Motel Tax Matter Is Tabled For Further Study At Cisco City Council Meeting

LYNN WAGES

Merle Norman Studio Is Business Of The Week

The Cisco Business of the Week is Merle Norman Studio located in the Eastwood Village Shopping Center, 207 East 8th. The owner is Lynn Wages, shown in the above photo.

Lynn bought Merle Norman in October of 1984 when it was located at 614 Conrad Hilton. They moved to their present location in March of 1986.

Lynn's husband, Dick, works for Rockwell International. They have two children, Robert, a junior at Cisco High School and Dee, a

sophomore at Cisco High School.

Merle Norman offers a complete line of Merle Norman make-up, and they also sell jewelry, clothes, perfumes, gifts and they have a tanning bed and offer body wraps. She also gives free facials to women who come into the store to try Merle Norman make-up. Lynn said that right now they are having a Spring Promotion and she would like to invite everyone to stop by her store.

Action on an amendment to the City of Cisco's Hotel Occupancy Tax Ordinance, raising the tax to seven per cent on hotel and motel charges, was held up after delegations for and against the measure appeared before the City Council at the regular semi-monthly meeting last Tuesday night.

The city presently collects a two per cent tax on motel and hotel receipts and raises some \$5,000 per year for use by the Chamber of Commerce in promoting tourism. The extra five per cent was proposed to provide additional funds to help support the Hilton Community Center, a top community tourist attraction.

President Eris Ritchie and all members of the official board of the Hilton Center attended the meeting, and Mr. Ritchie urged passage of the tax. He called attention to the restored Mobby's value

as a tourist attraction. The building is being used as the Chamber of Commerce offices as well as a community center and attracts a continuing stream of visitors.

Four motel operators were present and spoke in opposition. They said an added tax would have to be absorbed by the motels for them to remain competitive with motels in adjoining cities. The group included Arlie Bledsoe of Oak Motel, Sandy Guthrie III of White Elephant Best Western Motel, Kenneth Way of the Cisco Steak House and Inn and Maudie Husband of the J&M Motel.

After hearing the two groups, the Council voted to table the matter for further study. It was expected to be on the agenda for an early meeting of the Council.

In other action, the Council reviewed the health insurance proposals for city

employees and decided to continue with Blue Cross and this firm's coverage has been satisfactory and their rates equal or below other firms.

City Manager Mike Moore was asked to contact city employees to determine their interest in a group dental program at no cost to the city.

The city manager gave the Council a briefing on recent conferences with Westbound Water District officials regarding a new contract. The city has been charging Westbound \$1.10 per thousand gallons with 17 cents

going into an escrow account, giving the city an effective 93 cents rate, for the past year, and a settlement on a new contract is expected soon. Mr. Moore reported. Westbound's directors held a meeting Tuesday night and they, too, discussed the matter.

Mayor Joe Wheatley presided over the meeting. Present were Councilmen Allen Masters, Roy Dennis, Bobby Ingram and Arlie Whitley, City Manager Moore, City Secretary Ginger Johnson, and City Attorney Bill Wright.

CHS Student Is In Fort Worth Hospital

JANA YOWELL

Jana Yowell, 14-year old daughter of Jimmy and Diane Yowell is in the Children's Hospital in Fort Worth.

Jana was taken to E.L. Graham Hospital last Sunday morning and then to Hendrick Hospital on Monday. They ran a cat scan there and she was transferred to Fort Worth Wednesday where she is being treated for a brain hemorrhage according to reports Friday morning. Her parents are with her in Fort Worth.

Diane teaches the first grade in Cisco Elementary and Jimmy is the junior high science teacher.

Cards and letters may be sent to Jana Yowell, c/o Fort Worth Children's Hospital, 1400 Cooper Street Room 109, Fort Worth Texas 76104-2972.

Feb. 27 Is Deadline For Applications

Applications are being accepted until February 27 at the Chamber of Commerce office for the annual "Christmas in May" project. Linton Batteas, chairman of the program said a drive for funds has begun.

The project is sponsored by the Cisco Chamber of Commerce and works with many of the churches in the area and much volunteer labor. The program calls for housing repair for the elderly and handicapped. Money contributed to the project by citizens, organizations and businesses in Cisco is spent only for materials to make the repairs. The labor is strictly volunteer.

The procedure for selection begins with people who

would like to have their houses considered for the project to obtain an application at the Chamber of Commerce and have it filled out and returned. To be qualified for consideration, applicants must be 60 years old or older or handicapped (if not elderly); and have a low income (financially unable to afford repairs, receiving Social Security or Veteran Benefits).

Each application will be reviewed and each home will be visited by the selection committee. A survey will be made to determine what repairs are needed. If selected, the home will then be included for repair by the volunteer labor force in May.

Anyone interested in donating time or money to the project may call the Chamber of Commerce office in Cisco. Appeals have been mailed to the Chamber of Commerce members, churches, and civic clubs in the area. It is hoped that at least \$3,500.00 can be raised by a March 20 deadline so plans can proceed on the project.

The "Christmas in May" has been recognized as an important program to improve the homes of those in the community who cannot do it themselves. If you can pledge time or money please call 442-2537 or come by the Chamber Office at the Hilton Center.

Woman Is Arrested In Murder Case

Barbara Williams, 38, of Austin has been arrested on charges of murder and conspiracy to murder in connection with the 1981 death of Debra Garcia, Cisco convenience store employee who was kidnapped and murdered, according to authorities Friday.

Mrs. Williams, ex-wife of one defendant and the mother of two others indicted in the case, was apprehended in Austin by the Travis County Sheriff's office and is in jail there, Special Prosecutor Bill Hart reported. She formerly lived in Cisco.

Prosecutor Hart said that Mrs. Williams will be returned to Eastland County and that he will ask the 91st District Court to add her name to the list of persons who will be tried in the murder case. Mr. Hart said that recently obtained new evidence was presented to the grand jury and the indictment of Mrs. Williams

Two men, Charles and Thomas LeFlore, are serving sentences of 65 and 50 years, respectively, after pleading guilty to the Nov. 29, 1981, slaying of Mrs. Garcia whose body was found in a roadside ditch west of Cisco a few days after her disappearance.

A third person, Brenda Gail Perry Andrews, also pleaded guilty to criminal conspiracy and received a 10-year probation sentence. She has been re-indicted in the case, along with Richard Edward Hinton, Joe Thomas Perry, Pat Starr and Elizabeth Ann Perry Peacock.

Mrs. Williams is the ex-wife of Joe Thomas Perry and the mother of Mrs. Andrews and Mrs. Peacock.

Mr. Hart said a second pre-trial hearing was set for Feb. 20th and Mrs. Williams is expected in court at that time. All of the defendants with the exception of Perry and Mrs. Williams are free on bond.

EVELYN KIRK

Evelyn Kirk Is Cisco Teacher Of The Week

Our teacher of the week is Evelyn M. Kirk, who teaches fourth grade at Cisco Elementary.

She is married to Cisco attorney, Truman Kirk and they have two sons, two daughters and six grandchildren. Kendall, Karen and Kay are married and have families of their own. Sixteen year old Kevin is a junior at Cisco High School.

Mrs. Kirk graduated from Abilene High School and received her B.S. degree from Hardin Simmons, Magna cum laude. She majored in Elementary Education and minored in English. She has done graduate work at Hardin Simmons and Tarleton.

Most of her teaching years have been in fourth grade and it is her favorite age to teach. She has taught in public schools of San Angelo, Austin, Odessa and Abilene before moving to Eastland

County. The last eighteen years have been at Cisco Elementary.

Mrs. Kirk says that she "accidentally" chose education as a career with no real idea as to whether it would be one she would enjoy. She feels it was a lucky choice since she can think of nothing else she might have done that would have been more challenging or rewarding.

Mrs. Kirk is a member of Delta Kappa Gamma (honoring teacher society), Texas State Teacher's Association and National Education Association.

She and her husband are members of the Microplex Photo Club, the Big Country Arabian Horse Club and the Abilene Bar and Auxiliary. They are members of the First Baptist Church of Cisco.

This striking model of Willie Nelson by sculptor Dale Stewart has been approved by the famous singer. It will be cast in bronze. (Photo courtesy of James Cotton)

Willy Approves Sculpture

Willie Nelson, famous Country Western singer, has approved his sculptured portrait done by Dale Stewart, bronze artist of Cisco.

Stewart began work on his model of Nelson about a year ago. Recently he viewed a late VCR of the singer and was able to refine and update the likeness.

After Stewart completed the clay sculptured model he asked James Cotton of Cisco to take photographs of it. The pictures, which showed fine detail, were sent to Jaipeno Sam, a local

friend of Willie's. When the singer saw the pictures, he gave approval for casting the bronze sculptures.

One sculpture will be available with the purchase of raffle tickets to a farm aid benefit to be given by Willie Nelson in the near future. Another will be presented to Willie Nelson at that time by Dale Stewart.

The bronzes will be cast at Hoka Hey Foundry near Dublin, and their casting and finish work is expected to take at least a month.

Dr. John Muller Files For City Council Candidate

Dr. John Muller, dean of students at Cisco Junior College, has filed as a candidate for Place 6 on the City Council. It was reported Thursday by City Secretary Ginger Johnson.

Dr. Muller, a native of Burk Burnett, has lived here 12 years. He holds a bachelor's degree from the UT-Arlington, a master's degree from NTSU, and a doctor's degree from the University of Missouri. He has been active in community affairs for several years.

Two vacancies will be filled in the April 4th election - Places five and six. Incumbents Bobby Ingram and Burl Chambers have indicated that they will not seek re-election.

Deadline for candidates to file for places on the ballot is 5 p.m. on Feb. 18th, Mrs. Johnson said.

Country Western Musical To Be Held

The Country Western Musical will be at Cisco Corral Room on Saturdaym February 14. It will start at 7:00 p.m.

Everyone is invited, especially area musicians. There will be a concession stand.

religious services

Gunsight Community Services will begin Sunday, February 15, with Sunday School at 10 a.m., followed by the morning worship service at 11 a.m. Sunday and Wednesday night services will begin at 7 p.m.

Rex Boggs will be preaching, sponsored by Mangum Baptist Church.

County Meetings Set For History Book

Schedule of meetings this coming week for the County History Book project have been announced by County Chairman Ron Bailey as follows:

Wednesday, Feb. 18:
9 a.m. First State Bank, Rising Star.
11:45 a.m. Senior Citizens Center, Ranger.
(Wednesday afternoon times available for other meetings.)
Thursday, Feb. 19:
10 a.m. Eastland Chamber of Commerce.
12 noon, Rotary Club, Cisco.
2 p.m., Olney Savings Conference Room, Cisco.
5 p.m., Gholsion Hotel Conference Room, Ranger.
(Thursday evening times available).
Taylor Publishing Co. Rep. Jessie White will be here for each of the meetings and additional gatherings, which may be scheduled through Bailey at 629-1400.

The Wrangler Stage Band will provide musical entertainment when Cisco Junior College's 14th annual Nostalgia Night programs are held at the Corral Room of the Laguna Hotel Friday and Saturday nights, Feb. 20-21. Members of the band are pictured above.

