

Stratford Host To 1-A Track Meet April 12

Stratford Schools will host the District 1-A Relays Tuesday, April 12. The field and track events will open at 1:00 p. m. All grade school, freshmen and varsity track and field men will participate in the athletic contests.

Track and field teams of practically all schools have been taking part in the invitational relays which have been held at various schools over the district. Most of the athletes have improved at each of the contests although they have been overmatched in some of the track meets.

Fans who enjoy track and field athletic contests will have an opportunity to see the boys appear in top condition in most all events.

Track Team Meets Strong Competition

Stratford track team athletes made some of their best records of the season in the Amarillo Relays Saturday. Seventy-five teams took part in the events, 45 of them in class 1-A. Bobby Seaman set his fastest record by running the 100 yard dash in 10.5, and ran in the semi-finals.

The 440-yard relay team composed of Scott Whorton, Bill Steinberger, Jerry Galloway and Bobby Seaman, made their best record in a time of 47.5.

The mile relay team, composed of Doug McBryde, Bill Steinberger, Jerry Galloway and Bobby Seaman, set another best record of 3.46. They placed 8th in the meet.

Curtis Davis ran the mile race in 5.02.1 which was his best record of the year. He placed eighth in the relays. Tommy Lovett set a new pace setter for his record by completing the mile race in 5.12.

Jay Duncan ran the 440 yard dash in 56.8.

Gary Matthews threw the shot putt 37 feet and 11 inches.

Hal Bennett completed the 880 yard dash in 2.18. Jack Standefer followed closed behind with a time of 2.21.

The Stratford Track Team will participate in the Clayton, New Mexico relays Saturday.

Gun Club Grounds Available

Land west of Stratford which is used by the Stratford Gun Club is available to the public for use in practicing golf, Leo L. Smith stated this week. This is my land, Smith said, but it isn't a large enough block to be used for any practical purpose except recreation. Anyone wishing to practice their golf shots on this land should feel free to do so. No charge will be made for the use of this acreage, he added.

The Stratford Volunteer Fire Department aided Mr. Smith in burning the grass and weeds from the acreage so that it will be more serviceable.

Lions Sponsor Children's Fun Camp

Applications for a summer full of fun for handicapped children in the Stratford area are now being accepted by members of the Stratford Lions Club.

The unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session Sunday, June 5. Five such sessions will be held this summer for youngsters between 7 and 16.

The camp is free to any eligible blind, deaf, mute or crippled child. Transportation to and from the camp is supplied by the local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the camp, citizens are urged to contact Chester Guthrie of the Stratford Lions Club. There have been no youngsters from this area who have been eligible for the camp in recent years.

Packing Plant Seeks Feeders From County

Representatives of the Lincoln Packing Co. will meet with producers of this area in Stratford on April 22 to tell of the type of beef they would like to purchase from the territory. The Lincoln Packing Plant of Pueblo, Colorado slaughters approximately 5,000 choice beefs each week.

Feeders for the company are produced in large and small feed yards under very strict requirements to produce the exact type of meat animal desired.

Cardell Webster announced the interest of the packing company in the type beef that could be produced in this area. Webster will be accompanied to Stratford by the manager of the Pueblo plant and one of the company cattle buyers.

New Crops Meeting April 14

A meeting for farmers on the growing of new crops in Sherman County will be held in the County Exhibit Building in Stratford Thursday, April 14, at 7:30 p. m.

C. C. Corn of the Texas Farmers Union will discuss growing of safflower and results of last year's program. Seed will be available for those interested in growing safflower again this year. The company will offer a contract price of \$60.00 a ton.

Other new crops which have shown promise in this county are soy beans, sugar beets, potatoes and sesame. Growing of these crops will be discussed.

R. M. Buckles, chairman of the new crops committee of the Sherman County Development Association, has made arrangements for the meeting.

Students Win District Tennis Titles

Stratford students brought home the largest number of District 1-A tennis titles they have claimed since entering tennis competition at the district meet held in Spearman Monday. Tennis players from Stratford, Spearman and Stinnett competed in the district tennis matches.

