MOVE ON FORD AS CHRYSLER EASED

About Our Friends

By STEP A. LONG

"I had a close call this summer," said a young man. "I went in swimming myself; I don't usually do it. I'm not much of a swimmer. The day was hot and I went to cool off and nobody else was to go in."

"I was splashing around a little and decided to swim out to the middle of the stream. I got about two-thirds of the way I began to get scared. I felt myself sinking; I could feel water creeping up over my head. I was going down; there was a lot about it. It was a horrible experience."

"I only the thought came to me that I can get out of here if I don't need to drown; all I do is not get rattled and the motions I know how to do. I can come this far I can immediately on making that I was able to lift my face above the water and start swimming. I reached the rock and resting a while swam back to shore. But I know right well if I had not come to me that I was no need to sink, that I would swim out if I tried, I should have been drowned as sure as shooting."

"I'm probably most of the folks who are in the swim of life could float if only they believed it. If they would refuse to themselves to get frightened and encouraged they could hold their own and keep right on going until they reached their objectives. Success is largely a matter of oneself—faith in one's ability that is not all; there must be faith in fate. Now you can call it any other name you please. There is a certain benign power that seems to take a joy in standing by the individual who believes in the benevolence of that power."

(CONTINUED ON PAGE FOUR)

ROOSEVELT TO MOVE TO TEXAS AMOUNT ASKED

WASHINGTON, April 7 (UP)—President Roosevelt moved today to the government-local controversy construction cost of Possum Kingdom dam on the Brazos River in Texas, by declaring he will accept the reclamation service for its cost on necessary expenditures. The controversy started when the engineering corps estimated the project at \$6,600,000. The dam is a river conservation and reclamation project of Texas set at \$100,000. The amount allotted for the work by WPA. Commenting on Roosevelt's move to submit a question to the reclamation service final settlement. Sen. Morris Udall said "that is what I want along."

Parsons Will Meet Tonight at 7:30

There will be a meeting of the Sons of Foreign Wars at Chamber of Commerce tonight at seven o'clock. All members are urged to be present.

Today's Taxograms

Everybody's weekly pay envelope is lightened to some extent by the heavy taxes which business must pay. Recently a lead manufacturer of electrical equipment reported that taxes in 1936 equaled \$215 for each employee. Still more startling is a figure revealed by an oil company. In this nature the tax burden for 1936 amounted to \$50 for each of the 28,000 employees.

Torrents Flood Florida's Rich Farmlands

HAIL, WIND DESTROY ALL FARM CROPS

WEST PALM BEACH, Fla. April 8 (UP)—Torrential rains, more devastating even than hurricanes, flooded the rich black mucklands of the Everglades today, wiping out truck crops and causing damage estimated at more than three million dollars.

Reports filtering from outlying regions told of irreakish weather, ranging from torrents of rain to hail and heavy winds.

Destitute farmers, their bean, tomato and other crops washed out, appealed to the Red Cross and federal relief agencies for aid. No lives were reported lost, but crops were believed to have been at least 90 per cent destroyed.

FINGERPRINTS CONCLUSIVE IN TRIPLE SLAYING

NEW YORK, April 8 (UP)—Fingerprints found in a room 29-year-old Robert Irwin occupied in Canton, New York, are identical with one found in the apartment where Vronica Gedeon, 20-year-old artist's model, her mother and a lodger were killed Easter Sunday, police said today.

Electric Devices Are Demonstrated

Many Cisco ladies attended the West Texas Utilities spring showing of electric appliances which take the drudgery out of cooking and general house work by means of letting the unit do the work while the housewife may supervise as she would any other servant, said O. J. Russell, local manager today.

CONCERTED DRIVE BEING MADE AGAINST SIT-DOWN STRIKERS

DETROIT, April 7—A nationwide movement in which all civic, religious, patriotic and other organizations of the United States will be urged to cooperate, to support legislation to outlaw the seizure and holding possession of private property by any group, has been started by the Executive Committee of the National Automobile Dealers Association, which has headquarters in Detroit.

The following statement was directed to be sent immediately to all members of the National Congress to all governors, to all members of the automotive trade industry, and to all organizations: "The National Automobile Dealers Association, which represents and serves automobile dealers in all states and in all communities throughout the United States, deprecates the un-American practice of any group or organization in

TO TEASE—OR NOT TO TEASE

Diane Raye, beautiful exponent of the "old American art" of the strip-tease, felt the fervor of a missionary when informed in London that her act might prove "too great a shock" to British audiences. She gave out the ultimatum that she would appear willy nilly at the Palladium and do her act—or else.

J. T. STAMPS FUNERAL TO BE THURSDAY

Funeral services will be held Thursday afternoon at 3 o'clock for J. T. Stamps, who died this morning at 9:15 at the family residence, 901 West Eighth street, after an illness of about three weeks. Mr. Stamps was born July 2, 1891 in Eastland County, where he spent his entire life having lived in Cisco most of the time. He made his home with his mother, Mrs. J. H. Stamps and was in the ranching business until ill health forced him to retire.

Green's Funeral Home is in charge and burial will be in Oakwood cemetery following services at the funeral home with Dr. David F. Tyndall officiating. The deceased was a member of the Christian Church. Survivors are: his mother, one son, J. T. Jr., of El Paso, one sister, Mrs. Jack Jemeyson of McCamey, and one brother, M. S. Stamps of Fort Worth.

Mrs. D. C. Saddler will return to her home in Big Spring tomorrow after spending several days here visiting with friends.

WARSHIP IS ANSWER SENT BY ENGLAND

LONDON, April 8 (UP)—The British destroyer Garland steamed at full speed toward the Bearick Islands today under admiralty orders to protest directly to Spanish rebel authorities against two attacks on the destroyer Gallant yesterday.

BOMBED DESTROYER REPORTED SAFE VALENCIA, Spain, April 8 (UP)—The British destroyer Gallant was safe today after being a target for 18 bombs dropped by two airplanes which attacked it twice yesterday. The destroyer drove off the airplane with anti-aircraft and machine guns. The planes flew toward the Bearick Islands, a rebel possession.

Lindberghs Again Drop From Sight

LONDON, April 8 (UP)—Mystery veiled the whereabouts today of Col. and Mrs. Charles A. Lindbergh, unreported for nearly 30 hours on a flight from Zagreb, Yugoslavia, presumably toward their home in England.

They left Zagreb at 6:30 a. m. (CIS) yesterday, and at 11 a. m. today had been gone for 28 and one-half hours without word. Lindbergh, as usual, did not disclose his destination or route when he left yesterday. The route from Zagreb to England is 900 miles across the Alps and the English Channel.

Negro Preacher is Awarded Divorce

DALLAS, April 7 (UP)—H. Y. Lynn, a negro preacher and former slave who was awarded a divorce yesterday at the age of 94, was uncertain today whether he would marry again, but in case he does, he knows the kind of a girl he wants. "Ah don't want any wife who drinks likker, smokes cigarettes or dips snuff," he said.

ALVIN KARPIS GANG MEMBERS PLEAD GUILTY

CLEVELAND, Ohio, April 8 (UP)—Two members of the Alvin-Karpis gang charged in connection with the \$46,000 Garrettsville, Ohio, mail train robbery on November 7, 1935, changed their pleas to guilty in federal court today and were sentenced to prison today.

Fred Hunter, machine-gunner for the mob was given 25 years. Joe Roscoe was sentenced to 7 and a half years.

Steamship Sinks Off West Coast

LONDON, April 8 (UP)—The 1,578-ton passenger steamship Lairds-moor sank 5 miles off the west coast of Scotland today after a collision with the motorship Par-anawi. The Par-anawi took off six passengers and the crew of the Lairds-moor.

Two Given Twenty Years in Sing Sing

NEW YORK, N. Y., April 8 (UP)—Sentences of from 20 years to life in Sing Sing were imposed today on Harry Weiss and Martin Schlessman of Brooklyn, who were convicted of participating in the kidnaping of Paul Wendel, Trenton attorney, in a sequel to the Lindbergh baby murder case.

Family Crowds Presidential Schedule

400 UNIONS SEEK AID OF SEC. REILLY

AUSTIN, April 8 (UP)—Four hundred labor unions affiliated with the State Federation of Labor were called upon today by Robert Reilly, federation secretary, to protest the bill passed yesterday by the Texas senate to outlaw sit-down strikes. Reilly said the federation is opposed to sit-down strikes, but believes the bill passed yesterday goes further and endangers the right of collective bargaining.

Honest and Dishonest Doubters, is Theme

Meetings of the church of Christ continue with increased audience and interest. Last evening evangelist Smith compared Thomas, a honest doubter, with the Pharisees who were dishonest doubters. Mr. Smith quoted scripture to prove that without faith man was displeasing to God. Christianity must be accepted by faith. This is no marvel as we glibly receive history and many other things by faith. We believe that George Washington lived but it must be accepted by faith.

Nature gives no evidence for faith. Where did the life come from that it is in the egg which hatches and turns into a worm? Then from that is in the egg which hatches and turns into a worm? Then from the worm to the caterpillar and afterward to the beautiful butterfly. If the God of nature can change the ugly worm into the beautiful butterfly, is it unreasonable for the fleshy man to be given a new body that shall live forever?

Be sure to hear the lesson tonight on the Bible, Children's drill class at 7:15. Devotional service and preaching at 7:30.

Gold Trophy Received At Cisco High School

By TOMMY La MORE The gold trophy won by Cisco high school at the county meet at Ran-wood, May 10 to 12, and if contestants are forthcoming, will sponsor "My Home Town" essays and public speech. A letter from Boyce House, public relations committeeman from the Fort Worth Frontier Fiesta, re-

OFFICERS SEEK BUCKET SHOP STOCK BROKER

FORT WORTH, April 8 (UP)—Deputy United States Marshals hunted today for B. C. McMordie, stockbroker, against whom District Attorney Clyde O. Eastus filed mail fraud charges last night.

Eastus charged that McMordie was engaged in "bucket shop" operations and that investment losses by clients of the firm would total \$200,000.

Officers arrested Joseph P. Kelly, an associate in the business last night and he was held today in county jail.

ARMY PILOT IS KILLED WHEN PLANE FAILS

GALVESTON, April 8 (UP)—Lieutenant A. E. Livingston, 28, army pilot of Russellville, Arkansas, was killed instantly here today when his pursuit plane failed to come out of a power dive during air target practice and plunged into the Gulf of Mexico.

His plane was among a party of a dozen engaging in target practice three-quarters of a mile off shore opposite Fort Crockett. Livingston nosed his plane downward from a height of several thousand feet in a power dive toward his target. The plane plummeted into the water.

Mrs. J. T. Waddell, Jr., Mrs. Art West and Mrs. Ida Mae Taylor were Tuesday afternoon visitors in Eastland.

Oil Company Heads Confer Here Today

Tom Flack, local Gulf distributor A. L. Stalling, sales representative for the Gulf company with headquarters at Breckenridge, and Walter Ziegler, Dallas representative of the Imperial Petroleum company, were in Cisco today.

Cisco College Men At Lubbock Confab

E. B. Isaacks and Ralph W. Garrett, of Randolph College, will attend the association of colleges to be held in Lubbock Thursday, Friday and Saturday.