Members of the band are Kyle Anderson, Amy Campbell, Casey Chambers, Kellie Cooke, Charles Fisher, Shelly Gwilt, Randy Hastings, Jim Heidenheimer, Ed Hunger, Jeff Kinser, Mark Louis, Talmedge Matts, Wayne McMillan, Paul Means, Darwin Modgling, Rueben Morales, Houston Satterwhite, Bobby Shuler, Donny Smith, Todd Stinnett, Jeff Stroebel, and Wade Whitehead. Tim Jones is the director. - (CJC Photo)

Nostalgia Night To Be February 20-21

Music of the years gone by will feature the 14th annual Nostalgia Night programs that the Cisco Junior College Wrangler Stage Band and Wrangler Belles will present

Friday and Saturday nights, Feb. 20-21, at the Laguna Hotel's Corral Room.

Reservations for the two performances are being made at the college by calling Mrs. Pat Dill (442-2567). Tickets, including dinner, are \$9 per person, and reservations must be made in advance.

The dinner, featuring Chicken Kiev with all the trimmings, will be served to begin the evening's programs at 7 p.m. Musical entertainment will begin at 8 p.m. each night. After 30 minutes of listening and dancing music, dessert and coffee will be served, followed by an hour long floor show.

Mrs. George (Pat) Owens, former director of the Wrangler Belles and a popular singer, will return to the Nostalgia Night program after an absence of a few years. She will sing a number of old favorites.

Director Tim Jones and his trumpet are expected to be featured in several

numbers that have won much applause for him over the years. The entire program will consist of nostalgia-type music and the atmosphere of the Corral Room will reflect added nostalgia.

Director Nicky Harle's Wrangler Belles will have a part in the program with their "Belles of the Ball," including Misses Angela Bohannon, Leslie Covert, Ilala Hale, Gina Klose, Sampty Sipe and Patty Toler.

The dinner will be catered by Jim Schrader of ARA Services, Inc. Fred Mullinax will be in charge of ticket sales, and Miss Arlietta Thomas will be the hostess. Servers will be Juanita Cummins, Stephanie Boyd, Cecilia Aragon, Sherri Jenkins, Paula Mann, Richard Viehmann, Lucretia Wade, Bobbie Tolliver, Vera Sweet and Ginny Steele.

The programs are being held at the Laguna to take care of the expected large crowds.

Music of the years gone by will feature the 14th annual Nostalgia Night programs that the Cisco Junior College Wrangler Stage Band and Wrangler Belles will present

Obituaries

Paul Dee Free

COLORADO CITY - Paul Dee Free, 46, died Wednesday at a local hospital.

Services were 10 a.m. Friday at the Kiker-Seale Chapel with the Revs. Glenn Roenfeldt and Julius Early officiating.

Burial was in Colorado City Cemetery, directed by Kiker-Seale Funeral Home.

He was born in Colorado City. He was an oil field pumper and was a graduate of Colorado City High School. He attended Ranger Junior College and McMurry College in Abilene. He was a Baptist.

Survivors include his wife, Freddie Free of Colorado City; his parents, Mr. and Mrs. A.A. Free of Colorado City; a daughter, Staci Free of Lubbock; a son, Scott Free of Colorado City; a sister, Freddie Bee Ogle of Odessa; and a brother, Don Free of Granbury.

Lola Hodgkins

STRAWN - Lola Hodgkins, 68, died Wednesday morning at the Ranger Hospital.

Services were 10 a.m. Friday at the Presbyterian Church with the Rev. Larry Chambliss officiating.

Burial was in the Mount Marion Cemetery in Strawn under the direction of Edwards Funeral Home.

She lived in Strawn for 48 years. She was the owner of I. & R Dry Goods Company, where she worked for 12

years before retiring. She was a member of the Presbyterian Church.

She was past matron of Eastern Star No. 361 and a member of the Rebecca Lodge in Mineral Wells.

Survivors include her husband, C.L. Hodgkins of Strawn; one son, Copy Hodgkins of Strawn; one daughter, Penny Sparks of Strawn; one brother, James Byron II of Austin; one sister, Velmatine Williams of Scottsdale, Ariz., and four grandchildren.

Van Whittenburg

WINTERS - Van Brock Whittenburg, 68, died Thursday morning at his home.

Services will be 2:30 p.m. Saturday at the Winters Funeral Home Chapel with Rev. Glenn Shoemaker officiating.

Burial will be in Lakeview Cemetery in Winters.

Born in Leon Junction, he moved to Winters with his family at the age of six and lived there most of his life. He was superintendent of the Winters street department.

He served in the Army during World War II. He was a member of the Baptist Church.

Survivors include his wife, Jimmie Whittenburg of Winters; a son, Van Ray Whittenburg of Winters; three daughters, Betty Sue Gray, Aletha Guevara and Tanya New, all of Winters; a brother, Willis Whittenburg of Winters; two sisters, Inez Rainey of Ranger and Mar-

tha Tittle of Lake Leon; and seven grandchildren.

Louise Stroebel

CISCO-- Mrs. Louise Stroebel, 87, died Wednesday, February 11, 1987, in a Temple Nursing Home.

Services were held 11:00 a.m. Saturday, February 14, 1987, at Redeemer Lutheran Church in Cisco. The Rev. Otto Urban officiated. Burial was in Oakwood Cemetery under the direction of Cisco Funeral Home.

Born October 31, 1901 in Illinois she was the daughter of John and Katherine Gerhardt, early settlers in the community of Cisco.

She married Fredrick W. Stroebel, December 15, 1925 at Romney. They lived in Cisco all their married lives except for a few years in West Texas.

She was a charter member of the Grace Lutheran Church in Midland and a charter member of the Redeemer Lutheran Church in Odessa. She was a very active member in the Redeemer Lutheran Church in Cisco.

Survivors include one son, Fred Stroebel of Wichita Falls; one daughter, Anita Wuensche of Temple; one brother, J.W. Gerhardt of Rising Star; three grandchildren, Kent Wuensche of Austin and Lisa and Dana Wuensche of Temple.

Memorial funds have been established at the Lutheran Hour and the local Redeemer Lutheran Church.

Maurice Grozier

CISCO-- Maurice "Pete" Grozier, 60, of Cisco died Tuesday morning, February 10, 1987, in an Abilene hospital.

Services were held at 2 p.m. Wednesday, February 11, 1987 at Cisco Funeral Home Chapel with the Rev. Mike Boland officiating and Rev. Ronnie Shackelford assisting.

Born April 15, 1926, he was a lifelong resident of Cisco. He married Burdell Vardiman May 22, 1973, in Cisco. He worked for the Texas Highway Department for 28 years, retiring in 1986. He was a veteran of World War II, serving in the U.S. Marine Corps and was a member of the Calvary Baptist Church.

One son, Michael, preceded him in death in 1954. Survivors include his mother, Suddie Grozier of Cisco; his wife, Burdell Vardiman of Fort Worth; a daughter, Susan Lobstein of Cisco; a step-son, Dale McFadin of Cisco; a brother, Harry P. Grozier of Dublin; a sister, Lois Jane Smith of Cisco; six grandchildren; several neices and nephews including Sandy Langford of Cisco.

Services were held 2 p.m. Thursday at the Bakker Funeral Home Chapel in Eastland with the Revs. Ben Tibbs and Cecil Huff officiating. Burial was in Eastland Cemetery.

Harris was born in Christoval and had been a resident of Eastland since the early 1920s. She was the widow of Wesley B. Harris. She was a member of the First United Methodist Church of Eastland.

She is survived by one daughter, Gerry Galloway of Austin; one brother, Harry Chapple of Christoval; three grandchildren; and five great-grandchildren.

The PEOPLE'S FORUM

Opinions expressed here do not necessarily reflect the opinions of this newspaper.

I've Been Wrong Before

By Gordon Clark

I still think TV should have to display a warning label "WARNING: TV MAY BE HAZARDOUS TO YOUR MENTAL HEALTH!"

While some may be surprised that a few of the more "backward" Arabs refuse to permit TV in their villages as they view it as a violation of "Thou shalt not make unto thee any graven image" there are a few American families who have gotten rid of the monkey box also.

At the left of the banner head of New Solidarity, the Lyndon LaRouche paper, we read, "It was by the press that the morals of this country have been ruined, and it is by the press they shall be destroyed." If only it were true. Sadly, I must demur. For the word "press" only scratches the surface of mass media. Nor in his little sheet circulated widely enough to touch those with their hands on the controls.

There certainly are such things as self fulfilling prophecies and the far fetched "true to life dramas" foisted on the public have persuaded many a weak mind that the things which once were rare are the way it is and should be.

Thus we see soap operas wherein if a single chaste marriage ever took place it would be a shocker. Young people who once played Musical Chairs are now presented in musical beds. And have you noticed how much faster the music is?

Small wonder that we have so many young people wandering around mouthing the phrase, "I want to find out who I am", for the very media which popularized that question has done most to create that confusion in those young minds. They constantly drip in the slow poison which obscures the fact of whose image these people were made in what price they were bought with.

I have read that F.D.R. said, "In politics, things don't just happen, THEY ARE MADE TO HAPPEN." I believe the same relative to a nation's morals.

The author of confusion has long ago been identified, but those who do his work are hidden. Nor do many of our people want to have them identified.

How can anyone learn the answer if they can't even clearly grasp the question?

Medicare

Today

By T.M.A.

In the early 60s, the concern was that many older persons were unable to afford needed medical and health care. When Medicare was passed in 1965 by Congress and implemented in 1966 by the Social Security Administration, the program's goal was to pay for most of the medical care of all Americans aged 65 or older (or those who would become age 65). Although there were exceptions, the program in general promised to pay for most of the acute medical and health care services its beneficiaries needed.

Payment was made to physicians on behalf of the patient through Part B (physician services) carriers all over the country. Hospitals had to meet basic qualifications to participate, but were allowed to choose intermediaries to handle payment for their services under Part A.

The Texas Medical Association opposed Medicare because it believed this type of governmental program should serve persons over age 65 who were truly needy—or else it would become too expensive to support. Specifically, TMA advocated a means test to determine eligibility for the program.

However, by all accounts, the Medicare program was a success. People flocked to physicians and hospitals for the care they needed. They knew that almost the total

cost would be paid by the government (meaning taxpayers).

Over the years, progress was made, and continues to be made, in medical science, in pharmaceutical development, in medical and health care techniques, in surgery, services has risen from \$3 to \$14.60.

HOW MEDICARE WORKS

Under Medicare, physicians have two options. They can either accept assignment or bill the patient directly (except for physicians office lab procedures which must be handled on an assignment basis.)

Under assignment, physicians agree to accept as full payment for their services 80 percent of the "allowable charge" for Medicare plus 20 percent of this charge from the patient. In accepting assignment, the patient cannot be billed for more than the obligatory 20 percent of the allowable charge. The patient also must pay an annual deductible of \$75 to the physician before Medicare will begin paying the covered medical care Part B charges at 80 percent.

The allowable charge under Medicare is the lowest of:

-the physician's actual charge to the patient.

-the physician's customary charge. This is determined by developing a "fee profile" on each physician and applying the median charge for each procedure.

-the prevailing charge in the community for the service. This is figured by surveying the customary charges of all physicians in the community and setting the prevailing charge at the 75th percentile of charges—weighted by frequency. Since 1975, the prevailing rate for any year is allowed to rise the next year only in accordance with an "economic index" set by the Secretary for Health and Human Services.

Under the direct billing, a physician bills the patient for the service rendered. The patient then is reimbursed by Medicare for 80 percent of the amount Medicare considers the allowable charge for the service.

Whether a physician accepts assignment or not, Medicare pays the same amount.

One approach to solving the rising cost problems of acute care associated with Medicare is the Diagnosis Related Group (DRG) program. Another is mandated assignment.

