### Mr. Muleshoe ...

By Forbes

Bob King has handed this department a copy of a little short story that's going the rounds. See what you think about this:

#### HOT DOG STORY

There was a man who lived by the side of the road and he sold hot dogs. He was hard of hearing so he had no radio. He had trouble with his eyes so he read no newspapers. But he sold good hot dogs. He put signs up on the side of the road and cried, "Buy a hot dog, Mister?" and people bought. He increased his meat and bun orders. He bought a bigger stove, to take care of his trade. He finally got his son home from college to help him. But then something happened. His son said, "Father, haven't you been reading the newspapers? There's a big depression on. The European situation is terrible. The domestic situation is worse. Everything's going to pot." Whereupon the father thought, "Well, my son's been to college, he reads the newspapers, listens to the radio and he ought to know." So the father cut down on his meat and bun order, took down his advertising signs, and no longer bothered to stand out on the highway to sell his hot dogs. And his hot dog sales fell almost overnight. "You're right son," the father said to the boy. "We certainly are in the middle of a great depression."

Memo to Mr. and Mrs. Rural Dweller of good old Bailey County: Your city cousins, here in Muleshoe, get out on Sunday afternoon and ride around over the territory. They pass your farm, admire your farm, admire your home and surroundings and your beautiful crop but they don't know who lives where. If you would put your name on your mail boxes, for instance, we'd know whose place we were seeing. It's not that we want to stop and bore you, we're just curious. At least this is what some of my city friends here have told me to put in the paper.

#### COTTON PICKIN' TIME

Cotton harvesting time is near. It is generally a pleasant season, except, of course, for the back-bending work of picking the fields clean. People riding to the gins with wagonloads or truckloads of cotton are always smiling and happy. Ever notice that?

That's cash they're riding on, brother; cash to pay the debts, buy shoes and dresses and a new pot, maybe plows, pay the mortgage, get that young bull. Besides, it's the relief of completing that long nursing job. . . . Anyhow, the big gin engines will begin thumping soon, and the wagons will be rumbling along the road, and the families will be out in the fields from can't see to can't see.—Opelousas (La.) World.

#### Letters To The Editor ...

Wichita, Kans.

Dear Mr. Forbes: Well, I am vacationing over here and am really having a great time. It is cool and nice since I have been here. I worked here in 1918 for a short time, but has this town grown since then?

Like Muleshoe, my home town, I ran a locomotive engine laying the railroad track into that town in 1913. I believe it was, when there was nothing there but the railroad grade and hasn't it grown? Good luck. Your neighbor and friend, J. H. Engram

## THREE WAY SCHOOL TO BEGIN NEW TERM MONDAY

### Season Tickets May Be Bought At Principal's Office

Season reserve seat tickets for all Muleshoe high school home football games may be bought at the principal's office in the high school building, Supt. W. C. Grandy announces.

Or season general admission tickets may be purchased at the same office, he said.

Reserve seat tickets went on sale at the Western Drug Store last Saturday morning.

## School Bells Rang Today

School bells rang for children of the Muleshoe district this morning as high school juniors and seniors report for registration.

Friday the lower grades will register. Busses will operate on their regular routes Friday.

Teachers met Wednesday for their general meeting, then gathered in grade school and high school groups to meet with their principals. Supt. Grandy this morning said that everything was "proceeding according to schedule."

## Water Meeting Called Tuesday

A special meeting of the Bailey County Water Conservation Association will be held the coming Tuesday night, September 6, at 8 o'clock.

Lesse Caborn, president of the association called the meeting. All members are urged to be present, and all persons interested in the irrigation water of this section are invited.

## Town Is Sprayed Against Polio

Late sleepers in Muleshoe Saturday morning probably grumbled considerably because of the noise of a low flying plane, until they realized the town was being sprayed against possible polio infection.

Elvie Jennings, manager of the Muleshoe airport was at the controls of the specially equipped Stearman and proceeded to give the town a very thorough spraying of DDT and other chemicals.

Jennings flew just over the tree tops, just over the telephone lines and worked in a criss-cross pattern to give the town a thorough dose of the chemicals. Jennings operates another plane equipped especially for crop dusting.

