

Irrigation Laws To Be Studied At July 30 Meet

Plans have been completed for a meeting of farmers and businessmen of Sherman and Moore Counties at Sunray July 30 at 8:00 P. M. in the school building to discuss the "Underground Water Conservation Law of Texas." This law passed by the 51st Legislature of Texas, House Bill 162, is known as the Underground Water Conservation District Law. The law provides for land owners to request the State Board of Water Engineers to determine and designate boundaries of underground water reservoir in the area and where desired by landowners, provisions for them to set up a district for the purpose of conserving, preserving, protecting, and recharging the underground water supply. Every farmer and every water user in the high plains area of Texas should be familiar with this law and how it affects him, states E. Goule, County Agent. Underground water is the greatest natural resource in the high plains area and with the fast development of irrigation the farmers are becoming more concerned about conservation of it, he continued.

Bill Broadhurst, Lubbock, Texas, will discuss the geological formations and various water sand and gravel formations common to the high plains. He has a wealth of information about the underground water reservoir of the high plains and how the reservoir is recharged or replenished with water. He will also explain the underground water conservation law and how it operates in the development of districts.

Tom McFarland, who was one of the directors of the South Plains underground conservation district and is now the manager of this district will discuss and answer questions on the organization and functions of a district. He has a wealth of practical knowledge on operation of district.

This meeting should be of interest to both business men and farmers because any district will effect one just as much as the other. The law provides for residents of cities vote separate from those living outside of cities. The majority vote in each voting unit determined whether or not that particular unit is included in the district. In case more counties than one county is included in the reservoir and the election is called to counties vote separately but any unit may vote itself in or out of the district. Once a district is reorganized its members can finance its operations by voting taxes up to 50 cents on the \$100.00 valuation if desired.

Once the district is organized and the directors elected the law assigns nine powers to the district. It has general power to do what is necessary for conserving, preserving, protecting, and recharging underground water over which it has jurisdiction. Prevent waste by letting water flow when not being used, potting of water in reservoir, letting water escape from underground water reservoir into reservoir not containing water, and or withdrawal of water resulting in unsuitable water coming into reservoir. Control spacing of wells. Require records be kept on drilling work and water used. Improve or build structures for increasing recharge of reservoir. Employ district engineer for surveying purposes. Analyze all available information and plan best use of water provided the solution comes within its powers; it does not have power to prorate water. The district can go into court and get an injunction or a mandamus or what ever other legal remedy it might need to enforce its rules and regulations.

The board of directors are made up of local people in the county. In case of more than one county in the district in addition to the county committee there are five directors representing the whole district.

These are just a few things about the district and this law each land owner should be interested in now while they are trying to make up their minds whether they want district that at Sunray along with many will be discussed at the meeting.

Rains Fall Over Dry Plains Region

Rains falling over a wide section of the plains region in the last few days give hope that perhaps one of the most devastating droughts on record has been broken.

Rains previous to the shower in Stratford Thursday evening brought 1.70 of an inch of moisture. Although the rainfall has varied in every locality a major portion of the immediate territory has been reached. Reports from rain gauges over the county indicate that 1-2 to 2 inches of moisture have fallen.

The rainy season started Thursday night of last week in eastern New Mexico and spread over most of the state. High waters closed paved highways between Logan and San Jon. A major portion of the highway between Fort Sumner and Roswell were also under water. The rain extended to Carlsbad, New Mexico and El Paso, Texas Friday before the clouds swung back over the Texas Panhandle for slow rains Saturday and downpours Sunday.

Bride-Elect Is Feted With Shower

A miscellaneous shower and tea honoring Miss Mary Nan Davis, bride-elect of Tommie Edd Wakefield, was given Saturday afternoon at the home of Mrs. Buddy Palmer. Co-hostesses were Mesdames Arlyn Haile, Wayne Harding, Bob Marshall, O. H. Ingham, O. L. McMinn and Mrs. Palmer.

Decorative appointments featured cut garden flowers throughout the receiving room the honoree's chosen colors of blue and yellow predominating. The gift table was covered with a lovely white cut-work Irish linen cloth, and the serving table was covered with an all over lace cloth over dusty-rose.

Miss Ealon Davis, sister of the bride, registered the guests. Mrs. Horace Jones presided at the punch bowl.

Mary Nan was the recipient of many lovely and useful gifts.

H. D. Council Plans Future Activities

Mrs. Harold Bennett presided over the recent meeting of the Sherman County Home Demonstration Council. Ten members of the Council and one visitor attended.

Minutes of the last meeting were read. Each club president present, gave her monthly report. Mrs. Joe Billington, Mrs. Archie Arnold and Mrs. E. E. Riggs were appointed as a committee to see about curtains for the council room.

Mrs. Earl Kirkwood gave a report on advanced dress making. Some plans were discussed for Stratford Day.

Mrs. E. E. Riggs gave a very good report of her trip to A. & M. with the 4-H boys and girls. Mrs. T. F. Wakefield and Mrs. Oma Ellison were selected as delegates to the state meeting to be held in Galveston.

The next meeting of the Sherman County Home Demonstration will be held on August 7.

There have been 48 stars in the American flag since July 4, 1912.

Other points just as important. Land owners should all be aware that there is considerable interest in getting something done about a district in Sherman County now. The County Agent encourages every farmer and businessman to attend this meeting and if more meetings are needed to complete the education phase of work they can be arranged.

A number of leaflets with questions and answers on this bill and law are available at your request from the county agent's office, and more will be available at the meeting.

AMERICAN LEGION'S NEW STATE HEADQUARTERS BUILDING

Above is the new \$205,000 state headquarters building of the American Legion, Department of Texas. Located two blocks north of the State Capitol building at 15th and Congress Avenue, the structure is of polished native Texas granite and cream colored bricks. It was dedicated July 7.

Lowe-LaFever Vows Exchanged In Chapel Service

In an impressive double-ring ceremony Thursday in the chapel of the First Christian Church, Georgia Janette Lowe, daughter, of Mr. and Mrs. A. E. Lowe, became the bride of Earl Dean LaFever, son of Mr. and Mrs. Oren Gatewood of Perryton. Rev. John Reaves, pastor, read the service.