MANDATED ASSIGNMENT

On July 18, 1984, President Reagan signed P.L. 369, the Deficit Reduction Act of 1984. It has more than 300 provisions to reduce federal spending. More than 60 of them involve Medicare and Medicaid. Specifically, it did two things:

-froze Medicare payments for physician services from July 1, 1984 through September 30, 1985, and

-created two classes of physicians—participating and non-participating. Physicians who wanted to participate had to send their signed agreements by October 1984 for the next year. As a participating physician, you agreed to accept all Medicare claims on assignment basis for a year starting October 1, 1984. The greatest incentive to joining was that you could increase your customary charge profiles starting October 1, 1985 (when the freeze was scheduled to end). Par-

ticipating physicians also have been permitted to bill for normal increases in their fees, although their actual payment has been limited to the Medicare-approved amount. Because they accepted assignment, participating physicians were promised a higher customary charge profile when the freeze ended. While the freeze has been extended for non-participating physicians only, the profiles of both participating and non-participating physicians have been updated 3.2 percent effective January 1, 1987. In addition, prevailing charges for participating physicians were increased on May 1, 1986 by 4.15 percent.

To further complicate this program, the Gramm-Rudman-Hollings budget act mandated that for services rendered after February 28, 1986 and before October 1, 1986, a one percent reduction be made in the amount otherwise payable under Medicare. In addition, for services rendered after October 1, it is possible that this same act will require yet another reduction of up to two percent in physician reimbursements. Therefore, participating physicians have been granted an increase of just 3.15 percent even though a 4.15 percent increase had been approved.

Non-participating physicians can accept assignment or not. They also can bill directly, but their charges have been limited to the prevailing or allowable charge level, as are participating physicians fees. However, the freeze for non-participating physicians ends December 31, 1986. While fees were frozen, non-participating physician charges could not be higher than their customary charges were for the period of April through June 1984. After January 1, 1987, non-participating physicians will have to conform to a system of limitations on maximum charge increases.

In addition, if non-participating physicians billed Medicare patients on amount higher than these charges, the Department of Health and Human Services could have imposed a civil penalty of up to \$2,000 for each instance. It also could have assessed the physician up to twice the amount billed above the base amount. Physicians also could have been suspended from the Medicare program for up to five years.

In April 1986, President Reagan signed into the law the Consolidated Omnibus Budget Reconciliation Act of 1986. This contains several provisions for the Medicare participating program. Specifically, it provided an opportunity during April 1986 for physicians to change their status as a participating or non-participating physician. It also changed the reasonable charge update and participating cycles from an October 1 to January 1 basis; it extended the freeze on fee increases to non-participating physicians; and it increased Medicare payments for certain physicians and extended it for others. It also mandated that physician office lab fees conform to a fee schedule and be paid for on an assignment basis only.

Inhibiting The Search For Domestic Oil: An Invitation To Disaster

By Charles J. DiBona
President
American Petroleum Institute

When a concerned citizen asks a serious question, it deserves a serious answer. For example, some Americans are asking, "Why, with the world awash in oil today, should we continue searching for oil as if there were no tomorrow?"

The answer is: Our country should keep searching for oil or there may be no safe and secure tomorrow. This country should develop its petroleum potential because:

1) The United States uses more oil than any other country. Oil and natural gas together provide more than two-thirds of the energy Americans use.

2) The United States imports more oil than any other country. Foreign sources have lately accounted for almost 40 percent of U.S. petroleum deliveries; during 1986 imports rose by 22 percent. Much of the increase came from Persian Gulf countries that are members of the Organization of Petroleum Exporting Countries (OPEC).

3) The United States is using up its domestic proved reserves faster than it is finding new supplies. Oil and gas reserves have dropped by nearly one-third — about 30 percent — since 1970.

4) We cannot count on imported oil forever at low prices. Imported oil is currently plentiful and cheap, but the energy crises of the 1970s after decades of plentiful supplies demonstrated that the energy cycle can swing back quickly toward tight supply and higher prices.

New OPEC Control? Within the next three or four years, Americans could find themselves dependent on imported oil for 50 percent or more of their petroleum supply — a higher percentage than ever before.

The American people could be more vulnerable than ever to the kinds of problems that characterized the 1970s, when OPEC controlled world oil markets and oil prices rose from around \$3 a barrel to more than \$35 a barrel. Those price hikes and the supply disruptions associated with the Arab oil embargo and the Iranian revolution were factors contributing to slower economic growth in the United States and many other countries. Moreover, some OPEC leaders tried to use their oil as a political weapon to force changes in U.S. foreign policy.

Early last year a few OPEC members again demonstrated their power by flooding world markets with oil, driving prices down to less than half their previous level. Although consumers welcomed lower prices for

Family Planning Clinic

There will be a Family Planning Clinic at the Multi-Purpose Center, 204 North Lamar, on Thursday, Feb. 19. The time will be 10 a.m. to 5 p.m., and clients will go to the office of Dr. Sandy Hazelip at 6:30 p.m. for medical services.

Clinic service will include consultation, physical exam, pap smear, laboratory workups, birth control supplies, education regarding birth control, and continuing supervision.

There is a small co-pay fee, and private patients are welcome too. For more information call the Multi-Purpose Center at 629-3421 between 8 a.m. and 5 p.m. weekdays.

Lightnings From The Christian World

By Josephine Cleveland

Conflict was not designed to destroy us but to mature us. We choose to overcome or we choose to succumb.

Friend, set goal for yourself and plan your strategy. Be determined to receive the best.

How do you move out of your circumstances? Persist! Persist!

Your success depends on singleness of purpose. Once you have established your goals believe the promises of God. The keys to victory in every area of your life is to consider the Word of God and commit yourself totally to God's will.

Determine, Friend, "This one thing I do, forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus Philippians 3:13-14."

Conflicts produce confrontations. There will be trials; for attitudes and con-

cepts will need to be changed as you steadfastly pursue your goal.

Repeat often the words of the well-known gospel singer Doug Oldom, "God said it, I believe it and that settles it for me."

You cannot fail. Praise Him from whom all blessings flow! Lift up your head. Center your attention on Him. Jesus is beholding and saying to you, "With men (reaching your goal) is impossible; but with God all things are possible. Matthew 19:26."

35 Proposals Aimed At Jobs, Economy

AUSTIN—Calling for a renewed emphasis on the strengths of Texas, and citing a need to unify regional economic efforts, two state business leaders recently presented Governor Bill Clements some 35 proposals aimed at creating jobs and boosting the economy.

The recommendations are the initial product of Clements's Economic Development and Jobs Creation Task Force, co-chaired by Jim Adams, president of Southwestern Bell Telephone's Texas Division in Dallas, and John Cater, president of MCorp located in Houston.

Among the recommendations to the governor are:

- support of Small Business Development Centers,
- establishment of a Texas Technology Corporation,
- encouragement for private and public investment in venture capital, and implementation of a "prudent person" rule to be a guideline for investing by the state pension funds,
- repeal of the Homestead Act to free up equity for capital formation and small business development,
- joint trade, education and tourism initiatives with Mexico,
- development of education initiatives to make Texans more aware of international market potential,
- reorganization of various state agencies involved in economic stimulation under a new Texas Commission for Enterprise,
- development of an aggressive marketing effort to promote tourism,
- deregulation of interstate trucking, and
- creation of strong advocacy policies on energy and agriculture.

"We presented Governor Clements an agenda he can utilize in creating jobs, jobs and more jobs," said Adams. "Our report contains specific actions the governor might take, plus others for which he would need to enlist the support of the state legislature or key individuals at the federal level."

According to the co-chairman, the 72-member blue-ribbon business panel identified three underlying

problems, which they termed "roadblocks" currently impeding job development in the state.

A recurring theme throughout our work was the problem of perception, both in the way Texas is viewed from the outside and how we view ourselves," Cater said. "Also, we saw instances where the state is being fragmented by regional economic efforts lacking a statewide focus. And finally, we found inadequacies in our state's infrastructure, the very support network that determines whether Texas is a good place to do business."

In presenting their recommendations to the governor Adams and Cater called for the commitment of all Texas business in economic development. While government can create a favorable business climate, it is private industry that must create jobs, they said.

Just one task force proposal, a recommendation to boost financial and promotional support for the state's tourism industry, could result in the creation of up to 390,000 jobs over the next five years.

gasoline and other products, this action threw U.S. petroleum producers into the worst depression of modern times and is putting into jeopardy the nation's future energy supply. Although OPEC in recent months have moved to curb its output, little effect is expected on the deteriorating state of domestic petroleum production.

Exploration for new American oil and gas fields is at its lowest ebb in years — a result OPEC desired. Domestic production fell by 9 percent the last 10 months of last year. Bankruptcies have increased dramatically and hundreds of thousands of persons in oil and oil-related businesses have lost their jobs. The ripple effects of this depression are reducing the revenues of many states and damaging some sectors of the U.S. economy.

If these trends continue, OPEC may regain control of world markets relatively quickly — perhaps as soon as the late 1980s or early 1990s. If that happens, the experience of the recent past makes all too clear that imported oil will be neither plentiful nor cheap — and U.S. foreign policy options may be restricted.

Missed Opportunities Last year's session of the 99th Congress missed several opportunities to slow the deterioration in America's energy situation, and in some ways exacerbated it. Examples:

Congress increased the U.S. petroleum industry's tax burden by billions of dollars, in spite of the fact that petroleum has been the most heavily taxed major U.S. industry in several recent years. Yet the 1986 tax reform bill will, depending on price and income assumptions, have an estimated \$10 billion negative impact on the oil industry over five years — a disproportionate share of the total business impact. This is yet another burden on an industry already reeling from a \$50 billion annual revenue loss because of the collapse of oil prices.

Congress failed to repeal the misnamed windfall profit tax on domestic oil production, failed to complete the deregulation of natural gas deregulation prices and failed to remove restrictions on the industrial use of natural gas.

The new Superfund law taxes petroleum companies, relatively minor contributors to abandoned waste sites, for between one-third and one-half of the \$9 billion cost.

High taxes on petroleum companies cannot be justified on the basis of their profitability — which as been about average and today is well below that. Over the past 18 years, the median rate of return on stockholders' equity for leading oil companies has been slightly below that for other manufacturing companies. Because of the decline in world oil prices, the disparity has grown. For the first nine months of 1986 (latest figures available), average profitability of the 19 leading petroleum companies that have reported so far declined to 8.2 percent (from 9.3 percent in 1985) while profits of 80 leading non-oil companies rose to 15.0 percent (from 14.9 percent in 1985).

Inhibiting the development of our country's oil and natural gas potential is an open invitation to national disaster. To avert this prospect, a national dialogue on energy, resulting in enlightened policies, is needed. The federal government currently is reviewing a wide range of energy policy options. No options that will increase investment in the industry and preserve its ability to respond to future energy needs should be ruled out.

The dialogue should consider policies that could make a significant difference in the longer term. For example, the coastal plain of the Arctic National Wildlife Refuge in northeastern Alaska should be opened to petroleum exploration and production. The U.S. Interior Department has called this area "the most outstanding oil and gas frontier remaining in the United States." The petroleum industry's many years of operation on Alaska's North Slope clearly demonstrate that such operations pose no threat to the arctic environment. For instance, according to the Interior Department, the caribou herd that some thought would be harmed by oil development at Prudhoe Bay increased from 3,000 in 1970 to about 13,000 in 1985.

