

Stratford Flies Welcome Flags As Sixth Jamboree Celebration Opens

Stratford's sixth annual Jamboree celebration opens Friday night with fun and frolic for all those who attend the opening events. The sixth annual Jamboree and Junior County Fair, although lacking in some of the more expensive attractions which have been enjoyed in past years, still offers clean entertainment in the same spirit in which the first celebration was founded as a foundation for the annual events which have followed.

Bingo And Dance

Bingo games opening on grounds adjoining the American Legion building will furnish the first attraction Friday night. The games will open at 8:00 o'clock.

Modern Dance

At 9:00 o'clock a modern dance will open in the American Legion Hall. Gene Clay and his Arkansas Valley Ramblers will furnish popular string band music. A talented soprano vocalist and one of the best square dance callers of the plains section will accompany the band to assure novelty entertainment.

Fair Opens Saturday

The Sherman County Junior Fair opens at 8:30 A. M. Saturday morning with special divisions for entries in small grains, sorghum crops, poultry, swine, beef cattle, fruits and vegetables, boys and girls project records, china and ceramics, flowers, baking, clothing, handwork, canning, general exhibits, art, photography and hobbies.

The exhibits will remain on exhibit Saturday until 6:00 P. M.

Parade Saturday at 11:00

The grand parade, which may introduce many novelty arrangements, will move down Main Street at 11:00 A. M. Saturday morning.

George Jeffcoat, parade chairman, announces that commercial floats will assemble on Maple Street South of Sixth Street. Childrens entries will be grouped on Maple Street North of Sixth Street. Organization floats will form on Chestnut Street south of Sixth Street and Mounted groups will gather on Chestnut Street North of Sixth Street.

Led by the American Legion Color Guard, and heralded by the Stratford High School Band, the grand parade this year promises to be one of the most colorful staged at a local celebration.

Barbecue Saturday Noon

At noon Saturday, a Les' Parker barbecue with all the trimmings, will be served on grounds adjoining the American Legion Building. A free-will offering will be accepted to help defray expenses.

Roping Starts Saturday

At 2:00 P. M. Saturday the best ropers of the Plains area will compete in a fast calf roping contest which offers \$500.00 in prizes with entrance fees added. Belt buckles will be awarded. Performances will be

staged at 2:00 and 8:00 P. M. Saturday and at 2:00 P. M. Sunday.

Retired Ropers, including men over 45 years of age, will compete for a beautiful event belt buckle.

Bathing Beauties Saturday

Bathing beauties will compete for a crown to wear at the closing dance Saturday night in a show to be held in the indoor swimming pool at 4:30 P. M. Saturday. Sponsoring firms and their gorgeous dolls include: Roxy Theatre with Lynne Reeder, Stratford Cleaners with Helen Finch, Stratford Department Store with Jo Wayne Harding and Patricia Taylor, Jones Hardware with Jeanette McMahon and Ann Roberts, Yates Drug with Jean Cummings and Rita Joyce Neal, Robbie's Gift Shop with Letha Gall Fedric, McIntosh Dry Goods with Cynthia Gamble and Beth Pemberton, Harding 66 Station with Gaynelle Parker, Roxy Snack Bar with Barbara Cates and Helen Lowe, Lucy Kelp Cleaners with Clara Mae Stone, Brewster's Jewelry with Sherry Goule and Carolyn Folsom, Stratford Floral with Sheryl Ragsdale, Ross Bros. Dry Goods with Feliz Ramon, M-M Moline with Laurine Naugle, Stratford Tractor Co. with Sarah Lavake, Woolsey Appliances with Joyce Haney, Stratford Motor Co. with Shorty Wells, Southwestern Public Service Co. with Dorothy Bachman, The First State Bank with Le Rayne Mitts, and Foxworth-Galbraith Lumber Co. with Cynthia Reed.

Toddlers Water Show

Mrs. I. D. Wall will present members of the Toddlers bathing class in a water show as a feature attraction at the bathing beauty contest.

Old Fiddlers Compete

Old Fiddlers will start their competition at a location on the school grounds at 4:30 P. M. Saturday. Appropriate prizes will be awarded.

Bingo And Dance

Bingo games, modern and square dancing will furnish the major attractions Saturday night.

The celebration will close Sunday afternoon with the last performance of a gigantic calf roping contest which may be the most colorful yet staged in the local roping arena.

