

Area News Briefs

CISCO

The Cisco Chamber of Commerce has been discussing plans for the July 4th Holiday. Don Shepherd, chamber manager, says that this year's fireworks will depend upon the contributions of the citizens to help defray the cost of the \$750 liability insurance that is required by the state of Texas before fireworks can be displayed. Shepherd says that fireworks are an important part of the July 4th celebration, and he would like to have some pledges for them by June 1. Cisco traditionally had a big celebration on the 4th at the City Park, and climaxes the festivities with the fireworks show.

There will be a Memorial Day program at Oakwood Cemetery on May 25, beginning at 10 a.m. The Rev. Kin Diehm, pastor of First United Methodist Church, will be the speaker for the event. A group of high school band students, with Wayne White as director, will provide special music. After the program the graves of deceased veterans will be decorated. The general public is invited to attend and to participate.

The Hilton Community Center will be having a flower show on June 6 and 7. There will not be a panel of judges - the show will be judged by those who attend. The show will be held upstairs at the Hilton, and everyone is asked to start planning on a homegrown flower for the event.

Scranton, a community southwest of Cisco, is planning a 100th Anniversary celebration on June 6-7. The first public school was founded in that community in 1887. Evelyn Bailey, a former teacher and principal at Scranton High School, has prepared a history of the community, and this is being published in *The Cisco Press*. All interested persons are invited to make plans to be in Scranton for this big event. The first of the celebration will begin Saturday, June 6, at 6:30 p.m. in the Community Center.

EASTLAND

The Festival of Music for the Majestic at Bell Hurst Saturday night and Sunday brought out plenty of musicians and a good crowd. It was a rousing success financially as well as musically, netting more than \$860 for

the Majestic Fund. Virginia Russell, who coordinated the event, wishes to thank all who assisted in the project. Volunteer work made Bell Hurst a festive place, complete with signs and a program. Some very marvelous hats were auctioned during the Bazaar, with James Wright as auctioneer.

Eastland has mopped up from the flash flood last Tuesday, but some businesses and the Courthouse have damage to repair. Part of the new jail was flooded from roof leakage, and the County Tax Collector's office at the Courthouse received damage to a storeroom. During the storm Eastland firemen responded to a tank battery fire on the Beggs property north of town on the Wayland Highway. After extinguishing the blaze firemen returned to town to find about 3 ft. of water across Highway 69 North at the Leon River crossing. Water also covered one block of South Seaman in front of City Hall, and from Halbray to the Leon River on East Main.

The Friends of the Library group have elected officers for the 1987-88 year. This group was started only about a year ago, and have already made a great difference in Eastland Memorial Library. The library is now open every day except Sunday, and book withdrawals are averaging four times what they were a year ago. Larry Vernon is president for the new year, with Venita Roach vice president and Helen Osburn treasurer. T.J. Jackson is secretary, and Nelma Parker and Sandra Berry were elected to fill board of directors vacancies. Continuing as directors are Terri Huff, Nancy Frost, Bob Wood, and Hazel Taylor.

There's a lot of traffic around the Courthouse these days, as jury selection gets underway on the Garcia trial. Seen around the Square Monday were TV cameramen, news reporters, and a collection of lawyers. A number of people, including all Courthouse personnel, have been placed under an expanded gag order by Judge Herman Fitts, a visiting District Judge from Palo Pinto.

RANGER

All citizens of Ranger will honor their hometown

veterans in a special Memorial Day Service on May 24 at Memorial Park on Highway 80 East. A barbeque lunch will be served at 12 noon, with tickets at \$5 for adults and \$3 for children. The Memorial Service will begin at 2:30 p.m. with Congressman Charles Stenholm as Guest Speaker and County Judge Scott Bailey as Master of Ceremonies. There will also be music, and speaking by veterans from wars of different eras. Friends and neighbors from surrounding communities are invited to attend both the barbeque and the Memorial Day service.

The PTO Spring Carnival was postponed last weekend due to the heavy rains last Thursday and Friday. Kathy Glidewell, chairman, is currently working on setting another date for the Carnival. The public will be advised of the new date as soon as possible.