If effective policies can be adopted soon, Americans may not have to ask, within a few years, "Why didn't we continue to search for oil when we still had time?"

Congress increased the U.S. petroleum industry's tax burden by billions of dollars, in spite of the fact that petroleum has been the most heavily taxed major U.S. industry in several recent years. Yet the 1986 tax reform bill will, depending on price and income assumptions, have an estimated \$10 billion negative impact on the oil industry over five years — a disproportionate share of the total business impact. This is yet another burden on an industry already reeling from a \$50 billion annual revenue loss because of the collapse of oil prices.

Congress failed to repeal the misnamed windfall profit tax on domestic oil production, failed to complete the deregulation of natural gas deregulation prices and failed to remove restrictions on the industrial use of natural gas.

Wedding Bells

Biehl-Worley Are Wed

Miss Joy Renea Biehl, daughter of Mr. and Mrs. Jerry Biehl of Early, became the bride of Joseph William Worley, son of Mr. and Mrs. Howard Worley II of Cisco in ceremonies performed Saturday, Jan. 31.

The Early Church of Christ was the scene of the 7 p.m. ceremony with Dale Scott of Albany officiating. Decorations for the occasion featured a fan-shaped candelabra flanked by spiral candelabra. The unity candle was placed to the left of the candelabra while an arrangement of roses accented the right side. The entire setting was flanked on either side by fan candelabra. Potted plants were also used in decorating the church.

Wedding songs were sung by David Faltys, Tom Slagle, Becky Rogers, Ken McKillip, Amy McCoy, Greg Biehl, and Chris Biehl. Selections included "Follow Me," "If," "We've Only Just Begun," "There Is Love," and the traditional wedding march.

Given in marriage by her parents, the bride was attired in a silk-faced satin gown featuring a Sabrina neckline. The nylon tulle bodice was enhanced with lace appliques and pearls. The puff sleeves were capped by frills of permanent pleated satin ruffles. The full skirt, bordered in wide, embroidered dacron organza lace, fell from the dropped V waistline, sweeping into a cathedral length train. Secured by a bow in midskirt

was a wide ruffle of permanent pleated satin.

The bride wore a tailored picture hat of white satin and appliques encrusted with pearls. She carried a cascade bouquet of white roses with accents of red roses, fern and baby's breath.

The bride was escorted to the altar by her father who was wearing a grey tuxedo with grey vest, white shirt and a rose boutonniere.

Ranea Doss was the bride's matron of honor. Maid of honor was Ginny Darcey of Dallas, and bridesmaids were Charlotte Goss of Lueders and Hazel Worley of Cisco. Jennifer Tiner of Fort Worth served as junior bridesmaid.

The bridal attendants wore floor-length dresses of rose red satin with fitted bodices and scooped necklines. Also, the dresses featured puffed sleeves and V-backs. The shoulders were accented with bows. Each attendant carried a nosegay of red roses enhanced with mauve ribbons.

The groom wore a grey tuxedo with a red rose boutonniere tied with white ribbon.

Gary Speegle of Stephenville was the groom's best man. Groomsman were Trace Worley and Roy Worley of Cisco, Donnie Worley of Early and Tommy Thackerson of Springtown.

They wore grey tuxedos with white shirts and grey bow ties and cummerbunds. Each wore a single red rose boutonniere.

Greg Biehl of Abilene and Chris Biehl of Early, brothers of the bride, were ushers.

Tiffany Ford of Lueders, cousin of the bride, served as flower girl, and Dustin Grice of Early was ring bearer.

The flower girl wore a floor-length dress of the same material as the bridesmaids' dresses fashioned similar to those of the bridal attendants with a bow in back. Both she and the bridesmaids had small combs with fresh flowers in their hair.

The ring bearer wore a tuxedo identical to those of the groomsmen.

For her daughter's wedding, Mrs. Biehl chose a mauve color floor-length dress of crepe de Chine. The groom's mother wore an ivory floor-length dress. Their corsages were of red roses accented by baby's breath.

A 1982 graduate of Early High School, the bride was graduated from Abilene Christian University in 1986. Her husband, a 1982 graduate of Cisco High School, was also a 1986 graduate of ACU. He is presently employed at Hendrick Medical Center in Abilene.

After the wedding, a reception was held in the fellowship hall of the church. Attending the bride's table were Kym Rome of Abilene, Danelle Dean of Dallas, and Carol Hagar of Brownwood. Presiding at the groom's table were Linda Worley of Early and Melody Worley of Cisco.

The bride's table was covered with a tiered skirt. The centerpiece included a crystal pedestal place holding a rose red candle and candle ring, accented by the bridal attendants' bouquets.

The three-tiered cake, decorated with fresh red roses was topped with a lighted ceramic bride and groom. Underneath the cake was a fountain of red rose water. Three round cakes, surrounding the bride's cake and fountain, were also decorated with fresh red roses. Punch was served from a crystal punch bowl. Nuts and mints were served, also.

The groom's table was laid with a red rose satin cloth and centered with a silver candelabra arrangement featuring three red rose

candles and candle rings. Coffee was served from a silver coffee service. His red velvet cake was decorated with chocolate icing and slivered almonds.

The food's table was covered with a rose red satin cloth with lace overlay. Mauve color bows were at the corners. A lighted pedestal tree with fresh strawberries and grapes centered the table. Assorted vegetables, fruit and meats were also served.

The register table was attended by Jaime and Janelle Tiner, cousins of the bride. The table was laid with a rose red satin cloth and decorated with a brass candelabra and mauve candles, standing beside the bride's book.

They also distributed the rose petals filled with bird seeds. The girls wore identical mauve shimmering satin floor-length dresses. They wore fresh roses and baby's breath on a comb in their hair.

For going away, the bride chose a winter white suit with an emerald green blouse. After a wedding trip to Austin, the couple is living in Abilene.

The rehearsal dinner was hosted by the groom's parents in the fellowship hall of the church.

A bridesmaids' luncheon was hosted by Renea Doss, Glenda Price and Jean Cantwell in the Doss home.

Pre-nuptial parties for the couple included a miscellaneous shower in the home of Moe Bean, hosted by Moe Bean, Sheila Dryden, JoAnna Wilson, Jan Hall, Elsie Hullum and Ira Chambers.

A tea was held in the home of Ramona Tedford, hosted by Ranea Doss, Glenda Price, Sylvia Brewster, Ramona Tedford, Ira Grice, Linda Eoff and Kathy Ballard.

A rice bag party and basket shower was hosted by Norlene Gleaton and Linda Dodd in the Gleaton home.

A lingerie shower was given for the bride by Carol Hager, Lenell Powell and Thana Cox in the home of Lenell Powell.

Patton-Crabtree Are United In Marriage

Lucy Patton and Preston Crabtree exchanged wedding vows, Sunday, February 8 in Merriman Baptist Church with Chuck Claborn officiating.

The bride was given in marriage by her son Gene Patton.

Mary Ensor, niece of the bride served as Matron of Honor.

Douglas Crabtree served as his father Best Man.

Reception followed the ceremony in the Fellowship Hall of the Church.

Serving at the groom's table was granddaughter of the groom, Kalama Crabtree.

Nancy Claborn and Mary Ensor served at the bride's table.

The couple are now residing in Ranger.

CJC Wrangler Band

'Nostalgia Night' Is February 20, 21

The Cisco Jr. College Wrangler Stage Band and Wrangler Belles will present the 14th edition of their annual "Nostalgia Night" on Friday and Saturday evenings, February 20th and 21st. The dinner will begin at 7:00 p.m., and the music will begin at 8:00 p.m.

After 30 minutes of listening and dancing music, dessert and coffee will be served. After intermission, an hour floor show will be presented by the band and the Belles. Pat Owens, former Wrangler Belle Director and vocalist, will again take the stage after several year's absence. Tim Jones, director, said that he is looking forward to having Mrs. Owens with the stage band once again.

The entire program will consist of nostalgic music of years gone by, and the atmosphere of the Laguna Hotel's Corral Room will add to the program, Jones reported.

Tickets are \$9.00 per person, and the meal will be catered by Mr. Jim Schrader of A.R.A. Food Services. Reservations must be made in advance, and can be had by calling Mrs. Pat Dill at Cisco Jr. College. The telephone number is 442-2567.

Win A "New You" At Local Mode O' Day

Mode O' Day ladies' fashion apparel store is offering the opportunity win a "new you" in its "Star Treatment" promotion February 1-27, 1987.

The winner, chosen in a random drawing, will be pampered like a "star", and receive a complete new outfit from Mode O' Day and professional beauty makeover featuring hair and make-up courtesy of Mary Ann's Beauty Shop, Mary Ann Johnson.

Each winner at the local level (there are over 450 Mode O' Day stores across the country) will automatically be entered in a drawing for the Grand Prize, the royal "Star Treatment": an all-expenses-paid, round-trip for two to Los Angeles, featuring round-trip airfare, deluxe hotel accommodations, limousine service and a \$500 shopping spree.

Ethleen Johnson, owner of the Mode O' Day in Eastland, feels that the "Star Treatment" contest is a natural extension of her store's customer service philosophy: "treat every customer like she's special."

February 16-20 Is "Farm Bureau Week" Here

A proclamation signed by County Judge Scott Bailey designates February 16-20 1987, as "Farm Bureau Week" in Eastland County.

This week is part of a statewide observance which focuses attention on efforts of county Farm Bureaus to enroll new members, according to Bob Shults of Rising Star, president of the Eastland County Farm Bureau.

Bill Walton of Ranger is chairman of the membership committee which will be conducting a membership drive during this period of the year to sign up new members. Other committee members are John Kidd of Eastland and Leo Williams of Ranger.

The proclamation points out that Farm Bureau is a grass-roots organization of farmers and ranchers which represents agriculture at the county courthouse, in Austin, and in Washington, D.C.

"Farm Bureau is financed by voluntary dues," the proclamation reads, "Across the nation, the organization has 3.5 million member families. The Texas Farm Bureau has 323,000 member families in 217 organized counties, including the Eastland County Farm Bureau, which has 1860 members."

The local president said that although Farm Bureau is thought of primarily as an organization that represents farmers and ranchers in legislative and regulatory matters of government, it is also an organization that has activities for the entire family.

Shults said that the Farm

Bureau sponsors a number of youth activities, including an annual citizenship training seminar, a public speaking contest on free enterprise, a Miss Texas Farm Bureau competition, and a talent find. Scholarships awarded for winners of these competitions total \$28,500 annually. The TFB also gives \$16,000 annually in scholarships to youths in FFA, FHA and 4-H.

The TFB has several activities for young farmers and ranchers, including a competition for the outstanding young farmer/rancher of the year.

The state farm organization is now active in a pilot project to furnish materials for an "Agriculture in the Classroom" educational program targeted at fourth-graders.

The Farm Bureau also has many other programs for its members, including commodity activities, educational activities, and economic services, the county leader said.

OFFICIAL PROCLAMATION BY SCOTT BAILEY, COUNTY JUDGE EASTLAND COUNTY EASTLAND, TEXAS

GREETINGS:

Farm Bureau is a grass-roots organization of farmers and ranchers which represents agriculture at the county courthouse, in Austin, and in Washington D.C. The policies that guide the organization begin at the local level with every member given a chance to participate.

Farm Bureau is financed by its members through voluntary dues. Across the nation, the organization has 3.5 million member families. The Texas Farm Bureau has 323,000 member families in 217 organized counties, including the Eastland County Farm Bureau, which has 1860 member families.

