

# Mr. Muleshoe . . .

By J. M. Forbes

From the church program for Easter day services:  
"The humblest spire in mortal ken,  
Where God abides was built by men,  
And if the church is still to grow,  
Is still the lights of hopes to throw  
Across the valleys of despair,  
Men still must build God's house of prayer,  
God sends no churches from the skies,  
Out of our hearts they must arise!"

It is not only churches which must arise in the hearts of men. Better homes improved lawns, paved and beautified streets, recreation facilities and playgrounds for the children, a more convenient, better schools, all these out of our hearts must arise.

All the conveniences and comforts we now take as a matter of fact have arisen from this source alone.

Note to Messrs. King, Cox, and Roberts: (In the manner of Mr. Hoover's wife to Mr. Roosevelt) I congratulate you upon your opportunity to be of service to your community.

It ought to be a good year for St. Joseph and for Bayer. We predict the need for a copious supply of aspirin, widely used as a headache palliative, by youse guys in the next twelvemonth.

There may be, however, a tapering off in use of the stuff by the members of the school board in the next few months, and perhaps a plentiful supply of aspirin will be available.

Which reminds me: There has been a dead cat's body lying in the neighborhood of The Journal office the last several weeks. Could you see to it that, etc., etc., etc., please? This, as Hitler said, will be the last demand I have to make of the present administration.

All foolishness to one side, we all know that to serve as trustee or as a city official is to invite a "headache" now and then, yet there is a consolation when one does his best to advance his community or school. And what this writer is trying to say in his poor way is that the rest of us ought to furnish that cooperation which is necessary. It is such a privilege to live in a clean little town like Muleshoe that one would be very ungrateful if he did not fully appreciate and respect those who have consented to do their best to serve us in the next two years. Venture to say that these new officials will be able to go far with the right sort of support from us mill run citizens and can't accomplish much without that cooperation.

Let no one hide away to the mountains or the seashore to escape the little flurries of dust which seem to have been floating around this spring in the Plains country. Troy Atkinson and family nearly suffocated recently in a sandstorm in the Rio Grande Valley, near Brownsville. Mr. and Mrs. O. Q. Holly, old time settlers around here, are back from a stay at Alba, near Mineola, northeast of Dallas. Mr. Holly said the dirt was being suffocated recently in the fields there it wasn't being blown in from Oklahoma or West Texas. In their 14-day stay, they experienced only 2 calm days.

## Special Train Of Amarillo CC To Stop In Muleshoe

A special train of eight cars carrying approximately 100 members of the Amarillo Chamber of Commerce on a good tour through West Texas and eastern New Mexico will stop at Muleshoe on Thursday, April 27, at 3 p. m., W. B. Sansing, member of the Amarillo CC public relations department, announced yesterday in a visit to Muleshoe.

The 30-piece Amarillo College Band, accompanying the good-will ambassadors, will present a short concert. R. Earl O'Keefe, president of the organization, will give a short address. Souvenirs will be given to all the youngsters present.

After leaving Clovis, the train will stop at Texico and Farwell, Muleshoe, Sudan, Amherst, Littlefield, Anton, and Lubbock. The group will spend Thursday night in Lubbock and enroute for Amarillo Friday, making scheduled stops along the way.

## Fire Destroys Sheppard Home

The John Sheppard home, Goodland, was destroyed by fire Monday. Several Muleshoe men who had business in the neighborhood at the time, saw the blaze and said there was no opportunity to save anything, since the flames made such rapid progress.

It was a rather large house. The house, furniture and household articles were said to be a total loss. Members of the family were not at home at the time.

## Clovis Lions Minstrel Scheduled In Muleshoe Next Tues. Night, April 18

Muleshoe Lions Club went into high gear this week in publicizing and making arrangements for their presentation here the night of April 18 of the by now well known Clovis Minstrels, which is being put on in various towns of the area by members of the Clovis Lions Club.

Around 30 persons will take part in the minstrel. This group has been providing a hilarious, clean entertainment for the people of a wide area, and the Lions Club here felt fortunate to get the Clovis folks to come here and stage their program, which lasts around an hour and forty-five minutes.

The Clovis people make nothing out of their program here. The local club will serve them their evening meal, however, and will in addition be out \$25 for rental of the school auditorium plus whatever advertising they do. The rest of the proceeds will go into the Club's fund for the summer recreation for youth of the community.

Since the program is for the youth, Lions called on the school children to help them to spread the word. Tickets went on sale on Wednesday at noon at the Lions luncheon, when Tye Young, chairman of the tickets sales committee gave every Lion 20 tickets to sell and laid down the order to get them sold. Adult tickets sell for \$1.00 and tickets for children are 50 cents each.

The program will begin at 8:00 o'clock in the high school gymnasium. It was announced that the club has agreed with Don Jackson, of the school faculty, to conduct the program again this year for the third year.

## National Magazine Publishes 8 Poems

Word was received this week that eight poems written by members of the senior English classes were published in the National Anthology of High School Poetry. This magazine is put out by the National High School Poetry Association in Los Angeles, Calif.

The first semester six poems were published with no special mentions. Among the eight published this semester, there were two special mentions. Those were for the poems written by Jo Anne Darby and Mary Jo White.

The six other seniors whose poems were published are Joyce Blackburn, Barb Grandy, Ivera Blackwell, J. R. Henry, Billie Margaret Collins and Kenneth Lovelady. Each of these persons received a certificate saying that their poem had been accepted for publication.

The poems were submitted by the English instructor, Mrs. Horace Blackburn.

## Attend Appreciation Day

The department of music, Muleshoe public schools will present a "Parade of Music" in the school gym here the evening of April 17, Bob L. Gray, director, announces. Taking parts in the Parade, to begin at 8 p. m., will be personnel of the Junior High Band, Senior High Choir and Senior High Band. The senior high band will present three numbers which they are to give at the Regional Band Contest to be held in Canyon at the West Texas State College April 27, 28, and 29. These numbers are Storm King March by Finlayson; Aurora Overture by Friebs-Chidester; and Shalimar Overture by Buchtel.

Other numbers on the rather difficult program for the senior band will be Kom Suser, Tod, J. S. Bach; Ruston Overtures, Francker; Serenade by Tosselli; Soldier's Chorus, Gounod; Carnival of Venice, Clarke; and Jericho with arrangements by Yoder.

## Work Begins On Co-Op Building

Construction work on the new headquarters building in Muleshoe for the Bailey County Electric Cooperative was started on Monday of this week. The Cooperative hopes to get in the building during August. Dolph Construction Company, of Dallas, is erecting the building, and it will be a turnkey job, complete even to lighting fixtures.

The building, which will be 100 feet by 110 feet, will cost about \$75,000. It is going up on the corner of East 1st street and Avenue B, just across the street from the postoffice building that is now under construction.

## New Score Board Has Arrived

Coach Woodie Green announced today the arrival of Muleshoe's new electric basketball scoreboard, and said the fine new instrument will be placed in the local gymnasium before the beginning of another basketball season.

"It is a nice one," Coach Green told The Journal. The board is 76 inches long by 48 inches high. It has a clock which shows the time remaining in the period being played, score of home and visiting teams, shows the quarter being played, and there is a warning horn which sounds the end of a quarter. All is electrically illuminated, and the board will be placed in such a position that it can be seen by all spectators.

The board cost about \$270, Mr. Green said. Money for its purchase was donated by public spirited people all over the Muleshoe school district, and the collection was taken up quickly by Mrs. R. C. Gaede and Bob Kimbrough. It will add immeasurably to the enjoyment of the game on the part of the spectators, and it will be of great help to the players themselves during a game.

## JAYCEES ATTENDING ANNUAL STATE CONVENTION

Muleshoe Junior Chamber of Commerce is well represented at the annual Jaycees state convention being held in Dallas the last half of this week. Delegate from the local club is Buddy Blackman Carroll Goss, Jr., and Roy Howard.

## REVENUE SERVICES

Rev. L. H. Hubbard invites everyone to a Revival beginning April 16, at the Assembly of God Church, Muleshoe, with the Smith Evangelistic party in charge of the services.

## Is A Candidate For Court Place

Former State Sen. G. H. Nelson, Lubbock attorney, will be a candidate for the State Court of Criminal Appeals, subject to action of the Democratic primary election on July 22.