Square Dancers Will Meet September 19

A meeting will be held in the American Legion Hall at 8:00 o'clock on Saturday, September 19, for the purpose of planning fall meetings of the Square Dance Club. Meetings of the club were disbanded during the summer.

THE ELK — STRATFORD SCHOOL NEWS

First Grade

Mrs. Gates' Room

We have 26 students in our room. We have learned to make A-M-O-E. Some are doing very well, others do not listen, but hope we will do better in the future.

We have started our reading Readiness books and are on Page 10. Some of us wanted to learn to read the first day. We can't read yet but we haven't given up.

So far we have Mrs. Harold Roberts for our home room mother. We haven't heard from the others yet.

Miss Staten's Room

There are 26 pupils in our room. Of this number we have 12 girls and 14 boys.

We are working in "Getting Ready."

Mrs. Elliott's Room

(By News Committee)

We have selected our news committee which is composed of Sharon Lynn Mullican, Sharon Kay Oquin, Harry Oquin and Gary Dettle.

Our class held its regular monthly business meeting this week. Our regular meeting date will be the last Friday of each month from 9:45 to 10:15 A. M. Officers elected were: President, Billy R. Steinberger, Vice-President, Dennis Walker, Secretary, Shirley D. Sanders, Treasurer, Shirley A. Robbins, and Parliamentarian, Linda Brewster.

Volunteer Mothers who have very graciously offered to serve our class this year as room mothers are: Mrs. Jack Dettle, Mrs. Harold Oquin, Mrs. Walton Sanders, and Mrs. Marvin Burkham.

We greatly appreciate these mothers and will be looking forward to their visits.

We are working on Oral English at present and have had several very interesting talks about Geography and Hobbies in Health. Each of us also had fun in finding out about our family tree and what countries our ancestors may have come from.

We have found that conversation is a very good means to find out the common interests of our class peers.

We are looking forward to seeing the parade next Saturday. Sharon Oquin will be on a float.

The Librarians that have been chosen for this school year are: Dickie Bachman, Junior, Sherrydon Keener, Soph., Yvonne Mitts, Senior, Sarah Lavake, Junior, Joyce Haney, Junior, Carol Parvin, Senior, Jean Beth Williams, Junior, Jodie Harding, Senior, Cynthia Gamble, Senior, Arlene Doerfler, Senior, Sherry Goule, Soph., Gaynelle Parker, Junior, Ealon Davis, Sophomore, Beth Pemberton, Junior, and Helen Finch, Senior.

The following books have been received in the School Library: Little Women by Alcott, Son of the Land by Bolton, The Call of the Wild by London, Spice and the Devil's Cave by Hewes, National Velvet by Bagnold, Sawdust in His Shoes by McGraw, Shadow of the Hawk by Trease, Ethan Frome by Wharton, Caddie Woodlawn by Brink, Big Doc's Girl by Medearis, Barrie and Daughter by Caudill, With a High Heart by Leuw, Jim Davis by Madefield, Big Sky by Guthrie, The President's Lady by Stone, Thunderhead by O'Hara, Penrod by Tarkington, Start of the Trail by Rich.

The list will be continued in next weeks paper.

The Home Economics Department will be cooking some breakfasts and fancy foods this semester. The Homemaking I girls will be learning the importance of, and how to prepare nutritious and attractive breakfasts while Homemaking III girls will work with dinners and more complicated dishes. The Homemaking II class is studying the care, use, repair and buying of household equipment. They will give each other demonstrations to acquire experience in the field of demonstration work.

The F.H.A. will be organized soon in which all high school girls may participate. The Future Homemakers of America organization is a nationwide club and we hope to have a more active club this year.

Seaman Rites Conducted Saturday

Funeral services for Marvin C. Seaman, 52-year old retail food merchant, who died suddenly at his home in Stratford Thursday morning of last week, were conducted Saturday afternoon in the First Methodist Church. Interment was made in Elmhurst Cemetery in Guymon, Oklahoma.

Mr. Seaman had been a resident of Stratford since January of 1950. He was born July 14, 1901, at Spencer West Virginia. His parents brought him to the Oklahoma Panhandle in his youth, and he lived at Guymon and Goodwell. Later he lived in Channing, Texline and Dalhart.

He married Miss Florence Washburn in August, 1922.

In January, 1950, he purchased a food store in Stratford which he had operated since that time.