Because agriculture is important to our county, state and nation, and because the Farm Bureau is an important voice for agriculture, I, Scott Bailey, County Judge of Eastland County, do hereby designate February 16-20, 1987 as FARM BUREAU WEEK in Eastland County, and urge our citizens to give due recognition to its worthy efforts.

In official recognition thereof, I hereby affix my signature this 10th day of February, 1987.

Scott Bailey
Eastland County Judge

Paul Harvey

Addresses

AFBF

Commentator Paul Harvey extolled the high ideals for which American Farm Bureau Federation stands during his address at the AFBF annual meeting recently in Anaheim, Calif., says Robert L. Shults of Rising Star, president of the Eastland County Farm Bureau.

Harvey told AFBF members that the nation's largest farm organization

has remained "vigorous and virile and united as ever in defense of the Americanism," Shults pointed out.

AFBF delegates said the 1985 farm bill should be left intact with minor modifications. They reaffirmed their opposition to mandatory production and marketing controls, he said.

The Texas delegation played a major role in the farm program and related policies adopted at the AFBF's 68th annual meeting, Shults noted.

AFBF adopted a resolution proposed by the Texas delegation stating they do not favor payment limitations under the commodity loan, acreage reduction and disaster programs, Shults said.

Bob Shults noted that the voting delegates said if a limitation must apply to cash deficiency payments, they favor no limit lower than the present \$50,000 limitation.

"This was a subject Texas was very concerned about, and we believe that Texas Farm Bureau can live with this policy," Shults said.

Texas delegates led the move to adopt an amendment saying that sodbuster compliance provisions should be changed to recognize certain local conditions, Shults said.

"As I read about the precepts and the purposes of this organization, I found myself reading about progress based on moral and religious concepts, individual opportunity rather than guaranteed security, helping to elect people who share these fundamental

beliefs and principles and suddenly I've realized that I'm reading what dues-paying, grass-roots Americans have always believed in and died for," Harvey said.

He went on to say: "In this document, I read specific guidelines on family, national security, law enforcement, property rights. I'm reading an American manifesto, what we stand for and what we will not stand for."

"Frustrated Americans of recent generations have felt their country is slipping away from them, felt they had no where to turn for help. Most of the once-honored organizations have atrophied, have become impotent, but not the Farm Bureau. It's as vigorous and virile and united as ever in defense of the Americanism."

"The Farm Bureau has everything it needs except the numbers. As our nation's farm population dwindles, so has its clout in Washington. Then I realized you don't have to be a practicing farmer to belong to the Farm Bureau, to support its objectives. Imagine what would happen if our Bureau leadership, speaking not for 3.3 million, but for 50 million Americans, could confront the compromisers! Now you say you never get that many free-wheeling individualists to stand in line behind any leader. Don't be too sure."

"The Farm Bureau has already managed the miracle of leading and speaking for farmers who farm everything from lumber to cattle to cotton to catfish. If they can embrace

that polyglot minority, they can organize our disorganized majority against all of our enemies, foreign and the domestic."

"The silent majority right now has a valid, established, credible voice. That voice needs only to be amplified. You could call us city folks

who might kick in \$20 a year, call us the Farm Bureau Auxiliary or something like that, letting us help them to help us to out-manuever out-legislate, out-shout the home-grown ingrates and the hypenated intruders who refuse to repledge their allegiance."

"We don't need another organization. Our nation already has too many organizations. So what we need is to breathe fire into the belly of this most respected one before the ugly crack of that grand of handmade bell gets any wider."

Sunday, February 15, 1987

You can be earning tax deferred interest on your life insurance. Ask E.F. Hutton how.

E.F. Hutton Life Insurance Company is now crediting 8% percent on the account values of its universal life insurance policies. Think of it: that's better than the 6 percent or 8 percent you'll get today on MONEY MARKET FUNDS, TREASURY BILLS, and CERTIFICATES OF DEPOSIT. And since interest credited to your Hutton Life universal life policy is tax deferred, it grows faster than in taxable vehicles.

But unlike these investments, Hutton Life's universal life offers much more. Benefits like:

- Permanent life insurance, providing tax-free estate protection for your beneficiaries.
- Competitive interest rates, guaranteed for one full year.
- Tax-free access to your cash value through low-cost policy loans.

Ready to learn more? The listen to what E.F. Hutton has to say about how Hutton Life's universal life policy fits into your financial plan. Call your Hutton Life representative.

Effective Oct. 1, 1986. Subject to change without notice.

Meetings today's needs... Creativity.

In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy; they want information. One of the main ways they get information about products, services, prices and values is from advertising. Your's or somebody else's.

Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the consumer's dollar with every other retailer in town, no matter what he sells. People have only so many dollars to spend and if they don't spend them for what you sell, they'll spend them for something else.

Whether business is good or bad, you have to get your share of whatever business is around.

Your advertising is part of your sales force. Ads help to pre-sell the customer and help you close the sale faster. They save you time and save you money.

You say your customer's know you and for a while, at least, they'll keep coming in even if you don't promote? That's partly true, but short-sighted. Remember, one of five Americans moves every year, so there's a steady flow of your customers out of your market and a corresponding influx of new folks who don't know you at all. Tell them about yourself.

You can't do much about most factors in the marketplace—rent, labor,

costs, price of merchandise, what the competition will do. But one thing you do control is your own promotion. Remember that advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.

Remember how long it took you to get started? Once you build up business, you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public, you'll find it's much harder to build it up again. It's sort of like starting all over.

Here's a hard fact to chew on. Over any given period, a company that advertises below the industry average has sales below the industry average.

Advertising is "news" about products and services. Most shoppers look for this kind of new news in the pages of the newspaper. In plush times, retailers often experiment with other media. But when the going gets tough, they concentrate their efforts in the newspaper because it provides an immediate payoff at the cash register.

Slow times ahead? There are more Americans working now than ever before. More women working, too, adding to family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share and yours.

The Happy Times

KITES

By Lillian Cogburn Price
Kites were seasonal things. First bright sunny days of spring brought out all those gaily colored kites and away we went out into the open field, or to a bright flower-covered hillside where the breeze was just right.

It was a beautiful show of brightly colored little ships 'way up in the blue sky. Some were big box types, some were triangles, squares, and other odd shapes. We made most of our kites from our very own patterns. We had some store bought ones, too. They were all beauties. The strings were almost invisible, but the tails were brightly colored and wider and could be seen far away.

There was really an art to flying a kite. You had to hold it up and pitch it up in the breeze and run a little way until the wind lifted it up and gradually it sailed up, up, and away. You still held the string as it flew softly along, or just drifted. Sometimes it seemed to be perfectly still, 'way up there.

Thurman could handle kites much better than I could. Boys were simply bet-

ter at this kind of business. Oh, flying kites was great! It made you happy to be alive.

State Highway Officials Visit Eastland County

Officials from the Texas State Highway Department met with the County Commissioners Court last Monday afternoon to consider bridge repair and farm road priorities.

Meeting with the Commissioners were Lawrence E. Schulz of Brownwood, District Engineer, R.S. Martin Jr., District Maintenance Engineer, R.P. Haun of Eastland, Resident Engineer, and Dan Stacks of Austin, Field Area Engineer for the Safety and Maintenance Operations Division.

The first to speak to the Court was Lawrence Schulz, who explained that replacement of defective bridges is a \$37 million program statewide. The State Highway Department does the planning and initial work, then the Federal Government pays 80 percent of the cost and the County 20 percent.

The District Engineer defined a "bridge" as a structure at least 20 ft. long between two abutments. He said that Eastland County has a number of structures shorter than that, but they do not qualify for this purpose.

"The County has 65 standard bridges on County roads," Schulz said, "and the Department recommends that eight of these be closed until they can be replaced or repaired."

"A lot of the others are in real good shape." The Commissioners pointed out that several of the eight bridges had been

repaired since the last inspection. One was torn out and a new one constructed northwest of Cisco in Pct. 4.

Norman Christian discussed a bridge in his Precinct (2) which he planned to remove. And L.T. Owen, Comm. of Pct. 3, pointed out that he had several very old bridges on the Sabanno River.

The Engineer seemed especially interested in obtaining cost estimates on replacement of the Sabanno River Bridge near Gorman. Richard Robinson, Comm.

of Pct. 1, stated that he had some hesitation about spending a lot of money on a bridge on the South Fork of the Leon, pending the outcome of a current petition to pave a Farm-To-Market Road across that area. The proposed road would probably miss this bridge.

The Commissioners asked what chance the people had to get a road paved across there.

Schulz answered that state

highway funds were limited, consisting of gasoline tax money only. Right now he said he had only enough in nine counties for 7 miles of paving. But he said that the Highway Dept. was aware it hadn't built all the Farm-To-Market roads worth building, and all requests would be considered. Especially roads that might close a gap.

"We ask for your priorities," he said.

Cold And Wet... For Your Car, It Doesn't Get Any Worse Than This

Snow and ice may be tough on driving, but cold and wet is a lot harder on your car. That's when your car is hardest to start, when old spark plugs take their toll and an old battery is more likely to give up the ghost. Even things like worn belts and old hoses and dirty filters can stop you cold. If you want to count on your car when it's cold and wet, count on our trained technicians for service that will keep you going—rain or shine.

CJC Board Of Regents Approve Long-Range Plan

A long-range plan for improving facilities on the campus was approved and other business was transacted at the monthly meeting of the board of regents of Cisco Junior College last Monday night.

Facility improvement plans for the summer of 1987 include painting the interior and re-roofing Cluck Hall, painting the showers in Wrangler Dormitory, reworking the rest rooms in Bivins, installing heat and air conditioning equipment in Schaefer Hall and reducing the return air in the Fine Arts Building.

In addition, the gym floor will be refinished and the football practice field will be enlarged for the use of the band in practicing. All floors in the various buildings will be waxed as well and considerable clean and touch up work.

In December, 1987, plans call for painting the showers in Cluck and Wrangler and for cleaning and waxing floors in the Student Union Building, the cafeteria and dormitory hallways.

The improvement program facilities was also spelled out for 1988, 1989, 1990, 1991 and 1992.

The board was given the results of an appraisal report that showed that the value of college buildings and contents increased \$2,488,274 during the past few years to a total of \$11,705,274. The increase in values will cause college insurance rates to go up by \$3,623.00, the report said.

Vice President Carroll Scott for instruction reported to the board that enrollment for the spring semester was up approximately two per cent over the same period last year with an increase of 86 students to a total head count of 1,604. This included 536 students on the main campus and 1,068 on campuses in Clyde and Abilene.

The board approved the employment of eight part-time instructors — one for the Cisco campus and seven for Abilene and Clyde. New part-time employees were listed as follows: Richard Hill, Cisco; Larry Riney, Clyde; and Teresa Bracken, Guy Burcham, Lewis Leonard, Don McKee, Jack Snell and John Yearly, Abilene.

The regular monthly financial statement was presented by Ralph Glenn, vice president for finance. Dr. Henry E. McCullough, president, discussed problems of three vocations programs, and the board decided to hold the March meeting on the 16th instead of the 9th.

due to spring break.

The board discussed a new annual professional contract form under consideration and asked Dr. McCullough to make revisions for consideration at a later date.