Oil Organizations Invited To Cisco For Annual Picnics

The chamber of commerce instructed Secretary Spencer to write letters of invitation to the Lone Star, Magnolia and Humble organizations to use Cisco's recreational facilities for their annual picnics for their employees this season, agreed to sponsor a sweetheart for the Fort Worth Fiesta and accepted plans for a series of trades days for the year.

They also will have representatives at the West Texas Chamber of Commerce meeting at Brown-wood, May 10 to 12, and if contestants are forthcoming, will sponsor "My Home Town" essays and public speech. A letter from Boyce House, public relations committeeman from the Fort Worth Frontier Fiesta, re-

AWU WORKERS END MONTH'S SIT-STRIKE

DETROIT, April 7 (UP)—Henry Ford's vast manufacturing interests became the number one objective of the United Automotive Workers Union today, while 90,000 workers for Chrysler Corporation and "feeder" companies prepared to return to work under an agreement ending a month-old strike.

Walter P. Chrysler, chairman of the board of Chrysler Corporation, and John L. Lewis, chairman of the Committee for Industrial Organization, reached an agreement last night that recognized the union as collective bargaining agent only for its own members in the company's nine plants.

The union's demand for the right to represent all Chrysler employees had held the manufacturer and the labor leader deadlocked since they first met at Governor Frank Murphy's request on March 24.

LEWIS DETERMINED TO UNIONIZE OIL

BEAUMONT, April 7 (UP)—John L. Lewis' CIO started a campaign to unionize the oil industry today with workers indicating "you may just as well join and make it easy."

Adolph Germer, who helped unionize the automobile plant in Michigan, was the CIO spokesman at a mass meeting last night.

"We are going to organize you," Germer told several hundred oil field and refinery workers who attended the meeting with their families.

"It may take six months, or a year, or a thousand dollars or a million, but you can bet your bottom dollar you are going to be organized. We will not pull strikes to do it, either."

City Election Vote Lightest in History

The city election was very quiet, only 240 votes being cast for the re-election of mayor and two commissioners. There was no opposing ticket but the names of J. E. Cate, city secretary, and F. E. Shockey, local grocer, were written for one vote each for mayor, it was stated.

Lions Have Award Ceremonies Today

Lions program consisted of ceremonies of awards and receiving new members at today's luncheon. Reports of activities were made by committee heads. New Lion members received were: W. E. Cooper, M. E. Robinson, A. D. Starling and re-instatement for J. C. King, with an appropriate installation feature by E. L. Smith; Jack Anderson was awarded a membership pin by Lion W. J. Leach; S. H. Nance was presented with an "Old Monarch" pin by Horace Condliey.

The club voted to furnish a special number at the Lions district convention to be held at Weatherford, also a number at the district group meeting at Eastland next Tuesday night; unanimously voted to instruct the secretary to write letters of invitation to the Lone Star Gas company, Humble Oil and Magnolia Petroleum company to hold their annual employees picnics at Cisco this year.

A. G. Tuttle reported \$127.50 collected on the crippled children drive and T. C. Williams reported on boys work and that a Sea Scout troop was in the process of being formed for Cisco. Charles Sandler reported on the Easter Egg hunt.

WEATHER

EAST TEXAS—Partly cloudy; probable showers in northeast portion and on east coast; colder north-west and north central portions tonight; Thursday cloudy, cooler.

WEST TEXAS—Partly cloudy; colder north and west portions; tonight; Thursday partly cloudy; cooler south and central portions.

Boys of Today, Men of Tomorrow

"Cisco has the greatest group of boys I have ever seen in any town," remarked a citizen a few days ago. For the past few years I have been a close observer of the boys, having some myself, and I am sure I never saw boys in any community get along like these do here. They never fight nor fuss at school. Neither are there clans or factions. Any boy, regardless of his financial standing, may arm up with the wealthiest boy in town if he only places himself in the proper social standing. I wish I could have had the pleasure of growing up in such a seemingly ideal atmosphere," he continued.

When asked if he thought the athletic interest here had anything to do with this condition, he said he did not know, perhaps it did. It was always the boy who had nothing to think about that caused fights and quarrels, he said. The fine thing about it is, according to this man's idea, that these same boys, who are so agreeable among themselves now, will be the future citizens of Cisco in a few years. Certainly these young citizens will be able to manage their civic affairs in the same agreeable manner and their energies will not be wasted in discord, but rather, they will stand together in a cooperative way, working out their destiny as a community in the same peaceful manner, without the turmoil so often present in aggressive communities.

In thinking of this condition, one is reminded of the old story of the aged father who, when he felt his strength failing, called to his side his eleven sons, who frequently quarreled among themselves.

"My sons," he said, "Here is a bundle of eleven small sticks tied with a cord. See if you can break them." And when each in his turn had tried vainly to do so, he took the bundle and after unwrapping them, broke them one by one. "This represents strength in unity. As long as the sticks were tied together the strongest of you were unable to break them, but once they are divided a very feeble old man can do so with ease. Now, sons, as long as you stand united with a cord of cooperation, no man is strong enough to break you, but once you are divided by strife you are in danger of being overcome by any force that may arise." "And so," this citizen continued, "these boys are able to go to school together and gang together in the assembling place in the evenings stand a mighty good chance to build most any kind of town they may desire when the time comes. It will be easy to agree on the proper procedure." And this citizen continued to say that the present men of Cisco were not far from this very spirit themselves. He pointed to the fact that Cisco has been able to not over a great number of undertakings, and in a much bigger way than most towns of her size. He said that, go up the street as you may, enter any club that you pick, and you will see a unified spirit of cooperation in every deliberation. "When have you heard of the business men wrangling over anything of vital importance to the town? When have you heard of factions among the business men of Cisco? Spring any question in the civic organizations or the luncheon clubs and call on those who will help put it over and their respond to the last man. Well, after all," continued this citizen, "I am mighty well satisfied to live in Cisco because I believe we have the best living conditions, the best business men, the best governed city and the best citizenship in Texas, and I am glad to be one of them."

OUT OUR WAY

FOOTBALL HELD EMOTIONAL KEY OF SCHOOL LIFE

CLEVELAND (AP)—Football and fraternities are described by Dr. Ralph W. Hutchison, president of Washington and Jefferson College, as two of the most powerful emotional factors in American student life. "Football has become the emotional center of college life," he said here. "It could have been mathematics, or it could have been poker. But it was football, and the trustees and other officials of our colleges have thrown it out and left it to anyone. "Can you conceive of our alumni associations being allowed to reorganize our mathematical departments, or business men stepping in and running our biology departments?" Dr. Hutchison characterized our fraternity life as one of the "most magnificent" emotional experiences of college.

Former Ciscoan to Have Competition

DENTON, Tex., April 7.—Norman Grusky of Newburg, N. Y., representing North Texas State Teachers College, will compete with Joseph Frederick of T. C. U., formerly of Cisco, and nominees of other Texas colleges and universities for the title of "Greatest College Man in Texas." Grusky, a senior and N.Y.A. administrator on the campus, was selected Tuesday by the student body in an all-day election which followed a spirited campaign in which eight candidates vigorously pushed their claims to the honor. "Grusky will have a date with the N. T. S. T. college favorite, with all expenses of the evening paid by Denton business men and the staff of the Campus Chat Teachers College weekly, which sponsored the contest. Besides the date, Grusky has won a number of souvenir prizes from Denton fans catering to college trade. His picture will be sent to T. C. U. where officials

are receiving the photographs of other Texas only men. Robert Taylor, screen idol, will pick the Lone Star's ugliest college man from the nominees submitted by the various schools entering the competition. Started several weeks ago as a take-off on the worn-out custom of holding numerous beauty contests at colleges, the "ugly man" contest was designed as a beauty contest to end all beauty contests. Winners in the various campus contests over the state maintain that they have won an unparalleled honor.

Comanche Trail Boy Scout News

Sea Scout Ship "TEXAN" was high honors by being designated as the Regional Flag Ship. This means that it rates first as a Sea Scout unit in Texas, Oklahoma and New Mexico. "Our hats are off to the 'TEXAN' for this fine record. Ship Organization The Lion's Club of Cisco voted

TRAILER ADVENTURE

By Nard Jones © 1937, NEA Service, Inc.

BEGIN HERE TODAY MARTHA BRITAIN and BETTY HAYES began a trip up the west coast to demonstrate the new Airstream trailer. They pick up GERRY NEAL, handsome young hitch-hiker. Neal tells them he is to meet a friend at the SPEDDON at the Long Beach auto camp. But at Long Beach, Neal disappears from the trailer and Speddon drives away with Betty, failing to return. Frustrated, Martha calls Betty. Then she gets a wire supposedly from Betty, advising Betty will meet her at a San Francisco hotel. Neal turns up again and tells Martha "this thing may be bigger than she imagines." Martha agrees to accompany Neal to San Francisco to find Betty. She finds herself growing more and more interested in Neal. But arriving in Fresno, Martha Betty are registered at the designated hotel. Instead, Martha gets from Betty, advising she is not at all right. Disturbed, Martha writes to call police but Neal protests that such a move might cause Betty's death. And that night Neal tells Martha he loves her. NEAL GOES ON WITH THE STORY CHAPTER XIII THE manager of the Bridge Auto Park granted and turned over on his bed. But again there came that insistent knock at the door of his cottage—a knock which he had hoped might be part of a dream. Grumbling angrily, he climbed from his sheets, pulled on an ancient but serviceable bath robe, and shuffled to the door. He was startled to see a rather breathless and very attractive young woman standing there. And he was more amazed yet when he recognized her as the young woman who had called earlier in the day. The young woman for whom he'd been holding that airmail letter from San Diego. "I'm sorry to bother you at this time of night," Martha said. "But I want space for my coupe and trailer." The man yawned. "There's a lot of it out there, lady. Just park anywhere and I'll talk to you in the morning." "You see, I'm with the Airstream Trailer Company. I'll be here two or three days—" "Showing off the trailer? That's okay, so long as you pay the regular rent. One fellow a while back figured his trailer ought to draw customers and he should get in here rent free." "I intend to pay," Martha said. She reached into her bag. "Never mind now. I don't like to lose sleep. See you in the morning." The door slammed decisively, and Martha returned to the trailer. There were other cars and trailers in the camp, but she seemed to be the only tenant awake at this hour of the night. PERHAPS, Martha told herself, she had been foolish to run away from the hotel and not wait until morning to come to the Bridge Auto Park. But when she had disengaged herself from Gerry Neal's arms and escaped into the solitude of her room she knew that she mustn't see him again. He would be telephoning in the morning, perhaps even that night—and she had to get away to think. The Bridge Auto Park proved to be an excellent location for displaying the merits of the Airstream. On one of the main arterials for both north and southbound traffic, it drew many a curious motorist attracted by the streamlined trailer. With these, as well as with the occupants of the auto park itself, Martha was kept busy. At the end of the day she had pointed out the merits of the trailer to scores of prospects, handed out as many advertising leaflets. And that night she made her report to Arnold Sloss, grateful for a task to keep her mind occupied. That day and the next she stayed on at the Bridge Auto Park. Then, following Carrington's itinerary, she crossed the great bridge into Oakland and spent the day there. The three days proved a tiresome grind, and at the close of the last Martha tumbled onto the made-up berth and dropped off to sleep almost instantly. When she opened her eyes the sun was streaming into the trailer. But it was not the sunshine which had awakened her. There had been a distant tapping at the rear window. Looking up she saw the smiling face of Gerry Neal. "Breakfast ready?" At the sound of his voice Martha's heart rose in her throat and whirled there like a frightened quail. She knew in that magic moment that all along she had wanted him to follow her—and been afraid he might not. She knew that, despite all her anger and all her suspicions, she had wanted to see him again. Hurriedly she drew on her dressing gown, and went to the window. "I'll wait 10 minutes," Gerry told her. "Just one cigaret." "How did you know where to find me?" Neal grinned. "You showed me

