### Langston joins race

Former Mayor of Lubbock (1992-96), David Langston announced Tuesday that he is joining other candidates in the race to fill the West Texas 19th U.S. Congressional being vacated by Larry Combest. Langston is a managing partner of the Mullin Hoard and Brown law firm in Lubbock.

Langston who is running as a Republican said, "I feel the Republican Party best represents my view as well as the people of West Texas. We don't need someone to go to Washington to be a rubber stamp, to just sit in his seat and do what he is told. If this happens, this district will suffer."

Langston added, "I believe that I am a compassionate conservative that can make a difference."

### Board votes to add girls' softball to sports agenda By MARSHALL STINNETT Journal writer

The Muleshoe Independent School District Board of Trustees voted unanimously Monday to add girls softball to the sports agenda at the high school.

The district would field the first team in the spring of 2004.

The girls' sports now include cross country, track, basketball, tennie and golf. Boys' sports include football, track, basketball, baseball, cross country, tennis and golf.

Athletic Director David Wood made the presentation and recommendation to the board. He said the start up costs for softball would be \$8,500 for uniforms, equipment, entry fees and travel. Wood told the board, "The plan is to use one of the city ball fields for practice and games."

Currently, Muleshoe and Lubbock Cooper would be the only high schools in district 2-AAA to have a softball team

### Guzman announces candidacy for Council seat

SPECIAL TO THE JOURNAL

Filemon Guzman Jr. announced this week his candi-

Guzman

dacy for the Muleshoe District 3 City Council Seat.

The oldest of four children, Guzman was

Muleshoe, Texas. He has resided in the Muleshoe and Lazbuddie area for 28 years.

Candidate Guzman is employed with Texas Boll Weevil Eradication Foundation as the Assistant Zone Manager for the Northern High Plains Eradication Zone in Plainview.

He makes his home in born on August 5, 1974 in Muleshoe with his wife,

Brenda, who is currently employed by the Muleshoe Independent School District as the Family and Consumer Science Teacher. They have a oneyear-old daughter, Madison

Guzman told the Journal that he welcomes the opportunity to serve the people of Muleshoe. He hopes to bring

a positive, level headed, conservative voice to the council. "I've worked in and around the Muleshoe area for most of my life. I'm hoping for the chance to get to work for the people of Muleshoe, to help the city continue to remain strong and to see that the citizens have a strong positive voice in their city government," he said.

### Lady Mules win district championship

By DELTON WILHITE Journal sportswriter

With a 68 to 33 victory over the Brownfield Lady Cubs Tuesday night in Brownfield, the Lady Mules claimed their first district championship since 1994. The victory gave the Lady Mules a perfect 10-0 district record and a 26-5 regular season.

Prior to 1994, the Lady Mules previous district championship had been in 1962. District championships may have eluded the Lady Mules but they will play in their fifth consecutive post season. Muleshoe advanced to the regional quarter finals in 1999 and 2002.

"We knew coming into this season we should be good and make the playoffs," said Lady Mule coach Shana Simms. "Everything we have done this season has been to prepare us for the playoffs and the atmosphere surrounding them. I do not want anything we do in the playoffs to be new to us."

"The seniors were freshman when I came to Muleshoe so we

### Local food pantry benefits from donations

MULESHOE — America's farmers and ranchers are the most productive in the world, which creates affordable prices at the marketplace for American consumers. As a result, the Bailey County Farm Bureau is celebrating February 6th as Food Check-Out Day by sponsoring a non-perishable food drive for the Muleshoe Food Pantry.

Look for donation containers near the exits at United Supermarket and Lowe's Marketplace Monday, February 3rd through Thursday, February 6th. Please think of those who, for reasons beyond their control, cannot afford the quantity and variety of food you are purchasing and pick up one or more duplicate, nonperishables items to deposit in the containers your way out. Farm Bureau Board Members will pick up the donated food and deliver it to the Food Pantry.

### Police aid in raids

According to the Lamb County Leader, the Muleshoe Police Department's Tactical Entry Team joined the Olton Police Department, the Lamb County Sheriff's Department and the Earth Police in several raids on homes in the City of Olton.

