19 KILLED, MANY INJURED, BY TORNADO

Defense in Henry Trial Uses Alibi Witnesses

MANY TAKE STAND TO TELL OF CHARACTER

Witnesses testified that the reputation of Raymond Henry, being tried in 88th district court, Eastland for the death of H. L. McBee, 1933, is regarded high in Rising Star and that of state witnesses who testified against the defendant was heard by jurors Thursday afternoon.

First It's Flood Then Mumps!

All by himself, bandaged so that he resembled an Easter bunny, and playing solitaire, young Robert Parks let other Pittsburghers clean up their flood-stricken city, while he devoted himself to whipping a "swell" case of mumps.

GOV. HOFFMAN GOES BEFORE GRAND JURY

TRENTON, N. J., April 2.—(U.P.)—Bruno Hauptmann's chances of escaping the electric chair tomorrow night increased rapidly today as the grand jury opened new lines of inquiry in its consideration on the case.

Townsend Plan Probers Closely Quiz Clements

ORCHARD MEN FEAR COLD DID DAMAGE

Winter had its April fool joke which Texas orchard men were hardly in a mood to appreciate Thursday.

JUDGE REFUSES DEFENSE PLEA IN STRETZ CASE

NEW YORK, April 2.—(U.P.)—Vera Stretz must face the possibility of death in the electric chair today or tomorrow on charges against her for the killing of Dr. Fritz Gebhardt.

SPENCER URGES MEN AND WOMEN MEET BOOSTERS

Two booster trippers will pass through Cisco early next week and Secretary J. E. Spencer urges businessmen, private citizens and ladies of the civic clubs to meet the trippers and show off Cisco to the best advantage.

About Our Friends

By STEPHEN A. LONG

Some days ago we told in this column about the patriotic plea of E. L. Graham for a paint-up of Cisco and how Hal Dyer turned and pointed to the doctor's sign which was all shattered and worn, hanging by a thread, as it were...

Dyer arrives at his office and finds Graham and his sign painter, Harry Schaeffer, measuring for a big 8 x 12 sign... since the doctor's wall is only about two feet wide at that point, the sign would extend practically half way over Dyer's front window...

Miss Pat Van Eman out collecting... Miss Mary Rutledge going to the office... Mayor Berry dressed up and a bundle under his arm... wonder if he is leaving town...

Looked like oil boom days Tuesday at J. C. Penney's, when 41 cases of merchandise was unloaded... nice to be optimistic... A. G. Tuttle, local manager says: "We ain't seen nothing yet..."

Steve Nance late at the Lions Club... missed all the fun... Miss Helen Prewitt enjoyed the squabble very much... Our long-time friend, W. B. Worten, says some mighty nice things...

CISCO WOMEN ATTEND T. B. MEET TODAY

Mrs. James Haynie, president of the American Legion Auxiliary for Cisco, and Mrs. Philip Pettit, vice president of the Eastland County Tuberculosis association, are attending the meeting of the association in the county court room this afternoon.

Dr. T. D. Lauderdale, of Ranger is president and Mrs. Vera McLeroy, Eastland, is secretary. Governor Allred has designated April as "Fight Tuberculosis" month. The work is not so much, caring for patients as it is a preventative campaign, although, as explained by Mrs. Pettit, Cisco is assisting in caring for one patient.

The American Legion Auxiliary, of which Mrs. James Haynie is president, has been active in the drive for funds in Cisco, and Cisco has accumulated about \$60 in the local fund for this work. The county association has about \$200 in its treasury, Mrs. Pettit stated.

MINERAL WELLS WANTS HOMES, HOUSE GUESTS

"Wanted, 1,000 beds" is the headline of a front page editorial carried in the Mineral Wells Index Wednesday in discussing the crowds expected at the Baptist Sunday school convention to convene in that city April 14-17, at which time they expect between 4,000 and 6,000 visitors.

TOWN HAS FIRST AUTO DEATH

SPANISH FORKS, Utah.—(U.P.)—This city recently recorded its first auto fatality in its history—Dean S. Morgan, 5, killed when he was struck by a speeding car.

Former Ciscoan Dies At Abilene

Word has been received by friends here of the death of Frank Redlinger, Jr., of Abilene, formerly of Cisco and a student of the Cisco High school. Mr. Redlinger died Sunday night of pneumonia and was buried Tuesday afternoon at Abilene.

Wallace Cotton Plan To Be Made Known

WASHINGTON, April 2.—(U.P.)—Secretary of Agriculture Henry Wallace's program to dispose of the 4,500,000 bales of cotton held under government loan will be made known today or tomorrow.

Kean To Assist In Tax Collecting

G. W. Kean has been employed by Rex Ragan, to assist in the school tax program now being waged for more money with which to carry on the public schools.

Baptist Revival Adds 6 To Church

Continuing to preach to a well filled church, Rev. E. F. Cole used for his sermon subject for last evening services, "Christ Crowded Out." There were six new additions to the church. The sermon subject for this evening is "What Doctor Shall I Go To." A male quartet will furnish special music.

Denton Judge Is Appointed by Allred

AUSTIN, April 2.—Former District Judge, John Spear, Denton, today was appointed justice of 88th Civil Court of Appeals to succeed the late Justice P. A. Martin.

WTU Officers and Directors Re-Elected for 1936 At Meet

ABILENE, April 2.—All directors and officers of the West Texas Utilities Company were re-elected for 1936, at the annual meeting of stockholders Tuesday. Present in person or by proxy were 38,778 shares of preferred stock and 290,000 shares of common stock, which is 53 per cent of the preferred and 100 per cent of the common stock outstanding.

France Denounces Germany's Proposal

PARIS, April 2.—(U.P.)—France today denounced Germany's proposal for European peace consolidation as utterly inadequate. She asked for a meeting of the Locarno Powers to consider action.

ROTARY HEARS REV. E. F. COLE SELECT ROSTER

"What Is Life" was the subject of the Rev. E. F. Cole, who spoke to the Rotarian members today at their luncheon hour.

Thanks Gov. Allred For His Assistance

AUSTIN, April 2.—(U.P.)—Samuel Frank, California legislator today thanked Governor James V. Allred of Texas for helping him find the "best and most beautiful" girl in the world and proposed to marry her publicly at the Texas Centennial.

Ford Co. Broadcast Sings Texas Songs

Fred Waring, orchestra leader on the National Broadcasting program for Friday's Ford Motor company, wires Nance Motor company as follows:

Important Meeting For Cisco Farmers

An important meeting of the farmers of Cisco territory has been called for the city hall, Monday, April 6, 10 a. m., at which time matters of interest to them will be discussed and explained and at which time, committee men for 1936 will be selected.

OKRA WOMAN DIES; HUSBAND, CHILD BURNED

EASTLAND, April 2.—Mrs. John Y. Owens, 36, year-old blind woman, died today in a Gorman hospital and her husband, 48, who is also blind and their daughter, Betty June, 3, were in critical conditions from burns received in a fire that destroyed their residence at Okra Wednesday midnight.

Cisco Lions To Mineral Wells

Lions H. L. Dyer, Dallas, Wales, Horace Conley and G. Tuttle made a booster tour to Mineral Wells, today, where they will contact the Lions club, and also the Crazy Hotel Orchestra regarding the Lions convention to be held in Cisco, June 16-17.

DAMAGE TO PROPERTY IS HALF MILLION

CORDELE, Ga., April 2.—(U.P.)—Cutting a three block swath entirely through the city of Cordele, a tornado today killed at least 19 persons, injured scores and caused \$500,000 property damage.

Another storm struck last night near Athens, Ga., in northern Georgia, causing \$500,000 damage, and killing cattle. No loss of life occurred according to first reports.

Power lines were down in Cordele and the city was without power. The storm struck here first in the negro district and residential section about an equal number of whites and negroes were killed.

Two schools were demolished. An eye witness said, "the scene of destruction was terrible with many homes reduced to nothing. The storm swept through the town but did not hit the business section."

After smashing through this city of approximately 7,000 the storm also struck a settlement five miles east of here. It was reported to be greatly damaged also.

Ford Co. Broadcast Sings Texas Songs

Fred Waring, orchestra leader on the National Broadcasting program for Friday's Ford Motor company, wires Nance Motor company as follows:

You might be interested to know that our Glee club is saluting Texas Friday April third by introducing the official Centennial song, Texas Star written by Peter DeRose famous as the composer of Wagons, Wheels and Oregon Trail. Glee club will also sing University of Texas song, Eyes of Texas. I hope you'll be tuning in Friday evening and let me hear from you Centennially yours with best regards.

FRED WARING. This broadcast comes over WBAP, Fort Worth and WFAA, Dallas, 8:30 to 9 on Tuesdays, same hour, over Columbia net work. KTAT, Fort Worth; KRLL, Dallas.

4,599 BALES

Census report shows that there were 4,599 bales of cotton ginned in Eastland county from the crop of 1935 prior to 3-1-36 as compared with 4,624 bales ginned to 3-1-35 crop of 1934.

Neighbors thought the fire started from defective flue. All the family had retired.

The Owen's family, which includes three daughters, and two sons, were taken to Gorman by neighbors who were notified by a daughter who walked 12 miles for the aid.

ITALIANS TAKE CITY

ROME, April 2.—Italian troops occupied Goro, key city on the Lake Tera delta, force of the Blue Nile yesterday. A war communication number 152 announced. There were no details.

Texas Urged to Save Wild Life

J. N. Darling is one of the famous cartoonists of America. He is known as "Ding" Darling to the public and readers of newspapers. He is the president of the National Wildlife Federation and former chief of the bureau of biological survey. Now he is the big ace of a great nation-wide organization. Three hundred sportsmen of Texas, coming from all sections of the state, attended the conference called by Governor James V. Allred to create a Texas council. Important committees headed by Phil Sanders, for several terms an outstanding member of the Texas legislature, were named. Darling is a top-notch among the wild life conservationists of the republic. He called upon his audience to "fight for preservation and restoration of wild life" and warned "it will be the last throw of the dice for preservation." He told of game and fish depletion of territories once considered inexhaustible and directed a very incisive attack on the attitude in Washington. He said "wild life is not legalistic natural resources in the eyes of the federal government." Declaring that something must be done to change the whole attitude in Washington and get a constructive program under way, he called for an organization of an estimated 7,500,000 persons who hunt and fish. This was his advice on plan of action: "Let's get them together, for united we can start a little heat under the coat tails of congressmen."

Industrial Life Visioned

Dr. A. B. Cox is a prophet, perhaps as well as an economist. Addressing school teachers at the Hogg Memorial auditorium, he reviewed the state agricultural and mineral development, stating Texas produces one-third of the nation's cotton, 14 per cent of the beef cattle, over 11 per cent of the wool and 84 per cent of the mohair. He made an important addition to his chart. He added "Texas produces 40 per cent of the nation's petroleum and 25 per cent of the world's production." He did not overlook sulphur. He said the state's production is 80 per cent of the national and 75 per cent of the total world production.

A reminder that "Big Fish" Fischer in his campaign for the gubernatorial prize is not overlooking natural resources of the state.
Dr. Cox told his audience that unemployment is the greatest problem facing Texas, with one-fifth of the people receiving state or federal aid, while many others were out of regular work and living on past savings. It was then that he assumed the role of a prophet, saying: "The state has passed the peak of developing new land and mineral resources and two alternatives present themselves in solving the unemployment problem. One is to resort primarily to turn the people back onto the farms, which will mean smaller farms and the probable tendency towards less commercial farming and lower standards of living in the long

Behind the Scenes in Washington

BY RODNEY DUTCHER
NEA Service Staff Correspondent
AMERICAN TELEPHONE & TELEGRAPH, the vast holding company now being investigated by the Federal Communications Commission, is unique. It is a monopoly, and admits it. Of every 100 telephones in the country, more than 80 are directly controlled by A. T. & T. President Walter S. Gifford gets \$266,000 a year salary, pays \$103,000 of it in income tax. He cheerfully admits the monopoly part. But he argues that a national telephone system must be a monopoly, that a lot of small, competing lines would be a nuisance. He denies that A. T. & T. has ever taken advantage of its monopoly position, but has used it to develop the best telephone service for the benefit of the most people. The FCC is spending \$750,000 to see whether this is true or whether the company has used its position to keep rates up, exacted unjust profits from its affiliates, and competed unfairly with rivals in other fields than the telephone business.
The A. T. & T. is the largest company in the world owned by private individuals. It has total assets of more than \$5,000,000,000. But no one holder owns as much as 1 per cent of its stock.

THE company controls the regional operating companies which actually run the 14,000,000 telephones that make up the Bell System. But this Bell System also connects with the phones of 6500 smaller telephone companies and 25,000 rural lines, so that practically any of the 17,350,000 telephones in the country can be connected with any other one.
For every share of its stock, A. T. & T. pays out each year \$9 in profits. For the last four years it has not made that much profit, but it hesitated to pay less to stockholders, so it made up the differ-

ence out of surplus funds saved from past profits.
That means that the 700,000 part owners of the A. T. & T. receive \$13,000,000 every three months. More than half of them are women. Sun Life Insurance Co. of Canada and Harvard College are among the largest owners.

A. T. & T. is a holding company. It owns almost 90 per cent of the stock of 24 companies which actually operate the telephones in various parts of the country, such as the New York Telephone Co. or the Mountain States Telephone and Telegraph Co.
It also owns the Western Electric Company of which Edgar S. Bloom is president. In giant plants in Chicago and Kearney, N. J., this company makes telephone equipment, such as phones and switchboards. It sells 90 per cent of its product to the A. T. & T. or other companies of the Bell System. It also buys material for them all, and holds priceless patents.

The A. T. & T. itself built and owns long-distance lines connecting the various regional systems, ship-to-shore and trans-Atlantic telephone service, teletype systems, 1000 leased wires for special purposes, chain radio program hook-ups, talkie apparatus and picture transmission by wire.

THE A. T. & T. provides patent rights, special knowledge, standardized equipment, capital and expert help to the regional operating companies it owns. Those relationships are very complex and are one point the commission wishes to understand better.
For instance, the large Graybar Electric Co., a "competing" maker of electrical equipment, was sold by A. T. & T. in 1928, but long and involved testimony leaves still some doubt whether it is really competing.
(Copyright, 1936, NEA Service, Inc.)

The Question Is: 'Can He Hold It?'

run. The other is to concentrate or develop manufacturing and service occupations.
Well, there is a mighty program on to develop manufacturing. It provides for the harnessing of the inland waterways of Texas, for flood control, for irrigation of the rich river bottom lands in vast sections of the state; for building dams and reservoirs to store the flood waters to make possible the development of industrial life. Texas should be a great manufacturing state. It should be the greatest in time of the sisterhood. It has all the raw materials and the natural resources of mineral and fuel wealth.

Traffic Laws With Teeth

Representative Tom Cooper of Tyler has pledged strict regulation for truckers at the coming session of the Texas legislature. He will introduce a bill setting up more stringent laws covering operation of trucks on Texas highways. He has the support of the governor and L. G. Phares, acting director of the department of public safety. His bill would propose three major points. First, it would force operators to carry liability insurance. Second, provide stricter penalty for truck speed violators, and third, "place all drivers under the current law limiting work to 10 hours of each 24."

What about amendments to the drivers license law? Why not a test? Why should the inexperienced or the inefficient be permitted to handle the wheel of a motor vehicle?

The weather man played an April fool prank on all of us yesterday. Seems some fellows never get too old to play pranks.

When asked which she liked best, indoor or outdoor sports, Tillie Twinkle said it didn't matter to her as long as they looked fairly decent and were good spenders.

Perhaps all men are not as black as they are painted, but neither are all women as white as their powder.

In a health article a doctor says children should never be spanked on a full stomach. Well, brother that's not where they spanked us when we were kids.

COOK

By MRS. C. L. CARMICHAEL

Several attended services at the Christian Tabernacle Sunday and Sunday night.

Mr. and Mrs. J. F. Reynolds, Jr., visited his sister and husband, Mr. and Mrs. C. L. Carmichael Monday night.

Mr. and Mrs. A. S. Walker were the Sunday dinner guests of Mr. and Mrs. George Kearney.

Mr. and Mrs. G. W. Hunt were the dinner guests Sunday of Mr. and Mrs. A. N. Simpson of Nimrod.

Mrs. Pearl Townsend and Mrs. Beulah Townsend were shopping in Rising Star Saturday.

Mr. and Mrs. Wilburn Curtis visited Mrs. McCollum and Mr. and Mrs. J. F. Reynolds Sunday night.

Misses Lina Ricks and Blanch Walker visited Miss Georgie Hunt Sunday afternoon.

Bob Dunning visited Mr. and Mrs. J. D. Porter Sunday afternoon.

Mr. and Mrs. Raymond Reynolds of Rising Star and Mrs. Stephens and little daughter, Geraldine were the Sunday dinner guests of Mr. and Mrs. C. L. Carmichael.

DAN HORN

By CHOLIE SPEEGLE

The Dan Horn Home Demonstration club is presenting a play entitled "Just a Little Mistake" at the Dan Horn school building Wednesday night, April 8. There is no admission charge, but there will be a pie supper after the program so everyone bring your pocketbook. The proceeds of this pie supper will be used to send a delegate to the short course at College Station.

PATRONIZE OUR ADVERTISERS.

COTTONWOOD

By KATHERINE BOATMAN

Mrs. J. W. Boatman visited in the home of Mrs. Edgar Harris Tuesday night.

Mr. and Mrs. Quent Hagen spent Sunday night with Mr. and Mrs. Joe Boatman and family.

Mrs. R. I. Callaway spent the week-end with Mr. and Mrs. Var Farmer.

Miss Oleta Huestis spent Sunday night with Rev. and Mrs. Luther Pryor and family.

Mr. and Mrs. Joe Boatman visited with Mr. and Mrs. Quent Hagen Saturday night.

Mr. and Mrs. Marshall Thomas and Roy Phippen spent Friday with Mr. and Mrs. Edgar Harris and family and Grandmother Harris.

Miss Oleta Huestis visited with Mr. and Mrs. Less Wooten Sunday.

Carleta Elliott and Marleese Elliott spent Sunday afternoon with Doris Jean and Carlene Pence.

Mr. and Mrs. Grover Cleveland spent Friday night with Mr. and Mrs. Edgar Harris.

Mr. and Mrs. Marshall Thomas spent Tuesday evening with Mr. and Mrs. Edgar Harris and family.

Mrs. Jack Cozart and Mrs. Glen Callaway spent Thursday night with Grandmother Harris.

Henry Mearl Boatman spent Saturday night with Mr. and Mrs. Quent Hagen.

Miss Dora Yeager and Mrs. J. W. Boatman spent Saturday night with Grandmother Harris.

Francis Johnson and Martin Pryor visited with Lavada Pence Sunday.

Mrs. Van Farmer and Mrs. Marshall Thomas spent Friday night in

the home of Mr. and Mrs. Edgar Harris and family.

Mrs. I. J. Pence visited with Mr. and Mrs. Van Farmer Sunday.

Mr. and Mrs. Albert Linam and daughter Loramee visited with Mr. and Mrs. Edgar Harris and family.

Mrs. G. W. Pence visited with Mrs. Carl Pence and family Sunday.

Mrs. Joe Boatman and Mrs. H. C. Elliott spent Monday night with Grandmother Harris.

Mr. and Mrs. Cecil Lamb spent Friday night with Mr. and Mrs. Carl Pence and family.

J. W. Boatman spent Tuesday night with Mr. and Mrs. Edgar Harris and family.

I. J. Pence and Mrs. Van Farmer and Mrs. G. W. Pence went to Eastland on a business trip Tuesday.

DOTHAN

By EMOJANE HAZLEWOOD

W. C. Yeager is in the Graham sanitarium in Cisco after undergoing a major operation Saturday.

Mr. and Mrs. R. C. Hazlewood and son, Eberill of Putnam were guests of Mr. and Mrs. D. L. Donaway Saturday night.

