P PHILLIPS

Little League Formally **Opens Season Monday**

Little League season is about to get underway in Rotan with the grand opening of the season scheduled for Monday night.

A parade will be held at 7:00 p. m. down-town, led by the Yellowhammer band. Other participants in the parade will be the League officials, followed by the boys grouped into their individual teams and outfitted in their team uniforms. The fire department will also participate.

The parade will end at the Little League Field east of the swimming pool where a brief ceremony will be held with introductions of League officials and other volunteer Wilson, 12, son of Mr. and Mrs. J. workers.

Speaker of the evening will be "Speedy" Moffett, area director of National Little League Association from Snyder.

First game of the 1955 season will be played following the opening ceremony with the Rebels meeting the Pig team. All baseball fans are urged to attend and make this a fine send-off for the 1955 season.

VFW Elects Officers For The Year

At a recent meeting the following officers were elected to serve Fisher County Memorial Post 5072, Veterans of Foreign Wars, for the year:

Commander, LeRoy C. Lacy; Senior-Vice Commander, Jeral Wilkes; Junior Vice Commander Cecil Tankersley; Quartermaster, Chester Cooper; Adjutant. Buddy Edwards; Post Adjutant, H. Thompson; Chaplain, Sam Ham; Surgeon, R. T. Wilkinson; Officer of Day, T. L. Roa; Post Instructor, J. C. Peters; Post Historian, L. D. Mc-Grew; Service Officer, D. C. Walker; 3 year trustee, J. M. Morrow; [2 year trustee, Marvin Mann; 1 year trustee, Lee Decker; Guard, Sam Taylor; Public Relations Officer, Raymond Driver; Entertainment officer, Bill House.

Board of directors elected: Claud Thompson, Buddy Edwards, Jearl Wilks, Marshall Trimm, Raymond Goodwin.

Mrs. Thaddie Wilson spent last week in Huntsville Ala., visiting her son, J. M. Wilson and family. She and her other son, Fred Allen Wilson and family returned to Ft. Worth Friday, and she had just left by bus to return to Rotan when the news of the tragic death of her grandson was received. Fred Allen contacted the bus at Weatherford and returned her to his home, later driving to Rotan.

THE ROTAN ADVANCE

VOLUME NO. 49

Son Of J. M. Wilsons **Fatally Injuried By Accidental Gunshot**

Funeral was held in the First Methodist Church here at 3 p.m. Tuesday for Jack Douglas (Butch) M. Wilson Jr. of Huntsville, Ala. "Butch" was accidently shot last Saturday when he and a playmate, holding a gun, were sitting in front of a television set at the next door home of a playmate. The playmate

accidently fired the gun, killing 'Butch" instantly. The playmate was held blameless.

He was born Oct. 20, 1942 while his father was stationed in the Army in California. The youth lived in Japan and Germany. He had returned with his parents from Germany three months ago. His father is a native of Rotan. His mother is the former Jerry Kilgo, also a former Rotan resident.

The Wilsons, accompanying the body of their son, arrived in Abilene at 2:45 Tuesday by train. The body was brought to Rotan by Weathersbee Funeral Home.

Officiating at the services was the Rev. J. Alvis Cooley, Methodist pastor, and the Rev. Carl Underhill. pastor of the Calvary Baptist Church here. Burial was in the Rotan cemetery.

Survivors, besides the parents, are the maternal grandmother, Mrs. Madge Kilgo of Abilene; maternal grandfather, Luke Kilgo of Rotan; and the paternal grandmother, Mrs. M. Wilson of Rotan.

Pallbearers were Al Finch, Curtis Acker, Jeral Wilkes, H. Thompson, Wilbourne Porter and Bill Day.

'May Is Movie Month'

Rotan Theatres are cooperating with associate theatres in the "May s Movie Month."

They are offering an array of splendid pictures during the month and have a bargain offer on group tickets.

The movement is expected to prove very popular over the entire chain, according to Lance M. Davis, local manager.