Four people from Olton were arrested and several prepackaged plastic bags containing rock cocaine, digital scales and other drug paraphernalia were seized in the raids.

The raids were a result of a undercover operation by the Lamb County Sheriff's Department.

### Lowering the waterlines.

Muleshoe City employees, (left) John Paul Gaza and (right) Jaime Mendoza install a new water line across South Ave B last week. The city has been lowering waterlines and moving fire hydrants before the Texas Department of Transporation begin work rebuilding Highway 214. Construction is to begin in March.

### Funds ready for energy assistance

South Plains Community Action Association, Inc. (SPCAA) has received funding from the Texas Department of Housing and Community Affairs to operate the Comprehensive Energy Assistance Program (CEAP) January through December

The primary intent of this program is to make funds available to enable SPCAA to respond to energy needs affecting low-income households. Priority will be given to eligible households containing one or more persons age 60 or above, a handicapped individual and families with young children under the age of six.

The basic philosophy of energy self-sufficiency will be the central theme in the CEAP. The program is designed to offer flexibility to allow for creative implementation and innovation. Service delivery not only entails utility payments on behalf of the client, but also a system that addresses the underlying contributing causes of energy induced hardship.

For additional information concerning this program, please contact these CAA center workers, Janie Posadas and Leonor Arrieta, 804 W. Amer. Blvd., 806-272-7537, from 8 a.m. to 5 p.m., Monday through Friday.

added three for Muleshoe.

The Dimmitt Bobbies managed to stay close to the Lady Mules in the first half despite Muleshoe racking up 20 points in each of the first two periods. Dimmitt trailed 40-34 at intermis-

Rasco made one-of-two free throws in the opening minute and Benham grabbed the rebound and fed Locker to give Muleshoe a lead they would never relinquish. At the three-minute mark of the opening frame the Lady Mule defense kept the Bobbies in the backcourt for a 10-second violation.

Friskup made Dimmitt pay for the turnover with 20-foot jumper and then stole the Bobbie in bound pass and found Benham for the easy money and a 17-8 margin. Dimmitt mounted a come back with a 10-3 scoring run to end the period

trailing Muleshoe 20-18.

Tabatha Obenhaus returned to the Lady Mule lineup and played as if she had not missed a game rather than five. Locker completed an old fashion three-point play by banking a shot high off the board and dropped in the charity toss for three of her nine third period points.

Obenhaus added two from the free throw line to give the Lady Mules a 40-34 margin at intermission. The Lady Mules returned after the break with defensive pressure the Bobbies could not handle.

The Lady Mules held Dimmitt to only eight third period points while dropping in another 20 to carry a 60-42 lead into the final frame. Muleshoe backed off the press in the final period and the Bobbies were able to make up some ground in the final quarter. All eight Lady Mules

scored and Locker had a breakout game, recording a double double with 12 rebounds and led all scorers with 20 points. Benham dropped in 12, Friskup nine and Obenhaus and Rasco made seven points apiece. Rasco tossed in five and Wood and Carpenter made two each for Muleshoe.

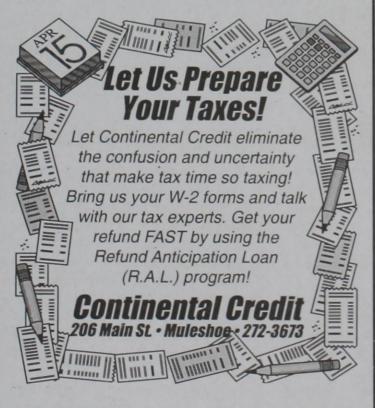

The Lady Mules completed their regular season in Brownfield against the Lady Cubs.

Muleshoe has scheduled a warm-up game during the 10-day break while the second and third place teams play for bi-district. The Lady Mules will travel to Seagraves for a rematch with the Lady Eagles Monday February 10 at 6:30

"We wanted a game that would be more than just a practice game and Seagraves certainly offers that," continued Simms.

on Sat., February 15th at 6:00 p.m.

