Last Friday Night's Action

Greenwood Rangers Hand Steers First Loss

by Ronnie Baker

Larger school, larger boys was just too much for the Steers as the Greenwood Rangers dominated this football game from start to finish. Except for the third quarter, when the Steers put on their best performance of the night when they put it to the Rangers with their usual good blocking and running. The other three quarters were not so good as it was the Rangers ball game.

Hunting And Fishing Guide Being Planned

We are working up a hunting and fishing guide to be inserted in the papers and also distributed free to news-stand and other areas. This guide will come out towards the end of October and will have informative articles about the Hunting and Fishing in Coke County. Ads will be sold to promote this guide. Anyone wishing to advertise hunting leases in the guide should contact Rick Styles at the Bronte Enterprise or Joan Davis at the Robert Lee Observer. Try to get your ads in as soon as possible.

Mop, Broom Sale Set For This Saturday

The Robert Lee Lion's Club Annual Mop and Broom Sale will be Saturday, October 8. The Cracker Barrel Grocery will be the headquarters. The Lion's Club members will also be going door to door with their wares.

Numerous household items will be available. A wide selection of mops, brooms, brushes, doormats and other miscellaneous items can be purchased.

'50's Style Pep Rally Planned

The cheerleaders will be conducting a special Fifties Style Pep Rally for Homecoming on October 14 at 3:00. Everyone is urged to get in the swing of things and attend this special pep rally.

FIRST QUARTER

Greenwood received the opening kickoff at their 12 with a return to their 32. Then with large chunks of yardage and from 1st downs the Rangers drove for the 1st touchdown and scoring their extra points, they led 7 to 0. The Steers then took the kickoff with a return to the 18. The Steers make only 3 yards and they punt to the Greenwood 47. Then they start another drive with three 1st downs to score again. Their extras fail and they led 13 to 0. The Steers again receive the kickoff with a return to the 25 with a short gain the 1st Quarter ends.

SECOND QUARTER

The Steers are stopped again and they punt to the Steer 46. The Rangers drive again to the Steer 4 yd. line and they try a pass in the end zone where Jim Bob Jacobs intercepts and the Steers get the ball at the 20. Greenwood holds again and Rasco punts to the G.W. 38. But the Steer defense then holds on downs and they take over at the Steer 39. But the Steers then fumble and G.W. takes over at the 25. The Steers hold again on downs at the S. 18 and the Steers decide to run out the clock at the 13 yd. line.

THIRD QUARTER

The Steers receive the 2nd half kickoff and return it to the 14. Then the Steers put it to the G.W. defense as they drove it with five 1st downs to score with Grim carrying it over from the 9 yd. line. Naico kicked the extra point and it was then 13 to 7. Greenwood took the kickoff and returned it to the 16. They then drove to the S. 26 with four 1st downs, but the Steers then hold on downs as the quarter ends.

FOURTH QUARTER

The Steers then start another good drive making three 1st downs to the G.W. 24, but the Rangers hold at that point and take over. They then do it again as they drive for another touchdown. They miss their extra points and they led 19 to 7. The Steers took the kickoff and drove for a 1st down to the S. 46. But Greenwood then holds on downs and take over with 17 seconds left and they run out the clock to end the ball game.

Homecoming To Be Held Here Oct. 14th

Steers To Host S-City Eagles

The Robert Lee Steers host the Sterling City Eagles in a 7:30 p.m. game tonight (Friday), Oct. 7, in the local stadium.

Sterling City has a season record of 2-3 and have lost both their district games. Robert Lee enters the game with a 4-1 record and have split for a win and a loss in district play.

This game should not be a real tough contest to the Steers. Sterling City lost seven valuable lettermen from last year and they are having an uphill struggle this year.

If the Steers can go out on the field and forget about last week's loss to Greenwood, it should be a good game.

All fans are reminded that the game starts at 7:30 p.m. Let's all go to the game tonight and give these boys the support they deserve and need. Follow the Steers!

LAST WEEK'S RESULTS

Eden 20, Irion County 17; Bronte 24, Sterling City 13; Garden City 23, Water Valley 0; Greenwood 19, Robert Lee 7.

THIS WEEK'S SCHEDULE

Eden at Bronte; Garden City at Irion County; Greenwood at Water Valley; Sterling City at Robert Lee.

Bill Brown is recuperating at home following recent heart surgery in a Lubbock hospital. Doctors performed a triple bypass and he is reported to be doing very well.

Commissioners Court Holds Special Meeting October 3rd

Coke County Commissioners Court met in a special session Monday, Oct. 3. The meeting was called to order by Judge Aubrey Denman. The prayer was led by Ettie Hubbard. The minutes of the last meeting were approved as read.

Item one on the agenda was a proposal by Roy Blair for new radar equipment for his patrol car. He presented research he had made on fines collected by the four Justices of the Peace. He stated they had collected around \$40,000.00 in fines in the 10 months Blair had been stationed in Coke County. A bid of \$3,295, including a warranty has been turned in. A motion was made by Commissioner Luckett for the county to buy the equipment, Commissioner Newby seconded. The equipment will be used in Trooper Blair's patrol car. The motion carried by a unanimous vote.

Item two: The drainage problem of the courthouse was discussed. County Judge Aubrey Denman brought to the attention of the Commissioners that the basement has been seeping and

Webster's Dictionary defines "homecoming" as a return of people to an often frequented place regarded as home or dear to the heart. It is hoped that many are planning to "come home" for the weekend beginning on Friday, October 14.

Most of the 1983 Homecoming

First Stories Off to Publisher

The first stories are on their way to the publisher announces the Coke County Book Committee. Thus begins another phase of the committee's work in publishing the Coke County Family History Book. There is still much to be done before much of the copy can be completed, but the free stories Coke Countians submitted are on their way.

The memories of those we have loved and lost remain with us always... as do the things they did and said and their influence on us and others. The Coke County Book will have space for you to document and preserve these memories of a special loved one for their friends, family, and community for generations to come. Memorials and tributes can be purchased from the Book Committee. Do this in honor of a lost loved one. Don't let their story be lost forever with the passing of time. For more information, call 453-2698 or 473-6861.

To order your books send your checks to the Coke County Book Committee, Box 328, Bronte, TX 76933. \$39.95 if you pick up your book, or \$42.95 if you want it mailed. Order before it is too late!

offered suggestions for solving the problem. He felt extending the drains from the courthouse to the street would help. The motion was made by Commissioner Newby and seconded by Commissioner Luckett. The motion carried by a unanimous vote.