Mayor David Rogers announces that the second part of the application process for the Ranger Housing Rehabilitation program is about 60 percent complete. As a part of this examination there is a structural survey indicating the ability of the building to function as a residence for a minimum of three years. On completion of owner records and structural stability the applicants will be ranked according to estimated need. It seems inevitable that some qualified and approved applicants will not receive rehabilitation work, due to lack of funds to cover 48 applicants. The city is investigating the possibility of acquiring more funds for this program.

Cisco Teen-Dance

The Senior Class of Cisco High School, in cooperation with Senior Class parents, is sponsoring their end of school Eastland County and Area High School Dance, on Saturday, May 30th, at the Cisco Junior College Ag Building (the old armory) just below College Hill, from 8-11:30 p.m. This dance is for high school students only.

Disc Jockey, L&L Light & Sound will provide music for the dance, and admission will be \$3.00 per person. Soft drinks will be available.

Cisco has an active group of parents, Parents for Teens, who have sponsored monthly parties for Cisco High School students for the past two years. Senior Class parents who work with

Parents for Teens, will serve as chaperones, in addition to other interested Senior parents, or parents from other classes. Parents from all surrounding towns are also invited to help chaperone.

Definite rules have been established for high school students, as follows:

1. Only high school students will be allowed to attend the dance.
 2. Students may leave the dance at any time, however, once a student leaves, they may not return.
 3. No drugs or alcohol will be allowed.
- According to a "spokes parent" for the Senior Class, "High School parents should be assured that the dance

will be well chaperoned, and our definite rules will be followed. Please feel secure in allowing your teenager to attend our dance, and feel free to join us if you can." For further information, please call 442-1080, 442-3113, or 442-3640.

Memorial Day

Service To Be Held

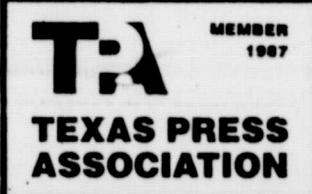

In Ranger May 24

Final plans and adjustments have been made to the program and planning for the Memorial Day Service which will be held in Ranger on May 24, 1987, 2:30 p.m. at Memorial Park, Hwy. 80 East, Ranger.

The Ranger Volunteer Fire Department and Ladies Auxiliary will serve a barbeque luncheon, beginning at 12:00 noon. Tickets are \$5.00 for adults, and \$3.00 for children under 12.

The Memorial Day Service will begin at 2:30 p.m. Congressman Charles Stenholm will be the guest speaker, along with Eastland County Judge Scott Bailey. Dyess Air Force Base will provide the color guard and honor guard. Other speakers will include veterans from different war-time eras. Music will be provided by Ranger Jr. College Band. There is no charge for entry to the Memorial Day Service, where all who have served in our armed forces will be honored by those in attendance at the service.

Make plans to attend the service and give yourself the opportunity to remember why our Flag is so important to us, and why the price paid for the freedoms we have is so dear. (Be sure you bring a lawn chair.)

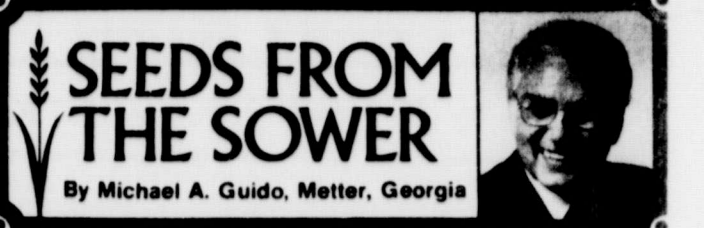

Wedding Bells

Ziehr-Griffin Set July 9th Wedding Date

Mr. and Mrs. Carl Ziehr of Cisco are proud to announce the approaching marriage of their daughter Carol, to Robin Griffin, son of J.D. Griffin of Carbon and Ruby Griffin of Tulsa, Oklahoma. Carol graduated from Cisco High School and attended Cisco Jr. College.

Robin graduated from Carbon High School and TSTI and is currently employed by Sealy & Co. The couple plan a July 9 wedding date at Mangum Baptist Church near Carbon at 7:30 p.m. All friends and relatives are invited.

An old lady asked a little girl, "How do you do, my dear?"

"Fine, thank you," came the reply.

There was a long pause, and then the gracious lady wondered, "Why don't you ask me how I am?"

"I don't care," said the girl.

Sad, isn't it?

But the greatest thing a person can do for His heavenly Father is to care for His children. It is tragic that we are not kinder than we are. How much the world needs a little bit of love.