Rotan, Fisher County, TexasThursday, May 5, 1955

FFA Tractor Driving Contest May 7th

O. R. Clark of the Clark Tractor and Implement Co., has announced that there will be a county FFA Tractor Operator's Contest for a number of Future Farmers in this area. Similar contests are being held all over the state by other Texas Ford Tractor dealers.

The contest here will be held May 7 at the Clark Tractor and Implement Co. and will begin at

The winner of the county concest will participate in one of ten district contest in the state. Disrict winners will enter a state contest and compete for a New Ford Tractor as a grand prize.

The state contest will be held in Houston, Texas. This contest will be held on July 19, 1955, the day prior to the opening of the FFA State Convention in Houston. Local Future Farmers participating in the county contest to be held here are Rotan, Roby, Hobbs and McCaulley Clark states that the public is in-

4-H Club Movement Has Greatly Increased

Just 99 years ago, Horace Greekey presented \$50 to a New York boy for being the state's outstanding young corn grower.

This year, nearly a half-million 4-H Club members, farming 1,400, **000** acres of land, are eligible to compete for awards worth \$40,000 in the National 4-H Field Crops Forestry and Soil and Water Conservation award programs. And like a century ago, the awards are prowided by public-spirited individuals and organizations.

In the field crop program, some 300,000 4-H members learn latest farming and production methods, from soil testing and treatment, to planting, fertilizing, cultivating, harwesting and marketing. Those who do outstanding work will be honored by the Nitrogen Division of Allied Chemical and Dye Corp., a new national 4-H awards donor.

Four medals are offered for field crops winners on the county level. State winners receive a trip to the National 4-H Club Congress in Chisago, Nov. 27-Dec. 1. Six national winners, selected from the state winners, will be presented \$300 college scholarships.

Sail and water conservation measares are practiced on over 350,000 acces each year by 4-H Club members. For the 12th consecutive year, winners in the National 4-H Soil and Water Conservation program will be momored by the Firestone Tire and Rubber Co. County and state winners will receive awards identical to those in field crops. Eight national winners will be presented \$300 scholarships at the Club Congress.

4-H Club members carry out approved forestry practices on over 200,000 acres of land each year an area equal in size to the forests of Bocky Mountain National Park in Colorado. In the program, 4-H'ers are encouraged to grow forest crops for commercial purposes on the fimily farm. Awards given by the American Forest Products Industries consists of a gold-filled medal and certificate of honor for the state winner, six all-expense trips to Congress for sectional winners, and four \$300 scholarships for national winners.

"Next to our boys and girls, the soil is probably our most valuable assett states G. L. Noble, director of the National Committee on Boys and Girls Club Work. "We are fortunate in having concerns like the national donors supporting this very fundmental work." The National Committee coordinates the Natall 4-H award program.

The 4-H members participating in the three programs, conducted by the Cooperative Extension Serwice, utilize agricultural lands to the Best possible advantage and conserve the Nation's number one resource: At the same time, the young people are helping their families make and save money, and preparing memselves for a successful future in agriculture.

Full information on the award programs is available from county Extension offices.

pause once a year and dedicate one day to Mother.

Mother is what makes the wheels go round. Home isn't home without Mother. The countless details, the careful planning, the constant loving care ... that takes Mother every time. Children won't tick without Mother. Form the start, Mother is our warm meal when we are hungry, our extra blanket on a cold night, our light in a dark room. Little minds and hearts reach out for MOTHER. Baby-sitters aren't the same. Servants are insufficient. Even Daddy isn't quite enough. A well child runs on eager feet to tell MOTHER of his joys; a sick child calls constantly for MOTHER to soothe away his pains. There's something special, something extra, that comes only from Mother.

Who else can kiss a hurt and make it well? Who else can give us lovely memories of a happy childhood, rich with fun and friends? And who, but Mother, can lead us from our earliest days to find Him as our Refuge and Strength, a very present Help in time of trouble?

