### Community Banquet Held Last Saturday In School Lunchroom

The Robert Lee lunchroom was the setting on Friday night, May 13, for the Community Banquet, sponsored jointly by the Robert Lee-Silver Lions Club and the '64 Study Club.

A total of 59 persons were served a delicious chicken dinner, along with relaxed, good fellowship. Dinner music was provided during the meal by Mrs. Pat Stephens on the piano. The

mood of the spring banquet was enhanced by the wicker baskets, filled with ivy and silk flowers, on the serving tables.

Mrs. Alice Beaty was named Citizen of the Year at the banquet for her outstanding community work on a number of boards and committees, some of which are the '64 Study Club, the Pageant Association, Robert Lee Cemetery, and the Firemen's Auxilliary, as well as extensive work in the Methodist Church.

The Lion of the Year award was presented to Ernest Clendennen of Silver for his dedication to community services, his extra interest in youth and sports, and his willingness for every work detail.

Fern Havins was honored with a plaque from the Robert Lee Housing Authority and the City of Robert Lee for his untiring efforts on the housing board. He was also made an Emeritus Member of the Volunteer Ambulance Board and honored as being instrumental in its beginnings.

### Local Pool To Open Saturday

### This Week's Paper Honors 1983 Seniors

This week's edition of the Robert Lee Observer is dedicated to the Robert Lee High School Seniors who are candidates for graduation on Friday night. Local business people and various individuals have chosen to support and sponsor these young people. These sponsors are to be commended for their dedication to our youth and school.

Many of the senior students have gained added honors and achievements since the publication of the school yearbook. However, due to the difficulty in gathering this information without missing some, the Observer used the yearbook achievements as a guideline. Most of the individual honors gained have been carried in new stories periodically from the school.

Chris, 8 year old son of Mr. and Mrs. Dennis Ross of Ira, is spending some of his summer vacation from school with his grandparents, Mr. and Mrs. Mike Ross at Lake Spence. He expects to do a lot of fishing and camping during his stay.

Green Thumb Workers Trained To Deal With Alcoholism

Former Congressman Wilbur Mills, Doc Severinson of the "Tonight Show", and Ralph Waite of "The Waltons" all have at least two things in common: they used to suffer from alcoholism, and they now have much better lives after coming to grips with the disease.

The stories of these prominent people were part of the information provided to more than 60 Green Thumb workers attending a special alcoholism training session at the Senior Center in Fisher County on May 16, 1983. Green Thumb employs about 1,000 persons aged 55 and over in community service projects across the state.

In a film entitled "They Do Recover," Waite, Mills, and Severinson discussed the development of their alcohol problems

and the paths they followed to find relief.

"The fact that these well-known people are alcoholics helps to show the disease--- and alcoholism is a disease--- can strike anyone, rich or poor, lonely or in the spotlight," said Green Thumb district director Susan Armstrong, who conducted the training.

"Mills and Severinson suffered from severe blackouts, and Mills was afraid he had a brain tumor until examinations revealed his problem was alcoholism," she said.

"Waite, Severinson, left dead and alone," Armstrong said, "even though he was a national celebrity. Many of our workers--especially widows and widowers--know the feeling. We want to demonstrate that alcohol will only make any existing problems worse."

She said some of Green Thumb's enrollees have lost their jobs because of drinking, and for these people the future is dim. "They've lost their income and their self-respect, and few of them will have the resilience and energy to fight back. Prevention, whether you're young or old, is the best answer."

The Green Thumbers also heard a program update from state director Diane Parrish of Waco.

Green Thumbers from Coke County attending the session were Zola Hatley, Lois Wallace and Geneva Minnick.

### Granddaughter Of Local Lady Receives Honor

Miss Carla Grubenman of Dallas received an unexpected honor recently when she was nominated for Teacher of the Year in the Plano Independent School District.

Miss Grubenman teaches kindergarten at Harrington Elementary School which is one of Plano's 29 schools.

In the experienced teacher category, she was one of seven finalists for the Teaching Excellence Award. The teacher ultimately chosen by the committee was one with 25 years in the teaching field, therefore, Miss Grubenman felt she had been honored by her nomination, after relatively few years service.

