## New Arrival

**FIRST E.L. GRAHAM BABY OF 1987**— Jason Michael Holland, son of Jay and Arlene Holland, of Cisco, was the first baby born at E.L. Graham Memorial Hospital in 1987. He was born Friday, January 9, 1987 at 9:22 p.m. Jason weighed 6 lbs. and 11 oz. Dr. Cermin delivered the baby. His dad works for Dr. Pepper Bottling Co. in Dublin and his mother is a housewife. Jason's maternal grandparents are Mr. and Mrs. Ollie Moran of Cisco; maternal great-grandmother is Lucy Bell of Cisco. Paternal grandparents are Mr. and Mrs. W.J. Holland of Eastland; paternal great-grandmothers are Bertha Welch of Dublin and Lucille Holland of Eastland. Jason wore a T-shirt home that said 'I got my first hug at E.L. Graham Memorial Hospital'. The shirt was given to him by the Hospital Auxiliary. (Staff Photo)

If anyone ordered magazines from the Cisco High School Band members in the fall of 1986, you should begin receiving the magazines in March or April according to band director Wayne White. He said that it took about 12 weeks for the orders to go through all the channels they have to go through.

The Cisco Girl Scouts will begin selling Girl Scout cookies this Friday, Jan. 16. If you want to order cookies, but you live in an area where the scouts are not able to go or if you don't get a chance to order from a scout, call Sharon Elton at 442-2486 or Sarah Hounshell at 442-4616.

My brother-in-law, Tom Terbush, and family from Altus, Oklahoma, travelled to Cisco for a visit this weekend. His family members are Pat, his wife, their daughter and my niece, Margaret, and their four sons and my nephews, Tommy, Lonnie, Douglas and Kevin.

We drove out to the train wreck site just east of Putnam Saturday and there were two of the wrecked train cars close to the side of the road and they were so twisted and tangled up.

Pat my sister-in-law is originally from Philadelphia, Pennsylvania. Once I mentioned that some people who use to live in Cisco were from there and when I mentioned their names, she asked if I knew how big Philadelphia was and how it would be very unlikely if she did know them.

She said there were 3 million people living there. I guess it would be hard to keep up with all of them, wouldn't it?

Conrad Schaefer brought in an Abilene Reporter News newspaper last week that was dated Saturday, November 17, 1973. Some of the high school football team scores were Cisco 31 and Comanche 7; Clyde 31 and Eastland 14; Cooper 20 and Abilene 9; and Stamford 53 and Winters 6.

The first paragraph in a front page story said, "President Nixon, flew to his Florida home Friday to prepare the Watergate counter-offensive he is expected to continue at three public appearances in four days.

Another story talked about how Vice-President Gerald Ford said that he would seek to screen lawbreakers out of his administration, insist on voting rights enforcement and keep control of the CIA. America was going through an energy crisis because of the Arab Oil Boycott.

It was interesting reading.

Did you read last Saturday's Abilene Reporter News religion section. In an article written by Roy A. Jones II, it told of the murder of a Southern Baptist missionary Libby Senter and her 10-year old daughter, Rachel, in their home in Yepoka, Liberia.

A Liberian named Benjamin Morris was arrested for the murder. George Senter, husband of Libby asked to see Benjamin. George put his hand on the shoulder of Ben and looked him in the eye and said that he forgave him.

The article stated that George told Benjamin that if God could forgive him for such a crime, then he could too. Benjamin Morris remains in jail awaiting trial.

The article then told of a pastor in Lubbock who told Senter's attitude toward Morris in a sermon he was preaching on forgiveness. Among the worshippers that day were Lynn Huckabee and his wife, Sharon. Three days later, on Dec. 17, they lost their 26-year old daughter, Carol, in a double murder in Lubbock.

Mr. Huckabee was quoted in the article as saying, "I felt I could never do it (forgive a killer under such circumstances). Now I'm praying I can."

The two men in this article really have my sympathy. And I hope that people everywhere will lift them up in prayer.

## Cisco Chamber Need Activity Information

The Cisco Chamber of Commerce would like for all Cisco organizations and clubs to turn in the time, the place and the date for all their meetings and events that they have planned for 1987.

Call Helen at 442-2537, Monday thru Friday, to report these activities.

## CHS Spanish Club Fiesta Held At Church

The 3rd annual Christmas fiesta was held December 18th at the First Baptist Fellowship hall. Cisco High School Spanish Club members treated teachers and faculty members of the High School campus to an exquisite array of Mexican dishes brought by the students. Teachers also participated in games and were serenaded with Spanish Christmas songs.

Mrs. McCulloch would like to thank all club members for

## Chamber Tickets Are On Sale

Tickets for the annual banquet of the Cisco Chamber of Commerce went on sale this week at the CofC offices and other locations, according to an announcement by Manager Don Shepard. The tickets for the Jan. 23rd event are \$7.50 each. Chairman Emma Watts of the arrangements committee reported that the Cisco

Inn & Steak House will cater the dinner, and the menu will feature ham with all the trimmings. The Rev. Buddy Sipe, well known Baptist minister, will serve as the master of ceremonies. The dinner will be held at the Cisco Junior College Agriculture Building. Details of the entertainment program are being worked

out this week, Mrs. Watts reported. The 1987 program of work will be announced by President Roy Dennis as a program highlight. Annual awards for community service will also be announced

at the banquet. Members of the arrangements committee include Mrs. Watts, Janelle Schrader, Sherry Wright, Gus Smothers, Dan Dixon, Sherene Richardson, Ronnie Ledbetter and Patsy Hogan. The committee held a

meeting at the CofC offices at 8 a.m. Tuesday. Tickets may be purchased at the CofC offices, First National Bank, Olney Savings and from members of the board of directors. Deadline for buying tickets is January 21st.

## Letters to the editor ...

Editor:

In this time of hustle and bustle and everyone being very busy with their own problems, we sometimes forget to look around us at other people's troubles. This is a good time to take the time to help someone else.

In the Nimrod Community there is a young lady who needs your help and mine. Mrs. James (Frankie) Letney is going into Methodist Hospital in Houston the 26th of January for extensive surgery on her spine.

Several years ago Frankie was injured in a car accident that left her bent double at the waist. She refused to give up and has had several surgeries to correct this condition. She has had two children and has been a very good mother, wife and homemaker. She has the most fantastic mental attitude. Her physical condition has not fared as well.

The doctors in Houston have told her she must go through three very extensive surgeries to correct and completely redo all of the work the previous surgeries had corrected.

Due to new techniques and advances in modern surgery they are now able to perform operations that were unheard of when they first started working on this condition.

Frankie needs your help in obtaining blood needed for these operations. She has B Positive blood and all blood can be donated in Abilene at Mary Meek Blood Center on Hickory Street. If someone interested in donating blood does not have a way to Abilene one will be provided by calling Nema Parker at 629-2244.

She will need 15 pints of blood for the three operations. The blood must be B Positive as this blood will be processed and shipped to Houston. She feels safer with blood donated locally than with blood from the blood banks in Houston, so there can be no credits given for other types of blood.

Anyone caring to donate blood to Frankie must state to the personnel at Mary Meeks Blood Center who this blood is for and that it goes to Methodist Hospital in Houston.

Surely there are 15 people in Eastland County with this type of blood who can help this courageous young lady. Your time and effort will be well spent and greatly appreciated by the Letney family. Blood may be donated anytime Monday through Friday from 8:00 a.m. to 5:00 p.m.

And on Thursday the blood center is open until 7:00 p.m. The Blood Center is located at 1625 Hickory in Abilene, Texas.

## Junior College Board Approves Air Conditioning

Proposals to air condition Schaefer Hall and to make changes in the return air ducting system of the Fine Arts Building were considered by the board of regents of Cisco Junior College at their monthly business meeting Monday night.

The two proposals were referred to the board's building committee for study and recommendations. The committee is composed of Regents Rudolph Schaefer, J. D. Yardley and Charles Preston.

In other action, the board approved a plan recommended by the Southern Association of Colleges and Secondary Schools for self-study by faculty members.

A request by the City of Cisco for permission to sell town lots for delinquent taxes was approved by the board.

The resignation of Sheila Johnson as financial aid assistant in the dean's office and Jana Meyer as counsellor were accepted. Miss Johnson resigned as of Dec. 31 and was replaced by Mrs. Barbara Calloway. Miss Meyer's resignation will be effective June 1, 1987.

President Dick Woolley and all board members were in attendance along with Dr. Henry E. McCulloch, CJC president, and other school officials.

## Students To Hold Bake Sale

Cisco High School students who are planning a trip to Mexico this summer will hold a bake sale Friday, Jan. 16, from 9 a.m. to 6 p.m. at the First National Bank. All funds raised will go towards the trip. Come on by and pick up a delicious dessert for the weekend, a student added.

## Senior Class Parents To Meet

Parents of senior class students will meet Thursday, Jan. 15, at 7:30 p.m. at Olney Savings. "Project Graduation" will be discussed. Senior class parents are encouraged to attend.

## Girl Scouts To Sell Cookies

**GIRL SCOUT COOKIES**— The Cisco Girl Scout Association will begin their annual cookie sale January 16, 1987. Girls will take orders through January 24, 1987. Seven varieties are available at \$2.00 per box. Proceeds of the sale benefit the local girl scout troops and their activities. Shown in the above photo is Brownie Troop 52. Members are left to right, front row, Stephanie Heyser, Brenna Stennett, Keri Satterwhite, Leighana Walker, Mandi Lind and Kristin Stroebel; back row, left to right, Leslee Gerhardt, Eve Elton, Christy Cozart, Kelly McCulloch and Addy Wing. Not shown in the photo is Sharon Elton, troop leader. (Staff Photo)

## Cisco Ministers Association To Sponsor Films By Dr. Dobson

A motion picture film series developed by James Dobson, nationally known family therapist, will be sponsored by the Cisco Ministers Association at the Hilton Community Center in the near future, President Eris Ritchie of the Hilton board reported Monday.