A former city attorney of Tahoka; county attorney of Lynn county; 160th district attorney and a private law practitioner for 23 years, Nelson seeks the post now held by Judge F. L. Hawkins, who has been a member of the court since 1921. It is not yet known whether he will seek reelection.

Nelson, 48, was born in Hughes Springs, Cass county; and was educated in the public schools there; East Texas State Teachers college; Commerce; and the University of Texas. He has been a resident of Roscoe, Hermligh, Tahoka, and Ralls, in West Texas prior to moving to Lubbock in 1936. Before entering the practice of law in 1927, he was a school principal and superintendent and a chamber of commerce manager.

A member of the State Senate between 1935 and 1941, Nelson was a candidate for lieutenant-governor in 1938, losing to Coke R. Stevenson in the latter's first campaign for that office.

## INFANT HELD TODAY

Graveside services for Margaret Helen Simmons, day old daughter of Mr. and Mrs. Roy Simmons, of Muleshoe, were conducted in the Muleshoe cemetery at 3 p. m. today by Rev. A. W. Blaine, Muleshoe Funeral Home had charge of arrangements. The baby passed away at 3:30 p. m. Wednesday.

## TO LUMBERMEN'S MEETING

Mr. and Mrs. H. S. Sanders of the Willson-Sanders Lumber Co., Muleshoe, plan to attend the 6th annual convention and builders show of the Lumbermen's Association of Texas, April 23-25 in Galveston.

## WEEK END VISITORS

Miss Nell DeShazo, who is teaching in the public schools at Carlsbad, N. M., and Dick DeShazo who is working in Dumas, spent the weekend in the home of their parents.

## LOCAL MARKETS

## Boys Take Part In FFA Judging

Bailey County FFA judging teams, representing Bula, Three Way and Muleshoe high schools, took part in the preliminary judging contest held at Muleshoe last Saturday, April 8, and won many places. About 60 boys took part in the contests.

These contests were in four categories: 1. dairy cattle; 2. Crops; 3. Poultry; and 4. Dairy Products. In dairy cattle judging, Littlefield was first, Bula second, and Sudan, third.

Crops Judging: Three Way, 1st, Muleshoe, 2nd. Poultry Judging: Sudan, 1st; Bula, 2nd; Muleshoe, 3rd. Dairy Products Judging: Olton, 1st; Muleshoe 2nd.

Teams representing the various schools will take part in the finals to be held in Lubbock April 15 for this area, when around 800 boys will participate in the various judging events. Winning teams, in three places, will go to the state finals in June.

G. S. Dowell, Voc. Ag. teacher here, is training a cotton classing team which will take part in the Lubbock contests.

## Light Shower Fell Wednesday Night

The first rain clouds to be seen in many moons drifted over Muleshoe late Wednesday afternoon, but unfortunately deposited only .03 of an inch of moisture.

Today, the skies remained overcast, however, and hope was still held out for more rain during this spell.

Lubbock reported .47 of an inch and other points to the east and south of Muleshoe reported more precipitation than was received here.

## Cox Drive In As-U-R Theater To Open First Part of Next Week

One of the most modern open-air theaters on the South Plains, Cox Drive-In As-U-R, is scheduled to open the first part of next week. Howard Cox, owner and manager, announced the tentative opening had been set for 8 p. m., Monday night, but it is possible it could be delayed a day or two.

If the theater opens Monday night, the first film to unroll will be "Three Darling Daughters." Tuesday or Wednesday opening will feature "Adam's Rib" and if opening is at a later date it will be the feature scheduled on the show calendar appearing on another page of this issue. Operator of the projection machines is to be Gaylon Dorsey.

Several days of good weather this week enabled the theater to be rushed to completion. Construction was under the direction of V. M. Collins and parking ramps and other dirt work was done by Ed Carthel company. The theater will have a capacity of more than 300 cars.

All new RCA equipment will be used in the theater and this should insure theater patrons hours of trouble-free and enjoyable entertainment. A snack bar will provide cold drinks, pop corn, cigarettes and other concessions and as a special favor to mothers with small babies, there will also be a bottle warmer. Admission prices will be 40 cents for adults and nine cents for children under 12 years of age.

This new business enterprise, an investment of several thousand dollars, is another step forward in the progress of Muleshoe and faith in the future development of this area. It also brings another place of much needed entertainment to the people in this area. When completed, this theater will be equal to those in any of the larger towns on the Plains and will surpass many of those in smaller towns.

## Kings Begin Erection Of Big Grain Storage Warehouse For 640,000 Bu.

REV. JOHN GILLILAND

## Hicks Chapel In Revival Meeting

The revival meeting now in progress at Hicks Chapel is creating much interest in the community, according to report of Rev. B. L. Carter, pastor.

Rev. John Gilliland, of Whitley City, Ky., is doing the preaching and is delivering some fine sermons. John Leverett, of Lubbock, is leading the singing.

Rev. Carter again extended the invitation of the church to all in the community to attend the services, which will continue to April 23.

## SINGING TO BE HELD

The Main Street Baptist Church announces there will be a singing held each first and third Sunday afternoon at 2:30. Everyone is cordially invited to attend.

Construction of a big warehouse for grain storage was begun this week for the King Bros. Grain and Seed Co. which will have a capacity of 640,000 bushels of grain.

The storage building will be 250 feet long and 240 feet wide, and this storage, added to that in the elevator proper and in tanks will bring total storage available to this company more than 900,000 bushels.

Erection of the building is going forward under the direction of the Continental Steel Building Co., of Los Angeles. Site is several hundred yards east of the elevator, on a 500-foot frontage tract located between the Charles Lenau Lumber Co., and the site of the old alfalfa mill.

The building will be finished in time for this year's wheat harvest. H. D. King of the grain firm said a flat storage warehouse was being erected rather than a vertical type because they felt that in time to come the grain storage at some periods might not be needed and that the building could be used for packing vegetables, for handling cotton, and various other agricultural purposes.

He said his firm had experienced the need for additional storage space in Muleshoe and was endeavoring to help meet this need. The grower will bring his grain to the elevator in the usual way and it will be handled there in the usual manner, the firm supplying transportation to the warehouse, where handling machinery will be set up to facilitate loading and unloading.

## Hybrid Corn Is Available Now

Indicating a sharp rise in potential production of corn as a partial replacement under cotton acreage restrictions, a carload of hybrid seed corn believed to be the first full carload of seed corn to come to the plains—has been received by the B. L. Williamson Seed & Seed Company of Lubbock.

The shipment of 1,400 bushels came from the Peppard Seed Company's farms at Paul Valley, Okla., where a carload of seed corn, last year in cooperation with the Funk Seed Company, of Illinois.

The Williamson company is distributor for the corn in this area, and has in turn shipped out most of the seed to dealers in all parts of the area from Matador to Muleshoe and eastern New Mexico, and about the same distance north and south, to more than two dozen towns.

Mr. Williamson said that in cooperation with the seed company, he will have a large number of the same hybrid sample bags of the corn seed available to students in Vocational Agriculture departments of public schools in West Texas and eastern New Mexico. The sample bags are free, and can be obtained, or information concerning them, can be obtained from the company, located at 335 Avenue H in Lubbock or from local dealers in each locality. He has asked that instructors in the various school departments cooperate in the sampling by grouping their requests, so all in one class or school can be handled at one time if possible.

Both White and Yellow Types The shipment includes both white and yellow corn, and it is not altogether new in this area. Several produced crops from the same hybrid last year, most of them using the yellow, which is more popular in this area. Mr. Williamson planted a small crop of yellow hybrid last year, but did not record his yield that was far above normal. G. T. Maltby, of Muleshoe, planted a test plot of several varieties, including the yellow hybrid, and reported a yield of 140 bushels per acre. Like Mr. Williamson, he believes that most growers space corn too wide in the drill. On Mr. Maltby's plot, for instance, the corn was planted in rows 32 inches apart—impractical except for test purposes because all equipment is on 40-inch spacings apart in the row. Since the corn has considerable drought-resistance in the row is believed practical and profitable.