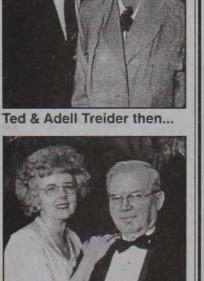

Brad Treider will perform the ceremony. Stan Treider will escort his mother down the aisle while his daughters, Hayley and Hope, play the wedding march on the piano and violin. Brad's daughter, Addie, and Stan's son, Will, will be the greeters. Brad's wife, Debbie, and Stan's wife, Wanda, will be the bride's attendants. Music for the occasion will be performed by family members. By the way, Ted has volunteered to be his own best man! A reception will follow in the fellowship hall of the church

Teddy Juel Treider is a 1952 graduate of Lazbuddie High School. Addie Adell Altum-Treider is a graduate of Abilene High School in Abîlene, Texas. She also attended school eleven years in Hamlin, Texas. While going to Hardin Simmons University as a student athlete, Ted met Adell at the university drug store. After a few months of friendship, Ted and Adell decided they were meant for each other. In February of 1953, they were united in marriage in Haskell, Texas by Adell's brother, Rev. Alfred Alturn, who was pastoring there at the time. Ted and Adell's families attended the wedding. After a short honeymoon in Wichita Falls, Texas, they went back to school and finished the semester. They then moved to Lubbock where Ted was employed by Bigham & Anderson Gin Supply Company and then later by Albert Harris Corp. as a machinist and welder. Adell was employed by attorneys Allred & Boedeker as a legal stenographer. In November of 1953, Ted joined the U.S. Marine Corp. He went to boot camp in San Diego, California and then to Naval Air Technical Training Center in Jacksonville, Florida. Adell accompanied Ted to Jacksonville where she worked for Billups Petroleum Co. Ted was then transferred to Marine Air Base at El Toro, California, where he worked as an aircraft electrician and instrument technician. Adell accompanied Ted to California where they lived in Santa Ana. She was employed by Fraser, Brown & Hewett, Attorneys at Law, as a legal stenographer.

In 1956, Ted and Adell moved back to Ted's home community of Lazbuddie where Ted Bradley Treider was born to them in July of 1956. Stanton Ray Treider was born in August of 1958. The Treider family farmed and Ted started an electrical business in which Brad and Stan participated. After 16 years, the family decided to drop the farming and continue the electrical business in

Lazbuddie. After three years, the hardware business was added. Both family businesses are still in business today. Brad now owns Treider Electric, Inc. Ted and Adell own and operate Treider Hardware & Supply and Stan is employed by Kentucky Hydro

Power in Paducah, Kentucky. He has been there for the last 15 years In the past 50 years, Ted and Adell have thoroughly enjoyed their lives together. They have raised their family in a community where there are fine churches and schools. There have been rough and smooth roads along the way, but all-in-all, it has been great. God has blessed them dearly and continues to bless them day-by-day.

### An Old School Friend and True Excellence

My wife and I lay drowsily in bed, still in a kind of lazy Saturday morning half-consciousness, when the phone rang. I heard Juana utter a kind of pained, "Oh, no," and then she flipped on the bedroom TV. NASA had lost contact with the space shuttle Columbia as it was on its way to a landing in Florida. It soon became clear that the shuttle and its crew would never make that landing.

Watching that video, I felt siek Saturday morning, and, probably like you, I still feel punched in the stomach every time I'm reminded of that loss. I know. This kind of high

Focus

Shelburne

profile tragedy plays strangely with our feelings. Every day some family loses a deeply loved mother or father, grandparent or child, to tragedy.

Just a few days ago our nation lost four brave soldiers in Afghanistan in the fight against terrorism. If the media ran seemingly endless profiles of them, I imagine we would meet some very fine people who leave wonderful families.

But, the fact is that the tragic loss of Columbia and her crew captures our attention. It surely does mine.

I knew Columbia's commander, Rick Husband. I don't mean to imply that we were ever best friends, but I knew him, liked him, and respected him.

Rick and I started high school together as sophomores in Amarillo at Tascosa High lots of years ago. When the old Amarillo High School burned that year and new school lines were drawn, Rick went to the new AHS. We'd never had a lot of contact, but it was all lost at that point. I later learned that he became the president of the choir there; I later became president at Tascosa (proving beyond doubt that choir guys are REAL MEN who later become astronauts and really macho ministers).