On either side of the altar were baskets of white gladioli and palm-leaves, and candelabra holding white tapers.

As a nuptial prelude, Mrs. Hose Flores, organist, played "Because," "Oh, Promise Me" and "Always." The traditional wedding marches were used for the processional and recession.

Miss Opal Lowe, sister of the bride, sang "I Love You Truly" and "A Wedding Prayer" preceding the ceremony.

Candles were lighted by Miss Helen Lowe, sister of the bride, and Mickey Houston of Perryton.

Attending her sister as maid of honor, Miss Eula Faye Lowe, wore a gown of chartreuse organza over taffeta. She carried a nosegay of white carnations.

Given in marriage by her father, the bride wore a ballerina length gown of white organza over satin, designed with a fitted bodice and drop yoke. Her elbow length veil of French illusion fell from a cap of white lace. She carried a white Bible topped with a cluster of pink sweetheart roses. For something borrowed she wore a strand of pearls belonging to the sister of the groom. As something old she wore her paternal grandmother Lowe's wedding ring.

Milford Wagner of Altus, Oklahoma, cousin of the groom, served as best man. Ushers were Bobby Allen of Perryton and Harold Duman of Hereford.

Following the ceremony, the bridal party was feted at a reception in the church parlor. Guests were registered by Mrs. Sherman Holt, Jr., of Dumas, sister of the bride. The white linen covered table was centered with a bouquet of white Shasta daisies. Miss Earlene Phillips of Hereford, presided at the punch bowl and Mrs. Virgil Fleming, sister of the groom, served the three-tiered wedding cake.

For the wedding trip to Colorado, Mrs. LaFever wore a forest green suit with white accessories and corsage.

The couple will make their home in Perryton, where the groom is employed by Dr. Pepper Bottling Company.

Mrs. LaFever was graduated from Stratford High School and attended West Texas State College at Canyon where she is a member of Pi Omega Sorority. Mr. LaFever, a graduate of Perryton High School, also attended West Texas State College. He is a member of Alpha Sigma Xi Fraternity and Buffalo Bills Club.

A cygnet is a young swan.

American Legion Convention To Meet In Houston

For the first time in 26 years, Houston will be host to the Legionnaires of Texas when the annual department convention meets July 30 and will continue through August 2.

Albert D. Brown, Jr., of Austin, state commander, states that this, the 35th annual convention of the American Legion, looms as the largest and most enthusiastic in the history of the organization. Walter Ranft, Houston, general convention chairman, says pre-convention registrations show 6,000 Legionnaires and members of their families will attend the four day meet.

United States Senators Price Daniel, Lyndon Johnson and Attorney General John Ben Shepperd head an impressive list of dignitaries that will address the convention.

The 40 and 8, fun and honor society of the organization and its Auxiliary the 8 and 40, will start the convention Thursday, August 30, with typical fanfare and color.

The convention proper will begin Friday, July 31, with a colorful downtown parade starting at 10 o'clock. Among the bands will be the unit from Ellington Field.

Two balls at the Rice Hotel, an outdoor party at one of the city's breweries and trips to the San Jacinto battleground have been arranged for the visitors. Friday evening, July 31, in the city coliseum, bands, drum and bugle corps and color guards from all over Texas will vie for state championship honors and to represent Texas at the national convention in St. Louis in August.

Saturday evening the annual child welfare banquet, social highlight of the convention, will be enjoyed at the Rice.

Mrs. Adolph Bledsoe of Houston, state president of the American Legion Auxiliary, has arranged an outstanding program which will run concurrently with that of the American Legion.

Delegate voting strength for the convention, based upon the 1953 membership, will be 3,960, according to G. Ward Moody of Austin, department adjutant. A like number of alternates is usually named by the posts, indicating the Houston affair will bring 6,000 working Legionnaires to the convention. Many members who are not delegates are expected to attend, Moody states.

CARD OF THANKS

I wish to take this opportunity to thank each and everyone for the beautiful flowers, cards and visits while I was in the hospital. I am at home now. Come to see me. May God bless each of you.

Mrs. Edd Lavake

FATE MORRIS RECOVERING FROM OPERATION

Fate Morris was brought home Friday from Dumas Memorial Hospital where he underwent an appendicitis operation Wednesday of last week.

Fedrics Gather On Brother's Birthday

The home of Mr. and Mrs. E. F. Fedric near Dalhart was the scene of a family reunion Sunday for Mr. Fedric's brothers and sisters in honor of his birthday. Those attending were Mr. and Mrs. G. H. Fedric of Clovis, New Mexico, Mrs. W. A. Spurlock and son, Harvey of Sunray, Mr. and Mrs. Byron Fedric, and Mr. and Mrs. Dan Foreman of Stratford.

Wedding Plans Are Revealed

Mr. and Mrs. H. C. Bennett announce the engagement and approaching marriage of their daughter, Nancy, to Bill Salisbury, son of Mrs. J. G. Salisbury of Vici, Oklahoma.

The wedding will take place the first part of August.

Adams Opens Filling Station In Stratford

J. L. Adams announces the opening of the Midway Service Station located on the west corner of the intersection of South Main and U. S. Highway 54.

Mr. Adams states the new firm will specialize in friendly service and Phillips products.

Johnny Brannan Celebrates 7th Birthday

Johnny Brannan, son of Mr. and Mrs. W. D. Brannan, was honored on his 7th birthday by a weiner roast Saturday at 5:00 P. M. in the City Park.

Those attending were: Charlotte Eller, Lynn Allen, Chucko Robinson, Gary Hudson, Jimmy Hudson, Julia Gray, Nancy Quinn, Senora Mullican, Cleo Aduddell, Dalton Judd, Jess Smith, Roy Finch, Sue Plunk, Karen Keener, Karen Woolsey, Donnie Woolsey, Danny Brannan, Charlene Wisdom, Elaine Cummings, Cynthia Heil, Cheryl Judd, Hank McIntosh, Katy Keener, Georgia Reeves, Teddy Roy Reynolds, Connie Garrison, Deborah Brannan, and Mr. and Mrs. Leroy Judd and Faith.

