

Muleshoe . . .

By J. M. Forbes

In the humble opinion, and of too humble at that, of this column, full development of the Muleshoe Country entails the further growth and development of vegetable growing at least on small plots in our great cotton district.

Why do we think vegetable growing on a gradually increasing acreage indicated now that we have meat and cotton acreage allotted in future years.

There is no question that we can grow tomatoes, watermelons, sweet potatoes, peanuts, and many other similar crops very profitably, with a high money return per acre. There is no question as to quality of our produce here. There usually is a good market.

Therefore it seems to us that provision of adequate shed and receiving facilities here is patently to our advantage. There is no need to put out a lot of money; but if we want the vegetable business here to grow we will have to provide at least a gathering place where truckers can always find a load of produce in season. Such a shed would encourage more and more of our small farmers to turn to vegetable production, since they would know they likely would have a ready outlet for their produce.

In 27 successive lunch rooms where we stopped to get coffee as we motored down the highway through the Texas hinterlands, the music box whanged away on the lonesome cowboy tune, either "Pull Off Your Coat and Throw It In The Corner" or "You Broke My Aching Heart." In the next a mechanic from across the street came in, dropped his nickel in and the sweet notes of the "Blue Danube Waltz" floated out to the appreciative ears of the diners. In the next an old boy put in a nickel and played "Tales from the Vienna Woods," and the folks applauded. Just then the raucous horn of a truck that wanted to pass by, awoke me from my preposterous dream.

But I can't believe that most Americans like the sort of songs you invariably hear in public eating places. Most songwriters are designed for this purpose is sufficient to cause one's mind to slip into that twilight zone where only the supreme effort of a superb psychiatrist could bring it back into a semblance of normality. Perhaps the record makers know best, but if I had a cafe, I would have sweet, sentimental tunes to cheer the people up, and maybe cause them to eat more heartily.

I. B. SHOFNER RITES CONDUCTED AT LEVELLAND

Word has been received by The Journal of the death of J. B. Shofner, of Levelland, who was the father of H. M. Shofner, of Muleshoe. He passed away Sunday, Oct. 16, of a heart attack, at the age of 87.

Funeral services were held on Wednesday afternoon at Levelland, with interment in the Levelland cemetery. The entire Shofner family of Muleshoe attended the services. Survivors include 14 children, 52 grandchildren, 80 great grandchildren, and 3 great great grandchildren.

Two New Wings Being Added To Local Grade School Building

Three Way Is Teachers Host

Three Way School played a gracious host to members of the Bailey County Teachers Association, in meeting Monday night, serving a banquet in the school gym and providing talent for an interesting program. More than 100 persons were in attendance besides the school children who took part.

L. S. Tigger, Voc. Ag. teacher at Three Way and Supt. H. H. Homley were toastmasters. Invocation was pronounced by J. H. Lyles, of Bula school.

Each superintendent introduced members of his faculty present. Among others introduced were E. H. Boulter, of Lubbock, district deputy state school superintendent; Judge and Mrs. Cecil H. Tate and Miss Elizabeth Harden, of Muleshoe.

Roy Bass, Lubbock Attorney, gave the principal address of the evening. Mr. Bass is an outstanding after dinner speaker and has appeared at numerous gatherings in this area. He also obliged by playing several numbers on the piano.

Children of Three Way school formed two squares and gave a square dance exhibition. They were arranged costumed for the square dance by members of the school chorus, and by a school group were especially enjoyed by the group.

PICTURES

The pictures showing the trying out of a new testing device in use by the Southwestern Public Service Co. in last week's issue of The Journal was loaned to this paper by Crop & Stock, a farm magazine published at Lubbock. Bob Gregory, the Peerless Pump man of Muleshoe, should have been credited with the photo showing hybrid corn grown this year on the G. T. Maltby farm. Sorry, we forgot.

MULESHOE — County Seat of Bailey County — TEXAS

Thursday, October 20, 1949

Annual School Carnival To Be Held Next Friday Night At Stadium

A chuck wagon supper that will satisfy the most exacting gourmet is promised as a feature of the annual Muleshoe School Carnival, sponsored by the PTA to raise money for the many activities of the student body.

The carnival will be held the evening of October 28, and the chuck wagon supper is scheduled to begin about 6 p. m. It will be served in the open on the football field. All carnival activities will be at the athletic stadium unless the weather forbids. Mrs. R. E. Herrington, PTA president, said.

This year there will be no solicitation of the citizens by the children as in former years. The PTA expects to raise money needed at the carnival, through sale of tickets to the supper, and through sales at the various booths and exhibits on the carnival grounds.

There will, however, be a solicitation for sales of supper tickets, which will be sold for \$1.00. Committees will be assigned a definite portion or zone of the town and an effort will be made to avoid duplication of effort, so the citizen will not be importuned by several to buy the tickets.

Mrs. Herrington said, however, that the PTA will accept donations from business people or from farmers for the food to be used in the supper.

Barbecued beef and the trimmings will be served. Therefore, the PTA will accept contributions of meat, beans, potatoes, tomatoes, eggs, cream, sugar, etc. In former years much of the food has been contributed which leaves the PTA more money for its school fund.

Everyone in the community is invited to attend this carnival and enjoy themselves and at the same time help their school.

The PTA yearly contributes big sums for the band, pep squad, or other school activity not financed by district tax funds.

SCHOOL MEN OF AREA TO GATHER IN LAMESA

The Association of School Administration will meet in Lamesa high school cafeteria for a dinner, program, and an hour of fellowship Oct. 26, 8 p. m. Those who can attend from this county are asked to notify Judge Cecil H. Tate, ex-officio school superintendent, or Supt. C. W. Grandy, Muleshoe.

Construction work on an addition to the grade school building in Muleshoe was started this week with V. M. Collins, local builder in charge.

Two wings will be built at each end of the old building, each to be of one story and to contain 4 class rooms, giving the school 8 new class rooms.

The addition will go a long way toward relieving the crowded condition of the school plant.

The district has received some money recently from the sale of old buildings in districts consolidated with Muleshoe. This money is to be used to finance the addition.

Citizens of West Camp have bought the old building in their community for a community meeting house and the people of Progress community have done the same with their old building. The citizens of the old Y. L. district were making final arrangements to buy the old school building in that community. All these have consolidated with Muleshoe.

The wings will each be 64x51 feet in dimensions, and brick and tile will be used in construction, walls to be stuccoed.

New Instructor

JOSE D. AREVALO

Master of eight languages, Jose D. Arevalo began this week as a teacher and associate professor of the Department of Foreign Languages at Wayland College.

Bad Weather Slows Down Harvest Of Sorghum Grains

Harvest of sorghum grains in this territory has gotten off to a slow start due to the weather which has contributed to a high moisture condition that makes the grain hard to handle, and movement of the grain by local elevators has been hampered by a shortage of railroad cars.