The Hilton board approved plans for the film series, entitled "Turn Your Heart Toward Home," at their meeting last Friday, Mr. Ritchie said. Announcements concerning the event will be made soon, he added.

The board heard a report from Mrs. Kitty McCracken that volunteers were on the job during the recent holidays to permit visitors to tour the Center Museum and building. Guests were registered from throughout the country, Mrs. McCracken said.

Plans are underway for an assortment of souvenirs and mementoes to be placed on

sale in the Hilton Center Lobby, Mr. Ritchie said. Arrangements have been made for a counter and storage area. Profits from the sale of these items will benefit the Center.

Mr. Ritchie reported to the board that 14 persons have signed agreements to donate \$5 per month by bank draft to the Center's Maintenance fund. He said that total costs of operations amounts to about \$500 more than the money available and efforts are being made to enroll "Hilton Helpers" who would pay \$5 per month to the fund.

Work is coming along nicely on the kitchen, the board was told. Emma Watts of the board is overseeing the kitchen work. The floor tile has been installed and plans are underway to buy equipment, including a stove and refrigerator. Linton Batteas, local contractor, is building cabinets for the kitchen, the board was told.

The contractor is replac-

## School Board Extends Contract For Ray Saunders Superintendent

The contract of Ray Saunders as superintendent of the Cisco Public Schools was extended for a year through 1988-89 by the board of trustees at their monthly business meeting last Monday night. Mr. Saunders is in his second year at the helm of the school system.

In other action, the board ordered an election for Saturday, April 4, to elect trustees for Places 4 and 5, now held by Ralph Berry and Roland Stroebel, respectively. Vondalee Anderson was named election judge, and

Helen Gaeta was chosen as absentee voting clerk.

A proposal concerning disposal of the old primary school building on Avenue A was held up for further study. A request by the City of Cisco for board agreement regarding the sale of several town lots for delinquent taxes was approved. The annual performance report for the 1985-86 school year was approved.

Other routine matters, including approving bills for payment, came before the board.

ing some of the shrubbery that died after being planted last year, Mr. Ritchie reported.

The board accepted a \$48 donation from the Cisco AARP Chapter. This money was on a Money Tree at the chapter's Christmas party, Mr. Ritchie was told. The AARP is sponsoring an income tax school at the Hilton Center in the immediate future, it was reported to the board.

The board began steps to invite the American Antique Car Association, which plans a coast to coast trip across the United States in 1987, to make a "pit stop" at the Hilton Center on July 4th, Mr. Ritchie reported. The association has announced that the trip route will include I-20 and that they will pass through Cisco on July 4th.

The Institute of Texas Culture at San Antonio is being invited to hold an exhibit of their museum items at the Hilton Center during the April, 1987, Cisco Folklife Festival, Mr. Ritchie said.

The board acknowledged receipt of some \$8,000 in money pledged by donors to the Center's Perpetual Care Fund during December. Funds donated to the center are deductible from income tax.

The family of Gene and Katherine Abbott and Ronnie and Peggy Ledbetter have become participants in the Perpetual Care Fund's founders organization and their names will go on the plaque in the Center lobby, Mr. Ritchie said. "We are grateful for these new participants," he added.

The board had a long agenda that required some two hours for the meeting.

**Typical Weather**

We continue to have typical weather here in the Big Country. The temperature has been ideal, and clear skies dried up the excess moisture until yesterday (Thursday) was a miserable day, cloudy, cold and misty. Then last night we had a hard shower, almost an inch of rain fell. Since the ground is already saturated the water is standing everywhere. But how good it will be to go into spring with a deep moisture!

This town suffered a great loss this week due to the death of Milton Donaway. Milton was reared at the Dothan Community but had lived in Putnam several years. He was very civic minded, a dedicated church worker and above all a good neighbor! He gave land for the City Park and has been instrumental in its upkeep. He will be sorely missed at Putnam. Our deepest sympathy goes to his wife Annie Mae and to the rest of the family.

The Putnam Baptist Church opened Sunday, Jan. 4th. G. W. Weeks will be the pastor of the mission. There were 52 people present from Baird, Clyde, Brownwood, Cisco, Gorman, Comanche, Fort Worth, Abilene, Cottonwood, and Mitchell. There will be services every Sunday morning at 11 a.m.

Bill and Dorothy Taylor and Mr. and Mrs. Dan Dass of Weatherford visited Bill's mother last Saturday.

Sid and Ruby Weathermon spent two weeks during the holidays visiting their son, Don Weathermon, at San Antonio.

The Putnam Quilters made a beautiful quilt which they donated to the Rehabilitation Center at Abilene. The quilt was auctioned off Saturday.

Buddie and Mary Ann Waddell of Abilene had

**CJC Teams To Begin Season Basketball**

The 1987 home basketball season will begin for Cisco Junior College's teams in a doubleheader program that will start at 6 p.m. Saturday, Jan. 17, at Wrangler Gym. Ranger Junior College teams will provide the opposition. The games will be Texas Junior College Athletic Conference contests.

The Lady Wranglers of Coach Ronnie Hearne will open the program against the Lady Rangers, playing at 6 p.m. Coach Dan Montgomery's Wranglers will take on the Rangers in the second game.

The new year will begin for the Lady Wranglers when they go to Altus, Okla., to meet Western Oklahoma JC in a game at 6 p.m. Tuesday, Jan. 13. Both Cisco teams have been idle since Dec. 19th.

**AARP To Meet Thurs.**

The Cisco Chapter No. 25 of the American Association of Retired Persons will meet Thursday, Jan. 15, at the Corral Room at 6 p.m. for a covered dish dinner. The new president, Louise Allison, will be in charge of the meeting.

Chapter dues are now payable and will be accepted at the meeting. Please present your national membership card, an AARP spokesman said.

A country-western program will be presented by R. D. Weeks of Eastland, assisted by three of his friends. Mr. Weeks is a well known fiddler from this area and has many followers. It promises to be an entertaining evening.

Amas Day with his parents, Ida Mae and Clinton Waddell.

Ross Finley of Farmington, New Mexico, is visiting relatives at Baird and Putnam this week. His mother, Mrs. Bernice Williams of Baird returned home with him after spending the holidays at Farmington.

Mrs. Edith Muzny has returned home after a two weeks visit with her daughter, Delores Krinke at Dallas.

**WEDDING**  
Linda Nettles and Ernest Sennett of Abilene were married Tuesday, Jan. 6th, at the Elmwood Baptist Church. Linda is one of the twin daughters of Mr. and Mrs. Bennie Nettles and was reared at Putnam. Best wishes for a happy life, Linda.

**Pastoral Care And Counseling Begin Program**

Pastoral Care and Counseling Center in Abilene will begin their fourth treatment program for agoraphobia on January 27 at the Center, 751 Hickory. The treatment program is designed to educate agoraphobia sufferers on the medical and psychological factors involved in the condition and provide effective strategies for recovery. The 17 week program will be co-lead by Bob Weber, George Butler and Sarah Mulkey, all staff therapists at Pastoral Care and Counseling Center.

There is a fee for the program. Assistance will be provided in securing insurance reimbursement. Deadline for enrollment is January 23. For more information call 672-5683.

**James Dobson Film To Be Shown At Cisco High School On January 19th**

Over 50 million parents have been inspired by Dr. James Dobson's Focus on the Family film series. Now, building on that nationwide groundswell of interest, Word Publishing and Focus on the Family, Inc., have released Turn Your Heart Toward Home. In this bold new film series, America's most trusted family life expert brings his vast experience to bear on one of society's most pressing challenges, the protecting and strengthening of family relationships. The first discussion-provoking film of this six-part series, A Father Looks Back, will be shown at Cisco High School on January 19th, at 7 p.m. The remaining five films will be shown on Monday nights, beginning

January 26 thru February 23. Citing example after familiar example, Dr. Dobson portrays the pressures today's parents are susceptible to. He reminds them of society's slide toward humanism and the undermining influences of radio, television, films and the press, which can only be counterbalanced by a loving home where Christian values are instilled from an early age. A swelling majority of Americans sense the vulnerability of their own families and are willing to make all commitments necessary to preserve them. Dr. James and Shirley Dobson urge those individuals to get involved and return to the traditional values upon

which families are best created and nurtured. Turn Your Heart Toward Home is

a personally challenging film series that every parent should see.

**Autograph Party For Bill Neeley To Be Held Thursday Night**

An autograph party for Bill Neeley of Amarillo, author of Quannah Parker and His People, will be held at the Conrad N. Hilton Center in Cisco on Thursday, Jan. 15, from 5 until 8 p.m. Sponsors for the autograph session are Mr. and Mrs. V. H. Funk of Cisco. In a recent interview in the Amarillo Sunday News-Globe, book critic Mary Kate Tripp wrote, "In what must surely be the definitive book

on Quannah Parker, Neeley tells of the chief's later years, his shrewd management of tribal affairs, and the influence of the Peyote religion on the Comanches." Dr. H. Allen Anderson of the Panhandle-Plains Historical Museum, said of Neeley's book, "At last the real Quannah is subtly revealed." The general public is invited to attend the autograph party.

## I've Been Wrong Before

by Gordon S. Clark

In fact, if things turned out like I wanted them to I would probably still be disappointed because it would be too much of a surprise. How pessimistic can I get?