Life brings floods of uncertainties, disappointments, failures. Mother is the rock that stands fast. Her faith is sure, her spirit never wavering, her love never failing. Life, too, brings joy, achievement, success. Then we know one heart is happier even than our own. Mother is then the soaring cloud of radiant rapture, lifting us to new attempts.

YOU IN THE CHURCH

is a by-product of the church.

THE CHURCH IN YOU

As long as Mother lives, we shall not lack for care or love or prayers. When separation comes, as come it must, "death is swallowed up in victory." Life will not change Mother's love; death will not conquer it. Mother's spirit will walk ever beside us; her love will wrap us close. Her gentle hand will guide us; her sweet voice will echo in our ears. Again we'll feel that extra blanket slipped quietly over us, in the coldness of our night! Mother is and will be forever more our guardian angel. In this world or in the next, we know that we may draw eternally upon the strength and the love that is ... MOTHER. Go to your church this Mother's Day.

Many Needless Car Accidents Fatal

Traffic accidents are a disgrace to this country. Last year they claimed 36,300 lives.

And the great scandal is that in most cases they are unnecessary. More care, more alertness, more respect for the rights of others, would eliminate the greatest number of accidents. Particularly inexcusable are the accidents which grow out of inadequate vehicles maintenance.

Just how many accidents fall into this category can never be statistically established because in many fatal accidents the car, or cars, involved are so badly smashed that pre-existing repair needs cannot be determined. But in spite of this fact, accident reports show that a significant number of vehicles involved in fatal accidents have one or more unsafe conditions.

Very often such conditions can be present in an apparently normal car. Last year, in a voluntary, nation wide vehicle safety check program in which more than one million wehicles were inspected, one out of four vehicles checked was in need of maintenance attention to one or more parts affecting safe operation. In many cases, the automobile owners did not suspect this need.

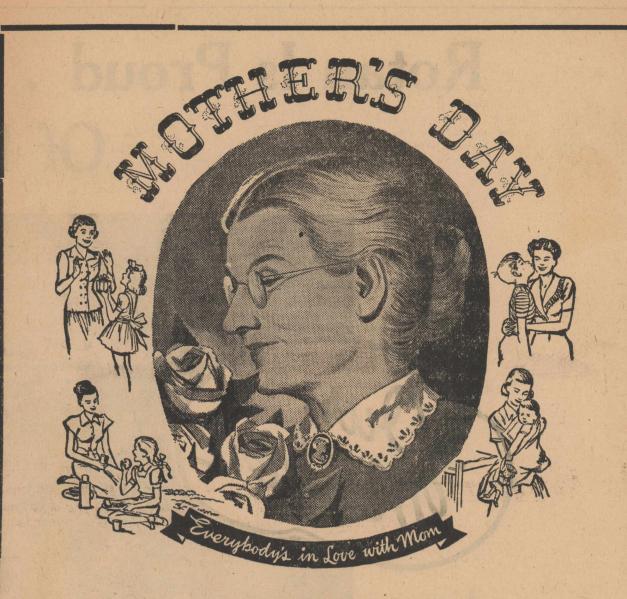

Obviously, then, the only way a driver can be sure his vechile is in safe operating condition is to check and double check.

It's a very simple matter to check for surface danger points. The driver himself can do this. Excessive tire wear, loss of brakes efficiency, lights that are not working properly, and other obvious danger spots can be easily detected.

But no driver should be satisfied with these surface checks. He should have his car checked regularly by a qualified mechanic. On these checks, the following points should be carefully checked: Headlights, rear and stop lights, brakes, tires, steering mechanism, windshield wipers, muffler and exhaust system, window glass, horn and rear-view mirror.

"Check your car, check accidents" is a pretty short sentence, but it contains the only solution to one important segment of the traffic accident problem.

Punch-line to the year's hottest power story -

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stopwatches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class —and a raft of others besides. In the one-mile straightaway run for lowpriced cars, the first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

Dilling sands in the

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

extra cost) puts 180 h.p. under your toe!