High School Winners
Hal Bennett and Bobby Seaman won second place in the boys district tennis doubles. Donna Boner and Shelia Donelson won second place in the girls tennis doubles.

J. D. Plunk took third place in the boys tennis singles. Ruth Kendrick won first place in the girls tennis singles.

Freshman Division
Stratford Freshmen walked away with all the top honors in the district 1-A tennis matches. Doug McBryde and Jerry Dyess won the boys tennis doubles while Yvonne Gamble and Lorelei Harding won the girls tennis doubles.

Charlene Wisdom walked away with top place honors in the girls singles and Mike Peterson took first place in the boys singles.

Grade School Division
Stratford Grade School athletes took three first places and one second place in the tennis matches. Gary Hudson won second in the boys singles. Duane Pittman and Phil Pettie won the boys doubles. Donna Davis and Judy Steinberger won the girls doubles. Charlene Eller walked away with first place honors in the girls tennis singles.

James Stavenhagen and Ronald Mills coached the Stratford tennis stars.

Annual City Park Dinner Saturday Night

The annual park dinner sponsored by Beta Sigma Phi sororities, will be served Saturday, April 9, in the American Legion Hall. The Smorgasbord style dinner will consist of spaghetti and meatballs, baked ham, barbecued beef, green beans, brown beans, potato salad, congealed salad, tossed salad, cake, pie and drinks. Serving hours will be from 5:00 until 9:00 p. m.

Plates for adults will sell for \$1.25 and plates for children will be 75 cents.

Proceeds from the dinner will be used to improve and beautify the city park.

Elect Cemetery Association Officers

Sam Wohlford, Dan Foreman, Arlyn Haile, Mrs. Oma Ellison and Mrs. Peach Smith were elected members of the Board of Directors of the Stratford Cemetery Association at a meeting held at the courthouse Saturday night. A president will be elected from the Board of Directors.

Retiring directors of the association are J. R. Pendleton, H. T. Jackson, Howard Etheridge and W. O. Bryant.

Mrs. C. W. Moon was elected secretary of the Stratford Cemetery Association. She replaces Mrs. F. L. Yates who has served the association as a secretary since it was organized in 1940.

Wheat Is Making New Rank Growth

Warm weather during the last two weeks has caused wheat to green up and start growing. It is making excellent pasture for cattle in the area. Present prospects indicate a bumper crop will be produced. Sherman County has 170,000 acres seeded to wheat.

Bryant Mayor, Bell And Caraway On Council

Elected School Trustees Saturday

C. L. Guthrie and Ernest Cummings were re-elected to office as Trustees of the Stratford Independent School District in an election held Saturday. Each of the trustees polled 53 votes.

The trustees will meet to board. The trustees will meet to board.

Other members of the Board of Trustees include: Kenneth Kendrick, B. L. Smith, W. L. Pendleton, Homer L. Haile and Joy D. Smith.

Texhoma Polled Heavy Trustee Vote

A write-in election in the Texhoma Independent School District Trustee election set off a chain reaction in getting out the votes of the district. Dale Hamilton topped the ballot for 77 votes and Terry Huse received 53 votes. Both men were elected to the school board. An unofficial report of the election shows that other candidates and their votes were: Leroy Craig 52, Joe Knapp 32, Bob Evans 11, Leon Crawford 3, Willard Adkins 5, Mansel Roach 2, George Derryberry 1, and Melvin Ussery 1.

Roy Schafer was elected to the County School Board from Precinct 3 with 73 votes. Others receiving votes were: Ira Oldaker 10, Leroy Craig 1, Terry Huse 1, Joe Knapp 1, Mansel Roach 1.

To Show Film At Church

The public is invited to view a family film, "The Power of The Resurrection," to be shown April 14 at 7:30 p. m. at the First Christian Church.

A free-will offering will be taken to pay for the film.

First Graders To Sing For P-TA Meeting

Children of the first grade will sing for the Stratford P-TA when it meets Monday, April 11, at 7:30 p. m. in the school auditorium. The songs by the first graders will be followed by a group of interesting speakers on the subject, "Meeting Community Challenges with United Effort," which will be conducted in the form of a "Buzz Session."