The yellow corn is known as Funk's G-711, and the white as G-777. Both are reasonably early maturing varieties and can be planted as early as desired after danger of heavy freeze is past, usually in this area about mid-April. Some plant a little earlier, and some later.—Crop & Stock

## Postal Receipts In 5 Percent Gain

Postal receipts during the quarter ended March 31 at the Muleshoe postoffice registered a gain of approximately 5 per cent over the same quarter, 1949, receipts, a report of A. J. Gardner postmaster shows.

Mr. Gardner said receipts for the first quarter this year were \$6,066.69, and for the first three months of last year, \$5,780.68, a gain of \$286.01.

### GO ON FISHING TRIP

Ray Kersey and Ted Lawler spent the week end fishing at Buffalo Lake near Amarillo. Both boys returned with several fish to their credit.

## BABSON DISCUSSES "My Weather Rules"

NEW YORK CITY, April 10—One of the chief topics of discussion here today is whether D. Irving Langmuir and his Harvard friends will succeed in making it rain.

### SCIENTIFIC VS. LEGAL PHASES

Of course, based on statistics, nature favors their reputation. Every day New York goes without rain, the chances increase that the rain makers will be "successful. If no rain occurs after they doctor the clouds, their experiments will be of some value but if rain does occur, no one can tell whether or not rain would have come without this doctoring.

Perhaps the most interesting feature will be the results of the legal suits:—(1) Those brought by business concerns—department stores, amusement centers and building contractors—who do not want it to rain; and (2) those brought by other communities other than New York City who will

claim that New York "stole" rain which they greatly needed. One thing the rain makers have accomplished. They are giving the gambling element something new to bet upon! So much for this New York experiment.

### WATCH WEATHER MAPS

The real thought which I have in mind is to emphasize the importance of watching the daily U. S. Weather maps as they appear in most city newspapers. My reason, however, is not to know per se if it is to rain or be fair, if it is to be colder or warmer; but how the change is to affect the behavior, disposition, judgment and courage of you and me. Upon these things our happiness and business success depends. The first step is to learn how to interpret this weather map. The newspaper tells you what the weather will probably be tomorrow. But what when making plans for advertising, business interviews, committee meetings, etc., we should know what weather conditions to expect a few days ahead. This we can usually do by studying the Weather map. Certainly, every child in school should be taught how to forecast the weather from this daily weather map.

### MY WEATHER RULES

In my own life I use the weather forecasts as follows:

**ZILPHA ZIMMER**  
RETAILER  
Look and Feel Better in Individually Designed "Spirella" Natural Support Free Demonstration

**RULE 1.** If I want someone to take a favorable attitude or to answer "Yes" on some project, I wait for a cool and clear day with a rising barometer. (I have a barometer over my desk beside my clock.) I always can get better results by so waiting.

**RULE 2.** If someone wants to call upon me whom I do not care much about seeing, I make a date when the day probably will be cloudy or muggy with a falling barometer. I have two reasons for this: (a) Because the person may not have the energy to call; and (b) Because it will be much easier for me to say "No" when the barometer is falling and I don't feel well. Looking back on my life it seems as if 90 per cent of my mistakes were due to my not having the guts to say "No" and stick to it.

### WATCH YOUR STEP

**RULE 3.** Last week Mrs. Babson and I celebrated our Golden Wedding. Naturally we like every other couple who have been married 50 years—have had rows! But when, last week, discussing our experiences, it was evident that every serious flare up started accidentally over some insignificant and unexpected word. With my present knowledge of weather psychology, I believe that the weather was an important factor in starting "No" when those unhappy days. Hence, my Rule 3 is to "Watch my step during such cloudy or muggy days" and keep away from other people as much as I can, remembering that the weather is making them "touchy" or a little ugly as well as it is affecting me unfavorably.

**RULE 4.** Finally, I no longer telephone the doctors when members of my family have pains or think they are sick, without first looking at the barometer. If there has been a sudden change in the weather, I say: "Cheer up. You'll be O. K. tomorrow. Today's aches and depression are due to a changing weather condition" This forecast is usually correct and all the family are again feeling fine in a day or so. This barometer pays for itself every month. I wish I could be as successful forecasting the stock market!

only one who lives out of Texas. My husband's people live in Tucson now. His parents are Mr. and Mrs. C. E. Dotson. He has two sisters at Clovis, N. M., and one at Roswell.

Perhaps you will be able to use this.

Yours very truly,  
MRS. CHARLIE DOTSON.

# What Does Happiness mean TO YOU?

Is your happiness dependent on some personal achievement? Does it depend entirely on wealth or something money can buy? Does happiness for you take the form of a new dress, or a model airplane that will really fly, or the perfection of a new rosebud in your garden?

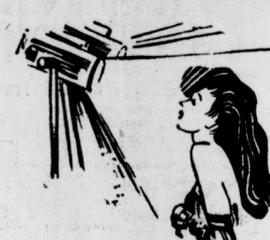

Or does happiness mean a promotion in your job, or achievement of fame on the stage, or the realization of a magnificent mechanical dream? Perhaps each of these contributes at least briefly to that feeling of security and peace of mind which we call happiness. But are they actually lasting and satisfying?

Or is true happiness found in spiritual instead of material achievements? Does the secret really lie in the discharging of one's responsibility to God and his fellowman? Is it true that only in forgetting self can one find real happiness? From the beginning of time, man has sought happiness, and many have found it. Are others perhaps neglecting its real source?

And, after all, is personal happiness really the goal of life?

For positive answers to this and many other vital problems of everyday living we invite you to attend . . .

## Letters To The Editor . . .

**THEY LIKE HISTORICAL ARTICLES IN JOURNAL**  
Tucson, Ariz.  
March 27, 1950

Dear Editor:  
After reading recent historical items in The Muleshoe Journal I have wondered how long there has been a Muleshoe Journal. My husband and I should enjoy more such items as we do those in the daily paper here in Tucson.

We are sending a clipping from the paper here, which we enjoy a great deal.

My husband lived at West Camp all his life until 1942. I lived north of Muleshoe just seven miles from town until that same year. We were married in November of 1943, just after he was discharged from the U. S. Army.

We made our home in Tucson and enjoy living here. Yet we do enjoy reading of the people that we knew in the past.

My name was Juno Glasscock—all my brothers and sisters live in Texas, mostly in and around Muleshoe. They call me their "distant relative" because I am the

## It's MISS AMERICA for beauty

Just one look will tell you why the '50 Ford is a style show all by itself. . . why it's the only car in automotive history to twice receive the Fashion Academy's Gold Medal Award as "Fashion Car of the Year" (and two years in a row, at that)

## It's MR. BIG for size

No other car in Ford's field offers so much hip and shoulder room. The '50 Ford is big and feels big. The minute you take this great car out on the road you'll feel its luxurious big car comfort, its effortless "Finger-Tip" steering and its solid roadability. A ten-minute "Test Drive" will convince you that the '50 Ford is truly Mr. Big for spaciousness, for comfort, for performance and for value.

And Champion of its Class for ECONOMY

'50 **FORD**

Here's real evidence of Ford's extraordinary gas economy. In the official AAA supervised Mobilgas Grand Canyon Economy Run, a '50 Ford Six equipped with Overdrive won in its class—the three full-size cars in the low-price field. Low first cost, low operating cost and high resale value mark Ford—V-8 or Six—as the "Big Economy Package" in its field. "Test Drive" it at your Ford Dealer's today. (Available at extra cost.)

"TEST DRIVE" IT AT YOUR FORD DEALER'S

**MOTOR CO.**

PHONE 33  
MULESHOE

**Marriage Licenses Issued**  
 During the last week, three marriage licenses were issued through the office of the County Clerk, M. G. Bass.  
 These licenses were issued to the following: G. S. Dowell and Lois Ann Dallas, Robert Carroll Howell and Annie Ruth Horsley, Herbert Leroy Griffiths and Billie Jane Barger.

**FROM CARLSBAD**  
 Visiting in the home of Mr. and Mrs. Clyde Holt and family last Thursday night and Friday were her brother and family, Mr. and Mrs. R. E. Willis, Nita and Roy of Carlsbad, N. M. Mr. Willis teaches school at Carlsbad.

**VISITORS FROM TECH**  
 Students home from Texas Tech at Lubbock for the Easter holidays visiting their parents were Billy Jim St. Clair, Jack Young, Raymond Bass, Cecil Mardis, and Doris Bickel.

**Hospital News**

Mrs. Betty Cowan was a medical patient for a few days. She has been discharged.