Mr. and Mrs. Loran McDonald of Rising Star were guests of Mr. and Mrs. B. T. Payne Friday night.

Mr. and Mrs. Vernon Donaway of Dan Horn were guests of Mr. and Mrs. Ramon Speeges and children Saturday afternoon.

Mr. and Mrs. Clarence Phippen and son were business visitors in Cisco Friday.

Herbert Short of Cisco was a visitor in Dothan Sunday.

Glenn Jones visited his sister.

Mrs. Stella Donahoe and children in Cisco Friday morning.

Mrs. J. B. Coats is improved at this writing.

Among those attending the show at Cisco Saturday night were Mr. and Mrs. Ramon Speeges and children, Mr. and Mrs. George Adams and children and Mr. and Mrs. B. F. Payne.

Mrs. W. C. Yeager visited her husband in Graham Sanitarium Monday afternoon.

D. C. Six of Cisco was a guest in the E. L. Hazlewood home Thursday afternoon.

VOICE WITH SMILE WINS SAN BERNARDINO, CAL.—Orange growers here decided this year's orange queen must be pleasing to the ear as well as the eye. They tried out the beauty queens by telephone. Miss Bernardine Voorhees won. She is a telephone operator.

CCC ENROLLEE GETS GOOD JOB WEST POINT, N. Y. — Knowledge gained while an enrollee of the CCC camp at the West Point Military Reservation has won Theodore A. Glow, 24, an appointment as assistant post forester at the United States Military Academy authorities.

Let us figure your next job printing. Our job printing department is equipped to serve your needs—Phone 30.

Each Puff
Less Acid

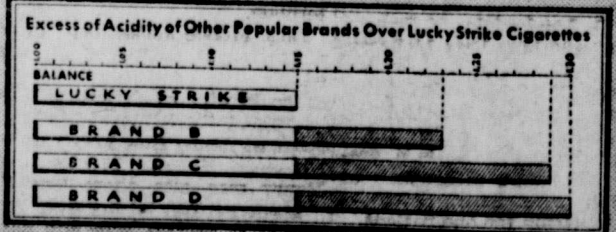

A LIGHT SMOKE OF RICH, RIPE-BODIED TOBACCO

Although the constituents of cigarette paper are, in themselves, unsurpassed in purity and wholesomeness, it may, if crudely fabricated, contribute a marked degree of irritation to cigarette smoke. Cigarette paper not only envelops the tobacco in forming a cigarette, but through its physical properties may ex-

ercise a favorable or detrimental influence upon the products of combustion. Paper for Lucky Strike Cigarettes is made under our own supervision. Samples of each lot of cigarette paper manufactured are subjected to the most rigid analysis before it is used in making Lucky Strike Cigarettes.

Luckies are less acid

Recent chemical tests show that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS

Luckies — "IT'S TOASTED"

DESDEMONA

By MRS. W. C. BEDFORD

Sympathy of the community is being extended to C. O. Bragg, principal of our high school on account of the death of his mother, Mrs. Greer, of DeLeon, who passed away Saturday night after a lingering illness of some months.

W. H. Whitworth went up to Eastland on business Monday. Mr. and Mrs. Clay Ernde, of London (near Kilgore) are spending a few days here with his mother, Mrs. Mollie Ernde.

A. J. Ervin, of Roswell, New Mexico, left several days ago after a visit with his daughter, Mrs. W. H. Powers and family.

W. K. Jackson of Eastland was here on Tuesday of last week interviewing several of the older citizens for the purpose of getting facts for the history of Eastland county.

Trades Day, the last Saturday in each month brought a large crowd to town for the special features that make it attractive.

Guy Bruce left several days ago for Port Arthur to visit his sister and brother-in-law, Mr. and Mrs. R. D. Hendrickson, before returning to his work on an oil freight steamer carrying oil from Texas to a number of places on the Atlantic coast.

Mr. and Mrs. Dick Cutting of Cisco were here Thursday visiting her aunt and uncle, Mr. and Mrs. Charles Lee, and her grandmother, Mrs. Clara Beamer, who makes her home with her daughter, Mrs. Lee.

Mr. and Mrs. C. O. Bragg and son Charles, went to DeLeon Wednesday to be with his mother, Mrs. Greer, who was seriously ill and who passed away Saturday night.

Some of the Desdemona friends placed the name of Miss Virginia Bruce in the contest for Centennial Queen, being conducted by the picture show at Gorman.

W. C. Bedford drove up to Eastland Monday to take the school census report to the county superintendent. The Desdemona school district report showed only three less pupils than last year.

Mrs. Hugh Abel, Mrs. Howard Williams and Mrs. W. H. Powers spent Monday of last week in Gorman as the guests of Mrs. H. H. Pullig, sister of Mrs. Powers. Then on Tuesday Mrs. Pullig and the three Desdemona friends went to Comanche and DeLeon.

Mrs. W. R. Dunlap and two daughters, of Breckenridge spent Sunday here with her mother, Mrs. S. E. Browning and family. The many friends of the family will be glad to know that the older one of Mrs. Dunlap's daughters, Wanda Dunlap is to have a trip and two weeks stay in San Antonio with all expenses paid as the result of winning a district contest in home projects of domestic science.

On Tuesday of last week the "21" Study Club met at the club house with twelve members and two visitors present. The meeting was called to order by the president, Mrs. Hattie Henry. Roll call responses were "Houston's name honored, where and how."

The subject of the program was "Texas Biography" and the main topics were from the book "The Raven" a sketch of the life of Sam Houston written by Marquis James. Mrs. Preston Sparks gave "Texas Scenes in the Golden Cosmos" by Ruth Cross. A sketch of Houston's early life was given by Mrs. C. W. Malby.

Trades Day, the last Saturday in each month brought a large crowd to town for the special features that make it attractive.

REICH

By BRUNIE DILLON

Mr. and Mrs. Veldie Alvey and family of Vernon and Vestie Alvey of Saint Joe visited their parents, Mr. and Mrs. J. W. Alvey and family Sunday.

Mrs. J. W. Alvey spent Monday afternoon with Mrs. Tarver. Mr. and Mrs. C. C. Carey and family, Mr. and Mrs. Lane Carey and family and Mr. and Mrs. John Carey and family were the guests of Mr. and Mrs. Allen Carey Sunday.

Mr. Harris, Mr. Moore, Ed Aycock of Cisco and Bert McElreath visited T. H. Moore Sunday.

Mr. and Mrs. J. J. Butts of Wichita Falls were the weekend guests of Mrs. G. Pollard and family.

Mr. and Mrs. Theodore Reich and son, Mr. and Mrs. Rudolph Reich and son, and Edward Reich of the Lutheran community visited Mr. and Mrs. A. Reich Sunday.

Miss Ema Fay Callarman visited Miss Margaret Boatman Tuesday afternoon.

Miss Ida Callarman was a Cisco business visitor Monday. Miss Addie Mae Horn attended the fifth Sunday singing convention in Cisco Sunday.

Mrs. F. O. Schaefer visited Mrs. J. M. Boatman Sunday afternoon. Mr. and Mrs. Joe Hale and Mrs. Annie Brankly of Nilrod were the guests in the C. E. Callarman home Monday.

Mrs. F. O. Schaefer and Mrs. J. M. Dillon and daughter, Brunie visited Mrs. Alice Watkins who is confined to her bed at the home of Ed Callarman her brother Tuesday afternoon.

Jim Dillon visited uncle Abe Alvey Monday afternoon. Uncle Abe Alvey is on the sick list.

Brooks-Macedonia By MRS. EVERETT HARRIS Mr. and Mrs. Bill Vernon spent Sunday afternoon with Mrs. Vernon's mother, Mrs. Foster of Sipe Springs.

Mr. and Mrs. Lee Weathersby and daughter, Joyce visited in the home of Mr. and Mrs. Charlie Wagon Sunday.

Mr. and Mrs. Everett Harris, Mr. and Mrs. Ross Harris and little Scotty and Robert and Bunn Vernon visited friends and relatives in Brownwood Sunday afternoon. Robert stayed for a few days visit with relatives.

Several from this community attended conference at Beattie Sunday. Mr. and Mrs. John Starkey and children and Mr. and Mrs. Irvin McGee all visited in the home of Mr. and Mrs. Everett Harris Friday evening.

Frank Hattie and Louise McGee spent Friday night with relatives near Oates Plains.

WTU Elects---

make some increase in its rate of dividend to preferred stockholders, of which more than 70 per cent are in Texas and 31 per cent in West Texas. The company's earnings position will be reviewed from time to time by the directors to be elected today and when it is possible these payments will be increased.

A review of the report just received from the Federal Power Commission on rates was made which disclosed that West Texas Utilities Company's net average residential rates are below that of the average over the nation and for the state of Texas, and below that of similar sized communities and 17 per cent below that of the average of all municipal plants in the state of Texas, even though it pays large amounts in taxes to the various governing bodies. Payment made in taxes this previous year was 60 per cent more than was paid to all stockholders. Electric service costs average about 1-20th the taxes the average household pays in various ways according to bureau of census and other governmental sources.

After adjournment of stockholders meeting, the directors held a meeting, electing the officers and transacting their regular monthly business.

Contrary to general impression, the TVA decision was not an adverse decision to this company as it was only a decision on the Wilson dam and restricted to that dam in the plea of the government lawyers. Such dam was started many years ago under war-time government powers for production of war materials and navigation with electric power only incidental thereto. The government's attorneys admitted and the supreme court retired and said "rightly so" that the government had no power under the constitution to construct dams primarily for power purposes and go into the power business; that is, the movement to socialize industry has in the main been checked by this decision. A contribution of this movement can be only through subterfuge. In the state of Texas, the legislature passed a law at the request of West Texans that the water from its rivers should first be used for municipal purposes, then for irrigation and other purposes with power fourth. The construction of a dam for power purposes is an entirely different sort of a dam than one constructed and operated for flood control, irrigation or navigation. Then it must be left empty most of the time, if used for flood control. West Texas has in four or five applications for irrigation dams on the Colorado and Brazos rivers for the use of the water that falls on its water-sheds before such waters are confiscated for power production. These dams would at the same time be the cheapest and most effective way to prevent flood conditions in the lower areas of these rivers. If money is to be donated for relief purposes, these dams, of course, should be constructed first; however, no appropriation at this time has been made except for dams designed primarily for power purposes and these have been enjoined by other power companies whose areas would be directly affected through competition of over-production of power capacity in such areas. This may give West Texas time to recapture their prior water rights.

In reviewing Mr. Campbell stated that in general this company's contingencies are fewer at this time than they were last year and prospects are better for crop conditions and a greater volume of business in West Texas which would in turn improve the company's position, all of which he hoped might permit it to

APRIL 6-11 SET FOR MEET OF CO. FARMERS

Eastland county will be divided into five communities under the U. S. Soil Conservation program and meetings of farmers of the county will be held during the week of April 6-11th to elect committees to administer the act and to explain the program and how it operates in Eastland county.

Each farmer, whether landlord, tenant or operator of his own farm is eligible to vote for committees in the meeting held for the section of the county where his farm is located.

The five divisions of "communities" of Eastland county with places and dates of meetings to be held, are as follows:

1. Includes every farm in Commissioner's Precinct No. 1. Meeting in Recreational Hall, Ranger, at 2 p. m. Wednesday, April 8.
 2. Includes the east half of the division line being the road running south from the C. W. Hoover farm, by the Tom Barton farm, south to Summs place, crossing railroad and highway, east to D. D. Finley farm, then south to County line. The meeting will be held in Go man, Tuesday, April 7, at 2 p. m.
 3. Includes the west half of Commissioner's Precinct No. 2, the division line being the same as for Community Number Two. The meeting will be held in Carbon at 10 a. m. Tuesday, April 7.
 4. Includes all of Commissioner's Precinct No. 3 and extends on south to the road running west from the east line of Precinct 3 by the Crin Martin farm, then through Low Branch community to Highway 23, then south to the Gerhart farm, then west on the Cook and Sabano road to the county line. The meeting will be held at the City Hall, Cisco at 10 a. m. Monday, April 6th.
 5. Includes all of Commissioner's Precinct No. 3 except that part included in division 4 as stated above. The meeting will be held in Risin's Star at 2 p. m. Monday, April 6th.
- The election meetings in these five districts or "communities" will be followed by meetings in each of the regular communities of the county to explain the program to smaller groups and in detail. As a thorough understanding of the new farm program requires a little study, all farmers are urged to attend the election meeting and also their home community meeting. Schedules for the smaller meetings will be announced at the election meetings.

Former Sheriff At Albany Dead

W. E. Goodman, former sheriff of Shackelford county for a number of years was found shot to death at his Moran home Tuesday night, telephoned reports from Albany disclosed.

It was thought he was wounded when his shotgun discharged accidentally as he investigated possible theft of gasoline from his car, parked near the house in which he lived alone.

It was said that a shot gun was found near him. Mr. Goodman served six terms as sheriff, until two years ago. A widow and two children, who live at Abilene survive, it was said.

Townsend Movement Grows, Says Kemper

E. G. Kemper, district organizer and chairman of the 17th Congressional District for the Townsend movement, announced Wednesday that he would leave Thursday for Sweetwater where he will speak to a county-wide gathering Thursday night.

Friday, Mr. Kemper will be met in Dallas by a group of officials of the Townsend movement from Washington and California, when final plans will be completed for the convention, which will be held in Cisco April 8.

From Dallas, Mr. Kemper will return to Cisco. He will speak Monday night to a large gathering in Ranger. He reported that during the six weeks in working the 17th district, the membership has been more than doubled, growing by leaps and bounds. During the convention in Cisco plans will be made to organize clubs in every community where clubs are not already organized, Mr. Kemper stated.

APRIL FOOL'S HILLARITY AT LIONS CLUB

Starting as an April fool's trick applied to Songleader Horace Condeley when Lion members failed to support him in the singing and persisted in the singing of America, the idea went through the meal and ended up in a tie cutting at the Lions luncheon Wednesday.

Members sat down instead of singing when Condeley started off with the regular songs. Chairman E. L. Smith said he believed the members should sing, so sing they did, but a different song.

Lion Condeley again was the butt of the joke when he received more than an ordinary share of pepper in his meat. Soapuds was served in bottles as a beverage, but smelled so loudly of washdish at home to fool the married men.

The clipping started when a member refused to pay a fine and the tail twister collected by his scissors.

The program ended when visiting Rotarian P. R. Warwick and Hiram Brandon both made their speeches at the same time. Members left before their addresses ended.

NO ACCIDENTS WTUC SAFETY BODY REPORTS

In reporting on the West Texas Utilities company's safety meeting for district B to be held in Cisco April 8, J. E. Proctor, president of the group, announces that there has been no accidents in the district during the year thus far.

The program arranged for the meeting will contain a discussion by E. L. Jackson, of Albany, on causes of accident for 1935. Robert Cope of Cisco will discuss the new drivers license law, why it was passed and how these license may be retained or lost. W. E. Watson will discuss accidents in the ice department. P. W. Campbell of Abilene will be present and will discuss the general subject of accident elimination. District B, with P. P. Shepard as "superintendent and R. C. Giles as chief clerk, embraces the following towns: Cisco, Moran, Albany, Baird, Rising Star and Cross Plains.

L. L. Walker, of Moran, is secretary of the safety body for the district.

Breckenridge Gets Burglaries; Fires

Reports of two burglaries and one fire kept things humming in the city hall police and fire departments Tuesday night and Wednesday morning in Breckenridge.

The back windows of the Magnolia filling station on East Walker was broken and the building was ransacked Tuesday night, although the operator said that as far as could be ascertained nothing was missing.

Approximately \$100 worth of car parts and accessories were taken from the Texaco service station on the corner of Walker and Jackson Tuesday night. The burglar entered from the rear of the building and crawling in, Mr. Sutters, the operator, believed.

Police Kelley was busy taking fingerprints and investigating Wednesday morning.

Firemen extinguished a blaze in an outhouse at 901 W. Lindsey in

the rear of the Clair McCormick home.

understanding that he keep the dump in orderly condition.

RIGHTS ESTABLISHED
TOLEDO — (U.P.)— Police intervened in a quarrel between two men over salvage rights at a city dump. The dispute was quickly settled, however, when one of them produced a document from the city street commission, granting him exclusive salvaging rights with the

LETTUCE CROP REDUCED
PHOENIX, Ariz. — (U.P.)— Women who reduce by living on lettuce salads may have to find a substitute for this year. Arizona growers have signed up 100 per cent to plow under one-third of their crop, about 80,000,000 heads, in an effort to prevent low prices.

FREE SCHOOL!

An old line Legal Reserve Life Insurance Company with home office in Texas plans to conduct a two day school of salesmanship, as relates to life insurance, in this territory very soon. This school is open to men between the ages of 25 and 50 years who feel they might be interested in entering this highly profitable business. There will be no cost to you and no obligation whatsoever is incurred by attendance. For full information address H. D. Mouzon, Jr., Field Supervisor in care of this paper.

ELECTROLUX IS SILENT

... and that means far more to you than JUST COMFORT

It is constant proof of the basically different refrigerating method of Electrolux (without machinery, without noise) which makes possible these big advantages:

- No moving parts to wear
- Lasting efficiency
- Continued low operating cost
- Fullest food protection
- Savings that pay for it

New Air-Cooled ELECTROLUX THE SERVEL Gas Refrigerator

YOU don't need an engineer to tell you that the operation of Electrolux is simpler, more efficient. Listen to it! The very silence of Electrolux testifies to its absence of moving parts . . . gives you definite assurance of long service at low cost.

A tiny gas burner takes the place of all moving parts in this remarkable refrigerator! As a result Electrolux has an amazingly low running cost (which can never be increased through the inefficiency of moving, wearing

parts) . . . provides dependable food protection and plenty of ice cubes at all times.

Owners report that Electrolux actually saves enough on food bills and on refrigerating cost to pay for itself!

See the new 1936 Electrolux models on display at our showroom. Note their smart modern beauty . . . their scores of worthwhile conveniences that speed kitchen work. Learn all about our liberal purchase plan. We believe you'll agree that Electrolux is the refrigerator for you—and that now is the time to get it. Please accept our invitation to come in.

Texas Pioneer Patriots Choose Heroes' Death

JUST 100 years ago Texas pioneers, defenders of the Alamo, made the greatest back-to-the-wall stand of all time. Outnumbered by Mexican forces 3500 to 181, these hard-bitten frontiersmen chose certain death rather than the dishonor of surrender. Drawing his sword, Col. William B. Travis, their leader, drew a line on the ground. He asked all those who preferred to die fighting to step across the line. As all America knows, every man stepped forward. Even the wounded asked to be carried across. This etching portraying that dramatic incident is one of a series of nine done by the famous artist, Norman Price, for the sponsors of a \$5000 prize contest dealing with Texas history now being conducted by the makers of Post cereals. Prizes will be awarded every week for the best answers to questions based on nine of the most important crises in the history of the Lone Star State. Giant reproductions of these historical etchings will be used later as wall panels in the Mc Tower Doughnut Building at the Exposition in Dallas.

EASTLAND 1ST IN CLASS A, RANGER 2ND

By CECIL EDWARDS
Eastland leads Ranger in Class A literary events, Gorman wins Class A track, Olden wins class C. Romney leads Flatwood for second place. Winners in county meet will not be known until volleyball and tennis matches are completed.

At the close of the Interscholastic League events which were held in Cisco Friday and Saturday, Eastland was leading in the race for the Class A winner in the literary events, Ranger was close behind, trailing by only a few points. In the Rural division Romney was leading in the literary events with Flatwood close behind. Gorman won the Class A track and field events, because of Morris their chief track man who was winner of the Class A Medal for individual scoring. Olden won the Class B division of track. Anderson, winner of the class B medal for individual scoring, was main man for the Olden team.