The leaders of different groups to report their findings are: Mrs. Margaret Reed, on "Care and Respect for Property"; Dr. Paul E. Smith, "Our Community Health Program and How It Can Be Improved"; Leon Guthrie, "Patriotism and Citizenship Responsibilities"; and Pete Bateman will discuss "Recreation Outside the School."

The executive board will meet at 7:00 p. m.

Students Have Day In Dallas

Thirty-nine school students, six mothers and two teachers spent the day visiting in Dallas Saturday. A report of their activities gives rise to the opinion they had a grand time. Their report states:

"After a brief moment of panic experienced by six mothers and two teachers who were to chaperone 58 children to Dallas, everyone safely boarded the train some 45 minutes late at 10:30 p. m. April 1 at Dalhart. The brochure read 'a full day in Dallas' and that's exactly what it meant. Most everyone was settled down by midnight on the lower bunks of the two pullman coaches consigned to Stratford. How we wished for that luxury on the return trip. We were accompanied by a Burlington Route representative while on the trains and were met at the train in Dallas by three guides who stayed with us the rest of the day. Depositing our gear in the passenger agents office, we crossed to the Hotel Dallas for a delicious breakfast. During the night we had children from Childress, Vernon and Wichita Falls join the tour. There were over 200 altogether. All enjoyed the scrambled eggs, ham, toast and jelly, orange juice and milk. We walked across a pretty park and entered the Dallas Morning News building. Many phases of newspaper mysteries were explained with all receiving miniature newspapers and several being given photographs.

We were then assigned to our bus for the day, always returning to the same one. The Marsalis Park Zoo was invaded with children going in all directions. Many enjoyed some of the rides at a small amusement park on the way back to the bus.

Lunch was served at the Fair Park near the Cotton Bowl. It was barbecue, chili beans, slaw, potato salad, pickles, onions, bread, orangeade and chocolate cup cakes. It was very cool under the pavilion during lunch.

E. R. Bell and H. H. Caraway were elected to fill two vacancies as city councilmen Tuesday. Each candidate polled 130 votes of the 138 votes cast in the election. Herbert Folsom received two complimentary votes for councilman.

Mayor W. O. Bryant was re-elected to office with 72 written votes in the city election. R. J. Hill was his closest opponent with 31 votes and James P. Webb followed with 17 votes. Other votes for mayor were: Jim Close 6, Earl Riffe 3, Chester Guthrie 1, Jim Taylor 1, O. H. Ogden 1, R. C. Buckles 1, E. E. Riggs 1, Mrs. Earl Shirik 1, and F. D. Brannan 1.

Saving Lives Objective Of Cancer Society

Saving lives is the objective of the American Cancer Society's Crusade which opened April 1, according to Mrs. Ollie Mae Massie, chairman of the drive in Stratford.

If funds are available, research can be stepped up which now supports hundreds of laboratories staffed by more than 1,000 scientists who are seeking to control cancer for all time. And if funds are available to fill unmet needs in the programs of service, public education and professional education, 850,000 Americans who die of cancer, may be saved every year.

The Cancer Crusade will continue through April. The rallying cry of last year is again the life-saving slogan of this year's crusade: "Guard your family, fight cancer with a checkup and a check."

Mrs. Carroll Wisdom, house to house chairman, said that 34 volunteers are ready to go into action in Sherman County.

They will distribute information material which is known to be life-saving.