It was 2000 or so, I think,

when our paths crossed again. Rick had indeed become a test pilot and astronaut and had already piloted the space shuttle on one mission. He and my nephew, Major Jon Shelburne, an AHS graduate who had been the lead military (JAG) attorney defending the pilot who accidentally flew threw that ski cable in Italy a few years ago, were both being inducted into the AHS "Sandie" Hall of Fame. I talked to Rick (if he didn't remember me, he certainly was kind enough to make me think he did), and I kidded him about beginning so well as a Tascosa Rebel and ending up in infamy as an AHS Sandie. He still impressed me as simply one of the finest, most gentle and humble, just generally "good guys" you could ever meet. He was a devoted husband and father. He was amazingly proficient in his work. His priorities were in order.

Most impressive to me, you see, is that Rick Husband truly did everything he did out of a genuine and deep love for Christ as Lord. And in that "service beyond self" lies true excellence, fulfillment, and joy that you and I can know, too, right down here, or in the sky, or beyond.

### to find their touch Mules struggli

By DELTON WILHITE Journal sportswriter

The Mules' shooting touch abandoned them following intermission at Slaton. The Tigers took advantage and trimmed eight from the Mules' 30-20 lead at half. Brit Donham completed a four-point play early in the final frame to lead the Tigers to a 59-56 win over the Mules.

Returning to their home floor on Friday, the Mules played tough defense in the first half to limit Dimmitt to few second chance points. Easily breaking the Bobcat press in the first half kept the Mules close. They trailed Dimmitt 29-27 at half.

The Bobcat press seemed a step quicker in the second half and held the Mules to 22 second half points while Dimmitt ran away from the Mules 70-49.

The Mules were almost perfect from the charity line in Slaton making 15of-16 free throws while the Tigers only connected on eight-of-27. The Mules dropped in six baskets in the opening frame with four being from behind the three-point arc.

Danny Bonilla nailed his third three-pointer as the first half ended with the

Mules leading 30-20. The Tigers began the second half with a 10-2 scoring before Tatom Heathington dropped in a three with three minutes left in the third period

Brady Black drove the baseline for the hoop and the harm with just under a minute remaining. His charity toss helped preserve the Mule lead despite a Slaton trey that cut the Mules lead to 38-36 at the final quarter break.

Landon Sheets scored nine of his 15 points in the final quarter. Bonilla and Heathington added 13 points each while Black had nine for the Mules. Tyler Sheets; Valentin Colunga and A.J. Flores chipped in two points

Heathington banked in a

three with just under five minutes left in the first period with Dimmitt. The three-pointer gave the Mules a 13-8 advantage but the Bobcats scored eight unanswered points in the final four minutes to grab a 16-13 lead.

Heathington tied the game at 16 with a trey from the corner as the second period began. Landon Sheets hit from behind the arc to retie the game at 19 following three charity tosses by Dimmitt.

The two teams exchanged baskets through the balance of the first half with the Bobcats taking a 29-27 advantage at the half. Luis Sanchez reclaimed the lead for the Mules with a three and Landon Sheets made backto-back buckets to push the Muleshoe advantage to 34-

The Bobcats strung together a 14-point scoring run to take a 46-37 margin into the final frame. Dimmitt out ran the Mules 24-12 in the final period.

Landon Sheets paced the Mules with 17 points and Heathington added 13. Bonilla and Sanchez made seven points each, Flores three and Black dropped in two for the Mules.

The Mules must win their final three games to have hopes of making the post season. The Mules traveled to Brownfield February 3 and return home to tangle with the Lubbock Cooper Pirates on Friday. The Mules final district game will be at home February 11 with the Littlefield Wildcats.

### ETTER TO THE EDITOR

Dear Editor:

Growers in the Northwest Plains Eradication Zone have the opportunity to reaffirm their commitment to ridding our zone of the boll weevil. Ballots were mailed recently asking them to voter for or against continuing eradication activities in the zone.

We've made tremendous progress in the past four years. Before we started, weevils were becoming worse every year. In fact in 1998 on my farm, you could find grubs everywhere you looked. I haven't seen a weevil in two years. Our weekly trap catch average has fallen from more than 7 weevils in every trap inspected to 9 weevils for every 10,000 traps inspected.