Since this is the season for predicting what the new year will bring and it is always the season for getting money, how about going into fortune telling?

I saved papers with predictions by those supposedly the nation's best and even included one by a man claiming to be a Christian preacher. At the end of the year I checked them out. Now I am sure fortunate for those prophets that we don't do as they did in ancient times because that preacher and other "prophets" would have been stoned to death because their prophecies failed.

So, try it yourself. Save those papers in the bottom of a drawer or elsewhere. At the end of the year consider how many predictions failed.

Now, I will prophesy an airplane disaster (because we have several each year.) Then I will predict that two or more well known actors and actresses will be divorced. If I traveled in such circles it should be a cinch to even give names of those most unstable or already fighting behind the scenes. So, discounting such natural happenings, how many real prophecies by mystics do materialize? VERY VERY FEW.

I might rather prefer telling fortunes by cards or reading tea leaves. That way I wouldn't have to look anybody in the eye as I ~~staring them a line of bull~~ remembered an old sailor's trick of going to an amusement park and from a spot affording a good view yelling, "Hey MARY." With a quick eye the swab tries to spot what girls start looking around to see who called (naturally preferring to see one without an ugly escort.) Then he makes his way through the crowd to her and says, "Remember me." She doesn't but while trying to figure out how he knew her, contact is made. O.K. So you don't want one named Mary, then try any other common female name and in a crowd you find several. Exotic named chicks were out of luck.

My point here is that when I went out of curiosity to a spiritualist meeting I recognized the same game. The "medium" went into her "trance" and said, "Behind the lady on the third row I see a little old lady in a white apron. She has her hair done up in a bun on the back of her head. She is trying to tell me her name it is - I can't quite get it clear enough. It is M-M - It is Mary or Martha or Margaret -" Come on now, dear readers, who doesn't have a relative deceased

who wore a white apron, did her hair as most women used to, and had one of those most common names? If all else failed and the sucker did not respond as in that case, "Yes, I recognize Aunt Martha". Then the "vision" would have to fade as it is naturally difficult to penetrate the mists.

However, the mark was made so the "reading continued, "You have something worrying you". (But doesn't everybody have problems in this world?) "Now this problem shouldn't worry you so because in a while it will go away, in I get the number three, yes, your aunt says 'three' but I don't get whether it is three days, weeks or months." Now ain't that great? Within three weeks or months almost any of our problems are resolved for better or worse and worry never helped.

We survive and old worries are replaced by newer and supposed bigger ones but the lady at the meeting went home assured that dear old Aunt Martha was looking after her. More sophisticated methods of gulling the suckers are always being dreamed up but as P.T. Barnum said, "There's a sucker born every minute." People even seem eager to be clipped.

If you wonder whether anyone could really contact the dead or otherwise tell your fortune or whether I believe they might I will say that I would be afraid of where such power, if real, came from. Prophecy in scripture was most often to national leaders and effected all, but Christ said not to concern yourself about tomorrow. It will be bad enough when it gets here. Besides, you can't guarantee you will be here tomorrow or if so that I will be here for you to say, "I told you so."

Horoscopes are very popular but when all the planets were in a straight line a short while back there were all sorts of predictions but nothing new or fantastic happened. If we have a future, I will guarantee that many will try to predict it while vastly more will believe them regardless of how many times it just doesn't come true.

## Lights From The Christian World

By Jose Idina Cleveland

### LOOKING TOWARD THE SUN

Sunflowers were considered a pest on the ranch where my husband lived. They grew in abundance. One year a sunflower came up in their back yard near a water pipe. They usually chopped the sunflowers down, but this plant they missed.

When the sunflower bloomed they noticed how beautiful the flower was. Its blossom was large but delicately formed. As the family watched this flower they observed that every morning the sunflower turned its face and pointed it toward the early morning sun. On a cloudy day it seemed to search for the sun and still followed its usual pattern of turning eastward in the morning and westward in the evening.

What was really strange, the sunflower seemed to know the sun was there even though it was invisible at times. Titus writes in 2:11 (literally translated), "For the grace of God's favor and any benefit received from Him may be said to be God's grace. There is grace and beauty in the words, "hath shone forth." As the sun rises in the east and shines out it enlightens the whole world. The Lord Jesus, the Sun of righteousness, also arises on the whole human race "with healing in His wings. And as the light and heat of the sun are denied to no nation or individual, so the grace of the Lord Jesus also shines out upon all.

We need not always try to know the logic of following the Son of God, but whether in fair weather or cloudy, we can be assured that He is always there.

### Letter To The Editor

Dear Editor:  
I enjoyed this Jan. 10th paper because it was a newspaper with news instead of so many adv. and Realstate ads -

I know a paper has to have paid advertisement and Realstate to operate. Without stories - opinions (need not be the opinion of this newspaper) is good for

your paper. I like the articles of Gordon S. Clark, in the "People's Forum". "I could be Wrong" - I don't agree with every article but it makes good reading and food for thought - maybe more people will write, about what they like or don't like, at least a page of the "Forum" gives a chance to express gripes or good deeds that makes a good paper.

I know three people have told me recently they just didn't take the paper anymore because there was not enough news - I sent a gift subscription to one that had not renewed because he needed the paper.

I use to write an article on "visitors" - I like to know "Who Visits Who" - I like to hear when someone comes home from vacation all about their trip - also any news about people who used to live here. The Telegram is sent out to lots of Eastlanders that used to live here and take the paper out of the state - More would take it, if there was an effort to collect news as well as advertisement - everyone does not advertise but likes news.

I once visited and asked the city commissioners meeting a question, I was put down - I vote I own three other houses besides my home - I have lovely people living in my rent houses - To the city you could stay home and never be interested in anything - even the cemetery problem - they just do not listen to individuals even if there are several hundred individuals trying to say something - they do as they please - We are nothing. After asking about 4 different problems and not one was even considered you know the next time you want vote for anyway.

The Majestic Theatre idea is the greatest improvement to our community. The Ritz in Cisco is the greatest in Cisco. Getting two new convenience stores will be an asset also.

I was out of coffee when I saw the grocery sale that "Tasters Choice" was 8 oz. for \$6.99. So I put that one my list along with (a bottle of rubbing alcohol) that was on sale. The disappointment was each article was reduced 10 cents and put on sale - coffee was 7.99 and marked down 10 cents called Sale price - So was the alcohol marked down 10 cents and called sale - If I can't save at least a quarter off on any item called Sale Price I just don't go back to be fooled again.

The stores have more bent cans and razor cut packages on the shelves than they have ever had - more competition will lower prices and a better choice of places to buy groceries, will be fine. The news like "Letters to

the Editor" are very interesting - I enjoyed Bernice Prescott's letter, Julia Worthing's column, Viola Payne's interviews and opinions. Terry Wilson's news on fishing, Bob Harbins's little readings, even Fullen Motor Co.'s "Laugh For the Day."

We have been in Eastland since 1919 and have seen a lot of changes - I've had my Beauty Bar 30 years and Harvey has had his Electric Shop 40 years.

I could write a book on the "Rights and Wrongs" that have occurred in this small town - "Some Good and Some Bad" from "Here to There" - I like to see all new improvements.

From Chamber of Commerce, city, schools, businesses, concerts and plays, court house, telephone problems, doctors, "What Has Touched Our Lives" from "Home to Churches". The adv. "in churches" one sentence added to (Inspiration Church of God at City Limits Hwy 80 East) it sounds like we meet in P.O. Box 167.

Be sure and listen to "Coffee with the Pastor" 9 a.m. KEAS-Radio. Eastland is very fortunate to have 2 FM stations on AM radio station and air port, and so many fine churches, a lovely youth center at Camp Inspiration with State Camp ground in our city with large area buildings 5 dormitories, bath houses, and rest rooms, beautiful swimming pool, a place where youth camps are growing each year and the meeting hall for large family meetings and reunions - also 44 hook-ups for mobile homes and campers during EHS Homecoming here every five years. There

is even a shelter for meals and beds for those needing help temporarily thur asking police or ministerial alliance. A large senior citizen center. Every kind of store and business can be found in this quiet little town. This is God's Country and lovely people abound (abundantly).

The Cisco Chamber of Commerce Banquet will be held Friday night, Jan. 23, at the Cisco Junior College Agriculture Building. Director Emma Watts has been named chairman of the banquet arrangements committee, and various details are being worked out. Dr. Don Newberry, president of Howard Payne University, Brownwood, will be the banquet speaker. The 1987 plan of work for the Chamber of Commerce will be announced during the program, and awards will be presented to outstanding local citizens.

A reward for identification and apprehension of persons responsible for the recent Oakwood Cemetery vandalism has been announced by the Cisco Crimestoppers Association. The exact amount of the award has not been finalized, since funds continue to be donated to it. The vandals entered the cemetery and turned over 23 tombstones, some of which were damaged extensively. The Crimestoppers group here is a recently organized group of citizens anxious to aid in fighting activity in Cisco and the area.

The Cisco Chapter of AARP will meet Thursday, Jan. 15, 6 p.m. at the Corral Room in the Laguna Hotel. A covered dish dinner will be served, and a program presented. Country-Western music will be performed by R.D. Weeks of Eastland and several of his friends. Weeks is a well-known fiddler from this area, and all are looking forward to an entertaining evening.