How easily it is done. How quickly it helps. How indelibly it is remembered. How richly it rewards the one who cares.

If you love the Lord, you will care for those who are loved by the Lord.

And if you care, you will share the gospel with them. For sharing is the outgrowth of salvation.

Some say, "Live and let live." But let us say, "We will live and help others live."

What do we live for, if it is not to care and share?

Scenes From Cisco Senior Play

Scranton To Celebrate 100th Anniversary In June

On Saturday evening, June 6, and all day Sunday, June 7, ex-students of Scranton Schools will convene at the Scranton Community Center for their annual Homecoming. This year is very special, for it marks the 100th anniversary of the founding of their first public school in 1887.

In order to commemorate the schools which have served the Scranton community, the Scranton Ex-Students Association drafted Evelyn Bailey, a former teacher and principal in Scranton High School, to prepare a history, not only of the public schools, but also the privately owned Scranton Academy which played such a major role in higher education at the turn of the century.

The history is divided into three parts which will be published in three installments in the Sunday editions of The Cisco Press, beginning with this edition.

John Boland, secretary for the 1987 homecoming, has mailed the following letter to ex-students:

Dear Scranton Exes,

We have marked your calendar for you! Now it is time for you to make your plans to be a part of the Centennial Celebration. This year, 1987, is the 100th anniversary since the first opening of public school at Scranton. We are expecting a banner day and want you to experience it with us. Encourage former members of

your school class to be present!

Saturday night, June 6th, the usual musical will convene at the Community Center. This event always marks the beginning of the Scranton Homecoming. Many of you look forward to this event each year. The musical begins around 6:30 p.m. The Community Center Club will have sandwiches, pie, coffee, tea and soft drinks for sale during the musical.

We are anticipating seeing you personally.

Sincerely,
John Boland, Secretary

Sunday's activities will begin at 9:15 a.m. with registration, followed by a business meeting at 10:15 a.m. Rev. Ronnie Bostick, missionary lately returned from Kenya, will deliver a devotional at 10:45 a.m.

A musical program will begin at 11:15 a.m., and at 11:30 Dr. Harrold L. Holder, Superintendent of Schools, Hereford, Texas, will speak to the gathering on "Affirming the Past."

A covered dish lunch will be at noon. Those attending have been asked to bring meats, vegetables, salads, and desserts. Other items

needed for the meal will be furnished.

Entertainment and fellowship will begin at 1:15 p.m. Special music will be by the Elizabeth Webb Group.

Officers for the 1987 Scranton Homecoming are: president, Anita Page Webb; vice president, Robert Shrader; secretary-treasurer, John Boland; and program committee, Carl Bailey, Travis Starr, and Gene Kinser.

ARLINGTON HEIGHTS HOTEL, Cisco, Tex. Sixty Feet Nearer Heaven than any Other Hotel in the City. It Don't Cost You One Cent to Ride up There.

C. M. (BON TON) PILCHER EX-CITY MARSHAL OWNER AND PROPRIETOR

BON TON'S TEN COMMANDMENTS.

- Why You Should Stop at the Arlington Heights Hotel When in Cisco.
- 1st. Only a few of the "Chosen Ones," (Drummers) stop with me for two reasons. First, I run a dollar a day Hotel. Second, it is nearer Heaven than the majority of them ever get.
 - 2nd. We put our meals out on the table, family style. We don't have any "side" or "sample" dishes, (the old kind of religion is good enough for me.) We have biscuits like mother used to make.
 - 3rd. I am proprietor of the only Second-Class Hotel on earth, which is no fable. One trial will convince you there is no (worse). I am not sanctified, can tell a lie, but won't. If the Hotel accommodations suit you, tell your friends; if not, tell the Proprietor.
 - 4th. When in Cisco, stop with the one-armed man who lost his arm while in office. That way you lay up treasures in Heaven, and help a cripple support his family. I keep you as cheap and give you as good accommodations as any hotel in Cisco for your money, so give a cripple the benefit of the doubt.
 - 5th. I am the nearest straight Dollar a day house to the depot, don't keep any regular boarders, give the transient people the choice of the chicken and pye instead of

the boarders. See?