A vote to continue protects our investment and enables us to finish the job. We'll root out the last weevil soon, and Foundation personnel will monitor fields prevent to reinfestations.

A vote against the program has serious consequences. The Foundation would pack up its traps, let its employees go and sell off all the equipment. Weevil numbers will rebound rapidly. By the end of the season, we could be in almost has bad a shape as we were when the program began.

In addition, we will still have to pay an assessment to pay off our debt. We owe about 11 million, and right now we're ahead of schedule to pay off the program

and lower the assessment. But if we fail to vote to continue, our assessment will continue until the debt is paid, and we will probably have to pay the maximum assessment until the debt is retired.

We will also be ineligible for further state and eral cost-share funding. To date we have received about \$14.3 million in cost-share funds. If we reaffirm our commitment, we can still receive state and federal funds.

Continuing eradication is the only option that makes sense. We're seeing the results of eradication with higher yields and lower costs. Let's protect our investment and finish the job.

John Saylor Muleshoe

### Eighth grade Lady Mules see late season success

By DELTON WILHITE Journal sportswriter

The eighth grade Lady Mules have been on the road most of the second half of their basketball season. The Lady Mules completed the first half of district with a 1-4 record with Brownfield being their only win.

Lubbock Cooper fell to the Lady Mules in the New Year to begin the second half of district. On the road, the Lady Mules outlasted the Littlefield Lady Cats 35-30 and overcame a one-point halftime deficit to defeat the Slaton Tigerettes 25-23.

The Lady Mules lost back-to-back heart stoppers in the Sudan Tournament January 25. The Olton Lady Mustangs hung on to drop the Lady Mules in the opening round 27-25. Sudan edged out the Lady Mules 37-33 in overtime for third place.

Muleshoe bounced back in their final home appearance to down the Dimmitt Bobbies 34-27.

Kate Lepard led the Lady Mules with 14 points against Littlefield while Chelsi Hawkins added 10. Cecilia Reyna dropped in six, Brittini Torres three and Madison Meyers had two.

Facing a tall Slaton team the Lady Mules fell behind 9-5 in the first period but fought back to cut the Tigerette lead to 13-12 at intermission. Both teams played tough defense in the third period but the Lady Mules took a one-point advantage after three-quarters.

Hawkins set the scoring pace for the Lady Mules by making six-of-eight free throws and 12 points. Lepard nailed a three in the final frame and dropped in seven points while Reyna added six for

Julachoa

Reyna and Hawkins had eight points each against Olton. Lepard made all seven of her points in the final period and Irene Torres chipped in two points. The Sudan Hornets jumped out to an 11-4 advantage in the opening period but Muleshoe was able to trim their advantage to 14-11 at intermission.

Muleshoe outscored Sudan 20-17 in the second half to force the overtime. Sudan outscored the Lady Mules 6-2 in the extra period to take the win. Lepard tossed in 14 points to lead Muleshoe while Reyna added 11. Hawkins made all seven of her points in the third period and Calli Hancock dropped on one for the Lady Mules.

Team defense and unselfish play on offense became the signature of these Lady Mules. They revenged an early season defeat by the Dimmitt Bobbies with these tactics. Hawkins and Reyna each scored four points in the opening frame to give Muleshoe a 10-8 advantage.

Tenacious defense held the Bobbies to a single basket in the second period as the Lady Mules scrambled to a 17-10 half time lead. Hawkins sank two from the charity stripe and ripped a rebound from the hands of a Bobbie and put it up and in to end the first half.

Lepard grabbed a Bobbie rebound and raced the length of the court in the third period and Reyna made two-of-three free throws to end the third quarter with Muleshoe leading 21-17.

Hawkins sank a 20footer and Reyna stole a Bobbie pass near midcourt but missed the layup. Lepard followed Reyna to the hole and put the rebound up and in. Reyna spotted Madison Meyers open for two with three minutes remaining in the game.

A nine point run by the Lady Mules over a two-minute span near the end of the final period sealed the game for the Lady Mules. Hawkins led all scores with 12 points and Lepard followed with 10.