## Shelton Smith Rites Conducted

Shelton Smith, retired farmer of the Longview community, passed away Monday morning, August 29, at 10:45 at the Amherst Hospital where he had been a patient for the past five weeks suffering from a heart attack.

Mr. Smith and his family moved here in 1937 from Clinton, Oklahoma.

J. Shelton Smith was born in Collins County, Texas, on August 12, 1877.

After moving to Oklahoma in 1888, he met and married Louise Bowman. To this union were born twelve children: Daniel Smith of Burk Burnett; Mrs. Susie Smith, Florey; Aaron Smith, Electra; Mrs. Versia Fillmore, Wichita Falls; Estill Smith, Clinton, Oklahoma; Mrs. Lola Smith, fourth grade.

J. H. Lyles, Math. Mrs. Effie Farmer and Mrs. Ruby Fulton, higher elementary grade. Mrs. Ethel Creamer, head cook. Mrs. Ina Fleming, Mrs. Bess Stafford, Mrs. George Clappitt.

Donald Bashan, bus mechanic. Irby Smith, building custodian. The lunch room will not be open until September 20. Lunches this year will cost 25 cents straight and milk will be served this year, it was said.

## Appreciation Day Pot To Be \$215.00

Mrs. L. L. Estep was the lucky person at the Appreciation Day event held in Muleshoe last Saturday. She was awarded \$41.

Appreciation Day continues to be held in Muleshoe each Saturday afternoon at 3 o'clock. The winning Saturday the pot will amount to \$215, and holder of a 50 per cent ticket could win one half of the pot. Many local merchants are giving coupons with each purchase at their store.

## Joe Sistrunk Last Rites Read

Joe C. Sistrunk, 58, a resident of Baileyboro community about two years, died of a heart attack at 3 o'clock last Thursday afternoon at Melrose, N. M.

Mr. Sistrunk is survived by his wife, Mrs. Hazel Lorene Sistrunk; two brothers, Earl Sistrunk, Fort Worth, and J. W. Sistrunk, whose address is unknown. A brother-in-law, J. D. Nash, lives in the Baileyboro community.

A veteran of World War 1, Mr. Sistrunk was born Jan. 3, 1891, in Mississippi.

Funeral services were conducted at the First Baptist Church here Friday afternoon at 2:30 p. m. by Rev. A. W. Blaine, pastor, and interment was in Baileyboro cemetery under direction of Muleshoe Funeral Home.

#### FIRST BALE REPORTED

First bales of the new season have been ginned in Matador, Tahoka, Lubbock and other points in this section. Cotton will be much later to open in this immediate territory.

## Lubbock Man USO Regional Chairman

John Hughes, Citizens National Bank, Lubbock, has been named a Regional Co-Chairman of the Texas USO Campaign Committee, T. E. Braniff, State Campaign, announced today.

"The Texas Campaign will raise \$500,000 toward the national goal of \$10,100,000 for USO," Mr. Hughes said.

"The cold war continues," he declared, "and our people have called for a Big Army, Navy and Air Force so that our country will be ready to meet any pressures from the enemy."

"Ninety-eight thousand of our young men and women from Texas are now in uniform, and it's up to us one and all to keep up their ties with home, so that they may return to us happy and useful citizens," he continued. "The best way to assure this is through USO which is on the scene to serve them whether they are stationed at some military establishment here in the United States or at an overseas outpost."

"The USO provides the thousands of veterans in Army, Navy and veterans hospitals with regular professional entertainment, and the frequent reminder so valuable to their morale that neither they nor their heroic deeds have been forgotten."

Funeral services were held Tuesday afternoon at 4 o'clock in the First Baptist Church of Muleshoe with Rev. Blaine and Rev. Moore officiating. Interment was in Lubbock cemetery under direction of the Muleshoe Funeral Home.

Pallbearers were: Lee Pool, Myron Pool, Gordon Tiller, Jim Clements, Lewis Shaeffer, Lonnie Arnold, N. C. Moore, Winford Young, Noel Warren and Pete Fudge.

## Free DDT Made Available Here

Sherwin-Williams and Co. will give away \$600 worth of DDT in Muleshoe, their local dealers, Higginbotham-Bartlett Co., and the Muleshoe Junior Chamber of Commerce announced today.