Legion Auxiliary Is Sponsoring Bake Sale

The American Legion Auxiliary will sponsor a bake sale Saturday, July 25, in the Jones Hardware building. Food will go on sale at 9:00 A. M.

Annual Crabtree Family Reunion August 2

The annual Crabtree family reunion will be held this year in Ellwood Park in Amarillo on Sunday, August 2, from 10:00 A. M. until 5:00 P. M.

Stratford To Hold Jamboree On September 11-13

Plans were laid for the sixth annual Stratford Jamboree at a meeting of the American Legion last Thursday night. Earl Bond was elected director, and detailed plans are to be drawn up at a meeting held with members and officers of the various other organizations interested in the promotion of the Jamboree.

Monday night a meeting was held in the Legion Hall with members of the Lions Club, Farm Bureau, Roping Club, and County Fair directors. In spite of the drought and economic conditions, a spirit of high optimism reigned at this meeting, and plans were outlined for a bigger and better Jamboree than ever.

Dates for the Jamboree were set for September 11-13, and tentative plans call for a parade, barbecue, three rodeo performances, two modern dances and a square dance. Also there will be the annual County Fair, and efforts are being made to secure carnival rides for the occasion. Many details remain to be ironed out, but no effort is being spared to make this Jamboree the best ever held in Stratford.

Mr. Bond appointed the following to serve as general directors: R. C. Buckles, President of the Farm Bureau, with Elmer Hudson as alternate; Henry Ingham, President of the Lions Club, Floyd Brannan, President of the Stratford Roping Club, and Ernest Goule and Duard Lamb of the County Fair Association. Also appointed were the following committee chairmen: Carnival, Mike Burgess; Rodeo, Floyd Brannan, Parade, George Jeffcoat; Barbecue, Leslie Parker; Modern dances, Woody Gay; Square dance, Baskin Brown; and Fair committee, Ernest Goule and Duard Lamb.

More detailed plans will be announced at an early date by the Executive Committee as soon as the various committees are able to work out their individual plans.

Store Robbed Sunday Night

An unlocked safe and \$32.00 in cash was taken from the G & G Grocery Sunday night. V. A. Garoutte discovered the robbery when he opened the store Monday morning.

Entrance was made to the store by prying open a door on Third Street.

The battered safe belonging to the firm was found along U. S. Highway 287 about 2 miles south of Kerrick.

New Arrivals

Mr. and Mrs. Fred Hale are the parents of a seven pound eleven ounce son born Monday in Dumas Memorial Hospital. Mr. Hale is serving with the armed forces in Korea. Mrs. Hale before her marriage was Miss Freda Malone.

Mr. and Mrs. Billy Milton Reece, Milan Missouri, are parents of a seven pound four ounce daughter, Celia Sue, born July 12, according to word received by Mr. and Mrs. J. P. Cameron of Stratford, parents of the new arrival's father.

Youth Fellowship Elects Officers

The young people of the First Baptist Church met Monday evening for "Youth Fellowship and Singers'peration" at the church.

Officers elected were: Dorthea Beall, President; Mary Lou Lavake, Secretary; Mary Nan Davis, Pianist; and Kenneth Wilson and James Davis, song leaders.

The "singers'peration" was enjoyed by all.

Jeannie Wells had charge of refreshments and entertainment.

The next meeting will be Monday, July 27, at 8:00 P. M. Mary Nan Davis will have charge of refreshments. All young people are urged to attend.

Wheat Growers Will Help Decide Support Rate

Wheat growers of Sherman County will help decide whether the Community Credit Corporation loans on the 1954 wheat crop will be 90 per cent or 50 per cent of parity. According to R. C. Buckles, chairman of the Sherman County Production and Marketing Administration Committee, this is one of the questions which will be answered in the coming wheat marketing quota referendum.

As the chairman explains, if two-thirds or more of the wheat growers voting in the referendum are in favor of it, the wheat marketing quota proclamation made July 1 by Secretary of Agriculture Ezra Taft Benson will be in effect. The present 90 per cent of parity Commodity Credit Corporation wheat loan then will continue for the 1954 crop. If the vote is unfavorable the loan will drop to 50 per cent of parity.

These support rates will be available, however, only to wheat growers who do not exceed their wheat acreage allotment, the chairman points out. If marketing quotas are approved in the referendum growers who plant more than their acreage allotment will be subject to a penalty on their excess wheat unless it is stored or disposed of as directed by the Secretary of Agriculture. If quotas are disapproved there is no assurance of any price support for growers who overplant.

All the preliminary work for determining farm acreage allotments has been done, the chairman explains. The national acreage allotment will be divided among states and counties based on 10-year production records. The county acreage then will be divided among farms based mainly on wheat acreage figures recently obtained for each wheat farm in the county. Each farmer will be notified of his allotment before the referendum is held.

Happy Hour Club Has Campfire Supper

The Happy Hour Home Demonstration Club met for a campfire supper at the home of Mrs. J. D. Lowe Thursday evening of last week. The meeting was attended by members of the club and their husbands.

A demonstration on "campfire cookery" was given by Mrs. J. D. Billington and Mrs. Retah Lowe for the 17 who were present.

Each one prepared their supper in a coffee can and cooked it and then enjoyed eating what had been prepared.

The meal included meat, potatoes, carrots, green peppers, onions, and baked apples.

The dessert was also prepared on the campfire. It consisted of toasted marshmallows covered with chocolate syrup, and placed between graham crackers.

Iced tea and campfire coffee were prepared as a drink.

The next meeting will be with Mrs. Norvel Blake August 8 at 2:30 in the afternoon. A demonstration will be given on "Iced Drinks" by the 4-H club girls.