Weather Observers At School

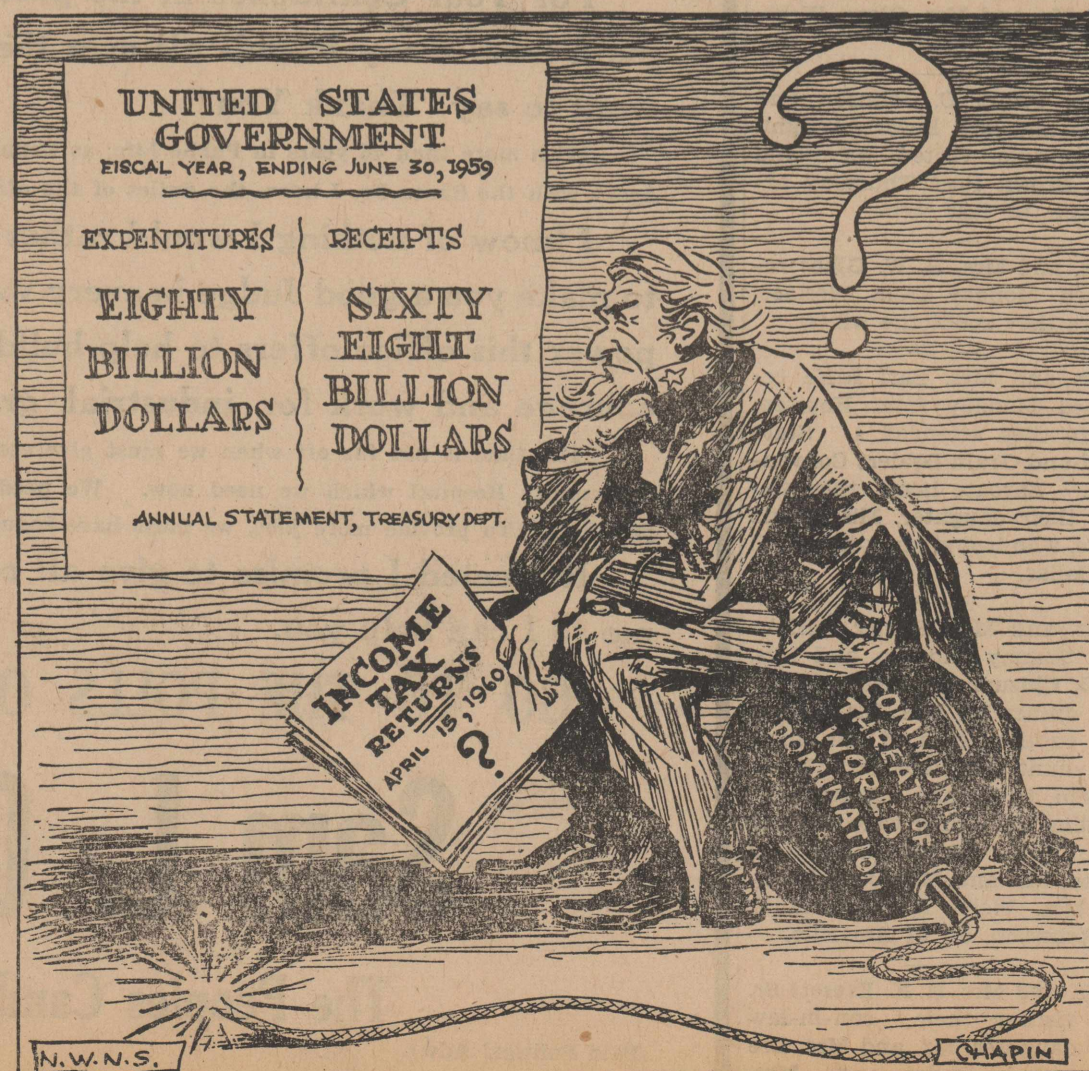

Albert Lee, Claude Fedric, Frank Baber and Jim Close attended a meeting of severe weather observers in Amarillo Thursday night of last week. H. C. Windburn was the principal speaker of the evening.

The local weather observers hope to set up some type of warning system for the Stratford area before the season of the year when tornados have been known to have caused damage on the high plains.

C. C. Plunk Is Building New Station

C. C. Plunk is having a new 28x40 foot brick and tile service station erected on U. S. 287 south of the intersection of the highway with U. S. 54. June 1 has been set as the completion date of the new structure.

To The Voters Of Sherman County

It's time we consider the candidates seeking County, State and District Office for Public Service, Especially the office of

COUNTY JUDGE OF SHERMAN COUNTY For Which I am a Candidate for the Second Time.