Large Crowd Attend
Probably the largest county meet that has ever been held in Eastland county as to number of entries came to a close Saturday with the running off of the track and field events. The crowd was as large as it was the first day. The literary events ended Saturday morning when the spelling, arithmetic, and extemporaneous speech contests were held.

The trophies for the winners had been received and were distributed among the winners.

The results in the declamatory contests were:
Senior girls—Doris Laurence, Eastland, first; Frances Rutherford, Rising Star, second; Arlene Hines, Carbon, third.

Senior boys—Rex Cornes, Carbon, first; Robert Ray Herring, Ranger, second; Max Robinson, Eastland, third.

Junior girls—Kathlee Colium, Eastland, first; Roy June Stubblefield, Carbon, second; Dorothy Jean Bruce, Ranger, third.

Junior boys—Gaylon Head, Pioneer, first; Homer Smith, Ranger, second; J. M. Hazelwood, Cisco, third. E. E. Layton, director.

Ranger Defeats Eastland
The picture memory contest was held Friday afternoon. The winners were: Hodges, Oak Park, Ranger, first; Gorman, second; Cooper, Ranger, third; Young, Ranger, fourth.

The finals for the debate were held at the high school auditorium Friday night. Ranger boys defeated Eastland by a score of 3 to 0, with the affirmative side of a cotton question. Eastland girls defeated Ranger 2 to 1 with the negative side of the cotton question.

In class A essay writing contest Frances Rutherford, Rising Star, first; Hazel Barker, Ranger, second, and Ward Webb, Gorman, third; class B essay writing contest, Edith Adams, Morton Valley, first; Fay Young, Olden, second; Doris Hodge, Colony, third; Ward school division, Billie Louise Hopper, Rising Star, first; Dorothy Jean Nabors, Eastland junior high, second; Maulcie Fay Turner, Hodges Oak Park, Ranger, third.

First place winner in the story telling contest was Robert Smith, West Ward, Cisco.

Cisco Grammar School Wins Again
Girls' division Extemporaneous speech contest, Jane Ferguson, Eastland, first; Vada Belle Tomlinson, Cisco, second; and Inez Harrell, Ranger, third.

Boys division, Thomas Thomason, Ranger, first; Reuben Wende, Cisco, second; and Dick Price, Eastland, third.

Arithmetic conies, Betty Sue McCann, Cisco, first; Henrietta Moss, Cisco, and Nova Young, Ranger tied for second place; third place, Olden. This is the sixth straight year that the Cisco Grammar school has won this event. The Cisco team was coached by Mrs. O. L. Stamey, and Mrs. A. C. Bradley.

Track Events
Javelin Class A—Purvis, Seranton, first; Roberts, Desdemona, second; Young, Olden, third; Hansen, Desdemona, fourth. Class A broad-jump—Morris, Gorman, first; McGaha, Carbon, second; Hopper, Rising Star, third; Class B 440 run—Sparkman, Desdemona, first; Norton, Olden, second; Hansen, Desdemona, third; Class A 220 dash—Morris, Gorman, first; Seisford, Eastland, second; Schultz, Rising Star, third; Mace, Ranger, fourth.

Class A shot—Carter, Gorman, first; Burnam, Cisco, second; Woods, Cisco, third; Roach, Rising Star, fourth; Class B, Mile—Purvis, Seranton, first; Murray, Olden, second; Hansen, Olden, third; Class A Mile—Taylor, Eastland, first; McGaha, Carbon, second; Dulin, Eastland, third; Wood, Gorman, fourth; Class A High hurdles—Hart, Eastland, first; Crawley, Gorman, second; Zellers, Rising Star, third; Lane, Eastland, fourth.

Discus Class—Carter, Gorman, first; Crawley, Gorman, second; Kirk, Gorman, third; Burnam, Cisco, fourth.

Class B, 120 yard high hurdles—Anderson, Olden, first; Roberts, Desdemona, second; Starr, Seranton, third; Butler, Olden, fourth; Class B, 100 yard dash—Curry, Olden, first; Roberts, Desdemona, second; Hansen, Desdemona, third; Hammett, Pioneer, fourth; Class A 100 yard dash—Morris, Gorman, first; Brelsford, Eastland, second; Rainbolt, Cisco, third; Cleveland, Cisco, fourth; Class B 220 yard dash—Anderson, Olden, first; Curry, Olden, second; Young, Olden, third; Mosley, Colony, fourth.

Class A 220 yard dash—Zellers, Rising Star, first; Lane, Eastland, third; Fitzsimon, Gorman, third; Rainbolt, Cisco, fourth; Pole vault, Class A—Carter, Gorman, and Walsh, Ranger, tied for first; McDaniels, Carbon, third; Zellers, Rising Star, fourth; Class B 230 yard dash—Anderson, Olden, first; Courtney, Gorman, second; Hilliard, Desdemona, third; Hammett, Pioneer, fourth; Class B Pole Vault—Anderson, Olden, second; Stansell and Starr of Rising Star tied for third place.

R. R. CALLOWAY OF CISCO DEAD IN CAR WRECK

Funeral services were held Monday afternoon at 3 o'clock at the Penecostal church, West Seventeenth street, for R. R. Calloway, who was instantly killed last Friday in an automobile accident east of Safford, Ariz.

The body arrived on the 10:55 Sunshine Monday, Neil Lane's Funeral Home had charge of arrangements with interment in Oakwood cemetery.

COOPERATIVE SERVICE TALK AT EASTLAND

Explanation of the community and cooperative service program of the Resettlement Administration was given rural supervisors and home supervisors of nine counties at the courthouse in Eastland Friday night by Carl Walters, of Dallas, field supervisor for the state organization.

Counties represented were Parker, Eastland, Hood, Somervail, Erath, Comanche, Shackelford, Palo Pinto and Stephens. Eastland county was represented by Miss Ruth Ramey, county home demonstration agent.

Walters pointed out that the community and cooperative service program is similar to the old work center program except the new program is self liquidating and the other was operated by grants and donations.

Walters also explained: There are two types of loans that may be made under this program. One can be made to cooperative organization of farmers, the other to individuals for the purpose of taking membership or buying stock or of associating with other farmers in the establishment of a needed community service. The latter type of loan can be made to an individual who wishes to establish an enterprise of this kind, if he can show sufficient contracts for the use of this service to insure ample income for repayment of the loan.

There are certain restrictions placed upon this program. Before a loan of either type can be made the following conditions must be met:

1. The community service must contribute to the rehabilitation of census in the community, and 25 per cent of the participants must be enrolled with the Resettlement Administration.
2. The cooperative must be economically sound.
3. The service for which the loan is made must not be one that will be in competition with individual businesses already set up.
4. The community must have a well developed cooperative spirit.
5. The cooperative must be organized in accordance with the laws of the state.
6. There must be no restriction on membership.
7. Each member should be entitled to only one vote, and there should be no voting by proxy.
8. The cooperative should have the proper management.
9. No loan can be made to a cooperative if the organization can obtain a loan through the bank for cooperatives or the Farm Credit Association.

Loans may be made for the purpose of assisting in the following types of enterprises: 1. Home conveniences. 2. Food conservation and processing. 3. General farm needs. 4. Cooperative harvesting. 5. Processing agricultural products. 6. Handicrafts. 7. Facilities for grading. 8. Marketing and purchasing facilities for the purchase and sale of raw materials and goods. 9. Livestock improvement purebred sire associations. 10. Social services.

TOM BLANTON IS HOPEFUL OF CCC CAMP FOR CISCO

Dr. Hubert Seale, who has had considerable interest in the establishment of a CCC camp for Cisco, has a letter from Congressman Thomas L. Blanton under date of March 26; excerpts of which follow:

"I have succeeded in having annulled the order which would have put out of existence nearly one thousand CCC camps and which already have their barracks and equipment furnished, but whose work is wholly incomplete."

"And under his recent order, the president held that he will not construct any new camps."

"But we are working now, trying to get this changed, and I am still hopeful that we will get a CCC camp at Cisco."

Postal Receipts Show Nice Gain

Postmaster Luther McCrea, quotes the following figures for the first quarter of 1936, ending March 31, postal receipts:

Receipts for 1936, \$6,079.31; same quarter 1935, \$5,902.07; increase, \$177.24, 3 per cent; March 1936, \$2,073.38; March 1935, \$1,887.91; increase, 11 per cent.

TREES, SHRUBS GET WATER, SAYS MRS. FEE

A water problem has been said Mrs. C. H. Fee, energetic garden club president in discussing activities which have been relative to the beautification work on highway 23 to Cisco.

Blankenship, highway engineer with headquarters at Eastland, arranged to water all shrubs, trees and flowers from the road crossings to the lake, Mrs. Fee said, using wagon and hose for purpose. The work will be by his own highway crew.

Clements, street superintendent, as men terracing the curve northeast end of the college today, a location which is sponsored by the Twentieth century club in their activities for garden club's beautification project. This group of women has given about 75 shrubs by the club and these, together with those donated by the Cisco news, will be planted at once, Mrs. Fee said.

Mrs. Fee further announced that proceeds from the benefit party at the country club Thursday net about \$108.00 after paying expenses. This sum will be used for garden club activities.

LEDO — (UP)— In a modernization of an old story, Clement examined his carburetor and cigarette lighter. He is recovering from his burrow.

Fruit Gardens Thought Safe

An icy wind sweeping out of the north, sent the thermometer down to 23 at 7 o'clock this morning according to the register at the West Texas Utilities company's office. No reports of damage to fruit or gardens have been made. However, old timers, fear for both if the temperature falls to gain heights before nightfall today.

Many persons are spraying their fruit trees with water, this evening, they report, in order to offset further dangers. Some are also wetting down gardens where tender vegetables, such as beans and Irish potatoes are up. Beets, lettuce, English peas, onions and spinach are little likely of being killed unless it should reach extremely low temperatures.

13TH YEAR UNLUCKY
BOWLING GREEN, O. — (UP)— The Rev. H. K. Bushkuchl, pastor of St. Aloysius church, never had experience with "unlucky 13" omens until lightning struck and destroyed the belfry of his church. The flash caused \$4,000 damage a few hours before the minister began his 13th year in the pastorate.

HEDGEHOG LOLLS IN LUXURY
MUNICH — (UP)— A hedgehog with an apparent sense for the decorative has been discovered at the village of Krottmuehl, on Lake Sim, in the Bavarian mountains. The animal stole from a woodshed nine 10-mark notes which a farmer had hidden there and unhoisted there, with his burrow.

Seniors Measured For Caps and Gowns

Approximately eighty seniors of the Breckenridge seniors have been measured for caps and gowns for commencement exercises, is the report from that city, regarding increasing activities for the spring graduating exercises. The number is steadily increasing, according to Miss Irene Wesley, registrar of the Breckenridge schools.

Rising Star Woman Entertains Here

Mrs. L. A. Delaney of Rising Star was one o'clock hostess Wednesday to a bridge tea given at the Hotel Laguna. Guests were: Mesdames W. E. Tyler, L. Robinson, Harold Gracey, Travis Cunningham, Marion Hawley, C. E. Williams and F. E. Payne. Rising Star.

Committee Meets With Miss Perdue

Miss Carrie Belle Perdue was Wednesday afternoon hostess to members of a committee of the Y. W. A. of the First Baptist church, which met for the purpose of nominating officers for the coming year.

Following the discussion the hostess served delicious coffee with cookies to Misses Frances and Lillian Caldwell, Lurline Poe and Helene Stokes.

Scranton P.-T. A. Sponsors Pie Sale

The Parent-Teachers' association of Scranton High School sponsored a box supper and auction sale in the high school auditorium Wednesday night.

An enjoyable evening was spent and thanks were extended to donations coming from Cisco, Putnam and Scranton merchants.

Easter Is Featured In Bridge Social

Easter motif was given emphasis to party appointments Wednesday afternoon at the home of Mrs. P. G. Booth, Humbletown, when she was Humble Bridge hostess.

Pastel shades were used in decorating and at the close of the games Mrs. Henson was presented high score prize. Mrs. Hanrahan second high for club members. Mrs. Graham, high for guests, and cut prizes went to Mesdames Armstrong, McGowan, Pippen and Jones.

Members and guests were: Mesdames R. B. Carswell, Ted Huestis, Rex Carothers, W. W. Wallaer, W. J. Armstrong, Reggie Henderson, Harold McGowan, J. C. Hanrahan, I. J. Henson, W. C. McDaniel, W. A. Pippen, Jack Jones, E. L. Graham, R. L. Ponsler, Dick Bearman and Tom Petty.

Six Present For Delphian Meeting

Answering to roll call with current event topics, six members of the Delphian Study club met Wednesday morning at 9 o'clock in the clubhouse.

The leader for the afternoon's program was Mrs. Neil Lane, using for her subject, "The Modern Drama". Mrs. M. A. Wright taught a lesson from book two of "Effective Speech."

The club announced plans of cooperating with the Garden club in the beautification campaign, and with the city in the clean-up campaign.

Present were: Mmes. W. G. Powell, Eugene Lankford, M. A. Wright, Neil Lane, S. E. Hittson and A. J. Olson.

Officers Meet With Mrs. Bob Sanford

Officers of the W. M. S. of the First Methodist church were guests Wednesday afternoon in the home of Mrs. Bob Sanford.

During the business session plans were made for the work to be done during the next three months. After the business a social hour was enjoyed. A pink and white color theme was attractively used in decorating and was repeated in a refreshment plate of strawberry ice cream cake, candy eggs and tea. Tiny baby chicks were given as favors.

Those present included: Mesdames William Reagan, W. H. Cove, W. G. Powell, W. M. Joyner, O. C. Lomax, Fred Hayes, J. E. Crawford, R. W. Merrett and the hostess.

PERSONALS

Mrs. Ora Todd and daughter, Miss Eva, are spending a few days in Big Spring. They are expected to return Sunday.

Mrs. Lewis Linder, who is confined to her home because of illness, is reported to be somewhat improved.

Mrs. Bill James and Mrs. J. T. Waddell spent yesterday afternoon in Eastland.

Mrs. O. K. Linder, who has been visiting here this week, left today for Brownwood where she will spend the night with her sister. She will be met in Brownwood tomorrow by Mrs. Tom Linder, who has also been visiting here. From there they will return to their homes in Kennedy.

Mr. and Mrs. W. H. Mayhew and daughter, Mrs. H. C. Wilkins visited H. C. Wilkins Tuesday evening at Albany, where Mr. Wilkins is employed by the Humble company.

Mr. and Mrs. W. R. Miller are spending the day in Fort Worth and Dallas.

TOO LATE TO CLASSIFY

FOR SALE—Corn, maize, sudan grass and peanut hay. Henry Stroebel, Route 2, Cisco, Texas.

Social Calendar For Week

Thursday

Mr. and Mrs. H. C. Henderson will be hosts to the Friendly Twelve Party-two club in their home at 505 West seventh street.

Friday

The Twentieth Century club will meet in regular session at the clubhouse at 3 o'clock.

Local Boy Scout Passes Radio Test

William Scarlett, one of the members of the Boy Scout Amateur Radio club of Troop Four, Cisco, has been notified that he has passed the Amateur Radio Operators License examination Class B. Scarlett is the first of the members to pass the examination. He took the test late in February, but only notified last Saturday. He will operate a portable station at the club house under the call letters W0FRU.

William Buster Martin was the first to take the test. William Hoyt, the president of the club, has a transmitter which will be used for the station and will be ready for the test soon.

Ralph Barton, scoutmaster of Troop Four, has made arrangements for the scouts to sell service books for a local service station. The books sell for \$1.25 each and the scouts will get 25c for every one sold. Each of the members of the Radio club being given five books, club will receive 25 cents for each one sold by its members. These are being sold for the purpose of securing at least part of the money for the Summer camp which will be held in July, the scout selling the largest number of books will receive \$5 providing at least a 100 are sold by the troop.

Plans have been made for a Court of Honor to be held here Friday night April 3. Most of the members of Troop Four will come before the court for some rank or merit badge. This is the first court of honor to be held in Cisco in almost a year.

Plans for the second scout rally of the year for the Comanche Trail council April 31, in Eastland will be started soon by Troop Four.

Christian Revival Reports Good Crowds

Dr. David F. Tyndall, pastor of the First Christian church who is conducting a two weeks revival reports fairly good crowds at the night services. Prayer meeting services are being held each morning by the ladies, in various homes, for Bible study. The sermon subject for Thursday evening is "The Monkey Wrench of the Bible". Services start at 7:45 each evening and everyone is cordially invited to attend.

PETE FENWICK STAR WITNESS FOR THE STATE

THE JURY
 Roy Tucker, farmer, Cisco.
 D. J. Tillinghast, grocer, Cisco.
 W. Slaughter, lumberman, Cisco.
 C. W. Waler, unemployed, near Cisco.
 Aaron Stiles, service station operator, Cisco.
 J. Coffman, gas company employee, Eastland.
 James Ward, Magnolia company boy, Olden.
 D. Martin, salesman, Ranger.
 B. Wellman, oil company employee, Eastland.
 T. Horn, farmer, 10 miles south of Cisco.
 R. Herring, gas company employee, Ranger.
 E. Vaughn, garage owner, Cisco.

P. L. McBees was last seen at his home in Rising Star, April 30, 1933. Dill of Rising Star testified Monday morning in the "hanging stone" trial of Raymond Henry, in 88th district court.

The doctor was called to the McBees home because of illness of Mrs. McBee, now the wife of the defendant with whom she is charged with murder in her former mate's death, testified.

A prescription made by the doctor was unfilled, the witness testified.

L. H. Fiewellen of Ranger, attorney with R. E. Grantham of Cisco for Henry, produced the paper. "I was almost ready to leave and McBee came in," Dr. Dill stated.

He asked what was wrong, I told him and he staggered out."

McBee was intoxicated, the doctor stated. Others at the McBees residence were Mr. and Mrs. M. E. "Sandy" Tyler and persons whose names he heard but did not see.

The state is seeking to show the jurors by witnesses that McBees slain May 1, 1933, his body buried exhumed later and then reburied.

Ten-year-old Dean Broughton of Rising Star described to jurors the discovery of the skeleton — later identified as McBee in a "shinners" bar at his home at Rising Star Dec. 1934.

He was with a companion, Herman Boyman, chasing a rabbit into the brush, Broughton said in telling the revelation occurred.

The youths notified Broughton's father, O. C. Broughton, who earlier of jurors of his inspection of the skeleton. Hunting in the vicinity which might aid in establishing the identity of the skeleton, Broughton and a piece of quilt. He also stated in September, 1933, he was cutting a tree near his Rising Star residence and he "bogged down."

The state will seek to link the statement with their contention McBee was buried in a shallow grave and later exhumed.

The courtroom was filled to capacity, Judge B. W. Patterson finding it necessary occasionally to admonish the crowd of the seriousness of the trial and expression of dislike or the opposite reaction was not in line with jurisprudence.

The crowd overflowed into district clerk's office and the third floor hall.

A. D. Carroll, Rising Star city marshal, stated he was notified of the skeleton discovery and with Justice of Peace Morris, now deceased, went to the scene.

"The skeleton was hanging from a limb; I guess the limb was eight feet from the ground," the city marshal told jurors.

"The trousers had fallen on the ground. There was a little skin on the back of the neck where the wire was tied."

Difficulties observed by Rising Star residents and others of that section were detailed to jurors who attended dances at which Mr. and Mrs. McBee were present.

Hulin Erwin said he was sponsor of a party at his home April 29, 1933, Mr. and Mrs. McBee were present as well as Raymond Henry, who then worked for an ice company.

"He (McBee) got drunk and Mrs. McBee shoved him out of the house," Erwin said. "She told him 'get out of here you old dirty brute.'"

"He didn't seem to be disturbing anyone. He wasn't staggering," McBee had been advised to "stay out until he sobered up," Erwin testified.

G. L. Looney of Lelia Lake who also attended the dance said McBee was "pushed or knocked out of the house."

Accompanying the McBees home with Raymond Henry, Erwin said he observed "there might have been a little necking."