The goal of the Cisco Historical Society for 1987 is to get a development program for the four-acre tract of land deeded to this organization by Cisco Junior College. This was stated by Dr. Ayres Cermin, president of the Cisco Historical Association, during a talk to the Cisco Lions Club recently. The doctor listed four structures ready to be moved to the park, which lies just east of the Mobley-Hilton Hotel. They are the old Rockway Dynamite House, the old Red Gap Postoffice building, the M-K-T Railroad Weigh building, the Byrd School, and a log cabin near Moran dating back to the 1800's.

There will be a family night catered dinner for members of the Cisco Country Club and their families at the club at 6:30 p.m. Thursday, January 15. A game hour will follow the dinner. Mrs. Irene Wende will cater the dinner, and the menu will include spaghetti, a tossed salad, and homemade bread. Hostesses include Chairman Louise Anderson, Helen Surlis, Sarah Hounshell, Janice McCullough, Dorcas Sitton, Helen Crawford and Mary Crofts.

The well-known McGruff Puppert program has been purchased for Cisco Primary School classrooms at a cost of \$1,690. Funds were provided by PADD, the Cisco Civic League, the Cisco Rotary Club, and other service organizations. The program includes 26 cassettes covering such subjects as drug abuse, child abuse, good citizenship and good health practices.

**BAIRD**  
A Tea honoring Fred Goble, who is retiring from the First National Bank of Baird, was held Sunday, January 11, in the home of Mr. and Mrs. Glen Elliott. Fred Goble had worked at the bank for 39 years, holding various positions, and eventually becoming president. Under his leadership the bank celebrated its 100th Anniversary in 1985 - the same bank in the same location for one hundred years. A large crowd came out to wish Goble well in his retirement.

The Sheriff's Posse will host a dance Saturday, January 17, at the Baird Activity Center on Third and Walnut. Nashville entertainer Ray Pack and his band, the Halfbreeds, will play. The admission will be \$4 per person and \$7 per couple. Pack and his band are very popular in Baird - they always draw a large crowd. The public is invited.

**RANGER**  
Ranger Junior College will offer a Spanish Conversation Course in the Spring Semester. The class will meet on Wednesday evenings from 7 to 9:45 p.m., beginning January 21. The instructor for the class, Tony Betancourt, states that he will emphasize the basic skills and vocabulary required in everyday situations. This class requires no previous knowledge of Spanish. For additional information call Ranger Junior College at 647-0222.

Don Baird, Laboratory/X-Ray Technicians at Ranger General Hospital, has been named "Employee of the Year" for 1986 by the hospital department supervisors. Don was hired by Ranger General Hospital in January, 1983, and has been a dedicated employee. He has shown himself to be a friend as well as a supervisor - someone who always puts out extra effort on any job.

Volunteer Firemen wish to thank Gary Cross and Mike Hoffman of Gary Cross Construction Co., of Stephenville, for donating a lot of work to the finishing of the inside of the new Fire Station. Their skilled work has saved the Fire Department many dollars and much work.

The Ranger Creative Arts Club is sponsoring a watercolor workshop January 23 (5:30 p.m. - 9:30 p.m.) January 24 (9-4 p.m.) and January 25 (1:00 p.m. - 4:00 p.m.) at the Gholson Hotel in Ranger. The teacher will be Ginger Test, watercolorist from Abilene, and cost for the three-day workshop will be \$50. All persons interested in watercolor are invited to attend, but the class will be limited to 12. If interested call 647-1796 (after 4 p.m.) for more information.

**EASTLAND**  
Becky Bullock, Eastland High School Senior, was rated as one of the top 40 flutists in the State in a competition in Lubbock Saturday

morning. She was one of 125 competing for one of the flute positions on the State Band. Eight thousands players began some months ago with some stiff competitions, and Becky was the only non-5A finalist in the group.

A new edition of Crossroads of Texas, a publication telling of the benefits of Eastland County, is being prepared. Plans are to publish and distribute it early this spring. The effort is a county-wide undertaking sponsored by Eastland County Newspapers, whose owners and managers feel that placing this type of information in key places will benefit the entire area. The new publication will once again take the theme that Eastland County is the

crossroads site for all kinds of firms, and that the natural and human resources are second to none. All county citizens, too, will have copies to keep for reference.

The Eastland Memorial Hospital and hospital auxiliary are sponsoring a Community Blood Drive from January 16, from 4 to 8 at the hospital. Please time for this important drive.

# Men Turning 26 In 1987 Reach An Important Milestone

The Selective Service System has announced that men who will reach their 26th birthday in 1987 are reaching an important milestone.

Beginning on Jan. 1, 1987, men who were required to register with Selective Service in 1981 will be turning 26. Selective Service does not have the authority to accept registration after age 26. By failing to register before turning 26, a young man will have permanently forfeited his right to certain benefits including federal student aid, job training and federal employment. In addition to these federal benefits, some states require registration for state student aid, entrance to a state supported college or university, state employment and permission to practice law.

Many of the 25-year-olds who have still not registered may be unaware of the requirement or do not understand the importance of the obligation to register. Some may even have served in the military but failed to register either before entering the armed forces or after leaving active duty. Others may have been institutionalized or incarcerated at the time of their 18th birthday and not realized that they were required to register if released prior to age 26.

For those men born in 1961 who have registered, 1987 also marks the year that ends their eligibility for selection for induction under present law should there be a return to the draft. Over 17 million men, age 18 through 25 have registered with Selective Service since registration was reinstated in 1980. These men comprise over 97 percent of those required to register.

Men age 18 to 25 who have not yet registered still have a

chance to avoid risk of prosecution and loss of benefits by registering promptly at any local post office. Failure

## 10 County Students Graduate TSU

On December 20, 1986, Tarleton State University of Stephenville graduated 236 students during their mid-year ceremony.

There were 10 Eastland County students among the graduates, four of whom graduated with honors. Those from the county are as follows:

Cisco - John Allen Hill - BBA - Business Administration.

Eastland - Kelly Ann O'Neill Davidson - BS - Elementary Education.

to register is a felony punishable by a fine of up to \$250,000 up to 5 years in jail, or both.

Truett R. Hart - BS - Agriculture; Darryn Scott Willoughby - BS - Physical Education.

Gorman - Fran Richter - BA - English; Danny Lynn Burgess - BS - Agriculture; Kathy Snider Collum - BS - Elementary Education.

Rising Star - Jerry Kyle Williams - BS - Geology. \* denotes honor graduates.

MILDRED AND DELBERT NAYLOR

## Naylors To Be Honored On 40th

A come and go reception for Mildred and Delbert Naylor of Cisco will be held Sunday, January 18, 1987 from 2:00 till 4:00 p.m. in the First National Bank Community room in Cisco. The reception will be held in honor of the couple's 40th wedding anniversary. They were married January 18,

1947. Their daughters and husbands, Janet and Jim Meadows and Beverly and Gwynn Sharp would like to extend an invitation to all friends and family of Mildred and Delbert to attend this special occasion. The couple request no gifts.

## Registration Continues Through Jan. 23

Cisco Junior College's Director of Admissions, Olin Odom, reminds area residents that registration will continue through Friday, January 23 at the Cisco campus and all off-campus locations. Though there will be no problem in registering as late as January 23, Mr. Odom urges those who wish to take college courses to register now in order to begin attending classes. Classes are presently in session and a minimum amount of missed time is beneficial to the student.

Students may register at the main campus in Cisco, at the Clyde Educational Center, or at the Abilene campus at anytime during regular office hours, 8 a.m. to 4 p.m. Monday through Friday.

### You May Leave It To Us -

....to see that your title index records are kept up to date for that has been our business for many years. The land owner who makes it a practice of bringing his abstract to us for an occasional check has found that it pays off in dollars and cents. A title has some characteristics of the human body in that it has to withstand the ravages of time. While time may cure some titles, it destroys many others. Don't neglect your title.

## New Business In Cisco

**NEW BUSINESS**— Nancy Campbell and Annie Honeycutt, mother and daughter team, are owners of Campbell's Carousel shop, located at 1108 Conrad Hilton in Cisco. They opened the shop on December 13. They carry all sizes of mens, womens and childrens extra nice used clothing. They also carry a few new items. Nancy said they go through the clothes and then laundry them before they are put on display. They will do more remodeling later and they will have some new hand craft items to sell. They have two dressing rooms for customers to try clothes on. Annie is presently a cook at E.L. Graham Memorial Hospital and works part-time in the shop. She has seven children, including Joyce Cagle and Floyd Honeycutt who live in Cisco. Nancy and her husband moved here from Garland a few months ago. They have two children, Martha, a 14-year old eighth grade student and Bryan, an 11-year old fifth grade student. They are open Monday, Tuesday and Friday from 9:30 till 5:30; Wednesday, 9:30 till 5:00; Saturday, 9:00 till 4:00 and closed Thursday and Sunday. (Staff Photo)

## Openings For Summer Positions In Musical

Directors of "TEXAS" seek individuals to fill 140 summer positions for the 22nd season of the famed musical drama that plays nightly except Sundays in Palo Duro Canyon near Amarillo.

Auditions for the salaried positions with the "TEXAS" company are scheduled in late January and February in six major cities in Texas, Oklahoma and New Mexico. Talents of actors, singers, dancers, technicians, musicians and hospitality are needed. Rehearsals begin May 17.

On Saturday, January 24, the first audition will be held at the University of Texas in Austin from noon to 4 p.m. with dancers at 3 p.m. in the ballet room, No. 1172, in the Drama Building.

Dallas is the setting for the next audition, scheduled for Sunday, January 25, on Southern Methodist University campus from noon to 4 p.m. in room H-100 in Owens Fine Arts Center.

To audition for "TEXAS" men and women must bring a picture and wear appropriate workout clothing.

