Two 50-Year Members Honored In Cisco At Reception Held Sun.

The Cisco Chapter Order of the Eastern Star honored two 50-year members at a reception held Sunday at the Cisco Masonic Lodge Hall. The reception was attended by a large crowd of family members and guests.

Honored was Mrs. Ruby Huffman. She had signed a petition on January 5, 1937 to become a member of the Cisco Chapter #461 Order of the Eastern Star. She was initiated on February 16, 1937. Her masonic relation was her husband. She was voted a Lifetime Member on April 28, 1987.

Mrs. Huffman said that she enjoyed the 45-years active service in the Eastern Star.

Also honored was Mrs.

Reba Steffey. She had signed a petition on April 20, 1937 to become a member of the Cisco Chapter #461 Order of the Eastern Star. She was initiated on June 15, 1937. Her masonic relation was also her husband.

Mrs. Steffey said Sunday was a special day to her and she hopes all the Eastern Star women will get to make this milestone.

Both Mrs. Huffman and Mrs. Steffey are past matrons.

Adeline Merideth of Ranger, the District 3 Grand Chapter of Texas Order of the Eastern Star, Deputy Grand Matron presented the two women with certificates.

Iva Quinn, Worthy Matron of Cisco Chapter Order of the

Eastern Star presented the 50-year pins to the two honorees.

Cake and punch were served to the guest after the ceremony.

Baby Shower To Be Held Sunday At FUMC For The Ken Diehms

There will be a Baby Shower held for Ken and Kendra Diehm on Sunday, July 26, in the First United Methodist Church Fellowship Hall. The shower will be held immediately following the Sunday morn-

ing services. Ken, who is the pastor at First United Methodist, and his wife are expecting their first child in September.

All men, women and children are invited to the shower.

J.L. Stafford Golf Tournament Scheduled For This Weekend

Twenty-five or more teams of area golfers are expected to take part Friday, Saturday and Sunday, July 24-26, in the annual J. L. Stafford Par-Scot-Scramble Golf Tournament at the Cisco Country Club, officials reported Tuesday.

Bennie Nichols and Bob Bennie of Cisco, the defending championship team, was expected to defend their title. Other top players of the region are expected to play.

The low-ball par round of 18 holes must be played this

week and scores turned in by 7 p.m. Friday. Chairman Chuck Lawrence reported. All scores are to be verified, he added.

Saturday's 18-hole rounds will have a tee time of 8:30 a.m. and 1:30 p.m. for the flights that will be arranged after scores are turned in late Friday. The Saturday round will feature the Scotch format with each player hitting alternate shots.

Sunday tee off times will be at 8:30 a.m. and 1:30 p.m.

with the scramble format — each player hitting from the point of their best previous shot.

Mr. Lawrence said that prizes in the various flights would be cash — money collected from the \$50 per team entry fees. There will also be prizes for the longest drive each day as well as the ball closest to the cup on one of the par three holes.

Coffee and doughnuts will be served to tournament participants at the pro shot both days, Mr. Lawrence said.

The tournament committee includes Mr. Lawrence, Lori and Rick Whatley, Jim Yowell and Steve Thomas.

"We welcome anyone interested in playing in the tournament," Mr. Lawrence said. "Spectators will also be welcome to visit the golf course and watch any of the matches."

The Stafford tournament was planned as an annual affair to honor the memory of the late J. L. Stafford, long-time top area golfer and supporter of the country club.

Calvary Baptist Church Sponsor Missionary Trip

Calvary Baptist Church is sponsoring a Missionary Trip to Espanola, New Mexico on August 1. The youth and adults will return on August 8.

Members of several other churches are planning to travel with Calvary. They are the Spanish Mission at Calvary, the First Baptist Church of Crosby, and Mangum Baptist Church.

Jeff Holloway, youth minister at Calvary said they will conduct a Vacation Bible School for the Tewa Indians in Espanola on their

trip. The area is just above Santa Fe, New Mexico. The trip will take about 14 hours to drive, he added.

The Youth at Calvary Baptist Church have had work projects to raise money for the trip. Jeff said they have had bake sales, lemonade sales and Lazer Tag games. All the money raised from the games and sales will go toward the trip.

Jeff said they are taking donations and they can be made at Calvary Baptist Church.

Eastland County Commissioners Vote For County Attorney

Eastland County Commissioners passed a Resolution Monday, July 20, requesting the creation of a County Attorney's office for the County.

Judge Scott Bailey will write a letter endorsing the proposition to Senator Bob Glasgow and Rep. Jim Parker. A bill will have to be passed by the State Legislature in order to reactivate this County office. The Judge said that it might be difficult to introduce such a bill in the current special Legislative Session, since it was apparently winding down. But there is a possibility that another Special Session will be called this year, he said.

If given legislative approval, the County Attorney will work with Judge Bailey

in the reactivated County Court, which now handles misdemeanor cases. He will also represent the County on legal matters.

All the Commissioners present expressed strong support for the Resolution. Billy Bacon, Commissioner of Pct. 4 made the motion and Richard Robison, Commissioner of Pct. 1, seconded. The vote was unanimous. Norman Christian, Commissioner of Pct. 2, was absent for this vote, but Judge Bailey declared a quorum present.

Pictured above are DaRenda Vineyard, R.N. and Ursula Guthrie Mrs. Vineyard is accepting Invacare walkers from Mrs. C. W. Guthrie. (Staff Photo Courtesy Cotton's Studio.)

E.L. Graham Hospital Receive Two Walkers

Mr. and Mrs. C.W. Guthrie have recently donated two Invacare walkers to the Skilled Nursing Unit at E.L. Graham Memorial Hospital. Memorial gifts that have

been received in recent weeks include those for: Mrs. E.L. (Nova) Graham, Harold Adling, Mrs. Raymond (Mary) Smith, and George Zimmerman.

Lonnie Crosby To Take Over Cisco Golf Course

All Cisco Country Club members have been invited to "come and meet" the new golf course superintendent Thursday, July 23, after the weekly nine-hole scramble tournament, President Tim Jones reported Tuesday.

The club has just employed Lonnie Crosby, veteran golf course superintendent, to take over operation of the Cisco club.

The scramble will be held at 5:45 p.m. and all members and guests are invited to attend, Mr. Jones said. Entry fee for the scramble is \$4 and the greens fee for non-members is \$2 for nine holes.

A cook-out will be held immediately after the scramble, and members and guests were requested to bring their own hamburger meat. Several charcoal

grills will be available for use by everyone, and it is hoped that a good crowd will be in attendance to meet Mr. Crosby, the president said.

"Lonnie comes to us with many years of experience in the golf course business," Mr. Jones said. "He is anxious to meet all of our members."

Mr. Jones said the club would provide buns and other "fixin's" for the burgers. Members should take folding chairs and a card table if they desire, he added.

I SAY!
A xenolith is a fragment of rock included in another rock.

Wanda's Corner by Wanda Hallmark

Last Saturday, the Evangelical Methodist Church Youth group and a few others went to Six Flags Over Texas in Arlington.

The Youth Group had worked hard this summer to raise money for their trip. The Youth Group had earned enough to pay for their tickets into Six Flags plus \$5.00 extra spending money. They really had a wonderful time, they all said.

One of the attractions at the Six Flags Southern Palace Show was the Chinese Acrobatic Team. They really put on a wonderful show. If you get a chance to go to Six Flags this year, be sure and make it a point to see these people perform. In one part of the show, a woman acrobatic came out on the stage and leaned her head back and placed a champagne glass on her nose or somewhere on her face. Then she placed about four or five other stacks of glasses, candles and other items on top of that. She then climbed a ladder and when she reached the top someone handed her two twirling things for her to twirl. That woman was able to keep her balance and kick one leg backwards without falling or dropping anything. It was amazing!

Two acrobatic men were tossing two large 20-pound ceramic vases with their shoulders and catching them on top of their heads. The audience loved all of the acts and gave the performers standing ovations all through the show.

The park was overly crowded last Saturday. Cars were lined up on the freeway about a quarter of a mile before the Six Flags exit. We had to wait an hour in line in our car before we were able to get into the park.

As bad as the economy is in Texas, there was still a large crowd of people wanting to enjoy themselves.

I've heard that tourism is the third major industry in America. And it must be so.

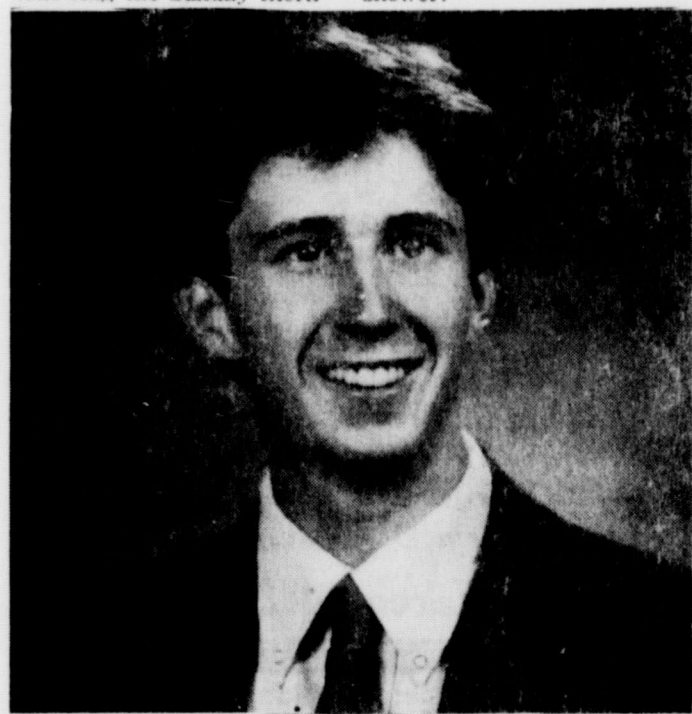

I talked to Cindy Donahoe Tuesday morning, and she said her son Randy is home now. He was seriously injured in a motorcycle accident last month. He is taking physical therapy five days a week now, and Cindy said it's amazing what they can do there.

She said Randy is doing fine and he is getting better everyday. She said it's just a miracle.

I finally brought my daughter, Teresa, home. She has been visiting relatives in Oklahoma, Dallas, Colleyville and Weatherford since the first weekend school was out.

She had bought one of those plastic hats at Six Flags, and while we were standing in line for the Judge Roy Scream, I leaned over to kiss her and she bent her head down and the hat scraped my nose.

I kept telling her it was all right, but when she said that my nose was bleeding on top, I told her she was grounded. It's good to have her back so I can pick on her.

SCOTT TAYLOR

Scott Taylor To Perform At The Ritz July 24-25

Scott Taylor, a previous contract actor in Cisco, will be performing at "The Ritz" Restaurant, 407 Conrad Hilton, on Friday and Saturday, July 24-25.

A senior at Texas Tech University, Scott is majoring in music and theatre education. He is very involved in both the music and theatre departments.

Scott is a member of the University Choir and holds many roles in the University Theatre. In the past year he had held the role of lead male dancer in both "The King and I" and "Carousel,"

and he just completed his first major role playing Hysterium in "A Funny Thing Happened on the Way to the Forum."