Mrs. Shirk Hostess To Embroidery Club

Mrs. Earl Shirk was hostess to the Embroidery Club Thursday of last week.

Those enjoying the meeting were Mesdames Martha Richardson, Enza Buckles, Maggie Judd, Rudell Reaves, Minnie Cameron, Bernice Dortch, June Vincent, Addie Taylor, Ivy Pronger, Loreta Butler and a guest, Mrs. Ruth Hargis of San Diego, California.

Vellum originally was made from the skins of calves, lambs and kids.

Longfellow, the poet, was a descendant of John and Priscilla Alden.

15 of these big icing machines are in operation at ice-servicing points along the Santa Fe.

Ever see so much fuss just to chill an orange?

It's the best way there is today to refrigerate a "reefer"—but Santa Fe is developing an even newer and better way to do the job

In 60 seconds flat, the giant ice-crushing machines Santa Fe recently installed can fill the bunkers of a refrigerator car with five tons of ice!

They are the newest and fastest machines for icing cars yet devised. And Santa Fe "reefers" are the

most efficient type of refrigerator cars now on the rails.

These refrigerator cars and icing machines have carried the technique of ice refrigeration to the ultimate of present day knowledge.

WHAT ABOUT TOMORROW?

We can't be sure, BUT—Santa Fe is now experimenting with a newer way to refrigerate cars automatically for hauling foods which may require temperatures as low as 25° below zero.

30 new experimental refrigerator cars designed by Santa Fe, built in its own shops and each with a capacity of 128,000 pounds of frozen foods, are now being utilized in the movement of frozen foods.

Each of these new cars has its

own thermostatically-controlled diesel-driven compressor-type refrigerator unit. It carries 400 gallons of fuel (almost the exact amount Lindbergh used to fly the Atlantic). It can maintain sub-zero temperatures all the way from California to New York.

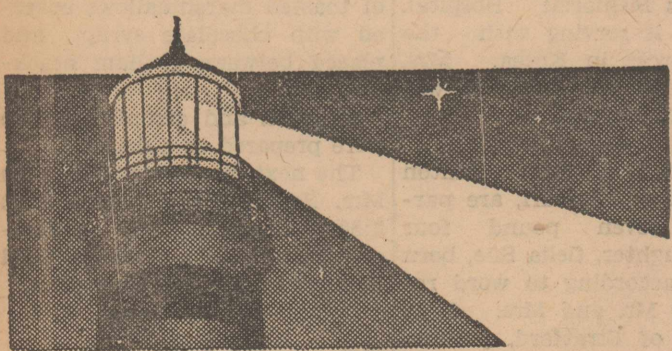

BENEFITS FELT ALL ALONG THE LINE

All along the line, people and communities feel the benefits of this building new wherever it actually occurs on the Santa Fe—and day-after-day, something new is done to make "America's New Railroad" a little better.

The millions of dollars this newness costs Santa Fe doesn't cost you a single penny in the taxes you pay.

One Case In County Court

Troy Edward Roach, arraigned in County Court on a charge of driving while intoxicated, was fined \$50.00 and the costs of the case. His drivers license was suspended.

Ambergris is used in perfume.

British fortune hunters recently asked permission to dig beneath the Tower of London for a \$700,000 fortune they believe was buried there more than 300-years ago.

Geographically speaking, Dwight D. Eisenhower is a Cross Timbers man. He was born October 14, 1890, at Denison, Texas. South across the Red river from the year-old Oklahoma Indian Territory, Denison with its 11,000 inhabitants stood midway along a strange north-south strip of tangled oak forest known as the cross Timbers.

By LYN CONNELLY

ABC-TV's expansion policy has led to the signing of two sought-after comedians, Ray Bolger and Danny Thomas. . . Long-term deals have been set on shows currently being worked out for them. . . Bolger's NBC-TV appearance in 1952 was a smash success and all the webs have been after him. . . ABC-TV may also land Betty Hutton, volatile bundle of dynamite. . . Who's the best-dressed woman in music? Jo Stafford, according to a vote by the Fashion Academy of New York. . . Thirteen Cole Porter tunes will be heard in MGM's "Kiss Me Kate." Harpo Marx, playing a benefit for the Palm Springs Police Department, had 40 of his props stolen. . . Either California cops are not on the beam or Harpo's talent had them in a trance. . . Ava Gardner told a London reporter: "I was not trained to be an actress, but I know emotions and I like being a star. . . It pays more. . . I live better and get more time off than when I was a secretary" . . . She has a point there. . . Also takes less gray matter, of which Ava is not overly-abundant. . . Toscanini will return in the fall with another series for NBC.

PLATTER CHATTER
COLUMBIA—Mindy Carson's latest is entitled "Three Red Roses" and Mindy makes the most of it. . . Back side has "I Cry Your Name" . . . Jerry Vale follows his impressive debut with a new one called "For Me" . . . It's backed by "Tired of Dreaming" . . . Teaming with Jimmy Boyd and then with Marlene Dietrich takes some doing and Rosemary Clooney is the gal who can do it.

CAPITOL—Don't want to neglect the small fry, and the big word for them is a new Hopalong Cassidy record, by William Boyd of course. . . It's the exciting tale of "Cassidy and the Mail Train Robbery" . . . Tex Ritter sings "The Animal Fair" backed by "I Was Born a Hundred Years Ago" in fine fettle.

"I REMEMBER"
BY THE OLDTIMERS
From Mrs. J. Bando, Omaha, Nebraska: I remember as a child how mother mixed a paste of dry mustard, flour, vinegar and water for a meat sauce. It was real spicy, but very good.

From Mrs. Myrtle May, Hardwick, Vermont: I can remember my father telling us about the first mowing machines to be used around Sheldon, Vt. A man would ride on the machine and another walk behind it. When the cutter bar needed to be raised the man who walked would lift it. The first horse rake also needed two men to operate it, one riding and another walking to dump it.