All voice ranges are required, and singers should bring one prepared number of their choice. An accompanist will be furnished or a singer may bring his own.

Since singers also fill minor speaking roles, each should also prepare a one to two minute memorized scene or monologue.

Actors and actresses are required to memorize any scene, not to exceed three minutes, that will accentuate outdoor voice and presence, and also perform a short vocal number.

Men and women with ballet or modern dance training are desired.

Musicians are needed that are experienced in string bass, standard guitar, banjo, accordion and with concert training in violin.

For more information on "TEXAS" call 806-655-2181 or write P.O. Box 268, Canyon, Texas 79015.

## Rebekah Class Given Social By Teacher

On Monday, Dec. 6, at 6:30 p.m. the Rebekah Sunday School Class of East Cisco Baptist Church was given a Christmas social by the teacher, Mrs. Marie Ivie. Each lady brought a covered dish.

After greetings were exchanged, the ladies were seated at the lovely decorated table.

The president, Billie Boothe, asked the blessing before everyone began to enjoy the delicious meal.

After finishing the meal, the ladies exchanged gifts and presented the teacher with a gift from the class, and she gave gifts to each one.

Later, a short business meeting was held with Billie Boothe, president, presiding.

Leona Morton gave a treasurer's report. It was approved as read. After some discussion, it was decided that instead of having a class project, the class members would each contribute either food, money or children's gifts to someone who was in need during the holiday season and just before then. Different ones, at different times, delivered the items.

Those attending, in addition to the hostess, were: Omalee Holdridge, Marie Brock, Billie Boothe, Delores Sharp, Jean Posey, Clara Hallmark, Nita Hill,

Leona Morton, Dessie Covington and Jewel Kinard.

The above named persons enjoyed the following foods: chicken and dressing, two fruit salads, green salad, broccoli casserole, marinated vegetable salad, green beans, macaroni and cheese, chocolate cake, buttermilk pie, and ice box pie.

This reporter has been sick again. That's the reason for delay in getting report to newspaper. Sorry.

## New Business In Cisco

**NEW RESTAURANT**— Ellen and Keith Henson, shown in the above photo are the owners of Henson's Restaurant, a new restaurant in Cisco that will open around March 1. The mother and son partners will offer steaks, plate lunch specials, seafood, mexican food and chicken. The items that they will be serving at lunch will be faster and more economically priced. They will also serve Ken's famous chicken and fish, and they will welcome take out orders. Keith who lives in Olden is the manager at Ken's Chicken and Fish in Eastland. He has been through the Furr's Cafeteria Management Program. Ellen's husband, Ken Henson at one time was a coach for Cisco Junior College. Since then he has opened two fast food restaurants, Ken's Chicken and Fish located in Breckenridge and Eastland. Keith said that he has worked for Ken's since he was 12-years old. They are presently remodeling the building, and once they are open they will be open to all club meetings again. (Staff Photo)

GLAD TO HEAR that the total resources of the First National Bank registered a gain for the three months ending Dec. 31st. Their total was up \$75,000 or so in the 38 millions. The bankers will tell you that their progress is a barometer of community progress ... so, it's good to see the barometer moving upward.

Let's all get our tickets to attend the annual banquet of the CoC on Jan. 23rd to join the community efforts for progress during 1987. You will read all about it in issues of The Press during the next few days.

A JURY NOTICE was received by Miss Doris Jamison, legal secretary at Lawyer Bill Wright's offices, last week. She check in with the 91st Court folks.

"We can't use you," she was told. Then, Miss Jamison learned that one of the lawyers on the trial the jury was summoned for was Bill Wright of Cisco.

CISCO FIREMEN didn't appreciate it when they were called out west late Saturday, Jan. 10, to put out a fire at the site of the recent railway derailment mishap. The cleanup crew had left some embers burning - stuff that had fallen to the ground from their torches used in cutting big pieces of steel. And the embers burned for two or three hours. Somebody turned in an alarm and firemen took equipment out west.

Understand the salvage crew has been cutting the tank cars that can't be repaired into small pieces so same can be carted away.

Local firemen, by the way, wish to say "thank you very much, indeed," to the folks at E. L. Graham Memorial Hospital for snacks and goodies given to them recently. Same were served at a firemen's meeting. The goodies were in appreciation for our fine fire department.

IF YOU WATCHED the television report of last Saturday night's West Texas Rehab Benefit at Abilene you know that a goodly number of Ciscoans made donations to the Rehab and the program was real nice. Understand they raised over a million bucks for the Rehab that serves all of West Texas.

Mr. Tim Jones, band director at Cisco Junior College, was a member of the rehab orchestra that played for the TV program. It was the 12th time that Mr. TJ took his trumpet over to Abilene to help with the music of the annual program ... Mr. TJ and Dr. Martin Luther King have the same

birthdays--January 19th. And local financial institutions and the Cisco Post Office plan to close on their birthdays.

PAT BOONE, nationally known entertainer and good citizen, has written a book that might appeal to some folks. It is entitled "Care and Feeding of Parents."

A NEW BUSINESS in town is Cisco Communications. And the proprietor is Mr. David Gill, local fireman, who spends his spare time dealing in CBs (citizens band radios) and Scanners (radios that let you listen in on police, aircraft and the like).

David told us that he handles several popular brands of these two radios.

YOU'LL BE GLAD to hear that Central Masonry of Cisco, the company that owns the old Reynolds (Kirk) Building at 6th and Hilton, is the contractor for masonry work at the new Phase II elementary school building that is scheduled to go up this year.

Central Masonry operates state-wide doing assorted brick and masonry work on large projects, including hospitals, courthouses, apartments and the like. An Abilene firm has the general contract for the local project.

A VISITOR AT the Hilton Community Center one day last week was Miss Bonica L. Burnham, vice president of the University of Houston's University Park--their Hilton school. She toured the old Mobley from bottom to top and went through the museum.

Miss Burnham said that they'll see about sending one or more groups of Hilton Hotel Management School students to Cisco to see the Center. She was very enthusiastic about the restoration project here.

A DOZEN OR so Ciscoans gathered at K-Bob's Restaurant in Eastland last Friday night and sang the "happy birthday" song to Mrs. Gene (Hazel) Damron of our town. The rich baritone and the nice tenor coming from the group's table belonged to Clifford Smith and O. L. (Robbie) Robinson, respectively, we understand ... Our scouts report that Golf Champion Bennie Nichols is tuning up his game for the coming spring and that he has a touch of gout in one foot ... Photographer James Cotton reports that the new picture developing machine that allows them to advertise "color pictures turned out in half a day" is doing nicely

and they're real pleased with its reception in the community.

MRS. ED (Irene) Wende will be chief chef for a spaghetti and meat sauce supper as members of the Cisco Country Club observe family night Thursday. Same starts at 6:30 p.m. Members should make reservations so they'll have plenty of food ... A mouse hit the fan out at the Bill Reynolds home on South Hilton the other day. Daughter Jill thought she heard noises in the suction fan compartment above their cook stove. Her big brother Van opened a door and saw a mouse dart into the area back of the suction fan. When the fan was turned on, there was a clatter as the mouse was chopped into bits. And Father Bill needed an hour or so to take the fan apart and repair the damage.

WE'RE INDEBTED to Mr. Dale Stewart, local sculptor, for an opportunity to read "Take One Cannon," a Texas historical book by Jane Bradford. The book tells the story of the "come and take it" cannon that was used by Texas pioneers in defending the City of Gonzales against General Santa Anna on Oct. 2, 1835.

Mr. Stewart attended an art exhibition at Gonzales a

few months ago and was presented a copy of the book. It's very interesting and we're returning it to him if you'd like to get on his list to read this record of a cannon, how it was lost and how it was found and placed in the Gonzales museum by a dedicated doctor-historian.

**CJC Announces Dean's List**

Eleven Cisco Junior College students from Cisco are on the recently released Dean's List for the fall semester of 1986.

The Dean's List includes students earning a 3.5 or better grade point average on a 4.0 system.

Those students making the Dean's List were: Terri L. Atkinson, Shelly A. Bean, Ladonna M. Clement, Lisa K. Edebrock, Jerry R. Hastings Jr., Judi A. Jones, Stephen Tracy Jones, Sabrenia K. Justice, Keith A. Reich, Erick S. Roberts, and Kirk Wallace.

**Family Night To Be Thursday**

There will be a family night catered dinner for members of the Cisco Country Club and their families at the club at 6:30 p.m. Thursday, Jan. 15, according to an announcement. A game hour

**Wranglers Basketball Action Resumes Saturday Night Against Ranger**

After a layoff of almost a month for the holidays, the Cisco Junior College Wranglers resumed workouts Sunday night in preparation for the resumption of conference play. The Wranglers had two-a-day practices Monday and Tuesday during registration and revert back to their normal afternoon practice schedule with the start of classes on Wednesday. Their next game is Saturday night at home against arch-rival Ranger at 8 p.m.

The Wranglers, with only one experienced player from

last year's conference championship team, struggled before the holiday break, winning five while losing nine. They are 1-1 in conference play, defeating Southwest Christian 100-92, and losing to TSTI 86-85 in double overtime on a three point half-court shot at the buzzer. Their last outing was a 90-85 overtime win over

Wharton in Austin on December 13. In spite of the poor start, Coach Dan Montgomery feels that the team has an excellent chance to win a playoff spot by finishing in the top four in conference play. McLennan Community College (Waco) is considered to be the conference favorite, but the other three playoff spots should be up for grabs. Ranger, with three top players from last year returning, should be one of the top challengers to MCC.