recently to sponsor a Sea Scout Ship. The "TEXAN" with officers and crew gave a program of explanation in assisting with the organization of same. Scouts Publish Paper This office is in receipt of a copy of the "CANTEN" which is an interesting paper published by Scouts of the three Troops in Cisco. We also received a copy of "TROOP TIMES," a paper published by Troops No. 2 and 13 of Fort Worth, of which Carl G. Hodge Jr. is Editor-in-Chief. Jamboree It is the objective of the Troop, that is to represent the Comanche Trail Council at the Jamboree in Washington June 30th to July 9th, to portray in as minute detail as possible a tribe of Comanche Indians. All 33 members of the Troop will be dressed in Twin-Tail War Bonnets, breech clothes, moccasins, and war paint. The Troop quarters will represent the Indian village by having Twopenies and various Indian relics will be on display. The Council plans to send only the one Troop of 33 Scouts. If you intend to go, you should get in touch with your Scoutmaster or the Council Office at once. ON TO WASHINGTON. Camp Billy Gibbons Some Troops have already indicated that they plan to be one hundred per cent in attendance at Camp Billy Gibbons this summer. We are anticipating the biggest and best camp the Comanche Trail Council has ever had. The committee has not definitely decided on cost of camp, however, this information will be given in the near future. Troop Hike Members of Troop No. 5, with Scoutmaster Hochhalter and Gaithe Erwin, hiked to the Bayou last Friday evening. Cooking and Packing Tests were passed by several Scouts. After a stark summer, a Tenderfoot Investiture Ceremony was held for Billy Stewart. Plans were made for Parent's Night, which is to be 16th of April and for an overnight hike the 23rd.

WISH TO SEE ARMY IN POMP OF NEW POWER

By DAN ROGERS
Press Staff Correspondent
SAN FRANCISCO, April 7 (AP)—The British will present at Aldershot June the greatest military show ever staged—the Coronation Tattoo proclaiming allegiance to the new King. Military authorities here hope that this last word in waving will give needed stimulus to recruiting.

CLASSIFIED

SEED PEANUTS—see, phone write W. B. Starr.

66 Check **COLDS** and **FEVER** first day. **HEADACHE** 30 minutes. **"Rub-My-Tism"**—World's Best Liniment.

before 486,300 spectators. This year, in honor of the Coronation, the tattoo will be on a much more elaborate scale and already advance sale of tickets is more than double this time last year.

Special Music Written

Typical of the gigantic spectacle planned will be one number in which a military band of more than 1000 musicians will play music written especially for occasion. A modern battle, involving the extensive use of mechanized units, will show Britons their army in action. For comparison, another unit will portray the soldiers of Charles I. demonstrating the drills and tactics of that ancient day.

Soldier-actors will re-enact the "Passage of the Douro," a stirring incident of the Peninsular war. Cavalry and infantry massed bands will march and wheel, playing entirely from memory the special, intricate tattoo music.

The banners of the dominions, colonies and states of the empire will parade and assemble in salute to the Union Jack.

"Keep Fit" To Be Stressed

A physical training display will be included as the national "keep fit" campaign. Highlanders will swish their plaid kilts and lift bare knees high behind massed bands of bagpipes. Evolutions with lanterns will provide novel lighting effects of beauty.

The finale will be a royal pageant on a grand scale, introducing the banners and royal bodyguards of the kings and queens of England since William I.

Grandstands seating 80,000 persons have been built around the huge arena. Eight performances will be held on June 10, 11, 12, and 15-19, inclusive.

Artillery Unit 400 Years Old

Another military spectacle among Coronation pageants will be the celebration by the Honorable Artillery Company of London of that organization's 400th birthday. On May 27 its infantry battalion and batteries will march past the King at Olympia as the opening event of a series of anniversary celebrations. American visitors are expected to be especially interested in the spectacle as the Honorable Artillery Company of Boston, itself 300 years old, is an off-shoot of the London company.

A contingent of 100 men from the Eastern company will take part in the London celebrations.

CLAMS CLASSIFIED AS FISH

SAN RAFAEL, Cal. (AP)—Vincent Lorenzo and Joe Faban would like to know just what constitutes a fish. They were fined \$10 each for digging clams without a fishing license.

FARMERS' VISION BETTER

LES MOINES, Ia. (AP)—Farmers' eyes are trained to see farther and as a result the average vision of farm drivers is better than that of city residents, according to Ed Murray, chief examiner of the Iowa motor vehicle department.

... something you both can enjoy

Everybody enjoys refreshing mildness in a cigarette... everybody likes good taste and pleasing aroma.

These are the things that make smoking a pleasure.

For all the good things that smoking can give you we invite you to enjoy Chesterfield Cigarettes.

Do you Hate to Meet People?

Some of us are so bashful that whenever a new face appears before us we mentally duck away! Maybe it isn't shyness so much as simply not realizing how very interesting new acquaintances can be.

Some people are shy about new foods too. On family we know has had pork and beans every Saturday night for ten years, and they see no reason for changing!

How much more interesting life---and dinners!---would be for that family with a new kind of meat, a vegetable prepared some other way, a new style in dessert. New foods --- new faces--brighten our days and help make living an exciting game.

Look through the advertisements in this paper today for new ideas in foods. They're here, in abundance... recipes, tried and tested... favorite platters of favorite people... exotic dishes from exotic lands.

The advertisements bring you up-to-the-minute news of many things. Read them regularly. Form the habit of getting the most out of life---and the most for your money.

EXPLORING PARTY SAFE
CANNBERA (AP)—News has just been received from Port Moresby the seat government of the Australian territory of Papua, of the safe return of an exploring party under the leadership of C. W. Adams after seven months in the interior of New Guinea, during which time no news was received from the party.

FRECKLES and His FRIENDS — By Blosser

Flooded Area Cleans House

CAIRO, Ill. (AP)—Women clad in galoshes and armed with scrub brushes and brooms have taken over flood-ravaged homes along the Ohio River for a spring housecleaning which this year isn't optional.

From Shawneetown, just below the confluence of the Ohio and Wabash rivers, to New Madrid, Mo., at the tip of the Birds-Point spillway, riparian communities are coated with gray-brown mire.

The recent floods left behind them a problem for housewives in Mounds City, Ill., houses lay upturned with their windows now skylights. Some were crowded together in grotesque heaps without regard for fence or road.

Garages and lighter homes were swept to new locations. A cleaning and pressing shop floated away to settle near the shipyards. The owner intends to let it remain there because he deems it "a much better location."

Hen Coops on Houses

One man told of building chicken pens on top of houses where hens cackled defiantly until the waters went down.

Another, told that he must evacuate his home quickly, rushed to the

Old Bicycles Still in Use

GREAT FALLS, Mont. (AP)—Bicycles built 40 years ago are going strong in Montana. The first bicycle permit of the year was issued to an ancient Columbia with the front wheel measuring 36 inches in diameter and the rear wheel 18.

Spend More on Food

LCNDON (AP)—The first things people buy when they go back to work are food and clothing, the Board of Trade's report on retail trading in January reveals. Millions more were spent last January than a year ago.

Let us figure your next job of Printing. Our job department is equipped to serve your needs. — PHONE 80.

The team is being built around a nucleus of several returning lettermen and boys who were not eligible last year for competitive play.

The squad yesterday seemed to have the speed and precision that makes winning ball clubs.

One major casualty occurred in shoulder blocking drill yesterday when James McCrary received a fractured collar bone.

The squad went out early and took a few hard limbering-up practices. Following this, they separated into two lines and ran out for passes and downs on punts.

The line men charged down the field, taking them in their tracks and sometimes included a little chase to get possession. C. Yancy and G. Yarrbrough did the punting; R. Reams Yarrbrough and B. Ab-rdeen alternated with O. Harrison and Yancy on the passing.

The team had a rolling block drill in which the members of the squad blocked under teammates who jumped off their feet.

The squamen charged up and down the field and following this, they had a 100-yard sprint before going to the showers.

Squad members are: ends—Boyt, M. Harrison, B. Bacon, Callerman; tackles—Wade, C. Harrison, Wendig; guards—W. Wall, R. Cone, Latch; fullbacks—Stewart and Tipton; centers—Stewart and Tipton; Tipton is a recruit from last year's grammar school team.

W. Preston, L. M. Yarrbrough, Callerman, R. Reams, Qualls and Callerman.

Cisco Daily News want ads are a vestment. Phone 80.

England's great lay evangelist Gipsy Smith, Sr., will open the conference on Monday night, April 12.

This will be the evangelist's message in America prior to his return to England for the coronation of King George VI. The program will feature Ralph S. Cushman, Darringer, Dr. J. Q. Schisler, Miss Barnett Spratt, of Nashville, as outstanding speakers; five Texas Methodist bishops, H. A. Boaz, A. Frank Smith, John M. Moore, Arthur J. Moore, Sam R. Hay, and leading laymen, Hon. Galloway Calhoun of Tyler, M. S., Nat G. Rollins of Abilene, W. W. Woodson of Waco, W. D. Smith of Fort Worth, and W. W. Jackson, of San Antonio.

Texas ministers; Dr. Paul Qualian, Houston; Dr. J. W. Mills, Beaumont; Dr. Edmund Heinsel, Austin; Dr. W. C. Martin and Dr. Marshall Steel, Dallas; Rev. J. O. Haynes, Amarillo; Dr. J. I. R. Reams, Fort Worth. The Methodist home will feature a thirty-minute program Tuesday night.

Sectional meetings for workers with children, young people, adults, a section for ministers, hymn singing will be featured in all services. The conference is being sponsored by the recently appointed commission on the future of Methodism in the future, in which all five Texas annual conferences are sharing.

PWA APARTMENTS SOUGHT BOSTON (AP)—Though Old Harbor Village, the PWA housing development in South Boston, will not be opened until next winter, 1,911 families already have made written application for the 1,016 apartments.

Texas Planning Board statisticians estimate that 90 per cent of the polo ponies used in the United States are raised on Texas farms.

Texas Woodmen to Meet in Abilene on April 15, 16 and 17

SIX NATIONAL DIRECTORS TO ATTEND THE BIENNIAL HEAD CAMP CONVENTION

The biennial Head Camp convention of the Woodmen of the World Life Insurance Association in Texas will be held on April 15, 16 and 17 in Abilene, according to E. R. Coffey, of Houston, head confederate for the state of Texas.

No less than six national directors will attend the session he said. They are De Emmett Bradshaw, national president of the order, of Omaha, Neb.; United States Senator Morris Sheppard, national treasurer, of Texarkana; Farrar Newberry, newly-appointed secretary, of Omaha; and State Manager R. E. Miller, of Chicago, and Dr. H. B. Kennedy, of Omaha.

