

# Mr. Muleshoe . . .

By J. M. Forbes

As we recline in our easy chair on this Thanksgiving, reading our newspaper and subconsciously listening to the radio, relaxing after a sumptuous meal, basking in the hand-pleth of the regard of our loved ones, let us allow a stray thought with an ardent to the "other half".

Let me quote Richard L. Strout, the world-famous reporter: "Look at it any way you want to, the harsh fact remains that about a third of all American families and individuals living alone had incomes of less than \$40 a week in the 1948 boom year, and half of these had under \$20 a week.

"The existence and extent of these small incomes is one of the hardest things in the world for a well-paid or a rich man to grasp. I would say that many leaders of the Republican Party have not been able to grasp them yet. They constantly ask in genuine bewilderment, 'Where do the votes come from?' when their New Deal opponents make appeals calculated to catch the sympathy of the underprivileged one-third."

There are 40 million families in the U. S. today. At the top in the income scale are those earning \$10,000 or over, constituting only 8 of one per cent of the families; at \$9,000 there is 1.5 per cent; at \$8,000, 2.8 per cent; and at \$7,000, 4.7 per cent.

At \$6,000 a year there are 3,100,000 families representing 8.1 per cent of the total; \$5,000 shows 5 million families or 12.9 per cent, and \$4,000 gives 8 million families, or 20.7 per cent.

The three groups at the bottom represent 45 per cent of the families. Those of \$3,000 are 20.6 per cent; \$2,000 represents 14.5 per cent; those whose income is \$1,000 or below include 4 million families, or 10.6 per cent of the total.

One might subscribe to the theory: Let 'em earn more and they'll buy more, if he wants to be entirely self centered or selfish. If they earn more they surely will buy more but on top of that they will be better citizens, better members of the community.

### Seen & Heard:

Local Politician: Editor, there won't be no more Republican party. The root of the matter, I think, clearly demonstrated that the GOP except as a name is through. There will be right and left wings of the Democratic party, I believe.

Well, then, to what are we headed? I believe socialism and other ism excepting Americanism as much as anyone on earth, I believe. But, while we are lolling back in our easy chairs, this Thanksgiving Day, reading our newspaper and subconsciously listening to the radio, let us give thought to means of raising the standard of living of ALL Americans, and we won't ever, ever have to worry about isms.

Many years ago Mark Twain was editor of a small-town newspaper. A reader wrote, in saying that he had found a spider in his paper, and wanted to know if that was an omen of good or bad luck. Mark Twain answered: "Find me a spider in your newspaper is neither good nor bad luck. The spider was merely looking over our paper to see which merchant was not advertising so he could go to that store, spin his web across the door and lead a life of undisputed peace ever afterward." Swiped.

On Wednesday eve editor had the privilege of eating with the kids and teachers at the school lunch room. It was their Thanksgiving menu and this writer came away satiated to the fullest extent. Hundreds of children and teachers seemed to enjoy it, too. There was turkey and dressing, mashed potatoes, English peas, olives, celery, cranberry sauce, milk, bread, and a piece of cherry pie for each plate, and how they can serve all that for only (Continued on Back Page)

## SOUTHWESTERN PUBLIC SERVICE EMPLOYEES ARE HONORED

Three Muleshoe employees of the Southwestern Public Service Company were among 95 men and women honored at a service awards dinner held last week in Plainview. The honored guests, all employees of the Plains Division of the company, received pins and scrolls for periods of service ranging from 5 to 30 years.

Top man in the Muleshoe delegation was James V. Peeler, manager of the local office. Mr. Peeler received a 15-year award.

Herbert H. Potter, chief serviceman in Muleshoe, was honored for 10 years service, while a 5 year award went to Mrs. Jimmie W. Porter, local office cashier.

The awards were presented to the Muleshoe employees, and the other honored guests, by J. G. Ausman, of Amarillo, vice president of the Southwestern Public Service Company.

Mr. Ausman told the group that they were the largest single asset the company held.

"Your 'know how' makes an immeasurable contribution to the growth of our company," Mr. Ausman said. "In this era of expansion when large numbers of new employees are joining our ranks it is important that we have skilled people like you to aid them in serving our customers," he added.

453 men and women, about one quarter of the number now employed by the company, will receive awards this year, the first in which Southwestern Public Service Company has had an awards system. The combined service of this group totals 6183 years.

Left to right, top row: J. M. Collins, Plains Division Manager, Plainview, Texas; H. H. Potter, Head Serviceman, Mr. Potter, Mrs. Jeff Peeler, Jeff Peeler, Manager, Muleshoe. Bottom Row, left to right: Mrs. H. H. Potter, Mrs. Jimmie Porter, Cashier.

## Pink Bollworm Rulings Given

Regulations governing the movement of seed cotton in this territory have been issued under the direction of L. F. Curl, of the USDA, San Antonio, in charge of the Division of Pink Bollworm Control.

The regulations concern inter-county movement of seed cotton in view of the varying degree of infestation.

Bailey County is in Group 5, along with Quay, Curry and Roosevelt counties of New Mexico, Lamb, Hale, Floyd, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza, and Kent, in Texas.

From this group it would be permissible to move seed cotton into a county of Group 6 or 7, none of which are very near the designated area as Group 5. But it is not permissible to move cotton into a county which has been designated as being in Group 4, 3, 2, or 1. The whole regulation is aimed at preventing the spread of pink bollworm.

An inspector is stationed here. He is T. P. Patterson. Here Tuesday was M. E. Currie, of the Lubbock office, who supervises a district surrounding the Hub City.

The directive says: This statement shall be construed by ginners to be an amendment in their Dealer-Carrier Permits, which amendment shall authorize acceptance of seed cotton only in a manner outlined above. In other words, ginners in Hardeman County which is in Group 3, must not accept seed cotton from Lubbock County which is in Group 5.

This modification of Dealer-Carrier Permit issued ginners is not to be construed as prohibiting ginners from accepting seed cotton produced within or contiguous to their ginning territory. In other words, there will be border-line cases where seed cotton has normally been moving across these group lines as now designated.

It is essential, however, that long distance movements of seed cotton for ginning be held strictly accountable and will be expected to refuse to gin cotton produced a long distance from their gin.

## 'Good Neighbor' Fund Still Growing

Contributions to date to the fund are:

Let us pause to give thanks on this historic Day for the plentifulness and continuing spirit of freedom afforded us through the years by this great country of ours.

## Mail Volume Is Already Growing, Big Rush Foreseen

Mail volume at the Muleshoe post office already is showing a seasonal increase. Postmaster A. J. Gardner reports. He said that in a very few days the Christmas rush will be on in earnest, and he advises that packages and Christmas cards be mailed early to insure timely delivery.

Postal authorities, he said, are predicting the greatest volume of Christmas mail that has ever been seen in this country.

Christmas cards especially ought to be mailed as many days before Christmas as possible because the postal employes can handle just so much mail and mailing early will avoid a congestion that might prevent delivery of cards before the day.