The Wranglers are a high scoring team averaging 80.1 points per game, but have given up an average of 82.6. Their shooting percentage has been below average (46.4 percent from the field and 64.9 percent from the free throw line), and they must

improve their ball handling. They are averaging 19.6 turnovers per game. Mike Knorr, a 6-5 sophomore from Killeen, leads the Wranglers in scoring (20.3) and rebounding (10.5). Johnny Hudson, a 5-10 redshirt freshman from Clint, is the assist leader with 4.4 per game. Sherman Ray, a 6-4 freshman from Amarillo, leads the team in both field goal percentage (61.5 percent) and free throw percentage (81.8 percent). He has played in only seven games because of a knee operation, and the team has showed considerable improvement since his return.

**CJC Announces President's List**

Three Cisco Junior College students from Cisco are on the recently released President's List for the fall semester of 1986.

Students making the President's List have made a straight "A" record on a 4.0 system.

The students making the President's List were: John M. Bailey, Jeffery Kinser, and Margaret J. McKinney.

Wharton in Austin on December 13.

After the Saturday night game with Ranger, the Wranglers return to action on Monday, Jan. 19 against Cooke County at home.

# Homemaking Hints

From Janet Thomas, County Agent

## LESS EXPENSIVE DOESN'T MEAN LESS NUTRITION:

Spending more money on food doesn't necessarily mean you're getting more nutrition. Consider the following examples:

-Enriched specialty breads, such as French and Italian, cost up to three times more than enriched white bread with similar nutritional value.

-Parboiled (converted) rice and regular rice have the same nutritional value, but the converted rice costs twice as much.

-Fresh, frozen and canned fruits and vegetables have essentially the same nutritional value. Fresh produce in season is usually cheaper.

-Nonfat dry milk, skim milk, lowfat milk and whole milk have the same amount of calcium, riboflavin and protein. Nonfat milk is the least expensive. If there are sales among different types of fluid milk, you would get the same nutrition by buying the least expensive as the most expensive. But do remember that for children under 2, whole milk is recommended.

-Lean meat from a lower cost cut is similar in food value to lean meat from a higher cost cut. For example, cooked lean from a pot roast or round steak, trimmed of fat, is as nutritious as porterhouse steak, trimmed of fat.

If you are on a tight budget

for good, you don't need to feel like you're short-changing your family nutritionally. Most of the added cost for food products pays for packing and convenience.

If you stick to basic food products, you can save money. And if you buy a variety of foods from the basic food groups of meat, poultry and fish; breads and cereals; fruits and vegetables; and dairy products and fish; breads and cereals; fruits and vegetables; and dairy products, you can be assured you're getting sound nutrition for your money.

Anyone needing specific information on nutrient content of foods, weight control or controlling cost of food should stop in the Extension office located in the basement of the Courthouse.

**TRIMMING EXPENSES:**  
When money is tight, every small expense can add up. So before making a purchase, "test" you need for it with the following questions. Can I do without it? Can I postpone the purchase? Can I substitute something else that costs less? Can I shop around for a better deal? Can I use my own skills to make it myself? Do I already own one?

Family finances is one of the 12 statewide issues identified for Texas Agricultural Extension Service programming in the 1990's.

During the next few weeks, watch this column for

ideas on being a better family financial manager.

## RECIPE FOR THE WEEK:

After the holidays, you may be enjoying some low-calorie foods. A new recipe I have is for Chicken Oriental, and has 153 calories per serving.

**CHICKEN ORIENTAL:**  
1 1/2 lbs. boneless chicken skinned  
1/2 cup soy sauce  
1/2 cup white wine  
1 clove garlic  
1 tsp. ginger  
1 tsp. cornstarch  
2 packets artificial sweetener (Equal)

Slice chicken into 1/2 inch strips. Arrange in shallow casserole. Combine soy sauce, wine, garlic and ginger. Pour over meat, cover and refrigerate. Marinate 2 hours. Drain meat. Broil chicken 1 1/2 minutes on each side. Pour marinade (1/2 cup) into saucepan. Add cornstarch and cook over medium heat, until sauce thickens. Remove from heat, stir in sweetener. Serve sauce over chicken. Makes 6 servings (about 3 ounces of chicken and 2 tsp. sauce each.) 153 calories.

# Anniversary Celebrations...

## Beens To Celebrate 50th

Truett and Oleta (Leta) Been will be honored with a reception at the Womans Club Building in Eastland, January 24, from 2 until 4 p.m. in honor of their 50th Wedding Anniversary.

Hosts for the celebration will be their children, Bob and Kay Robinson of Seminole, and Ray and Owana Been of Grand Prairie, and their five grandchildren.

Truett was born in Eastland and graduated from Eastland High School, and attended John Tarleton and Daniel Baker Colleges. Oleta Oliver was born in the

Neil Community of Taylor County, and graduated from the Wylie High School. They met in Abilene and were married January 23, 1937 in Cisco, by Dr. E.S. James.

During their marriage they have lived in Abilene, Sweetwater, Oklahoma City, and Grand Prairie. The last twenty-five years before retirement Truett was in sales and management for the J.V. Smith Sales Co. He retired in 1979 and they moved to Eastland.

They are Baptists and are active in the First Baptist Church of Eastland.

## Schaefers To Celebrate 60th

Mr. and Mrs. Rudolph Schaefer will be honored on their 60th wedding anniversary with a reception on Saturday, January 24, 1987, in the Fellowship Hall of the First United Methodist Church in Cisco, from 2 to 4 p.m. Children, grandchildren, and a niece, Betty McGrew will host the reception. All friends and relatives are invited to join in the joyous occasion. The couple requests that no gifts be given.

Lola Belle Lennon was born Jan. 26, 1906 in Alma,

Texas. Rudolph was born Jan. 29, 1902 in Nimrod, Texas. They were married January 28, 1927 at the First Methodist Parsonage in Cisco by the Reverend P.T. Stanford. They have resided in Cisco since their marriage.

The couple's children are Mr. and Mrs. Gene Schaefer of Austin, Mr. and Mrs. Joe E. Schaefer of Arlington, Mr. and Mrs. John Harris of Borger, and Mr. and Mrs. Bob Moser of Ft. Worth. They also have 14 grandchildren and 5 great grandchildren.

## Leon Valley Angus Assoc. Meeting Monday

Leon Valley Angus Association will hold a dinner meeting Monday, Jan. 19, at 7 p.m. at K-Bob's Steak House in Eastland. President Glenn Hubbard of Eastland has invited all area cattlemen to attend.

## Kiwanis Sponsor Two Athletes

Eastland County Special Olympics would like to express our appreciation to the Kiwanis Club for their sponsorship of two athletes.

The Area 14 Special Olympics Organization will present a Telethon, which will be aired on K-TAB on February 28, 1987 from 3:00-6:00 p.m.

All items donated to the auction board and contributions collected from Eastland will go to Eastland Special Olympics.

We need the support of the community. A contribution of \$5.00 for a haircut will even benefit the athletes. Look for more details at a later date.

## I've Been Wrong Before

by Gordon S. Clark

It seems to me that there is no good law that men can't mess up. The spirit of a law is always cut down to the letter of the law. Thus, in what was once considered a Christian nation we find law used even as some used religious law two thousand years ago.

You may recall that the old moral-religious law mandated that offspring take care of the parents in their old age. However, as Christ stated, some shirked that responsibility by claiming that all their property was dedicated to the religious institution and thus not theirs to provide for parents. Still, they did quite well for themselves as "God's Manager" for those worldly goods.

In like fashion we have a moral obligation to pay our debts. However, some people get in deeper than is wise or conditions beyond their control render them insolvent. Therefore, it was to provide that the loss should be distributed equally among creditors that Bankruptcy laws came into being. BANKRUPT came from the old Latin definition of what happened when a "bank" of a seculator where trade was carried on on benches called "banko" became insolvent. The creditors then smashed the traders bench "ruptured it" and he ceased to do business. Also, a bankrupt individual was likely to find himself and family in slavery. Being of more gentle sort, we simply decide that the bankrupt individual was to remain out of business for a specific period of time. He and family were even given a subsistence unit called homestead on which to earn a living.

Enter corporate law and the spirit of the law went out the window. Dishonest men organize corporations (a corporation is defined as a legal person). When the corporation goes bankrupt that legal entity "dies" and creditors can't do anything to the corporations "founder-father," meanwhile that same person is free to found another corporation to skin another batch of suckers. Often the new corporation is formed before the old one goes under and assets are transferred to that one, thus putting them beyond the reach of creditors. Still operating within the law, the crooks

can have several corporations going at the same time. In bankruptcy only the skeleton may remain with the lawyer brotherhood chewing on them until there is not even a bone thrown to creditors.

I once went badly broke in a business but because Mother taught me that bankruptcy was a dishonest way of beating one's debts I simply got a job at common labor in Calif. (where wages were uncommon high) and in three years paid all my creditors. If you work hard enough you generally sleep well, too tired to worry.

But what about big "honest" corporations? Certainly some are honest. The catch lies in the fact that corporations are run by a collection of individuals and they can be even more heartless.

Today we see American farming taken over by too many corporations with high-tech devices and low moral standards.

Fully aware that not everybody has the ability to run a business and some have not the slightest desire beyond a paying job, with yet others looking only for a handout, there is a point beyond which moral individuals should not grow.

I guess I simply didn't go to church often enough but I never heard a preacher give a sermon fully bringing out the modern application of Isaiah 5:8 "Woe unto them that join house to house, that lay field to field till there is no place."

It may be that preachers hesitate to castigate the wealthy or the land-hog who may contribute to their support or maybe such words would be wasted in any of the small churches I have been in. But after all, the LOVE of money is the root of evil, not cash itself and can not a poor man LOVE it dearly or desire to become a land baron?