Prominent Sovereigns of Texas who have indicated that they will attend the convention include John J. Wahl member of the Committee on Legislation of the 1935 Sovereign Camp; Judge E. D. Henry, member of the Judiciary Committee of the Sovereign Camp; Dr. C. J. Koerth, medical superintendent of the Woodmen of the World hospital, all of San Antonio; and the following Head Camp officers: W. A. Tidwell, of Shreveport, J. H. Flood, of Dallas, Frank Butts, of Ector, Guy Quisenberry, of Dallas, W. T. Moore, of Beaumont, George Knapp, of Calvert, and Pete Bacher, of Houston.

Two \$1,500,000 Refunds In the spring of 1938, and again in February, 1937, the association returned about \$1,500,000 of assessments to its members. These were the largest single refunds ever made by a fraternal society, and affected nearly 300,000 members each year. Eligible for refunds were all members who had held a beneficiary certificate (in good standing at the end of 1936) for two years or more.

President Bradshaw, who is honored and respected in every state in which the association operates, is particularly interested in improving and enlarging the services of the Woodmen of the World Memorial hospital at San Antonio, Tex. Here, members afflicted with tuberculosis are treated without cost.

Elect Sovereign Camp Delegates At this meeting, delegates will be elected to represent the jurisdiction at the Sovereign Camp convention, the supreme representative legislative body of the Woodmen of the World, which meets later in the year. A feature of the convention will

After a short campaign, in which many urged that the State should do something, the young couples set up house and appear to be living happily. Young marriages are uncommon in Europe, have become relatively rare in recent years, largely because of economic difficulties.

It appears that the 14-year-old bride of this town has the record of being the youngest wife living in France.

20,000 Persons are Left Without Homes MANILA, P. I., April 7. (AP)—Fire swept unabated in the Tondo section of Manila tonight after raging more than 30 block of flimsy tenement residences and leaving an estimated 20,000 persons homeless.

It was estimated that the damage would exceed one million dollars. It was feared several of the occupants of the houses were trapped.

CHURCH CAKE WEIGHS 178 LBS. PCFTON (AP)—A cake, 4 1/2 feet long, 3 1/2 feet wide, weighing 178 pounds and bearing 300 candles, was lighted in the Dudley Street Baptist Church, Roxbury, in memory of departed parishioners.

CALENDAR

Wednesday
The Junior G. A. of the First Baptist Church will meet at 4 o'clock at the church.
There will be choir rehearsal at the First Methodist Church at 7:30 o'clock.
Group Four of the Woman's Council of the First Christian Church will meet at 3 o'clock in the church.

Friday
Mr. and Mrs. E. C. McClelland will entertain the Friends of the club in their home at 1006 West Seventh street at 8 o'clock.
The Twentieth Century club will meet at 3 o'clock in the club room with Mrs. T. J. Dean as hostess.

YWA OFFICERS IN OFFICIAL INSTALLATION

Officers for the Y. W. A. of the First Baptist Church were officially installed Monday evening in the parlor of the church, which was attractive in a decoration with predominating colors of green and white, and corresponding floral decoration.

The mothers of the Y. W. A. members, general officers of the W. M. U., and the mother circle were guests for the evening.

The following program was given: vocal solo, "Deep in His Love," Mrs. H. V. House; reading, "The Old, Old, Old, Lady," Jimmie Jean Hensley; piano solo, "Angels in Paradise," Louise Massengale; vocal solo, "He Is Mine," Mrs. H. V. House; reading, "Gossip in Heaven," Dorothy Jean Anderson; piano solo, "Chorus's Eighteenth Waltz," Helen Burleson; vocal solo, "That Sweet Story of Old," Mrs. H. V. House; reading, "Nativity," Doris Surles.

Under the direction of Mrs. E. S. Jones, young people's leader and acting counselor, the old and new officers entered in white robes, carrying white candles as they sang the Auxiliary song "O Zion, Hasten." Pledges were given and the following officers were installed:

President, Miss Faye Holder, vice-president, Miss Dahlia Surles, secretary and treasurer, Miss Sara Maynew; program chairman, Elizabeth Wilkes; personal service, chairman, Willie Frank Walker; social chairman, Louise Stephenson; publicity chairman, Lucile Flaherty; Parliamentarian, Louise Massengale.

Refreshments of canapés, chicken salad, sandwiches, cookies and tea were served to approximately 30 guests.

Presbyterian Circle In Tuesday Session

Members and guests of Circle Two of the Woman's Auxiliary of the First Presbyterian Church met Tuesday afternoon with a business meeting in the home of the new circle chairman, Mrs. J. E. Caffrey, Humboldt.

Mrs. W. P. Lee led the devotion, which was taken from the book of Matthew. Mrs. Ralph Barton, vice chairman, presented the program, assisted by Mrs. E. P. Crawford who read an article entitled "Personal Guide." Mrs. Homer Slicker called roll and the following responses were made:

Mrs. G. Gustafson, W. P. Lee, R. B. Carswell, T. C. Williams, Ralph Barton, E. P. Crawford, Sutton Croft, J. A. Lash, L. E. Martin, Homer Slicker, W. L. Jackson, J. G. Rupe and visitors, Mrs. Abbie C. Daniel and Mrs. L. B. Clary of Stamford.

PERSONALS

Mrs. J. R. Henderson, accompanied her young daughter Lael, to Eastland yesterday afternoon to attend a birthday party for Betty and Nancy Harkrider.

Mrs. L. B. Clary of Stamford is guest in the home of Mr. and Mrs. G. Gustafson. Mrs. Clary is the sister of Mrs. Gustafson and will be here indefinitely.

Mrs. G. H. Nitschman and Mr. and Mrs. J. B. Pipkin of San Antonio are guests in the home of Mr. and Mrs. P. B. Hudon en route to a visit in Kansas City.

Miss Lou Marian Grace has moved.

Grammar School to Have Outing Soon

By TOMMY La MORE
A picnic is being planned by students of the Grammar school who were active in the county meet. Those who will attend the feast are boys and girls on the baseball team, volley ball squad, tennis teams, track, and essay, spelling, arithmetic, and declamation. The date for the picnic is not yet decided upon but will probably be Friday.

Boy Scout News Of The Week

By TOMMY La MORE
Troop One of the Cisco Boy Scouts will have a hike Friday night and will go to Scoutmaster Ernest Hittson's ranch where they have gone several times this year. Scouts will leave the Presbyterian church at 5 o'clock and hike to the ranch.

In Abilene Today For Presbyterial

Rev. M. H. Applewhite and a group of Presbyterians take time out from encampment building today to attend the Thirty-sixth annual Woman's auxiliary meeting of the Fort Worth Presbytery at Abilene, which began last night. However, Rev. Applewhite as general supervisor and leader of the encampment work, saw to it that water was piped to the grounds and rock being conveyed to the grounds for the veneration of the present unit of buildings.

Delegates to the meeting are Mesdames A. D. Schmid and Homer Slicker, every division of the women's work will be discussed and several members of the Cisco Auxiliary will present a short playlet. Most of the delegates will return tonight, a few will remain for tomorrow's program.

Among those attending from Cisco are Mesdames J. E. Caffrey, D. Pierce, Fred Watson, Elizabeth McCracken, E. P. Crawford, P. R. Warwick, W. W. Wallace, A. J. Olson, Homer Slicker and A. D. Schmid, Rev. and Mrs. M. H. Applewhite.

Teams Getting Ready For Breckenridge Go

By TOMMY La MORE
Teams of the high school who represent the local school in the district meet at Breckenridge this week-end are putting forth their efforts in order to make a good showing there.

The debating team that won more than one-third of the meet held at Cisco in the county meet held at Ranger last week-end is expected to make a good showing and will make much trouble for opposition in Breckenridge. The boys tennis doubles, Gordon Sherman and Billy Hanson, are also expected to make a good showing as they won the county meet quite easily. Several track boys may show up well from the local high school as they did at Ranger. The one act play team is likewise favored to go far into the state meet.

HONOLULU, O.R.—The city boasts of 246 rollers who have made a hole-in-one in the past 10 years. A tournament between the hole-in-ones is under consideration.

BO BAND RIVALRY KEEN AS TIME FOR H-SU CONTEST NEARS

Lobo band members are on the move in preparation for the contest at Abilene April 9. The contest is sponsored by the H-SU auditors. An advance there are twice as many contestants locally as there are at Abilene. Mandmaster Maddox says the contest is sponsored by the H-SU auditors. The contest is sponsored by the H-SU auditors. The contest is sponsored by the H-SU auditors.

Barnhart Address 4-H Club Boys

Assistant County Agent Hugh F. Barnhart addressed Eastland County 4-H Boys concerning cotton demonstrations for their communities. He gives full instructions and states the cooperation that will be given each boy, including financial aid so that the boys will be able to carry out their plans.

Cisco Dentist is Buried Saturday

Funeral services for Dr. J. W. Little were held at 1:30 last Saturday, with Rev. Patterson officiating and the body in charge of Green's funeral home. Friends brought flowers to the grave and stood in mourning as the remains were put away for their last long rest.

Dr. Little was placed in the city-county hospital at Ranger about two weeks ago, where he died Friday about 6 p. m. His remains were sent back to Cisco for burial.

Dr. J. W. Little was a native of Tennessee, born May 25, 1859. He practiced dentistry in Abilene, Mexico and Cisco, having been mayor of Clyde.

Mr. and Mrs. J. R. Burnett, friends of the deceased, notified old friends and a group attended the ceremonies.

Con. Garrett Writes To County 4-H Boys

Hugh F. Barnhart has received the following letter from Congressman Clyde L. Garrett, Washington, D. C.:

Dear Hugh: I am addressing this letter to you but it is one which primarily concerns the boys of the 4-H clubs who were so successful in competition at the Fat Stock Show. I refer to James Dean of the Alameda Club, Jack Walker of the same club and Buster Wheat of the Morton Valley Club. I am particularly interested in them for you know I have had some small part in this class of work in Eastland County and I am proud that the work has begun to show profits in accomplishment. The good work which these boys have done should reflect increased interest in the growing of such stock and be of material advantage to the county.

To those boys who have succeeded I offer my sincere congratulations and to you men of the county who have aided and instructed them I also offer congratulations on the good work which you have done.

In this section of the country which has been in use for 150 years or longer evidences of the success of the dairy herds do not have to be asked. Forty to sixty acres is the size of the farms and the fine brick homes and brick barns, two and three stories tall with basements to house the cattle during the cold weather show that the cow can be the foundation of a real farm husbandry. How I would like to take those boys for a drive over some parts of Maryland and let them see what old bossy will really do through the years if you will stay with her and treat her right.

Congratulations to you and the boys. Good luck in all your efforts and the sincere wish that the work may prosper in the future is the wish of the undersigned.

Very sincerely yours,
C. L. GARRETT

PATRONIZE OUR ADVERTISERS

SCHOOLMEN OF COUNTY ATTEND AUSTIN CONFAB

If the legislature fails to pass or reduces the \$1,800,000 school appropriation bill before it the action would greatly injure schools, according to County Superintendent C. S. Eldridge, who with other officials last Monday morning at Austin in support of its measure.

Said Supt. Eldridge: "Before the legislature is a bill for the appropriation of \$1,800,000 to take care of a possible 30 per cent reduction in all state aids. If the bill does not pass or is reduced then our schools will be cut short."