### WOMANLESS WEDDING POSTPONED AT LAZBUDDY

Due to an overloaded schedule the "Womanless Wedding," which was being sponsored by the Lazbuddy P.T.A., November 28, has been postponed until a later date.

### TRAILER HOUSE BURNS

A trailer house located on Clovis highway and belonging to a Mr. Blair burned late Sunday evening. The blaze had virtually destroyed the house by the time the fire department was called. Mr. Blair lived in the house alone.

## Former Citizen Dies Suddenly

Funeral services for Joseph Lincoln White, 63, who died suddenly of a heart attack while at work at the Clovis Cattle Commission company yards Monday, were held Tuesday at the Assembly of God church in Muleshoe.

The Rev. Harold Hubbard conducted the rites, and burial was in the Muleshoe cemetery under direction of the Muleshoe Funeral Home.

White, born June 26, 1886, in Texas, has been a resident of Clovis for the past three years. He was employed as a cattle feeder and Monday had gone to a barn to load a wagon with hay. Accompanying him was A. E. Judd who reported that White, standing on the wagon, suddenly crumpled and fell to the ground. Judd reported White as dead by the time he reached him. Memorial Chapel attendants transferred the body from Clovis to Muleshoe.

He is survived by his wife, Mrs. Mary White, four sons, Corp. Clayton White, Ft. Bragg, N. C., Joe L. and Jimmy White, Clovis, and R. B. White, Lynwood, Calif.; two daughters, Mrs. George J. Scott, Compton, Calif., and Miss Alda White, Los Angeles, Calif.; a brother, Jack White, Stillwater, Okla.; and two sisters, one of whom is Mrs. John Bush, Brownwood.

## Tibbets Reburial Made Near Manila

Mr. and Mrs. R. T. Tibbets, of Muleshoe, parents of Pvt. Ray A. Tibbets, who died in a Jap prison camp in the Philippines, have received the United States flag used in his final interment in the U. S. Military Cemetery at Manila. The flag was used during reburial services.

Pvt. Tibbets died June 1, 1942 after being captured some two months before on Bataan. The parents were not notified of his death until after the war closed, receiving a telegram October 19, 1945.

His body was laid to rest in Ft. McKinley U. S. Military Cemetery, Manila, P. I. When all reinterments are completed, the cemetery will be turned over by the Army to the U. S. Battle Monuments Commission for maintenance. The notice of reburial contained information for exact location of the grave of the Muleshoe boy.

### BARBECUED VENISON WAS ON MASONIC LODGE MENU

It was barbecued venison for members of the Muleshoe Masonic Lodge and guests Tuesday night. Visitors were present from Sudan, Littlefield, Olton, Bovina, and Farwell.

Lloyd Roberts and Lee Pool furnished the venison. Blondy Ray supervised the barbecuing and it was pronounced perfect. Theron West and Clyde Henry received the Master Mason degree.

## \$30,000 Bonds Proposed For City Swimming Pool—Election Nov. 13

### Council Plans For Bazaar Dec. 3

Final plans were made in council Monday, Nov. 21 for the Bazaar to be held in Muleshoe Dec. 3. Each club will be responsible for their own sales. Articles should be in town by 10:00 A. M. Any one wishing to purchase gifts for Xmas come and see our display.

The leather training will be this Friday and Saturday Nov. 25-26. Registration fee is 50c per day.

Each club is to bring a nominee from their club to January Council to vote on a THDA chairman to complete the term of Mrs. Murrain.

Council Christmas party will be at the regular council meeting in Dec. Old and new council are invited to be present, each bringing a gift for exchange.

Three clubs were represented and had interesting discussions.

### WAS HERE SATURDAY

Bob Roberts, of Sweetwater, was here Saturday on business and visiting old friends.

Voters of Muleshoe will go to the polls Tuesday, December 13, to answer the question of whether the City Commission shall be authorized to vote bonds in the sum of \$30,000.

The bonds are proposed to provide funds for the construction of a municipal swimming pool.

City hall will be the voting place for the entire city, which will constitute one election precinct.

In another part of this paper will be found the complete election order of the Commission.

The Commission, composed of Will Harper, mayor; Dudley Malone and Julian Lenau, commissioners, passed the order calling for the election on November 13, and named the following election officers:

C. D. Gupton, presiding judge; Mrs. Henry Williamson, judge; Mrs. J. E. Day and Mrs. Henry Hanover, clerks.

The bonds would be "for the purpose of improving land for park purposes, to-wit: the construction of a municipal swimming pool, and would mature serially over a period of years not to exceed twenty-five; and would bear interest at not more than 3 1/2 per cent.

## Original Paintings Included In Art Exhibit To Be Presented Sunday

Original paintings from which covers of the Saturday Evening Post are taken are included in a permanent art exhibit which will be formally presented to the public Sunday afternoon from 2 p. m. until 4 p. m., November 27, in the High School Lunch Room.

Muleshoe is the smallest town in which it has ever been shown and should be honored by its presentation which was made possible by Mrs. Anna K. Wilton of Eastern New Mexico University.

The exhibit which belongs to Kappa Pi Art Fraternity was sent

to the University local Fraternity and will go from here back to E. N. M. U. where it will be shipped to forty other chapters of the Fraternity located at colleges and Universities all over the country.

The exhibit which consists of 28 originals was collected after two years of work by Drew A. Dobosh, Director of the exhibit and national Vice-president of Kappa Pi. It includes oil paintings, water color, etchings, silk screens, gravure prints, and gouaches. There are original Saturday Evening Post illustrations and they were sent by Ben Hibbs, editor of the Post.

These are: "The Unsuspected," by Austin Briggs; "The Swiss Family Johnson," by Fred Ludebrecht; and "Mr. Whitcomb's Genie," by Jack Welch. Also included is: "The First Snow," by Mrs. Fred L. Kerr; the Arkansas artist. This painting was said by Dobosh to be one of the best pictures in the collection as a painting best suited for use in the home. "End of Day," by Zelton Sepeshy whose work has appeared in Life magazine has put on a one-man show in New York and is one of the younger artists who is making a name for himself. Other artists contributing to the exhibit are: Edmund Giesbert, who teaches figure drawing at both Chicago Art Institute and Chicago University, Shoemaker an artist whose editorial cartoons are featured in the Chicago Daily News; Floyd Davis, who does humorous types, and Edmund Kinsinger sent a silk screen from Baylor University where he and his wife both teach in the art department. They also conduct a summer school in Taos, New Mexico.

It can be noted in the exhibit the difference in color used in different parts of the country. In a picture with a New Mexico locale the colors are so light as to be almost pastel shades. Those done in Mississippi and Alabama are of lower colors and much darker while a Nebraska scene is executed with the brighter colors.

**BABSON ASKS:  
Has Small Business A Big Future?**

BABSON PARK, Mass., Nov. 18.—If I believed that American small business did not have a future, I should seriously question the future greatness of America itself. This coast-to-coast nation of ours is largely the product of the pioneering struggles of small businessmen and their families.