He agreed with Defense Attorney Fiewellen that "peace and harmony prevailed" after McBee's ejection.

Skeleton murder trial of Raymond Henry, 35, that the defendant had admitted to him his infliction of stab wounds, was introduced by the defense this afternoon.

Pete Fenwick had previously testified that he was at H. L. McBee's home May 1, 1933, saying that he aided in the burial of the highway workman, Raymond Fenwick testified that he attended a dance at Clyde Evans home with Perry Clark in advance and Pete Fenwick May 1, 1933.

Mrs. Netty Valley of Rising Star whose home was 30 feet from the McBee resident, testified that she noticed something unusual at their neighbors home May 1, 1933. She asserted she overheard Mrs. McBee tell her husband, "She was so sick she could hardly hold her head up."

Mrs. Valley's daughter, Opal, said she observed McBee walking toward the railroad track at 7 a. m. on the date the state alleges he was slain by Raymond Henry.

The state rested its case at noon Wednesday in their prosecution of Raymond Henry, 25, charged with murder of H. L. McBee at Rising Star May 1, 1933, believing its case strengthened by testimony of Pete Fenwick who quoted the defendant as admitting infliction of fatal ice pick wounds.

The star witness told jurors he went to McBee's home May 1, 1933 and saw Raymond Henry and Mrs. McBee, now Mrs. Henry, 28, at the residence.

Later Jack and Lynn Smith, and M. E. "Sandy" Tyler brought McBee into the house.

"They brought him in and put him on the bed."

"He was going on about being sick. Tyler started to get a doctor and Raymond Henry shut the door. "No, don't get him any doctor, let him die," Fenwick quoted the defendant as instructing Tyler.

"I asked Raymond what was the matter with old man McBee. He said he stabbed him with an ice pick that morning."

The witness stated he remained in the home until 2 a. m. with the group and left. The group that left with McBee's body in the turtle-back of Lynn Smith's car—did not include Tyler, who departed through a rear door of the residence, Fenwick said.

Before the group left, Fenwick asserted he made an effort to leave the residence but was restrained by Lynn Smith.

Fenwick replied to Special Prosecutor Allen D. Dabney's query when McBee died by placing the time at 1 o'clock.

"Well, he's dead and we've got to do something," Fenwick quoted Henry as asserting before the early morning burial.

The group took the body to a wood near the Rising Star cemetery.

They passed the cemetery, stopped the car and "all took McBee out of the car. Fenwick said he and Jack Smith, a defendant in the case until his death by suicide, according to a coroner's verdict carried McBee by the feet while Raymond Henry and Lynn Smith supported their share of the burden by holding McBee around the neck.

"We dug a hole and put him in it," Fenwick said the hole was waist deep.

Several weeks later, the witness declared, the group, this time including Tyler, who remained in the car, hanged McBee's body to a tree.

He said a quilt was obtained at Tyler's home.

Reaching a tree, Raymond Henry and Raymond Henry climbed the tree, and with the others assisting, McBee was hanged, Fenwick said.

"We hanged it up there so they would think he committed suicide," Fenwick quoted Henry as asserting.

The quilt in which McBee's body was wrapped while taking it to the hanging scene was buried, Fenwick said.

The witness declared he was threatened to be placed "in the same hole" if he told of the hanging.

Under cross-examination of L. H. Fiewellen, the witness stated until Tuesday he was in the jail at Coleman since February 11. "I was at Coleman the first time I told it," Fenwick replied to Fiewellen after he was asked when he informed officials of his knowledge in the McBee disappearance.

Fiewellen grilled the man on whether he attended a dance May 1, 1933.

Cisco's Ministerial Association Launches 'Go-To-Church' Campaign

The Cisco Ministerial Association is launching a "Go To Church" movement for the month of April, it was announced yesterday.

That purpose, Easter comes April 12, and Easter services, the slogan of the movement is one hundred percent of the population of Cisco each Sunday during April.

Rev. and Mrs. J. C. Whitledge, state organizers for the St. Joseph Grand Lodge of the A. F. & M. lodge organized an Eastern Star chapter for the colored of Cisco with Mrs. Rachel Haynes as Worshipful Matron and George Haynes as Worshipful Master, March 25, it was announced.

Rev. and Mrs. J. C. Whitledge, state organizers for the St. Joseph Grand Lodge of the A. F. & M. lodge organized an Eastern Star chapter for the colored of Cisco with Mrs. Rachel Haynes as Worshipful Matron and George Haynes as Worshipful Master, March 25, it was announced.

CONTRACT ON STATION GOES TO LOCAL FIRM

Ed Huestis announces the letting of the contract for converting the Norvell and Miller brick building at the corner of Main at East Eighth street, recently purchased as a site for a modern service station to the Cisco Lumber & Supply company who has taken the contract for contract for doing both the work and furnishing the material to be used. Work will start tomorrow, announced Mr. Huestis.

The station will front on both streets so as to accommodate traffic from the two highways, 23 and highway 1, through Cisco.

The building was purchased some two weeks ago from Norvell & Miller. Price was not given. Remodeling is expected to be completed by May 1.

DRY FORCES TO MEET
 A county-wide meeting of dry forces in Eastland at the county courthouse has been announced for 10 a. m. Friday. All dry forces are urged to be present.

CIVIL SERVICE

APRIL

AS A TEXAN—WHAT WOULD YOU SAY?

THIS PICTURE TELLS THE STORY of the defense of the Alamo, one hundred years ago. On March 3, 1836, 161 poorly-armed Texas patriots prepared to face certain defeat against another attack of the Mexican forces, 3,500 strong. The brave Texas commander, Colonel William B. Travis, drew a line on the ground, in front of his soldiers, with his sword. He asked every man who wished to remain and die fighting like a hero to step across the line. As a Texas soldier, what would you have replied? See the sketch to the right.

WILL YOU FACE CERTAIN DEATH IN DEFENSE OF TEXAS OR ESCAPE?

What would you say? Write your answer in 25 words or less on the coupon below.

\$5,000 IN PRIZES!
59 PRIZES A WEEK
FOR 9 WEEKS!

- ### RULES
- 1 Read the question Col. Travis is asking, in the picture beneath the main illustration, then decide what your answer would be.
 - 2 Write your answer on a sheet of plain paper or in the proper space in the coupon below.
 - 3 Write your name and address on the paper or the coupon below.
 - 4 Attach your entry to one package top from any one of the six Post Cereals shown below and mail to Centennial Contest, P. O. Box No. 1616, Dallas, Texas.
 - 5 Prizes will be awarded for the answers which, in the opinion of the judges, best express the spirit of devotion, bravery and self-sacrifice that characterized the early Texas patriots. Literary skill or "fancy" writing will not count.
 - 6 Judges in the Texas Centennial contest will be Mr. S. W. Papert, President, Texas Daily Press League; Mr. C. C. Maes, General Manager, Houston Post; and Mr. Victor H. Schoffmeyer, President, Texas Geographic Society. All entries shall become the property of General Foods and may be used as it sees fit. All decisions of the judges will be final. In the event of ties, duplicate prizes will be awarded.
 - 7 Entries in this week's contest must be postmarked not later than midnight of April 10, 1936.
 - 8 Winning a prize in this week's contest will not disqualify you from competing for cash prizes in the eight succeeding contests. You can enter every week.
 - 9 No employee of General Foods, or member of his or her family may compete in these contests.

59 CASH PRIZES EVERY WEEK!

FIRST PRIZE \$100.00
 SECOND PRIZE 75.00
 THIRD PRIZE 50.00

Ten Prizes of \$10

PROCEEDINGS 11TH COURT OF CIVIL APPEALS

The following proceedings were had Friday in the court of civil appeals, 11th supreme judicial district:

Affirmed: Petroleum Casualty Co. versus Mrs. B. F. Kincaid, Stephens; J. A. Fox versus Texas Employers Insurance Association, Haskell.

Reversed and Remanded: American National Insurance Co. versus Stephen S. Browner, Eastland.

Motions Submitted: The City of Comanche versus O. O. Brightman, et al, appellants' motion to retax costs; Willis Norwood, et al, versus Taylor county, et al, appellants' motion for rehearing; Dallas Railway and Terminal Co. versus Virginia Redman, appellee's motion to return mandate without payment of costs; A. M. Ferguson, Administrator, versus Joe Lee Ferguson, plaintiff-in-error's motion for rehearing; Custavo Guerra, et al, versus Leocadio Garza, et al, appellee's motion for rehearing; Ovalo Rural High School District No. 10, et al, versus County Board of School Trustees of Taylor county, Texas, et al, appellee's motion to dismiss.

Motions Granted: The City of Comanche versus O. O. Brightman, et al, appellants' motion to retax costs; Dallas Railway and Terminal Company versus Virginia Redman, appellee's motion to return mandate without payment of costs.

Motions Overruled: Texas Assurance Corporation versus W. A. Strickland, appellee's motion for rehearing; Traders & General Insurance Company versus Tom Cole, by next friend, joint motion to advance; Maude F. Butler versus Robert McGarrath, et al, appellants' motion for rehearing; J. P. Kelly, Jr., et al, versus Aransas Company, et al, plaintiff-in-error's motion for rehearing.

Cases Submitted March 27, 1934: Cecil T. Williams versus Safety Casualty company, Eastland; J. H. Bowman, Guardian, versus H. C. Bowman, Comanche; C. C. Morgan, et al, versus Blanche Morgan Branson, et al, Palo Pinto.

Cases to be Submitted April 3, 1934: John Hancock Mutual Life Insurance Co. versus E. Duval, Executor, Knox; Ovalo Rural High School District No. 10, et al, versus County Board of School Trustees of Taylor; Mrs. E. W. Trimble, et al, versus The Stephenville State bank, Erath.

110 Shrubs Planted By XXth Century

One hundred ten shrubs and trees have been planted for the Twentieth Century club, under the guardianship of the Garden club, by Joe Clements and his crew of workers at the turn of highway 23 adjacent to the northeast corner of Randolph college grounds, as a part of the Garden club's highway beautification plans for Cisco.

The shrubs were planted Tuesday, after Mr. Clements and his workmen had terraced the embankment, and hauled dirt and filled in, making a suitable landscape for the further plans of the Twentieth Century club's activities.

Mr. Clements reports that the plants were well watered and it is hoped that they will thrive despite the lateness of the season.

3-TOWN BODY SEES OPENING TRENCH SILO

Turning a natural gully on his farm into an efficient trench silo, Robert Singleton, of Eureka, Stephens county, has taken advantage of natural resources and conditions which nature had provided for his use and saved himself much labor and expense.

Mr. Singleton closed both ends of the gully and then placed his feed endwise across it until full. He then covered the top over with dirt and the thing was complete.

This silo, which had preserved the feed perfectly since last November, was inspected this week by about twenty men from Cisco, Eastland and Ranger, which included, T. G. Caudle, vocational agriculturalist, Cisco, Elmo V. Cook, county agent, Eastland, and Luke Ballard, county agent, Breckenridge.

Samples of the feed were shown at the mass meeting at the city hall yesterday when farmers and business men got to hear George H. Sweeney discuss plans for a milk depot and later, cheese plant for Cisco.

Colored Students To Contest at Eastland

Negro students of 27 towns will compete in the fourth annual West Texas Interscholastic meet at Eastland Friday, April 3.

A full-day's program including all track and literary contests has been arranged with many arrangements under the guidance of Frank Evans, principal of the Eastland school for colored.

Representatives will attend from Ballinger, Hamlin, Colorado, Albany, Lorraine, Stamford, Merkel, Sylvester, Breckenridge, Brownwood, Sweetwater, Odessa, Roby, Mineral, Wells, Midland, Big Spring, Coleman, McCamey, Retan, Snyder, San Angelo, Abilene, Eastland, Anson, Winters, McCauley, and Eldorado.

Church Ships Hogs MILFORD, Ia. — (UP) — Parishioners of St. Joseph's Catholic church here have found a new "mortgage lifter." They shipped their twelfth carload of hogs in 12 years. All proceeds went to the church. Each farmer gives a hog as his share of the contribution.

Ranger Woman Dies
From Burns Friday

Funeral services for Mrs. Tullant Sumerall, 63, who died in a Ranger hospital Saturday from burns received Friday when clothing she was washing in gasoline caught fire, were held at the First Christian church of Ranger Sunday at 3 o'clock.

Mrs. Sumerall was born on Dec. 17, 1873, and had been a resident of Ranger for a number of years. She had lived in Ranger for six years, moved away two years ago to make her home.

She is survived by six sons, Frank, Byron, Alton and Milburn of Ranger, the latter having been badly burned at the time of the accident that caused his mother's death, and John R. of McCamey, and Clayton of Tyler; and daughter, Miss Alice Sumerall of California; two brothers, A. B. Jones and Brayton Jones of Marquet, Texas, one sister, Mrs. Nora Winn of Aspermont and two half-sisters.

Mrs. Sumerall was fatally burned when she and her son, Milburn, were washing clothes in gasoline and fire ignited the gas that had accumulated in the kitchen of their home. She ran from the house, pursued by her son, who smothered out the flames.

T. & P. Improves Crossing On 23

Cement and gravel have been assembled at the T. & P. railroad crossing to improve the street at this point, laying concrete about eight feet on either side of the track and extending the width of the street, where highway 23 crosses.

The work is being done by the T. & P. road and is a culmination of extensive improvements that been made in the track here.

Senator W. B. Collie Honored by Legion

Senator Wilbourne B. Collie of Eastland has received a certificate of distinguished service for his cooperation in passage of legislation establishing the American Legion sponsored Texas Memorial Museum at Austin as part of the educational system of Texas and as a 1936 Centennial attraction.

The certificate is signed by H. Miller Almsworth, commander of the Texas Department of the legion in 1934-35; Fred Young, adjutant, Texas department, and A. Garland Adair of the board of directors of the American Legion.

Huge Rattlesnake Killed Near Breck

A huge rattlesnake has been killed on the Floyd Vick place near Breckenridge after five others had been previously slain and hung up at the entrance to the rattlesnake den.

Five rattlesnakes were killed near what was known to be a snake den and hung up near the entrance. A few days later a rattler five feet long with nineteen rattles was found near those hung up and killed.

Lake Cisco's Parks Ready For Visitors

Mrs. Bill James and Mrs. J. T. Waddell spent yesterday afternoon in Eastland.

Mrs. O. K. Linder, who has been visiting here this week, left today for Brownwood where she will spend the night with her sister. She will be met in Brownwood tomorrow by Mrs. Tom Linder, who has also been visiting here. From there the couple will return to their homes in Kerens.

WHALES PLAY HONOLULU — (UP) — Hundreds of whales again are reported in Hawaiian waters, for almost the first time since whaling vessels invaded this part of the Pacific a century ago. Spouts can now be seen almost daily and never fail to result in a rush of tourists and residents to Koko Point, Diamond Head and Waikiki beach.

Health Officer Lee Urges Cooperation

In a plea from City Health Officer, Dr. W. P. Lee, Cisco citizens are urged to help keep the city clean by cooperation.

"In inspecting the city we find many premises littered with empty cans and other rubbish difficult to burn. Gather all this refuse and place in a can or box so that it may be easily handled. The garbage man is not supposed to gather scattered rubbish.

Also, in many places, there are no cans in which to put wet garbage, or the cans have no tops. This is in direct violation of our health ordinance and must be corrected. We all desire a healthy, sanitary city and each must do his part to keep it so", Dr. Lee said.

Cisco Man's Car Has Been Recovered

Officials of three counties cooperated in the recovery of J. M. Wilson's automobile which was found at Quanah last week. Wilson is of Cisco.

The car was registered in Abilene, Sheriff M. S. Wilson of Hardeman county notified Sheriff Burl Wheeler at Abilene, Wheeler phoned Eastland when the Hardeman county official stated he found a letter addressed to Mrs. Wilson at Cisco.

Eastland Parents Attend Son's Rites

Mr. and Mrs. W. J. Armstrong of Eastland, have returned from Collins, Miss., where they attended funeral services for their son, Bill Armstrong, 26, who died March 21.

Three brothers and three sisters also survive.

Attend Funeral For Bob Whitman Sunday

William Scarlett, one of the members of the Boy Scouts Amateur Radio club of Troop Four, Cisco, has been notified that he has passed the Amateur Radio Operators License examination Class B.

Scarlett is the first of the members to pass the examination. He took the examination at the Cisco school.

APPEALS COURT REMANDS SUIT FOR INSURANCE

Case of Stephen S. Browner against American National Insurance company, rendered in 91st district court for Brawner, was reversed and remanded for retrial by Seventh Court of Civil Appeals at Eastland Friday.

In an opinion by Judge Associate Justice Clyde Grissom, the court pointed out that no contract of insurance exists if there is "no meeting of the supposed contracting parties."

Browner filed suit Oct. 11, 1934 against the insurance company and later the court awarded him the face value of the policy for the death of his wife, \$500, plus a penalty and attorney fees.

The appellant, American National company, alleged in its second answer that the policy never became effective, saying the application for insurance was not signed by the beneficiary, Browner.

Grady Owen is attorney for Browner and Earl Conner, Sr., both of Eastland, for the insurance company.

MART AGNEW IS SUPERVISOR FOR CONOCO OIL CO.

Mart Agnew has been made district supervisor for the Continental Oil company and will move to Abilene this week to begin his duties at once, it was announced Saturday.

Mr. Agnew has been employed here some months by J. H. Mitchell, local Conoco distributor, and this important promotion comes as an agreeable surprise to Mr. Agnew and his friends.

Mr. Agnew will office in Abilene and will be in charge of a part of six counties. His family will follow in a few weeks.

Senators Honored by Legion

Senator Wilbourne B. Collie of Eastland has received a certificate of distinguished service for his cooperation in passage of legislation establishing the American Legion sponsored Texas Memorial Museum at Austin as part of the educational system of Texas and as a 1936 Centennial attraction.

The certificate is signed by H. Miller Almsworth, commander of the Texas Department of the legion in 1934-35; Fred Young, adjutant, Texas department, and A. Garland Adair of the board of directors of the American Legion.

To the Voters of Cisco:

Some of the many Reasons why you should vote for Burnett, Henderson and Winston

Your Present Commission Has Saved Your City Millions of Dollars. Your Commissioners Have Worked For You and Yours

FIRST
November, 31, 1934 Total Bonded debt including past due interest, in excess of \$6,000,000.00
used by this

Refinanced by refunding bonds [Reduced by this commission to] \$1,598,355.00

SECOND
Reduced Your Tax Valuation from \$6,688,000.00 in 1929 to \$2,358,526.00 in 1935, thereby saving you something like \$100,000.00 each year on your taxes. In 1929 the tax levy was \$150,664.00 while in 1935 the tax levied against your property was only \$58,963.15. Owing to the great BONDED indebtedness of the City, they could not reduce the rate but have helped you in the matter of reduced valuations.

THIRD
They have reduced your water rate from a \$2.25 minimum to \$2.00 per month and have increased your gallonage from about 3330 gallons to 5000 gallons per month while part of the time they have given you 10,000 gallons per month minimum.

FOURTH
They have provided projects in the City and nearby in order that employment might be given to the unemployed.

FIFTH
They have furnished wood for the needy in our City and have had it hauled to their homes when they were not able to come and get it.

SIXTH
They have not taken any homes on account of delinquent taxes and only a few suits have been filed for taxes.

SEVENTH
They have not done things to make a show and thus advertise themselves so that they could remain in office but have worked unselfishly for the best interest of your City.

EIGHTH
They have furnished water to the needy and have cut none off because unable to pay for same.

NINTH
They have run your City on a cash basis and paid all current bills and paid some old bills. The City employees have not had to take script and discount same in order to get their pay, as some cities have done.