"I am taking a car load of people interested in our schools to Austin early Monday morning. Other officials and those interested in the schools should meet us at Austin or wire some of your friends to help in the project. Our legislators of this district—Representatives Ross and Davison and Senator Collie—are cooperating with the school children. The bill would benefit all Eastland county schools, each receives aid of some nature."

Eastland Ranchers In Range Program

About 46 Eastland county ranchers have signed a total of 38,432 acres of range land for participation in the 1937 Range Conservation Program to date according to a statement by Elmo V. Cook, county agent. Appraisal of these ranches will be started within a few days by T. E. Castleberry, county range supervisor.

Mr. Castleberry was in Denton the first part of the week attending a school for range supervisors at which time latest methods were taught to supervisors from this part of Texas on how to determine carrying capacity of range land.

Cook advised all ranchers who intend to participate in the range program to make their application within a few days as a date will be set soon after which time no applications will be accepted.

FARMER LOSES ON BIG EGGS

ISLAND FALLS, Me. (U.P.)—Carl Edwards is plenty peeved at his hens. They've been laying three-week eggs. One measured 3-4 by 7-1-4 inches. Trouble is, eggs still sell by the dozen, not by the pound, in Maine.

FIRST SIGNS OF SPRING

IT'S TIME TO Summerize YOUR CAR!

FOR safe, economical driving your car needs a bumper-to-bumper spring cleaning such as you get in Magnolia Summerize Service. The light oils you used for quick winter starting should be replaced with tough, heat-resisting summer Mobiloils and Mobilgreases. Anti-freeze should be drained and your radiator cleaned. In addition to complete engine and chassis lubrication, Summerize Service includes a thorough inspection of your battery, tires, lights and other important parts.

You'll enjoy trouble-free driving and definite savings in oil, gasoline and repairs. Depend on your friendly Magnolia Dealer at the sign of the "Flying Red Horse."

RADIATORS NEED A "SPRING CLEANING" TOO!

A radiator clogged with rust, scale and sediment causes overheating... increased gasoline and oil consumption... possibly a big repair bill.

MOBIL RADIATOR FLUSH quickly removes troublesome deposits from the tiny radiator passages... permits your cooling system to function efficiently as it should. Ask for Mobil Radiator Flush when you stop for Summerize Service.

Change Now to Summer Grade

AT YOUR FRIENDLY MAGNOLIA DEALER

Students Design Without Training

WATON, Mass. (U.P.)—Paul Apple, 21-year-old University of Maine junior, took time out of his studies to build a home. He had no architectural training or knowledge of blue-print drawing, planned his house, hired carpenter-contractors and had the foundation and frame built.

Remaining in sole charge he finished the modern air-conditioned house. The house has a chimney outside and a garage.

Apple can do things if you make your mind and stick it through," Apple said.

Apple figures your next job of building. Our job printing department is equipped to serve you. Phone 80.

VOODOO DOCTOR APOLOGIZES

CLEVELAND, Miss. (U.P.)—Walter Cooper, 418-pound Negro "voodoo" doctor paid a \$10 fine because he "regretted" his "ability" did not permit him to deal with the future.

COOR TO WARN MINERS ROCHESTER, N. Y. (U.P.)—Some day skunks may be extinct, but not their odor. Scientists at the Eastman Kodak Company have manufactured a chemical called "butyl mercaptan" which has the same odor. Organic, it is to be used in mine shafts to warn of fire.

LONGEVITY FORMULA MILD SAN JOSE, Cal. (U.P.)—The formula for longevity of Jesus Andasola, who has just celebrated his 100th birthday, does not vary much from the ordinary. "Drink a little smoke a little and don't work too hard," he prescribes. Nine of his 14 children are living.

T. C. U.'s Junior Beauties

Here are presented the pick of the girls in the Junior class at Texas Christian University this year, so designated by a vote of members of the class. They are: Misses Mary Frances Hutton, Grace Matthews, Evelyn Lowe and Regina Clark, all of Fort Worth.

The World's Record Holder... Glenn Hardin... Going Over the Hurdles

WAITING FOR THE GUN—Moments when nervous tension reaches the crest. As Glenn says: "It's a punishing pace." Like many another champion who prizes good condition and healthy nerves, Glenn Hardin chooses Camels for his cigarette. "They never jangle my nerves," he says.

SAILING OVER A LOW HURDLE—It looks effortless, but Glenn's strained, tense face shows how the race drains tremendous physical and nervous energy out of him.

TOPPING A HIGH HURDLE—Superb form helped Glenn win honors in 2 Olympics—and brought him the world's record. His record-breaking time, 50.6 seconds for the 400-meter hurdles, was sensational.

BREASTING THE TAPE—Glenn Hardin is famous for his sprinting finish. He calls on his reserve energy to send him flying to the tape. And after the finish, he lights up a Camel. Why? Because, in his own words: "Camels help to ease strain. They set me right."

THE YOUNGEST MAN on the Olympic track squad, Glenn Hardin was only 20 years old when he won his first Olympic victory for the U. S. He eats sensibly—takes good digestion for granted. The picture (right) shows Glenn enjoying his favorite meal—rare, thick, juicy steak, green vegetables, fruit, milk, and Camels. As Glenn phrases it: "It wouldn't do me much good to eat and not digest properly. So I smoke Camels for digestion's sake. It's grand to light up Camels and enjoy the sense of well-being that comes when digestion is going along o-kay."

"NO MAN WANTS JITTERY NERVES, when there's high voltage all around him," says Raymond Newby, radio engineer. "That's why my choice is Camels. I've always heard, and my own experience convinces me, that Camels don't jangle the nerves."

AIR HOSTESS of a leading air-line, Miss Betty Steffen, observes: "I strive to be alert every single minute. I find Camels are a wonderful help in keeping me feeling pepped-up. I smoke as many Camels as I please. They never get on my nerves."

An Important Fact for Cigarette Smokers

COSTLIER TOBACCO

Camels are made from finer, MORE EXPENSIVE TOBACCO... Turkish and Domestic... than any other popular brand.

MRS. ANTHONY J. DREXEL 3rd, in the spacious dining salon of the S.S. Normandie, enjoys an after-dinner Camel. "Social life keeps nerves on the qui vive," says the society leader. "Smoking Camels tends to minimize the strain. It's been my experience that Camels encourage a sense of well-being. They're so mild—I never tire of them."

Boys of Today, Men of Tomorrow

"Cisco has the greatest group of boys I have ever seen in any town," remarked a citizen a few days ago. For the past few years I have been a close observer of the boys, having some myself, and I am sure I never saw boys in any community get along like these do here. They never fight nor fuss at school. Neither are there clans or factions. Any boy, regardless of his financial standing, may arm up with the wealthiest boy in town if he only places himself in the proper social standing. I wish I could have had the pleasure of growing up in such a seemingly ideal atmosphere," he continued.

When asked if he thought the athletic interest here had anything to do with this condition, he said he did not know, perhaps it did. It was always the boy who had nothing to think about that caused fights and quarrels, he said. The fine thing about it is, according to this man's idea, that these same boys, who are so agreeable among themselves now, will be the future citizens of Cisco in a few years. Certainly these young citizens will be able to manage their civic affairs in the same agreeable manner and their energies will not be wasted in record, but rather, they will stand together in a cooperative way, working out their destiny as a community in the same peaceful manner, without the turmoil so often present in aggressive communities.

In thinking of this condition, one is reminded of the old story of the aged father who, when he felt his strength failing, called to his side his seven sons, who frequently quarreled among themselves.

"My sons," he said, "Here is a bundle of eleven small sticks tied with a cord. See if you can break them." And when each in his turn had tried vainly to do so, he took the bundle and after unwrapping them, broke them one by one. "This represents strength in unity. As long as the sticks were tied together the strongest of you were unable to break them, but once they are divided a very feeble old man can do so with ease. Now, sons, as long as you stand united with a cord of cooperation, no man is strong enough to break you, but once you are divided by strife you are in danger of being overcome by any force that may arise." "And so," this citizen continued, "these boys are able to go to school together and gang together in the assembling place in the

OUT OUR WAY

evenings, stand a mighty good chance to build most any kind of town they may desired when the time comes. It will be easy to agree on the proper procedure." And this citizen continued to say that the present men of Cisco were not far from this very spirit themselves. He pointed to the fact that Cisco has been able to put over a great number of undertakings, and in a much bigger way than most towns of her size. He said that, go up the street as you may, enter any club that you pick, and you will see a unified spirit of cooperation in every deliberation. "When have you heard of the business men wrangling over anything of vital importance to the town? When have you heard of factions among the business men of Cisco? Spring any question in the civic organizations or the luncheon clubs and call on those who will help put it over and they respond to the last man. Well, after all," continued this citizen, "I am mighty well satisfied to live in Cisco because I believe we have the best living conditions, the best business men, the best governed city and the best citizenship in Texas, and I am glad to be one of them."

BAPTIST STATE-WIDE CONFERENCE TO BE HELD AT FT. WORTH MAY 31

The first state-wide evangelistic conference ever held by Texas Baptists will be held on the campus of the Southwestern Baptist Theological Seminary May 31 to June 4. The presiding officer at all these sessions will be Dr. R. C. Campbell, executive secretary of the Baptist General Convention of Texas, with headquarters at Dallas. All meetings will be held in the Seminary Auditorium. Fifteen hundred Texas Baptist pastors are expected to attend this conference, the object of which is to prepare the minds and hearts of the pastors for the intensive simultaneous evangelistic campaign which is to be conducted in Texas from June 6 to September 5 when

a revival meeting will be held in every Baptist church in the State. It is believed by Dr. Campbell and others that Texas Baptists will increase the Baptist church membership one hundred thousand during these three months. The goal that has been set by a State Committee headed by Rev. C. E. Matthews of Fort Worth is "One Hundred Thousand Souls Won to Christ to Our Texas Baptist Churches During the Evangelistic Session June 6 to September 5."

The Baptists in Fort Worth are offering entertainment for the fifteen hundred ministers who plan to attend the conference. The program will consist of inspirational addresses, evangelistic sermons, Bible studies and practical conferences. All of the talks, conferences, addresses, and sermons will be centered around the general theme of evangelism. Texas Baptists believe that for one to really be saved he must be born again. They believe that all people are sinners by nature, by choice and by practice and that the only way that one can be saved is by believing on the Lord Jesus Christ as Savior and Lord. The program for the conference at Fort Worth will begin Monday night, May 31, at 7:30 with a song service directed by Prof. I. E. Reynolds of Fort Worth, an address by Dr. R. C. Campbell on "The Task We Face," and an evangelistic sermon by Dr. George W. Truett, pastor of the First Baptist Church Dallas, and President of the Baptist

World Alliance. The conference will close Friday morning, June 4, with addresses by Dr. J. B. Lawrence, Atlanta, Georgia; Dr. Douglas Carver, Harlingen; Dr. P. E. Thorn, Houston; Rev. R. E. Day, Port Arthur; Dr. T. L. Holcomb, Nashville, Tennessee; and Dr. Geo. W. Truett, Dallas. Some of the others who will take part on the Dr. L. R. Scarborough, President program during the conference are: of the Southwestern Baptist Theological Seminary, Fort Worth; Dr. J. M. Dawson, pastor of First Baptist Church, Waco; Dr. S. G. Posey, pastor of First Baptist Church Austin; Evangelist C. Y. Dossey, Dallas; Dr. M. E. Dodd, pastor of First Baptist Church, Shreveport, La.; and Dr. M. A. Jenkins, pastor of First Baptist Church, Abilene.