Item three: The shortage of park funds was discussed. The Commissioners asked the Park Authorities to cut down on expenses until January 1984. There is a park planning meeting to be held in Abilene. No one plans to attend.

Item four: Child Welfare Committee appointments. Ron Exum and Christine Abalos were appointed to replace Joy Bagwell and Doris Saunders on the child welfare committee. The motion for these appointments was made by Commissioner Tidwell and seconded by Commissioner Millikan.

Item five: The Commissioners unanimously agreed to pay the bills.

Commissioner Newby motioned to adjourn the meeting and Commissioner Luckett seconded the motion.

activities will center around Robert Lee High School and will begin with a tea or reception from 1:15 until 2:15, sponsored by the Beta Club. Although all ex-students will be honored, the Class of 1933 will be singled out as special to celebrate their 50th year since graduation.

The Student Council will be in charge of the Homecoming Parade which will gather at the Courthouse Square and kickoff at 2:30 p.m. Clubs, organizations, and individuals are urged to get in the act with a parade entry. A huge crowd gathered downtown last year to cheer the parade as it wound its way to the school.

A pep rally at 3:00 will feature a 1950's style of cheerleading. It will be the last planned festivity until the district football contest between the Robert Lee Steers and the Water Valley Wildcats at 7:30 p.m.

Following the game, the old gym will be the gathering place for more mingling and refreshments will be served.

Also for those who wish to attend the Homecoming Dance, sponsored by the Student Council, it will begin in the Rec Hall at the County Park following the football game.

No Homecoming activities are planned for the weekend except by individual classes and family reunions, but it makes a fine relaxing Autumn visit. The School, Student Council, and the Ex-Student's Assn. welcome everyone to come and be a part of Homecoming '83.

Letters have been mailed to cover a partial mailing list compiled last year. If you know of ex-students who have not been contacted, please contact them. Invite your friends and relatives for an old-fashion "coming home"!

Class Of '33 To Meet Saturday

On Saturday, October 15, the Calvin Sparks home will be the scene of a celebration and reunion of the Robert Lee High School Class of 1933. This will be the first gathering of the group since their graduation 50 years ago.

The Sparks' will host lunch for the graduates and later in the afternoon a tea will be held from 2 to 4 p.m. for friends and relatives of the class.

Members of the Class of '33 are: Earl Childress, Louise (Roe) Hatch, Christine (Glenn) Roach, Frank Dean Bryan, Jack Cowley (deceased), Louise (Jordan) Wilks, Tony Morris (deceased), Lela (Higgins) Smith, Cova (Cowley) Sparks, Rucy (Dodson) Bryan (deceased), Clell Varnadors, Dorothy (Cliff) Davis (deceased), Vernie (Key) Smith, Winston Gardner, Vivian (Roane) Jacobs, Thula (Murtishaw) Eubanks (deceased), Mary May (Craddock) Wylie, Truman Havins, and Phelan Leggett.

GIRL SCOUT NEWS ITEMS

Junior Girl Scout Troop 366 met in downtown Robert Lee for a window washing project on Tuesday, Sept. 27.

Participating girls were Karla Aldridge, Brooke Boone, Rachel Lopez, Becky Padgett, Eugena Putman, Theopa Rodriguez, Lisa Sanchez, Shannon Skipworth and Felicia Sparks. Leader Nada Sparks accompanied the group.

The troop expressed their appreciation to several businesses who donated to the Scout's fund. They included Arnold's Music, Coke County Appraisal Office, Cracker Barrel Grocery, David's Barber Shop, Flower Sak, Ivey Motor Company, J & B Lumber, Mountain Creek Lodge, Coke Sterling Farm Bureau, Post Office and West Texas Utilities.

LOOK WHO'S NEW

Wes and Gina Sawyer of Lumberton are the proud parents of a red-haired son born at 3:34 p.m. on Oct. 3 at Baptist Hospital for Women and Children in Beaumont.

Levi Garrison Sawyer was 19 1/2 inches long and weighed 6 lb. 11 oz. on his arrival.

Mr. and Mrs. Paul L. Garrison Jr. of Medina and Mr. and Mrs. Tom Sawyer of Robert Lee are his grandparents.

Great-grandparents are Mr. and Mrs. Paul L. Garrison Sr. of Medina, Mr. and Mrs. Armand Markwordt, Harper, Mr. and Mrs. Buz Sawyer, and Mr. and Mrs. Eugene Hollis, all of Robert Lee.

Completing the fifth generation are the new baby's great-great-grandparents, Mrs. Mable Austin of Robert Lee and Fred Hollis of Snyder.

Mr. and Mrs. Greg Pearson have named their new son Gregory Allen. He was born at Angelo Community Hospital on Sept. 30 at 9:49 a.m., weighing a healthy 9 lb. 10 oz. and was 21 1/2 inches long.

Mr. and Mrs. Lendy Devoll and Mr. and Mrs. Frank Pearson, all of Robert Lee, are Gregory's grandparents.

Brady Wade is the newly chosen son of Mr. and Mrs. Bobby Bolding. He was born on Sept. 13, weighed 6 lb. 12 oz. and measured 19 1/2 inches long on his arrival.

His sister, Bree, is three years old.

Pleased grandparents are Mr. and Mrs. John Conley of Wichita Falls and Mr. and Mrs. Bob Bolding of Plainview.

'Scholar loans' program to assist future teachers

COLLEGE STATION—While government officials in Texas and across the country talk about problems in the educational system, Texas A&M University has taken action in one critical area.

Starting this fall the College of Education will offer scholar loans to high-quality undergraduates who commit to teach math or science at the secondary level after they graduate.

The program is vital because almost 50 percent of teachers who teach math in Texas are not certified to teach that subject and the situation with science teachers is not much better, said Associate Dean Bryan Cole, who worked with the college's Development Council in developing the program.

Six of the scholar loans at \$2,000 each will be awarded this fall. To be eligible students must meet a number of qualifications including a combined SAT score of at least 1000 and a high school average of at least a B for incoming freshmen. Transfer students must have a B average on all college work to be eligible.

For each year that a scholar loan recipient teaches math or science after graduation, he will be forgiven a percentage of the loan based on the number of years he received assistance and the number of years he teaches.

GET READY FOR TOMORROW, PART-TIME.

The Army Reserve offers a wide range of skills, many technical.

One weekend a month and two weeks per year with a local Reserve unit is all it takes. And you start at \$1,200 per year.

Take tomorrow. Call your Army Reserve representative, in the Yellow Pages under "Recruiting."

ARMY RESERVE. BE ALL YOU CAN BE.