One Muleshoe elevator operator Wednesday estimated that the crop north of Muleshoe is only ten per cent harvested. He said farmers likely would welcome a cold spell to help clear up the excessive moisture situation. Many farmers are piling their grain on the ground and the elevator have resorted to this practice. King Bros. Grain & Seed Co. estimated there are 30 to 40 cars in a pile of grain near their storage bins.

Elevators were doing what they could either to provide storage or to handle the dry grain that came to them. The box car situation by yesterday had given some indication of easing.

Wet grain is not accepted for a government loan, hence many farmers are piling it on the ground until it gets drier, since there is quite a disparity between the current loan price and the current cash grain price.

There was a reduced acreage in sorghum grains this year, but since the yield is above average there still will be a very great movement of the grain from the Muleshoe station.

Keeling Heads USO Committee

Mr. Ray Keeling, Commander American Legion Post, Muleshoe, Tex., has been named chairman for Bailey County for the Texas USO Re-activation Campaign. Mr. Z. O. Lincoln, District Chairman, of Levelland, Tex., announced today.

The quota for Bailey County is \$420,000, which is Bailey County's share of the \$500,000 goal for Texas.

LOCAL JUNIOR CHAMBER OF COMMERCE LAUNCHES "GOOD NEIGHBOR FUND" DRIVE

Modern Sound System To Be Installed In New High School Here

Absentee Voting Began Here Today

Absentee voting in the special election to be held November 8 began today, according to announcement of County Judge Cecil H. Tate.

Any qualified voter who will be absent from his voting precinct on the date of the election may vote by applying at the courthouse for a ballot and turning same over to the authorities. Several proposed amendments are to be voted on a representative for this district in the lower House of the Legislature will be elected.

Church Of Christ Members Can For Orphans Home

On Tuesday, October 11, about 31 members of the Muleshoe Church of Christ met in the home of Mr. and Mrs. S. C. Caldwell and gathered and canned 96 No. 3 cans and 36 quarts of shelled Pinto beans and soup.

A nice luncheon was served at the noon hour.

Besides several small children the following were present for the occasion: Mrs. J. D. Witherspoon, Mrs. and Mrs. L. E. Bartlett, Mr. and Mrs. W. Jarmon, Mr. and Mrs. Pete Mimms, Mr. and Mrs. Tom Zimmer, Mr. and Mrs. John Boydston, Mr. and Mrs. S. C. Caldwell, Minister Ebb Randol, Mrs. Ross Goodwin, Mrs. E. O. Baker, Mrs. M. H. Ottwell, Mrs. Scott Donaldson, Mrs. John Garrett.

Mrs. Lewis Stewart, Miss Billie Bartlett, Mrs. Manuel Self, Mrs. Ted Hand, Mrs. E. E. Holtzclaw, Miss Geneva Holtzclaw, Mr. Gene Caldwell, Mrs. Earl Jeter, Mrs. N. Ivey, Mrs. W. E. Wagner, Mrs. Anna Tennlar, Mrs. Reel Johnson, and Mrs. Mock.

VISITOR FROM FORT WORTH

Mrs. Vestal Tyson of Fort Worth, visited over the weekend in the home of Mr. and Mrs. E. E. Dyer.

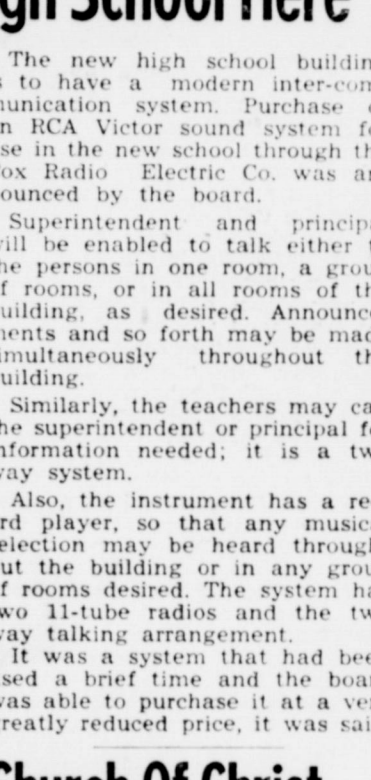

Lazbuddy School Carnival To Be Held Friday Night, October 28

The Lazbuddy high school and grade school will have their annual school hallowe'en carnival Friday, Oct. 28, in the high school gym.

The carnival will be climaxed with the crowning of a grade school queen and a high school queen.

Will Provide Christmas Cheer For Needy and Underprivileged

Is In Race For Representative

H. M. LaFont

Pictured above is H. M. LaFont, a candidate for the office of State Representative, 120th Legislative District, at the special election to be held November 8.

Mr. LaFont, a resident of Plainview, Hale County, formerly was county judge, later district attorney for this, the 64th Judicial District.

AWTREY GUESTS

Guests in the W. H. Awtrely home over the week end were their sons, Mr. and Mrs. Deon Awtrely and family of Albuquerque, W. H. Jr., of La Junta, Colo., and Miss Frances Morrow of Tucumcari.

BROWNWOOD, Oct. 17, (Sp.)

Dr. and Mrs. G. A. Pittman of Muleshoe attended the 34th annual convention of the Texas State Chiropractic Association held here Thursday through Saturday last week.

They helped swell convention attendance to some 500 delegates, their wives and guests and to make it the biggest convention in the association's history.

The stimulus provided the profession by legal recognition through the chiropractor licensing law passed early this summer by the Legislature was believed to be a primary cause for the large attendance at the convention.

West Texas' Water Needs To Be Presented To Government Officials

Attended State Chiropractic Meet Held At Brownwood

Hallowe'en Dance Here October 31

Someone To Get A Buick Special

Another big evening of entertainment is promised people of this section in the second dance to be staged in the American Legion Home of Muleshoe the evening of Monday October 31. It is the big hallowe'en dance, sponsored by Ben Richardson Post and Legion Auxiliary.

Music will be furnished by C. M. Stookey 12-piece orchestra, said to be New Mexico's best.

Dancing will be from 9:00 to 12. Tickets are now on sale.

Several hundred attend a dance and floor show staged here soon after the new home has been completed and it is hoped the community will rally to this dance as they did for the first one.

ABILENE, Oct. 18.—Factual information upon the water problems and needs of every town in West Texas is to be presented to officials of the U. S. Bureau of Reclamation, Department of Interior, at the annual directors' meeting of the West Texas Chamber of Commerce in Fort Worth, Nov. 22.

President John D. Mitchell of the WTCC has called upon all local directors of the organization and local Chamber of Commerce managers to prepare an official document, to be signed by those officials and the mayor, citing water needs and problems. The information is to be sent to WTCC for delivery to the officials at the Fort Worth meeting where it will be presented by Lawrence Hagy, Chairman of the WTCC Municipal Water Rights Committee.

"State with all your power of statistics and persuasion your domestic and industrial water needs and requests for help," the letter says.

Mitchell and Bandeen call attention to the river basin surveys of the Bureau of Reclamation, now under way in West Texas, which may eventually call for the construction of some \$400 million in dams, reservoirs and pipelines for the West Texas area.