- 6th. I have a nice home-like place, the only Hotel in the City that fronts the South. If you are not satisfied with the treatment you get I won't charge you one cent. I am one block from the Texas & Pacific railroad, three minutes drive to the depot. Other hotel men will tell you I am from eight blocks to 3 miles from the depot. I am one hotel man that just won't lie.
- 7th. I am the only hotel man in Cisco that owns his own 'bus, and runs 'bus free. I keep my team hitched up all day and it don't cost you a cent to ride to and from depot to hotel, to and from post office or any business house you want to go. It is positively against the rules of the Hotel to walk. It gives you too much appetite. When you want the 'bus' phone No. 84.
- 8th. I have never gotten a passenger left, but in case I ever do, your hotel bill won't cost you a cent while in Cisco. Stay with me once and you will stop again.
- 9th. I never run other hotels down to build up mine, trade like some do. If I ever do, stop with the other man. It is a sure sign my hotel is no good.
- 10th. We have a large shady yard in summer and feather beds in winter, and guests with children can let them play at will. We have our own Jersey cows and Hereford chickens, so we have plenty of fresh butter, eggs and milk. Come get your share of the house rent.

Kind regards to Friends and Knockers.

North Ridge Corp., Duncanville, completed No. 2 Tindall II in the King-Tindall, (Miss.) 1.5 miles northwest of Olden. It spots 1,711.26 feet north and 4,585.56 feet west, Section 1, Block 4, H&TC, A-295.
Daily pumping potential was 4.64 barrels of 42-gravity oil and 13.92 barrels of water from perforations at 3,683-86. Total depth was 3,848 feet; plug back, 3,824; top of pay, 3,683; 4 1/2-inch casing was set at 3,800. Acidized with 120 gallons 15 percent.
Top reported: Caddo, 2,871 feet.

RioOperating Co., Austin, completed No. 10 S.C. Cobb in the Regular 5 miles north of Caddo. It spots 600 feet north and 360 feet east, Section 16, Block 5, T&P, A-1789.
Daily pumping potential was 9 barrels of 39.5-gravity oil and no water from perforations at 3,226-94 feet. Gas-oil ratio: 1,110:1. Total depth, 3,403 feet; top of pay, 3,626; 4 1/2-inch casing was set at 3,400; acidized with 20,000 gallons.
Top reported: Caddo, 3,626 feet.

David F. Crutcher, Wichita Falls, completed No. 2 Binney in the Regular 4 miles southeast of Caddo. It spots 990 feet south and 2,450 feet west, Section 69, Block 4, T&P, A-328.
Absolute open flow was 503,000 cubic feet of dry gas daily from perforations at 1,186-94. Total depth was 1,782 feet; top of pay, 1,200 feet; 4 1/2-inch casing set at bottom. No treatment listed.
Top reported: Strawn, 1,200 feet.

Rural Interstates Get 65 mph Speed Limit

At one minute past midnight Friday night, a new 65-mph speed limit went into effect on rural Interstate highways in Texas.

"The public is excited about this," said Byron Blaschke, deputy engineer-director of the highway department, "and we are doing all we can to make a smooth transition to the new speed limit."

Last Friday, the high commission established the new

maximum speed limit of 65 mph for cars and light trucks on rural Interstate highways. In this context, "rural" means outside urban areas of 50,000 or more people.

The governor concurred Wednesday with the new speed limit which became effective at 12:01 a.m. Saturday, May 9, where signs are posted.

Some rural Interstate sections will continue with

speed limits posted lower than 65 mph for traffic and engineering reasons. These reduced speed zones existed before 1974 federally mandated reduction to 55 mph. The department will examine each of these areas and determine the need to continue or discontinue the lower speeds.

Blaschke emphasized that the new limits apply only to rural highways with Interstate designation. The

speed limit on all other roadways, including urban Interstate, remains 55 mph.

The department will be working Saturday to put up the new signs.

"With more than 1,300 signs going up statewide, it will take us a few hours, but we will get the job done as quickly as possible," Blaschke said.

The speed limits will affect 2,441 miles of the 3,148-mile Interstate system in Texas, but only about 8 percent of the total vehicle miles traveled in the state.

The rural Interstates comprise only three percent of the total state-maintained system. Texas has 7,000-plus miles of the state system where the 65-mph speed limit will be retained," Blaschke said.

Blaschke also pointed out that the current action does not change longstanding Texas law that sets maximum speeds. Under that law, the maximum speed for large trucks is 60 mph during the day and 50 mph at night, and these limits were effective May 9 on rural Interstates.