**Acorns To Oaks**

Trace back the history of almost any of our mighty industrial and commercial empires. You will discover that the successful corporation of today grew in stature slowly, beginning in some tiny shop or store. Humble enterprises have been the acorns, the seed corn of American success. There was magic in the American formula: Start small, learn as you earn, plow back profits, make the business pay its way.

Our basic system of private enterprise and individual opportunity has created in this country the spiritual "climate" that stimulated record-breaking progress. Even those millions of worthy men and women who chose to work for others became superior employees through knowing they always

were free to "go on your own and be your own boss". The fundamental American attitude of liberty, initiative and individualism, has generated an unequalled economic productivity.

**Wanted: More Than Kind Words**  
Everybody apparently is glad to give small business a big hand; but only a few members of this friendly cheering-section seem prepared to offer specific help. What, then, are some of the real, concrete, immediate aids which would most assist small businessmen to carry on their arduous and essential activities? Let me give two simple illustrations:

I have a letter from a small operator in the coal fields. He employs about twenty men. He is trying to do his best for them. He says that they personally are satisfied with the wages, working conditions and other factors in their employment. He knows all his men by their first names and he is friendly with their families. If undisturbed by Government and Union officials, all would be happy. **Will Unions Help Or Hurt?**

However, on top of all Government regulations the Union chieftains are now pressing demands which, he feels, are beyond his ability to meet and still stay in business. Now here is his question: "Why cannot the Unions scale their 'take' so that an employer will pay in proportion to his volume of business, number employ-

**Watch Out For  
The Symptoms!**

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood" but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I come to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in

adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticizing a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

ed, or some other differential? This is what this small operator is asking. It sounds sensible to me.

Another report and recommendation comes from a small manufacturer of metal specialties. He writes that government contractors tend to place with the smaller shop only a variety of trifling short orders. But for efficient handling any concern needs a reasonably long run. To make a profit, after adequate tooling up and devising new methods, takes time. Many of the smaller shops, I am informed, lack the immensely diversified equipment and experience necessary to take care of an endless hodgepodge of experimental knick-knacks.

**Less Surveys And More Service**  
In political speeches, our government mental big-wigs are loud in applause for small business. In actual practice, the government confronts the little business with a maze of barbed wire entanglements. The government not only bleeds him with extortionate requirements, but applies these with legalistic red tape that is all but unintelligible to anybody but a Philadelphia lawyer.

Ostensibly to serve small business, the government has encouraged the setting up of commissions, committees, councils, authorites, agencies. It has exhausted both the alphabet and the patience of the businessman who is compelled to pay the bills for this costly nonsense. Small business in America today is not seeking a hand-out, but a hand-up. It is tired of filing blanks instead of filing firm and profitable orders. Speaking as one who got his own basic training in the small-business field, I urge the government to let up on the questions for a spell; and instead to give small business a few sorely needed answers.

**NOTICE OF ELECTION FOR  
THE ISSUANCE OF BONDS**

The State Of Texas  
City Of Muleshoe  
County Of Bailey

To all qualified voters of the city of Muleshoe, Texas, who own taxable property in said City and who have duly rendered the same for taxation:

TAKE NOTICE that an election will be held in the City of Muleshoe, Bailey County, Texas, on the 13th day of December, 1949, to determine whether or not the Board of Commissioners of said City shall be authorized to issue the bonds of said City in the amount of \$30,000, for the purpose of improving lands for park purposes, within said City, to-wit: constructing a municipal swimming pool; and which election was duly called and ordered by the Board of Commissioners of said City, passed on the 18th day of November, 1949, and which ELECTION ORDER is made a part of this Notice, and in words and figures as follows, to-wit:

**ELECTION ORDER FOR THE  
ISSUANCE OF BONDS**

The State Of Texas  
City Of Muleshoe  
County Of Bailey

ON THIS, the 18th day of November, 1949, the Board of Commissioners of the City of Muleshoe, Texas, convened in regular session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members, to-wit:

Will Harper, Mayor; Dudley Malone, Commissioner; Julian Lenau, Commissioner, with the following absent: none, constituting a quorum; and, among other proceedings had, were the following:

**RESOLVED**, that the Board of Commissioners of the City of Muleshoe, Texas, do hereby pass an order and moved its adoption. The motion was seconded by Commissioner Malone.

The motion carrying with it the adoption of the order, prevailed by the following vote:

**AYES:** Commissioners Lenau and Malone; and Mayor Harper.  
**NOES:** None.  
The ORDER is as follows:

WHEREAS, it is considered by the Board of Commissioners to be to the best interest of the City that the bonds of said City shall be issued for the purpose and in the amount hereinafter stated, therefore,  
**BE IT ORDERED BY THE BOARD OF COMMISSIONERS OF THE CITY OF MULESHOE, TEXAS:**

I.  
That an election be held on the 13th day of December 1949, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified resident electors who own taxable property in said City and who have duly rendered the same for taxation: "SHALL the Board of Commissioners of the City of Muleshoe, Texas, be authorized to issue the bonds of said City in the total principal amount of THIRTY THOUSAND DOLLARS (\$30,000), for the purpose of improving lands for park purposes within said City, to-wit: the construction of a municipal swimming pool; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date, and to bear interest at a rate of not to exceed THREE AND ONE-HALF PER CENTUM (3 1/2%) per annum, payable annually or semi-annually; and to provide for the payment of the principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

That said election shall be held at the City Hall in the City of Muleshoe, Texas, and the entire City shall constitute one election precinct.

III  
That the following named persons are hereby appointed officers of the election, to-wit:  
C. D. Gupton, Presiding Judge.  
Mrs. Henry Williamson, Judge.  
Mrs. J. E. Day, Clerk; and  
Mrs. Henry Hanover, Clerk.

IV  
That said election shall be held

under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with House Bill Number 357, passed by the Fifty-first Legislature in 1949, and that printed on such ballots shall appear the following proposition:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."  
"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

At the foregoing proposition, each voter shall mark with each black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the proposition.

VI  
That a copy of this order, signed by the Mayor of the City and attested by the City Clerk shall serve as proper notice of said election.

VII  
That said notice of election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS", said notice to be posted at the City Hall, the election precinct herein designated, and at two other public places in said City, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in THE MULESHOE JOURNAL, a newspaper of general circulation in the City of Muleshoe, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

PASSED AND APPROVED, this 18th day of November, 1949.

WILL HARPER  
Mayor, City of Muleshoe, Texas.

ATTEST:  
R. J. KLUMP,  
City Clerk, City of Muleshoe, Texas.

(SEAL)  
THIS NOTICE of election is issued and given by the undersigned, pursuant to authority conferred by virtue of the above and foregoing order of the Board of Commissioners of the City of Muleshoe, Texas, and under authority of law.

The prices received by the farmer for the food products are expected to decline more than the prices the consumers will have to pay.