TENTH
They have run your City on an economical basis and yet they have made many needed improvements. Look over our streets and see what has been done for them. Look at our cemetery and see what has been done to beautify it. They have one of the best and most efficient Sanitary and Health departments with capable employees in each. The Police department has functioned well and kept down crime as no other city near by has done. The Street and Water departments have been handled in a most pleasing and satisfactory way, and they have a splendid FIRE DEPARTMENT working cooperatively. The City commission has added improvements to this department to the extent of about \$7,000.00.

ELEVENTH
They have worked together cooperatively for the best interests of your city.

RE-ELECT BURNETT, HENDERSON, and WINSTON, for you KNOW what they will do! Vote for all three of them, whether you like them personally or not. They will work for your interests. The interests of their City and its Citizens are also their interests.

Show your appreciation for these men and vote for BURNETT, HENDERSON, and WINSTON.

Friends Of The Present Administration.

WHALES PLAY
HONOLULU — (UP) — Hundreds of whales again are reported in Hawaiian waters, for almost the first time since whaling vessels invaded this part of the Pacific a century ago. Spouts can now be seen almost daily and never fail to result in a rush of tourists and residents to Koko Point, Diamond Head and Waikiki beach.

Skeleton Case--

CONTINUED FROM PAGE ONE

1233, instead of being at the McBees as he testified.

Mrs. Ina Watts of Baird, former Eastland county resident, testified with her husband visited Mr. Henry Dec. 1932 at Mrs. Henry's home.

Mrs. Henry asked her if "I knew Raymond was her new sweetie."

Mrs. Watts quoted the co-defendant as informing her,

"You're a liar."

John Freeman who lives south of Rising Star stated Tyler and Smith was at his home May 1933 and tried to obtain a quart whiskey. Freeman told them he would not have any whiskey, he said the witness declared he thought he saw Jack Smith at a vacant house from his residence. He stated and Lynn Smith joined them when he believed Jack Smith the group carried someone from house to the groups automobile.

The witness admitted to Flewellen being indicted for selling and receiving a three-year suspended sentence. He also denied using a shotgun to force Smith off his premises.

After one of the main witnesses, Sunday, arrived late, for his testimony delivered Wednesday. He expected to the court his car caught en route to Eastland from

After the court had instructed Virge Foster to arrest the and bring him to court.

Tyler said Raymond Henry hit Watson on the head with a bottle at his home after the skeleton married Mrs. McBee said Raymond hit Watson because the latter had taken Mrs. Henry a drink of whiskey. The and from the wound remained on floor, Tyler said.

Wednesday afternoon Flewellen testified that officers hadn't blood stains in the Tyler's house, but did not question him.

The huge crowd evident at Tuesday sessions was equally as large Wednesday. Many who attended left their lunch. Atmospheric conditions was attributed as a woman one woman fainted in the courtroom Wednesday morning.

Drinking for water occasionally, Tyler lit his cigarette after holding a lighted in his hands for a long time.

T. R. Crosswhite made a dramatic witness Tuesday in the skeleton slaying trial of Raymond Henry, 25, who is charged with murder of H. L. McBee at Rising Star, May 1, 1933.

Answering attorneys' questions at seemingly meditating deliberately before responding to their questions, Crosswhite told the jury of his acquaintance with Henry worked under him in his rube delivery business.

The witness told jurors how he had with Henry at McBee's on May 1, 1933 and visited with the couple, the wife who is the mate of the defendant.

McBee was in bed, Crosswhite testified earlier to his high-point memory in which he declared he Henry run from the house an ice pick in his hands, his "glassy."

Reason for the call was for owing of a "rheumatism belt," Crosswhite told jurors. He with rye came into the home and later McBee, now Mrs. Henry, gave the belt.

Blake, Brown county, resident, declared did not approve affections displayed by Henry Mrs. McBee behind her husband's bed and he walked out, waiting for Henry.

sat in the car for two minutes, heard just a little noise—like a sliding—and a door slammed. Raymond came out and I saw this pick in his hand. His eyes were kind of glassy," Crosswhite testified.

He jumped in the car and got drunk. I asked him "What in God damn hell, have you gone crazy and lost your sense?"

Several days later Henry and Crosswhite were asked by McBee's attorney, "Have you seen my daddy?"

"He's gone and we can't find him," I said "Raymond who is it boy?" and he said "that's McBee's boy."

On the state's urgency, Crosswhite of a visit by Mrs. McBee her husband's grave.

It was this past year, couldn't positive about the date, we were here at Eastland. We got in my and drove to the cemetery. It is the first time she had been to a grave since he was buried.

"The grave was sort of sunken and Mrs. Henry broke down and wept."

"She said regardless of what had happened, that man will always be the father of her child and the guilty ones would be punished for it."

"Raymond Henry was standing there and said 'I don't see why ought not to be stabbed three times with an ice pick and hanged a tree.'"

The "sunken grave" had not been mended to, Crosswhite stated. The location of the grave was in the summer of 1935, Crosswhite stated.

He admitted under cross examination he had been in jails at Eastland, Coleman, Brownwood, Wington, New Mexico.

He stated he had been charged in pipe line theft and sale of liquor.

Crosswhite admitted he realized the danger of being a stool pigeon after interrogation by L. H. Swellen of Ranger.

Testifying substantially identical as he delivered at a recent habeas corpus hearing for the Henry's, E. "Sandy" Tyler of Lela Lake, Wiley county, told of his unwilling participation in the obvious burglary of McBee.

Tyler was charged by implication

of Flewellen as the guilty party in the McBee death.

Flewellen fired this question at Tyler and was answered in equal clarity with an emphatic "no."

"Isn't it a fact that you killed H. L. McBee?"

Attorneys wrangled several minutes over questioning of the witness on whether he had ever been indicted for chicken theft, finally the witness admitting he had been indicted for the alleged offense.

He said he went to McBee's home May 1, 1933 and Jack and Lynn Smith and Henry were at the home.

(Jack Smith, 40, was adjudged a suicide after his body was found, his throat slit by a razor blade, in the county jail. His brother was formerly charged with Jack with murder in the case but the murder allegation in the indictment was dismissed, which had the result of a charge alleging being an accessory in the case remaining.)

He came to McBee's home and saw him on the bed.

"They said he was sick. His head was laying towards the east and he was on his right side."

"I asked him what the trouble was and he said Raymond Henry stuck him with an ice pick that morning."

"I told him I was going to get a doctor; they wouldn't let me. Raymond wouldn't let me go."

"Me and Jack and Lynn Smith and McBee went to get some whiskey in Lynn Smith's car. We went to John Freeman's."

"We drove up there and said we wanted whiskey for McBee," Tyler continued.

The witness stated McBee and Jack Smith were left at a vacant house while the others tried to get the whiskey. They returned home to McBee's after the unsuccessful whiskey quest.

"We carried McBee to the house and laid him on the bed. Pete Fenwick was there with Mrs. McBee and Henry."

"I told him I was going to get a doctor and Raymond Henry stopped me."

The witness told jurors he was instructed that Henry didn't need a doctor and the door was thumbed by Henry to prevent his exit.

"Telling him to keep quiet about the matter, Tyler said he was advised and threatened: 'They said they would blame me if I said anything about it.'"

"(McBee) showed me where Raymond Henry stuck an ice pick in him that morning. It was on the left side and he pulled up his undershirt and showed me a blue spot where he said Raymond stuck him."

Later the group — Raymond Henry, Jack and Lynn Smith and Pete Fenwick—came to his home and replied to his question now McBee was getting along by saying, "We put him away alright."

"Raymond Henry said they had to do something with McBee and so he and Mrs. McBee went in and got a quilt."

He put the quilt and something wrapped in it in an old model-T car, Tyler testified.

The group obtained a wire off his clothesline and Tyler was instructed to get in Smith's car, the former said. They passed Broughton's residence, where the youth who later found the skeleton lived, on the way to the cemetery.

"Boys I don't want to go," Tyler testified he told the group.

"You can stay in the car, but be here when we get back," Tyler testified he was instructed. They raised the turtleback and got the quilt."

"They returned in about an hour," Tyler testified he was instructed later by Mrs. McBee to keep quiet and say the same thing before the grand jury or "we'd get in trouble."

Tyler admitted to Defense Counsel Flewellen that he had lied to previous grand jurors. He stated his silence was caused by threats on his life. "They even threatened my life if I told my wife," Tyler said.

The witness endeavored to make explanation of the finding of blood in his home by officers, but was told by Flewellen he would get to that later.

"I can explain that," Tyler stated. "This testimony was made following the defense accusation by implication of Tyler in the alleged death."

"Why don't you ask about that blood," Tyler challenged the defense attorneys.

He paid tribute to McBee by saying he "sure did like him." He was a quiet, peaceful man. He had threatened to kill himself."

Tyler quoted the deceased as saying "I'll just turn you (Mrs. McBee) over to Raymond Henry and let him have you."

"Blonde-headed baby" was the term used by Mrs. McBee in describing Henry, Mrs. M. E. Tyler, wife of the prominent witness in the trial testified.

Mrs. McBee moved to her home three weeks after the disappearance of McBee, the Mrs. Tyler testified. She said she found clothing, later found on McBee's skeleton, in her home. The clothing, including a highway man's badge, was missed later.

The group mentioned by her husband came to her home and put on the hat and jacket: "That's the way old man McBee used to wear it," Mrs. Tyler declared.

She stated she overheard Mrs. Henry, the former Mrs. McBee, tell a group mentioned by her and her husband "We'll all have to stay together on this or we'll get in trouble."

The Smiths, Pete Fenwick and Raymond Henry came to her home several weeks after McBee's disappearance and left with her husband, Mrs. Tyler testified. Mrs. Henry, who also came with the group, remained at the home, it was testified.

She denied a companionship with McBee.

Mrs. Tyler identified wire which the state contends was used to suspend McBee's skeleton from a tree

as the same which she used as her clothesline.

"I missed it because I was always stumbling on it," the woman said. She said she had been confined in jail at Coleman and was shown a piece of quilt which the state alleges was used to cover McBee before he was buried.

She "didn't tell all to a grand jury because she thought her husband was mixed up in it," Mrs. Tyler told counsel.

She had been instructed by her husband: "Be careful what you say or you'll get yourself in trouble."

Mrs. McBee left her home after she admitted her not to be affectionate with Henry in the presence of her children, Mrs. Tyler declared.

"She told him 'not to be affectionate around the children.'" She told Mrs. Henry, McBee this after observing her with Henry on the bed in her home, Mrs. Tyler said.

Henry's and Mrs. McBee's marriage plans were announced to her Sept. 1933, Mrs. Tyler declared when she testified they drove by her home from Eastland, Mrs. Tyler was on the stand one hour and forty-five minutes.

BANQUET AT MOBLEY HOTEL ATTENDED BY 44

Moving selection banquet at the Mobley hotel Tuesday night, when 44 West Marting distributors for Eastland and Callahan counties assembled for the organization and their wives to the regular bi-monthly meet, making a gathering of 25 people.

Those present were J. T. Baum, Cross Plains; Mr. and Mrs. R. T. Willett, Rising Star; Mr. and Mrs. G. E. Norris, German; Mr. and Mrs. L. J. Whitfield, Ranger; Mrs. Elva Gomez, Ranger; Regional Manager, Charles T. Johnston and Mrs. Johnston, Abilene; Inman Ekiles, Cisco; Mr. and Mrs. S. B. Fisk, Cisco; K. B. Hancock, Eastland; Mr. and Mrs. R. B. Parks, Eastland; and Mrs. J. B. Curry, Cisco.

Preston Broxton had charge of the meeting.

Rev. E. F. Cole, visiting pastor-evangelist from Lamesa, who is doing the preaching at the Baptist revival, spoke for the hosts on cooperation of the forces of a community and what it means to a city.

Chief Police M. L. Perdue replied for the guests and emphasized the importance of backing up the law enforcing body. He was grateful, he said for Ministerial backing that he and his department had received.

Mrs. W. H. Cole, wife of the pastor of the First Methodist church, gave a reading on "Fishing in Heaven," which was endorsed so liberally that she gave a little story about the bravery of father who was afraid of no one but mother.

Those present were: E. F. Cole, Lamesa, M. S. Agnew, W. H. Cole, O. Gustafson, M. L. Perdue, E. O. Hendricks, F. D. Pierce, H. C. Henderson, J. R. Burnett, H. S. Stubblefield, W. H. LaRogue, W. R. Winston, J. B. Cate, J. T. Berry, W. M. Warren, M. H. French, J. E. Curry, John A. Seclaff, Fort Worth, D. F. Tyndall, W. J. Foxworth, L. J. Eppler.

Luther Pryor, Preston Broxton, E. S. James, C. D. Phillips, Mrs. M. H. French, Mrs. M. L. Perdue, Mrs. F. D. Pierce, Mrs. D. F. Tyndall, Mrs. M. F. Broxton, Mrs. J. R. Burnett.

The case workers headquarters will be in Eastland, Cisco, and Ranger, whose city commissioners are paying one-half the cost with the county.

Several from this community attended the county track meet at Cisco Friday and Saturday.

Mr. and Mrs. Brit Dudley had as their dinner guests Sunday, Truman Beem, O. B. Dudley and Miss Juanita Wood.

Mr. and Mrs. Bennie Kinard, Miss Lucille Furr, Miss Ruby Nell Beem, Mr. Ace Howard and G. W. Stone attended the Fifth Sunday singing Sunday afternoon in Cisco.

Mr. and Mrs. Bud Gage and J. T. Kinard spent the weekend in Knox City with Mr. and Mrs. Bob Gage. Lawrence Haygood of Levelland is here visiting relatives.

Mrs. J. T. Poe and Mrs. Brit Dudley were shopping in Eastland and Ranger Saturday.

Mrs. J. T. Kinard and son, Royace spent Sunday with Aaron Gage and family.

C. B. Poe is visiting in Eastland and Cisco this week.

Willard Sutton who is attending Randolph college visited his parents Monday and Monday night.

Misses Annie and Jessie McFall visited in Levelland last week.

Alex Halima and family were in Eastland Saturday.

Eldon Boutler of Cisco spent Monday night in the Cecil Sutton home.

Let us figure your next job of printing. Our job printing department is equipped to serve your needs.—Phone 80.

COUNTY RELIEF CASE WORKERS ARE APPROVED

EASTLAND, March 28 — T. A. Wells, district relief administrator advised County Judge Clyde Garrett by long distance from Abilene Saturday that case workers recommended by Cisco, Eastland and Ranger in their cooperative relief plans with commissioners court had been approved.

The approval was given by the T. R. C. at Austin. Approved case workers were: Mrs. Jewell Reeves, Eastland; Miss Louise Rust, Ranger; and Miss Elsie Glenn, Cisco. Administrator Wells will meet with these case workers at 1:30 p. m. Thursday at Eastland for discussion of their duties which will include distribution of surplus T. R. C. commodities and investigation of eligibility of prospective clients.

The case workers headquarters will be in Eastland, Cisco, and Ranger, whose city commissioners are paying one-half the cost with the county.

LONG BRANCH BY LUCILLE FURR

Several from this community attended the county track meet at Cisco Friday and Saturday.

Mr. and Mrs. Brit Dudley had as their dinner guests Sunday, Truman Beem, O. B. Dudley and Miss Juanita Wood.

Mr. and Mrs. Bennie Kinard, Miss Lucille Furr, Miss Ruby Nell Beem, Mr. Ace Howard and G. W. Stone attended the Fifth Sunday singing Sunday afternoon in Cisco.

Mr. and Mrs. Bud Gage and J. T. Kinard spent the weekend in Knox City with Mr. and Mrs. Bob Gage. Lawrence Haygood of Levelland is here visiting relatives.

LOCAL MEN BUY CISCO NEWSPAPERS

Purchasing the stock of the Cisco Printing and Publishing Co., owned by Newspapers Inc., W. H. LaRoque and Truett LaRoque of Cisco, and Walter Murray, of Mineral Wells, become the owners and publishers of the Cisco Daily News, and American and Roundup (weekly), established 1919 and 1881, respectively.

W. H. LaRoque is retained as manager and editor, with Truett LaRoque in charge of advertising. There will be no change in the personnel of office or shop.

The Cisco Daily News was organized by B. S. and Frank Huey in 1919 and was consolidated with the Cisco American in 1924, coming under the management of A. B. O'Fishery.

In 1929, the stock of Mr. O'Fishery and others, was purchased by Newspapers Inc., and has since been published under the local management of W. H. LaRoque.

The Roundup, one of the oldest newspapers in Texas, was consolidated with the American in 1924, and has since been published as the American and Roundup, entering now on its 55th consecutive year in Cisco.

The Cisco Daily News during its seventeen years of service and the American and Roundup with its more than half-century continuous service to the rural population, have built much goodwill among their readers and a 100 per cent paid circulation in both city and country that blankets the entire trade territory.

Both of these papers have sought to be leaders in the development of their community. They have not catered to any clique or clan, endeavoring at all times to be newspapers for the whole community. They have always stood squarely for every moral issue and expect to continue that policy. Having served Cisco and her rural trade territory faithfully all these years, they now ask the moral support of the citizenship that they may continue to serve, the whole people faithfully and sincerely, aiding in every worthwhile enterprise that may make Cisco a better place in which to live and her people more prosperous and happy.

Former Ciscoan Is Killed In Blast

Word was received Saturday of the death of a former Ciscoan, Bob Whitman, of Abilene who was instantly killed at 4 p. m. Friday in an explosion of the generator tank of welding equipment he was loading on a truck on the Humphrey lease near Hawley.

Lester Phillips, welder for the Johnson Machine shop in Abilene, whom Whitman was assisting, was standing near the truck and was badly shaken, but unhurt.

Survivors of Whitman are his parents, Mr. and Mrs. A. W. Whitman, Abilene, a brother, Lye, and a sister Mildred Whitman. The family moved to Abilene from Cisco four years ago.

High School Glee Club Wins Contest

In a contest sponsored by the Hardin-Simmons University of Abilene, the Cisco high school glee club won first place over Roby high school. The contest was held Saturday, March 28. The boys glee club sponsored by Miss Lucile Robinson, was organized after mid-term and consists of only 19 boys.

In the soloist contest for girls, Dorothy Jean Walker also of Cisco high school won first place over the Coleman entry. Miss Walker is a member of the high school choral club, which is directed by Miss Ella Andrews.

Eddie Dolgener, one of the glee club members won third place in the soloist contest for boys, having worked on this contest for only two weeks. Six schools entered this division.

S. H. Nance Attends Sister's Funeral

Funeral services for Mrs. W. L. Greer, age 69, only sister of S. H. Nance, of Cisco, were held at the First Methodist church at DeLeon Monday afternoon at 2:30 o'clock.

Mrs. Greer was born at Falcon, Ark., and came to Texas in 1880, making her home at DeLeon where she resided until her death Sunday at 12:30.

and two sons, O. B. Bragg, San Antonio; C. O. Bragg, Desdemonia; and a step son, Dr. Bas Greer of Lockney; seven brothers, B. L. Nance, Phoenix, Ariz.; T. H. Nance, and E. M. Nance, of DeLeon; W. W. Nance, Fort Worth; E. W. Nance, Houston; and S. H. Nance, Cisco.

CARD OF THANKS

We wish to express our sincere thanks to friends and neighbors who so graciously came to our assistance in the recent illness and death of our loved one. We wish especially to thank the good women, who so tenderly cared for her during the almost nine years she was ill. We shall always be grateful for every kind word and every beautiful flower. Words are inadequate to express our thanks and appreciation to Dr. Graham and Dr. Waddell, who worked so faithfully and tenderly to relieve the suffering. For all this we are deeply grateful and our prayer is that God will bless you all.

A. G. MOTOR COMPANY

Phone 52 ANDY AND JACK ANDERSON 6th and Ave. D

Every year, the Humble Company receives thousands of voluntary comments on Humble Service Check Cards from Texas motorists and out-of-state visitors. These cards tell their own story of courteous, helpful service, of clean stations, of spotless restrooms. Humble Station men take a justifiable pride in these comments from their customers.