Olden Man Wins KEAN Classic

Chuck Burgess of Olden with a BIG Check for a BIG Bass.

It figures out to be \$10,849.91 a pound, for one little gree fish folks. For a total of \$60,000.00 on a 5.53 pound black bass from Hubbard Creek this past weekend.

The KEAN Big Bass Classic was won by Chuck

Burgess of Olden, Texas. Chuck's fish was taken on a black jig with a black trailer. The fish was in 15-20 feet of water on a gentle sloping point near the dam. Chuck said he knew of a brushpile located there and that small bit of knowledge really paid off. This luncheon was caught on Saturday around 9:00 a.m. and also won the 9-10 a.m. \$200.00 hourly big bass award.

Congratulations to Chuck and the rest of the 1987 winners, who were 2nd Harvey Kaase, Comanche, 5.50 pounds \$8,000.00; 3rd Gary Dupriest, Snyder, 5.49 pounds \$6,000.00; 4th Rick Crutchfield, Clyde, 4.78, \$4,000.00; 5th Billy Whitaker, Woodson, 4.60 \$2,000.00; 6th Donnie Conils, Lubbock 4.58 \$1,800.00; 7th Gordon Brandon, Abilene 4.55 \$1,600.00; 8th Mike Connelley, San Angelo 4.52 \$1,400.00; 9th Tommy Law, Tye 4.47 \$1,200.00; 10th Clint Farris, Haltom City 4.46 \$1,000.00.

From tenth down to 15th the money dropped \$100.00. 15th place was 3.95 pounds for \$400.00. 16th-25th \$300.00 and 26th-50th was \$200.00.

Other area anglers placing well were: Sam Beggs Jr., Eastland 30th, Bud Wood, Cisco 35th, and Jim Williamson, Eastland 37th. Good

work gentlemen. And it was work folks, to even catch a 14" fish.

The results are in! Once again, Mepps Spinners and Spoons have caught more award winning fish (33) in the 1986 Sports Afield State Fishing Awards competition than any other lure. In fact, Mepps lures not only out-distanced their second place competitor by better than 2 to 1, they accounted for three times as many winners as did worms.

The Sports Afield competition began in 1965. To date, Mepps have caught more winning fish than any other lure. In fact, the next best isn't even close... Mepps 440 winners... second place 182.

Mepps 33 winners this year came from 20 different states and represented 18 different species of fish. Largemouth Bass and Rainbow Trout led the list at four winners each. Alaska topped all states with four winners, while Illinois, Pennsylvania and South Dakota each had three Mepps winners.

The Sports Afield program encourages anglers to enter fish they feel could be "best in state". Year after year, Mepps is the lure used by the great majority of winning fishermen. In addition to the Sports Afield winners,

Mepps spinners and spoons have also captured over 34 state and 4 world record fish.

"When we say Mepps has earned its reputation on the water," Mepps owner Todd Sheldon, concludes, "we can back it up with facts."

For further information on the Sports Afield State Fishing Awards program, and on the Mepps Angler Awards Program, send for a free 1987 Mepps Fishing Guide. Write: Sheldon's Inc., Dept. SA87, 626 Center Street, Antigo, Wis. 54409-2496.

Don't forget May 24th. Lake Leon, Chock-O-Block. The Eastland County Bass Club will be hosting their May interclub tournament. This month's fishing hours will be 2 p.m. until 8 p.m. You must be registered prior to fishing.

Reports from Leon were excellent prior to the heavy rains. Black bass good to 3 1/2 pounds on jugs. Since the rain the bass fishing has slowed some. But the hybrid stripers were stacked at the Magnolia dam this past weekend. And the catfish were nearly hitting great under the bridge on F.M. 2214. Good fishing and please don't trash up our lakes and streams.

When Jesus Returns

By IVAN PAGE
When Jesus comes back for the spiritual birth, he won't come completely back to earth. For those who have kept in touch with God in prayer, Jesus will meet

them in the air. The dead in Christ will rise first and then the living for righteousness thirst. The rest of the dead will live again, until the thousand years come to an end. When Jesus comes with his

Scott Anderson Graduates From Sam Houston State University

Scott A. Anderson, son of Freddy and Vonda Anderson, graduated from Sam Houston State University, Huntsville, on Saturday, May 9, 1987. Scott graduated cum laude and was presented the gold cord of an honor student. His degree is in agriculture-agriculture education.