Two years ago I almost made it, losing by only 38 votes. I carried every precinct except No. 2, the Spurlock Community. This fires me with renewed vigor and determination as never before for victory at the polls in the coming Democratic Primary Election May 7th.

For Your Confidence in the past and for the many kind words of encouragement from many friends all over the county to make the race again this time, I want to say "Thank You."

With more than 46 years in Public Life, as County Welfare Director, State Legislator and now Depot Station Agent with the Santa Fe, I know the duties of the office of County Judge will not be hard for me.

I know of nothing I would rather do with the remaining years of my life than to make you a good Judge in every way the law provides, plus all the prestige and power this office offers to help build not only better public facilities, but to encourage and work for industrial growth and progress.

The time is not far off when we must give consideration to the ways and means for the building of a County Community Hospital which we need now. We need more people for this. We will get them when more jobs are provided. To provide more jobs, we must have industrial growth.

If elected I promise to give all of my time to the office and its work. Help me so I can help you.

GO TO THE POLLS ON MAY 7 AND VOTE FOR

Sam L. Cunningham

The Peoples Candidate for County Judge

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS ...UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you—at no extra cost—that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.

Present Awards To Cub Scouts

The six dens of cub scouts met Monday night, March 28, in the Legion Hall. The opening ceremony consisted of the Pledge of Allegiance to the flag and a prayer. The Bobcat Ceremony was given to a number of the boys that had heretofore missed participation in this ceremony. C. C. Plunk, cubmaster, welcomed the many parents and guests in attendance. All cub scouts to receive awards formed a circle and C. C. Plunk, Owen Hudson and Pete Bateman presented the awards to the boy and to his parents.

Owen Hudson took the cub scouts to the fire station where they played games. During this period Mr. Lewis of Daihart and Mrs. C. C. Plunk gave an instruction period to the cub scout parents.

The cub scouts returned and formed a semi-circle and sang "Texas Our Texas." There were many interesting displays and handwork accomplished by the cub scouts during the past month. The theme of Study was "Texas."

The next Pack meeting will be a "Pinewood Derby." This will be a race in which each cub scout will enter a small wooden car he has made himself. The cub scouts will be selling tickets for this Pack meeting in order to earn money for the local cub scout chapter.

Half of those who get cancer in the United States could and should be saved, through early diagnosis and treatment, says the American Cancer Society. This would mean the annual saving of 250,000 lives. Support the Society's fight against this disease.

Last year cancer took the lives of more than 4,000 children under 15 years old. About half of them died of leukemia, which is a cancer of the blood-forming tissues. The American Cancer Society is supporting research in all phases of cancer. Give to the 1960 Cancer Crusade.

NEW RANGE CATTLE TEST AID TO BRUCellosIS PROGRAM

A new method for testing range cattle is resulting in major savings to beef producers in their efforts to eradicate brucellosis, an important livestock disease, according to Dr. C. M. Patterson, extension veterinarian.

The method is based on use of a screening-type blood test of cull and dry cows on the way to or during slaughter. Animals tested each year must equal 5 percent of all cows in the area, he said. Another important requirement is that owners vaccinate at least 80 percent of all eligible calves each year.

Successful use of this test to recertify Benton County, Washington, as a modified-certified brucellosis area marks a major advance in the battle to eradicate this costly disease. The county was officially recertified effective March 15.

A modified-certified area, Dr. Patterson explained, is one in which no more than one percent of the cattle or 5 percent of the herds are affected with brucellosis. Certification is for 3 years. Continuous testing makes recertification possible, but for beef producers it has meant rounding up at least a fifth of all herds in the certified area every 3 years.

The advantages of the new method are shown in the Benton County test. During the 3 years prior to March 15, 1960, brucellosis was found, and further tests required, in only 11 of the total of 601 beef herds in the county. Under alternate recertification procedures, it would have been necessary to test a total of at least 120 herds. As a result of the new method, 92 percent of on-the-ranch testing was eliminated.