The DDT will be available at the Higginbotham-Bartlett Co. yard and store on Main street, and will be given away beginning Saturday afternoon, September 3.

There are 100 3-oz. containers and 240 8-oz. containers of 10 per cent DDT free the asking. Each container is equipped with an applicator.

The powder may be sprayed about the premises to kill flies, mosquitoes or other insects. The Jay-Cees are sponsoring the distribution and undertook the responsibility for publicizing the event in an effort to aid in the fight on insects.

## 3 City Block Are Being Paved

Three blocks of street paving is being laid in the North Muleshoe addition, Charles and Julian Le-nau announced. One block is on North Main, the other two on North Avenue C.

Property owners are paying for the cost of the street paving.

#### VETERANS INSURANCE DIVIDEND FORMS HERE

Forms on which veterans can apply for their share of the G. I. insurance dividends are available at the local Red Cross office in the County Treasurer's office, Miss Helen Jones reported.

## Planes And Pilots From Wide Area Expected Here For Air Breakfast

It is believed 75 to 100 airplanes will converge upon Muleshoe the coming Sunday morning when the Jay-Cees give their "Air Breakfast." Members of the organization have had word from widely scattered points that numbers of pilots expect to be on hand.

"They will be served a breakfast at the Yellow Jacket inn, near the old school campus by members of the organization.

A crowd of local people is expected to turn out to see the fliers come in. A short program will be given including talks by Civil Aeronautics Administration representatives.

Efforts are being made to have Army planes here that morning to "drag the field" and telephone conversations held with the Fort Worth Air Force authorities indicated something might be forthcoming from them.

### Ernest Ramm Is Award Winner

Ernest Ramm, Muleshoe; Kenneth Gregg, Plainview; and John A. Smith, Snyder, outstanding boys in Future Farmers of America activities in Texas, have been certified as winners of Sante Fe Railway awards by Robert A. Manire, State Supervisor, Vocational Agriculture at Austin.

The Sante Fe awards are cash sums covering total expenses incident to attendance by the winner at the national F. A. Convention held yearly in Kansas City.

Ramm and Smith are candidates for the American Farmer Degree and Gregg is a state officer of the Texas Future Farmers of America. Certificates of Merit representing the award will be given to the winners by R. I. Cross, Sante Fe agricultural agent, Amarillo, at the Annual Awards Banquet for F. F. E. Area 1 to be held in Amarillo at the Herring Hotel on September 2.

At this initial meeting \$270 in dues was paid in. Goss announced that all who wish to become members may mail in their checks to him. Eighteen paid memberships at the first meeting.

## T. C. Marlow Died Monday

Thomas Criton Marlow, 89, a retired farmer, died in Amherst hospital Monday morning at 3:05 o'clock. Mr. Marlow had resided in Muleshoe the last 18 months.

He was born May 15, 1860, in Claiborn County, Tenn.

Mr. Marlow is survived by his wife, Mrs. Rosa Bell Marlow; and six grandchildren: Wayne Marlow and Royce Marlow, Muleshoe; Mrs. Jern Rogers, Baileyboro; Mrs. Loyd Speece, Texico; Charley Marlow, Globe, Ariz.; and Fred Marlow, Los Angeles, Calif.

Funeral services were held in Longview Baptist Church Tuesday, August 30, by Rev. J. E. Moore and Rev. A. W. Blaine. Interment was in Sudan cemetery directed by the Muleshoe Funeral Home.

## SCHOOL DAYS AHEAD

The ringing of school bells will soon start thousands of rural boys and girls back to school, and many will be leaving home for the first time. This first day at school will long be remembered not only by the pupil but probably by dad and mother as well. There is a lot more to getting Junior or Sister off to school these days than providing them with new shoes and a dinner pail.

A complete physical check up is in order say the experts. Special attention should be given to ears, eyes, teeth and throat. If it hasn't already been done the child should be immunized against diphtheria and vaccinated against smallpox. A healthy child is a better student, will learn faster and enter into school activities.

