . . LARGEST PRODUCTION means QUICKEST DELIVERY of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

Holiday Hospitality

For your Christmas and New Year's entertaining, here's a charming and distinctive centerpiece for your table or buffet. A tall, handsome, spiral candle, flanked by high green goblets or bowls brimming with popcorn. Then link the bowls and candle together with ground pine, laurel or other greens. And for your holiday refreshment, you'll want to serve one of the traditional hot punches. Here are two long-time favorite recipes that are easy to prepare and are just right for holiday gatherings. A large earthenware bowl or pitcher (or soup tureen) may be used to prepare your punch. Serve in mugs or cups.

HOT MULLED BURGUNDY

2 bottles Roma Burgundy
1 cup sugar
3 cups boiling water
1/2 lemon rind
18 whole cloves
6 inches stick cinnamon

Dissolve sugar in boiling water. Add lemon rind, cloves and cinnamon. Boil together for 15 minutes. Strain into double boiler and add Burgundy. Heat piping hot but do not boil. Serve flecked with nutmeg. Serves 15.

HOLIDAY EGGNOG

1 cup Roma Port 2 cups milk
Sugar to taste 2 eggs
Separate the eggs and beat the whites and yolks separately. Retain half of beaten egg whites for a "float". Combine remaining egg whites and yolks. Bring milk to boiling point, preferably in a double boiler, and slowly stir in wine, at the same time adding sugar to taste. Continue to stir while adding beaten eggs. Serve in preheated cups or glasses. Top with a "float" of beaten egg white and a fleck of nutmeg. Serves 6.

arises?

A. Yes. When a veteran or his representative contact a field station requesting emergency ambulance service, the chief medical officer or his designate will get all information possible about the case and will grant authority, if warranted.

Q. I was captured by the enemy during World War II and was in a prisoner of war camp for 15 months but my claim for disability has been denied by Veterans Administration. What can I do now that the disability is getting worse?

A. Veterans Administration will give special consideration to disability claims filed by veterans interned in enemy prison camps. You should get in touch with your nearest VA office and have your case reopened.

MAGIC CARPET OF THE 19th CENTURY

THROUGH giant snow drifts to a reunion with kinsfolk . . . along winding country lanes to the log church . . . over bottomless trails to a new home in the wilderness . . . the pioneer guided his magic carpet, the farm wagon, toward new frontiers of freedom and opportunity.

The trusty farm wagon, however, has an even greater claim to immortality. In the spring, it forsook the road to help sow the crop. At harvest time, it moved the grain to market, carted provisions home from town, and even helped break frisky colts to drive.

Today, John Deere rubber-tired wagons and trailers speed up farm hauling. Like all John Deere Equipment, they're keeping up with the times. Come in soon and let us tell you all about them.

JESUS INTERVIEWED BY NICODEMUS

LESSON TEXT—John 3:1-11, 16, 17. MEMORY SELECTION—Except a man be born again, he cannot see the kingdom of God.—John 3:3.

How does one become a Christian? This was the question of Nicodemus, and it is the question in the hearts and minds of thousands in every generation. The answer is clear and definite.

The only entrance into the Christian life is by the door of the new birth. Regeneration is the act of God whereby the divine nature is imparted to the believing sinner and he becomes the child of God. He who has not entered by this way has not entered at all. He is still dead in trespasses and sins, without God and without hope (Eph. 2:1, 12).

The Pharisees who looked for the coming of the Messiah as a secular conqueror wondered at this new spiritual leader. It was probably as much on their behalf as his own that Nicodemus came to inquire of Jesus. In answering his questions Jesus reveals the necessity, the nature, and the method of regeneration.

I. The New Birth—a Necessity (vv. 1-7).

Our Lord's visitor was a man of distinction and standing in the community, but Jesus was not unduly impressed by the dignity and high station of his visitor, nor by the visitor's courteous acknowledgment of his own position as a great teacher. With decisive boldness Jesus declares that this man, a cultured and distinguished ruler of the Jews, must be born again, if he is to see the kingdom of God.

God is no respecter of persons. The doctor of divinity must be born again just as much as the illiterate fisherman. D. L. Moody once said that he was thankful it was to such a man as Nicodemus that Jesus presented the necessity of the new birth, or men would have said that only the down-and-outer needed to be saved.

Two reasons are given by our Lord for the "must" of verse 7: (1) The Kingdom of God is a spiritual Kingdom and cannot be entered by way of our human nature; and (2) "that which is born of the flesh is flesh" and is radically and essentially bad. To learn why that is true read Jeremiah 13:23 and Galatians 5:19-21.

Scripture on this point is almost diametrically opposed to much of the teachings in our schools and colleges. But God's Word is right; let us follow it.