This reduction in ranch testing saves the majority of beef

producers the expense and labor of handling cattle, as well as eliminating the possibility of injury to the animals themselves. Furthermore, Dr. Patterson added, since all herds in an area may be included in this continuous screen-testing program, any infection is likely to be detected before it has an opportunity to spread.

Elementary School Observes National Library Week

The elementary school library observed National Library Week with story hours for every class. Pupils reviewing books and stories to the elementary grades were: Linda Brewster, Ruth Naylor, Betty Naylor, Molly Davis, Carolee Baskin, Jessie Riggs, Sandra Brown, Alta Adams, Cecelia Cleavinger, Sharon Mullican, Cleo Adudell, Mike Peterson, Dan Newman, Johnna Knight, Julia Gray, Kenneth Scott, Dolly Mehner, Steve Dettle, Barbara Flores and Jerry Don Allen.

Band Clinic Held Thursday

Thursday of last week a four hour band clinic was held in the Stratford school band room by Mr. King of Hale Center.

The band will play in the regional contest in Canyon Wednesday, April 13. In the Borger band contest held recently, the band won second on numbers that had been chosen by Joe Mack Hill, and placed third in sight reading. The young musicians attending the science fair in Amarillo after the close of the contests.

Farmers In Battle With Bindweed

During 1959 Sherman County ranked second on the high plains area in the number of acres treated for the eradication of bindweed. Plans for expanding the weed control program in the county will be discussed at the new crop meeting to be held Thursday night of next week.

Rabbit Ear Courts Burned Thursday Night

The 20-cabin Rabbit Ear Courts Motel in Clayton, New

Mexico was destroyed by fire Thursday night of last week. Mr. and Mrs. Lamoine Palmer, former Stratford residents, had owned and operated the motel for the last 5½ years. Insurance will cover only half of the replacement cost, Mr. Palmer said.

Post-Nuptial Shower Given Mrs. Wilson

On Tuesday evening, April 5, Mrs. John Marvin Wilson, nee Sharon Gamble, was honored with a shower of gifts in the home of Mrs. Joe Brown.

The bride was assisted by Mrs. Graydon Gamble and Mrs. R. B. Terrill in opening the packages which revealed many beautiful and useful personal items. These three ladies were presented corsages of white carnations, made up with orchid and silver ribbons, carrying out the color scheme chosen for this event.

The guests registered in the bride's book, over which Miss Yvonne Gamble presided.

Misses Sue Plunk and Yvonne Gamble alternated in serving punch and cookies to the guests from the bride's table. The table was prettily laid with a gray and silver cloth, and a silver punch service was used. The centerpiece was truly the center of interest, for in a marine draped bowl, was placed a "Bride's Tree," blooming in the gayest manner with orchid bows and miniature feminine unmentionables.

The hostesses for this gay occasion were Misses Carolee Baskin, Gay Plunk, Ann Burgess and Betty Naylor.

A note of interest is the fact that 31 years ago next month, a

Catholic Women's Council Meets

"Dignity of Womanhood" was the topic at the annual meeting of the Diocesan Council of Catholic Women held in Amarillo March 29 at St. Lawrence School.

An address on "Problems of Lewd Literature" was given by Mrs. J. A. Koehler of Tucumcari, New Mexico. Rev. John L. Morkovsky, bishop of Amarillo, gave an address on "Spreading the Love of God." The topics of various workshops were: legislation, adult education, spiritual development, family life, youth, rural life, organization and development and public relations.

Those from Stratford who attended were: Mesdames Joe Flores, Ted Irlbeck, Joe Walsh and Ray Doerfler.

APPRECIATION

I would like to thank everyone who sent me cards and letters while I was away this past month. Many of you have sent me gifts and offered prayers for me and I would like to thank you also.

wedding shower was given in the home of Mr. and Mrs. Joe Brown for Mr. and Mrs. Graydon Gamble, parents of the bride.

Happy Hour Club Has Lesson On Pastry

A lesson on "Pastry" was given when the Happy Hour Home Demonstration Club met March 31 in the home of Mrs. Kenneth Pickens. The very interesting lesson on pastry mak-

ing was given by the home demonstration agent, Mrs. Ruby Campbell, following the business meeting. Members report that several new ideas in pastry making were learned.