Last summer, Scott was under contract with the Roof Garden Dinner Theatre in which he served as music director and choreographer for both "Quilters" and "Annie." Many will also remember him for his roles as Jonathan Harker in "Count Dracula" and Rooster in "Annie." Scott will be performing during dinner July 24-25. Call 442-4707 for more information.

Commodities To Be Given July 28

The Commodities will be distributed in Cisco on Tuesday, July 28, from 8:00 a.m. till 11:00 a.m. at the Gaslight Apartments, 802 Conrad Hilton.

Commodities will be given in Carbon on Thursday, July 30, from 1:30 till 2:00 p.m. from a van at Granny's

Grocery. Items to be given out are butter, cheese, honey and rice.

All eligible persons will receive emergency food available without regard to race, sex, religion or political beliefs. Shut-ins are required to

public notices

On September 9, 1986, the City Council passed an ordinance prohibiting the posting of signs on utility poles and public property. As stated in the ordinance, the posting of such signs, posters, and other such placards on utility poles and public property throughout the city creates an unsightly nuisance, significantly contributes to the litter problem, generally detracts from the beauty of the community, and also creates a hazard to utility company employees who have to climb these poles.

The City of Cisco is again

requesting that everyone voluntarily comply with this important ordinance and please do not attach these unattractive garage/yard sale, for sale, etc. signs to utility poles or public property within the city limits. Regrettably, there will be no choice but to prosecute repeat violations of the ordinance, and a fine of up to \$200.00 could be assessed if found guilty.

Keeping our city clean and beautiful requires the community-wide effort of ALL our citizens. Your cooperation to this matter and show of community pride would be greatly appreciated.

Ginger Johnson
City Secretary

designate an authorized representative to pick up the food for them.

Commodities will be distributed on a first come, first serve basis.

Volunteers are greatly needed and appreciated to help with this much needed program.

Man Arrested For Tire Theft

Sherman Dwight West, 40, of Cisco was in the county jail at Eastland Tuesday after his arrest here at 9 a.m. Monday by Police Chief

Billy Rains and Detective Dale Smith on felony warrant charges in connection with the theft of tires and wheels from Pierce Motor

Co. July 9. The warrants charged theft of at least \$750 and not Continued inside...

Fitness Forum

by George Allen, Chairman
The President's Council on Physical Fitness and Sports

Getting in Shape

There's no doubt about it. Every year, more and more Americans participate in sports and fitness activities. They have many goals: improved fitness, weight loss, more energy, better health or to improve in their favorite sport.

Yet, when surveys report on the number of people who exercise regularly at levels vigorous enough to achieve these goals, the number of true participants drops. You see, it takes a little more than just a weekly game of tennis or an occasional swim to become fit.

First, to improve the fitness of your heart and lungs, it is necessary to do some form of cardiorespiratory endurance exercise at least three times each week for a minimum of 20 minutes each workout. This form of exercise, known as aerobic exercise, uses large muscle groups and requires a lot of oxygen. As your heart pumps hard to bring oxygen and nutrients to your muscles, it gets stronger and healthier. Some popular aerobic exercises are walking, jogging, swimming, aerobic dancing, cycling and cross-country skiing.

Muscular strengthening exercises are also important. Strong muscles are less likely to be injured and they make it easier to do endurance exercises for extended periods of time. Also, strong abdominal muscles help prevent lower back pain, which is a common problem today.

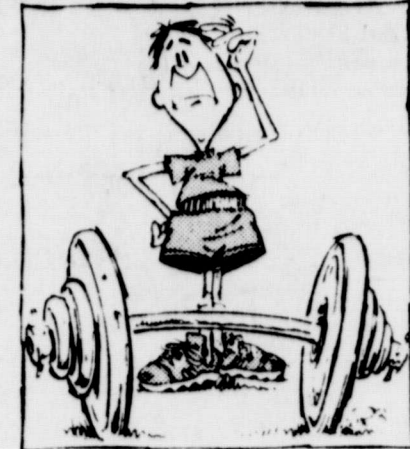

The most popular way to build strength is with equipment. Muscle strength is increased when you make a muscle group work harder than it normally does. This usually means performing an exercise eight to ten times (this equals one set) and doing a total of three sets with a brief rest between each one.

For some people, a two pound hand weight will be all they can manage. Stronger people will require a heavier weight. The important thing to remember is to choose the weight and equipment that is right for you. It's always good to get some expert help when you're just beginning.

I recommend a minimum of two twenty minute sessions of strengthening exercises a week. Three or four

are fine, as long as you don't do all your workouts consecutively. Your muscles need at least 24 hours to recuperate from a strength workout.

Exercises such as pushups, situps and leg raises build muscle endurance, which is the ability to repeat a movement requiring strength over and over again without resting. Muscular strength and muscular endurance are closely related. You must achieve a certain degree of strength to have high levels of endurance.

Finally, no program is complete without flexibility exercises. Stretching all the major muscle groups on a daily basis is important to ease such health problems as lower back pain and possibly arthritis. When your muscles and joints are flexible, you are less likely to get injured and you will feel better overall.

Always remember to warm up your body before doing any type of vigorous exercise or before you do your stretches. Walking in place, arm circles, knee lifts and other limbering exercises raise the temperature of your muscles and make it easier, and safer, for you to do your workout. At the end of your workout, gradually come to a stop so that you don't put too much stress on your heart. Stretch as part of your cool down also, to relax your muscles and help improve flexibility.

For more information, write to the President's Council on Physical Fitness and Sports, Dept. 87, Washington, DC 20001.

It's Time To Get Ready For The 16th Annual Texas Folklife Festival August 6-9

Each year visitors and native Texans alike gather together in a celebration of the state's ethnic diversity and pioneer heritage at the Texas Folklife Festival. The 1987 Festival, August 6 to 9, promises to be more than a celebration of Texas history, it's the best bet for educational family entertainment in the state.

The Texas Folklife Festival is an annual celebration of the state's ethnic diversity and pioneer heritage. Sponsored by the University of Texas Institute of Texan Cultures at San Antonio, the Festival is an extension of the education programs offered throughout the year by the statewide research, education and

communication center. The Festival is held on the 15-acre grounds surrounding the Institute of Texan

Cultures at Durango Boulevard and Bowie Street on Hemis Fair Plaza in downtown San Antonio.

The charge is \$5.00 for adults and \$1.00 for children 6 to 12 and children under 6 are free. There will be no

gate admission from noon to 1:00 p.m. on Friday, August 7.

Nearly 6,000 representatives of the more than 30 ethnic groups who settled and developed Texas share their traditions, crafts, music, food and dance in a blend of education and entertainment for the whole family.

Members of the Cisco Civic League will be attending the Texas Folklife Festival again this year.

Man Arrested In Tire Theft

From page 1...

more than \$20,000, and one was issued by Justice Court in Eastland and the other by Justice Court in Cisco. Bond of \$5,000 was set in each case, Chief Rains reported.

Sherman West is the uncle of Howard B. West, private in the U. S. Army at Fort Carson, Colo., who was arrested last week in the Pierce tire robbery case. Howard West, who is also

free under \$5,000 bond, has returned to his army duty station in Colorado, Mr. Rains reported. He will be returned to Eastland County for trial at a later date, the chief added.

The two men were charged with the theft of four new tires and wheels from trucks at the Pierce Ford parking lot on I-20. Locks on the new trucks were broken in the

burglary. The new trucks had damage as well as missing wheels and tires, police said. The stolen items were recovered when the West pickup was found at a trailer park east of Cisco, Mr. Rains said.

MORAN NEWS
By Mrs. Luke Huskey
Homecoming

Mrs. Elfe Harris of El Paso spent the weekend with Mae Delle Jones and attended the Morris family reunion.

Mrs. Lela Huskey accompanied her son and daughter-in-law, Mr. and Mrs. Bill Huskey of Eula to Hawaii, for a visit with Mr. and Mrs. Huskey's son, Buster Huskey and family. Buster is stationed in Hawaii with the United States Marines and will be in Hawaii for three more years.

Necia Ann McKewin and Jacob of De Soto and her friend spent the weekend with her mother, Frances Green. Jacob remained for a longer visit with his grandmother.

Junior Garrett of Austin spent the weekend with his parents, Mr. and Mrs. James Garrett.

Mr. and Mrs. C. L. Miller and Lisa and Mr. and Mrs. Ronnie Kitchens are enjoying a vacation trip to San Antonio and other points of interest in that part of Texas this week.

RAIN
Moran and community received some much needed rain last Thursday. The amount varied from place to place, but about 1 inch was the average amount recorded.

The families of the late Mr. and Mrs. Will Morris and Mr. and Mrs. Jim Morris was well attended at the family reunion held Saturday at the Moran Community Center. Some of those attending from out of town were Mr. and Mrs. L.P. Bumpers of Olney, Mr. and Mrs. Harold Gene Morris of Greenville, Corkey Morris and grandsons of Dallas, Mr. and Mrs. Bill Raymond of Abilene, Mrs. Betty Head of Abilene. Some others were from Weatherford, El Paso, and Baird with others but I did not get their names.

MORAN SCHOOL HOMECOMING
This is the year for the Moran School Homecoming. The committee will meet Monday and make plans for the occasion. Sissy Shimp is the present president of the homecoming.

Mr. and Mrs. Ezra Weir visited with Mrs. Lela Hitt in Cisco last Friday.

SALAD SUPPER
The members of the American Legion and Auxiliary will host a salad supper honoring Mr. and Mrs. Robert Green on Thursday night, July 30, at the American Legion Hall in Moran. Mr. and Mrs. Green are moving to California. They have been very active in the organizations. The public is invited. Come, bring a salad and enjoy the fellowship. The meal will be served at 6 p.m.

Mr. and Mrs. Walt Hunsinger of Midland visited with their daughter, Mrs. Warren Fincher, Mr. Fincher and with Mr. and Mrs. Link Schafer and Rocky last week.

MORAN VOLUNTEER FIRE DEPT.

The Moran Volunteer Fire Department will present Joe Paul Nichols and Dale Lay and their group of musicians for a benefit performance at the football stadium in Moran on Saturday, August 8, at 8:30 p.m. All proceeds will go to the Volunteer Fire Department. Tickets are \$2 bought prior to the musical and \$2.50 at the gate. One can get tickets from any member of the fire department.

BIRTHDAY CLUB MEETS

The members of the Moran Birthday Club met last Tuesday night at the Moran Coffee Shop for the regular meeting. Fourteen members enjoyed a chicken fried steak supper with all the trimmings. No one was present who had a birthday in July.

Mildred Smith showed some slides of places she visited when she visited her daughter, Mrs. John Adams, and family in Germany. The slides were very interesting

of the beautiful country, castles, and various other places. Mildred visited seven countries while visiting her daughter.

Members present were Mildred Smith, Frances Green, Mr. and Mrs. Hubert Brewster, Reese Woolfolk, Mr. and Mrs. Mickey Miller, Ino Hitt, Doris Huskins, Elma May Huskey, Mr. and Mrs. Ezra Weir, and Mr. and Mrs. Lucion Brooks.