WTCC slogan for the November 22 convention is "Dam West Texas or West Texas is Damned."

A Buick Special will be awarded as part of a drive now underway by Ben Richardson Post, American Legion, of Muleshoe, the members decided at their last meeting.

The campaign will begin on November 1 and will wind up on Christmas Eve. Details may be secured from any Legion member or member of the Legion Auxiliary.

Muleshoe Junior Chamber of Commerce this week announced the launching of their "Good Neighbor Fund", designed to raise money to provide Christmas cheer this year for unfortunate families and underprivileged children of the community, regardless of race, religion, or any other condition.

People of this area are invited to contribute to the fund. Last year, the JayCees went far afield, many miles from Muleshoe, to do what they could to help. They expect to do the same thing this year should the need arise.

They hope to give not only the little things desired by children at Christmas, but to provide food, clothing, or any other necessity of a family, should it be required.

Cooperation of the people is requested in finding and checking such families or children; if anyone knows of a family or children in need he should notify the JayCees organization. Sheriff Hugh Freeman has volunteered the services of his staff in checking and in finding such indigents.

Anyone who desires to contribute money to the "Muleshoe JayCees Good Neighbor Fund" is invited to send a check to: The Muleshoe Journal or hand or send the money to any member of the JayCees.

To start the fund off, the JayCees wrote out a check in the sum of \$250. Murrel Brown, of the club, one of the originators of the fund, added his check for \$5, so the fund now stands:

- Muleshoe JayCees \$250.00
 - J. M. Brown \$ 5.00
- The Journal will each week carry a list of donors, adding new names as they come in.
- The club named as a purchasing committee Ray Keeling, June Wagner and Lowell St. Clair; and as a distributing committee, Bud Dyer, Carroll Goss, Jr., Paul Gardner, and Myron Pool, II.

President John D. Mitchell of the WTCC has called upon all local directors of the organization and local Chamber of Commerce managers to prepare an official document, to be signed by those officials and the mayor, citing water needs and problems. The information is to be sent to WTCC for delivery to the officials at the Fort Worth meeting where it will be presented by Lawrence Hagy, Chairman of the WTCC Municipal Water Rights Committee.

"State with all your power of statistics and persuasion your domestic and industrial water needs and requests for help," the letter says.

Mitchell and Bandeen call attention to the river basin surveys of the Bureau of Reclamation, now under way in West Texas, which may eventually call for the construction of some \$400 million in dams, reservoirs and pipelines for the West Texas area.

WTCC slogan for the November 22 convention is "Dam West Texas or West Texas is Damned."

A Buick Special will be awarded as part of a drive now underway by Ben Richardson Post, American Legion, of Muleshoe, the members decided at their last meeting.

The campaign will begin on November 1 and will wind up on Christmas Eve. Details may be secured from any Legion member or member of the Legion Auxiliary.

THE STORY OF THE WORLD'S FIRST OIL WELL

This is the story of the fish
that didn't get caught and of the
beginning of an era of progress.
This is the story of how the oil

industry was born ninety years ago.
According to the best records of the petroleum industry, a blacksmith and well driller by the name of "Uncle Billy" Smith had planned to go fishing with his sons on a Sunday in August, 1859. But that morning they found oil when they made cursory examination of a well they had drilled to a depth of 69 and a half feet. That discovery cancelled Sunday's fishing expedition and marked the beginning of the petroleum industry.
This week, "Oil Progress Week" in communities all over the country, oil men are re-telling the story of how "Uncle Billy" brought in America's and the world's first oil well.
They tell how it was the dereliction of some other well drillers that placed "Uncle Billy" in the pages of history. Or, they explain maybe those other well drillers just had no confidence in the idea that petroleum could be found by drilling a well like those which they drilled for salt.
A retired railway conductor, Col. Edwin L. Drake had been commissioned in 1858 by the Seneca

LITTLE ANCHELS

Oil Company to drill a well for oil at Titusville, Pa., near where oil often appeared on the surface of streams and pools of water. Never before had anyone proposed that oil existed in such fashion underground that it could be found and brought to the surface by drilling a well.

When Colonel Drake arrived in Pennsylvania, he decided that he should hire some of the local experts who were drilling salt wells. A crew of three that he employed never showed up. Their dereliction was the chance that made "Uncle Billy" famous.

When his drillers didn't report for work, Colonel Drake borrowed a horse and headed for Pittsburgh and Tarentum, Pa., to talk to William A. Smith, a blacksmith whose reputation as a well driller was highly spoken of by salt well people.

The Colonel hired "Uncle Billy" on the spot, but was greatly chagrined when the driller insisted that he could not come to Titusville before the late spring of 1859. He had too many jobs already lined up in and around Tarentum, he told the Colonel.

Smith arrived scheduled on April 9, 1859. Drilling started in May. Work progressed slowly. The drill was down only a few feet when quicksand was struck. They drilled through the sand readily, but when the drill was withdrawn, the sand filled the hole.

It was Edwin Drake who came up with the solution. He suggested they push down heavy pipe through the quicksand until rock was struck. They then could remove the sand from the pipe and continue drilling operations through the pipe.

This held up drilling until financial arrangements for the pipe could be made. The pipe arrived in August, 1859, and they quickly drove it through the sand to the rock below.

On that historic August 27, 1859, the cursory inspection had revealed, just a few feet below the surface was the black, magic liquid: petroleum.

A new industry had been born and a new era in man's progress began. "Uncle Billy" cancelled his plans to go fishing that day with his sons James and Samuel who had helped drill the well.

The ninety years since that first well was drilled are significantly the ninety years of the greatest progress in America. Along with the discovery of oil fields and the subsequent development of new uses for oil products have come the machine age, the automotive age, the flying age, the communications age and many modern marvels unknown to us less than ninety years ago.

BARSON DISCUSSES Business Of Education

BARSON PARK, MASS., Oct. 14—Vacations are over. Youngsters are back at school. What will they learn this year that will make them happier, better integrated personalities? What will our schools teach them about the greatness of their country and what made it great?

Education For Education's Sake
Most of our youngsters will learn that the Pilgrims landed in Plymouth. They will have heard about the battle of Bunker Hill. They know something about Paul Revere. But they will never have set foot inside any plant, large or small, to catch the spirit and romance of American production. Few will ever have contrasted for them in the public schoolroom the American worker's standard of living, working hours, and conditions with those of the workers of Britain, Russia, or even socialistic Sweden.

But our kids will know about Caesar and ancient Rome and Socrates and Aristotle. And they will make abortive attempts to learn Latin and French. I did. They will have their minds disciplined and their brains sharpened by drawing meaningless geometric figures on a blackboard and by stating geometric propositions and citing corollaries, Q. E. D. But they cannot spell; they will be unable to write a business report or speak grammatically, or add a column of figures or make accurate change. Even more important, will they have a grasp of our social, economic, and political problems sufficient to make them intelligent voters?