The beginner should be able to take care of himself and above all he must be able to get along with other children. He must know something about safety. For there are automobiles to watch, streets and highways to cross and there will be new dangers on the playground that he may never have experienced at home. It is suggested that parents do a little pre-school teaching at home to familiarize the beginner with the new experiences that go with attendance at school. He should understand what discipline means and that his teacher is his friend. Parents can build up a desire in the child so he will want to go to school.

## CIVIL WAR ECHOES

Last week a nationwide drive to rid American home of dangerous war trophies was begun by detonating some unexploded shells fired at Fort Sumner, SC, in the first battle of the Civil War. Impressive as that might have been, a news report from Howard, SD was far more to the point. In the Dakota city an 8-year-old boy shot and killed his 4-year-old brother with a muzzle loader held through generations as trophy of the bloody conflict between the states. It is the kind of tragedy which occurred in South Dakota which gives point to the

## Babson Discusses Businessmen's Fears

Gloucester, Mass., Aug. 26. Most businessmen with whom I talk tell me they are afraid of the monkey business going on in Washington and how it will affect their business.

**What American Paradox?**  
Recently one tired and frightened company president said, "You know, Mr. Babson, America is living in a paradox—in our great land of wealth and plenty, people are unemployed." I replied, "Yes, I know. Our unemployed, ill-housed and poorly clothed people are so well off that they are the envy of all the rest of the world." For example: The Lincoln Electric Company recently distributed upwards of \$3,500,000 in incentive payments to 1097 workers. These payments, made possible only by individual initiative, practically doubled the income of every worker. By working hard, Lincoln produced more goods at lower prices and everybody benefited.

Roger W. Babson

One hundred and seventy-five years of evermore successful free enterprise experiences like this in our country is evidence enough for me that we must be careful not to kill the goose which is laying the golden egg. Despite all of its inadequacies, we have a system which is the best in the world. The American paradox to me is that our own workers, who have benefited most from the highest standard of living in the world, will not choose as leaders successful businessmen. Labor leaders and theoretical government planners may hold out to them promise of security but at a bare subsistence level. Why do our people act so foolishly?

**Where Business Failed**  
Too many of our business leaders have been phenomenally successful in commercial activities, but miserable failures as public relations men. They have lacked good two-way communication with

campaign—anyone ought to have the intelligence to give a wide berth to cannon ball, shells, they're called these days, but children never know to leave pistols, guns and hand grenades and other devices for killing alone.

While we're at it, why not put the sporting rifles and shotguns out of reach of the children. Or go one step further and stop putting air guns and the other booby traps of death and mutilation in the hands of children too young to understand their danger to themselves and others.

Why should we have to go back to the Civil War or even to World War II, to find implements of danger? They're all about us in superabundance, though often disguised or called "toys." —Amarillo News.

their employees and with their communities. Business has not sold itself.

The greatest danger to business today is not the spurious "something for nothing" philosophy our government has so far sold the people. That kind of misinformation and unsound economics just can't withstand the white-heat of honest facts. Any Salesman could demonstrate that such philosophers are liars and their products inferior.

**The Time Is Now**  
Back in 1835 Count de Tocqueville said: "Democracy extends the sphere of individual freedom; socialism restricts it. Democracy attaches all possible value to each man; socialism makes each man an agent. Democracy and socialism have nothing in common except one word—equality." But notice the difference: while democracy seeks equality in liberty, socialism seeks equality in restraint. Any psychologist will tell you that restraint and frustration go hand in hand. When so many of our people, their behavior becomes irresponsible, their characters become weak. The American system of Free Enterprise enables men to be aggressive, to hold their heads high, to struggle and, through individual initiative, become responsible, productive, and happy citizens.

Our workers are not to blame for their actions when we do not give them the economic facts of life. We shall have to spend millions on constructive advertising and promotional material to teach an ill-distributingly corporate Enterprise. This means educating the Press and Radio, campaigns in house organs and over public address systems. It means platform appearances in schools and colleges. It means writing simply and directly, widely corporate statements, and a dozen and one similar jobs for a full fledged public relations staff. It means telling the people fully and frankly what Free Enterprise has done for them. You say you can't afford it? I say we can't afford not to put such a program into action—at once!

## 2709 Animal Heads Tested For Rabies

AUSTIN, August 29.—The Texas State Department of Health during the first seven months of this year has a record of the examination of 2709 animal heads for rabies and of this number almost one fourth were found positive, said Dr. Geo. W. Cox, State Health Officer.