LEGE STATION, Nov. 22.—All family living expenditures not expected to drop as fast as much as the over-all farm. That is what the experts in the crystal ball for 1950. Supplies in general are a little larger than a year ago and food consumption per capita is expected to remain near the 1949 level or many go even higher according to Mrs. Florence Low, extension home management specialist of Texas A. & M. College.

Mrs. Low reports that prices paid by farmers for clothing declined 7 percent from the postwar high of September 1948 to June 1949. Further drops in clothing prices seem to hinge on what may happen to the general economic situation she says. The retail supplies of clothing should be generally good during 1950, however, could the downward trend in prices continue retailers, wholesalers and manufacturers may continue their cautious buying and in turn may cause temporary shortages to develop from time to time.

The demand for clothing remained at a high level during 1949 and indications are for this to continue, especially if incomes continue to decline. It will probably be the first in the so-called "articles of clothing," says Low. Supplies of household equipment furnishings should be adequate.

**Sophs Skating Party Success**

The Sophomore Class, sponsored by Mrs. H. Jay Wyer and Coach Green had a skating party at Clovis, Thursday night. The majority of Sophs were on hand for the splendid, wholesome, fun. We were driven over in the bus, by coach Green.

After two hours of skating a ninety-three year old man whose father established the first skating rink in the United States gave a twenty minutes skating exhibition. He wore a red suit and cap, his hair and beard were as white as snow. His oldest son is seventy-five years old. We Sophs wondered if we would be as agile as he, at ninety-three.

quate. There is a slow but certain movement from a seller's to a buyer's market for many of the durable goods and families are now able to purchase many items at prices somewhat lower than for last year. Standard models are being bought in many lines of household equipment in preference to the deluxe models because primarily of the difference in prices, says Mrs. Low. The consumer demand she thinks will determine the available supply of most household equipment.

BABSON ASKS:

Has Small Business Tangle Spur For Bi-District

BABSON PARK, Mass., Nov. 18.—If I believed that American small business did not have a future, I should seriously question the future greatness of America itself.

shot at the regional and state championship. Last weekend Spur defeated Floydada for the championship of district 3-A while the Wildcats were mopping up on the Slaton Tigers for the championship of district 4-A.

For those who do not get to go to the game, several radio stations in this area will be broadcasting the affair.

48 Candidates Report For Practice As Basketball Season Draws Nearer

Slants From The Sidelines...

By W. E. Hill

It looks as though Littlefield may have started out of their slump with the 47-0 victory over the Slaton Tigers at Lubbock last weekend and there is not very much doubt that the Spur Bulldogs can give them a much better game for the bi-district title this weekend.

In class AA, Lubbock has moved up and down the ladder from the state's number 1 team to the 4 and 5 spot, back up again and down again. This week they play their final conference game with the Brownfield eleven which will be just a breeze for the Westerners.

Over 48 candidates had reported to coach Bailey by last Friday for basketball practice and it is likely that the local boys will get off to a slow start this season, but will be come one of the top contenders for the district title before the end of the season.

Out of the forty-eight boys that have reported for practice, several of them have had experience on the floor playing on the A, B and junior teams last season. Some of the boys are out for the first time, but there is plenty of good material on hand for coach Bailey to work with and he is likely to have a pretty fair season this year.

However, this is Bailey's first season here as basketball coach, and it takes time, just like football, to build a top-notch basketball team, but we believe Bailey will come up with a fair team this year.

We have a fairly good gym, better even than some of our neighbors present gyms, but we are lacking in one thing that really makes a good basketball team better and puts more thrill into the game for the spectator, and that is an electric score board.

We need an electric score board bad, and we have gone on record that we will donate \$10 toward the purchase and installation of a scoreboard if any local organization will sponsor the drive for the purpose.

Now an electric scoreboard does not cost very much and we know the people in the Muleshoe school district can spare a few pennies out of their pockets which would be more than enough to pay for the scoreboard and have it installed.

Well, what are we waiting for? VISITORS IN PRECURE HOME Mr. and Mrs. Raymond Precure have had as their guest the past six weeks, her niece, Miss Eva Laurie Cox of Oklahoma City, and her father and mother, Mr. and Mrs. George Cox of Choctaw, Okla., will arrive this week to spend Thanksgiving with them. Eddie Dye of Nacoma, Okla., will also be a guest.

JANE STOVALL HOME Jane Stovall, a student at the University of Texas, Austin, is to spend the Thanksgiving holidays here with her parents, Mr. and Mrs. A. S. Stovall.

TIL Is Largest Organization Of Its Kind In World

AUSTIN, Nov. 22.—The University of Texas Interscholastic League is still the nation's largest organization of its kind, according to 1948-49 membership and participation figures.

Spelling and plain writing attracted 75,000 students, largest group to take part in a single contest. Athletics sponsored by the Interscholastic League drew 90,000 participants.

Over 250,000 Texas students take part in League academic activities—debate, declamation, extemporaneous speech, one-act play, story-telling, ready writing, spelling and plain writing, number sense, slide rule, typewriting, shorthand, journalism, radio broadcasting, interpretative reading and original oration.

E. S. JOHNSON IS NEW CLERK FOR SERVICE CO. E. S. Johnson has transferred from the division office of the Southwestern Public Service Co., at Plainview, to the local office of the company.

Girl Cagers Drop 2 Practice Games

The girls played two practice games last week dropping both games to their opponents. In the first practice game which was with Lazbuddy here, the Lazbuddy girls pulled away from the Muleshoe sextet to win 45-31.

For local girls Kay Malone led with 14-points. Thursday the local sextet went to Farwell and were defeated by the Farwell girls by a two-point margin 34-32.

In this game Wanda Kimbrough was high with 12-points and DeLores Locker was second with 11-points.

Out of the forty-eight boys that have reported for practice, several of them have had experience on the floor playing on the A, B and junior teams last season.

Gage Schedule Is Announced

Coach T. J. Bailey this week announced the complete conference basketball schedule for the 1949-50 season as well as some practice games that have been scheduled.

Conference play does not start until December 13, and the first conference game will be away from home at Sundown.

The boys first practice game was played Monday night in the local gym. Farwell furnished the competition in this game.

Other non-conference games on the schedule so far are: November 29, at Friona; Decem-

**Nomination Committee Is Selected**

Bailey County Electric Cooperative has selected a committee to make recommendations for officers for 1950. W. H. Thompson, in a message to members, says: "Our annual meeting is not far off, the date being January 18, 1950, therefore, you should be thinking about whom you would like to serve as director of your community, and the many problems to be brought up and discussed at the meeting. Any suggestions from any of the members, for improvement of Our Annual Meeting, will be appreciated. The regular meeting of the Board of Directors was held Monday, November 14, 1949, and the following members were selected from each district by the district's Board Member, to serve on the committee:

W. W. Branscum—Alfred Scott, Muleshoe, Texas.  
J. T. Eubanks—J. E. Embry, Route 1, Muleshoe, Texas.  
H. E. Schuster—Wilson Wither- spoon, Sudan, Texas.