Education For American Civilization
Present-day education ought to feature the history and romance of American profession, industry, merchandising and commerce to which the students owe their present high standard of living—the very best in the entire world. Our literature, mathematics, and science ought to be well integrated into these teachings and not taught as separate subjects.

I am most concerned that so few of our children (I won't embarrass the adults) can explain how their city, state or even nation is run. They don't know enough about the history and development of our country to understand what really made us great. They probably have read about the vulcanizing of rubber in 1839, the early sensitized photographic plates in 1851, and the first Atlantic cable in 1866. They know, too, about the invention of the telephone and phonograph and of electric motors, the X-Ray, the automobile, airplane, and motion picture.

Conclusion
No less a person than General

They know, too, about the invention of the telephone and phonograph and of electric motors, the X-Ray, the automobile, airplane, and motion picture.

But no one seems ever to have told them what has developed the inventions into great American industries. High school graduates should know that it was the investment of private capital, the intelligent management of industry and the sweat of willing workers pulling together as a team that made America great. They should know that American free enterprise with all of its weaknesses has made it possible for them to have the highest standard of living in the world.

Our high school graduates should be given, in addition to a study of the various "isms", an impartial report of the American businessman's point of view that excessive taxes discourage venture capital and the initiative that made us great. It should be made crystal clear to students that unless business, big and small, can develop in the future as it has in the past, the economic advantages will not be as great for future workers and investors as they have been for past generations.

MULESHOE FAVORED OVER ROUGHNECKS

Game Time Is Set For 8 O'clock

For the first time this season in a conference game the Muleshoe Yellow Jackets are the favorites in a conference game, as they go to Sundown for their first conference game away from home. The Jackets hold only a slight edge over the Roughnecks according to the dope bucket.

Never the Roughnecks feasted passing attack, which is the Jackets' strength. The Jackets are yet to make a pass defense. They will be more or less a battle of power against tricky and fast ball handling.

In a non-conference game, the Jackets defeated the Slaton Tigers 26 to 0. Two weeks later the Tigers, who failed to ever get their offense to rolling against the Jacket eleven, downed the Roughnecks by about the same score, 26-7.

Dalhart who defeated the Littlefield Wildcats breezed through the Roughnecks for a win by a big margin.

The Yellow Jackets, barring any injuries between now and game time will again be at top strength for this battle.

Many local fans will follow the boys to Sundown to give them their moral support.

Muleshoe has been defeated twice in conference play so far this season, but there is still a

FROM NMMI

Earl Ladd Jr., who is attending NMMI, at Roswell, N. M., visited his parents and friends last weekend.

TO COLORADO HUNTING

Leaving last week for Colorado to hunt deer and elk were C. A. Barnett, Clarence Weeks, and W. H. Robertson.

DALLAS VISITOR

Joe Reed attended the State Fair in Dallas over the weekend.

very slight chance for them to tie at least for district honors. Of course Littlefield and Sudan will both have to be defeated two conference games for this to happen, which is not very likely, but possible.

Probable starting line-up for the Yellow Jackets will be: Ends, Bill Gaede and Benny Douglass; Tackles, Collins and Taylor; Guards, Thomson and Martin; Center, Garrett. In the backfield: QB, Nickels; LH, Lawler; RH, Bryant or Kersey; FB, Goss. Other possible starters in the backfield are Seid, Spivey and Heathington.

Mr. Yellowjacket

JOE CUMMINGS

Known for his wisecracks and ability to make everybody feel good you'd naturally think of him to be the guy to acclaim the title Mr. Yellowjacket.

Prince Of Friendship

BILL COLLINS

A guy that's quite a guy and a whale of a football player, is a most likely selection for Prince of Friendship.

Princess Of Friendship

MARY JO WHITE

Since she is president for secretary of most every organization about MHS, you know she must have personality and too, she is a worthy person for Princess of Friendship.

MULESHOE VISITORS

Visiting in the homes of Robert King and H. D. King over the weekend were a brother, Mr. and Mrs. B. F. King and family, Kermit; Mr. and Mrs. E. G. Pharr and two girls of Lubbock; a cousin, Mr. and Mrs. Tom Baker, Plainview; a brother, A. J. King and family, of Odessa.

Tied With Sudan In District 4-AN Conference Race

The hard-fighting Yellow Jackets bowed to the powerful Littlefield Wildcats here last Friday night before a crowd of 2,500 people who were on hand to witness the conference encounter.

Tom Bailes led the Wildcats in their scoring spree, crossing the double strip for five of the Wildcat touchdowns.

Littlefield's first score came in the first quarter when Bobby Goss's fourth down kick was blocked across the goal line and R. E. Bryant failed to bring the ball out of the end zone.

The Jackets held the Wildcats to only two points in the first quarter, but in the second quarter the Wildcats scored 20 points.

Littlefield's first TD came after a 57-yard march with Frank Gage going the final 39 yard jaunt. Gage failed to make the extra point. This gave the Wildcats an 8-0 lead early in the second quarter.

A few minutes later Ted Lawler fumbled and the Wildcats recovered on their own forty yard line. A pass and a line plunge carried to the 50 for a first down. Bailes went off tackle for 50 yards for their second TD. Gene Renfro ran over for the extra point.

Littlefield's third tally came after taking over a nearly blocked kick that only went 10 yards on Muleshoe's 30. Bailes on the first play went 30 yards for the Wildcat's third tally. Renfro ran over for the extra point.

Early in the fourth period the Wildcats marched 45 yards with Bailes scampering the last 20 for the TD. Gage drove over for the extra point.

A short time later quarterback Ed Nickels pass was intercepted by Wildcat Bailes who scampered 30 yards for another Wildcat TD. Donald Crossley pushed over for the extra point.

In the fourth quarter Stephen Brock returned a Muleshoe punt 45 yards to the Muleshoe 45. The Wildcat's marched on down the field with Crossley tossing a 22 yard pass to Gage in the end zone for the TD. Try for extra point failed.

The Wildcat's final score came with Bailes spinning and twisting for the final 39 yards of a 70 yard drive for the TD. Try for extra point failed and the Wildcat's total score was stretched to 48 to 0 for the hard-fighting Yellowjackets.

The Muleshoe eleven threatened to make one time when a pass from Nickels to Douglass carried 65 yards to the Wildcat 7 yard line, but the Wildcats held the Yellow Jackets who failed to make any further gain.

Slants From The Sidelines...

By W. E. Hill

Last Friday night the Yellow Jackets played one of their best games of the season although they were defeated 48-0.

We lost to one of the best teams in this section of Texas. Littlefield, barring injuries an upset, or some other misfortune will go a long way toward the state championship this year. Dalhart defeated them in their season's opener, but according to a reliable source, the Dalhart squad couldn't hold the Wildcats a light in another game should they meet and that is likely to happen too.

Our boys looked better all the way around and for the first time decided that they could get just as rough as the next team.

