IRISH SWEEPSTAKE WINNERS HAVE BEEN PAID OVER 100 MILLIONS

By TOM CREEDON
United Press Staff Correspondent
DUBLIN, May 22.—Lucky holders of winning tickets in the Irish Sweepstakes have been paid more than \$100,000,000 during the last four years.

The hospitals of the Irish Free State have benefited by more than \$30,000,000 during the same period, while the government, in addition to its 25 per cent share of the hospitals' allotment, has taken \$6,500,000 in "sweep" taxation since 1932.

Greatest Sanctioned Lottery

For its greatest of all government-sanctioned lotteries, subscriptions are received from the most remote corners of the earth. Recently currencies of 43 different countries were received in one day.

In the 1934 Grand National draw 112 countries were represented. An analysis of the mixing of the counterfoils showed that approximately 65 per cent of the tickets were purchased in Great Britain, 14 per cent in Ireland, 6 per cent in Canada, and the remaining 7 per cent in various other countries.

The Dublin sweepstakes, registered as the Irish Hospital Trust Ltd., are controlled by an influential group of Irishmen, and conducted in a scrupulously fair and open manner.

Counterfoils Acknowledged

Every single counterfoil is separately acknowledged from the Dublin offices, and the whole mixing and draw takes place before representatives of the world's press, and is supervised by the chief of the Irish Free State police and auditors approved by the government.

Three draws are held each year in connection with the English Grand National steeple-hase, Epsom derby

Employes 2,000

A permanent staff of 2,000 is employed all the year round, and this number is considerably increased before the close of each sweepstake, during the rush period. The recording, checking and filing system has been described by visitors as an outstanding example of organization and efficiency.

Tickets in the Irish Sweepstakes cost \$2.50, or the equivalent in other currency, but a book of 12 cost only \$25. This leaves two free tickets in the book when the agent may either sell or keep for himself. Tickets are made of special paper and watermark, and the design and color are changed for each sweep.

Distribution of Prizes

After the audited expenses have been deducted, 75 per cent of the proceeds are distributed as prizes. The remaining 25 per cent is the hospital's share. The prize fund is divided into units of \$500,000 each, and any remaining money is split into 10 cash prizes of equal amount.

In each prize unit of \$500,000 the drawer of the winning horse receives \$150,000; the second horse \$75,000 and the third \$50,000. Drawers of all other horses which run divide \$175,000 leaving a varying number of some hundreds of consolation prizes including amounts for the sellers of winning tickets.

The expenses of running the sweepstakes, including remuneration to the promoters, range between eight and ten per cent.

GET SHORT WAVE SETS

PUEBLO, Colo., May 22.—Portable short wave radio sets have become standard equipment of rangers in the San Sabel national forest near here. They have been found to be useful in fighting fires and in summoning aid for distressed rangers.

STRANGLER COLGAR

LONGVIEW, Wash., May 22.—Clyde A. Corman, assistant logging superintendent of the Weyerhaeuser Timber company here, grappled with a wounded cougar and strangled it to death. Two years ago he undertook a buck deer and killed it.

Christian Science Subject Sunday

A similar period in 1933. State Auditor Tom Wisdom announced. The greater gains are shown in the fuel oil taxes, the motor vehicle license fees, and the state income taxes.

Political Announcement

JOHN WHITE
MRS. MAY HARRISON

For Sheriff:
VIRGE FOSTER
(Re-election)

For County Comm'r, Prec. No. 4:
ARCH BINT
(Second Term).
BIRT BRITAIN
L. H. QUALLS
J. J. HONEA

For County School Superintendent:
C. S. ELDRIDGE

County Judge:
W. D. H. OWEN
CLYDE L. GARRETT
(Re-Election)

Justice Precinct No. 6:
JOE WILSON

The subject of the lesson-sermon which was read in all Churches of Christ, Scientist, on Sunday, May 20, was "The golden text was:—As we have borne the image of the earth, we shall also bear the image of the heavenly" (1 Corinthians 15: 49).