Garden City Tops Dogies

The Robert Lee Dogies lost with a 6-20 score to the Garden City Bearkittens Thursday, September 29.

The first touchdown was made by Randy Gartman on a 5 yard run. The extra point was no good.

Coach Anthony stated, "Even though we have been outnumbered and outsized all year, the players have stayed in there and played as hard as they could and have not given up."

The Dogies travel to Sterling City Thursday (last night) for a 6:00 p.m. game. Thursday, Oct. 13, the Dogies host Forsan at 6:00 p.m. in the local stadium.

All fans are urged to attend the games and support the Dogies.

Casey Reunion Set For Sat.

The Casey Family Reunion is Saturday at the Recreational Center starting at 2 p.m. Everyone is to bring a covered dish meal for the evening meal that will be served at 6:30.

Clyde Cukes of Sonora, former RLHS girl's basketball coach, conducted the worship services at Northside Church of Christ last Sunday.

Dukes now teaches computer science classes and is in charge of all girl's athletics at Sonora High School.

Nutrition-conscious dieters who are concerned about getting enough vitamin B-6, iron and zinc will often take costly vitamin pills and dietary supplements. Yet beef is an easily available source of these nutrients, says Marilyn Haggard, a foods and nutrition specialist with Texas A&M's Agricultural Extension Service. The key to including beef in low-calorie diets is selecting lean meat and eating it in appropriate amounts, says the nutritionist. For example, a 3-oz. serving of cooked lean meat will provide a considerable quantity of B-vitamins, minerals and trace minerals like iron and zinc, but contains only 200 calories. Increasing consumption of lean meat is one way to improve the zinc and iron content of a diet low in calories, Haggard says.

"I haven't heard of anybody who wants to stop living on account of the cost." Kin Hubbard

Applications To Service Schools Being Taken

Senator John Tower (R-Texas) today announced he is accepting applications from Texas students who wish to compete for his nomination to the nation's four service academies.

Potential candidates must be between the ages of 17 and 22, unmarried, and a United States citizen. High school seniors should specify whether they wish to attend the Air Force Academy at Colorado Springs, Colorado; the Merchant Marine Academy at Kings Point, New York; the Military Academy at West Point, New York; or the Naval Academy at Annapolis, Maryland.

"The four service academies offer cadets and midshipmen outstanding educational opportunities," Tower said in making the announcement. "In return, these young men and women commit themselves to serving as leaders in guaranteeing our national security."

Interested seniors may obtain an application from Tower's Dallas office at 1100 Commerce, Dallas, Texas 75242. Academy applicants need to provide a completed application form, a high school transcript (complete through the student's junior year), SAT or ACT scores, rank in class and three candidate evaluation forms. (The evaluation forms will be sent to the student upon return of the application. Additional letters of recommendation are not required.) The deadline for completing the academy application is December 15th.

Now serving his fourth term, Senator Tower is chairman of the Armed Services Committee and is also a member of the Budget Committee and chairman of the Housing and Urban Affairs Subcommittee. He is also chairman of the Senate Republican Policy Committee, and now ranks second in seniority among GOP members of the Senate.

Katherine Dorn Dies In C-City

Katherine D. Dorn, 76, of Colorado City, died at 12:50 a.m. on Thursday, Sept. 29, at Root Memorial Hospital after a long illness.

Memorial services were held at 2 p.m. Saturday, Oct. 1, at All Saints Episcopal Church, directed by Kiker-Seale Funeral Home. The Rev. Monte Jones, pastor, officiated the rites.

Born Katherine Durham on July 29, 1907, in Robert Lee, she married Ewell Landon Dorn June 25, 1932 in San Angelo. A retired school teacher, she was a member of All Saints Episcopal Church.

Survivors include her husband, and a son, David Michael Dorn of Hartford, Conn.

Mrs. Dorn was a niece of Mrs. Golda Smith of Robert Lee.

JV Team Ties Water Valley

The Robert Lee Jr. Varsity team tied Water Valley Thursday, Sept. 29, with a 6-6 score.

Randy Stephens made a 5 yard run for the touchdown. Good defensive plays were made by Michael Torres, Mitchell Reece, and Randy Stevens. Leo Saucedo did a good job of running with the ball.

Two Family Reunion Set

The Lawrance and Millican Families have set Saturday, October 22, as the date for their reunion. It will be held at the Bronte Rec Hall at the County Park. A covered dish lunch will be enjoyed by those attending as well as an old-fashion Gospel Singing at 1:30 p.m.

Alpha Kappa Pi Meets Sept. 28

Alpha Kappa Pi Sorority met on Sept. 28 in the home of Beth Prather. Sixteen members were present as Beth presented the program entitled "Manners".

During the business meeting several items were discussed, including a planned donation to the Ronald McDonald House in Houston.

Mrs. Wayne Mashburn will hostess the annual Halloween meeting in her home. It will be a Couple's Party.

Girl Scout Calendars To Go On Sale

Mark your calendar for the kickoff of the 1984 Girl Scout Calendar Sale. The calendar sale is an annual event for the Girl Scouts throughout the West Texas Council. This edition of the calendar features a cover design highlighting Girl Scouts enjoyment of animals in their habitats.

Purchase of a 1984 Girl Scout Calendar will help you organize the fast approaching days ahead in '84. Meanwhile, through calendar sales, troops will be acquiring operating funds needed for their troop treasury to start the year's activities.

If you are interested in purchasing a calendar and supporting Girl Scouting in your community, contact any Girl Scout. The cost of the calendars is \$1.25.

The West Texas Girl Scout Council is a participating agency of United Way.

HOME ECONOMICS

by

Debbie Stelter

County Extension Agent

Many overweight people eat too fast. Research studies show that overweight people eat faster (26 percent) than people who do not have a weight problem. This allows them to eat more food in the same amount of time than a thin person would eat.

It takes about 20 minutes to begin to digest food so that you no longer feel hungry. If you eat quickly, you put more food into your body before your hunger is satisfied. An obvious solution is to slow down when eating. Think for a minute of some ways you can slow down your eating.

* Put your fork, knife, spoon or finger foods (sandwich) down after every bite. By slowing down, you will be more sensitive to feeling satisfied by the food.

* Taste, chew thoroughly and swallow the food before taking another bite. This will be difficult for a while if you are in the habit of loading up your fork before you swallow what is in your mouth.

* Stop eating in the middle of the meal or snack and wait 2 minutes by the clock, or count to 120. This gives your body more time to begin to digest the food and for you to feel satisfied before you have overeaten.