Scott attended Cisco Junior College for two years and served as an officer in the Ag Club and the Rodeo Club. He received the Chamber of Commerce award for academic ex-

cellence and was inducted into Phi Theta Kappa, an organization of for honor students.

In 1985 Scott transferred to Sam Houston State University, where he was a member of the Rodeo Club and the Fellowship of Christian Athletes. In May 1987 he received the Witt Eddleman Memorial Award as an outstanding member of the Rodeo Club, and he will receive a sterling silver buckle. He was named to the Dean's List at Sam Houston State.

saints to claim his own, the Lord will be sitting on the great white throne. Those that are not ready it will be too late to fight. The goats will be put on the left and the sheep on the right. In heaven there will not be blood, flesh or bone, but we will know each other as we are known. I am sure it will be a special treat when at the marriage supper with Jesus we get to eat. It will always be day for there won't be any night. There won't be any darkness for Jesus is the light. We will all be unsexed, neither husband or wife. We will all get to eat from the tree of life. The books will be open, but he won't need to look to see if your name was written in the life book. Some people will think it is funny, but when they stand before the Lord they can't get in with money, and according to God's word with out holiness you can not see the Lord.

legal notices

NOTICE OF FILING OF PERMIT APPLICATION

FOR SOLID WASTE SITE
THE CITY OF CISCO has filed Application No. 190-B with the Texas Department of Health for an amendment of its permit number 190-A by adding 19.57 acres to the north side of the existing 53.44-acre Type II municipal solid waste disposal site located on the north edge of the Cisco city limits, approximately 0.75 mile north of the intersection of State Highway 6 and U.S. Highway 183, and approximately 1,000 feet east of State Highway 6, in Eastland County.

The application covers approximately 73.01 acres of land and seeks to amend a permit to receive solid wastes under the regulatory jurisdiction of the Department for disposal or other processing in accordance with the said Department's Municipal Solid Waste Management Regulations. A technical review of the application is being made by the Department's Division of Solid Waste Management and various State and local

agencies which have jurisdictional interest.

Before the issuance or denial of a permit, an opportunity for a public hearing on the application will be provided pursuant to the Texas Solid Waste Disposal Act (Article 4477-7, Vernon's Texas Civil Statutes) and the Administrative Procedure and Texas Register Act (Article 6252-13a, V.T.C.S.). If a hearing is requested by an affected person having a justiciable interest, or if after completion of the technical review of the application the Division of Solid Waste Management determines that a public hearing should be held, notice of such hearing will be published in a newspaper regularly published or circulated in the county in which the site is located at least thirty (30) days prior to the date of such hearing.

Additional information concerning this application should be requested from the above-named applicant or from the Division of Solid Waste Management, Texas Department of Health, Austin, Texas; phone (512) 458-7271.

Issue this 8th day of May, 1987.

Joe, Andrea, and Jodi Smith

Andrea Smith Graduates From Hardin-Simmons May 9th

Andrea Smith, daughter of Mr. and Mrs. B. H. Coleman, graduated from Hardin Simmons University Saturday, May 9th, with a major in elementary education, kindergarten endorsement and reading speciality.

In March, Andrea received the Phi Delta Kappa Award for the Outstanding

Student Teacher of the Year.

Andrea is a graduate of Cisco High School and Cisco Junior College. She did her student teaching at Cisco Elementary School in kindergarten and third grade. She is married to Joe Smith and they have one daughter, Jodi.

Eastland Jaycees To Sponsor Old Tyme Circus

The Eastland Jaycees are proud to announce their upcoming sponsorship of the Old Tyme American Circus to be held Tuesday, May 26 and Wednesday, May 27.

Performances for the circus will be held at 7:30 p.m. on Tuesday and 4:30 and 7:30 on Wednesday. The Old Tyme American Circus will be held at the lot next to Maverick Stadium in Eastland.

Advance tickets are available at Ken's Motorcycle Shop at 411 E. Main in Eastland or at The Eastland Telegram located at 215 S. Seaman in Eastland. You may also purchase advance tickets from any Eastland Jaycee member.

Advance prices are \$5 for adults and \$3 for children. Ticket prices at the gate will be \$6 for adults and \$4 for children.

Plunkett's Old Tyme American Circus is a step into the past with a flare for the future. It's an experience neither you or your family will soon forget, with over 90 minutes of fun and entertainment.