Mr. Seaman is survived by his wife; five sons, Larry, Edwin, John, Robert and Tom, of Stratford, two daughters, Mrs. Carl Turner of Great Bend, Kansas, and Rogene of Stratford, one granddaughter, a sister, Mrs. Goldie Couch of Kansas City, Missouri, and his parents, Mr. and Mrs. E. L. Seaman of Guymon, Oklahoma.

Positions for the swing band have not yet been indicated.

But the best way to appreciate what makes Pontiac such a great value is to get behind the wheel and drive it. Then you'll know you have a real performer in hand. Pontiac always responds with eager, ready-to-go high-compression power — more than any highway will ever require. For all normal driving, the engine can loaf—one reason why Pontiac

leads such a dependably long life.

There's a great deal more to the Pontiac story: ease of handling, beautiful Dual-Streak styling, roominess, comfort and luxury. And there is Pontiac's PRICE—actually just a few dollars above the very lowest-priced field!

So come in now and drive Pontiac, price Pontiac, compare Pontiac! We're confident that you'll quickly agree that Pontiac is your best deal!

Wheat Program Modified To Protect Land

Farmers who have prepared more land for wheat planting this fall than their acreage allotment called for may plant the excess acreage to wheat this fall without penalty if the wheat is not permitted to reach maturity. R. C. Buckles, Chairman of the Sherman County Production and Marketing Administration Committee, advises.

This modification of the originally announced program applies only to areas where wind erosion is a hazard and is limited to Western states, Chairman Buckles explains. The designation of Sherman County was made at the request of the County PMA Committee.

Buckles points out that some farmers in the county had already prepared their land for fall wheat planting before they received their 1954 wheat acreage allotment notice. In cases where the land so prepared was more than the allotment for the farm, the excess acreage would have been left unprotected a gainst wind damage or the farmer would have been subject to the overplanting penalty if the easement in the program had not been made.

Wheat so planted in excess of the farm's allotment, Chairman Buckles explains, must be turned under, pastured off or cut for hay or silage next spring while it is still green. If it is allowed to mature, it will be subject to the regular excess wheat penalty.

Sherman County farmers wishing to take advantage of this provision of the program should get approval before seeding from the County PMA Committee, designating the field where the wheat will be planted.

Students Leaving For Schools

Happy Hour Club Meets With Mrs. Dovel

The Happy Hour Home Dem-

onstration Club met September 3 at 2:30 o'clock in the home of Mrs. Bernard Dovel.

There were 9 members and Miss Lucile King, County Home Demonstration Agent, present. Mrs. E. E. Riggs, president, opened the meeting with the club prayer.

A business session was conducted and plans made for the Club's entry at the County Fair. The demonstration given by Miss King was given on the subject, "Equipment in the Kitchen."

The talk was supplemented with slides of various kitchen arrangements. Delicious refreshments were served to the following: Miss Mary Crabtree, Mrs. Newton Crabtree, Mrs. W. J. Lowe, Mrs. Retah Lowe, Mrs. E. E. Riggs, Mrs. Kenneth Pickens and Mrs. Hugh Stewart.

A recreation period was enjoyed for a short time before the meeting was adjourned.

The next meeting will be September 17 in the home of Mrs. Retah Lowe.

Mrs. Palmer Is Hostess To Group Three

Group Three of the Christian Women's Fellowship of the First Christian Church met Wednesday of last week in the home of Mrs. Everett Palmer.

There were five members present.

Mrs. Retah Lowe acted as leader for the group in the absence of the leader, Mrs. Arthur Folsom. The meeting was called to order and was opened with prayer by Mrs. Bomer.

Business was conducted and the minutes of the last meeting were read.

Mrs. D. L. Buckles and Mrs. Everett Palmer conducted the study for the day. Mrs. Buckles had the subject, "How To Study the Scriptures," and Mrs. Palmer, "The Division of the Old Testament." A group of questions and answers were used to discuss the study.

The meeting was closed with the Missionary Benediction.

A social period was enjoyed after the study, and refreshments were served by the hostess.

Baptist Circles Have Joint Meeting

Circles of the Baptist W. M. U. met at the church Wednesday afternoon at 3:00 o'clock for a joint meeting. Mrs. J. S. Johnson presided over the business meeting.

"Make Me A Channel of Blessings," was the opening hymn.

Mrs. Joe Brown led the opening prayer.

Mrs. Horace Jones reviewed the book, "Service and Songs."

You just can't buy all of these features in any other Pickup!