FOOTBALL HELD EMOTIONAL KEY OF SCHOOL LIFE

CLEVELAND (AP)—Football and fraternities are described by Dr. Ralph W. Hutchison, president of Washington and Jefferson College, as two of the most powerful emotional factors in American student life. "Football has become the emotional center of college life," he said here. "It could have been mathematics, or it could have been poker. But it was football, and the trustees and other officials of our colleges have thrown it out and left it to anyone."

"Can you conceive of our alumni associations being allowed to reorganize our mathematical departments, or business men stepping in and running our biology departments?" Dr. Hutchison characterized our fraternity life as one of the "most magnificent" emotional experiences of college.

School Girls Invited As D. A. R. Guests

WASHINGTON, April 6 (AP)—High school girls from nearly every state have been selected to come to Washington as guests of the Daughters of the American Revolution during their 46th Continental Congress here April 19.

The girls are winners of the D. A. R. Good Citizenship Pilgrimage. They are chosen by their fellow students and faculty for outstanding qualities of dependability, service leadership and patriotism, according to Mrs. William A. Becker, president-general of the D. A. R.

School Students Get Youth Aid in Hawaii

HONOLULU (AP)—Since the National Youth Administration program was inaugurated in Hawaii 930 students over 16 have received support enough to remain in school, school officials report. "The value of this program is widely recognized in this part of America," said Oren E. Long, superintendent of public instruction. "It has helped us solve many difficult problems."

A CASE OF NERVES!

"Some years ago I suffered from nervousness and headaches associated with functional disturbances. I lacked strength and felt miserable day after day," said Mrs. Mary Dunn of 215 S. W. 10th St., Oklahoma City, Okla. "I took Dr. Pierce's Favorite Prescription as a tonic and I found it helped me from the very first. My appetite increased and I felt much better. Buy of your druggist today. New size, tabs. box, liquid \$1.00 & \$1.35."

BRITISH TO SEE ARMY IN POMP OF NEW POWER

By DAN ROGERS
 Press Staff Correspondent
 NEON, April 8 (UP)—The British army will present at Aldershot June the greatest military event ever staged—the Coronation Tattoo proclaiming allegiance and affection for the new King. Military authorities confidently hope that this last word in waving will give needed stimulus to recruiting.

CLASSIFIED

SEED PEANUTS—see, phone write W. B. Starr.

before 466,500 spectators. This year, in honor of the Coronation, the tattoo will be on a much more elaborate scale and already advance sale of tickets is more than double this time last year.

Special Music Written
 Typical of the gigantic spectacle planned will be one number in which a military band of more than 1000 musicians will play music written especially for occasion.

A modern battle, involving the extensive use of mechanized units, will show Britons their army in action. For comparison, another unit will portray the soldiers of Charles I, demonstrating the drills and tactics of that ancient day.

Soldier-actors will re-enact the "Passage of the Douro," a stirring incident of the Peninsular war. Cavalry and infantry massed bands will march and wheel, playing entirely from memory the special, intricate tattoo music.

The banners of the dominions, colonies and states of the empire will parade and assemble in salute to the Union Jack.

"Keep Fit" To Be Stressed
 A physical training display will be included as the army's contribution to the national "keep fit" campaign. Highlanders will swish their plaid kilts and lift bare knees high behind massed bands of bagpipers. Evolutions with lanterns will provide novel lighting effects of beauty.

The finale will be a royal pageant on a grand scale, introducing the banners and royal bodyguards of the kings and queens of England since William I.

Grandstands seating 80,000 persons have been built around the huge arena. Eight performances will be held, on June 10, 11, 12, and 15-19, inclusive.

Artillery Unit 400 Years Old
 Another military spectacle among Coronation pageants will be the celebration by the Honorable Artillery Company of London of that organization's 400th birthday. On May 27 its infantry battalion and batteries will march past the King at Olympia as the opening event of a series of anniversary celebrations.

American visitors are expected to be especially interested in the spectacle of the Honorable Artillery Company of Boston, itself 300 years old, is an off-shoot of the London company.

A contingent of 100 men from the Boston company will take part in the London celebrations.

CLAMS CLASSIFIED AS FISH
 SAN RAFAEL, Cal. (UP)—Vincent Lorenzo and Joe Faban would like to know just what constitutes a fish. They were fined \$10 each for digging clams without a fishing license.

FARMERS' VISION BETTER
 LES MOINES, Ia. (UP)—Farmers' eyes are trained to see farther and as a result the average vision of farm drivers is better than that of city residents, according to Ed Murray, chief examiner of the Iowa motor vehicle department.

... something you both can enjoy

Everybody enjoys refreshing mildness in a cigarette... everybody likes good taste and pleasing aroma.

These are the things that make smoking a pleasure.

For all the good things that smoking can give you we invite you to enjoy Chesterfield Cigarettes.

take plenty along They Satisfy

Do you Hate to Meet People?

Some of us are so bashful that whenever a new face appears before us we mentally duck away! Maybe it isn't shyness so much as simply not realizing how very interesting new acquaintances can be.

Some people are shy about new foods too. On family we know has had pork and beans every Saturday night for ten years, and they see no reason for changing!

How much more interesting life---and dinners!---would be for that family with a new kind of meat, a vegetable prepared some other way, a new style in dessert. New foods --- new faces--brighten our days and help make living an exciting game.

Look through the advertisements in this paper today for new ideas in foods. They're here, in abundance... recipes, tried and tested... favorite platters of favorite people... exotic dishes from exotic lands.

The advertisements bring you up-to-the-minute news of many things. Read them regularly. Form the habit of getting the most out of life---and the most for your money.

EXPLORING PARTY SAFE
 CANBERRA (UP)—News has just been received from Port Moresby the seat government of the Australian territory of Papua, of the safe return of an exploring party under the leadership of C. W. Adam-

son after seven months in the interior of New Guinea, during which time no news was received from the party.
 Cisco Daily News want ads are a good investment.

FRECKLES and His FRIENDS — By Blosser

Flooded Area Cleans House

CAIRO, Ill. (UP)—Women clad in galoshes and armed with scrub brushes and brooms have taken over flood-ravaged towns along the Ohio River for a spring housecleaning which this year isn't optional.

From Shawneetown, just below the confluence of the Ohio and Wabash rivers, to New Madrid, Mo., at the tip of the Birds-Point spillway, riparian communities are coated with gray-brown mire.

The recent floods left behind them a problem for housewives. In Mounds City, Ill., houses lay upturned with their windows now skylights. Some were crowded together in grotesque heaps without regard for fence or road.

Garages and lighter homes were swept to new locations. A cleaning and pressing shop floated away to settle near the shipyards. The owner intends to let it remain there because he deems it "a much better location."

Furniture in Ruins
 As the spring cleaning began huge junk piles formed throughout the

towns. The larger part of the furniture must be scrapped and rubbish piled in backyards and streets included tables and chairs which became unglued or warped.

Carpets and mattresses were dried on fences, front porches or wrecked pianos. Many of the rugs are to be sold as rags.

Inside the homes wallpaper hung in shreds, floors had buckled beneath the mud and in some cases entrances and exits were effected through broken panes. One former resident of Mounds City carried his wife in to see the ruins of her home. He carried her out again when she fainted.

Mounds City was left with only four pianos in the town intact. At the Congressional church a piano circulated into another room, bumped along the ceiling and came to rest on the pews. Yet some members declare that a hymnal opened to the last song sung at the Sunday School service remained open at the same page and dry.

Hens Coops on Houses
 One man told of building chicken pens on top of houses where hens cackled defiantly until the waters went down.

Another, told that he must evacuate his home quickly, rushed to the

kitchen and lifted a bucket of coal to the stove. When he returned after the flood subsided the bucket had floated into the bathroom and settled in the tub.

When housecleaning time began the city hadn't gotten around to clearing the streets. An oil tank was seen lodged in a tree-top in the residential area. An open umbrella filled with mud hung from a fence. And on the steps of a church lay an empty whiskey bottle.

OLD BICYCLES STILL IN USE
 GREAT FALLS, Mont. (UP)—Bicycles built 40 years ago are going strong in Montana. The first bicycle permit of the year was issued to an ancient Columbia with the front wheel measuring 56 inches in diameter and the rear wheel 16.

SPEND MORE ON FOOD
 LONDON (UP)—The first things people buy when they go back to work are food and clothing, the Board of Trade's report on retail trading in January reveals. Millions more were spent last January than a year ago.

Let us figure your next job of Printing. Our job department is equipped to serve your needs.—PHONE 80.

MYRA NORTH, Special Nurse—By Thompson and Coll

LOOSE STOCK GRAVE MENACE TO HIGHWAYS

Members of the Garden club are apprehensive regarding the results of their outstanding achievements in beautification of the highway from the railroads to Lake Cisco, since it seems loose stock are making raids on the some 250 shrubs that have just been set.

Cattle are an especial menace to traffic on highways, often causing wrecks that result in damage and loss of lives. If the state expects to beautify its highways and maintain them, cattle must not be allowed to run loose, is the opinion expressed by those who are interested in promoting beautification programs.

Mrs. J. E. Spencer as president of the local organization which is continuing its annual programs of beautifying Cisco, is being given worry since it is reported that loose cows on the lake road are threatening to undo what has been accomplished during the last week or two. A part of the road is in the city limits while much of it lies without Cisco's boundaries. It is to be hoped the menace may be removed without action of law, it is stated.

Miss Elsie Glenn Attends Conference

Miss Elsie Glenn, Social Worker with the Eastland county Family Welfare Association, and who has her office on the second floor of the City Hall, will attend the Texas State Conference of Social Welfare, Monday, Tuesday, Wednesday, April 19, 20, 21, in the Hilton hotel, Abilene. She will also attend the Social Welfare Institute in the same hotel on Thursday, Friday and Saturday, April 22, 23, and 24. Social workers from the entire state are expected to attend.

Six courses are being offered during the Institute, all dealing with family case work and public welfare. Miss Glenn will study individual social work and public welfare. Her courses will be under such famous social workers as Miss Sara A. Brown, Regional Field Secretary, Family Welfare Association of America, New York City, Mr. Thomas Hoare, Assistant Secretary, American Association of Social Workers, New York City, Miss Eleanore A. Schopke, Instruction, Educational Program for Social Services in Texas, Dallas, Miss Paula Frank, Supervisor, Child Welfare Training and Education, Meairie, Louisiana. Miss Glenn attended a three-day institute at the Wooten hotel, Abilene, during last October.

A representative will be in Miss Glenn's office during her absence.

ELECTRIC UNITS TO BE FEATURE OF WEEK-EVENT

Electric refrigeration, costing as little as 3 cents a day, and electric cookery, at a price range of 1 cent a meal per person will feature the 1937 spring showing of "electric servants." O. J. Russell, local manager for the West Texas Utilities Company, announced today as the annual event was inaugurated with an invitation to Cisco residents to visit the company's showrooms, Tuesday.

"The tendency to modernize homes by making kitchens electrically-operated, both kitchen and other rooms comfortable and inviting during hot summer months through use of comfort cooling systems, and by providing ample facilities for proper light in any part of the home is more universal this year than ever before," Mr. Russell declared.