Humble Service Stations are carefully designed and landscaped to make them attractive features of the neighborhoods in which they are located. They are fully equipped for your comfort and the expert care your car requires. Humble men are proud of the Stations which they man, and this Centennial year, they are putting their best foot forward.

Restrooms at Humble Service Stations are as carefully kept as your bathroom at home. Many of them are tiled—all of them are spotlessly clean and sanitary. They are equipped with every modern convenience for your comfort.

In a recent study of Humble Service Check Cards mailed to this Company by Humble customers, nearly half the comments complimented Humble Service Station men on their friendly courtesy. These trained men render the kind of service which motorists find helpful.

We make no exaggerated advertising claims for Humble products, but we do say, you'll find them definitely second to none. We ask you to try them in your own automobile; to test Humble Motor oils and Humble motor fuels under your own driving conditions. When you do, wears away clogging mucus, brings home relief.

"We invite you to stop for Service where you see the HUMBLE sign"

"We'd like you to come in, to get acquainted with us, to try our service and our products. Whether you use your car on the highway or mostly in town, we believe that you'll like our Stations: we make it a point to keep them attractive and clean, and the Company has equipped them for your comfort. Spotless Humble restrooms are proverbial throughout the state; ice water is always handy; free air and water are available for

your car; even first aid kits and fire extinguishers are provided. We know our Humble products are definitely second to none... With the Company behind us, we're doing everything we can to make driving an automobile in Texas pleasant, comfortable and care-free. As homefolks representing a homefolks institution, we invite you to stop for service where you see the Humble sign."

Chief M. L. Perdue Asks Cooperation

People forget to cooperate with the fire department and hinder their services in fire fighting, said Chief of Police M. L. Perdue Saturday in discussing the acts of citizens in blocking the efforts of the firemen Thursday night, driving across the hose, causing two breaks and making it necessary to lay 2,000 feet of line in order to get water connections.

"We would regret it if it should become necessary to deal harshly with the public in a matter of this kind, but firemen are serving the public in their efforts to save property damage. It might be your property next time, and crowding the department is a serious offense against the best interest of the city which the fire department serves," continued the chief.

"Please remember and heed this warning, he asks: "When the whistle blows, immediately park your car, if in motion and give room. If you go to the fire do not park within two blocks of the blaze and by all means do not drive across the hose."

COLLEGE BARS KNITTING

GRINNEL, Ia. — GJ—Co-eds at Grinnell college no longer can take their knitting into the women's dining hall. College authorities said the click of the needles makes conversation well-nigh impossible.

MAYTAG FORCE HEAR LEADERS ON SALES-SHIP

President Walter Rogers, of the Maytag company, was present and made the principal address at the Maytag salesmen banquet at the Laguna hotel Tuesday night, when S. R. Wood, Maytag distributor for Eastland and Callahan counties assembled his organization and their wives to the regular bi-monthly feed, making a gathering of 25 people.

Those present were: J. T. Baum, Cross Plains; Mr. and Mrs. R. T. Willett, Rising Star; Mr. and Mrs. G. E. Norris, German; Mr. and Mrs. L. L. Whitfield, Ranger; Mrs. Elva Geertz, Ranger; Regional Manager, Charles T. Johnston and Mrs. Johnston, Abilene; Inman Ekiles, Cisco; Mr. and Mrs. S. B. Fisk, Cisco; K. B. Hancock, Eastland; Mr. and Mrs. S. B. Parks, Cisco; Arthair R. Wood, Cisco; Mrs. S. R. Wood, Cisco (S. R. Wood, unable to attend on account of flu).

Music furnished by Harry Schaefer, Ernest Hiltson, Dick Thomas, J. C. Pelfrey and S. B. Parks.

It was announced that S. R. Wood will take his entire organization to the Centennial, and it was further announced that Wood's organization still leads in the state Maytag campaign.

LOBO BAND ADD 3 NEW PIECES TO COLLECTION

The new King, giant BB-flat, Sousa-phone, just purchased for the Lobo band by W. J. Leach, band committee man, and R. L. Maddox, director, is a big addition to the musical repertoire that will be available to music lovers and Lobo fans now, said these gentlemen in discussing the purchase. The regular retail value is \$450, said Mr. Leach. The instrument weighs 30 pounds and is one of four in the state. It is a thing of beauty as well as being a giant in size, silver body with gold bell.

This makes the third new type of instrument added to the instrumentation of the Lobo band. The other two recently added are Oboe and flute.

Other instruments which Mr. Maddox hopes to include during the next year or two are a band bassoon, alto clarinet, baritone saxophone and tympani, in order to make a perfect instrumentation.

NO "SOUND EFFECTS" WITH ELECTROLUX, THANK GOODNESS!

SILENCE is more than a comfort

... IT'S A PROMISE OF LASTING EFFICIENCY

Thanks to the utterly different way it operates—without machinery, without noise—only Electrolux can bring you all these big, long-life advantages:

- NO MOVING PARTS TO WEAR
- LASTING EFFICIENCY
- FULLEST FOOD PROTECTION
- SAVINGS THAT PAY FOR IT
- CONTINUED LOW OPERATING COST

LISTEN! But you'll hear no noise from the operation of Electrolux! A tiny gas burner takes the place of all moving parts in this permanently silent refrigerator! This simpler, more efficient way of refrigerating is the reason why more than half a million American families have already chosen Electrolux... why more and more families are choosing it every year!

For Electrolux insures an unusually low operating cost... and this cost will never be increased through the inefficiency of moving, wearing parts. What's more, you can count on a minimum of repairs with Electrolux... for parts that do not move cannot wear.

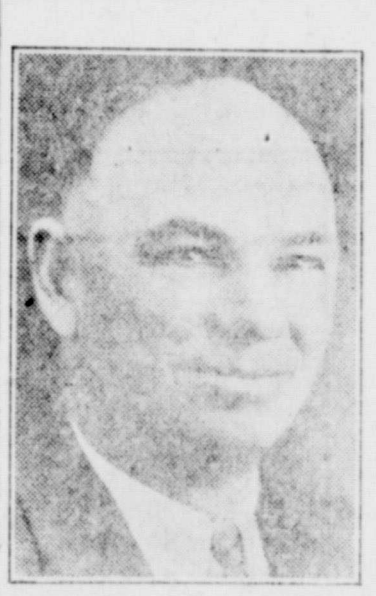

And Electrolux brings you other savings! It provides constant food-preserving temperatures 24 hours a day... plenty of big cubes. Owners report that Electrolux actually saves enough on food bills and on running cost to pay for itself.

See Electrolux on display at our showrooms. The new 1936 models are more convenient, more beautiful than ever. And they bring you all these famous operating advantages that make Electrolux the most economical refrigerator any family can own. Come in!

Built to give you years of good service at low cost

THE ASSURANCE we offer you is not in words only—it is built into the very substance of the Ford V-8 itself. The Ford name is your certificate of quality and the car is its proof. It will serve you faithfully, economically and well for many thousands of miles.

Ford policy builds soundly and substantially, in the interest of the public. There are no experiments. Improvements are made on the firm foundation of experience. Everything new must prove its genuine value and lasting benefit before it is put into production.

A consistent plan controls all Ford manufacturing. There is no confusion in design or contradiction in practice. Certain proved principles are carried out in the Ford, the Lincoln, and the Lincoln-Zephyr. These three cars differ in price and purpose, but they are alike in important fundamentals. All have a full torque-tube drive... safe, sure mechanical brakes actuated by solid-steel brake rods... double-acting shock absorbers... steel wheels... and Safety Glass throughout at no additional cost. All have the V-type engine.

By concentrating on this one type of engine, the Ford Motor Company has brought it to a new peak of efficiency. And created new, higher standards of motor car value.

"V-type" is the distinguishing mark of the world's finest power plants—on land, on water and in the air.

Precision Manufacture

Ford, Lincoln and Lincoln-Zephyr motor cars are made to unusually close precision limits and all to the same standards of mechanical accuracy. Inspection and production gages are checked constantly by Johansson Gage Blocks, recognized as the world's standard of measurement.

FEDERATION OF WOMAN'S CLUBS MEETS APRIL 6

The twenty-first annual convention of the Sixth District of the Texas Federation of Women's Clubs, of which Mrs. William Reagan of Cisco is parliamentarian, will convene at Abilene, April 6, 7 and 8. The district of which Mrs. Joseph M. Perkins is president comprises 46 West Texas counties and will furnish some 300 delegates to the session.

Chief item in the business sessions, said Mrs. Perkins, will be division of the district and formation of the Eighth District with the election of officers for both Wednesday, April 6. The new district will be composed of 21 counties.

Division of the 70,000 square-mile district will facilitate traveling of the district No. 6 officers who have experienced inconvenience in the past, Mrs. Perkins stated.

The 22 member clubs of the Abilene city federation are the hostess organizations. Planning the convention there are the federation officers.

COUNTY LOSES HIGHWAY MEN TO ABILENE

Transfer of Texas Highway Patrolmen Morgan Myers and Ernest Daniels from Eastland county to Taylor county as a result of a re-districting by Public Safety Department officials becomes effective Wednesday.

Myers and Daniels have been located in Eastland county since Dec. 13, 1931, patrolling a district which took them to Palo Pinto, Abilene, Stephenville, Breckenridge, Rising Star and Cross Plains.

They will be among six patrolmen and an inspector in the Abilene district which includes territory from Weatherford on the east to Big Spring on the west. Coleman, Brownwood, Hamilton, Haskell and Breckenridge are in the district.

The transferred patrolmen have cooperated with officers of Eastland, Ranger, Cisco and the county during their stay at Eastland.

Particular observation was made by the patrolmen to overloaded trucks.

Safety drives were conducted by them in cities of the county indicated with the American in 1924, and has since been published as the American and Roundup, entering now on its 55th consecutive year in Cisco.

The Cisco Daily News during its seventeen years of service and the American and Roundup with its more than half-century continuous service to the rural population, have banked much goodwill among their readers and a 100 per cent paid circulation in both city and country that blankets the entire trade territory.

Both of these papers have sought

Oil Belt Gun Club Elects Officers, '36

Leu Mendelhall, of Cisco, was elected a director of the Oil Belt Gun club Sunday when new officers were chosen to direct the activities for another year.

The election took place at the gun club range, near the intersection of the Cisco-Eastland-Breckenridge roads about eight miles north of Cisco.

John W. Turner of Eastland was elected president succeeding Sam Butler of Eastland; A. H. Rhodes of Eastland was elected vice president, succeeding Guy Ewing of Breckenridge and C. J. Rhodes of Eastland was elected secretary-treasurer succeeding Roy Allen, Eastland.

New directors are Guy Ewing of Breckenridge, William Pardue of Breckenridge, E. F. Latham of Ranger, Lou Mendelhall of Cisco, and Sam Butler of Eastland.

Former directors were Jack Roach of Ranger, Hugh Knight of Breckenridge, F. D. Wright of Cisco, Jim Horton of Eastland and George Lefebvre of Albany.

The new president announced Monday the club's opening shoot of the season Sunday afternoon at 2 o'clock. Invitations have been sent to shooters at Albany, Sweetwater, South Bend, Abilene and Brownwood. One hundred and fifty are expected to participate.

Bridge tables will be arranged for the ladies and refreshments will be served to shooters throughout the day. A supper for stockholders and their guests will be held at the clubhouse Sunday evening.

A shoot similar to the "turkey" event held in November is programmed for the Sunday affair.

Organized June, 1915, the club boasts one of the most complete ranges in the section, has 67 stockholders and 306 associate members.

84 Additions To Breck Baptists

Closing with 84 additions to the church, the revival meeting at the First Baptist church at Breckenridge with Rev. Phillip C. McGahay doing the preaching has drawn the largest crowds of any time during the past few years.

With 31 additions by letter and 53 by baptism, the church has been greatly strengthened in spirituality as well as in numbers, the pastor reports.

HUGE OYSTER SHELL FOUND

SANTA CRUZ, Cal. — (UP)—C. R. Look found an oyster shell 12 inches long and 5 inches wide. The oyster was missing.

BLACK-DRAUGHT NEXT TIME YOU NEED A LAXATIVE

For constipation, take a dose of Black-Draught as soon as you realize the condition you are in. "If I am bilious, have headache or a cold, I take a dose of Black-Draught at night," writes Mrs. R. D. Thaxton, of Lexington, Ga. "If I have a bad feeling after meals, I take just a pinch of Black-Draught. It relieves me. I recommend it very highly—a good family medicine. I give my children Syrup of Black-Draught. I find both good."

Black-Draught paves the way for the relief of many such symptoms as those mentioned above, when constipation is at the bottom of the trouble.

Just try it! Follow the directions carefully and you'll probably learn why Black-Draught is so popular.

Ranger Wins All Matches Sunday

Ranger made a clean sweep of the 11 matches played with Brady players in the first of the Mid-Texas Golf Association matches this year, the only close match being when Jack Mooney turned in a score of 1-up to win. The next closest was a 2-1 victory for Bob Earnest.

The individual scores of the matches were as follows:

Bob Earnest won from D. A. Harkrider, 4-3.
H. G. Foy won from H. K. Adkins, 7-6.
J. S. Brimberry won from B. A. Hallum, 7-6.
H. H. Vaughn won from I. O. Mayhew, 6-5.
Jack Mooney won from I. Y. Collum, 1-up.
Roy Trower won from Pat Malone, 7-5.
Bob Earnest won from O. L. Whitefield, 2-1.
Frank Hicklin won from H. L. Wood, 6-5.
O. M. Moore won from Clyde Hall, Jr. 6-7.
Elmer Morris, Jr. won from Ira Mayhew, Sr. 7-6.
R. H. Snyder won from Evans J. Adkins, 6-5.

On account of the disturbed condition of the local golf grounds, incident to the building of grass greens, Cisco did not participate in the matches this year, announced J. E. Caffrey, president of the local Country Club.

Modern Safety Deposit Service

Remember — To buy in quantities is to buy economically

Now —

Buy your electricity in bulk
The more you buy . . . The less you pay!

Low incentive rates are the keynote to your best economy. Count your hours by kilowatts and figure what the step-downs in rate are giving you . . . in service . . . in terms of your monthly bill. The more you use electric service, the cheaper, accordingly, your rates become. In actual fact, by figuring proportions—the more you use, the less you pay. Every home should be well-lighted for appearance's sake. Everyone appreciates the labor-saving, time-saving value of Electrical Appliances. Go by the long-tested, long-proved idea—Quantity buying is saving of money. Buy your electricity in bulk. Give yourself additional service in lighting and in appliances, and lower your bill in proportion to the amount of service you use. Heat water and cook by clean, safe electricity. Use the electric refrigerator and keep foods fresher and longer. That saves money on food bills. Preserve the health of the household by being sure that milk, cream, meats and fruits are fresh through electrical protection. Sweep with a vacuum cleaner. Twice as easy, and much cleaner. Toast bread, make coffee, run a sewing machine, wash clothes, iron them—electrically, and save money, time and energy. Use your electricity in bulk and further prove the theory by practice.

Defense in Henry Trial Uses Alibi Witnesses

MANY TAKE STAND TO TELL OF CHARACTER

Witnesses testified that the reputation of Raymond Henry, being tried in 88th district court, Eastland for the death of H. L. McBee, 1933, is regarded high in Rising Star and that of state witnesses who testified against the defendant was heard by jurors Thursday afternoon.

Witnesses who testified on Henry's reputation and state witnesses T. R. Crosswhite, M. E. "Sandy" Tyler, and Pete Fenwick were:

E. F. Bucy, Rising Star contractor; W. A. Williams, of Rising Star; Tom Montgomery, Rising Star farmer; B. M. Carrell, Rising Star farmer; Jess Parker, Andrews county ranch worker and former Rising Star resident; B. A. Bellers, Rising Star carpenter, and Sterling White, Rising Star farmer.

Alibi witnesses who testified they saw Raymond Henry, 25, at the home of John Proctor with whom he lived at Rising Star on May 1 and 2, 1933, dates when the state alleges marked H. L. McBee's death and burial, were heard in 88th district court at Eastland Thursday.

E. L. Walker, 67, of Brownwood stated he saw Raymond Henry "if I'm not badly mistaken" at the residence of Proctor May 1. The witness was uncertain of Henry's identity Monday, May 1 because he stated he only saw the man who drove to Proctor's residence and was pointed out to him as Henry.

The Brownwood witness stated he was introduced to Henry Tuesday, May 2 and spent the evening with Proctor and a group.

J. O. Petty of O'Donnell, Lynn county, stated he was at Proctor's home May 1 and the following two days and noted the presence of Henry on those dates.

A state witness Wednesday stated Henry said he killed McBee with an ice pick on May 1 and May 2 the body was buried. Prominent in the description of scenes previous to McBee's death was state witness Pete Fenwick.

C. G. Shultz, Rising Star postmaster stated Henry enjoyed a good reputation in his community.

Cecil Shultz, the postmaster's son, who is a Rising Star grocer described the defendant as "a man of his word."

Miss Vada Switzer, bookkeeper and telephone operator for the Home Telephone company at Rising Star, described the placing of McBee on Wednesday following the disappearance of McBee.

(Mrs. McBee has since married the defendant and is charged with murder. Her case is set for May 18.)

Miss Switzer testified:

"I was at the telephone booth alone when she (Mrs. McBee) came in. She was crying and said she wanted to place a call to Mr. McBee at Eastland.

"I asked her if something was wrong or if someone was sick. She said something else was wrong. She said Mr. McBee left her that morning."

Mrs. McBee was shaking with sobs at the booth," Miss Switzer asserted.

Defense Counsel L. H. Flewellen asked the witness to obtain a record of the call which she said was in the home office of the company at Baird.

Terry Clark testified he saw Raymond Henry April 30, 1933. Henry was with John Proctor, Clark declared. In company with Pete Fenwick, the witness stated he went to McBee's home Monday afternoon.

Mrs. McBee stated her husband "left that morning," Clark testified.

Joe Proctor of O'Donnell stated he was at the home of his brother, John, at Rising Star May 1 and saw Raymond Henry. Proctor stated Henry was also there Tuesday.

Mark L. Vrey, Rising Star barber, and C. R. Martin, shoe and harness repairer at Rising Star, were other character witnesses for the defendant.

Wednesday afternoon's session was marked by the refutation of testimony and earlier decision of the state was present at this session of McBee and Henry was... Dick Fenwick, brother of... and Raymond Henry was... of... each day... stab wounds... Sunday.

H. M. C. Postman

First It's Flood Then Mumps!

All by himself, bandaged so that he resembled an Easter bunny and playing solitaire, young Robert Parks let other Pittsburghers clean up their flood-stricken city, while he devoted himself to whipping a "swell" case of mumps. Other children were left in relief quarters while parents began spring housecleaning on a scale never before known in the steel city.

GOV. HOFFMAN GOES BEFORE GRAND JURY

TRENTON, N. J., April 2—(UP)—Bruno Hauptmann's chances of escaping the electric chair tomorrow night increased rapidly today as the grand jury opened new lines of inquiry in its consideration on the case.

Governor Harold Hoffman, who believed Hauptmann "did not commit the crime alone was the first of several new witnesses to be brought before the Mercer county grand jury indicating that their investigation might extend far beyond 8 p. m. Friday, time set for the electrocution.

There was no official word from the jury as to how far it would inquire into the murder, and the case of Paul Wendel, who wrote and repudiated a confession of crime.

But with the appearance of the governor to urge the mystery be solved before Hauptmann be put to death; with the preparation of Attorney General David Wenzel to go before the jury in opposition to any such delay; and with report that Dr. John Condon who paid \$50,000 ransom to the kidnapers four years ago would be unable to complete his inquiry before the hour announced for electrocution.

Kean To Assist In Tax Collecting

O. W. Kean has been employed by Rex Ragan, to assist in the school tax program now being waged for more money with which to carry on the public schools.