Now, we don't approve of dirty football, but when a team starts playing dirty and the officials don't put a stop to it, then we think that any ball player who is the recipient of such conduct should start dishing out the same medicine, only just a little bit harder. Sometimes this will stop lots of dirty work.

However, we don't blame any ball player, especially last Friday night. The officials should have put a stop to such goings on in the first quarter and they could have done it too, if they had wanted to.

We are not an official, but if you will watch closely nearly any football game, the line play, you will see some dirty work going on from as far away as the press box. I know that as wide open as some of the offenses in last Friday night's game could have easily been detected by an official who was right there on the field and they could have put a stop to all the dirty work in the first quarter.

We have gripped a little about this and that in this column, but we were in hopes that it was constructive criticism.

On the other hand we have heard moaning, griping and just about everything else about everything in general all season sometimes in front of football players on the downtown streets by our local downtown coaches. Now this kind of stuff certainly hasn't helped any of the football boys in one particular and if there is anything that is any more demoralizing to a football team is that.

What we need is SPIRIT. We need to give the boys 100 percent backing, win lose or draw, and brother, I don't think we are doing it. Of course most of us have

Lazbuddy To Meet Bula Six Man Team Tues.

The Lazbuddy six man football team will be hosts to the Bula team next Tuesday night at the Lazbuddy football stadium.

Lazbuddy defeated Bula in an early season contest in the last ten seconds of the game, outscoring the Bula team 38 to 36.

Lazbuddy has also defeated the Three Way Eagles one time by a score of 33 to 25.

A large crowd of fans are expected to be on hand next Tuesday night to witness the game between Lazbuddy and Bula.

CHRISTIAN SCIENCE SERVICES

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 23.

The Golden Text is: "He that shall endure unto the end, the same shall be saved" (Matthew 24:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Mark the perfect man, and behold the upright; for the end of that man is peace" (Psalms 37:37).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The way is straight and narrow which leads to the understanding that God is the only life" (page 324).

helped a little financially some way or another, but that isn't SPIRIT or BACKING. Our boys (the football team) are lacking in spirit, but they are not going to have any spirit unless we have some spirit downtown. . . . Let's stop our griping, moaning and groaning about this and that, and get behind our boys and BACK THEM UP ALL THE WAY. Let's get that spirit started downtown and the boys will pick it up and carry it out on the football field.

WHEAT KINGS

Crowned at the Tri-State Fair at Amarillo on October 6th, the "Texas F.F.A. Wheat King of 1949" is John Block of Kress and the "Texas 4-H Wheat King of 1949" is Edwin Weatherford of Ochiltree County. Pictured above with their trophies, King John received \$100 from the Amarillo Grain Exchange plus a trophy and an all-expense trip to Houston to study the marketing and processing of wheat to be provided by the Texas-Oklahoma Wheat Improvement Program; King Gale received \$100 from the Amarillo Grain Exchange plus \$100, a trophy, and a trip from the improvement organization. One hundred dollars for the best F.F.A. long time record to be used for a college scholarship was awarded to Leo Erwin of Canyon.

Other prize winners in the F.F.A. contest included: 2nd, Otis Brown of Crosbyton, 3rd, Dale Smith of Claude; and 4th, Dick Doyle of Claude. In the 4-H contest, 2nd, was won by Edwin Weatherford of Texhoma; 3rd, by his brother, Jim Weatherford; 4th, by Marion J. Brandiddik of Gruver. The second prize winners in each class received trophies and \$50 cash from the Amarillo Grain Exchange. All of these boys and their vocational teachers or county agents will be given a total of 16 free educational trips to Houston and Galveston to study the marketing and processing of wheat at the expense of the Texas-Oklahoma Wheat Improvement Program.

Comanche was the variety exhibited by the top 3 boys in the 4-H division while Westar was the variety winning for the top 3 boys in the F.F.A. contest. All samples were graded first for the grain characteristics and the top 8 samples in each division were then milled and baked in Kansas City by the Doty Technical Laboratories. The final awards gave 25% for the grain grading, 15% for the milling and 10% for the baking characteristics. Total prizes awarded in the Texas wheat improvement contests were over \$2,300 including prizes to 25th place in some of the junior and adult contests provided by the Tri-State Fair.

ATTEND MEETING

Misses Bill Edd Jones, Gwyneth Bigham, Ann Horsley, and Mrs. Bob Herrington were in Plainview Tuesday evening to attend the Epsilon Sigma Alpha meeting held there.

ATTEND PLUNKET FUNERAL

Out of town guests attending the funeral of J. N. Plunket were: Mr. and Mrs. Ez Burnett and Doris Kross; F. A. Taylor, Fort Worth; Elgin Taylor and Mrs. Herman Fox Bowie; Bill Layrver, Sunset; Mr. and Mrs. Y. L. Yarbrough and Dee Taylor, Roy, N. M.; R. B. Taylor and Mrs. Slatter, Lubbock; Joe Taylor, Mr. and Mrs. Author Block, Post; Mr. and Mrs. Sydney Pool, Mr. and Mrs. Carlisle, Mrs. James Carlisle, and Mrs. Burro, Lingo, N. M.; Mr. and Mrs. Joe Walker, Littlefield; Mr. and Mrs. J. W. Franklin, Lockney; Mr. and Mrs. Herman Taylor, Tommy and Pauline, Happy; Mr. and Mrs. Frank Robinson, Sudan.

WERE DOWN IN TEXAS

Mr. and Mrs. J. M. Forbes visited down state over the week end. They first visited newspaper friends at Stephenville and inspected the plant of the new daily there. Then they went to San Antonio to visit with his sister and brothers.

PLUNKETT VISITOR

Mrs. Etta Reed visited in the home of Mrs. J. M. Plunket Sunday.

Mary Lee Taylor's
Prize Peach Pie

Broadcast: October 15, 1949
1/2 cup Fat Milk 36 marshmallows, unflavored gelatin
1 envelope 1/2 cup cold water 2 tablespoons lemon juice
1/2 cup canned peach juice 1 1/2 cups canned, sliced (fine peaches, drained)
2 tablespoons sugar 1/4 teaspoon salt
1 teaspoon grated lemon rind

Chill milk until ice cold. Soften gelatin in cold water. Mix peach juice, sugar, salt and lemon rind. Add marshmallows. Cook and stir over very low heat until marshmallows are just melted, about 3 min. Stir in softened gelatin. Then stir into beaten egg. Add 1 tablesp. lemon juice and 1 cup peaches. Chill until slightly thicker than un-beaten egg whites. Whip chilled milk with cold cream beater, or electric beater at high speed until fluffy. Add remaining 1 tablesp. lemon juice; whip stiff. Fold into peach mixture. Put into cold 9-in. baked pastry shell. Garnish with rest of peach slices. Chill until firm.

Course On Corsage Making Held In District Courtroom

A corsage making school was held in the District courtroom Tuesday night, October 18, with instructions being given by Miss Sadie Hatfield.