Those who attended and were served refreshments were Mesdames Philip Blanck, Tim Crossfield, C. W. Moon, C. W. Wells, Harold Baker, Oma Ellison, Grover Keown, Joe Billington, W. J. Lowe, Ruby Campbell, and a guest, Miss Dortha Nell Crossfield.

The next meeting of the club will be April 19 at 1:30 p. m. in the home of Mrs. C. W. Wells.

The Happy Hour Club met March 17 in the home of Mrs. W. J. Lowe with Mrs. James Lowe as hostess. After a short business meeting, Mrs. W. J. Lowe gave a very good lesson on "Fruit Pies". At the end of the social hour which followed, the pies were served to Mesdames Tim Crossfield, Philip Blanck, Gail McDaniel, C. W. Wells, Harold Baker, Kenneth Pickens, C. W. Moon, Oma Ellison, Grover Keown and a guest, Mrs. Cramer, mother of Mrs. Harold Baker.

The Club adjourned to meet with Mrs. Kenneth Pickens March 31.

Among the Sick

Mrs. D. W. Wilson was released from Dumas Memorial Hospital Saturday and brought to the home of her mother, Mrs. S. J. Calvird. She is recovering from a major operation.

Clinton Belcher returned home this week from a San Antonio hospital where he has been a surgical patient.

J. R. Marshall has been seriously ill in Northwest Texas Hospital in Amarillo this week. At press time, his daughter, Mrs. Leonard Plunk, reported that he was slightly improved.

PRICED THE LEAST...

HOLDS THE MOST...

IN A FULL-SIZE WAGON! You'd never know it by looking, but this is America's lowest-priced full-size wagon! Its 97 cubic feet of loadspace is the biggest in its field. Extra-wide rear gates open easily, with one hand, to make loading a cinch. And this Ford Ranch Wagon is built for people. You get a foam-padded front seat, plus leg, hip and head room to spare. And it's built for savings, too. It thrives on low-cost regular gas. A Full-Flow oil filter lets you go 4,000 miles without an oil change. The aluminum muffler normally lasts twice as long as conventional types. And its Diamond Lustre Finish never needs waxing.

Study Club Donates Park Dinner Pies

The Prospectus Study Club met April 1 at the home of Mrs. H. H. Caraway, with Mrs. Fred McDaniel as co-hostess.

The members voted to donate pies to the park dinner on April 9, and also to donate used clothing to the "Save the Children Federation", at the next meeting.

Mrs. E. J. Massie gave a report of the district convention which she and Mrs. Caraway attended last month.

The club was urged to write their senators and representatives about the impending legislation on the World Court and to ask them to vote to leave the Connally amendment as it is. Congress, in 1946, accepted the World Court with the Connally amendment which was that the United States would accept World Court jurisdiction in all matters "as determined by the United States." A new resolution has been introduced, which, if passed, would remove the Connally reservation and place all matters respecting the United States under the jurisdiction of the World Court. The elevation of the World Court over American affairs would constitute a frightening problem. Internal affairs of our country could be decided in the World Court, plus many even more important external affairs.

Mrs. Jim Taylor presented the program on the 1959 National Convention of Federated Clubwomen held in Los Angeles. She played a recording of the highlights of the convention.

The hostesses served delicious refreshments at the close of the program.

Den 1 Cubs Meet In City Park

Den one of the cub scouts met March 30 in the City park. The meeting was opened with the cub scout promise.

The boys were all hungry and interested in the picnic lunch, so they decided to enjoy the food before the games were played.

The rest of the meeting was spent playing games and having a good time.

Those present were Dannie and Ronnie Brooks, Grant Keener, Mark Lamb, Eddie Williams, John Lavake, Roger Moore, Randy Williams, Mrs. Ava Keener, Mrs. Virginia Lamb and three guests, Billy Moore, Billy Keener and David Keener.