Among the citations which comprised the lesson-sermon was the following from the Bible: "That which is born of the flesh is flesh; and that which is born of the Spirit is Spirit" (John 3: 6).

The lesson-sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The mortal man, representing spirit, and mortal man, representing the error that life and intelligence are in matter, show the pleasures and pains of matter to be myths, and human belief in them to be the father of mythology, in which matter is represented as divided into intelligent gods. Man's genuine selfhood is recognizable only in what is good and true." (page 294).

GEORGIA REVENUES

ATLANTA, Ga., May 22.—Revenues collected by the state of Georgia are \$1,530,000 greater for the first four months of 1934 than for

SORRY, BUT I'M NOT INTERESTED!!

COULD I SEE THE MADAM? MAYBE I COULD INTEREST HER.

NIX! IN HER PRESENT MOOD, SHE'D BUY ANYTHING FROM ANYBODY!

OUT OUR WAY

WE WRECKED THESE NEW MOTORS TO PROVE PROTECTION FOR YOURS!

NOW FOR THE FIRST TIME NATIONALLY KNOWN MOTOR OILS HAVE BEEN PUT UNDER A SUPERVISED "DESTRUCTION" TEST TO GET THE FACTS!

CONOCO produced New and Improved Germ Processed Motor Oil to give new and old motors the lubricating protection they should have.

An oil with several times the film strength of any mineral oil you can buy. A new degree of oily penetrativeness that creates the "Hidden Quart" protection, an exclusively patented feature that only Conoco can use. New, also, in that dilution does not affect its quality as a lubricant. Finally, practically no carbon or sludge.

To demonstrate to you how well it will protect your motor, a most daring and conclusive test was made at the Indianapolis Motor Speedway, under the supervision of the Contest Board, American Automobile Association.

Six oils were tested. Five of these were nationally known and advertised all over the country. They were purchased by AAA officials who certify them to be the oil sold to the public under their famous trade names.

The other oil was New and Improved Conoco Germ Processed Motor Oil—exactly the same as you can now buy at any Red Triangle Station. Six new, strictly stock cars of medium priced class were selected by AAA officials who made sure all were in equal condition. They were each assigned an oil of the same S. A. E. grade by lot drawing and numbered—no one but the chief AAA official knew which oil was in any car. After 2,500 miles of careful wearing-in at graduating speeds, they were drained and given five quarts of fresh oil and the oil filler caps sealed by an AAA official. No more oil was added.

Now for the real consumer test—the first of its kind in history—the test that was to prove, not by laboratory tubes, not by intricate testing apparatus, but by the grim fact-finding drive under normal driving conditions—500 miles a day average at 50 miles an hour, as long as the motors could operate on just five quarts of oil—with no additions!

For the first 600 laps around this two-and-a-half mile track, all was serene—then things began to happen. With a roar and a rending of metal, the motor that contained Oil No. 4 stopped at 1,713.2 miles, the first to go out.

Rapidly following this, Oil No. 6 quit at 1,764.4 miles—then Oil No. 5 at 1,815.9 miles—all oils advertised as having the finest lubricating qualities! Oil No. 1 hung on for another day and did a trifle over 906 laps or 2,266.8 miles, when its motor stopped with a crash of broken metal.

Now it became a duel between two oils that were real lubricating oils! All through the next two days they defied each other, but on the eighth day, at 3,318.8 miles, Oil No. 3 had used up every ounce of resistance from every drop of oil and had wrecked its motor. A fine record, made by a fine oil, but second best.

Then a solitary car kept running, covering lap after lap—mile after mile—day after day—a total of 4,729 miles! Read it again—4,729 miles on that original five quarts of oil! It was New and Improved Conoco Germ Processed Motor Oil, proved the finest of all oils by an unquestionable decision.

Here is motor protection and low consumption! Here is an oil that will definitely cut your repair bills and give you most, in both miles and dollars.

Drive into any Red Triangle Station—get a fill—and know that you have the best oil for protection and economy your money can buy.

Warning TO NEW CAR OWNERS

Some car manufacturers are using new types of bearings which will stand greater pressures and temperatures, resulting from increased power and speed. New and Improved Conoco Germ Processed Motor Oil has been exhaustively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market.