1962 Class

To Hold 25th Reunion

Plans are being made for the Cisco High School Class of 1962 to hold its 25th anniversary reunion here Saturday, July 25, according to an announcement.

The event will be held at the Corral Room of the Laguna Hotel, beginning at 3 p.m. with a visiting hour. Supper will be served there by Oscar's Barbecue at 5:30 p.m. and a dance will be held after the meal with the L&L Lights of Dublin providing the music.

Information about the reunion may be obtained from Olin Odum and Jim Yowell of Cisco.

Grandson Of Cisco Woman June Graduate

During June, Bradley Pingree was among the graduating class at Fruita, Colo. He also was one of the students graduating from Career Occupational Training School at Grand Junction, Colo.

He is the son of Lonnie and Shelda Pingree of Colorado and the grandson of Mrs. Edessa Pingree of Cisco.

Cisco AARP Holds Monthly Meeting July 16

The Cisco Chapter No. 2447 held its regular monthly meeting on July 16 at the Corral Room with president Louise Allison presiding. There were 67 members and guests present.

Gil Copeland, program chairperson, introduced Mrs. Helen Orr, administrator of the E. L. Graham Hospital as the guest speaker. Mrs. Orr explained in detail the newly opened skilled nursing facility. The facility opened on June 15, 1987, after waiting a year for approval from the state health department. It has six beds available for skilled nursing. Patients from other hospital can use its facilities.

Mrs. Orr explained the criteria for its use. For eligible Medicare patients there is no charge for the first 20 days. Beginning the 21st day until the 100th day, the patient pays a deductible or co-insurance amount of \$65 per day. The maximum number of days of eligibility in any benefit period is 100. Medicare, Part A, reimburses the hospital for room charges, food, nursing care and supplies. Other charges are reimbursed at cost at each fiscal year end. Out-patient surgery and special procedures and radiation therapy are billed on Part B.

A requirement for admission to the skilled nursing facility is an eligible hospital stay of at least three days within 30 days prior to admission. This facility care is an extension of the hospital stay and the condition required skilled care must be directly related to the reason for the hospital stay. The patient must have a demonstrated need for a skilled level of care.

E. L. Graham Hospital also offers a new service

called "respite." A person using this service is charged \$65 per day and the charge is billed directly to the person. This service is available to those people who may be taking care of an elderly, healthy person but needs to be away for a few hours or a few days.

Mrs. Orr invited anyone interested in more information regarding these new services to telephone her or stop by the hospital. She or someone on the staff will gladly give assistance.

Surprise Party Honors Buddy Sipe And Family Sunday

A big surprise party was given in honor of Rev. and Mrs. Buddy Sipe before departure to their new home in McGregor, Texas. The Rev. Sipe has accepted the pastorate of the First Baptist Church in McGregor. He is a former pastor of First Baptist Church here.

Ollie Morans To Be Honored On Anniversary

Mr. and Mrs. Ollie Moran, well known Cisco residents, will be honored on the occasion of their 40th wedding anniversary with a reception at 2 p.m. Sunday, July 26, in the Community Room of First National Bank.

They were married July 18, 1947, at Scranton. She is the former Christine Poe. Hosting the Sunday celebration will be their children, Arlene Holland, Randy Moran and Charlotte Honea. All friends and relatives are invited to attend.

"The Fantasticks" Is Noted As Longest Running Musical World - Wide

Since its opening in 1960, "The Fantasticks" has played in over 5,000 American cities and 80 foreign countries as well as becoming the longest running musical in the world.

Directed by Glenda Young and assisted by Terry Kempf, the set has been constructed as simplistic as possible to allow the central focus to be on the characters and plot development.

An experiment in modern theatre, "The Fantasticks"

introduces the characters in an unusual format. Appearing as the Mute will be Kim Allison of Early; Hucklebee the boy's father, Clint Cotton of Abilene; and as Bellomy the girl's father, Frank Spangler of Cisco.

Principal characters include Mary McGrew of Cisco as Luisa the innocent young girl; Joe Ochoa of Temple as Matt the immature boy; and Bill Austin, Jr. of Cisco as El Gallo the narrator. Dixon Seider will portray Mortimer the actor who dies and Fred Mullinax will appear as Henry the aged actor.

The music will be provided by Susan Wester, pianist and Elizabeth Webb, synthesizerist. They will be assisted by Wendy Wester.

Cisco Police Investigating Oil Well Theft

Cisco police are investigating the theft of an oil well rock drilling bit by bad check, Chief Billy Rains reported Tuesday. A 47-year old Early man is a suspect in the case and has been questioned, Mr. Rains said.

Robert Deering of R-D Drilling Supply, Fort Worth, reported that they sold a rock bit for \$2,102.50 on July 19, 1986, and received a worthless check for it. This is the second degree felony offense, Mr. Rains said.

The chief expected to present the case to the district attorney's office this week.

Lighting duties will be handled by Beulah Cummins and Maria Martinez. The stage will be managed by Julie Lund.

Dinner performances are July 30, 31, and August 1, 6, 7 and 8 at 7 p.m. Cost will be

\$15. Dessert only performances will be August 4 at 2:30 p.m. and August 4 and 5 at 8 p.m. Tickets will be \$7.50. Make your reservations now for "The Fantasticks" by calling (817) 442-2567 or 442-2569.

31 Children Die Since 1982 Playing "Garage Door Game"

Citing 31 deaths since 1982 to children under 12 years of age caused by automatic garage doors, safety experts are again warning parents to prohibit children from playing games with garage door openers.

Reconstructing the accident scenario, the U. S. Consumer Product Safety Commission said children activate the garage door opener, then run out of the garage in an effort to beat the door before it closes. Deaths occur when the descending door strikes the child and pins him or her to the ground. Even garage doors equipped with an

automatic reverse mechanism have been involved in fatalities.

CPSC urged parents to keep remote control devices locked in the accessory compartment of the car to prevent access by children. Wall-mounted switches which activate garage doors should be moved far out of reach by young children.

Homeowners should also check the owner's manual for instructions on checking the automatic reverse feature on the doors. CPSC said homeowners may want to adjust the opener's sensitivity switch so that the door reverses under the least possible pressure.

Every day, more than 107,000,000 Americans - seven out of 10 adults - read a newspaper.

To remove chewing gum from clothes, press ice cubes against the gum until it becomes brittle and breaks off. Then use a spot remover to vanish the last traces.

STAY CLEAR OF POWER LINES

HAVE RESPECT FOR POWER LINES - BOTH THOSE OVERHEAD AND THOSE UNDERGROUND - ANYTIME YOU'RE DOING A JOB THAT REQUIRES YOU TO WORK NEAR THEM.

- Check your clearance carefully when you're carrying a tall pole or pipe on a tractor, or driving a truck with a raised bed, or operating machinery such as cranes, booms, hay loaders and well drilling rigs.
- Make sure you know the location of underground power lines before you install irrigation systems or unclog drain or sewer lines. Even routine projects like digging post holes or planting trees can be dangerous if you get too close to power lines.
- Fallen power lines also are extremely dangerous. If you see a line downed by a storm, high winds, car accident or other mishap, call WTU. Meanwhile, stay away from the wire and anything it touches - and keep others away, too.
- Don't trim or cut down trees near power lines. This is work best left to experts.

Obituaries

Roger Carey

BRECKENRIDGE - Roger J. Carey, 85, of Caddo, died Saturday at his home.

Services were held at 2 p.m. Monday at the Melton Funeral Home Chapel with the Rev. Marc Childress officiating, assisted by the Rev. Jerry Speer. Burial was in the Caddo Cemetery.

He was a lifelong Caddo resident. He was a farmer, rancher and a member of the Caddo Methodist Church. He was also the past president of the Palo Pinto County Hereford Association.

Survivors include his wife, Marie Mitchell Carey of Caddo; a daughter, Hollis Burgess of South Bend; two sisters, Mary Viola Davis of Caddo and Audrey Virginia Craig of Nolan; five grandchildren; and three great-grandchildren.

Jack Bowen, Sr.

ABILENE - C.A. "Jack" Bowen Sr., 85, of Abilene, died Friday at his home.

Services were held at 2 p.m. Monday at the Elliott-Hamil Funeral Home Chapel of Memories in Abilene, with Dr. Don Greenway and the Rev. Bill Hillier officiating. Burial was in Elmwood Memorial Park.

Born in Palo Pinto County, he moved from Odessa to Abilene in 1963. He attended school in Lubbock. He was a dry cleaner for Ideal Cleaners from 1964 to 1985 and was a member of the North Side Baptist Church.

Survivors include his wife, Madeline; a son, Claud Alvin Bowen Jr. of Abilene; two brothers, Thomas Oscar Bowen of Odessa and William Bowen of Canadian; three granddaughters; and a great-grandson.

Gloria Ramsey

SHILOH WATER - Gloria Ramsey, 99, former Gordon resident, died Sunday at her home.

Services were held Tuesday at 10:30 a.m. at the First United Methodist Church in Gordon with the Rev. Henry Kyle-Smith officiating. Burial was in New Gordon Cemetery, directed by Edwards Funeral Home in Straun.

Local arrangements were made by Franklin-Bartley Funeral Home of Lubbock.

Born in Gordon, she was a longtime resident of the Lubbock area, moving to Shiloh water in 1964. She was a 1948 Texas Tech University graduate.

Survivors include a brother, Oliver Ramsey of Lubbock; and a sister, Barbara Watson of Denver.

Memorials may be made to the American Cancer Society.

Arnulfo Cervantez

ILL. - Arnulfo Cervantez, 66, of Waukegan Ill., died Sunday in Illinois.

Mass of Christian Burial was celebrated at 10 a.m. Wednesday at St. Francis Catholic Church, the Rev. Anthony Ferrar as celebrant. Rosary was recited at 8 p.m. Tuesday at Wilkerson-Hatch Funeral Home. Military graveside services were at Oakwood Cemetery.

Mr. Cervantez was born Aug. 12, 1926, in Stamford. He moved to Waco in 1928, attended Waco schools and was a graduate of Waco Academy. He was an Army veteran of World War II, serving in the Pacific and with the military police.

Mr. Cervantez was a former member of St. Francis Catholic Church. He had been a resident of Illinois since 1957.

Survivors include three daughters, Corina Cervantez and Dana Cervantez, both of Waukegan, and Ginger Marroquin of Des Plaines, Ill.; a son, Joseph Allen Cervantez of Waukegan; four sisters, Mrs. Phillip (Carmen) Herrera and Mrs. Guadalupe (Mary Ann) Tovar, both of Waco, Mrs. Jesse (Amelia) Renteria of Ranger and Mrs. Fred (Janie) Fepulveda of Robinson; and two brothers, Rodolfo Cervantez and Emilio Cervantez, both of Waco.

Hubert Pockrus

RANGER - Hubert Pockrus, 79, died Monday at a local hospital.

Services were held at 4 p.m. Tuesday at the New Hope Baptist Church No. 3 with Rev. Jerry Speer officiating. Burial was in Mt. Zion Cemetery, directed by Edwards Funeral Home.