"Jack" H. P. Holland, a medical patient, is much improved.

Mrs. Albert Roybal was in for medical care. She has gone home.

Loreta Sullivan, daughter of Mr. and Mrs. J. E. Spillivan, underwent an appendectomy. She is doing fine.

O. G. York is in the hospital for medical care. He is much improved.

Gail Robertson, small daughter of Mr. and Mrs. J. R. Robertson, is in for medical care.

Melba Fudge is in for observation.

**CONGRATULATIONS:**  
 To Mr. and Mrs. Edward Gaston on the birth of a daughter, April 10.

**EASTER VISITORS**  
 Misses Norma Lee Osborn and Mary Drinkard, who are attending TSCW at Denton, visited their parents and friends during the Easter holidays.

**HERE FROM ALBUQUERQUE**  
 Mr. and Mrs. Bruce Horsley and son, Ronny, were here Sunday evening visiting with Mr. and Mrs. C. A. Horsley. Ronny is staying with the Horsleys for the next week or so.

**VISIT JENNINGS**  
 Mr. and Mrs. L. J. May and Mr. and Mrs. George Glover, all from Oklahoma City, were visitors over the week end with Mr. and Mrs. Olin Jennings. Both ladies are Mrs. Jennings' sisters.

**VISIT AT SPRINGTOWN**

T. L. Glasscock and family have been visiting at Springtown with relatives of Mrs. Glasscock. "Red" tried to get in some fishing at Lake Worth.

**VISIT WITH DAUGHTER**  
 Mr. and Mrs. G. D. Kersey went to Borger this last week end to visit with their daughter and family, Mr. and Mrs. C. E. Geary.

**VISIT IN AMARILLO**  
 Mr. and Mrs. Will Harper were in Amarillo this last week end to visit with their daughter and family, Mr. and Mrs. Joe Crowley and children.

**HALF CENTURY CLUB WILL MEET APRIL 20**

 Mrs. Evelyn Autry and daughters and O'Neil Rocky went to Lawton, Okla., this last week end to see the Easter Pagent given there.

**JACK BUNDY HOME**  
 Jack Bundy was home from Wichita Falls where he is stationed in the Air Corps. He visited with his mother, Mrs. Opal Fields, and with friends.

**GOSS GETS SCHOLARSHIP**  
 Bobby Goss went to Ft. Worth last week end to try-out for a football scholarship at Midwestern. He got the four-year scholarship and then visited with his grandmother, Mrs. A. B. Roberson, before returning home.

**HERE FOR WEEK END**  
 Mrs. G. W. Benton and F. T. Benton of Abilene visited in Muleshoe over the week end with relatives.

**Wall Paper - The Magic Touch**

Chicago Tribune Prize Homes Photo

Wall paper provides a striking background in this dual purpose room. By day it is an attractive living room. After dark it provides ample sleeping quarters for unexpected guests. This same arrangement can be applied to a bedroom, den, or a one-room apartment. In contrast to the monotone tailored couches, a bold patterned paper with one of the new dark ground colors, adds spark and variety. Whatever the setting, there are many exciting wall papers that will show it off to advantage. April is Wall Paper Style Month, so get on the bandwagon and select the paper of your choice.

**ATTEND BANQUET IN LUBBOCK**

Judge and Mrs. Cecil Tate, Supt. and Mrs. C. W. Grandy and Miss Elizabeth Hardin attended a banquet at the Lubbock Hotel in Lubbock last Tuesday night given by the superintendents of six counties. The speaker of the evening was Dr. J. W. Edgar, State Supervisor of Public Education, who spoke regarding the Gilmer-Aiken bill. About 270 people were present.

**HERE ON BUSINESS**

Olan Roark of Sudan was in Muleshoe Monday on business.

**LEVELLAND VISITORS**

Tom Drinkard of Muleshoe visited friends in Levelland Thursday. He found Mr. Wheeler and Mr. House his assistant band director preparing to render some stiff competition at the Regional band contest to be held in Canyon on April 26, 27, and 28. Mr. Wheeler has an especially good flute section. Some students have been taking band 6 years. Mr. Wheeler is himself an accomplished flutist. Tommie Ann Drinkard, Muleshoe, had the privilege of studying under him for a short time.

**ATTEND FUNERAL SERVICES**

**CARD OF THANKS**

We wish to take this means of thanking all of our kind friends for the beautiful cards and flowers sent us, during the death of our father, J. B. DeWees, Sr., Tucumcari, N. M. May God's richest blessings be upon all of you. Henry and Madge Clements And Family.

**NAVY NOW PROCESSING AVIATION CADETS**

Chief Walter I. Lechty, Petty Officer in charge of the Clovis Navy Recruiting Substation announces that the Navy is now processing future aviators. Young men between the ages of 18 and 27 years with two years of college education are enlisted in aviation cadets. An 18 month course in aviation is given at Pensacola, Fla., the "Annapolis of the Air" and graduates are then commissioned as ensigns in the Navy Air arm or second lieutenants in the Marine Corps aviation.

returned from Mangum, Okla., where they were called to the bedside of their father and grandfather, L. D. White. They attended his funeral Monday.

**LUNCH IN LUBBOCK**

Mr. and Mrs. J. N. James, Mr. and Mrs. L. E. Testerman, and Mr. and Mrs. Joe Crouch and children spent Sunday in Lubbock. They had lunch at the park there. Several other families from Littlefield and Lubbock joined them for lunch.

**VISIT WITH PARENTS**

Mr. and Mrs. Morris McKillip visited Sunday with Mr. McKillip's parents, Mr. and Mrs. L. T. McKillip.

**VISIT WITH WAGGONERS**

Mrs. R. W. Walker of Cleburne spent several days last week visiting Mr. and Mrs. J. L. Waggoner and family.

**VISIT HERE EASTER**

Weston Kennedy was home from Tech this last week end. He visited with his mother, Mrs. Lorne Kennedy and with his brother, Garland Kennedy and family.

**HERE FROM SLATON**

Robert Breedlove was visiting with his mother, Mrs. Lois Testerman, over the week end. He works for the Caprock Electric Co-op in Slaton.

**ATTEND FUNERAL SERVICES**

Mr. and Mrs. Alvin Allison attended the funeral services of his grandmother, Mrs. Mary E. Davis, at Gainesville, Texas, Saturday.

**FURNITURE FASHIONS** by Frances Ainsworth

GRAND RAPIDS, MICHIGAN: — "Made for each other" — Television and the handsome "unit ensembles" illustrated. The "Television Corner", shown, is an excellent idea for the home which must use every available bit of space. . . . It uses these traditional mahogany pieces to center the room interest on the Television receiver conveniently placed on the corner unit. Shelves, cabinet, and gleaming top surfaces, provide a wealth of space for books and decorative accessories. Smart grouping for the one room apartment, a practical investment . . . for every home-maker will find a dozen uses — several smart groupings for such pieces in her home.

**Lazbuddy News**

tion Service and labor demands of other states for Texas labor has changed Texas' farm labor picture drastically.  
Farmers said the United States has looked upon Texas as a farm labor supply state for a number of years, and a state where cheap labor can be found. Out of state labor recruiters, he said, sent nearly 50,000 farm workers out of Texas last year to 19 different states. Most of the workers went to Colorado, Michigan, and Ohio to sugar beet fields.  
"For one thing," Farmer said, "most Latin-Americans who were contracted in Texas last year — 'wet-backs' who were legitimized — have been returned to their homes in Mexico."  
As a result, the border counties of Texas have lost approximately 85,000 workers by this means alone. In addition to this, the Immigration Service has made a sustained drive during the past several months to deport illegal aliens along the border. Last year over 214,000 Latin Americans were deported as compared to 140,000 in 1948. Recent reports are to the effect that around 1,550 a day

are being deported. The feeling in the Valley is that the 'wet-backs' has been eliminated as a substantial segment of the available labor supply.  
Texas farmers are in the middle of a 'squeeze play', the TEC administrator said. On the one hand Immigration has eliminated the bulk of the farmer labor supply, and on the other hand out-of-state recruiters continue to take out a large portion of Texas labor. Texas Mexicans from the Valley formerly were available to harvest crops in other portions of the state but this year, he said, valley farmers might be looking to other parts of Texas for sufficient labor to harvest their own crops.  
In addition to the nearly 50,000 sent out of the state by licens-

ed recruiters last year, TEC in response to "clearance orders" from employment agencies in other states routed nearly 23,000. A large number of workers voluntarily migrate without recruitment or direction of any sort every year.  
The TEC administrator stated that wages in Texas have already jumped. "We are getting orders for hourly workers at over 60 cents an hour. Price rates have drastically increased in many instances. The wage increase is due to the increasing shortage of la-

bor in certain areas and likewise to the fact that the Federal minimum wage passed over 2000 canneries and cotton gins to 75c an hour." The Administrator said this naturally has an effect on the general wage rate of the surrounding area. It may not be as easy to recruit for out of state work this year, because Texas Mexican will very likely stay in preference to making the long trek northward if the rate of pay is very little higher in northern states.