Rabies is transmitted to man through a bite or having a cut exposed to the saliva of a rabid animal. If a person is bitten, the offending animal should be penned, if possible, for a period of at least ten days. If the animal is in the infective stage, he will die within this time. This does not mean that he may not be in the noninfectious or incubative stage and develop rabies later. All dogs bitten by a rabid animal should be done in such a manner that the brain is not destroyed.

When sending a head to the State Laboratory it should be put in a container, sealed and packed in ice to prevent decomposition.

Everyone will have a part in the U. S. Savings Bonds great "Opportunity Drive" May 16-June 30. The armed forces are responding to the call for volunteer assistance by offering to fly a number of covered wagons to Independence, Mo., for a big ceremony marking opening of the drive. They will then transport the wagons to various States. The covered wagons typify the difference between the terrible hardships the original 49'ers went through in their search for riches and security and how easy it is for the modern 49'er to build for a secure future. ### Mules Made Good Showing In Scrimmage At Plainview Friday

The Muleshoe Football squad will meet the Plainview Bulldogs here tonight at the local football field for a return scrimmage session between the two clubs.

Last Friday night the Muleshoe squad traveled over to Plainview where they made a fairly good showing of themselves against the class AA Plainview team.

Coach Green stated: "I was well pleased with the showing we made over at Plainview. Of course we found out where we were weak, but that is the reason we went over there in the first place."

The Muleshoe boys played an excellent game of defensive ball especially against the Plainview running attack. They also made a fairly good showing on pass defense, but were weaker than on straight running plays.

Fumbling plagued Muleshoe's ground offensive, but coach Green stated that the boys will get over that after a few more days practice.

Muleshoe stayed on the ground most of the game doing very little passing, but what passing they did only showed up fairly well even though they did make several nice pass completions.

The linemen did an excellent job on offense as well as defensive play. In fact on the whole, the line made a much better showing than the backfield.

Downfield blocking has improv-

ed, but it is still pretty ragged.

Ted Lawler, 160 pound back looked good at the quarterback slot and Joe Cummings, 175 pound back also looked good handling the ball. Both boys made fairly good impressions at hitting the middle of the line. Bobby Goss, 190 pound back and linesman, looked good at both positions. His work in the line looked exceptionally good and he proved that he was capable of carrying the mail, too.

Phillip Garrett, 190 pound center, made an excellent showing on both offense and defense.

Bill Green, 150 pound back, made an impressive showing of himself in taking the mail, too. Spivey really looked good, but he still has lots of room for improvement. Bill Collins looked good and so did Bill Gaede at end. The Waggoner twins looked fair, too. In fact the whole squad looked good, but they still need to iron out a few wrinkles.

After another week's training, and with coach Green's efforts to work out some of the rough spots, we will see how the boys look against the Plainview eleven tonight. Of course Odell Bulldogs have scrimmaged Kress, Littlefield and two or three other squads since we were over there Friday, and it is expected that the Plainview boys will also make a better showing of themselves than they did last Friday night.

The entire Muleshoe squad will average over 160 pounds per man. This average does not include some of the smaller and younger boys who will probably be cut back to the Junior team as soon as school starts. This is the average of 33 of the squadmen.

There are only 12 Seniors on the squad. All the other squad members are Juniors, Sophomores and Freshmen.

### Name Changed To Muleshoe "Mules"

For many years the local football and basketball teams have gone under the name of "Yellow Jackets," but this year it will be different.

The 1949 football team will be known as the Muleshoe "Mules".

Due to the fact that the town is named Muleshoe, the most logical name that the football and basketball teams could go by would be "Mules".

Of course there has been a lot of argument pro and con about the matter ever since the end of football season last fall, but now the time has passed for all of that, and the teams will be known from now on as the "Mules".

The Southwestern Public Service Company innocently played a part in the final decision of the changing of the name.

Evidently they were under the impression that the name had already been officially changed, and when they had their artists to make up a special advertisement for the football program, they had Ready Kilowatt riding a pitching Mule and a line beside 'em MULES!

## Earth Edges Local Nine Sunday 12-11

The Earth nine came from behind last Sunday afternoon on their home field to beat the Muleshoe nine by a score of 12 to 11.