Born in the LaCasa Community, he was a lifelong area resident. He attended Oakridge and Frankel schools. He was a farmer and a pumper and a member of the New Hope Baptist Church No. 3. He was the widower of Almay Pockrus.

Survivors include his wife, Addie Bradford Pockrus; a son, Billy Jack Pockrus; a daughter, Wanda Jean McNabb; a sister, Ellen Dempsey, all of Ranger; six grandchildren; and four great-grandchildren.

Bettye Knight

CISCO - Bettye Estelle Watson Knight, 97, of Merkel died Wednesday, July 15, 1987, in a Merkel nursing home. She was the mother of Nola Blalock of Cisco.

Funeral services were held at 2 p.m. Friday, July 17, 1987, at the Merkel Church of Christ with Larry Gill officiating. Burial was in the Rose Hill Cemetery, directed by Starbuck Funeral Home.

Born June 7, 1890, in Erath County, she moved from Rotan to Merkel in 1943. She attended school in Huckaby. She was a homemaker, a member of the Merkel Church of Christ and the widow of Tom Knight.

Survivors, in addition to Mrs. Blalock, include four sons, Clyde Knight of Crowley, Albert Knight of Garland, O. R. Knight of Granbury and B. J. Knight of Abilene; two daughters, Ruby M. Moody and Jessie Jacobs, both of Merkel; 24 grandchildren; 57 great-grandchildren; and 24 great-great-grandchildren.

Jeremy Delaughter

CISCO - Graveside services for Jeremy Wayne Delaughter, infant son of Michael and Lesta Delaughter, were held at 10 a.m. Monday, July 20, 1987, in Oakwood Cemetery. Rev. John Clinton, pastor of Evangelical Methodist Church, officiated. Arrangements were handled by Kimbrough Funeral Home.

He was born July 2, 1987, in Eastland Memorial Hospital. He died Friday, July 10, 1987, in a Fort Worth hospital.

Survivors, in addition to his parents, are two brothers, Joshua Hopkins and Jesse Hopkins of Cisco; a sister, Jasmine Delaughter of Cisco; his grandparents, Archie Russell Sr. of Cisco and Barbara Barker of Jena, La., and Barney and Georgia Mae Delaughter of Wisner, La.; and a great-grandmother, Elanore Carlton of Jena, La.

Willie Kirby

EASTLAND - Willie Ophelia Slaughter Kirby, 70, died Sunday at a local hospital.

Services were at 2 p.m. Wednesday at the Edwards Funeral Home Chapel with the Rev. Jim Oglesby officiating. Burial was in the Eastland Cemetery.

Born in Mangam, she was a lifelong Eastland County resident. She was a homemaker, a member of the Assembly of God Church and the widow of Floyd John Kirby.

Survivors include four daughters, Linda Sue Crowder of Red Rock, Joyce Elaine Howell of Kyle and Glenna Marie Preslar and Doris Jean Castleberry, both of Eastland; two sons, William Gerald Kirby and Robert Ellis Kirby, both of Eastland; a brother, Ellis M. Slaughter of Carrollton; two sisters, including Gladys Hall of Abilene; 11 grand-

children; and seven great-grandchildren.

IN MEMORY OF RUTH TAYLOR

On the darkest of night
In the twinkle of an eye
He called her away to by
His side.

He gave her a mansion
He gave her a throne
He gave her a place
In that heavenly home.

When she was on earth
In very much pain
She prayed for deilverance
And God was her gain.

All sorry and weeping
All loved ones are sad
To lose such a mother as
Precious as that.

I know she is happy
I know she is loved
I know she is watching
From heaven above.

Eastland First Baptist To Host 'Continental Singers and Orchestra'

First Baptist Church of Eastland will host the Continental Singers and Orchestra, Monday, July 27th, at 7:30 p.m. The 1987 tour of the Continentals marks the 20th year of the ministry of this internationally recognized Christian musical group.

The theme of the program will be "Let There Be Praise!" Lasting approximately two hours, it will include favorite gospel songs, hymn medleys, and contemporary classics. The group consists of twenty-five singers and orchestra of fifteen players.

Cam Floria, Continentals' President and producer of the program says that the purpose of their ministry is to communicate God's word. "The Continentals have been doing it for the past two decades and, we hope, in the decades to come," he continues. "Every year ordinary kids tour all over the world and see extraordinary things happen in their lives and in the lives of the people around them."

For any who may be interested in touring with the

Continentals as vocalists, instrumentalists, or technicians, auditions will be held after the Monday concert. There is no admission charge, and the public is invited to attend.

NEWSPAPER DEADLINES:
Monday, 5:00 p.m.
(For Thursday Paper And Thursday, 5:00 p.m. (For Sunday Paper))

Engagement

Tynes - Odom

Announce Wedding

Mr. and Mrs. Buster Tynes and Mr. and Mrs. James C. Odom would like to announce the upcoming marriage of their children, Trish and Warren. The date has been set for August 15, 1987 at 7:00 p.m. at the home of the groom in Morton Valley. Trish is a 1987 Cisco High School graduate and Warren is a 1985 graduate of Eastland High School. The couple plan to make their home in Arlington, Texas. All friends and relatives are invited to share their special day.

Nine Popovers Attend Gymnastic Camp

Nine gymnasts from the Eastland County Popovers flew to Houston on July 6th to attend a one week camp at the famous Karolyi's World Gymnastics.

Bela Karolyi has become famous as the coach of gold medalists Nadia Comaneci and Mary Lou Retton. He is now coaching Kristie Phillips and Phoebe Mills, who are the 1988 Olympic hopefuls.

Several Popovers met Kristie and Phoebe, got

autographs and had their pictures taken with them. They were able to watch several competitors for the U.S. Team work out. It was motivational and inspiring for them.

Those attending the camp were Laurie Cagle and Ingrid Valek of Cisco, Tiffany Martinez and Lauren Erwin of Ranger, Robyn Maynard, Shandy Casey, Dana Squiers, Kalli Arther and Wendie Beggs of Eastland.

Coaches Valerie Wells, Richard McLaughlin and owner, Marilyn Beggs also attended. They would like to thank Sherry Arther for taking time out of her busy schedule to take her car to the airport on Monday and Friday to help us with the transportation.

History Sampler.....

By Willie Modell Herring Wallace

My daddy George Washington (G.W.) Herring was born Nov. 15, 1875 in Usher Co. moved to Rains Co. Emory, Texas there he met my mother Martha Missouri Strickland, she was known as Mattie Herring.

My mother was born in Atala Co., Mississippi Jan. 22, 1878. Mother moved to Rains Co. at the age of 15 mos. old. Mother and Daddy had 10 children 6 girls and 4 boys 2 sets of twins.

Sister Zettie married T.A. Byrd. They had 5 children, 2 died infants. Ford Byrd married Dorothy Dobbs, they had 3 children, Darlene, Derrell and Deborah, and Bobbie Byrd married James Luther Pittman and they had one daughter Lana. Patsy Byrd married James Lynn Hogan. They had Mickey and Vickey.

Twin sister Martha married Arthur Cross and they had one son Troy Lee Cross. He married Betty Reynolds and they had 3 children, Tina, Bryan and Nancy.

Twin sister Mary married Jap Stuteville. They had 5 children Clyde Stuteville married Marjorie Squires (twin girls) Claudine Stuteville married Ottilie Heenery, Claudia Stuteville married Bernard Kiedudl. Clyde had 3 Jack, Jenny and Jill. Claudine had 4 Gloria, Gymne, Annetta Ann and Marie. Claudia had 3 children Jim, Jolin and Mary Nell.

Sister Ora Herring married Bill Haynes. Had one son Billy Haynes. He married Carmelita Dickerson. They had one son Charles Ray.

Sister Artie Lee Herring was one month and 21 days old. Died at Stephenville, Texas. They were in a covered wagon moving to Eastland Co. Oct. 6, 1905. They settled on the Hearn place in Bear Springs Community. In 1908 my twin brothers were born. Elbert Erlina and Elmer Eligale.

Twin Brother Elbert born 1908 married Josephine Boon from Palo Pinto, Texas. They had one son Charles Ray.

Sister Ora Herring married Oscar O.E. Lyerla. They had 6 boys Cyrus, O.E. (Mutt), Guy, Billy Ray, Jack and Glynn died. Lee Strickland married Vernon Shamberger had 2 boys V.L. and Pete. Uncle Bill Strickland married Agness Hostile.

My Grandmother Eva Ann Strickland lived in Flatwood Community, so did the Lyerlas, the Coons, Aunt Lee Shamberger as well as my Uncle Bill Strickland.

The farm we owned is south of the McGough Springs west of the Dunham farm now owned by O.B. and Cleo Duncan.

They had one son George Harlan Herring. He had 2 daughters, Terri Leigh and Lisa.

Twin brother Elmer born 1908 married Gladys Robertson.

Mother and Daddy moved back to Emory, Texas. Then Sammie was born 1911. Sammie married Anna Mae Robinson. They had 5 children Shirley and Cherry died, Clyde Douglas married Marjorie Fox, Robert Joe married Margaret Walker. They had a daughter Jessica Belinda Herring. Married Steve Anger. Had 2 children Brad and Shelly.

Brother Carl D. Gerring was born Oct. 4, 1913. Passed away Aug. 6, 1934.

Willie Modell Herring born Oct. 2, 1915 married Sam S. Wallace 1937. We will be married 50 yrs. Dec. 6, 1987 this year. When I was less than 2 yrs. old daddy left Rains Co., Emory, Texas moved to the Ike Dangler place farm in the Okra Community south of Carbon then came to Flatwood Community and bought the farm off Cal Yancy. I was raised on that farm, a mother and daddy passed away. Daddy in 1944 Mother in 1948. Then we 8 children owned it and we eventually sold to the sister Ora M. Haynes. Ora still owns it, it's still called the George Herring farm.

My mother Mattie Strickland Herring had 3 sisters and Mary Strickland married Sam Coon. Had two daughters Winnie and Vera. Etta Strickland married Oscar O.E. Lyerla. They had 6 boys Cyrus, O.E. (Mutt), Guy, Billy Ray, Jack and Glynn died. Lee Strickland married Vernon Shamberger had 2 boys V.L. and Pete. Uncle Bill Strickland married Agness Hostile.

My Grandmother Eva Ann Strickland lived in Flatwood Community, so did the Lyerlas, the Coons, Aunt Lee Shamberger as well as my Uncle Bill Strickland.

The farm we owned is south of the McGough Springs west of the Dunham farm now owned by O.B. and Cleo Duncan.

The farm we owned is south of the McGough Springs west of the Dunham farm now owned by O.B. and Cleo Duncan.

The farm we owned is south of the McGough Springs west of the Dunham farm now owned by O.B. and Cleo Duncan.

Area News Briefs

BAIRD
 Rebecca Self, a senior at Baird High School, is one of the 200 Texas delegates attending the 1987 Future Homemakers of America (FHA/HERO) National Youth Leadership Meeting this week, July 20-24 in Washington, D.C. Representing more than 50,000 members of the Texas Association, Rebecca is among approximately 2500 delegates from throughout the nation attending the four-day conference. Activities include visits on Capitol Hill, a reception for Texas Congressional leaders, and project sharing and leadership training. Rebecca Self is currently serving as State Vice-President of the Texas Association of Future Homemakers of America.