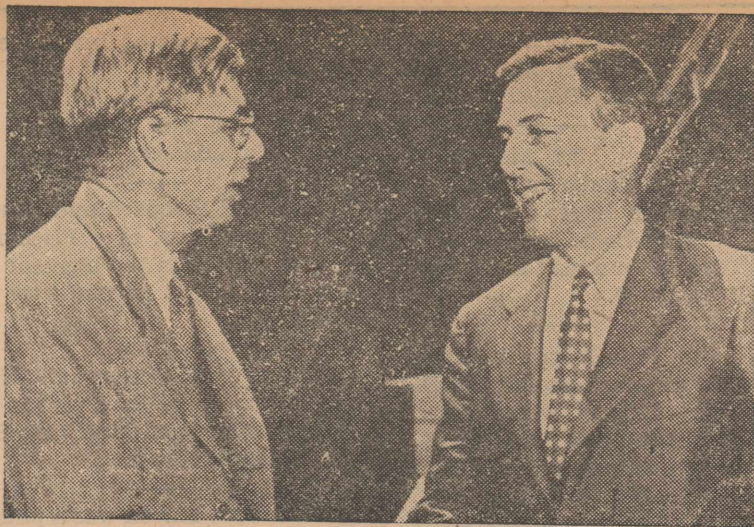

From Arthur Johnson, Palatka, Fla.: As a boy in Michigan I remember when we cut our ice supply from a fresh water lake. The ice was cut by hand saws, sledged to the ice house and stored or packed solid. The walls and ceiling of the ice house was packed with pine sawdust.

From J. C. Galloway, Punta Gorda, Fla.: I remember when popcorn was for special days, and sweet corn, parched in a skillet over the coals in the fireplace, was a treat for ordinary days; and a hot handful went into the side pocket of a coat on cold mornings or evenings when going to the barn to do the chores. When little girls made dolls with hickory nuts for heads, bodies from cornstalks and dresses from husks.

STORY BOOK ROMANCE . . . Cinderella theme in reverse featured marriage of Sara Delano Roosevelt, 21, granddaughter of F. D. R., and adopted daughter of millionaire John Hay Whitney, to Anthony Di Nonaventura, 23, New York pianist and son of immigrant barber.

FORD SUNLINER
America's fastest selling convertible
Ford's Sunliner is the "top downers" delight! And its power-operated Breezeway top converts it to a snug, closed car in a jiffy. And it's the only low-priced convertible with V-8 power plus a choice of three great drives.

FORD VICTORIA
America's most beautiful car of its type
Again for '53, Ford's Victoria is America's "best-dressed" car. Like all '53 Fords, its Crestmark body is hulltight, its picture windows give Full-Circle Visibility. And you ride in style on foam-rubber cushions over non-sag springs. Front-end road shock (the kind you feel most) is reduced up to 80%.

FORD STATION WAGONS
America's most popular Station Wagons
Ford's wood-trimmed Country Squire is a "double-duty" beauty that changes from eight-passenger sedan to hard-working cargo hauler in three minutes flat. Ford offers two other popular "quick change artists" . . . the 2-door, 6-passenger Ranch Wagon and the 4-door, 8-passenger, all-metal Country Sedan.

Ford Stratford Motor Co.

Local News

Mr. and Mrs. W. L. Brummett, Amarillo, were guests Sunday in the home of Mrs. Brummett's sister and brother-in-law, Mr. and Mrs. Hose Flores and children.

Country Club Holds Meeting

The Country Club met Wednesday of last week at 2:30 P.

FOR SALE

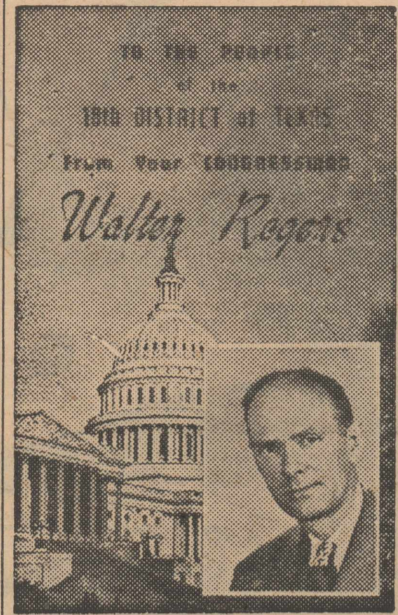

1941 MM Tractor

OR WILL TRADE FOR PICKUP

Pinky Plunk

M. in the Spurlock Chapel. Miss Lucile King, County Home Demonstration Agent, gave the group a demonstration on making cherry pie. While the pie was baking, President Carolyn Folsom called the meeting to order. The group decided to have a coffee can supper and baked corn. This supper will be on Wednesday night, July 29, at 8:00 P. M., on the grounds of the Spurlock Chapel. Miss King helped the group with their records. The new members started theirs, and the others worked on further completion of their records. The entire group enjoyed quiet games of Did You Know

Aunt Het Died?, A What, F. B. I., and Find the Leader. The pie was delicious and enjoyed by all. The meeting was adjourned at 5:30 P. M.

Trouble On Capitol Hill

Look for something to happen in the present engagement between McCarthy and the White House on Central Intelligence employees being subpoenaed before McCarthy's committee. It is going to be a tough decision for the White House. McCarthy has played his cards so that the White House would be in a corner. If the White House lets these employees testify, a great risk will be involved concerning the possible leakage of secret information. If it refuses, McCarthy can charge the White House and the State Department with defending one Bundy, who happens to be the son-in-law of Dean Acheson and who is alleged to have contributed \$400.00 to the Alger Hiss defense fund. Lots of trouble could come out of this.

Postal Rate Increase

There is much opposition on the Hill to the postal rate increases proposed by Postmaster General Summerfield. Strong opposition will be encountered in the Post Office and Civil Service Committee; much general opposition on the Floor. This may subside. Opposition argues that first class mail pays its own way; that increasing this from three to four cents is making the average letter writer subsidize big magazines and periodicals.