Reyna tossed in eight and Carter and Meyers

made two points each for Muleshoe. The Lady Mules final game was in Brownfield February 3.

### MISD seeks teacher nominations

SPECIAL TO THE JOURNAL BY MISD STAFF

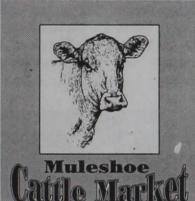

The sixth annual Teacher of the Year Awards in Muleshoe ISD will be presented at the general faculty meeting on May 30 in the high school auditorium. Teachers at Dillman Elementary and DeShazo Elementary will be eligible for the elementary award and Watson Junior High and Muleshoe High School teachers will

be eligible for the secondary award. The awards, which are underwritten by Muleshoe State Bank and First Bank, each consist of a golden apple and a check for \$250. The teacher selected will also advance to the regional competition in Lubbock and from there can qualify for state national honors. Last year's Teachers of the Year were Denise Dunham of Dillman Elementary and

Nancy Barrier of Watson Junior High.

To be selected, the nominee must be a full-time classroom teacher. Anyone in Muleshoe ISD—employee, student, parent, community member—may nominate a teacher for the award. Nominations must be submitted in writing to the Superintendent's office by 4:00 p.m. on Wednesday, March 12.

When a teacher is nominated, he/she will be sent an information packet and may decide at that time whether he/she wishes to follow through by providing the required information. A committee composed of representatives from each campus, the Board of Trustees, and the community will review the information provided by each nominee and select the Teachers of the Year.

# Lady Mules Get The Job Done!

Lady Mule Shani Rasco puts the squeeze on a Dimmit Bobbie for a rebound Friday night at the Muleshoe Junior High gymnasium. The Lady Mules defeated the Bobbies for the district championship. They will play the Seagraves Lady Eagles on Monday night at 6:30 pm in Seagraves.

Sara Benham shoots a jumper against Dimmitt Friday night. The Lady Mules cinched the District Championship when they beat the Dimmitt Bobbies 70-57 Friday night, making Tuesday's win over Brownfield just icing on the cake. Benham scored twelve points for the night.

# District Champions 2003

Lady Mule Jodi Hawkins gets on the floor and fights with a Dimmitt Bobbie player for the basketball last Friday night. This picture typifies the Lady Mules' aggressive play all season.

Lady Mules head coach Shana Simms motions Lindsey Wood #20, Shani Rasco #44, Kelsi Fiskup #22 and Jamie Carpenter #14 to check into the game during a free shot as assistant coach Carey Sudduth watches the floor action. The strength of the Lady Mule depth was one of the biggest factors in their district championship and a 26-5 season.

Tabitha Obenhaus looks for an opportunity to shoot while being double-teamed by two Dimmitt Bobbies Friday night. The Lady Mules closed out the regular district season 10-0 with a 68-33 district win over Brownfield Tuesday. Obenhaus scored seven points Friday night.

### Model rocketry class set

Bill Moyer, who has been building and flying model rockets for 30 years will teach the basics to building and flying model rockets.

The topics covered include safety, motors, flight dynamics and advanced rocketry. Classes will be offered April 5, 9-11 a.m. This four-week class will consist of three classroom sessions for lecture and model construction and the fourth session willl be held "in the field" at the Portales Municipal Airport to launch and fly model.

This beginning model rocketry class is intended for hobbyists, high school and college students including science and education majors, teachers and anyone interested in aerospace research. Children as young as eight years are welcome, but ages 14 years and under require a parent or guardian present.

All supplies needed are included within a \$20.00 kit fee payable to the instructor at the first class. Register by April 2 so that supplies will be available by class time.

"The genes that cause these diseases are genes you inherit from both parents," said Dr. Sharon Plon, associate professor of molecular and human genetics and pediatrics at Baylor. "For a woman, if mom's family has no history of breast cancer, but dad has three sisters who were diagnosed with breast cancer, that's just as worrisome."

The same is true for prostate cancer, and other forms of cancer that are influenced by genetics.