* Leave the table and come back after 2 minutes, or talk to someone during this time. Be sure it is a pleasant conversation.

* Use a fork or spoon to eat everything. No fingers please!

* Count the number of bites you take in one minute. A supermarket counter may be helpful.

* Chew food thoroughly before swallowing it.

* Try to eat so slowly that you are the last one finished eating, without taking second helpings.

* Use a smaller plate than you usually do and take smaller bites.

Have you ever felt you could not stop eating once you started? Many people who overeat feel this way. In part, this reaction is

because overeaters are more sensitive to the sight of food. They want to eat everything that they can see. It is also because they do not want to waste any of their food. They belong to the "clean plate club".

* Leave the table as soon as you have finished eating.

* Do something that signals the end of the meal-- have a cup of coffee or tea, brush your teeth or wash your hands.

* Set aside one bite of food at the beginning of a meal and quit eating when only that one last bite remains on your plate.

County Court Holds Meetings

County court met Monday, September 26. Two DWI offenders received fines and probation. One was ordered to attend DWI school. There was one not-guilty plea entered. The court date for this case will be set at a later date, after the defendant is appointed an attorney.

County Court met again Monday, October 3. Three offenders received fines and probation, two of these were theft offenses and one was a DWI offense. One DWI offender was fined and ordered to surrender his driver's license. One DWLS (driving while license suspended) offender was fined and ordered to pay court cost. This will be done by working for the county in cleaning up the Museum. The County Clerk is serving judgement papers for one forfeiture of bond.

West Coke Hospital News

The West Coke County Hospital District reported these admissions and dismissals.

Sept. 27: No admissions and A.J. Hinton dismissed.

Sept. 28: No admissions or dismissals.

Sept. 29: No admissions and Lena Russell dismissed.

Sept. 30: Lillie Pittman admitted and no dismissals.

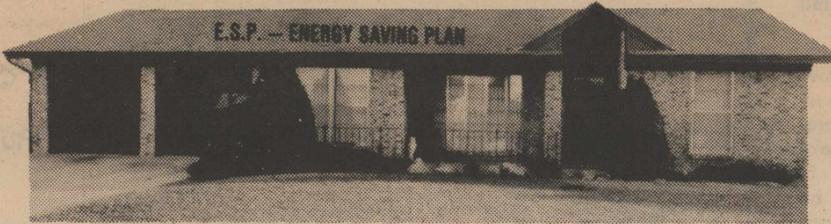

Oct. 1: No admissions and Lillie Pittman dismissed.

Oct. 2: Doyle Hubbard admitted and no dismissals.

Oct. 3: Lou Ella Bessent and Mary Bloodworth admitted. Doyle Hubbard dismissed.

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

***COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD**

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more.

(Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

ROTATION GRAZING CAN IMPROVE PASTURELAND

Well managed rotation grazing can provide Coke County ranchers with improved pastures and added efficiency in the use of their grazing lands. To illustrate, seat five boys before a table loaded with spinach, carrots, potatoes, steak, and ice cream and what do you think they will eat? They will probably fill up on steak and ice cream. Now seat 20 boys before the same table and they will usually eat some or everything. The difference is competition for the available food.

Before going any further, emphasis must be made that stock be moved to another "ungrazed" pasture before the grass is grazed too short. This gives each pasture a chance to rest and grow more of the better plants before livestock are returned to it. The basic principle behind rotation grazing is to concentrate the stock on an area for a relatively short time, then move off, giving forage plants a rest so that they can recover their strength, grow new roots and leaves, and make a seed crop.

Let's say there is a 400 acre pasture capable of grazing 20 cows. This pasture is cross-fenced to make two pastures of 200 acres each. Graze all 20 cows in one pasture and rotate between each pasture every 2 to 4 months, depending on forage produced. This provides each pasture several rest periods during the year. Better yet, each of these pastures could be cross-fenced to make four pastures of 100 acres each. This will provide each pasture with a shorter grazing, and longer rest period.

There are many advantages to a good rotation system. More beef can be produced and pastures improved at the same time. Stock are usually easier to move because cattle like to graze in fresh pastures. Parasites can be reduced because of the pasture rest periods. Stockmen in rotation systems report that after a few months they can rattle a feed

bucket and move the entire herd in a matter of minutes. This also provides an opportunity for easier inspection of stock.

The disadvantages of the system, the need for more fencing and the availability of water, are easily overcome. Electric fences have proven to be effective, and cost about one-tenth as much as regular barbed-wire fences. If water can be located at a central point, fences can be built so that the pond or trough will serve several pastures.

More information about grazing systems is available upon request from the Soil Conservation Service, assisting the Coke County Soil and Water Conservation District. Nearly everyone who has tried rotation grazing is very pleased with their results. The benefits are well worth the effort and now is a good time to get started on your planning.

Ft. Chadbourne-Hayrick Reunion Held In Bronte October 2nd

The annual Ft. Chadbourne and Hayrick reunion was held Sunday, Oct. 2, 1983 in the Bronte Community Center, with 89 former and current residents attending.

A pot-luck meal was served at noon with the association furnishing the meat, coffee, tea, bread, plates and eating utensils. Mr. and Mrs. Bon Spoons furnished mutton with Jessie Eades and Royce Dean Clark helping barbecue it.

Mrs. Helen Kirkland gave a history of Hayrick.

Mrs. Ethel Gray of Blackwell was honored as a longtime resident of Coke County.

A business meeting was held by President Jessie Eads. Minutes of the last reunion were read by Mrs. Ollie Mae Cowley and new officers were elected as follows: Luther McCutchen, president; A.J. McDaniels, vice president; Mrs. Eula Maude McCutchen, secretary-treasurer.

Prizes were awarded to the

Oldest former resident of the communities attending, Mrs. Ethel Gray, 94 of Blackwell; Jimmy Rawlings, Bronte won the award as the youngest; Margie Moore, former Ft. Chadbourne resident, traveled the farthest distance, coming from Mossy Rock, Washington.

Retiring officers were Jesse Eads, president; Dolph Richards, vice president, and Ollie Mae Cowley, secretary-treasurer.

"A mobile home, like any other home, can be sealed too tightly for your health," says Dr. Peggy Owens, a housing specialist with Texas A&M's Agricultural Extension Service. "Some exchange between indoor and outdoor air should go on all the time. When you weatherize make sure you do not seal or block openings intended to ventilate the wall cavity," says Owens. If the inside air seems stuffy, homeowners should ventilate with exhaust fans or open a window a crack, says the specialist.

Area Teachers To Hold Meeting Sat.