President L.D. Woolley of the board presided. Present were Regents Brad Kimbrough, Rudolph Schaefer, Charles Preston, Billy Reynolds, Joe Cooper and Roy Dennis. College personnel in attendance included Dr. McCullough, Mr. Scott, Mr. Glenn, Emma Watts, recording secretary, and Gary Hill, president of the faculty association.

police blotter

Cisco police are investigating two burglaries and a theft of services that occurred during the past week, Chief Billy Rains reported Friday. Police also made one arrest.

Ronald Sims of Route 2, Cisco, reported that the front door lock was forced from his work shop at 100 West 16th Street sometime between Monday night and Wednesday morning and that equipment valued at \$400 was missing. Taken were a one and a half ton Sears jack and a gasoline air compressor.

Tom Smith, 903 East 10th Street, reported that thieves took some \$200 worth of equipment from the back yard at his home last Wednesday night. Police are investigating.

Buddy Rameriz of the I-20 Fina Service Station reported that a car pulled in there at 4 a.m. Thursday, pumped gasoline worth \$19.55 and sped away without paying for it. Police are investigating this Class C misdemeanor, the chief said.

Danny Dell Gosnell, 26, Cisco, was arrested at 8 p.m. Thursday on a 91st District Court warrant charging him with hindering apprehension and a TDC warrant charging him with "parole" violation. Chief Rains reported. Gosnell was placed in the county jail. He was arrested by Sgt. Frank Thumsden and Policeman Larry Weikel.

CISCO LADY LOBOES— Shown in the above photo are the 1986-87 Lady Lobos. They are, (left to right), Janice Woolley, Susie Endsley, Tracy Edgar, Missy Bailey, Leigh Callarman, Stacey Willingham, Krista Shepard, Kathy Choate, Debbie Endsley, Lori Justice, Kristy Smith and Dee Wages. (Staff Photo)

Cisco High School Varsity Lose

Hopes of Cisco High School's varsity basketball teams to make the District 13-AA playoffs vanished Tuesday night when they lost to teams from De Leon. The Lobos lost by a score of 45-to-40 while the Lady Lobos were defeated, 78-to-40, at Community Gym here.

The Cisco junior varsity girls also lost their game by a close 39-to-38 score.

Games with Hico here Friday night concluded the 1987 schedule for district teams. The playoffs will begin during the coming week. Cisco teams will begin workouts for the track season.

The Lady Lobos trailed 41-to-21 at half-time and things got no better in the second half, although the Cisco team out-scored De Leon, 10-to-9, in the third period. But the Lady Bearcats came back to out-score Cisco, 28-to-9, in the final quarter.

Stats for the game follow: De Leon — Melinda Frazier, 13; Price, 13; Bunting, 2; Anderson, 8; Garcia, 9; Leslie Williams, 12; Weaver, 8; Jonna Dixon, 13. Cisco — Shepard, 1; Edgar, 14; Justice, 2; Willingham, 13; Woolley, 4; Endsley, 6.

District Records — De Leon 9-0 (22-4), clinches district championship; Cisco

4-5. JV score — De Leon 39, Cisco 38.

Cisco got off to a poor start and trailed 11-to-6 after the first quarter of the men's game. The half-time score was 22-to-7 in De Leon's favor. Each team scored 23 points in the last half.

Stats for the game follow:

De Leon — Jeff Mathis, 10; Scott Tucker, 10; Scott, 9; Goodin, 6; Burleson, 6; R. Goodin, 2; Whitehead, 2.

Cisco — Phillips, 13; Boykin, 13; McGinness, 8; Wallace, 4; Chambers, 2.

District Records — De Leon 6-3 (12-13); Cisco 4-5 (12-11).

CJC Wranglers Will Play Monday

The Lady Wranglers were scheduled to play at 6 p.m. and the Wranglers at 8 p.m. Saturday, Feb. 14, in a doubleheader basketball program at the CJC Gym in Cisco. Both contests are conference affairs with Weatherford JC teams here as the opponents.

The Wranglers of Coach Dan Montgomery are scheduled to be in Gainesville for a conference game with Cooke County JC at 8 p.m. Monday, Feb. 16 and the schedule calls for

NEW CHAMBER MEMBER: Cisco Electronics joined the Cisco Chamber of Commerce last Thursday. They are located at 611 East 8th in Cisco. Their phone number is 442-2025. (Staff Photo)

Computer Patch To Hold Open House Tuesday

There will be an open house at the Computer Patch, 302 E. 20th Street, during business hours on Tuesday, Feb. 17. The public

Texas Teenage Baseball Mon.

Texas Teenage Baseball will hold their Registration for the 1987 Season Monday, February 16th at the baseball field in City Park, at 5:00 p.m. Pony League age will be 13 through 15 years old and Senior League age will be 16 through 18 years old.

Nineteen Players Sign With CJC

Nineteen players considered "top prospects" signed agreements to play football for Cisco Junior College next fall as Coaches Rick Frazier, Chuck Lawrence and Rick Hoffman joined college officials over the state in the annual recruiting venture during the past week.

Coach Frazier announced the signing of the following players: Stacy Hunter, 5-5, 250, TE, Jacksonville; Cam Pepper, 6-5, 230, OG, Katy (Taylor); Joe Williams, 6-1, 205, RB, San Marcos; Kevin Jennings, 6-2, 190, WR, San Antonio (Southwest); Brian Hayes, 6-1, 175, CB, Pasadena; Kyle Finch, 6-5, 275, OT, Fort Worth (Christian).

Also, Ty Bryson, 6-3, 195, LB, Seminole; Kelvin Brooks, 6-0, 230, LB, Grand Prairie; Eddie Washington, 6-3, 210, TE, Gonzales; Kevin Gentry, 6-4, 250, OT, Jarrrell; Richard Geary, 6-3, 210, DE, McAllen; Tommy Pendegast, 6-4, 280, OT, El Dorado.

Also, Ronnie Shelby, 5-11, 240, C, Boyd; Chris London, 6-3, 235, OG, Longview; Frederick Hunt, 6-3, 260, DT, Gonzales; Rhondo Javer, 6-0, 260, DT, San Antonio; Rodney Foy, 6-3, 200, DE, Seminole; Vincent Thomas, 6-2, 260, DT, Caldwell; and Gregg Mason, 6-1, 200, LB, Burleson.

A win Saturday was almost a must for the Wranglers if they are to keep

alive hopes for a western region playoff spot. With six conference games remaining, they must win at least five. The game with Weatherford in particular is important because Weatherford, along with TSTI, is one of the teams that is still in the race for the third and fourth playoff spots. Ranger and McLennan have virtually clinched the top two positions.

The Wranglers have suffered in recent weeks with the loss of two guards, Tony Gould and Darren Nelson. Gould is out for the season with a knee injury while Nelson has missed the last five games with a shoulder separation. He could possibly return before season's end.

Probable starters for the Wranglers are: Johnny Hudson and Todd Mannon at guard, Mike Knorr and Thomas Miller at forward, and Brenden Downing at center.

National Honor Society To Hold Ceremony Tues

The Cisco High School National Honor Society will hold an induction ceremony for its new members on Tuesday, Feb. 17, at 7:30 p.m. in the high school auditorium. Sponsoring the activities are the society's current senior members: Janice Woolley, Rodney Williams, Renee Dillard, Shelley Smothers, Melissa Bailey, Tina Carr, Kelly Cooper, April Cotton, and Stacy Willingham.

Those to be formally inducted are: (seniors) Tracie Edgar and Lawrence Wright; and (juniors) Laurie Cagle, Kim Houart, Samantha Hutt, Gina Kinser, Kevin Kirk, Christy Purvis, Jill Reynolds, Krista Shepard, Christy Smith and Ingrid Valek.

The public is cordially invited to attend this ceremony and the reception afterwards.

Emergency Farm Applications Are Now Being Accepted

Applications for emergency loans for losses caused by adverse weather conditions are being accepted at the Farmers Home Administration (FmHA) office located in Eastland, FmHA County Supervisor, Jack Phillips said today.

Eastland County is one of twenty in Texas recently named by Secretary of Agriculture Richard E. Lyng as eligible for loans to cover part of actual production losses resulting from adverse weather conditions.

Phillips said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," Phillips said. Farmers participating in the PIK or Federal Crop Insurance programs will have to figure to proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until September 16, 1987 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Phillips

said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and citizens hold a majority interest.

The FmHA office in Eastland is open from 8 a.m. - 12 p.m. and 1 p.m. - 5 p.m. Monday through Friday.

The Emergency Loan Program Question and Answer Fact Sheet

1. **After a county is eligible, who can get a loan?**
An established farm operator who is a citizen of the United States, is of good character; can show evidence of having suffered a qualifying physical or production loss; has adequate security and repayment ability.

2. **What is a qualifying production loss?**
Loss of at least 30 percent below a normal year's production.

3. **How much can an eligible farmer borrow?**
Up to 80 percent of actual production loss or \$500,000 or enough for next year's operation whichever is less but not more than is actually needed.

4. **What is the interest rate?**
For borrowers unable to obtain credit from a private lending institution, the rate

is 4.5 percent.

5. **What can the money be used for?**
To restore property, pay production costs, pay delinquent debts, pay living expenses, repair buildings, buy equipment and refinance debts.

6. **How long can the loan run?**
The term is based on the type of loss, use of loan funds, type of collateral and borrower's repayment ability. Production losses are normally up to 7 years; real estate normally is required as security for longer terms.

7. **How is PIK counted?**
Any acreage unplanted because of PIK (Payment-In-Kind) or conservation reserve is counted as having produced a year's normal production in determining actual loss.

8. **How are prices determined for production losses?**
"The average monthly price in effect for the previous year" is the guideline - as required by the congressionally-mandated Omnibus Reconciliation Act of 1981. Prices are obtained from the statistical Reporting Service, USDA.

For more information contact Jack Phillips or Debbie Dunson at the FmHA office in Eastland at 817-629-8563 Monday through Friday from 8 a.m. to 12 p.m. and 1 p.m. to 5 p.m.

T. Bob Davis To Hold Concert At First Baptist

T. Bob Davis, Dallas dentist, does not restrict his skill to teach. He tickles the ivories of the piano as well. A piano virtuoso in his own right, Dr. Davis will be heard in a concert of sacred music at the First Baptist Church of Eastland, Sunday, February 15, at 7 p.m.

This concert will be presented in place of the evening worship hour, so there is no admission charge.

The program is open to the general public, and anyone interested in hearing good gospel music performed on the piano is encouraged to attend.

Tarleton Honor Roll And Distinguished Student List

STEPHENVILLE—A total of 1281 students were recognized on the A and B Honor Roll and Distinguished Students list at Tarleton State University for the fall semester of 1986. The announcement of students receiving honors for the fall term was made by Dr. Robert C. Fain, Vice President for Academic Affairs at TSU.

Students listed on the A Honor Roll must have a 4.0 grade point ratio (GPR) on the 4.0 system and be taking a minimum of 12 hours. Students on the B Honor Roll must have a grade point ratio between 3.00 and 3.99 with no grade lower than B and taking a minimum of 12 hours.

Freshmen and sophomore students who have a minimum GPR of 3.25 with no grade lower than C, and junior and senior students who have a minimum GPR of 3.50 with no grade lower than C in good standing are designated "Distinguished Students."

The fall lists include 126 A Honor Roll students, 586 B Honor Roll students, and 569 Distinguished Students.

From Eastland County are:

Cisco: Tommy Claborn B,D; Janice McCullough B,D; Ronald Robinson B,D; Michael Keating B; Rhonda Pipkin B; Harold Roan B.