**THE OTHER HALF OF THE HAYING TEAM**

**A-C POWER-DRIVEN RAKE**

Save the leaves—that's where the real feed is. Raking must be gentle and perfectly timed to match the weather and moisture content of the hay.  
The Allis-Chalmers Side Delivery Rake is power take-off driven, with selective speed transmission which provides two forward reel speeds for raking and one reverse for tedding.  
Fixed rear wheel and castored front wheel give you true trailing. Clean, easy-to-follow windrows, even around corners or contoured fields.  
Here is the modern rake with performance and capacity to match your power mower, and field baler. And there's tandem wheel equipment available for the man that needs it. Stop in and see it.

**Diseased Livestock Costs Farmer Millions Yearly**

Millions of dollars are lost every year in diseased livestock. Less than a dozen diseases are causing unbelievable losses in cattle, calves, hogs and sheep.

Pneumonia and pleurisy are most common with pyemia, or blood poisoning, in third place. Immaturity alone claimed over one-fourth of the more than seven million calves slaughtered annually, according to the report.

### Lubbock Man For Lions Governor

The political pot of District 2T-1 Lions International was set boiling last week with the announced candidacy of Dr. Marshall Harvey, member of the Lubbock Lions Club, for the office of District Governor. Election of officers for the coming year will provide the climax of the 1950 District 2T-1 Convention meeting in Childress April 30, May 1 and 2.

Dr. Harvey, a Lubbock chiropractor, is well known among the West Texas members of his profession, and has held important offices in the District organization. He served as Deputy District Governor under Charles H. Dean in 1946. Lion Harvey was chairman of the committee on division of District 2T, and has served on many other important bodies in the District organization.

**Q. What is the name of these cuts of meat?**  
**A. Frenched lamb chops.**  
**Q. Where do they come from and how are they identified?**  
**A. These chops are cut from the lamb rack and contain a rib bone and rib eye muscle. They are the same as rib chops except meat is removed from ends of ribs.**  
**Q. How are they prepared?**  
**A. By broiling or panbroiling. To broil, place chops on broiler rack so the top of 1-inch chops is 2 inches from the heat and 2-inch chops, 3 inches from heat. When one side is browned, season, turn and finish cooking on second side. Chops cut 1-inch thick require 10 to 12 minutes cooking time; 2-inch chops, 20 to 22 minutes. In panbroiling thinner chops, place them in frying-pan and cook over low heat, turning occasionally for uniform doneness. Do not cover and do not add water. Cook until brown on each side.**

### Library News ...

Thirty new books have been added to the library this week. Different authors are: Grace Livingston Hill—Romance stories; Albert Payson Terhune—Dog stories; Will James—Stories about the cowboys and horses of the west; Striker—stories of his rides of the western range; Winston Graham—Cordelia, is the first of his stories to deal with his birthplace, and a considerable amount of research was done for it.

### Confined Flocks Make More for Poultrymen

**Average 28 More Eggs Per Hen When Kept Up**

Profitable chicken flocks usually lay about 20 per cent of their total yearly eggs during the last three months of the year. They produce one dozen eggs for each seven pounds of feed, have less than 12 per cent yearly mortality, and average 175 eggs or more per bird.

Here is how poultrymen may achieve such records with their fall-housed pullets and insure themselves a profit:

1. More money will be made if the flock is kept confined. Figures show that confined flocks lay 28

A homemade grain chute set at a tilt on an old truck makes quick work of feeding scratch to pullets on the Glendale poultry farm at Somerset, Mass.

1. More eggs per hen than those given the run of the farm. If it is desired to turn the flock out for part of the day, it should be done in the late afternoon—on a clean, graveled yard.
2. Supply plenty of floor space. Three to four square feet for each bird is about right.
3. Use a built-up litter on your chicken house floor. In starting a litter, use straw, wood shavings, sawdust, peanut hulls, peatmoss or any dry material available.

### 'Three Daring Daughters' to be First Movie in New Drive In Theater

Queen of song Jeanette MacDonald, king of the keys Jose Iturbi, together in MGM's "Three Daring Daughters," in Technicolor with Jane Powell.

### FHA Elect New Year's Officers

At the FHA meeting held last Monday night, April 10, the girls elected the officers to take office next year.

Leatrice Martin was elected president, Mona Smith, vice president, Delores Locker, secretary, and Charlene B. a.s. historian. There have to be runoffs for three of the offices. Emily Jarnigan and Evelyn Sowder tied for treasurer, Peggy Robinson and Jo Anna Schuster for reporter, and Amerina Aylesworth and Doris Dement for song leader.

Also at the meeting, Ellen Johnson, Rilda Gabbert and Mary Jo White were elected to attend the State Convention at San Antonio. Betty Dalton was chosen to be the April Chapter Girl.

The present FHA officers are planning a Mother and Daughter's Banquet to be held May 6. These officers are Mary Jo White, president; Mona Smith, vice president; Leatrice Martin, secretary; Rilda Gabbert, treasurer; Mona Wilhite, reporter; Margaret Sanders, song leader; and Marquita Spawn, historian.

### GO TO TUSCON

Mr. and Mrs. R. C. Martin returned this week from a short visit in Tuscon, Ariz., where they stayed with Mr. Martin's father, J. R. Martin.

### TELEPHONE MEETING

The Five Area Rural Telephone Cooperative has scheduled a telephone meeting for Morton tonight when the proposed rural telephone set up will be explained to the citizen of that community.

### Seniors Present Public Dance Friday

Friday night, April 14, the senior class at Muleshoe high school is sponsoring a Bowery Party to be held at Teen Town. This party is open to the public and all are invited to come.

Carrying out their theme, the seniors have planned a program with the following people filling their respective parts. Bill Thompson and Howard Tate are to be bartenders at the coke bar. Waiters are to be Kenneth Lovelady, Bill Green, Gene Harvey, R. E. Bryant, and Rob Martin. Bouncers are Bobby Goss and Charles Taylor.

The hostesses for the evening are to be La Quintas Whatley, Joy Snyder, Billie Margaret Collins, Barb Grandy, Glenda Stevens and Willa Faye Akin. Entertainment is to be furnished by Dixie Jennings, Jo Anne Darby, Dale Cover, and Jerry Julian.

The hat checkers are Ivera Blackwell, Rilda Gabbert and Ellen Jackson, Melba Fudge, and

Margaret Jackson are scheduled to run the record player and Francis Roy and Wanda Kimbrough will make sandwiches at the counter. Ted Lawler is master of ceremonies.

This dance will be under the supervision of the senior class sponsors, Margie Moore and Don Jackson.

Admission prices for the dance are \$1.00 for couples and 75c for stags. The money from this dance is to be used for the annual senior trip.

Remember this dance is open to the public and all are urged to come.

### Champ Wheat Grower

Harold Pirtle, of Sullivan, Ind., shown above, was winner of the 1949 "pocket area" wheat growing championship in a contest sponsored by Purdue University and the Southwestern Indiana Wheat Improvement association.

He produced an average of 57 1/2 bushels of wheat per acre on an 11-acre field. His prize-winning wheat was Viggo, the new stiff-strawed, heavy-yielding red winter wheat developed at Purdue.

**CHRISTIAN SCIENCE SERVICES**

"Doctrine of Atonement" is the subject of the Lesson - Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 16.

The Golden Text is: "If any man sin, we have an advocate with the Father, Jesus Christ the righteous" (1 John 2:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us" (1 Corinthians 5:7).