Beniefel is also seeking exemplary damages of up to \$250,000 plus costs involved in filing the suit. The lawsuit stems from an incident January 21, 1987, in which Glover arrested Beniefel after the two allegedly exchanged words. In the lawsuit, which was filed by Attorney Gary Lewellen of Stephenville, Beniefel alleges, among other things that he was "deprived of his liberty without due process of law."

Ranger Lions Club has become the first club in the region to admit a woman to its membership. Mary Wells, branch manager of Olney Savings Ranger Branch, was installed as a member during the first meeting in July. Mrs. Wells was sponsored into the club by outgoing President Doug Crawley, and comes to the organization with a distinguished record in civic service. She attended Cisco and Ranger Junior Colleges, and has been employed by Olney Savings for 11 years. She also assists her husband, Johnny Wells in his photography business.

The Texas Teenage Baseball District 2 Tournament will be held in Baird, beginning Monday, July 27 at the local League's baseball field. This should be an exciting week of baseball. The Baird Chamber of Commerce has presented the Baird Youth Baseball Association with \$200 to be used on this tournament. Volunteers have worked on the baseball field to make things ready for the big event.

RANGER
 A local businessman, Steve Beniefel, has filed a lawsuit for \$1 million against the City of Ranger and Donald Glover, a former Ranger Police officer. According to the suit filed.

The Eastland County Water Supply District Board of Directors will open bids on August 20 for repairs to the Lake Leon Dam. The water level needs to be down three or four feet before repairs can be made, however. Bid specifications will be published soon, and the successful bidder will remove dirt from the damaged area.

inspect the base, and repack dirt and lime. Then he will tamp, bring riprap on up to the top of the dam to protect it in the future. Traffic will probably have to be stopped on the dam during the repair period.

The Drum Major and Flag Corps of the Spirit of Ranger Band brought home three 1st Division ribbons and an Outstanding Performance Trophy from the Howard Payne University Auxiliary and Drum Major Corp. The Flag Corp consisted of LaDawn Little, Christian Betancourt, Sherry Thomas, Melissa McDonald, Bitty Pennington, and Brandy Sharp. The Drum Major was Terri Kay White. "I cannot tell you how proud I am of these young ladies," said Band Director Swinney. "I really feel this is the start of something I hope we can't stop - the desire of every band member to do the very best they can to bring honor to their school, their community, and themselves."

CISCO
 Ken Martin, an engineer with Jacob and Martin Inc., met with the Cisco City Council recently to give project cost estimates for improvement at Battle Creek Pump Station. Martin commented that Battle Creek is very important - without it Lake Cisco's estimated safe allowable yield, 700 acre ft. a year, could be less than the City's existing demand - 1200 acre ft. a year. He said that when it rains Battle Creek receives water when Lake Cisco doesn't because the Battle Creek watershed goes south all the way to Cottonwood. Martin gave the Council a report on the cost of rebuilding the motors and installing new motors. At the next meeting he will give the cost of a diesel driven pump.

Laurie Cagle, senior cheerleader at Cisco High School, has been selected by the Chamber of Commerce to represent Cisco as a Duchess at the annual DeLeon Melon Festival August 5. She will ride in a Parade at the event and take part in various other festivities. Miss Cagle is the daughter of Mr. and Mrs. Johnny Cagle, and is a native of Cisco.

Cisco City Council members have approved a Resolution requesting West Texas Utilities to increase the franchise tax from 2 percent to 4 percent. Mike Moore, city manager, reports that the present franchise fee is the same as it was in 1941. The City of Cisco would receive an additional \$30,000 to \$45,000 additional revenue with the 2 percent increase. Moore says the vast majority of cities in the WTU system are asking for a raise in their franchise fee. If WTU agrees to the raise, it may be in effect by January 1, he adds.

Roy Cartee of Cisco, chairman of the Eastland County Red Cross, has announced his resignation effective August 1, 1987. Cartee, who has been Chairman since 1974, states that he is resigning with reluctance. He serves in two state offices - State Coordinator for the health advocacy program for the AARP, and as a state ombudsman for long-term care facilities. The duties of these offices, which include travel, are very time consuming. A successor to Mr. Cartee in the Red Cross position will probably be named within the next month.

EASTLAND
 The Eastland Fine Arts Association held a board meeting last Thursday, and among the items discussed were the final construction work to be done before the opening of the Majestic Theatre. Some "small things" were listed which need to be completed before the carpet is laid and curtains installed. John Berry, board president, stated that the carpet is on its way and should arrive any time. The wall on stage left will be removed to allow more room for stage work and materials. Ramps for the handicapped have been added to the sidewalk area. Board members discussed charges for renting the building, but said they needed more information before setting the charges.

Paul Catoe, Eastland city manager, has announced that the city paving project for 1987 is now complete. This includes work on College Hill, the Sadosa paving program, a Crestwood pro-

ject, and seal coating on portions of Commerce, West Plummer, Briarwood and Oakwood. The manager expresses appreciation to all who worked on the projects, including the city crews who prepared the streets for the contractors. Plans will soon be underway for next year's projects. At the present time the city is considering repaving portions of Sadosa, which carries a lot of school traffic.

The Eastland Church of Christ is planning for a big workday on Saturday, July 25. The annex will be dismantled, and equipment and kitchen appliances will be moved to other locations. All this activity is set to begin at 8 a.m., with Charles Walker in charge. The church is involved in a building program, and a lot of progress is being made. Reports are that when the project is completed, the parking areas shared by the church and Eastland Memorial Hospital will be excellent.

State Awards

\$1,335,663

Contract

BROWNWOOD - The State Highway and Public Transportation Commission has awarded a \$1,335,663 contract on State Highway 16 in Comanche and Eastland Counties.

J.H. Strain & Sons of Tye, Texas was the successful low bidder. In Eastland County, the contract calls for widening, strengthening, and placing base overlay on five miles of SH 16 from the Comanche County line northward, and widening the bridge at Hog Creek.

In Comanche County, bridges at the Sabana River, Rush Creek, and Duncan Creek will be retrofitted with new safety shape bridge rail to meet current safety standards.

Resident Manager Bryan Neaves of Eastland, who is in charge of the project, said that work will probably begin about mid-August with an expected completion date of May 1988.

Continental Singers Due At

Eastland First Baptist July 27

The Continental Singers and Orchestra, an internationally recognized Christian musical group, will present a dynamic new program Monday, July 27, 7:30 p.m., at the First Baptist Church of Eastland.

Emphasizing the theme of "Let There Be Praise!" their program celebrates the 20th anniversary of the group. It will also include a portion of "ELIJAH"-a powerful new musical that explores the life of one of the Old Testament's most well-known prophets.

Ken Waggoner, Executive Vice President of Continental Ministries, explains that both parts of the program reflect "our need to praise God as we see him make the impossible possible in our lives." He reflects that the existence of the Continental Singers "is testimony to God's power. It's literally a miracle that a ministry like ours has lasted for 20 years. In Gospel music, some groups barely make it 20 months, let alone 20 years."

The Continental Singers program features 25 vocalists and a 10-piece orchestra. According to Waggoner, it "combines the best of our past with the promises of our future. It's a musical celebration that highlights two decades of praise and joy from our most popular musicals, hymn medleys, and a few contemporary classics." Well-known for utilizing a variety of musical styles in their program, the Continental Singers will include songs and arrangements by some of today's top contemporary Christian artists.

In 1987, Continental Ministries will send out 18 tour groups to perform in all 50 states and approximately 32 countries throughout the world while overseeing 5 international ministries in Singapore, Hungary, England, Europe, and Latin America.

I've Been Wrong Before

By Gordon S. Clark

Notice a news item about a drastic decline in college grads in the liberal arts fields. Schools which once required Latin and other foreign language for entrance no longer do. Even though a greater percentage of high school grads go on to college the numbers in liberal arts declines. Since there once was no such thing as a degree in environmentalism and many other popular subjects it could be simply a matter of a wide range of choices. Then again, it could just be MONEY. After all, when the pay is higher and the work is easier only a few risk years and fortune on the tougher road.

I was so intimidated by the hard time two older brothers had with Latin that I didn't even consider college until a red headed woman convinced me there were colleges you didn't have to have credit in Latin to enter. I recall one young man who wanted the prestige of a degree but asked a counselor

if there was a college major where his poor math wouldn't defeat him. The counselor told him to try the ministry as it was the only field where two and two didn't have to make four.

German bid fair to replace Latin in both medicine and science but never regained its popularity enjoyed before the First World War. The German people suffer more from the Second World War than the language. Bob Hope got a lot of laughs by telling of trying to learn how the U.S. space program was getting on but learned nothing because he didn't understand German which seemed to be all our space scientists were speaking. So he said on a tour of Russia he decided to check out their space effort. Still learned nothing because of same problem. He still couldn't understand German.

Among classical dead languages are Greek and Hebrew which some folks are trying to resurrect. The classic Greek fits modern Greek mouths but like Shakespearian English fits ours but in Israel with people from so many places they might have more luck. But even Jesus didn't speak Hebrew, or so they say, He spoke Aramaic. The good old boys who think He spoke

King James English might look up Aramaic in Websters.

But lawyers still love Latin. It confuses the common colds and makes them seem wise.

About the most familiar Latin for most of us in "caveat emptor" meaning let the buyer beware or you purchase at your own risk. By the number of product liability suits one would think that old law of the market had been repealed.

Another caveat which was seen on Ramona gate posts was CAVE CANEM or Beware of the Dog. Time was when such a sign relieved the owner of liability if the dog bit anyone. However, the solicitors claiming a right to knock on your door, the chance the someone might not be able to read or least not reading English there is certainly a tendency to render verdicts against dog owners. The present drive to make ownership of pit bull dogs unlawful could well be extended to include Dobermans and any junk yard dog.

I am certainly ambivalent about that question. While I

know that property owners feel ever more threatened in person and property the thought of a child savaged to death by a dog gives me a chill.

I reject the argument by a man from a humane society that bad dogs are trained to be vicious and are by nature friendly. I once owned a big red dog which looked for all the world like the typical friendly hound. The catch was that his papa was Chow and Rusty was violently territorial even as a pup. I at last gave him to a man living in the country because there were too many people in Weatherford who would be endangered. In a strange place even a bad dog usually behaves but on his own turf look out. Some dogs are natural bird hunters, other natural at sniffing trails but most are territorial. That is strange animals, and they may include humans, are simply not welcome where the dog considers his private domain. So maybe, Cave Canem is good advice anytime.

My own caveat heads each of these columns in plain English "I'VE BEEN WRONG BEFORE" and could be again. I knew of a man the most vicious dog wouldn't bit and a couple others that dogs never bit before would snap at. Just hope that "man's best friend" knows he is supposed to be friendly. When someone told a man, "Don't worry. He's wagging his tail." He said the tail wasn't the end he worried about.