The Nominating Committee meeting will be held at the Bailey County Electric Cooperative Association office, 3:00 p. m., December 12, 1949.

temperature to medium. Complete cycle. While covers are still slightly damp, press the bottom ruttie and carefully smooth on chair or divan, stretching and smoothing gently to original shape and size. Covers may be ironed right on the chair or divan.

**BEDSPEADS:** Your automatic washer will launder one double-bed size or two twin-bed spreads at a time. If the spread is sturdily constructed silk or rayon, set the water temperature at medium and the wash time for 5 minutes. For washable cotton material set the water at hot and wash for 10 minutes. Soaking is optional.

**BATH MATS, SMALL COTTON RUGS:** If lightly soiled, wash mat and small cotton rugs for 15 minutes in hot water; in this case a preliminary soaking period is optional. If the rugs are heavily soiled, dissolve 1 to 2 cups of soap in water and pour into the washer. Turn the cycle dial to soak, and after the wash basket is about one-third full of water, place the rugs in the basket. Then put about 2 cups of soap in the dispenser for use in the wash period. Set the water temperature at hot and the wash-time at 10 minutes. Allow the washer to complete its full cycle.

**A Friendship Tree For Christmas**

Here is a new and novel way to show off those many Christmas greeting cards you'll be getting soon. Make a "Friendship" tree by hanging the cards on your Christmas tree where all the folks who drop in can see them. You'll be amazed at the amount of sparkle and color they add to the tree and how well they complement the other decorations. It is easy to do. Just tape them on the tree with loops of transparent cellophane tape.

**Time To Make That Fruit Cake**

COLLEGE STATION, Nov. 22.—Christmas and the holiday season are weeks away but now is the time to make your fruit cakes for that season, says Louise Mason, extension foods and nutrition specialist of Texas A. & M. College. She says make it and store it—for proper storing will give it that good mellow flavor—the thing all cooks want in their cakes.

If you need a recipe, Miss Mason suggests that you go by your local county home demonstration agent's office and ask for one. She can supply recipes for either the light or dark cakes.

She says the preparation of the fruits for the cake is important and this job should be done the day before you plan to bake the cake. Cut the citron, orange and lemon peel in very thin strips, the cherries in half and the pineapple in thin wedges. Wash the raisins and currants and spread out to dry. Cut up the nuts coarsely with a sharp knife.

The baking pans should be readied before you start mixing up the cake. Grease and line them with oiled brown paper. Set the oven at 250 degrees so it will be ready when you have prepared the cake. Then proceed mixing as for any other kind of cake. Divide the flour in half and mix part of it with the fruits—this keeps them from sticking together—and finish mixing the cake with your hands adds Miss Mason. Place the batter in the pans with your hands and press it down firmly. This firming helps to get a compact or solid cake and one that is easy to slice.

The time allowed for baking is very important, says Miss Mason, and she recommends about 45 minutes per pound for the larger cakes. A seven pound cake would need to bake for approximately five hours at 250 degrees. Heavy brown paper tied over the top of the cake pan while it is cooking will help keep the cake from getting too dry and brown, she adds.

Decorations, such as candied fruits or nuts, should be added when the cake has almost finished baking. Some cooks like a glaze on their cakes and Miss Mason says to get it on a dark cake, brush the surface with a mixture of molasses and water and for the light or white fruit cake brush with honey and water or egg white and water about an hour before the baking time is up.

When the baking time is up, remove the paper from the bottom of the cake. After it has thoroughly cooled, wrap and tie it securely in waxed paper and it is ready for storage.

Miss Mason says it should be stored in a clean, tight container and she likes to place a few apples or oranges in the container with the cake. They will supply moisture to the cake as it mellow in storage. She points out that this fruit will need to be placed during the storage period for you'll want it to mellow from now until Christmas or New Year.

**Boy Scouts Held District Meeting**

District officers were nominated when the executive board of the Yellowstone Boy Scout district held their annual meeting in the cafeteria of Littlefield high school last Thursday night. Jeff Peeler, a member of the board, represented Muleshoe.

T. A. Hilbun, of Littlefield, was nominated for district chairman, and Mr. Peeler for assistant chairman. Represented at the meeting were Littlefield, Muleshoe, Sudan, and Earth. A basket lunch was served.

**THE MULESHOE From The Stars And Fare  
uring The Bakery Foods Festival**

Betty Hutton offers a clever idea for dolling up a baker's fruit cake, and John Lund gives his favorite recipe for Liver Sausage sandwich. Miss Hutton currently is appearing in Paramount's "Red, Hot and Blue" and Mr. Lund is starring in "My Friend Irma".

This fall, bakers all over the country are celebrating a Bakery Foods Festival, spotlighting their many varieties of bread, cake and sweet goods. This festival seems like a good time to learn some new tricks in serving bakery products. Here are two suggestions right from Hollywood:

Betty Hutton has found that it's fun to buy a bakery cake and doll it up. She has found it doesn't take long to come up with a fancy cake when the baker does most of the work. Betty has this suggestion for Peppermint Stick Topping which is delicious over bakery fruit cake. To prepare use:

- 1/2 cup crushed peppermint candy
  - 1/2 cup heavy cream whipped
- Fold peppermint candy into whipped cream. Serve with baker's fruit cake. Yield: 1 1/4 cups Peppermint Stick Topping.

prepare and there won't be the usual kitchen chaos mother faces when daddy starts to cook. John Lund decided long ago to leave the roasts to culinary experts but he enjoys preparing this sandwich when a few friends drop in. For his favorite sandwich recipe you'll use:

- 1/2 cup liver sausage
- 2 tablespoons chili sauce
- 1/4 cup chopped green olives
- 1/4 teaspoon onion salt

Mash liver sausage; add chili sauce, olives and onion salt. Serve on enriched white, rye or whole wheat bread and this recipe makes enough filling for 4 sandwiches. Everyone likes bakery foods and homemakers know they are the best buys in today's market basket.

**HOWDY DOODY SHIRT**

Howdy Doody, puppet television star, is making an appearance currently on cotton warm-up shirts. These soft cotton shirts adorned with the television cowpoke are a favorite fad among the small fry. The National Cotton Council reports.

**College Students Home For Holidays**

The following students will spend Thanksgiving holiday with their parents: Margaret Ann Johnson, Greeley Colo., Norma Lea Osborn, T. W. C. Denton, Mary Drinkard, T. W. C. Denton, Jack DeShazo, Max Gardner, John Crow, all of Tarleton State College, Stephenville, Jane Stovall and Jane Damron of University of Texas, Austin, Herbert Griffiths, Dick DeShazo, Dick Taylor, Fuston McCarty and Weldon McCarty of A. M. College Station, Maurine Wilttering of McMurry, Abilene, Jack Young, L. J. Sanders, J. M. Bowen, Raymond Bass, Rudolph Harvey, Jack Cummings, Charlene Prather, Jim Bickel, Doris Bickel, C. M. College Station, Chris Moore and Bétel Dawson of Wayland College, Plainview, Bill Covin, University of Oklahoma, Norman, Okla., Jack Baker of A. C. C., Abilene, will be a house guest of Jack DeShazo, Max Gardner and John Crow; Alon Taylor, Texas Tech.