Mr. Russell will be "host" to visitors during the next week. "We are anxious that every one keep abreast of the developments in electric service," he said, "and urge that you visit our display rooms to see for yourself how economical and efficient the new appliances work."

Gifts in the form of pot plants will be presented to ladies while

they last. Refreshments will be served to all visitors several afternoons.

The greatest advancement in home electrification, Mr. Russell said, is in the kitchen where electric refrigerators, electric ranges, electric food mixers and other time-saving devices have been constantly improved to reduce expense and eliminate drudgery for the housewife.

The company will advocate use of Ventura Home Conditioners as the most economical comfort cooling system yet devised. Using as the principles of attic ventilation, the Ventura system changes the air in the entire house 60 times an hour. By preventing the accumulation of heat in the attic, it reduces temperatures all over the house. Stuffy nights are avoided inasmuch as a constant movement of air creates a desirable breeze, making sleep as comfortable inside the house as outside.

Baird Banker Gets Medal for Bravery

Clifford Jones, assistant cashier of the First National Bank of Baird, was presented with a medal of valor Thursday for resisting the attempted robbery of that bank last September. The presentation was made at the regularly weekly luncheon of the Callahan county club, by R. W. Harvey, Dallas representative of the National Surety company, donors of the medal.

Romney Birthday Picnic Enjoyed

Claude Strickland, secretary-treasurer of the Cisco and Eastland National Farm Loan association, reports an enjoyable picnic at Romney last Sat., celebrating the twentieth birthday of the Federal Land Bank of Houston. Plenty of food an interesting program and much entertainment made the affair well attended by farm and near-by town folks.

B. W. Everett, violinist, of Cross Plains, and an assistant made music for the occasion.

CALIFORNIA AUTO TOLL UP
SACRAMENTO, Cal. (UP)—Auto accident deaths reached an all-time high on California highways in 1936 when 3,132 fatalities occurred. This was an increase of 11.6 per cent over the 1935 record of 2,806 killed.

GOLD RUSH BY PLANE
WAU, New Guinea (UP)—New Guinea is convinced it is ahead of the rest of the world in operating "gold rushes." When gold was discovered up the Screw river, virtually every prospector made the "rush" by plane in 30 minutes.

The Electric Kitchen Is a Bright and Airy Kingdom Wherein Summer Days Are Cool, Delightful... Wherein a Lady's Comfort, Not Her Slave-ability, Rules a Mighty Throne.

Be Our Guest at Open House

Beginning Tuesday morning, April 6, and ending Monday night April 12 we will be host and hostess to those men and women who want to see. If not to buy, the New 1937 electric servants—more efficient and more economical than ever before. Our display room will be open until 8 o'clock each evening. Drop in to say "Hello." Refreshments will be served and souvenir pot plants will be given ladies while they last to all visitors on several afternoons from 2 'til 4 o'clock.

Thumbs Up!

If all the comfort and leisure of a mountain resort could be transported en masse to West Texas homes at a cost no greater than that of Electric Service, then not a single person would say "Thumbs Down" on such a proposition.

So... why reject a plan by which the coolness and balminess comparable to that of lofty mountain retreats can be brought to your own kitchen during the warm spring and hot summer months?

Thumbs Up! Give your approval to the idea!

This spring showing of time-saving and drudgery-chasing electric servants has been arranged for your convenience... to assist you in making this summer a Roman Holiday! Thumbs Down on Household Slavery!

A Gift for Her Ladyship

A present for Madame! Every lady who visits our display room during the Spring parade of modern Electric Servants will be remembered with a token of our appreciation for her interest. Even more valuable than the souvenir will be the actual demonstrations of how to make Summer dishes delicious—a memory she will cherish as shimmering heat waves of Summer obliterate all traces of Winter's frosty breath.

PATRONIZE OUR ADVERTISERS:

To Conduct Meeting

M. LLOYD SMITH

The noted evangelist, M. Lloyd Smith, is here to conduct a series of meetings for the church of Christ. The minister gave up a successful business life to enter the army of the Lord in saving souls. He has worked in some of the largest dry cleaning plants, and cities of Texas. He operated a plant owned by he and his brothers at Sweetwater. With the same spirit, only greater, that put him over in the business world, characterize his preaching. You will enjoy his brief lessons that touch the soul and inspire you on to greater things. The evangelist is a swift speaker and very interest- ing. Faith will be the general theme for these meetings. You are invited to attend. "Take Time to be Holy." Evening service lasts one hour, be- ginning at 7:30.

W. O. W. STATE CONVENTION MEETS APR. 15

Cisco W. O. W. and Circle mem- bers are preparing to attend the biennial state convention to be held in Abilene April 15, 16 and 17, ac- cording to W. C. Clements, council commander of the lodge, and Mrs. Effie Mayhew, secretary of the cir- cle. About 8,000 delegates and visitors are expected by the host city and a long list of committees have been appointed to see that visitors are cared for in the most approved man- ner. Expenses of delegates which are to be paid by the organization, will approximate \$10,000, it is esti- mated.

Program

Included on the program will be Dixie Smith of Houston, S. H. Tay- lor of Amarillo, W. D. Carsow of San Antonio, Ferry Newberry, na- tional secretary, Omaha; D. E. Bradshaw, national president, Oma- ha. Mrs. Dora Alexander Talley, national president of the Woodmen circle, Omaha, and William E. Mooney, Chicago, and Dr. H. B. Kennedy of Omaha.

Sovereigns

Sovereigns who have indicated that they will attend the conven- tion include John J. Wahl, mem- ber of the committee on legislation of the 1935 sovereign camp; Judge E. D. Henry, member of the judici- ary committee of the sovereign camp; Dr. C. J. Koerth, medical superintendent of the Woodmen of the World hospital, all of San An- tonio; and the following head camp officers: W. A. Tidwell, Shreve- port; J. H. Flood, Dallas; Frank Butts, Ector; Guy Quisenberry, Dal- las; W. T. Moore, Beaumont; George Knapp, Calvert, and Pete Bacher, Houston.

Delegates to the convention will select representatives to attend the sovereign camp convention, the su- preme legislative body of the Wood- men of the World, which meets late in the year. Another feature of the convention will be the initiation of a large class of members from all parts of the jurisdiction.

Meeting Places

Opening and main sessions will be held in the First Baptist church. Official business will be transacted in the city hall auditorium, drill work in the high school gym, field drills on Paramore field at Hardin- Simmons, dances at Wooten and Hilton ball rooms, the local housing committee has announced.

NATION'S OIL SHOWS DECLINE FOR PAST WEEK

HOUSTON, April 8 (AP)—Nation- al crude oil production during the week ended Saturday showed an average decline of 16,075 barrels daily to a total of 3,418,850, accord- ing to the report of the Oil Week- ly.

The lower daily total was 258,850 barrels more than the quota recom- mended by the United States Bu- reau of Mines. The weekly decrease, however, was the second since Jan- uary 1 and came after new highs were established for 11 consecutive weeks.

Texas average dropped 13,200 bar- rels daily to a total of 1,397,300, com- pared with last week's output on reflecting lower allowables effective in the latter part of this week.

NOW IT CAN BE TOLD

Ford "60" owners report 22-27 miles per gallon

LONG BEFORE the 60-horsepower Ford V-8 engine was offered to America, we knew it was capable of unusual economy.

Two years' hard usage in England and France had proved that. Road tests of all kinds proved it again.

But in keeping with Ford policy, no mileage claims were made until they could be established in actual service.

Now the story can be told. . . . The new Ford "60" is more than meeting expectations! Thousands of private owners, cab companies, fleet operators, and others who keep

careful records, report averages of 22 to 27 miles per gallon of gasoline. That is the highest mileage in Ford history — and Ford cars have always been famous for economy!

If you want a big car for a small budget, see and drive the Ford "60." It's available in five body types.

It's just as roomy, sturdy and safe as the Ford "85." It has the same distinctive modern design. It delivers V-8 smoothness and quiet even at speeds up to 70 miles an hour. And, best of all, it brings you its brilliant operating economy at the lowest Ford price in years!

1937 **Ford V-8**

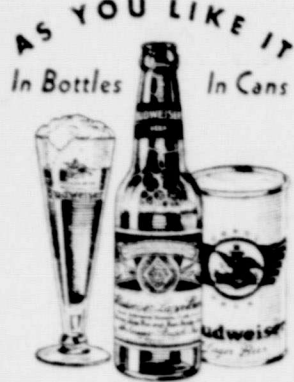

Don't belittle little things

In brewing, it's the little things that count against you—if you don't watch them. Little grains of broken barley . . . little metal particles . . . little drops or rises in temperature . . . little oversights on timing. Watching and guarding against a multitude of such little things 24 hours a day has produced one brew of such qualities that it has become something more than beer—a social companion.

Grammar School to Have Outing Soon

By TOMMY La MORE
A picnic is being planned by students of the Grammar school who were active in the county meet. Those who will attend the feast are boys and girls on the baseball team, volley ball squad, tennis teams, track, and essay, spelling, arithmetic, and declamation. The date for the picnic is not yet decided upon but will probably be Friday.

Boy Scout News Of The Week

By TOMMY La MORE
Troop One of the Cisco Boy Scouts will have a hike Friday night and will go to Scoutmaster Ernest Hittson's ranch where they have gone several times this year. Scouts will leave the Presbyterian church at 5 o'clock and hike to the ranch.

Troop Membership
The membership of the Troop One Scouts is full with the addition of two new members who have recently become active in scouting work.

Weekly Meeting
At the scout meeting held Friday the scouts were active in a scouting game of "Capture the Flag." After playing a while the scouts went in the church to hold their regular meeting and discuss problems before them. They are planning to build a cabin for their personal use and the location of such an undertaking was spoken of.

Cisco Daily News want ads are a good investment.

East Texas Fiddlers To Appear at Athens

Plans to entertain 20,000 persons in Athens on Friday, May 28, on the occasion of the Sixth Annual East Texas Fiddlers contest and Reunion have been made by the East Texas Fiddlers association. A program which calls for a number of added attractions including a full day's program of fiddle music, a display of Texas-made products in the show windows around the entire public square, a gigantic oldtime square dance and other features have been mapped by the directors of the association. The event last year attracted a large number of fiddle bands, and more than 12,000 lovers of oldtime fiddle music, from many parts of Texas.

The principal speaker this year will be Hon. J. E. McDonald, State Commissioner of Agriculture. Mr. McDonald, himself a lover of oldtime string tunes, will recount the part played by pioneer fiddlers in the traditions of East Texas.

This year's program, as in the past, will be entirely free to the general public, and will be given on the court house square where special loud-speaking equipment will be in use.

C. H. Stanton of Athens is the general chairman of arrangements.

PWA APARTMENTS SOUGHT

Teams Getting Ready For Breckenridge Go

By TOMMY LaMORE
Teams of the high school who represent the local school in the district meet at Breckenridge this week-end are putting forth their efforts in order to make a good showing there.

The debating team that won more than one-third of the points for Cisco in the county meet held at Ranger last week-end is expected to make a good showing and will make much trouble for opposition in Breckenridge. The boys tennis doubles, Gordon Sherman and Billy Hanson, are also expected to make a good showing as they won the county meet quite easily. Several track boys may show up well from the local high school as they did at Ranger. The one act play team is likewise favored to go far into the state meet.