Those attending the school were Mrs. G. T. Maltby, Mrs. J. E. Randall, Mrs. S. C. Caldwell, Mrs. A. W. Copley, Mrs. W. H. Awtrey and Mrs. J. E. Day, Muleshoe.

Earnestine Gary, Tula; Eleanor Ferguson, Plainview; Mrs. W. W. Couch, Mrs. S. L. Busbice, Mrs. Marie Corrington, Mrs. W. R. Bowers, Mrs. V. M. Collins, all of Muleshoe; Mrs. Roy Copeland, Lamesa; Mrs. Jno. Thomson, Mrs. D. R. Aylesworth, Mrs. Harold Mardis, Muleshoe.

Wood, Jennings Hosts Study Club

Meeting in the home of Mrs. Buck Wood with Mrs. G. O. Jennings as co-hostess Thursday evening, Oct. 13, was the Muleshoe Study Club. The program, "Glamorous Cities of the South," was very ably rendered by Mrs. H. D. King and Mrs. Henry Williamson.

The next meeting will be in the home of Mrs. Julian Lenau with Mrs. Henry Williamson and Mrs. Buck Ragsdale as co-hostesses. The club is to wrap packages to send to the family in Holland that was chosen by the club last year.

Those present for the meeting were Mesdames John Watson, Buck Ragsdale, M. F. Green, Chas. Lenau, A. E. Lewis, Henry Williamson, Julian Lenau, Marion Harris, E. R. Hart, Pat Bobo, H. D. King, one new member, Mrs. Ray Keeling, two guests, Mrs. Vance Wagoner, and Mrs. Dudley Malone and the hostesses.

AT THE METHODIST CHURCH

On each Sunday evening after church there will be a fellowship hour. Light refreshments will be served to all. Then there will be two audio-visual pictures: one will be religious, the other educational. Both will be helpful for our spiritual and moral thinking.

This Sunday evening we will show a religious picture, and then a picture on the making and power of the atomic bomb. There will be actual pictures of the Destruction of Hiroshima. These pictures will introduce us to the terrible-ness of what the future holds for a world that fails to live in peace. If we are wise and good, we will accept the reality of our world, and work for peace at home and around the world. You are invited to see these pictures.

T. G. Craft, Pastor.

CARD OF THANKS

We wish to express our sincere thanks to the many friends and old neighbors for the many kindnesses shown during our recent bereavement of death of our mother and grandmother, Mrs. J. W. Gregory Sr.

Gregory Brothers,
And Families.

Miss Hatfield Directs School In Landscape Planning

A landscape training school was held Tuesday afternoon, October 18, under the direction of Miss Sadie Hatfield.

The group met in the District courtroom going from there to the home of Mr. and Mrs. W. R. Bowers for the instructions and explanations.

Those attending the school were Mrs. O. C. Thomson, Muleshoe; Mrs. Birda Garrett, Muleshoe; Mrs. G. T. Maltby, Muleshoe; Mrs. Roy Copeland, Lamesa; Mrs. Mary A. Moore, Lubbock; Eleanor Ferguson, Plainview; Earnestine Gary, Tula;

Mrs. W. R. Bowers, Muleshoe; Mrs. J. E. Day, Muleshoe; Mrs. W. H. Awtrey, Muleshoe; Mrs. W. W. Couch, Muleshoe; Mrs. S. L. Busbice, Muleshoe; Mrs. Cecil Cole, Goodland; Mrs. A. W. Copley, Muleshoe; Mrs. Bert Williams, Farwell; Mrs. Lester Howard, Muleshoe; Mrs. Marie Corrington, Muleshoe.

H. D. Council Plans County Wide Bazaar

Bailey County Home Demonstration Council met in the court house Monday at 2:30 p. m. with three HD clubs represented and plans were made to have each club sponsor a table of hand made items to be sold in a bazaar Dec. 3. Watch this paper for further information.

Remember, Style Show is to be in Fellowship Hall Nov. 12 at 1 p. m. Everybody welcome.

The following officers were elected for the ensuing year:

Chairman, Mrs. S. C. Caldwell; vice-chairman, Mrs. A. J. Jones; secretary and treasurer, Mrs. Ray Maberry; reporter, Mrs. Mack Hale.

Instead of furniture arrangement our agent will give a program on "Insect Control in the Home."

Community Social At Pleasant Valley

The old adage "there's nothing new under the sun" was proved to be wrong recently, when the Pleasant Valley Social club sponsored a "Put Something In The Pot, Boy" party.

Each club member was asked to contribute something to the "stew" made in an old fashioned black pot, in the school yard. A similar pot was used for coffee. Club members also brought deserts.

Each family in the district was invited, and asked to bring their bowls, spoons and cups. The outcome was a very hilarious party and lots of good food. Later the group moved into the old school house, now used as a community hall, and games and visiting finished out a very pleasant evening.

Just look back on her other laurels since she's been here and then add Miss Yellowjacket to them at MHS and you'll readily understand why Joyce was chosen Miss Yellowjacket of 1950.

Mrs. Jennings Hostess To WSCS

The W. S. C. S. of the Methodist Church met in the home of Mrs. G. O. Jennings Tuesday afternoon at 2:30. The meeting was opened by singing "Advance, Oh Church of God". Devotional was given on "Valiant Living by Mrs. Jennings.

Our study on Japan was continued with Mrs. Bayless, Mrs. Willman and Mrs. Carles each bringing a chapter.

During the business meeting it was decided to send a gift of money to a missionary in India. The Society also voted to help the guild serve a banquet early in November.

Plans were made for the Week of Prayer Program.

Refreshments were served to Mrs. C. M. West C. R. Farrell, Finley Pierson, Roy Bayless, Beulah Carles, H. C. Holt, I. F. Willman and the hostess after which a box of used clothing was packed to send to Wesley Community Center. The society will meet in the home of Mrs. I. F. Willman next week.

Sorority Organized; Officers Are Elected

Last Wednesday night in the home of Mrs. Marjorie Precure a local chapter of the national sorority Epsilon Sigma Alpha was organized with eleven charter members.

Officers elected were President, Mrs. Ruby Gregory; Vice-President, Miss Gwyneth Bigham; Recording Secretary, Miss Ann Horsley; Corresponding Secretary, Mrs. Marjorie Precure; Treasurer, Mrs. Bettie Glaze. Other charter members include Mrs. Dorothy Beddingfield, Halsey Lee Herrington, Jean Lovelady, Mary Frances Holt, Tiny Forbes, and Miss Billie Jones.

Miss Dorothy Waggoner, daughter of Mr. and Mrs. Clyde Waggoner and David Wyer, son of Mr. and Mrs. J. Wyer were united in marriage Saturday October 15 at 7:30 p. m. in a lovely ring ceremony in the home of the brides parents in the presence of relatives and close friends. The ceremony was performed by Rev. T. G. Craft before an improvised altar of an open Bible surrounded by fern and small pink roses with silver candelabra with white candles, and baskets of white mums flanking the altar.