Texans Health Outlook

by Roy V. Cartee

QUESTION: Mr. Cartee, every day, it seems, I get a letter wanting me to buy insurance. I see on TV someone says their health insurance is the best. I am an elderly person, need insurance, but can't waste my money. Can you recommend any insurance policy that is good?

ANSWER: I'm sorry, but we do not recommend any insurance policy. I know what you mean by the large amount of ads coming at you from every source that their policy is the best. We suggest you take the ads to an insurance agent who is your friend and ask for guidance and possible selection of a policy that meets your individual needs.

QUESTION: Mr. Cartee, I need help in filing my Medicare claims. I hate to pay for this service. Is there anyone who can help me?

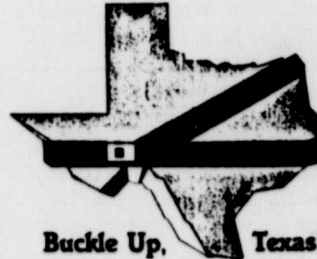

ANSWER: The AARP Chapter in Cisco provides this service free. Call 442-2263 and ask for an appointment with a counselor it will be necessary for you to have the hospital and doctor bills. If you need to file with your supplemental insurance have the claim forms and the Medicare benefit payments so the counselor will be able to assist you.

QUESTION: Mr. Cartee, my mother is in the nursing home and has exhausted her funds so must apply for

Medicaid. However, we have been told she has too much income, \$20.00, per month too much. Is there anyway she can become eligible?

ANSWER: We hear this story over and over. Texas ranks 49th or 50th in the nation in qualifying for Medicaid. It appears the problem is not getting any better under this session of the legislature. Seek an appointment with the Human Resources Office, again. If no satisfaction contact an advocate.

If you have any questions for Mr. Cartee, write in care of the Eastland Telegram, P.O. Box 29, Eastland, Texas 76448.

4-H NEWS

By Crystal Wilbanks, County Agent

Last week, 4 members of Eastland County 4-H Clubs and I spent time in the East Texas piney woods attending Texas 4-H Congress. Over 150 4-H'ers from across the state were selected to participate in "East Texas Heritage and Horizon" 4-H Congress. 4-H members from Eastland County participating included Toby

Long, Rising Star; LaDawn Little, Kokomo; Natalie Stevens, Eastland; and Stephanie Long, Rising Star.

4-H Congress is an event designed to educate our 4-H'ers about Texas government and history. Every other year Congress is held in Austin and the members have the opportunity to visit state representatives, sit in

on actual congressional debates and learn the democratic process through "hands-on" experience of passing their own bills.

This year 4-H Congress was held in the historical town of Nacogdoches on the campus of Stephen F. Austin University. We had the opportunity to tour various locations in and around Nacogdoches including the Louisiana-Pacific Plywood Mill, the International Paper Mill, Texas Forestry Association Museum, Texas Forest Service Nursery, Temple-Eastex Wildlife Management, Boggy Slough and Champion Paper Company Timberland site. We also enjoyed a trip on the Texas State Railroad at Rusk and learned a lot about the early settlement of Texas.

While in Nacogdoches, Congress delegates enjoyed an inspirational talk by Mamie McCollough, of the Zig Ziglar Corporation and Dan Baker, who claims no kinship with Jim Bakker. We were also treated to an unusual, but very interesting and enjoyable musical history of East Texas by historian, Dr. Francis Abernathy.

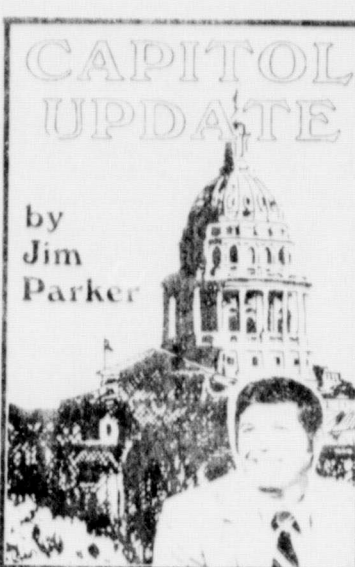

We also toured the departments of Stephen F. Austin University and the Old Stone Fort located on campus.

The 1987 Texas 4-H Congress was a very educational

and enjoyable event that we won't soon forget!

Attention all beef project participants! The Eastland County Livestock Raiser's is sponsoring a prospect steer and heifer show August 1st and 2nd at the Eastland County show barn. All 4-H and FFA members are invited and encouraged to bring their steers and/or heifers and enter this show. Entry fee is \$40.00 and the deadline to enter is July 24th. Late entries will be accepted with a late entry charge of \$10.00. Entries can be picked up at the County Extension Office. Buckles will be given to all breed champions and prize money will be prorated. For further information, contact Crystal Akers Wilbanks, County Agent.

Time is drawing near for the 4-H Natural Resource tour of Fossil Rim Wildlife Ranch. The tour is scheduled for Thursday, July 30th. Cost is \$1.00 per person and approximately \$4.00 for your meal (supper). We will leave the Courthouse at 1:30 p.m. and arrive back to Eastland at approximately 9:00 p.m. If you want to attend this tour, please call 629-1093 and register ON or BEFORE Friday, July 24th. We are also accepting parental support for rides to Glen Rose.

by Jim Parker

If you did not like the House of Representatives' proposals to tax your insurance premiums, try this on for size.

The Senate, as I predicted last week, rejected the House plan to tax insurance premiums and opened their own "Pandora's Box" of revenue proposals. Among these proposals is an increase in the driver's license fee from \$16 to \$25 with the license good for 5 years instead of 4. Not a real good trade, is it?

The Senate further proposed 1) to increase the inspection fee on your automobile from \$7.75 to \$15.50 and have you do it every two years instead of every year; 2) to double professional license fees (doctors, lawyers, barbers, architects, and others); 3) to increase the sales tax by three-fourths of a cent and to expand it to automobile repairs and long-distance phone calls. Further, everyone obtaining a sales tax permit in the future would pay a \$50 fee.

The Senate would raise the cigarette tax about a dime a pack and raise the hotel/motel occupancy tax to 6%. The big buck raiser in the Senate plan would be a corporate franchise tax on

all corporations doing business in the State.

It's just one of those deals where you have to choose your poison. Whether the House version of the bill or the Senate version prevails, or some combination of the two, you, the consuming public, will ultimately pay the freight. There is a great flurry in Austin to try to couch the tax increase in terms that will cause you to be the least upset; but, in one form or another it's coming.

Even Governor Clements who would much prefer to eat worms rather than approve a tax increase has pretty well agreed to accept new taxes of about \$5.2 billion. The only question remaining, and hopefully it will be answered shortly, is how the State is going to extract that money from you, the taxpayer, with the least amount of pain.

In these final days before a resolution of the tax and spending bills, or what we will call a resolution, the process will be to a great extent out of the control of any individual members of either the House or Senate. Conference committees will be dealing with both the tax and spending bills. When they complete their work, the vote will be what we call straight up or straight down. By that is meant that you either accept it in its entirety or reject it in its entirety. If it's rejected, we state over and over and over again that it's likely as many as one-half of the schools in Texas could not open on September 1st.

If you have read this far, two things have surely occurred. Number one, you are terribly depressed, and number two, you know as much as I do about what is going to happen.

Just be patient with us. We are really doing the best we can.

Jail Lighting, Other Matters On Commissioners Agenda

The Eastland County Commissioners spent part of their called meeting Monday, July 20 considering bids for lighting-electrical work for the Eastland County jail.

This was in effort to bring the lights into compliance with the 20-candlepower required by the Texas Jail Standards Commission.

There were five bids submitted in all, from Lawn Electric, Key City Electric, Royal Electric, and Lee Pruitt Electric of Abilene, and Agnew Electric of Cisco. The bid from Agnew Electric of Cisco was accepted, either his basic or alternate plan, whichever will suit the Jail Standards Commission. Agnew bid a basic plan for \$33,900, and an alternate plan for \$25,700.

James Wheeler, architect, was present at the meeting, and stated he would look over samples of the light fixtures before installation. He will then recommend the alternate if it meets State jail standards, or the higher bid specifications.

The Commissioners then asked Mr. Wheeler about the Jail Inter-com system, and he said that he thought a base

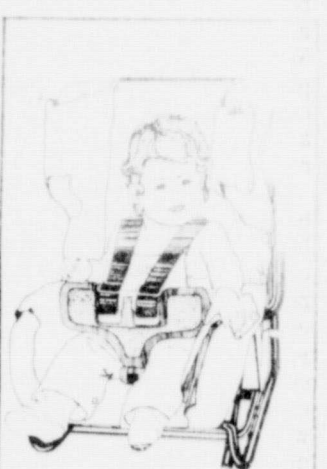

terminal that will serve 48 units would be the best to install. This would take care of a 24-bed expansion at the jail, in case it became necessary.

Billy Bacon made a motion to approve the installation of a 48 unit Inter-com system. L.T. Owen, Comm. of Pet. 3, seconded the motion. The motion was approved.

The Commissioners decided to spend part of their next regular meeting on July 27 in a discussion of their report to the Texas State Jail Standards Commission on July 29 in Austin.

In other agenda items, the Commissioners approved an application by Christie Gas Trans. Corp. for pipeline crossing on road 232, about five miles south of Ranger.

Also approved was an annual contract for tax appraisal services by Eastland County Tax Appraisal District office.

Their Lives Are in Your Hands

Texas Coalition for Safety Belts

Peanut Growers To Meet in DeLeon July 31

The 50th Annual Meeting of the Southwestern Peanut Growers' Association will be held at De Leon on Friday, July 31. The meeting will begin at 10:00 a.m. and will be conducted in the City Hall Auditorium, James Neal, SWPGA President said.

"The meeting will be over by just after noon, but we have scheduled a program that we believe will be worth your time - aside from being there to help us celebrate the 50-year anniversary of our association".

The first meeting to discuss the need for such an organization was held in Eastland County Courthouse on August 5, 1937 when the late W.B. Starr (noted peanut farmer), County Agent E.V. Cook and Assistant Agent Hugh F. Barnhart discussed with others the need.

The actual organizational meeting was held in Brownwood Aug. 11, 1937 and the charter was granted in September of 1937. The new Board, with Mr. Starr as temporary manager, met in the Eastland Courthouse until 1940, when it considered establishing a home of its own.

Gorman gave five acres of land and that town was chosen. In 1938 Dick Weeks became the first hired manager. Later managers were Donald David, John Wright, S.E. Cloninger, and Ross Wilson, who was hired in October of 1956.

At the 50th Anniversary program Mr. Dallas Smith, Director of the USDA's Tobacco and Peanut Division, Washington, D.C. will be a featured speaker. Mr. Larry Meyers, SWPGA legislative consultant will report on up to the minute agricultural and farm program developments in Washington. Dr. Ed Colburn, Peanut Extension Agronomist from Texas A&M University, will report on peanut production items of current interest.

Also featured on the program will be John Wright, Chief Executive Officer and Chairman of the Board of the First State Bank, Abilene. Wright served in key management positions with the Southwestern Peanut Growers' Association prior to being named vice-president of the Abilene bank in 1954. He is a distinguished member of the Texas banking industry and continues to be a dynamic civic leader in Abilene and West Texas. In 1967 he was named the outstanding citizen of Abilene. James Neal of Pearsall, SWPGA President, said it is particularly fitting that John Wright be a part of our 50th Anniversary program.