"People tend to focus on the parent who is the same gender as they are. Women look at their mom's side for breast cancer and men look at their dad's side for prostate cancer, but this is missing half the story," she said.

About 10 percent of all cancers are in people who

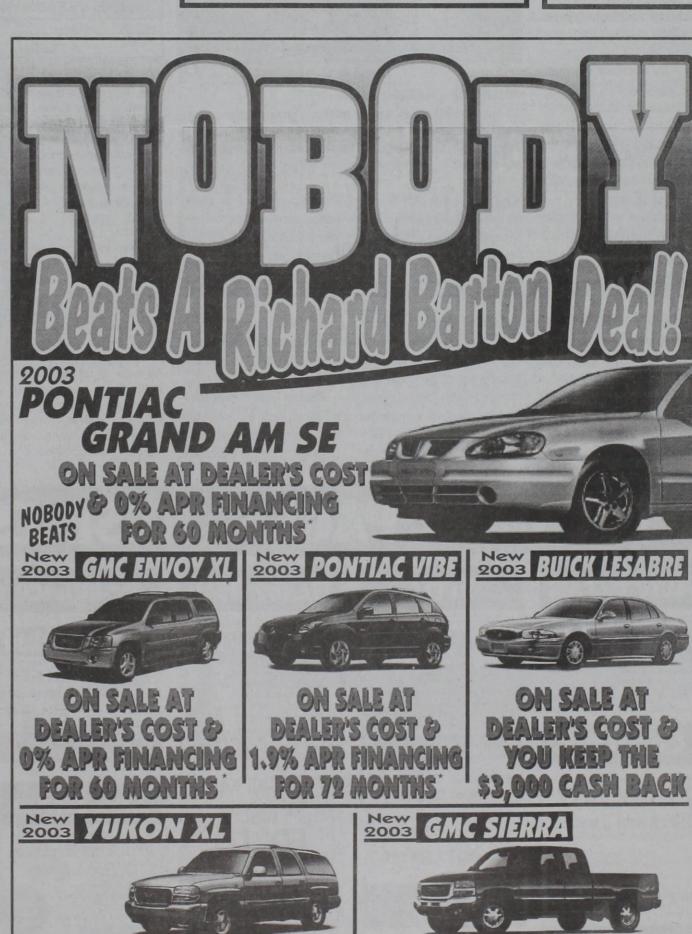

have inherited a predisposition to cancer. Genetics counselors assess those who might have an increased risk of cancer because of family history.

"Even if there is a history of cancer in your family, that does not necessarily mean you will develop the disease," Plon said. "But, it's important to determine if you are at an increased risk and may need early screening."

Families with a genetic susceptibility to cancer may have:

- ·Multiple family members with the same cancers.
- · Family members who develop cancer at an unusually young age.
- · Family members who develop a second or third "new" cancer.
- · Family members with certain rare cancers, such as male breast cancer.

Plon said those who are concerned about an increased risk of cancer should discuss the issue with their primary care physicians.

### NGAGEMENT

### **HEATHINGTON-FAVOR**

Don and Dani Heathington of Muleshoe announce the engagement of their daughter, Krystal Heathington, to Cody Favor of Muleshoe, son of Lyndall and Ann Favor of Littlefield. The bride-elect is a 1999 graduate of Muleshoe High School. She is currently a senior at West Texas A&M University. The prospective groom is a 1996 graduate of Littlefield High School and a 2000 graduate of Wayland Baptist University. He serves as youth minister at First Baptist Church in Muleshoe. The ceremony is scheduled for June 7, 2003 at the First Baptist Church in Mule-

Junior Girl Scouts recently enjoyed a sleepover at the Girl Scout Hut. The Scouts began the evening by making pizza and declared it wonderful! They played games, decorated cookies and watched a Girl Scout documentary. They discussed Girl Scout cookie sales, practiced the Girl Scout Promise and Law and then watched a movie.

Upon arising, they prepared breakfast. Breaking eggs for scrambling, making biscuits and gravy also sausage patties and orange juice. A good time was had by all. They reported that it's great fun to be a Girl Scout and are ready for the next sleepover.

Attenting were Jennifer Payen, Stephanie Kirby, Brooke Lennon, Jessica