The candles were lit by J. Ann Wyer, sister of the groom and Robert Waggoner, brother of the bride.

The couple was attended by Mrs. Mack Ragsdale, Matron of Honor and Johnny Seid as best man, both being lifetime friends of the bride and groom.

The bride chose for her wedding a beige suit, aqua blouse and brown accessories. The traditional something old was her grandmother's engagement ring, something new being her costume borrowed and something blue were a pair of blue garters from the matron of honor. The brides bouquet was composed of pink rosebuds and pink roses carried on a small bible. The bible was borrowed from Mrs. Harold Wyer, aunt of the groom, and is an original one from the Holy Land.

The groom wore a blue suit and his boutonniere matched the brides bouquet.

The matron of honor wore a gray suit and a gardenia corsage. The mother of the bride wore a wine suit with a white carnation corsage.

The mother of the groom wore black with a yellow gladiola corsage.

A reception was held following the service. The lace covered table was beautiful decorated with candleabra and fern. A three tiered wedding cake topped with a miniature bride and groom graced one end of the table with a crystal punch service on the other.

A silver server tied with a bow of white satin ribbon was used to cut the cake by the bride and groom. Mrs. Eugene Black, aunt of the bride and Miss J. Ann Wyer served by Mrs. Cecil Davis, friend of the couple presided at the guest book.

The couple both attended school in Muleshoe all of their public school days and graduated from high school here. David attended WSTC at Canyon last year.

Following the reception the bride and groom left in a shower of rice for a honeymoon in New Mexico. They will make their home in Muleshoe where David is employed at Allan Guinness Body Shop and Dorothy is employed at Muleshoe State Bank.

LIBRARY NEWS

Some of our new books have arrived. Among them are some of Beverly Grey's books, "Her Freshman Year," "Bugles in the Afternoon" by Ernest Haycox, "Gray Down," Albert Payson Terhune. Mr. Terhune says "Gray Down" is unlike any dog he ever owned and that the tales he has to tell about him are unlike any other dog stories he has ever written. Every one who loves dogs adventures will enjoy this story.

RAINBOW GIRLS MEET TONIGHT

The Assembly of Rainbow Girls will meet tonight (Thursday) for the purpose of initiating Rosemary Pool and Janelle Green.

All Masons and Stars are urged to attend.

Pleasant Valley Social Club Met In Haberer Home

The Pleasant Valley Social club met Wednesday, October 12, in the home of Mrs. Herman Haberer.

The meeting was called to order by the president, Mrs. Jack Epps. Each member answered roll call with a question or answer about flowers.

After the business session, a social hour was enjoyed playing games and singing songs.

Lovely refreshments were served to the following members.

Mesdames F. L. Andreas, Harold Allison, Seaborn Moore, B. H. Bickel, Jack Epps, J. E. Dulin, Gerald Allison, E. K. Angeley, R. L. Roubinek, H. E. Reeder, L. F. Green and the hostess, Mrs. Herman Haberer.

Mrs. C. D. Rogers, Mrs. H. A. Angeley and Mrs. O. K. Angeley were visitors.

The next meeting will be Wednesday, October 26, at the home of Mrs. Jack Epps.

Mrs. Briscoe Is H. D. Club Hostess

The Muleshoe Home Demonstration club met Thursday, October 13, at the home of Mrs. Kenneth Briscoe, with fourteen members present. Roll call was answered with "Something I Have Made This Year."

Mrs. W. H. Awtrey gave a report on the "Feather Comfort Making School" which was held at the County Court House. Mrs. D. R. Aylesworth gave a very interesting report on her trip to the state "HDA" meeting which was held at Mineral Wells.

Each club member who has a quilt block to finish has been asked to please finish and leave the block at the Fashion Shop with Mrs. E. E. Holland.

The next meeting will be an all-day meeting to quilt the club quilt. Mrs. Stallings will be hostess.

Each member has been asked to bring a covered dish, a thimble and needle.

A covered dish luncheon will be served at noon. The business session will be held in the afternoon.

SPEECH RECITAL HELD HERE MONDAY NIGHT

Mrs. Mabel Bristow presented her speech pupils in a recital Monday night October 17, at Fellowship Hall.

Those taking part were Roxanna Hart, Max King, Judy Kay Lambert, Dixon Ray, Marilyn Green, Dudley Bristow, Pamela Lenau, Sharon West, Pattie Clopper, Doris Ann Gilbreath and Evne Bristow.

Judy Kay Lambert Honored With Party On Her 7th Birthday

Mrs. Woodrow Lambert entertained Monday afternoon in honor of her daughter, Judy Kay. It was Judy Kay's seventh birthday. Birthday cake and punch were served to: Frosty Jones, Roxanna Hart, Sandra Howard, Carolyn Burge, Sharon Cox, Mike Barron, Max King, Doris Ann Gilbreath, Joe King, Billy Stan and Jerry Gilbreath, Sharon Cummings, Vickie Spivey, Kay Brown, and Melba Johnson.

RAINBOW GIRLS TO EARTH

VOTE FOR
 HAROLD M. LAFONT
 STATE REPRESENTATIVE

SCHOOLS—Taught five years in Public Schools. County Judge of Hale County six years and closely in touch with public schools.

FARMERS: Living on a farm and having the land interests that a country lawyer generally accumulates, knows the farmers' problems. I am a member of the Hale County Farm Bureau and otherwise try to keep abreast of the farm situation.

Having served as County Judge, familiar with the highway needs of this area and know how to cooperate with highway building agencies. Former president of the County Judges and Commissioners Association. Will represent Hale County in the Association and will see that the roads are paved that roads for the area.

PUBLIC SAFETY: District Attorney for District 6 years.

WATER, OIL AND GAS: Irrigation is of prime importance to this area and legislation affecting the same should be closely watched by our representative. Experienced in oil leasing and development and have been before Railroad Commission and other public bodies in the interests of the common landowner of this area.

FOR SALE—2-row Cotton Sled on wheels. John Davis. Star route 2, Muleshoe, Texas. 43-3tp.

FOR SALE—nice butane heater also one coal oil heater. Mrs. Carothers. 41-2tc.

USE THE CLASSIFIED FOR RESULTS

BEN-HUR FARM and HOME FREEZER
Eat Garden-Fresh Vegetables
ALL WINTER... with your own

Freeze all your vegetable-harvest — at its garden-fresh, peak-of-the-season quality — and you can laugh at out-of-season high prices. The savings you make with quantity buying, or freezing direct from your own garden, will help pay for your new BEN-HUR Freezer in short order. You'll save canning time and effort, too. You'll enjoy wonderfully healthful meal variety — and always have plenty of "extras" at hand for any emergency.
BEN-HUR 12.5 cubic foot Freezer. Holds up to 625 lbs. of frozen vegetables, fruits, meats. Other sizes: 9.2 and 18.45 cubic foot capacities.