Protect your new car by using the motor oil you can be sure of.

LE CLAIRE-COLLINS NUPTIALS SOLEMNIZED

The wedding of Miss Mary Agnes Collins and Mr. Albert E. Le Claire of Pampa, Texas, was solemnized Sunday at high noon at the home of the bride's parents, Mr. and Mrs. J. J. Collins, 408 West Fourth street.

The ring ceremony was performed by Reverend Father Fernandez before an improvised altar of flowers and ferns. The bride wore an ensemble of triple sheer navy blue with white accessories, and carried a bouquet of white carnations and lilies-of-the-valley.

Only members of the immediate family were in attendance. Mr. and Mrs. J. J. Collins, Misses Ida Mae and Katherine Collins, and Mr. and Mrs. C. J. Collins and son, Mickey.

Mrs. Le Claire is a graduate of Cisco high school and an ex-student of Randolph College. Mr. Le Claire was formerly of Eastland his parents, Mr. and Mrs. Le Claire, now reside.

MRS. JACK CABANES ENTERTAINS CLUB

Mrs. Jack Cabanes entertained the Nineteen-Twenty-Nine Contract club at her home on West Seventh Monday at three o'clock. Mrs. T. F. O'Brien got high score. Brick ice cream was served to Mrs. R. L. Ponsler, J. A. Bearman, T. F. O'Brien, F. D. Wright, George Atkins, Will St. John, Miss Mary Jane Butts, and the hostess.

Y. W. A. MEETS WITH MISS HICKS

The Y. W. A. met at the home of Miss Ethel and Lucille Hicks Monday evening at seven-thirty. After the business session a program under the direction of Miss Helen Stokes was given. Those taking part were Fern Warren, Dalia Surles, and De Alva Graves. Pal gifts were then distributed among the girls. Jello and cake was served to Thelma Webb, Louise Karkakis, Mary Beth Langmuir, Fern Warren, Helen Stokes, Dalia Surles, De Alva Graves, Mary Katherine Redlinger, Lillian Caldwell, LeClair Harrison, Mae Byrum, Mrs. Beulah Richardson, and Mrs. A. N. Crowover.

Personal Mention

Mr. and Mrs. A. N. Jensen of Port Arthur are the guest of Mrs. Jensen parents, Mr. and Mrs. D. R. Harper.

Mrs. Ida Lee Bell is visiting in Cisco en route to Abilene.

Mrs. Sarah Winzell and daughter left this morning for California.

Graves Dyer of Wichita Falls spent the week-end in Cisco.

Miss Mary Katherine Redlinger of Abilene is visiting Miss Dalia Surles.

Mr. and Mrs. Albert LeClair have returned from a trip to Mineral Wells.

Charles Trammel was in Abilene on business Monday.

Ray Vaughn of Abilene was visiting in Cisco yesterday.

Mrs. Lock, Mr. Brewster, and Mrs. Ebley of Moran were visitors in Cisco yesterday.

Rolly McCann was a visitor in Abilene.

Mr. and Mrs. Tom Bryant of Cross Plains were visiting in Cisco Monday.

Mr. and Mrs. Frank Harrell are in Fort Worth in business today.

Mrs. John Bahan of Fort Worth is visiting her daughter, Mrs. T. F. O'Brien.

Mr. and Mrs. Jolee Ferguson and Judge Brown of Haskell were the guests of Mr. and Mrs. Will St. John Monday.

Mr. and Mrs. T. H. Dolan of Over-

50 YEARS A MARTYR TO CONSTIPATION

But Kellogg's ALL-BRAN Brought Welcome Relief

Read this splendid letter from Mrs. Haynes:

"For 50 years I have been a martyr to constipation. Have tried every remedy under the sun.

"One day I read an account of some one who had been relieved by ALL-BRAN, but I thought 'What was the use of me trying anything more when all else had failed?'

"A while after, I read it again. That time I thought I would try it, it would do no harm anyway.