The Lesson-Sermon also includes Service 7 p. m. "Not forsaking the assembling of yourselves together. Heb. 10:25."

es the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To those buried in the belief of sin and self, living only for pleasure or the gratification of the senses, he said in substance: Having eyes ye see not, and having ears ye hear not; lest ye should understand and be converted, and I might heal you" (page 38).

How of "MASTER CHEFS" for your kitchen!

Reddy's always ready... whatever the cooking task! Yes, electricity's the most versatile "chef" you can have. Your electric range will boil, stew, fry... bake—all with equal ease.

Beautifully clean—no sooty pans to scrub. Efficient—no "pot-watching." So convenient... cool, too! Just set the control, leave the rest to electricity. You'll get "cook-book" results every time... for an electric range gives uniform, even heat... consistently! You're out of the kitchen in no time at all.

Add all these features together and you get a sum total of perfection. Next time you visit your dealer... ask to see his display of electric ranges. Remember, it's thrifty. Electric service makes it that way.

## FOUNDATIONS FOR OUR FAITH

**AFTER EASTER, WHAT?**  
by Rev. T. G. Craft

After the resurrection, Jesus made some statements about himself which we must accept at their face value. Jesus knew more about himself than we are able to know about him. Therefore, what Jesus said about himself after the resurrection has paramount importance to himself and to mankind. What are some of the statements Jesus made about himself? Jesus said to Mary on the morning of the resurrection, "Touch me not, for I am not yet ascended to my Father, but go to my brethren and say unto them, I ascend unto my Father and unto your Father, and to my God and your God." (St. John: 20:17) On the same day he walked with two of his disciples to EMMAUS, but they did not know him until he sat with them at the evening meal and offered thanks to God for the food. One of the disciples was Cleopas who was an uncle of Jesus by flesh and blood. Mary, Jesus' mother had a sister who married Cleopas, therefore, Jesus was a nephew to this man by the marriage of his mother's sister. Like Jesus had dined in this home many times, and was a familiar face in the home, but since he was supposed to be in the tomb that very hour; even his own uncle did not know him.

Then again on that same evening when the disciples had assembled in a regular meeting place, and the doors were closed and the windows shut fast, Jesus appeared in their midst, and said, "Peace be unto you;" yet they could hardly believe their own eyes. Thomas, who was one of the absent disciples—the only absent disciple—was later told that the Lord had appeared unto the other ten ap-

rection; then he had ascended to his Father. Some five hundred people were present at the occasion of his ascension. That he ascended into heaven was a fact according to history. The legend that Jesus went down to Arabia and there died a natural death is refuted by those who saw him ascend into heaven. The time between his ascension and the day of Pentecost was a period of ten days. During this period the believers in the Lord Jesus Christ were lonely. Their Lord was gone, and their hearts were disturbed. These believers—one hundred and twenty of them—gathered in an upper room where they engaged in constant prayer for ten days.

At the end of ten days, the prayer meeting ceased. The Holy Spirit fell upon all those who had been in waiting and in prayer. He came in a mighty power and filled all their hearts with the grace of God. After this experience of Pentecost—meaning the day when the Holy Spirit came upon the believers—these disciples were a different group. They had power for spiritual labors; their hearts were filled with the love of God; they also fell in love with their brethren; they were no longer afraid; they were bold to affirm their faith and their experience; they went forth to preach this gospel, and scores believed by the hour.

After Easter was Pentecost. Not only was Christ alive, but he was present in the hearts of the believers. He became universal in spirit, and it was at this time—the first time—in a form that all men could experience him. The historical Christ had now become the spiritual and universal Christ. He was now made accessible to all people everywhere.

After Easter, men's hopes were made secure. Death no longer caused these believers to fear for the future. Jesus had been crucified, but death did not hold him in the tomb for long. On the third day Jesus came forth with a flesh and blood body according to the Lord Himself, but this body was subject to the complete will of God. In this state this body could be made to pass through closed buildings and to vanish at an instant. But when Jesus ascended into heaven, this flesh and blood body went another change, becoming a spiritual body. This spiritual body was in a position to pass from earth to heaven, and perchance travel at the speed of light. Easter tells us that death must yield to the power of life. Spirit of man is made of eternal substances, and if God has touched our spirits with his nature; then we shall have eternal life abiding in us. This eternal life is like unto the life that is in God and that was made manifest in Christ. Christ became a demonstration whereby God showed mankind how His power would take care of His believers in death, and in the life that follows. All men in their mysterious bodies while awaiting the glorification of the Spiritual bodies. Just as Jesus had a flesh and blood body for forty days, mankind who die in

who die in the Lord, arise from the dead just as real as did Jesus, but they are not able to make mortals see them as they move ostiles. Thomas affirmed that he would not believe such a story unless he could personally put his hand in the pierced side and his finger in the nail prints of his hands. So a week later Jesus appeared unto the eleven apostles and directed his message to Thomas and admonished him to put his hand in His lanced side and his fingers in the nail scarred hands. Thomas looking up, and recognizing Jesus, cried out, "My Lord and My God." Jesus said to Thomas because thou hast seen me and believed; blessed are they who have not seen, and yet believed.

St. Luke tells about Jesus appearing to the disciples, and asked if they had any food. Then they gave him a piece of broiled fish and a honey in the comb and he did not eat of it. Jesus said to the disciples, "Why are ye troubled? and why do thoughts arise in your hearts? Behold my hands and my feet, that it is I myself; handle me, and see; for a spirit hath not flesh and bones as ye see me have." (St. Luke 24:37-38)

These are just some of the recorded instances in which Jesus appeared unto his disciples after the resurrection. It is also strange that no one except his disciples ever claimed to have seen Jesus after his resurrection. If he appeared to others, there is no account of it.

Jesus claimed to have had a flesh and blood body during the days after the resurrection and before ascension. But this body could be passed through closed buildings and vanish at an instant.

Jesus remained on earth for some forty days after his resur-

The resurrection confirms our faith in that all God's people will live on and on after this physical demise. God will provide a body or bodies for his people according to their needs and their environment. What we know now is that the power that raised Jesus Christ from the dead will also quicken our spirits and bring us into another life with another body after our deaths. Is this good news to mankind? Without this good news from God to man, we all would be miserable beyond measure. Now we can say goodbye to our friends in death knowing that we will say good morning again in a little while in another world. This is good news; it is the greatest hope for our race.

Knowing that Jesus was an example of what God will do for those who believe in Him, we can look up with heart and hope for God's promise to be fulfilled in all believers.

How men who know God and cannot rejoice is an indictment to our appreciations of God's grace and mercy. There are people all over America and the world but have in particular, who have heard about this Easter story and yet they have never believed it. Why men cannot believe in the power of God and the resurrection of the soul is beyond reason.

If mankind prefers to remain animals and lose their souls is a pitiful decision. God has shown mankind how they can escape

If what happened to Jesus is an example of what shall happen to the people of God; then let us take hope and rejoice in our hearts. We may not be able to explain God's demonstration of His power and might as revealed in Jesus, but we do have an example of how God will take care of His people both in this world and in the world to come.

The body of Jesus had while on earth after the resurrection was different to the material body he had before His death. In the resurrected body Jesus was able to appear and disappear at will and in an instant. He had absolute power over the elements that made up this sort of flesh and blood body. But since flesh and blood cannot enter the Kingdom of Heaven or the Kingdom of God (See Luke Chapter 17.) Jesus therefore, left his flesh and blood body here upon this earth or in its atmosphere, and from there He entered into the spiritual body prepared for those who shall occupy heaven.

being animals and become sons of God. Preachers all over the nation are trying to tell men that if they do not repent—quit being animals and brutes—and believe of Jesus Christ, they cannot be saved. To believe on Christ is the process by which they become eternal, spiritual beings, called sons of God, or the children of God. To those who refuse to have anything to do with the Christian religion, may I say to you, that you making a choice in which you prefer to remain an animal and a beast, and in the end your soul will go the way of animals. You shall pass out of this life into another being no different in the next one to what you are here. The animal has no immortality in him. Immortality must be builded in one's soul. God furnishes the immortal elements for all men to build the good life—immortal elements of love, goodness, mercy, kindness, forgiveness, and divine righteousness, but the individual

has to do his own building. You do not like the church, Mr. Critchell, the church is God's institution whereby the divine life is experienced, and shared with those who desire it. After Easter there is life for those who will receive it.