*National Association for Stock Car Auto Racings

Combine your new Chevrolet purchase with your vacation plans!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

The Rotan Advance Thursday, May 5, 1955 No. 14 State Bar Offers \$250

Attention writers who are interester in \$250. You may be eligible gram. for the second annual State Bar of Texas \$250 cash award to the Texas journalist, radio or teleision commentator whose published, broadcast or telecast work makes the most constructive contribution to the science of jurisprudence and the administration of justice during the past year.

Applications are invited from representatives of every medium of public information, including free lance writers, radio and television newscasters, and college journalism students, and should be submitted not later than June 5 to Wm. E. Pool, Secretary, State Bar of Texas, Austin 1, Texas.

The journalist should submit a Edna Morgan, Sec. sample of his published work. The radio or television commentator may send a copy of the script certified by the station or network news director. Application for the award may be submitted by the participant himself or by any other person on his behalf.

A committee of three lawyers will judge the entries with the help of a journalist consultant and the award will be made at the annual meeting of the Bar, June 30 in Dallas.

Winner of last year's award was Richard M. Morehead, Dallas Morning News Capitol correspondent, who was cited for a series of stories on Texas courts and atorneys, including a series on the so-called "Missouri Plan" method of selecting appellate judges.

American music. Last year according to T. E. Riv-

ers of National Recreation Association, forty-four governors and hundreds of mayors through proclamations and special statements called attention to the Music Week Pro-

President Eisenhower wrote warm letter of approval commending particularly the many efforts to draw servicemen and women into the activities, both as audience and as participants. Mr. Rivers serves as Secretary of the National and Inter-American Music Week Committee.

Among the Sponsoring Committee are representaties from the Music Conference, Educators National Music Teachers' National Association, the National Federation of Music Clubs, the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, and the National Recreation Association.

Also on the Committee are dis- invited to be guest of honor at the th groups, the YMCA, YWCA, and July 1, 2, and 4. rural groups; the American Federation of Labor, American Legion and Legion Auxiliary, General Federation of Women's Clubs, Kiwanis, Lions. Knights of Columbus.

Governors of all states as well as of Alaska, the Canal Zone, Hawaii, Puerto Rico, and the Virgin Islands are members of the Honorary Committee for Music Wek.

Speaking of the aims and achievements of Music Week, Mr. Rivers recently said:

"America's love for music goes back to pioneer days. Always Americans have gathered in groups to sing or twang the banjo. Under modern conditions sometimes a

little push is needed to get community-wide support and participation. This impetus Music Week successfully gives. Musicians and lovers of music through their own groups or in a great climactic cooperative program stress the delight that music brings. As a result of this

Local Teachers Attend **Annual Convention**

Mrs. James B. Day and Miss Delila Baird were among more than four hundred members of Delta Kap pa Gamma who attended the annual convention held in Mineral Wells April 22 and 23. Convention Headquarters were in the Baker Hotel but part of the meetings were scheduled in the Crazy Hotel also.

Theme of the Convention was "Our New Frontiers." Convention speakers were four outstanding members of the Society, Yvette C. Rosenthal, - Southwest Regional Director and immediate Past President of Apha State, Dr. M. Margret Stroh, National Executive Secretary, Mrs. Eunah Holden, past National President, and Miss Margaret White, Founder of Ohio State and currently living at Bonham, Texas where she is engaged in writing. Miss White's subject, "Deep Roots" was rich in Delta Kappa Gamma lore and richness of living. Dr. Stroh directed the proceedings for the Workshop Breakfast which gave valuable information concerning purposes, techniques, strengths and weaknesses of the organization. Miss Rosenthal, speaker for the President's Dinner gave freely of her experiences in leadership. Texas feels honored to have a member as director of the Southwest Region. Mrs. Holden, speaker for the Birthday Luncheon on Saturday, is chairman of the National Headquarters Building Committee.

Delta Kappa Gamma, an International organization of experienced women teachers, was organized in Texas by a group of women educators 26 years ago. It was the dream of the late Dr. Annie Webb Burton who lived to see it grow into an organization worthy of her dreams. There were twelve Founders of the National Organization. These same twelve were founders of the Texas (Alpha State) organization. Seven of the twelve are living and five of these were at Mineral Wells for Alpha State's 26th Conention.