Desdemona: Marlin Priddy A,D; Steven Dale Collum B,D; Terry Collum B,D; Kathy Collum B.

4-H NEWS

By Crystal Wilbanks, County Agent

Don't forget the Showmanship & Grooming Clinic on Saturday, February 21st. All youth with animals for the Eastland County Stock Show are encouraged to attend. It will be at the new Gorman show barn (behind the school). If you don't have an animal, but would like to learn more about showing, please come and enjoy the speakers. A concession stand will be provided by the Gorman 4-H & FFA Boosters. A trophy for Best Showman will be given in each division. The schedule is as follows:

- 10:00 - 11:00 a.m. - Rabbits - Tommy Rogers
- 11:00 - 12:00 p.m. - Beef Cattle - Mike Wilhelm
- 12:30 - 1:30 p.m. - Lunch Break
- 1:30 - 2:00 p.m. - Chickens - Carl Wilson
- 2:00 - 3:00 p.m. - Lambs - Carl Wilson
- 3:00 - 4:00 p.m. - Swine - Carl Wilson

4-H Scholarship applications are in my office. If you are a graduating senior and a member of 4-H, then you are eligible to apply. Each year over \$600,000 is given in the form of scholarships to well deserving 4-H members. Applications must be returned to me by March 6th.

LEGAL NOTICE

EASTLAND COUNTY, Precinct 1 is now accepting sealed bids on a new or used 1/2 T. Fu. with low mileage, long wide bed, automatic transmission, air conditioner, power brakes and power steering. Bids to be opened at regular court meeting February 23, 1987 at 10 a.m. Eastland County reserves the right to reject all bids.

T-17

The Parks & Recreation Board for the City of Eastland is now accepting bids for operation of the Concession Stand at the Baseball Complex. The Concession Stand is required to be open for ALL scheduled events at the Complex. Bids must be submitted by February 15th. Please send your bids to: Parks & Recreation Board P.O. Box 749 Eastland, Texas 76448. For questions or information, please call Mike Reid at 629-8528. (2-5; 2-8; 2-12; 2-15)

Reception To Honor 2 Bell Retirees

Billy Bacon

A reception will be held Tuesday, February 17, 1987 in the Eastland National Bank Community Room between 2 and 4 p.m. for Billy Bacon and Norman Christian.

Mr. Bacon is retiring from Southwestern Bell Telephone Co. after 37 years.

Norman Christian

He is now the new Precinct 4 County Commissioner.

Mr. Christian is also retiring from Southwestern Bell Telephone Co. after 34 years. He is now the new Precinct 2 County Commissioner.

All friends are invited to attend their reception on Tuesday.

3 Men Charged With Craps Game Heist

Three men were charged Tuesday with robbing money, clothes and a car from a group of gamblers.

Max Thetford, 36, of Cross Plains; Jimmy Cork, 32, of Clyde; and Bobby Fambro, 24, of Ranger were charged with aggravated robbery and auto theft, said Stephens County Sheriff James Cain.

The men are being held in the Stephens County Jail on \$25,000 bond each, Cain said.

Six Stephens County men told police that on Sunday night they had just finished playing "craps," a dice game, when three men armed with shotguns walked into the house.

The robbers took the players' clothes, about \$4,000, a car, several shotguns, three rifles and three pistols, Cain said, and slashed the tires of five vehicles parked in front of the house.

The robbery victims don't know how the robbers learned of the dice game, Cain said.

Several of the victims found some clothes and hitched a ride to the sheriff's office, Cain said. The men reported the crime Sunday at about 11 p.m.

LET'S PUT A STOP TO IT!

Something's happening across the nation. People are getting fed up with crime, and they're starting to fight back. They're realizing that passively accepting the violence and unlawfulness that occur is an invitation for criminals to continue... that the problem doesn't get solved, it just keeps getting worse.

As an alternative, people are getting together to find safe and effective solutions to deal with the problem. From keeping alert when walking alone on the street to organizing Neighborhood watch groups, there are guidelines and actions you can take to protect yourself and your property and to prevent crime from occurring.

Don't allow yourself to be a victim!
Find out what's being done and what you can do to fight back.

Area News Briefs

EASTLAND

The Properties Committee of the Eastland Fine Arts Association met with about 60 interested persons last Monday night at the Majestic Theatre to organize efforts in the renovation of the building. Director Mike Kiser opened the meeting by thanking the crowd for their support and enthusiasm. Kiser detailed problems that still need attention and outlined work that still needs to be done. Ann Folsom, chairman of the Planning and Improvements, spoke of plans to clean up and redesign the messanine, concession stand, and stage. The color scheme will be as close to the authentic as possible. Philip Arther, chairman of Maintenance, spoke of plans to paint the walls, "fly" the screen, recover the seats, and rewire the public address system.

Senior parents interested in helping to organize the area Graduation Party are invited to an organizational meeting at the Texas Electric Reddy Room, 113 East Commerce, Eastland, Monday, February 16, at 7:30 p.m. Project Graduation is the name of the special celebration at the Student Union Building, Cisco Junior College, on high school graduation night. It is designed to provide a special evening that will also be a safe one. All are welcome to help with this worthwhile project.

A special program on Texas Music will be presented at the Women's Clubhouse in Eastland on Wednesday, February 18, at 3 p.m. Sponsored by the Music Study Club, the program will feature the last three chapters of the book "Texas Rhythm, Texas Rhyme". Tim Webb of Nimrod will sing, Marvin Payne will play the guitar, and Viola Payne the violin. Dale Stewart of Cisco will add to the southwestern flavor with a display of his bronze sculptures. "Friends of Music" and other interested persons are invited to join club members for the program.

The Eastland School Board has approved a request from band director Phil Hewett for permission for the band to attend the Contraband Days Band Festival in Lake Charles, La. on May 1 and 2. The band would return home on Sunday, May 3. The request also stated that the trip, which would cost over \$13,000 would be funded by band members, band boosters, and gifts. The band took a similar trip in 1986 and also

Genealogy

Workshop

To Be Held

A genealogy workshop will be held for beginners Saturday, March 14, from 9:30-12:30 in Clark Fine Arts Auditorium, 207 North Breckenridge Ave., Breckenridge.

All interested persons are asked to send \$7.00 and four names and the state in which they reside to Jean Edwards, 1307 Cypress, Breckenridge, Texas 76024. For more information contact Jean Edwards, 539-5834 after 5 p.m.

Folklife Festival

To Be Held In May

Cisco's 14th annual Folklife Festival, sponsored by the Cisco Civic League, will be held May 2-3 in the downtown historic Rockwell Lumber Yard complex.

The festival will feature pioneer skill demonstrations, arts and crafts, homecooked foods and continuous entertainment.

The Civic League is taking booth reservations for the display and sale of arts, crafts, and foods.

For information, write the Cisco Civic League, P.O. Box 411, Cisco, Texas 76437, or call the Chamber of Commerce at 817-442-2537.

paid their own way.

RIISING STAR

An elections school for persons who will be involved in upcoming local elections will be conducted by staff of the Office of Secretary of State in Rising Star on March 5. It will be held at the Rising Star High School Library on Highway 183 North, from 7-9 p.m. Registration blanks should be returned by Feb. 27, and there is no charge for the school. County clerks, school superintendents, city secretaries and others from this area who can use the information are invited to attend. Contact Dr. Donald E. Bryan at 643-3521 or Henry Eukr at 643-4261 for more information.

Renovations being made at the Post Office in Rising Star will provide space for the addition of new postoffice boxes, says Postmaster Evelyn Donham. The wall of present boxes will be moved to the east and new boxes installed in a U shape. The work is expected to take about a week, and the new boxes will have keys instead of combinations.

RANGER

The Ranger Volunteer Fire Department Ladies Auxiliary will sponsor a Sweetheart Dance on Saturday, February 14, from 7:30 p.m. - 12:30 a.m. at the old gym on Marston Street. The DJ will be Will Johnson, and free sandwiches and chips will be served. Admission will be \$3.50 for couples and \$2 for singles. No alcoholic beverages will be allowed.

The Girl Scout Association of Ranger is planning to begin a beautification project at the World War II Park on E. Highway 80. They are planning to plant flower bulbs, fruit trees and wild flower seeds in different areas of the park. The fire department is in the process of moving into their new building located on the park grounds, and have built a retaining wall. They have also kept the park mowed. The girls would appreciate any donation of seeds or trees to help in their project.

CISCO

Spring auditions for the Wrangler Belles at Cisco Junior College have been set for Feb. 22 and March 22. Any student interested in trying out for next year's dance team is invited to try out during one of these open dates. Tryouts begin at 2 p.m. in the school gym. Students qualifying for the Belles are eligible for scholarships given each semester to members of the team. For more information call the Director of Wrangler Belles at 442-2567.

The Computer Patch, a secretarial service with a difference will hold Open House on Tuesday, Feb. 17, 8 a.m. to 6 p.m. The new business is located at 302 E. 20th Street, and owned by Doris Cozart. A number of

services are offered: newsletters, multiple copies, typing, mailing lists, legal, payroll and W2's, handouts, manuscripts, and many others. Mrs. Cozart invites the public to stop by and learn of the services available.

Residents along the north shore of Lake Cisco have requested that the road along the city lots be declared a county road and repaired and maintained by the county. Around 35 persons have year-round homes in this area, with more than 200 lots owned by the city. The four-mile roadway in this area is reported to be in extremely bad condition, with no maintenance for several months. The City of Cisco built this road a number of years ago.

The Cisco Ministerial Alliance is seeking a building that can be used as a food pantry. It will be used for the storage and distribution of this food to needy people. There has been a very generous offer by a family to donate the first ton of food as soon as a suitable building can be located. The building location must have parking, and hopefully will be in a visible location.

Homemaking Hints

From Janet Thomas, County Agent

A recent national survey on health care issues conducted by Opinion Research Corp. shows that 90 percent of Americans think medical costs are too high. If you're one of those concerned about medical expenses, the following practices can help you keep your costs to a minimum.

-Take good care of your self and keep fit through regular exercise
-Provide accurate information when discussing your situation with health care professionals; ask questions when you don't understand or need more information

-Be sure that your physician or clinic has good records of your medical history

-Discuss health care fees before receiving services

-Ask your doctor about substituting a generic drug for a brand-name drug

-Use a hospital emergency room only in a true emergency situation contact your doctor or clinic first

-If you need testing, ask why you need it and what it involves, including the alternatives to testing. (Check if any free testing is available, for example: Hospital Health Fairs)

-Get a second opinion before undergoing any

nonemergency surgery. This may save you unnecessary medical risk, not to mention unnecessary expense

-When you need surgery, ask if it can be performed on an out-patient basis

-Before a hospital stay, ask if you can recuperate at home through a home care program

-Study all health care bills to make sure that you or your insurance pays only for services performed

RECIPE FOR THE WEEK:
Here's an easy, delicious and pretty dessert for cherry month.

CHERRY CHOCOLATE UPSIDE-DOWN CAKE

2 T sugar

1 can cherry pie filling, divided

1 pkg. devil's food cake mix (two layer size)

1 t cinnamon
3 eggs
1/2 c water
1/4 c vegetable oil
Makes one ring cake
Generously butter 12-cup ring cake dish. Sprinkle with sugar to coat sides and bottom. Spread half of the cherry pie filling in dish.

In large bowl combine remaining cherry pie filling, cake mix, cinnamon, eggs, water and oil. Beat at medium speed of electric mixer 3 minutes, scraping bowl occasionally. Pour into ring dish.