White, who started on the hill for the local boys, held the Earth team to only four runs in the first six innings of play while the local boys were collecting three runs off of Hartley, pitcher for the Earth nine.

Freeman took over on the hill for Muleshoe in the 7th inning and he allowed the Earth nine 8 runs which practically sewed up the ball game. However the Muleshoe nine picked up 3 more runs in the seventh inning, one in the eighth and four in the ninth, but failed to push across the tying run and lost by a score of 11 to 12 to the Earth nine.

This is the first win by the Earth nine this season over the Muleshoe team. They have played four games to date.

## Army-Navy Tilt Tomorrow Night To Open Local Football Season

Football season is here! Tomorrow night at the local high school football stadium, ex-servicemen of the Army and the Navy of World War II, will clash in the season's opening football game in Muleshoe.

Game time is set at 8:15 and a large crowd of anxious football fans are expected to be on hand to witness this annual affair.

Most of the proceeds from the game will go to the school's athletic fund, which is in bad need of more funds.

The game is sponsored by the local Junior Chamber of Commerce and they promise the fans plenty of action.

Stars of yesteryears that appear on the Army roster are: Houston Hart, Woodie Lambert, Skinny Winn, Lester Hammons, Don Jackson, Sam Martin, Ray Keeling, James Warren, Spud Thomas, Lowell Irvin, St. Clair, Doris "Red" Williams, Martin Oliver, Ed Edmiston, John Mock, J. Lewis Morris, Randy Johnson, Jack Cox, Charles Long.

Members of the Navy team are: A. J. Roberts, Horace McAdams, Houston White, Claude Patton, Pete Bryant, Russell Bryant, Sikke Watkins, Anthony Jesko, Carroll Howell, Buddy Blackman, Willard Hedges, Roy Howard, Paul Gardner, Myron Pool II, Claude Riley, J. A. Nickels, Carroll Goss, Frank Keeling, Willis Farnell, Leon Huff, Talmage McMillip, Pinky Barbour, Bill Atkins.

Many of the stars listed above have seen service on the local gridiron in years gone by. Some of them possibly have worn other colors while playing on the local field, but they are well known in this area. Some of the stars have seen service on the gridiron in colleges, service teams, and professional football.

Many of the boys have been working out for the past several weeks preparing themselves for the big struggle which will begin tomorrow night at the local high school stadium at 8:15 p. m.

Ted Lawler, 160 pound back who was being groomed for one of the leading roles in the 1949 Muleshoe football team, was injured Monday afternoon in a practice session and will be out of action for a minimum of at least four weeks according to the doctors.

Lawler was being groomed as a backfield utility man, acting at quarterback, halfback and blocking back. Green also had some plays designed for Lawler to carry the ball in most every position that he held down.

This is a bad break for the team, but he will be back in action by the time Muleshoe meets their first conference foe, the Sudan Hornets.

Of course there are plenty of backfield men who can be used by Green to take over for Lawler while he is on the bench. Joe Cummings will probably work at the quarterback slot most of the time with Goss, Green, Spivey, Kersey, Heathington and possibly one or two others alternating at spots in the other backfield positions.

A little gloom settled over the practice field for awhile after Ted was injured, but they are again showing plenty of spirit in their workouts which are being conducted twice each day.

Opening Game Next Friday

The opening game of the Muleshoe 1949 season will be next Friday night on the local football field. Springlake will be the visiting squad and they are reported to be fairly light, but crammed to the brim with speed-demons.

No one should take the game with Springlake lightly as it will be the first test of the season for the two teams and the Springlake crew may have enough speed and deception that it will offset their small size.

The Mules don't have any real speed demons, but they do have several fairly fast boys who carry a lot of weight and plenty of power.

Word comes via the grapevine that O'Donnell, south half of district 4-A is coming up with an extra hot ball club this year. . . . We shall see. Tahoka will have a very light and inexperienced team this season, but it is reported that they are expected to be loaded with plenty of speed. Post is moanin' n' groanin' as they only have one letterman back, but coach Bingham may be able to shake something out of the caprock canyons before the season is over. Ray Tiller's team down at Slaton may be the powerhouse in the south half of district 4-A. We haven't heard much from their stronghold, but it is thought that he will have a bunch of lettermen back this season and plenty of weight as well as some speed. The grapevine hasn't produced a

single thing on Seagraves so far. They haven't had much down here for several years, so it's about time they were coming up with a hotrock ball club.