She is the daughter of Mr. and Mrs. Carl Grubenman of Dallas and the granddaughter of Mrs. Golda Smith of Robert Lee.

### RL Residents Return From Big Bend Trip

A group of Robert Lee residents returned Sunday night after a five-day trip to West Texas and the Big Bend Park Area.

Mr. and Mrs. Dale Brown, Mr. and Mrs. Pritch Brown, Mr. and Mrs. Weldon Bosworth, and Mr. and Mrs. Les Gray left last Wednesday and drove to Fort Davis. They toured the fort, Prude Ranch, and then stayed at Indian Lodge State Park.

The second night saw the couples to old historic Terlingua, renowned for mercury, silver, and chili. Then on to the Mexican border town of Lajitas on the Rio Grande, where Mr. and Mrs. Bill Casey joined them.

The entire group joined a guided river raft trip available at Lajitas. The guides provide all the food, needed gear, and lots of advice! A 2-day trip takes the floaters over an 18 mile course of rapids, and breathtaking scenery with canyon walls towering to 1800 feet. The river carries the passengers past some awesome sights and through Santa Elena Canyon.

They camped overnight with guides cooking the meals. The campers reported the water was still very cold, much of it being from springs. Each sturdy rubber raft accomodated five people including the guide and the necessary gear. After coming to a beaching point, the passengers and rafts were picked up and transported back to Lajitas where the group had left their vehicles. They proceeded on through the Big Bend Park and toured the Chisos Mountain Basin before returning home.

Highlight of the meeting was the presentation of Honorary Chapter Farmer Degree to Mr. Bob Wrinkle. Miss Amy Percifull, chapter sweetheart, received a trophy in appreciation of her interest and help during the year. Special recognition was given to Stan Ray and Pat Percifull for their application for Lone Star Farmer Degree. Also, Stan Ray, Eddie Hood, and Quint Anthony were recognized for their leadership in district and area FFA activities, and Douglas Roberts for his election as district vice president for 1983-84. FFA Foundation medals were presented to deserving members of the chapter and certificates of merit were presented to members of the leadership and judging teams.

**Steak Dinner  
Honors Seniors**

On Friday evening, March 25, the Senior Class, senior sponsors, and the student's parents were treated to a grilled steak dinner in the home of Mr. and Mrs. Bob Wrinkle. The dinner, a joint effort by a number of the parents, was a delicious blending of steak, hot rolls, salads and side dishes.

A party air prevailed at the late meal as the seniors and sponsors were scheduled to board a charter bus in the school parking lot around midnight for the annual senior trip. This year the destination was Nashville and Chattanooga, Tennessee.

The bus departed about the time Robert Lee's only spring thunderstorm arrived and much of the trip was spent in cool, rainy weather.

During the trip the group enjoyed Raccoon Mountain, Alpine Slide, Grand Prix, Country Music Hall of Fame and Museum, a four hour white-water river raft trip, and several sight-seeing trips.

The Seniors arrived home on Wednesday, March 30, by charter bus.

They were accompanied on the trip by sponsors Nadine Davis and Edward Poehls, and Mr. and Mrs. Donny Robertson. Robertson is a member of the Robert Lee School Board.

### Coke Receives \$18,500 Grant

Coke County has received a grant in the amount of \$18,500. from the Concho Valley Council of Government for the purpose of remodeling the American Legion building in Bronte to provide a Senior Citizen Center. The grant is to be matched by 10% from the city. The city entered into a lease agreement with members of the American Legion. The appraised value of the building provides the 10% needed by the city to match the grant.

The building will be for the exclusive use of the Senior Citizens from 8 a.m. to 5 p.m. Monday through Friday of each week.

Boy scouts and girl scouts have used the building as a meeting place in the past and have the privilege of continual use in cooperation with the Senior Citizens. The building will, also, be available for rent nights and weekends for a reasonable charge. The charge for use of the building will go to help maintain the building.

In March of this year the Commissioners Court designated the Old Rec Hall in Robert Lee County Park for the use of Senior Citizens from the hours of 8 a.m. until 5 p.m. Monday through Friday. The building may be rented for other purposes at night and weekends.

CVCOG is made up of 13 counties of which Coke is a member and County Judge Aubrey Denman is a director.