II. The New Birth—a Mystery (vv. 8-11).

God has graciously revealed to us "all things that pertain unto life and godliness, through the knowledge" of Christ (II Pet. 1:3). But it is true—and we say quite appropriately true—that he has some things hidden in his own blessed counsels. We know the experience of the new birth. We see the blessed results of regeneration. But what actually takes place is a divine mystery, not fathomable by human reason. Those who insist that all spiritual truth be put through the little norm of their intelligence will never understand it or receive its blessing (I Cor. 2:14).

The striking illustration of the life-giving and energizing wind used by our Lord is most illuminating. Wind is unseen, but the results of its movement are evident. Even so the spiritual rebirth of men is an enigma to the worldly man, but even he can see its results in godly living.

We know that regeneration is not only a possibility, but an actuality, a fact; in truth, the greatest of all facts.

III. The New Birth—a Reality (vv. 16, 17).

Just as there was healing and life in a look at the uplifted serpent in the wilderness (Num. 21:8), so there is life for a look at the Crucified One. Faith receives God's perfect provision for sin.

Verse 16 may well be regarded as the greatest sentence in the greatest Book in the world. It presents the whole plan of salvation—its source, its ground, its recipients, its condition, and its result.

This glorious salvation is for all men—"whosoever"—but some reject it. Notice that God does not condemn them. Their own evil works and desires condemn them (vv. 17-20). God in his grace is ready and willing to save, but men love "darkness rather than light," for their works are evil.

Our tender, loving heavenly Father has no desire to condemn anyone. The man or woman who falls under his condemnation of sin does so by choice. God's desire is that all should be saved.

Will you, unbeliever who reads these lines, respond now to his gracious invitation?

Hard water may be softened by the use of a commercial water softener or by using soda, borax or ammonia. The correct amount to use depends on the chemical analysis of the water.

The earliest known life insurance policy was issued in 1583. It followed strictly the form of marine insurance, which had been in common use since the Middle Ages.

HARSH LAXATIVES UNNECESSARY?

Millions Find Healthful Fresh Fruit Drink Gives Them All the Laxative Aid They Need

Don't form the habit of depending on harsh, griping laxatives until you've tried this easy, healthful way millions now use to keep regular.

It's fresh lemon juice and water taken first thing in the morning—just as soon as you get up, the juice of one Sunkist Lemon in a glass of water. Taken thus, on an empty stomach, it stimulates normal bowel action, day after day, for most people.

And lemons are actively good for you. They're among the richest sources of vitamin C, which combats fatigue, helps resist colds and infections. They supply vitamins B₁ and P, aid digestion and help alkalize the system. Try this grand wake-up drink 10 mornings. See if it doesn't help you! Use California Sunkist Lemons.

This Home-Mixed Syrup Relieves Coughs Quickly

Needs No Cooking. Saves Money. The surprise of your life is waiting for you, in your own kitchen, when it comes to the relief of coughs due to colds. In just a moment, you can mix a cough syrup that gives you about 4 times as much for your money, and is surprising for quick results.

Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking needed—it's no trouble at all. Or you can use corn syrup or liquid honey, instead of sugar syrup. Then put 2 1/2 ounces of Pinex (obtained from any druggist) into a pint bottle. Fill up with your syrup, and you have a full pint of really wonderful cough medicine. It never spoils, lasts a long time, and children love it.

This home mixture takes right hold of a cough in a way that means business. It loosens the phlegm, soothes the irritated membranes, and quickly eases soreness and difficult breathing. Pinex is a special compound of proven ingredients, in concentrated form, well known for quick action in coughs and bronchial irritations. Money refunded if it doesn't please you in every way.

Faithful Model of Sir Drake's Ship Inch Long

Among the outstanding exhibits of glass-case ship models in the Hampshire collection in the Institute of Marine Engineers in London, says Collier's. The life work of one man, it consists of 13 miniature reproductions of famous vessels built on a scale of 1 inch to 64 feet, or about one-eighth of the usual size of decorative ship models.

Most unusual of them all is a faithful reproduction of Sir Francis Drake's three-masted Golden Hind, which is one inch in overall length, or so small that it can be hidden behind a half dollar.

Chopsticks Sole Survivor Of One-Finger Piano Pieces

Of the thousands of one-finger piano pieces that served as parlor tricks during the 19th century, the sole survivor is Chopsticks, says Collier's. Since it was first published in Glasgow in 1877, this commonplace little tune has not only become popular throughout the world but its theme has been borrowed by such outstanding composers as Liszt and Rimski-Korsakov.

Still Second Rating

The touring company had never been of the best, and when they reached the stage of playing to the family of the man who owned the little country theater, and found that even they left at the end of the first act, it was decided to break up. Two of the actors set out to work their way back to New York.

They were lucky enough to get a passage on a barge, and when passing through a lock they overheard this conversation:

"What you got on board, Jim?"
"Load of fertilizer and a couple of actors, Bert."

The two actors looked at each other in silence, then sighed deeply. "Cyril," said one, "shall we never top the bill?"