Foreign Aid

The pressure is on to prevent further cuts in the foreign aid program. The President had recommended 5.4 billion dollars. This was trimmed by the House to just under five billion dollars. It was raised by the Senate to 5.1 billion. This was the authorization. The big worry now is whether or not the appropriations committees will make further cuts in providing actual funds. Incidentally, the Senate raised the House version by more than 150 million dollars. This raise alone is more than has been asked in the way of money to be used for loan purposes in meeting the drought disaster.

The Tax Moratorium

Last week I mentioned the fact that a tax moratorium had been voted by the House for the whiskey distilleries on whiskey still in storage. The moratorium is for four years and it is estimated that it involves approximately 185 million gallons of liquor. At \$10.50 a gallon tax, it would indicate that the collection of over 2 billion dollars was postponed for four years. While at the same time, it was argued that the excess profits tax, which could only bring in 800 million dollars, had to be extended to balance the budget. The issue is so hot that the Senate committee will probably table the bill.

The admissions tax on movie theaters will be repealed by the time you get this letter, or soon thereafter. This tax repeal bill was brought out under a closed rule. This means that the bill can not be amended on the House Floor. It must be accepted as written. I regretted this rule as there were several amendments that I think should go on the bill to give some tax relief to some who are equally in distress.

Price Supports For Cattle

A tremendous grass roots movement is afoot to place price supports or a floor under cattle. This is a decision that must be made by the Secretary of Agriculture who presently has the authority to invoke such floor or supports. The proposal to

adjourn Congress by July 31st does not leave sufficient time for Congress to work out a mandatory program on this subject.

The Farmers

So much attention was paid to the cattle business on the drought question that the little farmer was almost forgotten. Most of the laws concerning credit in the disaster program apply to the farmer as well as the cattleman. I have called this to the attention of the House several times during recent weeks and have also tried to impress upon the House that the credit should not be limited to a select few. There are many young people, and especially veterans, who have been hit by this disaster and who have not been in the business long enough to establish themselves as well as they would have liked. They are sons and daughters of farming and ranching people and it is their business. They should not be discriminated against.

The proposed regulations concerning eligibility for emergency feed are highly unsatisfactory. These may be changed before they are released. A release is due shortly after this letter is being written.

MYF Council Met Monday

The M. Y. F. Council met Monday at 7:30 P. M. in the Methodist parsonage. The meeting was opened with a devotional given by Carrol Parvin. The devotional was closed with pray-

er by Rev. T. Edgar Neal.

During the business meeting plans for a better organized M. Y. F. were discussed. Program area counselors were considered and those chosen will be asked if they can accept these duties.

The business meeting was closed by a prayer by O. L. McMinn.

Those present were Carrol Parvin, Feliz Ramon, Martha Plunk, Billy McMinn, youth members, Mr. and Mrs. Buddy Palmer and Mrs. Lorraine Mehner, adult members, and Rev. and Mrs. T. Edgar Neal, O. L. McMinn, Mr. and Mrs. Conrad Riffe, ex-officio members.

Delicious refreshments were served at the close of the session.

Mrs. Juliette Low organized

HOW TO PROVE WHICH IS THE FINEST CAR AMERICA HAS YET PRODUCED...

It will give you the

1. **most real power**... which you won't find in any other kind of American car. Provides far more "thrust" to the rear wheels from every drop of fuel. It's a totally new-type engine... powering the Imperial and conferring absolute highway mastery. Try it!

It will give you the

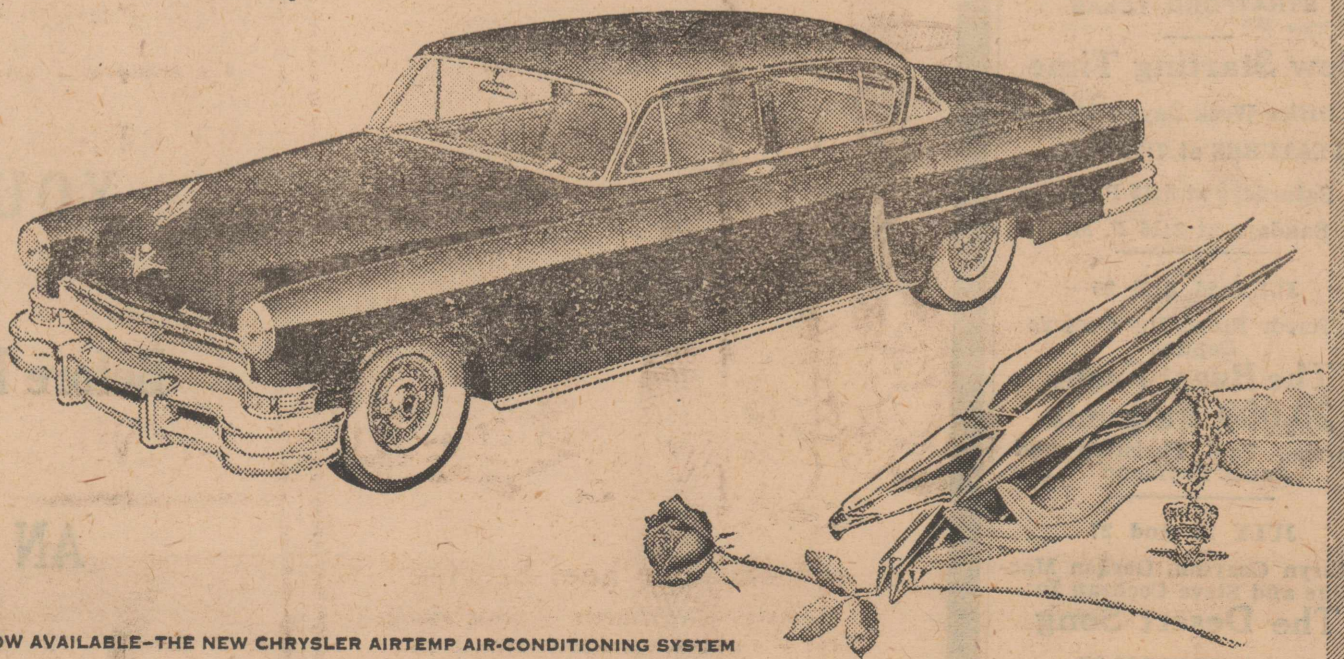

2. **most real control**... the most fully powered steering and braking you can have today in any car. A totally new safety and ease that makes Imperial the best-behaving car you ever handled. Try it!