Springlake doesn't have much weight this year, but do have speed to burn says the grapevine informants. Portales, N. M. will be our second foe of the season, is expected to have one of the best teams that Muleshoe will meet this season. Portales is ways close to the top in the state football race in New Mexico.

## McKnight-Barnett Vows Are Read

Miss Joy McKnight, daughter of Mr. and Mrs. C. A. McKnight of Hale Center and Don Barnett, son of Mr. and Mrs. C. A. Barnett of Muleshoe were married at 4:30 p. m. Sunday, August 28, at the Church of Christ in Hale Center with Minister Ebb Randol of Muleshoe officiating. The double ring ceremony was read before a background of fall flowers. White satin bows decorated the aisles.

Wedding music was provided by vocalist John Morlan, Abilene, and George F. Saunders, Hale Center.

Given in marriage by her father, the bride wore a gown of white organdy over white taffeta styled with a wide ruffle falling from the off-shoulder neckline. The skirt, which had two ruffles at the bottom, was ballet length. Her mitts matched her waist length veil of illusion which fell from a ruffled halo. The bridal bouquet was white roses and stephanos centered with a brown orchid.

For something old, she wore an heirloom watch belonging to Mary Barnett, aunt of the bridegroom; for something borrowed, she wore a strand of pearls with matching earbobs which belongs to her aunt, Mrs. M. F. McKnight; for something blue, she wore blue garters which were a gift from the same aunt to whom the pearls belong.

**Attendants To Bride**  
The matron of honor, Mrs. Herschel Wilson of Plainview, wore an orchid organdy dress designed similar to that of the bride's. She wore matching mitts and headress and carried a colonial bouquet of yellow roses.

Miss Marita McKnight, sister of the bride, and Miss Barbara Barnett, sister of the groom, were bridesmaids. They wore yellow organdy dresses with matching headbands and carried colonial bouquets of purple asters.

The ring bearer was Gene McKnight, brother of the bride, Lee McKnight, cousin of the bride, of Hobbs, N. M. wore a white organdy dress identical to that of the bride's and dropped rose petals from a basket carried by her brother, Bill, also of Hobbs.

The dresses of the bride and her attendants were made by Mrs. Verdie McKnight, grandmother of the bride.

Best man was Lee Goodman, Abilene. Richard Barnett of Muleshoe, brother of the bridegroom, and Warren Thomas of Hale Center were ushers.

**Reception Held**  
After the ceremony, a reception was held in the home of Mrs. Verdie McKnight. Also assisting with hospitalities were Mrs. E. B. Morris, Amarillo, Mrs. A. L. McKnight, Hobbs, and Mrs. M. F. McKnight, Hale Center, all aunts of the bride. Miss Diana Barnett, sister of the groom, attended the bride's book. Misses Marinell King, Hale Center and LaVerne Finsterwald of Mobeetie, college friends of the couple, served from the bride's table which was laid with a white Irish linen cloth and decorated with a miniature bride and groom.

## Guthrie-Cowan Vows Exchanged

In an impressive ceremony performed in the parsonage of Trinity Methodist Church of Clovis, N. M., Miss Bette Guthrie, daughter of Mr. and Mrs. Earl Lee, of Muleshoe, became the bride of Harold D. Cowan, son of Mr. and Mrs. B. A. Cowan of Littlefield, Texas. Before an archway the double ring service was performed at 9 o'clock Saturday evening, August 27, by Rev. Allen, pastor.

The bride was dressed in a striking beige and brown co-ed sport suit with kelly green accessories. She wore a white mum corsage.

In following the bridal tradition the bride carried a dainty white hand made linen handkerchief belonging to her maternal grandmother, who carried it on her wedding day 65 years ago. She also wore an old lavalierre belonging to Mrs. Everett Talley's grandmother and a wedding ring belonging to Mrs. Carroll Goss' mother for something old. Her wedding suit was something new, a pair of blue garters belonging to Miss Doris Bickel was something blue, a lovely white slip belonging to Miss Dorothy Waggoner, life long friend of the bride, was something borrowed.