The Olde Tyme American Circus is owned and operated by the Plunkett family... The family that goes back five generations in the entertainment business. In fact, their heritage includes Mac Plunkett, who was with the world renowned BUFFALO BILLS WILD WEST SHOW!

So buy your tickets early and save and come on out for a little fun for the entire family.

You don't want to miss Jeff's Jalopy, a comedy antic act in a 1927 Ford. Nor do you want to miss Christopher James, America's foremost tightwire artist!

Elephant and camel rides will be available 1 hour before showtime and there are contests for the kiddies! A "Kiddie Clown Contest" and a Color the Clown Contest. So come on out where everyone has a ringside seat to the Olde Tyme American Circus, sponsored by the Eastland Jaycees.

All proceeds go towards the fireworks display for the July 4th Festival also sponsored by the Jaycees.

Wanda's Corner

by Wanda Hallmark

From page 1...

authorized by Congress in 1980 and funded solely through private donations, is under construction on Pennsylvania Avenue, halfway between the White House and the Capitol. The memorial will include a large amphitheater for band concerts, fountains and waterfalls, the statue of The Lone Sailor and, eventually, a sculpture honoring the Navy family.

The Navy Memorial Log is a computerized repository of names which have been entered by individuals themselves, in memory of shipmates or relatives, or as commemorative gifts. The Log will be on public display at the Visitors Center to be constructed next to the Memorial; each entry will show an individual's name, highest rank or rate held, dates of service and date and place of birth. The Log already holds more than 55,000 names.

Specially prepared greeting card acknowledgements and Log registration forms will be sent in time for Father's day for requests with contributions received by Monday, June 8. Contributions received after that date will be answered as quickly as possible, but delivery by Father's Day, June 21, is not assured.

Donations payable to "U.S. Navy Memorial" should be sent to:
U.S. Navy Memorial Foundation
Box 12728
Arlington, Va 22209-8728

Send check or money order, or pay by VISA or MASTERCARD by mailing exact name, account number and expiration date appearing on the card.

Contributions to the Memorial, including the \$25.00 minimum for enrolling in the Log, are tax deductible. Additional information may be obtained by calling 1-800-821-8892.

Northview Employee of The Month

Paul Bennett (l), Jackie Kincheloe (r).

Northview congratulates Paul Bennett on being selected Employee of the Month for May. Paul is a member of Northview's Dietary staff and has been with the company, 1 1/2 years.

Paul's hard work has gained him this well-deserved recognition. Jackie Kincheloe, administrator, presented Paul with a plaque for his recognition.

History Sampler.....

CORNELIUS THOMAS WEBB and LUCY JANE FOSTER WEBB

CORNELIUS THOMAS WEBB, known in Eastland as Uncle Pete, was born in Louisiana on December 18, 1848; he died at his longtime farm home in Eastland County, Texas on January 12, 1934 at the age of eighty-six. He was the son of James Webb, a native of South Carolina.

His Grandfather Webb, also born in South Carolina, had moved by successive stages to Alabama, Louisiana, and finally to Texas where he died in Washington County.

JAMES WEBB, father of CORNELIUS THOMAS WEBB, lived for some years in Alabama and Louisiana, and in 1852 he moved to Texas. He enlisted in a Texas Regiment and served in the Confederacy the last two years of the Civil War. He was both a mechanic and a framer. He died in Eastland County in August, 1893.

The wife of JAMES WEBB was DRUSELLA EVANS WEBB, daughter of James Evans, a plantation and slave owner. She died in Washington County, Texas. She was the mother of three children, the oldest being CORNELIUS THOMAS WEBB.

JAMES WEBB, after the death of his wife, was twice married. In Brazos County, Texas, he married MARGARET PRICE, and there were four children. She and all of her children died at Millican in Brazos County. The third wife was ALAMEDA ADAMS, whose father was a first cousin of President Adams. By this marriage there were nine

children. In 1965 the only surviving member was MATTIE MILLER, who resided in Eastland, Texas. She died in 1982 at the age of 97.

CORNELIUS THOMAS WEBB grew up in Brazos County, Texas, attended school there and was with his father on the farm until he was twenty-two, working one year for wages. For one year he lived in McCulloch County.