**Supper Enjoyed By Club Families**

The Muleshoe Home Demonstration Club ladies and their families enjoyed a Thanksgiving supper Friday night, November 18, with Mrs. D. R. Aylesworth as hostess.

After the supper was served games of 42 were enjoyed by a number of the guests. Those who did not play 42 spent the evening visiting.

Those present were: Messrs. and Mesdames J. E. Day, D. E. Beller, W. H. Awtry, J. T. Boydston, S. C. Caldwell, Ernest Holland, W. W. Smith, J. T. Shofner and Alva Lee, Roy Carney and family, Jack Stallings and family, Byron Jeffcoat and family, Mrs. Ottwell and her sister and the hostesses, the Aylesworth family.

Everyone enjoyed the supper and get-together so much it was decided it would create more interest to make it an annual affair.

**TEXICO COUPLE HAVE 60th WEDDING ANNIVERSARY**

Mr. and Mrs. Frank Curry, who reside southwest of Texico, Sunday celebrated their 60th wedding anniversary Sunday. Many of the old time settlers were in attendance, among the about 200 at the celebration. From Muleshoe, Mr. and Mrs. R. J. Klump, former neighbors attended.

**VISITED PARENTS**

Mr. and Mrs. Fred Clements, Corona, N. M., spent the weekend in the homes of their parents, Mr. and Mrs. T. D. Reed, Lazbuddy, and Mr. and Mrs. W. H. Clements, Muleshoe.

**Elected FHA Chapter Girl**

Rilda Gabbert

The first girl ever to have the honor of being elected Chapter Girl of the month for the Muleshoe FHA Chapter is Rilda Lou, E. M. College Station, who was elected by the FHA girls feel they have made such a good choice. She has been an FHA member for four years and is now serving the club as treasurer. She was chosen 'Girl of the Month' for her leadership, her willingness to do anything she was asked to do for the club, her character showing herself representative of the club, its purposes and ideals and her outstanding service to the club for the month of October.

Rilda is also a member of the Thespian Club, the Annual Staff, the Pep Squad, and is an officer in the Chorus Club, and has been especially helpful in putting out the Student Directory, now being published.

**HALF CENTURY CLUB MET WITH MRS. ROCKEY**

The Half Century Club met in the home of Mrs. Neal Rockey Thursday, Nov. 17, for their annual birthday party.

Each member brought a covered dish and spent the day. At noon the tables were spread and a wonderful feast was had.

There were nine visitors and 18 club members present. Everyone had a wonderful time. The meal was served buffet style. Everybody agreed Mrs. Rockey was a wonderful hostess.

The afternoon was spent singing old time religious hymns and visiting. We were glad to have our president able to be with us again after her long illness.

Our next meeting will be our Christmas party in the home of Mrs. Gilbreath on Dec. 15. Don't forget your gift.

**GIN "FAMILY" TO HAVE THANKSGIVING DINNER**

Everybody connected with the Muleshoe Gin will take off at the noon hour Thanksgiving Day for a turkey dinner and all the trimmings, to be served them in the private dining room of the Cross Roads Cafe.

Otherwise it will be a regular day of work for the crew, for the gin will run on as usual in an effort to catch up with the flow of cotton.

**REBEKAHS BEGIN CAMPAIGN**

All Rebekahs are reminded of the financial campaign which the lodge is beginning and which is to end Christmas Eve. They are urged to bring their linens for the cedar chest to the lodge meeting the coming Tuesday night.

The Student Council of Muleshoe High School representing the student body meets regularly every Monday at the noon hour to try to improve our school and make it the best possible.

In order to carry out this purpose the Student Council has sponsored the following:

A. A Victory Dance after each home football game to show our appreciation to our football team and their loyal fans.

B. The assembly programs held each Tuesday to increase school interest. Each organization will in turn, present the program.

After the semester we are going to exchange assemblies with other schools in this area. They will entertain us with an assembly program of theirs and we will in turn present one of ours before them.

C. A Sadie Hawkins Week with an all school dance on the last night.

D. A campus clean-up Week to improve the looks of our campus and make it more presentable to the outsiders.

D. A Student Directory and a Student Hand-book for the information of the students.

F. Homecoming.

In order to promote better sportmanship and relations between schools in this district the Student Council has decided to contact the other schools in this district and see if they would be interested in awarding a sportmanship trophy to the schools showing the most outstanding sportmanship.

Starting November 21, the flag will be raised every morning on the flag pole on the front lawn.

Our Student Council is now affiliated with National Association of Student Councils and has applied for membership in the Texas association.

All important bills passed by the Student Council are referred to Mr. Jerry Kirk for his veto or approval.

The membership now consists of the president, Ted Lawler; vice-president, Sondra Wagnon; Secretary-Treasurer, Mary Jo White; and parliamentarian, Jerry Julian. The class representatives are: Arlyn Krieger, Gene Tipps, Aubrey Heathington and Joyce Spivey, the president of each class: Ted Lawler, Ed Nickels, Earl Jennings and Bobby Seid.

The representatives from the organizations are: Joe Frank Cummings, Annual Staff; Billie Faye Graves, Stinger Staff; Margaret Sanders, FHA; Joyce Blackburn, Thespian Club; Wilma Jennings, Pep Squad; Melba Fudge, Chorus; Jerry Julian, Band; Irene Shanks, Art Club; Rufus Aylesworth, Dusty Pages; Rob Martin, "M" Club; Bill Aylesworth, FFA; Luther Buchanan, Handbook Committee Chairman; Bill Thomson, Assembly Committee Chairman.

Anytime anyone would like to visit the Student Council they will be perfectly welcome!

**Mrs. Green Host To Study Club**

Members of the Muleshoe Study Club met Thursday night in the home of Mrs. Marion F. Green.

Roll call was answered with "The Most Beautiful Spot To You". The program was on "Beauty Spots" with Mrs. A. E. Lewis speaking on "Natchez Trail". Refreshments were served to the following members and guests: Mesdames: E. R. Hart, John Watson, Buck Wood, G. O. Jennings, Julian Lenau, A. E. Lewis, Lee Pool, Buck Ragsdale, H. S. Sanders Jr., Milton Forbes, Vance Wagnon, L. T. Green, C. W. Grandy and the hostess.

The next meeting will be December 8, in the home of Mrs. Lee Pool.

**LEATHER SCHOOL POSTPONED DUE TO ILLNESS OF TEACHER**

The leather school scheduled for Friday and Saturday, Nov. 25 and 26, at Fellowship Hall has been postponed. Mrs. C. E. Davis, of the Davis Custom Leather Co., of San Angelo, who was to conduct the school has neuritis and her doctor has ordered her to go to bed.