It will give you the

3. **most real luxury**... and of a new kind. Here again you must look to Imperial for qualities that appear in no other car: a rightness in styling and a richness in handcrafting that blend perfectly with this car's supremacy in motion. Try it!

My PET PEEVE
By W. Scott Boyd

THE idea of live lobsters from Maine intrigued me. Ideal for a party, I thought, and proceeded to order.

Meanwhile, the wife made elaborate arrangements for a party—a sort of a backyard clam bake. Perhaps I should say backyard lobster bake, except the lobsters had to be boiled.

The lobsters arrived, well packed in ice and kicking. I took them home.

The outdoor fireplace was roaring and a boiling kettle of water, with the correct amount of pepper, etc., added, was ready.

"Well," says I, "shall we dump them into the pot, dear?"

"Aren't you going to kill and clean them first," says she.

"Certainly not," says I. "They have to be dumped alive into the boiling water and cooked for exactly 15 minutes."

"Alive!"

"Sure, honey."

"Then let's see you do it, Mr. Milktoast," says she. "I'll not boil a creature to death, even anything as repulsive looking as those things."

"Go ahead," I urged, "you are a famous cook. Think how it will add to your reputation."

"No," says she.

"O. K. Out of my way!"

After several false starts I grabbed one of the things and held it above the pot. "One, two, three—go," I counted, but my fingers didn't let go. It had sort of a pleading look in its mean little eyes.

"Ha!" says the wife. That was the most insinuating "ha" I ever heard from a human. "Mr Big, your hungry guests are waiting. I'll go get the hotdogs."

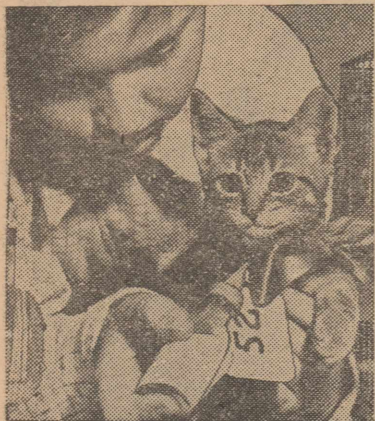

"What about these things," says I.

"Dump them in the fish pond," says she.

To date the things have eaten three of my prize goldfish.

TOASTED open-faced sandwiches satisfy your hunger pangs but don't heat the kitchen since cooking time is short. Toast bread on one side, top with a slice of luncheon meat, spread with chili sauce and top with a slice of cheese. Broil until cheese melts.

Lamb chops take well to barbecue sauce and broil quickly to keep your kitchen cool. Serve with a fruit garnish of pineapple, banana half and grapefruit segments. Chilled soups are ideal for starting off the meal with proper spirit. You might try jellied consommé or icy cold cream vichyssoise.

Salad-sandwiches are popular warm weather luncheon fare. Here's a delicious one: place but-

**RECIPE OF THE WEEK
Daffodil Cream Pie**
(Serves 6)

- 1 1/2 cups apricot whole fruit nectar
 - 1/2 cup granulated sugar
 - Few grains salt
 - 1 envelope (1 tablespoon) plain gelatin
 - 1/2 cup cold water
 - 1/2 cup chilled evaporated milk
 - 3 tablespoons lemon juice
 - 1 baked 9-inch pastry shell
- Heat nectar with sugar and salt. Soften gelatin in cold water and dissolve in hot nectar. Cool until slightly thickened. Whip evaporated milk until thick. Gradually beat in lemon juice. Fold whipped milk into thickened gelatin and pour into baked pastry shell. Chill until firm.

tered rye bread on platter, top with sliced, cooked chicken and top with thousand island dressing. Don't discard cold, fried trout. Serve it on a bed of watercress or lettuce and pass with sour cream in which are floating thin slices of cucumber. Serve with a lemon wedge.

Looking for something to go with potato salad? Take thin rounds of salami and spread with a mixture of grated carrots mixed with mayonnaise. Roll as a cornucopia and serve around the salad.

"I REMEMBER"
BY THE OLD TIMERS

From Mrs. Lester Bigler, Aberdeen, S.D.: I remember when mother and I twisted hay to burn and when father took wheat to the mill to have ground into flour. And although I don't remember the event, I do remember my parents telling me about the night the whole family slept in the sod stable with the live stock to keep from freezing to death. It was the year of the great blizzard in the west.

From Mrs. Henrietta Sprague, Mesa, Arizona: I remember when we lived on a farm in Kansas some 70 years ago. Kansas City was the nearest town where we could buy supplies. My parents would go after them and drive a pair of oxen.

From Mrs. Amanda Lowry, Columbus, Indiana: I remember when I was a child and my big brother was calling upon his first girl. He would dress and then have mother put on his collar which had to be buttoned. Her last words when he left the house was for him to be in by 10 o'clock. He never failed to be in by that time.

**Aviation Pioneers
To Be Honored
At Flight Dinner**

A dinner honoring Texas Pioneers in Aviation will be held December 17, it was decided by the Executive Committee for Texas' observance of the 50th

Anniversary of Powered Flight at a meeting in Dallas Wednesday.

"Texas probably has more aviation pioneers than any other State, and the Golden Anniversary of Powered Flight offers a Golden opportunity to pay them tribute," Brig. Gen. Robert

J. Smith, State Chairman for Texas 50th Anniversary Celebration, announced.

A calumet is popularly known as an Indian peace pipe.

Georgia is the largest state east of the Mississippi.

MRS. EUGENE R. MILLER
OF GUYMON, OKLAHOMA

describes her home freezer

"Time & Money Saver"

Ladies, when you can save both time and money, you have the kind of economy that homemakers really love. Listen, then, to what Mrs. Miller says.
"Our home freezer has proven to be very economical, and has saved about 10 hours a week in grocery shopping and food preparation."
Think of saving money—and 10 hours a week—and you'll think it's time for a freezer in your home now.