Microwave at 50% 14 minutes, rotating every 3 minutes. Increase power to high. Microwave 1 to 8 minutes until cake springs back when lightly touched and begins to pull away from sides of dish. Let stand 10 minutes. Invert onto serving plate. Cool completely before icing. Another cherry idea: Add 1/2 cup chopped marshmallows to brownie mix and substitute cherry juice for liquid. Garnish with cherry halves.

Home Economics Committee To Hold Meeting Tuesday, 10 a.m.

The Home Economics Area committee of the Extension Service Program Council will meet this coming Tuesday, February 17, at 10 a.m. in the Eastland National Bank Community Room.

The home economics program to be sponsored in 1987 will be planned. The 1986 home economics task force committee identified the following critical issues: Parenting, Lifestyles, Family Economics, Nutrition, Health, and Volunteerism for programming into the 1990's.

Mrs. Dorothy Underwood is the current chairman of the Home Economics Area Committee.

Club News
 Misses Kathy Hutchens and Amy Cross, junior students at Cisco High School, sang several solo numbers each as the entertainment feature last Wednesday noon at the weekly luncheon of the Cisco Lions Club.

Lion Earl Ray served as program chairman. The entertainers were accompanied by recorded music, and Lions applauded their program.

The Rev. Steve Coutouzis, pastor of the Church of the Nazarene, was a guest at the luncheon. President Olin Odum presided.

religious services

REDEEMER LUTHERAN CHURCH

Our worship service begins at 10:30 a.m. Pastor Urban's message is entitled "He Stills the Storms of Life" based on Matthew 8:23-27. Sunday School and Bible Class begin at 9:30 a.m.

"We all desire a spiritual experience that is a milestone or a once-in-a-lifetime experience. Often we tend to react like Peter - we want to freeze the moment," says Dr. Oswald Hoffmann, Lutheran Hour speaker, on the broadcast, "Once In a Lifetime." Hear it on KSTB (1430) next Sunday at 7:04 a.m. or on KBWT (1380) at 8 a.m. or on KFQX (1470) at 8:30 a.m.

Tuesday, morning Bible Study is at 9 a.m. Quilting will follow.

Wednesday, Nursing Home worship at 10 a.m. Confirmation Class is at 3:30 p.m.

Thursday, Jesus' Friends meet at 9:30 a.m. and 2:30 p.m. Bible Study and fellowship are at 7:30 p.m.

AARP To Meet Thurs.

The Cisco Chapter No. 247 of the American Association of Retired Persons will meet Thursday, February 19, at 6 p.m. at the Corral Room. A covered dish dinner will precede the regular monthly meeting.

Gil Copeland, program chairman, will present a slide film entitled "It's Your Choice," a film designed to provide guidance to anyone planning their personal or loved one's funeral. Bural Chambers and Brad Kimbrough, representing Cisco's two funeral homes, will be the chapter's guests and will answer questions from the members.

People n Things

THE E.L. Graham Memorial Hospital Auxiliary is enrolling members for the coming year these days. Regular working members pay \$3 per year and supporting members pay \$5 per year. There's an Auxiliary member on duty most of the daytime hours at the hospital and they'll accept your dues check.

Mrs. Bob (Pat) Isbell is the first Auxiliary member to receive an award as a 1,500-hour volunteer. Members put in over 1,400 hours of volunteer work during 1986. The Auxiliary, you know, supports and helps out in many ways at the community hospital.

There's a story elsewhere about their meeting at 2 p.m. Monday, Feb. 16, to install officers for the coming year. And the story tells about a lot of the things the Auxiliary has done during the past year.

ALL AREA GOLF players have been invited to join in the scramble tournament this Saturday (Feb. 14) at the Cisco Country Club. There was to be a 1 p.m. tee off ... Band Director Wayne White and Music Teacher Pam Jackson of the public school faculty were in San Antonio most of the past week attending the annual meeting of the Texas Music Educators Association ... Mr. Eris Ritchie of Southwest Enterprises was also in San Antonio attending the same convention.

DID MR. C.B. (Runt) Dill ever get lined up to work as Jake Morgan's gate opener when the feed merchant makes deliveries? We've had inquiries and checked into the matter. There's a snag of sorts in the negotiations, our scout reports. Hunt figures that, based on years of experience, he would be a better driver than gate opener.

Didn't get Jake's reaction to letting Runt drive while he opened gates. Mr. Dill, you know, recently retired after some 25 years as our county commissioner.

THERE IS still room for more folks to make reservations for the Feb. 20 and 21 Nostalgia Night programs that the music department of Cisco Junior College will stage, reports Director Tim Jones. So far, they have about twice as many reservations for the Saturday performance as have been made for the Friday night dinner show.

Miss Arlieta Thomas, teacher at Throckmorton and a former CJC student, is listed on the program as hostess. She will be a house guest of Mr. and Mrs. Tim Jones during Nostalgia weekend ... Call the college if you would like a reservation to attend one of the shows, which will be held at the Corral Room of the Laguna so they can accommodate more people ... The dinner menu features Chicken Kiev with all the trimmings, including apple pie.

MR. CARROL Barnhill of Fort Worth, former Ciscoan, and his missus were in town the other day, and he brought a copy of the manuscript he has written for a book entitled "The Galloping Ghost," which is the story of the USS Enterprise. Mr. Barnhill is a retired Navy photographer who spent a lot of time aboard the famous aircraft carrier during WWII, and he has written the book as if the Enterprise was talking - sort of a diary.

Mrs. Lela Lloyd, who is doing nicely following recent surgery, was visited by the Barnhills and he left his manuscript for her to read. "I can't put it down," she told us ... Mrs. Lloyd got a good report from her doctors in late March when her new book, "Belle of Texas Freedom-Saga of Jane Long" is due off the press ... The jacket for the new Carey book, which was about five years in the writing process, was done by Gene Kinser of Cisco.

GLAD TO HEAR that Mrs. Sophia Eudy of our town wasn't seriously hurt in a fall the other night. She has been recovering from a hip frac-

ture and has been hospitalized for a time in Fort Worth. After the fall, she was taken back to Fort Worth and the hospital folks were able to put her hip back in place. And home folks expected her to leave the hospital this weekend ... Mrs. Eva Humphreys of 1204 West 10th Street is "grounded" for a few days. She suffered an ankle fracture in a recent mishap ... Sunday, Feb. 15, will be a birthday for Dr. Kenneth Breeze, pastor of First Christian Church.

OUR SCOUT report that Mike Woolley, No. 2 son of the Dick Woolleys, is leaving his job with a Granbury bank to accept an opportunity with First National Bank in Abilene ... Can't imagine buying a car from a dealer who advertises "We tote the note" ... Things were a bit turned around at the Cisco Lions Club luncheon last Wednesday noon. Song Director Wyley Peebles played the piano and Sweetheart Wendy Wester, the regular piano player, led the singing.

MR. BOB ELLIOTT, who is selling out things at his Man's Store in preparation for retiring, has worked in the same building since 1950 - 37 years. And he has been a salesman of men's wear in Cisco for 50 years!

It was in the year 1936 that a youngster started working in the men's department at the old Garner Department Store in Cisco. After WWII, in which Bob served, he returned to his home town of Cisco where the late Nick Miller was saving a job for him at his Man's Store.

The Man's Store was located in the old bank building until the bank

RICHARD RIGGS

New Business In Cisco Is RNR Electronics

RNR Electronics, a new business servicing televisions and VCRs, has been opened by Richard Riggs in downtown Cisco. Located at 602 Conrad Hilton Avenue (just south of Dixon Auto Supply) the store will be open from 8:30 a.m. to 6 p.m. Monday thru Friday, and 8:30 to 12 noon Saturday.

Mr. Riggs began tv repair work 15 years ago in the same location when it was Caldwell's TV. He has worked

for shops in Cisco and at McKissack's TV in Abilene. A native of Cisco, Mr. Riggs is married to Susan Riggs, teacher at Cisco High School. They have two daughters, Melissa, 7, and Angie, 4.

Mr. Riggs will make service calls in Cisco and the surrounding area. There will be no mileage charge for Cisco calls, he said. The phone number for RNR Electronics is 442-1520.

bought and absorbed in 1950. When Mr. Miller retired, he sold out to Bob who has earned a fine reputation for running an outstanding store.

Bob and his good wife Nadine, who have been married about 50 years, are planning "to take things easy" after he hangs 'em up. He hopes to sell his store to somebody who will keep it operating. It was probably be a few weeks before the selling out is completed.

Both Bob and Nadine enjoy good health, like to play golf and are looking forward to happy retirement years. And you'll want to join us in a wish that there will be a lot of them ... Mrs. Louise Pryor has been an employee at The Man's Store for 33 years. Understand she is not ready to retire yet.

Heart Attack-Attack. Researchers have developed a test that can identify the one in 500 persons who is likely to have a heart attack before middle age. Doctors at the University of Texas Health Science Center in Dallas have found a simplified way to identify people with familial hypercholesterolemia (FH), or inherited high blood cholesterol. In people with FH, excess cholesterol adheres to artery walls, narrowing the artery and slowing the flow of blood to the heart - a treatable condition known as atherosclerosis. If further testing confirms their finding, "We can use the test to screen young people who have high cholesterol levels or family histories of heart attacks at an early age," says Researcher Dr. Jennifer Culthbert.

The programs for the past week included: dinner music by Mildred Johnson, Ima Thompson and Howard Shelton. We also had a Valentine program. The Senior Citizen Band presented a program in Baird to the senior citizens.

The menus for the coming

week will be:
Monday - Simmered beef, mashed potatoes, chopped broccoli, jellied vegetable salad, golden carrots, cherry cobbler, bread, butter and milk.
Wednesday - Honey chicken diable, pickled beets, golden potatoes, green peas, jellied vegetable salad, peach upside down cake, bread, butter and milk.
Friday - Vegetable soup with beef, fruited gelatin chiffon, cheese sticks, cinnamon crisps, cornbread, butter and milk.

Auxiliary To Meet

The E.L. Graham Memorial Hospital Auxiliary, which is in its 15th year of community service, will install new officers at the first general meeting of 1987 at 2 p.m. Monday, Feb. 16, in the hospital dining room.

Members of the hospital staff and the new officers

will be honored with a tea at the meeting, it was announced by Louise Anderson, retiring president. All Auxiliary members and others interested were asked to attend.

Over the years, Auxiliary members have contributed some 24,000 hours to provide an assortment of services to the hospital and to the community. Mrs. Anderson reported. A nominating committee will present a slate of new officers at the meeting.

During the past year, the Auxiliary provided for the hospital an Ames Serializer for the laboratory's use, an IBM electric typewriter for the business offices, and two large flower pots with plants.

In addition, the Auxiliary took part in two blood drives, had a booth at the Folklife Festival, held an open house for the Medical Supply County Health Fair, held their annual book fair and bake sale, and provided tray favors for hospital patients.

Members were reminded that "it's time to pay for dues for the coming year."

CHS Jr./Sr. Banquet Held Sat.

Some 150 students and school officials are expected to attend the annual Junior-Senior Banquet at 7 p.m. Saturday at the Elementary School Cafeterium.

The program will feature a Valentine Day theme and highlights will include a slide presentation, showing members of the Senior and Junior Classes, and the reading of the Senior Class Will and the Junior Class Prophecy.

Kevin Kirk, president of the Junior Class, will preside as the master of ceremonies. The menu of steak with all the trimmings will be served by the cafeteria.