The Association of Texas Professional Educators, Region 15, will hold its fall convention on October 8, 1983, at the Ballinger High School in Ballinger, Texas. The meeting will begin with registration and coffee time at 9:30 a.m. The business session is scheduled to begin at 10:15 a.m.

The president of Region 15 ATPE, Sandra Gayler of San Angelo, will preside. The other officers of Region 15 are Vice President Ramona Akins of Ballinger, Secretary-Treasurer Sharon Cheaney of Santa Anna, and Region Director C.E. Casselberry of Coleman.

The main speaker for the convention will be Mr. Kent King of Austin, Texas. He is the Assistant Executive Director of the state ATPE organization. The Association of Texas Professional Educators is one of the fastest growing state teacher organizations with approximately 35,000 members.

State Vice President Suzanne Norris Phelps states, "Given the credibility that ATPE gained in this last legislative session and the increased visibility both within the profession and with the general public, we think 40,000 members is a realistic goal."

The organization has the theme of "A positive influence on education".

Lake Spence Fishing News

PAINT CREEK MARINA
Winners of September fishing tournament for black bass and striped bass:

BLACK BASS
1. Steve Mooreland, 5 lb. 4 oz. (\$50.00); 2. Charles Effington, 4 lb. 9 oz.; 3. Bud Baker, 4 lb. 5 oz.

STRIPED BASS
1. Jerry Bass, 15 lb., (\$50.00); 2. Ed Rutledge, 14 lb. 7 oz.; 3. Mike Engle, 13 lb. 13 oz.

OTHER CATCHES REPORTED
Larry Miller, Midland, 1 striper 11 lb. 3 oz.

M.S. Graper, A.S. Lieske, Midland, 1 blue catfish, 4 lb. 4 oz., 1 striped bass, 6 lb. 4 oz.

WILDCAT FISH-A-RAMA
C.L. White, Hamlin, 1 striper, 17 lb.

Mr. and Mrs. W.J. Mashburn, Abilene, 6 stripers to 13 lb.

Richard Bohannon reported catching a yellow catfish that weighed 52 lbs. on a trotline baited with perch.

USE LIVESTOCK FORAGES AS COVER CROPS FOR LAND

by Mike B. Mecke,
Range Conservationist,
SCS, Robert Lee

Most ranchers and stockfarmers in this area do not think of their forage/hay crops as cover crops. But, that is exactly what they are if used properly. These crops can also be used as a part of the regular crop rotation. In Coke County, the most common hay and/or forage crops are the various Sudan hybrids, small grains or occasionally, grain sorghum.

A cover crop can protect and improve soils as well as provide valuable livestock feed. To provide maximum value they should not be grazed when soils are wet, overgrazed or left at the end of their season with inadequate crop residue.

There are numerous side-benefits of cover crops which can make the practice very worthwhile. The major benefits are: (1) Soil protection from the effects of raindrop splash and runoff-caused erosion. (2) Higher production due to improved soil structure and fertility because of the higher organic matter content. This return of some of the plant material to the soil also helps to improve soil tilth (workability). The presence of a more or less constant plant cover on the field maintains a more constant and higher soil microbial population. These tiny soil creatures are important to crop production.

(3) Watershed protection due to greater amounts of rainfall soaking into the soil where it falls (also more effective for the growing crops).

(4) Soil protection from strong winds (especially important on many sandy Coke County soils).

(5) Soil temperatures are more constant and lower, which also helps to maintain moisture.

In minimum tillage operations, which are fast taking hold across Texas, a cover crop and its residues are also very important in reducing weed populations.

Winnings From Gambling Must Be Reported

From a tax standpoint, cash winnings from lotteries, races, games of chance, and raffles are viewed as income on the federal tax return, the Internal Revenue Service says.

Similarly, contest prize money and awards from employers are also considered as taxable income by the IRS and must be reported.

The IRS adds that property items won in contests or donated by employers, such as household appliances, all-expense-paid vacations, or cars must also be included in income at fair market value. Both cash and non-cash winnings are shown on Form 1040 as "Other Income".

The IRS notes that gambling losses may be deducted to the extent of the winnings if deductions are itemized.

WTRC Benefit Horse Show Set For October 15

San Angelo Saddle Club Arena will be the site of the WTRC Benefit Open Horse Show Saturday, October 15, according to Horse Show Chairmen Jim and Dana Richman.

Debbie Herd of Shallowater, Texas will serve as judge, with Tom Gregg of San Angelo serving as steward for the day long event.

Forty six classes will be featured including Showmanship at Halter, Western Pleasure, Trail, Western Horsemanship, Reining, Barrel and Flag Racing and Pole Bending. Over \$2,000.00 in cash and prizes will be awarded. "We are expecting as many as 200 participants in the show this year", says Jim Richman, "and we hope to make this an annual event to benefit the Rehab Center."

Classes will start at 9:00 a.m. Entries must enter Halter and two performance events to qualify for all around High Point, and horses must be declared at the time of entry.

For further information contact Jim or Dana Richman at (915) 949-3654 or West Texas Rehabilitation Center (915) 949-9535.

AGRICULTURE by Tommy Antilley

County Extension Agent

There will be an educational meeting Tuesday, October 11, beginning at 7:30 p.m. in the District Courtroom on the second floor of the county courthouse in Robert Lee. With the projected high feed costs this winter, it will be vitally important for producers to select the best supplemental feed to fit their need. This not only means which is the cheapest, but more importantly, which one has the greatest amount of usable protein that can be utilized for the least money. In many instances, some of the so-called "bargain" cubes or supplements when figured on a cost per pound of usable protein end up costing the producer in the long run.

Dr. Jerry Cowley, Area Beef Cattle Specialist, and Robert Kensing, Area Economist will be on hand to present the program, discuss various supplements and cover economics of supplemental feeding for present market conditions. Dr. Cowley will also discuss a new process of injecting stacks of hay with ammonia to increase the percent crude protein that can be utilized. This process is showing some excellent results. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, or national origin.

Info About Hay Needed

Livestock producers who need to buy or sell hay and other roughage for their livestock may want to contact the Agricultural Stabilization and Conservation Service.

The agency is making an all-out effort to collect and disseminate information concerning the need for or the availability of hay in the area.

Although drought conditions this summer created many hay shortages, some areas are known to have a surplus of hay or other roughage.

ASCS official J.E. Quisenberry Jr. says federal agencies, State Departments of Agriculture, hay dealers and other sources will be contacted for the names of producers who have surplus hay for sale. The listing will be maintained in the county ASCS office for interested persons to review.