I leave it for any who care too, to decide how far down the line from the Corporate Raiders of Wall Street the curse of God mentioned in Isaiah extends, but I long ago ceased to look to economic legislation such as antitrust laws for control of avarice in the world dominated by Mammon. Neither should the law become as a god itself upon which to place infinite trust to defend us.

## New Life In The Dead of Winter

(ED. NOTE: The following article was written by Jimmy Kinnaird, a 1980 graduate of Eastland High School, son of Mrs. Donald Kinnaird. Jimmy is presently Singles Minister of the Williams Boulevard Baptist Church of Kenner, La., (a suburb of New Orleans). He is due to receive his Masters Degree from Southern Seminary this spring, and this article appeared in the winter issue of the church publication.)

### New Life in the Dead of Winter

by Jimmy Kinnaird  
Growing up in Eastland, Texas in the wintertime had its advantages and disadvantages. An advantage was the ice and snow each year that would allow us to miss 2 or 3 days of school. A disadvantage was trying to get up on those cold mornings when we had school.

Our house was built facing east. My bedroom is exposed to the north. Three of the 4 walls of my bedroom are outside walls to the north. My room was and still is the coldest room in the wintertime.

Sometimes the water pipes froze going into my shower. This pretty much put me out of business. I would have to go bathe at the other end of the house.

Sometimes our lives have a "freeze up" much like my shower. We go through periods of coldness to God. The flow of His spirit has stopped in our lives. The things that we do for God have lost significance, and meaning. Life seems to have stopped, or the pipes have frozen and the water cannot flow. We look around and wonder, "what has happened?" The flow of life from God seems to have died. We know that God is still present, so we check ourselves to find the problem; and we cry out, "Lord, warm my cold heart (pipes) and let your spirit (water) flow in me again!"

What are some steps we can take to bring new life in the dead of winter? I think that we can take a tip from the season and from John 12.

God in his sovereignty has ordained the seasons. To have a summer, you must have a spring, you must have a winter. To have a new life, you must first forsake your old one. Jesus said, "Verily, verily,

I say unto you, except a corn of wheat fall into the ground and die, it abideth alone; but if it die, it bringeth forth much fruit." Jesus was saying that in order for wheat, or anything else to grow, it must first die. This must seem confusing at first, but read on.

My grandmother used to have a huge pecan tree in her front yard. That huge tree grew from a small seed. To get the tree, the seed had to die to itself in order for the tree to grow. That tree gave us many pounds of pecans every year. What good would the seed have been by itself? No much, and surely none for others. In dying, the seed fulfilled its purpose, and blessed others. Life truly came from dying!

We can match the natural principle with a spiritual principle. Let's take a look at verse 25. "He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal."

Jesus is telling us that the selfish life is death. When a person lives for self, he does no good for others and ultimately none for himself. The Greek test is more explicit. It says that you who love your life are losing it even now. You are feeding on self and consuming your strength on self. This is a hopeless cycle that can only end in death - he that loveth his life, in this life, is even now losing it. Wait! There is hope! The last half of the verse says, "and he that hateth his life in this world shall keep it unto life eternal." Even in the dead of winter, even when the frost of a spiritually cold life is over in your heart, you may die to self and receive that new life in the dead of winter. This is only possible by dying to self and then turning to Christ repentant for selfishness and a new commitment to Him.

Dr. Weust does a much better translation of this than I could ever hope to do. He says of John 12:26, "and he who is hating his soul life in the sphere of this world with a view of life eternal, is preserving it safe and unimpaired." New life is eyes, heart and mind focused afresh on Christ, who is our life, with a total commitment on Him. This life is guaranteed, being preserved safe even now, and forever.

This Bishop of Antioch, Ignatius, knew the meaning of this. About the year 110 A.D. the Emperor Trajan, on a visit to Antioch, ordered Ignatius to be arrested; the Emperor himself presiding over the trial, sentenced him to be thrown to the wild beasts of Rome. En route to Rome, he wrote a letter to the Roman Christians begging them not to procure his pardon; that he longed for the honor of dying for his Lord; saying, "may the wild beasts be eager to rush upon me. If they be unwilling, I will compel them. Come, crowds of wild beasts; come, tearings and mangleings, wracking of bones and hacking of limbs; come, cruel tor-

tures of the devil; only let me attain unto Christ." (Halley's Bible Handbook, Zondervan, 1965, pg. 763.)

Ignatius truly found life in the dead of winter. Have you? I plead with you, turn from the dead, selfish living and turn wholeheartedly to Christ. Pray this prayer:

Lord Jesus, I am tired of the life that I have. Give me fresh new life. Lord, I turn from my selfish ways, to you, who gave of yourself so completely for me. Help me to do your will in my personal life, church, work, and in all other areas. I give control of my life to you Jesus. Guide me, in Jesus name I pray, Amen.

### RESOLUTIONS

It is customary for those of us who make resolutions to make them in the holiday season for the New Year.

As I rip another year from my calendar, I consider my resolving habits. Years ago, my father-in-law deflected my January 1 resolutions by remarking that he considered New Year's Resolutions more likely to be binding if made on one's birthday. I have only semi-tested this.

Poppy reasoned that your birthday was a personal thing. Regardless of how many other individuals shared it, the whole world didn't set off resolutions, like firecrackers, at the same time.

I never questioned Poppy too closely on the beat of the drum he stepped to on resolutions or other things. For example: He preferred to return thanks after he had eaten. There is a certain logic about that. It appeals to the off-beat worry wart in me that envisions a tornado whisking a Thanksgiving plateful from under my nose before I can grab a turkey leg. Or what if a pack of dingo dogs comes frisking through the dining room and stops for the pause that refreshes from my food and drink?

The idea probably was not to waste time being thankful for something you didn't get. However, contradictory as it sounds, I will gladly waste time, breath, or what it takes to give thanks for not getting smallpox, polio, the Bubonic Plague—even an ingrown toenail.

Well-back to resolutions for the new year that your birthday begins. There are other possibilities, too. I have a hard time remembering other folks' birthdays, but if I forget my own—and I have once in a while—some one usually reminds me, if only to gloat. That birthday, I know.

Why not send birthday

cards to everyone on your own birthday instead of theirs? It would make sense. You wouldn't have to mark up calendars nor little books nor make notes—all of which I misplace before needed anyway. What the stationers lost on the little black books, they could more than make up on card sales...or run a special on little black books for the singles.

If resolutions are made on your birthday, you're likely to be the only one to pay any attention to whether you keep them or not. This should relieve peer pressure, such as, "Get away from that refrigerator!" Or "You forgot to pay the gas bill."

It might even lessen your guilt trips over, "Just one slice of pecan pie," or "I'll vacuum under the bed next time," or "If I back the car in, maybe I can get by with that very small dent in the fender."

Maybe, given enough Firsts of January without resolutions, we could forget them on our birthdays, too.

Why do we have this hangup on Change? I don't believe announcing you're going to change works very well anyway. The declaration of an intention seems to weaken it. However, I think this going public with a resolution works just often enough to keep people making them.

It is all very well to decide you are going to lose thirty pounds (or fifty, or a hundred), but you say it out loud and changes of actually doing it are against you. The perversity of friends and relatives is absolutely amazing. "Have a brownie—just one won't hurt you." "This French toast is delicious! Just one slice?"

Your inner self is of little help most of the time because it knows what a good person you are and you

deserve a reward—the stickier, richer and more caloric, the better! It doesn't seem whether it's another you go to work—or both of them—your inner self usually indulges you. Doesn't it?

However, you do have a sporting chance of winning if you keep your battle—your resolutions—between you and yourself. I think. I am trying this out on the resolutions this year. It is too late for the birthday cards as my

natal day for 1987 is already gone. I am putting Poppy's personal resolutions to the test, but my lips are sealed on what the resolutions are!

I'll let you know next year how it works out...I've made a note right after the page I've started for birthday cards.

Editor:

In this time of hustle and bustle and everyone being very busy with their own problems, we sometimes forget to look around us at other people's troubles. This is a good time to take the time to help someone else.

In the Nimrod Community there is a young lady who needs your help and mine. Mrs. James (Frankie) Letney is going into Methodist Hospital in Houston the 26th of January for extensive surgery on her spine.

Several years ago Frankie was injured in a car accident that left her bent double at the waist. She refused to give up and has had several surgeries to correct this condition. She has had two children and has been a very good mother, wife and homemaker. She has the most fantastic mental attitude. Her physical condition has not fared as well.

The doctors in Houston have told her she must go through three very extensive surgeries to correct and completely redo all of the work the previous surgeries had corrected.

Due to new techniques and advances in modern surgery they are now able to perform operations that were unheard of when they first started working on this condition.

Frankie needs your help in obtaining blood needed for these operations. She has B Positive blood and all blood can be donated in Abilene at Mary Meek Blood Center on Hickory Street. If someone interested in donating blood does not have a way to Abilene one will be provided by calling Nema Parker at 629-2244.

She will need 15 pints of blood for the three operations. The blood must be B Positive as this blood will be processed and shipped to Houston. She feels safer with blood donated locally than with blood from the blood banks in Houston, so there can be no credits given for other types of blood.

Anyone caring to donate blood to Frankie must state to the personnel at Mary Meeks Blood Center who this blood is for and that it goes to Methodist Hospital in Houston.

Surely there are 15 people in Eastland County with this type of blood who can help this courageous young lady. Your time and effort will be well spent and greatly appreciated by the Letney family. Blood may be donated anytime Monday through Friday from 8:00 a.m. to 5:00 p.m.