Mr. Ragan expresses the thanks of himself and the school board for cooperation already extended and expects to so arrange his program as to have money used for collection expense, returned to local people.

MINERAL WELLS WANTS HOMES, HOUSE GUESTS

"Wanted, 1,000 beds" is the headline of a front page editorial carried in the Mineral Wells Index Wednesday in discussing the crowds expected at the Baptist Sunday school convention to convene in that city April 14-17, at which time they expect between 4,000 and 6,000 visitors.

A big committee of very prominent men have been delegated with the task of housing the guests and an urgent appeal has been made to the citizenship of Mineral Wells to open up their homes to supplement the housing facilities of the two large hotels, the Crazy and Baker. "It is not just a Baptist affair," this committee says, "but a city-wide problem."

TOWN HAS FIRST AUTO DEATH

SPANISH FORKS, Utah — (UP)—This city recently recorded its first auto fatality in its history—Dean S. Morgan, 5, killed when he was struck by a speeding car.

ABILENE, April 2—All directors and officers of the West Texas Utilities Company were re-elected for 1936, at the annual meeting of stockholders Tuesday. Present in person or by proxy were 38,778 shares of preferred stock and 260,000 shares of common stock, which is 53 per cent of the preferred and 100 per cent of the common stock outstanding.

Members of the board, all renominated, are: Price Campbell, P. W. Campbell, Dan A. Gallagher, Dan R. Junell, F. W. Schroeder, W. G. Swenson, J. M. Wagstaff, R. M. Wolfe, Abilene, and Charles W. Hobbs, San Angelo.

Price Campbell is president; Schroeder, vice president; Gallagher secretary-treasurer; Arthur Harker, assistant secretary; C. C. Sellers, assistant treasurer and R. M. Wolfe, auditor.

President Campbell submitted a report showing a net income of \$354,626 which was \$121,477 more than that of the previous year. "The company's electric output is increasing rapidly, due partly to rate reductions, but principally to new business efforts, merchandising appliances and sales efforts in lighting and power sales," said the president. "While the company anticipates a better year this year than last, it has the same hazards as other businesses; that is, the national political situation, inflation of government credit through government paper in banks, and has in addition the greater hazards of government competition, promotion of municipal plants with donations of funds from taxation."

Mr. Campbell states WTU has no municipal promotional activity in its territory at this time nor does it anticipate any soon as so many of its communities have already indefinitely refused any such proposals and none have accepted. "The principal hazard this utilities business has above that of other businesses in this territory is that of direct government competition through promotion of little T. V. A. hydro power sites on the Brazos and Colo-

Former Ciscoan Dies At Abilene

Word has been received by friends here of the death of Frank Redlinger, Jr., of Abilene, formerly of Cisco and a student of the Cisco High school. Mr. Redlinger died Sunday night of pneumonia and was buried Tuesday afternoon at Abilene.

Wallace Cotton Plan To Be Made Known

WASHINGTON, April 2—(UP)—Secretary of Agriculture Henry Wallace's program to dispose of the 4,500,000 bales of cotton held under government loan will be made known today or tomorrow.

Wallace gave no hint of details but some other sources will permit farmers who still hold the cotton; to redeem it at a price slightly below current market prices and make own private transactions.

ORCHARD MEN FEAR COLD DID DAMAGE

Winter had its April fool joke which Texas orchard men were hardly in a mood to appreciate Thursday.

The elated spring norther Wednesday night sent the temperature skidding to the freezing mark as far south as Dallas and Fort Worth and nipped fruit orchards in northern and western sections of the state.

Extent of the damage could not be determined as weather forecasts held the prospect of another chilly night tonight.

Amarillo, where spring like weather had prevailed for several weeks, temperature 14 degrees, Abilene, 28, Palestine, 39, El Paso 40, Galveston, 53, Brownsville, 68.

Baptist Revival Adds 6 To Church

Continuing to preach to a well filled church, Rev. E. F. Cole used for his sermon subject for last evening services, "Christ Crowded Out." There were six new additions to the church. The sermon subject for this evening is "What Doctor Shall I Go To." A male quartet will furnish special music.

Rev. E. S. James, pastor of the church, announced this morning that services would continue through Sunday evening, each morning and each night, with the exception of Saturday morning.

Denton Judge Is Appointed by Allred

AUSTIN, April 2—Former District Judge, John Spear, Denton, today was appointed justice of 88th Civil Court of Appeals to succeed the late Justice P. A. Martin.

France Denounces Germany's Proposal

PARIS, April 2—(UP)—France today denounced Germany's proposal for European peace consolidation as utterly inadequate. She asked for a meeting of the Locarno Powers to consider action.

The foreign office received a letter from the British office authorizing start of conservation of a general staff.

Officers of Elks To Be Installed

There will be an installation of officers at the Elks lodge tonight at 8 o'clock, refreshments served after ceremonies. All members are urged to be present. E. E. Jones, Exalted Ruler.

ROTARY HEARS REV. E. F. COLE SELECT ROSTER

"What Is Life" was the subject of the Rev. E. F. Cole, who spoke to the Rotarian members today at their luncheon hour.

At the business session nominations of officers were made, to be elected at the last meeting in April, giving plenty of time for their attendance on the Rotary conference at Fort Worth, May 3-4-5.

Those nominated were, president, J. C. McAfee and R. N. Cluck; vice president, R. L. Ponsler and Dr. E. L. Graham; secretary, J. E. Spencer, re-election; treasurer, J. B. Cate; Directors, P. P. Sheppard, P. R. Warwick and Garand Nance. New officers will begin their terms July 1. O. J. Russell now holds the office of president.

STORY CHANGED

TOLEDO — (UP)—In a modernization of an old story, Clement Fishback examined his carburetor with a cigarette lighter. He is recovering.

Continued on Page Five

DAMAGE TO PROPERTY IS HALF MILLION

CORDELE, Ga., April 2—(UP)—Cutting a three block swath entirely through the city of Cordele, a tornado today killed at least 19 persons, injured scores and caused \$500,000 property damage.

Hundreds were without homes as the storm marked a lane for about seven miles through Crisp county and Cordele.

The city stadium was turned into a hospital to aid in caring for injuries. Ambulances carried many to Macon and Americus for treatment.

The American Red Cross dispatched disaster workers to the city. Governor Eugene Talmadge stood ready to give any aid needed. It was possible national guardsmen might be called for.

The tornado was the worst of a series of storms that swept the south. Concord, North Carolina was struck by a tornado today with \$100,000 property damage resulting. A check did not indicate anyone was seriously injured.

Another storm struck last night near Athens, Ga., in northern Georgia, causing \$5000 damage, and killing cattle. No loss of life occurred according to first reports.

Power lines were down in Cordele and the city was without power. The storm struck here first in the negro district and residential section about an equal number of whites and negroes were killed. Two schools were demolished.

An eye witness said, "the scene of destruction was terrible with many homes reduced to nothing. The storm swept through the town but did not hit the business section," the witness said.

After smashing through this city of approximately 7,000 the storm also struck a settlement five miles east of here. It was reported to be greatly damaged also.

Thanks Gov. Allred For His Assistance

AUSTIN, April 2—(UP)—Samuel Frank, California legationaire today thanked Governor James V. Allred of Texas for helping him find the "best and most beautiful" girl in the world and proposed to marry her publicly at the Texas Centennial.

Frank, a former Fort Worth and Denver minister had written Allred for aid in finding a Dixie bride, preferably of Texas. Governor Allred turned the letter over to newspaper men and stories brought widespread correspondence.

OKRA WOMAN DIES; HUSBAND, CHILD BURNED

EASTLAND, April 2—Mrs. John Y. Owens, 36, year-old blind woman, died today in a Gorman hospital and her husband, 48, who is also blind and their daughter, Betty June, 3, were in critical conditions conditions from burns received in a fire that destroyed their residence at Okra Wednesday midnight.

Mrs. Owens died at 8:45 a. m. Doctors held no hope for recovery for the infant.

Neighbors thought the fire started from defective flue. All the family had retired.

The Owens' family, which includes three daughters and two sons, were taken to Gorman by neighbors who were notified by a daughter who walked 12 miles for the aid.

Funeral services will be at Okra tomorrow, 12 miles from Gorman.

ITALIANS TAKE CITY

ROME, April 2—(UP)—Italian troops occupied Gondar key city to the Lake Tana district force of the Blue Nile yesterday. A war communication number 152 announced. There were no details.

Cisco Lions To Mineral Wells

Lions H. L. Dyer, Dallas, Wales, Horace Conley and A. G. Tuttle made a booster tour to Mineral Wells, today, where they will contact the Lions club, and also the Crazy Hotel Orchestra regarding the Lions convention to be held in Cisco, June 16-17.

WEATHER

EAST TEXAS—Fair, colder on the coast, heavy frost in north portion. Possible light frost in central portion and coast tonight. Friday partly cloudy, rising temperatures except in lower Rio Grande valley.

WEST TEXAS—Not so cold tonight. Friday warmer.

About Our Friends

By STEF A. LONG

Days ago we told in this column about the patriotic plea of L. Graham for a paint-up sign for Cisco and how Hal turned and pointed to the sign which was all shabby and worn, hanging by a thread as it were... and so here is an echo from that incident...

...arrives at his office and finds Graham and his sign painter Harry Schaeffer, measuring for a big 8 x 12 sign... since the doorway is only about two feet wide at that point, the sign would be practically half way over the front window... When Dyer demonstrates the physician said Dyer had sold him on the idea of a new sign and when he things he did them in a big hurry to cutting out people's heads...

...Pat Van Eman out collecting... Miss Mary Rutledge going to office... Mayor Berry dressed and a bundle under his arm wonder if he is leaving town... Wm. Reagan down town... no stories... Mickey Carroll driving late to the office... Miss Van Horn concerned with problem of ethics... Miss Winnieignor very charming as hotel... A. L. Clark says his strawberries bid fair to yield a bumper crop... has several blooms...

...packed like oil boom days Tuesday at J. C. Penney's, when 41 pieces of merchandise was unloaded... local manager says: "We've seen nothing yet"... The night might be right... Dudley Lee... And speaking about improvements... G. M. Meglassen has completely revolutionized his store... nicely arranged and brightly painted... congratulations...

...Nance late at the Lions... missed all the fun... Miss Brewitt enjoyed the squabble much... Our long-time friend, B. Worten, says some mighty things... we knew you felt that W. B. and we greatly appreciate it... Walter Webb, busy Mrs. Glenna Wood shopping... Dorothy Hampton, shopping... Mrs. A. E. Wilson, also shopping... B. H. Stephens, shop foreman at Nance Motor company, back work after an attack of flu... Carl Baird and Mrs. H. W. due in Gorman today...

CISCO WOMEN ATTEND T. B. MEET TODAY

Mrs. James Haynie, president of American Legion Auxiliary for Cisco, and Mrs. Philip Pettit, vice president of the Eastland County tuberculosis association, are attending the meeting of the association in the county court room this afternoon.

Dr. T. D. Lauderdale, of Ranger president and Mrs. Vera McLeroy, Eastland, is secretary. Governor Allred has designated Mrs. Haynie as "Fight Tuberculosis" month. The work is not so much, fighting for patients as it is a preventative campaign, although, as planned by Mrs. Pettit, Cisco is assisting in caring for one patient. The American Legion Auxiliary, which Mrs. James Haynie is president, has been active in the drive for funds in Cisco, and Cisco accumulated about \$60 in the fund for this work. The county association has about \$200 in its treasury, Mrs. Pettit stated.

DRYS MEET TOMORROW

There is to be a county-wide meeting of the dry forces in Eastland at the county court house at 8 a. m. Friday. All drys are urged to be present.

Texas Urged to Save Wild Life

J. N. Darling is one of the famous cartoonists of America. He is known as "Ding" Darling to the public and readers of newspapers. He is the president of the National Wildlife Federation and former chief of the bureau of biological survey. Now he is the big ace of a great nation-wide organization. Three hundred sportsmen of Texas, coming from all sections of the state, attended the conference called by Governor James V. Allred to create a Texas council. Important committees headed by Phil Sanders, for several terms an outstanding member of the Texas legislature, were named. Darling is a top-notch among the wild life conservationists of the republic. He called upon his audience to "fight for preservation and restoration of wild life" and warned "it will be the last throw of the dice for preservation." He told of game and fish depletion of territories once considered inexhaustible and directed a very incisive attack on the attitude in Washington. He said, "wild life is not legalistic natural resources in the eyes of the federal government." Declaring that something must be done to change the whole attitude in Washington and get a constructive program under way, he called for an organization of an estimated 7,500,000 persons who hunt and fish. This was his advice on plan of action: "Let's get them together, for united we can start a little heat under the coat tails of congressmen."

Industrial Life Visioned

Dr. A. B. Cox is a prophet, perhaps as well as an economist. Addressing school teachers at the Hogg Memorial auditorium, he reviewed the state agricultural and mineral development, stating Texas produces one-third of the nation's cotton, 14 per cent of the beef cattle, over 11 per cent of the wool and 84 per cent of the mohair. He made an important addition to his chart. He added "Texas produces 40 per cent of the nation's petroleum and 25 per cent of the world's production." He did not overlook sulphur. He said the state's production is 80 per cent of the national and 75 per cent of the total world production.

A reminder that "Big Fish" Fischer in his campaign for the gubernatorial prize is not overlooking natural resources of the state.

Dr. Cox told his audience that unemployment is the greatest problem facing Texas, with one-fifth of the people receiving state or federal aid, while many others were out of regular work and living on past savings. It was then that he assumed the role of a prophet, saying: "The state has passed the peak of developing new land and mineral resources and two alternatives present themselves in solving the unemployment problem. One is to resort primarily to turn the people back onto the farms, which will mean smaller farms and the probable tendency towards less commercial farming and lower standards of living in the long

Behind the Scenes in Washington

BY RODNEY DUTCHER

NEA Service Staff Correspondent
AMERICAN TELEPHONE & TELEGRAPH, the vast holding company now being investigated by the Federal Communications Commission, is unique.

It is a monopoly, and admits it. Of every 100 telephones in the country, more than 80 are directly controlled by A. T. & T. President Walter S. Gifford gets \$206,000 a year salary, pays \$163,000 of it in income tax. He cheerfully admits the monopoly part.

But he argues that a national telephone system must be a monopoly, that a lot of small, competing lines would be a nuisance. He denies that A. T. & T. has ever taken advantage of its monopoly position, but has used it to develop the best telephone service for the benefit of the most people.

The FCC is spending \$750,000 to see whether this is true or whether the company has used its position to keep rates up, exacted unjust profits from its affiliates, and competed unfairly with rivals in other fields than the telephone business.

The A. T. & T. is the largest company in the world owned by private individuals. It has total assets of more than \$5,000,000,000. But no one holder owns as much as 1 per cent of its stock.

THE company controls the regional operating companies which actually run the 14,000,000 telephones that make up the Bell System. But this Bell System also connects with the phones of 6000 smaller telephone companies and 25,000 rural lines, so that practically any of the 17,350,000 telephones in the country can be connected with any other one.

For every share of its stock, A. T. & T. pays out each year \$9 in profits. For the last four years it has not made that much profit, but it hesitated to pay less to stockholders, so it made up the differ-

ence out of surplus funds saved from past profits. That means that the 700,000 part owners of the A. T. & T. receive \$42,000,000 every three months. More than half of them are women. Sun Life Insurance Co. of Canada and Harvard College are among the largest owners.

A. T. & T. is a holding company. It owns almost 90 per cent of the stock of 21 companies which actually operate the telephones in various parts of the country, such as the New York Telephone Co. or the Mountain States Telephone and Telegraph Co.

It also owns the Western Electric Company of which Edgar S. Bloom is president. In giant plants in Chicago and Kearney, N. J., this company makes telephone equipment, such as phones and switchboards. It sells 90 per cent of its product to the A. T. & T. or other companies of the Bell System. It also buys material for them all, and holds priceless patents.

The A. T. & T. itself built and owns long-distance lines connecting the various regional systems, ship-to-shore and trans-Atlantic telephone service, teletype systems 1000 leased wires for special purposes, chain radio program hook-ups, talkie apparatus and picture transmission by wire.

THE A. T. & T. provides patent rights, special knowledge, standardized equipment, capital and expert help to the regional operating companies it owns. Those relationships are very complex, and are one point the commission wishes to understand better.

For instance, the large Graybar Electric Co., a "competing" maker of electrical equipment, was sold by A. T. & T. in 1928, but long and involved testimony leaves still some doubt whether it is really competing.

(Copyright, 1936, NEA Service, Inc.)

The Question Is: 'Can He Hold It?'

run. The other is to concentrate or develop manufacturing and service occupations."

Well, there is a mighty program on to develop manufacturing. It provides for the harnessing of the inland waterways of Texas, for flood control, for irrigation of the rich river bottom lands in vast sections of the state; for building dams and reservoirs to store the flood waters to make possible the development of industrial life. Texas should be a great manufacturing state. It has all the raw materials and the natural resources of mineral and fuel wealth.

Traffic Laws With Teeth

Representative Tom Cooper of Tyler has pledged strict regulation for truckers at the coming session of the Texas legislature. He will introduce a bill setting up more stringent laws covering operation of trucks on Texas highways. He has the support of the governor and L. G. Phares, acting director of the department of public safety. His bill would propose three major points. First, it would force operators to carry liability insurance. Second, provide stricter penalty for truck speed violators, and third, "place all drivers under the current law limiting work to 10 hours of each 24."

What about amendments to the drivers license law? Why not a test? Why should the inexperienced or the inefficient be permitted to handle the wheel of a motor vehicle?

The weather man played an April fool prank on all of us yesterday. Seems some fellows never get too old to play pranks.

When asked which she liked best, indoor or outdoor sports, Tillie Twinkle said it didn't matter to her as long as they looked fairly decent and were good spenders.

Perhaps all men are not as black as they are painted, but neither are all women as white as their powder.

In a health article a doctor says children should never be spanked on a full stomach. Well, brother that's not where they spanked us when we were kids.

OUT OUR WAY

A LIGHT SMOKE OF RICH, RIPE-BODIED TOBACCO

Although the constituents of cigarette paper are, in themselves, unsurpassed in purity and wholesomeness, it may, if crudely fabricated, contribute a marked degree of irritation to cigarette smoke. Cigarette paper not only envelops the tobacco in forming a cigarette, but through its physical properties may exercise a favorable or detrimental influence upon the products of combustion. Paper for Lucky Strike Cigarettes is made under our own supervision. Samples of each lot of cigarette paper manufactured are subjected to the most rigid analysis before it is used in making Lucky Strike Cigarettes.

Luckies are less acid

Recent chemical tests show that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS

Luckies — "IT'S TOASTED"

Your throat protection — against irritation — against cough

MYRA NORTH, Special Nurse — By Thompson and Coll

THAT MAN HAS A FACULTY FOR TURNING UP EVERYWHERE! POOR JACK - HE NEVER HAD A CHANCE!

WELL, HYSTER WON'T CATCH ME THIS TIME! AS LONG AS I'M FREE THERE'S A CHANCE OF HELPING JACK

THEY'LL NEVER FIND ME IN THIS JUNGLE - WHEN THE TRAIN LEAVES, I CAN GET BACK TO THE TRACKS AND ATTRACT SOMEONE'S ATTENTION

WE'VE SEARCHED THE TRAIN EXCELLENTLY - THE GIRL IS NOT ABOARD

TOO BAD - WE'LL HAVE TO TAKE THIS FOREIGN PIG TO THE CAPITAL ALONE, THEN

THE TRAIN IS SURE TO BE GONE BY THIS TIME... I'LL HEAD BACK FOR THE TRACKS AND PERHAPS I CAN ATTRACT SOMEBODY'S ATTENTION

AS THE TRAIN BEARING JACK, HYSTER'S PRISONER, PROCEEDS TO THE CAPITAL LET'S RETURN TO MYRA WHO HAS BEEN HIDING IN THE JUNGLE -

MUST HAVE BEEN WALKING AN HOUR - BUT NO TRACKS. I'M CERTAIN I CAME IN THIS DIRECTION

HEAVENS! IT'S BEGINNING TO GET DARK... I DON'T REMEMBER THIS PART OF THE JUNGLE, AT ALL. I - I'M AFRAID I'M LOST!