In 1883, at the age of thirty-five, he acquired a tract of school land in Eastland County soon after the first railroads were built through that section of the state. The land was located 6 miles south of Eastland on the old Carbon Road. Here, all his interests were concentrated for fifty-one years until his death in 1934. For a number of years his profitable business was farming and stock raising, but he adapted himself to the increasing opportunities of general farming. He was the first one in Eastland County to have gas lights from the wells on his land. He shared in the agricultural prosperity of his country, acquiring a competence which enabled him to provide a good time to rear and educate his large family. He was a Democrat and a member of the Church of Christ.

In Brazos County on August 20, 1871, CORNELIUS THOMAS WEBB at the age of 23, married LUCY JANE FOSTER, age 17, daughter of M.B.S. Foster, a native of Texas. Born June 26, 1854, Lucy died April 23, 1927 at the age of seventy-three. To the marriage of CORNELIUS THOMAS WEBB and LUCY WEBB were born thirteen (13) children.

Left to right front - Peggy Alago, Nita Merritt, Karen Petree, Marie McDaniel, Teddy Nabors. Left to right back - Harriet Collins, Laura Morris, Belinda Ladd, Gay Munoz, Sherry Briggs.

Left to right front-Linda Porter, Diane Smith, Ramona May, Nell Bennett, Susan Ferguson, Jamie Banks. Left to right back - Loretta Shook, Jessie McClendon, Christine Hights, Jacque Eudy, Denise Scott.

Left to right front - Terry Robinson, Terri Whelam, Rosa Lane, Charlene Burfeild, Christy Thackerson. Left to right back - Ellie Flores, Lois Wilson, Roy Hollis, Mike Hughes, Ruth Gailey, Melissa Black.

On May 12th, 34 employees graduated from the Take Time To Care program given at Northview Development Center. The program consisted of 5 one hour sessions taught by Jackie Kincheloe, CED who was specially trained during a 2 day seminar in Abilene. Graduates received a certificate and pin. Northview invites the public to stop by the facility for a tour sometime and "experience the Take Time to Care feeling."

4-H NEWS

The 4-H Beef Project group will meet Tuesday, May 26, at 4:30 p.m. at the Rust Processing Center between Cisco and Eastland on Hwy. 80.

4-H members will tour the plant and have the opportunity to view a beef carcass and see the various cuts of meat and where they come from on a live animal. This will be a very interesting tour and all 4-H members are invited to attend.

District and State 4-H Horse Show entries are due in the County Extension Office on or before Thursday, May 28th. The entry forms can be picked up at the Extension Office between the hours of 8:00 - 12:00 noon and 1:00 - 5:00 p.m. during the week.

All area high school seniors and guests are invited to the Project Graduation Party hosted by the Cisco Parents for Teens. It will be Friday, May 29th, at Cisco Jr. College from 11:00 p.m. until 5:00 a.m. Numerous gifts will be given as door prizes and a mid-night buffet will be served. Music will be provided by L&L Light and Sound. Movies and games will also be available for your enjoyment.

Those of you interested in attending District 8 Leadership Lab need to get your registration in to the County Extension Office by Thursday, May 21. Remember cost is \$38.00 and you have to be at least 14 years old to attend. Leadership Lab is scheduled for June 3-5 at the Texas 4-H Center in Brownwood. Participants will be involved in workshops geared towards developing their leadership skills.

The second 4-H Horse Show in a series of three is scheduled for next Sunday, May 24, at the Eastland County Livestock Raisers Association Arena. Entry fees are \$1.00 per event and registration will begin at 12:30. The Eastland 4-H Council will provide a concession stand with a lot of items for the public. Events will include Showmanship at Halter, Western Pleasure, Western Horsemanship, Western Riding, Reining, Barrel Racing, Pole Bending, Stakes Races and Flag Race. Age divisions are 8 and under, 9-13, 14-19, and 20 and over. Points are accumulated and high point buckles will be awarded in each division.

Sculptor To Teach

In County

Houston Sculptor Ann Armstrong will be teaching in Eastland during the week of May 24 to 29, it has been announced here.

There are a few openings in the class still available and details may be secured by contact Mrs. Mary Ann McCloud at 629-1598.

Although maintaining a studio in Houston, Ms. Armstrong travels extensively executing portrait commissions from personal sittings as well as teaching workshops. Her media includes stoneware sculptures and oil paintings in addition to her work in bronze.