And on Thursday the blood center is open until 7:00 p.m. The Blood Center is located at 1825 Hickory in Abilene, Texas.

## You can be earning tax deferred interest on your life insurance. Ask E.F. Hutton how.

E.F. Hutton Life Insurance Company is now crediting 9.0 percent on the account values of its universal life insurance policies. Think of it: that's better than the 6 percent or 8 percent you'll get today on MONEY MARKET FUNDS, TREASURY BILLS, and CERTIFICATES OF DEPOSIT. And since interest credited to your Hutton Life universal life policy is tax deferred, it grows faster than in taxable vehicles. But unlike these investments, Hutton Life's universal life offers much more. Benefits like:

- Permanent life insurance, providing tax-free estate protection for your beneficiaries.
- Competitive interest rates, guaranteed for one full year.
- Tax-free access to your cash value through low-cost policy loans.

## Cisco AARP To Sponsor Tax Aide Seminar

The Cisco Chapter of AARP will sponsor, in cooperation with the IRS, an income tax training seminar for volunteer tax counselors at the Hilton Community Center.

Tax-Aide counselors will receive 40 hours of training during the week of January 19, 1987 to bring them up to date on the changes that have been made on the federal income tax return. The seminar will be conducted by IRS certified instructors from the Dallas district. Counselors will be coming from Eastland, Gorman, Cross Plains, Breckenridge, Albany, May, Brownwood and Cisco to be certified as tax counselors for the elderly.

The Tax-Aide program of the AARP, the largest of all the associations volunteer programs, is a program to provide free income tax assistance for the elderly and for taxpayers who are unable to afford professional assistance.

In 1986 the Tax-Aide program completed or assisted in completion of over one and one third million returns with an accuracy rate of 95.7 percent. There are over 21,000 volunteer counselors

in the program who staffed over 8,000 sites. Counselors also visited over 30,000 shut-ins that were in hospitals, nursing homes and in their own homes.

Counseling sites will be ready to assist any taxpayer needing help on February 1, 1987 thru April 15, 1987. In Eastland County there will be counseling sites in the Senior Citizens Centers in Cisco, Eastland, Ranger and Gorman. Persons who may be shut-in, in nursing homes, hospital or unable to go to a site may receive assistance by telephoning their nearest Senior Center and a counselor will make an appointment to visit them.

the dentist. A very stable, and secure denture which can be removed by the dentist can also be constructed.

The procedure involves cutting through soft gum tissue to the jawbone where surgeons especially trained in the procedure, drill into the bone and insert titanium screws as anchors for the dentures.

Three to six months later, when the wounds have healed, a small incision is made in the gum tissue above each of the screws, abutments are connected to the screws and the wounds are closed.

In a few more days, a denture is screwed onto the abutment for permanency, subject to removal only by

Generally, patients who choose dental implants are individual where the bony support for the removable dentures has receded. Implants can be the long awaited solution to the embarrassment and discomfort of loose dentures.

**CISCO**  
Tickets are now on sale for the Annual Banquet of the Cisco Chamber of Commerce, which will be Jan. 23. The cost is \$7.50, and tickets may be purchased at the Chamber of Commerce office, First National Bank, Olney Savings, or from members of the Board of Directors. The dinner will be held at the Cisco Junior College Agricultural Bldg., with the Inn and Steak House catering. A highlight will be the announcement of the 1987 program of work by President Roy Dennis. Annual awards for community service will also be announced. The Rev. Buddy Sipe, well-known Baptist minister, will serve as Master of Ceremonies.

Proposals to air condition Schaefer Hall and to make changes in the return air ducting system of the Fine Arts Building were considered by the Board of Regents of Cisco Junior College at their monthly meeting. The two proposals were referred to the Board's building committee for study and recommendations. This committee is composed of Regents Rudolph Schaefer, J.D. Yardley and Charles Preston.

The contract of Ray Saunders as superintendent of the Cisco schools has been extended for a year through 1988-89 by the Board of Trustees. Mr. Saunders is in his second year as head of the school system. In other action, the Board decided to hold up a proposal concerning disposal of the old Primary School building on Ave. A for further study. The Board ordered an election for April 4 to elect trustees for Places 4 and 5.

A number of plans are underway for the Hilton Community Center. A motion picture film series developed by James Dobson, nationally known family therapist, will be sponsored by the Cisco Ministerial Association at the Center in the near future. President Eris Ritchie of the Hilton Board reports. The Board has also begun steps to invite the American Antique Car Association to make a "pit stop" at the Center on July 4. The Association will be making a coast to coast trip across the country in 1987, and will pass through Cisco on that date.

**RISING STAR**  
The Rising Star City Council has approved a plan for the City to dig a ditch to Lakewood Country Club, with an hourly wage to be paid to the City Employees by Lakewood Club. This Club is situated in an attractive area west of Rising Star, just off the Cross Plains Highway.

Alta Mae (Moore) Wilson is retiring this week after 23 years of service as Nurse's aide at Rising Star Nursing Center. Mrs. Wilson is highly praised by residents and staff alike, who describe her as a kind and considerate worker. "She can get a smile or other response from residents when no one else can," says Terry Horton, Director of Nurses. A retirement party was held in Mrs. Wilson's honor at the Home last Monday.

Brenda J. Bennett of Rising Star has opened a new business in town. Called "Buttons and Bows", it is a station for dry cleaning and laundry as well as a site for alterations and tailoring. The location is 101 West Highway 36. Mrs. Bennett has eight years of experience in alterations and tailoring, plus her years of winning 4-H competitions. The public is invited to use the services of this facility.

**EASTLAND**  
Four Eastland High School students, an Eastland Farm Family and two Eastland men were honored during the Eastland Chamber of Commerce Golden Deeds Award Banquet held Jan. 12 at Siebert Elementary School. The 1987 officers and directors of the Chamber were also announced during the meeting, with Joe Taylor named as the incoming President. Students receiving awards were Angela Gregory, Michael Wortman, James Ritter and Becky Bullock. The Farm Family Award was presented to Mr. and Mrs. Norman E. Richardson of Morton

Valley. Judge Jim Wright on behalf of the Chamber, presented the Golden Deeds Awards to Ray Pruitt, educator, and to Steve Haines, Eastland businessman.

John Berry, acting Chairman of the Eastland Fine Arts Committee, has announced a meeting for Monday, Jan. 19, 7 p.m. at the newly named Civic Theater, formerly the Majestic Theater. This meeting, Berry says, will be for the Committee to look at the building once again, and to plan for the use of the property. Anyone interested in voicing an opinion and/or offering their assistance with the Civic Theater is invited to attend the meeting.

Billy Claborn is retiring Jan. 30 as Maintenance Supervisor III of the Eastland office of District 23 of the State Highway Department. The person who will fill this position will be Ted Kirby, who has been an assistant in this Department since 1982. A party is planned at the East Main Street Maintenance Headquarters on Friday, Jan. 30 for Claborn, and after that he will be home taking care of his cattle and maybe doing a little traveling. His wife, Betty, will continue to work for the Eastland County Abstract Co. Claborn says the thing he remembers most from his 25 yrs. with the Highway Department is the train derailment in 1965. "One of those is one too many," he says.

**RANGER**  
The Citizens For Good Government will meet in Ranger at the Community Clubhouse at 7 p.m. on Monday, Jan. 19. The main item under discussion will be the Ranger City Election in April. The Mayor's office and that of all four City Com-

missioners will be on the ballot in that election. The public is invited to the CFGG meeting and gain information on this election and its candidates.

Annexation of Highway 80 (at the 355 marker) and patrolling by City Police on I-20 were topics of a heated debate at a City Commissioners meeting Jan. 12. This was the first of two public hearings on the annexation. Bob Green, a local businessman, was a spokesman for several citizens who did not wish the annexation nor want the City patrols on I-20. Green said that the "I-20 speed trap" looked bad on Ranger and was deterring business from the town. Eddie Wallace also spoke against the annexation and I-20 patrolling. The second public hearing on annexation will be held at a Commissioners meeting Jan. 26.

Ranger Junior College will continue Spring Registration on Monday, Jan. 19. You may apply during business hours at the Administration Building.

## Pickup Theft Has Speedy But Short Ride

By Maybelle Trout  
A man who stole a pickup truck in Clyde Thursday afternoon had a short but speedy journey.

Timothy Mitchell Curtis, 21, of Godley, was arrested about halfway between Cisco and Eastland by D.P.S. Trooper Steve Foster.

The red and white 1977 Chevrolet pickup was reported stolen in Clyde only 45 minutes before the 5:30 p.m. arrest. Curtis was arraigned in Eastland before Justice of the Peace R.G. Lyerla then turned over to the Callahan County Sheriff's Department.

Trooper Foster said he was working in the D.P.S. office in Eastland when he heard Callahan County broadcast details of the theft. Foster began traveling west on I-20 looking for the pickup. East of the White Elephant Restaurant in Cisco, he spotted the east bound truck. Then he said

"the chase was one." Instead of stopping, Curtis attempted to flee part of the time reaching 95 miles per hour. Curtis left I-20 at the 183 exit in Cisco where he ran a stop sign, crossed the highway, then swung back up on I-20 with Foster following behind. Foster said he ran behind Curtis, then beside the speeding vehicle. After a few miles he managed to get in front of Curtis, and remained in front of the vehicle, and gradually began slowing down successfully getting Curtis to slow down. Curtis was finally stopped and arrested by Foster. Cisco Police Officer Kenneth Preston arrived on the scene in time to assist Foster in applying handcuffs. Foster said it is his