It stands to reason...
Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in any product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today . . . for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, it's the lowest-priced truck line of all! Come in and talk it over with us.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Mrs. Pronger Is Inter Se Club Hostess

Mrs. A. E. Pronger, Sr., was hostess to the Inter Se Club Friday afternoon of last week at 3:00 o'clock.

"42" was played with Mrs. Tim Flores holding high score.

The hostess served delicious refreshments to the following members and guests: Mrs. W. G. O'Brien, Mrs. S. J. Calvird, Mrs. Arthur King, Mrs. Tim Flores, Mrs. Joe Brown, Mrs. Arthur

Ross, Mrs. J. R. Pendleton, Mrs. Peach Smith, Mrs. Royal Pendleton, Mrs. Sam Wohlford, Mrs. Roy Allen, Mrs. J. K. Richardson, Mrs. J. C. Hargis, of San Diego, California, Mrs. C. R. Foster, Mrs. Bennie Simons, of Huntsville, Texas, and Mrs. T. Edgar Neal. Mrs. Peach Smith was welcomed as a new member.

Methodist Circle Has Bible Study

The Flora Foreman Circle of the W. S. C. S. met in the Parlor of the First Methodist Church

Wednesday morning for Bible study.

In a brief business session, Mrs. C. W. Moon was elected Study Chairman for the circle. The School of Missions was discussed and plans for sending a girl and boy to Ceta Canyon.

Mrs. A. L. Harrison led the study on the book of Romans.

Present for this meeting were: Mrs. A. L. Harrison, Mrs. J. B. McWilliams, Mrs. M. Dortch, Mrs. C. W. Moon, Mrs. B. A. Donelson, Mrs. F. B. Mullins, Mrs. T. Edgar Neal, Mrs. C. R. Foster, Mrs. J. G. Cummings, and Mrs. J. W. Elliott.

The meeting was dismissed by prayer led by Mrs. Neal.

Star H. D. Club Meets With Mrs. Keener

The Star Home Demonstration Club met Tuesday in the home of Mrs. Raymond Keener. The club entertained the Happy Hour Club and several guests. Miss Jimmie Brown and Bill Harr of the Southwestern Public Service Co. of Borger had charge of the program on "The Eight Principles of Kitchen Planning."

Delicious refreshments were served to Mrs. Oma Ellison, Mrs. Bernard Dovel, Mrs. Kenneth Pickens, Mrs. Joe Billington, Mrs. Norvell Blake, Mrs. Bill Lowe, and Mrs. Harmon Lowe, Happy Hour Club members, Mrs. Tom Lavake, Mrs. Bill Keener, Mrs. Richard Williams, Mrs. Cone Donelson and Mrs. Granvil Preston, special guests, and the regular club members, Mrs. Roy Mitchell, Mrs. Shuler Donelson, Mrs. Earl Kirkwood, Mrs. T. L. Wakefield, Mrs. Harold Bennett, Mrs. Roscoe Dyess, Mrs. Alfred Pronger, Mrs. Ralph Keener, Mrs. Arlyn Halle, Mrs. J. W. Smith, Mrs. J. B. McWilliams, and the agent, Miss Lucile King, by the hostess, Mrs. Raymond Keener.

The next meeting will be in the home of Mrs. Earl Kirkwood August 4.

Looking Up!

(By John Gipson)

As the eagle flies high above the earth, so the Christian can attain those things that are the highest and most noble in life. The prophet Isaiah said, "They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles" (Isa. 40:31). There is strength and beauty in the Christian life, because the Lord gives strength to live above the world. There is a loftiness to the life of a Christian that places him above the petty, worldly acts of many so called Christians. By waiting on the Lord we learn how to have new strength through prayer and the reading of God's Word. This gives strength to resist temptation and helps in living on a higher plane of spirituality. If Christian people would wait on the Lord till they could mount up with eagle's wings they would experience planes of joy and happiness through service never before thought of. Many times we content ourselves with "playing at Christianity" only receiving enough to make ourselves uncomfortable, and never rising to the heights that are afforded us by the giving of ourselves as a sacrifice unto the Lord of hosts.

A U. S. B-47 Stratofort bomber recently made a 12,000-mile non-stop flight in 24 hours to break all distance and endurance records for jet aircraft.

Postage stamps and false teeth provide most of the foreign exchange for the principality of Liechtenstein on the Austro-Swiss border.

Oil storage tanks of 250 and 500-barrel capacity, reinforced with glass, are being made from plastic. They cost about a fourth more than steel tanks, but resist corrosion.

Penguins, the arctic birds that so many people like to watch, are biologically a very primitive form of bird, not far removed from their reptile ancestors.

Here's Tomorrow's Tractor TODAY!

ANNOUNCING... the NEW MM MODEL UB

You asked for a tractor with MORE MUSCLE... a tractor that's EASIER TO OPERATE... SAFER... and MORE COMFORTABLE!

Now... find everything you want in the NEW, 3-4 plow MM MODEL UB

This is the tractor that farmers helped to build. It's the new, 3-4 plow MM Model UB that gives you more comfort, more safety, more power, real cost-cutting advantages.

THESE NEW FEATURES MAKE MONEY FOR YOU!

Higher compression cylinder heads and greater compression ratio give you more power, new fuel economy • High platform gets you up out of the dust and dirt, proves safer, gives you far better vision • New ignition system means faster starting • Sealed beam lights make night work easier, road travel safer • You've never felt such comfort as you get with the new MM Flote-Ride seat • New safety features, center line steering, pressure cooling, new foot clutch, new disc-type brakes... all are typical of the MM advances you get with the new UB. Now, add the new roller drawbar, available live power take-off, stronger implement "bosses," new pleasure car steering and longer-engine-life features—you see at once why the MM Model UB is tomorrow's tractor, today!