**Gabby Enjoys Going to The Dentist**

One of my molars was giving me a bad time Tuesday afternoon, so I slipped over to Doc Jones, hoping to catch him free. When I arrived, Gabby Jackson was sitting there reading a magazine. I said hello to Gabby and he nodded.

Doc comes out and says I'm next. "Wait a minute," I says. (My tooth seemed to have stopped aching.) "How about Gabby?" doesn't he have an appointment?" Doc smiles and says, "Gabby? Why, he's got the finest teeth in the county. He just comes up here and reads the magazines whenever he's in town!"

As Doc went to work he told me that he's glad to have Gabby come up and read magazines... they might not all be fresh off the newsstand, but if Gabby—or anyone wants to while away some time who is he to stand in their way?

From where I sit, this "live and let live" spirit helps make America what it is. If I prefer a friendly glass of beer with my supper and you prefer milk—who's to say one's right and the other wrong?

Joe Marsh

**Santa Fe**

Si, si, si, chico! Riding one of Santa Fe's great trains is certainly the way to see that romantic Southwest of yours. Santa Fe trains are famous for comfort and room to move around... for a wonderful choice of fine Fred Harvey meals... for dependable on-time schedules, regardless of weather... for arriving right downtown.

Yes, traveler, figure it out—you'll go Santa Fe—all the way!

For information about Santa Fe trains and vacationlands—see your local Santa Fe Agent

## Look how you save with Dynaflo

**FIRST** thing you notice, of course, is the bother and effort Dynaflo Drive\* saves.

Next, that Dynaflo saves you physically—after long trips you're less tense and tired, more relaxed.

But then, as the miles pile up—and this comes from cold, recorded fact after Dynaflo's two years of public operation—you spot savings you hadn't expected...

You save on tires—because power application is steady, even. On clutch expense—the usual friction clutch is gone.

You save on transmission maintenance, and the rear-axle expenses likely to go with it. And the way your engine is oil-cushioned against normal shocks and strains shows up in less engine upkeep.

\* Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

You may well discover another pleasant surprise, too.

We are getting a steadily mounting number of well-satisfied letters about gasoline mileage with Dynaflo cars.

The SPECIAL has shown some records little short of phenomenal. The SUPER is delivering mileage that compares most favorably with gearshift cars. And the ROADMASTER more than holds its own with cars of its size and bulk.

In short, there's a lot more to please your budget in the 1950 Dynaflo than its new lower price. Refinements over the past two years result in savings that are sizeable over the life of the car.

Knowing that, don't you want us to demonstrate the big side of Dynaflo—the utter smoothness of America's first oil-does-it-all drive?

**Only Buick has Dynaflo—and with it goes: HIGHER.**

**COMPRESSION** Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)

**NEW-PATTERN STYLING**, with MULTI-GUARD front-end, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

**Matchless Team — DYNAFLOW and F-263**

In the Buick beauty pictured here you can have both Dynaflo and Buick's very latest in power. For every latest in power, for every latest in power, for every latest in power, for every latest in power.

1950 SUPER has the F-263 engine, that lively high-compression stepper that's the big power thrill of the season. Dynaflo Drive is optional equipment at extra cost.

**FOUR-WAY FOREFRONT**

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical coil bars are individually replaceable (3) avoids "locking up" (4) allows parking and garaging easier.

**MOORE TO HEAD BAILEY COUNTY FAIR ASSOCIATION**

Bill Moore was elected president and Tye Young vice-president of the Bailey County Fair Association at a recent meeting of directors, listed in an earlier issue of The Journal. Sam E. Fox was named secretary and treasurer.

Various organizations and communities have named their directors for the association. The local school board has named Connie Gupton as the director for the Muleshoe school. Further plans for the Fair will be announced as they develop.

**Miss Jane Barger, Mr. Herbert Griffiths United In Double Ring Ceremony**

An archway of greenery, Easter lilies, white gladiolus, and candelabra with white tapers formed the background for the wedding of Miss Jane Barger of Houston, daughter of Mr. H. A. Barger of Bynum, Texas, and Mr. Herbert Griffiths, son of Mr. and Mrs. Ray Griffiths, Muleshoe.

Rev. A. W. Blaine, pastor, read the double ring ceremony in the First Baptist Church on Saturday April 8 at 6:00 p. m.

Jack Young, soloist, sang "Because," and "Oh Promise Me" accompanied by Mrs. E. H. Kennedy, who also played traditional nuptial marches.

Given in marriage by her father, the bride wore an imported eyelet embroidered organza dress over white taffeta, ballerina length. She carried a white orchid on a ribbon belonging to a close friend, Miss Norma Deerman. Her halo headpiece matched her dress with a shoulder length veil. She carried out the traditions of something old, something blue, something new and a lucky six-pence in her shoe.

As maid-of-honor, Miss Mickey Dixon of Houston, wore white organza over yellow taffeta and carried a nosegay of yellow carnations.

Mr. Clifton Griffiths, brother of the groom, served as best man. Ushers were Mr. Forrest W. Jones and Mr. Ett Evans.

Mrs. Ray Griffiths, mother of the groom, wore navy blue sheer with pink accessories, her corsage was baby orchids.

Mrs. Griffiths attended the University of Texas two years and is now employed as a bookkeeper by Bell Telephone Co., at Bryan Texas.

Mr. Griffiths is a junior at A&M College Station and will resume his studies after a short wedding trip to Ruidoso, New Mexico.

Out of town guests who attended the wedding included: Mr. H. A. Barger, Bynum; Miss Ethel Hansen and Miss Mickey Dixon of Houston; Mr. and Mrs. Hugh Vincent and Miss Leota Vincent, Sudan, Mr. and Mrs. Clarence Goins and Mr. and Mrs. Bigham of Floydada; Mr. and Mrs. Dick Henry of Lubbock.

**Dallas, Dowell Are United In Marriage April 2**

Miss Lois Dallas of Clovis, N. M. and Mr. Pete Dowell of Lamar, Colo., were married at 4 o'clock in the afternoon on Sunday, April 2, in a simple yet beautifully impressive ceremony in the home of Mr. and Mrs. C. S. Dowell. The bride is the daughter of Mr. and Mrs. C. E. Dallas of Tatum, N. M., and the groom is the son of Mr. and Mrs. G. S. Dowell, of Muleshoe, Texas.

In addition to the traditional wedding music, Joyce Blackburn, of Muleshoe, read the beautiful poem, "Love," by Roy Croft, with an appropriate musical background. The bride was given in marriage by her father. The double ring ceremony was read by Rev. Truett G. Craft as the bridal pair stood before an improvised altar, the background of which was an arch formed of garlanded fern

flanked by tall white candelabra and arrangements of lilies. Miss Zelma Coen of Waco, Texas was her cousin's only attendant and Emmett Palmer of Lubbock was best man. Joe Dallas, brother of the bride, lighted the candles and served as usher.

The bride wore a honey beige gabardine suit with matching hat and brown accessories. Her corsage was of green orchids.

Guests included only the families of the bride and groom and a few close friends. Mrs. Bea Fedric served punch, and the wedding cake topped by a miniature bride and groom and encircled by orange leaves, drawn by two crystal swans filled with orange blossoms, with Cupid as the driver was served by Mrs. Edwin Brumm. Following a honeymoon in Colorado Springs and Denver the couple will be at home in Lamar, Colo., where the groom is employed by the U. S. Soil Conservation Service.

**Progress WSCS Met At Church**

The Progress W. S. C. S. met at the church Monday, April 10. The meeting opened by singing the song "Advance For Christ," which was led by Mrs. Mabery. Prayer was given by Mrs. Westbrook.

After a short business meeting, Mrs. Adams had charge of the program. She gave a summary of the second chapter and Mrs. Davis discussed the fourth chapter of "We the People of the Eucemenical Church." A very interesting discussion was given by all present on the above topic.

We wish to invite everyone to join our studies each second and fourth Mondays of the month. All members are asked to meet at Mrs. Shaw's Wednesday, April 21 for prayer, study of programs and to learn new songs.

Those present were Mesdames Davis, Gross, Adams, Garrett, Westbrook, Hill, Wedel, O. C. Thomson, J. W. Thomson, and Mabery.