CARD OF THANKS

We wish to express our sincere appreciation to each one for their many acts of kindness during the illness and death of our husband, father and grandfather James N. Plunkett. Words can not express our deep gratitude, for these kind acts, words of comfort and beautiful floral offerings and to Dr. Green and all the hospital staff our heartfelt thanks. To each and every one many thanks for all the nice food prepared and brought in. We are sure the Lord shall richly bless each one, for endeavoring in so many beautiful ways to share and lighten our burden.

F. H. A. Initiates New Members

The F. H. A. of Muleshoe High school held both their formal and formal initiation of new members last Monday evening Oct. 10, 1949. All officers were seated about

a table of which the center was a large bouquet of red roses with one large red candle and four white candles which symbolized the number of years Muleshoe has been a chapter member.

Then followed a pretty candle-light ceremony in which the purpose of F. H. A. were explained to the new members. Then the F. H. A. songs were sung.

Following this Mrs. Dowell, our social science teacher, gave a short talk on Homes of Today and Old Fashion Homes, which was enjoyed by all. The F. H. A. prayer then followed.

Then the fireworks really began. All new members were escorted down town and requested to take off their shoes and parade down the main street with tin cans tied to their ankles. Then they went to Gerald's Cafe where they sang the F. H. A. song.

We hope the new members are not too humiliated because we'd like to see them at our next meeting.

Governor Proclaims OIL PROGRESS WEEK

Oil Progress Week, October 16 through October 22, became an official Texas occasion when Governor Allan Shivers delivered a signed proclamation of the event to E. C. Scurlock, independent Houston oil man, Texas chairman of the Oil Industry Information Committee.

The progress of Texas has been in direct proportion to the development of the petroleum resources of this state.

Texas produces nearly one-half the petroleum of the nation.

The petroleum industry is now the largest contributor to the economy of Texas, and to the support of its public institutions and its government.

The Texas petroleum industry is an outgrowth of the search for oil which began 90 years ago.

This past 90 years of progress in development of petroleum for the everyday use by all of our citizens is also the 90 years of greatest progress for this nation.

October 16 to 22, inclusive, has been designated as "Oil Progress Week" when members of the oil industry will cooperate in informing the public about the ways in which their industry has contributed to our high standards of living, and to the preservation of our free democratic American way of life.

THEREFORE, I, as Governor of the State of Texas, do hereby designate the week of October 16 to 22 inclusive to be

TEXAS OIL PROGRESS WEEK and direct the attention of our citizens to a study of the contribution and service the oil men who live among us make to our public, social, business and private life.

Allan Shivers
Governor of Texas.

No Veteran Land Purchases Will Be Completed Before December 1

AUSTIN, Tex., Oct. 18.—Bascom Giles, Commissioner of the General Land Office and Chairman of the newly created Veterans Land Board, said today that it was doubtful if any land purchases for Texas veterans would be completed before December 1.

"The first bonds will be offered for sale on October 26," stated the Commissioner, "and there is no reason to anticipate that they will be available for our actual use for at least another thirty days."

"The thousands of inquiries we have received," Giles continued, "and other necessary delays are making us later than we anticipated. We ask veterans and land owners to bear with us until we have secured the money to complete transactions."

Giles also requests veterans considering making applications to "take cognizance of our regulations and policies relative to mineral rights."

The statute creating the Veterans Land Program prohibited purchases unless 50 percent of the mineral rights were conveyed with the land. The Board, which is composed of the Governor, the Attorney General and Commissioner Giles, ruled at its first meeting that a six-month priority would be given applications which included

all minerals or not more than a one-sixteenth outstanding royalty reservation made before June 6, 1949.

"We are not approving transactions in which the present owner is seeking to retain mineral interest at the present time," Giles added. "Applications which do not conform to this policy are delaying the program by requiring the attention which could be used toward completion of conforming applications."

FROM CLINTON OKLAHOMA

Mr. and Mrs. Jimmy Miller Clinton, Oklahoma, visited the Ashby Askews over the weekend.

MULESHOE VISITOR

Mrs. Jim Arnold of Turkey, Texas, is visiting in the home of her daughter and family, Mr. and Mrs. Woodrow Lambert and Judy Kay this week.

FFA Boys Exhibit At State Fair

Ed White, one of the Voc. Ag. teachers, Billy Morrison and Chas. Lewis, FFA boys, are spending this week at the State Fair in Dallas, where the boys are showing some of the F. F. A. project hogs. No report has been received on what premiums they have won but Muleshoe boys usually place pretty high in the hog shows.

G. S. Dowell, the other agriculture teacher, is meeting White's classes while he is away and they have spent a part of the time in building booths for the various classes and departments for the School Carnival next week.

They have built a lot of the booths which will be distributed on a first come, first served basis. Young Mr. Dowell who is also a vocational agriculture teacher, is spending some time at home and is teaching the other classes.

IT'S A FACT

"He calls me his MONEY-SAVIN' HONEY!"

"And no wonder! I've cut my food bill 20% and we eat better than ever before!"

"He's just as enthusiastic about our Deepfreeze home freezer as I am. We eat better, live better in so many money-saving ways!"

Our Deepfreeze Home Freezer Is A Money-Savin' Honey!

"I buy 'way ahead when price and quality are right. And there's no food-waste, no leftovers because those good cooked foods can be frozen and stored for future use."

Pays For Itself in Many Ways

"It pays for itself with the work that it saves! I can cook and bake ahead and shop

less often. This saves time, too. And speaking of time, I shop just once or twice a month and keep the food in my big, beautiful, wonderful Deepfreeze home freezer!"

"See why he calls me his money-savin' honey?"

CONGRATULATIONS TO

Mr. and Mrs. Willis Farrell on birth of a son born Tuesday afternoon at the Amherst Hospital in Amherst.

ACCEPTS POSITION

Mrs. Lowell Young has accepted a position with the Cox Radio & Electric Co.

BANKER WARNS ON GAME BEING PLAYED IN SOME PARTS

In one or two cities of the Panhandle a rather slick game has been worked, according to P. Q. Casey, of the Muleshoe State Bank, who thought a mention of it in this paper might alert local business men.
He said the persons would come into a town, rent a building, have some checks printed on the local bank blank check forms, then proceed to pass worthless checks on business firms of the city. One community lost \$2,000 in this little scheme, he said. Caution in cashing checks unless the firm is well known is indicated.

SOCIAL SECURITY MAN TO BE IN MULESHOE OCT. 26

Do you know why you need a Social Security number? This number is the one under which the Social Security Administration keeps your wage record. No matter how many times you change jobs, you always keep the same social security account number.
Always be sure your employer has your proper social security account number, as he must use it in reporting your wages. You can get a social security number by making application at the Lubbock social security office, 1311 Texas Avenue.
A representative of the Lubbock social security office will be in Muleshoe at the postoffice at 9 a. m., Wednesday, October 26. He will be glad to assist you.

PIE. CAKE SALE

Mrs. Johnson's fifth grade room will sell pies, cakes and coffee during the noon hour next Wednesday, Oct. 26, at the Sale Barn.