The organization is currently in a fund raising campaign in an effort to build and dedicte a debt free National Headquarters Building in Austin by April of 1956. Each local chapter in the nation will have its name placed in the cornrestone if their quota is raised by June of 1955 when the corner stone is to be laid. Gamma Tau, local chapter with membership in Fisher and Nolan Counties, has alredy surpassed their quota. At the birthday luncheon, all chapter presidents, state officers speakers and other honored guests wore corsages made of money inin large garden baskets, by the presidents of the three newest chapters and presented to Mrs. Holden, Head quarters Chairman. This money, more than four hundred dollars, mas placed in the Headquarters Building Fund. The national treasurer reported more than \$50,000 has been sent in already for the fund. The estimated cost of the building is \$110,000, which the organization hopes to raise during a two year period. The Delta Kappa Gamma Society

holds Regionl Conferences on algional will convene in El Paso, in August. The 1956 State Convention will be held in San Antonio during the last week of April.

Legal Liability Has Many Odd Twists

Suppose that you have hired Johnnie to cut your grass and he runs your new mower into. your neighbor's hedge thereby ruining the hedge. Are you responsible for the damages? Quite likely you are. Or let us suppose that you find you need some supplies for the evening meal. You ask Johnnie, your neighbor's 'teen age son, to take your car and run to the store for them. On the way, Johnnie hits a pedestrian, seriously injuring him. Can you be held responsible? It is possible that you can.

In both instances, Johnnie was acting for you. His acts while performing those duties are, in the eyes of the law, your acts.

You may be liable despite the fact that you may have cautioned him to drive carefully and he did not.

The average individual expects to answer for his own actions. He does not usually consider that he may be responsible for the actions of other persons. That, however is frequently the case.

You may ask another person to do something for you, that is, to act as your agent. You may pay him, or he may be doing it without compensation.

property for you. The action may has made. be to negotiate an agreement for you with a third person.

If representations are made by your agent in performing the task which you assigned to him, you are responsible.

In a like manner, you are responsible for the contract made by him while acting for you. You may be held responsible for

the acts of a person who customarily represents you even though he entered into a contract for you without your consent or approval. For example, you may have a

partner in a business, and you and he have agreed that certain contracts shall be made only upon the signature of both of you. Unknown to you and without

your consent your partner signs considered to be your actions, you such a contract with a third person assume the responsibility of his doinvolving partnership business. If the person with whom this con- ing them correctly.

National Hospital Day Set For May 12th

AUSTIN -The Texas public is being invited to join with the American Legion Auxiliary, May 12, in an inspection tour of the 12 installations in the state that take care of hospitalized veterans, Miss Doris Anderson, Austin, state president, has announced.

For the public, May 12 is National Hospital Day. For the American Legion Auxiliary, May 12 has also she declared. gotten a new designation for this year; "R Day."

"R's" which the American Legion and open houses at the ten Veterans Auxiliary will stress are Rehabilita- Administration Hospitals, the Corpus

"We think 'R Day' is a splendid idea not only for The American Legion and the Auxiliary but for all citizens to acquaint ourselves with what rehabilitation actually means from the hospital's viewpoint, the patients' outlook and the part we as laymen can take.

"Under the theme of recognition,

we shall seek to arouse an apprecia tion among Legionnaires especially of the great contribution in our hospitals made by our hospital representatives and volunteer workers within the hospitals who wear the uniform of the American Legion

Auxiliary. "The third 'R' in the program is recruitment wherein we hope to awaken within the hearts of most of our members a desire to aid this key phase of the total program by volunteering 'as hospital workers,'

The twelve hospital representatives of the American Legion Aux-Miss Anderson states the three iliary have arranged for programs tion, Recognition and Recruitment. Christi Naval Hospital and Brooke She explains these as follows: General Hospital, upon May 12.