In the telephone conversation with the county home demonstration agent, Mrs. Davis promised to try to hold this training school some time in January. In the

meantime, she suggests that all those who want leather material from her can order direct from the shop, located at 9 East Ave. G, in San Angelo. She has several women in the shop who cut to specifications and will mail the order out. It is with much regret that this change is being made.

is now available for building hospitals and health centers in Texas, State Health Officer Geo. W. Cox has announced.

Federal money channeled to the states for hospital construction has been increased from \$75 million to \$150 million, and the program of federal assistance to hospital construction has been extended through the fiscal year ending June 30, 1955. The increase in time and money is contained in an amendment to the Hospital Survey Construction Act.

Under provisions of the Act, the various states, to which the federal money is appropriated, makes the money available to local areas for hospital or public health center construction, if a survey shows the area is in need of such fa-

### Urges Generous Use Of Christmas Seals

AUSTIN, Nov. 22.—Governor Alf L. Shivers today issued an official memorandum urging the people of Texas to be "generous" in their support of the 1949 Christmas Seal Sale of the Texas Tuberculosis Association and its affiliated county associations. The Seal Sale opens Monday, November 21, and continues through December 25—the period officially designated by Governor Shivers as Christmas Seal Month.

Stressing the fact that tuberculosis is spread from person to person, the Governor praised the tuberculosis control program of the Texas Tuberculosis Association, particularly its projects, and those of county associations, directed at helping to find the estimated 25,000 "unknown" cases of tuberculosis in Texas. These unknown cases, he explained, are those not reported to the health authorities. Many of them are early cases and the people themselves may not know they are ill since tuberculosis has no obvious symptoms in an early stage, he said.

In issuing his official memorandum the Governor said: "The more we support the work of tuberculosis, the closer we shall be to victory over tuberculosis in Texas. Since the annual Christmas Seal Sale constitutes the sole support of State and local associations, we take an active part in the fight against this disease every time we buy and use Christmas Seals."

As of October, when the Amendment became effective, the states will put up half the money for new construction, and the local area, in which the hospital or public health center is to be built, must provide the other half of the total construction costs.

Prior to October, the states put up only one-third, and the local area was held responsible for raising two-thirds of the total construction costs. On new projects which had been approved prior to October, the local area must still put up two-thirds of the entire

People who were anxious for an early view of the Ford for 1950 began flocking into the Muleshoe Motor Company's show rooms by 8 o'clock Friday morning, the day on which the new Ford was being shown throughout the nation.

Members of the Rocky family, and members of the staff were kept busy explaining the many important changes made in the '50 Ford.

The Wood Drug, across the street served motor company visitors coffee, donuts, or ice cream. Two models of the new car were shown on the opening day.

A release from Dearborn on the occasion of the showing of the new car said:

A smoother flow of power in the V-8s and quieter operation in both V-8 and 6-cylinder engines distinguish the improved power plant for the new 1950 Ford passenger cars introduced by Ford dealers last week.

"By taking advantage of the latest development in engine design we also have still further increased oil economy and added to the life of these engines," Harold T. Youngren, vice-president - engineering, said. "They are the quietest and smoothest running engines we have ever produced."

### PUTMAN TO ATTEND OPTOMETRIC SOCIETY MEETING

The South Plains Optometric Society will meet in Lubbock Tuesday evening November 29, for an annual election of officers. Dr. B. W. Armistead of Littlefield is the retiring president. Others who have held office the last year, all of Lubbock, are: Dr. J. W. Kinard, vice-president; Dr. J. Davis Armistead, Secretary-Treasurer; Dr. Chloe Swart Farron, Reporter; and Dr. C. M. Neel, Program Chairman.

Dr. B. W. Armistead, Dr. J. Davis Armistead and Dr. Millard F. Swart have served on the Board of Directors of the Society for the past year.

Dr. B. R. Putman of Muleshoe, plans to attend the meeting.

### TO SAN ANGELO

H. D. King made a business trip to San Angelo first of the week.

### TO FORT WORTH

Mr. and Mrs. Gilbert Wollard spent the week end in Fort Worth and attended the TCU and Rice football game there Saturday.

### QUANAH VISITORS

Mr. and Mrs. Noel Woodley and daughter, Ann, spent the week end with his mother in Quanah.

Several hospitals have been completed in Texas under the program. Other projects are currently under construction throughout the State.

## Your Child

A WEEKLY COLUMN  
conducted by Claud C. Ruch  
Educational Director, Childcraft  
Advisory Service in Chicago

"The pattern by which human beings grow is as fixed as the progress of the moon and the stars. Every baby grows and becomes bigger and better in the same orderly way."

That is the poetic but pertinent observation made by Dr. and Mrs. C. Anderson Aldrich in their article in Childcraft books on "Growth and Development During the First Year."

(Dr. Aldrich is Director of the Rochester Child Health Project, and he and Mrs. Aldrich are co-authors of numerous books and articles on child welfare.)

They point out that, although the senses of touch, taste, and smell are in good working order in the newborn baby, he cannot see very much. But, he will follow a moving light with his eyes soon after birth.

All of you mothers have heard babies start to cry suddenly, in a frightened manner, at the sound of a loud or startling noise. That is because the infant has sensitive hearing. He will respond just as quickly in a favorable manner to a soothing voice or soft, restful music.

Knowledge of these simple facts will provide many an anxious young mother with all the information she needs to stop the hysterical screams of her baby. It also will help her to understand what normally to expect and what not to expect in the way of early responses from the very young infant.

At birth, a normal baby's brain has acquired more than one-fourth of its adult size. Between birth and eighteen months of age, the size of the brain doubles. Brain of the six-year-old is nine-tenths the size of that of a full-grown adult.

MM HUA Power Unit with LP Gas Operating Irrigation Well Pump

## FOR QUALITY AND DEPENDABLE POWER THE CHOICE IS MM POWER

The real test of quality is proved performance. Minneapolis-Moline Power Units have won this distinction for quality from owners themselves who were soon convinced that these units are tops in providing dependable and economical power. MM Power Units have long been associated with high quality because—

- They are made of high grade materials
  - Parts are highly standardized and are precision machined by skilled craftsmen
  - Advanced design features include — engineered fuel equipment for maximum efficiency and fuel economy — high turbulence combustion chambers — regulated cooling — crankcase ventilation — large-capacity full-pressure lubrication system — removable cylinder heads and blocks cast in pairs—heavy drop-forged steel crankshafts that are dynamically balanced and have large bearing surfaces — connecting rod bearings that are replaceable precision shells — camshafts that are made of wear resistant Proferall metal.
- You too will agree with the owners of these MM Power Units that all these outstanding features spell QUALITY and DEPENDABLE POWER.
- We invite you to see us now for complete facts on these high quality MM Power Units.