✓ NEW "DRIVERIZED" CAB!

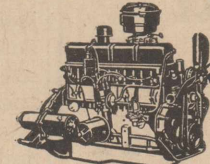

The most comfortable cab in the world! Both standard and Deluxe (shown) offer new curved, one-piece windshield—55% bigger for greater visibility! New adjustable seat is wider, more comfortable—has new non-sag springs and new counter-shock seat snubber! New push-button door handles! New rotor-type door latches!

✓ NEW FORDOMATIC DRIVE!

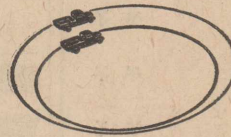

Here's truck-driving at its easiest! No shifting, no clutching—smooth, responsive starts! With Fordomatic, even a heavily loaded Pickup can climb a 30% grade from a standing start! Ideal for stop-and-go deliveries. New Overdrive also available! (Fordomatic or Overdrive at extra cost.)

✓ NEW LOW-FRICTION POWER!

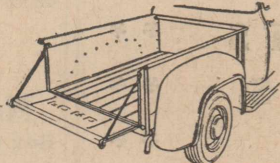

A Ford First—Low-Friction truck engine design! Cuts piston travel, reduces friction wear, saves gas! Ford Pickup offers choice of Low-Friction 101-h.p. Cast Clipper Six (shown)—or, for the greatest power in Pickups today, the world-famous 106-h.p. Truck V-8!

✓ NEW SHORT-TURN FRONT AXLE!

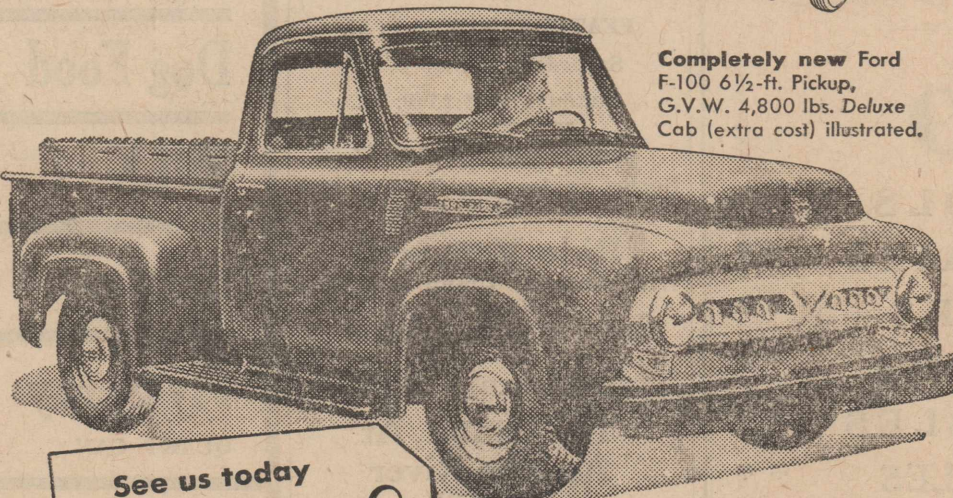

Turning diameters reduced up to 14%! Ford's new wide-tread, set-back front axle gives you shorter steering angles for easier, time-saving handling. Front axle supports larger share of load for better weight distribution. New, longer front springs for smoother ride.

✓ NEW PICKUP BODY!

45 cubic feet of payload space—one of the largest bodies in the half-ton field! New bolted construction. Pickup Box gives extra strength and rigidity.

New stronger, clamp-tight tailgate resists bending or twisting. New toggle-type latch holds tailgate firmly closed. Low loading height—just over 2 feet!

Completely new Ford F-100 6½-ft. Pickup, G.V.W. 4,800 lbs. Deluxe Cab (extra cost) illustrated.

Step into one of these all-new, brand-new Ford Pickups today! Discover the roomy comfort of the new Driverized Cab. And while you're at it, why not take the new Ford Pickup out for a ride? Then you'll know what we mean when we say, the '53 Ford Pickup gives you more than just new for your money than any other Pickup on the American Road!

are found on the underside of the leaves. Spray plants with one and a half teaspoons nicotine to a gallon of soapy water, or dust with eight teaspoons nicotine sulphate to a pound of hydrated lime.

White flies can damage leaves of flowers and plants too. Adults are tiny white moth-like flies, and the young are found on the underside of leaves resembling scales. When the adults are swarming, they may be controlled by dusting thoroughly with five percent DDT powder. The young can be controlled by spraying the underside of the leaves with three tablespoons of white oil emulsion per gallon of water.