20,000 Persons are Left Without Homes

MANILA, P. I., April 7. (AP)—Fire swept unabated in the Tondo section of Manila tonight after razing more than 30 block of flimsy tenement residences and leaving an estimated 20,000 persons homeless. It was estimated that the damage would exceed one million dollars. I was feared several of the occupants of the houses were trapped.

Texas Woodmen to Meet in Abilene on April 15, 16 and 17

SIX NATIONAL DIRECTORS TO ATTEND THE ANNUAL HEAD CAMP CONVENTION

Farrar Newberry De E. Bradshaw William E. Mooney R. E. Miller

The biennial Head Camp convention of the Woodmen of the World Life Insurance association in Texas will be held on April 15, 16 and 17 in Abilene, according to E. R. Coffee, of Houston, head consul for the state of Texas.

No less than six national directors will attend the session, he said. They are De Emmott Bradshaw, national president of the order, of Omaha, Nebr.; United States Senator Morris Sheppard, national treasurer, of Texarkana; Farrar Newberry, newly-appointed secretary, of Omaha; and State Manager R. E. Miller, of Dallas, William E. Mooney, of Chicago, and Dr. H. B. Kennedy, of Omaha.

Prominent Sovereigns of Texas who have indicated that they will attend the convention include John J. Wahl, member of the Committee on Legislation of the 1935 Sovereign Camp; Judge E. D. Henry, member of the Judiciary Committee of the Sovereign Camp; Dr. C. J. Koerth, medical superintendent of the Woodmen of the World hospital, all of San Antonio; and the following Head Camp officers: W. A. Tidwell, of Shreveport, J. H. Flood, of Dallas, Frank Butts, of Ector, Guy Quisenberry, of Dallas, W. T. Moore, of Beaumont, George Knapp, of Calvert, and Pete Bachier, of Houston.

President Bradshaw, who is honored and respected in every state in which the association operates, is particularly interested in improving and enlarging the services of the Woodmen of the World Memorial hospital at San Antonio, Tex. Here, members afflicted with tuberculosis are treated without cost.

At this meeting, delegates will be elected to represent the jurisdiction at the Sovereign Camp convention, the supreme representative legislative body of the Woodmen of the World, which meets later in the year.

A feature of the convention will

er Tanning for Island April 22

er tanning school will be held at the Pickering Lumber yard on Thursday, April 22, at 9 a. m. according to announcement by Elmo V. Cook, president. The school will be held by M. K. Thornton, executive specialist.

finished chrome leather. Some useful articles will be made from part of the finished leather, such as lines, back-bands, and halters. Face leather will be made from an alum tanned calf hide and sheep and goat skins will be tanned for glove and purse leather. The tanning of leather at home is one of the most profitable activities that can be practiced. It is profitable from three standpoints. 1. It will insure the individual an adequate supply of much needed leather and permit him to maintain his harness and equipment in good shape. 2. It permits the individual to convert hides into a high priced material. Thus, it will make available

for the home the difference for extra and needed convenience. 3. It will serve to lengthen the number of days of farm labor. The time of farm labor is at present largely used for producing the absolute necessities and requirements for maintenance. If we can add a few days to productive effort, the additional days of labor will result in profit. The cost of chemicals to tan a large cowhide runs from \$3 to \$4 and the finished leather will weigh from 25 to 40 pounds. HONOLULU (U.P.)—The city boasts of 246 golfers who have made a hole-in-one in the past 10 years. A tournament between the hole-in-ers is under consideration.

SPRING FOOTBALL PRACTICE TO BRING INTENSIVE WORK-OUTS

Cisco Lobes continue intensive grid practice. Promises are that things will not be too peaceful in four or five days from now as the squad has divided into two teams to learn respective plays. Scrimmage will be forthcoming daily and it will be somewhat a jacking affair, according to advices from high-ups.

Coach Cooper has handed them one of the new plays to be used this fall, with proper blocking, should go places. The workout gave a vote of confidence that no one player in the back field will be subjected to ball carrying duties all by himself. Bob Aberdeen, 150-pound back, and C. Yancy, 160-pounder, looked impressive to Coach Cooper along with a few others.

The team is being built around a nucleus of several returning lettermen and boys who were not eligible last year for competitive play. The squad yesterday seemed to have the speed and precision that makes winning ball clubs. One major casualty occurred in shoulder blocking drill yesterday when James McCrary received a fractured collar bone.

The squad went out early and took a few hard limbering-up practices. Following this, they separated into two lines and ran out for passes and downs on punts. The backfield returned the punch, while the line men charged down the field, taking them in their tracks and sometimes included a little chase to get possession. C. Yancy and G. Harrison did the punting. R. Reams Yarbrough and B. Aberdeen alternated with O. Harrison and Yancy on the passing.

The team had a rolling block drill in which the members of the squad blocked under teammates who jumped off their feet. The squadmen charged up and down the field and following this, they had a 100-yard sprint before going to the showers.

Squad members are: ends—Boyt, M. Harrison, B. Bacon, Callerman; tackles—Wade, C. Harrison, Wendel; guards—W. Wall, R. Cone, Latch, F. Hard; centers—Stewart and Tipton. Tipton is a recruit from last year's grammar school team. Backs—W. Preston, L. M. Yarbrough, Callerman, R. Reams, Qualls and Eteyer.

French Bride, 14, is Youngest in Country

LA ROCHELLE, France (U.P.)—Following the story of the young Tennessee mountain girl, France was shocked to learn that a double marriage had occurred in this town in which the wives were 14 and 17 years old.

After a short campaign, in which many urged that the State should do something, the young couples set up house and appear to be living happily. Young marriages are common in Europe, have become relatively rare in recent years, largely because of economic difficulties.

It appears that the 14-year-old bride of this town has the record of being the youngest wife living in France.

Methodists to Hold Statewide Meeting

The Methodist church in Texas will hold its third statewide, all-Texas conference for pastors and laymen in Fort Worth April 12, 13, 14. The sessions will be held in the city memorial coliseum. The purpose of the conference is to bring together leaders from every local church and section of Texas for inspiration and fellowship. The conference theme will be "Methodism and Tomorrow." Missions, evangelism, stewardship, lay responsibility, the minister's task, will be discussed, said Rev. Joe I. Patterson, Cisco pastor.

England's great lay evangelist, Gipsy Smith, Sr., will open the conference on Monday night, April 12. This will be the evangelist's message in America prior to his return to England for the coronation of King George VI. The program will feature Ralph E. Cushman, Denver; Dr. J. Q. Schisler, Miss Barnett Spratt, of Nashville, as out-of-state speakers; five Texas Methodist bishops, H. A. Boaz, A. Frank Smith, John M. Moore, Arthur J. Moore, Sam R. Hay, and leading laymen, Hon. Galloway Calhoun of Tyler, Mrs. Nat G. Rollins of Abilene, W. W. Woodson of Waco, W. D. Smith of Fort Worth, and W. W. Jackson, of San Antonio.

Texas ministers: Dr. Paul Quailan, Houston; Dr. J. W. Mills, Beaumont; Dr. J. Gray Timmons, San Antonio; Dr. Edmund Heinsolin Austin; Dr. W. C. Martin and Dr. Marshall Steel, Dallas; Rev. J. O. Haymes, Amarillo; Dr. J. I. R. Score, Fort Worth. The Methodist home will feature a thirty-minute program Tuesday night.

Sectional meetings for workers with children, young people, adults, a section for ministers, hymn singing will be featured in all services. The conference is being sponsored by the recently appointed commission on the future work of Methodism in Texas, in which all five Texas annual conferences are sharing.

Texas Planning Board statisticians estimate that 90 per cent of the polo ponies used in the United States are raised on Texas farms.

SAY RITES FOR EX-POSTOFFICE CHIEF SUNDAY

EASTLAND, April 6—Services for Henry Van Geem, 57, former Eastland postmaster, who died Saturday night of illness brought about by old age, were conducted Sunday afternoon at the First Baptist church with the pastor, Rev. J. I. Cartledge, officiating. Burial was in Eastland cemetery.

With the death of Van Geem, a resident of Eastland since 1875, was the passing of one of two charter members of the First Baptist church of Eastland. Now, Mrs. John Cox, Stephenville, mother of Ed T. Cox, Sr., of Eastland, is the sole charter member of the organization.

Survivors of the former postmaster are three children, Charles M., William and John S. Van Geem, all of Eastland. John S. Van Geem is now assistant postmaster at the Eastland office.

Van Geem came to Eastland in 1875, the year after the city was laid out and established. Since that date he lived in Eastland until his death.

He was born at Buffalo, N. Y., and represented one of the old Holland Dutch families of that state. He acquired a common school education and as a boy showed a facility for self-reliance, evidenced

when he left home early in 1870, a youth of seventeen. He traveled by stages through Michigan, Indiana, Central Illinois and Missouri and finally reached Harrison county in East Texas. He lived at Marshall or several years and while there worked at a mechanical trade. He continued his work as a general mechanic in Eastland several years.

Van Geem became an employee of the Eastland postoffice in 1906 and for several years was assistant postmaster. Soon after the beginning of President Wilson's administration in 1913 he was appointed postmaster until April 1, 1922, when succeeded by A. H. Johnson.

Van Geem for many years took an active interest in Masonry, had been a member of Eastland lodge No. 467 since 1888, was a past master of the lodge, was a royal arch and council Mason. Also, he was a district deputy grand master for his district. A member of the Baptist church, he had been ordained as a deacon.

His wife, the former Miss Josephine Holland, a native of Kentucky, died several years ago.

Honorary pallbearers were: Earl Conner, Sr., Cyrus B. Frost, J. R. Crossley, T. E. Downman, J. N. McEachern, H. P. Pentecost, Ed T. Cox, Sr., J. S. Butler, J. C. Butler, J. L. Roper, N. N. Rosenquest, W. J. Poe, Eugene Witt, Less Woods, John Boles, Eugene Day, E. E. Wood, L. A. Highower, H. L. Jackson, J. C. Allison, A. H. Johnson, Percy Harris, Fred Davenport, Ed Willman, Harry Sons, Albert Cogburn, E. E. Lavton, H. E. Lawrence, F. A. Jones, Emmett Brown, Aubrey Brown, W. A. Martin, E. P. Kilburn, R. L. Rust, J. A. Baird, Luther Stafford, Floyd Stafford, Dr. E. R. Townsend, Dr. T. E. Payne, Howard Brock, Luther Bean, Hubert Cverber, Berry Hargas, D. K. Scott, Walter Harrison, P. B. Bittie, Jack Lewis, Sr.

Active pallbearers were: Henry Van Geem, Jr., Charles Cole Van Geem, John Kley, Carol Allison, Carl Edward Van Geem, Carl Bryant, Jr.

Traces and brush, being cleared out in Texas state parks are being converted into charcoal for use by picnic parties, according to information received by the Texas Planning Board from the National Park Service.

Ann Sothern says: "I like Luckies—they're smooth on my throat" "I like Luckies because... well, just because I like them, that's all! They're an old standby of mine. They taste grand and they're as smooth as can be on my throat. I suppose Luckies get along so well with my throat because they're what you call a light smoke. I like them—and I'm glad to put it in black and white." An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke. Miss Sothern verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat. A Light Smoke "It's Toasted"—Your Throat Protection AGAINST IRRITATION—AGAINST COUGH