### WTU Taking Tougher Stand On Theft

Electric Utilities in Texas, including West Texas Utilities Co., are taking a tougher stance these days on theft of electricity.

Reasons for the crackdown are a change in the State Penal Code making meter tampering a penitentiary offense and the fact that the cost of producing electric energy has gone up.

"We view any form of stealing electric power as a serious crime," said Don Welch of Abilene, WTU vice president and director of customer services, "because we feel a strong responsibility to protect the interest of our good paying customers."

"It costs money to produce electricity," Welch said. "If one customer manages to get some of it free, the other customers have to make up the difference."

The State Legislature amended the criminal mischief statute in 1981 to make diversion of any utility service a third degree felony with a possible punishment of a maximum fine of \$5,000 and from two to ten years in prison. The law also allows authorities to make the assumption that the person in whose name the service was last billed is the responsible party.

Convictions have been obtained in several Texas cities since the law was passed, and WTU recently filed charges which resulted in a felony indictment being issued against a customer.

Welch said that meter tampering not only is a serious crime which is becoming more easy to detect, but that it is extremely dangerous.

"Many people do not understand the danger involved," he said. "property damage, serious injurv. or even death can result."

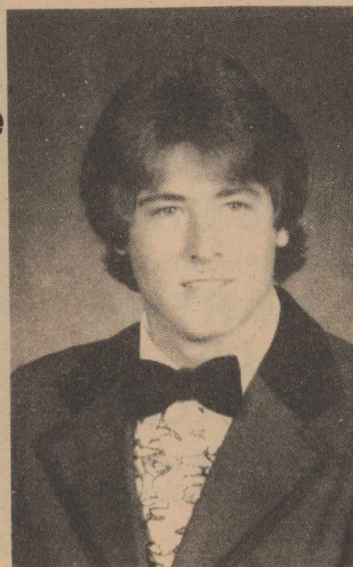

"Good things, when short, are twice as good."

### Clyde Dukes Resigns Job At R-Lee School

Coach Clyde Dukes has resigned his position in the Robert Lee School system and has signed a contract with the Sonora Independent Schools. His resignation has dealt a blow to the school as well as to the community. Aside from being a highly successful coach, he has a strong math teaching background, and has served for several years as minister of the Northside Church of Christ congregation.

A native of Abilene, Dukes attended Abilene schools, and graduated from Abilene Christian College (now Abilene Christian University) as a math major.

His first teaching assignment was in the Terrell Wells Middle School in San Antonio as a math instructor. He moved from there in 1973 to accept the Jr. Hi math job here in Robert Lee.

After filling several math teaching assignments, Dukes became interested in the athletic program, returned to school part time at ASU in San Angelo, and finished his P.E. credits for coaching. He has served as Jr. Hi girl's basketball coach, assistant football coach, JV football coach, girl's track coach, and has been, in general, an integral part of the school system, serving where needed.

In the fall of 1979, he became head coach of the high school girl's basketball team. During the following 4 seasons, under his direction, the team record stands at 101-16.

Coach Dukes will serve the Sonora School District as Athletic Coordinator of girl's athletics. He will also teach math and computer courses.

He stated that he had mixed feelings about leaving 'home' after ten years, but, after a great deal of sleepless nights and soul searching, thought a change was in order.

A busy summer is ahead of him, with a basketball clinic, coaching seminar, and the move to Sonora the first week of July.

Certainly it's our loss and their gain.

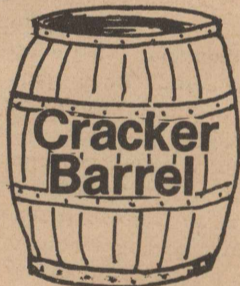

### Glenn Davis ASU Graduate

Mr. and Mrs. R.C. Sawyer attended the Angelo State University graduation exercises last Friday night to see their grandson, Glenn Davis, receive his B.A. diploma. His parents and brothers, Mr. and Mrs. Garland Davis, Copie, and Gary, all of Ozona, also were present for the ceremonies.

Glenn, who is a P.E. major, has accepted a coaching position with the Rocksprings School District. He did his student coaching at Robert Lee High School.