In a bus station a woman not in the habit of traveling asked a seat companion, "will you tell me which is the return part of my ticket?"  
The fellow traveler handed her the return portion of the ticket, whereupon the owner threw it in a trash receptacle.  
"Why did you do that?" asked the second woman.  
"I'm not going back."  
"Then why did you buy a round trip ticket?"  
"They told me it was cheaper."

## Local Gins Turn Out 5,000 Bales

Muleshoe gins had received almost 5,000 bales of cotton of the present season when a count was made Wednesday. Counting bales on the yards which had been weighed in, the gins had accounted for 4,845 bales.

Local gins, like all others in the territory have been swamped for nearly ten days. More than 100 bales can be counted on nearly every gin yard at all times. Union Compress and Warehouse Co. today estimated they have around 17,000 bales on their yards here now.

Meanwhile, under the influence of perfect fall weather, the cotton continues its steady flow to the gins. More and more farmers are now turning to mechanical pullers to gather their crop as hands are getting more scarce. Many of the Mexican families already are leaving to return to warmer territory.

## School In Leather Craft Is Scheduled

There will be another school in leather craft at Fellowship Hall November 25 and 26 under the direction of Mrs. C. E. Davis of the Davis Custom Leather Company, San Angelo. Many people will remember that Mrs. Davis was in Muleshoe early this fall to give a two day training meeting in leather work. The home demonstration club women feel very fortunate in being able to secure her services again.

This leather school is open to anyone who is interested in attending. The meeting on Friday will be from 9 to 5 and on Saturday from 9 to 4. A register fee of 50c a day will be charged to pay for the use of the hall and other incidental expenses. At noon a covered dish or sandwich luncheon will be served. Drinks will be furnished for the group.

Persons attending who have card tables, slab or marble or leather tools would be rendering a real service if they would bring them for their own use. All articles furnished should be well marked to assure that they will not be lost.

## Alcoholics Clinic Opens At Lubbock

S. R. Whaley, a member of the Yale Foundation for the Study of Alcoholism told a District Staff meeting of the State Department of Public Welfare in Lubbock Friday that alcoholism was the nations greatest health problem.

"Of 60 million people who indulge in the use of alcoholic beverages, four million eventually become alcoholics."

He said that alcoholism was a community problem, and in line with this policy, the Yale Foundation will open a 20 bed clinic next Sunday at 1502 Main Street in Lubbock for the study and treatment of alcoholics in West Texas. The services of a nursing staff, a social worker, and psychologist will be available to 35 Counties in this area.

The project will be dedicated at 3 p. m. by Dr. H. I. Robinson, Pastor of the Lubbock First Methodist Church and the public is invited to attend.

## Why Drink?

By A. I. Metcalf  
Pastor, Church of the Nazarene Muleshoe

I often wonder why any one will spend money for whiskey, when nothing but harm to the individual will be received in return.

I asked several young people why they drink. They gave three reasons. 1. To be popular; 2. To be social; 3. To go with the crowd. But in each case they are deceived.

To Adam God gave one law, "Thou shall not eat." Adam violated this law. Did God repeal the law because man violated it? No, man was punished. An Angel with a sword was placed at the gate of the beautiful garden. Man was

### CITATION BY PUBLICATION

The State Of Texas

TO: C. C. Breedlove

GREETING:  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 1st day of January, A. D., 1950, at or before 10 o'clock A. M., before the Honorable District Court of Bailey County, at the Court House in Muleshoe, Texas.

Said Plaintiff's petition was filed on the 14th day of November, 1949.

The file number of said suit being No. 1631.

The names of the parties in said suit are: Lois Breedlove as Plaintiff, and C. C. Breedlove as Defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff alleges that she was married to defendant on the 28th day of May, 1920, and lived with him until the 15th day of February, 1944, the date defendant, without any provocation or cause whatever, voluntarily left and abandoned this petitioner, with the intention of finally separating and living apart from her, and has continued to live apart from her up until the date of filing this petition, though often requested by petitioner to return to her and live with her as her husband. Such abandonment has endured for over three years. During the marriage of plaintiff and defendant three children, all over 16 years of age, were born to them, nor have they at any time adopted any children. Plaintiff and defendant own no community property. Plaintiff prays judgement for divorce, and for such other and further relief to which she may be entitled.

Issued this the 14th day of November, 1949.  
Given under my hand and seal of said Court, at office in Muleshoe, Texas, this the 14th day of November A. D., 1949.  
M. G. Bass Clerk District Court, Bailey County, Texas.

## Democracy Is Theme For 7th

Texas Legionnaires, more than 100,000 strong, with 758 posts all over the state, with the blessing of the governor of Texas, are going all out Wednesday, Dec. 7, for "Operation Democracy, in observance of "Democracy Beats Communism Day."

John Ben Shepperd, originator of the "Gladewater Plan" and former national president of the Junior Chamber of Commerce is state Americanism Chairman of the American Legion and is head of the "Operation Democracy Campaign."

Joe Spurlock, state commander of the American Legion, and Legionnaire Governor Allan Shivers, will make addresses on statewide hook-ups Dec. 7. Commander Spurlock will speak from Brownwood at a breakfast meeting and Governor Shivers from Terrell at a luncheon. Legion posts all over Texas will tune in for the addresses.

More than 300 prominent Texas men and women are on the speakers committee and will address audiences Dec. 7.

driven out. Isarel had 10 laws and violated all of them. Did God repeal these laws because man violated them? No, man was punished.

Today we have laws against murder and stealing. These laws are violated daily. Are we to repeal these laws because they are violated? No, man must be punished.

Because man drinks should the law be repealed that prohibits the sale of whiskey? I say no, but make the punishment more severe for violating law and make it harder to buy whiskey.

One of our national leaders advocated, "Drink a little," in order to be social and popular, but learn to control it. Some few will be able to do this while many will be overcome by the habit of drink. They soon find that their one time friends are gone, their money spent, their homes in need, with wife and children afraid to see Daddy coming home, all because of drink.

Yes, the drinker thought he would be social, have a good time, and make friends, but soon friends, money, and good times are gone. Sorrow and poverty are seen every where, all because of drink.

"Wine is a mockery, strong drink is raging, those deceived thereby are not wise."

### CHRISTIAN SCIENCE SERVICES

"Ancient and Modern Necromancy, Alms Measurism and Hypnotism, Denounced" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 27.

The Golden Text is: "The eyes of the Lord run to and fro throughout the whole earth, to show himself strong in the behalf of them whose heart is perfect toward him" (II Corinthians 16:9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Therefore shall Zion for your sake be plowed as a field, and Jerusalem shall become heaps, and the mountains of the house as the high places of the forest" (Micah 3:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Bel-

The minister arose to address his congregation: "There is a certain man among us today who is flirting with another man's wife. Unless he puts five dollars in the collection plate his name will be read from the pulpit."

When the collection plate came in there were nineteen five dollar bills and two dollar bills with this note attached: "Other three dollars on pay day."