The first city to be illuminated by gas lights was Baltimore, in 1817.

SUNSET MALL FOURTH ANNIVERSARY CELEBRATION OCTOBER 10-15

Join your friends and neighbors here at Sunset Mall during the week of October 10-15 as we celebrate four years of serving San Angelo area. All activities are free and we invite you to join us for a rousing good time. Here is a schedule of events:

- ★ Everson Walls, all-pro cornerback for the Dallas Cowboys, will make a personal appearance from 2-8 p.m. on Tuesday, October 11. Everson will sign autographs and answer your questions about the Cowboys.
- ★ The San Angelo Square and Round Dancing Club will give an hour-long exhibition of traditional Texas and western dancing from 7-8 p.m. at center court.
- ★ An anniversary cake decorating contest will run from Thursday, October 13, through Saturday, October 15, with five winners dividing a total of \$500 in prizes. All interested persons are encouraged to enter--there is no entry fee.
- ★ A 1950s and early 1960s-era sock hop will be held from 6:30-8:30 p.m. at center court. Dress up and come: you could share in \$100 in prizes for the most authentic costume.
- ★ Everyone is invited to share in our Fourth Anniversary Cake ceremony at 3 p.m., Saturday, October 15, in center court. Ice cream and punch will also be served.

While supplies last, custom Sunset Mall caps will be given away free on Saturday, October 15, at the Community Booth as long as supplies last. Just bring a proof-of-purchase of \$5 or more from any mall store dated that day and receive your cap.

OPEN 10 A.M. - 9 P.M.

UNION TEXAS EMPLOYEES ENJOY FAMILY DAY PICNIC

The employees of Union Texas Petroleum and their guests were given a Family Day Picnic at the Bronte Park Saturday, October 1. The Union Texas plant is located 25 miles west of Robert Lee with an office and maintenance yard in Bronte.

The day's activities enjoyed by those attending were a golf tournament, games for all ages, door prizes and a barbecue dinner catered by The Hitchin' Post of Bronte.

There were big winners and no losers in the children's games as each contestant received a blue ribbon and a Susan B. Anthony dollar. During the afternoon balloons were given to the children. The kids really enjoyed these, especially the balloons filled with water they got to toss at each other. Some of the "grown-up" kids even enjoyed these.

The first place team in the golf tournament was Frank Hiland, Noel Percifull and Mary Morrow.

The second place team was Benny Corley, Dorothy Ruth Collins, Junior Bell and Winton Milliff.

The third place team was Corkey Collins and Brenda Tidwell and Barry Clark.

Winners of the washer Pitchin' Contest were Steve Hines and James Vaughn. The Horseshoe Pitchin' trophy went to Bob Chaker and Pete Prentice.

Guests registered for door prizes before the barbecue dinner was served. Winners drawn for prizes were: Frank Leady and Shelly Sims, each receiving a learning calculator. Ken Martindale won the men's wristwatch and Kelly Webb won the ladies' watch and gold chain. Kodak disc cameras went to Oneta Williams and Mark Reyes.

After the dinner Saturday night, employees and guests were hosted a dance at Bush Country.

Plant Manager Chester Wilson stated that 198 dinners were served and approximately 75 people attended the dance.

Most Union Texas employees live in the Bronte and Robert Lee area. Winton Milliff of Robert Lee is assistant plant manager.

Bronte, R-Lee, PhoneCableCut

A West Texas Utilities crew digging a post hole resulted in a telephone service outage in Bronte and Robert Lee on September 26. The cable cut occurred shortly before 1 p.m. at the intersection of Archer and Hughes Streets in San Angelo. Also affected was local service at Goodyear Proving Grounds north of San Angelo and in the community of Orient.

General Telephone crews repaired the cable and restored service by approximately 9 p.m. the same evening. GTE knows this outage was inconvenient and apologizes to its customers.

Green Thumb Workers Meet

For the hundreds of older workers in the Green Thumb senior employment program, responsibility has been a way of life, an essential part of the traditional work ethic that most older persons accept.

But as 50 Green Thumb workers meeting at the Eden Multi-Purpose Center in Eden learned recently, responsibility goes beyond caring for jobs and families; it also means being responsible for your own health.

"Working hard is the most important thing in many people's lives," said Green Thumb assistant director John Willingham. "Yet what most of us don't think about is that we can't work if we aren't healthy, and to be healthy we have to take care of ourselves."

Green Thumb provides part time work in public service agencies for low-income persons 55 and over. Texas Farmers Union sponsors the program, which operates in 108 counties across the state.

Willingham emphasized that it is far better to prevent a disease than to deal with it after it has attacked the body, and in a film produced by the American Occupational Medical Association, the Green Thumbers learned how diet, exercise, and good habits can forestall the onset of disease.

Green Thumbers from Coke Co. attending the training session were Zola Hatley, Geneva Minnick, Lois Wallace and Supervisor Margaret Martin.

LETTER TO THE EDITOR

Letter to the Editor:

To the people of Bronte and Robert Lee,

We thought when Rick and Kay Styles moved and took ownership of your papers, the world had ended. However, in our visits to your lovely towns, we have been welcomed and received as never before.

We wish to give a special thanks to Don and Melba Mauldin and to Jeffie and Bobby Roberts for their hospitality. Also, we want to thank Union Texas Petroleum for allowing us to attend their picnic and dance with Rick and Kay.

In the short time, Rick and Kay have had the paper, they have done a wonderful job. We look forward to our future visits to both Bronte and Robert Lee.

**Supervisors urged
to think twice
when giving raises**

COLLEGE STATION— Many supervisors ought to think twice before giving higher salaries to prize employees who threaten to quit their jobs for another offer.

"Employers will sometimes do anything to keep high performers, but there's a limit to what's fair," said Dr. Michael Abelson, a Texas A&M University management professor.

"If you give an employee a 25 percent raise to compete with an offer from another employer, chances are other employees who perform as well but don't have similar offers will resent the action. They might ask for raises themselves, or start looking for other jobs."

NOTICE OF INTENTION

To Engage in Weather Modification Operations Within the State of Texas

Prepared: September 19, 1983

NOTICE IF HEREBY GIVEN THAT the Colorado River Municipal Water District of P.O. Box 869, Big Spring, Texas 79720, holder of Weather Modification License No. 83-1 of the State of Texas, has applied for a permit to engage in an operation to change or attempt to change by artificial methods the natural development of appropriate atmospheric cloud forms or precipitation forms which occur in the troposphere. An application has been filed with the Texas Department of Water Resources for consideration to conduct a weather modification operation to increase precipitation within the area described and by the method stated below:

1. The equipment, materials and methods to be used to conduct this operation include: a weather radar set, meteorological analysis information, a twin-engine aircraft, air-to-ground radio communications, and wing-mounted racks to hold silver iodide flares; a meteorologist directs the aircraft to a radar-selected cloud to begin cloud-seeding at cloud base to increase rainfall in the target area.