Caterpillars feed on flowers and shrubs, either the smooth skinned or those covered with hair. To control, dust plants regularly with five per cent DDT or five percent chlordane dust.

Red spiders are tiny insects. They are like mites, red or yellow in color and found commonly on the underside of leaves. You can usually find them by locating the fine webbing on leaves and stems of the plants. Best control the agent says, is obtained by dusting sulphur twice at seven-day intervals. There are some commercial miticides which are effective when used according to the manufacturer's directions.

Thrips, the slender insect less than a tenth of an inch long, are yellowish to dark in color, and are found in buds and blossoms. To control thrips, keep all old blossoms removed from plants and dust thoroughly with a five percent DDT dust.

Mary Ethel Circle Met Wednesday

The Mary Ethel Circle of the First Methodist Church met Wednesday in the home of Mrs. O. L. McMinn for a covered dish luncheon. This was the first meeting of the circle for the fall season.

Protect Your Flower Garden

Don't let insects and pests take a toll in your flower garden. Miss Lucile King, County Home Demonstration Agent, says control is a matter of knowing the insects and their habits and understanding what it takes to prevent or destroy them.

For instance, bagworms are probably thriving right now in their tough cocoon-like cases, principally on arbor vitae and cedars. They usually become full grown about August. If you did not spray the plants early in May, your best control measure at this stage is hand picking. Be sure to burn the bagworms as you collect them.

Ants which attack flowers and ornamental shrubs can cause extensive damage. For best control, locate the nests and dust the hills and immediate vicinity thoroughly with a 10% chlordane dust.

Apids are small soft-bodied sucking insects, dark brown, yellow or green, and usually

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response — right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

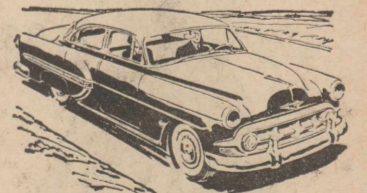

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrift-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

REV. ROBERT H. HARPER
 Courage for Christian Living.
 Lesson for September 13: II Timothy 1: 3-14.
 Golden Text: II Timothy 1: 7.

Marcus Aurelius, in his meditations, acknowledged his debt to his forbears, beginning with his grandfather. Paul, in writing to Timothy, reminded the young man of his debt to those who in a blessed succession of faith had led him to become a Christian and one fully prepared for high living and fine service.

And Timothy was urged to stir up the gift of God and to be busy in the work of the gospel, ready, if need be, to suffer hardship as a good soldier of Christ, as above all things remembering the Lord and all the Lord had done for him and for all who might believe on Him.

Courage should come to Timothy in the assurance that Christ had abolished death and "brought life and immortality to light through the gospel." Men are encouraged to go on with some great undertaking when they are assured that there will be time to complete it. So may we be encouraged in the work of the gospel as knowing that the limitations of earth and death itself will not deter them from winning the crown of righteousness, which the great Judge will give them in the eternal day.

PETROLEUM AGE
Just a century ago, six years before the first oil well was drilled, a lumber company at Titusville, Pa., made an arrangement with a local citizen to gather the "rock oil" that seeped from a spring on their property and make it useful. This

first "oil operator" gathered three to four gallons of petroleum a day, and used it for lighting the saw mill and lubricating the machinery.

Play Clothes For Children

When making summer play clothes for the children in the

family, consider certain good workmanship techniques that will provide longer wear for the garment.

Miss Lucile King, County Home Demonstration Agent, suggests narrow French seams or other smooth flat seams in soft, thin fabrics and plain pinked seams in heavier cottons such as percales. Use a close, even stitching with strong thread, and soft, flexible finishes around the neck armholes. Anything stiff, lumpy, or scratchy will rub the child's skin.

Put reinforcements at placket ends, under arms, or wherever there is likely to be strain dur-

ing wear, in dressing or laundering. Work buttonholes that won't tear out easily.

On Your Farm?

We'll bring it out and let you see how this efficient harvester can not only save you time and work — but also give you better feed, and more income from your livestock.

The New Holland Forage Harvester

has been making life easy for beef and dairy farmers by making high quality silage from both corn and grass. There's a pick-up for row crop or windrow — either one may be attached firmly to the basic harvester quickly and easily by changing only five bolts.