Bob Green and Ross Wilson will provide brief reports on the SWPGA operation last year. In the early years the Association assisted the U.S. Department of Agriculture in price stabilization programs implemented by the diversion of planted acres. A few years later in 1941 when the peanut price support program was enacted by Congress the Association's function was shifted to price support activities including market price support loans available to producers as well as CCC record keeping and diversion of surplus peanuts.

The USDA has traditionally utilized 3 area grower associations to carry out the field of supervisory functions of the peanut price support program. The Southwest peanut producing area includes all states west of the Mississippi River in which peanuts are produced. The major states are Oklahoma, Texas and New

DEEP THINKING ON THE CONTRA HEARINGS
By Ben A. Butler
Cisco, Texas
"Great economic and social forces flow with a tidal sweep over communities that are only half conscious of what is befalling them." - John, Viscount Morley.

What we could be witnessing of the Iran-Contra hearings now going on in Washington is a theater not unrelated to those words of a very wise British statesman of the nineteenth century. The inquisitorial issue in these hearings is one of truth, and rightly so. The more subtle, underlying issue, as I see it, is whether or not the sober, constitutional processes of our political system are adaptable to the challenges of a rapidly moving complex of world politics, swept by alien tides of revolution. Looking back upon a generation of history - and away from the moment - we seem to exist in a continuing Vietnam of international futility, besieged by organized masses excited by our own ideals, and a world-spread resentment of our successes. Democracy - our version of it - is a wonderfully creative social discipline, but a poor conservator. In this evolving, high-tech, fast-moving cosmos, it takes too long to make up its mind - if indeed, it can do so at all!

In the past, the sobering but cumbersome processes of our constitutional institutions proved remarkably adequate to our ideals. But only because their instrument has been structurally flexible. Its textual adaptations were brought about, not by anticipatory design, as was the original pattern, but by contained revolutionary pressures, sometimes in overt violation of existing law, and some of which - as witness the resolution of the slavery issue and its associated definition of state's rights - were earth-shaking and tragic.

It is significant to point out, that these challenges were endemic in origin; they did not arise of foreign pressures.

As a mold of democratic government, nevertheless, our Constitutional creation stands without peer in the political history of mankind. The nation's fortunate location had a lot to do with it. Behind a moat of seas and distance, it could fashion itself, relatively undisturbed by intrusive influences of

alien societies. Distance gave it no substance alone, but enchantment, a lifted majesty consistent with an Edenic appeal to the hopes of Earth's poor.

That isolation also gave it respite in times of war - the opportunity to transfer its peace-based economy to a war footing. That advantage no longer exists, thanks to those over-riding industrial and mechanical advances which have shrunk our world. And more thanks to our own creative technology! Destruction now is but minutes from lift-off!

The current and stultifying antagonisms between the Congress and the Presidency is, in view of the surrounding and volatile state of world affairs, ominous. To lose the effect of either of these institutions, by impotence, trend or forceful design, would be disastrous to our system - a historical replay of the democratic fortunes of ancient Greece and Rome. We would continue to exist, but in what state?

It is a condition becoming more and more ambiguous of province and responsibility, in growing need both of a clear definition and the oil of agreement - that keelson of democracy, compromise! - if our system is to serve well in response to the efficient political challenges of today's totalitarian regimes.

It is a need the more perilous for the internal problems that beset us - the towering national debt, for instance, which looms like an iceberg to the course of our proud Titanic!

There is, I am sure, no question, to any reasonable prejudice, that our nation is sitting upon a political time bomb - a bomb lacking only the fuse of accident. To our south, Third World pressures grow exponentially with numbers in want. Our borders are being swamped of hungry need. Need it be asked if the provocateurs of communism are blind to that rich frontier?

The public, as a mass, unfortunately, thinks after the fact. In matters of slumbering import it requires some tragic or dramatic event - such as now seen in Washington - to arouse it to passion.

To continue the quotation above:
"Wise statesmen are those who foresee what time is bringing and endeavor to shape institutions and to mold men's thought and purpose in accordance with the change that is silently sur-

rounding them."

One, and no so silent concept, is the prospect of a Mexico being taken over by a Marxist regime! Is such an expansion of the Castro satrapy too far-fetched to entertain? The resulting challenges to our national integrity are difficult to detail, but not their certainty! One who minimizes the prospect could well inquire of history, in lingering influence, what happened in 1848-49 when roughly half of the American West was ceded to the United States in an American victory at arms.

Extend that eventuality through Central and South America, where pustules of Marxist infection already exist, most notably in Nicaragua, - lands swarming with needy and over-restive populations - and the prospect frightens!

Join to that scenario thoughts of a Marxist Africa,

a Soviet oriented India, an Americophobic Middle East, added to an already communist Asian world, and you see at once how beleaguered could become this wonderful America in which we live - how desperate the democratic hope of which Uncle Sam is now a somewhat discredited avatar!

The need is imperative! That we hone our institutions, for a wise, timely and efficient expression of our will to be! An adjustment to conditions which the framers did not consciously anticipate.

Hopefully what is occurring in Washington, beneath all its dramatic excitement and media exploitation of anxious scene and fervid line, will have that result. And without loss of those saving checks and balances that urge our leaders from politics to statesmanship.

Scuba Diving Fun And Profit

By SANDRA PRICKETT

Scott Prickett has a hobby that is rewarding, not only in the pleasure he receives, but it also puts a few dollars in his pocket from time to time.

Scott is a certified Scuba Diver. He hesitates to call himself a professional as he is a bit uneasy in water below 30 feet.

Although Scott occasionally goes to other nearby, clearer, lakes to dive, he most frequently dives the not so clear waters of Lake Brownwood.

"Lake Brownwood is more of a challenge," says the 24 year old sandy haired young man. "It's not easy, in fact it's next to impossible to see anything under water in most parts of the lake."

Even under these adverse conditions Scott has found quite a few valuable and not so valuable possessions for Lake Brownwood boaters, swimmers and fishermen who have accidentally dropped items into the lake.

On these occasions the happy person may go away with a smile and Scott a few dollars richer.

One young woman surely must have shed a few tears of joy when Scott found her valuable diamond ring.

Scott wasn't the only one who went away with money in his pocket the day a boater, wearing his swim suit beneath his jeans, slipped out of his jeans and accidentally dropped them into the lake. His billfold in his pants pocket, containing a large amount of money soon lay at the bottom of the lake. Scott was happy to come to the rescue.

The swimming dock at Lakehaven where many high school and Howard Payne students go to relax, sun and swim is an especially vulnerable area for lost car keys, coin purses, and billfolds. Scott has found numbers of these items, but quite a few have gone unaccounted for.

"The mud is thick under and around the dock, and often the keys drift while they are sinking to other parts of the lake," Scott explained.

The most unusual item I've dived for was a pair of false teeth. A very upset woman called late one afternoon and explained she had dropped her teeth into a stock tank. Fortunately, I was able to leave right away. I could tell the tank was pretty muddy, and had doubts before I went down. But as luck would have it, I went right to the teeth."

Scott was certified as a diver in 1979. His older sister

Tammi Sue had been certified a year earlier. Scott and Tammi were pretty much a diving team until Tammi moved to Waco and married four years ago. Tammi still dives with Scott occasionally when she's home visiting.

"They make quite a team," one neighbor commented. "I can't help but smile when I see the pretty petite girl come out of the water with those heavy tanks on her back. And the first thing Scott does when he climbs out of the water is whip one of his many caps over his curly hair."

"I've never found anyone I enjoy diving with as much as Tammi," says Scott glancing at his four year old daughter, Katrina. My wife Karen isn't interested in exploring beneath the water, in fact, she downright refuses, but Katrina already enjoys a little ducking under the water. Maybe when she's a little older..."

Scott is employed with his family business, Brownwood Radiator Service. He lives at the lake in the Lakehaven area. And he's always ready to go diving. He is willing to travel to any of the nearby lakes, including Lake Cisco if there is a need.

"The money's nice," says Scott, "but the real excitement comes when I find that item I've been searching and feeling for and hold it in my hand, or when I'm diving for the fun of it and find an unexpected treasure."

Glen Rose To Have Shows This Weekend

"Pickin' the strings of a guitar under a starry Texas night is about as close to Heaven as you can get," says Whimp May, one of the owners of Oakdale Park in Glen Rose.

July 24-26 Oakdale Park sponsors "Pickin' Under the Stars", which is a planned weekend full of Bluegrass music. A one day ticket is \$9; a three day ticket is \$22 plus tax. Visitors are encouraged to bring their instruments and enjoy jamming with some of the best groups in the industry.

The stage show will open Friday, July 24, at 7:15 p.m. and end at 12 midnight. Saturday, the program will begin at 10 a.m. and run until 12 midnight. Show hours on Sunday are 10 a.m.-6 p.m.

Bands scheduled to perform include Josh Graves and Kenny Baker, Tenn.; The Lewis Family, Georgia;

Shown above is the new Cisco Chamber of Commerce sign in front of The Mobley Hilton Community Center. (Staff Photo, courtesy of Cotton's Studio)

Huntington Reunion Held

The annual Huntington Reunion was held July 10-12 at the Church of God Camp Inspiration in Eastland.

Those attending were Dink and Pauline Clements of Grand Junction, Colo.; Robert and Donna Latham and daughter Stephanie of Canyon; Doug and Linda Wheeler of Irving; Doris Huntington of Kansas City; Bob and Earline Latham, Ronda Latham of Odessa; Raymon and Elizabeth Devenport of Arlington; Kenny and Lenora Osborn of Winnsboro; Max and Joan Smith and Brandon of Stephenville; Ron and Dana Parkison and children, Traci, David, Patrick and

Ronnie of Little Rock, Ark.; Peggy and son, David of Ardmore, Okla.; John and Judy Perry and children J. Bart and Breanne of Arlington; A.L. and Inez Devenport of Fort Worth; Lula Barcroft of Trenton; Kevin and Michelle Osborn and daughter Mindy of Irving; Victor and Janice Latham of Odessa; Donnie and Vicki McReynolds and daughter Aubra of Canyon.

Also, Frank and Paula Veach of Lubbock; Gayle and Bob Dixon, Debra Rhodes and daughters, Audra, Allison and Amber of Fort Worth; Grant and Grace Smith and children, Authur and Janell of Arlington; Dortha Devenport, Jolanda and daughter of Fort Worth; Don, Sylvia and Donna Slaton of Abilene; Polly Latham, Audie Lem of Eastland; Amy Evans of Crane; Wesley and Loretta Latham, Emery Booth of Cisco.

Friends attending were John and Mabel Turner of Lake Leon, Angie Reese of Arlington, Raymon Coleman of Trenton, Holy Gline of Abilene, Matt Sullivan of Arlington, Beulah Drake, Catherine Finley, Rebecca Gibson, George and Claudia Drake of Eastland.