2. The area intended to be affected by the operation is the target area which is bounded by a line beginning at a point of origin at Big Spring, Texas and running along Highway 87 in a northwesterly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County, thence east along the northern boundary lines of Dawson, Borden, and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The area in which the equipment is to be operated includes the operational area and the target area. The operational area is the land-area between an outer boundary which is defined by a line that encompasses the block of counties of Lynn, Garza, Kent, Fisher, Nolan, Coke, Sterling, Glasscock, Martin and Dawson, and an inner boundary which is that of the target area.

4. The persons approved by the Department to be in control and in charge of the operation are Ray Pat Jones and Owen H. Ivie, P.E.

5. The period of the operation is expected to be March 1 through November 30 during the years 1984, 1985, 1986 and 1987.

6. The initial Texas Weather Modification License was issued to the Colorado River Municipal Water District Dec. 18, 1974, and has been renewed each year.

The Commission shall, if requested by at least 25 persons, hold a public hearing in the area where the operation is to be conducted prior to the issuance of the permit. No public hearing will be held on this application unless a request for a hearing is made within 20 days following the date of publication of the first of three consecutive weekly notices of intention to engage in weather modification operations.

Request for further information concerning any aspect of the application should be submitted in writing to the Weather and Climate Section, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-6318.

475-6318.

Requests for a public hearing should be submitted in writing to the General Counsel, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-7836. 14-3tc

Jr. Class Names Officers

The Robert Lee High School Junior Class of 1983-84 recently held a class meeting and the following officers were elected: Douglas Roberts, president; Kirby Rasco, vice president; Trampas Cox, treasurer; Heath Gardner, secretary; Coach Edward Poehls, sponsor.

The Junior Class has chosen for their money-making project a variety of items in the Tom Wat Showcase. The items range in price from \$.88 to \$3.95. There are 28 items to select from and would make excellent Christmas gifts and stocking stuffers. Christmas wrapping paper and Christmas cards are included in the Show-Case, also.

Make your Christmas list now and shop with the Juniors. They would be pleased to show anyone these items.

David Lackey moved to Plano last week where he has been employed as an assistant Reservoir Technologist by ARCO Oil and Gas in their research division. David, son of Mr. and Mrs. Kenneth Lackey, is a May, 1983, graduate of Texas A&M University with a B.S. degree in Chemical Engineering.

DON McNIEL of Port Arthur was fishing at Oak Creek Lake on Sept. 29, 1983 and caught this nice string of bass weighing from 2 to 4 lbs.

Oak Creek Lake Fishing Report

The people visiting Oak Creek this past week choose a good time to come to the lake. The weather was pleasant, the fish are biting and I used the word "are" and not "were" for we don't expect the fishing to do nothing, but get better in the next few weeks.

Last week I called an ol' fishing buddy who lives in Port Arthur and told him how the fish were biting. In a matter of a few hours, they were here ready to see if what I told them was a fact. Don McNeil is a fellow that enjoys fishing as much as anyone I've ever known and he is good at what he likes to do. It so happened, I had to work Thursday morning and he got to go out alone, result-- he got five bass in less than two hours ranging from two to four pounds each. I was glad to see this happen for it turned out to be the best of some eight visits Don has come to Oak Creek.

We have ask the question so often over the years that it could be termed a survey of sorts. The question, "where did you catch the biggest bass you ever caught"? Most of these people have fished a lot of lakes and come from most cities, towns and

LUNCHROOM MENUS

Monday, Oct. 10: Fish krispies with tartar sauce, English peas, carrots, hot rolls-butter, sliced peaches and milk.

Tuesday, Oct. 11: Vegetable beef soup, grill cheese sandwiches, pickle slices, cake squares and milk.

Wednesday, Oct. 12: Pinto beans, French fries with catsup, turnip greens, cornbread-butter, peach cobbler and milk.

Thursday, Oct. 13: Hamburgers, onion, pickles, lettuce, tomatoes, corn, popsicle and milk.

Friday, Oct. 14: Chicken fried steak, cream potatoes, green beans, hot rolls-butter, peanut butter supreme and milk.

Revival Services At Local Church

The Victory Assembly of God Church will have a revival Sunday, October 9, through Wednesday, October 12.

The Sunday services will be conducted by Brother Sessions and his wife from Sterling City. Morning services start at 11 a.m. and evening services start at 7 p.m.

Monday, all area churches are invited to participate in an old-fashioned singing, starting at 7 p.m. The Weavers from Hamlin will lead the singing. Refreshments will be served.

Tuesday and Wednesday night services will start at 7 p.m. The revival services will be conducted by the Weavers.

JOE GENE CONRAD, of Blackwell caught this bass weighing 6 lbs. 2 ozs. at Oak Creek Lake on October 1, 1983.

villages across West Texas. You would be surprised how many name Oak Creek as the lake where their big bass was caught and we had another join this list last Saturday night. Joe Gene Conrad of Blackwell was tossing a white spinner bait in water little more than knee deep when he hooked and landed his trophy bass going 6 lbs. 2 ozs.

These nights are pleasant and if you enjoy good crappie fishing, now is the time to go. Frank Downs and his party from Midland had over fifty nice crappie caught Friday night. Several others reported catches of 20 to 30 fish and many of these are going a pound or better.

Squirrel Williams of San Angelo got several good channel cat on a trotline with an eight pounder the largest. We got a report of one yellow cat going over 30 lbs. being caught and that some of our local fisherman were taking some nice fish on their lines.

The lake elevation as of Sunday read 1993.76 = 6 feet 2 inches low. The water is clear and standing at 72 degrees. This is ideal and one reason the fishing is so good.

Ike Pate

The child trusts him. He buys the child candy, takes the child to movies, gives the child his time when no one else will. He is the child's special friend.

The child does not want to lose his friend. The child will do anything to keep him. Besides, he is a grown-up; he knows what is right and what is wrong.

Child pornographers can destroy precious moments of childhood. When a camera is held by a pornographer, the child will be haunted by the experience for the remainder of his life.

According to the Texas Department of Human Resources, studies show that a majority of those who are sexually abused as children will become child molesters as adults. The wreckage of the life of a sexually abused child is devastating and society pays the price.