BEAUTY CONTEST TO BE STAGED AT TEXAS THEATRE
The management of the Texas Theatre has secured the special attraction "Freshman Love," to be staged at that theatre May 13-14. The freshmen who are giving the seniors a banquet and as we get it, is the love of the freshmen for the seniors. It is a very appropriate attraction for the occasion. On the same program is a merchants beauty contest, each merchant sponsoring the girl of his choice. There will be two nights of this gala event, the first night the beauty contest, when Cisco's loveliest maidens will promenade, the second night, the prettiest girl will be selected the winner.

Judges will be present both nights. However their decision will be given the second night. This gives them time to go home and think it over and if there is a chance of it being difficult to decide, this will give them more time like unto a hung jury.

On the screen you will see a riotous regatta of rowing, rhythm and roars. You see the sorority sweeties dancing the "Collegiana," the latest dance sensation. Patricia Ellis gives you a college education in rhythmic synecopation, Frank McHugh as the cock-eyed coach of a goofy crew keeps you laughing. Warren Hull sings "That's What I Mean" and "Romance After Dark." They are campus cut-ups and they will snicker their way into all hearts.

You will want to shake a foot to these college tunes. You will shake all over with laughter and you must shake a leg to see one of the best programs ever to be brought to your attention. Comedy on the same program is "Trouble In Toyland."

DENTISTS VISIT SHRINE
NICE - (U.P.) - Three hundred dentists came to this small town recently to pay homage at the shrine of St. Apollonia, the patron saint of dentists. Although the patron saint dates back more than 1,700 years, modern dentists still visit the shrine. Apollonia was tortured to death in the 3rd Century.

SMOKELESS STOVES URGED
SALT LAKE CITY - (U.P.) - Smokeless stoves will be tested on street corners here by the Women's chamber of commerce in an effort to demonstrate how the Salt Lake City smoke menace can be abated.

Seniors Measured For Caps and Gowns
Approximately eighty seniors of the Breckenridge seniors have been measured for caps and gowns for commencement exercises. It is the report from that city regarding increasing activities for the spring graduating exercises. The number is steadily increasing, according to Miss Irene Wesley, registrar of the Breckenridge schools.

13TH YEAR UNLUCKY
BOWLING GREEN, O. - (U.P.) - The Rev. H. K. Bushkuchi, pastor of St. Aloysius church, never had experience with "unlucky 13" omens until lightning struck and destroyed the belfry of his church. The flash caused \$4,000 damage a few hours before the minister began his 13th year in the pastorate.

HEDGEHOG LOLLS IN LUXURY
MUNICH - (U.P.) - A hedgehog with an apparent sense for the decorative has been discovered at the village of Krottmuehl, on Lake Sim, in the Bavarian mountains. The animal stole from a woodshed nine 10-mark notes which a farmer had hidden there and unholstered there, with his burrow.

Fruit Gardens Thought Safe
An icy wind sweeping out of the north, sent the thermometer down to 28 at 7 o'clock this morning according to the register at the West Texas Utilities company's office. No reports of damage to fruit or gardens have been made. However, old timers fear for both if the temperature fails to gain heights before nightfall today.

Many persons are spraying their fruit trees with water, this evening, they report, in order to offset further dangers. Some are also wetting down gardens where tender vegetables, such as beans and Irish potatoes are up. Beets, lettuce, English peas, onions and spinach are little likely of being killed unless it should reach extremely low temperatures.

STUDENT BARRED FROM AUTO
TOLEDO - (U.P.) - Harold Frutinger, 16-year-old junior at De Vilbiss high school, who admitted to the judge that he was speeding, was ordered not to drive a car until after commencement exercises in 1937.

Woman Soldier of '61 Is Ill

Only woman in the U. S. receiving a Civil War pension as a combatant, "Aunt Julia" Marcum, pictured as she recently observed her 91st birthday in Williamsburg, Ky. is seriously ill. In an 1861 raid on her Tennessee home, she killed a Confederate soldier with an ax.

ANTS FILL HISTORIC TREE
STUTTGART, Germany - (U.P.) - Ants have filled one of the huge ancient walnut trees at Leonberg Castle, goal for the pilgrimage of many a Wuertemberg tourist. For some time the tree had been listing until the other day it toppled over. It was found out that ants had undermined its rooting.

LETTUCE CROP REDUCED
PHOENIX, Ariz. - (U.P.) - Women who reduce by living on lettuce salads may have to find a substitute for this year. Arizona growers have signed up 100 per cent to plow under one-third of their crop, about 80,000,000 heads, in an effort to prevent low prices.

DESDEMONA

By MRS. W. C. BEDFORD

Sympathy of the community is being extended to C. O. Bragg, principal of our high school on account of the death of his mother, Mrs. Greer, of DeLeon, who passed away Saturday night after a lingering illness of goldie. Mr. and Mrs. Preston Sparks and several others from here went to De Leon Monday afternoon to attend the funeral.

W. H. Whitworth went up to Eastland on business Monday. Mr. and Mrs. Chas. Ernde of London (near Kilgore) are spending a few days here with his mother, Mrs. Moles Ernde.

A. J. Ervin, of Roswell, New Mexico, left several days ago after a visit with his daughter, Mrs. W. H. Powers and family.

W. K. Jackson of Eastland was here on Tuesday of last week interviewing several of the older citizens for the purpose of getting facts for the history of Eastland county.

Trades Day, the last Saturday in each month brought a large crowd to town for the special features that make it attractive. The merchants are finding that business has improved quite a good deal since they have been having Trades Day.

R. L. (Bob) Davenport, candidate for county clerk, came down from Eastland on Tuesday of last week, and spent the afternoon in the interest of his campaign.

Gay Bruce left several days ago for Port Arthur to visit his sister and brother-in-law, Mr. and Mrs. R. D. Hendrickson, before returning to his work on an oil freight steamer, carrying oil from Texas to a number of places on the Atlantic coast. He had been employed on the steamer for seven months before coming home for a month's visit with his parents, Mr. and Mrs. G. S. Bruce and his sister, Miss Virginia Bruce.

Mr. and Mrs. Willis Mathis and son, Billie, attended the picture show at Gorman Tuesday night.

G. W. Rust of Eastland was here Friday in the interest of his candidacy for sheriff.

Pullig, sister of Mrs. Powers. Then on Tuesday Mrs. Pullig and the three Desdemona friends went to Comanche and DeLeon.

Mrs. W. R. Dunlap and two daughters, of Breckenridge spent Sunday here with her mother, Mrs. S. E. Browning and family. The many friends of the family will be glad to know that the older one of Mrs. Dunlap's daughters, Wanda Dunlap is to have a trip and two weeks stay in San Antonio with all expenses paid as the result of winning a district contest in home projects of domestic science. Five other girls will go with her. While there she will enter a cake in a state contest.

On Tuesday of last week the "21" Study Club met at the club house with twelve members and two visitors present. The meeting was called to order by the president, Mrs. Hattie Henry. Roll call responses were "Houston's name honored, where and how." The subject of the program was "Texas Biography" and the main topics were from the book "The Raver" a sketch of the life of Sam Houston written by Marquis James. Mrs. A. C. Robert as leader of the program gave an "estimate of Marquis James as a writer" and also gave a paper on "Early Texas Prose Writers. Mrs. Preston Sparks gave "Texas Scenes in the Golden Coccoon" a novel by Ruth Cross. A sketch of Houston's early life was given by Mrs. C. W. Maltby. Mrs. Clarence Ragland gave a talk on "Houston as 'The Executive of Texas'" and Mrs. C. A. Skipping talked on "The Houston Family in Texas" and read a poem written by Nellie Houston Bringham, a granddaughter of Sam Houston. The club had been beautifully decorated with bows and vases filled with lilac and with Easter rabbits and baskets of Easter eggs and the hostess, Mrs. Mattie Henry, served a very attractive refreshment plate of perfection salad on lettuce, saltines, royal whip pudding with whipped cream topping and squares of white cake and coffee. Those present were Mrs. C. O. Bragg and Mrs. Sanders, visitors and the following members: Miss J. E. Heeter, S. E. Snodgrass, David Parks, C. W. Maltby, Charles Lee, Preston Sparks, C. E. Ragland, Roy Ashburn, A. C. Robert, C. A. Skipping, W. C. Bedford, and the hostess.

Mrs. A. C. Moore, Mrs. Lee Dabney, Mrs. Chas. Lee and Mrs. E. M. Daily were among the number of friends of Mr. and Mrs. C. O. Bragg who went to DeLeon Monday afternoon to attend the funeral of Mrs. Greer, mother-in-law of Mr. Bragg.

Mr. and Mrs. Cyrus Frost and Judge Clyde Garrett of Eastland attended the funeral of Millard Rushing which was held here Monday afternoon. N. D. Gallagher of Cisco also attended.

Mrs. Clarence Jones and two children who formerly lived here but now live at Oliver Springs, were guests of Mr. and Mrs. S. T. Stover Sunday.

Mr. and Mrs. Dave Key drove to Eastland on business Monday. Mr. and Mrs. Willis Mathis, Mr. and Mrs. Howard Williams, Mr. and Mrs. O. A. Brightwell, Mr. and Mrs. A. C. Moore, Mr. and Mrs. Preston Sparks, and Misses W. H. Powers, Hugh Abel, Horace Lane, Lee Dabney, Ramond Jolter, Albert Mart-n, Buby Mae Harbin and Della Wall and quite a crowd of school children went to Cisco Thursday night and attended the county contest of choral clubs. While our singers did not win any of the prizes yet we feel quite proud of them anyway and feel that Miss Wall who teaches public school music here, has done good work in her department.

Funeral services were held Monday afternoon at the Baptist church over the remains of Millard Rushing in Breckenridge and passed away Saturday night at his home near Richland Springs after having been in rather bad health for some time though able to be up until the day before his death. The services were conducted by Rev. Ramsey, present pastor of the Richland Springs Baptist church, and Rev. Hubbard, a former pastor, who gave the funeral oration and paid a splendid tribute to the upright life of the deceased, a man whose influence will live on through the years to come. The floral offerings were numerous and very beautiful and were tokens of the love and respect of the many relatives and friends of the deceased. At the time of his death Millard Rushing was 51 years of age, was born in Mason county but at the age of 2 years, came with his parents to Desdemona where he lived until grown. He was converted and joined the Baptist church when 12 years old. He is survived by his wife and four children, one brother, Roy Rushing who recently moved from Desdemona to Freer, one sister and a half brother, besides many nieces and nephews and other relatives to all of whom sincere sympathy is being extended by their hosts of friends. The Desdemona Masonic Lodge assisted by the Ranger Lodge conducted the services at the grave. Two nephews, our townsmen, J. H. Rushing, Jr. and Weldon Rushing, with four other nephews served as pall bearers.

Mr. and Mrs. O. D. Sloan, of Stephenville, came over Tuesday on business and also to visit old friends.

Miss Zoe Ceille Greenshaw and Miss Blanch Rouse attended the singing convention at Cisco Sunday afternoon.

REICH

By BRUNIE DILLION

Mr. and Mrs. Velzie Alvey and family of Vernon and Vestie Alvey of Saint Joe visited their parents, Mr. and Mrs. J. W. Alvey and family Sunday.

Mrs. J. W. Alvey spent Monday afternoon with Mrs. Tarver. Mr. and Mrs. C. C. Carey and family, Mr. and Mrs. Lane Carey and family and Mr. and Mrs. John Carey and family were the guests of Mr. and Mrs. Allen Carey Sunday.

Mr. Harris, Mr. Moore, Ed Aycock of Cisco and Bert McEleath visited T. H. Moore Sunday.

Mr. and Mrs. J. J. Butts of Wichita Falls were the weekend guests of Mrs. G. Pollard and family.

Mr. and Mrs. Theodore Reich and son, Mr. and Mrs. Rudolph Reich and son, and Edward Reich of the Lutheran community visited Mr. and Mrs. A. Reich Sunday.

Miss Euna Fay Callarman visited Miss Margaret Boatman Tuesday afternoon.

Miss Ida Callarman was a Cisco business visitor Monday.

Miss Addie Mae Horn attended the fifth Sunday singing convention in Cisco Sunday.

Mrs. F. O. Schaefer visited Mrs. M. Boatman Sunday afternoon.

WTU Elects---

CONTINUED FROM PAGE ONE

can't meet comparative rates on a fair basis, it should have no cause to complain. This company will underbid by more than 20 per cent, the TVA power costs, if the public will be the umpire and insist that the accounting set up by the Federal Power Commission for the utilities shall also be used by the government subsidized utilities, including interest, depreciation and taxes.

Under such accounting, the costs of TVA were recently estimated to be \$68.25 to produce and distribute a kilowatt year of prime sales for which the TVA proposes to collect from the user \$30. The federal taxpayer, you and I even in this far off section will be called upon to help shoulder the remaining \$38.25.

Contrary to general impression, the TVA decision was not an adverse decision to the company as it was only a decision on the Wilson dam and restricted to that dam in the pleas of the government lawyers. Such dam was started many years ago under war-time government powers for production of war materials and navigation with electric power only incidental thereto. The government's attorneys admitted that the supreme court reviewed and said "rightly so" that the government had no power under the constitution to construct dams primarily for power purposes and go into the power business; that is, the movement to socialize industry has in the main been checked by this decision.

A contribution of this movement can be only through subterfuge. In the state of Texas, the legislature passed a law at the request of West Texas that the water from its rivers should first be used for municipal purposes, then for irrigation and other purposes with power fourth. The construction of a dam for power purposes is an entirely different sort of a dam than one constructed and operated for flood control, irrigation or navigation. Then it must be left empty most of the time, if used for flood control. West Texas has in four, or five applications for irrigation, dams on the Colorado and Brazos rivers for the use of the water that falls on its water-sheds before such waters are confiscated for power production. These dams would at the same time be the cheapest and most effective way to prevent flood conditions in the lower areas of these rivers. If money is to be donated for relief purposes, these dams, of course, should be constructed first, however, no appropriation at this time has been made except for dams designed primarily for power purposes and these have been enjoined by other power companies whose areas would be directly affected through competition of over-production of power capacity in such areas. This may give West Texas time to recapture their prior water rights.

In reviewing, Mr. Campbell stated that in general this company's contingencies are fewer at this time than they were last year and prospects are better for crop conditions and a greater volume of business in West Texas which would in turn improve the company's position, all of which he hoped might permit it to

make some increase in its rate of dividend to preferred stockholders of which more than 70 per cent are in Texas and 51 per cent in West Texas. The company's earning position will be reviewed from time to time by the directors to be elected today and when it is possible these payments will be increased.

A review of the report just received from the Federal Power Commission on rates was made which disclosed that West Texas Utilities Company's net average residential rates are below that of the average over the nation and for the state of Texas, and below that of similar sized communities and 17 per cent below that of the average of all municipal plants in the state of Texas, even though it pays large amounts in taxes to the various governing bodies. Payment made in taxes this previous year was 60 per cent more than was paid to all stockholders. Electric service costs average about 1-20th the taxes the average household pays in various ways, according to bureau of census and other governmental sources.

After adjournment of stockholders' meeting, the directors held a meeting, electing the officers and transacting their regular monthly business.

Committee Meets With Miss Perdue

Miss Carrie Belle Perdue was Wednesday afternoon hostess to members of a committee of the Y. W. A. of the First Baptist church which met for the purpose of nominating officers for the coming year. Following the discussion the hostess served delicious coffee with cookies to Misses Frances and Lillian Caldwell, Lurline Poe and Heiene Stokes.

Scranton P.-T. A. Sponsors Pie Sale

The Parent-Teachers' association of Scranton High School sponsored a box supper and auction sale in the high school auditorium Wednesday night. An enjoyable evening was spent and thanks were extended to donations coming from Cisco, Putnam and Scranton merchants.

Easter Is Featured In Bridge Social

Reports of two burglaries and one fire kept things humming in the city hall police and fire departments Tuesday night and Wednesday morning in Breckenridge. The back windows of the Magnolia filling station on East Walker was broken and the building was damaged Tuesday night, although the operator said that as far as could be ascertained nothing was missing. Approximately \$100 worth of car parts and accessories were taken from the Texaco service station on the corner of Walker and Jackson Tuesday night. The burglar entered from the rear of a fine building and

Six Present For Delphian Meeting

Answering to roll call with current event topics, six members of the Delphian Study club met Wednesday morning at 9 o'clock in the clubhouse.

Officers Meet With Mrs. Bob Sanford

Officers of the W. M. S. of the First Methodist church were guests Wednesday afternoon in the home of Mrs. Bob Sanford. During the business session plans were made for the work to be done during the next three months. After the business a social hour was enjoyed. A pink and white color theme was attractively used in decorating and was repeated in a refreshment plate of strawberry ice cream cake, candy eggs and tea. Tiny baby chicks were given as favors. Those present included: Mesdames William Reagan, W. H. Coye, W. G. Powell, W. M. Joyner, O. C. Lomax, Fred Hayes, J. E. Crawford, R. W. Merrett and the hostess.

PERSONALS
Mrs. Ora Todd and daughter, Miss Eva, are spending a few days in Big Spring. They are expected to return Sunday.
Mrs. Lewis Linder, who is confined to her home because of illness, is reported to be somewhat improved.
Mrs. Bill James and Mrs. J. T. Waddell spent yesterday afternoon in Eastland.

Mr. and Mrs. W. H. Mayhew and daughter, Mrs. H. C. Wilkins visited H. C. Wilkins Tuesday evening at Albany, where Mr. Wilkins is employed by the Humble company.
Mr. and Mrs. W. R. Miller are spending the day in Fort Worth and Dallas.

Social Calendar For Week

Thursday
Mr. and Mrs. H. C. Henderson will be hosts to the Friendly Twelve Forty-two club in their home at 565 West Seventh street.
Friday
The Twentieth Century club will meet in regular session at the clubhouse at 3 o'clock.

Local Boy Scout Passes Radio Test

William Scarlett, one of the members of the Boy Scouts Amateur Radio club of Troop Four, Cisco, has been notified that he has passed the Amateur Radio Operators License examination Class B. Scarlett is the first of the members to pass the examination. He took the test late in February, but only notified last Saturday. He will operate a portable station at the club house under the call letters W5FRU.

William Buster Martin, was the first to take the test, William Hoyt, the president of the club, has a transmitter which will be used for the station and will be ready for the test soon. Ralph Barton, scoutmaster of Troop Four, has made arrangements for the scouts to sell service books for a local service station. The books sell for \$1.25 each and the scouts will get 25c for every one sold. Each of the members of the Radio club being given five books, club will receive 25 cents for each one sold by its members. These are being sold for the purpose of securing at least part of the money for the summer camp which will be held in July. The scout selling the largest number of books will receive \$5 providing at least a 100 are sold by the troop.

Plans have been made for a Court of Honor to be held here Friday night April 3. Most of the members of Troop Four will come before the court for some rank or merit badge. This is the first court of honor to be held in Cisco in almost a year.

Plans for the second scout rally of the year for the Comanche Trail council April 11, in Eastland will be started soon by Troop Four.

Christian Revival Reports Good Crowds

Dr. David F. Tyndall, pastor of the First Christian church who is conducting a two weeks revival reports fairly good crowds at the night services. Prayer meeting services are being held each morning by the ladies, in various homes, for Bible study. The sermon subject for Thursday evening is "The Monkey Wrench of the Bible". Services start at 7:45 each evening and everyone is cordially invited to attend.