HALF-PAST TEEN

Rev. Robert H. Harper
APRIL FOOL

The writer has not found a satisfactory record of the origin of April Fool's Day. How the first of April came to be the day when pranks perpetrated upon the unsuspecting and when marvelous or unlikely things are told and credulity is gained and then the words, "April Fool," the writer does not know.

JUST A THOUGHT:

Why is that sometimes the pangs of conscience will not allow us to enjoy the fullest satisfaction a victory that was earned by trickery or deceit?

But he does have the memory of many times he was caught by some unlikely yarn or circumstance and then was told, "April Fool."

We are reminded that some persons become the victims of their own folly. It is worse folly than that imposed upon them by any prankster on the first of April. We may see around us men who are foolish in the ways of every day life. They may fail in business through their own foolishness.

But far worse than failure in material things is the failure of the man who is beguiled by the folly of sin. For all sin is folly. The devil is a wily deceiver who draws near to men as he, the robes of an archangel. "Be not deceived, God is not mocked; for whatsoever a man soweth, that shall he also reap."

Texas Seeks Industries

The reorganized Texas Industrial Commission is setting out toward some tall goals with a short stick. The commission with a staff of one man and a secretary, is after a Texas-sized share of the new industries for the state. Its appropriation for the year is \$23,750.00.

Other agencies of the government have assisted with the research. Questionnaires have been sent to Texas cities to build up a permanent file of data on potential sites.

Health and Science Museum was most interesting. However, several heads nodded and some snores were heard. The Fair Park Aquarium, Museum of Natural History, Hall of State, Museum of Fine Arts, and opening day of the Mid-Way at the Fair Park were toured until 4 p. m.

The beautiful Southern Methodist University campus was visited with a stop at the Student Center Building. The drive along Turtle Creek brought forth the ohs and ahs for not only the lovely homes, but the gorgeous redbud trees and flowers in full bloom. A short stop was made at the large statue of Robert E. Lee along the Turtle Creek Drive.

The group on this tour was the first to eat in the newly opened cafeteria at the Southland Center. The cafeteria is usually closed on Saturday, but they opened for this group. Then came the breath-taking zoom to the 39th floor by elevator, then on by escalator to the 41st floor, the observation deck. From this vantage point, visitors are able to see the city of Fort Worth, 30 miles to the west and Terrell, 30 miles to the east. Above the deck is a Heliport. We were told that the Southland Life Tower is the tallest building west of the Mississippi River. It is 550 feet tall. It was truly a fitting climax for an exciting day in Dallas. The tour was the first taken by students to this also. We almost worked the one poor girl at the souvenir counter to pieces and I bet there is more than one there for the next tour that comes through.

We boarded the train at 9:30 p. m. for the return trip, a tired but happy crew. A compliment was passed down the line to the students from Stratford that should make all the mothers

and fathers' very happy. The Burlington Route people said we were the nicest group they had conducted on a tour for a long time. The mothers have agreed that it was fun to go with the children because they were all good. The only casualties were one mother having some sort of attack at the zoo, (probably from seeing so many relatives), vomiting caused by overeating, and one case of

measles. The chaperones were Mrs. George Jeffcoat, Mrs. Dean Hell, Mrs. Tommy Taylor, Mrs. Ray Taylor, Mrs. B. L. Smith, Mrs. Fred McDaniel, Mrs. B. M. Ottinger, and a busy Pete Bate-man. Students taking the trip were: Allan Ross, Doug Taylor, Mary Clements, Mark Lamb, Randy Williams, Lewis Wilson, Colleen Coffman, Faith Judd,

Claudie Hell, Audrea Zimmer, Patty McDaniel, Andrea Dettle, Mary Pat Martin, Barbara Clark, Sue Roberts, Nancy Bate-man, Irene Stephenson, Royce-anna Lasley, Osa Kay Kendrick, Dena Ward, Lillian Reznik, Lou Everett, Dwayne Willey, Bobby Taylor, Darrell Fisk, Delton Judd, Billy Meek, Jody Taylor, Tex Jeffcoat, Steve Williams, Ronnie Brooks, Wayne Smith, Jerry Allen, Mike Vincent, Lynn