Portraits On Display In Fine Arts Center

"Athletes and Heroes: Portraits at the TIME Collection at the National Portrait Gallery"

at the Breckenridge Fine Arts Center at 207 North Breckenridge Ave., Breckenridge, Texas. It will continue through August 9.

Thirty original portraits of star athletes in a variety of media - photography, paintings, cartoons - comprise this exhibition drawn from the TIME Collection of the National Portrait Gallery in Washington, D.C. The exhibition is touring nationally under the auspices of the Smithsonian Institution Traveling Exhibition Service (SITES). SITES is a program activity of the Smithsonian Institution that organizes exhibitions on art, history and science and circulates them in the United States and abroad.

Each portrait in the exhibition has been on the cover of TIME magazine over the years. The works were selected from nearly 900 portraits donated by Time-Life Inc. to the Smithsonian's National Portrait Gallery. The TIME covers represent a collection of newsmakers who, if sometimes only for the moment, captured center stage and won the heart of the American public.

From a Leroy Neiman painting of hockey pro Bobby Hull in action and a color photograph of Dorothy Hamill caught in midair to a caricature of celebrity Joe Namath, the exhibition celebrates the role of athletes in American society as newsmakers, achievers and idols. Represented are the fields of tennis, baseball, horse racing, ice skating, swimming, golf, boxing and hockey.

Arts Center is extremely honored to have met the criteria to qualify to exhibit

this show. Area Residents are cordially invited to view this exciting exhibit. The Art

Center is open Monday-Friday from 11:00-5:00. Admission is free.

People n Things

BACK HOME after a year as a volunteer pilot flying missionaries in Tanganyika is Mr. Kenneth Garvin, son of the Rev. and Mrs. Harry Garvin, who recently went to Uganda and a Baptist missionary assignment. Kenneth got home early last week and is living with his wife Laura at the Garvin home south of Cisco.

Mrs. B. Burkman, Kenneth's sister, tells us that he had some interesting experiences while flying in that country. Understand he plans to explore opportunities for employment as a corporate pilot. A native Texan, Kenneth went to college at Henderson State in Arkansas.

FAYE REDWINE Cameron, daughter of Mrs. Vergie Gregg of Cisco, left Sunday for her condo home in Colorado Springs, Colorado, after spending nearly two months vacationing in Texas. She is a member of the public school faculty in Colorado Springs and has taught there 22 years. After five more years, she plans to retire and return home to Texas to stay.

Faye spent a month over in Arlington with her little sister, Joyce, and about a month here with her mother.

COACH RICK Frazier of Cisco Junior College played in two golf tournaments this past weekend. And he won as captain of a team in a tournament at Abilene Country Club and came in 4th with a team of first flighters at Mineral Wells.

At Abilene, Rick and Ralph Glenn represented CJC in a scramble Friday that the ARA Restaurant folks sponsored for schools in the cities where ARA has cafeteria operations. Ralph's team wasn't among the prize winners. The trophy won by Coach Frazier's team was on display this week at the CJC Cafeteria.

Saturday and Sunday, Rick and Coach Chuck Lawrence joined Coach Tanner of Palestine and Coach Randy Hodges of Nueces Canyon as a four-man scramble team at Mineral Wells.

Also at Mineral Wells, Mr. Frazier had a drive of 302 yards that won a long-driving contest prize.

MISS MARY McGrew, No. 1 daughter of the Lloyd McGrews who has one of the leading parts in "The Fantastics," CJC Summer Theater program that opens Thursday at the Hilton Center, almost had an unusual birthday party last Sunday.

Friends including Dick Seider had arranged for the use of Kimbrough Funeral Home's limousine to pick Mary up at home and take her to the Hilton Center where champagne would be served along with birthday cake and the like.

Mary learned about the limousine plans and cancelled same. Understand they wished her a happy birthday.

under different circumstances.

Mary's little sister, DD McGrew, was home over the weekend from the UoFT in Austin where he is taking summer school courses at the School of Pharmacy. She reports that she spends two afternoons a week working in the school pharmacy filling prescriptions. She'll be in school again there this fall ... Her parents visited relatives in Oklahoma last weekend.

"**THE FANTASTICS**," the Dinner Theater's finale for the summer, opens Thursday for three nights this week and three next week. The reservations department reports that they still have seats available for all performances. Call the college (442-2567) for a reservation.

The cast will have Bill Austin, Jr., as the narrator. Members of the cast include Mary McGrew, Joe Ochoa, Fred Mullinax, Dick Seider, Clint Cottom and Kim Allison. Glenda Huffman Young is director.

FOLKS TOURING the old Mobley Hotel Museum and building last Sunday included Mrs. Vera Bollinger of Fullerton, Calif., and the LeMaster family of Anaheim, Calif. Mrs. Bollinger is the sister of Mrs. Louise Cooper and Mrs. LeMaster is the daughter of Mrs. Bollinger.

The Californians have been visiting Mrs. Cooper for a few days. They all went over to Granbury on Monday to see such things as Dinosaur State Park with its ancient reptile tracks and the like.

BARBARA NIXON has 11 baseballs in the trophy case at their house. Numbers 9, 10 and 11 were acquired at Albany last Friday and Saturday nights as Mrs. Nixon's son, Jay, hit home runs as a little leaguer playing in the district tournament. The game officials gave the ball to the player after he hit one out of the park.

During the season that ended Saturday night for Cisco (They lost.), Jay hit eight home runs and the Cisco league gave him the balls. He continued his power hitting in the district tournament ... Cisco fans were real pleased in a late inning of the Friday game. The Breckenridge pitcher walked Jay intentionally and his teammate, Bradlee Rains, promptly hit a homer with Jay scoring ahead of him.

Jay's brother Shelby, who was one of the Lobo football stars last fall, will be out for football at Cisco Junior College next month.

MR. OLIN ODOM, one of the head men in planning, reports that there will be over a hundred folks here for the CHS Class of 1962 reunion this coming Saturday. They're expecting a big day at the Laguna Corral Room with Oscar's Barbecue feeding them around 5:30 p.m. ... Mrs. Janice

Ferguson is back home after accompanying daughter Martha and family on a vacation trip to Florida ... Mr. and Mrs. Jack Kennedy's daughter Brenda, a missionary in Lybia, and her son are visiting in the Kennedy home here. The Kennedy grandson is scheduled to have surgery on an ankle for the removal of steel pins placed there a year or so ago.

CISCO POLICE weren't very nice to the young fellow who stole some wheels and tires off new pickup trucks at Pierce Ford here a week or so ago. They made him take the new wheels off and put his old ones back on ... And Neighbor Jones says that anybody who believes that life is just a bowl of cherries is bananas.

First Baptist Church To Hold Vacation Bible School July 27-31

Plans were announced Tuesday for the annual Vacation Bible School at the First Baptist Church beginning Monday, July 27, and running through Friday, July 31. Classes will meet from 7 to 9 p.m. each night during the week.

Mrs. Cam (Cindy) Webb, the church's children's minister, will be the director of the school. Anyone desiring to attend who needs a ride was asked to call the church office - 442-1160.

Randall Rattan Graduates From Texas Tech

Randall Rattan, son of Dr. and Mrs. Cleatus Rattan of Cisco has been graduated from Texas Tech University with a B.A. Degree. He graduated Magna Cum Laude (with high honors). Randall was one of more than 4,000 persons who graduated from the Arts and Science School in the May 16th ceremony.

Randall has been an active member of Phi Kappa Phi Honorary fraternity and Sigma Tau Delta.

Randall will be entering Texas Tech University Law School this fall.

Cisco Little League All Stars Lose Game To Albany

The 1987 baseball season ended for the Cisco Little League All-Stars when they lost by a score of 14-to-1 to the Albany All-Stars in their third appearance Saturday night in the district tournament at Albany.

Cisco was previously beaten by Albany, 7-0, last Monday night but came back to win over Breckenridge, 8-4, in a game Friday night at Albany. It was a double elimination tournament and Albany had previously beaten Breckenridge.

Cisco's only run Saturday night off Mike Lenamon, the top Albany pitcher who beat them last Monday, was a home run by Jay Nixon. Nixon and Dustin Ferguson

divided pitching chores for Cisco against the Albany teams.

It was Nixon's bat that knocked in five runs with two homers Friday night that gave Cisco the victory. Bradlee Rains also homered for Cisco in the contest, hitting one out with Nixon aboard by virtue of a free pass.

Jason Hoffman pitched all the way for Cisco. Jeff McCoy had a double and two singles for Cisco, and Rains also had a double and a single as well as the homer. Nixon's first home run was

with two mates aboard and there was one on base when he hit the second.

By virtue of their win, Albany will go into the second round of district play

against the winner of a tournament at Coleman with Ballinger and Winters playing in the three-team event. The winner there will go to the area tournament.

Manager Benton Lacy and Coach David Callarman said they were pleased with the performance of their team. It was Cisco's best finish in ten years, Lacy said.

Legal Notices

Cisco ISD is accepting bids for curbs-gutters and sidewalks at the elementary school located at Avenue H and West 11th Street, Cisco, Texas. Specifications and information may be obtained at the administrative offices on Front Street in Cisco. Bids will be accepted until 11:30 a.m. July 31, 1987.

Cisco ISD reserves the right to reject any or all bids which is in the best interest of the school. (7-19-87; 7-23-87)

NOTICE OF APPLICATION FOR OIL AND GAS WASTE DISPOSAL WELL PERMIT Ray Richey & Company, Inc., 724 N. Jim Wright Freeway, Fort Worth, Texas 76108 has applied to the Railroad Commission of Texas for a permit to dispose of produced salt water or other oil and gas waste by well injection into a porous formation not productive of oil or gas. The applicant proposes to dispose of oil and gas waste into the Strawn Sand G. P. Mitchum, Well Number #1-SWD. The proposed disposal well is located 6 miles NNW of Cisco in the Richey (Duffer) Field, in Eastland County. The waste

Gymnastics Clinic To Be Held In August

A gymnastics clinic will be held in August in the Community Gym in Cisco, according to an announcement by Sara Wilson, gymnastics instructor, from Albany.

The clinic will be held Monday through Thursday, August 10-13. It will be open for boys and girls ages three and up, Ms. Wilson said.

The class schedule has been announced as follows: 9 to 9:45 a.m. - 3-4 years, beginners. 9:45 to 10:30 a.m. - 5-8 years, beginners. 10:30 to 11:15 a.m. - 8 and up, beginner and intermediate. 11:15 to 12 noon - 5 and up, intermediate and advanced. Ms. Wilson can be called at (915) 762-2765 for more information on class times and registration.

people in the news

Miss Claudia Yeager has just returned from a trip to Jacksonville, Florida. Her sister and brother-in-law, Mr. and Mrs. Tim McKinney, visited in Duncanville and then picked her up in Dallas. They returned home Monday night.

AIRMAN JONES
Graduates Basic Training

Airman 1st Class Kenneth J. Jones, son of Mr. and Mrs. Eldon J. Jones of Cisco, has graduated from Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations. In addition, airmen who complete basic training earn credits toward an associate degree through the community college of the Air Force.

He is a 1985 graduate of Cisco High School.