**Progress W. M. U. Met in Church**

Progress W. M. U. met in the Progress Baptist Church Monday, April 10 at 2 p. m.

The meeting opened with our song leader, Mrs. J. J. Redwine, leading two songs, "I Am Thine, O Lord," and "I Need Thee Every Hour," and prayer by Mrs. Vernon Raney.

Business was taken care of and then Mrs. Raney gave an interesting report on a Home Missions book, "Of One." This is a very interesting book and every Christian should read it. We then had silent prayer for those on our prayer list and were dismissed with a closing prayer by Mrs. Redwine.

Those present were: Mesdames C. A. Bishop, J. J. Redwine, E. W. Locker, Peugh, Claude Thomas, Raymond Houston, Clyde Henry, and Vernon Raney.

Visitors are always welcome.

**TO FORT WORTH**

Mr. and Mrs. Houston Hart are attending the Furniture Market in Fort Worth this week.

**Society News**

THE MULESHOE JOURNAL, Thursday, April 13, 1950

**Miss Ann Horsley, Mr. Carroll Howell Wed In Impressive Ceremony Thursday**

Miss Annie Rue Horsley, daughter of Mr. and Mrs. R. G. Horsley, became the bride of Mr. Robert Carroll Howell, son of Mrs. A. H. Howell, Sr., of Levelland, in the home of Mr. and Mrs. Buford Butts at 4 p. m., Thursday, April 6.

Rev. L. A. Stidham performed the single ring ceremony before an archway of fern, centered with white wedding bells, flanked on either side by candelabra entwined with white rope.

The candles were lighted by Mrs. M. F. Blackman.

Miss Jane Scott played "Always," "Because," "I Love You Truly," and the traditional wedding marches.

Mrs. W. B. Winn, sister of the bride, and matron of honor wore a mauve colored dress with navy blue and black accessories. Her corsage was of blue irises.

Mr. Oliver L. Simmons of Lubbock was best man and Mr. M. F. Blackman was usher.

The brides mother wore a dress of navy blue with black accessories, her corsage was of yellow roses.

The bridegroom's mother wore a dress of moss green and her corsage was of yellow roses.

A reception was held immediately following the ceremony. Mrs. Buford Butts presided at the bride's book. The table was laid with white linen and draped with white malin sprinkled with green leaves and forming bows at either end centered by blue irises. The center piece was blue iris and yellow rose buds.

Mrs. K. O. Pitner of Snyder, sister of the bride, served the three-tiered white wedding cake which was topped with a miniature bride and groom. Mrs. R. W. Witty of Lubbock presided at the punch bowl.

Attending the wedding and reception were: Mr. and Mrs. R. G. Horsley, Joe B. Horsley, Doug Horsley, Mr. and Mrs. W. B. Winn, Mr. and Mrs. K. O. Pitner and family, of Snyder, Mrs. A. H. Howell, Jr., Mr. and Mrs. A. H. Howell, Jr., and Mr. Gaston Howell of Levelland, Mr. and Mrs. G. F. Howell and family of Springlake, Mr. and Mrs. R. W. Witty and son of Lubbock, Mr. and Mrs. Moss Howell of Dimmitt, Mrs. R. W. Witty of Lubbock, Mrs. M. F. Blackman, and daughter, Mrs. F. L. Simmons, Mrs. B. L. Blackman, Mrs. Nettie Grooves, Mrs. C. W. Goss, Jr., Mr. and Mrs. James A. Cox and son, Mr. Chet Horsley, Mr. and Mrs. Finis Kimbrough and daughter, Wanda; Mrs. Willis Farrell, Mrs. Noel Woodley, Mr. and Mrs. Delma McCarty, Mrs. I. W. Harden, Miss Eliza-

beth Harden, Mr. and Mrs. Pat R. Bobo, Mr. and Mrs. Connie Gupton, Mr. and Mrs. Buford Butts, and daughter, Patricia, Mr. and Mrs. Alton Turrentine, Singleton Prather, Mrs. Arnold Morris, and Rev. and Mrs. L. A. Stidham.

After a short wedding trip the couple will be at home in Muleshoe. For travel the bride wore a grey suit with pink and black accessories.

**Miss E. Harden Host To Guild**

Wesleyan Service Guild met in the home of Mrs. Buford Butts, Monday night April 10, with Miss Elizabeth Harden as hostess.

Mrs. Curtis Spivey gave the devotional. Mrs. James Case gave a talk from newspaper clippings of Easter as it was 200 years ago compared to how it is observed today.

Plans were made for the annual mother-daughter banquet to be May 12. There will be a gift for the oldest mother present and for the youngest mother present. No tickets will be sold after May 11.

Sunshine Friends will be revealed at the next meeting, April 24, to place to be announced later.

Refreshments of pecan pie, ice cream and coffee were served by the hostess to Mesdames N. H. Greer, A. S. Stovall, James Case, Spivey, Jim Cox, Homer Sanders, Jr., Ila Mae Lawler, Homer Sanders, Sr., Jim Burkhead, Francis Gilbreath, Fred Johnson, H. A. Phillips, Buford Butts, and Patricia.

**Mrs. L. D. Jones Hosts Y. L. WSCS**

The Y. L. W.S.C.S. met March 30 in the home of Mrs. L. D. Jones with 11 members present.

The program was opened with the singing of "At the Cross," followed with a prayer by Mrs. A. Ryan.

Mrs. Oleta brought the study of the Women in Scripture. Mrs. Blacklack gave a talk on Women and the Test of the Bible.

Mrs. Ryan gave the 6th chapter of "Women of Prayer, Faith, and Service."

The devotional by Mrs. Pinner, song, "Jesus Calls," was taken from Mat. 20:25-29. Prayer was by Mrs.

**Lazbuddie P-TA In Meeting**

The Lazbuddie P-TA met Friday night, March 31, with 23 members present. The nominating committee gave their report and the following officers were elected: Mrs. Roy Daniel, president; Mrs. Jack Smith, vice president; Mrs. George Crain, treasurer; Mrs. Glen Scott, reporter.

The "Womanless Wedding" sponsored by the local unit was a fine success, if success can be measured by the howls of laughter and the attendance. The men of the community turned out to be real "whistle bait" in their feminine attire. The proceeds were approximately \$119.

The next regular meeting will be Monday night, May 8, at 8 p. m. Everyone is urged to be present as this will be the last meeting until next September.

**Auxiliary Gives Bridge Party**

The American Legion Auxiliary is sponsoring a bridge party April 17 at 8 p. m. for the women of the community in appreciation of their support given the auxiliary and Legion post in the past.

Light refreshments will be served free and there will be prizes. No admission will be charged.

A cordial invitation is extended by the Auxiliary to all bridge clubs, to all interested in playing bridge and to all members of the Legion Auxiliary.

**Rainbow Girls Initiate Two**

Last Wednesday night the Rainbow Girls had a covered dish supper and practice for the initiation the next night.

Thursday night, in a hall beautifully decorated with jonquils and cherry blossoms, Misses Jo Nell Maberry and Barbara Douglass were initiated into the Assembly for Rainbow girls.

The initiatory service was under the direction of Miss Sondra Wagnon, Worthy Advisor. Several Mason and Eastern Stars were present for the service.

Refreshments were served in the banquet hall and carried out the Easter theme, in table decorations and plate favors.

Next meeting will be April 20 at the home of Mrs. Mooneys. Next study will be the changing family throughout the world. All are invited to attend these meetings.

**Maple News**

Maple W.M.S. met April 10 in the home of Mrs. R. B. Davis for the Royal Service program. The devotional was given by Mrs. E. M. Lowe and business was attended to.

A very interesting program on Missions was given by the members.

Refreshments were served to Mesdames Hugh Dupler, E. Lowe, D. L. Tucker, Walter Taylor, A. E. Robinson, Leon Dupler, Jewel Brackman, with three new members, Mrs. Qualls, Mrs. W. C. Mill-sap and Mrs. R. B. Davis.

**LADIES NIGHT PROGRAM**

Members of the Muleshoe Lions Club Wednesday voted to hold a ladies night program sometime in June.

Lion Boss Noel Woodley named Blondy Ray, Lowell Irvin St. Clair and C. W. Goss to make all necessary arrangements.