Anyone from a stranger to a close friend or family member can be a sexual abuser of children. The Crime Stoppers Advisory Council for the month of

November is concentrating its efforts on the prevention and apprehension of child pornographers in Texas.

Parents, family members and friends are encouraged to become informed on ways to prevent children from becoming involved with child pornographers and sexual abusers, and learn to recognize the symptoms of a child under a pornographer's influence.

Persons with information on child pornographers are asked to call their local Crime Stoppers program or the toll-free Texas Crime Stopper's hotline at 1-800-252-TIPS anytime, day or night.

Cash rewards are available for information leading to the arrest and felony indictment of criminals in Texas. Citizens are not asked their names and will be given a unique code number for reward purposes.

Child pornographers and other sexual abusers of children can be stopped, but only with the help of informed citizens.

Bascom and Barbara Chesney visited in Dallas with their daughter and husband, Lela and Larry Jenkins. Other guests for Saturday were their two other daughters, Pam Hoover, Cindy

Thomas and her husband, Larry. Highlights of the weekend were a tour of the Jenkin's new home in Mesquite, Texas and attending the Ranger vs. Angelo baseball game.

MOP And BROOM SALE Saturday October 8th

We will have numerous household items for your selection

Our headquarters will be the Cracker Barrel Grocery

We also will be KNOCKING ON YOUR DOOR So please support this very worthwhile sale

This Annual Sale Is A Benefit For Lighthouses For The Blind

Grim Having Outstanding Football Year

Greg Grim, back for the Robert Lee Steers, is in some pretty "fast" company. Since the start of the 1983 football season through the Sept. 23 Garden City game, he had piled up 626 yards on 104 carries to stay on top as West Texas leading rusher. He also held the lead in West Texas scoring through Sept. 16. Following the Steer's win against Garden City, he slipped to second behind Irion County's Junior Flores.

The West Texas individual offensive statistical leaders are compiled at mid-week each week by regional coaches' reports on game statistics. These West Texas leaders include all area schools from every Interscholastic class with the larger schools such as San Angelo Central, Midland Lee, and Permian represented also. This honor puts Grim, a 5-10, 160 pound junior, in an elite group.

Grim is the son of Mr. and Mrs. Bob Taylor of Robert Lee and Mr. and Mrs. George Grim of San Angelo.

Despite the Steer's 19-7 loss to Greenwood last Friday night, Grim still managed 61 yards for the game.

As of press time Tuesday, the new statistics had not been tabulated.

District 7-A South Zone is well represented which tells what tough competition the Steers are up against.

Behind Grim on the rushing list is Roger Smith of Greenwood, Hernandez of Eden, Jon Lee, Bronte, and Junior Flores, Irion County. In the passing statistics, Hernandez of Eden made the list, while in the scoring category, Flores of Irion County leads, followed by Grim, Torres of Eden, Gauvain of Water Valley, Hernandez, Eden, and Sanford of Eden.

Mrs. Ybarra Celebrates 93rd Birthday

Mrs. Rosa Ybarra of Abilene recently celebrated her 93rd birthday at a two-day family party. A barbecue dinner and dance was held on Saturday attended by over two-hundred members of her family.

Present at the birthday party held at the Knights of Columbus Hall in Abilene were seven of her eight children and their families.

Attending were Mrs. Sara Lara of Robert Lee, Pete Ybarra of Abilene, Ynes Ybarra, Ozona, Mary Pena, San Angelo, Isabel Ybarra, Abilene, Regina Jasso, Abilene, and Jim Ybarra of Robert Lee. Unable to attend was Mrs. Cruz Gloria of Robert Lee.

On Sunday, the family groups gathered at Nelson Park for a cook-out of hot dogs, burgers, and watermelon. The older family members enjoyed a day of visiting while the young and "young at heart" played volleyball, baseball and other games.

Mt. Creek Golf Club News

The Club has slated 5:30 Shotgun starts for the Thursday evening "Afternoon Delight", the members-only mini-tourneys, leaving more time before dusk for the 9-hole contests.

Last Thursday's winners were: 1. Bob Morgan, Tommy Antilley-34; 2. John Heck, Carl Cummins-35; 3. Robert Wink, Bubba Kennedy-36.

Treat-A-Weed was the sponsor for last Sunday's ABC Tournament. Although the entry was not the largest of the season, the weather was beautiful and everyone was enjoying the tourney.

For extra added excitement, Jerry Chitsey of Wall ached a hole in 1 shot on #8, a 144 yard zip, using a 6 iron. Witnessing the rarity was Clarence Tinkler, Tom and Wilma Delaney, Bob Northcutt, and Jake Jacoby.

Topping the field for First Place were John Heck, Randall Causey, and Robert Hill with a 63. A 66 score took Second Place by Gary Williams, Tommy Antilley, and Rosanna-Jameson. Third Place was claimed by Randy Smith, Bob Boone, and Herman Eaddy with 68.

In the drawing for balls, the winners were Jerry Chitsey, Tom Delaney, and Bob Northcutt.

Scheduled play, besides the Thursday evening club contests, includes the Junior Tournament for both boys and girls, 17 and under. They will tee-off at 8 a.m. on Saturday, Oct. 15 and will be flighted in separate divisions.

Coming up on Sunday, Oct. 16, is the Mixed Couples Alternate Shot Tournament. Let's find a partner for this one!

50 YEARS AGO

Some believe that Solomon had 700 wives-- I differ-- 700 wives had him.-- Bumbles the Editor

David Lowrance who was operated on for appendicitis at San Angelo 2 weeks ago is doing nicely. His sister, Alta Jewell was operated on for the same trouble a week later is also doing well.

The Rodeo here over the weekend went over big, everybody had a good time and got their two-bit's worth. After they got through putting bells on the cows, the boys belled some of the cowboys.

Mr. and Mrs. Buell Whitley and Jessie Roe Burgess were shoppers in San Angelo Saturday.

Miss Seba Wolfe spent the weekend with her aunt and uncle, Mr. and Mrs. Jess Greer of Robert Lee.

Miss Chanda Brown of Robert Lee visited in the home of Mr. and Mrs. W.C. Kerley of Paint Creek last week.

A big boy was born to Mr. and Mrs. Luther Sparks of Pecan Sunday night.

George Taylor, Carroll Russell, Wesley Watson, and Joe Trammel attended the big football game at Lubbock last Saturday between San Angelo and Pampa.

A terrific snow and wind has been running rampant in the North for several days. We imagine the nudists up there have forgot alot of their religion for the present.