Attending the bride as maid of honor was Miss Monte Lane, her cousin, who was attired in gray with navy blue accessories. Her corsage was red roses.

Mr. Cowan chose his best man as Paul T. Haley, of Muleshoe.

The bride's mother chose for her daughter's wedding a gray and a crystal punch bowl, in the center of which an ice tower was topped with dahlia.

For the wedding trip to Colorado, the bride chose a tan and gold striped chambray two-piece dress and white linen accessories. Her corsage was the brown orchid which centered her bridal bouquet.

The couple, both of whom are former students of Abilene Christian College, will be at home in Muleshoe, where he is engaged in farming.

FOLKS take a look at those bumper-guard grilles—built as a unit and proof against "locking horns"—and say "Hmmm! Nice!"

They sweep their eyes over tapering fenders, with a suggestion of jet power in their after contours—and say, "That's for me!"

They eye-measure windshields that are 48% bigger and rear windows with 56% more area—and know without being told they can see the road up closer, both fore and aft.

So they say—"That's for me—IF!"

"What does it cost me to get this handy-sized dandy with the roomiest interiors ever found on a Buick Special?"

"What do I pay for high-compression, high-pressure Fireball power from a big Buick straight-eight engine?"

"What's the tag on that swell Buick ride, with coil springing, extra-wide rims, seats between the axles and all that?"

"And what about Dynaflo Drive—

understand I can have that at extra cost—how much?"

Well, sir, the news is good. Plenty good. Because this honey's priced well under your expectations. It's a straight-eight that's priced under a lot of sixes—over the years your investment will be no more than for any other car.

So better not stop with looking. Better price it too—delivered at your door. Your Buick dealer will give you the figures, even demonstrate.

After which you'll do as others are doing—you'll get a firm order in.

**TEN-STRIKE!**  
**Only Buick SPECIAL has**

### Lubbock Fair's Deadlines Set

LUBBOCK, August 29.—All Exhibitors in the various departments of the 32nd Panhandle South Plains Fair, which will be held Sept. 26 through Oct. 1, at Lubbock, who plan to compete for part of \$10,000 premiums have been given notice of the deadline for entering exhibits.

Panhandle South Plains Fair Officials have announced the following rules for all entries. The deadline for various departments are: Livestock—Sept. 16 at 6:00 p. m. Agriculture—Sept. 24 at 6:00 p. m. Veterans Vocational Agriculture—Sept. 25 at 6:00 p. m. Individual exhibits—Sept. 25 at 6:00 p. m. Rabbit and Cavy—Sept. 23 at 6:00 p. m. Boy Scouts of America—Sept. 25 at 6:00 p. m. Women's Department—This Department will be open at 9:00 a. m. Sept. 22 and will close at 1:00 p. m. on Sept. 23 for all entries except bread, cake, cut flowers, and plants. Bread, cake, cut flowers, and plants will be received from 8:00 a. m. until 1:00 p. m. Sept. 26, and must be delivered to the Fair Grounds during this period. Since more exhibits and displays will be at this year's Fair than ever before, officials have asked that all exhibitors pay special attention to the rules and regulations printed in the Fair Catalog. Any person interested in receiving a copy of the catalog may write to Box 561, or call the Panhandle South Plains Fair Association, telephone no. 4666 or call at the office which is located at 902 Texas Avenue, Lubbock, Texas. All exhibits must be properly placed by 9:00 a. m. Sept. 26, officials stated.

### NEW PERRY MASON BOOK FOR MULESHOE LIBRARY

A new Perry Mason mystery has been added to the shelves of the Muleshoe library, among new books just received, Mrs. E. R. Wright, librarian announces.

The book, by Eric Stanley Gardner, is entitled "The Case of the Cautious Coquette". This time Mason was after a hit and run driver and he set a trap. Into the trap walked a girl with innocent blue eyes and wheat colored hair. Within 24 hours Mason realized that someone was after him, and that he was holding a great big bag. Read the story. See how he clears himself of the murder.

Another new volume for the library is "The Mudlark" by Theodore Bonnet.