"I began with a small dish of your ALL-BRAN for breakfast, and wonderful to say, I never need to take any physic at all now. How I wish other poor sufferers from constipation could be persuaded to try it."—Mrs. Sarah Haynes, 138 Cedarwood Terrace, Rochester, N. Y.

Tests show Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regular habits. Also iron for the blood.

This "bulk" in ALL-BRAN is much like that in leafy vegetables. It's so much safer than taking patent medicines! Two tablespoonsful of ALL-BRAN daily are usually sufficient. Severe cases, with each meal. If not relieved this way, see your doctor.

Get this delicious ready-to-eat cereal from your grocer. In the red-and-green package. Made by Kellogg in Battle Creek.

CALENDAR

Lucile Reagan Baptist circle will meet Tuesday afternoon at 3 o'clock with Mrs. C. S. Karkakis at 808 West Ninth street.

Wednesday

Wednesday Bridge club will meet at 3 o'clock this afternoon with Mrs. E. P. Crawford, West Sixth street.

There will be no meeting of the Thursday Forty-two club this week.

Friday

Mrs. M. M. Tabor, Humbletown will be hostess to the Crescent bridge club Friday afternoon at 3 o'clock.

The Darning and Mending club will meet with Mrs. W. J. Armstrong, 1308 M avenue.

ton were the week-end guests of Mr. and Mrs. W. W. Wallace.

The birthday party of the Presbyterian auxiliary that was to be held today has been postponed until Tuesday May 29 at 3 o'clock.

W. J. Armstrong is in Fort Worth on business today.

Ed F. Stratton of Pioneer is a visitor in Cisco today.

Mrs. Charles Gray, Sr. Dallas was a business visitor in Cisco today. Mrs. Gray has large property holdings in an near Cisco.

Heresy Charges--

CONTINUED FROM PAGE ONE

ject to various parts of "The Good Earth." Their demurrers and demands for more severe punishment are expected to provide protestants.

Possibility intends that a group of liberals in the church will counter-attack by demanding that the foreign missions board reinstate Mrs. Buck as a missionary.

Fundamentalists Battle

The Rev. J. Gresham Machen, storm center of the fundamentalist battle, left the faculty of Princeton Theological seminary because of his liberalism and failure to adhere strictly to the fundamentalist code.

He established a seminary in Philadelphia known as the Westminster Presbyterian seminary and gathered around him a coterie of students, principally sons of well-to-do fundamentalists. Most of these have been from the South and from denominations less liberal than the average Presbyterian.

The Rev. Mr. Machen will lead a movement to establish a new Board of Foreign Missions in which only the old principles of fundamentalism will hold.

As for church union, even should this general assembly vote for merger, the cause would have to run the gauntlet of two more assemblies in as many years before being ratified.

A general program of Christian progress and advancement will be presented during the course of the assembly.

WHY NOT A SPRING VACATION?

Are you one whose vitality is always lowest in the spring? Do you have what you term "a snappy case of spring fever?" You're probably just run-down and worn-out after a hard winter. What you'd better do is stop right now, rest awhile, and get in trim to carry on for another year.

CRAZY WATER HOTEL

A Hotel With a Homelike Atmosphere

Offers these distinctive features that make for the good, old solid comfort that's so necessary to complete rest and relaxation.

- A friendly, restful influence that puts you immediately at your ease.
- Light, airy outside rooms furnished and equipped with a thought for comfort first.
- Invigorating, rebuilding mineral baths under courteous, trained masseurs.

Luckies are always in All-Ways kind to your throat

because The clean center leaves are the mildest leaves—They Taste Better!

LUCKIES use only the clean center leaves for these are the mildest leaves—they cost more—they taste better. No top leaves because they are under-developed, bitter and harsh. No bottom leaves because they're coarse, dirt-covered, sandy. Only the clean center leaves go into Luckies. Then "It's toasted"—for throat protection. The long, golden strands of fine tobacco are rolled uniformly round and firm... no loose ends. That's why Luckies do not dry out. Luckies are always in all-ways kind to your throat.

"It's toasted"
